1 **TO ALL PARTIES AND THEIR RESPECTIVE ATTORNEYS OF RECORD:**

2 YOU ARE HEREBY NOTIFIED THAT at 8:30 a.m. on December 11, 2025, or as soon
3 thereafter as the matter can be heard, in Department B of the above entitled Court, located at 825
4 Maple Ave., Torrance, CA 90503, Plaintiffs Ivan S. Martinez II and Jesus Mosqueda (“Plaintiffs”)
5 will and hereby do move for an order approving the settlement of the PAGA claim alleged against
6 Defendants The Haar Company, Go West Bakery LLC, and Westwood Donuts LLC (“Defendants”)
7 in accordance with Labor Code §2699(1). The proposed settlement is set forth in the accompanying
8 PAGA Settlement Agreement (“Settlement Agreement”).

9 This Motion will be based on this notice, the accompanying points and authorities, the
10 Declaration of John G. Yslas, the Declaration of Marcus Bradley, the Declaration of Ivan S. Martinez
11 II, the Declaration of Jesus Mosqueda, and the complete files and records in this action. The Labor
12 Workforce Development Agency has been served with this motion and the Settlement Agreement as
13 set forth in the accompanying proof of service.

14 Respectfully submitted,

15 Dated: November 17, 2025

1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **I. INTRODUCTION**

3 Plaintiffs Ivan S. Martinez II and Jesus Mosqueda (collectively, “Plaintiffs”) reached a
4 settlement of the California Private Attorneys General Act, Cal. Labor Code §2699, *et seq.* (“PAGA”)
5 claim asserted in this action against Defendants The Haar Company, Go West Bakery LLC, and
6 Westwood Donuts LLC (collectively, “Defendants”) (collectively, the “Parties”). In accordance with
7 California Labor Code §2699(l), Plaintiffs now ask this Court to review and approve the settlement of
8 Plaintiffs’ PAGA claim.¹ This is PAGA Settlement for civil penalties and is not a class settlement and
9 does not release the individual wage claims, if any, of the affected employees other than the Plaintiffs.
10 Cal. Labor Code § 2699(g)(1); *Iskanian v. CLS Transportation*, 59 Cal. 4th 348, 381 (2014); *ZB, N.A.*
11 *v. Superior Court*, 8 Cal. 5th 175, 182 (2019) (unpaid wages are not recoverable under PAGA).

12 The PAGA Settlement is set forth in the accompanying PAGA Settlement Agreement
13 (“Settlement Agreement”). A true and correct copy of the Settlement Agreement which sets forth the
14 terms for the settlement of the PAGA claims is attached as Exhibit 1 to the Declaration of John G.
15 Yslas in Support of Motion for Approval of PAGA Settlement (“Yslas Decl.”), filed herewith.
16 Capitalized terms shall have the same meaning as defined in the Settlement Agreement. The LWDA
17 received notice of this Settlement on November 14, 2025. Yslas Decl. ¶ 37.

18 A proposed order confirming review and approval of the PAGA settlement is submitted
19 herewith.

20 **II. RELEVANT FACTS AND PRODCEDURAL HISTORY**

21 On April 24, 2023, Plaintiff Mosqueda filed a class action complaint in the Los Angeles County
22 Superior Court. Yslas Decl., ¶ 3; *see also* Declaration of Marcus J. Bradley in Support of Motion for
23 Approval of Private Attorneys General Act (PAGA) Settlement (“Bradley Decl.”), ¶ 3. On the same
24 date, Plaintiff Mosqueda gave timely written notice to Defendants and the LWDA (LWDA-CM-
25 950430-23). Yslas Decl., ¶ 3. On August 4, 2023, Plaintiff Mosqueda amended the complaint to add
26 a cause of action for PAGA penalties. Yslas Decl., ¶ 3; Bradley Decl., ¶ 3. Pursuant to Labor Code
27

28 ¹ Section 2699(1)(2) provides as follows: “The superior court shall review and approve any settlement
of any civil action pursuant to this part.”

1 section 2699.3, subdivision (a), alleging Defendants The Haar Company, Go West Bakery LLC and
2 Westwood Donuts, LLC's (collectively, "Defendants"): (1) failure to pay for all hours worked,
3 including minimum, straight time, overtime wages and off the clock work; (2) failure to provide meal
4 periods; (3) failure to provide rest periods; (4) failure to pay all earned wages twice per month; (5)
5 failure to maintain accurate records of hours worked and meal periods; (6) failure to timely pay all
6 wages at termination; (7) failure to timely furnish accurate itemized wage statements; (8) failure to
7 indemnify for necessary expenditures; (9) failure to provide suitable facilities for meal and rest breaks;
8 (10) failure to comply with California Labor Code sections 6300, et seq.; (11) waiting time penalties;
9 (12) failure to provide suitable seating; (13) failure to adopt standards that minimize excessive indoor
10 heat; (14) failure to comply with California Labor Code sections 6400-6403; and (15) violations of
11 California Business & Professions Code section 17200, *et seq.* Yslas Decl., ¶ 3; Bradley Decl., ¶ 3.

12 On May 16, 2023, Plaintiff Martinez gave timely written notice to Defendants The Haar
13 Company and Go West Bakery LLC, and the LWDA (LWDA-CM-955490-23), pursuant to Labor
14 Code section 2699.3, subdivision (a). Yslas Decl., ¶ 4. On September 6, 2023, Plaintiff Martinez filed
15 a complaint for civil penalties under PAGA, alleging Defendants The Haar Company and Go West
16 Bakery LLC: (1) failed to pay for all hours worked, including minimum, straight time, and overtime
17 wages; (2) failed to provide meal periods; (3) failed to authorize and permit rest periods; (4) failed to
18 pay all earned wages twice per month; (5) failed to maintain accurate records of hours worked and
19 meal periods; (6) failed to timely pay all wages at termination; (7) failed to furnish accurate itemized
20 wage statements; (8) failed to indemnify for necessary expenditures; and (9) failed to produce
21 requested employment records. Yslas Decl., ¶ 4; Bradley Decl., ¶ 4. On March 18, 2024, Plaintiff
22 Mosqueda filed a request for dismissal of his class allegations. Yslas Decl., ¶ 5; Bradley Decl., ¶ 3.

23 Thereafter, the Parties met and conferred and agreed to mediate the PAGA Action with Henry
24 J. Bongiovi, a well-respected and experienced mediator in wage and hour class and representative
25 actions. Yslas Decl., ¶ 6. In advance of mediation, PAGA Counsel conducted a thorough investigation
26 into the facts of, and applicable law to, the PAGA Action. *Id.* Prior to mediation, Plaintiffs obtained
27 through informal discovery a representative sampling of time and payroll data for Aggrieved
28

1 Employees and the necessary policy documents to properly evaluate the strengths and weaknesses of
2 the claims and engage in meaningful settlement discussions. *Id.*

3 On December 10, 2024, the Parties engaged in an all-day mediation session before Mr.
4 Bongiovi. Yslas Decl., ¶ 7. With the help of Mr. Bongiovi, the Parties were able to reach an agreement
5 on general settlement terms at mediation. *Id.* The settlement was negotiated in light of all known facts
6 and circumstances and the uncertainty associated with litigation – including the risk of Plaintiffs not
7 being able to maintain representative claims, the difficulty of proving Plaintiffs’ claims in a
8 manageable trial, the merits of Defendants’ potential defenses, and the significant delay and potential
9 appellate issues inherent to litigation – and was reached after extensive arm’s length negotiations, with
10 the assistance of Mr. Bongiovi. *Id.*

11 On July 17, 2025, Plaintiffs consolidated their actions, filing a First Amended PAGA
12 Representative Action Complaint in the Los Angeles County Superior Court, Case No. 23STCV21651
13 against Defendants. Yslas Decl., ¶ 8.

14 **III. TERMS OF THE PAGA SETTLEMENT**

15 **A. Aggrieved Employees**

16 “Aggrieved Employees” means all persons who worked for Defendant in California as a non-
17 exempt employee at any time during the period beginning April 24, 2022 through March 10, 2025.
18 Settlement Agreement, ¶ 1.3. Defendant has represented that there are 136 Aggrieved Employees that
19 worked a total of 2, 500 PAGA Pay Periods. *Id.* at ¶ 4.1.

20 **B. Settlement Terms**

21 The Settlement Agreement negotiated by the Parties provides for a Gross Settlement Amount
22 (“GSA”) payment in the amount of \$112,500.00 to resolve the PAGA Action. Settlement Agreement,
23 ¶3.1. The Gross Settlement Amount will be used to pay Individual PAGA Payments, PAGA Counsel
24 Fees, PAGA Counsel Expenses, the PAGA Representative Service Payments and the Administrator’s
25 Expenses. *Id.* at ¶ 1.11. After these deductions, the amount remaining is the Net Settlement Amount
26 or “NSA,” which is estimated to be \$41,250.00. *Id.* at ¶ 1.16; Yslas Decl., ¶ 9. The NSA will be
27 distributed to the LWDA and Aggrieved Employees as PAGA Penalties. Settlement Agreement, ¶
28 3.2.4.

1 1. PAGA Penalties: The NSA will be distributed as PAGA Penalties with
2 seventy-five percent (75%) allocated to the LWDA PAGA Payment and the remaining twenty-five
3 percent (25%) allocated to the Individual PAGA Payments for Aggrieved Employees. *Id.*, ¶ 3.2.4. This
4 75/25 allocation is required by Labor Code §2699 as explained by *ZB, N.A. v. Superior Court*, 8
5 Cal.5th 175 (2019).

6 2. Individual PAGA Payments: The Administrator will calculate each Individual
7 PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA
8 Penalties by the total number of PAGA Period Pay Periods worked by all Aggrieved Employees during
9 the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Period Pay
10 Periods. *Id.* at ¶ 3.2.4. The PAGA Period is the time period from April 24, 2022 through March 10,
11 2025. *Id.* at ¶ 1.25.

12 3. PAGA Representative Service Payment: Subject to Court approval, Plaintiffs
13 shall be paid PAGA Representative Service Payments not to exceed \$5,000.00 each, for their time and
14 effort in bringing and presenting the Action. *Id.* at ¶ 3.2.1.

15 4. PAGA Counsel Fees Payment: Subject to Court approval, PAGA Counsel shall
16 be entitled to receive an award of reasonable attorneys' fees of not more than 1/3 (one-third), which
17 is currently estimated to be \$37,500.00. *Id.* at ¶ 3.2.2.

18 5. PAGA Counsel Litigation Expenses Payment: Subject to Court approval,
19 PAGA Counsel shall be entitled to receive reimbursement of costs, not to exceed \$20,000.00. *Id.*
20 Counsel seeks reimbursement of actual costs incurred in the amount of \$20,000.00. Yslas Decl. ¶ 35.

21 6. Administrator Expenses Payment: The Parties agreed to appoint Phoenix
22 Class Action Administration Solutions ("Phoenix") as the Administrator for the Settlement. *Id.* at ¶
23 1.1. The Settlement Administration Expenses, which are estimated not to exceed \$3,750.00 shall be
24 paid from the Gross Settlement Amount. Settlement Agreement, ¶ 3.2.3.

25 **C. Release**

26 Effective as of the date that Defendants fully fund the entire GSA, Plaintiffs, Aggrieved
27 Employees, State of California, LWDA and PAGA Counsel, will release claims against all Released
28 Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged,

1 in the PAGA Action and the PAGA Notice, including but not limited to, claims for PAGA civil
2 penalties for: (1) failure to pay for all hours worked, including minimum, straight time, overtime wages
3 and off the clock work; (2) failure to provide meal periods; (3) failure to authorize and permit rest
4 periods; (4) failure to pay all earned wages twice per month; (5) failure to maintain accurate records
5 of hours worked and meal periods; (6) failure to timely pay all wages at termination; (7) failure to
6 timely furnish accurate itemized wage statements; (8) failure to indemnify for necessary expenditures;
7 (9) failure to provide suitable facilities for meal and rest breaks; (10) failure to comply with California
8 Labor Code sections 6300, et seq.; (11) waiting time penalties; (12) failure to provide suitable seating;
9 (13) failure to adopt standards that minimize excessive indoor heat; (14) failure to comply with
10 California Labor Code sections 6400-6403; (15) failure to produce requested employment records;
11 and (16) violations of California Business & Professions Code section 17200, et seq. Aggrieved
12 Employees, other than Plaintiffs, will not be deemed to have released any non-PAGA individual
13 claims by virtue of this Agreement. This release applies only to PAGA penalty claims that accrued
14 during the PAGA Period. There shall be no right to opt-out of the settlement by Aggrieved Employees,
15 consistent with California law. Settlement Agreement, ¶ 5.2.

16 **D. Settlement Administration**

17 Defendants will provide the Aggrieved Employee Data to the Administrator, Phoenix, in the
18 form of a Microsoft Excel spreadsheet within seven (7) calendar days after the Court grants PAGA
19 Approval. *Id.* at ¶ 4.2. Defendants have a continuing duty to immediately notify PAGA Counsel if it
20 discovers that the Aggrieved Employee Data omitted Aggrieved Employee identifying information
21 and to provide corrected or updated Aggrieved Employee Data as soon as reasonably feasible. *Id.*

22 Defendants shall fully fund the Gross Settlement Amount by transmitting the funds to the
23 Administrator no later than fourteen (14) calendar days after the Effective Date. *Id.* at ¶¶ 1.9, 4.3.
24 Within fourteen (14) calendar days after receipt of the GSA from Defendant, the Settlement
25 Administrator will issue to each Aggrieved Employee a check for their Individual PAGA Payment at
26 their last known home address along with an explanatory letter.² *Id.* at ¶¶ 4.4., 4.4.1. Any checks
27

28 _____
² The form of the notice to accompany the checks is attached as Exhibit 2 to the Settlement Agreement.

1 returned as non-deliverable on or before the check cashing deadline will be sent promptly via regular
2 First-Class U.S. Mail to the forwarding address affixed thereto. *Id.* at ¶ 4.4.2. If no forwarding address
3 is provided, the Settlement Administrator will promptly attempt to determine the correct address using
4 a skip-trace, or other search using the name, address, Social Security number, phone number, credit
5 reporting and social media of the Aggrieved Employee involved and will then perform a re-mailing.
6 *Id.*

7 All checks not cashed within 180 days of payment shall be paid to the California Controller's
8 Unclaimed Property Fund in the name of the Aggrieved Employee. *Id.* at ¶ 4.4.3. The Individual
9 PAGA Payments are 100% penalties and shall be reported using IRS tax form 1099. *Id.* at ¶ 3.2.4.

10 Within fourteen (14) calendar days after receipt of the GSA from Defendant, the Administrator
11 will pay the Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses
12 Payment, the PAGA Counsel Fees Payment, the PAGA Counsel Litigation Expenses Payment, and
13 the PAGA Representative Service Payments. *Id.* at ¶ 4.4. Disbursement of the PAGA Counsel Fees
14 Payment, the PAGA Counsel Litigation Expenses Payment and the PAGA Representative Service
15 Payment shall not precede disbursement of Individual PAGA Payments. *Id.* Within 10 calendar days,
16 the Settlement Administrator will provide PAGA Counsel and Defense Counsel with a final report
17 detailing its disbursements. *Id.* at ¶ 8.4.1.

18 Pursuant to California Labor Code Section 2699(1), Plaintiffs provided a copy of the
19 Settlement Agreement to the LWDA. Yslas Decl., ¶ 37, Exhibit 3. In addition, Plaintiffs will submit
20 to the LWDA a copy of the Court's judgment and order approving the Settlement Agreement within
21 ten (10) days after entry of judgment or order. *Id.* at ¶ 37.

22 **IV. THE COURT SHOULD GRANT APPROVAL OF THE PAGA SETTLEMENT**

23 **A. Legal Standard**

24 Labor Code § 2699(1) requires that the Court "shall review and approve any settlement of any
25 civil [PAGA] action filed pursuant to this part. The proposed settlement shall be submitted to the
26 agency at the same time that it is submitted to the court." In doing so, the trial court must consider
27 whether the settlement is "fair, reasonable, and adequate in view of PAGA's purposes to remediate
28 present labor law violations, deter future ones, and to maximize enforcement of state labor laws."

1 *Moniz v. Adecco USA, Inc.*, 72 Cal. App. 5th 56, 77-78 (Cal. Ct. App. Nov. 30, 2021)(overruled in
2 part on other grounds); see also *O'Connor v. Uber Technologies, Inc.*, 201 F. Supp. 3d 1110, 1133
3 (N.D. Cal. 2016)(adopting guidance from the LWDA providing that “when a PAGA claim is settled,
4 the relief provided for under the PAGA [must] be genuine and meaningful, consistent with the
5 underlying purpose of the statute to benefit the public”).

6 The court’s role in reviewing PAGA settlements differs from its gatekeeping function in the
7 class action context. In class actions, courts have a fiduciary duty to protect the interests of absent
8 class members, whose individual claims will be discharged. *Kullar v. Foot Locker Retail, Inc.*, 168
9 Cal.App.4th 116, 129 (2008). In this role, courts conduct an “independent assessment of the adequacy
10 of the settlement terms,” which requires them to have sufficient data and information about the amount
11 in controversy and the realistic range of outcomes. *Id.* at 132. Courts consider a variety of factors in
12 conducting this analysis, including whether the settlement is negotiated at an arm’s length, whether
13 there is sufficient discovery and information to permit parties and the court to act intelligently, whether
14 the attorneys have experience with the type of issues, and whether the number of objectors is small.
15 *Dunk v. Ford Motor Co.*, 48 Cal.App.4th 1794, 1800-1801 (1996).

16 However, a PAGA representative action is “not akin to a class action;” it “is a species of *qui*
17 *tam* action.” *Flores v. Starwood Hotels & Resorts Worldwide, Inc.*, 253 F.Supp.3d 1074, 1076 (C.D.
18 Cal. 2017). When reviewing a PAGA-only settlement, courts do not consider the value of individuals’
19 claims for damages because a PAGA settlement does not release those claims. See *Kim v. Reins Int’l*
20 *California, Inc.*, 9 Cal.5th 73, 87 (2020)(PAGA claims differ from individual claims); *ZB, N.A. v.*
21 *Superior Court*, 8 Cal.5th 175, 188 (2019)(noting that PAGA penalties do not seek damages that are
22 compensatory in nature). “The state’s interest in such an action is to enforce its laws, not to recover
23 damages on behalf of a particular individual.” *Huff v. Securitas Sec. Servs., USA, Inc.*, 23 Cal.App.5th
24 745, 760 (2018). Instead of focusing on fair recovery for individual claims, the goal of PAGA
25 enforcement is to achieve “maximum compliance with state labor laws.” *Id.* at 756; see also *Iskanian*,
26 59 Cal.4th at 383 (noting that the goal of PAGA is to impose civil penalties for Labor Code violations
27 “significant enough to deter violations”); *McKenzie v. Federal Exp. Corp.*, 765 F.Supp.2d 1222, 1233
28 (C.D. Cal. 2011)(“Unlike a class action seeking damages... for injured employees, the purpose of

PAGA is to incentivize private parties to recover civil penalties for the government that otherwise may not have been assessed and collected by overburdened state enforcement agencies.”).

B. The PAGA Penalties Secured by the Settlement Are Genuine and Meaningful and Fulfill PAGA’s Underlying Purpose to Benefit the Public

The Settlement of \$112,500.00 penalizes Defendants for the alleged violations of California’s labor laws in an amount that is significant enough to deter violations and provide genuine and meaningful relief—approximately \$41,250.00 in PAGA Penalties to the State and the Aggrieved Employees—thus fulfilling the underlying purpose of PAGA to benefit the public. Yslas Decl., ¶¶ 9 – 14; *see Jordan v. NCI Grp., Inc.*, No. EDCV161701JVSSPX, 2018 WL 1409590, at *3 (C.D. Cal. Jan. 5, 2018) (“The proposed settlement imposes a substantial penalty payment of \$150,000.00, paid in exchange for a release of only those claims pled in the notice to the LWDA and the Complaint. This penalty has a substantial deterrent effect on NCI and other California employers. Furthermore, the proposed settlement encourages compliance with the specific requirements of the Labor Code, which has the effect of protecting workers from unlawful employment practices and working conditions.”); *Echavez v. Abercrombie & Fitch Co.*, No. CV 11-09754-GAF, 2017 WL 3669607, at *3 (C.D. Cal. Mar. 23, 2017) (finding that “[t]he primary purpose of PAGA, *i.e.*, the empowerment of aggrieved employees to act as private attorneys general to collect civil penalties from their employers for Labor Code violations, [was] served by the proposed PAGA penalty in the parties’ settlement agreement,” where \$340,000 of \$700,000 settlement was allocated to PAGA penalties which were divided 75% to the LWDA and 25% to an estimated 10,000 aggrieved employees).

This PAGA Settlement amount compares favorably to the estimated amount of PAGA penalties. Plaintiff calculated that the maximum amount of statutory PAGA civil penalties was potentially \$250,000.00 for 136 employees based on 2,500 pay periods.³ Yslas Decl., ¶ 10. Importantly, however, these calculations were performed at the maximum statutory rate for the

³ Stacking is where more than one civil penalty is imposed in a pay period for the same conduct. The valuation of \$250,000.00 is the civil penalty amount without stacking. If stacking is permitted, then the valuation increases with each additional penalty added to each pay period. Plaintiffs, however, are not aware of any PAGA award that permitted stacking and, in the cases cited herein, only one penalty per pay period was assessed. Yslas Decl., ¶ 10.

1 penalties, when in fact, it is likely that any penalties awarded would be at a lower rate. California
2 Labor Code Section 2699(e)(1) permits a Court to award a lesser amount than the maximum civil
3 penalty if based on the facts and circumstances to do otherwise would result in an award that is “unjust,
4 arbitrary and oppressive or confiscatory.” *See Carrington v. Starbucks Corp.*, 30 Cal. App. 5th 504
5 (2018)(affirming a judgment after trial that only provided for a PAGA penalty of \$5 per pay period).
6 Therefore, at trial, any PAGA penalties awarded could be significantly less than Plaintiff’s calculation
7 even where Plaintiff prevailed on the PAGA claim. *See Fleming v. Covidien*, No. ED CV 10-01487
8 RGK (OPx), 2011 U.S. Dist. LEXIS 154590 (C.D. Cal. Aug. 12, 2011)(a federal court reduced PAGA
9 penalties from \$2,800,000.00 to \$500,000.00, a reduction of 82.2%, because the court found maximum
10 penalties “unjust” because the employees had suffered no injuries).

11 **C. The Settlement Is Reasonable Given the Risks of Further Litigation**

12 In order to recover any PAGA penalties, Plaintiffs would be required at trial to prove each of
13 the underlying Labor Code violations. *See Cardenas v. McLane Foodservice, Inc.*, No. BCV-23-
14 102915, 2011 U.S. Dist. LEXIS 13126, *10 (C.D. Cal. Jan. 31, 2011) (“Given the statutory language
15 [of PAGA], a plaintiff cannot recover on behalf of individuals whom the plaintiff has not proven
16 suffered a violation of the Labor Code by the defendant.”). Here, Plaintiffs would need to prove that
17 each Aggrieved Employee suffered a violation for each period the employee worked in relation to (1)
18 failure to pay for all hours worked, including minimum, straight time, and overtime wages; (2) failure
19 to provide meal periods; (3) failure to authorize and permit rest periods; (4) failure to pay all earned
20 wages twice per month; (5) failure to maintain accurate records of hours worked and meal periods; (6)
21 failure to timely pay all wages at termination; (7) failure to furnish accurate wage statements; (8)
22 failure to indemnify for necessary expenditures; (9) failure to provide suitable facilities for meal and
23 rest breaks; (10) failure to comply with California Labor Code sections 6300, *et seq.*; (11) waiting
24 time penalties; (12) failure to provide suitable seatings; (13) failure to adopt standards that minimize
25 excessive indoor heat; (14) failure to comply with California Labor Code sections 6400-6403; (15)
26 failure to produce requested employment records; and (16) violations of California Business &
27 Professions Code section 17200 *et seq.* Yslas Decl., ¶ 11.

28 ///

1 Defendants maintain that Plaintiffs and the Aggrieved Employees were properly compensated,
2 and that they did not violate the Labor Code as to any of them. *Id.* at ¶ 12. Accordingly, Defendant
3 disputes and denies Plaintiffs’ allegations and claims asserted in the operative complaint which are
4 resolved by the Settlement Agreement. *Id.* Defendants asserted additional defenses to the PAGA
5 claim, not only as to liability but also as to the amount of the penalties. *Id.* Defendants could argue
6 that no penalties prior to the PAGA notification should be awarded because the violations were not
7 intentional, and at least one Court has so ruled. *Id.* These defenses present a risk to the PAGA claim
8 and the potential that some or all of the PAGA penalties sought may not be awarded. *Id.*

9 While Plaintiffs are confident in the merits of the case, a legitimate controversy exists as to
10 each cause of action for penalties, the factual allegations, the evidentiary basis, and the underlying
11 claims. *Id.* at ¶ 13. Plaintiffs also took into account the fact that continued litigation would be
12 expensive, involving a trial and possible appeals, and would substantially delay and potentially reduce
13 any recovery to the state and the Aggrieved Employees. *Id.* Assuming Plaintiffs could prove at least
14 one violation per pay period and the Court awarded \$100.00 in PAGA penalties for each of the 2,500
15 pay periods during the PAGA Period, the total penalties would be approximately \$250,000.00. *Id.* As
16 such, the Gross Settlement Amount of \$112,500.00 is approximately 45% of the maximum realistic
17 liability in this case.

18 Thus, when the risks of litigation, the burdens of proof necessary to establish liability, and the
19 probability of appeal of a favorable judgment are considered, it is clear that the settlement amount of
20 \$112,500.00 is reasonable and in the best interest of the state and the public. *Id.* at ¶ 13. Plaintiffs
21 objectively and knowledgably balanced the strengths and weaknesses of their claims against the risk
22 of continued litigation and were able to determine a realistic range of settlement recovery for PAGA
23 penalties. *Id.* The Settlement therefore accomplishes PAGA’s objectives by imposing sufficient civil
24 penalties “to punish and deter” Defendants from future alleged Labor Code violations, while also
25 ensuring that the penalties are not “unjust, arbitrary and oppressive, or confiscatory.” Lab. Code §
26 2699(e)(2); *Iskanian*, 59 Cal. 4th at 384.

27 ///

28 ///

1 **V. THE ATTORNEYS' FEES AND COSTS ARE FAIR AND REASONABLE**

2 PAGA Counsel seeks approval of attorneys' fees from the PAGA settlement in the amount of
3 \$37,500.00 representing 1/3 (one-third) of the GSA and costs not to exceed \$20,000.00. Settlement
4 Agreement, ¶ 3.2.2. Plaintiffs are entitled to attorneys' fees under Labor Code section 2699(g)(1),
5 which provides that "[a]ny employee who prevails in any action shall be entitled to an award of
6 reasonable attorney's fees and costs." Lab. Code § 2699(g)(1); *see also Gouskos v. Aptos Village*
7 *Garage, Inc.*, 94 Cal.App.4th 754, 765 (2001)(holding that attorneys' fees to prevailing party are
8 mandatory when the statute uses the word "shall"). It is undisputed that Plaintiffs are the prevailing
9 party. *See Graciano v. Robinson Ford Sales, Inc.*, 144 Cal. App. 4th 140, 153 (2006)("[P]laintiffs may
10 be considered 'prevailing parties' for attorney's fee purposes if they succeed on any significant issue
11 in the litigation that achieves some of the benefit the parties sought in bringing suit.") (internal citation
12 omitted).

13 Accordingly, Plaintiffs are entitled to recover attorneys' fees and costs.

14 **A. Plaintiffs' Counsel's Requested Attorneys' Fees Are Reasonable under the Common**
15 **Fund Method**

16 The request for attorneys' fees as a percentage of the Gross Settlement Amount is supported
17 by the "common fund theory," where "one who expends attorneys' fees in winning a suit which creates
18 a fund from which others derive benefits, may require those passive beneficiaries to bear a fair share
19 of the litigation costs." *Serrano v. Priest*, 20 Cal.3d 25, 35 (1977).

20 The purpose of the common fund approach is to "spread litigation costs proportionally among
21 all the beneficiaries so that the active beneficiary does not bear the entire burden alone." *Vincent v.*
22 *Hughes Air West, Inc.*, 557 F.2d 759, 769 (9th Cir. 1977). Thus, the common fund doctrine has been
23 applied "consistently in California when an action brought by one party creates a fund in which other
24 persons are entitled to share." *City and County of San Francisco v. Sweet*, 12 Cal.4th 105, 110 (1995);
25 *see Quinn v. State of California*, 15 Cal.3d 162, 167 (1975)("[O]ne who expends attorneys' fees in
26 winning a suit which creates a fund from which others derive benefits may require those passive
27 beneficiaries to bear a fair share of the litigation costs.").

28 ///

1 A number of other courts have recognized the advantages of awarding fees as a percentage of
2 the common fund over the alternative lodestar approach, which usually involves wading through
3 voluminous and often indecipherable time records. *See, e.g., In re Activision Securities Litigation*, 723
4 F.Supp. 1373, 1375 (N.D. Cal. 1989). The percentage approach is preferable to the lodestar method
5 because: (1) it provides predictability to counsel; (2) encourages efficient resolution of the litigation
6 by providing an incentive for early, yet reasonable, settlement; and (3) reduces the demands on judicial
7 records. *Id.* at 1378-79; *see also Lealao v. Beneficial Cal., Inc.*, 82 Cal.App.4th 19, 28 (2000)
8 (discussing findings of task force commissioned by the Third Circuit, which “concluded that the
9 lodestar approach (1) increases the workload of an already overtaxed judicial system, (2) is
10 insufficiently objective and produces results that are far from homogenous, (3) creates a sense of
11 mathematical precision that is unwarranted in terms of the realities of the practice of law, (4) is subject
12 to manipulation by judges who prefer to calibrate fees in terms of percentages of the settlement fund
13 or the amounts recovered by the Claimants or of an overall dollar amount, (5) encourages lawyers to
14 expend excessive hours, and engage in duplicative and unjustified work, (6) creates a disservice for
15 the early settlement of cases, (7) deprives trial courts of flexibility to reward or deter lawyers so that
16 desirable objectives, such as early settlement, will be fostered, (8) works to the particular disadvantage
17 of the public interest bar, and (9) results in confusion and lack of predictability.”).

18 The percentage of attorneys’ fees set forth in the Settlement Agreement—1/3 (one-third) of the
19 Gross Settlement Amount—is reasonable. Historically, courts have awarded percentage fees in the
20 range of 20% to 50% in common fund cases. Newberg on Class Actions, 4th Ed. 2002, § 14: 6.
21 Newberg notes that achievement of a substantial recovery with modest hours expended should not be
22 penalized but should be rewarded for considerations of time saved by superior services performed. *Id.*
23 Furthermore, California and federal courts have long recognized that a percentage of recovery for
24 attorneys’ fees is properly awarded on the basis of the total value. *Boeing v. Van Gemert*, 444 U.S.
25 472, 480-481 (1980); *see also In re Consumer Privacy Cases*, 175 Cal.App.4th 545, 558 n.13
26 (2009)(“Empirical studies show that, regardless whether the percentage method or the lodestar method
27 is used, fee awards in class actions average around one-third of the recovery.”)

28 ///

1 The Court should also consider that Plaintiffs' counsel's efforts have resulted in substantial
2 benefits to the State of California and the Aggrieved Employees, in the form of a significant, non-
3 reversionary settlement fund established to compensate the State and the Aggrieved Employees and
4 to punish Defendants for the alleged PAGA violations. Without the efforts of Plaintiffs' counsel, the
5 claims alleged in the complaint would likely have gone without remedy. Yslas Decl., ¶ 34.

6 **B. A Lodestar Cross-Check with a Modest Multiplier Confirms the Reasonableness of**
7 **the Requested Fee**

8 A prevailing party in a PAGA action is entitled to recover his attorneys' fees and costs for his
9 claims. (Cal. Lab. Code § 2699(g) ["Any employee who prevails in any action shall be entitled to an
10 award of reasonable attorney's fees and costs."].) A fee award is justified where the legal action has
11 produced its benefits by way of a voluntary settlement. (*See, e.g., Maria P. v. Riles* (1987) 43 Cal.3d
12 1281, 1290-91; *Westside Community for Independent Living, Inc. v. Obledo* (1983) 33 Cal.3d 348,
13 352-53.).

14 Fee awards of roughly one-third of the settlement fund are routinely awarded in California
15 state and federal courts in class and representative PAGA actions. "[F]ee awards in class actions
16 average around one-third of the recovery." (*Chavez v. Netflix, Inc.* (2008) 162 Cal.App.4th 43, 66, fn.
17 11; *see also In re Pacific Enterprises Securities Litig.* (9th Cir. 1995) 47 F.3d 373, 379 [affirming 33%
18 fee award]; *Williams v. MGM-Pathe Communications Co.* (9th Cir. 1997) 129 F.3d 1026, 1027
19 [holding that class counsel's fee award should have been calculated as one-third of the gross settlement
20 fund]; *Chavez v. Saticoy Lemon Ass'n* (Cal. Super. Ct. Ventura Cty. Aug. 10, 2015) Case No. 56-2015-
21 00468600-CU-OE-VTA, 2015 WL 5561118 [approving attorneys' fees of one-third of settlement fund
22 in representative PAGA settlement]; *Clavel v. Lupe's Thousand Oaks Mexican Restaurant, Inc.* (Cal.
23 Super. Ct. Ventura Cty. Mar. 25, 2016) Case No. 56-2015-00467353-CU-OE-VTA, 2016 WL
24 1601221 [same].)

25 The fee award requested here, \$37,500.00, representing 1/3 (one-third) of the \$112,500.00
26 Gross Settlement Amount, is justified because Plaintiffs' counsel achieved a significant monetary
27 recovery for the aggrieved employees and the LWDA in an uncertain and risky case while bearing the
28 substantial burdens of representation on a contingency basis, and the fees requested are in line with

1 the market rates described above. While it is not necessary to substantiate the fee award with a lodestar
2 in this PAGA Action, it should be noted that PAGA Counsel have invested approximately 264.2 hours
3 in the litigation of this matter, resulting in a lodestar of \$207,870.00. Yslas Decl., ¶ 32; Bradley Decl.,
4 ¶¶ 26-34.

5 Moreover, PAGA Counsel's hourly rates are comparable to those charged by other
6 representative action counsel, and the total hours expended on this action were reasonable and in line
7 with comparable cases. *Id.* at ¶ 31. PAGA Counsel spent 264.2 hours in prosecuting this action, divided
8 among the attorneys working on this case according to skill level. *Id.* at ¶ 32; Bradley Decl., ¶¶ 26-34.
9 The hours expended by each attorney were not duplicative and reflect the extensive investigation and
10 analysis that was required to achieve this Settlement. *Id.*

11 Considered against the risks of continued litigation, and the importance of advocating for
12 employment rights and a speedy recovery, the relief provided under the Settlement represents a very
13 strong result for the Aggrieved Employees. PAGA Counsel's fee request is fair and reasonable and
14 should be approved.

15 **C. PAGA Counsel's Costs Are Reasonable**

16 PAGA Counsel is entitled to reimbursement of its litigation costs under PAGA. *See* Lab. Code
17 § 2699(k)(1) ("Any employee who prevails in any action shall be entitled to an award of reasonable
18 attorney's fees and costs."). The Settlement provides for reimbursement of costs not to exceed
19 \$20,000.00. Settlement Agreement, ¶ 3.2.2. To date, PAGA Counsel has incurred actual costs in the
20 amount of \$21,086.74. Yslas Decl., ¶ 35, Ex. 2; Bradley Decl., ¶ 36, Ex. 1. These costs were reasonably
21 incurred in prosecuting this Action on behalf of the Aggrieved Employees and should be approved by
22 the Court. *Id.* Accordingly, PAGA Counsel respectfully requests the Court approve costs in the amount
23 of \$20,000.00.

24 **VI. THE REQUESTED PAGA REPRESENTATIVE SERVICE PAYMENTS TO**
25 **PLAINTIFFS ARE REASONABLE**

26 Both the State of California and the Aggrieved Employees are beneficiaries of a settlement
27 that would not have been made possible but for the effort and commitment of Plaintiffs. The
28 Settlement provides that Plaintiffs shall be paid a PAGA Representative Service Payments not to

1 exceed \$5,000.00 each, in recognition of their effort in bringing and presenting the Action. Settlement
2 Agreement ¶ 3.2.1. The requested payment is intended to recognize Plaintiff's effort in bringing the
3 Action, serving as private attorney general under PAGA, assisting counsel with the investigation,
4 litigation, and settlement, regularly conferring with counsel on the status of the case, and reviewing
5 the proposed settlement to ensure that its terms are fair and achieve PAGA's objectives.

6 Plaintiffs have provided a declaration detailing the risks they faced in bringing the suit, the
7 notoriety and personal difficulties they encountered, the amount of time and effort they spent on this
8 litigation, the duration of this litigation, and the personal benefit they will receive as a result of the
9 litigation. *See generally* Declaration of Plaintiff Ivan S. Martinez II in Support of Motion for Approval
10 of PAGA Settlement ("Martinez Decl."); Declaration of Plaintiff Jesus Mosqueda in Support of
11 Motion for Approval of Private Attorneys General Act (PAGA) Settlement ("Mosqueda Decl.").

12 Accordingly, Plaintiffs respectfully request that the Court approve the PAGA Representative
13 Service Payments in the amount of \$5,000.00 each (\$10,000.00 total).

14 **VII. CONCLUSION**

15 Based on the foregoing, Plaintiffs respectfully request this Court approve the PAGA settlement
16 as set forth in the Settlement Agreement and enter the proposed order and judgment submitted
17 herewith.
