ACTION AND PAGA SETTLEMENT**

FINAL APPROVAL HEARING

Date: June 23, 2025
Time: 9:00 a.m.

DECLARATION OF JOHN G. YSLAS

I, John G. Yslas, declare as follows:

1. I am an attorney at law licensed to practice before all of the courts of the State of California. I am a Senior Partner at Wilshire Law Firm, PLC (“WLF”), counsel of record for Plaintiff George Munoz (“Plaintiff”). I have personal knowledge of the facts set forth in this declaration and could and would competently testify to them under oath if called as a witness.

2. I submit this declaration in support of Plaintiff’s Motion for Final Approval of Class Action and PAGA Settlement.

3. Plaintiff is represented by WLF. The attorneys at WLF performed significant work and expended litigation costs in prosecuting this matter with no guarantee of payment.

4. WLF was selected by Best Lawyers and U.S. News & World Report as one of the nation’s Best Law Firms since 2020 and is comprised of more than 100 attorneys and over 600 employees. WLF is actively and continuously practicing in employment litigation, representing employees in both individual and class actions in both state and federal courts throughout California.

5. WLF is qualified to handle this Litigation because its attorneys are experienced in litigating Labor Code violations in individual, class action, and representative action cases. WLF has handled, and is currently handling, numerous wage and hour class action lawsuits, as well as class actions involving consumer rights and data privacy litigation.

6. I graduated from the University of California, Santa Barbara with High Honors in 1991 with Bachelor of Arts degrees in Psychology. I received my Juris Doctor from UCLA Law School in 1996.

7. Upon graduating from law school in 1996, I worked for a boutique law firm practicing general litigation which included employment law matters. Since 2000 (that is, the last 23 years) my practice has been exclusively focused on labor and employment matters including handling wage and hour class, collective and representative actions (including the California Private Attorneys General Act, or “PAGA”), including in the international law firms

1 of Morgan, Lewis & Bockius LLP (where I was a senior associate), Foley & Lardner LLP
2 (where I was a partner and a national Vice Chair of the Labor and Employment Group), Norton
3 Rose Fulbright LLP (where I was a partner) and Seyfarth Shaw (where I was a partner and
4 member of the Wage and Hour Practice Group). During my time at these law firms, I was the
5 primary attorney or took a major leading role in defending employers on numerous wage and
6 hour class, collective and representative actions.

7 8. In late June 2022 I left Seyfarth Shaw and joined my current firm, The Wilshire
8 Law Firm, PLC, to represent plaintiff employees. I have been and am handling many wage and
9 hour class and representative actions litigating such matters on behalf of plaintiff employees in
10 numerous Superior Courts and District Courts. From matters representing both plaintiffs and
11 defendants, I have successfully mediated the resolution of many wage and hour class,
12 collective, and representative actions. Just since starting to settle cases in late April 2023 I have
13 already successfully mediated matters in which I have been counsel or co-counsel resulting in
14 **over \$100 million** in settlements which are in the process of being finalized, and with numerous
15 upcoming mediations scheduled. In those and numerous other matters, I have managed and
16 assisted with the litigation and settlement of many wage and hour PAGA and class actions. In
17 those actions, I performed similar tasks as those performed in the course of prosecuting this
18 action.

19 9. I have received numerous awards for my legal work. For example, from 2015
20 to 2018, I was listed in Los Angeles Super Lawyers for Employment Litigation (Thomson
21 Reuters). have also served on numerous prominent boards and in other leadership positions,
22 including currently serving as Southern California Regional President for the Hispanic National
23 Bar Association and on the board of directors of the Mexican American Bar Foundation. I also
24 previously served on the 5-member Los Angeles Civil Service Commission, which generally
25 oversees the personnel decisions for the City of Angeles.

26 10. I have also published numerous blogs on labor and employment issues including
27 on wage and hour issues. For example, I published "Headline News: Wal-Mart v. Dukes-
28

1 Impact on Class Action Litigation” (while a partner with Foley & Lardner LLP) and “Are You
2 Really Protected From Wage-and-Hour Successor Liability in an Asset Purchase” (while a
3 partner with Seyfarth Shaw LLP). I have also been a presenter at numerous conferences,
4 including being a presenter involving the “Employment Law Update” at a National
5 Employment Law Council conference. I currently bill at an hourly rate of \$1,500.00.

6 11. Samantha A. Smith is a Senior Attorney at WLF where her practice is focused
7 on managing wage and hour class action and PAGA settlements. Ms. Smith was admitted to
8 the California Bar in December of 2004, and received a J.D. from University of California,
9 Hastings College of the Law and a B.A. from University of California, Davis. Ms. Smith has

17. WLF's current lodestar reflects the efficiencies achieved by attorneys experienced in this field with **274.8** hours of work resulting in **\$254,910.00** in fees. The chart below shows the calculation of hours spent by each of WLF's attorneys on this case:

Attorney	Hours	Hourly Rate	Total
John G. Yslas	79	\$1,500.00	\$118,500.00
Samantha A. Smith	25	\$1,000.00	\$25,000.00
Jeffrey C. Bils	67.6	\$850.00	\$57,460.00
Aram Boyadjian	23.5	\$600.00	\$14,100.00
Andrew Sandoval	79.7	\$500.00	\$39,850.00
TOTAL	274.8		\$254,910.00

18. This amount surpasses the requested fee award of \$210,000.00, resulting in a negative multiplier. This amount does not include the time Class Counsel will spend at the final approval hearing and assisting the Settlement Administrator following final approval. This time could have been spent on other potentially lucrative cases. WLF dedicated significant resources to this case by dividing the tasks required according to skill level. The hours expended by each attorney were not duplicative and reflect the extensive investigation and analysis that was required to achieve this Settlement. WLF's lodestar reflects the efficiencies achieved by attorneys experienced in this field.

19. In litigation costs, WLF has spent \$18,076.45 on items such as filing fees, service fees, mediation fees, and expert fees. Since Class Counsel's costs exceeded the maximum of \$17,500.00 there will be no reversion to the Net Settlement Amount. A true and correct copies of WLF's cost reports in this matter are attached hereto as **Exhibit 1**. All of the costs incurred were reasonable and necessary for the prosecution of this case.

20. Class Counsel has negotiated a settlement here that they believe is fair, reasonable, and adequate based on their prior experience litigating these type of cases.

21. On April 2, 2025, a copy of the Amended Joint Stipulation of Class Action and PAGA Settlement and Release was submitted to the LWDA. A true and correct copy of the confirmation of submission to the LWDA are attached hereto as **Exhibit 2**.

22. To date, the LWDA has not responded to or objected to the Settlement in this matter.

23. Attached hereto as **Exhibit 3** is a true and correct copy of Plaintiff's Declaration in Support of Plaintiff's Motion for Preliminary Approval of Class Action Settlement, submitted on April 26, 2024.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed on April 7, 2025 at Los Angeles, California.

DECLARATION OF GEORGE MUNOZ

I, GEORGE MUNOZ, declare as follows:

1. I have personal knowledge of the facts set forth in this declaration and could and would competently testify to them under oath if called as a witness.

2. I am the proposed class representative in this action and submit this declaration in support of Plaintiff's Motion for Preliminary Approval of Class & Representative Action Settlement. I believe I have provided invaluable assistance during the course of this case, and I respectfully hope the Court will approve my request of a \$15,000 service payment for my role as the Class Representative.

3. I am a former employee of Defendant Century West, LLC dba Century West BMW. I worked for Defendant from approximately January 2021 to approximately July 2022 as an hourly-paid, non-exempt employee. Throughout the entirety of my employment, I was subject to Defendant's patterns and practices that have been alleged as unlawful in the Class & Representative Action Complaint and Private Attorneys General Action Notice sent to Defendant and the Labor & Workforce Development Agency.

4. I have pursued this lawsuit because I was concerned that I was not paid properly for all the hours that I worked, and I was not provided all my meal and rest breaks. While working for Defendant, my coworkers and I were asked to work long hours because of the amount of work, sometimes without taking meal and rest breaks. My meal and rest breaks were often interrupted by supervisors and co-workers asking me to perform work tasks. I frequently performed work tasks while off-the-clock before the start of my shift and after the end of my shift. I also observed my co-workers working long hours without taking breaks. I was not reimbursed for necessary business-related expenses.

5. By participating in this lawsuit as a proposed Class Representative, I hoped that I might be able to change Defendant's practices to better protect the working conditions of my co-workers. I also understood it was my duty as the Class Representative to represent the best interests of the class, know about the lawsuit, help my attorneys, and keep updated on the case.

6. Prior to commencing this case, I provided Wilshire Law Firm with a detailed account

1 of the facts related to my employment with Defendant. Based on our conversations, my attorneys
2 and I were able to identify instances when I was not paid correctly.

3 7. I have invested a lot of personal time and energy while this lawsuit has been pending.
4 I made it a priority to be actively involved because I wanted to do everything I could to help my
5 attorneys in prosecuting this case. I regularly communicated with my attorneys to discuss updates on
6 the case and to provide information. I communicated with my attorneys via phone calls. Some of
7 these phone calls lasted up to 30 minutes.

8 8. I made myself available during the mediation for this case, and I kept in regular
9 contact with my attorneys before and after the mediation to ensure that any questions the attorneys
10 had could be answered.

11 9. I also reviewed pleadings filed in this case, including the settlement-related
12 documents.

13 10. I believe the settlement is a good settlement, and I would recommend that the Court
14 approve it, because I believe it is fair, adequate, and reasonable. I am glad that I have had the
15 opportunity to represent the Class in this lawsuit, and that I was able to recover money through a
16 settlement for the Class. I have also observed my attorneys' work throughout this case, and I believe
17 they have been thorough, diligent, prompt, courteous, and professional.

18 11. Standing up for myself and the rights of others was not an easy decision, and I am
19 relieved that this is coming to an end. I estimate that I spent at least 45 hours on this case.

20 12. I did not make the decision to file a class action lightly. I was concerned by the
21 attention a publicly filed lawsuit, and especially a class action, would attract. My name would be
22 associated with a lawsuit that I filed against my former employer. I was aware that it is possible to
23 perform background checks of publicly filed documents on the Internet, sometimes with nothing
24 more than a simple Google search. I am mindful that employers might find out that I sued a former
25 employer, and this could hurt my employability.

26 13. I respectfully ask that the Court award me a \$15,000 service payment. I am receiving
27 no additional compensation other than the compensation provided for in the settlement. Based on
28 my involvement in this case and the benefits provided to my former co-workers, I can say I helped

1 stand up for the other workers who may have been too afraid to say anything to management because
2 they did not want to risk losing their jobs or risk the stigma of suing an employer. I was not afraid
3 to take that risk, because I strongly care about helping my current and former co-workers. I also
4 continue to fear that any employer may find out that I participated in this lawsuit and hold it against
5 me. In a competitive job market, this factor may weigh heavily against me. Nevertheless, I felt that
6 important rights were at stake that hurt myself and other employees.

7 I declare under penalty of perjury under the laws of the State of California that the
8 foregoing is true and correct.

9
10 Executed on the 19 day of April 2024, at Temple City, California.
