**DECLARATION OF JOHN G. YSLAS IN
SUPPORT OF MOTION FOR
PRELIMINARY APPROVAL OF CLASS
ACTION AND PAGA SETTLEMENT**

Date: December 23, 2024
Time: 10:30 a.m.
Dept.: 1

1 I, John G. Yslas, hereby declare as follows:

2 1. I am an attorney at law licensed to practice before all of the courts of the State of
3 California. I am a senior partner at Wilshire Law Firm, PLC (“WLF”), counsel for Plaintiff Rodolfo
4 Ponce (“Plaintiff”) in this matter. I am thoroughly familiar with and have personal knowledge of
5 all of the facts set forth herein.

6 2. I submit this declaration in support of Plaintiff’s Motion for Preliminary Approval
7 of Class Action and PAGA Settlement.

8 **Procedural History**

9 3. On November 30, 2022, Plaintiff filed this action as a putative class action against
10 Defendant Youbar, Inc. (“Defendant”) alleging: (1) failure to pay minimum and straight time
11 wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to
12 authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure
13 to provide accurate itemized wage statements; (7) failure to indemnify employees for expenditures;
14 and (8) unfair business practices.

15 4. On January 6, 2023, Plaintiff provided written notice to the LWDA and Defendant
16 of her intention to file a PAGA claim. A true and correct copy of Plaintiff’s PAGA letter is attached
17 hereto as **Exhibit 2**.

18 5. The LWDA did not notify Plaintiff that intended to investigate within 65 days of
19 this written notice. Therefore, on March 13, 2023, Plaintiff filed an amended complaint adding a
20 claim under PAGA.

21 6. The Parties subsequently participated in a private all-day mediation with mediator
22 Steve Cerveris on May 14, 2024. The negotiations were adversarial, conducted at arm’s length,
23 and tempered by the efforts of both sides to serve the interests of their clients. The mediator made
24 a proposal, which was accepted by both parties.

25 7. The parties negotiated the terms of the Settlement over the next several months,
26 which was finalized in September 2024. A true and correct copy of the fully executed Settlement
27 Agreement is attached hereto as **Exhibit 1**. Attached thereto as **Exhibit A** is a true and correct
28 copy of the Parties’ proposed Class Notice.

8. On November 14, 2024, Plaintiff submitted a copy of the Settlement Agreement to the LWDA. A true and correct copy of the confirmation of submission my office received after submitting the Settlement Agreement to the LWDA is attached hereto as **Exhibit 3**.

Investigation and Exposure Analysis

9. Prior to attending mediation, Plaintiff's Counsel thoroughly investigated the claims, applicable law, and potential defenses. Plaintiff's Counsel assessed the value to the class claims using the documents and data Defendant produced in informal discovery, including Plaintiff's personnel file, employment handbooks in effect during the Class Period, and a 10% sampling of time and payroll records. Plaintiff's Counsel engaged an expert to quantify the potential exposure using the time and payroll records, and then assessed the risks associated with each claim meriting reductions in the likely success at class certification and likely recovery at trial.

10. Defendant's records show that there are approximately 430 Class Members, making joinder of all Class Members impracticable. Further, given the size and amount of each Class Members' claim, Class Members have little incentive to litigate their claims on an individual basis because the out-of-pocket expenses and personal commitment necessary to litigate each claim likely outweighs any potential recovery

11. Plaintiff has alleged that Defendant maintained common employment policies and/or practices that unlawfully deprived Class Members of wages, meal period, rest periods, reimbursements for business expenses, accurate wage statements, and timely payment of wages upon separation of employment. These allegations present common factual and legal questions of, *inter alia*, whether Defendant applied the same scheduling, timekeeping, pay, meal period, rest period, and reimbursement policies to all Class Members, whether these policies and practices resulted in Labor Code violations, whether Defendant's conduct was intention, and whether Class Members are entitled to damages and/or penalties. These common questions could be resolved using Class Members' time records, payroll records, testimony from Defendant's designated representative(s), and Class Members' testimony.

12. Although the exposure Plaintiff's Counsel calculated is substantial, the various risks at succeeding at class certification and through trial affected the valuation of the claims for settlement purposes.

13. Minimum and Overtime Wages: Plaintiff's unpaid minimum and overtime wage claims were based on the allegation that Defendant required Class Members to perform work duties after clocking out. Based on Plaintiff's estimate that he worked a total of 1 hour off-the-clock each week, Plaintiff's Counsel assumed each Class Member worked 1-hour off-the-clock per week in calculating potential exposure to be approximately \$850,000.00 for these claims. However, Defendant argued that any off-the-clock time was undocumented and unknown to Defendant, and that Defendant was therefore not obligated to pay for this time. Because this claim would have relied heavily on Class Member testimony and would not be evidenced in Defendant's time and payroll records, the risk of succeeding at class certification was substantial. Accordingly, Plaintiff's Counsel applied a 90% risk discount to this claim to reach a settlement value of approximately \$80,000.00 (or 20% of the Gross Settlement Amount).

14. Meal Periods: Plaintiff's meal period claim was based on the allegation that Defendant failed to maintain a policy and practice of paying meal period premiums when its time records showed Class Members' meal periods were late, short, or missed. Plaintiff's Counsel found a violation rate of 12.3% in Defendant's time and payroll records and calculated potential exposure on this claim to be approximately \$330,000.00. However, Defendant argued that Class Members would testify that they voluntarily took short, missed, or late meal periods. Accordingly, Plaintiff's Counsel applied a 20% risk discount to reach a settlement value of approximately \$265,000.00 (or 65% of the Gross Settlement Amount).

15. Rest Breaks: Plaintiff's rest period claim was based on the allegation that Defendant required Class Members to record their rest periods but failed to pay rest period premiums when its time records showed Class Members' rest periods were short or missed. Plaintiff's Counsel found a violation rate of 17.8% in Defendant's time and payroll records and calculated a potential exposure of approximately \$500,000.00 for this claim. However, Defendant argued that Class Members would testify that they received all of their rest periods despite the time records. Because

1 it is not clear whether the same burden-shifting that applies to meal period claims applies to rest
2 period claims under California law, Plaintiff's Counsel applied a 88% risk discount to this claim
3 to reach a settlement value of approximately \$60,000.00 (or 15% of the Gross Settlement Amount).

4 16. Reimbursements: Plaintiff's reimbursement claim was based on the allegation that
5 Defendant required Class Members to use their personal cell phones to communicate about work.
6 Based on Plaintiff's estimate that he incurred \$30 in unreimbursed expenses per month, Plaintiff's
7 Counsel assumed each Class Member incurred \$30 in unreimbursed expenses per month in
8 calculating potential exposure to be approximately \$250,000.00 for this claim. However,
9 Defendant argued that these expenses were not required by Defendant, and that it could not have
10 known that these expenses were being incurred. Accordingly, Plaintiff's Counsel could not
11 attribute any value to this claim in terms of settlement value.

12 17. Derivative Penalties: Plaintiff alleged that as a result of Defendant's alleged failure
13 to pay all wages and meal and rest period premiums owed, Defendant owed waiting time penalties
14 and wage statement penalties. However, Defendant argued that it had good faith defenses that made
15 the imposition of these penalties unwarranted. Moreover, Plaintiff could not recover these penalties
16 if she failed to prove the underlying claims. Although Plaintiff's Counsel calculated that potential
17 exposure for the waiting time penalty claim was approximately \$675,00.00 and approximately
18 \$700,000.00 for the wage statement penalty claim, Plaintiff's Counsel could not attribute any value
19 to these claim in terms of settlement value.

20 18. PAGA: For the PAGA claim, Plaintiff's Counsel determined that Defendant's
21 potential exposure could potentially reach \$564,700.00, assuming the initial \$100 penalty would
22 apply for each of the 5,647 pay periods in the PAGA Period at mediation. However, even assuming
23 success on the merits of each claim, PAGA gives the Court discretion to reduce penalties for a
24 variety of reasons, including where to do otherwise would result in an award that is unjust, arbitrary
25 and oppressive, or confiscatory. Therefore, the settlement allocates \$20,000.00 of the Gross
26 Settlement Amount to PAGA, which amounts to approximately \$100 per Aggrieved Employee.

Plaintiff's Counsel's Qualifications

19. Plaintiff is represented by WLF. The attorneys at WLF performed significant work and expended litigation costs in prosecuting this matter with no guarantee of payment.

20. WLF was selected by Best Lawyers and U.S. News & World Report as one of the nation's Best Law Firms since 2020 and is comprised of more than 100 attorneys and over 600 employees. WLF is actively and continuously practicing in employment litigation, representing employees in both individual and class actions in both state and federal courts throughout California.

21. WLF is qualified to handle this Litigation because its attorneys are experienced in litigating Labor Code violations in both individual, class action, and representative action cases. WLF has handled, and is currently handling, numerous wage and hour class action lawsuits, as well as class actions involving consumer rights and data privacy litigation.

22. I graduated from the University of California, Santa Barbara with High Honors in 1991 with Bachelor of Arts degrees in Psychology. I received my Juris Doctor from UCLA Law School in 1996.

23. Upon graduating from law school in 1996, I worked for a boutique law firm practicing general litigation which included employment law matters. Since 2000 (that is, the last 23 years) my practice has been exclusively focused on labor and employment matters including handling wage and hour class, collective and representative actions (including the California Private Attorneys General Act, or "PAGA"), including in the international law firms of Morgan, Lewis & Bockius LLP (where I was a senior associate), Foley & Lardner LLP (where I was a partner and a national Vice Chair of the Labor and Employment Group), Norton Rose Fulbright LLP (where I was a partner) and Seyfarth Shaw (where I was a partner and member of the Wage and Hour Practice Group). During my time at these law firms, I was the primary attorney or took a major leading role in defending employers on numerous wage and hour class, collective and representative actions.

24. In 2022 I left Seyfarth Shaw and joined my current firm, WLF, to represent plaintiff employees. I have been and am handling many wage and hour class and representative actions

litigating such matters on behalf of plaintiff employees in numerous Superior Courts and District Courts. From matters representing both plaintiffs and defendants, I have successfully mediated the resolution of many wage and hour class, collective, and representative actions. Just since last year after joining WLF (and thus joining the plaintiff's bar) I have already successfully mediated matters in which I have been counsel or co-counsel resulting in over \$70 million in settlements which are in the process of being finalized, and with numerous upcoming mediations scheduled. In those and numerous other matters, I have managed and assisted with the litigation and settlement of many wage and hour PAGA and class actions. In those actions, I performed similar tasks as those performed in the course of prosecuting this action.

25. I have received numerous awards for my legal work. For example, from 2015 to 2018, I was listed in Los Angeles Super Lawyers for Employment Litigation (Thomson Reuters). I have also served on numerous prominent boards and in other leadership positions, including currently serving as Southern California Regional President for the Hispanic National Bar Association and on the board of directors of the Mexican American Bar Foundation. I also previously served on the 5-member Los Angeles Civil Service Commission, which generally oversees the personnel decisions for the City of Angeles.

26. I have also published numerous blogs on labor and employment issues including on wage and hour issues. For example, I published "Headline News: Wal-Mart v. Dukes-Impact on Class Action Litigation" (while a partner with Foley & Lardner LLP) and "Are You Really Protected From Wage-and-Hour Successor Liability in an Asset Purchase" (while a partner with Seyfarth Shaw LLP). I have also been a presenter at numerous conferences, including being a presenter involving the "Employment Law Update" at a National Employment Law Council conference.

27. Jeffrey C. Bils is a Senior Attorney at WLF. 1 States District Court for the Central District of California, and for the Hon. Sandra R. Klein of the
2 United States Bankruptcy Court for the Central District of California. He graduated 7th in his
3 graduating class in law school and was admitted to practice law in the State of California the same
4 year. Since graduating from law school, Mr. Bils has focused his legal work primarily on
5 employment matters, including wage and hour class and representative action litigation, and has
6 helped obtain dozens of settlements on behalf of employees, as well as on behalf of employers
7 during his years practicing employment defense. He is a member of the Beverly Hills Bar
8 Association, where he currently serves as a member of the Board of Governors and is a past Chair
9 of the Labor & Employment Law Section Executive Committee. Mr. Bils is also a member of the

Plaintiff's investigation was sufficient to satisfy the criteria for court approval set forth in *Dunk v. Ford Motor Co.* (1996) 48 Cal.App.4th 1794, 1801 and *Kullar v. Foot Locker Retail, Inc.* (2008) 168 Cal.App.4th 116, 129-130 ("*Dunk/Kullar*").
- 2.5 The Court has not granted class certification.

3. MONETARY TERMS.

- 3.1 Gross Settlement Amount. Except as otherwise provided by Paragraph 8 below, Defendant promises to pay \$425,000.00 and no more as the Gross Settlement Amount and to separately pay any and all employer payroll taxes owed on the Wage Portions of the Individual Class Payments. Defendant has no obligation to pay the Gross Settlement Amount (or any payroll taxes) prior to the deadline stated in Paragraph 4.3 of this Agreement. The Administrator will disburse the entire Gross Settlement Amount without asking or requiring Participating Class Members or Aggrieved Employees to submit any claim as a condition of payment. None of the Gross Settlement Amount will revert to Defendant.
- 3.2 Payments from the Gross Settlement Amount. The Administrator will make and deduct the following payments from the Gross Settlement Amount, in the amounts specified by the Court in the Final Approval:
 - 3.2.1 To Plaintiff: Class Representative Service Payment to the Class Representative of not more than \$10,000.00 (in addition to any Individual Class Payment and any Individual PAGA Payment the Class Representative is entitled to receive as a Participating Class Member). Defendant will not oppose Plaintiff's request for a Class Representative Service Payment that does not exceed this amount. As part of the motion for Class Counsel Fees Payment and Class Litigation Expenses Payment, Plaintiff will seek Court approval for any Class Representative Service Payments no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Representative Service Payment less than the amount requested, the Administrator will retain the remainder in the Net Settlement Amount. The Administrator will pay the Class Representative Service Payment using IRS Form 1099. Plaintiff assumes full responsibility and liability for employee taxes owed on the Class Representative Service Payment.

- 3.2.2 To Class Counsel: A Class Counsel Fees Payment of not more than 33 and 1/3%, which is currently estimated to be \$141,666.67, and a Class Counsel Litigation Expenses Payment of not more than \$20,000.00. Defendant will not oppose requests for these payments provided that they do not exceed these amounts. Plaintiff and/or Class Counsel will file a motion for Class Counsel Fees Payment and Class Litigation Expenses Payment no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the Net Settlement Amount. Released Parties shall have no liability to Class Counsel or any other Plaintiff's Counsel arising from any claim to any portion any Class Counsel Fee Payment and/or Class Counsel Litigation Expenses Payment. The Administrator will pay the Class Counsel Fees Payment and Class Counsel Expenses Payment using one or more IRS 1099 Forms. Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fees Payment and the Class Counsel Litigation Expenses Payment and holds Defendant harmless, and indemnifies Defendant, from any dispute or controversy regarding any division or sharing of any of these Payments.
- 3.2.3 To the Administrator: An Administrator Expenses Payment not to exceed \$8,000.00 except for a showing of good cause and as approved by the Court. To the extent the Administration Expenses are less, or the Court approves payment less than \$8,000.00, the Administrator will retain the remainder in the Net Settlement Amount.
- 3.2.4 To Each Participating Class Member: An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks.
- 3.2.4.1 Tax Allocation of Individual Class Payments. 20% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. The remaining 80% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for interest and penalties (the "Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment and hold Defendant harmless, and indemnify the Parties from any dispute or controversy regarding any division or sharing of any of these Payments.
- 3.2.4.2 Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis. This excludes Aggrieved

Employees who may not opt out of this Agreement and will receive Individual PAGA payments as described below.

3.2.5 To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of \$20,000.00 to be paid from the Gross Settlement Amount, with 75% (\$15,000.00) allocated to the LWDA and 25% (\$5,000.00) allocated to the Individual PAGA Payments.

3.2.5.1 The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$5,000.00) by the total number of PAGA Period Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Period Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment and indemnify and hold harmless the Parties from any dispute or controversy regarding any division or sharing of any of these Payments.

3.2.5.2 If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount and subsequently distributed to Aggrieved Employees. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

4. SETTLEMENT FUNDING AND PAYMENTS.

4.1 Class Workweeks and Aggrieved Employee Pay Periods. Based on a review of its records to date, Defendant estimates there are 430 Class Members who collectively worked a total of 25,000 Workweeks, and 269 Aggrieved Employees who worked a total of 6,979 PAGA Pay Periods.

4.2 Class Data. Not later than fifteen (15) business days after the Court grants Preliminary Approval of the Settlement, Defendant will simultaneously deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

4.3 Funding of Gross Settlement Amount. Defendant shall fully fund the Gross Settlement Amount, and also fund the amounts necessary to fully pay Defendant's share of payroll taxes by transmitting the funds to the Administrator no later than January 15, 2025 or

thirty (30) business days after the Effective Date (whichever is later).

- 4.4 Payments from the Gross Settlement Amount. Within fourteen (14) days after Defendant funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment. Disbursement of the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment and the Class Representative Service Payment shall not precede disbursement of Individual Class Payments and Individual PAGA Payments.
- 4.4.1 The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the date (not less than 180 days after the date of mailing) when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Settlement Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Settlement Administrator must update the recipients' mailing addresses using the National Change of Address Database.
- 4.4.2 The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without United States Postal Service ("USPS") forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.
- 4.4.3 For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to the California Controller's Unclaimed Property Fund in the name of the Class Member thereby leaving no "unpaid residue" subject to the requirements of Code of Civil Procedure section 384, subdivision (b).
- 4.4.4 The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendant to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

5. RELEASES OF CLAIMS. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiff, Class Members, and Class Counsel will release claims against all Released Parties as follows:

5.1 Plaintiff's Release. Plaintiff and his, her, or their respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors and assigns generally, release and discharge Released Parties from all claims, transactions or occurrences that occurred during the Class Period, including, but not limited to: (a) all claims that were, or reasonably could have been, alleged, based on the facts contained, in the Operative Complaint and (b) all PAGA claims that were, or reasonably could have been, alleged based on facts contained in the Operative Complaint, Plaintiff's PAGA Notice, ("Plaintiff's Release.") Plaintiff's Release does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, workers' compensation benefits that arose at any time, or based on occurrences outside the Class Period. Plaintiff acknowledges that Plaintiff may discover facts or law different from, or in addition to, the facts or law that Plaintiff now knows or believes to be true but agrees, nonetheless, that Plaintiff's Release shall be and remain effective in all respects, notwithstanding such different or additional facts or Plaintiff's discovery of them.

5.1.1 Plaintiff's Waiver of Rights Under Civil Code Section 1542. For purposes of Plaintiff's Release, Plaintiff expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or Released Party.

5.2 Release by Participating Class Members: All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors and assigns, release Released Parties from all claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in the Operative Complaint. Except as set forth in Section 5.3 of this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation or claims based on facts occurring outside the Class Period.

5.3 Release by Aggrieved Employees: All Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint and the PAGA Notice.

6. MOTION FOR PRELIMINARY APPROVAL. The Parties agree to jointly prepare and file a motion for preliminary approval (“Motion for Preliminary Approval”) that complies with the Court’s current checklist for Preliminary Approvals.

- 6.1 Defendant’s Declaration in Support of Preliminary Approval. Within 14 days of the full execution of this Agreement, Defendant will prepare and deliver to Class Counsel a signed Declaration from Defendant and Defense Counsel disclosing all facts relevant to any actual or potential conflicts of interest with the Administrator. In their Declarations, Defense Counsel and Defendant shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.
- 6.2 Plaintiff’s Responsibilities. Plaintiff will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code section 2699, subdivision (f)(2); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; (iii) a draft proposed Class Notice; (iv) a signed declaration from the Administrator attaching its “not to exceed” bid for administering the Settlement and attesting to its willingness to serve; competency; operative procedures for protecting the security of Class Data; amounts of insurance coverage for any data breach, defalcation of funds or other misfeasance; all facts relevant to any actual or potential conflicts of interest with Class Members; and the nature and extent of any financial relationship with Plaintiff, Class Counsel or Defense Counsel; (v) a signed declaration from Plaintiff confirming willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members, and/or the Administrator; (vi) a signed declaration from each Class Counsel firm attesting to its competency to represent the Class Members; its timely transmission to the LWDA of all necessary PAGA documents (initial notice of violations (Lab. Code, § 2699.3, subd. (a))), Operative Complaint (Lab. Code, § 2699, subd. (l)(1)), this Agreement (Lab. Code, § 2699, subd. (l)(2)); (vii) a redlined version of the parties’ Agreement showing all modifications made to the Model Agreement ready for filing with the Court; and (viii) all facts relevant to any actual or potential conflict of interest with Class Members, and/or the Administrator. In their Declarations, Plaintiff and Class Counsel Declaration shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.
- 6.3 Responsibilities of Counsel. Class Counsel and Defense Counsel are jointly responsible for expeditiously finalizing and filing the Motion for Preliminary Approval no later than 30 days after the full execution of this Agreement; obtaining a prompt hearing date for the Motion for Preliminary Approval; and for appearing in Court to advocate in favor of the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court’s Preliminary Approval to the Administrator.

- 6.4 Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

7. SETTLEMENT ADMINISTRATION.

- 7.1 Selection of Administrator. The Parties have jointly selected Phoenix Settlement Administrators to serve as the Administrator and verified that, as a condition of appointment, Phoenix Settlement Administrators agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Expenses. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.
- 7.2 Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.
- 7.3 Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1.
- 7.4 Notice to Class Members.
- 7.4.1 No later than 3 business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, PAGA Members, Workweeks and Pay Periods in the Class Data.
- 7.4.2 Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class USPS mail, the Class Notice with Spanish translation, substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.

- 7.4.3 Not later than 3 business days after the Administrator's receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.
- 7.4.4 The deadlines for Class Members' written objections, Challenges to Workweeks and/or Pay Periods and Requests for Exclusion will be extended an additional 14 days beyond the 60 days otherwise provided in the Class Notice for all Class Members whose notice is expressly marked as "Return to Sender" and re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice. For avoidance of doubt, there can only be one 14-day extension per Class Member regardless of how many times a Class Notice is remailed.
- 7.4.5 If the Administrator, Defendant or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, whichever are later. Defendant agrees and acknowledges that it will not exclude any individual that it knows is included in the Class Data and should receive Class Notice.
- 7.5 Requests for Exclusion (Opt-Outs).
- 7.5.1 Class Members excluding Aggrieved Employees, who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than 60 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed). For avoidance of doubt, there can only be one 14-day extension per Class Member regardless of how many times a Class Notice is remailed. A Request for Exclusion is a letter from a Class Member or his/her/their representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.
- 7.5.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably

ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. Any dispute as to the validity of any Request for Exclusion shall be submitted to the Court for determination. The Court's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator or Parties have reason to question the authenticity of a Request for Exclusion, the Administrator or the Parties may demand additional proof of the Class Member's identity.

7.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraphs 5.2 and 5.3 of this Agreement, regardless of whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.

7.5.4 Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 5.3 of this Agreement and are eligible for an Individual PAGA Payment.

7.6 Challenges to Calculation of Workweeks. Each Class Member shall have 60 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is marked as "Return to Sender" and re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. The Administrator must provide any and all documents or supporting documentation to the Parties for their review. The Parties may object to the authenticity or accuracy of all such documents and/or supporting documentation to the Court within ten (10) business days. In the absence of any contrary documentation or in the event that the accuracy or authenticity of the documents and/or supporting documents is uncertain, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination the challenges. Any dispute as to the validity of any challenge to calculation of Workweeks shall be submitted to the Court for determination. The Court's determination shall be final and not appealable or otherwise susceptible to challenge

7.7 Objections to Settlement.

7.7.1 Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the

Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.

- 7.7.2 Participating Class Members may send written objections to the Administrator, by fax, email or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present oral objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 60 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).
- 7.7.3 Non-Participating Class Members have no right to object to any of the class action components of the Settlement.
- 7.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.
 - 7.8.1 Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.
 - 7.8.2 Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 5 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion ("Exclusion List"); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).
 - 7.8.3 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed and re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received including all supporting documentation, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved including all supporting documentation, and checks mailed for Individual Class Payments and Individual PAGA Payments ("Weekly Report"). The Weekly Reports must include the Administrator's

assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.

7.8.4 Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. Any dispute as to the Administrator's determination on Class Members challenges over the calculation of Workweeks and/or Pay Periods shall be submitted to the Court. The Court's decision shall be final and not appealable or otherwise susceptible to challenge.

7.8.5 Administrator's Declaration. Not later than 14 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator's declaration(s) in Court.

7.8.6 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

8. **CLASS SIZE ESTIMATES and ESCALATOR CLAUSE**. Based on its records, Defendant estimates that, as of the date of this Settlement Agreement, (1) there are Four Hundred and Thirty (430) Class Members and 25,000 Total Workweeks during the Class period and (2) there were Two Hundred and Fifty-Nine (259) Aggrieved Employees who worked 6,979 Pay Periods during the PAGA Period. If the actual workweeks do not exceed 25,000 plus 30% (workweeks) Defendant will not need to pay any further amount. If the actual workweeks exceed 32,500, then the Defendant shall either pay a pro rata amount for each additional workweek, or the Class period shall end when the total number of workweeks reaches provided that increase in workweeks or pay periods resulting from the Court's review including Preliminary and Final Hearings is excluded from this Paragraph.

9. **DEFENDANT'S RIGHT TO WITHDRAW**. If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 10% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant

withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Settlement Administration Expenses incurred to that point. Defendant must notify Class Counsel and the Court of its election to withdraw not later than seven business days after the Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect.

10. MOTION FOR FINAL APPROVAL. Not later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subdivision (l), a Proposed Final Approval Order and a proposed Judgment (collectively “Motion for Final Approval”). Plaintiff shall provide drafts of these documents to Defense Counsel not later than 7 days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

10.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than 5 court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.

10.2 Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court’s concerns by revising the Agreement as necessary to obtain Final Approval. The Court’s decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

10.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters and (iii) addressing such post-Judgment matters as are permitted by law.

10.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment set forth in this Settlement, the Parties, their respective counsel and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties’ obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and

the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.

- 10.5 Appellate Court Orders to Vacate, Reverse or Materially Modify Judgment. If the reviewing Court vacates, reverses or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

11. **AMENDED JUDGMENT.** If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgement.

12. **ADDITIONAL PROVISIONS.**

- 12.1 No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval or enter Judgment, Defendant reserves the right to preliminarily oppose and/or contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).
- 12.2 Confidentiality Prior to Preliminary Approval. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency or other entity except: (1) to the Parties' attorneys, accountants or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to

report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that “the matter was resolved,” or words to that effect. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree that after Preliminary Approval is filed, they will only disclose, disseminate and/or publicize or cause or permit another person to disclose, disseminate or publicize only as much of the Agreement as allowed by law but may not disclose any additional terms of the Agreement. This paragraph does not restrict Class Counsel’s communications with Class Members in accordance with Class Counsel’s ethical obligations owed to Class Members.

- 12.3 No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to, opt out of, or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel’s ability to communicate with Class Members in accordance with Class Counsel’s ethical obligations owed to Class Members.
- 12.4 Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants or inducements made to or by any Party.
- 12.5 Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.
- 12.6 Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.
- 12.7 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action or right released and discharged by the Party in this Settlement.

- 12.8 No Tax Advice. Neither Plaintiff, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 12.9 Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed or waived only by an express written instrument signed by all Parties or their representatives and approved by the Court.
- 12.10 Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 12.11 Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the State of California, without regard to conflict of law principles.
- 12.12 Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 12.13 Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.
- 12.14 Use and Return of Class Data. Information provided to Class Counsel pursuant to Evidence Code section 1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute or California Rules of Court rule. COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR FINAL COURT APPROVAL

Rodolfo Ponce v. Youbar Inc. Case No. 22STCV37519

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement or solicitation by a lawyer. You are not being sued.***

You may be eligible to receive money from an employee class action lawsuit ("Action") against YouBar, Inc. ("Defendant") for alleged wage and hour violations. The Action was filed by a former employee of Defendant, Rodolfo Ponce ("Plaintiff") and seeks payment of (1) back wages and other relief for a class of non-exempt and/or hourly paid employees ("Class Members") who worked for Defendant during the Class Period June 5, 2018 to July 31, 2024; and (2) penalties under the California Labor Code Private Attorneys General Act of 2004 ("PAGA") for all non-exempt and/or hourly paid employees who worked for Defendant during the PAGA Period January 6, 2022 to July 31, 2024) ("Aggrieved Employees").

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendant to fund Individual Class Payments, and (2) a PAGA Settlement requiring Defendant to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency ("LWDA").

Based on Defendant's records, and the Parties' current assumptions, **your Individual Class Payment is estimated to be \$_____ (less withholding) and your Individual PAGA Payment is estimated to be \$_____**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant's records you are not eligible for an Individual PAGA Payment under the Settlement because you didn't work during the PAGA Period.)

The above estimates are based on Defendant's records showing that **you worked _____ workweeks** during the Class Period and **you worked _____ workweeks** during the PAGA Period. If you believe that you worked more workweeks during either period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff's attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Defendant.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Defendant, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is _____	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Defendant must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released Claims (defined below).
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by _____	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 7 of this Notice.

You Can Participate in the _____ Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on _____. You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by _____	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number Class Period Workweeks and number of PAGA Period Pay Periods you worked according to Defendant's records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by _____. See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a[n] [former] Defendant employee. The Action accuses Defendant of violating California labor laws by failing to pay [e.g., overtime wages, minimum wages, wages due upon termination and reimbursable expenses] and failing to provide [e.g., meal periods, rest breaks and accurate itemized wage statements]. Based on the same claims, Plaintiff has also asserted a claim for civil penalties under the California Private Attorneys General Act (Lab. Code, § 2698, et seq.) ("PAGA"). Plaintiff is represented by attorneys in the Action: John G. Yslas, Jeffrey C. Bills, Aram Boyadjian, Andrew Sandoval, and John Brown, of Wilshire Law Firm ("Class Counsel").

Defendant strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Defendant or Plaintiff is correct on the merits. In the meantime, Plaintiff and Defendant hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement ("Agreement") and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Defendant have negotiated a proposed Settlement that is subject to the Court's Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Defendant Will Pay \$425,000.00 as the Gross Settlement Amount (Gross Settlement). Defendant has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel's attorneys' fees and expenses, the Administrator's expenses, and penalties to be paid to the California Labor and Workforce Development Agency ("LWDA"). Assuming the Court grants Final Approval, Defendant will fund the Gross Settlement not more than 14 days after the Judgment entered by the Court become final. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.
2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
 - A. Up to \$141,666.67 [33 and 1/3% of the Gross Settlement] to Class Counsel for attorneys' fees and up to \$20,000.00 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
 - B. Up to \$10,000.00 as a Class Representative Award for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiff will receive other than Plaintiff's Individual Class Payment and any Individual PAGA Payment.
 - C. Up to \$8,000.00 to the Administrator for services administering the Settlement.
 - D. Up to \$20,000.00 for PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the Aggrieved Employees based on their PAGA Period Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the "Net Settlement") by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.
4. Taxes Owed on Payments to Class Members. Plaintiff and Defendant are asking the Court to approve an allocation of 20% of each Individual Class Payment to taxable wages (the "Wage Portion") and 80% to interest and penalties (the "Non-Wage Portion"). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. (Defendant will separately pay employer payroll taxes it owes on the Wage Portion.) The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual

Class Payments on IRS 1099 Forms.

Although Plaintiff and Defendant have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don't cash it by the void date, your check will be automatically cancelled, and the monies will be deposited with the California Controller's Unclaimed Property Fund in your name. If the monies represented by your check is sent to the Controller's Unclaimed Property, you should consult the rules of the Fund for instructions on how to retrieve your money.

5. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than _____, that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the _____ Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her/their representative setting forth a Class Member's name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Defendant.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Defendant based on the PAGA Period facts alleged in the Action.

6. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiffs and Defendant have agreed that, in either case, the Settlement will be void: Defendant will not pay any money and Class Members will not release any claims against Defendant.
7. Administrator. The Court has appointed a neutral company, Phoenix Settlement Administrators (the "Administrator") to send this Notice, calculate and make payments, and process Class Members' Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator's contact information is contained in Section 9 of this Notice.
8. Participating Class Members' Release. After the Judgment is final and Defendant has fully funded the Gross Settlement (and separately paid all employer payroll taxes), Participating Class Members will be legally barred from asserting any of the claims released under the

Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue or be part of any other lawsuit against Defendant or related entities for wages based on the Class Period facts and PAGA penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

The Participating Class Members will be bound by the following release:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors and assigns, release Released Parties from all claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in the Operative Complaint. Except as set forth in Section 5.3 of the Settlement Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

9. Aggrieved Employees' PAGA Release. After the Court's judgment is final, and Defendant has paid the Gross Settlement (and separately paid the employer-side payroll taxes), all Aggrieved Employees will be barred from asserting PAGA claims against Defendant, whether or not they exclude themselves from the Settlement. This means that all Aggrieved Employees, including those who are Participating Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue or participate in any other PAGA claim against Defendant or its related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

The Aggrieved Employees' Releases for Participating and Non-Participating Class Members are as follows:

All Participating and Non-Participating Class Members who are Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties, from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint and the PAGA Notice.

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing \$5,00.00 by the total number of PAGA Pay Periods worked by all Aggrieved Employees and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual Aggrieved Employee.
3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during

the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Defendant's records, are stated in the first page of this Notice. You have until _____ to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Defendant's calculation of Workweeks and/or Pay Periods based on Defendant's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Defendant's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

5. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.
2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

6. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

Submit a written and signed letter with your name, present address, telephone number and a simple statement that you do not want to participate in the Settlement. The Administrator will exclude you based on any writing communicating your request be excluded. Be sure to personally sign your request, identify the Action as *Rodolfo Ponce v. Youbar Inc.* Case No. 22STCV37519, and include your identifying information (full name, address, telephone number, approximate dates of employment and social security number for verification purposes). You must make the request yourself. If someone else makes the request for you, it will not be valid. **The Administrator must be sent your request to be excluded by _____, or it will be invalid.** Section 9 of the Notice has the Administrator's contact information.

7. HOW DO I OBJECT TO THE SETTLEMENT?

Only Participating Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiff and Defendant are asking the Court to approve. At least 16 days before the _____ Final Approval Hearing, Class Counsel and/or Plaintiff will file in Court (1) a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, and (2) a Motion for Fees, Litigation Expenses and Service Award

stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiff is requesting as a Class Representative Service Award. Upon reasonable request, Class Counsel (whose contact information is in Section 9 of this Notice) will send you copies of these documents at no cost to you. You can also view them on the Administrator's Website _____ (url) _____ or the Court's website _____ (url) _____.

A Participating Class Member who disagrees with any aspect of the Agreement, the Motion for Final Approval and/or Motion for Fees, Litigation Expenses and Service Award may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested by Class Counsel or Plaintiff are too high or too low. **The deadline for sending written objections to the Administrator is _____.** Be sure to tell the Administrator what you object to, why you object and any facts that support your objection. Make sure you identify the Action as *Rodolfo Ponce v. Re: ***Rodolfo Ponce, et al. v. YouBar, Inc.***
Notice of Labor Code Violations and PAGA Penalties
LWDA Case No.: LWDA-CM-928015-23

To Whom It May Concern:

Please be advised that my office has been retained by Rodolfo Ponce ("Plaintiff") to pursue a Labor Code Private Attorneys General Act ("PAGA") representative action (Cal. Lab. Code §§ 2699, *et seq.*) against his former employer, YouBar, Inc. ("Defendant"). The purpose of this letter is to comply with PAGA and set forth the facts and theories of California Labor Code violations which we allege Defendant engaged in with respect to Plaintiff and all of Defendant's Aggrieved Employees.

Plaintiff wishes to pursue this action on behalf of himself as an aggrieved employee, on behalf of the

State of California, as well as on behalf of all other persons who worked for Defendant in California as a non-exempt or hourly-paid employee at any time within the applicable statutory period (hereafter, the "Aggrieved Employees").

Plaintiff and the Aggrieved Employees suffered the Labor Code violations described below.

Plaintiff's Employment with Defendant

Defendant owns/owned and operates/operated an industry, business, and establishment within the State of California, including Los Angeles County. As such, and based upon all the facts and circumstances incident to Defendant's business in California, Defendant is subject to the California Labor Code, Wage Orders issued by the Industrial Welfare Commission ("IWC"), and the California Business & Professions Code.

Plaintiff Rodolfo Ponce is a resident of Los Angeles County, California who worked for Defendant in Alameda County, California as an hourly-paid, non-exempt employee from approximately October 2021 through approximately October 2022. During Plaintiff's employment for Defendant, Defendant paid Plaintiff an hourly wage and classified him as non-exempt from overtime. Defendant typically scheduled Plaintiff to work at least five days in a workweek and at least eight hours per day, but Plaintiff also worked more than eight hours in a workday and more than forty (40) hours in a workweek.

Throughout Plaintiff's employment, Defendant failed to pay for all hours worked (including minimum, straight time, and overtime wages), failed to provide Plaintiff with legally compliant meal periods, failed to authorize and permit Plaintiff to take rest periods, failed to timely pay all final wages to Plaintiff when Defendant terminated his employment, failed to furnish accurate wage statements to Plaintiff, and failed to indemnify Plaintiff for expenditures. As discussed below, Plaintiff's experience working for Defendant was typical and illustrative.

Defendant Failed to Pay for All Hours Worked, Including Minimum, Straight Time, and Overtime Wages

Under California law, an employer must pay for all hours worked by an employee. "Hours worked" is the time during which an employee is subject to the control of an employer, and includes all the time the employee is suffered or permitted to work, whether or not required to do so.

In addition, Labor Code § 510 provides that employees in California shall not be employed more than eight hours in any workday or forty (40) hours in a workweek unless they receive additional compensation beyond their regular wages in amounts specified by law.

Labor Code §§ 1194 and 1198 also provide that employees in California shall not be employed more than eight hours in any workday unless they receive additional compensation beyond their regular wages in amounts specified by law. Additionally, Labor Code § 1198 states that the employment of an employee for longer hours than those fixed by the IWC is unlawful.

Throughout the statutory period, Defendant maintained a pattern and practice of not paying Plaintiff and the Aggrieved Employees for all hours worked, including minimum, straight time, and overtime wages. Defendant required Plaintiff and the Aggrieved Employees to work "off-the-clock," uncompensated, by, for example, requiring Plaintiff and the Aggrieved Employees to perform work during uncompensated meal periods and rest periods and/or requiring Plaintiffs and the Aggrieved Employees to perform work after clocking out for the workday. Some of this unpaid work should have been paid at the overtime rate. In failing to pay for all hours worked (including also failing to pay at the correct regular rate of pay), Defendant also failed to maintain accurate records of the hours Plaintiff and the Aggrieved Employees worked.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210, 1197.1, and 2699(f)(2) for failing to pay for all hours worked, including minimum, straight time, and overtime wages.

Failure to Provide Meal Periods

Under California law, employers have an affirmative obligation to relieve employees of all duty in order to take their first 30-minute, duty-free meal periods no later than the end of the fifth hour of work in a workday, and to allow employees to take their second 30-minute, duty-free meal period no later than the end of the tenth hour of work in the workday. Further, employees are entitled to be paid one hour of additional wages for each workday they were not provided with all required meal period(s).

Despite these legal requirements, Defendant wrongfully failed to provide Plaintiff and the Aggrieved Employees with their legally mandated 30-minute, uninterrupted, and duty-free meal period in a manner required by law (including also not permitting employees to leave the premises for meal periods). Defendant also continued to assert control over Plaintiff and the Aggrieved Employees by, among other things, requiring, pressuring, or encouraging them to perform work tasks which could not be completed without working in lieu of taking mandatory meal periods, or by denying Plaintiff and the Aggrieved Employees permission to take a meal period under the conditions required by law, and without properly compensating Plaintiff and the Aggrieved Employees for meal periods that were not provided as required by law. Defendant also never informed Plaintiff of his right to, nor permitted him to take, a second meal period when Plaintiff worked at least ten hours of work in a workday and otherwise unlawfully pressured him to waive such breaks. Accordingly, Defendant's pattern and practice were not to provide meal periods to Plaintiff and the Aggrieved Employees in compliance with California law.

Plaintiff and the Aggrieved Employees are thus entitled to be paid one hour of additional wages for each workday he or she was not provided with all required meal period(s). Defendant, however, regularly failed to pay Plaintiff and the Aggrieved Employees the additional wages to which they were entitled for meal periods and that were not provided (including also failing to pay at the correct regular rate of pay).

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210 and 2699(f)(2) for failing to provide meal periods and pay meal period premium wages.

Failure to Authorize and Permit Rest Periods

Employers are required by California law to authorize and permit breaks of ten uninterrupted minutes for each four hours of work or major fraction of four hours (i.e. more than two hours). Thus, for example, if an employee's work time is six hours and ten minutes, the employee is entitled to two rest breaks. Each failure to authorize rest breaks as so required is itself a violation of California's rest break laws.

Throughout the statutory period, Defendant has wrongfully failed to authorize and permit Plaintiff and the Aggrieved Employees to take legally compliant rest periods in a manner required by law (including also not permitting employees to leave the premises for rest periods). Defendant regularly required Plaintiff and the Aggrieved Employees to work in excess of four consecutive hours a day without Defendant authorizing and permitting them to take a 10-minute, uninterrupted, duty-free rest period for every four hours of work (or major fraction of four hours), or without compensating Plaintiff and the Aggrieved Employees for rest periods that were not authorized or permitted. Instead, Defendant continued to assert control over Plaintiff and the Aggrieved Employees by requiring, pressuring, or encouraging them to perform work tasks which could not be completed without working in lieu of taking mandatory rest periods, or by denying Plaintiff and the Aggrieved Employees permission to take a rest period as required by law (including a third rest break when Plaintiff worked at least ten hours of work in a workday and otherwise unlawfully pressured him to waive such breaks). Accordingly, Defendant's pattern and practice were to not authorize and permit Plaintiff and the Aggrieved Employees to take rest periods in compliance with California law.

Plaintiff and the Aggrieved Employees are thus entitled to be paid one hour of additional wages for each workday he or she was not authorized and permitted to take all required rest period(s). Defendant, however, regularly failed to pay Plaintiff and the Aggrieved Employees the additional wages to which they were entitled for rest periods and that they were not authorized and permitted to take (including also failing to pay at the correct regular rate of pay).

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210 and 2699(f)(2) for failing to authorize and permit rest periods and pay rest period premium wages.

Failure to Pay All Earned Wages Twice Per Month

Based on its failure to pay Plaintiff and the Aggrieved Employees for all wages as discussed above, Defendant also violated Labor Code § 204.

Labor Code § 204 requires employers to pay employees all earned wages two times per month. Throughout the statute of limitations period applicable to this cause of action, employees were

entitled to be paid twice a month at their regular rates, including all meal period premium wages owed, rest period premium wages owed, and wages owed for overtime hours worked. However, during all such times, Defendant systematically failed and refused to pay the employees all wages due, and failed to pay those wages twice a month, in that employees were not paid all wages for all meal periods not provided by Defendant, all wages for all rest periods not authorized and permitted by Defendant, and all wages for all hours worked. As a result, Defendant owes employees the legally required wages for unpaid wages, and Plaintiff and the Aggrieved Employees suffered damages in those amounts.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 210 for failing to pay all earned wages twice per month.

Failure to Maintain Accurate Records of Hours Worked and Meal Periods

Plaintiff seeks penalties under California Labor Code § 1174(d). Pursuant to California Labor Code § 1174.5, any person, including any entity, employing labor who willfully fails to maintain accurate and complete records required by California Labor Code § 1174 is subject to a penalty under § 1174.5. Pursuant to the applicable IWC Order § 7(A)(3), every employer shall keep time records showing when the employee begins and ends each work period. Meal periods and total hours worked daily shall also be recorded.

Defendant, however, failed to maintain accurate records of hours worked and all meal periods taken or missed by Plaintiff and the Aggrieved Employees.

Defendant's failure to provide and maintain records required by the California Labor Code and the applicable IWC Wage Orders deprived Plaintiff and the Aggrieved Employees the ability to know, understand and question the accuracy and frequency of meal periods, and the accuracy of their hours worked stated in Defendant's records. Therefore, Plaintiff and the Aggrieved Employees had no way to dispute the resulting failure to pay wages, all of which resulted in an unjustified economic enrichment to Defendant. As a direct result, Plaintiff and the Aggrieved Employees have suffered and continue to suffer, substantial losses related to the use and enjoyment of such wages, lost interest on such wages and expenses and attorneys' fees in seeking to compel Defendant to fully perform its obligation under state law, all to their respective damage in amounts according to proof at trial. As a result of Defendant's knowing failure to comply with the California Labor Code and applicable IWC Wage Orders, Plaintiff and the Aggrieved Employees have also suffered an injury in that they were prevented from knowing, understanding, and disputing the wage payments paid to them.

Failure to Timely Pay All Wages at Termination

Labor Code §§ 201 and 202 provide that if an employer discharges an employee, the wages earned and unpaid at the time of discharge are due and payable immediately, and that if an employee voluntarily leaves his or her employment, his or her wages shall become due and payable not later

than seventy-two (72) hours thereafter, unless the employee has given seventy-two (72) hours previous notice of his or her intention to quit, in which case the employee is entitled to his or her wages at the time of quitting.

Within the applicable statute of limitations, the employment of Plaintiff and many other Aggrieved Employees ended, i.e., was terminated by quitting or being discharged, and the employment of others will be terminated. However, during the relevant time period, Defendant failed, and continues to fail to pay Plaintiff and terminated Aggrieved Employees, without abatement, all wages required to be paid by Labor Code sections 201 and 202 either at the time of discharge, or within seventy-two (72) hours of their leaving Defendant's employment. These unpaid wages include wages for unpaid work time (including minimum, straight time, and overtime wages), missed meal period premium wages, and missed rest period premium wages.

Defendant's conduct violates Labor Code §§ 201 and 202. Labor Code § 203 provides that if an employer willfully fails to pay wages owed, in accordance with sections 201 and 202, then the wages of the employee shall continue as a penalty wage from the due date, and at the same rate until paid or until an action is commenced; but the wages shall not continue for more than thirty (30) days.

Accordingly, Plaintiff and the Aggrieved Employees are entitled to recover from Defendant their additionally accruing wages for each day they were not paid, at their regular hourly rate of pay, up to thirty (30) days maximum pursuant to Labor Code § 203.

Moreover, Defendant are liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 2699(f)(2) for failing to timely pay all wages at termination.

Failure to Furnish Accurate Itemized Wage Statements

Labor Code § 226(a) provides that every employer shall furnish each of his or her employees an accurate itemized wage statement in writing showing nine pieces of information, including: (1) gross wages earned, (2) total hours worked by the employee, (3) the number of piece-rate units earned and any applicable piece rate if the employee is paid on a piece-rate basis, (4) all deductions, provided that all deductions made on written orders of the employee may be aggregated and shown as one item, (5) net wages earned, (6) the inclusive dates of the period for which the employee is paid, (7) the name of the employee and the last four digits of his or her social security number or an employee identification number other than a social security number, (8) the name and address of the legal entity that is the employer, and (9) all applicable hourly rates in effect during the pay period and the corresponding number of hours worked at each hourly rate by the employee. An employee is presumed to suffer an injury if this information is missing. (Lab. Code § 226(e)(2)(B)(iii).)

The statute further provides: "An employee suffering injury as a result of a knowing and intentional failure by an employer to comply with subdivision (a) is entitled to recover the greater of all actual damages or fifty dollars (\$50) for the initial pay period in which a violation occurs and one hundred dollars (\$100) per employee for each violation in a subsequent pay period, not to exceed an aggregate

penalty of four thousand dollars (\$4,000), and is entitled to an award of costs and reasonable attorney's fees." (Lab. Code § 226(e)(1).)

Throughout the statutory period, Defendant failed to furnish Plaintiff and the Aggrieved Employees with accurate, itemized wage statements showing all applicable hourly rates, and all gross and net wages earned (including correct hours worked, correct wages for meal periods that were not provided in accordance with California law, and correct wages for rest periods that were not authorized and permitted to take in accordance with California law).

Because Defendant violated Labor Code § 226, Plaintiff and similarly Aggrieved Employees suffered injury and damage to their statutorily protected rights. Accordingly, Plaintiff and similarly Aggrieved Employees are entitled to recover from Defendant the greater of their actual damages caused by Defendant's failure to comply with Labor Code § 226(a), or an aggregate penalty not exceeding four thousand dollars (\$4,000) per employee.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 226.3 for failing to furnish accurate itemized wage statements.

Failure to Indemnify for Necessary Expenditures

Labor Code § 2802(a) provides that employers shall indemnify his or her employees for all necessary business expenditures or losses that have been incurred by the employees in direct discharge of his or her duties. Throughout the statute of limitations period applicable to this cause of action, Defendant wrongfully required Plaintiff and the Aggrieved Employees to pay expenses that they incurred in direct discharge of their duties for Defendant. Plaintiff and the Aggrieved Employees regularly paid out-of-pocket for necessary employment-related expenses, including, without limitation, work attire and cell phone expenses. Plaintiff and the Aggrieved Employees incurred substantial expenses as a direct result of performing their job duties for Defendant, but Defendant failed to indemnify Plaintiff and the Aggrieved Employees for these employment-related expenses.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 2802 and 2699(f)(2) for failing to indemnify Plaintiff and the Aggrieved Employees for necessary business expenditures.

Action for Civil Penalties Under PAGA

In light of the above, Plaintiff alleges that Defendant violated the following provisions of the Labor Code with respect to the Aggrieved Employees:

2. Labor Code § 226.7 and applicable Wage Orders by failing to provide meal periods;
3. Labor Code § 226.7 and applicable Wage Orders by failing to authorize and permit rest periods;
