DECLARATION OF ERICK J. BECKER

I, Erick J. Becker, declare as follows:

1. I am an attorney at law duly licensed to practice before all the courts in the State of California and am the Senior Partner with the law firm of Cummins & White, LLP, counsel of record for Defendant Coreslab Structures (L.A.) Inc. ("Defendant") in this matter.

2. I make this declaration from my own personal knowledge and if called as a witness in this matter, I could and would competently testify to the facts set forth herein.

3. Cummins & White, LLP currently represents Defendant in all pending and threatened employment litigation to which Defendant is a party in the State of California. I am not aware of any pending or threatened class, representative, or other collective action in any other court within the State of California or any other jurisdiction that asserts claims similar to those asserted in this action on behalf of a class or group of individuals who may, in whole or in part, also be members of the class defined in this action.

4. I have made reasonable inquiries of Defendant and other attorneys in my law firm to determine whether Defendant or other attorneys in my firm are aware of any pending or threatened class, representative, or other collection action in any other court within the State of California or any other jurisdiction that asserts claims similar to those asserted in this action. Neither Defendant nor any other attorney in my firm who would be expected to have such knowledge are aware of such pending or threatened actions. Further, it is my understanding that no other law firm is handling any such matter on Defendant's behalf.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on February 21, 2024 at Newport Beach, California.
