*Hockley v. Road Warrior Staffing, Inc., et al*

Riverside County Superior Court Case N CVRI2505366

| Case Management Order (“CMO”) requirements                                                                                                                                                                                                                                                                                                                                                                                                                 | Requirements met in moving papers                               |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------|
| The settlement agreement shall not provide that any order, notice, form, or judgment shall include any provision that this order prohibits from being included in such a document. <b>(Section G.1.a.)</b>                                                                                                                                                                                                                                                 | Settlement agreement does not provide any such provision.       |
| The settlement agreement shall be written, signed by all necessary parties, and filed, either in the form of a separate stipulation or as an authenticated attachment to a declaration of counsel. <b>(Section G.1.b)</b>                                                                                                                                                                                                                                  | Settlement Agreement is in compliance with this section of CMO. |
| Regardless of the terms of the proposed settlement, counsel shall not file a Notice of Settlement of Entire Case (Judicial Council form CM-200). <b>(Section G.2)</b>                                                                                                                                                                                                                                                                                      | The Parties have not filed a Notice of Settlement.              |
| The motion shall be supported by a declaration from the plaintiff’s attorney that, <i>inter alia</i> :<br>i. Sets forth the attorney’s estimate of the number of individuals in the class. <b>(Section G.3.a.i.)</b>                                                                                                                                                                                                                                       | Tunyan decl., ¶ 9.                                              |
| The motion shall be supported by a declaration from the plaintiff’s attorney that, <i>inter alia</i> :<br>ii. (A) Sets forth the attorney’s estimate of the total amount of damages, monetary penalties or other relief that the class would be awarded on each claim if that claim were entirely successful at trial; (B) explains how that estimate was calculated; and (C) states the collective total for all of the claims. <b>(Section G.3.a.ii)</b> | Tunyan decl., ¶ 17.                                             |
| The motion shall be supported by a declaration from the plaintiff’s attorney that, <i>inter alia</i> :                                                                                                                                                                                                                                                                                                                                                     | Tunyan decl., ¶¶ 15, 17.                                        |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                                               |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------|
| <p>iii. Sets forth: (A) the attorney's estimate as to each claim of the total amount of damages, monetary penalties or other relief that the class could reasonably expect to be awarded at trial, taking into account difficulties of proof, the defendant's defenses, and other attendant risks; (8) the attorney's reasons for those estimates; (C) and the likely award at trial for all claims collectively. <b>(Section G.3.a.iii)</b></p>                                                                                                                                                                                                                                                                                                                                                                      |                                               |
| <p>The motion shall be supported by a declaration from the plaintiff's attorney that, <i>inter alia</i>:</p> <p>iv. Sets forth the attorney's estimate of the recovery by the average class member, if the settlement were approved. If the recovery by different class members will vary, the attorney shall also estimate the range (high and low) of possible recoveries. <b>(Section G.3.a.iv)</b></p>                                                                                                                                                                                                                                                                                                                                                                                                            | Tunyan decl., ¶19.                            |
| <p>The motion shall be supported by a declaration from the plaintiff's attorney that, <i>inter alia</i>:</p> <p>v. Describes in detail the nature and extent of the formal and informal discovery exchanged and other factual investigation conducted to determine the size of the class and the strength of the class claims. <b>(Section G.3.a.v)</b></p>                                                                                                                                                                                                                                                                                                                                                                                                                                                           | Tunyan decl., ¶¶ 5, 6, 7, 10, 11, 12, 13, 14. |
| <p>The motion shall be supported by a declaration from the plaintiff's attorney that, <i>inter alia</i>:</p> <p>vi. States (A) whether the attorney is aware of any class, representative or other collective action in any other court in this or any other jurisdiction that asserts claims similar to those asserted in this action on behalf of a class or group of individuals some or all of whom would also be members of the class defined in this action and (B) whether the attorney made reasonable inquiry of other members of the attorney's law firm and any associated law firm to determine whether those individuals are aware of any such similar actions. If any such similar actions are known to exist, the declaration shall also state ( C) the name and case number of any such case, the</p> | Tunyan decl., ¶ 20.                           |

|    |                                                    |                                                      |
|----|----------------------------------------------------|------------------------------------------------------|
| 1  | nature of the claims asserted, the                 |                                                      |
| 2  | definition of the class or other parties on        |                                                      |
| 3  | whose behalf the action is brought, and            |                                                      |
| 4  | the procedural status of that case.                |                                                      |
| 5  | <b>(Section G.3.a.vi)</b>                          |                                                      |
| 6  | The motion shall be supported by a declaration     | Declaration of Victor Russame and Michael            |
| 7  | from the defendant's attorney that                 | Wertheim in support of Plaintiff's Motion for        |
| 8  | states (i) whether the attorney is aware of any    | preliminary approval of this Class and PAGA          |
| 9  | class, representative or other                     | action settlement.                                   |
| 10 | collective action in any other court in this or    |                                                      |
| 11 | any other jurisdiction that asserts                |                                                      |
| 12 | claims similar to those asserted in this action    |                                                      |
| 13 | on behalf of a class or group of                   |                                                      |
| 14 | individuals some or all of whom would also be      |                                                      |
| 15 | members of the class defined in this               |                                                      |
| 16 | action and (ii) the name and case number of        |                                                      |
| 17 | any such case, the nature of the claims            |                                                      |
| 18 | asserted, the definition of the class or other     |                                                      |
| 19 | parties on whose behalf the action is              |                                                      |
| 20 | brought, and the procedural status of that case.   |                                                      |
| 21 | <b>(Section G.3.b)</b>                             |                                                      |
| 22 | The motion shall describe how the value of any     | Settlement Agreement, ¶35 provides that uncashed     |
| 23 | uncashed checks, unpaid cash residue, or other     | settlement checks will be redistributed to those     |
| 24 | unclaimed or abandoned funds will be               | class members who cashed their checks.               |
| 25 | distributed.                                       | Section G.3.c.ii-iii are not applicable accordingly. |
| 26 | i. The Court believes that redistribution of the   |                                                      |
| 27 | value of uncashed settlement check to those        |                                                      |
| 28 | class members who have cashed their                |                                                      |
|    | checks will better serve the public interest       |                                                      |
|    | and the interest of the class than                 |                                                      |
|    | distribution in the manner otherwise               |                                                      |
|    | prescribed by <i>California Code of Civil</i>      |                                                      |
|    | <i>Procedure</i> section 384(b). If one or more of |                                                      |
|    | the parties disagree, then the motion shall        |                                                      |
|    | be supported by a declaration from a party         |                                                      |
|    | or the party's counsel explaining the factual      |                                                      |
|    | basis for the disagreement.                        |                                                      |
|    | ii. If the parties propose to pay any              |                                                      |
|    | unclaimed funds to a charitable                    |                                                      |
|    | organization, the motion shall be                  |                                                      |
|    | supported by a declaration from a                  |                                                      |
|    | knowledgeable person from the proposed             |                                                      |
|    | recipient. The declaration shall:                  |                                                      |
|    | A. Establish that the recipient is a               |                                                      |
|    | nonprofit organization, foundation, or             |                                                      |
|    | program of the type described in that              |                                                      |
|    | subdivision.                                       |                                                      |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                 |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| <p>B. Describe the history of the recipient, the types of projects that it has conducted or supported over the last five years, and any particular use to which it would intend to devote the unpaid residue if received.</p> <p>C. Describe the geographic area in which the recipient operates in general, and the nature and extent of the services it provides in Riverside County in particular.</p> <p>iii. The declarations of the attorneys for the plaintiff and for the defendant shall describe both (A) any relationship between the proposed recipient and ( 1) any class representative or other party, (2) any officer, director, or manager of any party, or (3) any attorney or law firm for any party, and (B) the inquiries the attorney made to determine whether there is any such relationship.</p> <p><b>(Section G.3.c.i-iii)</b></p> |                                                                                                                                 |
| <p>If the settlement contemplates the use of an administrator to implement the terms of the settlement, the motion shall be supported by:</p> <p>i. A declaration from the plaintiff's attorney, stating whether bids were sought from multiple potential administrators and, if so, the results of that competitive bidding. If the parties did not select the lowest bidder, the declaration shall explain that decision.</p> <p><b>(Section G.3. d.i)</b></p>                                                                                                                                                                                                                                                                                                                                                                                              | <p>Tunyan decl., ¶ 34.</p>                                                                                                      |
| <p>If the settlement contemplates the use of an administrator to implement the terms of the settlement, the motion shall be supported by:</p> <p>ii. A declaration from the administrator describing:</p> <p>A. The administrator's experience;</p> <p>B. The fee to be charged by the administrator to perform the services described in the settlement agreement and proposed order;</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | <p>Declaration of Michael Moore on behalf of Phoenix Class Action Settlement Administration Solutions in support of Motion.</p> |

|    |                                                  |                                                   |
|----|--------------------------------------------------|---------------------------------------------------|
| 1  | C. Whether that fee is (1) fixed, (2) hourly,    |                                                   |
| 2  | or (3) hourly with a cap; and                    |                                                   |
| 3  | D. How the fee was calculated.                   |                                                   |
| 4  | <b>(Section G.3. d.ii)</b>                       |                                                   |
| 5  | Any release to be given by the participating     | Settlement Agreement, ¶ 37.                       |
| 6  | class members (other than the class              |                                                   |
| 7  | representatives) shall be limited to:            |                                                   |
| 8  | i. The defendants named in the complaint,        |                                                   |
| 9  | together with their officers, directors,         |                                                   |
| 10 | employees and agents. If any other               |                                                   |
| 11 | parties are sought to be released, the           |                                                   |
| 12 | motion shall both (A) identify those             |                                                   |
| 13 | other parties by name and (B) explain            |                                                   |
| 14 | the facts that justify their inclusion.          |                                                   |
| 15 | ii. The claims stated in the complaint and       |                                                   |
| 16 | those based solely upon the facts alleged        |                                                   |
| 17 | in the complaint.                                |                                                   |
| 18 | iii. Liability that arose during the class       |                                                   |
| 19 | period as defined by the settlement              |                                                   |
| 20 | agreement.                                       |                                                   |
| 21 | <b>(Section G.3.e.i-iii)</b>                     |                                                   |
| 22 | If notice is not to be given by first class mail | Settlement Agreement, ¶ 32.                       |
| 23 | to addresses believed to be current, the         |                                                   |
| 24 | motion shall discuss the proposed method of      |                                                   |
| 25 | giving notice, the alternative methods           |                                                   |
| 26 | considered, and the reasons that the proposed    |                                                   |
| 27 | method is the one most likely to give            |                                                   |
| 28 | actual notice to the greatest number of class    |                                                   |
|    | members. <b>(Section G.3.f.)</b>                 |                                                   |
|    | If the settlement requires any of the class      | Not applicable as the settlement does not require |
|    | members to submit claims, the motion             |                                                   |
|    | shall explain why a claim process is reasonably  |                                                   |
|    | necessary. If the defendant knows                |                                                   |
|    | (A) the identity of the class members, (B) their |                                                   |
|    | addresses or former addresses, and               |                                                   |
|    | (C) the facts necessary to calculate the         |                                                   |
|    | recovery of each class member, the Court         |                                                   |
|    | will require a strong showing of necessity for a |                                                   |
|    | claims process. <b>(Section G.3.g.)</b>          |                                                   |
|    | If the settlement provides that any portion of   | Not applicable as the settlement provide the      |
|    | the consideration paid or deposited by           |                                                   |
|    | the defendant may revert to the defendant, the   |                                                   |
|    | motion shall explain (i) the                     |                                                   |
|    | circumstances under which that reversion         |                                                   |
|    | would occur, (ii) the maximum amount of          |                                                   |
|    | any reversion, and (iii) why that reversion is   |                                                   |
|    | fair. <b>(Section G.3.h.)</b>                    |                                                   |

|    |                                                                                                                                                                                                                                                                                                                                             |                                                                 |

| 1  | The motion shall describe how individual settlement payments will be allocated for tax purposes.<br><b>(Section G.3.i.)</b>                                                                                                                                                                                                                 | Settlement, ¶ 25(h)                                             |
| 2  |                                                                                                                                                                                                                                                                                                                                             |                                                                 |
| 3  | The documents that will be read by or used by the class members - the proposed notice, objection form, exclusion form, and any claim form - shall be drafted in a manner that is likely to be readily understood by the members of the class.                                                                                               | Proposed Order ¶ 12, Exhibits 1, 2, 3.                          |
| 4  |                                                                                                                                                                                                                                                                                                                                             |                                                                 |
| 5  | i. In particular, they shall not contain any Latin terms (such as et al. and et seq.), any legal terms of art (such as nonexempt and class certification), or any unfamiliar symbols or abbreviations (such as §, LLC, and IWO).                                                                                                            |                                                                 |
| 6  | <b>(Section G.3.k.i.)</b>                                                                                                                                                                                                                                                                                                                   |                                                                 |
| 7  | ii. To assist the Court in determining whether those documents comply with that directive, the motion shall be supported by a declaration of the defendant on personal knowledge concerning the likely age, education, and experience of the class members, and of their ability to read and comprehend English. <b>(Section G.3.k.ii.)</b> | Declaration of Sarah Cullins in support of Motion ¶¶ 2-3.       |
| 8  |                                                                                                                                                                                                                                                                                                                                             |                                                                 |
| 9  |                                                                                                                                                                                                                                                                                                                                             |                                                                 |
| 10 |                                                                                                                                                                                                                                                                                                                                             |                                                                 |
| 11 |                                                                                                                                                                                                                                                                                                                                             |                                                                 |

| 13 |                                                                                                                                                                                                                                                                                                                                             |                                                                 |
| 14 |                                                                                                                                                                                                                                                                                                                                             |                                                                 |
| 15 |                                                                                                                                                                                                                                                                                                                                             |                                                                 |
| 16 | The motion shall be accompanied by a separate proposed order which shall include, as attachments to the order, the proposed notice (Cal. Rules of Court, rule 3.769(e)), proposed exclusion form, proposed objection form, any proposed claim form, and any other form that is proposed to accompany the notice. <b>(Section G.4. a.)</b>   | Proposed Order ¶12.                                             |
| 17 |                                                                                                                                                                                                                                                                                                                                             |                                                                 |
| 18 |                                                                                                                                                                                                                                                                                                                                             |                                                                 |
| 19 |                                                                                                                                                                                                                                                                                                                                             |                                                                 |
| 20 | The settlement agreement shall not be attached to the order. <b>(Section G.4. b.)</b>                                                                                                                                                                                                                                                       | The settlement agreement is not attached to the Proposed Order. |
| 21 | Counsel shall carefully review both the terms and the terminology of the order and accompanying forms (notice, objection form, exclusion form, and any claim form) to confirm that the various documents are internally consistent, consistent with each other, and consistent with the settlement agreement. <b>(Section G.4. c.)</b>      | The terms are consistent in all documents.                      |
| 22 |                                                                                                                                                                                                                                                                                                                                             |                                                                 |
| 23 |                                                                                                                                                                                                                                                                                                                                             |                                                                 |
| 24 |                                                                                                                                                                                                                                                                                                                                             |                                                                 |
| 25 |                                                                                                                                                                                                                                                                                                                                             |                                                                 |
| 26 | The order shall state the name of any settlement administrator, and shall describe the nature of the services that the administrator will be required to perform, either                                                                                                                                                                    | Proposed Order ¶10.                                             |
| 27 |                                                                                                                                                                                                                                                                                                                                             |                                                                 |
| 28 |                                                                                                                                                                                                                                                                                                                                             |                                                                 |

|    |                                                                                |                                                 |
|----|--------------------------------------------------------------------------------|-------------------------------------------------|
| 1  | directly or by reference to the settlement agreement. <b>(Section G.4. d.)</b> |                                                 |
| 2  | The order shall provide that the notice shall be                               | Proposed Order ¶¶12, 13, 18.                    |
| 3  | accompanied by an exclusion form                                               |                                                 |
| 4  | that the class members may use. The order                                      |                                                 |
| 5  | shall provide that any exclusion form                                          |                                                 |
| 6  | shall be submitted to the settlement                                           |                                                 |
| 7  | administrator rather than filed with the court.                                | Proposed Order ¶¶12, 16, 18.                    |
| 8  | The order shall not require the class member to                                |                                                 |
| 9  | send copies of the exclusion form to                                           |                                                 |
| 10 | counsel, but may require the settlement                                        |                                                 |
| 11 | administrator to do so. The order shall                                        |                                                 |
| 12 | provide that the settlement administrator shall                                | None of these requirements are provided in the  |
| 13 | file a declaration concurrently with                                           |                                                 |
| 14 | the filing of any motion for final approval,                                   |                                                 |
| 15 | authenticating a copy of every exclusion                                       |                                                 |
| 16 | form received by the administrator. <b>(Section G.4. e.)</b>                   |                                                 |
| 17 | The proposed order shall provide that the                                      | Proposed Order ¶¶17, 22.                        |
| 18 | notice shall be accompanied by an                                              |                                                 |
| 19 | objection form that the class members may                                      |                                                 |
| 20 | use. The order shall provide that any                                          |                                                 |
| 21 | objection shall be submitted to the settlement                                 |                                                 |
| 22 | administrator rather than filed with                                           | The order shall provide a proposed date for the |
| 23 | the court. The order shall not require the class                               |                                                 |
| 24 | member to send copies of the                                                   |                                                 |
| 25 | objection form to counsel, but may require the                                 |                                                 |
| 26 | settlement administrator to do so.                                             |                                                 |
| 27 | The order shall provide that the settlement                                    | Final Approval Hearing. The order               |
| 28 | administrator shall file a declaration                                         |                                                 |
|    | concurrently with the filing of any motion for                                 |                                                 |
|    | final approval, authenticating a copy                                          |                                                 |
|    | of every objection form received by the                                        |                                                 |
|    | administrator. <b>(Section G.4. f.)</b>                                        |                                                 |
|    | Neither the order, the notice, nor the objection                               | Proposed Order ¶¶17, 22.                        |
|    | form shall require an objecting party                                          |                                                 |
|    | to do either of the following, either personally                               |                                                 |
|    | or through counsel:                                                            |                                                 |
|    | i. To appear at the hearing on the motion for                                  |                                                 |
|    | final approval for that party's                                                | Proposed Order ¶¶17, 22.                        |
|    | objection to be considered.                                                    |                                                 |
|    | ii. To file or serve, or to state in the objection,                            |                                                 |
|    | a notice of intention to appear at the hearing on                              |                                                 |
|    | the motion for final approval. <b>(Section G.4. g.)</b>                        |                                                 |
|    | The order shall provide a proposed date for the                                | Final Approval Hearing. The order               |
|    | Final Approval Hearing. The order                                              |                                                 |
|    |                                                                                |                                                 |
|    |                                                                                |                                                 |
|    |                                                                                |                                                 |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------|
| 1 shall require that either counsel or the<br>2 administrator must give notice to any<br>3 objecting party of any continuance of the<br>hearing of the motion for final approval.<br><b>(Section G.4.h.)</b>                                                                                                                                                                                                                                                                                  |                                                                |
| 4 Neither the order nor the notice shall purport to<br>5 enjoin the class members from<br>6 filing any actions or administrative claims or<br>7 proceedings pending the final hearing<br>on the settlement, or for any other period.<br><b>(Section G.4.i.)</b>                                                                                                                                                                                                                               | Neither notice nor proposed order provide this<br>requirement. |
| 8 If notice is to be given by mail, and if the class<br>9 members will be required to submit<br>a claim form, the order shall provide:<br>10 i. That the notice be accompanied by a stamped<br>11 envelope addressed to the<br>claims administrator; and<br>12 ii. That the claims administrator be required to<br>13 send a reminder notice to every<br>class member from whom no claim or<br>exclusion request is received within<br>30 days of mailing the notice. <b>(Section G.4.j.)</b> | Not applicable as no claim form is required.                   |

14  
15 Respectfully submitted,

16 Dated: September 22, 2026
