Attorneys for Plaintiffs

**SUPERIOR COURT OF THE STATE OF CALIFORNIA
FOR THE COUNTY OF MERCED**

MARGARET ESTRADA and RUFINO
HERNANDEZ, individually, on behalf of
other members of the general public similarly
situated, and on behalf of aggrieved
employees pursuant to the Private Attorneys
General Act (“PAGA”);

Plaintiff,

v.

FRATELLI BERETTA USA, INC. DBA
BUSSETO FOODS, a New Jersey
corporation; and DOES 1 through 100,
inclusive;

Defendants.

Case No.: 24CV-05727

Assigned for All Purposes to:
Honorable Stephanie Jamieson
Courtroom 8

CLASS ACTION

**NOTICE OF MOTION AND MOTION
FOR PRELIMINARY APPROVAL OF
CLASS ACTION SETTLEMENT,
CONDITIONAL CERTIFICATION,
APPROVAL OF CLASS NOTICE,
SETTING OF FINAL APPROVAL
HEARING DATE; MEMORANDUM OF
POINTS AND AUTHORITIES IN
SUPPORT THEREOF**

[Declaration of Proposed Class Counsel
(Douglas Han); and [Proposed] Order filed
concurrently herewith]

Hearing Date: May 8, 2025

Hearing Time: 8:15 a.m.

Hearing Place: Courtroom 8

Complaint Filed: October 22, 2024

Trial Date: None Set

1 **PLEASE TAKE NOTICE** that on May 8, 2025 at 8:15 a.m., or as soon as the matter may
2 be heard, before the Honorable Stephanie Jamieson in Courtroom 8 of the Merced County Superior
3 Court located at 627 W 21st Street Merced, California 95340, Plaintiffs Margaret Estrada and
4 Rufino Hernandez (“Plaintiffs,” “Plaintiff Estrada,” and “Plaintiff Hernandez”) will and hereby do
5 move for an order:

- 6 • Granting Preliminary Approval of the class action settlement described herein and
7 as set forth in the Class Action and PAGA Settlement Agreement (“Settlement
8 Agreement,” “Settlement,” or “Agreement”), attached as **Exhibit 2** to the
9 Declaration of Douglas Han, including, and not limited to, the means of allocation
10 and distribution of funds;
- 11 • Conditionally certifying the Class for settlement purposes only;
- 12 • Appointing Plaintiffs as the class representatives;
- 13 • Appointing Justice Law Corporation as Class Counsel;
- 14 • Approving the Court Approved Notice of Class Action Settlement and Hearing
15 Date for Final Court Approval (“Class Notice”) attached as **Exhibit A** to the
16 Settlement Agreement;
- 17 • Directing the mailing of the Class Notice with a postage-paid return envelope to
18 the Class;
- 19 • Approving the proposed deadlines for the settlement administration process;
- 20 • Approving CPT Group, Inc. as the Administrator; and
- 21 • Scheduling a hearing to consider whether to grant Final Approval of the Settlement
22 Agreement, at which time the Court will also consider whether to grant Final
23 Approval of the requests for the Class Counsel Fees Payment, Class Counsel
24 Litigation Expenses Payment, Class Representative Service Payments,
25 Administration Expenses Payment, and approval of the allocation of the Private
26 Attorney General Act of 2004 (“PAGA”) Penalties.

1 **I. INTRODUCTION**

2 This motion seeks preliminary approval of a non-reversionary proposed wage-and-hour
3 class action settlement by Plaintiffs on behalf of themselves and any person who meets any of the
4 following criteria: (1) a current and/or former hourly-paid or non-exempt direct hire employee of
5 Defendant Fratelli Beretta USA, Inc. dba Busseto Foods (“Defendant”) within the State of
6 California at any time during the period from June 21, 2019, through October 13, 2024; or (2) a
7 current and/or former hourly-paid or non-exempt employee assigned by Volt to Defendant within
8 the State of California at any time during the period from June 21, 2019, through October 13, 2024
9 (“Class” and “Class Period”). At the time of this filing, the number of Class Members is estimated
10 to be 2,237, which was confirmed by Defendant. (Declaration of Douglas Han In Support of
11 Motion for Preliminary Approval of Class Action Settlement (“Han Decl.”), ¶¶ 8, 9.)

12 **II. BACKGROUND**

13 On April 6, 2023, Plaintiff Hernandez provided written notice to the California Labor and
14 Workforce Development Agency (“LWDA”) and Defendant. (Han Decl., *supra*, at ¶ 10; Exhibit
15 3.) On October 4, 2023, Plaintiff Hernandez provided an amended written notice to the LWDA
16 and Defendant that added Plaintiff Estrada as a named representative. (*Id.* at ¶ 11; Exhibit 4.)

17 On October 18, 2023, Plaintiff Estrada filed a wage-and-hour class action lawsuit in the
18 Superior Court of California, County of Fresno (Case No. 23CECG04412), alleging eight (8)
19 causes of action. (Han Decl., *supra*, at ¶ 12.)

20 After engaging in discovery, investigations, and negotiations, on August 9, 2023, the
21 Parties remotely attended mediation with the mediator Hon. Judge Howard Broadman, eventually
22 resulting in a settlement via a mediator’s proposal. (Han Decl., *supra*, at ¶ 13.)

23 In line with the settlement, on October 22, 2024, Plaintiffs filed a wage-and-hour class
24 action lawsuit in the Superior Court of California, County of Merced, alleging nine (9) causes of
25 action. (Han Decl., *supra*, at ¶ 14; Exhibit 5.)

26 ///

27 ///

28 ///

1 **III. INVESTIGATION/ LITIGATION HISTORY**

2 **a. Discovery, Investigation, and the Parties’ Staunchly Conflicting Positions**

3 After initiating this lawsuit, the Parties engaged in discovery. (Han Decl., *supra*, at ¶ 16.)
4 Plaintiffs drafted and propounded form interrogatories, special interrogatories, requests for
5 admission, and requests for admission of documents, and Defendant responded to the formal
6 discovery requests. (*Ibid.*) The Parties met and conferred and agreed to engage in the informal
7 exchange of information and then eventually remotely attended mediation. (*Ibid.*)

8 Prior to the mediation, Defendant produced documents relating to its policies, practices,
9 and procedures. (Han Decl., *supra*, at ¶ 17.) As part of Defendant’s production, Plaintiffs also
10 reviewed time records, pay records, and information relating to the size and scope of the Class.
11 (*Ibid.*) Putative class members were also located and interviewed to attain a better understanding
12 of the extent and frequency of the alleged day-to-day violations. (*Ibid.*)

13 Based on the information provided by Defendant and interviews with putative class
14 members, Plaintiffs contend – and Defendant denies – Defendant: (1) failed to provide employees
15 with legally mandated meal and rest breaks; (2) failed to pay employees for all hours worked; (3)
16 failed to reimburse employees for necessary business expenses; (4) issued noncompliant wage
17 statements; and (5) is liable for waiting time penalties. (Han Decl., *supra*, at ¶¶ 19-25.)

18 **b. The Parties Were Able to Reach an Agreement on Settlement of the Action**

19 **i. The Parties Attended Mediation Which Led to the Settlement**

20 The Parties remotely attended mediation with an experienced mediator. (Han Decl., *supra*,
21 at ¶ 26.) Under the auspices of the mediator, the Parties eventually reached a settlement via a
22 mediator’s proposal, the terms were memorialized in the Agreement. (*Id.* at ¶ 26; Exhibits 2, 6.)

23 **ii. The Settlement Was Reached as a Result of Arm’s-Length Negotiations**

24 The Settlement was reached because of arm’s-length negotiations. (Han Decl., *supra*, at ¶
25 29.) Though cordial and professional, the settlement negotiations have always been adversarial
26 and non-collusive in nature. (*Ibid.*) At the mediation, the Parties’ counsel conducted extensive
27 arm’s-length settlement negotiations until an agreement was ultimately reached. (*Ibid.*)

28 ///

1 Plaintiffs and Class Counsel recognize the expense and length of additional proceedings
2 necessary to continue the litigation through trial and any possible appeals. (Han Decl., *supra*, at ¶
3 30.) Plaintiffs and Class Counsel also considered the uncertainty and risk of further litigation,
4 potential outcome, and difficulties and delays inherent in such litigation. (*Ibid.*) Based on the
5 foregoing, Plaintiffs and Class Counsel believe that the Settlement is a fair, adequate, and
6 reasonable settlement and is in the best interests of the Class Members. (*Ibid.*)

7 **iii. The Settlement Is the Result of Thorough Investigation and Discovery**

8 The Parties investigated and evaluated the strengths and weaknesses of the claims and
9 defenses before reaching the Settlement and engaged in research and discovery to support the
10 Settlement. (Han Decl., *supra*, at ¶ 31.) The Settlement was only possible following significant
11 investigation and evaluation of the relevant policies and practices, permitting Class Counsel to
12 engage in a comprehensive analysis of liability and potential damages. (*Ibid.*) This case has
13 reached the stage where the Parties understand “the strength of the case; the reasonableness of the
14 settlement in light of the attendant risks of litigation, and in light of the best possible recovery”
15 sufficient to support the Settlement’s reasonableness, adequacy, and fairness. (Han Decl., *supra*,
16 at ¶ 31; *Boyd v. Bechtel Corp.* (N.D.Cal. 1979) 485 F.Supp. 610, 617.)

17 **c. Terms of the Proposed Settlement**

18 **i. Deductions from the Settlement**

19 The Parties agreed that (subject to the Court’s approval) this matter be settled and
20 compromised for the non-reversionary sum of \$650,000 (“Gross Settlement Amount”) which
21 includes: (1) Class Counsel Fees Payment up to \$227,500 (35% of the Gross Settlement Amount);
22 (2) Class Counsel Litigation Expenses Payment up to \$25,000; (3) Class Representative Service
23 Payments totaling \$20,000; (4) Administration Expenses Payment up to \$25,000; and (5) PAGA
24 Penalties up to \$40,000. (Han Decl., *supra*, at ¶ 27.)

25 **ii. Calculating Settlement Payments**

26 After all Court-approved deductions from the Gross Settlement Amount, it is estimated
27 that \$312,500 (“Net Settlement Amount”) will be paid to the Participating Class Members. (Han
28 Decl., *supra*, at ¶ 28.)

1 The Participating Class Members will receive a proportionate share of the Net Settlement
2 Amount using the formula set forth in the Settlement Agreement. (Han Decl., *supra*, at ¶ 26;
3 Exhibit 2, *supra*, at § C(2)(d).) Individual Class Payments will be allocated ten percent (10%) to
4 the settlement of wage claims and ninety percent (90%) to the settlement of claims for interests
5 and penalties. (*Id.* at § C(2)(d)(i).)

6 The portion of the PAGA Penalties that is to be paid to each Aggrieved Employee shall be
7 determined using the formula set forth in the Settlement Agreement. (Han Decl., *supra*, at ¶ 26;
8 Exhibit 2, *supra*, at § C(2)(e)(i).) Aggrieved Employees' portion of the PAGA Penalties will be
9 allocated as one hundred percent (100%) penalties. (*Id.* at § C(2)(e)(ii).)

10 **iii. Notice to the Class**

11 No later than forty-five (45) calendar days after the Court grants Preliminary Approval of
12 the Settlement, Defendant will deliver the Class Data to the Administrator. (Han Decl., *supra*, at ¶
13 26; Exhibit 2, *supra*, at § G(4)(a).) No later than fourteen (14) calendar days after receiving the
14 Class Data, the Administrator will send the Class Notice with a translation to all Class Members
15 identified in the Class Data via first-class United States Postal Service mail. (*Id.* at § G(4)(c).)

16 **iv. Distribution of Funds**

17 The Gross Settlement Amount will be funded and distributed pursuant to the timeline and
18 manner set forth in the Settlement. (Han Decl., *supra*, at ¶ 26; Exhibit 2, *supra*, at §§ D(2), D(3).)
19 Uncashed settlement checks will be canceled and transmitted to the California Controller's
20 Unclaimed Property Fund in the name of the Class Member. (*Id.* at §§ D(3)(a), D(3)(c).)

21 **v. Release of Claims**

22 Effective on the date when Defendant fully funds the entire Gross Settlement Amount and
23 funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all
24 Participating Class Members, on behalf of themselves and their former and present representatives,
25 agents, attorneys, heirs, administrators, successors, and assigns, release the Released Parties from
26 the Released Class Claims. (Han Decl., *supra*, at ¶ 26; Exhibit 2, *supra*, at § E(2).)

27 ///

28 ///

Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Aggrieved Employees, on behalf of themselves and their former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, and State of California release the Released Parties from the Released PAGA Claims. (Han Decl., *supra*, at ¶ 26; Exhibit 2, *supra*, at § E(3).)

Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiffs and their former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns generally release the Released Parties from the Plaintiffs' Release. (Han Decl., *supra*, at ¶ 26; Exhibit 2, *supra*, at § E(1).) Plaintiffs also expressly waive and relinquish the provisions, rights, and benefits, if any, of section 1542 of the Civil Code. (*Ibid.*)

With regards to class action releases, “[A] court may release not only those claims alleged in the complaint and before the court, but also claims which ‘could have been alleged by reason of or in connection with any matter or fact set forth or referred to in’ the complaint.” (*Amaro v. Anaheim Arena Management, LLC* (2021) 69 Cal.App.5th 521, 537.) The scope of the releases in this case are acceptable because they are limited to the scope of the allegations in the operative complaints. Moreover, the released claims are “‘based on the identical factual predicate as that underlying the claims in the settled class action.’” (*Ibid.*) In other words, the released claims do not “‘go beyond the scope of the allegations in the operative complaint’” (*Ibid.*)

d. Counsel for Both Parties Are Experienced in Similar Litigation

The Parties' counsel are experienced in wage-and-hour employment law and class actions. (Han Decl., *supra*, at ¶¶ 2-7; Exhibit 1.) Class Counsel have prosecuted numerous cases on behalf of employees for Labor Code violations and are experienced and qualified to evaluate the class claims, settlement versus trial on a fully informed basis, and viability of the defenses. (*Ibid.*) This

1 experience instructed Class Counsel on the risks and uncertainties of further litigation and guided
2 their determination to endorse the Settlement.¹ (Han Decl., *supra*, at ¶¶ 2-7; Exhibit 1.)

3 **IV. ARGUMENT**

4 **a. Class Action Settlements Are Subject to Court Review**

5 Rules of Court, rule 3.769 requires court approval for class action settlements.² “Before
6 final approval, the court must conduct an inquiry into the fairness of the proposed settlement.”
7 (Rules of Court, rule 3.769(g).) Rule 3.769 further requires a noticed motion for preliminary
8 approval of class settlements:

9 (a) A settlement or compromise of an entire class action, or a cause of action in
10 a class action, or as to a party, requires the approval of the court after
hearing.

11 . . .

12 (c) Any party to a settlement agreement may serve and file a written notice of
13 motion for preliminary approval of the settlement. The settlement
agreement and proposed notice to class members must be filed with the
14 motion, and the proposed order must be lodged with the motion.

15 Courts have discretion to approve settlements that are fair, not collusive, and consider “all
16 the normal perils of litigation as well as the additional uncertainties inherent in complex class
17 actions.” (*In re Beef Industry Antitrust Litigation* (5th Cir. 1979) 607 F.2d 167, 179, cert. den. *sub*
nom. Iowa Beef Processors, Inc. v. Meat Price Investigators Ass’n (1981) 452 U.S. 905.)

18 **b. The Proposed Settlement Is a Reasonable Compromise of Claims**

19 An understanding of the amount in controversy is an important factor in whether the
20 settlement “of the class members’ claims is reasonable in light of the strengths and weaknesses of
21 the claims and the risks of the particular litigation.” (*Kullar v. Foot Locker Retail, Inc.* (2008) 168
22 Cal.App.4th 116, 129; see also *Munoz v. BCI Coca-Cola Bottling Co. of Los Angeles* (2010) 186

23 ¹ The final factor mentioned in *Dunk* – the number of objectors – is not determinable until
24 the Class Notice has been provided to the Class, and they have had an opportunity to respond. This
25 information will be provided to the Court in conjunction with the Motion for Final Approval of
Class Action Settlement.

26 ² The California Supreme Court has authorized California’s trial courts to use Federal Rule
27 23 and cases applying it for guidance in considering class issues. (*Vasquez v. Superior Court*
28 (1971) 4 Cal.3d 800, 821; *Green v. Obledo* (1981) 29 Cal.3d 126, 145-146.) Where appropriate,
the Parties cite Federal Rule 23 and federal case law in addition to California law.

Cal.App.4th 399, 409.) The most important factor in this regard is ““the strength of the case for plaintiffs on the merits, balanced against the amount offered in settlement.”” (*Kullar v. Foot Locker Retail, Inc.*, *supra*, 168 Cal.App.4th at p. 130; see also *Munoz v. BCI Coca-Cola Bottling Co. of Los Angeles*, *supra*, 186 Cal.App.4th at p. 409.)

Kullar instructs the court is not to “decide the merits of the case or to substitute its evaluation of the most appropriate settlement for that of the attorneys.” (*Kullar v. Foot Locker Retail, Inc.*, *supra*, 168 Cal.App.4th at p. 133.) *Kullar* does not require a statement of the maximum amount the class could recover if plaintiff prevailed on all his claims, provided there is a record that allows “an understanding of the amount that is in controversy and the realistic range of outcomes of the litigation.” (*Munoz v. BCI Coca-Cola Bottling Co. of Los Angeles*, *supra*, 186 Cal.App.4th at p. 409.) “[A]s the court does when it approves a settlement as in good faith under Code of Civil Procedure § 877.6, the court must at least satisfy itself that the class settlement is within the ‘ballpark’ of reasonableness.” (*Kullar*, at p. 133.)

i. The Settlement Amount of \$650,000 Is Fair and Reasonable

The Settlement Agreement was only possible following significant investigation and evaluation of the relevant policies and procedures, as well as the data produced, as referenced in Section III above, permitting Class Counsel to engage in a comprehensive analysis of liability and potential damages. (Han Decl., *supra*, at ¶ 31.)

The claims are predicated on the alleged: (1) failure to pay overtime wages; (2) failure to pay minimum wages; (3) failure to provide meal and rest breaks and pay applicable premium wages; (4) failure to timely pay wages; (5) failure to issue compliant wage statements; (6) failure to reimburse business expenses; (7) violation of PAGA; and (8) violation of Business & Professions Code section 17200. (Han Decl., *supra*, at ¶ 32.) Defendant vehemently denies the theories of liability. (*Id.* at ¶ 33.)

While Plaintiffs believe that the case is suitable for certification, uncertainties with respect to certification are always present. (Han Decl., *supra*, at ¶ 34.) As the California Supreme Court ruled in *Sav-On Drug Stores, Inc. v. Superior Court* (2004) 34 Cal.4th 319, class certification is always a matter of the trial court’s sound discretion. (*Ibid.*) Decisions following *Sav-On Drug*

Stores, Inc. have reached different conclusions concerning certification of wage-and-hour claims.³ (Han Decl., *supra*, at ¶ 34.) Thus, the calculations for potential damages were discounted.

ii. The PAGA Penalties of \$40,000 Is Reasonable

The provisions of the Labor Code potentially triggering PAGA penalties include Labor Code sections 201, 202, 203, 204, 210, 218.5, 221, 226(a), 226.3, 226.7, 246, 432.5, 510, 512(a), 551, 552, 558, 1174(d), 1194, 1197, 1197.1, 1198, 2800, and 2802. (Han Decl., *supra*, at ¶ 42.) Defendant asserted that, regardless of the results of the underlying causes of action, PAGA penalties are not mandatory but permissive and discretionary. (*Ibid.*) Defendant also maintained that it had a strong argument that it would be unjust to award maximum PAGA penalties given the law's current unsettled state concerning PAGA penalties. (Han Decl., *supra*, at ¶ 42; *Thurman v. Bayshore Transit Mgmt.* (2012) 203 Cal.App.4th 1112 [reducing penalties by 30% under this authority].) Furthermore, Defendant argued that without stacking and limited to the initial violation, the PAGA penalties would be limited to about **\$74,500** (745 employees x \$100 penalty for initial violation) on the low end and **\$521,500** (745 employees x \$100 penalty for initial violation x 7 theories of recovery) on the high end. (Han Decl., *supra*, at ¶¶ 43-45.)

Plaintiffs recognized that the risk that any PAGA award could be reduced. (Han Decl., *supra*, at ¶ 46.) Many of the causes of action brought were also duplicative of the statutory claims. (*Ibid.*) Allocating \$40,000 to PAGA civil penalties was reasonable given that Defendant is also paying an additional \$610,000 in the class settlement. (*Ibid.*) When PAGA penalties are negotiated in good faith and "there is no indication that [the] amount was the result of self-interest at the expense of other Class Members," such amounts are reasonable.⁴ (*Ibid.*)

³ (See e.g. *Harris v. Superior Court* (2007) 154 Cal.App.4th 164 [reversing decertification of class claiming misclassification and ordering summary adjudication in favor of employees], review granted Nov. 28, 2007, (2007) 171 P.3d 545 [not cited as precedent, but rather for illustrative purposes only]; *Walsh v. IKON Office Solutions, Inc.* (2007) 148 Cal.App.4th 1440 [affirming decertification of class claiming misclassification]; *Aguiar v. Cintas Corp. No. 2* (2006) 144 Cal.App.4th 121 [reversing denial of certification]; *Dunbar v. Albertson's Inc.* (2006) 141 Cal.App.4th 1422 [affirming denial of certification].)

⁴ (*Hopson v. Hanesbrands Inc.* (N.D.Cal. Apr. 3, 2009, No. CV-08-0844 EDL) 2009 U.S. Dist. LEXIS 33900, at *24; see e.g. *Nordstrom Com. Cases* (2010) 186 Cal.App.4th 576, 579,

Considering the defenses, supporting evidence, and position that the case is not suitable for class treatment, the Settlement Agreement is reasonable, adequate, and fair.

c. Discount Analysis Justifies the Settlement

Excluding the civil penalties, which could be completely discretionary, the total estimated potential exposure, assuming certification and prevailing at trial, would be about **\$12,462,653.10** on the low end and around **\$12,971,145.29** on the high end. (Han Decl., *supra*, at ¶ 47.)

Category	Potential Exposure	Certification Risk	Merits Risk	Realistic Exposure
Rest Break Premiums	\$1,352,972.57	75%	65%	\$118,385.10
Meal Break Premiums	\$880,234.96	65%	55%	\$138,637.01
Overtime/Minimum Wage: Off-the-Clock Work	\$1,016,500.57 to \$1,524,992.76	55%	55%	\$205,841.37 to \$308,811.03
Unreimbursed Business Expenses	\$391,475	35%	75%	\$63,614.69
Wage Statement Penalty	\$1,005,750	75%	75%	\$62,859.38
Waiting Time Penalty	\$7,815,720	75%	75%	\$488,482.50
MAXIMUM TOTAL EXPOSURE	\$12,462,653.10 to \$12,971,145.29⁵			\$1,077,820.05 to \$1,180,789.71⁶

The realistic recovery for this case is about **\$1,077,820.05** on the low end and **\$1,180,789.71** on the high end. (Han Decl., *supra*, at ¶ 54.) The Gross Settlement Amount is about five percent (5.01%) of the maximum potential exposure and around fifty-five percent (55.05%) of the maximum realistic exposure at trial, which is a reasonable settlement. (*Ibid.*)

The only question at preliminary approval is whether the settlement is within the range of possible approval. (*In re General Motors Corp. Engine Interchange Litigation* (7th Cir. 1979) 594 F.2d 1106, 1124; *Acosta v. TransUnion, LLC* (C.D. Cal. 2007) 240 F.R.D. 564, 575.) “The fact that a proposed settlement may only amount to a fraction of the potential recovery does not, in and of itself, mean that the proposed settlement is grossly inadequate and should be disapproved.”

“[T]rial court did not abuse its discretion in approving a settlement which does not allocate any damages to the PAGA claims”).

⁵ (Han Decl., *supra*, at ¶¶ 35-41.)

⁶ (*Id.* at ¶¶ 48-53.)

(*Detroit v. Grinnell Corp.* (2d Cir. 1974) 495 F.2d 448, 455; see also *Linney v. Cellular Alaska P'ship* (9th Cir. 1998) 151 F.3d 1234, 1242, “[I]t is the very uncertainty of outcome in litigation and avoidance of wasteful and expensive litigation that induce consensual settlements. The proposed settlement is not to be judged against a hypothetical or speculative measure of what might have been achieved by the negotiators”.) This settlement is in line with the realistic exposure if Plaintiffs prevailed at trial and provides a significant recovery for the Class Members.

d. Conditional Certification of the Class Is Appropriate

Code of Civil Procedure section 382 “authorizes class actions ‘when the question is one of a common or general interest, of many persons, or when the parties are numerous, and it is impracticable to bring them all before the court.’” (*Sav-On Drug Stores, Inc. v. Superior Court*, *supra*, 34 Cal.4th at p. 326.) California courts certify class actions if plaintiff identifies “both [1] an ascertainable class and [2] a well-defined community of interest among class members.” (*Ibid.*)

The Class is ascertainable and numerous as to make it impracticable to join all Class Members, and there are common questions of law and fact that predominate over any questions affecting any individual Class Member. (Han Decl., *supra*, at ¶ 55.) Plaintiffs contend that their claims are typical of the claims of the Class, and Class Counsel will fairly and adequately protect the interests of the Class. (*Ibid.*) Plaintiffs assert that the prosecution of separate actions by individual Class Members would create the risk of inconsistent or varying adjudications. (*Ibid.*)

i. The Proposed Class Is Ascertainable and Sufficiently Numerous

“Ascertainability is required in order to give notice to putative class members as to whom the judgment in the action will be res judicata.” (*Hicks v. Kaufman & Broad Home Corp.* (2001) 89 Cal.App.4th 908, 914.) “A class is ascertainable if it identifies a group of unnamed plaintiffs by describing a set of common characteristics sufficient to allow a member of that group to identify himself or herself as having a right to recover based on the description.” (*Bartold v. Glendale Federal Bank* (2000) 81 Cal.App.4th 816, 828.) The proposed class must also be sufficiently numerous. (*Linder v. Thrifty Oil Co.* (2000) 23 Cal.4th 429, 435.)

///

1 This case involves approximately 2,237 Class Members, meaning that the Class is
2 sufficiently numerous. (Han Decl., *supra*, at ¶ 56; *Ghazaryan v. Diva Limousine, Ltd.* (2008) 169
3 Cal.App.4th 1524, 1531, n.5 [finding a proposed class of “as many as 190 current and former
4 employees” is sufficiently numerous].)

5 **ii. Class Members Share a Well-defined Community of Interest**

6 The community of interest requirement “embodies three factors: (1) predominant common
7 questions of law or fact; (2) class representatives with claims or defenses typical of the class; and
8 (3) class representatives who can adequately represent the class.” (*Sav-On Drug Stores, Inc. v.*
9 *Superior Court, supra*, 34 Cal.4th at p. 326.) “[T]he community of interest requirement for
10 certification *does not mandate that class members have uniform or identical claims.*” (*Capitol*
11 *People First v. Department of Developmental Services* (2007) 155 Cal.App.4th 676, 692 (emphasis
12 in original).) Rather, courts focus on the defendant’s internal policies and “pattern and practice . .
13 . in order to assess whether that common behavior toward similarly situated plaintiffs renders class
14 certification appropriate.” (*Ibid.*) The application of each of these factors is discussed below.

15 **1. Common Issues Predominate**

16 The “common issues” requirement “involves analysis of whether the proponent’s ‘theory
17 of recovery’ is likely to prove compatible with class treatment.” (*Capitol People First v.*
18 *Department of Developmental Services, supra*, 155 Cal.App.4th at p. 690.) In other words, courts
19 determine whether the elements necessary to establish liability are susceptible to common proof,
20 even if the class members must individually prove their damages. (*Brinker Restaurant Corp. v.*
21 *Superior Court* (2012) 53 Cal.4th 1004, 1024). These types of claims are regularly granted class
22 certification when the plaintiff can present evidence of common policies. (See e.g. *Jones v. JGC*
23 *Dallas LLC* (N.D.Tex. Nov. 29, 2012, Civil Action No. 3:11-CV-2743-O) 2012 U.S.Dist.LEXIS
24 185042 [certified collective action involving 190 dancers]; *Espinoza v. Galardi South Enters.*
25 (S.D.Fla. Jan. 11, 2016, No. 14-21244-CIV-GOODMAN) 2016 U.S.Dist.LEXIS 2904 [court
26 certified class of dancers on state law claims].)

27 ///

28 ///

1 Plaintiffs assert that common issues of fact and law predominate as to each of the claims
2 alleged. (Han Decl., *supra*, at ¶ 57.) Plaintiffs contend that all Class Members were subject to the
3 same or similar employment practices, policies, and procedures described in detail above. (*Ibid.*)

4 **2. Plaintiffs' Claims Are Typical of the Class Claims**

5 Typical claims rely on legal theories and facts that are substantially like those of other class
6 members. (*Classen v. Weller* (1983) 145 Cal.App.3d 27, 46.)

7 Plaintiffs are former employees of Defendant and allege that he and the Class Members were
8 employed by the same company and injured by the common policies and practices related to the
9 claims described above. (Han Decl., *supra*, at ¶ 58.) Plaintiffs seek relief for these claims and
10 derivative claims on behalf of the Class. (*Ibid.*) Thus, the claims arise from the same employment
11 practices and are based on the same legal theories applicable to the Class. (*Ibid.*)

12 **3. Plaintiffs Are Adequate to Represent the Class**

13 Plaintiffs have proven to be adequate class representatives. (Han Decl., *supra*, at ¶ 59.)
14 Plaintiffs conducted themselves diligently and responsibly in representing the Class, understand
15 the fiduciary obligations, and actively participated in the prosecution of this case. (*Ibid.*) Plaintiffs
16 spent time in meetings and conferences with Class Counsel to provide them with a complete
17 understanding of the work experience and environment. (*Ibid.*) Plaintiffs have no interest adverse
18 to the interests of the other Class Members. (*Ibid.*)

19 **4. Class Action Is Superior for the Fair and Efficient Adjudication** 20 **of this Controversy**

21 A class action is superior to other available means for the fair and efficient adjudication of
22 this controversy. Plaintiffs contend that the joinder of all Class Members is impractical and that
23 class treatment will permit many similarly situated persons to prosecute their common claims for
24 settlement purposes simultaneously in a single forum without the duplication of effort and expense
25 that numerous individual actions would necessitate. Because several Class Members are also
26 current employees, Plaintiffs believe that the fear of retaliation further supports the superiority of
27 class-wide relief as this fear often discourages current employees from seeking legal redress.

28 ///

In deciding whether to approve a proposed class action settlement under Code of Civil Procedure section 382, the Court must find a proposed settlement is “fair, adequate and reasonable.” (*Dunk v. Ford Motor Co.* (1996) 48 Cal.App.4th 1794, 1801.) A proposed class action settlement is presumed fair under the following circumstances: (1) parties reached settlement after arm’s-length negotiations; (2) investigation and discovery were sufficient to allow counsel and the court to act intelligently; (3) counsel is experienced in similar litigation; and (4) percentage of objectors is small. (*Id.* at p. 1802.) All these elements are present here.

If the court has certified the action as a class action, notice of the final approval hearing must be given to class members in the manner specified by the court. The notice must contain an explanation of the proposed settlement and procedures for class members to follow in filing written objections to it and in arranging to appear at the settlement hearing and state any objections to the proposed settlement.

PROOF OF SERVICE
1013A(3) CCP

STATE OF CALIFORNIA, COUNTY OF LOS ANGELES

I am employed in the County of Los Angeles, State of California. I am over the age of 18 and not a party to the within action. My business address is 751 N. Fair Oaks Avenue, Suite 101, Pasadena, California 91103 and my electronic service address is dmather@justicelawcorp.com.

On April 7, 2025, I served the foregoing document described as

**NOTICE OF MOTION AND MOTION FOR PRELIMINARY APPROVAL OF
CLASS ACTION SETTLEMENT, CONDITIONAL CERTIFICATION, APPROVAL
OF CLASS NOTICE, SETTING OF FINAL APPROVAL HEARING DATE;
MEMORANDUM OF POINTS AND AUTHORITIES IN
SUPPORT THEREOF**

for the following case: **Estrada v. Fratelli Beretta USA, Inc. dba Busseto Foods**
LWDA/Court Case No.: **LWDA Case No.: CM-946974-23**
Court Case No.: 24CV-05727
Merced County Superior Court

on interested parties in this action by electronically submitting as follows:

State of California
Labor & Workforce Development Agency
800 Capitol Mall, MIC-55
Sacramento, California 95814

[X] BY ELECTRONIC SUBMISSION

Pursuant to California Senate Bill No. 836, I caused the documents described above to be electronically submitted by and through the procedure stated on the website of the State of California Labor and Workforce Development Agency.

[X] STATE

I declare under penalty of perjury under the laws of the State of California that the above is true and correct.

Executed on April 7, 2025, at Pasadena, California.

Drew Mather
