Defendants.

Case No.: 30-2023-01319123-CU-OE-CXC

**DECLARATION OF PLAINTIFF
MATTHEW NORTON IN SUPPORT OF
MOTION FOR PRELIMINARY
APPROVAL OF CLASS ACTION
SETTLEMENT**

Complaint filed: April 14, 2023

I, Matthew Norton, state and declare:

1. I am the Plaintiff in the above captioned action and have personal knowledge of all matters stated herein and could competently testify thereto. I make this declaration in support of the motion for preliminary approval of the class action settlement. I believe that the settlement is fair and reasonable and constitutes a fair resolution of the claims alleged.

2. When I first retained my attorneys (Lauby, Mankin & Lauby), I chose to pursue this case on a class action basis rather than as an individual claim. In that regard, I understood that I had specific burdens as the "Class Representative," which included: (a) representing the interests of all class members, (2) considering the interests of all class members above my own

1 personal interests, (3) participating actively in the lawsuit, including potential testimony at
2 deposition and trial, and keeping generally aware of the status and progress of the lawsuit.
3 Moreover, I understood that any resolution of the lawsuit is subject to court approval and must
4 be designed in the best interests of the class as a whole.

5 3. Since first initiating this action on behalf of the proposed class, I believe that I
6 have more than adequately performed my duties as a class representative. I have been an active
7 participant in this litigation, including assisting my attorneys in various ways and making myself
8 available when needed. For example, I have assisted my attorneys by compiling and analyzing
9 substantial documentation regarding the claims in this case. I have also helped to explain and
10 discuss the company's practices and their general practices and procedures, locating and
11 analyzing company documents, among others. I have also reviewed all settlement documents and
12 believe that this settlement is fair for the class. Finally, I will continue to take all steps necessary
13 to finalize this settlement and obtain court approval.

14 4. I have no conflicts with the proposed class members and will continue to assist
15 with the litigation and prosecute the case on behalf of the other employees.

16 5. I respectfully request that the court preliminarily approve the service award. As
17 outlined above, I have performed substantial services for the Class and helped obtain a highly
18 beneficial settlement for my fellow employees. And I have also agreed, as part of this Class
19 action settlement and in connection with the individual settlement I have agreed to with the
20 company, to waive all of my claims against the company as part of this settlement and in
21 exchange for the service award – which goes well beyond the release given by other class
22 members. At the final approval stage, I will submit an additional declaration setting forth all the
23 work I did for this case, including an estimated number of hours spent assisting the Class and my
24 attorneys.

25 I declare under penalty of perjury under the laws of the State of California that the
26 foregoing is true and correct. Executed on Dec 18, 2024, at Whittier, California.
