21 9. In total, I have prosecuted over 250 wage-and-hour class actions.

22 10. Any attorneys' fees awarded in this matter will be allocated 60% to Sanchez's
23 counsel and 40% to Watson's counsel. Of Sanchez's counsel's share, 50.34% will be allocated to
24 Cohelan Khoury & Singer, 33.33% to United Employees Law Group, and 16.33% to The
25 Markham Law Firm. Our client has consented to this fee allocation in writing.

26 11. My firm has prosecuted this litigation solely on a contingent-fee basis, and has
27 been completely at risk that it would not receive any compensation for prosecuting claims against
28 the Defendant.

1 12. The Markham Law Firm’s billing for time and costs in this case includes time
2 billed for investigating the claims and drafting pleadings, law and motion practice, attending
3 mediation, reviewing documents and researching legal authorities, and extensive communications
4 and meetings among the parties and counsel. This billing has been prepared from
5 contemporaneous time and bookkeeping records, attached as **Exhibit 1**.

6 13. At the Markham Law Firm, the usual and customarily charged rates of attorneys
7 are: David R. Markham, \$815, Lisa Brevard, \$500, and \$175 for the firm’s paralegals. These
8 rates are consistent with the prevailing rates for attorneys of similar experience, skill and
9 reputation, are in line with the market rates in various California legal communities, and were

¹ The rate for Ms. Brevard has increased from \$400 to \$500 as an attorney with 7 years of experience in wage and hour class actions.

1 District Court for the Northern District of California in *Harrison v. Bank of America*, Case No.
2 3:19-cv-00316-LB; and on September 10, 2021 by San Diego Superior Court in *Moreno, et al. v.*
3 *Habit Employment, LP, et al*, Case No. 37-2019-00014576-CU-OE-CTL.

4 14. I have devoted 17.1 hours to the prosecution of this action. We will also incur
5 additional billable time to prepare for and attend the settlement approval hearing, and oversee the
6 settlement administration.

7 15. My former partner, Maggie Realin, devoted 11.4 hours to the prosecution of this
8 action while at my firm.

9 16. My firm's associate, Lisa Brevard, devoted 50.9 hours to the prosecution of this
10 action. Ms. Brevard is a graduate of the University of California, Los Angeles, and University of
11 San Diego School of Law. She received her J.D., summa cum laude, and was admitted to the
12 California Bar in 2018. During law school, Ms. Brevard interned at the USD Appellate Clinic,
13 where she presented oral argument before the Ninth Circuit Court of Appeals. She was an active
14 participant on the University of San Diego Appellate Moot Court Board and competed in regional
15 and national competitions. Additionally, she gained legal experience on corporate and litigation
16 matters as a law clerk and summer associate for a national firm. Since joining my firm in May
17 2019, Ms. Brevard has focused on representing employees in wage and hour class actions.

18 17. My firm's paralegal (and former paralegal during the time that she was employed
19 at my firm), meet the qualifications and continuing education requirements set forth in Business
20 & Professions Code § 6450. My firm's paralegals collectively spent 51 hours on this action.

21 18. To prosecute this action, my firm incurred \$3,248.09 in costs. These costs and
22 expenses identified in my firm's costs summary are reflected in the accounting books and records
23 that my law firm maintains in the ordinary course of business, and are prepared from expense
24 records, credit card receipts and statements, and check records. These expenses were necessary
25 for this litigation and include the amounts paid for court filing fees, mediator fees, and service of
26 process charges, all of which are costs normally billed to and paid by the client. These costs were
27 reasonably incurred in the prosecution of this matter and are authorized by the Settlement
28 Agreement.

19. I have no conflicts of interest with the class members in this action. I am not related to the named Plaintiffs. I have not previously represented Defendant in any matter.

20. The Settlement Agreement in this action is the result of vigorous and competent representation of Plaintiffs, and arms'-length, contentious negotiations with Defendant to reach the best possible outcome for the Class. Having analyzed the facts and legal theories of this case, and based on my experience in litigating similar representative wage and hour claims, I believe that the proposed settlement is fair, reasonable and adequate for the Class, and warrants approval.

I declare under penalty of perjury under the laws of California, New York and the United States of America that the foregoing is true and correct to the best of my knowledge.

Executed on September 22, 2026, in New York, New York.
