1. I am an attorney at law, duly licensed to practice before all the Courts of the State of California, and I am the principal of Bokhour Law Group, P.C., co-counsel with Joshua Falakassa of Falakassa Law, P.C., as attorney of record for Plaintiff Jorge Martinez and the Settlement Class. As such, I am familiar with the file in this matter, and if called as a witness, I could and would competently testify to the following facts of my own personal knowledge.

2. I graduated with a Bachelor of Arts degree in Political Science from the University of California, Berkeley, in 2007. I received my J.D. from Loyola Law School—Los Angeles in 2012 and became a member of the California State Bar in December 2012.

4. I have been a member, in good standing, of the State Bar of California since 2012. I am admitted to practice before all California state courts, the U.S. Court of Appeals for the Ninth Circuit, the U.S. District Court for the Central District of California, Eastern District of California, and Southern District of California, and have litigated class action and Private Attorneys General Act (“PAGA”) representative action cases in various courts in California.

5. I have handled approximately 300 employment litigation matters during my eleven years in practice. Over the last seven years, my practice has exclusively represented employees, most of which included class action and representative action wage and hour matters. I have been appointed by various courts as class counsel and have received final court approval and judgment in numerous class actions. I anticipate receiving final approval in many more in the future.

6. As part of these settlements and judgments, I have recovered at least 50 million dollars in damages for my clients and the class members (who often work as essential workers, nurses, technicians, warehouse workers, truck drivers, sales, and countless other trades).

7. I was selected as a “Super Lawyer Rising Star” in Employment Litigation from

1 2017 through 2022 and as a “Super Lawyer” in 2023 through 2025. This distinction is reserved
2 for the top 2.5% of lawyers in the practice area. I have also been recognized by TopVerdicts.com
3 for achieving several of the top wage and hour class action settlements and PAGA actions in
4 California.

5 8. I am an active member of the California Employment Lawyers Association
6 (“CELA”) and have attended numerous Continuing Legal Education courses on employee
7 advocacy.

8 9. My firm has the experience, resources, and means necessary to allow us to
9 provide adequate representation to all Settlement Class Members in this Action.

10 10. Currently, my firm is acting as co-counsel in at least fifty wage and hour class
11 actions.

12 11. Class Counsel are respected members of the California Bar with strong records
13 of vigorous and effective advocacy for their clients, and they are experienced in handling
14 complex class action litigation. Both Class Counsel and Plaintiff were prepared to litigate the
15 claims in this action, but they strongly and unequivocally support the proposed Settlement as
16 being in the best interest of the Settlement Class based on the circumstances referenced herein.

17 12. In the opinion of Class Counsel, the recovery for each Settlement Class Member
18 is well within the acceptable range for this type of action. This Settlement is also favorable, as
19 the Settlement Class will promptly receive compensation rather than face the uncertainties
20 inherent in further litigation and the years-long wait for this action to be tried. It is also telling
21 that the Settlement Class has overwhelmingly supported the Settlement on the terms set forth
22 in the Settlement Agreement. No Settlement Class Member has objected to the class-wide
23 Settlement obtained in this matter, and only one Settlement Class Member requested exclusion,
24 and no objections were submitted. Based on all considerations, this Settlement is highly
25 favorable and is in the best interests of the Settlement Class.

26 13. In sum, all relevant factors support final approval of the Settlement. The parties
27 negotiated at arm's length under the supervision of an experienced and well-respected mediator.
28 Class Counsel also investigated, discovered, and analyzed class claims extensively. Moreover,

1 Class Counsel, experienced class action litigators, strongly believe that this Settlement provides
2 an excellent result for the Settlement Class. Lastly, the fact that no objections were filed
3 requesting denial of final approval and no one requested exclusion from the Settlement weighs
4 strongly in favor of approving the Settlement. For these reasons, this Court should conclude
5 that under the circumstances of this case, the proposed Settlement is fair, adequate, and well
6 within the range of reasonableness.

7 **The Proposed Enhancement Award to Plaintiff as Class Representative is Reasonable**

8 14. Plaintiff and Class Counsel request that the Court finally approve a Class
9 Representative Service Payment of \$10,000 for the time, effort, and risks he undertook in
10 participating in this Action. Because a named plaintiff is an essential ingredient of any class
11 action, a service payment is appropriate to induce individuals to step forward and assume the
12 burdens and obligations of representing the settlement class. In deciding the amount of service
13 payment for a class representative, relevant factors include the actions the plaintiff has taken to
14 protect the interests of the settlement class, the degree to which the settlement class has
15 benefited from those actions, and the amount of time and effort the plaintiff expended in
16 pursuing the action.

17 15. In the instant case, Plaintiff assisted Class Counsel on many occasions with
18 investigating and prosecuting this action. Plaintiff provided many documents and relevant
19 information to Class Counsel, spent numerous hours educating Class Counsel on the inner
20 workings of Defendant's operations and timekeeping practices, and made himself available for
21 mediation. The amount sought for the Class Representative aligns with service payments in
22 similar wage-and-hour class actions. In Class Counsel's experience, service payments in wage
23 and hour actions typically range from \$5,000 to \$40,000. Further, Defendant supports the
24 requested Class Representative Service Payment of \$10,000 to Plaintiff.

25 16. As such, the service payment requested is intended to compensate Plaintiff for
26 his critical role in this case and the substantial time, effort, and risks he undertook to help secure
27 the result obtained on behalf of the Settlement Class. The Class Representative Service
28 Payment requested is well-deserved and warranted.

The Requested Attorneys' Fees and Costs are Fair, Reasonable, and Appropriate

17. Class Counsel's application for an award of Attorneys' Fees in an amount of approximately 33.33% of the Settlement Amount on behalf of the Settlement Class is reasonable and fair. The requested fee falls at the lower end of the Ninth Circuit's historical benchmark for attorneys' fees, 20% to 40% of a common fund. It is fair compensation for undertaking complex, risky, expensive, and time-consuming litigation on a contingent basis.

18. For Class Counsel, the fees here were wholly contingent in nature, and the case presented far more risk than the usual contingent fee case. There was the prospect of the enormous costs inherent in class-action litigation and a long battle with the corporate Defendant. That prospect has become a reality in trial courts and the Court of Appeal in other wage-and-hour class actions. Class Counsel risked not only a great deal of time but also a great deal of expense to ensure the successful litigation of this action on behalf of all Settlement Class Members. Based upon the foregoing, Class Counsel respectfully requests that the Court award Attorneys' Fees in the amount of \$150,008.82 and costs incurred in the amount of \$13,047.15.

Class Counsel will collectively work approximately 152 hours on this case. Class Counsel's hourly rate, in this case for Mehrdad Bokhour, is \$750 per hour, and my co-counsel, Joshua Falakassa, worked approximately 74.5 hours on this case at an hourly rate of \$725 per hour. Accordingly, this results in a total lodestar amount of \$112,137.50, summarized in the following table and the declaration of Class Counsel. The hourly rates above are comparable to those of other attorneys with equal or similar experience. The requested fee represents a modest multiplier of approximately 1.11 on the combined lodestar, which is well within the range that courts regularly approve.

Attorney	Experience	Hourly Rate	Hours	Total Lodestar
Mehrdad Bokhour	13 years	\$750	77.5 ¹	\$58,125

¹ Includes an estimated 15 hours of additional work preparing for and attending the hearing (inclusive of finalizing and filing the motion, appearing at the hearing, addressing the Court's questions/concerns, submitting revised documents, responding to class members who are anxious to receive their check, and so on), as well as 20 hours in anticipated work to be performed after the final approval, working with counsel, administrator, and Class Members (which includes up to 1.5 years of case management relating to ensuring timely payment from Defendant, reviewing the calculations, checks are timely mailed, responding to class members questions about the timing of checks/missing checks/lost checks and remailings, working with the administrator regarding uncashed checks and remailings,

Joshua Falakassa	12 years	\$725	74.5	\$54,012.50
Total Lodestar				\$112,137.50

19. The ultimate result was far from certain. When this case was taken on a contingency fee basis, the firm agreed to assume responsibility for all litigation costs. In the course of this Action, Class Counsel paid all costs, including filing fees, court costs, research fees, and mediation costs. There was never a guarantee that we would recoup those expenditures.

20. It has been my experience that the benchmark for an attorney's fee award in California state cases is one-third of a common fund.

21. The fee is warranted because of the results achieved for the Settlement Class Members, both in terms of the immediate cash settlement and the fact that the Settlement Class Members resoundingly supported the Settlement. Defendant does not oppose this fee request.

22. The following are the itemized litigation costs (actually incurred) for the above-referenced matter:

(1)	Mediation	\$11,000
(2)	Filing Fees	\$2,066.35
(3)	Service of Process	\$96.40
(4)	Expert fees	\$4,640
	Total	\$17,802.75

23. The LWDA's confirmation of receipt of this settlement is attached hereto as Exhibit "A."

24. A true and correct copy of the Settlement Agreement is attached as Exhibit "B."

25. Plaintiff and the Class Members are all individuals who are or were employed by Defendant as non-exempt hourly employees in California between March 24, 2019, and April 6, 2024, and opted out of Defendant's arbitration program. The primary claims, which Defendant disputes, involve allegations that the Class Members were not paid all wages owed due to Defendant's timekeeping practices. Additionally, Plaintiff alleges claims for failure to pay all wages, non-compliant meal and rest periods, wage statement violations, waiting time penalties, and associated PAGA penalties.

assisting with the Administrator's declarations regarding payments and uncashed checks, potentially filing an amended judgment, appearing at the final disbursement hearing and/or submitting paperwork related thereto.

1 26. The proposed Settlement was the product of arm's length negotiations, including
2 a full day mediation conducted before experienced class action mediator Lynn Frank, Esq.

3 27. Plaintiff and Class Counsel have diligently investigated the claims raised in this
4 litigation and, after taking into account the disputed factual and legal issues involved in this
5 action, the risks attending further prosecution, and the benefits to be received pursuant to the
6 compromise and settlement of the Action as set forth in the Settlement, concluded that the
7 Settlement terms are fair, reasonable, and in the best interest of the Settlement Class.

8 28. As the Settlement Agreement reveals, there is no preferential treatment for any
9 segment of the Settlement Class, as the Settlement is designed to fairly and adequately
10 compensate all Settlement Class Members. Pursuant to California Rules of Court Rule 3.769(b),
11 the parties have disclosed the agreed-upon and proposed Attorneys' Fees, which are well within
12 the range of reasonableness for matters of this nature.

13 29. As set forth at the time of preliminary approval, Class Counsels' investigation into
14 the facts and merits of the wage and hour claims alleged included analyzing substantial amounts
15 of information, correspondence, documents, timekeeping and pay data, policies and procedures,
16 and evidence relating to the class size and the commonality of the claims. During this process,
17 Plaintiff and Class Counsel investigated the potential claims of similarly situated employees and
18 researched Defendant's defenses. Finally, Class Counsel synthesized and analyzed information
19 provided by Defendant as to the total Settlement Class Members, the number of current and
20 former employees, and the number of employees who worked during various time periods and
21 prepared comprehensive damages calculations regarding the wage and hour claims at issue.

22 30. In light of the uncertainties of protracted litigation, this negotiated Settlement
23 reflects the best practicable recovery for the Settlement Class. While the total Settlement amount
24 is, of course, a compromise figure, the potential risks and opportunities for both parties were
25 weighed and considered, resulting in a fair and equitable Settlement. Based upon detailed data
26 obtained through discovery and information exchanges and factoring in claim certification and
27 liability probabilities, Class Counsel formulated detailed damages models to evaluate the claims
28

1 in preparation for mediation and reach a realistic and reasonable resolution. Of course, Defendant
2 denies that any damages should be assessed and denies all of the value assessed by Plaintiff.

3 31. Moreover, as further detailed in Plaintiff's Motion for Preliminary Approval of
4 Class Action Settlement, Defendant strongly disputed the merits of the case and the damages on
5 several grounds.

6 32. The Settlement should be approved, and judgment entered based on the
7 determination that the Settlement is fair, reasonable, adequate, and in the best interests of the
8 Settlement Class.

9 33. In compliance with California Rules of Professional Conduct section 1.5.1,
10 Plaintiff signed a fee split agreement that provides fees will be allocated between Class Counsel
11 as follows: fifty percent (50%) to the Bokhour Law Group, P.C. and fifty percent (50%) to
12 Falakassa Law, P.C.

13 I declare under penalty of perjury under the laws of California that the foregoing is true
14 and correct, this 6th day of February 2026, at Los Angeles, California.

- 2.1 On March 24, 2023, Plaintiff filed suit in Los Angeles Superior Court, asserting claims based on Ferguson's alleged: (1) failure to pay minimum wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to provide rest breaks; (5) failure to pay all sick time; (6) failure to provide accurate itemized wage statements; (7) failure to pay all wages due upon separation of employment; and (8) failure to reimburse business expenses. Plaintiff also asserted a violation of California's Unfair Competition Law ("UCL").
- 2.2 On April 27, 2023, Ferguson timely answered the complaint, denying the claims and asserting various affirmative defenses. Ferguson timely removed the case to the U.S. District Court for the Central District of California on April 28, 2023.
- 2.3 Pursuant to Labor Code section 2699.3, subd.(a), Plaintiff gave timely written notice to Ferguson and the LWDA by sending the PAGA Notice.

- 2.4 On February 6, 2024, the Parties participated in an all-day mediation presided over by Lynn Frank, Esq., which led to this Agreement to settle the Action.
- 2.5 Per the terms of the settlement, within 7 days of the later of (i) the signing of this Agreement or (ii) the remand of the Action to state court, Plaintiff will amend the Action to include claims under PAGA that conform to the class claims asserted in the Action and the PAGA claims asserted in Plaintiff's PAGA Notice. For purposes of this Settlement only, Ferguson agrees to waive any statute of limitations defense it may assert against Plaintiff's PAGA claims. Should, for whatever reason, the Settlement set forth in this Agreement not become Final, the amended complaint shall be deemed stricken, null and void ab initio, with the previously filed complaint in the Action remaining the operative pleading, and Ferguson shall retain all defenses to any PAGA claim Plaintiff may assert, including that the PAGA claim is barred by the applicable statute of limitations.
- 2.6 Prior to mediation, Plaintiff obtained, through informal discovery, a sampling of time and corresponding pay records belonging to approximately 25% of Class Members, relevant Ferguson policies, Plaintiff's time and payroll records and wage statements, and the total number of Class Periods Employees and workweeks worked during the Class Period.
- 2.7 Following the mediation, as part of the settlement of the Action, the parties submitted a stipulation to remand the Action to state court, filed on February 27, 2024.
- 2.8 The Court has not granted class certification.
- 2.9 The Parties, Class Counsel and Defense Counsel represent that they are not aware of any other pending matter or action asserting claims that will be extinguished or affected by the Settlement.

3. MONETARY TERMS.

- 3.1 Gross Settlement Amount. Except as otherwise provided by Paragraph 10 below, Ferguson promises to pay \$375,000.00, and no more as the Gross Settlement Amount, and to separately pay any and all employer payroll taxes owed on the Wage Portions of the Individual Class Payments. Ferguson has no obligation to pay the Gross Settlement Amount (or any payroll taxes) prior to the deadline stated in Paragraph 4.3 of this Agreement. The Administrator will disburse the entire Gross Settlement Amount without asking or requiring Participating Class Members or PAGA Members to submit any claim as a condition of payment. None of the Gross Settlement Amount will revert to Ferguson.
- 3.2 Payments from the Gross Settlement Amount. The Administrator will make and deduct the following payments from the Gross Settlement Amount, in the amounts specified by the Court in the Final Approval Order:

- 3.2.1 To Plaintiff: Class Representative Service Payment to the Class Representative of not more than \$10,000 (in addition to any Individual Class Payment and any Individual PAGA Payment the Class Representative is entitled to receive as a Participating Class Member). Ferguson will not oppose Plaintiff's request for a Class Representative Service Payment that does not exceed this amount. As part of the motion for Class Counsel Fees Payment and Class Litigation Expenses Payment, Plaintiff will seek Court approval for any Class Representative Service Payments by no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Representative Service Payment less than the amount requested, the Administrator will retain the remainder in the Net Settlement Amount. The Administrator will pay the Class Representative Service Payment using IRS Form 1099. Plaintiff assumes full responsibility and liability for employee taxes owed on the Class Representative Service Payment.
- 3.2.2 To Class Counsel: A Class Counsel Fees Payment of not more than \$125,000 (representing 33.33% of the Gross Settlement Amount), and a Class Counsel Litigation Expenses Payment of not more than \$20,000. Ferguson will not oppose requests for these payments provided that they do not exceed these amounts. Plaintiff and/or Class Counsel will file a motion for Class Counsel Fees Payment and Class Litigation Expenses Payment no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the Net Settlement Amount. Released Parties shall have no liability to Class Counsel or any other Plaintiff's Counsel arising from any claim to any portion any Class Counsel Fee Payment and/or Class Counsel Litigation Expenses Payment. The Administrator will pay the Class Counsel Fees Payment and Class Counsel Expenses Payment using one or more IRS 1099 Forms. Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fees Payment and the Class Counsel Litigation Expenses Payment and holds Ferguson harmless, and indemnifies Ferguson, from any dispute or controversy regarding any division or sharing of any of these Payments.
- 3.2.3 To the Administrator: An Administrator Expenses Payment not to exceed \$6,000 except for a showing of good cause and as approved by the Court. To the extent the Administration Expenses are less, or the Court approves payment of less than \$6,000, the Administrator will retain the remainder in the Net Settlement Amount.
- 3.2.4 To Each Participating Class Member: An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks.
- 3.2.4.1 Tax Allocation of Individual Class Payments. 33% of each Participating Class Member's Individual Class Payment will be

allocated to settlement of wage claims (the “Wage Portion”). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. 67% of each Participating Class Member’s Individual Class Payment will be allocated to settlement of claims for all interest and penalties (the “Non-Wage Portion”). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment.

3.2.5 Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis according to their respective workweeks.

3.2.6 To the LWDA and Covered Employees: PAGA Penalties in the amount of \$50,000 will be paid from the Gross Settlement Amount, with 75% allocated to the LWDA PAGA Payment and 25% allocated to the Individual PAGA Payments.

3.2.6.1 The Administrator will calculate each Individual PAGA Payment by dividing the amount of the PAGA Member’s 25% share of PAGA Penalties (\$12,500) by the total number of PAGA Period Pay Periods worked by all PAGA Members during the PAGA Period and (b) multiplying the result by each PAGA Member’s PAGA Period Pay Periods. PAGA Members assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.

3.2.6.2 If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

4. SETTLEMENT FUNDING AND PAYMENTS.

4.1 Class Workweeks and PAGA Member Pay Periods. Based on a review of its records to date, Ferguson estimates there are 162 Class Members who collectively worked a total of 29,600 Workweeks, and 97 PAGA Members who worked a total of 2,075 PAGA Pay Periods.

4.2 Class Data. Not later than 30 days after the Court grants Preliminary Approval of the Settlement, Ferguson will deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. To protect Class Members’ privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the

Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Ferguson has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Ferguson must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

- 4.3 Funding of Gross Settlement Amount. The Settlement Administrator will provide Ferguson with wire transfer information within three (3) days after the Effective Date. Ferguson shall fully fund the Gross Settlement Amount by transmitting the funds to the Administrator no later than twenty (20) days after the Settlement Administrator provides Ferguson with wire transfer information.
- 4.4 Payments from the Gross Settlement Amount. Within 10 days after Ferguson funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment. Disbursement of the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment and the Class Representative Service Payment shall not precede disbursement of Individual Class Payments and Individual PAGA Payments.
 - 4.4.1 The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the date (not less than 180 days after the date of mailing) when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Settlement Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all PAGA Members including Non-Participating Class Members who qualify as PAGA Members (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Settlement Administrator must update the recipients' mailing addresses using the National Change of Address Database.
 - 4.4.2 The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without a USPS forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall

promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.

4.4.3 For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to the California Controller's Unclaimed Property Fund in the name of the Class Member thereby leaving no "unpaid residue" subject to the requirements of California Code of Civil Procedure Section 384, subd. (b).

4.4.4 The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Ferguson to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

5. RELEASES OF CLAIMS. Effective on the date when Ferguson fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiff, Class Members, and Class Counsel will release claims against all Released Parties as follows:

- 5.1 Release by Plaintiff. In consideration of Plaintiff's awarded Class Representative Service Payment, Plaintiff's Individual Class Payment, and the other terms and conditions of the Settlement, as of the date the Settlement becomes Final and is fully funded, Plaintiff, on behalf of himself and his respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, releases any and all known and unknown claims that arose on or before the date he signs this agreement against Ferguson and the Released Parties. Expressly excluded from Plaintiff's release are any claims for workers compensation benefits, unemployment insurance benefits, and any other claims that cannot be released by law.
- 5.2 Release by Participating Class Members Who Are Not PAGA Members. In consideration for their awarded Individual Settlement Shares, as of the date Ferguson fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Class Members (other than those Class Members who timely and validly elected not to participate in the Settlement) release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, any and all claims against Ferguson and the Released Parties that were or reasonably could have been asserted based on the facts alleged in the Action that, from March 24, 2019 through April 6, 2024, Defendant failed to: (1) pay minimum wages; (2) pay overtime wages; (3) provide meal periods; (4) provide rest breaks; (5) pay all sick time; (6) provide accurate itemized wage statements; (7) pay all wages due upon separation of employment; and (8) reimburse business expenses. The released claims include but are not limited to claims brought under California Labor Code sections 201, 202, 203, 204, 210, 226, 226.3, 226.7, 246, 510, 512, 516, 558, 1182.12, 1194, 1194.2, 1197, 1197.1, 1198, 1199, 2802, and the applicable IWC Wage Orders, as well

as claims under Code of Civil Procedure section 1021.5, 3287, and 3289. Such released claims include claims for expenses, statutory penalties, civil penalties, or other relief under the California Labor Code, relief from unfair competition under California Business and Professions Code section 17200 et seq.; attorneys' fees and costs; and interest (the "Class Members' Released Claims").

- 5.3 Release by PAGA Members. In consideration for their awarded Settlement Shares, as of the date Ferguson fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all PAGA Members will release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns any and all claims for civil penalties under PAGA against Ferguson and the Released Parties that that were or reasonably could have been asserted based on the facts alleged in the Action or the PAGA Notice, including but not limited to allegations that, from May 15, 2023 through April 6, 2024, Ferguson failed to: (1) pay minimum wages; (2) pay overtime wages; (3) provide meal periods; (4) provide rest breaks; (5) pay all sick time; (6) provide accurate itemized wage statements; (7) pay all wages due upon separation of employment; and (8) reimburse business expenses, including but not limited to PAGA claims for civil penalties based on California Labor Code sections 201, 202, 203, 204, 210, 226, 226.3, 226.7, 246, 510, 512, 516, 558, 1182.12, 1194, 1194.2, 1197, 1197.1, 1198, 1199, and 2802, and the applicable IWC Wage Orders, as well as claims for attorneys' fees and costs (the "Released PAGA Claims"). All PAGA Members who worked for Ferguson during the PAGA Period will release the PAGA claims described herein and will receive a portion of the amount set aside as PAGA penalties, regardless of whether they opt out of the release of the Class Claims.
- 5.4 With respect to the Plaintiff's Released Claims only, the Parties stipulate and agree that the Plaintiff shall have, by operation of the judgment and approval order entered by the Court, waived and relinquished, to the fullest extent permitted by law, the provisions, rights, and benefits of section 1542 of the California Civil Code, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS
THAT THE CREDITOR OR RELEASING PARTY DOES NOT
KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT
THE TIME OF EXECUTING THE RELEASE AND THAT, IF
KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY
AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR
OR RELEASED PARTY.

The Plaintiff shall be deemed to have acknowledged that this Settlement Agreement is intended to waive and release all released claims that he does not know or suspect to exist in his favor at the time of the approval of this Settlement Agreement.

6. **MOTION FOR PRELIMINARY APPROVAL.** Within a reasonable time after Plaintiff amends his class action complaint, Plaintiff will move for an order giving preliminary

approval of the Settlement (“Motion for Preliminary Approval”) that complies with the Court’s current checklist for Preliminary Approvals.

- 6.1 Plaintiff’s Responsibilities. Plaintiff will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code Section 2699, subd. (f)(2)); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; (iii) a draft proposed Class Notice; (iv) a signed declaration from the Administrator attaching its “not to exceed” bid for administering the Settlement and attesting to its willingness to serve; competency; operative procedures for protecting the security of Class Data; amounts of insurance coverage for any data breach, defalcation of funds or other misfeasance; all facts relevant to any actual or potential conflicts of interest with Class Members; and the nature and extent of any financial relationship with Plaintiff, Class Counsel or Defense Counsel; (v) a signed declaration from Plaintiff confirming willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members, and/or the Administrator; and (vi) a signed declaration from each Class Counsel firm attesting to its competency to represent the Class Members, and its timely transmission to the LWDA of all necessary PAGA documents (initial notice of violations (Labor Code section 2699.3, subd. (a)), Operative Complaint (Labor Code section 2699, subd. (l)(1)), and this Agreement (Labor Code section 2699, subd. (l)(2));
- 6.2 Responsibilities of Counsel. Class Counsel is responsible for expeditiously finalizing and filing the Motion for Preliminary Approval no later than 45 days after the full execution of this Agreement; obtaining a prompt hearing date for the Motion for Preliminary Approval; and for appearing in Court to advocate in favor of the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court’s Preliminary Approval order to the Administrator.
- 6.3 Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court’s concerns.

7. SETTLEMENT ADMINISTRATION.

- 7.1 Selection of Administrator. The Parties have jointly selected Phoenix Class Action Administration Solutions to serve as the Administrator and verified that, as a condition of appointment, Phoenix agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of

Administration Expenses. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.

- 7.2 Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports to state and federal tax authorities.
- 7.3 Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund under U.S. Treasury Regulation section 468B-1.
- 7.4 Notice to Class Members.
 - 7.4.1 No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, PAGA Members, Workweeks, and Pay Periods in the Class Data.
 - 7.4.2 Using best efforts to perform as soon as possible, and in no event later than 15 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service (“USPS”) mail, the Class Notice substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.
 - 7.4.3 Not later than 5 business days after the Administrator’s receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.
 - 7.4.4 The deadlines for Class Members’ written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the 45 days otherwise provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.

- 7.4.5 If the Administrator, Ferguson or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, whichever are later.

7.5 Requests for Exclusion (Opt-Outs)

- 7.5.1 Class Members who wish to exclude themselves from (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.
- 7.5.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.
- 7.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Release under Paragraph 5.2 of this Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.
- 7.5.4 Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are PAGA

Members are deemed to release the claims identified in Paragraph 5.3 of this Agreement and are eligible for an Individual PAGA Payment.

7.5.5 Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 10 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion (“Exclusion List”); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).

7.6 Challenges to Calculation of Workweeks. Each Class Member shall have 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator’s determination of each Class Member’s allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator’s determination of the challenges.

7.7 Objections to Settlement.

7.7.1 Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.

7.7.2 Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 45 days after the Administrator’s mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).

7.7.3 Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

7.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

7.8.1 Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval order, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval order and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.

7.8.2 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include provide the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.

7.8.3 Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.

7.8.4 Administrator’s Declaration. Not later than 14 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator’s declaration(s) in Court.

7.8.5 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

8. **ESCALATOR CLAUSE.** If the total number of workweeks worked by Class Members between March 24, 2019 and December 31, 2023 exceeds the 29,522 workweeks represented by Ferguson at the mediation by more than 10% (i.e., 32,474 workweeks), the Gross Settlement Amount shall increase proportionally by the amount it exceeds 10% (i.e., if number of workweeks worked by Class Members between March 24, 2019 and December 31, 2023 exceeds 29,522 by 14%, the settlement would increase proportionally by 4%).
9. **FERGUSON'S RIGHT TO WITHDRAW.** If ten percent (10%) or more of the Class Members, or a number of Class Members whose Individual Settlement Shares represent ten percent (10%) or more of the total of all Individual Settlement Shares, validly elect not to participate in the Settlement, Ferguson will have the right to rescind the Settlement, and the Settlement and all actions taken in its furtherance will be null and void. Ferguson must exercise this right within 15 days after the Settlement Administrator notifies the parties of the number of opt-outs, which the Settlement Administrator will do within 10 days after the deadline for submission of opt-outs. If Ferguson exercises the right to rescind, it will be responsible for the costs of administration of the Settlement incurred through that time.
10. **MOTION FOR FINAL APPROVAL.** Not later than 16 court days before the scheduled Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (l), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiff shall provide drafts of these documents to Defense Counsel not later than 10 days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.
 - 10.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
 - 10.2 Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to attempt to address the Court's concerns. The Court's decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment

and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

- 10.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.
- 10.4 Waiver of Right to Appeal. The parties waive all appeals from the final approval of the Settlement unless the Court materially modifies the Settlement, except that Plaintiff and Class Counsel may appeal from an order by the Court that reduces the amounts sought for the Class Representative Payment or the Class Counsel Fees or Expenses Payment. Such an order or affirmance of such an order will not entitle Plaintiff or the Class to avoid the Settlement. Ferguson's payment obligation under the Settlement will be suspended pending an appeal of the Judgment.
- 10.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to attempt to address the appellate court's concerns, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged
11. **AMENDED JUDGMENT.** If an amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit a proposed amended judgment.
12. **ADDITIONAL PROVISIONS.**
- 12.1 No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Ferguson that any of the allegations in the Operative Complaint have merit or that Ferguson has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Ferguson's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval or enter Judgment, Ferguson reserves the right to contest certification of any class for any reasons, and Ferguson reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Ferguson's defenses.

The Settlement, this Agreement and the Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

- 12.2 No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.
- 12.3 Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.
- 12.4 Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Ferguson, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.
- 12.5 Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement as agreed by the Parties, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.
- 12.6 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 12.7 No Tax Advice. Neither Plaintiff, Class Counsel, Ferguson nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 12.8 Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.

- 12.9 Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 12.10 Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.
- 12.11 Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 12.12 Confidentiality. Plaintiff and his attorneys agree not to issue any press or other media releases or talk to the press or media regarding the Settlement, and Plaintiff's attorneys agree not to publicize the Settlement on their website or social media. In addition, prior to filing of the Motion for Preliminary Approval, Plaintiff and his attorneys will not have any communication with anyone other than family members, clients, Class Members, financial advisors, retained experts, and vendors related to settlement administration, regarding the Settlement. If, before the filing of the Motion for Preliminary Approval, Plaintiff or his attorneys disclose to any unauthorized party (a) that a settlement has been reached or (b) any of the terms of the Settlement except as required by law or to effect the Settlement, Ferguson may rescind the Settlement, rendering it null and void.
- 12.13 Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Ferguson in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall destroy all paper and electronic versions of Class Data received from Ferguson unless, prior to the Court's discharge of the Administrator's obligation, Ferguson makes a written request to Class Counsel for the return, rather than the destruction of, Class Data.

**SUPERIOR COURT OF THE STATE OF CALIFORNIA
COUNTY OF LOS ANGELES**

**COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING
DATE FOR FINAL COURT APPROVAL**

(Jorge Martinez v. Ferguson Enterprises, LLC, Case No. 23STCV06590)

*The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.*

You may be eligible to receive money from an employee class action lawsuit (“Action”) against Ferguson Enterprises, LLC (“Ferguson”) for alleged wage and hour violations. The Action was filed by a former Ferguson employee, Jorge Martinez (“Plaintiff”) and seeks payment of (1) back wages, statutory penalties, and interest for a class of non-exempt hourly employees who work or worked for Ferguson in California during the Class Period (March 24, 2019 to April 6, 2024), and who opted out of Ferguson’s arbitration program (“Class Members”); and (2) penalties under the California Private Attorney General Act (“PAGA”) for all non-exempt hourly employees who work or worked for Ferguson in California during the PAGA Period (May 15, 2023 to April 6, 2024), and who opted out of Ferguson’s arbitration program (“PAGA Members”).

The proposed Settlement has two main parts: (1) a Class Settlement requiring Ferguson to fund Individual Class Payments, and (2) a PAGA Settlement requiring Ferguson to fund Individual PAGA Payments and to make a payment to the California Labor and Workforce Development Agency (“LWDA”).

Based on Ferguson’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be \$ _____ (less withholding) and your Individual PAGA Payment is estimated to be \$ _____. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Ferguson’s records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work during the PAGA Period.)**

The above estimates are based on Ferguson’s records showing that **you worked _____ workweeks** during the Class Period and **you worked _____ workweeks** during the PAGA Period. If you believe that you worked more workweeks during either period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or do not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff’s attorneys (“Class Counsel”). The Court will also decide whether to enter a judgment that requires Ferguson to make payments under the Settlement and requires Class Members and

PAGA Members to give up their rights to assert certain claims against Ferguson.

If you worked for Ferguson during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don’t have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Ferguson.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Ferguson. You cannot opt-out of the PAGA portion of the proposed Settlement, and thus, if you are a PAGA member, remain eligible for an Individual PAGA Payment regardless of whether you opt out of the Class Settlement.

Ferguson will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don’t Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Ferguson that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is _____	If you don’t want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Ferguson must pay Individual PAGA Payments to all PAGA Members and the PAGA Members must give up their rights to pursue Released Claims (defined below).

Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by	All Class Members who do not opt-out (“Participating Class Members”) can object to any aspect of the proposed Settlement. The Court’s decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 7 of this Notice.
You Can Participate in the _____ Final Approval Hearing	The Court’s Final Approval Hearing is scheduled to take place on _____. You don’t have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court’s virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number of Class Period Workweeks and number of PAGA Period Pay Periods you worked according to Ferguson’s records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by _____. See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former Ferguson employee. The Action accuses Ferguson of violating California labor laws, asserting claims based on Ferguson’s alleged: (1) failure to pay minimum wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to provide rest breaks; (5) failure to pay all sick time; (6) failure to provide accurate itemized wage statements; (7) failure to pay all wages due upon separation of employment; and (8) failure to reimburse business expenses. Plaintiff also asserted a violation of California’s Unfair Competition Law (“UCL”). Based on the same claims, Plaintiff has also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, et seq.) (“PAGA”). Plaintiff is represented by attorneys in the Action: Mehrdad Bokhour of Bokhour Law Group, P.C., and Joshua S. Falakassa of Falakassa Law, P.C. (“Class Counsel.”)

Ferguson strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Ferguson or Plaintiff is correct on the merits. In the meantime, Plaintiff and Ferguson hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an agreement to settle the case rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement (“Agreement”) and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Ferguson have negotiated a proposed Settlement that is subject to the Court’s Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Ferguson does not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Ferguson has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and PAGA Members. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Ferguson Will Pay \$375,000 as the Gross Settlement Amount (Gross Settlement). Ferguson has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel’s attorney’s fees and expenses, the Administrator’s expenses, and penalties to be paid to the California Labor and Workforce Development Agency (“LWDA”). Assuming the Court grants Final Approval, Ferguson will fund the Gross Settlement not more than 23 days after the Judgment entered by the Court become final. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.
2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
 - A. Up to \$125,000 (33% of the Gross Settlement) to Class Counsel for attorneys’ fees and up to \$20,000 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
 - B. Up to \$10,000 as a Class Representative Award for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiff will receive other than Plaintiff’s Individual Class Payment and any Individual PAGA Payment.

C. Up to \$ 6,000 to the Administrator for services administering the Settlement.

D. Up to \$50,000 for PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the PAGA Members based on their PAGA Period Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the “Net Settlement”) by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.
4. Taxes Owed on Payments to Class Members. Plaintiff and Ferguson are asking the Court to approve an allocation of 33% of each Individual Class Payment to taxable wages (“Wage Portion”) and 67% to interest and penalties (“Non-Wage Portion.”). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Ferguson will separately pay employer payroll taxes it owes on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiff and Ferguson have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor, at your own expense, if you have any questions about the tax consequences of the proposed Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don’t cash it by the void date, your check will be automatically cancelled, and the monies will be deposited with the California Controller’s Unclaimed Property Fund in your name.

If the monies represented by your check is sent to the Controller’s Unclaimed Property, you should consult the rules of the Fund for instructions on how to retrieve your money.

6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than _____, that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the _____ Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her representative setting forth a Class Member’s name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members)

will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Ferguson.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Ferguson based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiffs and Ferguson have agreed that, in either case, the Settlement will be void: Ferguson will not pay any money and Class Members will not release any claims against Ferguson.
8. Administrator. The Court has appointed a neutral company, _____ (the “Administrator”) to send this Notice, calculate and make payments, and process Class Members’ Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator’s contact information is contained in Section 9 of this Notice.
9. Participating Class Members’ Release. After the Judgment is final and Ferguson has fully funded the Gross Settlement and separately paid all employer payroll taxes, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Ferguson or related entities for wages based on the Class Period facts and PAGA penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

The Participating Class Members who are not PAGA Members will be bound by the following release:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release any and all claims against Ferguson and any present and former parents, subsidiaries and affiliated companies or entities, and their respective officers, directors, employees, partners, shareholders and agents, and any other successors, assigns and legal representatives and its related persons and entities (“Released Parties”) that were or reasonably could have been asserted based on the facts alleged in the Action that, from March 24, 2019 through April 6, 2024, Defendant failed to: (1) pay minimum wages; (2) pay overtime wages; (3) provide meal periods; (4) provide rest breaks; (5) pay all sick time; (6) provide accurate itemized wage statements; (7) pay all wages due upon separation of employment; and (8) reimburse business expenses. The released claims include but are not limited to claims brought under California

Labor Code sections 201, 202, 203, 204, 210, 226, 226.3, 226.7, 246, 510, 512, 516, 558, 1182.12, 1194, 1194.2, 1197, 1197.1, 1198, 1199, 2802, and the applicable IWC Wage Orders, as well as claims under Code of Civil Procedure section 1021.5, 3287, and 3289. Such released claims include claims for expenses, statutory penalties, civil penalties, or other relief under the California Labor Code, relief from unfair competition under California Business and Professions Code section 17200 et seq.; attorneys' fees and costs; and interest.

10. PAGA Members' PAGA Release. After the Court's judgment is final, and Ferguson has fully funded the Gross Settlement and separately paid all employer payroll taxes, all PAGA Members will be barred from asserting PAGA claims against Ferguson, whether or not they exclude themselves from the Settlement. This means that all PAGA Members, including those who are Participating Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue, or participate in any other PAGA claim against Ferguson or its related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

The PAGA Members' Releases for Participating and Non-Participating Class Members are as follows:

All Participating and Non-Participating Class Members who are PAGA Members are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, any and all claims for civil penalties under PAGA against Ferguson and the Released Parties that were or reasonably could have been asserted based on the facts alleged in against Ferguson in the Action or the PAGA Notice, including but not limited to allegations that, from May 15, 2023 through April 6, 2024, Ferguson failed to: (1) pay minimum wages; (2) pay overtime wages; (3) provide meal periods; (4) provide rest breaks; (5) pay all sick time; (6) provide accurate itemized wage statements; (7) pay all wages due upon separation of employment; and (8) reimburse business expenses, including but not limited to PAGA claims for civil penalties based on California Labor Code sections 201, 202, 203, 204, 210, 226, 226.3, 226.7, 246, 510, 512, 516, 558, 1182.12, 1194, 1194.2, 1197, 1197.1, 1198, 1199, and 2802, and the applicable IWC Wage Orders, as well as claims for attorneys' fees and costs.

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing \$_____ by the total number of PAGA Pay Periods worked by all PAGA Members and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual PAGA Member.

3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Ferguson's records, are stated in the first page of this Notice. You have until _____ to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Ferguson's calculation of Workweeks and/or Pay Periods based on Ferguson's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Ferguson's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

5. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as PAGA Members. The single check will combine the Individual Class Payment and the Individual PAGA Payment.
2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every PAGA Member who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

6. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

Submit a written and signed letter with your name, present address, telephone number, and a simple statement that you do not want to participate in the Settlement. The Administrator will exclude you based on any writing communicating your request be excluded. Be sure to personally sign your request, identify the Action as *Jorge Martinez v. Ferguson Enterprises, LLC*, Case No. 23STCV06590, and include your identifying information (full name, address, telephone number, approximate dates of employment, and social security number for verification purposes). You must make the request yourself. If someone else makes the request for you, it will not be valid. **The Administrator must be sent your request to be excluded by _____, or it will be invalid.** Section 9 of the Notice has the Administrator's contact information.

7. HOW DO I OBJECT TO THE SETTLEMENT?

Only Participating Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiff and Ferguson are asking the Court to approve. At least 16 days before the _____ Final Approval Hearing, Class Counsel and/or Plaintiff will file in Court (1) a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, and (2) a Motion for Fees, Litigation Expenses and Service Award stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiff is requesting as a Class Representative Service Award. Upon reasonable request, Class Counsel (whose contact information is in Section 9 of this Notice) will send you copies of these documents at no cost to you. You can also view them on the Administrator's Website

_____ (url) or the Court's website _____ (url).

A Participating Class Member who disagrees with any aspect of the Agreement, the Motion for Final Approval and/or Motion for Fees, Litigation Expenses and Service Award may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested by Class Counsel or Plaintiff are too high or too low. **The deadline for sending written objections to the Administrator is _____.** Be sure to tell the Administrator what you object to, why you object, and any facts that support your objection. Make sure you identify the Action *Jorge Martinez v. Ferguson Enterprises, LLC*, Case No. 23STCV06590, and include your name, current address, telephone number, and approximate dates of employment for Ferguson and sign the objection. Section 9 of this Notice has the Administrator's contact information.

Alternatively, a Participating Class Member can object (or personally retain a lawyer to object at your own cost) by attending the Final Approval Hearing. You (or your attorney) should be ready to tell the Court what you object to, why you object, and any facts that support your objection. See Section 8 of this Notice (immediately below) for specifics regarding the Final Approval Hearing.

8. CAN I ATTEND THE FINAL APPROVAL HEARING?

You can, but don't have to, attend the Final Approval Hearing on _____ at _____ (time) in Department 15 of the Los Angeles Superior Court, located at 312 North Spring Street, Los Angeles, CA 90012. At the Hearing, the judge will decide whether to grant Final Approval of the Settlement and how much of the Gross Settlement will be paid to Class Counsel, Plaintiff, and the Administrator. The Court will invite comment from objectors, Class Counsel and Defense Counsel before making a decision. You can attend (or hire a lawyer, at your own expense, to attend) either personally or virtually via LACourtConnect (<https://www.lacourt.org/lacc/>).
