Attorneys for Plaintiffs & Putative Class

SUPERIOR COURT OF THE STATE OF CALIFORNIA
FOR THE COUNTY OF TULARE
(UNLIMITED JURISDICTION)

ELOY MACEDONIO, JESUS
MACEDONIO, and NORLAN CRUZ on
behalf of themselves and others similarly
situated,

Plaintiffs,

vs.

K&M VISSER DAIRY; KEITH VISSER,
individually; BRYCE VISSER, individually;
WESTON VISSER, individually; and DOES 1
through 50, inclusive,

Defendants.

Case No. VCU316060

*Assigned for all purposes to: Hon. Nathan D. Ide in
Dept. 9*

**DECLARATION OF ENRIQUE MARTINEZ
IN SUPPORT OF PLAINTIFFS'
MEMORANDUM OF POINTS AND
AUTHORITIES IN SUPPORT OF
PLAINTIFFS' UNOPPOSED MOTION FOR
FINAL APPROVAL OF CLASS ACTION
SETTLEMENT, ATTORNEYS FEES,
COSTS, ENHANCEMENTS, CLAIMS
ADMINISTRATION AND ENTERING OF
JUDGMENT**

**Date: July 13, 2026
Time: 08:30 a.m.
Dept.: 9**

1 I, Enrique Martínez, declare as follows:

2 1. I am a member in good standing of the Bar of the State of California and an attorney
3 with the Law Offices of Enrique Martinez in Oakland, California. I am one of the attorneys for the
4 Plaintiffs and the Class in this action. I have personal knowledge of the facts set forth in this
5 declaration and could and would testify competently to them.

6 2. I make this Declaration in support of Plaintiffs' Memorandum of Points and
7 Authorities in Support of Motion for Final Approval of Class Action Settlement, Attorney's Fees,
8 Costs, Enhancement, Claims Administration, and Entering of Judgment.

9 **Summary of Work Performed by Class Counsel, Results & Attorney's Fee Request**

10 3. Defendants hired experienced counsel and vigorously defended this action. Prior to
11 filing the Complaint, we conducted extensive legal and investigative research and had many phone
12 calls with our clients. The Named Plaintiffs, Eloy Macedonio, Jesus Macedonio and Norlan Cruz
13 ("Class Representatives") sought meal period and rest break premiums, overtime compensation, and
14 other relief on behalf of themselves and a putative class of not exempt employees who worked for
15 Defendants K&M Visser Dairy as dairy workers.

16 4. Defendants answered the Complaint, denying each and every allegation in Plaintiffs'
17 Complaint. The Plaintiffs then propounded significant written discovery and had to engage in
18 extensive meeting and conferring to obtain the requested information. The parties participated in
19 mediation in September 2025. Preparation for mediation was thorough, with Plaintiffs' counsel
20 gathering and processing data, including thousands of time and payroll records provided by
21 Defendants in order to calculate damages. Class Counsel also interviewed witnesses and drafted
22 comprehensive mediation statements.

23 5. Following execution of the settlement agreement, which we negotiated with
24 Defendants at length and with the help of Honorable David I. Brown (Ret.), of JAMS, an experienced
25 employment class action mediator, we prepared the motion for preliminary approval. We worked
26 closely with the Claims Administrator following preliminary approval of the settlement to calculate
27 estimated amounts due to class members and arrange the mailing of the class notice and dispute form.

28 6. Throughout the period after preliminary approval was granted, Class Counsel

1 performed extensive follow-ups with settlement class members. We spoke with class members,
2 informing them of their options and answering questions they had.

3 7. Defendants will make the full settlement payment of \$500,000 not later than within
4 thirty (30) days from August 31, 2026, which is the date originally set for the hearing on Plaintiffs'
5 Motion for Final Approval. The amounts of any uncashed checks sent to Eligible Class Members will
6 be distributed to Valley Children's Hospital, a non-profit organization that provides services to
7 residents in the San Joaquin Valley, as a *cy press* recipient.

8 8. According to our calculations, the maximum potential recovery from the primary
9 claims of meal period and rest break violations is approximately \$652,000, assuming certification
10 was maintained through trial and judgment, all defense challenges to potential liability were defeated,
11 and Plaintiffs recovered 100% of their claims. Thus, the proposed \$500,000 settlement constitutes
12 approximately 76% of the maximum recoverable amount, not including attorney fees, for the primary
13 claims of meal and rest break violations. Approximately \$290,185 from the total amount or Net
14 Settlement Fund, will be distributed to the Class of 109 workers. Again, the amounts of any uncashed
15 checks sent to Eligible Class Members will be distributed to Valley Children's Hospital.

16 9. Following the dissemination of the Class Notice and providing adequate time for Class
17 Members to present an objection, as described in more detail by the Notice Administrator in her
18 declaration, no class members objected to the Settlement. Thus, the proposed Settlement is entitled
19 to the presumption that it is reasonable, fair and one which should be finally approved.

20 10. I believe that my firm, as well as the Law Offices of John E. Hill, has represented, and
21 will continue to represent the best interests of the class. We have engaged in extensive investigation
22 of the facts and the applicable law. We have many years of experience in handling class actions,
23 other complex litigation, and claims based on the same substantive law asserted in the action. We
24 have committed and will continue to commit the resources necessary to provide the class with quality
25 representation. Class counsel have applied for an award of attorneys' fees in the amount of \$166,665,
26 which is 33.3% of the gross Settlement Fund. We have calculated our \$168,710 lodestar fee at rates
27 reflecting those currently earned in the marketplace, which is over of the requested amount of
28 attorneys' fees. I was admitted to the California Bar in 2000 and my hourly rate is \$775. I have spent

1 over 139.2 hours since October 2024 and expect to spend more hours in the future responding to class
2 member questions through the distribution process. These rates are in line with rates typically
3 approved in wage and hour class action litigation. *See Exhibit A.* The paralegals at the Law Offices
4 of John E. Hill also devoted 347.6 hours to the case, primarily working with the class data and
5 handling calls from class members. The hourly rate for our paralegals is \$175.

6 11. In addition to the description of our work in this case, as explained above, the
7 following is a summary of the tasks we undertook in this case: pre-litigation investigations since
8 October 2024, including meeting with and interviewing former workers and reviewing their pay
9 information; legal research concerning primarily meal and rest period cases and recent case law
10 developments; thorough analysis of Defendants' policies, practices and procedures concerning pay
11 practices, in particular; drafting complaints and other pleadings; preparation of discovery and
12 extensive meeting and conferring with Defendants' counsel; drafting of mediation briefs, especially
13 as it relates to the class data and damages calculations, and attend mediation; work up the details and
14 negotiation of the settlement agreement; drafting of approval motions; and communication with class
15 members concerning the distribution processes. All of the tasks and work performed were reasonable
16 and necessary to the prosecution of this case. Our firms only have eight attorneys combined. Class
17 Counsel believe that firms of our size face even greater risks in litigating class actions with no
18 guarantee of payment.

19 12. I graduated from Yale University and from UCLA Law School. I have extensive
20 knowledge of employment litigation throughout California in both federal and state courts. I began
21 my legal career at Lieff, Cabraser, Heimann & Bernstein in San Francisco working primarily on civil
22 rights and employment class actions. Since then, I have litigated over 35 wage and hour class actions
23 involving overtime, meal periods, unreimbursed business expenses, and other California Labor Code
24 violations, leading to favorable statewide class action and nationwide collective action settlements
25 that have recouped millions of dollars in unpaid wages and penalties. Throughout my career, my
26 practice has focused on employment law, and I have primarily represented low-wage, immigrant
27 workers. I am a member of the California Employment Lawyers Association (CELA) and a former
28 chair of CELA's Immigrant Employment Rights Committee. I also have served on various non-profit

1 organizations' boards and am a past president of La Raza Centro Legal in San Francisco.

2 13. Class Counsel is seeking \$10,150 in costs, which was communicated to the Class in
3 the Class Notice. The majority of these costs have been for mediator fees, the filing of the Complaint,
4 and data entry expenses, while smaller amounts have been paid for other ordinary litigation costs and
5 expenses such as filing fees and mail costs. We respectfully request to be reimbursed for these
6 necessary costs which Class Counsel incurred in the representation of the Plaintiffs and the Class.

7 **Work Performed by the Class Representatives**

8 14. Plaintiffs' counsel worked closely with Plaintiffs Eloy Macedonio, Jesus Macedonio
9 and Norlan Cruz to prosecute and resolve this litigation.

10 15. Class Counsel's work with the Plaintiffs included initial meetings with them, at which
11 time they agreed to serve as class representatives. Following these meetings, the attorney and
12 paralegals in our offices worked with Plaintiffs on various matters related to the litigation. Since
13 October 2024, the Plaintiffs came forward in this action on behalf of the entire class, produced
14 documents, assisted counsel in bringing the case and investigating the underlying merits, conferred
15 with counsel on settlement negotiations, attended mediation, and extensively monitored the progress
16 of the litigation.

17 16. The Plaintiffs, in working with our offices, put in extensive time finding and
18 contacting other class members. They reached out to their former co-workers to inform them of the
19 litigation. The Plaintiffs' time and effort resulted in Plaintiffs' Counsel obtaining a significant
20 amount of information and class data, which in turn, facilitated the settlement of this action.

21 17. As Class Representatives, the Plaintiffs took their duties and responsibilities seriously.
22 They stayed in constant contact with our offices and assisted us whenever we requested their time or
23 knowledge of the case. The Class Representatives spent time working with the attorneys on phone
24 consultations, meetings, mediation and settlement documents. They provided us with information
25 that was vital to the prosecution of this action and final successful resolution of this lawsuit. In
26 addition, they were exposed to the potential risk of having to pay for Defendants' costs if they did
27 not resolve this lawsuit. I believe that the requested enhancement payment of \$5,000 to each of the
28 Named Plaintiffs is extremely fair and reasonable in light of all the circumstances.

1 18. Upon filing this declaration and other related documents in support of Final Approval
2 with this Court, my office will electronically file them with the LWDA for purposes of the Private
3 Attorneys General Act (“PAGA”).

4 I make this Declaration under penalty of perjury under the laws of the United States and the
5 State of California, in Jalisco, Mexico.

6 Date: June 18, 2026

Respectfully Submitted,

LAW OFFICE OF ENRIQUE MARTINEZ, PC
