1 I, Justian Jusuf, hereby declare:

2 1. I am an attorney duly licensed to practice in the State of California, and am counsel
3 of record for Plaintiff Ramiro Galvan (“Plaintiff”) in this action. I have personal knowledge of, or
4 am informed and believe as indicated, the following, and if called and sworn as a witness, I could
5 and would competently testify thereto.

6 2. This declaration is submitted in support of Plaintiff’s motion for preliminary
7 approval of the class action and PAGA settlement upon the terms and conditions set forth in the
8 Class Action and PAGA Settlement Agreement, a true and correct copy of which is attached
9 hereto as **Exhibit 1**.

10 3. **Exhibit 2** attached hereto is a true and correct copy of the written notice of claims
11 for civil penalties under the Labor Code Private Attorneys General Act (“PAGA”) that I provided,
12 on behalf of Plaintiff, to the California Labor and Workforce Development Agency (“LWDA”) on
13 February 16, 2023.

14 4. Plaintiff and Defendants Rent A Toilet, Inc., RAT Incorporated, Dalia Palacio, and
15 Edison Palacio (“Defendants”) (collectively the “Parties”) have agreed to hire Phoenix Settlement
16 Administrator (“Phoenix”) to administer this settlement. Phoenix has agreed to administer this
17 settlement for a flat-fee amount of \$6,400.00. **Exhibit 3** attached hereto is the quote from Phoenix
18 for administering this settlement.

12 **The Rent A Toilet Litigation**

13 6. On behalf of Plaintiff, on February 16, 2023, I filed a class action complaint against
14 Defendants Rent A Toilet, Inc. and Dalia Palacio, alleging class claims for (1) failure to pay wages
15 for all hours worked, (2) failure to provide meal periods, (3) failure to provide rest periods, (4)
16 failure to provide accurate wage statements, and (5) violation of Business and Professions Code
17 section 17200, et seq.

18 7. After the expiration of the 60-day waiting period under PAGA, on April 25, 2023,
19 Plaintiff filed a First Amended Complaint, adding the Sixth through the Ninth Causes of Action
20 for civil penalties under PAGA, based on the alleged Labor Code violations asserted in the First
21 through the Fourth Causes of Action. Subsequently, on May 19, 2023, based on stipulation of the
22 Parties, Plaintiff filed the operative Second Amended Complaint, substituting fictitiously sued Doe
23 1 and Doe 2 defendants with RAT Incorporated and Edison Palacio.

24 8. In the operative Second Amended Complaint, Plaintiff alleges class action causes
25 of action against Defendants for (1) failure to pay wages for all hours worked, (2) failure to
26 provide meal periods, (3) failure to provide rest periods, (4) failure to provide accurate wage
27 statements, and (5) violation of Business & Professions Code § 17200, et seq. Plaintiff also
28 alleges causes of action for civil penalties under PAGA based on the foregoing Labor Code

1 violations for (6) failure to pay wages for all hours worked, (7) failure to provide meal periods, (8)
2 failure to provide rest periods, (9) failure to provide accurate wage statements.

3 9. Shortly after the commencement of the Action, Plaintiff propounded written
4 discovery, including requests for admission, form and special interrogatories, and requests for
5 production of documents. On October 17, 2023, on behalf of Plaintiff, I took the deposition of the
6 corporate witness of Defendants Rent A Toilet, Inc. and RAT Incorporated. Thereafter, counsel
7 for the respective Parties engaged in numerous discussions regarding the factual and legal issues
8 involved in this case, as well as their respective views on the strengths and weaknesses of the
9 claims and potential defenses. Ultimately, the Parties agreed to participate in a private mediation
10 to explore a possible settlement to fully resolve all disputes in the action.

11 10. In connection with the settlement discussions, Defendants provided time records,
12 payroll data, and other information to allow Plaintiff and I to evaluate class damages and engage
13 in meaningful settlement discussions. To assist me in evaluating the time records of employees, I
14 engaged an expert consultant to create a database and analyze the time records provided by
15 Defendants in discovery. Defendants also provided additional information informally prior to the
16 mediation.

17 11. On July 25, 2024, the Parties and their counsel participated in a full-day mediation
18 supervised by the Hon. Howard Broadman, an experienced and well-regarded mediator in this area
19 of law. The Parties were able to reach the terms of the settlement in principle, and executed a
20 short-form settlement agreement memorializing the key terms of the settlement. In the ensuing
21 weeks, the Parties and their counsel worked diligently until all the terms of the Agreement are
22 finalized.

23 12. I conducted extensive investigation and research pertaining to the factual and legal
24 issues involved in this action before filing the complaint. I spoke with Mr. Galvan on numerous
25 occasions, both before and after the filing of the complaint. Mr. Galvan provided me with
26 information regarding the Defendants' policies and practices regarding work hours, time keeping
27 procedures, wage payments, meal and rest periods, and related issues. Mr. Galvan also attended
28 the mediation, and his participation was very helpful in reaching the settlement.

1 The Terms of the Settlement Are Fair and Reasonable

2 13. Under the Settlement, in exchange for the releases provided in the Settlement
3 Agreement and set forth in the Notice of Class Settlement, Defendants will pay \$175,000 to
4 establish a non-reversionary Settlement Fund to pay for claims of the Class Members who do not
5 opt out of the settlement, civil penalties under PAGA, Enhancement Award to Plaintiff, the cost of
6 the settlement administration, and reasonable attorneys' fees and costs reimbursement to Class
7 Counsel.

8 14. In my opinion, this is a fair and reasonable settlement, in light of the disputed
9 factual and legal issues, as discussed below, the inherent risks of further litigation without
10 assurance of a better result, and the substantial benefits to the Class under the Settlement.

11 15. Unpaid Wages Claim. Plaintiff alleges that Defendants regularly failed to provide
12 a full 30-minute meal period for each workday, but deducted 30 minutes from employees' daily
13 hours worked, resulting in a failure to pay wages for all hours worked. Defendants dispute these
14 allegations. Assuming Plaintiff prevails on the merits and on the class certification issues, the
15 estimated total class damages for the unpaid wages claim is approximately \$96,525.

16 16. Waiting Time Penalty-Wage Claim. Plaintiff contends that the failure to pay wages
17 of all hours worked gives rise to liability to pay waiting time penalty-wages under Labor Code §
18 203. *Maldonado v. Epsilon Plastics* (2018) 22 Cal.App.5th 1308, 1324 ("If the wages are not paid
19 in accordance with law, the employee's wages 'shall continue as a penalty' for up to 30 days.")
20 However, "a good faith dispute that any wages are due will preclude imposition of waiting time
21 penalties under Section 203." *Aramal v. Cintas Corporation No. 2* (2008) 163 Cal.App.4th 1157,
22 1201. Assuming Plaintiff prevails on the merits and on the class certification issues, the total class
23 damages for waiting time penalty-wages is approximately \$397,440.

24 17. Meal Period Claim and Rest Period Claim. Plaintiff contends that Defendants
25 regularly failed to provide proper meal periods and rest periods, and failed to pay premium wages
26 due under Labor Code § 226.7 in lieu thereof. Defendants dispute these allegations. Assuming
27 Plaintiff prevails on the merits and on the class issues, the estimated total class damages for the
28 meal periods claim is approximately \$193,050. The estimated class damages for the rest periods

1 claim is also approximately \$193,050.

2 18. Wage Statement Violation Claim. Plaintiff alleges that Defendants failed to
3 provide Plaintiff and other employees with accurate wage statements, in violation of Labor Code §
4 226(a). Plaintiff further alleges that the violation was “knowing and intentional” within the
5 meaning of Labor Code § 226(e) as to entitling Plaintiff and other employees of the statutory
6 damages under Labor Code § 226(e). Defendants dispute these allegations. Assuming Plaintiff
7 prevails on the merits and on the class issues, the class damages for this claim is approximately
8 \$11,300.

9 19. The \$175,000 Settlement Fund represents approximately 19.63% of the maximum
10 class damages of \$891,365 (\$96,525 in unpaid wages, \$397,440 in waiting time penalty-wages,
11 \$193,050 in meal period claim, \$193,050 in rest period claim, and \$11,300 in wage statement
12 violation claim. With the maximum PAGA penalties included, the \$175,000 Settlement Fund
13 represents approximately 9.25% of the theoretical maximum recovery of \$1,891,765 (\$891,365 in
14 maximum class damages + \$1,000,400 in maximum PAGA civil penalties).

15 20. In my view, this is a very good result, given the sharply disputed factual and legal
16 issues, risks and costs of prolonged further litigation without any assurance of a better result, the
17 collection risks, and in light of the substantial benefit available to the Class Members and the
18 LWDA now under the Settlement.

19 The Requested Enhancement Award for Plaintiff is Reasonable

20 21. Out of the Settlement, a sum of \$10,000 in Enhancement Award will be paid to
21 Plaintiff, for his services to the Class and taking the risks of bringing this action as a class action,
22 which has resulted in substantial benefits to the Class Members, and in exchange for giving a
23 general release of other known and unknown claims against Defendants. Mr. Galvan was a
24 dedicated and hard worker. His courage to bring this lawsuit as a class action and taking the risks
25 of bearing the costs if the case was not successful has generated substantial monetary benefit to the
26 Class Members. Mr. Galvan has been very helpful throughout the litigation. He spent a great deal
27 of time talking to me regarding Rent A Toilet’s employment practices. The requested
28

1 Enhancement Award is reasonable, in light of the sacrifices Plaintiff has made and the substantial
2 benefit he generated for the Class.

3 Lodestar Information

4 22. To date I have spent a total of no less than 123.3 hours of attorney time reasonably
5 valued at \$80,145, at the rate of \$650 per hour, purely on a contingency fee basis. As normal and
6 customary in class actions, I expect to spend many more hours after preliminary approval, and
7 even after final approval on tasks relating to monitoring the settlement administration, fielding
8 questions from the Class Members, and performing other tasks related to the settlement.

9 23. **Exhibit 4** attached hereto is a true and correct copy of my contemporaneously kept
10 time record detailing the time spent and work performed in this case. I am familiar with the
11 billing rates of attorneys with comparable experience and skill in the Southern California market.
12 I believe the hourly rate used here is fair and reasonable, in light of the specialized area of the law,
13 the class nature of the litigation, and the prevailing rates in Southern California charged by other
14 attorneys in this area of law.

15 24. The work I have performed in this case included investigating the claims, including
16 investigating the claims and potential defenses, reviewing and researching the factual and legal
17 issues involved, preparing the complaint, discussing factual and legal issues at length with defense
18 counsel, propounding written discovery requests, engaging in meet and confer, taking the
19 deposition of corporate witness, requesting and reviewing time records, payroll data, and other
20 information from Defendants for settlement discussions, analyzing the data and evaluating the
21 range of damages, participating in a full-day mediation, engaging in extensive discussions with the
22 defense counsel, preparing settlement agreement and related documents, preparing moving papers
23 for preliminary approval, and performing other work related to the litigation and settlement of this
24 action.

25 Costs and Expenses

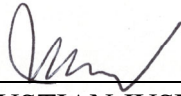

26 25. To date, my office has spent a total of \$18,588.85 in this action. **Exhibit 5** attached
27 hereto is a true and correct copy of cost sheet for expenses incurred by my office in this action.
28 These expenses were necessary and reasonable to properly prosecute this action and obtain the

1 benefits for the Class Members under the Settlement. I anticipate incurring additional costs for the
2 filing fee, copying, and other expenses related to monitoring the settlement administration, motion
3 for final approval of the settlement, and for doing other work pertaining to monitoring and
4 implementing the terms of the settlement.

5 I declare under penalty of perjury under the laws of the State of California that the
6 foregoing is true and correct.

4 with regard the claims asserted against the Defendants in a civil action titled *Ramiro Galvan vs.*
5 *Rent A Toilet, Inc., et al.*, Kings County Superior Court, Case No. 23C-0050 (the “Action”).

6 **I. THE SETTLEMENT**

7 Subject to Court approval pursuant to Rule 3.769 of the California Rules of Court and
8 Labor Code § 2699(1)(2), Plaintiff and Defendants have agreed to a settlement intended to fully
9 resolve all disputes between Plaintiff and Defendants in the Action based upon the terms and
10 conditions set forth in this Agreement including, but not limited to, Defendants, jointly and
11 severally, paying the sum of \$175,000.00 (One Hundred Seventy-Five Thousand Dollars and Zero
12 Cents) to establish a non-reversionary “Settlement Fund” to pay for claims of the Class Members
13 who do not opt out of the settlement, civil penalties under the Labor Code Private Attorneys
14 General Act (“PAGA”), an Enhancement Award to Plaintiff, the Settlement Administrator’s fee
15 and expenses, and reasonable attorneys’ fees and costs reimbursement to Class Counsel, in
16 exchange for the releases provided herein.

17 A summary of the terms of the settlement (“Settlement”) is as follows:

18 • For purposes of this Settlement, Defendants stipulate to certification of a Class
19 defined as follows: “Any and all persons who have been employed by Defendants as non-exempt
20 employees in California at any time during the Class Period, from February 16, 2019 to July 25,
21 2024.” There are a total of 107 Class Members, and they worked a total of 5961 Workweeks
22 during the Class Period.

23 • The Settlement is conditioned on and contemplates: (i) entry of an Order granting
24 preliminary approval of the Settlement, and (ii) entry of an Order granting final approval of the
25 Settlement and entry of Judgment approving the Settlement with retention of jurisdiction for
26 enforcing the terms of the Settlement.

27 • Upon the Court granting final approval of the Settlement, Defendants shall jointly
28 and severally pay the Settlement Fund amount on or before July 31, 2025 by transmitting a sum of

1 \$175,000.00 (One Hundred Seventy Five Thousand Dollars and Zero Cents) to an account to be
2 established by the Settlement Administrator for the benefit of this Settlement.

3 • Class Members need not submit a claim to be paid under the Settlement. Upon the
4 Court granting final approval of the Settlement, the Settlement Administrator will mail settlement
5 checks to Class Members who do not opt out of the Settlement.

6 • Out of the Settlement Fund, a sum of \$15,000.00 (Fifteen Thousand Dollars and
7 Zero Cents) shall be allocated as payment for civil penalties under PAGA, 75% of which
8 (\$11,250.00) shall be paid to the Labor and Workforce Development Agency (“LWDA”), and the
9 remaining 25% (\$3,750.00) shall be paid to Settlement Aggrieved Employees (i.e., those Class
10 Members who were employed by Defendants during the PAGA Period), proportionally based on
11 the number of Pay Periods they worked during the PAGA Period, from February 16, 2022 to July
12 25, 2024, regardless of whether or not they otherwise opt out of the Class.

13 • Out of the Settlement Fund, a sum of \$10,000.00 (Ten Thousand Dollars and Zero
14 Cents) will be paid to Plaintiff, as Enhancement Award for his services to the Class and taking the
15 risks of bringing the Action as a class action, which has resulted in monetary benefits to the Class
16 Members, and in exchange for providing a general release for his individual known and unknown
17 claims against Defendants.

18 • Out of the Settlement Fund, a sum of \$6,000.00 (Six Thousand Dollars and Zero
19 Cents) will be paid to the Settlement Administrator for its fees and costs for administering this
20 Settlement. The Parties have agreed to hire Phoenix Settlement Administrators, an experienced
21 class action administrator, to serve as the Settlement Administrator.

22 • Out of the Settlement Fund, a sum of \$58,333.33 (Fifty-Eight Thousand Three
23 Hundred Thirty-Three Dollars and Thirty-Three Cents), which is one-third (33.33%) of the
24 Settlement Fund, will be paid to Class Counsel in reasonable attorneys’ fees for services they have
25 performed in this Action and anticipated to be performed in connection with seeking approval,
26 monitoring the implementation of this Settlement, and doing other work relating to these
27 proceedings in this Action.

28 • Out of the Settlement Fund, a sum not to exceed \$20,000.00 (Twenty Thousand

Dollars and Zero Cents) will be paid to Class Counsel for reimbursement of costs and other expenses incurred and reasonably anticipated to be incurred in this Action and this settlement.

- After deducting the Settlement Administrator's fees and costs, payments for settlement of PAGA claims, Enhancement Award to Plaintiff, and Class Counsel's reasonable attorneys' fees and reimbursement of costs from the Settlement Fund, the Net Settlement Amount, estimated at approximately \$65,666.67 (Sixty-Five Thousand Six Hundred Sixty-Six Dollars and Sixty-Seven Cents), will be allocated Class Members proportionally based on their respective Workweeks during the Class Period. Amounts allocated to Class Members who opt out of the Class shall be re-allocated to Class Members who do not opt out of the Class proportionally based on their respective shares of the Net Settlement Fund.

- Any settlement checks that are not cashed after 180 (One Hundred Eighty) calendar days of issuance will be cancelled, and the money shall be transmitted to the California State Controller's Office, to be placed in its Unclaimed Property funds.

1 **III. PROCEDURAL BACKGROUND**

2 1. Defendants are in the business of providing portable toilets and related cleaning
3 services to their customers, employing on average of approximately 15 non-exempt employees in
4 various positions, including Service Technicians and Delivery Technicians. Plaintiff was one of
5 those employees.

6 2. On February 16, 2023, Plaintiff filed a class action complaint against Defendants
7 Rent A Toilet, Inc. and Dalia Palacio, alleging class claims for (1) failure to pay wages for all
8 hours worked, (2) failure to provide meal periods, (3) failure to provide rest periods, (4) failure to
9 provide accurate wage statements, and (5) violation of Business and Professions Code section
10 17200, *et seq.* On February 16, 2023, Plaintiff also sent written notice to the Labor and Workforce
11 Development Agency regarding claims for civil penalties pursuant to the PAGA.

12 3. On April 25, 2023, Plaintiff filed a First Amended Complaint, adding the Sixth
13 through the Ninth Causes of Action for civil penalties under PAGA, based on the alleged Labor
14 Code violations asserted in the First through the Fourth Causes of Action.

15 4. On May 19, 2023, based on stipulation of the Parties, Plaintiff filed the operative
16 Second Amended Complaint, substituting fictitiously sued Doe 1 and Doe 2 defendants with RAT
17 Incorporated and Edison Palacio.

18 5. On June 30, 2023, Defendants filed an Answer to the operative Second Amended
19 Complaint.

20 6. Shortly after the commencement of the Action, the Parties engaged in discovery,
21 including requests for admission, form and special interrogatories, and requests for production of
22 documents. Plaintiff took the deposition of Person Most Knowledgeable of Defendants Rent A
23 Toilet, Inc. and RAT Incorporated.

24 7. Counsel for the respective Parties engaged in numerous discussions regarding the
25 factual and legal issues involved in the Action, and their respective views on the strengths and
26 weaknesses of the claims and potential defenses.

27 8. Ultimately, the Parties agreed to participate in a private mediation to explore a
28 possible settlement to fully resolve all disputes in the Action.

1 9. On July 25, 2024, the Parties and their counsel participated in a full-day mediation
2 supervised by the Hon. Howard Broadman, an experienced and well-regarded mediator in this area
3 of law. The Parties were able to reach the terms of the settlement in principle, and executed a
4 short-form settlement agreement memorializing the key terms of the settlement.

5 10. In the ensuing weeks, the Parties and their counsel worked diligently until all the
6 terms of the Settlement are finalized, as set forth herein.

7 11. Plaintiff and Class Counsel recognize the expense and length of continued
8 proceedings necessary to litigate their disputes through trial and through any possible appeals.
9 Plaintiff and Class Counsel have also taken into account the uncertainty and inherent risks of the
10 outcome of further litigation, the complexities and uncertain merits of their claims and defenses,
11 the collection risks, and the delays inherent in further litigation. Plaintiff and Class Counsel have
12 also taken into account Defendants' agreement to enter into the Settlement that confers substantial
13 benefits to the Class Members. Therefore, Plaintiffs and Class Counsel have concluded that the
14 Settlement set forth in this Agreement is a fair, adequate and a reasonable Settlement, and is in the
15 best interests of the Class.

16 12. Defendants have concluded that any further defense of this litigation would be
17 protracted and expensive for all Parties. Defendants have also taken into account the significant
18 risks of further litigation in reaching its decision. Defendants have, therefore, agreed to settle in
19 the manner and upon the terms set forth in this Agreement.

20 **IV. THIS SETTLEMENT IS SUBJECT TO COURT APPROVAL**

21 This Agreement is conditioned on and contemplates: (i) entry of an Order granting
22 preliminary approval of the Settlement, and (ii) entry of an Order granting final approval of the
23 Settlement and entry of Judgment approving the Settlement with retention of jurisdiction for
24 enforcing the terms of the Settlement.

25 **V. SETTLEMENT APPROVAL AND IMPLEMENTATION PROCEDURE**

26 **A. Preliminary Approval Of Settlement**

2 are fair, adequate and reasonable, as required by Rule 3.769 of the California Rules of Court.

3 **B. Settlement Administrator**

4 The Parties have agreed to hire Phoenix Settlement Administrators, a third-party settlement
5 administrator, to administer this Settlement. The Settlement Administrator's fee and expenses are

11 Class Member: the name, last-known home address, last-known home or cell phone number,
12 Social Security number, the number of Workweeks of the Class Member during the Class Period,

14 Defendants shall provide the Settlement Administrator with tax withholding information and any
15 other or further information the Settlement Administrator may reasonably need to implement the
16 Settlement.

17 2. As soon as practicable, but no later than 14 (fourteen) calendar days after
18 receiving the database from Defendants, the Settlement Administrator shall print the Court-
19 approved Notice of Class and PAGA Settlement, in English and Spanish, and shall mail it to each
20 of the Class Members by U.S. First Class Mail. Prior to the mailing, the Settlement Administrator
21 shall run the Class Members' addresses through a National Change Of Addresses ("NCOA")
22 service, to obtain the most updated address information, and mail the Notice Packet to the most
23 current addresses available. The Settlement Administrator shall also perform a reasonable search
24 for new addresses for any Class Members whose Notice Packets are returned by the Post Office as
25 undeliverable, and promptly re-mail the Notice Packets to any newly found addresses.

27 of their right to opt out of the Settlement, object to the Settlement, and challenge the number of
28 Workweeks and/or Pay Periods stated on their individually customized Notice.

1 4. The Notice of Class and PAGA Settlement provided to each Class Member
2 and Settlement Aggrieved Employees shall set forth the individualized estimated amount the Class
3 Member will receive under the Settlement if the Class Member does not opt out of the Settlement,
4 as well as the estimated amount of PAGA settlement allocated to him/her as a Settlement
5 Aggrieved Employee, which will be mailed to him/her whether or not he/she opts out of the Class.

6 **D. Exclusion (Opt-Outs)**

7 1. Any Class Member who wishes to be excluded from this Settlement must
8 mail to the Settlement Administrator a written statement expressing his/her desire to be excluded
9 (or opt out) from the Settlement, which must be postmarked no later than 60 (sixty) calendar days
10 after the mailing of the Notice of Class and PAGA Settlement.

11 2. Any such written request for exclusion must include the name (and former
12 names, if any), signature, current address, telephone number, and shall recite the following
13 language or other words to the same effect:

14 I wish to opt out of the settlement of this case, *Galvan v. Rent A Toilet, Kings*
15 County Superior Court, Case No. 23C-0050.

16 3. Any Class Member who submits a valid and timely request for exclusion
17 from this Settlement shall be barred from participating in this Settlement, shall be barred from
18 objecting to this Settlement, shall receive no benefit from this Settlement (except for the portion of
19 PAGA settlement allocated to him/her), and shall not be bound by the terms of this Agreement.

20 4. The Settlement Administrator shall give notice to Class Counsel and
21 Counsel for Defendants of the name and number of Class Members who submit a timely request
22 for exclusion no later than 14 (fourteen) calendar days after the close of the Opt-Out Period.

23 **E. Cooperation**

24 The Parties will cooperate reasonably and in good faith for the purpose of achieving
25 occurrence of the conditions and accomplishing the terms set forth in this Agreement, including
26 without limitation, timely filing all motions, papers and evidence necessary to do so.

27 **F. Declaration of Compliance**

28 As soon as practicable, but no later than 14 (fourteen) calendar days following the close of

1 the Opt Out Period, the Settlement Administrator shall provide Class Counsel and Counsel for
2 Defendants with a declaration attesting to completion of the notice process set forth in this
3 Agreement, including an explanation of efforts to resend undeliverable notices returned with
4 forwarding addresses, the number of opt outs, and other information relevant to settlement
5 administration, which declarations shall be filed with the Court by Class Counsel along with their
6 papers requesting final approval of the Settlement.

7 **G. Sufficient Notice**

8 Compliance with the procedures described in this Agreement shall constitute due and
9 sufficient notice to Class Members of this Settlement and the Final Fairness and Approval
10 Hearing, shall satisfy the requirements of due process, and nothing else shall be required of the
11 named Plaintiffs, Class Counsel, Defendants, or Counsel for Defendants to provide notice of the
12 Settlement and the Final Fairness and Approval Hearing.

13 **H. Objections to Settlement or Challenges to Workweek Information**

14 1. Any Class Member who wishes to object to the approval of this Settlement,
15 or challenge the Workweek and/or Pay Period information stated in his/her Notice of Class and
16 PAGA Settlement, shall mail a written objection to the Settlement Administrator within 60 (sixty)
17 calendar days from the date of mailing of the Notice of Class and PAGA Settlement.

18 The Settlement Administrator shall promptly forward a copy of any and all objections to
19 Class Counsel and Counsel for Defendants. Any Class Member who submits an objection shall
20 retain the right to receive his/her share under the Settlement.

21 2. Responses to Objections.

22 Class Counsel and/or Counsel for Defendants shall file any responses to any written
23 objections submitted to the Court in accordance with this Agreement at least five (5) court days
24 before the Final Fairness and Approval Hearing.

25 **I. Final Fairness and Approval Hearing**

26 On the date set forth for the Final Fairness and Approval Hearing in the Order granting
27 preliminary approval of the Settlement, which shall be approximately 180 (one hundred eight
28 twenty) calendar days after the Court grants preliminary approval of this Agreement, a Final

1 Fairness and Approval Hearing shall be held before the Court in order to consider and determine
2 whether: (i) the Court should give this Agreement final approval; (ii) Class Counsel's application
3 for attorneys' fees and reimbursement of expenses they have incurred should be granted; (iii)
4 application for Enhancement Award for Plaintiff; and (iv) any timely objections made and all
5 responses by Class Counsel and Counsel for Defendant to such objections have any merit.

6 This Agreement is contingent upon approval by the Court. If the Court does not grant
7 preliminary or final approval, the Parties shall be restored to their positions prior to the execution
8 of this Agreement without waiver of any rights, remedies or defenses.

9 **J. Allocation of Net Settlement Amount**

10 1. Subject to Court approval, a sum of \$15,000.00 (Ten Thousand Dollars and
11 Zero Cents) of the Settlement Fund shall be allocated as payment for civil penalties under PAGA,
12 75% of which (i.e. \$11,250.00) shall be paid to the LWDA, and the balance of 25% (i.e.,
13 \$3,750.00) shall be allocated to Aggrieved Employees proportionally based on their respective
14 Pay Periods during the PAGA Period.

15 2. The Net Settlement Fund shall be allocated to the Class Members
16 proportionally based on their respective Workweeks during the Class Period. Amounts allocated
17 to Class Members who opt out of the Class shall be reallocated to other Class Members who do
18 not opt out of the Class, proportionally based on their shares under the Settlement.

19 3. For purposes of this Settlement, payment to the Class Members under this
20 Settlement shall be attributed as follows: 1/3 wages, 1/3 interest, and 1/3 penalties.

21 **K. Enhancement Award to Plaintiff**

22 Subject to Court approval, Defendants have agreed to pay as a part of the Settlement Fund,
23 and will not oppose application for, an Enhancement Award in the amount of \$10,000.00 (Ten
24 Thousand Dollars and Zero Cents) to Plaintiff, for services he rendered to the Class and taking the
25 risks of bringing the Action as a class action, which has resulted in monetary benefits to the Class
26 Members, and in exchange for providing a general release for his individual known and unknown
27 claims against Defendants. The Enhancement Award payment is in addition to whatever payment
28 Plaintiff is otherwise entitled to as a Class Member and as an Aggrieved Employee.

1 **L. Payment Of Class Counsel Attorneys' Fees And Costs.**

2 1. Subject to Court approval, Defendants have agreed to pay as a part of the
3 Settlement Fund, and will not oppose Class Counsel's application for, an award of attorneys' fees
4 in the amount of \$58,333.33 (Fifty-Eight Thousand Three Hundred Thirty-Three Dollars and
5 Thirty-Three Cents), which represents one-third of the Settlement Fund, and reimbursement of
6 costs and expenses incurred in an amount not to exceed \$20,000.00 (Twenty Thousand Dollars
7 and Zero Cents), to be paid out of the Settlement Fund.

8 2. Except as provided herein, each of the Parties and Class Members shall bear
9 his, her or its own attorneys' fees and costs in connection with this Action.

10 **M. Time for Funding**

11 Upon the Court granting final approval of the Settlement, Defendants shall jointly and
12 severally pay the Settlement Fund amount on or before July 31, 2025 by transmitting a sum of
13 \$175,000.00 (One Hundred Seventy Five Thousand Dollars and Zero Cents) to an account to be
14 established by the Settlement Administrator for the benefit of this Settlement.

15 **N. Time for Disbursement**

10 and each party to this Stipulation other than the Acknowledging Party, an “Other Party”)
11 acknowledges and agrees that (1) no provision of this Stipulation, and no written communication
12 or disclosure between or among the Parties or their attorneys and other advisers, is or was intended
13 to be, nor shall any such communication or disclosure constitute or be construed or be relied upon
14 as, tax advice within the meaning of United States Treasury Department Circular 230 (31 CFR
15 Part 10, as amended); (2) the Acknowledging Party (a) has relied exclusively upon his or its own,
16 independent legal and tax advisers for advice (including tax advice) in connection with this

18 Party or any attorney or advisor to any Other Party, and (c) is not entitled to rely upon any
19 communication or disclosure by any attorney or advisor to any Other Party to avoid any tax
20 penalty that may be imposed on the Acknowledging Party; and (3) no attorney or advisor to any
21 Other Party has imposed any limitation that protects the confidentiality of any such attorney’s or
22 adviser’s tax strategies (regardless of whether such limitation is legally binding) upon disclosure

1 drafting of it, shall be offered or used as evidence by Plaintiffs, any Class Member (including any
2 individual who requested to be excluded from the Class), Defendants, or their respective counsel,

10 costs incurred in connection therewith.

11 **D. Nullification.**

12 1. If the Court for any reason does not approve this Settlement, this Agreement
13 shall be considered null and void, and all Parties shall stand in the same position, without

NOTICE OF CLASS AND PAGA SETTLEMENT

Galvan v. Rent A Toilet, Inc.
Kings County Superior Court, Case No. 23C-0050

<<FIRST AND LAST NAME>>

<<ADDRESS>>

<<CITY AND ZIP CODE>>

TO: ALL PERSONS WHO HAVE BEEN EMPLOYED AS NON-EXEMPT EMPLOYEES OF RENT A TOILET, INC. OR RAT INCORPORATED IN CALIFORNIA AT ANY TIME FROM FEBRUARY 16, 2019 TO JULY 25, 2024 (“CLASS PERIOD”) (“CLASS” OR “CLASS MEMBERS”)

A court authorized this Notice. This is not a solicitation from a lawyer.

Please read this Notice carefully. Your rights may be affected.

- Ramiro Galvan, a former employee (“Plaintiff”) has sued Rent A Toilet, RAT Incorporated, Dalia Palacio, and Edison Palacio (“Defendants”), alleging that Defendants failed to pay non-exempt employees for all hours worked, failed to provide them with meal periods, rest periods, and accurate wage statements. Plaintiff also seeks civil penalties under the Labor Code Private Attorneys General Act (“PAGA”).
- Defendants have denied any wrongdoing or liability, but Plaintiff and Defendants have agreed to a class action and PAGA settlement, and the Court has granted preliminary approval of the settlement.
- The Court has certified a Class for purposes of the Settlement, but has not ruled on the merits of Plaintiff’s claims or Defendants’ defenses.
- You received this Notice because you are a member of the Class according to Defendants’ records.

The Superior Court of California for the County of Kings has granted preliminary approval to a class action settlement (the “Settlement”) in the above-captioned action (“Action”).

The Court has conditionally certified the following Class for settlement purposes only: “Any and all persons who have been employed by Defendants as non-exempt employees in California at any time during the Class Period, from February 16, 2019 to July 25, 2024.

A. DESCRIPTION OF THE LAWSUIT

Plaintiff has brought this lawsuit as a class action. In a class action, one or more persons bring claims in a lawsuit on behalf of themselves and others who are in a similar situation or have similar possible claims against one or more defendants. The Plaintiff in this case has made claims on behalf of all current and former non-exempt employees of Defendants in California at any time during the Class Period, from February 16, 2019 to July 25, 2024. In the lawsuit, Plaintiff alleges that Defendants failed to pay wages for all hours worked, failed to provide meal breaks, failed to provide rest breaks, and failed to provide accurate wage statements. Based on those allegations, Plaintiff seeks class damages for unpaid wages, unpaid waiting-time penalty-wages, unpaid premium wages due for failure to provide meal and/or rest breaks, restitution, civil penalties under PAGA, and other relief.

Defendants deny Plaintiff’s claims and deny any wrongdoing or liability. The Court has not ruled on the merits of Plaintiff’s claims or Defendants’ defenses, and the parties have agreed to the Settlement.

Plaintiff and Class Counsel believe the Settlement is fair and in the best interest of the Class and for these reasons are seeking final approval of the Settlement. The attorneys for the employees (“Class Counsel”) in this lawsuit are:

B. SUMMARY OF PROPOSED SETTLEMENT TERMS.

The following is a summary of the Settlement terms. The specific and complete terms of the Settlement are stated in the Class Action And PAGA Settlement Agreement, which has been preliminarily approved by the Court. A full copy of the Settlement Agreement and other documents relating to the Action and the Settlement are available on the Settlement Administrator’s website: _____. The Settlement Agreement, as well as other public documents filed in this case, can also be inspected during business hours in the Office of the Court Clerk of Kings County Superior Court, located at 1640 Kings County Drive, Hanford, CA 93230.

Subject to the Court's final approval, the terms of the proposed Settlement are as follows:

1. Settlement Fund: Defendants will pay a total of \$175,000 (One Hundred Seventy-Five Thousand Dollars) to establish a Settlement Fund, to pay Class Members who do not opt out of the Settlement, civil penalties under PAGA, Enhancement Award to Plaintiff, the Settlement Administrator's fee and expenses, and Class Counsel attorneys' fees and expenses.

2. Settlement Formula and Distribution.

A sum of \$15,000 from the Settlement Fund will be paid in settlement of claims for civil penalties under PAGA. Out of this amount, 75% (\$11,250) will be paid to the Labor and Workforce Development Agency, and the remaining 25% (\$3,750) will be paid to those who were employed as non-exempt employees in California by Defendants at any time during the PAGA Period (from February 16, 2022 to July 25, 2024). If you are eligible for this payment, the amount you will receive for this portion of the settlement is shown on the first page of this notice.

After deducting the \$15,000 PAGA settlement amount, the Enhancement Award to Plaintiff, the Settlement Administrator's fee and expenses, and Class Counsel attorneys' fees and expenses, the remaining amount ("Net Settlement Fund") will be allocated to Class Members proportionally based on their respective Workweeks during the Class Period (from February 16, 2019 to July 25, 2024). The amount you will receive upon the Court granting final approval of the Settlement, if you do not opt out of the Settlement, is shown on the first page of this notice.

You do not need to do anything to receive your share under the Settlement. Upon the Court granting final approval of the Settlement, a settlement check for the PAGA portion will be mailed to you, regardless of whether or not you opt out of the Settlement. And if you do not opt out of the Settlement, the settlement check to you will also include the non-PAGA portion.

The approximate amounts of your share under the Settlement are shown on the first page of this Notice. The amounts were calculated based on Defendants' records of the number of Workweeks worked by you and other Class Members. If you disagree with the number of your Workweeks stated on this Notice, please write to the Settlement Administrator and state the number of Workweeks during the Class Period in which you were employed by Defendants as a non-exempt in California during the Class Period and PAGA Period, and attach any and all documents that support your claim (such as pay stubs, cancelled checks, etc.).

To dispute the number of your Workweeks, you must mail your challenge and supporting documents to the Settlement Administrator within 60 days of the mailing of this Notice. The deadline for you to submit your challenge is _____, 2024. Please be advised that the number of Workweeks stated on page one of this Notice is presumed to be correct unless the documents you timely submit prove otherwise.

3. Subject to the Court's final approval, the following amounts will be deducted from the total Settlement Fund prior to calculation of the Net Settlement Fund: (a) \$15,000 (Fifteen Thousand Dollars) in settlement of PAGA claims, (b) Class Counsel will seek an award of attorneys' fees for their services in this Action in the amount of approximately \$58,333 (Fifty-Eight Thousand Three Hundred Thirty-Three Dollars), which is one-third of the Settlement Fund, and reimbursement of costs and expenses they have incurred in this Actions in an amount not to exceed \$ [REDACTED] ([REDACTED] Thousand Dollars); (c) Class Counsel will ask the Court for an Enhancement Award of \$10,000 (Ten Thousand Five Hundred Dollars) for Plaintiff/Class Representative to compensate for the time and risk undertaken in bringing this Action as a class action and to give a general release to Defendants; and (c) payment to the Settlement Administrator for its costs and fees in administering the Settlement and payout process, in the amount of \$6,000 (Six Thousand Dollars).

4. Release.

Release of PAGA Claims: As of the Effective Date, and except as to such rights or claims as may be created by the Settlement Agreement, Plaintiff and each Aggrieved Employee (including you) are deemed to have fully released and discharged Defendants Rent A Toilet, Inc., RAT Incorporated, Dalia Palacio, Edison Palacio, and each of its predecessors in interest, successors in interest, affiliates, shareholders, directors,

Re: *Ramiro Galvan v. Rent A Toilet, Inc., Dalia Palacio, et al.*

To Whom It May Concern:

This office represents Ramiro Galvan (“Plaintiff”), a former employee of Rent A Toilet, Inc. and Dalia Palacio (“Defendants”).

This letter is sent pursuant to Labor Code § 2699.3, for purposes of bringing a civil action by Plaintiff, on behalf of himself and all other current and former employees of the Defendants (and potentially other defendants the identities of which are currently unknown to Plaintiff), against the Defendants, to seek civil penalties arising from various Labor Code violations discussed herein, pursuant to the Labor Code Private Attorneys General Act (“PAGA”), codified at Labor Code § 2698, *et seq.*

Defendants are in the business of providing and maintaining portable toilets, and related services, in California. Defendants have employed approximately 500 persons as non-exempt employees to drive company trucks and clean portable toilets at locations assigned to them on their routes, and in other positions (“Aggrieved Employees”). Plaintiff is one of the Aggrieved Employees.

FAILURE TO PAY WAGES FOR ALL HOURS WORKED

California law requires wage payment for all hours worked. Labor Code §§ 200, 510, 1194, and 1197.

Defendants maintained a practice of recording meal periods on Plaintiff’s and other non-exempt employees’ time records when they did not actually take those meal periods, and deducted the time recorded as meal periods from the employees’ daily hours worked, resulting in a failure to pay employees for all hours worked.

FAILURE TO PROVIDE MEAL PERIODS

Labor Code § 512(a) provides as follows:

An employer shall not employ an employee for a work period of more than five hours per day without providing the employee with a meal period of not less than

30 minutes, except that if the total work period per day of the employee is no more than six hours, the meal period may be waived by mutual consent of both the employer and employee. An employer shall not employ an employee for a work period of more than 10 hours per day without providing the employee with a second meal period of not less than 30 minutes, except that if the total hours worked is no more than 12 hours, the second meal period may be waived by mutual consent of the employer and the employee only if the first meal period was not waived.

Section 11 of Wage Orders 4 (Professional, Technical, Clerical, Mechanical and Similar Occupations) and 5 (Public Housekeeping Industry) provides, in relevant parts:

(A) No employer shall employ any person for a work period of more than five (5) hours without a meal period of not less than 30 minutes, except that when a work period of not more than six (6) hours will complete the day's work the meal period may be waived by mutual consent of the employer and the employee. Unless the employee is relieved of all duty during a 30 minute meal period, the meal period shall be considered an "on duty" meal period and counted as time worked. An "on duty" meal period shall be permitted only when the nature of the work prevents an employee from being relieved of all duty and when by written agreement between the parties an on-the job paid meal period is agreed to. The written agreement shall state that the employee may, in writing, revoke the agreement at any time.

(B) If an employer fails to provide an employee a meal period in accordance with the applicable provisions of this order, the employer shall pay the employee one (1) hour of pay at the employee's regular rate of compensation for each workday that the meal period is not provided.

Labor Code § 226.7(c) provides, in relevant part: "If an employer fails to provide an employee a meal or rest ... period in accordance with a state law, including, but not limited to, an applicable statute or applicable regulation, standard, or order of the Industrial Welfare Commission ..., the employer shall pay the employee one additional hour of pay at the employee's regular rate of compensation for each workday that the meal or rest ... period is not provided."

Defendants failed to provide Plaintiff and other Aggrieved employees meal periods in accordance with California law. Plaintiff and other Aggrieved Employees regularly worked shifts that lasted more than six hours without any off-duty meal periods. Defendants failed to provide Plaintiff and other Aggrieved Employees any meal periods in accordance with Labor Code § 512 and/or Section 11 of Wage Order 4 and/or Wage Order 5, and failed to pay them the premium wages due under Labor Code § 226.7(c).

FAILURE TO PROVIDE REST PERIODS

Section 12 of Wage Orders 4 and 5 provides, in relevant part: "Every employer shall authorize and permit all employees to take rest periods, which insofar as practicable shall be

in the middle of each work period.” California law requires employees to be relieved of all duties during rest periods. *Augustus v. ABM Security Services, Inc.* (2017) 2 Cal.5th 257.

Labor Code § 226.7(c) provides: “If an employer fails to provide an employee a meal or rest or recovery period in accordance with a state law, including, but not limited to, an applicable statute or applicable regulation, standard, or order of the Industrial Welfare Commission, the Occupational Safety and Health Standards Board, or the Division of Occupational Safety and Health, the employer shall pay the employee one additional hour of pay at the employee’s regular rate of compensation for each workday that the meal or rest or recovery period is not provided.”

Plaintiff and other Aggrieved Employees worked shifts that lasted more than three and one-half hours without any off-duty rest periods. Defendants failed to provide Plaintiff and other Aggrieved Employees any rest periods in accordance with Section 12 of Wager Order 4 and/or Wage Order 5, and failed to pay them the premium wages due under Labor Code § 226.7(c).

FAILURE TO PROVIDE WAGE STATEMENTS

Labor Code § 226(a) provides in relevant part:

An employer, semimonthly or at the time of each payment of wages, shall furnish to his or her employee, either as a detachable part of the check, draft, or voucher paying the employee’s wages, or separately if wages are paid by personal check or cash, an accurate itemized statement in writing showing (1) gross wages earned, (2) total hours worked by the employee ..., (3) the number of piece-rate units earned and any applicable piece rate if the employee is paid on a piece-rate basis, (4) all deductions, provided that all deductions made on written orders of the employee may be aggregated and shown as one item, (5) net wages earned, (6) the inclusive dates of the period for which the employee is paid, (7) the name of the employee and only the last four digits of his or her social security number or an employee identification number other than a social security number, (8) the name and address of the legal entity that is the employer ..., and (9) all applicable hourly rates in effect during the pay period and the corresponding number of hours worked at each hourly rate by the employee”

In violation of Labor Code § 226(a), Defendants failed to provide Plaintiff and other Aggrieved Employees wage statements that accurately show their total hours worked and/or amounts due under Labor Code § 226.7.

PAGA CLAIMS

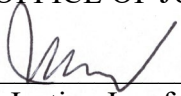

Plaintiff intends to bring a civil action for civil penalties pursuant to the PAGA regarding the foregoing Labor Code violations.

Pursuant to Labor Code § 2699.3(a)(2)(A), please advise within 60 calendar days of this notice whether the LWDA intends to investigate the violations alleged above. We understand that if we do not receive a response within 65 calendar days of this notice that the LWDA intends to investigate these allegations, Plaintiff may commence a civil action or amend an existing complaint, if a civil action has been commenced prior to the expiration of the 65-day period, complaint to add a cause of action for civil penalties under PAGA.

Plaintiff also intends to seek civil penalties against all those persons who may be liable under Labor Code § 558.1(a), which provides: "Any employer or other person acting on behalf of an employer, who violates, or causes to be violated, any provision regulating minimum wages or hours and days of work in any order of the Industrial Welfare Commission, or violates, or causes to be violated, Sections 203, 226, 226.7, 1193.6, 1194, or 2802, may be held liable as the employer for such violation." Under Labor Code § 558.1(b), "For purposes of this section, the term "other person acting on behalf of an employer" is limited to a natural person who is an owner, director, officer, or managing agent of the employer, and the term "managing agent" has the same meaning as in subdivision (b) of Section 3294 of the Civil Code."

TERMS AND CONDITIONS

Provisions: The case estimate is in good faith and does not cover any applicable taxes and fees. The estimate does not make any provision for any services or class size not delineated in the request for proposal or stipulations. Proposal rates and amounts are subject to change upon further review, with Counsel/Client, of the Settlement Agreement. Only pre-approved changes will be charged when applicable. No modifications may be made to this estimate without the approval of PSA (Phoenix Settlement Administrators). All notifications are mailed in English language only unless otherwise specified. Additional costs will apply if translation into other language(s) is required. Rates to prepare and file taxes are for Federal and California State taxes only. Additional charges will apply if multiple state tax filing(s) is required. **Pricing is good for ninety (90) days.**

Data Conversion and Mailing: The proposal assumes that data provided will be in ready-to-use condition and that all data is provided in a single, comprehensive Excel spreadsheet. PSA cannot be liable for any errors or omissions arising due to additional work required for analyzing and processing the original database. A minimum of two (2) business days is required for processing prior to the anticipated mailing date with an additional two (2) business days for a National Change of Address (NCOA) update. Additional time may be required depending on the class size, necessary translation of the documents, or other factors. PSA will keep counsel apprised of the estimated mailing date.

Claims: PSA's general policy is to not accept claims via facsimile. However, in the event that facsimile filing of claims must be accepted, PSA will not be held responsible for any issues and/or errors arising out of said filing. Furthermore, PSA will require disclaimer language regarding facsimile transmissions. PSA will not be responsible for any acts or omissions caused by the USPS. PSA shall not make payments to any claimants without verified, valid Social Security Numbers. All responses and class member information are held in strict confidentiality. Additional class members are \$10.00 per opt-out.

Payment Terms: All postage charges and 50% of the final administration charges are due at the commencement of the case and will be billed immediately upon receipt of the data and/or notice documents. PSA bills are due upon receipt unless otherwise negotiated and agreed to with PSA by Counsel/Client. In the event the settlement terms provide that PSA is to be paid out of the settlement fund, PSA will request that Counsel/Client endeavor to make alternate payment arrangements for PSA charges that are due at the onset of the case. The entire remaining balance is due and payable at the time the settlement account is funded by Defendant, or no later than the time of disbursement. Amounts not paid within thirty (30) days are subject to a service charge of 1.5% per month or the highest rate permitted by law.

Tax Reporting Requirements

PSA will file the necessary tax returns under the EIN of the QSF, including federal and state returns. Payroll tax returns will be filed if necessary. Under the California Employment Development Department, all taxes are to be reported under the EIN of the QSF with the exception of the following taxes: Unemployment Insurance (UI) and Employment Training Tax (ETT), employer-side taxes, and State Disability Insurance (SDI), an employee-side tax. These are reported under Defendant's EIN. Therefore, to comply with the EDD payroll tax filing requirements we will need the following information:

1. Defendant's California State ID and Federal EIN.
2. Defendant's current State Unemployment Insurance (UI) rate and Employment Training Tax (ETT) rate. This information can be found in the current year DE 2088, Notice of Contribution Rates, issued by the EDD.
3. Termination dates of the class members, or identification of current employee class members, so we can account for the periods that the wages relate to for each class member.
4. An executed Power of Attorney (Form DE 48) from Defendant. This form is needed so that we may report the UI, SDI, and ETT taxes under Defendant's EIN on their behalf. If this form is not provided we will work with the EDD auditors to transfer the tax payments to Defendant's EIN.
5. Defendant is responsible for reporting the SDI portion of the settlement payments on the class member's W-2. PSA will file these forms on Defendant's behalf for an additional fee and will issue an additional W-2 for each class member under Defendant's EIN, as SDI is reported under Defendant's EIN rather than the EIN of the QSF. The Power of Attorney (Form DE 48) will be needed in order for PSA to report SDI payments.
