4. I was available to answer any questions my attorneys had, and available to speak and meet with my attorneys whenever they needed me. I responded to them as quickly as possible and gave them as much information and identified as many documents as I could. I spent at least **13 additional hours** speaking with my attorneys about the case, identifying potential witnesses, providing my attorneys with documents and information concerning the case, and also describing policies, practices, and procedures of Bridge Property Management.

5. As far as the settlement is concerned, I spent about **3 hours** reviewing the settlement agreement and about **2 hour** asking questions and discussing the potential settlement with my attorneys before signing the settlement agreement.

6. I believe that I have done everything that my attorneys have asked of me and have tried, to the best of my ability, to represent the class and seek relief for the aggrieved employees and the State of California. I think my efforts helped to get the result obtained in this case, and as a class and PAGA representative, I respectfully request that the Court award me an enhancement payment in the amount of \$10,000.00 for my active participation in this case. Taking into consideration the time that I have dedicated to this case, and the general release I am providing to Bridge Property Management, I believe that this amount is reasonable.

7. I am not related to anyone associated with Lawyers *for* Justice, PC.

8. I have not entered into any undisclosed agreements, nor have I received any undisclosed compensation in this case. The only compensation I will receive is whatever amount the Court awards as an enhancement payment, as well as my share of the settlement as a class member and as an aggrieved employee.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on this day 06/26/2024, at San Francisco, California.

Electronically Signed: 2024-06-26 18:21:41 UTC - 172.56.43.222
