Case No.: 23CV415879

**DECLARATION OF DENISE ISLAS
IN SUPPORT OF PLAINTIFF'S MOTION
FOR APPROVAL OF PAGA
SETTLEMENT AND RELEASE**

Action filed: May 4, 2023
Hearing Date: April 24, 2025
Hearing Time: 1:30 p.m.
Hearing Dept: 7, Hon. Charles F. Adams

DECLARATION OF DENISE ISLAS

I, Denise Islas, declare as follows:

1. I am the Senior Director of Client Services for Simpluris Inc., (“Simpluris”). I am over 18 years of age and authorized to make this declaration on behalf of Simpluris and myself and make this declaration based upon my own personal knowledge.

2. Simpluris has extensive experience in class action matters, having provided services in class action settlements involving antitrust, securities fraud, property damage, employment discrimination, employment wage and hour, product liability, insurance and consumer issues. Simpluris specializes in pre-settlement consultation, data management, legal notification, call center support, claims processing and tax reporting.

3. We have provided notification and/or claims administration services in more than 9,000 cases. Over the past eighteen (18) years, Simpluris has handled approximately \$8 billion in settlements. A true and correct copy of Simpluris’ company resume (“Simpluris Resume”) is attached as **Exhibit A**.

4. Simpluris is committed to the security of not only our data and information but the Parties’ data and information as well. We have not experienced any security breaches in our company history. A true and correct copy of our SOC 2 Certification demonstrating our commitment to security is attached as **Exhibit B**. Additionally, Simpluris maintains insurance coverage for \$3,000,000 for Errors and Omissions.

5. Simpluris does not have any affiliation with counsel for this matter.

6. Simpluris has been selected by counsel to serve as the PAGA Settlement Administrator for this case. In this capacity, Simpluris will be charged with, among other responsibilities: (a) providing the PAGA Letter to the PAGA Employees in English and Spanish; (b) calculating individual settlement payments, distributing funds, and tax-reporting following final approval; (c) mailing settlement checks; (d) answering questions from PAGA Employees

7. The mailing addresses contained in the PAGA Employee List will be processed and updated utilizing the National Change of Address Database (“NCOA”) maintained by the

1 U.S. Postal Service. The NCOA contains requested changes of address filed with the U.S. Postal
2 Service. If any individual has filed a U.S. Postal Service change of address request, the address
3 listed with the NCOA will be utilized in connection with the mailing of the PAGA Letter and
4 Payment.

5 8. For any PAGA Letters and Payments that are returned to Simpluris as
6 undeliverable, Simpluris will perform address traces to find an updated address. The address
7 trace will utilize the PAGA Member's name, previous address, and Social Security Number. In
8 the event an updated address is obtained, the PAGA Notice documents will be promptly re-
9 mailed to those PAGA Members via First Class mail. For PAGA Letters and Payment
10 documents that are returned by the Post Office with forwarding addresses attached, these PAGA
11 Letters and Payment documents will be promptly re-mailed to those PAGA Members at the
12 forwarding address via First Class mail.

13 9. Simpluris costs to administer the case are \$5,066. However, Simpluris has offered
14 a client courtesy discount of \$1,816 and has agreed to administer the case for a fixed fee of
15 \$3, 250. If the scope of work increases or decreases significantly, Simpluris will inform the
16 parties and request approval of an adjustment, whether increased or decreased respectively, based
17 on disbursement to 165 individuals. A true and correct copy of Simpluris' bid for administering
18 this matter is attached as **Exhibit C**.

19
20 I declare under penalty of perjury under the laws of the State of California that the
21 above is true and correct and that this Declaration was executed this 18th day of March,
22 2025, in Costa Mesa, California.

EXHIBIT A

Simpluris, an award winning claims administrator, has administered over 9,000 matters, managed over \$9 billion in settlement funds, and provided its services for over 15 years. Our beginning-to-end services include complete project management, mailings & notification campaigns, contact center, legal intake, data management, disbursements & tax reporting, among others.

Services

Class Action Administration

Simpluris class action and claims administration offers comprehensive settlement planning, execution, and reporting. When you bring a case to Simpluris, our team reviews each matter independently. Our subject matter experts leverage their experience to develop a settlement framework designed to meet the unique aspects of your matter. We take a consultative approach to address your challenges and support preliminary hearing preparation.

Mass Arbitration Administration

Simpluris can provide the technology and operational fulfillment resources needed to manage mass arbitrations from intake to payment in a cost-effective and efficient manner. At Simpluris, we pride ourselves on having an average of 93.5% signed releases. We have experience administering some of the largest mass arbitration cases, including Uber, Lyft, Instacart, Grubhub, Postmates, and DoorDash. Simpluris delivers solutions for matters of any size and complexity.

Regulatory Remediation

Whether internally initiated or formally required by a consent order, Simpluris aids respondents in meeting critical obligations and deadlines. Simpluris is prepared to plan and execute remediation actions tailored to your institution's size and needs. As a third-party administrator, we understand the importance of swift remediation and provide "white glove" customer service from planning, to execution, through final reporting.

Legal Corporate Services

Simpluris' services scale and adapt to meet our client's challenges. We excel at comprehensive settlement administration and remediation; however, we understand that our client's needs include a combination of many legal corporate services. No matter how simple or complex, we ask you to bring us your unique challenges so we may develop a custom solution to fit your needs.

Data Security

Simpluris is committed to the security and overall protection of its customer's data and information. We maintain SOC 1 and SOC 2 certification which requires us to adhere to strict policies and procedures surrounding information security including processing and storage of confidential customer data. Simpluris has and maintains a comprehensive, written Information Security Program that complies with all applicable laws and regulations (e.g. HIPAA, Gramm-Leach-Bliley Act, MA 201 CMR 17.00).

Executive Team

Simpluris' history is rooted in class action settlement administration and our management team's experiences are vast and diverse. The Simpluris executive leadership team boasts more than 100 years of experience in corporate, financial and legal administration, including:

- Executive management of the largest legal administration operation in the world that produced 200+ million notifications, 10+ million claims and \$5+ billion funds disbursed per year on average.
- A few of the most notable matters our leadership team has presided over include the largest data breach responses, corporate restructures and antitrust settlement administrations in US history.
- Oversight of the largest consent orders handed down from OCC, DOJ, CFPB & FTC over the last decade.
- Fostering hundreds of client relationships with the premier government entities, law firms and financial institutions in the world.

The Simpluris executive team - Kevin Lee, President & CEO; Doug Norman, SVP Business Operations; Zach Hoffman, Founder, CTO; Patrick Ivie, CRO; Wes Alford, SVP; and Paul Saroj, SVP - are experienced industry experts. Leveraging our past experiences, Simpluris is prepared to handle matters of every scope and scale.

Technology

From Simpluris' inception, our founders had a vision to develop a single comprehensive platform, purpose-built to serve the legal administration industry. Today, our proprietary technology platform, named Cadence, increases data security, mitigates errors caused by siloed databases, and speeds processes by improving transparency and collaboration between departments. Cadence is an innovative and evolving administration engine that sets our case management apart from all other legal administrators. From data ingestion, noticing, and claims processing, through disbursement, taxation, and final reporting, our project management processes are conducted inside Cadence. We see the future of legal tech evolving and are continuously developing our solutions to meet the administration needs of tomorrow.

Client Service

The Simpluris administration team is best known for their dedication to delivering premium service. When you partner with Simpluris, you work alongside a dedicated client service representative. This Simpluris team member will guide you through the settlement life cycle. Your client service representative is your administration conductor, adjusting the tempo as your case progresses. With a comprehensive view of your matter, your client service representative can respond swiftly to changes in your case, proactively notify you of upcoming milestones, and most importantly, be accountable for the successful completion of your matter.

Our team is available any time of day with offices across the nation, including two corporate hubs in Costa Mesa, CA and Orlando, FL.

Our Technology Solutions

Cadence

Cadence™, our internally developed complex administration management tool, acts as a single centralized platform for the entire lifecycle of a project. Cadence uses security best practices including a role-based permission model, encryption at rest and in transit, and database and disk encryption. Our internal features include built-in integrated data and address augmentation (NCOA, CASS, Skip Tracing), address validation built-in, deep auditing and logging, maker/checker type validation steps and checkpoints to enforce accuracy and security, and prevent fraud and mistakes.

Case Website and Claims Portal

Cadence enables the development of claims processing websites specifically tailored for highly scalable and redundant situations using serverless, cloud-based technologies built on top of Amazon AWS. Features include login or authentication, multi-language support, milestones, document sharing, custom online claim forms, e-signature and more. Our case websites are ADA/Section 508 compliant while fully implementing security best practices. We perform encryption of all data, actively monitor and scan all incoming and outgoing data for threats both internal and external, as well as auditing and monitoring all systems for suspicious activity to ensure we are providing the highest possible protection and availability of data assets.

Malware, Fraud, & Data Protection:

Simpluris has built an extensive ecosystem using both custom in-house and off-the-shelf tools to protect our customers, class members, and business from the multitude of today's external security threats. Our highly scalable and redundant claims processing website platform has various malware and fraud prevention technologies integrated including duplicate detection and prevention, fraud prevention, and custom Real Time Claim Validation (RTCV) technology to filter prospective logins/claims based on customer-defined rules. This, in conjunction with our plethora of Gartner magic quadrant best-of-breed malware and ransomware prevention tools, ensures that data is protected whether it's processed through case websites, documents, emails, or any other transmission method. Our security specialists are trained and staffed to monitor our systems, applications, and networks 24/7 for any threats and are ready to respond at a moment's notice.

* Our Team

Simpluris technology professionals include information technology administrators, security specialists, data analysts, database administrators, data engineers, developers, and web designers. They continually monitor and adapt our systems and processes according to business needs and ensure our systems are secure and stabilized against the ever-changing threat landscape, and remain current with the latest in industry best practices. In addition, we provide ongoing employee education and training to inform, test, and verify their knowledge of the latest security threats and mitigation strategies.

Simpluris' history is rooted in class action settlement administration and our management team's experiences are vast and diverse. The Simpluris executive leadership team boasts more than 100 years of experience in corporate, financial and legal administration, including:
