DECLARATION OF LILIT TUNYAN

I, LILIT TUNYAN, declare as follows:

1. I am admitted, in good standing, to practice as an attorney in the State of California, the United States District Courts for the Central, Eastern, Southern and Northern Districts of California. I am the founding partner at the law firm of Tunyan Law, APC. I am a fully qualified, adult resident of the State of California, and, if called as a witness herein, I would testify truthfully to the matters set forth herein. All of the matters set forth herein are within my personal knowledge, except those matters that are stated to be upon information and belief. As to such matters, I believe them to be true. I am one of the attorneys of record for Plaintiff JESUS M CAMPOSECO("Plaintiff").

2. This Declaration is submitted in support of Plaintiff' Motion for Final Approval of Class and PAGA Representative Action Settlement.

BACKGROUND

3. On April 10, 2023, Plaintiff commenced this Action by filing a Complaint alleging causes of action against Defendant Smarte Carte Inc. ("Defendant") for: (1) Violation of Labor Code §§ 204, 246, 510, 1194, 1198 (Failure to Pay All Wages and Provide Paid Sick Leave; (2) Violation of Labor Code §§ 226.7, 512 (Failure to Provide Meal Periods; (3) Violation of Labor Code § 226.7 (Failure to Provide Rest Periods); (4) Violation of Labor Code § 226, (Failure to Keep Accurate Itemized Wage Statements); (5) Violation of Labor Code §§ 201-203 (Failure to Pay Wages Upon Termination of Employment); (6) Violation of Labor Code § 2802 (Failure to Reimburse For Necessary Expenditures); and (7) Violation of Bus. & Prof. Code § 17200 et seq. (Unfair Business Practices). On May 10, 2023, Defendant filed its Answer to Plaintiff's initial complaint. On May 12, 2023, Defendant filed its Notice of Removal of this Action to the United States District Court for the Central District of California. On June 13, 2023, pursuant to the Parties' stipulation, Plaintiff filed his First Amended Complaint modifying the class period definition and adding the eighth cause of action adding a cause of action for civil penalties Under PAGA [Cal. Lab. Code § 2699, et seq.] ("PAGA"). On June 13, 2023, pursuant to the Parties' stipulation, this action was remanded to Los Angeles Superior Court. On July 18, 2023, Plaintiff filed his First Amended Complaint in Los Angeles Superior Court (the "Operative Complaint.")

4. Pursuant to Labor Code § 2699.3(a), Plaintiff gave timely written notice to Defendant

1 and the LWDA by sending the PAGA Notice and Amended PAGA Notice. (“PAGA”).

2 5. The Parties have conducted formal and informal discovery and investigation of the facts
3 and law. Such discovery and investigation have included, inter alia, the exchange of formal and informal
4 data and discoverable information in preparation for the mediation and settlement negotiations. The
5 Parties have analyzed payroll and other data pertaining to Plaintiff and the Class during the relevant
6 Settlement Period, including but not limited to the numbers of former and current members of the Class,
7 average workweeks, sample size time and pay records and average rate of hourly pay, wage and hour
8 policies. (*Id.*)

9 6. After reviewing documents regarding Defendant’s wage and hour policies and practices
10 and other information obtained during the exchange of discovery, Class Counsel were able to evaluate
11 the probability of class certification, success on the merits, and the reasonably obtainable maximum
12 monetary exposure for all claims. Class Counsel reviewed these records and prepared a damage analysis
13 prior to mediation. Class Counsel also investigated the applicable law regarding the claims and defenses
14 asserted in the litigation.

15 7. On July 1, 2024, the Parties mediated before a mediator Tagore Subramaniam, Esq. who
16 is a highly experienced and well-regarded mediator for wage and hour class action litigation, which led
17 to this Agreement to settle the Action. At the mediation, the Parties discussed at length the burdens and
18 risks of continuing with the litigation considering Defendant’s defenses. The Parties have reached an
19 agreement regarding the substantive terms of a class-wide settlement, pending the Parties’ agreement on
20 a long-form class settlement agreement. The Parties then signed a long form settlement agreement
21 (“Agreement”).

22 8. Plaintiff and Class Counsel are aware of the burdens of proof necessary to establish
23 liability for the claims asserted in the Action, both generally and in response to Defendant’s defenses
24 thereto. Plaintiff and Class Counsel have also taken into account Defendant’s agreement to enter into a
25 Settlement that confers substantial relief upon the Class.

26 9. Based on the foregoing, Plaintiff and Class Counsel have determined that the Settlement
27 set forth in this Agreement is a fair, adequate, and reasonable Settlement and is in the best interests of the
28 Class. Solely for the purpose of settling this case, the parties agree that the requirements for establishing

class action certification with respect to this class have been met and are met. The class period starts from July 17, 2021 since there was a previous class case entitled *Orellana v. Smarte Carte, Inc.*, n Los Angeles Superior Court Case No. 20STCV08890 releasing identical claims pleaded in this action during the period between March 5, 2016 to July 16, 2021. If this Settlement is not approved by the Court for any reason, Defendant reserves its right to contest class certification. This Settlement, if approved by the Court, will result in the termination with prejudice of the litigation through the entry of the Judgment and the release of all Released Claims for all Class Members, including all within the class definition who have not elected to exclude themselves from the Settlement Class.

SUMMARY OF THE SETTLEMENT TERMS

10. Key provisions of the proposed settlement include the following:

- (a) Defendant agrees not to oppose certification of a Class for purposes of Settlement only (Settlement, ¶ 12.1);
- (b) Class: All non-exempt, hourly employees of Defendant who worked for Defendant in California during the Class Period (the “Class Period” is July 17, 2021 through the date the Court grants preliminary approval of this settlement or on the modified date pursuant to the Paragraph 8 of this Agreement). (Settlement, ¶ 1.5, 1.12.) “Participating Class Members” are those Class Members who do not submit timely exclusion requests to the Settlement Administrator. (Settlement, ¶ 1.9, 1.35);
- (c) Settlement Amount: Defendant will pay a maximum of **\$240,000.00**, referred to as the Gross Settlement Amount (or GSA herein), resulting in an estimated average **gross** payment per Class Member of approximately **\$885.61** (Settlement, ¶ 1.22);
- (d) Class Size: **271** individuals who worked **16,574** workweeks during the Class Period (Settlement, ¶ 8);
- (e) PAGA Group Size: **236** individuals who worked **7,162** pay periods during the PAGA period (Tunyan Decl., ¶ 18);
- (f) PAGA Period: April 10, 2022 through the date the Court grants preliminary

1 approval of this settlement or on the modified date pursuant to the Paragraph 8 of
2 this Agreement. (Settlement, ¶ 1.31);

3 Escalator Clause: Based on its records, Defendant estimates that, as of the date of
4 mediation, (1) there were 267 Class Members and 15,191 Total Workweeks
5 during the Class Period. If, at the end of the Class Period, the actual total
6 workweeks worked by the Class Members during the Class Period exceeds this
7 figure by 10% (i.e., if there are 16,711 or more total workweeks), Defendant, at
8 its sole discretion, shall either: (i) increase the Gross Settlement Amount on a
9 proportional basis for those workweeks worked in excess of 10% of the current
10 15,191 estimate (i.e., if there is a 12% increase in the total workweeks, Defendant
11 shall increase the Gross Settlement Amount by 2%), or (ii) elect to cut off the
12 Class Period as of the date the total workweeks worked by Class Members during
13 the Class Period does not exceed 10% (i.e., so that the total workweeks is at or
14 below 16,711). Class Period can end at the latest on the date of preliminary
15 approval of this Settlement. (the “Escalator Clause”). (Settlement, ¶ 8); ***The***
16 ***escalator clause was not triggered, and the class and PAGA period ended on***
17 ***the date of preliminary approval order, i.e. November 21, 2024.***

18 (g) Kullar/Munoz Analysis: Plaintiff addresses the claims analysis herein, at Part
19 V.B.3, and in more detail the Declaration of Lilit Tunyan, at Paragraph 18;

20 (h) No Reversion: The Settlement is a ***non-reversionary*** settlement (Settlement, ¶
21 3.1);

22 (i) Certification: Plaintiff addresses certification requisites herein, at Part V.A., and
23 in the Declaration of Lilit Tunyan, at Paragraphs 34-40;

24 (j) No Claim Form: No claim form is required (Settlement., ¶ 3.1);

25 (k) Class Release: The Settlement will release specified wage-and-hour claims for
26 Class Members (those Class Members who do not opt out of the Settlement)
27 (Settlement, ¶¶ 1.39, 5.2);

28 (l) PAGA Release: The Class Members will release the PAGA Claims set forth in

1 this Action, that were identified in the First Amended Complaint and Plaintiff's
2 LWDA Notice Letter, regardless of whether they opt out of the class portion of
3 the Settlement (Settlement, ¶¶ 1.40, 5.3);

4 (m) Release Effective Date: The Release is not active until Defendant tender all
5 payments required under the Settlement to the Settlement Administrator
6 (Settlement, ¶ 5);

7 (n) Net Settlement Amount Available to the Class: After deducting Class Counsel's
8 attorneys' fees and costs, service award to Plaintiff, administration costs, and the
9 payment to the LWDA, the remainder will be available for distribution to Class
10 Members who do not opt out, with each Class Member receiving a share based
11 on the number of workweeks each Class Member worked for Defendant within
12 the Class Period. The Net Settlement Amount is estimated to be at least
13 **\$121,072.11**, resulting in an average **gross** payment per Class Member of
14 **\$885.61** and an average **net** payment per Class Member of **\$446.76** before any
15 tax withholdings. (Settlement, ¶ 3);

16 (o) Tax Allocation: The amounts distributed to Class Members will be characterized
17 as 20% alleged unpaid wages, 80% to penalties and interest, and PAGA
18 Settlement Payments will be allocated as 100% penalties. (Settlement, ¶ 3.2.4.1,
19 3.2.5.2);

20 (p) Employer's Portion of Payroll Taxes Paid Separately: Defendant's portion of
21 payroll taxes (e.g., FICA, FUTA, etc.) owed on any settlement payments to Class
22 Members that constitute wages will be paid separate and apart from the GSM
23 (Settlement, ¶ 3.1);

24 (q) Settlement Administrator: The notice portion of the Settlement will be
25 administered by a third-party Administrator, Phoenix Class Action
26 Administration Solutions and the Parties estimated that the costs of
27 administration should not reasonably exceed \$15,000.00. Phoenix Class Action
28 Administration Solutions' low bid for settlement administration services in the

amount of **\$7,000.00** was selected as the lowest bid from a competitive bidding process. (Settlement, ¶ 3.2.3);

- (r) Class Data for Administration: The Settlement Administrator will receive the Class List within 28 calendar days of Preliminary Approval, use the NCOA database to update the Class List, and then use skip tracing on returned Notices (Settlement, ¶ 4.2);
- (s) Notice: The Notice will issue within 14 days of receipt of the Class List (Settlement, ¶ 7.4.2). The Notice describes how to dispute workweeks, submit an objection in writing, in person, or through an attorney, or request exclusion (Settlement, ¶¶ 7.4 – 7.7);
- (t) Notice Language: Notice will issue in English and Spanish (Settlement, ¶ 1.11);
- (u) Objections: Objections can be submitted in person, through an attorney, or in writing to the Settlement Administrator (Settlement, ¶ 7.7);
- (v) Exclusion Requests: The procedure for exclusion requests, mailing a request to the Settlement Administrator, is the same as the procedure for submitting a written objection (Settlement, ¶¶ 7.5 and 7.7);
- (w) PAGA Allocation: From the GSA, \$15,000.00 will be allocated to settle claims brought pursuant to the California Private Attorneys General Act, Labor Code § 2699 et seq. (“PAGA”), and seventy-five percent (75%), or \$11,250.00, will be paid to the California Labor & Workforce Development Agency. (Settlement, ¶¶ 1.34, 3.2.5.);
- (x) Notice to LWDA: Notice was provided prior to the filing of this Motion. Evidence is attached to this Declaration;
- (y) Enhancement/Service Award to Plaintiff: Defendant will not oppose the application for Class Representative Service Award of up to **\$6,000.00** for Plaintiff, to be paid from the GSA (Settlement, ¶ 3.2.1);
- (z) Fees and Costs: Defendant will not oppose Class Counsel’s application for fees not to exceed 33 1/3% of the GSA (**\$80,000.00**), and actual costs, in an amount

not to exceed **\$15,000.00**, to be paid out of the GSA (Settlement, ¶ 3.2.2);

(aa) Check Void Period: Settlement checks will be valid for 180 days (Settlement, ¶ 4.4.3);

(bb) Uncashed Checks: Any settlement checks that are mailed to the Class Members and remain uncashed after 180 days of the date of issuance will be cancelled, and the moneys will be directed to the California Controller's Unclaimed Property Fund (Settlement, ¶¶ 4.4.1, 4.4.3);

(cc) Judgment Notice: Settlement Agreement, Class Notice and Judgment will be posted on the Settlement Administrator's website after entry (Settlement, ¶ 7.8.1);

(dd) Confidentiality Provisions: The Settlement permits Class Counsel to discuss the Settlement with Class Members (Settlement ¶ 12.3).

11. A true and correct copy of the CLASS ACTION AND PAGA SETTLEMENT AGREEMENT is attached hereto as **Exhibit "1."**

THE SETTLEMENT IS FAIR, JUST AND REASONABLE

12. Plaintiff and counsel have diligently investigated the claims of the Class Members. Plaintiff and Class Counsel concluded, after taking into account the disputed factual and legal issues involved in this Action, the substantial risks attending further prosecution including risks related to the outcome of certification, and the substantial benefits to be received pursuant to the compromise and settlement of the Action as set forth in the Settlement, that settlement on the terms agreed to are in the best interest of Plaintiff and the putative Class and are fair and reasonable. Plaintiff's and Defendant's counsel brought to bear a great deal of experience with class actions in negotiating the settlement of this case.

13. One fundamental purpose of the class action device is to promote efficiency. Resolution at this time will forestall the need for additional expensive and time-consuming litigation that could very well result in an outcome less satisfactory than that proposed under this settlement. But, before any other consideration, we have agreed to this settlement because it is objectively reasonable. The potential for resolution benefits the class members, since they do not have to wait additional years for a similar recovery. The efficiency of this litigation benefits the Court, the parties and their counsel. A class-wide

1 resolution is the most realistic method for addressing the claims raised in this matter.

2 14. We have engaged in the necessary investigation in this case that made it possible for us to
3 exercise informed judgment in those aspects of the settlement process in which we were involved. The
4 exchange of time and wage data, wage and hour policy documents and data about the composition of the
5 Class were sufficient to permit us counsel to adequately evaluate the settlement. We had more than
6 enough information upon which to evaluate a fair and reasonable settlement amount.

7 15. We believe that the case was viable through to a trial. However, while Plaintiff assert a
8 belief that this is a viable case for trial, we realize that there are always significant risks associated with
9 certification and trials, and those risks cannot be eliminated in this case. Continued litigation of this
10 lawsuit presented Plaintiff and Defendant with substantial legal risks and costs that were (and continue to
11 be) difficult to assess. The risks in this matter include:

- 12 • the risk that Plaintiff would be unable to establish liability for allegedly unpaid straight time
13 or overtime wages, *see Duran v. US Bank Nat'l Ass'n*, 59 Cal. 4th 1, 39 & fn. 33 (2014)
14 (“*Duran*”), *citing Dilts v. Penske Logistics, LLC* 2014 WL 205039 (S.D. Cal. 2014)
15 (dismissing certified off-the-clock claims based on proof at trial);;
- 16 • the risk that Defendant’s meal and rest period policies might not ultimately support class
17 certification or a class-wide liability finding, *see Duran*, 59 Cal. 4th at 14, n. 28 (citing
18 Court of Appeal decisions favorable on class certification issue without expressing opinion
19 as to ultimate viability of proposition) given also low violation rate based on the review of
20 the sample records;
- 21 • the risk that uncertainties pertaining to the ultimate legality of Defendant’s policies and
22 practices could preclude class-wide awards of statutory penalties under Labor Code §§ 203
23 and 226(e);
- 24 • the risk that individual differences between Class Members could be construed as
25 pertaining to liability and not solely to damages, *see Duran*, 59 Cal. 4th at 19;
- 26 • the risk that any civil penalties award under the PAGA could be reduced by the Court in its
27 discretion, *see Labor Code § 2699(e)(1)*;
- 28 • the risk that class treatment could be deemed improper as to one or more claims, except for

1 settlement purposes;

- 2 • the risk that lengthy appellate litigation could ensue;
- 3 • the risk that violation rate estimates would prove much lower than expected.

4 These risks are non-exhaustive. While we remain confident that we possess credible strategies for
5 responding to the legal and factual risks facing them, those risks cannot be disregarded. We carefully
6 considered the risks created by all of these uncontrollable factors when evaluating the reasonableness of
7 this proposed settlement. This Settlement provides a benefit to the Class Members that is very
8 reasonable in light of these particular risks.

9 16. The Settlement is the product of arm's-length negotiations between the Parties occurring
10 throughout the litigation. In light of the uncertainties of protracted litigation and the state of the law
11 regarding the legal positions of the Parties, the settlement amount reflects the best feasible recovery for
12 the Class Members. The settlement amount is, of course, a compromise figure. By necessity it took into
13 account risks related to liability, damages, and the defenses asserted by Defendant. Moreover, each
14 Class Member will be given the opportunity to opt-out of the Settlement, allowing those who feel they
15 have claims that are greater than the benefits they can receive under this Settlement to pursue their own
16 claims. For the approximately 271 members of the Class, the average **gross** recovery is at least **\$885.61**
17 per class member, and the estimated average **net** recovery for each Class Member is approximately
18 **\$446.76**. Given that Defendant could challenge certification and liability, this is a significant sum to have
19 achieved in settlement. Moreover, a Class Member who worked a greater number of weeks for
20 Defendant will receive a larger share of the Settlement than a Class Member who worked for a shorter
21 amount of time during the class period.

22 17. The Gross Settlement Amount of **\$240,000.00** is about 73% of the **\$328,401.64** estimate
23 of *risk-adjusted* recovery (excluding interest) at this stage in the litigation. This assessment is based on a
24 carefully constructed model of the current fair value of the case, using estimated risks, average wage
25 rates, numbers of employees, and the amount of time covered by the class period. While Plaintiff would
26 certainly have preferred to recover more (and Defendant would have preferred to pay less), this outcome
27 is in line with a carefully constructed estimate of the current fair value of the case. On that basis, it
28 would be unwise to pass up this settlement opportunity. My maximum calculated reasonable exposure,

after removing implausible or extreme estimated recoveries, is **\$2,283,296.40**, including PAGA penalties.

- A reasonably estimated exposure for unpaid off-the-clock work and split shift premiums was calculated, with the assistance of an expert, to be approximately **\$300,781.80** (15,191 workweeks x 1 hour of unpaid wage or split shift premium per workweek, which is based on the hourly average rate of \$19.8 per hour)). However, with the risk factor discounts for certification and liability proof, the value of that claim is estimated by Plaintiff's counsel to be approximately **\$60,156.36**, assuming certification probability of 40% and merits success at 30%.
- A reasonably estimated exposure for rest break violations over the class period was calculated at **\$300,781.80** (15,191 workweeks x 1 rest period premium per workweek x \$19.8), but with chances of certification and proof of liability (50% and 40% respectively) for a risk-adjusted exposure of **\$60,156.36**.
- A reasonably estimated exposure for meal break violations over the class period was calculated at **\$300,781.80** (15,191 workweeks x 1 meal period premium per workweek x \$19.8) with chances of certification and liability risks (50% and 40% respectively) resulting in a risk-adjusted exposure of **\$60,156.36**.
- Risk-adjusted penalty recoveries for wage statement and Labor Code § 203 penalties were estimated to be approximately **\$61,910.00** and **\$34,689.60**, respectively, on maximum exposures of **\$619,100.00** (226 initial violations x \$50 statutory penalty) + [6,078 subsequent violations x \$100 statutory penalty] and **\$346,896.00** (73 employees terminated during the three-year statute of limitation x (30 days x hourly rate of \$19.8 x 8 hours), or approximately \$4,752 per individual, respectively), respectively (50% and 20% respectively).
- A reasonably estimated exposure for unreimbursed expenses was calculated at **\$75,955.00** (15,191 workweeks x \$5 unreimbursed business expenses per workweek), with chances of certification and liability risks (20% and 50% respectively) resulting in a risk-adjusted exposure of **\$7,595.50**.
- Performing risk-adjusted valuations for all claims yields a total value in the range of

1 **\$260,601.64**, excluding PAGA. (Id.)

- 2 • PAGA penalties were calculated as having a maximum realistic exposure of **\$339,000.00**
3 (226 aggrieved employees estimated to have worked during one-year statutory period x
4 \$1,500.00 civil penalties), but a risk adjusted value of **\$67,800.00**, after factoring in risks of
5 reduction in penalties pursuant to Court discretion and the high risk of the inability to prove
6 violations for all aggrieved employees.

7 As required under *Kullar v. Foot Locker Retail, Inc.*, 168 Cal. App. 4th 116 (2008) and *Munoz v. BCI*
8 *Coca-Cola Bottling Co. of Los Angeles*, 186 Cal. App. 4th 399 (2010), the maximum plausible and
9 realistic recoveries versus the current risk-adjusted value of the claims are discussed in additional detail
10 below:

11 **(a) Key Class Data Elements at Time of Mediation:**

- 12 1) Class Members: 271
13 2) Work Weeks: 16,574 workweeks during Class Period
14 3) PAGA Employees 236
15 4) Gross Settlement Amount: \$240,000

16 **(b) KULLAR/MUNOZ ANALYSIS: Unpaid Wages Due to Off-the-Clock Work**
17 **and Unpaid Split Shift Premiums**

- 18 1) Plaintiff's claims for unpaid wages due to off-the-clock work is based
19 on Defendant's requirement for Class Members to cover the shifts of
20 co-workers who failed to show up and to communicate with their
21 supervisors using their personal cell phones regarding work schedules
22 and tasks after the scheduled hours. Additionally, in 4.3% of all shifts
23 the first meal periods were greater than bona-fide 30-minute meal
24 periods making Class Members to work split shifts without payment of
25 split shift premiums. Plaintiff also alleged in this Action that
26 Defendant maintained a policy and practice of failing to provide
27 Plaintiff and Class Members with paid sick leave as well as to provide
28 a written notice of accrued paid sick leave as required under California

law. Based on review of the records produced by Defendant provided paid PTO to Class Members and provided notice of accrued PTO in paystubs. Therefore, Plaintiff believes that it is not possible to calculate the exposure for unpaid sick leave liability since paid PTO might have included paid sick leave.

- 2) Defendant denies these allegations and contends they compensated for all time. Defendant also contends that Defendant did not pay split shift premiums to Class Members since Class Members' hourly wages were more than a minimum wage, and the money earned above the minimum wage each shift covered Defendant's obligation to pay split shift premiums.

3) **Risk-adjusted Exposure Analysis:**

Calculated maximum recovery:	\$300,781.80
Estimated certification probability	40%
Estimated chance of prevailing on merits	30%
Max recovery × certification risk × chance or success on merits = Present Settlement Value	\$60,156.36

(c) **KULLAR/MUNOZ ANALYSIS: Meal Periods**

- 1) Plaintiff's claim for meal break violation is based on Defendant's policy to require Plaintiff and Class Members to record meal period time but work through their meal periods as well as miss or take late meal periods due to the workload. Employees are entitled to meal periods of at least 30 minutes before exceeding five hours of work and to second meal periods of not less than 30 minutes before exceeding 10 hours of work. For each meal period missed or taken late an employer must pay the employee an additional one hour of compensation. Labor Code § 226.7. This additional hour of compensation is referred to as "premium pay."
- 2) Defendant denies these allegations and maintain that the obligation is

1 simply to “provide” meal periods, not to “ensure” that they are taken.
2 *Brinker v. Superior Court*, 53 Cal. App. 4th 1004, 1034-41 (2012)
3 (rejecting “ensure” standard). Furthermore, Defendant contends that any
4 failure to take meal periods, or to take late meal periods, was a result of
5 employee choice, not of any policy or practice of Defendant. Finally,
6 Defendant asserts that Plaintiff’s meal period claims would not be
7 amenable to class treatment, since individual inquires would need to be
8 made with respect to each specific shift that each employee missed a meal
9 or rest period, to determine why that specific employee missed that specific
10 meal or rest period on that specific shift.

11 3) **Risk-adjusted Exposure Analysis:**

12 Calculated maximum recovery:	\$300,781.80
13 Estimated certification probability	50%
14 Estimated chance of prevailing on merits	40%
15 Max recovery × certification risk × chance or success 16 on merits = Present Settlement Value	\$60,156.36

17
18 (d) **KULLAR/MUNOZ ANALYSIS: Rest Breaks**

- 19 1) Plaintiff’s claim for rest break violation is based on Defendant’s policy to
20 require Plaintiff and Class Members to miss rest periods due to the
21 workload. Employees are entitled to a rest period of at least 10 minutes
22 every four hours worked, or major fraction thereof. For each rest period
23 missed or taken late an employer must pay the employee an additional one
24 hour of compensation. Labor Code § 226.7. This additional hour of
25 compensation is referred to as “premium pay.”
- 26 2) Defendant maintains that the obligation is simply to “authorize and permit”
27 rest periods, not to “ensure” that they are taken. *Brinker v. Superior Court*,
28

53 Cal. App. 4th 1004, 1034-41 (2012) (rejecting “ensure” standard).

Furthermore, Defendant contends that any failure to take rest breaks was a result of employee choice, not of any policy or practice of Defendant.

Finally, Defendant asserts that Plaintiff’s rest breaks claims would not be amenable to class treatment, since individual inquires would need to be made with respect to each specific shift that each employee missed a rest period, to determine why that specific employee missed that specific rest break on that specific shift.

3) **Risk-adjusted Exposure Analysis:**

Calculated maximum recovery:	\$300,781.80
Estimated certification probability	50%
Estimated chance of prevailing on merits	40%
Max recovery × certification risk × chance of success on merits = Present Settlement Value	\$60,156.36

(e) **KULLAR/MUNOZ ANALYSIS: Late Pay Penalties Under Labor Code § 203**

1) Labor Code § 203 provides that if an employer fails to pay an employee all wages due at termination or within 72 hours of resignation, then that employee’s wages shall continue as a penalty until paid for a period of up to thirty (30) days from the date they were due. Because class members stopped working for Defendant but again were not paid their full compensation for the reasons discussed above, class members did not receive all wages due upon termination of employment.

2) Defendant argues that a good-faith belief in the legality of its employment practices precludes a finding that any withholding of wages was “willful.” See Cal. Code Regs. § 13520 [good-faith dispute exists to a claim for waiting time penalties “when an employer presents a defense, based in law

or fact which, if successful, would preclude any recovery on the part of the employee. The fact that a defense is ultimately unsuccessful will not preclude a finding that a good faith dispute did exist.”].) Defendant further maintains that because of viable defenses in both law and fact that waiting-time penalties could not be awarded and, in any case, such penalties were subject to a three-year limitations period under Labor Code § 203(b) and an arbitration agreement that would bar class treatment.

3) **Risk-adjusted Exposure Analysis:**

Calculated maximum recovery:	\$619,100.00
Estimated certification probability	50%
Estimated chance of prevailing on merits	20%
Max recovery × certification risk × chance or success on merits = Present Settlement Value	\$61,910.00

(f) **KULLAR/MUNOZ ANALYSIS: Wage Statement Violations**

- 1) Plaintiff also alleged a cause of action under Labor Code § 226(a) for not including all wages, or meal and rest break premiums in the wage statements and as a result of including all nice digits of Social Security Numbers of employees instead of including only four digits as well as for including sick pay hours in the total number of hours in Class Members wage statements. That section states that an employer must provide an accurate itemized wage statement twice a month or each time wages are paid, whichever is the more frequent. Failure to do so entitles employees to recover the greater of all actual damages or fifty dollars (\$50) for the initial pay period in which a violation occurs and one hundred dollars (\$100) for each violation in a subsequent pay period, not exceeding an aggregate penalty of four thousand dollars (\$4,000). See Labor Code § 226(e).

2) Defendant contends that Labor Code § 226(e) penalties are not automatic. Rather, the employee must show that he or she suffered injury from the employer's failure to provide compliant wage statements, and that Defendant's noncompliance was knowing and intentional. Defendant contends that class members suffered no injury from any failure to issue compliant wage statements and, furthermore, that any noncompliance was not knowing and intentional. Further, because the damages for this cause of action are penalties, the statute of limitations only runs from one year prior to the filing of the original complaint. See Code Civ. Proc. § 340. Moreover, Defendant maintain that Plaintiff's derivative claim for wage statement penalties would fail for the same reasons that Plaintiff's underlying claims would fail. The parties discussed these issues, and in light of these and other considerations Class Counsel factored in a reduction of liability and damages for this cause of action.

3) **Risk-adjusted Exposure Analysis:**

Calculated maximum recovery:	\$346,896.00
Estimated certification probability	50%
Estimated chance of prevailing on merits	20%
Max recovery × certification risk × chance or success on merits = Present Settlement Value	\$34,689.60

(g) **KULLAR/MUNOZ ANALYSIS: Unreimbursed Expenses Under Labor Code § 2802**

1) Plaintiff also alleged a cause of action under Labor Code § 2802 for failure to reimburse all necessary expenses. Under Labor Code § 2802, "an employer shall indemnify his or her employee for all necessary expenditures... incurred by the employee in direct consequence of the discharge of his or her duties." Lab. Code § 2802. Plaintiff's claim for

unreimbursed expenses is based upon allegation that Class Members used their personal vehicles to arrive at Defendant's one location to clock in to work and to drive to a different location as well as use their personal cellular telephones to communicate with their supervisors and co-workers regarding the work assignments and schedules without reimbursement.

- 2) Defendant contends that employees did not incur significant expenses, and that insignificant number of Class Members may have used their personal vehicles to drive to Defendant's different locations without reimbursement.

3) **Risk-adjusted Exposure Analysis:**

Calculated maximum recovery:	\$75,955.00
Estimated certification probability	20%
Estimated chance of prevailing on merits	50%
Max recovery × certification risk × chance of success on merits = Present Settlement Value	\$7,595.50

(h) QUASI- KULLAR/MUNOZ ANALYSIS: PAGA

- 1) The Labor Code Private Attorneys General Act, Labor Code § 2699 *et seq.*, allows Plaintiff to obtain civil penalties on behalf of herself and other class members for Defendant's violation of any provision of the Labor Code enumerated under Labor Code § 2699.5. Where civil penalties are provided in the statute, those civil penalties are recoverable; where no civil penalties are recoverable, Labor Code § 2699(f) establishes civil penalties of one (\$100) for each aggrieved employee per pay period for the initial violation and two hundred dollars (\$200) for each aggrieved employee per pay period for each subsequent violation. Pursuant to Labor Code § 2699(i), seventy-five (75) percent of the penalties recovered must be allocated to the

Labor and Workforce Development Agency (LWDA), with the remaining twenty-five (25) percent allocated to the affected employees. The limitations period is one year prior to the filing of the complaint.

2) The provisions of the Labor Code potentially triggering PAGA penalties in this case include but are not limited to Labor Code §§ 203, 226(a), 226.7, and 510. Defendant asserted that if PAGA penalties were mandatory, an employer's PAGA liability would be huge because of the possibility of collecting multiple civil penalties for a single violation, and thus such penalties would almost always dwarf the damages available under the causes of action proper. However, PAGA penalties are not mandatory but permissive. Labor Code § 2699(e)(2) states that "a court may award a lesser amount than the maximum civil penalty amount specified by this part if, based on the facts and circumstances of the particular case, to do otherwise would result in an award that is unjust, arbitrary and oppressive, or confiscatory." *See also Thurman v. Bayshore Transit Management, Inc.*, 203 Cal. App. 4th 1112, 1135 (2012) [affirming reduction of PAGA penalties].) Defendant here maintain that they have a strong argument that it would be unjust to award maximum PAGA penalties.

3) Furthermore, PAGA penalties are also completely derivative of each and every other claim. Finally, under *Amaral v. Cintas Corp.*, 163 Cal. App. 4th 1157(2008), it can be argued that penalties under PAGA could, at best, be awarded only at the rates obtainable for initial violations under the applicable statutes, because Defendant had never been notified of the alleged violations. *Id.*, at 1208, 1209.

4) **Risk-adjusted Exposure Analysis:**

Calculated maximum recovery:	\$339,000.00
Discount reduction factor for risk of Court reduction	20%

and uncertainty of proof for all aggrieved employees	
Max recovery × risk reduction = Present Settlement Value	\$67,800.00

With the assistance of Class Counsel’s retained damages expert, Class Counsel estimated Defendant’s maximum total exposure on the PAGA claim at approximately **\$339,000.00** (without stacking). This number presupposes underlying claims are proven at a plausible rate and that the Court awards the full base penalties for each. Class Counsel then applied discounts in light of the countervailing arguments with regard to the other causes of action, and the Court’s power to award “a lesser amount than the maximum civil liability.” Accordingly, due to the speculative nature of a valuation for this claim, a discount of **80%** was applied to account for the difficulty of prevailing on this claim.

- (i) **Kullar Summary:** Indulging the most optimistic estimates and improbably favorable outcomes, the maximum reasonable recovery is estimated to be approximately **\$2,283,296.40**, including PAGA. The settlement amount is about **11%** of that amount. The calculated current settlement value is **\$328,401.64** (calculated by adding the risk-adjusted amounts in the charts above together), and the settlement is **73%** of the current risk-adjusted settlement value. The bottom line is that the settlement is about **11%** of the *maximum* plausible recovery for the 267 Class Members, and it is a reasonable settlement, given that the full amount is very unlikely to be recovered.

18. This result here is fully supportable as reasonable. First, it is important to recognize the wilfulness finding required for Labor Code §§ 203 and 226 is challenging to establish. Second, rest break and meal period claims have been challenging to certify for many years, even after *Brinker*. Many risks are eliminated through settlement. And, with respect to those risks, certification rates in California are **lower** than conventional wisdom holds. See, e.g., H. Scott Leviant, *Second Interim Report on class*

1 *actions in California sheds new light on certification* (February 19, 2010),

4 *the Study of California Class Action Litigation*, 2000-2006, available at
5 <http://www.courtinfo.ca.gov/reference/documents/class-action-lit-study.pdf> (finding, at page 5, and in
6 Table 9, at page 15, that only 21.4% of all class actions were certified either as part of a settlement **or** as
7 part of a contested certification motion). Here, the estimated certification probabilities are **above** the
8 average rate at which cases were certified in California over the study years, based upon data available
9 through the California Courts websites. In sum, well *under* 20% of all cases filed as proposed class
10 actions are ultimately certified by way of a *contested* motion. Since the recovery is roughly 11% of the
11 maximum theoretical recovery, it meets the expected outcome under that metric. This Settlement
12 achieves the goals of the litigation.

13 19. To the best of my knowledge, there are no other like class claims asserted or filed by
14 Class Members. To the best of my knowledge, no Class Member has refrained from bringing a class
15 action with claims similar to those raised in the Action, whether in reliance on the Action or otherwise,
16 and who thus might be prejudiced by entry of Judgment in this Action.

17 THE EXPERIENCE OF CLASS COUNSEL

18 20. I am a founding partner of Tunyan Law, APC and has been engaged in the practice of
19 employment and labor law for five years focusing exclusively on plaintiffs' employment law and wage-
20 and-hour class actions and more than twenty-five years in practice of law in general. I have handled
21 hundreds of wage-related class actions.

22 21. Prior to establishing my own practice, I was an associate attorney at Moon & Yang, APC and
23 Mahoney Law Group, APC. Since I was admitted to the California Bar, my practice has focused mainly
24 on labor and employment class action lawsuits involving California and federal labor laws. Along with
25 those firm's other attorneys I have successfully settled more than 50 class and PAGA matters during that
26 time span and was routinely appointed lead or co-lead class counsel in courts in California including by
27 way of motion for class certification. I have additionally successfully settled about 25 class and PAGA
28 matters during the last two years prior to filing this motion.

1 22. I received my Juris Doctorate from the State Yerevan University and my LL.M. from
2 University of Minnesota Law School. Prior to moving to California and starting to practice law in
3 California I practiced law in Armenia for about twenty years as a licensed attorney. I have been general
4 counsel and head of legal department for big telecommunication and financial corporations in Armenia
5 for the last 12 years prior to moving to California. I managed corporate legal department and corporate
6 legal and regulatory affairs and handled complex litigation matters as well as complex transactions for
7 many years.

8 23. I am a current member of the California Employment Lawyers Association (CELA). I
9 have been an active member of the State Bar of California in good standing.

10 24. I am experienced in prosecuting employment matters, particularly class actions, and I focused
11 a substantial percentage of my practice on wage, hour, and working conditions violations. In addition to
12 the present case, I represented Plaintiff and the class members and have extensively worked on many
13 wage-and-hour class cases and have been appointed as class or PAGA counsel along with other counsel
14 and co-counsel for wage-and-hour class action lawsuits in various counties throughout California such as:

7 25. Artur Tunyan is another partner and attorney at Tunyan Law, APC. He received his Juris
8 Doctorate from the State Yerevan University and his LL.M. from the American University of Armenia
9 and University of Illinois Chicago, School of Law. Prior to moving to California and starting to practice
10 law in California he practiced law in Armenia for about twenty-five years. He oversaw international
11 donor-funded projects for the judiciary and managed public-private partnership initiatives in sectors such
12 as energy, banking, finance, and aviation. He managed complex transactions and litigation matters for
13 many years.

14 26. My current contingent billing rate is consistent with my practice area, legal market and
15 accepted hourly rates considering also that I practiced law in another country for additional 20 years
16 which brings a total of almost 25 years of experience practicing law. The 2023-2024 Adjusted Laffey
17 Matrix states that an attorney with 4 to 7 years experience can reasonably charge \$538 per hour. See
18 <http://www.laffeymatrix.com/see.html>.

19 REASONABLENESS OF THE REQUESTED FEE AWARD

20 27. When this case was taken on a contingent fee basis, with the firm agreeing to assume
21 responsibility for litigation costs, the ultimate result was far from certain. In the course of this litigation,
22 Tunyan Law, APC, paid filing fees, Westlaw fees, copy charges and mailing, telephone and express mail
23 charges. There was never a guarantee that Tunyan Law, APC, would recoup those expenditures. The
24 firm took on this case, which necessarily required the firm to forego other opportunities, given finite
25 resources to devote to cases.

26 28. Because of the uncertainty of the outcome in this and other wage and hour litigation
27 undertaken by Tunyan Law, APC, we took this case with the expectation that a risk enhancement, either
28 in the form of a lodestar multiplier or a percentage of the fund award equivalent thereto, would be

1 available if we prevailed. This expectation stems from the fact that many cases we undertake as putative
2 class actions do not resolve successfully.

3 29. Class Counsel's experience in employment class actions was integral in evaluating the
4 strengths and weaknesses of the case against Defendant and the reasonableness of the settlement.
5 Practice in the narrow fields of wage and hour litigation requires skill and knowledge concerning the
6 rapidly evolving substantive law (state and federal), as well as the procedural law of class action
7 litigation.

8 30. In the past five years, I have settled many wage-and-hour class and PAGA actions. Just
9 as the Court in *Chavez v. Netflix, Inc.*, 162 Cal. App. 4th 43, 66, n.11 (2008) observed, it has been my
10 experience, that attorney fee awards of one-third of a common settlement fund are the rule, rather than
11 the exception. Here, Class Counsel agrees that they will seek no more than one third of the settlement
12 amount in fees. This is consistent with common practice, consistent with Ninth Circuit practice,
13 consistent with California law approving the percentage of the fund method to award fees from a
14 common fund, *Laffitte v. Robert Half Intern. Inc.*, 1 Cal. 5th 480, 503 (2016), and not inappropriate in
15 light of the many hours expended by attorneys and paralegals performing work for Plaintiff before and
16 after the filing of this matter. That work includes:

- 17 (a) Numerous interviews with Plaintiff and review of documents provided by Plaintiff;
- 18 (b) Interviews with class members;
- 19 (c) Investigation of the matter and exploring the corporate structure of Defendant;
- 20 (d) Legal research and investigation regarding the Defendant's practices at numerous
21 points in the litigation;
- 22 (e) Preparation of multiple drafts of the original complaint and finalization and filing
23 of the original complaint;
- 24 (f) Preparation and filing of First Amended Complaint;
- 25 (g) Extensive "meet and confer" efforts with Defendant's counsel regarding obtaining
26 relevant documents and information through informal discovery and selecting a
27 mediator and mediation date;
- 28 (h) Conducting formal discovery;

- (i) Preparing responses to Defendant's discovery requests and respond to Defendant's meet and confer communication;
- (j) Working with Plaintiff to prepare discovery responses and collect documents responsive to discovery requests;
- (k) Extensive "meet and confer" efforts with Defendant's counsel regarding Defendant's responses to formal discovery requests and deposition;
- (l) Attending Informal Discovery Conference to resolve the discovery dispute;
- (m) Drafting motion to remand case to Superior Court;
- (n) Drafting stipulation to remand case to Superior Court;
- (o) Extensive "meet and confer" with Defendant regarding limiting the Class Period and remand to Superior Court;
- (p) Attending court hearings;
- (q) Drafting the LWDA Notice letter;
- (r) Drafting joint statements and joint stipulations;
- (s) Review of payroll and time data;
- (t) Working with opposing counsel for the receipt of a representative sampling and analyzing the same with the aid of expert consultants and Plaintiff to perform analyses of liability and exposure, preparation of a damages model with the aid of a statistics expert, review and revisions to the damage model and supporting data analysis;
- (u) Conferences with Defendant's counsel regarding mediation, sample data and settlement negotiations;
- (v) Preparing mediation brief;
- (w) Attending mediation;
- (x) Communicating with Plaintiff who requested updates or other information regarding this matter;
- (y) Drafting, negotiating, and reviewing multiple drafts of the Settlement Agreement and attachments;

- (z) Preparation of the initial motion for preliminary approval and multiple revisions thereafter;
- (aa) Monitoring of the notice process, including review of data and mailing documents, as well as weekly status reports;
- (bb) Preparation of the initial motion package for final approval and multiple revisions thereafter.

31. The actual lodestar incurred by Plaintiff's counsel is approximately **\$127,880.00** to date (and estimated to be **\$130,880.00** when all is done). The breakdown of work by attorney is as follows:

Attorney	Time	Rate	Total
Lilit Tunyan	209.3	\$600	\$125,580.00
Artur Tunyan	4.6	\$500	\$2,300.00
	213.9	Total:	\$127,880.00

32. I also anticipate that we will spend an additional 5 hours on this matter, appearing at the hearing of this Motion, working with the administrator to process the Settlement, and preparing final accounting filings after distribution of the Settlement, for an additional lodestar of \$3,000.00. The bottom line is that attorneys for Plaintiff invested substantial amounts of time pursuing discovery and evaluating data before and after the mediation in this matter. Those efforts led to this settlement.

33. The fee request is **\$80,000.00**, which is one third of the Gross Settlement Amount, as specified in the Settlement Agreement. As we are requesting a fee of **\$80,000.00**, this represents a **negative** lodestar multiplier of 1.6, when compared to the recorded and estimated future lodestar of counsel, totaling **\$130,880.00** (\$127,880.00 + \$3,000.00). Therefore, Plaintiff's Counsel request an award of fees of **\$80,000.00** is reasonable. The requested fee of \$80,000.00 will be split with LA Injury Attorneys with 25% of the fee to LA Injury Attorneys and 75% of the fee to Tunyan Law, APC pursuant to California Rules of Professional Conduct, Rule 1.5.1. as a referral fee. Pursuant to California Rules of Professional Conduct, Rule 1.5.1 Plaintiff gave his consent in writing by signing a separate fee sharing agreement which also notified Plaintiff that the total fee charged by all lawyers will not be increased for the reason of the agreement to divide fees.

34. The Agreement also provides for the award of actual costs. Recoverable costs are capped at \$15,000.00 under the Settlement. Plaintiff's actual, out-of-pocket costs in taking on representation in this matter on a contingency basis are currently **\$14,677.89**, including future motion, final report filing and CaseAnywhere fees, as set forth in **Exhibit "2."** Therefore, Plaintiff requests an award of **\$14,677.89** to reimburse costs incurred in bringing this action.

THE CONTRIBUTION OF PLAINTIFF AND THE REASONABLENESS OF THE REQUESTED
INCENTIVE AWARD

35. Here, Plaintiff seeks an Enhancement Payment of **\$6,000.00**. This amount is very reasonable given the risks undertaken by Plaintiff for involvement in the Action. Taking the risk of filing a lawsuit against an employer deserves recognition, especially in light of the settlement achieved by Plaintiff. Additionally, Plaintiff was actively involved in the litigation, discovery, mediation and settlement negotiations of this Action, expending considerable effort in advancing the interests of the Class. Plaintiff provided information to counsel before the filing of this matter; actively assisted with written discovery, provided class members' information, assisted with settlement process (which included conferring with counsel prior to mediation, during the mediation and after the mediation); and, regularly conferred with counsel regarding the case whenever questions arose. I estimate that Plaintiff contributed dozens of hours of time to the prosecution of this matter. Plaintiff's declaration also confirms that Plaintiff was an active participant in the filing and settlement of this case. The enhancement also recognizes the considerable risks Plaintiff undertook on behalf of the Class as well as the personal risk of facing intrusive discovery and potential disclosure to future employers that Plaintiff sued a former employer, making future employment prospects uncertain and that Plaintiff releases claims beyond wage-and-hour claims released by Class Members.

THE THIRD-PARTY ADMINISTRATOR

36. The parties have agreed that administration will be handled by a third-party administrator. In counsel's experience as class counsel in similar wage-and-hour actions with a similar number of employees, Phoenix Class Action Administration Solutions is fully capable of administering the settlement at a competitive and reasonable cost and should be approved by the Court to administer the settlement notice process. Phoenix Class Action Administration Solutions was selected because it

submitted a low bid in the amount of **\$7,000** for administration services. Phoenix Class Action Administration Solutions has also provided a declaration confirming its experience and its implementation of measures designed to protect Class Member data and Class Settlement funds. Plaintiff's counsel do not have any conflicts of interest with the selected administrator Phoenix Class Action Administration Solutions.

3.2.3. To the Administrator: An Administrator Expenses Payment not to exceed \$15,000.00 except for a showing of good cause and as approved by the Court. To the extent the Administration Expenses are less or the Court approves payment less than \$15,000.00, the Administrator will retain the remainder in the Net Settlement Amount. PAGA Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.

3.2.5.2. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class Data to the Administrator, the Parties and their counsel

will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data. The Administrator shall not share any of the Class Data with any third-party, including Plaintiff or Class Counsel, absent express written consent from Defendant.

4.3. Funding of Gross Settlement Amount. Defendant shall fully fund the Gross Settlement Amount, and also fund the amounts necessary to fully pay Defendant's share of payroll taxes by transmitting the funds to the Administrator no later than thirty (30) days after the Effective Date.

Within fourteen (14) days after Defendant funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment. Disbursement of the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment and the Class Representative Service Payment shall not precede disbursement of Individual Class Payments and Individual PAGA Payments.

4.4.1. The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Settlement Administrator must update the recipients' mailing addresses using the National Change of Address Database.

1 4.4.2. The Administrator must conduct a Class Member Address Search for all other Class
2 Members whose checks are returned undelivered without USPS forwarding address.
3 Within seven (7) days of receiving a returned check the Administrator must re-
4 mail checks to the USPS forwarding address provided or to an address ascertained
5 through the Class Member Address Search. The Administrator need not take
6 further steps to deliver checks to Class Members whose re-mailed checks are
7 returned as undelivered. The Administrator shall promptly send a replacement
8 check to any Class Member whose original check was lost or misplaced, requested
9 by the Class Member prior to the void date.

10 4.4.3. For any Class Member whose Individual Class Payment check or Individual PAGA
11 Payment check is uncashed and cancelled after the void date, the Administrator
12 shall transmit the funds represented by such checks to the California Controller's
13 Unclaimed Property Fund in the name of the Class Member thereby leaving no
14 "unpaid residue" subject to the requirements of California Code of Civil Procedure
15 § 384(b).

16 4.4.4. The payment of Individual Class Payments and Individual PAGA Payments shall
17 not obligate Defendant to confer any additional benefits or make any additional

19 those specified in this Agreement.

7. SETTLEMENT ADMINISTRATION.

7.1. Selection of Administrator. The Parties have jointly selected Phoenix Class Action Administration Solutions to serve as the Administrator and verified that, as a condition of appointment, Phoenix Class Action Administration Solutions agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Expenses. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.

7.2. Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.

7.3. Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation § 468B-1.

1 7.4. Notice to Class Members.

2 7.4.1. No later than three (3) business days after receipt of the Class Data, the
3 Administrator shall notify Class Counsel that the list has been received and state
4 the number of Class Members, PAGA Members, Workweeks, and Pay Periods in
5 the Class Data.

6 7.4.2. Using best efforts to perform as soon as possible, and in no event later than
7 fourteen (14) days after receiving the Class Data, the Administrator will send to all
8 Class Members identified in the Class Data, via first-class United States Postal
9 Service (“USPS”) mail, the Class Notice (with Spanish translation, if applicable)
10 substantially in the form attached to this Agreement as **Exhibit A**. The first page of
11 the Class Notice shall prominently estimate the dollar amounts of any Individual
12 Class Payment and/or Individual PAGA Payment payable to the Class Member, and
13 the number of Workweeks and PAGA Pay Periods used to calculate these
14 amounts. Before mailing Class Notices, the Administrator shall update Class
15 Member addresses using the National Change of Address database.

16 7.4.3. Not later than three (3) business days after the Administrator’s receipt of any Class
17 Notice returned by the USPS as undelivered, the Administrator shall re-mail the
18 Class Notice using any forwarding address provided by the USPS. If the USPS
19 does not provide a forwarding address, the Administrator shall conduct a Class
20 Member Address Search, and re-mail the Class Notice to the most current address
21 obtained. The Administrator has no obligation to make further attempts to locate
22 or send Class Notice to Class Members whose Class Notice is returned by the
23 USPS a second time.

24 7.4.4. The deadlines for Class Members’ written objections, Challenges to Workweeks
25 and/or Pay Periods, and Requests for Exclusion will be extended an additional
26 fourteen (14) days beyond the sixty (60) days otherwise provided in the Class
27 Notice for all Class Members whose notice is re-mailed. The Administrator will
28 inform the Class Member of the extended deadline with the re-mailed Class

1 Notice.

2 7.4.5. If the Administrator, Defendant or Class Counsel is contacted by or otherwise
3 discovers any persons who believe they should have been included in the Class
4 Data and should have received Class Notice, the Parties will expeditiously meet
5 and confer in person or by telephone, and in good faith, in an effort to agree on
6 whether to include them as Class Members. If the Parties agree, such persons will
7 be Class Members entitled to the same rights as other Class Members, and the
8 Administrator will send, via email or overnight delivery, a Class Notice requiring
9 them to exercise options under this Agreement not later than fourteen (14) days
10 after receipt of Class Notice, or the deadline dates in the Class Notice, which ever
11 are later.

12 7.5. Requests for Exclusion (Opt-Outs).

13 7.5.1. Class Members who wish to exclude themselves (opt-out of) the Class Settlement
14 must send the Administrator, by fax, email, or mail, a signed written Request for
15 Exclusion not later than sixty (60) days after the Administrator mails the Class
16 Notice or as otherwise extended for re-mailed Class Notices as described herein. A
17 Request for Exclusion is a letter from a Class Member or his/her representative that
18 reasonably communicates the Class Member's election to be excluded from the
19 Settlement and includes the Class Member's name, address, email address or
20 telephone number and last four digits of his/her Social Security Number. To be
21 valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the
22 Response Deadline, subject to extension for remailed Class Notices as described
23 herein.

24 7.5.2. The Administrator may not reject a Request for Exclusion as invalid because it
25 fails to contain all the information specified in the Class Notice. The Administrator
26 shall accept any Request for Exclusion as valid if the Administrator can reasonably
27 ascertain the identity of the person as a Class Member and the Class Member's
28 desire to be excluded. The Administrator's determination shall be final and not

1 appealable or otherwise susceptible to challenge. If the Administrator has reason to
2 question the authenticity of a Request for Exclusion, the Administrator may
3 demand additional proof of the Class Member's identity. The Administrator's
4 determination of authenticity shall be final and not appealable or otherwise
5 susceptible to challenge.

6 7.5.3. Every Class Member who does not submit a timely and valid Request for
7 Exclusion is deemed to be a Participating Class Member under this Agreement,
8 entitled to all benefits and bound by all terms and conditions of the Settlement,
9 including the Participating Class Members' Releases under Paragraphs 5.2 and 5.3
10 of this Agreement, regardless whether the Participating Class Member actually
11 receives the Class Notice or objects to the Settlement.

12 7.5.4. Every Class Member who submits a valid and timely Request for Exclusion is a
13 Non-Participating Class Member and shall not receive an Individual Class
14 Payment or have the right to object to the class action components of the
15 Settlement. Because future PAGA claims are subject to claim preclusion upon
16 entry of the Judgment, Non-Participating Class Members who are PAGA
17 Employees are deemed to release the claims identified in Paragraph 5.3 of this
18 Agreement and are eligible for an Individual PAGA Payment.

19 7.6. Challenges to Calculation of Workweeks. Each Class Member shall have sixty (60) days
20 after the Administrator mails the Class Notice, or as otherwise extended for re-mailed
21 Class Notices as described herein, to challenge the number of Class Workweeks and
22 PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class
23 Member may challenge the allocation by communicating with the Administrator via fax,
24 email or mail. The Administrator must encourage the challenging Class Member to submit
25 supporting documentation. In the absence of any contrary documentation, the
26 Administrator is entitled to presume that the Workweeks contained in the Class Notice are
27 correct so long as they are consistent with the Class Data. The Administrator's
28 determination of each Class Member's allocation of Workweeks and/or Pay Periods shall

1 be final and not appealable or otherwise susceptible to challenge. The Administrator shall
2 promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods
3 to Defense Counsel and shall promptly provide Defense Counsel and Class Counsel of the
4 Administrator's determination of the challenges.

5 7.7. Objections to Settlement.

6 7.7.1. Only Participating Class Members may object to the class action components of
7 the Settlement and/or this Agreement, including contesting the fairness of the
8 Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class
9 Counsel Litigation Expenses Payment and/or Class Representative Service
10 Payment.

11 7.7.2. Participating Class Members may send written objections to the Administrator, by
12 fax, email, or mail. In the alternative, Participating Class Members may appear in
13 Court (or hire an attorney to appear in Court) to present verbal objections at the
14 Final Approval Hearing. A Participating Class Member who elects to send a
15 written objection to the Administrator must do so not later than the Response
16 Deadline, or as otherwise extended for re-mailed Class Notices as described herein.

17 7.7.3. Non-Participating Class Members have no right to object to any of the class action
18 components of the Settlement.

19 7.8. Administrator Duties. The Administrator has a duty to perform or observe all tasks to be
20 performed or observed by the Administrator contained in this Agreement or otherwise.

21 7.8.1. Website, Email Address and Toll-Free Number. The Administrator will post
22 information of interest to Class Members including the date, time and location for
23 the Final Approval Hearing and copies of the Settlement Agreement, the Class
24 Notice, the Final Approval and the Judgment on the Administrator's website. The
25 Administrator will also maintain and monitor an email address and a toll-free
26 telephone number to receive Class Member calls, faxes and emails.

27 7.8.2. Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will
28 promptly review on a rolling basis Requests for Exclusion to ascertain their

1 validity. Not later than seven (7) days after the expiration of the deadline for
2 submitting Requests for Exclusion, the Administrator shall email a list to Class
3 Counsel and Defense Counsel containing (a) the names of Class Members who
4 have timely submitted valid Requests for Exclusion (“Exclusion List”); (b) the
5 names of Class Members who have submitted invalid Requests for Exclusion; (c)
6 copies of all Requests for Exclusion from Settlement submitted (whether valid or
7 invalid) with any personal and private information (e.g., phone number, mailing
8 address, email address, etc.) redacted.

9 7.8.3. Weekly Reports. The Administrator must, on a weekly basis, provide written
10 reports to Class Counsel and Defense Counsel that, among other things, tally the
11 number of: Class Notices mailed or re-mailed, Class Notices returned undelivered,
12 Requests for Exclusion (whether valid or invalid) received, objections received,
13 challenges to Workweeks and/or Pay Periods received and/or resolved, and checks
14 mailed for Individual Class Payments and Individual PAGA Payments (“Weekly
15 Report”). The Weekly Reports must include provide the Administrator’s
16 assessment of the validity of Requests for Exclusion and attach copies of all
17 Requests for Exclusion and objections received.

18 7.8.4. Workweek and/or Pay Period Challenges. The Administrator has the authority to
19 address and make final decisions consistent with the terms of this Agreement on all
20 Class Member challenges over the calculation of Workweeks and/or Pay Periods.
21 The Administrator’s decision shall be final and not appealable or otherwise
22 susceptible to challenge.

23 7.8.5. Administrator’s Declaration. Not later than fourteen (14) days before the date by
24 which Plaintiff is required to file the Motion for Final Approval of the Settlement,
25 the Administrator will provide to Class Counsel and Defense Counsel, a signed
26 declaration suitable for filing in Court attesting to its due diligence and compliance
27 with all of its obligations under this Agreement, including, but not limited to, its
28 mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing

of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator's declaration(s) in Court.

7.8.6. Final Report by Settlement Administrator. Within fourteen (14) days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least fourteen (14) days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

8. CLASS SIZE ESTIMATES and ESCALATOR CLAUSE.

Based on its records, Defendant estimates that, as of the date of mediation, (1) there were 267 Class Members and 15,191 Total Workweeks during the Class Period. If, at the end of the Class Period, the actual total workweeks worked by the Class Members during the Class Period exceeds this figure by 10% (i.e., if there are 16,711 or more total workweeks), Defendant, at its sole discretion, shall either: (i) increase the Gross Settlement Amount on a proportional basis for those workweeks worked in excess of 10% of the current 15,191 estimate (i.e., if there is a 12% increase in the total workweeks, Defendant shall increase the Gross Settlement Amount by 2%), or (ii) elect to cut off the Class Period as of the date the total workweeks worked by Class Members during the Class Period does not exceed 10% (i.e., so that the total workweeks is at or below 16,711). Class Period can end at the latest on the date of preliminary approval of this Settlement.

1 **9. DEFENDANT’S RIGHT TO WITHDRAW**

2 If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 10% of the total of
3 all Class Members and/or if the combined Workweeks worked by Class Members who timely exclude
4 themselves amounts to more than 10% of the total Workweeks worked by all Class Members, Defendant
5 may, but is not obligated to, elect to withdraw from the Settlement. The Parties agree that, if Defendant
6 withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party
7 will have any further obligation to perform under this Agreement; provided, however, Defendant will
8 remain responsible for paying all Settlement Administration Expenses incurred to that point. Defendant
9 must notify Class Counsel and the Court of its election to withdraw not later than (14) days after the
10 Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect.

11
12 **10. MOTION FOR FINAL APPROVAL.**

13 Not later than sixteen (16) court days before the calendared Final Approval Hearing, Plaintiff will file in
14 Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA
15 settlement under Labor Code § 2699(I), a Proposed Final Approval Order and a proposed Judgment
16 (collectively “Motion for Final Approval”). The Proposed Final Approval Order is to be mutually
17 agreed upon by the Parties prior to Plaintiff filing the Order with the Court. Plaintiff will also provide
18 Defendant with the opportunity to review and comment upon drafts of all other pleadings to be filed in
19 connection with the Motion for Final Approval (e.g., notice of motion, memorandum of points and
20 authorities, and supporting declarations) at least three (3) business days prior to filing the Final
21 Approval motion with the Court. Class Counsel and Defense Counsel will expeditiously meet and confer
22 in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final
23 Approval prior to Plaintiff filing the Motion with the Court.

24 10.1. Response to Objections. Each Party retains the right to respond to any objection raised by
25 a Participating Class Member, including the right to file responsive documents in Court no
26 later than nine (9) court days prior to the Final Approval Hearing, or as otherwise ordered
27 or accepted by the Court.

28 10.2. Duty to Cooperate. If the Court does not grant Final Approval or conditions Final

Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

10.3. Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.

10.4. Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment reflected set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.

Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith

to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

11. AMENDED JUDGMENT.

If any amended judgment is required under Code of Civil Procedure § 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

12. ADDITIONAL PROVISIONS.

The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval or enter Judgment, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

5 Defendant's business relationships, either before or after the Motion for Preliminary Approval is filed.

7 Settlement, Plaintiff and Class Counsel will not initiate any communications with the media or third
8 parties. If contacted by the media or third parties will only discuss information publicly available. Class
9 Counsel will take all steps necessary to ensure Plaintiff is aware of, and will encourage him to adhere to,

12 Class Counsel from including publicly available information regarding this settlement in future judicial
13 submissions regarding Class Counsel's qualifications and experience or for purposes of getting approval of
14 this Settlement from this court; for public postings or filings necessary for getting approval of the
15 Settlement from the court including submission of the Settlement and other relevant documents to LWDA

17 inquiry or subpoena issued by a state or federal government agency; to the Parties' attorneys, accountants,
18 or spouses, all of whom will be instructed to keep this Agreement confidential; to the extent necessary to
19 report income to appropriate taxing authorities or from providing publicly available information regarding
20 this Settlement in communication with Class Members.

21 12.4. No Solicitation. The Parties separately agree that they and their respective counsel and
22 employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the
23 Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate
24 with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

25 12.5. Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement
26 together with its attached exhibits shall constitute the entire agreement between the Parties relating to the
27 Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or
28 by any Party.

4 execute any other documents reasonably required to effectuate the terms of this Agreement including any
5 amendments to this Agreement.

6 12.7. Cooperation. The Parties and their counsel will cooperate with each other and use their
7 best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement
8 Agreement, submitting supplemental evidence and supplementing points and authorities as requested by
9 the Court. In the event the Parties are unable to agree upon the form or content of any document
10 necessary to implement the Settlement, or on any modification of the Agreement that may become
11 necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court
12 for resolution.

13 12.8. No Prior Assignments. The Parties separately represent and warrant that they have not
14 directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to
15 any person or entity and portion of any liability, claim, demand, action, cause of action, or right released
16 and discharged by the Party in this Settlement.

17 12.9. No Tax Advice. Neither Plaintiff, Class Counsel, Defendant nor Defense Counsel are
18 providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as
19 such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as
20 amended) or otherwise.

21 12.10. Modification of Agreement. This Agreement, and all parts of it, may be amended,
22 modified, changed, or waived only by an express written instrument signed by all Parties or their
23 representatives, and approved by the Court.

24 12.11. Agreement Binding on Successors. This Agreement will be binding upon, and inure to the
25 benefit of, the successors of each of the Parties.

26 12.12. Applicable Law. All terms and conditions of this Agreement and its exhibits will be
27 governed by and interpreted according to the internal laws of the state of California, without regard to
28 conflict of law principles.

12.13. Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.

12.14. Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.

12.15. Use and Return of Class Data. Information provided to Class Counsel pursuant to Evidence Code § 1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall destroy, all paper and electronic versions of Class Data received from Defendant.

Exhibit “A”

**COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR
FINAL COURT APPROVAL**

Camposeco v. Smarte Carte, Inc.

Los Angeles Superior Court Case No. 23STCV07897

*The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.*

You may be eligible to receive money from an employee class action lawsuit ("Action") against Defendant SMARTE CARTE, INC. ("Defendant") for alleged wage and hour violations. The Action was filed by former Defendant's employee plaintiff Jesus M Camposeco ("Plaintiff") and seeks payment of back wages, penalties, expense reimbursements for a class of hourly employees ("Class Members") who worked for Defendant during the Class Period (July 17, 2021 to [REDACTED]) and (2) penalties under the California Private Attorney General Act ("PAGA") for all hourly employees who worked for Defendant during the PAGA Period (April 10, 2022 to [REDACTED]) ("PAGA Employees").

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendant to fund Individual Class Payments, and (2) a PAGA Settlement requiring Defendant to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency ("LWDA").

Based on Defendant's records, and the Parties' current assumptions, **your Individual Class Payment is estimated to be \$ [REDACTED] (less withholding) and your Individual PAGA Payment is estimated to be \$ [REDACTED]**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant's records you are not eligible for an Individual PAGA Payment under the Settlement because you didn't work during the PAGA Period.)

The above estimates are based on Defendant's records showing that **you worked [REDACTED] workweeks** during the Class Period and **you worked [REDACTED] pay periods** during the PAGA Period. If you believe that you worked more workweeks or pay periods during any of the respective periods, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff's attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and requires Class Members and PAGA Employees to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Defendant.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Defendant, and, if you are an PAGA Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is [REDACTED]	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Defendant must pay Individual PAGA Payments to all PAGA Employees and the PAGA Employees must give up their rights to pursue Released Claims (defined below).
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by [REDACTED]	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. See Section 7 of this Notice.
You Can Participate in the [REDACTED] Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on [REDACTED]. You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by [REDACTED]	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number of Class Period Workweeks and number of PAGA Period Pay Periods you worked according to Defendant's records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by [REDACTED]. See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former employee of Defendant. The Action accuses Defendant of violating California labor laws by failing to pay all wages, sick pay, wages due upon termination and reimbursable expenses and failing to provide meal periods, rest breaks and accurate itemized wage statements. Based on the same claims, Plaintiff has also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, et seq.) ("PAGA"). Plaintiff is represented by attorneys in the Action: Tunyan Law, APC ("Class Counsel.")

Defendant strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws. Defendant also disputes that this action is appropriate for class or representative treatment.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Defendant or Plaintiff is correct on the merits. In the meantime, Plaintiff and Defendant hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement (“Agreement”) and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Defendant have negotiated a proposed Settlement that is subject to the Court’s Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and PAGA Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Defendant Will Pay \$240,000.00 as the Gross Settlement Amount (Gross Settlement). Defendant has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel’s attorney’s fees and expenses, the Administrator’s expenses, and the payment to the California Labor and Workforce Development Agency (“LWDA”) as part of the PAGA settlement. Assuming the Court grants Final Approval, Defendant will fund the Gross Settlement not more than thirty (30) days after the Effective Date of the settlement. The settlement will become effective after 65 calendar days have passed since the Court has entered a final Order and Judgment certifying the Settlement Class, dismissing the Action with prejudice, and approving the Settlement.
2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
 - A. Up to \$80,000.00 (33 and 1/3% of the Gross Settlement] to Class Counsel for attorneys’ fees and up to \$15,000 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
 - B. Up to \$6,000 as a Class Representative Award for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiff will receive for representing the Class in this Action other than Plaintiff’s Individual Class Payment and any Individual PAGA Payment.
 - C. Up to \$15,000 to the Administrator for services administering the Settlement (estimated to be \$7,000).
 - D. Up to \$15,000 for alleged PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the PAGA Employees based on their PAGA Period Pay Periods.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the “Net Settlement”) by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.
4. Taxes Owed on Payments to Class Members. Plaintiff and Defendant are asking the Court to approve an allocation of 20 % of each Individual Class Payment to taxable wages (“Wage Portion”) and 80% to interest and penalties (“Non-Wage Portion.”). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Defendant will separately pay employer payroll taxes it owes on the Wage portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiff and Defendant have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don’t cash it by the void date, your check will be automatically cancelled, and the monies will be deposited with the California Controller's Unclaimed Property Fund in your name. If the monies represented by your check is sent to the Controller’s Unclaimed Property, you should consult the rules of the Fund for instructions on how to retrieve your money.
6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than [REDACTED], that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the [REDACTED] Response Deadline. The Request for Exclusion should be a signed letter from a Class Member or his/her representative setting forth a Class Member’s name, present address, email address or telephone number, the last four digits of your Social Security Number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Defendant.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Defendant based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiff and Defendant have agreed that, in either case, the Settlement will be void: Defendant will not pay any money and Class Members will not release any claims against Defendant.
8. Administrator. The Court has appointed a neutral company, -----(the “Administrator”) to send this Notice, calculate and make payments, and process Class Members’ Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re-mail

settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator's contact information is contained in Section 9 of this Notice.

9. Participating Class Members' Release. After the Judgment is final and Defendant has fully funded the Gross Settlement and separately paid all employer payroll taxes, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of another lawsuit against Defendant or related entities for wages or penalties based on the Class Period facts and PAGA penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

The Participating Class Members will be bound by the following release:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from all claims under state, federal or local law, whether statutory, common law or administrative law, arising out of or related to allegations set forth in the Operative Complaint, including but not limited to claims for failure to pay minimum wage, failure to pay overtime wages, failure to pay sick leave, failure to compensate for split shifts, failure to provide meal periods, failure to provide rest periods, failure to provide accurate and itemized wage statements, failure to reimburse necessary business expenditures, failure to timely pay wages during employment, failure to provide timely wages owed upon separation, and unfair competition, including, but not limited to, claims for injunctive relief, liquidated damages, penalties of any nature, interest, fees, costs; and all other claims and allegations made or which could have been made in the Action based on the facts and allegations pled in the Operative Complaint during the Class Period. Except as set forth in Section 5.3 of this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

10. PAGA Employees' PAGA Release. After the Court's judgment is final, and Defendant has paid the Gross Settlement (and separately paid the employer-side payroll taxes), all PAGA Employees will be barred from asserting PAGA claims against Defendant, whether or not they exclude themselves from the Settlement. This means that all PAGA Employees, including those who are Participating Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue, or participate in any other PAGA claim against Defendant or its related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

The PAGA Employees' Releases for Participating and Non-Participating Class Members are as follows:

All Participating and Non-Participating Class Members who are PAGA Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties, from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint and the PAGA Notice attached to the Settlement Agreement as Exhibit B, including but not limited to claims for failure to pay minimum wage, failure to pay overtime wages, failure to pay sick leave, failure to compensate for split shifts, failure to provide meal periods, failure to provide rest periods, failure to provide accurate and itemized wage statements, failure to reimburse necessary business expenditures, failure to

timely pay wages during employment, and failure to provide timely wages owed upon separation.

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing \$3,750.00 by the total number of PAGA Pay Periods worked by all PAGA Employees and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual PAGA Employee.
3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Defendant's records, are stated in the first page of this Notice. You have until [REDACTED] to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Defendant's calculation of Workweeks and/or Pay Periods based on Defendant's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Defendant's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

5. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as PAGA Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.
2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every PAGA Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

6. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

Submit a written and signed letter with your name, present address, email address or telephone number, the last four digits of your Social Security Number, and a simple statement that you do not want to participate in the Settlement. The Administrator will exclude you based on any writing communicating your request be excluded. Be sure to personally sign your request, identify the Action as *Camposeco v. Smarte Carte, Inc.*, Case No.

23STCV07897 pending in Los Angeles Superior Court, and include your identifying information (full name, address, email address or telephone number, and the last four digits of your social security number for verification purposes). You must make the request yourself. If someone else makes the request for you, it will not be valid. **The Administrator must be sent your request to be excluded by [REDACTED], or it will be invalid.** Section 9 of the Notice has the Administrator's contact information.

7. HOW DO I OBJECT TO THE SETTLEMENT?

Only Participating Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiff and Defendant are asking the Court to approve. At least 16 days before the [REDACTED] Final Approval Hearing, Class Counsel and/or Plaintiff will file in Court (1) a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, approval of Counsel's Fees, Litigation Expenses and Service Award stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiff is requesting as a Class Representative Service Award. Upon reasonable request, Class Counsel (whose contact information is in Section 9 of this Notice) will send you copies of these documents at no cost to you. You can also view them on the Administrator's Website [REDACTED] or the Court's website <http://www.lacourt.org/casesummary/ui/index.aspx>.

A Participating Class Member who disagrees with any aspect of the Agreement, the Motion for Final Approval and Fees, Litigation Expenses and Service Award may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested by Class Counsel or Plaintiff are too high or too low. **The deadline for sending written objections to the Administrator is [REDACTED].** Be sure to tell the Administrator what you object to, why you object, and any facts that support your objection. Make sure you identify the Action and include your name, current address, telephone number, and approximate dates of employment for Defendant and sign the objection. Section 9 of this Notice has the Administrator's contact information.

Alternatively, a Participating Class Member can object (or personally retain a lawyer to object at your own cost) by attending the Final Approval Hearing. You (or your attorney) should be ready to tell the Court what you object to, why you object, and any facts that support your objection. See Section 8 of this Notice (immediately below) for specifics regarding the Final Approval Hearing.

**NOTICE OF LABOR CODE VIOLATIONS PURSUANT TO
LABOR CODE SECTION § 2698 ET SEQ.**

Re: Camposeco v. Smarte Carte, Inc.

To Whom It May Concern:

Please be advised that my office has been retained by Jesus M Camposeco ("Plaintiff") to pursue a Labor Code Private Attorney General Act (PAGA) representative action (Cal. Lab. Code §§ 2699, *et seq.*) against his former employer Smarte Carte, Inc. ("Defendant"). The purpose of this letter is to comply with PAGA and set forth the facts and theories of California Labor Code violations which Plaintiff alleges Defendant engaged in with respect to Plaintiff and all of Defendant's aggrieved employees.

Plaintiff wishes to pursue a PAGA representative action on behalf of himself as an aggrieved employee, on behalf of the State of California, and on behalf of all other current and former

aggrieved employees who worked for Defendant in California as an hourly paid, non-exempt employee at any time within the applicable statutory period (hereafter, the “Aggrieved Employees”).

Plaintiff and the Aggrieved Employees of Defendant suffered the Labor Code violations described below.

Factual Background Regarding Plaintiff’s Employment with Defendant

Defendant owns and operates an industry, business, and establishment within the State of California, including Los Angeles County. As such, Defendant is subject to the California Labor Code and the Wage Orders issued by the Industrial Welfare Commission (“IWC”).

Plaintiff worked for Defendant as a cart associate from approximately April 2018 to the present in one of the locations of Defendant. Defendant classified Plaintiff as non-exempt from overtime. During the time period that Plaintiff was employed by Defendant, Plaintiff typically worked 6 days per week and over 8 hours each workday.

Throughout Plaintiff’s employment, Defendant committed numerous labor code violations under state law. As discussed below, Plaintiff’s experience working for Defendant was typical and illustrative.

Failure to Pay for All Hours Worked, Including Overtime

Under California law, an employer must pay for all hours worked by an employee. “Hours worked” is the time during which an employee is subject to the control of an employer and includes all the time the employee is suffered or permitted to work, whether or not required to do so.

In addition, Labor Code § 510 provides that employees in California shall not be employed more than eight (8) hours in any workday or forty (40) hours in a workweek unless they receive additional compensation beyond their regular wages in amounts specified by law.

Labor Code §§ 1194 and 1198 also provide that employees in California shall not be employed more than eight hours in any workday unless they receive additional compensation beyond their regular wages in amounts specified by law. Additionally, Labor Code § 1198 states that the employment of an employee for longer hours than those fixed by the Industrial Welfare Commission is unlawful.

Pursuant to relevant Industrial Welfare Commission Order Section 2 (n) split shift means a work schedule, which is interrupted by non-paid non-working periods established by the employer, other than bona fide rest or meal periods. Section 4(c) also provides that when an employee works a split shift, one (1) hour’s pay at the minimum wage shall be paid in addition to the minimum wage for that workday.

Throughout the statutory time period, Defendant maintained a policy and practice of failing to pay Plaintiff and the Aggrieved Employees for all hours worked including straight time wages and overtime wages. Defendant regularly used a system of time rounding in a manner that resulted, over a period of time, in failing to compensate Plaintiff and the Aggrieved Employees properly for all the time they have actually worked, even though the realities of Defendant's operations are such that it is possible, practical, and feasible to count and pay for work time to the minute. Accordingly, Defendant frequently paid Plaintiff and the Aggrieved Employees less than all their work time. Some of this unpaid work also should have been paid at the overtime rate. Throughout the statutory period Defendant also required Plaintiff and the Aggrieved Employees to work split shifts but refused to pay split shift premiums. Throughout the statutory period, Defendant also maintained a policy and practice of requiring Plaintiff and the Aggrieved Employees to perform work "off-the-clock". During the statutory period Defendant regularly required Plaintiff and the Aggrieved Employees to clock out but continue working to cover the co-worker who failed to show up to work but failed to compensate for that time. Plaintiff and the Aggrieved Employees were also required to communicate with their supervisors regarding their schedule and work-related tasks after their scheduled shift over the phone but were not compensated for that time. In maintaining a practice of not paying all wages owed, Defendant failed to maintain accurate records of the hours Plaintiff and the Aggrieved Employees worked. In doing so, Defendant also failed to maintain accurate records of the hours Plaintiff and the Aggrieved Employees worked.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210, 558, 1197.1, and 2699(f)(2) for failing to pay for all hours worked, including overtime.

Failure to Provide Meal Periods

Under California law, employers have an affirmative obligation to relieve employees of all duty in order to take their first 30-minute, duty-free meal periods no later than the start of sixth hour of work in a workday, and to allow employees to take their second 30-minute, duty-free meal period no later than the start of the eleventh hour of work in the workday. Further, employees are entitled to be paid one hour of additional wages for each workday they were not provided with all required meal period(s).

Despite these legal requirements, Defendant wrongfully failed to provide Plaintiff and the Aggrieved Employees with legally compliant meal periods. Defendant regularly required Plaintiff and the Aggrieved Employees to work in excess of five consecutive hours a day without providing a 30-minute, continuous and uninterrupted, duty-free meal period for every five hours of work, or without compensating Plaintiff and the Aggrieved Employees for meal periods that were not provided by the end of the fifth hour of work or tenth hour of work. Defendant did not adequately inform Plaintiff and the Aggrieved Employees of their right to take a meal period by the end of the fifth hour of work, or, for shifts greater than 10 hours, by the end of the tenth hour

of work. Moreover, Defendant did not have adequate written policies or practices providing meal periods for Plaintiff and the Aggrieved Employees, nor did Defendant have adequate policies or practices regarding the timing of meal periods or recording of meal periods. Plaintiff and the Aggrieved Employees would often times miss their meal periods, have interrupted or short meal periods. In those occasions when Plaintiff and the Aggrieved Employees had an opportunity to take their first meal periods, Defendant wrongfully required Plaintiff and the Aggrieved employees to combine their first meal periods with their first rest periods. Accordingly, Defendant's policy and practice was to not provide meal periods to Plaintiff and the Aggrieved Employees in compliance with California law.

Plaintiff and the Aggrieved Employees are thus entitled to be paid one hour of additional wages for each workday he or she was not provided with all required meal period(s). Defendant, however, regularly failed to pay Plaintiff and the Aggrieved Employees the additional wages to which they were entitled for meal periods and that were not provided.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210, 558, and 2699(f)(2) for failing to provide meal periods and pay meal period premium wages.

Failure to Authorize and Permit Rest Periods

Employers are required by California law to authorize and permit breaks of 10 uninterrupted minutes for each four hours of work or major fraction of four hours (i.e. more than two hours). Thus, for example, if an employee's work time is 6 hours and ten minutes, the employee is entitled to two rest breaks. Each failure to authorize rest breaks as so required is itself a violation of California's rest break laws.

Defendant, however, wrongfully failed to authorize and permit Plaintiff and the Aggrieved Employees to take timely and duty-free rest periods. Defendant regularly required Plaintiff and the Aggrieved Employees to work in excess of four consecutive hours a day without Defendant authorizing and permitting them to take a 10 minute, continuous and uninterrupted, rest period for every four hours of work (or major fraction of four hours), or without compensating Plaintiff and the Aggrieved Employees for rest periods that were not authorized or permitted. Defendant did not adequately inform Plaintiff and the Aggrieved Employees of their right to take a rest period. In those occasions when Plaintiff and the Aggrieved Employees had an opportunity to take their first rest periods, Defendant wrongfully required Plaintiff and the Aggrieved employees to combine their first meal periods with their first rest periods. Moreover, Defendant did not have adequate policies or practices permitting or authorizing rest periods for Plaintiff and the Aggrieved Employees, nor did Defendant have adequate policies or practices regarding the timing of rest periods. Accordingly, Defendant's policy and practice was for Plaintiff and the Aggrieved Employees to work through rest periods and to not authorize or permit them to take any rest periods.

Plaintiff and the Aggrieved Employees are thus entitled to be paid one hour of additional wages for each workday he or she was not authorized and permitted to take all required rest period(s). Defendant, however, regularly failed to pay Plaintiff and the Aggrieved Employees the additional wages to which they were entitled for rest periods and that they were not authorized and permitted to take.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210, 558, and 2699(f)(2) for failing to authorize and permit rest periods and pay rest period premium wages.

Failure to Maintain Accurate Records of Hours Worked

Plaintiff seeks penalties under Labor Code § 1174(d). Pursuant to Labor Code § 1174.5, any person, including any entity, employing labor who willfully fails to maintain accurate and complete records required by Labor Code § 1174 is subject to a penalty under § 1174.5. Pursuant to the applicable IWC Order § 7(A)(3), every employer shall keep time records showing when the employee begins and ends each work period. Meal periods and total hours worked daily shall also be recorded.

Defendant, however, failed to maintain accurate records of hours worked and all meal periods taken or missed by Plaintiff and the Aggrieved Employees.

Defendant's failure to provide and maintain records required by the Labor Code IWC Wage Orders deprived Plaintiff and the Aggrieved Employees the ability to know, understand and question the accuracy and frequency of meal periods, and the accuracy of their hours worked stated in Defendant's records. Therefore, Plaintiff and the Aggrieved Employees had no way to dispute the resulting failure to pay wages, all of which resulted in an unjustified economic enrichment to Defendant. As a direct result, Plaintiff and the Aggrieved Employees have suffered and continue to suffer, substantial losses related to the use and enjoyment of such wages, lost interest on such wages and expenses and attorney's fees in seeking to compel Defendant to fully perform its obligation under state law, all to their respective damage in amounts according to proof at trial. As a result of Defendant's knowing failure to comply with the Labor Code and applicable IWC Wage Orders, Plaintiff and the Aggrieved Employees have also suffered an injury in that they were prevented from knowing, understanding, and disputing the wage payments paid to them.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 1174.5 for failing to maintain accurate records of hours worked and meal periods.

Failure to Reimburse and Indemnify Expenses

California Labor Code § 2802 requires employers to reimburse employees for their necessary expenditures and losses incurred in direct consequence of the discharge of their duties or of their obedience to directions of the employer.

Throughout the statutory period, Defendant wrongfully required Plaintiff and the Aggrieved Employees to pay expenses that they incurred in direct discharge of their duties for Defendant without reimbursement, which included the usage of personal cell phones for work and purchase of masks, gloves, mopeds and other materials necessary for performing work. Plaintiff and the Aggrieved Employees used their personal cell phones to communicate with their supervisors and co-workers regarding the work assignments and schedules. Additionally, Defendant required Plaintiff and the Aggrieved Employees to use their personal vehicle to drive from Defendant's one location to another location but failed to reimburse mileage expenses. Plaintiff and the Aggrieved Employees were also required to wear a uniform but were not reimbursed for washing and maintaining the uniforms. Plaintiff and the Aggrieved Employees incurred these substantial expenses as a direct result of performing their job duties for Defendant, and Defendant has failed to indemnify Plaintiff and the Aggrieved Employees for these employment-related expenses.

Failure to Timely Pay All Wages at Termination

Labor Code §§ 201 and 202 provide that if an employer discharges an employee, the wages earned and unpaid at the time of discharge are due and payable immediately, and that if an employee voluntarily leaves his or her employment, his or her wages shall become due and payable not later than seventy-two (72) hours thereafter, unless the employee has given seventy-two (72) hours previous notice of his or her intention to quit, in which case the employee is entitled to his or her wages at the time of quitting.

Within the applicable statute of limitations, the employment of many Aggrieved Employees ended, i.e. was terminated by quitting or discharge, and the employment of others will be. However, during the relevant time period, Defendant failed, and continues to fail to terminated Aggrieved Employees, without abatement, all wages required to be paid by Labor Code sections 201 and 202 either at the time of discharge, or within seventy-two (72) hours of their leaving Defendant's employ. These unpaid wages include wages for unpaid work time including straight time and overtime wages, missed meal periods, and missed rest periods.

Defendant's conduct violates Labor Code §§ 201 and 202. Labor Code § 203 provides that if an employer willfully fails to pay wages owed, in accordance with sections 201 and 202, then the wages of the employee shall continue as a penalty wage from the due date, and at the same rate until paid or until an action is commenced; but the wages shall not continue for more than thirty (30) days.

Accordingly, the Aggrieved Employees are entitled to recover from Defendant their additionally accruing wages for each day they were not paid, at their regular hourly rate of pay, up to 30 days maximum pursuant to Labor Code § 203.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 2699(f)(2) for failing to timely pay all wages at termination.

Failure to Furnish Accurate Itemized Wage Statements

Labor Code § 226(a) provides that every employer shall furnish each of his or her employees an accurate itemized wage statement in writing showing nine pieces of information, including: (1) gross wages earned, (2) total hours worked by the employee, (3) the number of piece-rate units earned and any applicable piece rate if the employee is paid on a piece-rate basis, (4) all deductions, provided that all deductions made on written orders of the employee may be aggregated and shown as one item, (5) net wages earned, (6) the inclusive dates of the period for which the employee is paid, (7) the name of the employee and the last four digits of his or her social security number or an employee identification number other than a social security number, (8) the name and address of the legal entity that is the employer, and (9) all applicable hourly rates in effect during the pay period and the corresponding number of hours worked at each hourly rate by the employee. An employee is presumed to suffer an injury if this information is missing. Lab. Code § 226(e)(2)(B)(iii).

The statute further provides: “An employee suffering injury as a result of a knowing and intentional failure by an employer to comply with subdivision (a) is entitled to recover the greater of all actual damages or fifty dollars (\$50) for the initial pay period in which a violation occurs and one hundred dollars (\$100) per employee for each violation in a subsequent pay period, not to exceed an aggregate penalty of four thousand dollars (\$4,000), and is entitled to an award of costs and reasonable attorney’s fees.” Lab. Code § 226(e)(1).

Defendant intentionally and willfully failed to provide employees with complete and accurate wage statements. The deficiencies include, among other things, the failure to correctly list gross wages earned, the failure to list the true net wages earned, including wages for meal periods that were not provided in accordance with California law, wages for rest periods that were not authorized and permitted to take in accordance with California law, and correct wages earned for all hours worked.

As a result of Defendant violating Labor Code § 226, Plaintiff and similarly Aggrieved Employees suffered injury and damage to their statutorily protected rights.

Accordingly, Plaintiff and the Aggrieved Employees are entitled to recover from Defendant the greater of their actual damages caused by Defendant’s failure to comply with Labor Code § 226(a), or an aggregate penalty not exceeding \$4,000 dollars per employee.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 226.3 for failing to furnish accurate itemized wage statements.

Failure to Pay All Earned Wages Twice Per Month

Based on its failure to pay Plaintiff and the Aggrieved Employees for all wages as discussed above, Defendants also violated Labor Code § 204.

Labor Code § 204 requires employers to pay employees all earned wages two times per month on days designated in advance by the employer as the regular paydays. Labor performed between the 1st and 15th days, inclusive, of any calendar month shall be paid for between the 16th and the 26th day of the month during which the labor was performed, and labor performed between the 16th and the last day, inclusive, of any calendar month, shall be paid for between the 1st and 10th day of the following month. Lab. Code § 204(a). The requirements of this section shall be deemed satisfied by the payment of wages for weekly, biweekly, or semimonthly payroll if the wages are paid not more than seven calendar days following the close of the payroll period. Lab. Code § 204(d).

Here, Defendant paid wages bi-weekly, but often times issued wages more than seven calendar days following the close of the payroll period.

Throughout the statute of limitations period applicable to this cause of action, employees were also entitled to be paid twice a month at their regular rates, including all meal period premium wages owed, rest period premium wages owed, and wages owed for hours worked. However, during all such times, Defendant systematically failed and refused to pay the employees all wages due, and failed to pay those wages twice a month, in that employees were not paid all wages for all meal periods not provided by Defendant, all wages for all rest periods not authorized and permitted by Defendant, and all wages for all hours worked. As a result, Defendant owe employees the legally required wages for unpaid wages, and Plaintiff and the Aggrieved Employees suffered damages in those amounts.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 210 for failing to pay all earned wages twice per month.

Failure to Provide Paid Sick Leave

Labor Code § 246 (a) an employee who, on or after July 1, 2015, works in California for the same employer for 30 or more days within a year from the commencement of employment is entitled to paid sick days.

During the statutory period, Defendant maintained a policy and practice of failing to provide Plaintiff and the Aggrieved Employees with the paid sick leave. On information and belief, Defendant's failure to provide an employee with written notice that sets forth the amount of paid

sick leave available was not a single, isolated incident, but was instead part of Defendant's policy and practice that applied to the Aggrieved Employees.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 2699(f)(2) for failing to provide paid sick leave.

Action for Civil Penalties Under PAGA

In light of the above, Plaintiff alleges that Defendant violated the following provisions of the Labor Code with respect to the Aggrieved Employees:

1. Labor Code § 204, 510, 1194, 1197, and 1198 by failing to pay for all hours worked, including minimum wages, straight time wages and overtime wages;
2. Labor Code § 226.7, 512 and applicable Wage Orders by failing to provide meal periods;
3. Labor Code § 226.7 and applicable Wage Orders by failing to authorize and permit rest periods;
4. Labor Code § 1174.5 and applicable Wage Orders by failing to maintain accurate records of hours worked and meal periods taken or missed;
5. Labor Code § 2802 by failing to reimburse and indemnify employees for expenses and losses in the direct consequence and discharge of their duties;
6. Labor Code §§ 201 to 203 by willfully failing to pay all wages owed at termination;
7. Labor Code § 226 by failing to provide accurate itemized wage statements;
8. Labor Code § 204 by failing to pay all earned wages two times per month;
9. Labor Code § 246 by failing to provide paid sick leave.

Therefore, on behalf of all Aggrieved Employees, Plaintiff seeks applicable penalties related to the violations alleged above pursuant to the PAGA. These include, but are not limited to, penalties under Labor Code §§ 210, 558, 1174.5, 1197.1, 2802, and 2699(f)(2).
