II. RECITALS

A. Procedural History. On May 17, 2022, Plaintiff filed a wage-and-hour class action lawsuit against Defendant in the Superior Court of California, County of Orange. The lawsuit alleged the following causes of action: (1) violation of Labor Code sections 510 and 1198 (unpaid overtime); (2) violation of Labor Code sections 226.7 and 512(a) (unpaid meal period premiums); (3) violation of Labor Code section 226.7 (unpaid rest period premiums); (4) violation of Labor Code sections 1194 and 1197 (unpaid minimum wages); (5) violation of Labor Code sections 201 and 202 (final wages not timely paid); (6) violation of Labor Code section 226(a) (noncompliant wage statements); (7) violation of Labor Code sections 2800 and 2802 (unreimbursed business expenses); and (8) violation of Business & Professions Code section 17200, *et seq.*

The Parties remotely attended mediation on April 3, 2023. Under the auspices of the mediator Steve Serratore, the Parties reached a settlement of the lawsuit. In line with the settlement, Plaintiff provided written notice to the LWDA and Defendant of the specific provisions of the Labor Code she contends were violated and the theories supporting her contentions on April 12, 2023. Plaintiff then filed a First Amended Complaint adding a cause of action for violation of Labor Code section 2698, *et seq.* (PAGA).

- B. Investigation and Discovery.** Before and after the Action was filed, the Parties conducted significant investigation and discovery of the relevant facts and law. Prior to mediation, Defendant produced documents relating to their wage-and-hour policies, practices, and procedures, including those regarding meal and rest periods, overtime, and logging hours worked. Plaintiff also reviewed time and pay records and information relating to the size and scope of the Class, as well as data permitting Plaintiff to understand the number of workweeks in the Class Period. Furthermore, Plaintiff interviewed putative class members who worked for Defendant during the Class Period. The Parties agree that the above-described investigation and evaluation, as well as the information exchanged during the settlement negotiations, are more than sufficient to assess the merits of the respective Parties' positions and to compromise the issues on a fair and equitable basis.
- C. Mediation.** On April 3, 2023, the Parties remotely participated in a private mediation with Steve Serratore, a well-respected mediator with considerable experience mediating wage-and-hour class actions. This mediation took place only after the Parties informally exchanged extensive information and data. The mediation and subsequent negotiations resulted in the Settlement described herein to resolve this Action in its entirety.
- D. Benefits of Settlement to Class Members.** Plaintiff and Class Counsel recognize the expense and length of additional proceedings necessary to continue the litigation against Defendant through trial and through any possible appeals. Plaintiff and Class Counsel have taken into account the uncertainty and risks of further litigation, the potential outcome, and the difficulties and delays inherent in such litigation. Plaintiff and Class Counsel have also conducted extensive settlement negotiations, including a full day of formal mediation. Based on the foregoing, Plaintiff and Class Counsel believe the Settlement set forth in this Agreement is a fair, adequate, and reasonable settlement, and is in the best interests of the Class Members.
- E. Defendant's Reasons for Settlement.** Defendant recognizes the defense of this litigation will be protracted and expensive for all Parties. Substantial amounts of Defendant's time, energy, and resources have been and, unless this Settlement is made, will continue to be devoted to the defense of the claims Plaintiff has asserted. Defendant has also considered risks of further litigation in reaching its decision to enter this Settlement. Despite continuing to contend it is not liable for any of the claims set forth by Plaintiff, Defendant has agreed to settle in the manner and upon the terms set forth in this Agreement to put to rest the claims as set forth in the Action.
- F. Defendant's Denial of Wrongdoing.** Defendant generally and specifically denies any and all liability or wrongdoing of any sort with regard to any of the claims alleged, makes no concessions or admissions of liability of any sort, makes no concessions or admissions that any Class Member is or was employed

by Defendant, and contends that for any purpose other than settlement, the case is not appropriate for class or representative treatment. Defendant asserts a number of defenses to the claims and has denied any wrongdoing or liability arising out of any of the alleged facts or conduct in this Action. The monies being paid as part of the settlement are genuinely disputed and the Parties agree that the provisions of Labor Code section 206.5 are not applicable to this Settlement. Neither this Agreement, nor any document referred to or contemplated herein, nor any action taken to carry out this Agreement, is or may be construed as, or may be used as an admission, concession, or indication by or against Defendant or any of the Released Parties of any fault, wrongdoing, or liability whatsoever. This Agreement shall not be construed as an admission that Plaintiff can serve as an adequate class representative. There has been no final determination by any court as to the merits of the claims asserted by Plaintiff or as to whether a class or classes should be certified, other than for settlement purposes only.

- G. Plaintiff's Claims.** Plaintiff asserts Defendant's defenses are without merit. Neither this Agreement nor any documents referred to or contemplated herein, nor any action taken to carry out this Agreement is, may be construed as, or may be used as an admission, concession, or indication by or against Plaintiff, Class Members, or Class Counsel as to the merits of any claims or defenses asserted, or lack thereof, in the Action. However, if this Settlement is finally approved by the Court, neither Plaintiff nor Class Counsel will oppose Defendant's efforts to use this Agreement to prove that Plaintiff and Class Members have resolved and are forever barred as a matter of law from re-litigating the Released Claims.

III. SETTLEMENT TERMS AND CONDITIONS

- A. Settlement Consideration by Defendant.** Subject to the terms and conditions of this Agreement, the maximum Gross Settlement Amount, excluding payroll taxes, that Defendant is obligated to pay under this Settlement Agreement is fixed total non-reversionary amount of \$375,000. In no event shall Defendant be required to pay more than the Gross Settlement Amount other than its share of payroll taxes.
- B. Notice to the LWDA.** On April 12, 2023, Plaintiff filed and served her Notice of Labor Code Violations Pursuant to Labor Code section 2699.3. Thus, Plaintiff maintains she has satisfied her notice obligations under PAGA.
- C. Class Certification.** For the purposes of this Settlement, the Parties stipulate and agree to certification of the claims asserted on behalf of Class Members. As such, the Parties stipulate and agree in order for this Settlement to occur, the Court must conditionally certify the Class as defined in this Agreement.

///

- D. Conditional Nature of Stipulation for Certification.** The Parties stipulate and agree to the certification of the claims asserted on behalf of Plaintiff and Class Members for purposes of this Settlement only. This Agreement is contingent upon Preliminary and Final Approval. If the Settlement does not become final and effective, for whatever reason, the fact the Parties were willing to stipulate to certification as part of the Settlement shall have no bearing on and shall not be admissible or used in any way in connection with the question of whether the Court should certify any claims in a non-settlement context in this Action or in any other lawsuit. Defendant reserves the right to oppose class certification should this Settlement be materially modified, withdrawn, or reversed on appeal, or otherwise fails to become final and effective. An award by the Court of a lesser amount than sought by Plaintiff and Class Counsel for the Class Representative Enhancement Payment, Attorney Fee Award, and/or Cost Award, will not constitute a material modification to the Settlement within the meaning of this paragraph.
- E. Appointment of Class Representative.** For the purposes of this Settlement only, the Parties stipulate and agree Plaintiff shall be appointed as the representative for the Class.
- F. Appointment of Class Counsel.** For the purposes of this Settlement only, the Parties stipulate and agree Class Counsel shall be appointed to represent the Class.
- G. Individual Settlement Share.** Subject to the terms and conditions of this Agreement, the Settlement Administrator will pay an Individual Settlement Share from the Net Settlement Amount to each Participating Class Member.

1. Calculation.

- a. Individual Settlement Share Calculation.** Each Participating Class Member will receive a proportionate share of the Net Settlement Amount that is equal to: (i) the number of weeks he or she worked as a hourly-paid or non-exempt California employee of Defendant during the Class Period based on the Class Data; (ii) divided by the total number of weeks worked by any and all Participating Class Members during the Class Period based on the Class Data; and (iii) multiplied by the Net Settlement Amount. One day worked in a given week will be credited as a week for the purposes of this calculation. The value of each Individual Settlement Share is tied directly to the number of weeks the Participating Class Member worked during the Class Period.

///
///
///

2. **Tax Withholdings.** Each Participating Class Member's Individual Settlement Share will be apportioned as follows: ten percent (10%) as wages, forty-five percent (45%) as penalties, and forty-five percent (45%) as interest. The employees' share of payroll tax withholdings and other legally required withholdings shall be withheld from the portion of each Individual Settlement Share attributed to wages. Specifically, the amounts paid as wages shall be subject to all tax withholdings customarily made from an employee's wages and all other authorized and required withholdings and shall be reported by W-2 forms. The amounts paid as penalties and interest shall be subject to all authorized and required withholdings other than the tax withholdings customarily made from employees' wages and shall be reported by IRS 1099 forms. Eligible Aggrieved Employees' portion of the PAGA Payment will be allocated as one hundred percent (100%) penalties and shall be reported by IRS 1099 forms.

H. Settlement Disbursement.

1. **Shares and Payments.** Subject to the Court finally approving the Settlement, the Settlement Administrator shall distribute funds pursuant to the terms of this Agreement and the Court's Final Approval Order and Judgment. The maximum amount Defendant can be required to pay under this Settlement for any purpose is the Gross Settlement Amount, other than Defendant's payment of payroll taxes. The Settlement Administrator shall keep Counsel for Defendant and Class Counsel apprised of all distributions from the Gross Settlement Amount. The Settlement Administrator shall respond to questions from Counsel for Defendant and Class Counsel. No person shall have any claim against Defendant, Counsel for Defendant, Plaintiff, Class Counsel, or Settlement Administrator based on the distributions and payments made in accordance with this Agreement.
2. **Funding the Settlement.** No later than sixty (60) calendar days after the Effective Date, Defendant shall deposit the Gross Settlement Amount of \$375,000 into the QSF. Defendant shall also at this time provide any tax information that the Settlement Administrator may need to calculate each Participating Class Member's Individual Settlement Share.
3. **Disbursement.** Within fourteen (14) calendar days after the funding of the Settlement, the Settlement Administrator shall calculate and pay all payments due under the Settlement Agreement, including all Individual Settlement Shares, Attorney Fee Award, Cost Award, Class Representative Enhancement Payment, Administration Costs, and PAGA Payment. The Settlement Administrator will forward a check for seventy-five percent (75%) of the PAGA Payment to LWDA for settlement of the PAGA claims.

///
///

4. **QSF.** The Parties agree the QSF is intended to be a “Qualified Settlement Fund” under section 468B of the Code and Treasury Regulations section 1.4168B-1, 26 C.F.R. section 1.468B-1 *et seq.*, and will be administered by the Settlement Administrator as such. The Parties and Settlement Administrator shall treat the QSF as coming into existence as a Qualified Settlement Fund on the earliest date permitted as set forth in 26 C.F.R. section 1.468B-1, and such election statement shall be attached to the appropriate returns as required by law.
5. **Uncashed Checks.** Participating Class Members and Eligible Aggrieved Employees must cash or deposit their Individual Settlement Share checks within one hundred eighty (180) calendar days after the checks are mailed to them. If any checks are not redeemed or deposited within ninety (90) calendar days after mailing, the Settlement Administrator will send a reminder postcard indicating that unless the check is redeemed or deposited in the next ninety (90) calendar days, it will expire and become non-negotiable, and offering to replace the check if it was lost or misplaced. If any checks remain uncashed or not deposited by the expiration of the 90-day period after mailing the reminder notice, the Settlement Administrator will, within two hundred (200) calendar days after the checks are initially mailed, pay the amount of the Individual Settlement Share to the California State Controller’s Unclaimed Property Division in accordance with California Unclaimed Property Law so that the Participating Class Member and Eligible Aggrieved Employees will have his or her Individual Settlement Share available to him or her per the applicable claim procedure to request that money from the State of California.
6. **Final Report by Settlement Administrator.** Within ten (10) calendar days after the disbursement of all funds, the Settlement Administrator will serve on the Parties a declaration providing a final report on the disbursements of all funds.
7. **Payments.** Subject to the terms and conditions of this Agreement, the Settlement Administrator will make the following payments out of the Gross Settlement Amount:
 - a. **To the Plaintiff.** In addition to her Individual Settlement Share, and subject to the Court’s approval, Plaintiff will receive \$10,000 as a Class Representative Enhancement Payment in exchange for a release of the Released Claims, a General Release, and for her time, effort, and the risk she undertook in bringing and prosecuting this matter. The Settlement Administrator will pay the Class Representative Enhancement Payment out of the Qualified Settlement Fund. Payroll tax withholdings and deductions will not be taken from the Class Representative Enhancement Payment. The Settlement Administrator shall issue an IRS Form 1099-

MISC to Plaintiff for her Class Representative Enhancement Payment. Plaintiff shall be solely and legally responsible to pay any and all applicable taxes on her Class Representative Enhancement Payment and shall hold harmless Defendant and the Released Parties from any claim or liability for taxes, penalties, or interest arising as a result of the Class Representative Enhancement Payment. If the Court does not approve the entirety of the application for the Class Representative Enhancement Payment, Plaintiff shall not have the right to revoke the settlement and it will remain binding. If the Court does not approve the entirety of the application for the Class Representative Enhancement Payment, the Settlement Administrator shall pay whatever amount the Court awards, and neither Defendant nor the Settlement Administrator shall be responsible for paying the difference between the amount requested and the amount awarded. If the amount awarded is less than the amount requested by Plaintiff, the difference shall become part of the NSA and be available for distribution to Participating Class Members.

- b. To Class Counsel.** Class Counsel will apply to the Court for a total Attorney Fee Award not to exceed thirty-five percent (35%), or \$131,250, of the GSA and a Cost Award not to exceed \$25,000. Defendant takes no position on the requests for these payments provided they do not exceed these amounts. Class Counsel, Plaintiff and the Participating Class Members will not apply to the Court for any payment of attorneys' fees and costs that are in addition to the foregoing or that exceed the GSA. The Parties agree that, over and above the Court-approved Attorney Fee and Cost Awards, each of the Parties, including all Participating Class Members, shall bear their own fees and costs, including, but not limited to: (i) those related to the investigation, filing, prosecution, or settlement of the Action; (ii) the negotiation, execution, or implementation of this Agreement; and/or (iii) the process of obtaining, administering, or challenging an Order Granting Preliminary Approval and/or Final Approval. The Settlement Administrator will pay the court-approved amounts for the Attorney Fee Award and Cost Award out of the Gross Settlement Amount. Payroll tax withholding and deductions will not be taken from the Attorney Fee Award or the Cost Award. IRS Forms 1099 will be issued to Class Counsel with respect to these payments. If the Court does not approve the entirety of the application for the Attorney Fee Award and/or Cost Award, the Settlement Administrator shall pay whatever amount the Court awards, and neither Defendant nor the Settlement Administrator shall be responsible for paying the difference between the amount requested and the amount awarded. If the amount awarded is less

than the amount requested by Class Counsel for the Attorney Fee Award and/or Cost Award, the difference shall become part of the NSA and be available for distribution to Participating Class Members. This Settlement is not contingent on the award of Attorney Fee Award and Cost Award. Nothing in this section or Settlement limits the rights of Class Counsel to appeal any decision by the Court regarding Attorney Fee Award or Cost Award. Class Counsel assumes full responsibility and liability for taxes owed on such payments, hold Defendant harmless, and indemnify Defendant from any dispute or controversy regarding any division or sharing of any of these payments.

- c. **To the Responsible Tax Authorities.** The Settlement Administrator will pay the amount of each Participating Class Member's portion of normal payroll withholding taxes out of each Participating Class Member's Individual Settlement Share. The Settlement Administrator will also calculate the amount of the Participating Class Members' and Defendant's portions of payroll withholding taxes. The Settlement Administrator will submit Defendant's portion of payroll withholding tax calculation to Defendant for funding and forward that amount, along with each Participating Class Member's Individual Settlement Share withholdings, to the appropriate taxing authorities.
- d. **To the Settlement Administrator.** The Settlement Administrator will pay to itself Administration Costs (reasonable fees and expenses) approved by the Court in an amount not to exceed \$15,000. This will be paid out of the Qualified Settlement Fund. If the actual amount of Administration Costs is less than the amount estimated and/or requested, the difference shall become part of the NSA and be available for distribution to Participating Class Members. If the Court does not approve the entirety of the requested Administration Costs, the Settlement Administrator shall pay to itself whatever amount the Court awards, and neither Defendant nor Plaintiff shall be responsible for paying the difference between the amount requested and the amount awarded.
- e. **To Participating Class Members.** The Settlement Administrator will pay Participating Class Members according to the Individual Settlement Share calculations set forth above. All payments to Participating Class Members shall be made from the Qualified Settlement Fund. Individual Settlement Shares shall be mailed by regular first-class U.S. mail to Participating Class Members' last known mailing addresses no later than fourteen (14) calendar days after the funding of the Settlement. The Settlement Administrator

shall skip trace any checks issued to Participating Class Members that are returned as undeliverable.

f. PAGA Payment. \$20,000 shall be allocated from the Gross Settlement Amount for the settlement and release of claims for civil penalties under PAGA. The Settlement Administrator shall pay seventy-five percent (75%) of the PAGA Payment (\$15,000) to the LWDA. The Settlement Administrator shall distribute the remaining twenty-five (25%) of the PAGA Payment (\$5,000) to the Eligible Aggrieved Employees as described in this Agreement. Class Counsel will take all action required by California Labor Code section 2699(l).

g. To Eligible Aggrieved Employees. The Settlement Administrator shall pay each Eligible Aggrieved Employee according to his or her proportional share of the PAGA Payment allocated to the Eligible Aggrieved Employees, which will be based upon the total number of pay periods during which the Eligible Aggrieved Employee was employed during the PAGA Period. Each individual share will be calculated by: (i) determining the total number of pay periods during the PAGA Period during which the Eligible Aggrieved Employee was employed based on the Class Data; (ii) dividing this number by the total number of pay periods during the PAGA Period during which all Eligible Aggrieved Employees were employed based on the Class Data; and (iii) multiplying this number by the \$5,000 allocated to the Eligible Aggrieved Employees. Individual shares for Eligible Aggrieved Employees shall be mailed by regular first-class U.S. mail to Eligible Aggrieved Employees' last known mailing addresses no later than fourteen (14) calendar days after the funding of the Settlement. The Settlement Administrator shall skip trace any checks issued to Eligible Aggrieved Employees that are returned as undeliverable.

I. Appointment of Settlement Administrator. Solely for the purposes of this Settlement, the Parties stipulate and agree Phoenix Class Action Administration Solutions shall be retained to serve as Settlement Administrator. By accepting the role as Settlement Administrator, the Settlement Administrator is bound to all of the terms, conditions and obligations described in this Settlement Agreement. The Settlement Administrator shall be responsible for: (1) preparing, printing, and mailing the Notice Packet to Class Members; (2) keeping track of any objections or requests for exclusion from Class Members; (3) calculating each Class Member's and Eligible Aggrieved Employee's Individual Settlement Share; (4) calculating any and all payroll tax deductions as required by law; (5) mailing Individual Settlement Shares to Participating Class Members; (6) performing skip traces and remailing Notice Packets and Individual Settlement Shares; (7) providing weekly

status reports to Counsel for Defendant and Class Counsel, which are to include updates on any objections or requests for exclusion that have been received; (8) providing a due diligence declaration for submission to the Court prior to the Final Approval Hearing; (9) mailing the portion of the PAGA Payment to the LWDA; (10) distributing the Attorney Fee Award and Cost Award to Class Counsel; (11) printing and providing Class Members and Plaintiff with W-2 and 1099 forms as required under the Settlement and applicable law; (12) providing a due diligence declaration for submission to the Court upon the completion of the Settlement; (13) providing any funds remaining in the QSF as a result of uncashed checks to the California State Controller's Unclaimed Property Division in accordance with California Unclaimed Property Law, including the administration of related tax reimbursements; and (14) performing such other tasks as the Parties mutually agree.

1. The Parties each represent they do not have any financial interest in the Settlement Administrator or otherwise have a relationship with the Settlement Administrator that could create a conflict of interest. Plaintiff, Class Counsel, Defendant, and Counsel for Defendant shall not bear any responsibility for errors or omissions in the calculation or distribution of the Individual Settlement Shares or any other distribution of monies contemplated by this Agreement.

J. Procedure for Approving Settlement.

1. Motion for Preliminary Approval and Conditional Certification.

- a. Plaintiff will move for an order conditionally certifying the Class for settlement purposes only, giving Preliminary Approval of the Settlement, setting a date for the Final Approval hearing, and approving the Notice Packet. Plaintiff's Motion for Preliminary Approval shall include this Settlement Agreement.
- b. At the Preliminary Approval Hearing, Plaintiff will appear, support the granting of the motion, and submit a proposed order granting conditional certification of the Class and Preliminary Approval of the Settlement; appointing the Class Representative, Class Counsel, and Settlement Administrator; approving the Notice Packet; and setting the Final Approval Hearing.
- c. Should the Court decline to conditionally certify the Class or to Preliminarily Approve all material aspects of the Settlement, the Settlement will be null and void, and the Parties will have no further obligations. The amounts of the Attorney Fee Award, Cost Award, Administration Costs, and Class Representative Enhancement Payment shall be determined by the Court, and the Court's determination on these amounts shall be final and binding. The Court's approval or denial of any amount requested for these

items is not a condition of the Settlement and shall be considered separate and apart from the fairness, reasonableness, and adequacy of the Settlement. Any order or proceeding relating to an application for Attorney Fee Award, Cost Award, Administration Costs, and/or Class Representative Enhancement Payment shall not operate to terminate or cancel this Agreement. Nothing in this Agreement shall limit Plaintiff's or Class Counsel's ability to appeal any decision by the Court to award less than the requested Attorney Fee Award, Cost Award, Administration Costs, and/or Class Representative Enhancement Payment.

2. Notice to Class Members. After the Court enters its Preliminary Approval Order, every Class Member will be provided with the Notice Packet in accordance with the following procedure:

- a. Within fourteen (14) calendar days after entry of the Preliminary Approval Order, Defendant shall deliver to the Settlement Administrator the Class Data. If any or all of the Class Data is unavailable to Defendant, then Defendant will so inform Class Counsel and the Parties will make their best efforts to reconstruct or otherwise agree upon how to deal with the unavailable information. The Class Data shall be based on Defendant's payroll, personnel, and other business records. The Settlement Administrator will conduct a National Change of Address Database search for all Class Members to obtain the most up-to-date address information. The Settlement Administrator shall maintain the Class Data and all information contained therein as private and confidential. This provision shall not impede Class Counsel's ability to discharge their fiduciary duties, including effectuating the terms of this Settlement.
- b. Within twenty-one (21) calendar days after receiving the Class Data, the Settlement Administrator will mail the Notice Packet to all identified Class Members via first-class regular U.S. Mail, using the most current mailing address information available.
- c. If a Notice Packet is returned because of an incorrect address, within ten (10) calendar days after receipt of the returned Notice Packet, the Settlement Administrator will conduct a search for a more current address for the Class Member and remail the Notice Packet to the Class Member. The Settlement Administrator will conduct a skip trace to attempt to find the Class Member's current address. The Settlement Administrator will be responsible for taking reasonable steps to trace the mailing address of any Class Member for whom a Notice Packet is returned by U.S. Postal Service as undeliverable. These reasonable steps shall include, at

a minimum: (i) tracking of all undelivered mail; (ii) performing address searches for all mail returned without a forwarding address; and (iii) promptly remailing Notice Packets to Class Members for whom new addresses are found. If the Settlement Administrator is unable to locate a better address, the Notice Packet shall be remailed to the original address. If the Notice Packet is remailed, the Settlement Administrator will note for its own records the date and address of each remailing. Those Class Members who receive a remailed Notice Packet, whether by skip trace or forwarded mail, will have an additional ten (10) calendar days from the original Response Deadline to postmark an Exclusion Form or an objection to the Settlement. The Settlement Administrator shall mark on the envelope whether the Notice Packet is a remailed Notice Packet.

- d. Class Members will have the opportunity to dispute the information provided in their Notice Packets. All such disputes must be in writing, postmarked by the Response Deadline, and sent via first-class U.S. mail to the Settlement Administrator. To the extent a Class Member disputes the number of workweeks or pay periods with which he or she has been credited or the amount of his or her Individual Settlement Share, the Class Member may produce and submit evidence to the Settlement Administrator showing the disputed information is inaccurate. The Settlement Administrator will evaluate any evidence submitted by the Class Member and will make the initial decision as to the number of eligible workweeks or pay periods with which the Class Member should be credited and/or the amount of the Individual Settlement Share to which the Class Member may be entitled. The Court shall have the right to review any decision made by the Settlement Administrator regarding such a dispute and will make the final determination. The Court will resolve any workweek and/or pay period disputes not resolved by the Settlement Administrator and the Parties. The Parties will file with the Court any and all disputes submitted by Class Members, the evidence submitted in support of such disputes, and the resolution of those disputes.
- e. If the Settlement Administrator receives an incomplete or deficient Exclusion Form, the Settlement Administrator shall send a letter informing the Class Member of the deficiency and shall provide the Class Member fourteen (14) calendar days with which to cure the deficiency. If the Settlement Administrator does not receive a cured Exclusion Form, postmarked by the last and fourteenth (14th) day of the cure period, the Class Member will be deemed not have excluded himself or herself from the Settlement and will be bound by the Settlement.

counsel, if any; (iii) include the words “Notice of Objection” or “Formal Objection;” (iv) state the case name and case number; (v) provide a concise, factual written statement of the Class Member’s reasons for objecting; and (vi) include a statement indicating whether the objecting Class Member (or someone on his or her behalf) intends to appear at the Final Approval Hearing.

- b. Appearance at the Final Approval Hearing and Oral Objection.** Class Members may (but are not required to) appear at the Final Approval Hearing, either in person or through the objecting Class Member’s own counsel, at the Class Member’s own expense, and may orally object to the Settlement. Class Members’ valid and timely written objections to the Settlement will still be considered even if the objector does not appear at the Final Approval Hearing. Class Members are permitted to make objections without a showing of good cause at the Final Approval Hearing, in person or through counsel, whether or not they submitted a written objection.
- c.** A Class Member who objects to the Settlement will remain a Participating Class Member and if the Court finally approves the Settlement Agreement, the objecting Class Member will be bound by the terms of the Settlement Agreement in the same way and to the same extent as those Participating Class Members who do not object to the Settlement Agreement.
- d.** The Settlement Administrator shall send all objections to Class Counsel and Counsel for Defendant. Class Counsel will be responsible for filing the objections with the Court in advance of the Final Approval Hearing. Class Counsel and Counsel for Defendant will be permitted to respond in writing to any properly submitted objections no later than nine (9) court days before the Final Approval Hearing.

- 4. Request for Exclusion from the Settlement (“Opt Out”).** The Notice Packet will provide that Class Members who wish to exclude themselves from the Settlement must mail to the Settlement Administrator an Exclusion Form by the Response Deadline. The Exclusion Form shall unambiguously state the Class Member wishes to exclude himself or herself from the Settlement and must: (a) include the Class Member’s name, address, and the last four digits of the Class Member’s Social Security Number; (b) be addressed to the Settlement Administrator; (c) be signed by the Class Member or his or her lawful representative; and (d) be postmarked no later than the Response Deadline.

///

- a. An Exclusion Form will not be valid if it is not timely submitted (*i.e.*, postmarked after the Response Deadline), not signed by the Class Member, and/or does not contain the name and address of the Class Member. The date of postmark on the return mailing envelope for the Exclusion Form shall be the exclusive means used to determine whether the Exclusion Form was timely submitted. Class Members who fail to submit valid and timely Exclusion Forms will automatically be included in the Settlement and will become Participating Class Members upon the expiration of the Response Deadline. Each Participating Class Member shall be bound by all terms of the Settlement and any Final Judgment entered in this Action if the Settlement is finally approved by the Court and shall receive an Individual Settlement Share regardless of whether the Participating Class Member submitted an objection.
- b. Any Class Member who returns a valid and timely Exclusion Form will not participate in or be bound by the terms of the class portion of the Settlement or any Final Judgment entered if the Settlement is finally approved by the Court and will not have any right to object to, appeal, or comment thereon. Class Members who return valid and timely Exclusion Forms will not be entitled to any payment from the Net Settlement Amount. Nothing in this Settlement will constitute or be construed as a waiver of any defense Defendant or the Released Parties have or could assert against anyone who timely submits an Exclusion Form.
- c. **Confirmation of Authenticity.** If there is a question about the authenticity of a signed Exclusion Form, the Settlement Administrator may demand additional proof from the purported Class Member establishing their identity.
- d. **Report.** No later than fourteen (14) calendar days after the Response Deadline, the Settlement Administrator will provide the Parties with a complete and accurate accounting of the number of Notice Packets mailed to Class Members, the number of Notice Packets returned as undeliverable, the number of Notice Packets remailed to Class Members, the number of remailed Notice Packets returned as undeliverable, the number of Class Members who objected to the Settlement and copies of their submitted objections, the number of Class Members who returned valid and timely Exclusion Forms, and the number of Class Members who returned invalid Exclusion Forms.

- e. **Eligible Aggrieved Employees May Not Opt Out of PAGA Settlement.** Notwithstanding the foregoing, the Parties agree for purposes of this Settlement that there is no statutory or other right for any Eligible Aggrieved Employee to opt out or otherwise exclude himself or herself from the PAGA portion of the Settlement, which releases the PAGA claims as provided in section I(DD) of this Agreement. An Eligible Aggrieved Employee who submits a valid and timely Exclusion Form shall still receive his or her share of the PAGA Payment and shall release the PAGA claims as provided in section I(DD) of this Agreement.
5. **No Solicitation of Objections or Exclusion Forms.** Neither the Parties nor their counsel will solicit or otherwise encourage, directly or indirectly, any Class Member to object to the Settlement, request exclusion from the Settlement, or appeal the Final Approval Order or Judgment.
6. **Motion for Final Approval.**
- a. Within sixteen (16) court days before the Final Approval Hearing, Class Counsel will file a motion and memorandum in support thereof for Final Approval of the Settlement and the following payments in accord with the terms of the Settlement: (i) Attorney Fee Award; (ii) Cost Award; (iii) Administration Costs; (iv) Class Representative Enhancement Payment; and (v) PAGA Payment. Class Counsel will also move the Court for an order of Final Approval (and associated entry of Judgment), pursuant to which all Participating Class Members shall release all Released Claims.
 - b. **Declaration by Settlement Administrator.** The Settlement Administrator shall submit a declaration in support of Plaintiff's Motion for Final Approval of this Settlement detailing the number of Notice Packets mailed and remailed to Class Members, number of undeliverable Notice Packets, number of valid and timely Exclusion Forms received, number of valid and timely written objections received, average, highest, and lowest amount of the Individual Settlement Shares, Administration Costs, and any other information as the Parties mutually agree or the Court orders the Settlement Administrator to provide.
 - c. Upon Final Approval of the Settlement, the Parties shall present to the Court a proposed Final Approval Order, approving the Settlement and entering Judgment in accordance therewith. After entry of Judgment, the Court shall have continuing jurisdiction over the Action for purposes of: (i) enforcing this Settlement Agreement; (ii) addressing settlement administration matters, and

(iii) addressing such post-Judgment matters as may be appropriate under Court rules and applicable law.

- 7. Defendant's Legal Fees.** Defendant is responsible for paying all of its own legal fees, costs, and expenses incurred in this Action, in addition to and separate from payment of the Gross Settlement Amount.

K. Release of Claims by All Participating Class Members. As of the Effective Date and upon fulfillment of Defendant's payment obligations under section III(H)(2) of this Agreement, all Participating Class Members will be bound by a release of all claims and causes of action falling under the definition of Released Claims occurring during the Class Period.

L. Release of PAGA Claims by All Eligible Aggrieved Employees. As of the Effective Date and upon fulfillment of Defendant's payment obligations under section III(H)(2) of this Agreement, the LWDA, and any other representative, proxy, or agent thereof, including Plaintiff, are hereby voluntarily and knowingly barred as a matter of law from bringing any and all claims against the Released Parties seeking civil penalties under Labor Code section 2698, *et seq.* (PAGA), based on or arising out of the Labor Code violations alleged in Plaintiff's notice letter to the LWDA and the Complaint occurring during the PAGA Period. The release of the PAGA claims is effective regardless of whether the Eligible Aggrieved Employee submits a valid and timely Exclusion Form.

M. Plaintiff's General Release of Claims. As of the Effective Date and upon fulfillment of Defendant's payment obligations under section III(H)(2) of this Agreement, and in exchange for the Class Representative Enhancement Payment to Plaintiff, in an amount not to exceed \$10,000, in recognition of her work and efforts in obtaining the benefits for the Class and undertaking the risk of paying litigation costs if this matter had not successfully resolved, Plaintiff hereby provides a general release of all claims for herself and any spouse, heirs, successors and assigns, and forever releases, remises, and discharges the Released Parties from any and all charges, complaints, claims, liabilities, obligations, promises, agreements, controversies, damages, actions, causes of action, suits, rights, demands, costs, attorneys' fees, losses, debts, penalties and expenses of any nature whatsoever that arose during the Class Period, known or unknown, suspected or unsuspected, asserted or that might have been asserted, whether in tort, contract, equity, or otherwise, arising out of Plaintiff's employment with Defendant, payment of wages during that employment and the cessation of that employment, and/or violation of any federal, state or local statute, rule, ordinance or regulation, including any and all releasable claims arising from the Labor Code, Fair Employment and Housing Act and its federal equivalent(s), and the federal Fair Labor Standards Act. With respect to this General Release, Plaintiff stipulates and agrees, as of the Effective Date, Plaintiff shall be deemed to have knowingly expressly waived and relinquished, to the fullest extent permitted by law, the provisions, rights and

benefits of Civil Code section 1542, or any other similar provision under federal or state law, which provides:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

- N. This Settlement will become final and effective only upon the occurrence of all the following events: (1) the Court enters an order granting preliminary approval of the Settlement; (2) the Court enters an order granting final approval of the Settlement and a Final Judgment; and (3) the Effective Date occurs.

O. Miscellaneous Terms.

1. **No Admission of Liability.** Defendant makes no admission of liability or wrongdoing by virtue of entering into this Agreement, including, but not limited to, admitting that it was the employer of any Class Member at any time. Defendant reserves the right to contest any issues relating to class certification and liability if the Settlement is not approved. Defendant denies it has engaged in any unlawful activity, has failed to comply with the law in any respect, have any liability to anyone under the claims asserted in this Action, or that but for the Settlement, a Class should be certified in the Action. This Agreement is entered solely for the purpose of compromising highly disputed claims. This Settlement and the Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (other than solely in connection with this Settlement).
2. **No Effect on Employee Benefits.** The amounts paid herein do not represent a modification of any previously credited hours of service under any employee benefit plan, policy, or bonus program sponsored by Defendant. Such amounts will not form the basis for more contributions to, benefits under, or any other monetary entitlement under, benefit plans sponsored by Defendant's policies or bonus programs. Any payments made under the terms of this Settlement shall not be applied retroactively, currently or on a going forward basis as salary, earnings, wages, or any other form of compensation for the purposes of Defendant's benefit plans, policies or bonus programs. Defendant retains the right to modify the language of its benefit plans, policies, and bonus programs to effect this intent and to make clear that any amounts paid pursuant to this Settlement are not for "hours worked," "hours paid," "hours of service," or any similar measuring term as defined by applicable plans, policies, and bonus programs for purpose of eligibility, vesting, benefit accrual or any other purpose, and that additional contributions or benefits are not required by this Settlement.

///

- 3. Publicity.** Plaintiff and Class Counsel agree they have not and will not publish the Settlement Agreement. In response to any inquiries, Plaintiff will state that “the case was resolved and it was resolved confidentially.” Class Counsel shall not report the Settlement Agreement in any medium or in any publication, shall not post or report anything regarding the claims of Plaintiff or the Class or the Settlement Agreement on their website, and shall not contact any reporters or media regarding the Settlement. Despite this provision, Class Counsel can discuss the Settlement with Plaintiff and the Class Members and in any filings with the Court. Nothing in this Agreement is intended to limit Plaintiff or any other individual’s discussion of factual information regarding unlawful acts in the workplace or to interfere with the exercise of rights guaranteed by the National Labor Relations Act, including Section 7 thereof.
- 4. Integrated Agreement.** After this Agreement is signed and delivered by all Parties and their counsel, this Agreement and its exhibits will constitute the entire Agreement between the Parties relating to the Settlement, and it will then be deemed that no oral representations, warranties, covenants, or inducements have been made to any party concerning this Agreement or its exhibits, other than the representations, warranties, covenants, and inducements expressly stated in this Agreement and its exhibits. Except as expressly provided herein, this Agreement has not been executed in reliance upon any other written or oral representations or terms, and no such extrinsic oral or written representations or terms shall modify, vary, or contradict its terms. In entering this Agreement, the Parties agree this Agreement is to be construed according to its terms and may not be varied or contradicted by extrinsic evidence.
- 5. Authorization to Enter This Agreement.** The Parties’ counsel warrant and represent they are authorized by the Parties to take all appropriate action required or permitted to be taken by such Parties under this Agreement to effectuate its terms, and to execute any other documents required to effectuate its terms. The Parties and their counsel will cooperate with each other and use their best efforts to effect the implementation of the Settlement. If the Parties are unable to reach agreement needed to implement this Agreement, or on any supplemental provisions that may become necessary, the Parties will seek the assistance of the Court, and in all cases, all such documents, supplemental provisions, and assistance of the Court will be consistent with this Agreement.
- 6. Exhibits and Headings.** The terms of this Agreement include the terms set forth in the exhibits. Any exhibits to this Agreement are an integral part of the Settlement. The descriptive headings of any paragraphs or sections of this Agreement are inserted for convenience of reference only and do not constitute a part of this Agreement.

7. **Deadlines Falling on Weekends or Holidays.** To the extent any deadline set forth in this Settlement Agreement falls on a Saturday, Sunday, or legal holiday, that deadline shall be continued until the following business day.
8. **Interim Stay of Proceedings.** The Parties agree to stay and hold all proceedings in the Action in abeyance, except such proceedings necessary to implement and complete the Settlement, pending the Final Approval Hearing to be conducted by the Court.
9. **Amendment or Modification of Agreement.** This Agreement, and any and all parts of it, may be amended, modified, changed, or waived only by an express written instrument, signed by counsel for all Parties or their successors-in-interest and subject to Court approval.
10. **Waiver of Certain Appeals.** The Parties agree to stipulate to class certification for purposes of implementing this Settlement only and agree to waive all appeals from the Court's final approval of the Settlement, unless the Court modifies the Settlement.
11. **Notice of Settlement to LWDA.** Plaintiff hereby represents that at the same time she files the Motion for Preliminary Approval, Plaintiff will provide notice of this Agreement and proposed settlement to the LWDA as required by Labor Code section 2699(1)(2).
12. **Agreement Binding on Successors and Assigns.** This Agreement will be binding upon, and inure to the benefit of, the successors and assigns of the Parties, as previously defined.
13. **No Prior Assignment.** Plaintiff hereby represents, covenants, and warrants that she has not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity any portion of any liability, claim, demand, action, cause of action or rights herein released and discharged.
14. **Applicable Law.** All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the laws of the State of California, without giving effect to any conflict of law principles or choice of law principles.
15. **Fair, Adequate, and Reasonable Settlement.** The Parties and their counsel believe and warrant this Agreement reflects a fair, reasonable, and adequate settlement of the Action and have arrived at this Agreement through arm's-length negotiations, considering all relevant factors, current and potential. The Parties further agree this Agreement shall not be construed in favor of or against any party by reason of the extent to which any party or her or its counsel participated in the drafting of this Agreement.

16. No Unalleged Claims. Plaintiff and Class Counsel represent they, as of the date of execution of this Settlement, have no current intention of pursuing any claims against Defendant in any judicial, administrative, or arbitral forum, including, but not limited to, any and all claims relating to or arising from Plaintiff's employment with Defendant, and that Class Counsel are not currently aware of any facts or legal theories upon which any claims or causes of action could be brought against Defendant, excepting those facts or legal theories alleged in the Complaint in this Action. Plaintiff and Class Counsel represent and agree they do not currently know of or represent any persons who have expressed any interest in pursuing litigation or seeking any recovery against Defendant.

17. No Tax or Legal Advice. The Parties understand and agree the Parties are neither providing tax or legal advice, nor making representations regarding tax obligations or consequences, if any, related to this Agreement, and that Class Members will assume any such tax obligations or consequences that may arise from this Agreement, and that Class Members shall not seek any indemnification from the Parties or any of the Released Parties in this regard. The Parties agree if any taxing body determines additional taxes are due from any Class Member, such Class Member assumes all responsibility for the payment of such taxes.

18. Jurisdiction of the Court. The Court shall retain jurisdiction with respect to the interpretation, implementation, and enforcement of the terms of this Agreement and all orders and judgment entered in connection therewith, and the Parties and their counsel hereto submit to the jurisdiction of the Court for purposes of interpreting, implementing, and enforcing the Settlement embodied in this Agreement and all orders and judgments in connection therewith.

19. Invalidity of Any Provision; Severability. Before declaring any provision of this Agreement invalid, the Parties request the Court first attempt to construe the provisions valid to the fullest extent possible consistent with applicable precedents, so as to define all provisions of this Agreement valid and enforceable. If a provision of this Agreement are found unenforceable, the unenforceable provision shall be deemed deleted, and the validity and enforceability of the remaining provisions shall not be affected thereby.

20. Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any party on the basis that the party was the drafter or participated in the drafting.

21. Execution in Counterpart. This Agreement may be executed in one or more counterparts. All executed counterparts, and each of them, will be deemed to be one and the same instrument provided the Parties' counsel exchange between themselves original signed counterparts. Facsimile or PDF signatures are acceptable. Any executed counterpart will be admissible in evidence to prove the existence and contents of this Agreement.

22. Escalator Clause. This Settlement was reached based on the assumption that approximately 12,500 workweeks were worked by the Class Members during the Class Period. If it is determined that the number of workweeks through June 2, 2023, exceeds ten percent (10%) or more of this estimate (*i.e.*, more than 13,750 workweeks), then the GSA will increase proportionally over the ten percent (10%) increase. For example, if the number of workweeks increases by eleven percent (11%), the GSA will increase by one percent (1%). Increases, if any, are based on a percentage of the original GSA and do not compound.

1. Why Have I Received This Notice?

The personnel records of Defendant indicate that you may be a Class Member. The Settlement will resolve all Class Members' Released Claims from November 19, 2017, through June 2, 2023 ("Class Period"), and all Eligible Aggrieved Employees' PAGA Released Claims from April 12, 2022 through June 2, 2023 ("PAGA Period"), as described in Section No. 9 below.

A Preliminary Approval Hearing was held on [INSERT DATE] in the Superior Court of California, County of Orange. The Court conditionally certified the Class for settlement purposes only and directed you to receive this Notice. The Court determined only there is sufficient evidence to suggest the proposed settlement might be fair, adequate, and reasonable, and any final determination of those issues will be made at the Final Approval Hearing.

The Court will hold a Final Approval Hearing concerning the proposed settlement on [INSERT DATE] at [REDACTED] a.m./p.m. before Honorable Randall Sherman in Department CX-105 at the Superior Court of California, County of Orange, located at 751 West Santa Ana Boulevard, Santa Ana, California 92701.

2. What Is This Case About?

On May 17, 2022, Plaintiff filed a wage-and-hour class action lawsuit against Defendant in the Superior Court of California, County of Orange (Case No. 30-2022-01260526-CU-OE-CXC). The lawsuit alleged the following causes of action: (1) violation of Labor Code sections 510 and 1198 (unpaid overtime); (2) violation of Labor Code sections 226.7 and 512(a) (unpaid meal period premiums); (3) violation of Labor Code section 226.7 (unpaid rest period premiums); (4) violation of Labor Code sections 1194 and 1197 (unpaid minimum wages); (5) violation of Labor Code sections 201 and 202 (final wages not timely paid); (6) violation of Labor Code section 226(a) (noncompliant wage statements); (7) violation of Labor Code sections 2800 and 2802 (unreimbursed business expenses); and (8) violation of Business & Professions Code section 17200, *et seq.*

Defendant denies each and every allegation made by Plaintiff, denies that it is liable at all to Plaintiff or any other Class Member, and asserts it complied with all applicable laws, including the Labor Code.

Plaintiff and Defendant ("Parties") remotely attended mediation on the Class Action on April 3, 2023 at which the Parties were able to reach a settlement of the Class Action. Defendant's agreement to settle the Class Action does not mean that Defendant admits any liability or wrongdoing to Plaintiff or the Class or that it employed Plaintiff or any member of the Class, which Defendant vehemently denies.

In line with the settlement, on April 12, 2023, Plaintiff provided written notice to the California Labor and Workforce Development Agency ("LWDA") and Defendant of the specific provisions of the Labor Code she contends were violated and the theories supporting her contentions. Plaintiff then filed a First Amended Complaint in the Superior Court of California, County of Orange, adding a cause of action for violation of Labor Code section 2698, *et seq.* (Private Attorneys General Act of 2004 ("PAGA")).

The Court has not made any determination as to whether the claims asserted by Plaintiff have any merit. In other words, the Court has not determined whether any laws have been violated, nor has it decided in favor of Plaintiff or Defendant. Instead, both sides agreed to resolve the lawsuit with no decision or admission of who is right or wrong. By agreeing to resolve the lawsuit, all parties avoid the risks and cost of a trial.

///

3. *Am I A Class Member?*

You are a Class Member if you are a current and former hourly-paid or non-exempt employee of Defendant within the State of California at any time during the period from November 19, 2017, through June 2, 2023.

4. How Does This Class Action Settlement Work?

In this Class Action, Plaintiff sued on behalf of herself and all other similarly situated employees who are or were employed as hourly-paid or non-exempt California employees of Defendant during the Class Period. Plaintiff and these other current and former employees comprise a potential “Class” and are “Class Members.” The settlement of this Class Action resolves the Released Claims of all Class Members, except for those who exclude themselves from the Class by requesting to be excluded in the manner set forth below.

Plaintiff and Class Counsel believe the Settlement is fair and reasonable. The Court must review the terms of the Settlement and determine if it is fair and reasonable to the Class. The Court file has the Settlement documents that explain the Settlement in greater detail. If you would like copies of the Settlement documents, you can contact Plaintiff's counsel ("Class Counsel"), whose contact information is below, and they will provide you with a copy free of charge.

The Court has decided Justice Law Corporation is qualified to represent you and all other Class Members simultaneously with respect to the Settlement. Thus, Class Counsel is working on behalf of the Class, including you. If you want independent legal advice from a different attorney, you may hire one at your own cost.

6. *What Are My Options?*

The purpose of this Notice is to inform you of the proposed Settlement and of your options. Each option has its consequences, which you should understand before making your decision. Your rights regarding each option, and the steps you must take to select each option, are summarized below, and explained in more detail in this Notice.

Important Note: Defendant will take no action for or against you, including no retaliatory action with respect to your employment if you are a current employee, for your decision to participate or not participate in this Settlement.

- **DO NOTHING:** If you do nothing and the Court grants final approval of the Settlement, you will become a participating member of the Class in this lawsuit and will receive an Individual Settlement Share based on the total number of workweeks you were employed as an hourly-paid or non-exempt California employee of Defendant during the Class Period. You will release all the Released Claims, as defined in Section No. 9 below, and you will give up your right to pursue the Released Claims, as defined in Section No. 9 below. Class Members who do not submit a valid and timely request to exclude themselves from the Settlement are known as “Participating Class Members.”

- **OPT OUT:** If you do not want to participate as a Class Member, you may “opt out,” which will remove you from the Class and this Class Action. If the Court grants final approval of the Settlement, you will not receive an Individual Settlement Share and you will not give up the right to sue the Released Parties, including Defendant, for any of the Released Claims as defined in Section No. 9 below. If you do “opt-out,” you will still receive a portion of the PAGA Payment (defined below). Also, your right to pursue a PAGA lawsuit based on the claims released as part of the PAGA Released Claims will be extinguished, regardless of whether you opt out.

- **OBJECT:** You may file an objection to the proposed Settlement. You also have the right to appear at the Final Approval Hearing to orally object to the proposed Settlement. If you would like to object, you may not opt out of this Settlement. If you submit both an Exclusion Form and written objection to the Settlement Administrator prior to the Response Deadline, the Settlement Administrator will first attempt to contact you to determine if you intended to submit only the Exclusion Form or written objection. If the Settlement Administrator is unable to contact you within ten (10) calendar days of receiving both the Exclusion Form and written objection or you fail to respond to the Settlement Administrator within ten (10) calendar days of being contacted, then only the Exclusion Form will be deemed valid. Your written objection will be deemed invalid, and you will no longer be considered a member of the Class, will not receive your Individual Settlement Share, and will not be bound by the Released Claims. But you will still receive your portion of the PAGA Payment, and your right to pursue a PAGA claim arising from the applicable time period will be extinguished.

The procedures for opting out and objecting are set forth below in the sections entitled “How Do I Opt Out or Exclude Myself From This Settlement?” and “How Do I Object To The Settlement?”

7. *How Do I Opt Out Or Exclude Myself From This Settlement?*

If you do not wish to participate in the Settlement, you may be excluded from the Settlement (*i.e.*, “opt out”) by sending a timely exclusion form. The Request for Exclusion Form (“Exclusion Form”) has been provided to you along with this Notice, which can be used for this purpose. Alternatively, you can submit your own written document that includes this same information. If you opt out of the Settlement, you will not be releasing the Released Claims set forth in Section 9. The Exclusion Form must be signed, dated, and mailed by first-class U.S. Mail, **postmarked no later than [INSERT DATE]** to: **STITCH & FEATHER, INC. C/O [SETTLEMENT ADMINISTRATOR]**, **[ADDRESS]**. You cannot exclude yourself by phone.

///
///

Eligible Aggrieved Employees May Not Opt Out of the PAGA Portion of the Settlement. Notwithstanding the foregoing, you do not have the right to opt out or otherwise exclude yourself from the PAGA portion of the Settlement, which releases the PAGA Released Claims. If you submit a valid and timely request for exclusion, you will still receive your share of the PAGA Payment and will release the PAGA Released Claims.

If you receive a remailed Class Notice, whether by skip-trace or forwarded mail, you will have an additional ten (10) calendar days from [INSERT DATE] to postmark an Exclusion Form or an objection to the Settlement. The envelope should indicate whether the Class Notice has been forwarded or remailed. We encourage you to keep copies of all documents, including the envelope, if the deadline is challenged.

The Court will exclude any Class Member who submits a complete and timely Exclusion Form. The Exclusion Form shall unambiguously state that the Class Member wishes to exclude himself or herself from the Settlement and must also: (1) include the Class Member's name, address, and the last four digits of the Class Member's Social Security Number; (2) be addressed to the Settlement Administrator at the specified address; (3) be signed by the Class Member or his or her lawful representative; and (4) be postmarked no later than [INSERT DATE]. Exclusion Forms that do not include all required information and/or that are not timely submitted will be deemed null, void, and ineffective. Any Class Member who fails to submit a valid and timely Exclusion Form on or before the above-specified deadline shall be bound by all terms of the Settlement, release, and any Judgment entered in the Class Action if the Settlement receives final approval from the Court.

You are responsible for ensuring the Settlement Administrator receives any Exclusion Form you submit.

8. *How Do I Object To The Settlement?*

If you are a Class Member who does not opt out of the Settlement, you may object to the Settlement, personally or through an attorney, by mailing an objection to the Settlement Administrator at [ADDRESS] by [INSERT DATE]. The objection must: (1) be signed by the objecting Class Member or his or her lawful representative; (2) include the objecting Class Member's full name, address, telephone number, and the last four digits of the Class Member's Social Security Number, as well as the name and address of counsel, if any; (3) include the words "Notice of Objection" or "Formal Objection;" (4) state the case name and case number; (5) provide a concise, factual written statement of the Class Member's reasons for objecting; and (6) include a statement indicating whether the objecting Class Member (or someone on his or her behalf) intends to appear at the Final Approval Hearing.

Class Members may appear at the Final Approval Hearing (but are not required to), either in person or through the objector's own counsel, at the Class Member's own expense, and may orally object to the proposed Settlement. Class Members' valid and timely written objections to the Settlement will still be considered even if the objector does not appear at the Final Approval Hearing. Class Members are permitted to make objections without a showing of good cause at the Final Approval Hearing, in person or through counsel, whether or not they submit a written objection.

Absent good cause found by the Court, Class Members who fail to object in the manner specified above shall be deemed to have waived any objections and shall be foreclosed from making any objections (whether by appeal or otherwise) to the Settlement. Again, to be valid and effective, any written objections must be mailed to the Settlement Administrator postmarked on or before [INSERT DATE]. If the Court rejects the objection, the Class Member will receive an Individual Settlement Share and will be bound by the terms of the Settlement.

9. *How Does This Settlement Affect My Rights? What are the Released Claims?*

If the proposed Settlement is approved by the Court, a Final Judgment will be entered by the Court. All Class Members who do not opt out of the Settlement will be bound by the Court's Final Judgment and will fully release and discharge Defendant and all of Defendant's past, present and future agents, employees, servants, officers, directors, partners, trustees, representatives, shareholders, stockholders, attorneys, parents, subsidiaries, equity sponsors, related corporations, divisions, joint venturers, assigns, predecessors, successors, service providers, insurers, consultants, subcontractors, joint employers, employee benefit plans and fiduciaries thereof, affiliated organizations, and all persons acting under, by, through or in concert with Defendant ("Released Parties"). The Released Claims are as follows:

A. Released Claims.

The claims that Plaintiff and Participating Class Members are releasing in exchange for the consideration provided for by the Settlement are defined as all class claims pled or that could have been pled, whether known or unknown, that reasonably arise out of the same set of operative facts or are reasonably related to the allegations contained in the Action and First Amended Complaint in the Action or any other claims that could have been asserted in the Action and First Amended Complaint in the Action based on the facts alleged. This includes, but is not limited to: (1) failure to pay minimum wages; (2) failure to pay overtime and double time wages (including, but not limited to, any claims for additional wages owed due to off-the-clock work); (3) failure to provide compliant meal and rest breaks; (4) failure to pay sick leave pay; (5) failure to keep time records; (6) wage statement violations; (7) separation pay violations; (8) unreimbursed business expenses; (9) untimely payment of wages; (10) failure to maintain records; and (11) unfair business practices. The definition of Released Claims covers all the claims described above. The Released Parties shall be entitled to a release of the Released Claims which occurred only during the Class Period and during such time that the Participating Class Member was classified as hourly-paid and/or non-exempt. The Released Claims exclude all other claims, including claims for vested benefits, wrongful termination, unemployment insurance, disability, social security, workers' compensation, claims while an employee was classified as exempt, and claims outside of the Class Period.

B. PAGA Released Claims.

The claims that Plaintiff, Eligible Aggrieved Employees, and LWDA are releasing in exchange for the consideration provided for by the Settlement are defined as any and all causes of action for civil penalties pursuant to PAGA that were alleged or which could have been alleged in the Action based on the facts and allegations pleaded in the Complaint in the Action, First Amended Complaint in the Action, and/or the LWDA notice letter. This includes, without limitation, all claims for civil penalties based upon or arising out of Defendant's alleged: (1) failure to pay minimum wage; (2) failure to pay overtime wages; (3) failure to provide meal breaks; (4) failure to provide rest breaks; (5) failure to pay meal period premium wages; (6) failure to pay rest period premium wages; (7) failure to pay sick leave; (8) failure to provide accurate wage statements; (9) failure to timely pay final wages during employment and at separation; (10) failure to maintain accurate payroll records; (11) failure to reimburse business-related expenses; and (12) claims for civil penalties arising under or based upon alleged violations of Labor Code sections 201, 202, 203, 204, 218.5, 221, 226(a), 226.3, 226.7, 246(l), 510, 512(a), 558, 1174(d), 1174.5, 1194, 1197, 1197.1, 1198, 2800, 2802, 2698 *et seq.*, 2699 *et seq.*, and/or those arising under applicable Industrial Welfare Commission Wage Orders. The Released Parties shall be entitled to a release of the PAGA Released Claims which occurred only during the PAGA Period and during such time that the Eligible Aggrieved Employee was classified as hourly-paid and/or non-exempt.

10. How Much Can I Expect to Receive From This Settlement?

The fixed total non-reversionary amount Defendant shall be required to pay under the Settlement shall be up to \$375,000 (“Gross Settlement Amount” or “GSA”).

The “Net Settlement Amount” or “NSA” means the portion of the Gross Settlement Amount available for distribution to Participating Class Members after the deduction of: (1) Class Representative Enhancement Payment to Plaintiff not to exceed \$10,000 in recognition of her work and efforts in obtaining benefits for the Class, for undertaking the risk of paying litigation costs in the event the Class Action had not successfully resolved, and a general release of all claims; (2) Administration Costs to the Settlement Administrator in a sum not to exceed \$15,000; (3) PAGA Payment of \$20,000 paid to the LWDA and Eligible Aggrieved Employees; (4) Attorney Fee Award not to exceed \$131,250 (35% of the Gross Settlement Amount) paid to Class Counsel as attorneys’ fees; and (5) Cost Award not to exceed \$25,000 paid to Class Counsel as litigation costs. These payments are each subject to court approval.

After deducting the above-referenced items, the remaining Net Settlement Amount will be proportionately distributed among all Participating Class Members. The Settlement Administrator will pay an Individual Settlement Share from the Net Settlement Amount to each Participating Class Member. Each Participating Class Member will receive a proportionate share of the Net Settlement Amount that is equal to: (1) the number of weeks he or she worked as a hourly-paid or non-exempt California employee of Defendant during the Class Period based on the Class Data; (2) divided by the total number of weeks worked by any and all Participating Class Members during the Class Period based on the Class Data; and (3) multiplied by the Net Settlement Amount. One day worked in a given week will be credited as a week for the purposes of this calculation. In other words, the value of each Individual Settlement Share is tied directly to the number of weeks the Participating Class Member worked during the Class Period.

Although your exact share of the Net Settlement Amount cannot be precisely calculated until the time during which Class Members may object to or seek exclusion from the Settlement concludes, based upon the calculation above, your approximate share of the Net Settlement Amount, is as follows: \$ [REDACTED], less taxes. This is based on Defendant’s records that show you worked [REDACTED] workweeks during the Class Period.

If you believe the number of eligible workweeks is incorrect, you may dispute this information by mailing a written explanation and/or documentation providing contrary information to the Settlement Administrator at [ADDRESS] on or before [INSERT DATE]. The Settlement Administrator will evaluate any evidence you submit and will make the initial decision as to the number of eligible workweeks with which you should be credited. The Court will have the right to review the Settlement Administrator’s decision and will make the final determination. In other words, the Court will resolve any workweek disputes not otherwise resolved by the Settlement Administrator and the Parties.

Ten percent (10%) of your Individual Settlement Share will be treated as wages. Applicable taxes will be withheld from the wages portion of your Individual Settlement Share only and reported on an IRS Form W-2. Forty-five percent (45%) of your Individual Settlement Share will be treated as penalties, the remaining forty-five percent (45%) of your Individual Settlement Share will be treated as interest, and you will be paid pursuant to an IRS Form 1099. Defendant’s share of employer payroll taxes will be paid by Defendant separate from and in addition to the Gross Settlement Amount.

///

///

Defendant is expected to fund the Gross Settlement Amount of \$375,000 no later than sixty (60) calendar days after the Effective Date. Your Individual Settlement Share will be calculated and distributed within fourteen (14) calendar days after the funding of the Settlement.

The Effective Date is defined as the date when the Court enters the order granting final approval. If an objection is made but no appeal is filed and the objection is overruled, then the Effective Date will be the date on which the time to file an appeal is exhausted. If an appeal is filed, but the settlement is upheld on appeal, then the Effective Date will be the date the final judgment becomes final and the time to file an appeal has been exhausted.

It is strongly recommended that upon receipt of your Individual Settlement Share check, you immediately cash it or cash it before the 180-day void date shown on each check. If any checks remain uncashed or not deposited by the expiration of the 180-day period after mailing, the Settlement Administrator will, within two hundred (200) calendar days after the checks are mailed, pay the amount of the Individual Settlement Share to the California State Controller's Unclaimed Property Division in accordance with California Unclaimed Property Law.

11. *What is the PAGA Payment and Am I Eligible for it?*

Under the terms of the Settlement, \$20,000 has been set aside as a PAGA Payment. This portion is the total amount of civil penalties collected on behalf of the State of California. Seventy-five percent (75%) of the PAGA Payment (\$15,000) will be sent to the LWDA as required by the PAGA statute. Eligible Aggrieved Employees will share the remaining twenty-five percent (25%) of the PAGA Payment (\$5,000) based on the number of pay periods they worked during the PAGA Period.

You are an aggrieved employee eligible to recover settlement funds from the PAGA Payment ("Eligible Aggrieved Employee") if you are a current and former hourly-paid or non-exempt employee of Defendant within the State of California at any time during the period from April 12, 2022 through June 2, 2023.

The Settlement Administrator shall pay each Eligible Aggrieved Employee according to his or her proportional share of the PAGA Payment allocated to the Eligible Aggrieved Employees, which will be based upon the total number of pay periods during which the Eligible Aggrieved Employee was employed during the PAGA Period. Each individual share will be calculated by: (1) determining the total number of pay periods during the PAGA Period during which the Eligible Aggrieved Employee was employed based on the Class Data; (2) dividing this number by the total number of pay periods during the PAGA Period during which all Eligible Aggrieved Employees were employed based on the Class Data; and (3) multiplying this number by the \$5,000 allocated to the Eligible Aggrieved Employees.

Based on the total number of pay periods during the PAGA Period during which you were employed, your Individual Settlement Share from the PAGA Payment is \$[REDACTED]. This is based on Defendant's records that show you worked [REDACTED] pay periods during the PAGA Period. One hundred percent (100%) of this payment will be considered penalties and shall be reported by IRS 1099 forms. You are responsible for paying any federal, state, or local taxes owed because of this payment.

If you believe the number of pay periods with which you have been credited is incorrect, you may dispute this information by mailing a written explanation and/or documentation providing contrary information to the Settlement Administrator at [ADDRESS] on or before [INSERT DATE]. The Settlement Administrator will evaluate any evidence you submit and will make the initial decision as to the number of pay periods with which you should be credited. The Court will have the right to review the Settlement Administrator's decision and will

make the final determination. In other words, the Court will resolve any pay period disputes not otherwise resolved by the Settlement Administrator and the Parties.

Because these penalties can only be sought by the State of California, you cannot exclude yourself from the PAGA portion of the Settlement if the Court gives final approval.

If you are not an Eligible Aggrieved Employee, this Section does not apply to you.

12. *How Will the Attorneys for the Class and the Class Representative Be Paid?*

The attorneys for Plaintiff and the Class will be paid from the Gross Settlement Amount. Subject to Court approval, the attorneys for Plaintiff and the Class shall be paid an amount not to exceed thirty-five percent (35%) of the Gross Settlement Amount (or \$131,250) as the Attorney Fee Award and an amount not to exceed \$25,000 as the Cost Award.

Defendant's costs and attorneys' fees are not paid out of the Settlement.

As set forth in Section No. 10 above, Plaintiff will also be paid a Class Representative Enhancement Payment, subject to Court approval.
