1 I responded to them as quickly as possible and gave them as much information and identified as
2 many documents as I could. I spent at least 14 additional hours speaking with my attorneys about
3 the case, identifying potential witnesses, providing my attorneys with documents and
4 information concerning the case, and also describing policies, practices, and procedures of
5 Defendant.

6 5. As far as the settlement is concerned, I was available to review documents and
7 answer any questions my attorneys had. I spent about 4 hours reviewing the settlement
8 agreement and about 5 hours asking questions and discussing the potential settlement with my
9 attorneys before signing the settlement agreement.

10 6. I believe that I have done everything that my attorneys have asked of me and have
11 tried, to the best of my ability, to represent the class and seek relief for the aggrieved employees
12 and the State of California. I think my efforts helped to get the result obtained in this case, and as
13 a class and PAGA representative, I respectfully request that the Court award me an enhancement
14 award in the amount of \$10,000.00 for my active participation in this case. Taking into
15 consideration the time that I have dedicated to this case, I believe that this amount is reasonable.

16 7. I am not related to anyone associated with Lawyers *for* Justice, PC.

17 8. I have not entered into any undisclosed agreements, nor have I received any
18 undisclosed compensation in this case. The only compensation I will receive is whatever amount
19 the Court awards as an enhancement award as well as my share of the settlement as a class
20 member and as an aggrieved employee.

21 I declare under penalty of perjury under the laws of the State of California that the
22 foregoing is true and correct.
