1 **MEMORANDUM OF POINTS AND AUTHORITIES**¹

2 **I. INTRODUCTION**

3 Plaintiff Matthew Cruz (“Plaintiff”) brought this class and representative action against
4 Defendant CAT SPEC LTD. L.P. (“CAT SPEC”) and Defendant Stronghold, LTD Limited Partnership
5 (“Stronghold”) (hereinafter collectively referred to as “Defendants”) alleging various wage and hour
6 and related violations. Plaintiff’s primary allegations are that Defendants: (1) failed to pay all overtime
7 wages owed; (2) failed to pay all minimum wages owed; (3) failed to provide all legally required meal
8 periods; (4) failed to authorize and permit all legally required rest periods; (5) failed to provide accurate,
9 itemized wage statements; (6) failed to indemnify all necessary business expenditures; (7) failed to pay
10 all wages owed upon termination; (8) engaged in unlawful business practices; and (9) are liable for civil
11 penalties under the Private Attorneys General Act of 2004 (“PAGA”).

12 Plaintiff now respectfully requests that this Court preliminarily approve this non-reversionary,
13 class action settlement,² in which Defendants have agreed to pay a total settlement amount of Four
14 Hundred Thirty Thousand Four Hundred Dollars and Zero Cents (\$430,400.00) on behalf of the
15 following Settlement Class:

16 All individuals whom Defendants employed as non-exempt employees and who
17 worked in California from March 29, 2019 through date the Court preliminarily
18 approves the Settlement.

19 Significantly, Settlement Class Members do not need to file a claim to benefit from the
20 Settlement because all Settlement Class Members will automatically receive a payment unless they
21 affirmatively opt-out.

22 Thus, after deducting administration costs, Plaintiff’s service award, attorneys’ fees and costs,
23 and payment of PAGA penalties to the California Labor and Workforce Development Agency
24 (“LWDA”), the remaining Net Settlement Amount (“NSA”) of approximately \$227,933.33 will be paid

25 ¹ Given the multiplicity of issues addressed in this Motion, Plaintiff respectfully requests that the Court
26 allow Plaintiff to exceed the 20-page limit set forth in California Rule of Court 3.764(c)(2), and that the
27 Court consider the attached memorandum of points and authorities which is 22 pages in length.

28 ² The Class Action and PAGA Settlement Agreement (“Settlement”) is attached to the Declaration of
Scott M. Lidman as Exhibit 2. The proposed Notice of Class Action Settlement and Hearing Date for
Final Court Approval is attached to the Settlement as Exhibit A. All defined terms in this motion have
the same definitions as used in the Settlement.

1 to all Settlement Class Members who do not timely opt out. There are approximately 600 Settlement
2 Class members, rendering the average payment to participating Settlement Class members to be
3 approximately \$379.88 as a direct result of this litigation.

4 This proposed Settlement is well-within the range of possible approval in light of the significant
5 legal and factual obstacles that Plaintiff faced, the risks and costs of further litigation, and the tangible
6 monetary benefits to be received by the Settlement Class. For the reasons discussed herein, Plaintiff
7 respectfully requests that the Court grant preliminary approval of the Settlement.

8 **II. SUMMARY OF THE LITIGATION**

9 **A. THE PARTIES**

10 Defendants offer catalysts to refineries and petrochemical industries across the United States.
11 *See* Declaration of Scott M. Lidman (“Lidman Decl.”), ¶ 10. Plaintiff was employed by Defendants as
12 a non-exempt employee from approximately August 2022 to February 4, 2023. *See* Declaration of
13 Matthew Cruz (“Cruz Decl.”), ¶ 2. During his employment, Plaintiff held the position of Catalyst Tech
14 and was responsible for reactor and tower maintenance for refineries at Defendants’ customers’ various
locations. *Id.*

15 **B. BRIEF PROCEDURAL HISTORY**

16 On March 29, 2023, Plaintiff filed a putative class action complaint against Defendants in Los
17 Angeles County Superior Court. Lidman Decl., ¶ 10. On March 29, 2023, Plaintiff submitted a letter
18 to the California Labor & Workforce Development Agency (“LWDA”) and Defendants advising of his
19 intention of filing a PAGA claim based on the Labor Code violations alleged in his operative complaint.
20 *Id.*, **Exhibit 1**. On June 16, 2023, Plaintiff filed a First Amended Class Action and Representative
21 Complaint. *Id.* The primary allegations are that Defendants: (1) failed to pay all overtime wages owed;
22 (2) failed to pay all minimum wages owed; (3) failed to provide all legally required meal periods; (4)
23 failed to authorize and permit all legally required rest periods; (5) failed to provide accurate, itemized
24 wage statements; (6) failed to indemnify all necessary business expenditures; (7) failed to pay all wages
25 owed upon termination; (8) engaged in unlawful business practices; and (9) are liable for civil penalties
under the PAGA. *Id.*

26 //

1 Plaintiff will serve the instant Motion and proposed Settlement Agreement on the LWDA on the
2 same date he files this Motion and will submit a supplemental declaration to the Court evidencing the
3 submission. Lidman Decl., ¶ 36.

4 **III. DUNK/KULLAR ANALYSIS**

5 Settlement is the preferred means of dispute resolution, particularly in complex class action
6 litigation. *See In re Syncor ERISA Litig.* (9th Cir. 2008) 516 F.3d 1095, 1101. The Court’s role in
7 evaluating a proposed settlement is limited to ensuring that the agreement taken as a whole is fair. *See*
8 *e.g., Hanlon, supra*, 150 F.3d at 1027. There is an initial presumption of fairness where, as here, the
9 Settlement agreement was negotiated at arm’s-length by class counsel and with the assistance of an
10 experienced wage and hour class action mediator. *See e.g. Kullar v. Foot Locker Retail, Inc.* (2008)
11 168 Cal.App.4th 116, 130.

12 **A. INVESTIGATION AND DISCOVERY**

13 After agreeing to participate in private mediation, Defendants informally produced a sampling
14 of timekeeping and payroll data for the putative class, as well as its wage and hour policies and other
15 relevant documents and information relevant to the claims alleged. Lidman Decl., ¶ 11. After a detailed
16 review of the sample of payroll and time records for the putative class and other documents and policies
17 produced by Defendants, Class Counsel drew on their extensive experience in similar cases to assess
18 the strengths and weaknesses of Plaintiff’s case. *Id.* This informal discovery allowed the parties to
19 assess the merits and value of Plaintiff’s claims and Defendants’ defenses thereto, if a settlement could
20 not be reached. *Id.*

21 **B. ARMS-LENGTH NEGOTIATIONS**

22 On May 23, 2024, after extensive research and analysis, a full-day mediation was held with
23 Katherine J. Edwards, a well-respected wage and hour class action mediator. Lidman Decl., ¶ 12.
24 During mediation, the parties vigorously debated their opposing legal positions, the likelihood of
25 certification of Plaintiff’s claims, and the legal basis for the claims and defenses. *Id.*

26 Ultimately, the parties agreed in principle on a class-wide resolution. Lidman Decl., ¶ 12. In
27 the months that followed, the parties finalized the terms of settlement and executed the Stipulation of
28 Class Action and PAGA Settlement (“Settlement”). *Id.*

//

1 **C. THE EXPERIENCE AND VIEWS OF COUNSEL**

2 “Parties represented by competent counsel are better positioned than courts to produce a
3 settlement that fairly reflects each party’s expected outcome in litigation.” *In re Pacific Enterprises*
4 *Securities Litigation* (9th Cir. 1995) 47 F.3d 373, 378. Here, Plaintiff is represented by competent,
5 experienced counsel who possess extensive experience prosecuting and defending wage-and-hour class
6 actions, and who have been appointed as class counsel in numerous cases alleging similar claims. *See*
7 *Lidman Decl.*, ¶¶ 2-8; Declaration of Milan Moore (“Moore Decl.”), ¶¶ 2-8; Declaration of Paul K.
8 Haines (“Haines Decl.”), ¶¶ 2-8. Class Counsel conducted an in-depth review of Defendants’ policies
9 and the sample of timekeeping and payroll records, and drew on their extensive experience in similar
10 cases to assess the strengths and weaknesses of Plaintiff’s case. *Lidman Decl.*, ¶ 11. The Settlement
11 was also reached with the assistance of an experienced and respected wage and hour class action
12 mediator. *Lidman Decl.*, ¶ 12. This factor strongly supports preliminary approval of the Settlement.
See Kullar, supra, 168 Cal.App.4th at 130.

13 **D. AMOUNT OFFERED IN SETTLEMENT GIVEN REALISTIC VALUE OF**
14 **CLAIMS**

15 The Settlement provides a fair and reasonable monetary recovery for the Settlement Class in
16 the face of disputed claims. Plaintiff’s analysis of the maximum and realistic expected recoveries for
17 each of the theories of liability pled is set forth below:

18 Defendants Failed to Pay for All Hours Worked: Plaintiff alleges that he and Settlement Class
19 Members were not fully compensated for all of their time worked. *Lidman Decl.*, ¶ 16. Specifically,
20 Plaintiff alleges Defendants recorded their employees’ scheduled hours and paid wages based thereon,
21 not the actual start and stop work times. *Id.* Plaintiff also alleges that this time shaving and/or rounding
22 practice utilized by Defendants was not-even handed over time and would almost exclusively round
23 and shave in Defendants’ favor such that the employees were routinely underpaid for their time worked.
24 *Id.* Accordingly, Plaintiff’s expert analyzed this rounding issue and found that it favored the employer
25 overwhelmingly, and then calculated a total wage underpayment of approximately \$2,578,496 (which
26 was based on 17,216 workweeks and 2.5 hours of unpaid minimum wage per week). *Id.*

27 //

1 Defendants contend that it compensated Settlement Class Members for all of their time worked.
2 Lidman Decl., ¶ 17. Defendants also contend that their rounding practices were lawful, and any unpaid
3 time was *de minimis* (not near the 30 minutes per shift alleged by Plaintiff) and therefore non-
4 compensable. *Id.* Defendants further assert that Plaintiff would be unable to certify a rounding class
5 given the individualized inquiries that would be required, and also that Defendants' rounding
6 mechanism was, according to them, allegedly facially neutral. *Id.* In light of these defenses, Plaintiff
7 discounted the maximum exposure by 55% for the risk of non-certification, and an additional 85% to
8 account for Defendants' defenses on the merits, to arrive at an estimated exposure of \$174,048.48. *Id.*

9 Defendants Failed to Provide All Legally Required Meal Periods: Plaintiff alleges that he and
10 Settlement Class Members were not provided with all legally-compliant first meal periods beginning
11 before the end of the fifth hour of work. Lidman Decl., ¶ 18. Additionally, Defendants failed to meet
12 their obligation of recording the actual start and stop time for meal periods and as such, there is a
13 presumption that Plaintiff and Settlement Class members were not relieved of duty and no lawful meal
14 period was provided. *Id.* Therefore, Plaintiff calculated Defendants' maximum exposure of the alleged
15 meal period violations at approximately \$2,940,613.00. *Id.*

16 Defendants counter that they have always provided non-exempt employees with an opportunity
17 to take legally compliant meal periods, and any non-compliant meal periods reflected in employee
18 timekeeping records were solely the result of employee choice, rather than any policy or practice of
19 Defendants. Lidman Decl., ¶ 19. Defendants point out that under *Brinker Restaurant Corp. v. Superior*
20 *Court* (2012) 53 Cal. 4th 1004, they are only required to "provide" the opportunity to take meal periods,
21 not "ensure" meal periods are taken, and that they have always done so. *Id.*; *See Brinker, supra*, 53
22 Cal.4th at 1038 (rejecting "ensure" standard). Finally, Defendants contend Plaintiff's meal period claim
23 is not suited for class certification, since individual inquiries would be required to assess which
24 employees took non-compliant meal periods, how many meal periods were non-compliant or missed,
25 and the reasons why a particular employee took a non-compliant meal period or missed a meal period
26 during a particular shift. *Id.* Accordingly, Plaintiff discounted the maximum exposure by 65% for the
27 risk of non-certification, and an additional 70% to account for Defendants' defenses on the merits to
28 arrive at an estimated exposure of \$308,764.37. *Id.*

1 Defendants Failed to Authorize and Permit All Rest Periods: Plaintiff alleges that he and
2 Settlement Class members were also not authorized and permitted to take all required rest periods due
3 to Defendants' rest period policies and practices that fail to authorize and permit all rest periods for every
4 four hours worked, *or major fraction thereof*. Lidman Decl., ¶ 20. Specifically, Plaintiff alleges that
5 due to work demands, he and Settlement Class members were not authorized and permitted to take duty-
6 free net 10 minute rest periods. *Id.* Based on the records produced in connection with mediation, there
7 were approximately 43,614 shifts over 3.5 hours worked during the relevant time period. *Id.*
8 Accordingly, Plaintiff calculated Defendants' maximum exposure for rest period violations at
9 \$3,254,076.00. *Id.*

10 Defendants contend they have always maintained and enforced lawful rest period policies and
11 practices, and that Settlement Class Members were authorized and permitted to take all off-duty rest
12 periods in compliance with California law. Lidman Decl., ¶ 21. Further, Defendants argue that
13 Plaintiff's rest period claim is inherently unsuited for class treatment as it requires an individualized
14 inquiry into whether each Settlement Class Member was in fact authorized and permitted to take a
15 compliant rest period, which would devolve into an unmanageable series of mini-trials. *Id.*
16 Accordingly, Plaintiff discounted the maximum exposure by 65% for the risk of non-certification, and
17 an additional 60% to account for Defendants' defenses on the merits to arrive at an estimated exposure
18 of \$455,570.64. *Id.*

19 Defendants Failed to Reimburse for Business Expenses: Plaintiff alleges that Defendants failed
20 to reimburse him and Settlement Class Members for all necessary business expenses incurred. Lidman
21 Decl., ¶ 22. Specifically, Defendants required Plaintiff and Settlement Class Members to use their
22 personal cellular phones, computers, and/or tools for work-related purposes but did not reimburse the
23 Settlement Class Members for such usage. *Id.* Despite knowing that Settlement Class Members had
24 incurred necessary business expenses to communicate with team members through their own personal
25 electronic devices with internet access, Defendants failed to reimburse putative class members in
26 violation of Labor Code § 2802. *Id.* Therefore, Plaintiff calculated Defendants' maximum exposure for
27 unreimbursed business expenses at approximately \$129,120.00 (\$7.50 x 17,216 workweeks). *Id.*

28 //

1 Defendants contend that employees did not have to use their personal electronic devices to
2 communicate with team members and would only do so at their own volition. Lidman Decl., ¶ 23.
3 Defendants also argue that this claim is not suitable for class treatment because it would require
4 individualized determinations as to whether each employee used a personal cellular phone and/or
5 devices, how often, and how much of that use was a reasonable percentage of their individual monthly
6 expenses. *Id.* As such, Plaintiff discounted the calculated exposure by 55% for a risk of non-certification
7 and an additional 65% for a risk of being unsuccessful on the merits, to arrive at an estimated total of
8 \$20,336.40. *Id.*

9 Defendants Issued Inaccurate Itemized Wage Statements: Plaintiff alleges that Defendants
10 issued inaccurate wage statements in violation of Labor Code § 226 as a result of the alleged unpaid
11 minimum wages, overtime wages, and meal and rest period premium wages described above. Lidman
12 Decl., ¶ 24. Plaintiff's data analysis reflected that there were approximately 7,092 wage statements
13 issued during the relevant time period. *Id.* Therefore, Plaintiff calculated Defendants' maximum
14 exposure for wage statement violations at approximately \$686,150.00 (\$50 for the first violation and
15 \$100 for each subsequent violation). *Id.*

16 Defendants argue that their alleged wage statement violations could not be shown to be
17 "knowing and intentional," and that Plaintiff cannot show that he or any other employee "suffer[ed]
18 injury" as a result of the alleged wage statement violations, as required by Lab. Code § 226(e) for
19 imposition of penalties. Lidman Decl., ¶ 25. As such, Plaintiff discounted the calculated exposure by
20 65% for a risk of non-certification and an additional 80% for a risk of being unsuccessful on the merits,
21 to arrive at an estimated total of \$48,030.50. *Id.*

22 Defendants Are Subject to Waiting Time Penalties: Plaintiff alleges that as a result of failing to
23 pay all wages and all meal and rest period premium at the end of employment, Defendants are liable for
24 waiting time penalties under Labor Code § 203. Lidman Decl., ¶ 26. There are 140 former employees
25 and as such, Plaintiff calculated Defendants' maximum exposure for waiting time penalties to be
26 approximately \$1,772,901.00. *Id.*

27 Defendants assert they have strong defenses to the waiting time claim because there exist good-
28 faith disputes as to Plaintiff's underlying claims, precluding imposition of penalties. Lidman Decl., ¶

27; *See also* 8 Cal. Code Regs. § 13520 (a “good faith dispute that any wages are due will preclude imposition of waiting time penalties”); *Kao v. Joy Holiday*, 12 Cal.App.5th 947, 963 (2017) (holding that “good faith dispute” over whether employee was exempt precluded imposition of waiting time penalties over contested wages owed). As such, Plaintiff discounted the calculated exposure by 65% for a risk of non-certification and an additional 80% for a risk of being unsuccessful on the merits, to arrive at an estimated total of \$124,103.07. *Id.*

Defendants Are Liable for PAGA Civil Penalties: Plaintiff also seeks civil penalties under the PAGA as a result of the foregoing alleged Labor Code violations. Lidman Decl., ¶ 28. Plaintiff calculated Defendants’ maximum exposure at \$2,664,800.00. *Id.*; *see Amaral v. Cintas Corp. No. 2* (2008) 163 Cal.App.4th 1157, 1207 (finding “initial” violation rate applies until employer is notified that it is violating a Labor Code provision).

Defendants argue that Plaintiff’s PAGA claim will fail for the same reasons that his underlying claims will fail. Lidman Decl., ¶ 29; *see Price v. Starbucks Corp.* (2011) 192 Cal.App.4th 1136, 1147 (“Because the underlying causes of action fail, the derivative UCL and PAGA claims also fail.”). Defendants also maintain that, given their good faith defenses, this Court would exercise its discretion to substantially reduce any PAGA penalties if it were to find Defendants liable for any of Plaintiff’s claims. Lidman Decl., ¶ 29; *See* Lab. Code § 2699(e)(2); *Thurman v. Bayshore Transit Mgmt., Inc.* (2012) 203 Cal.App.4th 1112, 1135 (affirming reduction of PAGA penalties); *Fleming v. Covidien Inc.* (C.D. Cal. 2011) Case No. ED CV10-01487 RGK (OPx), 2011 WL 7563047, at *4 (reducing PAGA penalties from \$2.8 million to \$500,000). Therefore, Plaintiff discounted the maximum exposure figure by 65% for a risk of being unsuccessful on the merits, and an additional 75% to account for the possibility of this Court reducing penalties, to arrive at an estimated exposure of \$233,170.00. Lidman Decl., ¶ 29.

E. THE SETTLEMENT IS WITHIN THE RANGE OF POSSIBLE APPROVAL

Using these estimated figures for each of the claims described above, Plaintiff predicted the realistic total recovery for the Settlement Class would be approximately \$1,364,023.46. Lidman Decl., ¶ 30. The proposed settlement of \$430,400.00 therefore represents approximately 31.5% of the

//

1 reasonably forecasted recovery for the Settlement Class. *Id.* Preliminary approval is
2 appropriate, as the settlement will provide tangible monetary relief to Settlement Class members
3 and will still provide an average recovery to Settlement Class members of over \$375.00.

4 The proposed settlement reflects approximately 31.5% of the estimated recovery the Settlement
5 Class could reasonably expect in light of the significant litigation risks, and will provide tangible
6 monetary compensation for hotly disputed claims. Indeed, the percentage of the liability exposure
7 recovered in this case exceeds percentages routinely approved by courts. *See, e.g., Glass v. UBS Finan.*
8 *Servs.* (N.D. Cal. 2007) Case No. C-06-4068 MMC, 2007 WL 221862, *4 (approving settlement
9 representing 25% to 35% of potential damages); *Dunleavy v. Nadler* (9th Cir. 2000) 213 F.3d 454, 459
10 (approving settlement representing about one-sixth of potential recovery); *Nat'l Rural Telecomm.*
11 *Coop. v. DirecTV, Inc.* (C.D. Cal. 2004) 221 F.R.D. 523, 527 (“it is well-settled law that a proposed
12 settlement may be acceptable even though it amounts to only a fraction of the potential recovery that
13 might be available to the Settlement Class members at trial”). Thus, Plaintiff submits that the proposed
14 settlement is within the range of possible approval, such that notice should be provided to the
15 Settlement Class so that they can consider the Settlement. The Court will have the opportunity to again
16 assess the reasonableness of the Settlement after the Settlement Class has had the opportunity to opt-
17 out or object.

18 **F. RISK, EXPENSES, COMPLEXITY, AND DURATION OF FURTHER**
19 **LITIGATION**

20 Although the parties engaged in informal discovery, the parties still had significant formal
21 discovery to complete in litigation had the matter not settled. Lidman Decl., ¶ 35. Moreover, Plaintiff
22 still had to file for class certification and faced the prospect of appeals in the wake of a disputed class
23 certification ruling for Plaintiff and/or an adverse summary judgment ruling. *Id.* Even if the classes
24 sought to be certified by Plaintiff were in fact certified, the parties would incur considerably more
25 attorneys’ fees and costs through a possible decertification motion, trial, and possible appeal. *Id.* This
26 Settlement avoids those risks and the accompanying expense. Thus, this factor supports preliminary
27 approval.

28 //

1 **G. RISK OF MAINTAINING CLASS ACTION STATUS**

2 Plaintiff had not yet filed his motion for class certification and as such, the extent to which
3 Plaintiff’s proposed classes were certifiable is somewhat speculative. Absent settlement, there was a
4 risk that there would not be a certified class at the time of trial.

5 **IV. CLASS CERTIFICATION FOR SETTLEMENT PURPOSES**

6 California Rule of Court 3.769 conditions settlement of a class action on court approval, which
7 is generally evaluated under the federal standards applicable under Rule 23 of the Federal Rules of
8 Civil Procedure. *See Reed v. United Teachers Los Angeles* (2012) 208 Cal.App.4th 322 requires trial
9 court to determine “that the settlement is fair, reasonable and adequate to all concerned”); *Hanlon v.*
10 *Chrysler Corp.* (9th Cir. 1998) 150 F.3d 1011, 1026 requires the trial court to determine “whether a
11 proposed settlement is fundamentally fair, adequate, and reasonable”).

12 As further explained below, the Settlement Class satisfies the criteria for certification of a
13 settlement class under California law because: (1) the Settlement Class is so numerous that joinder
14 would be impractical; (2) common questions of law and fact predominate over individual questions
15 such that class certification is the most efficient and desirable way to maintain this litigation; (3)
16 Plaintiff’s claims are typical of the claims of absent Settlement Class members; and (4) Plaintiff and
17 his counsel will fairly and adequately represent Settlement Class members’ interest. *See* Cal. Civ. Proc.
18 § 382.

19 **A. NUMEROSITY IS SATISFIED.**

20 Here, the proposed Settlement Class consists of approximately 600 members and is therefore
21 sufficiently numerous as to make joinder impracticable. *See* Lidman Decl., ¶ 14; *See, e.g., Bowles v.*
22 *Sup. Ct.* (1955) 44 Cal.2d 574 (holding a class representing 10 beneficiaries of a trust sufficiently
23 numerous). Thus, numerosity is satisfied.

24 Further, a class is “ascertainable” where the members “may be readily identified without
25 unreasonable expense or time by reference to official [or business] records.” *See Sevidal v. Target*
26 *Corp.* (2010) 189 Cal.App.4th 905, 916 (alterations in original). Here, the proposed Settlement Class
27 is defined as “all individuals whom Defendants employed as non-exempt employees and who worked
28 in California at any time during the Class Period... ‘Class Period’ means the period from March 29,
29 2019 through date the Court preliminarily approves the Settlement.” Lidman Decl., ¶ 14.

1 **B. COMMONALITY IS SATISFIED.**

2 The focus in a certification dispute is not the merits, but rather on what types of questions,
3 “common or individual,” are likely to arise in the action. *See Sav-On Drug Store, Inc. v. Superior*
4 *Court (Rocher)* (2004) 34 Cal.4th 319, 327.

5 Here, Settlement Class members’ claims arise from Defendants’ common, uniform policies and
6 practices that applied to Settlement Class members during the class period. Lidman Decl., ¶ 15.
7 Specifically, Plaintiff alleged that Defendants’ common and uniform policies and practices resulted in
8 the following violations: (1) failure to pay all overtime wages owed; (2) failure to pay all minimum
9 wages owed; (3) failure to provide all legally required meal periods; (4) failure to authorize and permit
10 all legally required rest periods; (5) failure to provide accurate, itemized wage statements; (6) failure
11 to indemnify all necessary business expenditures; (7) failure to pay all wages owed upon termination;
12 (8) engagement in unlawful business practices; and (9) liability for civil penalties under the PAGA. *Id.*
13 As a result of the common and uniform policies and practices that applied to all Settlement Class
members, their claims involve common questions of law and fact, including but not limited to:

- 14 1. Whether Defendants paid all overtime wages owed;
15 2. Whether Defendants paid all minimum wages owed;
16 3. Whether Defendants provided all legally compliant meal periods;
17 4. Whether Defendants authorized and permitted all legally required rest periods;
18 5. Whether Defendants failed to furnish accurate, itemized wage statements;
19 6. Whether Defendants reimbursed necessary business expenditures;
20 7. Whether Defendants failed to pay all wages owed upon termination; and
21 8. Whether Defendants’ conduct constituted unlawful and/or unfair business practices.

22 These alleged practices result in common questions as to the affected Settlement Class
23 members. *See e.g., Benton v. Telecom Network Specialists, Inc.* (2013) 220 Cal.App.4th 701, 726.

24 **C. TYPICALITY IS SATISFIED.**

25 The typicality requirement is satisfied where class representatives have claims that are typical
26 of those of the rest of the class. *B.W.I. Custom Kitchen v. Owens-Illinois, Inc.* (1987) 191 Cal.App.3d
27 1341, 1347 (finding typicality satisfied where named Plaintiff purchased the same goods as the putative
28 class in a consumer class action).

1 Here, Plaintiff's claims are typical of those held by the members of the proposed Settlement
2 Class. First, Plaintiff was employed by Defendants during the Class Period as a non-exempt employee
3 and was subject to Defendants' wage and hour policies at issue in this case. Cruz Decl., ¶ 2. Second,
4 Plaintiff was allegedly injured by the same challenged policies that allegedly injured the Settlement
5 Class as a whole. For example, Plaintiff asserts that he was not paid all minimum and overtime wages,
6 was not provided all meal periods, was not authorized and permitted all rest periods, received inaccurate
7 itemized wage statements (similar to those received by the Settlement Class members), and was not
8 reimbursed for necessary business expenses. Cruz Decl., ¶¶ 2-6. Given that Defendants' policies and
9 practices applied to all non-exempt employees, Settlement Class members possess a similar interest
10 and have suffered similar alleged injuries as Plaintiff. Accordingly, because Plaintiff's claims and
11 those of the Settlement Class all arise from the same conduct, typicality is satisfied.

12 **D. ADEQUACY IS SATISFIED.**

13 The adequacy requirement examines conflicts of interest between named parties and the
14 class(es) they seek to represent. *Capital People First v. State Dept. of Developmental Services* 155
(2007) Cal.App.4th 676, 697.

15 Here, there are no apparent conflicts of interest between Plaintiff and the Settlement Class he
16 seeks to represent. Lidman Decl., ¶ 34; Cruz Decl., ¶ 13. Indeed, Plaintiff's interests are aligned with
17 those of the Settlement Class members, as they all seek monetary relief under the same facts and legal
18 theories. Additionally, Class Counsel does not have any conflict of interest with the Settlement Class.
19 Lidman Decl., ¶ 34; *See McGhee v. Bank of America* (1976) 60 Cal.App.3d 442, 450-51 (adequacy
20 satisfied where there was no indication that Class Counsel were not qualified and the named plaintiff
21 had no interests antagonistic to those of the proposed class). Further, Class Counsel also have extensive
22 experience in wage and hour class action litigation and have vigorously litigated this case. *See* Lidman
23 Decl., ¶¶ 2-8; Moore Decl., ¶¶ 2-4; Haines Decl., ¶¶ 2-8.

24 //

1 **V. SETTLEMENT AGREEMENT**

2 **A. THE BASICS**

3 **1. Class Definition**

4 The proposed Settlement Class is defined as “all individuals whom Defendants employed as
5 non-exempt employees who worked in California at any time during the Class Period.” Settlement, ¶
6 1.5.

7 The proposed PAGA Aggrieved Employee group is defined as “all individuals whom
8 Defendants employed as non-exempt employees and who worked in California at any time during the
9 PAGA Period.” Settlement, ¶ 1.4.

10 **2. Class and Release Period**

11 For purposes of this Settlement Agreement, the “Class Period” shall mean the time period of
12 March 29, 2019 through date the Court preliminarily approves the Settlement. Lidman Decl., ¶ 14.

13 Additionally, for purposes of this Settlement Agreement, the “PAGA Period” and release under
14 the PAGA shall mean the time period between March 29, 2022 through date the Court preliminarily
15 approves the Settlement. *Id.*

16 **B. RELEASE OF CLAIMS**

17 **1. Scope**

18 All Participating Class Members, on behalf of themselves and their respective former and
19 present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release
20 Defendants and their respective former, current and future parent companies, subsidiaries, affiliates,
21 shareholders, managers, members, agents, principals, heirs, representative (including, without
22 limitation, any investment bankers, accountants, auditors, consultants, insurers, reinsurers, attorneys
23 and any past, present or future officers, directors and employees) predecessors, successors, and assigns
24 (“Released Parties”) from all claims that were alleged, or reasonably could have been alleged, based on
25 the facts stated in the operative First Amended Complaint and/or ascertained in the course of the Action
26 and which occurred during the Class Period. The claims released include, without limitation, (1) failure
27 to pay overtime wages; (2) failure to pay all minimum wages; (3) failure to provide meal periods or
28 provide premium wages in lieu thereof; (4) failure to provide rest periods or provide premium wages in
lieu thereof; failure to provide accurate, itemized wage statements’ (6) failure to timely pay all wages

1 upon separation of employment; (7) failure to reimburse necessary business expenses; and (8) unfair
2 business practices in violation of or liability under California Labor Code sections 201, 202, 203, 204,
3 218.5, 218.6, 226, 226.3, 226.7, 510, 512, 516, 558, 1194, 1197, 1198, 2802 and the relevant Wage
4 Orders issued by the Industrial Welfare Commission, and any all related claims for attorneys' fees and
5 costs. Settlement, ¶ 5.2.

6 Further, all Aggrieved Employees release, on behalf of themselves and their respective former
7 and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the
8 Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been
9 alleged, based on the facts stated in the operative First Amended Complaint and/or the PAGA Notice
10 and/or ascertained in the course of the Action and which occurred during the PAGA Period. The claims
11 released include, without limitation: (1) failure to pay overtime wages; (2) failure to pay all minimum
12 wages; (3) failure to provide meal periods or provide premium wages in lieu thereof; (4) failure to
13 provide rest periods or provide premium wages in lieu thereof; (5) failure to provide accurate, itemized
14 wage statements; (6) failure to timely pay all wages upon separation of employment; and (7) failure to
15 reimburse necessary business expenses, and the relevant Wage Orders issued by the Industrial Welfare
Commission, and any and all related claims for attorneys' fees and costs. *See* Settlement, ¶ 5.3.

16 **2. Release Effective Date**

17 The releases described above will be effective only on the date that Defendants fully fund the
18 entire Gross Settlement Amount and fully fund all employer payroll taxes owed on the Wage Portion
19 of the Individual Class Payments. Settlement, ¶ 5.

20 **C. MONETARY TERMS OF SETTLEMENT**

21 **1. Gross Settlement Amount and Timing of Payment**

22 If the Court approves this Settlement, Defendants will pay a Gross Settlement Amount ("GSA")
23 of \$430,400.00.³ Lidman Decl., ¶¶ 13, Exh. 2 (Settlement, ¶ 3.1). Significantly, this Settlement is **non-**

24
25 ³ As of May 23, 2024, Defendants' estimate of the number of Compensable Weeks during the Class
26 Period is seventeen thousand two hundred sixteen (17,216). If the actual number of Compensable
27 Weeks during the Class Period is more than ten percent (10%) greater than this estimate (i.e., if the
28 actual Compensable Weeks during the Class Period is greater than eighteen thousand nine hundred
thirty-eight (18,938)), then the Total Settlement Amount as defined in Paragraph 19 above shall be
increased on a proportional basis for Compensable Weeks in excess of seventeen thousand two hundred
sixteen (17,216). *See* Settlement ¶ 8.

reversionary, and no Settlement Class member will have to submit a claim form to receive a Settlement Award. *Id.* Each Settlement Class member will automatically receive a Settlement Award unless he or she affirmatively opts out of the Settlement. Settlement, ¶ 7.5.3.

Within thirty (30) days of the Effective Date, Defendant will transmit the Gross Settlement Amount to the Settlement Administrator. Settlement, ¶ 4.3. The Effective Date means the date by when both of the following have occurred: (a) the Court enters a Judgment on its Order Granting Final Approval of the Settlement; and (b) the Judgment is final. The Judgment is final as of the latest of the following occurrences: (a) if no Participating Class Member objects to the Settlement, the day the Court enters Judgment; or (b) if one or more Participating Class Members objects to the Settlement, the day after the deadline for filing a notice of appeal from the Judgment; or if a timely appeal from the Judgment is filed, the day after the appellate court affirms the Judgment and issues a remittitur. Settlement, ¶ 1.18.

2. Deductions from Settlement Amount

The monetary terms of the Settlement are summarized below:

Settlement Amount (“SA”):	\$430,400.00
Minus Court-approved attorneys’ fees (1/3 of the SA):	\$143,466.67
Minus Court-approved, verified costs (up to \$25,000.00):	\$25,000.00
Minus Court-approved Class Representative Service Award:	\$7,500.00
Minus Settlement Administration Costs:	\$11,500.00
Minus PAGA payment to the LWDA:	\$15,000.00
Net Settlement Amount (“NSA”):	\$227,933.33

After deducting amounts for the Court-approved attorneys’ fees and verified costs, Service Award to Plaintiff, Settlement Administrator costs, and the PAGA payment to the LWDA, the Settlement requires Defendants to pay a Net Settlement Amount (“NSA”) of at least \$227,933.33 to all Settlement Class members who do not timely opt out. Lidman Decl., ¶ 13, Exh. 1. Thus, the average individual payment is \$379.88, as a direct result of this litigation (assuming all Settlement Class members worked the same length of time). *Id.*

//

1 **3. Class Representative Service Award**

2 “[I]ncentive awards are fairly typical in class action cases . . . and are intended to compensate
3 class representatives for work done on behalf of the class [and] to make up for financial or reputational
4 risk undertaken in bringing the action.” *In re Cellphone Fee Termination Cases* (2010) 186 Cal.App.4th
5 1380, 1393-94.

6 Here, as part of the Settlement, Plaintiff will separately apply for a service award at the time of
7 seeking final approval of the proposed class action settlement in the amount of \$7,500.00 for his
8 services to the Settlement Class. Lidman Decl., ¶ 33, Exh. 1 (Settlement, ¶ 3.2.1); Cruz Decl., ¶¶ 3-
9 11. As will be fully briefed at the time of final approval, Plaintiff’s requested service award is intended
10 to recognize the time and effort Plaintiff expended on behalf of the Settlement Class, including
11 providing substantial factual information and documents to Class Counsel, attending multiple meetings
12 with Class Counsel to discuss the claims and theories at issue in the litigation, as well as the significant
13 risks Plaintiff undertook by agreeing to serve as the named plaintiff in this case, and the fact that
14 Plaintiff has agreed to a general release of all claims subject to a waiver of Civil Code § 1542. *See*
15 Lidman Decl., ¶ 33; Cruz Decl., ¶¶ 3-11; Settlement ¶ 5.1.1.

16 **4. Attorneys’ Fees and Costs**

17 California courts recognize an appropriate method for awarding attorneys’ fees in class actions
18 is to award a percentage of the “common fund” created as a result of a settlement. *See e.g., Laffitte v.*
19 *Robert Half Int’l, Inc.* (2016) 1 Cal.5th 480, 506 (holding “the percentage of fund method survives in
20 California class action cases”). Class Counsel’s request for fees of one-third of the GSA is well within
21 the range of reasonableness, and indeed is considered the typical rate for common fund settlements.
22 Historically, courts have awarded percentage fees in the range of 20% to 50%, depending on the
23 circumstances of the case. *See* 4 Newberg on Class Actions § 14.6 (4th Ed. 2013).

24 Here, Class Counsel will apply for an attorneys’ fees award of one-third of the GSA, which is
25 currently estimated to be \$143,466.67, and up to \$25,000.00 in verified costs reimbursement. *See*
26 Settlement, ¶ 3.2.2; Lidman Decl., ¶ 31. Plaintiff submits the requested fee is fair compensation for
27 undertaking complex, risky, expensive, and time-consuming litigation on a purely contingent fee basis.
28 *Id.* Further, Plaintiff has provided written approval of the split of attorneys’ fees in this action. Lidman

Decl., ¶ 32. Class Counsel has incurred substantial attorney fees conducting pre-filing investigation, analyzing Plaintiff's claims, conducting legal research, reviewing approximately hundreds of pages of Defendants' documents and policies, analyzing Settlement Class members' timekeeping data and payroll records, preparing for and attending mediation, negotiating and revising the long-form Settlement, preparing this Motion, and otherwise litigating the case. Lidman Decl., ¶ 31. Class Counsel expect to expend additional attorney time in attending the hearing on this Motion, overseeing the Notice process and fielding questions from Settlement Class members, preparing the final approval papers, and attending the Final Approval hearing. *Id.*

Class Counsel submits that the request for attorneys' fees is reasonable when viewed as an overall percentage of the settlement in light of the substantial risks, significant work undertaken, the extremely positive results obtained for the class, and the efficiency with which the Parties conducted the litigation. Should the Court grant preliminary approval, Class Counsel will seek an award of attorneys' fees and verified litigation costs at the time of seeking final approval of the Settlement, which will include a lodestar analysis.

5. Payroll Taxes

The Settlement provides that Defendants shall separately pay any and all employer payroll taxes owed. Settlement ¶ 3.1.

6. Payment Formula

According to Defendants, there are approximately 600 total Settlement Class members. Lidman Decl., ¶ 14. The Net Settlement Amount shall be allocated to Settlement Class members who worked during the Class Period, as follows: An individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks. Settlement ¶ 3.2.4.

The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25 percent share of PAGA Penalties (\$5,000) by the total number of PAGA Period Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Period Pay Periods. Settlement ¶ 3.2.7.1.

//

1 **7. Tax Allocation**

2 For purposes of calculating applicable taxes and withholdings, each Settlement Award shall be
3 allocated as follows:

4 Of the Individual Class Payments:

- 5 a. Thirty-Three percent (33%) of each Participating Class member's Individual Class
6 Payment will be allocated to settlement of wage claims. This is subject to tax withholding
7 and will be reported on an IRS W-2 Form.
- 8 b. Sixty-Seven percent (67%) of each Participating Class Member's Individual Class
9 Payment will be allocated to settlement of claims for interest and penalties. This is not
10 subject to wage withholdings and will be reported on IRS 1099 Forms.

11 Settlement, ¶ 3.2.5. Participating Class Members assume full responsibility and liability for any
12 employee taxes owed on their Individual Class Payment. *Id.*

13 Of the Individual PAGA Payments: The Administrator will report the Individual PAGA
14 Payments on IRS 1099 Forms. Settlement, ¶ 3.2.7.2.

15 **8. PAGA Penalty**

16 The parties have agreed to a PAGA award of \$20,000.00 and in accordance with California Labor
17 Code section 2699(i), the LWDA will receive 75% of the amount attributable to PAGA penalties – or
18 \$15,000.00. Settlement ¶ 3.2.7. This \$20,000.00 represents roughly 4.65% of the \$430,400.00 Total
19 Settlement Amount and is above the zero to two percent range for PAGA claims approved by
20 Courts. *See, e.g., In re M.L. Stern Overtime Litig.*, No. CV 07-0118 BTM (JMAx), 2009 WL 995864,
21 at *1 (S.D. Cal. Apr. 13, 2009) (approving PAGA settlement of 2 percent, or \$20,000); *Hopson v.*
22 *Hanesbrands, Inc.*, No. CV 08-0844 EDL, 2008 WL 3385452, at *1 (S.D. Cal. Apr. 13, 2009)
23 (approving a PAGA settlement of 0.3 percent, or \$1,500); *Nordstrom Comm'n Cases*, 186 Cal. App.
24 4th 576, 589 (2010) (approving settlement of wage and hour class action claims and PAGA claims under
25 which no money was allocated to the PAGA claims).

26 //

1 **VI. NOTICE ADMINISTRATION**

2 **A. SETTLEMENT ADMINISTRATOR**

3 Phoenix Settlement Administrator's ("PSA") fees and expenses are estimated not to exceed
4 \$11,500.00. See Declaration of Jodey Lawrence in support of Plaintiff's Motion for Preliminary
5 Approval filed concurrently herewith ("Lawrence Decl."). This request is reasonable in light of the
6 proposed class size of approximately 600 Settlement Class members and the costs and expenses
7 associated with administering the notices and distributing the awards. Additionally, PSA will translate
8 the Notice and mail the Notice in both English and Spanish to Settlement Class members. Lawrence
9 Decl., ¶ 16.

10 **B. QUALIFICATIONS AND EXPERIENCE OF ADMINISTRATOR**

11 PSA has extensive experience administering class action matters. Lawrence Decl., ¶ 5. PSA has
12 administered complex wage and hour, labor and employment, consumer/product liability, TCPA,
13 FLSA, FACTA, ERISA and PAGA class action matters, through final approval and distribution. PSA
14 has developed a system of quality assurance measures, to ensure the highest quality service is provided
15 in our cases and to class members. *Id.*

16 **C. CLASS LIST FROM DEFENDANT**

17 Within 20 calendar days after entry of an order preliminarily approving this Agreement,
18 Defendants will provide the Settlement Administrator with each Settlement Class Member's name, last-
19 known mailing address, Social Security number, and number of Class Period Workweeks and PAGA
20 Pay Periods. Settlement, ¶ 1.8.

21 **D. CLASS LIST UPDATED PRIOR TO INITIAL MAILING**

22 Upon receipt of the Class Data, the Settlement Administrator will perform a search based on the
23 National Change of Address (NCOA) Database to update Class Member addresses. Settlement, ¶ 7.4.2.

24 **E. DEADLINE FOR INITIAL ISSUANCE OF NOTICE TO CLASS MEMBERS**

25 Within 14 calendar days from receipt of the Class Data, the Settlement Administrator shall mail
26 a Notice to each Settlement Class member at his or her last known address or at the updated address
27 found through the NCOA search. Settlement, ¶ 7.4.2.

28 **F. NOTICE COMPLIES WITH CAL. RULES OF COURT, RULE 3.766(D)**

The content of the proposed Notice satisfies California Rule of Court 3.766(d) because it
advises Settlement Class members of the nature of the claims, basic contentions and denials of the

1 parties, and the key terms of the Settlement, the 60-day deadline to opt-out or object to the Settlement
2 and the procedures by which to do so, explains the recovery formula and expected recovery amount
3 for each Settlement Class member, provides them the opportunity to contest their total workweeks
4 included in the notice, and advises them that they will be bound by the terms of the Settlement if they
5 do not opt-out. *See* Lidman Decl., Exh. 1 (Settlement, Exh. A). The proposed Notice will also notify
6 Settlement Class members of the final approval hearing date and provides Settlement Class members
7 the contact information for Class Counsel, and advises Settlement Class members that they may enter
8 an appearance through counsel if they wish to. Settlement, Exh. A. This manner of giving notice
9 satisfies California Rule of Court 3.766(e) as the most reliable and cost-effective method of reaching
10 Settlement Class members.

11 **G. PROCESSING OF PAYMENTS**

12 Within 14 days of Defendants fully funding the Gross Settlement Amount, the Settlement
13 Administrator will mail Individual Settlement Payments, less applicable taxes and withholdings, to
14 participating Settlement Class members. Settlement, ¶ 4.4.

15 **H. UNDELIVERABLE NOTICE PACKETS**

16 Any Notices returned to the Settlement Administrator as undelivered on or before the Response
17 Deadline shall be re-mailed to the forwarding address affixed thereto. Settlement, ¶ 7.4.3. If no
18 forwarding address is provided, the Settlement Administrator shall conduct a Class Member Address
19 Search, and re-mail the Class Notice to the most current address obtained. *Id.* If a Settlement Class
20 member's Notice is returned to the Settlement Administrator more than once before the Response
21 Deadline, the Settlement Administrator is not required to continue to make reasonable efforts to obtain
an updated mailing address. *Id.*

22 **I. NOTICE OF ANY CHANGE OF LOCATION OR DATE OF HEARING AND** 23 **FINAL JUDGMENT**

24 Any changes to date, time, or location of the Final Approval Hearing will be posted on an
25 internet website maintained by the Settlement Administrator. Settlement, ¶ 7.9. Notice of the Court's
26 final judgment will also be posted on the Settlement Administrator's website. *Id.*

1 **VII. RESPONSES TO NOTICE**

2 **A. REQUESTS FOR EXCLUSION**

3 The Request for Exclusion must 1) include the Class Member's name, address and email address
4 or telephone number; and (2) reasonably communicate the Class Member's election to be excluded from
5 the Settlement. Settlement, ¶ 7.5.1.

6 The Parties agree there is no statutory or other right for any Settlement Class member to opt out
7 or otherwise exclude himself or herself from the PAGA portion of the Settlement. A Settlement Class
8 member who submits a valid and timely Request for Exclusion shall still receive his or her proportionate
9 share of the PAGA Amount. Settlement, ¶7.5.4.

10 **B. RE-MAILED NOTICES**

11 The deadlines for Class Members' written objections, Challenges to Workweeks and/or Pay
12 Periods, and Requests for Exclusion will be extended an additional 14 days beyond the 60 days
13 otherwise provided in the Class Notice for all Class Members whose Notice is re-mailed. Settlement, ¶
14 7.4.4. Notices that are re-mailed shall inform the recipient of this adjusted deadline. *Id.*

15 **C. OBJECTION PROCEDURES**

16 Participating Class Members must send any objection in writing to the Administrator via fax,
17 email, or mail and must do so not later than 60 days after the mailing of the Notice. Settlement, ¶ 7.7.2.
18 In the alternative, Participating Class Members may appear in Court to present verbal objections at the
19 Final Approval Hearing. *Id.*

20 **VIII. DISTRIBUTION OF UNCASHED FUNDS**

21 The Settlement provides that Settlement Class members with 180 days from the date the
22 Settlement Administrator mails the checks and any funds remaining after 180 days shall be transmitted
23 by the Settlement Administrator to the California State Controller's Office under the unclaimed
24 property laws in the names and corresponding amounts associated with each Participating Class
25 Member. Settlement ¶ 4.4.3. As all settlement funds will be distributed to the Settlement Class
26 members, there will be no residue and it is unnecessary to designate *cy pres* recipients.

1 **IX. CONCLUSION**

2 This Court should set a hearing for final approval of the Settlement on a date appropriately
3 scheduled to follow the deadline by which Settlement Class members must file objections to the
4 Settlement or opt-out. *See* California Rule of Court 3.769.

5 Therefore, for the foregoing reasons, Plaintiff respectfully requests that the Court preliminarily
6 approve the proposed Settlement, provisionally certify the Settlement Class, and enter the Proposed
7 Order Granting Preliminary Approval of Class Action Settlement submitted concurrently herewith.
