1. I am admitted, in good standing, to practice as an attorney in the State of California, the Ninth Circuit Court of Appeals, and the United States District Courts for the Central, Southern, Eastern, and Northern Districts of California. I am an Attorney at Wilshire Law Firm, PLC, counsel of record for Plaintiff Paul Papel (“Plaintiff”). I have personal knowledge of the facts set forth in this declaration and could and would competently testify to them under oath if called as a witness. This Declaration is submitted in support of Plaintiff’s Motion for Preliminary Approval of Class Action Settlement.

2. This is a wage and hour class and Private Attorneys General Act (“PAGA”) (Cal. Lab. Code §§ 2699, *et seq.*) representative action. Plaintiff and putative class members worked in California as hourly-paid or non-exempt employees for Defendant McNib Corporation dba McDonald’s (“Defendant”) during the class period. Defendant is a McDonald’s franchise that, based on Plaintiff’s analysis, has operated at least 23 unique locations in Southern California throughout the class period.

4. On January 31, 2023, Plaintiff filed a putative wage-and-hour class action complaint against Defendant for: (1) failure to pay minimum and straight time wages (Labor Code §§ 204, 1194, 1194.2, and 1197); (2) failure to pay overtime wages (Labor Code §§ 1194 and 1198); (3) failure to provide meal periods (Labor Code §§ 226.7 and 512); (4) failure to authorize and permit rest periods (Labor Code §§ 226.7 and 512); (5) failure to timely pay final wages at termination (Labor Code §§ 201-203); (6) failure to provide accurate itemized wage statements (Labor Code §

226); (7) failure to indemnify employees for expenditures (Labor Code § 2802); and (8) unfair business practices (Business and Professions Code 17200 et seq.). On June 21, 2023, Plaintiff filed a First Amended Complaint against Defendant adding claims for civil penalties under PAGA. Plaintiff sent a notice to Defendant and the California Labor & Workforce Development Agency (“LWDA”) alleging similar wage and hour violations pursuant to the PAGA on February 13, 2023. Attached as **Exhibit 1** is a true and correct copy of the Plaintiff’s letter to Defendant and the LWDA (“LWDA Submission Letter”).

DISCOVERY AND INVESTIGATION

5. Following the filing of the Complaint, the Parties exchanged documents and information before mediating this action. Defendant produced a sample of time and pay records for class members. Defendant also provided documents of its wage and hour policies and practices during the class period, and information regarding the total number of current and former employees in its informal discovery responses.

6. After reviewing documents regarding Defendant’s wage and hour policies and practices, analyzing Defendant’s timekeeping and payroll records, and interviewing Class Members, Class Counsel was able to evaluate the probability of class certification, success on the merits, and Defendant’s maximum monetary exposure for all claims. Class Counsel also investigated the applicable law regarding the claims and defenses asserted in the litigation. Class Counsel reviewed these records and prepared a damage analysis prior to mediation. The damages model was based on a sample size of 544,346 shifts out of an estimated 1,336,857 total shifts worked by class members.

SETTLEMENT NEGOTIATIONS

7. On February 8, 2024, the Parties participated in private mediation with experienced class action mediator, Steve Cerveris, Esq. The mediation was conducted via Zoom. The settlement negotiations were at arm’s length and, although conducted in a professional manner, were adversarial. The Parties went into the mediation willing to explore the potential for a settlement of the dispute, but each side was also prepared to litigate their position through trial and appeal if a settlement had not been reached.

1 8. After extensive negotiations and discussions regarding the strengths and
2 weaknesses of Plaintiff's claims and Defendant's defenses, the Parties were able to reach a
3 resolution, the material terms of which are encompassed within the Settlement Agreement.
4 Attached as **Exhibit 2** is a true and correct copy of the Class Action and PAGA Settlement
5 Agreement and Class Notice ("Settlement Agreement").

6 9. The Parties also drafted and agreed on versions of the Opt-Out Form and Workweek
7 Challenge form, which are attached hereto as **Exhibits 3** and **4**, respectively,

8 10. The Parties used the Los Angeles Superior Court's Form Class Action and PAGA
9 Settlement Agreement and Class Notice.

10 11. Class Counsel submitted the proposed Settlement to the LWDA before filing the
11 Motion for Preliminary Approval.

12 12. I requested several bids from experienced class action settlement administrators to
13 handle the responsibilities of the Settlement Administrator under this Settlement. The Parties
14 accepted the bid of ILYM Group, Inc. ("ILYM"). ILYM has multiple years of experience in the
15 field of Class Action Administration, particularly in the wage-and-hour arena. In its bid, ILYM
16 agreed to cap its costs at \$26,950.00 if there are 4,500 class members. ILYM's bid also accounts
17 for Notice in English and Spanish. A true and correct copy of the bid is attached hereto as **Exhibit**
18 **5**.

19 13. Plaintiff does not have any interest, financial or otherwise, in the proposed third-
20 party administrator, ILYM.

21 14. No one at Wilshire Law Firm, PLC (meaning the law firm itself and anyone
22 employed at the law firm) has any interest, financial or otherwise, in the proposed third-party
23 administrator, ILYM.

24 15. Wilshire Law Firm, PLC has no fee-splitting agreement with any other counsel in
25 this case.

26 16. Class Counsel is not aware of any other pending matter or action asserting claims
27 that will be extinguished or affected by the Settlement.

28 ///

1 THE PROPOSED SETTLEMENT IS FAIR AND REASONABLE

2 17. Class Counsel has conducted a thorough investigation into the facts of this case.
3 Based on the foregoing discovery and their own independent investigation and evaluation, Class
4 Counsel is of the opinion that the Settlement is fair, reasonable, and adequate and is in the best
5 interests of the Settlement Class Members in light of all known facts and circumstances, the risk
6 of significant delay, the defenses that could be asserted by Defendant both to certification and on
7 the merits, trial risk, and appellate risk.

8 18. Based on an analysis of the facts and legal contentions in this case, documents and
9 information from Defendant, I evaluated Defendant's maximum exposure. I took into account the
10 risk of not having the claims certified and the risk of not prevailing at trial, even if the claims are
11 certified. After using the data Defendant provided, including class member timekeeping and
12 payroll records, as well as class member demographics (i.e., the number of class members,
13 workweeks, and average total compensation of the class), with the assistance of a statistics expert,
14 Jarrett Gorlick, I created a damages model to evaluate the realistic range of potential recovery for
15 the class. Attached as **Exhibit 6** is a true and correct copy of Jarrett Gorlick's Curriculum Vitae.
16 The damages model is based on the following benchmarks:

17 Total Class Members: 3,767
18 Terminated Class Members during 3-year statute: 2,695
19 Total Workweeks: 226,440
20 PAGA Pay Periods: 45,012
21 PAGA Eligible Employees: 2,354
22 Avg. Hourly Rate: \$15.85

23 19. Based on Plaintiff's discovery and investigation, Class Counsel reached the
24 conclusion that Defendant failed to pay class members for all hours worked, including overtime
25 wages, Defendant had a policy and practice of not providing its employees with California
26 compliant meal and rest periods which it did not pay appropriate premiums for, and Defendant
27 required its employees to work "off-the-clock" prior to clocking in for the workday, during meal
28 periods, and after clocking out for the workday, time which it did not pay for, and Defendant failed

1 to reimburse its employees for business-related expenses. Defendant denies these claims.

2 20. Plaintiff further alleges that Defendant failed to pay for all hours worked, including
3 minimum wages, straight time wages, and overtime wages, by requiring class members to work
4 off-the-clock, unpaid. For purposes of calculating Defendant's liability based on a best-case
5 scenario for Plaintiff and the Class, I estimate that Defendant's maximum potential exposure by
6 assuming that all unpaid work time should have been paid at the overtime rate, not minimum or
7 straight time wages and I assumed that Defendant is liable for 1 hour of unpaid worktime per week.
8 This results in an estimate of \$4,860,649, but I discounted this figure by 80% to account for the
9 difficulty of prevailing on a motion for class certification and a trial on the merits because liability
10 depends on whether Defendant knew or should have known that class members were working off-
11 the-clock, yielding a realistic damage estimate of \$972,129.80.¹

12 21. With respect to the meal period claim, Plaintiff alleges that Defendant required him
13 and similarly situated class members to either work in lieu of taking meal periods, or their meal
14 periods were untimely or interrupted. My expert analyzed Defendant's timekeeping records and
15 opined that approximately 12.8% of all meal breaks had violations of short, missed, or no meal
16 periods. Moreover, when taking into account potentially waivable meal periods, the violation rate
17 decreased to approximately 5.4%. Potential liability for the meal period claim, after taking into
18 account the violation rate, is \$1,955,675. I discounted this figure by 80% to account for the
19 difficulty of certifying and proving meal period claims, as well as Defendant's contention that the
20 claim lacks merit, and in light of its numerous meal period premium payments and waivable meal
21 periods, yielding a realistic damage estimate of \$391,135.00.

22 22. With respect to the rest period claim, Plaintiff alleges that Defendant required him
23 and similarly situated class members to work in lieu of taking rest periods, or their rest periods
24 were untimely or interrupted. Based on my expert's analysis of the available records, he opined
25

26 ¹ An 80% discount for risk at certification and trial is reasonable because the Judicial
27 Council of California found that only 21.4% of all class actions were certified either as part of a
28 settlement *or* as part of a contested certification motion. *See Findings of the Study of California*
Class Action Litigation, 2000-2006, available at [http:// www.courts.ca.gov/documents/class-](http://www.courts.ca.gov/documents/class-action-lit-study.pdf)
[action-lit-study.pdf](http://www.courts.ca.gov/documents/class-action-lit-study.pdf).

1 that approximately 12.9% of all shifts had violations of short, missed, or no rest periods.
2 Defendant's potential liability for the rest period claim is \$2,241,430; however, I discounted this
3 figure by 80% to account for the difficulty of certifying and proving rest period claims, particularly
4 because rest periods do not have to be recorded, and to account for the possibility of class members
5 voluntarily choosing to forego a rest period, yielding a realistic damage estimate of \$448,286.

6 23. Plaintiff alleges that Defendant failed to reimburse necessary business expenses.
7 Defendant's employees (including Plaintiff) were required to purchase and clean uniform items,
8 such as uniform shirts and non-slip shoes, without being reimbursed. For purposes of calculating
9 Defendant's liability based on a best case scenario for Plaintiff and the Class, I estimated that
10 Defendant was liable to each class member for \$5 per workweek, in unreimbursed expenses, for a
11 total amount of \$1,424,247; however, I discounted this figure by 80% to account for the difficulty
12 of certifying and proving expense reimbursement claims, particularly in light of written policies
13 and practices providing a mechanism for class members to seek reimbursement, yielding a realistic
14 damage estimate of \$284,859.40.

15 24. In sum, I estimated that Plaintiff's maximum recovery for the off-the-clock claim,
16 meal period violations, rest period violations, and failure to reimburse expenses is \$10,482,001.00,
17 but, after factoring in the risk and uncertainty of prevailing at certification and trial, I estimate that
18 Plaintiff's realistic estimated recovery for the non-penalty claims is \$2,096,410.20.

19 25. With respect to Plaintiff's derivative claims for statutory and civil penalties,
20 Plaintiff estimated that Defendant's realistic potential liability is \$1,777,736.60. While
21 Defendant's maximum potential liability for waiting time penalties is \$8,819,466 based on
22 approximately 2,695 terminated class members during the 3-year statute, \$4,456,700 for inaccurate
23 wage statements based on approximately 2,382 class members who worked 45,012 pay periods
24 within the 1-year statute, and \$4,501,200.00 for PAGA violations based on the Court assessing a
25 \$100 penalty for initial violations for all 45,012 pay periods within the 1-year statute, I believe that
26 it would be unrealistic to expect the Court to award the full \$17,777,366 in penalties given
27 Defendant's defenses, the contested nature of Plaintiff's claims, and the discretionary nature of
28 penalties. Considering that the underlying claims are realistically estimated to be \$2,096,410.20,

1 such a disproportionate award would also raise due process concerns. Weighing these factors and
2 applying a discount of 90% to account for the risk and uncertainty of prevailing at trial, I arrived
3 at \$1,777,736.60 for statutory and civil penalties.

4 26. Using these estimated figures, Plaintiff predicted that the realistic maximum
5 recovery for all claims, including penalties, would be \$3,874,146.80. This means that the
6 \$2,400,000.00 settlement figure represents 61.9% of the realistic maximum recovery
7 (\$2,400,000.00/ \$3,874,146.80 = 61.9%). Considering the risk and uncertainty of prevailing at
8 class certification and at trial, this is an excellent result for the Class.² Indeed, because of the
9 proposed Settlement, class members will receive timely, guaranteed relief and will avoid the risk
10 of an unfavorable judgment.

11 27. While Plaintiff is confident in the merits of his claims, a legitimate controversy
12 exists as to each cause of action. Plaintiff also recognizes that proving the amount of wages due
13 to each Class Member would be an expensive, time-consuming, and uncertain proposition.

14 28. This Settlement avoids the risks and the accompanying expense of further litigation.
15 Although the Parties had engaged in a significant amount of investigation, informal discovery and
16 class-wide data analysis, the Parties had not yet completed formal written discovery. Plaintiff
17 intended to depose corporate officers and managers of Defendant. Moreover, preparation for class
18 certification and a trial remained for the Parties as well as the prospect of appeals in the wake of a
19 disputed class certification ruling for Plaintiff and/or adverse summary judgment ruling. Had the
20 Court certified any claims, Defendant could move to decertify the claims. As a result, the Parties
21 would incur considerably more attorneys' fees and costs through trial.

22 29. The Net Settlement Amount available for Class Member settlement payments is
23
24

25 ² See, e.g., *Wise v. Ulta Salon, Cosmetics & Fragrance, Inc.* (E.D. Cal. Aug. 21, 2019)
26 2019 WL 3943859 at *8 (granting preliminary approval where the proposed allocation to settle
27 class claims was between 9.53 percent of Plaintiffs' maximum recovery); *Bravo v. Gale*
28 *Triangle, Inc.* (C.D. Cal. Feb 16, 2017) 2017 WL 708766 at * 10 (finding that "a settlement for
fourteen percent recovery of Plaintiffs' maximum recovery is reasonable"); *In re Omnivision*
Techs., Inc. (N.D. Cal. 2008) 559 F.Supp.2d 1036, 1042 (approving settlement amount that "is
just over 9% of the maximum potential recovery asserted by either party.").

1 estimated to be \$1,478,000.00, for a class of 3,767 persons.³ As a result, each Settlement Class
2 Member is eligible to receive an average net benefit of approximately \$392.35.

3 30. The proposed Settlement of \$2,400,000.00, therefore, represents a substantial
4 recovery when compared to Plaintiff's reasonably forecasted recovery. When considering the risks
5 of litigation, the uncertainties involved in achieving class certification, the burdens of proof
6 necessary to establish liability, the probability of appeal of a favorable judgment, it is clear that the
7 settlement amount of \$2,400,000.00 is within the "ballpark" of reasonableness, and preliminary
8 settlement approval is appropriate.

9 ENHANCEMENT AWARD FOR PLAINTIFF IS REASONABLE

10 31. Class Counsel represent that Plaintiff devoted a great deal of time and work assisting
11 counsel in the case, communicated with counsel very frequently for litigation and to prepare for
12 mediation, and was frequently in contact with Class Counsel during the mediation. Plaintiff's
13 requested enhancement award is reasonable particularly in light of the substantial benefits Plaintiff
14 generated for all class members.

15 32. Throughout this Litigation, Plaintiff, who is a former employee of Defendant, has
16 cooperated immensely with my office and has taken many actions to protect the interests of the
17 class. Plaintiff provided valuable information regarding the off-the-clock, meal period, and rest
18 period claims. Plaintiff also informed my office of developments and information relevant to this
19 action, participated in decisions concerning this action, made himself available to answer questions
20 during the mediation, and provided my office with the names and contact information of potential
21 witnesses in this action. Before we filed this case, Plaintiff provided my office with documents
22 regarding the claims alleged in this action. The information and documentation provided by
23 Plaintiff was instrumental in establishing the wage and hour violations alleged in this action, and
24 the recovery provided for in the Settlement Agreement would have been impossible to obtain
25 without Plaintiff's participation.

26
27 ³ The Net Settlement Amount is: \$2,400,000.00 minus \$800,000.00 for Class Counsel's
28 attorneys' fees, minus \$30,000.00 for Class Counsel's litigation expenses, minus \$27,000.00 in
administration costs, minus \$50,000.00 for the PAGA payment, and minus \$15,000.00 for the
class representative service award to Plaintiff.

1 33. At the same time, Plaintiff faced many risks in adding himself as the class
2 representative in this matter. Plaintiff faced actual risks with his future employment, as putting
3 himself on public record in an employment lawsuit could also very well affect his likelihood for
4 future employment. Furthermore, as part of this Settlement, Plaintiff is executing a general release
5 of all claims against Defendant.

6 34. In turn, class members will now have the opportunity to participate in a settlement,
7 reimbursing them for alleged wage violations they may have never known about on their own or
8 been willing to pursue on their own. If these class members would have each tried to pursue their
9 legal remedies on their own, that would have resulted in each having to expend a significant amount
10 of their own monetary resources and time, which were obviated by Plaintiff putting himself on the
11 line on behalf of these other class members.

12 35. In the final analysis, this class action would not have been possible without the aid
13 of Plaintiff, who put his own time and effort into this Litigation, sacrificed the value of his own
14 individual claims, and placed himself at risk for the sake of the class members. The requested
15 enhancement award for Plaintiff for his service as the class representative and for his general
16 release of all individual claims is a relatively small amount of money when the time and effort put
17 into the Litigation are considered and in comparison to enhancements granted in other class actions.
18 The requested incentive award is therefore reasonable to compensate Plaintiff for his active
19 participation in this lawsuit.

20 THE REQUEST FOR ATTORNEYS' FEES AND COSTS IS REASONABLE

21 36. The Settlement provides for attorney's fees payable to Class Counsel in an amount
22 up to one-third (33 1/3%) of the Settlement Amount, for a maximum fees award of \$800,000.00,
23 plus actual costs and expenses not to exceed \$30,000.00. The proposed award of attorneys' fees
24 to Class Counsel in this case can be justified under either method – lodestar or percentage recovery.
25 Class Counsel, however, intend to base the proposed award of fees, costs and expenses on the
26 percentage method as many of the entries in the time records will have to be redacted to preserve
27 attorney-client and attorney work product privileges.

28 37. I am informed and believe that the fee and costs provision is reasonable. The fee

percentage requested is less than that charged by my office for most employment cases. My office invested significant time and resources into the case, with payment deferred to the end of the case, and then, of course, contingent on the outcome.

38. It is further estimated that my office will need to expend at least another 50 to 100 hours to monitor the process leading up to the final approval and payments made to the class. My office also bears the risk of taking whatever actions are necessary if Defendant fails to pay.

39. The risk to my office has been very significant, particularly if we would not be successful in pursuing this class action. In that case, we would have been left with no compensation for all the time taken in litigating this case. Indeed, I have taken on a number of class action cases that have resulted in thousands of attorney hours being expended and ultimately having certification denied or the defendant company going bankrupt. The contingent risk in these types of cases is very real and they do occur regularly. Furthermore, we were precluded from focusing on, or taking on, other cases which could have resulted in a larger, and less risky, monetary gain.

40. Because most individuals cannot afford to pay for representation in litigation on an hourly basis, Wilshire Law Firm, PLC represents virtually all of its employment law clients on a contingency fee basis. Pursuant to this arrangement, we are not compensated for our time unless we prevail at trial or successfully settle our clients' cases. Because Wilshire Law Firm, PLC is taking the risk that we will not be reimbursed for our time unless our client settles or wins his or her case, we cannot afford to represent an individual employee on a contingency basis if, at the end of our representation, all we are to receive is our regular hourly rate for services. It is essential that we recover more than our regular hourly rate when we win if we are to remain in practice so as to be able to continue representing other individuals in civil rights employment disputes.

MY EXPERIENCE AND QUALIFICATIONS

41. Wilshire Law Firm, PLC was selected by Best Lawyers and U.S. News & World Report as one of the nation's Best Law Firms for every year since 2020 and is comprised of over 100 attorneys and over 600 employees. Wilshire Law Firm, PLC is actively and continuously practicing in employment litigation, representing employees in both individual and class actions in both state and federal courts throughout California.

1 42. Wilshire Law Firm, PLC is qualified to handle this Litigation because its attorneys
2 are experienced in litigating Labor Code violations in both individual, class action, and
3 representative action cases. Wilshire Law Firm, PLC has handled, and is currently handling,
4 numerous wage and hour class action lawsuits, as well as class actions involving consumer rights
5 and data privacy litigation.

6 43. I am a Partner at Wilshire Law Firm and have been practicing wage-and-hour law
7 for eight years. I graduated from the University of California, Los Angeles, with a Bachelor of Arts
8 in Political Science, and received my Juris Doctor from the University of California, Hastings
9 College of the Law in 2016. During law school, I was a member of the executive board for the
10 *Hastings Law Journal*; a student mediator at the San Francisco Superior Court, Small Claims
11 Division; and a managing editor for *SCOCAblog*, which continues to be a leader in providing
12 substantive coverage on the California Supreme Court and relevant cases before the court. Since
13 graduating from law school, I have focused my legal work primarily on wage-and-hour litigation
14 and have helped obtain dozens of settlements on behalf of tens of thousands of workers in
15 California. I was also selected as a “Southern California Rising Star” in 2024 and 2025.

16 44. I have been appointed as class counsel in numerous wage-and-hour cases

18 counsel or myself and other members of my firm were appointed as class counsel:

Re: ***Paul Papel v. MCNIB Corporation dba McDonald's***
Notice of Labor Code Violations and PAGA Penalties

To Whom It May Concern:

Please be advised that my office has been retained by Paul Papel ("Plaintiff") to pursue a Labor Code Private Attorneys General Act ("PAGA") representative action (Cal. Lab. Code §§ 2699, *et seq.*) against his former employer, MCNIB Corporation dba McDonald's ("Defendant"). The purpose of this letter is to comply with PAGA and set forth the facts and theories of California Labor Code violations which we allege Defendant engaged in with respect to Plaintiff and all of Defendant's Aggrieved Employees.

Plaintiff wishes to pursue this action on behalf of himself as an aggrieved employee, on behalf of the State of California, as well as on behalf of all other persons who worked for Defendant in California as a non-exempt or hourly-paid employee at any time within the applicable statutory period (hereafter, the "Aggrieved Employees").

Plaintiff and the Aggrieved Employees suffered the Labor Code violations described below.

Plaintiff's Employment with Defendant

Defendant owns/owned and operates/operated an industry, business, and establishment within the State of California, including Orange County. As such, and based upon all the facts and circumstances incident to Defendant's business in California, Defendant is subject to the California Labor Code, Wage Orders issued by the Industrial Welfare Commission ("IWC"), and the California Business & Professions Code.

Plaintiff Paul Papel is a resident of Orange County, California who worked for Defendant in Orange County, California as an hourly-paid, non-exempt employee from approximately August 2021 to approximately August 2022. Defendant typically scheduled Plaintiff to work at least five days in a workweek and at least eight hours per day, but Plaintiff mostly worked more than eight hours in a workday and more than forty (40) hours in a workweek.

Throughout Plaintiff's employment, Defendant failed to pay for all hours worked (including minimum, straight time, and overtime wages), failed to provide Plaintiff with legally compliant meal periods, failed to authorize and permit Plaintiff to take rest periods, failed to timely pay all final wages to Plaintiff when Defendant terminated her employment, failed to furnish accurate wage statements to Plaintiff, and failed to indemnify Plaintiff for expenditures. As discussed below, Plaintiff's experience working for Defendant was typical and illustrative.

Defendant Failed to Pay for All Hours Worked, Including Minimum, Straight Time, and Overtime Wages

Under California law, an employer must pay for all hours worked by an employee. "Hours worked" is the time during which an employee is subject to the control of an employer, and includes all the time the employee is suffered or permitted to work, whether or not required to do so.

In addition, Labor Code § 510 provides that employees in California shall not be employed more than eight hours in any workday or forty (40) hours in a workweek unless they receive additional compensation beyond their regular wages in amounts specified by law.

Labor Code §§ 1194 and 1198 also provide that employees in California shall not be employed more than eight hours in any workday unless they receive additional compensation beyond their regular wages in amounts specified by law. Additionally, Labor Code § 1198 states that the employment of an employee for longer hours than those fixed by the IWC is unlawful.

Throughout the statutory period, Defendant maintained a policy and practice of not paying Plaintiff and the Aggrieved Employees for all hours worked, including minimum, straight time, and overtime wages. Defendant required Plaintiff and the Aggrieved Employees to work "off-the-clock," uncompensated, by, for example, requiring Plaintiff and the Aggrieved Employees to perform work after clocking out for the workday. Some of this unpaid work should have been paid at the overtime rate. In failing to pay for all hours worked, Defendant also failed to

maintain accurate records of the hours Plaintiff and the Aggrieved Employees worked.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210, 1197.1, and 2699(f)(2) for failing to pay for all hours worked, including minimum, straight time, and overtime wages.

Failure to Provide Meal Periods

Under California law, employers have an affirmative obligation to relieve employees of all duty in order to take their first 30-minute, duty-free meal periods no later than the start of sixth hour of work in a workday, and to allow employees to take their second 30-minute, duty-free meal period no later than the start of the eleventh hour of work in the workday. Further, employees are entitled to be paid one hour of additional wages for each workday they were not provided with all required meal period(s).

Despite these legal requirements, Defendant wrongfully failed to provide Plaintiff and the Aggrieved Employees with legally compliant meal periods. Defendant regularly, but not always, required Plaintiff and the Aggrieved Employees to work in excess of five consecutive hours a day without providing a 30-minute, uninterrupted, and duty-free meal period for every five hours of work, or without compensating Plaintiff and the Aggrieved Employees for meal periods that were not provided by the end of the fifth hour of work or tenth hour of work. Instead, Defendant continued to assert control over Plaintiff and the Aggrieved Employees by requiring, pressuring, or encouraging them to perform work tasks which could not be completed without working in lieu of taking mandatory meal periods, or by denying Plaintiff and the Aggrieved Employees permission to take a meal period. Defendant also failed to permit Plaintiff to take a second meal period when Plaintiff worked at least ten hours of work in a workday. Accordingly, Defendant's policy and practice was not to provide meal periods to Plaintiff and the Aggrieved Employees in compliance with California law.

Plaintiff and the Aggrieved Employees are thus entitled to be paid one hour of additional wages for each workday he or she was not provided with all required meal period(s). Defendant, however, regularly failed to pay Plaintiff and the Aggrieved Employees the additional wages to which they were entitled for meal periods and that were not provided.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210 and 2699(f)(2) for failing to provide meal periods and pay meal period premium wages.

Failure to Authorize and Permit Rest Periods

Employers are required by California law to authorize and permit breaks of ten uninterrupted minutes for each four hours of work or major fraction of four hours (i.e. more than two hours). Thus, for example, if an employee's work time is six hours and ten minutes, the employee is entitled to two rest breaks. Each failure to authorize rest breaks as so required is itself a violation

of California's rest break laws.

Throughout the statutory period, Defendant wrongfully failed to authorize and permit Plaintiff and the Aggrieved Employees to take legally compliant rest periods. Defendant regularly required Plaintiff and the Aggrieved Employees to work in excess of four consecutive hours a day without Defendant authorizing and permitting them to take a 10-minute, uninterrupted, duty-free rest period for every four hours of work (or major fraction of four hours), or without compensating Plaintiff and the Aggrieved Employees for rest periods that were not authorized or permitted. Instead, Defendant continued to assert control over Plaintiff and the Aggrieved Employees by requiring, pressuring, or encouraging them to perform work tasks which could not be completed without working in lieu of taking mandatory rest periods, or by denying Plaintiff and the Aggrieved Employees permission to take a rest period. Accordingly, Defendant's policy and practice was to not authorize and permit Plaintiff and the Aggrieved Employees to take rest periods in compliance with California law.

Plaintiff and the Aggrieved Employees are thus entitled to be paid one hour of additional wages for each workday he or she was not authorized and permitted to take all required rest period(s). Defendant, however, regularly failed to pay Plaintiff and the Aggrieved Employees the additional wages to which they were entitled for rest periods and that they were not authorized and permitted to take.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210 and 2699(f)(2) for failing to authorize and permit rest periods and pay rest period premium wages.

Failure to Pay All Earned Wages Twice Per Month

Based on its failure to pay Plaintiff and the Aggrieved Employees for all wages as discussed above, Defendant also violated Labor Code § 204.

Labor Code § 204 requires employers to pay employees all earned wages two times per month. Throughout the statute of limitations period applicable to this cause of action, employees were entitled to be paid twice a month at their regular rates, including all meal period premium wages owed, rest period premium wages owed, and wages owed for overtime hours worked. However, during all such times, Defendant systematically failed and refused to pay the employees all wages due, and failed to pay those wages twice a month, in that employees were not paid all wages for all meal periods not provided by Defendant, all wages for all rest periods not authorized and permitted by Defendant, and all wages for all hours worked. As a result, Defendant owes employees the legally required wages for unpaid wages, and Plaintiff and the Aggrieved Employees suffered damages in those amounts.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 210 for failing to pay all earned wages twice per month.

Failure to Maintain Accurate Records of Hours Worked and Meal Periods

Plaintiff seeks penalties under California Labor Code § 1174(d). Pursuant to California Labor Code § 1174.5, any person, including any entity, employing labor who willfully fails to maintain accurate and complete records required by California Labor Code § 1174 is subject to a penalty under § 1174.5. Pursuant to the applicable IWC Order § 7(A)(3), every employer shall keep time records showing when the employee begins and ends each work period. Meal periods and total hours worked daily shall also be recorded.

Defendant, however, failed to maintain accurate records of hours worked and all meal periods taken or missed by Plaintiff and the Aggrieved Employees.

Defendant's failure to provide and maintain records required by the California Labor Code and the applicable IWC Wage Orders deprived Plaintiff and the Aggrieved Employees the ability to know, understand and question the accuracy and frequency of meal periods, and the accuracy of their hours worked stated in Defendant's records. Therefore, Plaintiff and the Aggrieved Employees had no way to dispute the resulting failure to pay wages, all of which resulted in an unjustified economic enrichment to Defendant. As a direct result, Plaintiff and the Aggrieved Employees have suffered and continue to suffer, substantial losses related to the use and enjoyment of such wages, lost interest on such wages and expenses and attorney's fees in seeking to compel Defendant to fully perform its obligation under state law, all to their respective damage in amounts according to proof at trial. As a result of Defendant's knowing failure to comply with the California Labor Code and applicable IWC Wage Orders, Plaintiff and the Aggrieved Employees have also suffered an injury in that they were prevented from knowing, understanding, and disputing the wage payments paid to them.

Failure to Timely Pay All Wages at Termination

Labor Code §§ 201 and 202 provide that if an employer discharges an employee, the wages earned and unpaid at the time of discharge are due and payable immediately, and that if an employee voluntarily leaves his or her employment, his or her wages shall become due and payable not later than seventy-two (72) hours thereafter, unless the employee has given seventy-two (72) hours previous notice of his or her intention to quit, in which case the employee is entitled to his or her wages at the time of quitting.

Within the applicable statute of limitations, the employment of Plaintiff and many other Aggrieved Employees ended, i.e., was terminated by quitting or being discharged, and the employment of others will be terminated. However, during the relevant time period, Defendant failed, and continues to fail to pay Plaintiff and terminated Aggrieved Employees, without abatement, all wages required to be paid by Labor Code sections 201 and 202 either at the time of discharge, or within seventy-two (72) hours of their leaving Defendant's employment. These unpaid wages include wages for unpaid work time (including minimum, straight time, and

overtime wages), missed meal period premium wages, and missed rest period premium wages.

Defendant's conduct violates Labor Code §§ 201 and 202. Labor Code § 203 provides that if an employer willfully fails to pay wages owed, in accordance with sections 201 and 202, then the wages of the employee shall continue as a penalty wage from the due date, and at the same rate until paid or until an action is commenced; but the wages shall not continue for more than thirty (30) days.

Accordingly, Plaintiff and the Aggrieved Employees are entitled to recover from Defendant their additionally accruing wages for each day they were not paid, at their regular hourly rate of pay, up to thirty (30) days maximum pursuant to Labor Code § 203.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 2699(f)(2) for failing to timely pay all wages at termination.

Failure to Furnish Accurate Itemized Wage Statements

Labor Code § 226(a) provides that every employer shall furnish each of his or her employees an accurate itemized wage statement in writing showing nine pieces of information, including: (1) gross wages earned, (2) total hours worked by the employee, (3) the number of piece-rate units earned and any applicable piece rate if the employee is paid on a piece-rate basis, (4) all deductions, provided that all deductions made on written orders of the employee may be aggregated and shown as one item, (5) net wages earned, (6) the inclusive dates of the period for which the employee is paid, (7) the name of the employee and the last four digits of his or her social security number or an employee identification number other than a social security number, (8) the name and address of the legal entity that is the employer, and (9) all applicable hourly rates in effect during the pay period and the corresponding number of hours worked at each hourly rate by the employee. An employee is presumed to suffer an injury if this information is missing. (Lab. Code § 226(e)(2)(B)(iii).)

The statute further provides: "An employee suffering injury as a result of a knowing and intentional failure by an employer to comply with subdivision (a) is entitled to recover the greater of all actual damages or fifty dollars (\$50) for the initial pay period in which a violation occurs and one hundred dollars (\$100) per employee for each violation in a subsequent pay period, not to exceed an aggregate penalty of four thousand dollars (\$4,000), and is entitled to an award of costs and reasonable attorney's fees." (Lab. Code § 226(e)(1).)

Throughout the statutory period, Defendant failed to furnish Plaintiff and the Aggrieved Employees with accurate, itemized wage statements showing all applicable hourly rates, and all gross and net wages earned (including correct hours worked, correct wages for meal periods that were not provided in accordance with California law, and correct wages for rest periods that were not authorized and permitted to take in accordance with California law).

Because Defendant violated Labor Code § 226, Plaintiff and similarly Aggrieved Employees

suffered injury and damage to their statutorily protected rights. Accordingly, Plaintiff and similarly Aggrieved Employees are entitled to recover from Defendant the greater of their actual damages caused by Defendant's failure to comply with Labor Code § 226(a), or an aggregate penalty not exceeding four thousand dollars (\$4,000) per employee.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 226.3 for failing to furnish accurate itemized wage statements.

Failure to Indemnify for Necessary Expenditures

Labor Code § 2802(a) provides that employers shall indemnify his or her employees for all necessary business expenditures or losses that have been incurred by the employees in direct discharge of his or her duties. Throughout the statute of limitations period applicable to this cause of action, Defendant wrongfully required Plaintiff and the Aggrieved Employees to pay expenses that they incurred in direct discharge of their duties for Defendant. Plaintiff and the Aggrieved Employees regularly paid out-of-pocket for necessary employment-related expenses, including, without limitation, work attire. Plaintiff and the Aggrieved Employees incurred substantial expenses as a direct result of performing their job duties for Defendant, but Defendant failed to indemnify Plaintiff and the Aggrieved Employees for these employment-related expenses.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 2802 and 2699(f)(2) for failing to indemnify Plaintiff and the Aggrieved Employees for necessary business expenditures.

Action for Civil Penalties Under PAGA

In light of the above, Plaintiff alleges that Defendant violated the following provisions of the Labor Code with respect to the Aggrieved Employees:

1. Labor Code § 204, 510, 1194, 1197, and 1198 by failing to pay for all hours worked, including minimum wages, straight time wages, and overtime wages;
2. Labor Code § 226.7 and applicable Wage Orders by failing to provide meal periods;
3. Labor Code § 226.7 and applicable Wage Orders by failing to authorize and permit rest periods;
4. Labor Code § 204 by failing to pay all earned wages two times per month;
5. California Labor Code § 1174.5 and applicable Wage Orders by failing to maintain accurate records of hours worked and meal periods taken or missed;
6. Labor Code §§ 201 to 203 by willfully failing to pay all wages owed at termination;
7. Labor Code § 226 by failing to provide accurate itemized wage statements; and

8. Labor Code § 2802 by failing to indemnify for necessary expenditures.

Therefore, on behalf of all Aggrieved Employees, Plaintiff seeks applicable penalties related to the violations alleged above pursuant to the PAGA. These include, but are not limited to, penalties under Labor Code §§ 210, 226.3, 1174.5, 1197.1, and 2699(f)(2).

Plaintiff has placed Defendant on notice by mailing a certified copy of this correspondence, as indicated on the first page. Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact me.

The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. The remaining 67% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for interest and penalties (the Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment.

3.2.4.2. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.

3.2.5. To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of \$50,000.00 to be paid from the Gross Settlement Amount, with 75% (\$37,500.00) allocated to the LWDA PAGA Payment and 25% (\$12,500.00) allocated to the Individual PAGA Payments.

3.2.5.1. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties \$12,500.00 by the total number of PAGA Period Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Period Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.

Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.

4.4.3. For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to the California Controller's Unclaimed Property Fund in the name of the Class Member thereby leaving no "unpaid residue" subject to the requirements of California Code of Civil Procedure Section 384, subd. (b).

4.4.4. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendant to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or

8.4.2 Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service (“USPS”) mail, the Class Notice, with Spanish translation, if applicable, substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.

8.4.3 Not later than 3 business days after the Administrator’s receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.

8.4.4 The deadlines for Class Members’ written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the 45 days otherwise provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.

8.4.5 If the Administrator, Defendant or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as Class Members. 8.5.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.4 of this Agreement and are eligible for an Individual PAGA Payment.

Each Class Member shall have 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class

Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination the challenges.

In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 45 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).

The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- 8.8.5 Administrator’s Declaration. Not later than 14 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. Class period. If it is determined that the workweeks during the Class Period exceeds 249,084 (226,440 plus 10% of 226,440), then Defendant shall have the option of either (i) increasing the Net Settlement Amount by an amount determined by the following formula: $[(\text{Actual Number of Workweeks} - 249,084) \div 249,084] \times \text{Net Settlement Amount}$; or (ii) changing the end date of the Class Period to a date for which there are no more than 249,084 workweeks.

10. **DEFENDANT'S RIGHT TO WITHDRAW.** If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 5% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Settlement Administration Expenses incurred to that point. Defendant must notify Class Counsel and the Court of its election to withdraw not later than seven days after the Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect.
11. **MOTION FOR FINAL APPROVAL.** Not later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (l), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiff shall provide drafts of these documents to Defense Counsel not later than seven days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.
 - 11.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
 - 11.2 Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.
 - 11.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted

by law.

11.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment reflected set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.

11.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

12. **AMENDED JUDGMENT**. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

13. **ADDITIONAL PROVISIONS.**

Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval or enter Judgment, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for

proceedings to enforce or effectuate the Settlement and this Agreement).

Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

13.3 No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

13.4 Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.

13.5 Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.

13.6 Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.

- 13.7 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 13.8 No Tax Advice. Neither Plaintiff, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 13.9 Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
- 13.10 Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 13.11 Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.
- 13.12 Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 13.13 Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.
- 13.14 Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall destroy, all paper and electronic versions of Class Data received from Defendant unless, prior to the Court's discharge of the Administrator's obligation, Defendant makes a written request to Class Counsel for the return, rather than the destructions, of Class Data.
- 13.15 Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 13.16 Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement

shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.

COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR FINAL COURT APPROVAL

Paul Papel v. MCNIB Corporation dba McDonald's, Case No. 30-2023-01304958

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

You may be eligible to receive money from an employee class action lawsuit ("Action") against McNib Corporation dba McDonald's (McNib; "Defendant" is used herein as a placeholder) for alleged wage and hour violations. The Action was filed by a former Defendant employee Paul Papel ("Plaintiff") and seeks payment of (1) back wages and other relief for a class of hourly employees ("Class Members") who worked for Defendant during the Class Period (January 31, 2019 to April 8, 2024); and (2) penalties under the California Private Attorney General Act ("PAGA") for all hourly employees who worked for Defendant during the PAGA Period (February 13, 2022 to April 8, 2024) ("Aggrieved Employees").

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendant to fund Individual Class Payments, and (2) a PAGA Settlement requiring Defendant to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency ("LWDA").

Based on Defendant's records, and the Parties' current assumptions, **your Individual Class Payment is estimated to be \$ _____ (less withholding) and your Individual PAGA Payment is estimated to be \$ _____**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant's records you are not eligible for an Individual PAGA Payment under the Settlement because you didn't work during the PAGA Period.)

The above estimates are based on Defendant's records showing that **you worked _____ workweeks** during the Class Period and **you worked _____ workweeks** during the PAGA Period. If you believe that you worked more workweeks during either period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff's attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for XYZ during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class

Period wage claims and PAGA Period penalty claims against Defendant.

- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Defendant, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is _____	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Defendant must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released Claims (defined below).
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 7 of this Notice.

You Can Participate in the _____ Final Approval Hearing	The Court’s Final Approval Hearing is scheduled to take place on _____. You don’t have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court’s virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by _____	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number Class Period Workweeks and number of PAGA Period Pay Periods you worked according to Defendant’s records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by _____. See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former Defendant employee. The Action accuses Defendant of violating California labor laws by failing to pay overtime wages, minimum wages, wages due upon termination and reimbursable expenses and failing to provide meal periods, rest breaks and accurate itemized wage statements. Based on the same claims, Plaintiff has also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, et seq.) (“PAGA”).

Plaintiff is represented by attorneys in the Action:

Justin F. Marquez, Benjamin H. Haber, and Daniel J. Kramer of Wilshire Law Firm, PLC (“Class Counsel.”)

Defendant strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Defendant or Plaintiff is correct on the merits. In the meantime, Plaintiff and Defendant hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement (“Agreement”) and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Defendant have negotiated a proposed Settlement that is subject to the Court’s Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant has agreed to pay a fair, reasonable and adequate amount considering

the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Defendant Will Pay \$2,400,000.00 as the Gross Settlement Amount (Gross Settlement). Defendant has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel's attorney's fees and expenses, the Administrator's expenses, and penalties to be paid to the California Labor and Workforce Development Agency ("LWDA"). Assuming the Court grants Final Approval, Defendant will fund the Gross Settlement not more than 14 days after the Judgment entered by the Court become final. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.
2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
 - A. Up to \$800,000.00 (33 and 1/3% of the Gross Settlement) to Class Counsel for attorneys' fees and up to \$30,000.00 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
 - B. Up to \$15,000.00 as a Class Representative Award for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiff will receive other than Plaintiff's Individual Class Payment and any Individual PAGA Payment.
 - C. Up to \$30,000.00 to the Administrator for services administering the Settlement.
 - D. Up to \$50,000.00 for PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the Aggrieved Employees based on their PAGA Period Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the "Net Settlement") by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.

4. Taxes Owed on Payments to Class Members. Plaintiff and Defendant are asking the Court to approve an allocation of 33% of each Individual Class Payment to taxable wages (“Wage Portion”) and 67% to interest and penalties. (“Non-Wage Portion.”). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. XYZ will separately pay employer payroll taxes it owes on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiff and Defendant have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don’t cash it by the void date, your check will be automatically cancelled, and the monies will be deposited with the California Controller's Unclaimed Property Fund in your name.

If the monies represented by your check is sent to the Controller’s Unclaimed Property, you should consult the rules of the Fund for instructions on how to retrieve your money.

6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than _____, that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the _____ Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her representative setting forth a Class Member’s name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Defendant.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Defendant based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiffs and Defendant have agreed that, in either case, the Settlement will be void: Defendant will not pay any money and Class Members will not release any claims against Defendant.

8. Administrator. The Court has appointed a neutral company, _____ (the “Administrator”) to send this Notice, calculate and make payments, and process Class Members’ Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re- mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator’s contact information is contained in Section 9 of this Notice.
9. Participating Class Members’ Release. After the Judgment is final and Defendant has fully funded the Gross Settlement (and separately paid all employer payroll taxes), Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant or related entities for wages based on the Class Period facts and PAGA penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

The Participating Class Members will be bound by the following release:

Report Use Considerations

2022 Real Rate Report

- Examines law firm rates over time
- Identifies rates by location, experience, firm size, areas of expertise, industry, and timekeeper role (i.e., partner, associate, and paralegal)
- Itemizes variables that drive rates up or down

All the analyses included in the report derive from the actual rates charged by law firm professionals as recorded on invoices submitted and approved for payment.

Examining real, approved rate information, along with the ranges of those rates and their changes over time, highlights the role these variables play in driving aggregate legal cost and income. The analyses can energize questions for both corporate clients and law firm principals.

Clients might ask whether they are paying the right amount for different types of legal services, while law firm principals might ask whether they are charging the right amount for legal services and whether to modify their pricing approach.

Some key factors¹ that drive rates²:

Attorney location - Lawyers in urban and major metropolitan areas tend to charge more when compared with lawyers in rural areas or small towns.

Litigation complexity - The cost of representation will be higher if the case is particularly complex or time-consuming; for example, if there are a large number of documents to review, many witnesses to depose, and numerous procedural steps, the case is likely to cost more (regardless of other factors like the lawyer's level of experience).

Years of experience and reputation - A more experienced, higher-profile lawyer is often going to charge more, but absorbing this higher cost at the outset may make more sense than hiring a less expensive lawyer who will likely take time and billable hours to come up to speed on unfamiliar legal and procedural issues.

Overhead - The costs associated with the firm's support network (paralegals, clerks, and assistants), document preparation, consultants, research, and other expenses.

Firm size - The rates can increase if the firm is large and has various timekeeper roles at the firm. For example, the cost to work with an associate or partner at a larger firm will be higher compared to a firm that has one to two associates and a paralegal.

Invoice Information

Data in Wolters Kluwer ELM Solutions' reference database and the 2022 Real Rate Report were taken from invoice line-item entries contained in invoices received and approved by participating companies.

Invoice data were received in the Legal Electronic Data Exchange Standard (LEDES) format (LEDES.org). The following information was extracted from those invoices and their line items:

- Law firm (which exists as a random number in the ELM Solutions reference database)
- Timekeeper ID (which exists as a random number in the ELM Solutions reference database)
- Matter ID (which exists as a random number in the ELM Solutions reference database)
- Timekeeper's position (role) within the law firm (partner, associate, paralegal, etc.)
- Uniform Task-Based Management System Code Set, Task Codes, and Activity Codes (UTBMS.com)
- Date of service
- Hours billed
- Hourly rate billed
- Fees billed

Non-Invoice Information

To capture practice area details, the matter ID within each invoice was associated with matter profiles containing areas of work in the systems of each company. The areas of work were then systematically categorized into legal practice areas. Normalization of practice areas was done based on company mappings to system-level practice areas available in the ELM Solutions system and by naming convention.

The majority of analyses included in this report have been mapped to one of 11 practice areas, further divided into sub-areas and litigation/non-litigation (for more information on practice areas and sub-areas, please refer to pages 232-234).

To capture location and jurisdiction details, law firms and timekeepers were systematically mapped to the existing profiles within ELM Solutions systems, as well as with publicly available data sources for further validation and normalization. Where city location information is provided, it includes any address within that city's defined Core-Based Statistical Area (CBSA) as defined by the Office of Management and Budget (OMB). The CBSAs are urban centers with populations of 10,000 or more and include all adjacent counties that are economically integrated with that urban center.

Where the analyses focus on partners, associates, and paralegals, the underlying data occasionally included some sub-roles, such as "senior partner" or "junior associate." In such instances, those timekeeper sub-roles were placed within the broader partner, associate, and paralegal segments.

Demographics regarding law firm size, location, and lawyer years of experience were augmented by incorporating publicly available information.

Big Law Rates Topping \$2,000 Leave Value ‘In Eye of Beholder’

By Roy Strom

Column

Welcome back to the Big Law Business column on the changing legal marketplace written by me, Roy Strom. Today, we look at a new threshold for lawyers' billing rates and why it's so difficult to put a price on high-powered attorneys. Sign up to receive this column in your inbox on Thursday mornings. Programming note: Big Law Business will be off next week.

Some of the nation's top law firms are charging more than \$2,000 an hour, setting a new pinnacle after a two-year burst in demand.

Partners at Hogan Lovells and Latham & Watkins have crossed the threshold, according to court documents in bankruptcy cases filed within the past year.

Other firms came close to the mark, billing more than \$1,900, according to the documents. They include Kirkland & Ellis, Simpson Thacher & Bartlett, Boies Schiller Flexner, and Sidley Austin.

Simpson Thacher & Bartlett litigator Bryce Friedman, who helps big-name clients out of jams, especially when they're accused of fraud, charges \$1,965 every 60 minutes, according to a court document.

In need of a former acting US Solicitor General? Hogan Lovells partner Neal Katyal bills time at \$2,465 an hour. Want to hire famous litigator David Boies? That'll cost \$1,950 an hour (at least). Reuters was first to report their fees.

Eye-watering rates are nothing new for Big Law firms, which typically ask clients to pay higher prices at least once a year, regardless of broader market conditions.

"Value is in the eye of the beholder," said John O'Connor, a San Francisco-based expert on legal fees. "The perceived value of a good lawyer can reach into the multi-billions of dollars."

Kirkland & Ellis declined to comment on its billing rates. None of the other firms responded to requests to comment.

Latham & Watkins	\$2,075
Kirkland & Ellis	\$1,995
Simpson Thacher & Bartlett	\$1,965

Law firms have been more successful raising rates than most other businesses over the past 15 years.

Law firm rates rose by roughly 40 percent from 2007 to 2020, or just short of 3 percent per year, Thomson Reuters Peer Monitor data show. US inflation rose by about 28% during that time.

The 100 largest law firms in the past two years achieved their largest rate increases in more than a decade, Peer Monitor says. The rates surged more than 6% in 2020 and grew another 5.6% through November of last year. Neither level had been breached since 2008.

The price hikes occurred during a once-in-a-decade surge in demand for law services, which propelled profits at firms to new levels. Fourteen law firms reported average profits per equity partner in 2021 over \$5 million, according to data from The American Lawyer. That was up from six the previous year.

The highest-performing firms, where lawyers charge the highest prices, have outperformed their smaller peers. Firms with leading practices in markets such as mergers and acquisitions, capital markets, and real estate were forced to turn away work at some points during the pandemic-fueled surge.

Firms receive relatively tepid pushback from their giant corporate clients, especially when advising on bet-the-company litigation or billion-dollar deals.

The portion of bills law firms collected—a sign of how willingly clients pay full-freight—rose during the previous two years after drifting lower following the Great Financial Crisis. Collection rates last year breached 90% for the first time since 2009, Peer Monitor data show.

Professional rules prohibit lawyers from charging “unconscionable” or “unreasonable” rates. But that doesn’t preclude clients from paying any price they perceive as valuable, said Jacqueline Vinaccia, a San Diego-based lawyer who testifies on lawyer fee disputes.

Lawyers’ fees are usually only contested when they will be paid by a third party.

That happened recently with Hogan Lovells’ Katyal, whose nearly \$2,500 an hour fee was contested in May by a US trustee overseeing a bankruptcy case involving a Johnson & Johnson unit facing claims its talc-based powders caused cancer.

The trustee, who protects the financial interests of bankruptcy estates, argued Katyal’s fee was more than \$1,000 an hour higher than rates charged by lawyers in the same case at Jones Day and Skadden Arps Slate Meagher & Flom.

A hearing on the trustee’s objection is scheduled for next week. Hogan Lovells did not respond to a request for comment on the objection.

Vinaccia said the firm’s options will be to reduce its fee, withdraw from the case, or argue the levy is reasonable, most likely based on Katyal’s extensive experience arguing appeals.

Still, the hourly rate shows just how valuable the most prestigious lawyers’ time can be—even compared to their highly compensated competitors.

“If the argument is that Jones Day and Skadden Arps are less expensive, then you’re already talking about the cream of the crop, the top-of-the-barrel law firms,” Vinaccia said. “I can’t imagine a case in which I might argue those two firms are more reasonable than the rates I’m dealing with.”

Worth Your Time

On Cravath: Cravath Swaine & Moore is heading to Washington, opening its first new office since 1973 by hiring former heads of the U.S. Securities and Exchange Commission and Federal Deposit Insurance Corporation. Meghan Tribe reports the move comes as Big Law firms are looking to add federal government expertise as clients face more regulatory scrutiny.

On Big Law Promotions: It’s rare that associates get promotions to partner in June, but Camille Vasquez is now a Brown Rudnick partner after she shot to fame representing Johnny Depp in his defamation trial against ex-wife Amber Heard.

On Working From Home: I spoke this week with Quinn Emanuel’s John Quinn about why he thinks law firm life is never going back to the office-first culture that was upset by the pandemic. Listen to the podcast [here](#).

That's it for this week! Thanks for reading and please send me your thoughts, critiques, and tips.
