I, Mai Tulyathan, declare as follows:

1. I am an attorney at law, duly licensed to practice before all Courts in the State of California, and am with the law firm Diversity Law Group, P.C., counsel of record for Plaintiffs Paramo and Rosemarie Santos (together, "Plaintiffs"). I have personal knowledge of the facts set forth below and if called to testify I could and would do so competently.

2. The proposed settlement meets the criteria for this Court to grant final approval of the settlement on a class-wide basis, as the settlement is fair, adequate, and reasonable.

3. The Settlement Agreement was the product of negotiation between highly able experienced attorneys on both sides who possessed the relevant data and extensive legal knowledge which they had carefully analyzed. Plaintiff's Counsel engaged in extensive factual investigation and discovery before settling, including the exchange of informal discovery and relevant class data. This includes the number of putative class members employed by Defendants and through staffing agencies, number for former employees allegedly owed waiting time penalties, number of workweeks and pay periods at issue, applicable rates of pay for class members, a sample of time and pay records of the class members, as well as information regarding Defendants' payroll policies and practices at issue. The exchange of informal discovery allowed Class Counsel to conduct a full analysis of exposure.

4. The Parties engaged in arm's length negotiations at mediation with a highly skilled mediator, Gig Kyriacou, Esq. The Parties also engaged in post-mediation negotiations through the assistance of the mediator, after which settlement was reached.

5. I have spent significant time researching and pursuing the claims that have been asserted in this action. Based on my independent investigations and evaluations, I am of the opinion that the proposed settlement is fair, reasonable, and adequate, and is in the best interests of the Class Members, in light of all known facts and circumstances, and the expenses and risks of continued litigation. The settlement was negotiated at arm's length and was facilitated by an independent and neutral mediator. Thus, this settlement should be granted final approval.

6. The Court preliminarily approved this settlement on April 23, 2024. The Court

1 entered its Second Amended Order Granting Plaintiffs' Motion for Preliminary Approval on
2 May 21, 2024 (the "Preliminary Approval Order"), directing distribution of the Notice of Class
3 Action Settlement ("Class Notice") and publication of the Publication Notice, and scheduling the
4 hearing for final approval of settlement.

5 7. Following the receipt of the Class List from Defendants, the Settlement
6 Administrator informed the Parties of the increase in the number of actual workweeks worked
7 during the Settlement Period from the 165,000 workweek cap to 175,718 workweeks which
8 triggered the Settlement Agreement's Escalator Clause.

9 8. Specifically, the Settlement Administrator calculated a \$169,812.50 increase in
10 the Gross Settlement Amount as a result of the Settlement Agreement's Escalator Clause.
11 Taking this into account, this brings the Gross Settlement Amount to \$2,544,812.50.

12 9. Plaintiff's Counsel seeks an award of attorneys' fees of one-third of the Gross
13 Settlement Amount. Pursuant to the Settlement Agreement's Escalator Clause, the Settlement
14 Administrator calculated a \$169,812.50 increase in the Gross Settlement Amount over the initial
15 \$2,375,000.00 amount. As such, Plaintiff's Counsel seeks an award of one-third of the revised
16 Gross Settlement Amount of \$2,544,812.50, or \$848,270.84 in attorneys' fees.

17 10. Any remaining monies from uncashed settlement checks will be distributed to the
18 *cy pres* recipient Legal Aid at Work. Plaintiff's Counsel does not have any relationship with or
19 connection or to said organization.

20 11. The Notice of Class Action Settlement ("Class Notice") that was disseminated to
21 the Settlement Class Members provided Settlement Class Members with my office's contact
22 information, where they could further seek information regarding the settlement, leave questions
23 for the Settlement Administrator, and update their address. The Publication Notice that was
24 published in the various publications also provided notice of the settlement as an effort to
25 ascertain contact information whose address information is not known/cannot be ascertained by
26 Defendants. The Publication Notice provided information about the settlement, and provided a
27 means for these individuals to verify their eligibility to participate in the settlement and provide
28 addresses.

1 12. I support the settlement as fair, reasonable, and adequate, and in the best interest
2 of the Settlement Class Members as a whole.

3 13. There were no objections to the amount of attorney's fees or litigation costs that
4 Class Counsel seek in this case and for which Plaintiffs ask the Court for final approval.

5 14. I have been approved as class counsel in numerous other wage/hour class actions
6 that have been granted class certification and final approval.

7 15. My qualifications are as follows: I received my JD from Loyola Law School in

10 highest grade in those classes. During law school, I was a Staff Editor for Loyola Law Review. I

12 Christina A. Snyder, and a certified law clerk at the San Diego County District Attorney's

16 Ten Brief Award. In 2017, I participated in the Employment Rights Clinic, an extension of the
