Attorneys for Plaintiff, on a representative basis and on behalf of all others similarly situated

SUPERIOR COURT OF THE STATE OF CALIFORNIA
FOR THE COUNTY OF SAN BERNARDINO

JUAN CARLOS BAUTISTA and JAIME
CERVANTES, individually, on a
representative basis, and on behalf of all
others similarly situated;

Plaintiff,

vs.

SERVICEFIRST RESTORATION, INC.,
a California Corporation; and DOES 1
through 20, inclusive;

Defendants.

Case No.: CIVSB2302978

*[Assigned to Hon. Joseph Ortiz, Dept S17, for
all purposes]*

**PLAINTIFFS' UNOPPOSED MOTION
FOR PRELIMINARY APPROVAL OF
CLASS ACTION AND PAGA
SETTLEMENT; DECLARATIONS IN
SUPPORT THEREOF; PROPOSED
ORDER**

Hearing

Date: August 5, 2024

Time: 8:30 a.m.

Dept.: S17

Complaint filed: May 12, 2023

1 TO ALL PARTIES AND THEIR ATTORNEYS OF RECORD:

2 PLEASE TAKE NOTICE that on August 5, 2024, 8:30 a.m., or as soon thereafter as the
3 matter may be heard by the Honorable Joseph Ortiz in Department S17 of the San Bernardino
4 County Superior Court, located at 247 West Third Street, San Bernardino, CA 92415, Plaintiffs
5 Juan Carlos Bautista and Jaime Cervantes, individually and on behalf of all others similarly
6 situated, will and hereby do move the Court for entry of an Order preliminarily approving the
7 Parties' Class Action and Private Attorneys General Act ("PAGA") settlement, including:

- 8 1. Certifying the class for purposes of settlement only;
- 9 2. Preliminarily appointing Plaintiffs as class representatives for settlement
10 purposes;
- 11 3. Appointing Plaintiffs' counsel as class counsel for purposes of settlement only;
- 12 4. Preliminarily approving the class action and PAGA settlement as fair, adequate,
13 and reasonable, based upon the terms set forth in the Settlement Agreement;
- 14 5. Directing distribution of the Class Notice, including notice of the opportunity to
15 exclude oneself from, or object to, the settlement;
- 16 6. Setting a date for a final fairness hearing to determine, following dissemination of
17 the Class Notice, whether to grant final approval of the Settlement.

18 This motion is based upon this Memorandum of Points and Authorities in Support
19 thereof; the Declaration of Plaintiffs' counsel (Brian Mankin and Peter Carlson); the
20 Declarations of each Plaintiff; the Class Action and PAGA Settlement Agreement and Release of
21 Claims (the "Settlement Agreement"); the proposed Order granting Preliminary Approval of the
22 Settlement; all other records, pleadings, and papers filed in this action; and upon such other
23 evidence or argument as may be presented to the Court at the hearing of this motion.

24 Dated: July 10, 2024

1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **I. INTRODUCTION**

3 Plaintiffs Juan Carlos Bautista and Jaime Cervantes seek preliminary approval of a
4 \$500,000 class action settlement on behalf of approximately 110 Class Members¹ that worked
5 for Defendant ServiceFirst Restoration, Inc. (“ServiceFirst” or “Defendant”) in California at any
6 time from May 12, 2019, through January 31, 2024 (the “Class Period”).

7 Under the terms of the Settlement Agreement, Defendant will not oppose Plaintiffs’
8 Counsel’s application for a reasonable award of attorneys’ fees not to exceed \$166,666.67 (1/3 of
9 the Settlement Amount), litigation expenses not to exceed \$20,000, Settlement Administrator
10 Costs of \$8,000, PAGA penalties of \$30,000 (with 75% to the LWDA and 25% to the Aggrieved
11 Employees on a pro rata basis), and a Service Payment of \$10,000 to each Plaintiff (the “Class
12 Representatives”). (S.A. ¶ 52, *et seq.*)

13 After all Court-approved deductions from the Settlement Amount, it is estimated that
14 \$255,333.33 will be available to pay the Class Members, as follows:

15

<i>Settlement Amount</i>	\$ 500,000.00
Attorneys’ Fees (1/3)	\$ 166,666.67
Litigation Costs (not to exceed)	\$ 20,000.00
Administrator Costs	\$ 8,000.00
PAGA Penalties	\$ 30,000.00
Class Representatives Service Awards	\$ 20,000.00
<i>Net Settlement Amount</i>	\$ 255,333.33

16
17
18
19

20 The Settlement allocates payment to Class Members as follows: (1) 75% of the Net
21 Settlement Amount shall be allocated to the Independent Contractors, who sustained additional
22 damages over the Hourly Employees and thus will each receive a \$5,000 payment plus a pro-rata
23 share of the remaining amount based on Weeks Worked during the Class Period, and (2) 25% of
24

25 ¹ The “Settlement Agreement” or “S.A.” (attached as Exhibit 1 to the Mankin Decl.), defines the
26 following relevant terms: (1) “Class Members” include “all Independent Contractors and Hourly
27 Employees” [S.A. ¶ 4]; (2) “Hourly Employees” is defined as “all nonexempt employees
28 employed by Defendant in California during the Class Period” [S.A. ¶ 16]; (3) “Independent
Contractors” means “the sixteen (16) individuals that performed contracting field/service work
for Defendant in California and who Defendant classified as independent contractors during the
Class Period” [S.A. ¶ 17; for privacy, the 16 names will be sent solely to the Administrator].

1 the Net Settlement Amount shall be allocated to the Hourly Employees, distributed on a pro-rata
2 basis according to Weeks Worked during the Class Period. (S.A. ¶ 52(c)). In addition,
3 approximately 50 Aggrieved Employees will receive a share of the \$7,500 PAGA Penalties (25%
4 of the \$30,000 allocation), calculated pro-rata based on Weeks Worked during the PAGA Period.
5 (S.A. ¶ 52(h)).

6 Because the settlement is fair, reasonable, and negotiated at arm's length by experienced
7 counsel and an experienced mediator following a sufficient exchange of information and
8 documents prior to mediation, it should be preliminarily approved. Plaintiffs respectfully request
9 that the Court enter an order preliminarily approving the settlement, conditionally certifying the
10 Class under Code of Civil Procedure § 382 for settlement purposes, approving the proposed
11 Class Notice, appointing Plaintiffs' counsel as class counsel, appointing Phoenix Settlement
12 Administrators as the Administrator, and scheduling a hearing for final approval.

13 **II. BACKGROUND**

14 **A. THE CLASS**

15 The Class is defined as follows:

16 All Independent Contractors and Hourly Employees during the Class
17 Period (May 12, 2019, through January 31, 2024). (S.A. ¶¶ 4, 8).

18 **B. PROCEDURAL HISTORY**

19 Plaintiff Bautista submitted a letter to the Labor and Workforce Development Agency
20 ("LWDA") for civil penalties under the Private Attorneys General Act of 2004 ("PAGA"), and
21 simultaneously sent a letter to Defendant requesting the production of personnel and timekeeping
22 records to further evaluate his wage and hour claims. On May 12, 2023, Plaintiff Bautista filed
23 this action, alleging Defendant violated various sections of the Labor Code. On June 27, 2023,
24 Defendant filed its Answer to the complaint. (Mankin Decl. ¶ 13).

25 Thereafter, Plaintiff Cervantes retained Class Counsel and sought to be added to
26 this Action. In that regard, on June 1, 2023, Plaintiffs submitted an Amended LWDA Notice to
27 the LWDA and by certified mail to Defendant, setting forth the specific provisions of the Labor
28 Code alleged to have been violated, including the facts and theories to support the violations. On
October 6, 2023, Plaintiffs filed the operative First Amended Complaint which added Plaintiff

1 Cervantes as a class representative and causes of action under PAGA. (Mankin Decl. ¶ 14).

2 Defendant retained counsel and immediately began to defend the case. However, after
3 early discussions among counsel, the Parties agreed to attend private mediation prior to
4 discovery and motion practice. (Mankin Decl. ¶ 15).

5 In preparation for mediation, the Parties informally exchanged documents and
6 information that allowed both sides to calculate the potential damages and evaluate potential risk,
7 including policies and procedures pertaining to the claims, statistics relating to the number of
8 current and former employees, number of shifts, pay periods worked and other things, and a
9 sampling of payroll and timekeeping records for Class Members. This information enabled both
10 parties to take a deep dive into the claims. Additionally, during this process, Plaintiffs and their
11 counsel analyzed, researched, and investigated the potential issues, including matters related to
12 the calculation of damages, trial, and appellate issues and risks. (Mankin Decl. ¶ 16).

13 On December 13, 2023, Plaintiffs and Defendant participated in mediation with Glenn
14 Lerman, Esq. a well-respected employment mediator. At the conclusion of mediation and
15 extensive arms-length negotiations, the Parties reached a global settlement, which is reflected in
16 the Settlement Agreement and for which the Parties now seek the Court's preliminary approval.
17 (Mankin Decl. ¶ 17).

18 **C. BRIEF OVERVIEW OF CLAIMS AND DEFENSES**

19 Plaintiffs alleged numerous wage and hour violations on behalf of the Class Members.
20 However, Defendant vigorously contested and denied Plaintiffs' material allegations on the
21 merits and as to the propriety of a class action or PAGA representative action. Still, Plaintiffs
22 believed there were several strong claims. (Mankin Decl. ¶ 18).

23 For instance, Plaintiffs alleged that they and the Class Members were, at all times, denied
24 compliant meal and rest breaks. However, Defendant argued that it provided and made all
25 mandated breaks available to the Class, and any employee who did not take a break did so of
26 their own volition. Thus, Defendant argued these claims were without merit because, for each
27 violation, a fact-finder would have to determine why a break was noncompliant, because if it was
28 by the employee's choice, no liability attaches to Defendant. (Mankin Decl. ¶ 19).

1 Plaintiffs also alleged that Defendant required the Class Members – primarily the
2 Independent Contractors – to incur substantial costs and expenses to perform their tasks, without
3 any reimbursement. But Defendant denied that this occurred and claimed that it reimbursed the
4 Class Members for all reasonable and necessary expenses incurred. (Mankin Decl. ¶ 20).

5 Plaintiffs further alleged that Defendant failed to pay proper wages due to the failure to
6 accurately record and compensate for all hours worked. As a result, Plaintiffs argued these
7 violations resulted in unpaid minimum and overtime wages, as well as waiting time penalties and
8 other derivative penalties. However, Defendant opposed each of these unpaid wage claims on
9 the merits and as to the propriety of class certification. (Mankin Decl. ¶ 21).

10 Finally, Plaintiffs alleged a variety of other claims (all of which Defendant disputed),
11 such as willful misclassification of the Independent Contractors (Labor Code § 226.8), the failure
12 to timely pay wages each period (under Labor Code § 204), failure to timely pay all wages upon
13 separation of employment (Labor Code §§ 201 – 203), and failure to provide accurate itemized
14 wage statements (Labor Code § 226). (Mankin Decl. ¶ 22).

15 Despite the disputed nature of the claims, the Parties concluded that further litigation of
16 the Action would be protracted and expensive, and that it is desirable that the Action be fully and
17 finally settled to limit further risk, expense, and protracted litigation. (Mankin Decl. ¶ 23).

18 **III. SUMMARY OF THE PROPOSED SETTLEMENT**

19 The following is a summary of the principal terms of the Settlement Agreement.

20 **A. SETTLEMENT CONSIDERATION AND ALLOCATION**

21 The \$500,000 Settlement Amount is non-reversionary and will be paid out to Class
22 Members without the need to submit a claim form or take any affirmative action. It includes (1)
23 Plaintiffs’ attorneys’ fees and costs, as approved by the Court; (2) a service award of \$10,000 to
24 each Plaintiff, subject to approval by the Court; (3) Administration Costs, not to exceed \$8,000;
25 (4) a \$30,000 PAGA award, 75% of which is to be paid to the LWDA pursuant to California
26 Labor Code § 2699(i) and 25% to the Aggrieved Employees; and (5) the aggregate of all
27 Individual Settlement Amounts of the Participating Class Members. (S.A. ¶ 52). Defendant will
28 separately pay its share of employer payroll taxes and withholdings. (S.A. ¶ 52(a)).

1 **B. NOTICE PROCEDURES**

2 The proposed Notice will be provided to the Class showing the estimated amounts that
3 each Class Member will receive, the number of Work Weeks credited as a Class Member and (if
4 applicable) as an Aggrieved Employee (*See* Exhibit 2 to Mankin Decl.). Within 14 calendar
5 days after entry by the Court of its Order of Preliminary Approval, Defendant shall provide the
6 Administrator with the “Class Data” consisting of Class Member names, addresses, Social
7 Security Numbers, and Weeks Worked during the Class/PAGA Period(s). (S.A. ¶¶ 7, 66).

8 Within 10 calendar days of receipt of the Class Data, the Administrator shall calculate the
9 numbers for each Class Member, populate the Notice, and send each Class Member the Notice
10 via first-class, United States mail. (S.A. ¶ 67).

11 If a Notice is returned as undelivered by the U.S. Postal Service, the Administrator shall
12 perform a skip trace search and seek an address correction for the Class Member(s), and a second
13 Notice will be sent to any new or different address obtained. (S.A. ¶ 68).

14 **C. EXCLUSION AND OBJECTION PROCEDURES**

15 Class Members who do not timely Opt-Out of the Settlement will be deemed to
16 participate in the Settlement and shall become a Participating Class Member without having to
17 submit a claim form or take any other action. To Opt-Out of the Settlement, the Class Member
18 must complete and submit a Request for Exclusion to the Administrator no later than 30 days
19 after being mailed by the Administrator (“Response Deadline”). (S.A. ¶¶ 35, 72(a)). Any Opt-
20 Out request not postmarked by the Response Deadline will be invalid, unless a Notice was
21 remailed in which case the Class Member’s exclusion or objection must be returned by the later
22 of the original Notice Response Deadline or 15 calendar days after remailing. (S.A. ¶¶ 68).

23 The Class Notice shall inform Class Members of their right to object to the Settlement.
24 Any Participating Class Member who wishes to object to the Settlement must submit the
25 Objection form to the Administrator no later than the Response Deadline. (S.A. ¶ 72(c)).

26 **D. SETTLEMENT ALLOCATION FORMULA FOR SETTLEMENT SHARES**

27 The amount of each Class Member’s Individual Class Payment is based upon the
28 allocation described in ¶ 52(c) of the Settlement Agreement:

- 75% of the Net Settlement Amount shall be allocated and paid to the Independent Contractors, who will each receive a payment of \$5,000 plus a pro-rata share of the remaining amount based on Weeks Worked during the Class Period, and
- 25% of the Net Settlement Amount shall be allocated and paid to the Hourly Employees, and these amounts shall be paid on a pro-rata basis according to Weeks Worked during the Class Period.

This allocation was negotiated and agreed upon by the Parties because the Independent Contractors were subjected to several unique claims with higher valuation (*i.e.*, independent contractor misclassification, alleged substantial unreimbursed expenses, among others). (Mankin Decl. ¶ 10).

Additionally, each “Aggrieved Employee” will receive an Individual PAGA Payment, calculated by dividing and distributing the \$7,500 on a pro-rata Work Week basis. (S.A. ¶ 52(h)).

The Class Notice will inform Class Members of their Weeks Worked during the relevant periods, whether the individual is an Independent Contractor or Hourly Employee and estimated Individual Class and PAGA Payments. Class Members may dispute their Weeks Worked or Pay Periods by timely submitting evidence to the Settlement Administrator. (S.A. ¶ 68).

E. TIMING OF SETTLEMENT DISBURSEMENTS

Pursuant to the terms of the Settlement Agreement, Defendant is required to fund the Settlement Amount, plus Defendant’s share of payroll taxes owed on the Individual Class Payments, by the later of December 1, 2024, or 15 days after the Effective Date. (S.A. ¶ 73). Within 10 days after receiving the funds, the Administrator shall issue payments to cover all court-approved payments. (S.A. ¶ 74).

Class Members will have 180 days to cash the settlement check. (S.A. ¶ 75). If a Class Member fails to cash a check by the deadline, the Administrator shall issue unclaimed funds to the California State Controller in the name of the Class Member/Aggrieved Employee. (*Id.*).

F. TAX TREATMENT

The Parties agree that the tax treatment for Individual Class Payments are as follows (see ¶ 52(d) of the S.A.):

1 • Independent Contractors: Because the Independent Contractors performed
2 contract services for Defendant as independent contractors, rather than as employees, and
3 because Defendant fully disputes the allegations alleged herein, the Parties agree that the
4 settlement funds paid to Independent Contractors will be allocated and paid as contract
5 compensation, interest, and penalties from which no state or federal taxes will be withheld or
6 deducted, and

7 • As to Hourly Employees: twenty percent (20%) of the Individual Class Payments
8 will be allocated as wages subject to withholding of all applicable local, state and federal taxes
9 and the remaining eighty percent (80%) will be allocated for interest and penalties (pursuant to,
10 *e.g.*, California Labor Code §§ 203, 210, 226, 2699 etc.) from which no taxes will be withheld.

11 The Individual PAGA Payments will be classified entirely as civil penalties and shall be
12 reported as required on an IRS Form 1099. (S.A. ¶ 52(h)).

13 **G. PARTICIPATING CLASS MEMBERS' RELEASE OF CLAIMS**

14 In exchange for these payments, the Settlement Agreement at ¶ 30 defines the “Released
15 Class Claims” as follows:

16 all claims stated in the Complaint and those that could reasonably have
17 been alleged based upon the facts in the Complaint, including: (1)
18 failure to pay minimum wages, (2) failure to pay overtime wages, (3)
19 failure to pay for rest periods and nonproductive time, (4) failure to
20 provide meal periods, (5) failure to provide rest breaks, (6) failure to
21 reimburse business expenses, (7) failure to timely pay final wages, (8)
22 failure to provide accurate itemized wage statements, and (9) unfair and
23 unlawful competition.

24 It is understood and agreed that the Settlement Agreement will not release any person, party
25 or entity from claims, if any, by Class Members for any other claims, including claims for vested
26 benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment
27 insurance, disability, social security, workers' compensation, or claims based on facts occurring
28 outside the Class Period.

///

///

///

1 **H. AGGRIEVED EMPLOYEES’ RELEASE OF CLAIMS**

2 The Settlement Agreement at ¶ 31 defines the “Released PAGA Claims” as follows:

3 all PAGA claims seeking civil penalties premised upon: (1)
4 misclassification, (2) failure to pay minimum wages, (3) failure to pay
5 overtime wages, (4) failure to pay for rest and recovery periods and
6 nonproductive time under Labor Code § 226.2, (5) failure to provide
7 meal periods, (6) failure to provide rest breaks, (7) failure to reimburse
8 business expenses, (8) failure to timely pay wages each period, (9)
9 failure to timely pay wages upon separation of employment, (10) failure
 to provide accurate itemized wage statements, and (11) all other claims
 for civil penalties recoverable under the Private Attorneys General Act,
 Labor Code §§ 2698 et seq. based on the facts or claims alleged in the
 LWDA notice letters and Complaint.

10 Moreover, even if an Aggrieved Employee requests exclusion from the Class settlement,
11 that individual will still be subject to the Released PAGA Claims and will receive a pro-rata share
12 of PAGA Penalties. (S.A. ¶ 57).

13 **IV. PROVISIONAL CERTIFICATION OF THE CLASS IS APPROPRIATE FOR**
14 **PURPOSES OF SETTLEMENT**

15 California Rule of Court 3.769(d) provides that the Court may make an order approving
16 certification of a provisional settlement class at the preliminary approval stage. It is well-
17 established that trial courts should use a “lesser standard of scrutiny” for determining the
18 propriety of certifying a settlement class, as opposed to a litigation class. *Dunk v. Ford Motor*
19 *Co.* (1996) 48 Cal.App.4th 1794, 1807 at n.19; *Officers for Justice v. Civil Service Com.* (9th Cir.
20 1982) 688 F.2d 615, 633 (“[C]ertification issues raised by class action litigation that is resolved
21 short of a decision on the merits must be viewed in a different light.”); *Amchem Prods., Inc. v.*
22 *Windsor* (1997) 521 U.S. 591, 620 (“Confronted with a request for settlement-only class
23 certification, a district court need not inquire whether the case, if tried, would present intractable
24 management problems . . . for the proposal is that there be no trial.”). As discussed below, for the
25 purposes of this settlement only, Plaintiffs requests that this Court provisionally certify the Class,
26 as defined above, under Code of Civil Procedure § 382.

27 ///

28 ///

1 **A. ASCERTAINABILITY AND NUMEROSITY**

2 In determining whether a class is ascertainable, the court considers “(1) the class
3 definition, (2) the size of the class, and (3) the means available for identifying the class
4 members.” *Reyes v. San Diego County Board of Supervisors* (1987) 196 Cal.App.3d 1263,
5 1271; *Medrazo v. Honda of N. Hollywood* (2008) 166 Cal.App.4th 89, 101 (proposed settlement
6 class is ascertainable if the class members can be objectively identified and given notice of the
7 litigation without unreasonable time or expense). Here, according to Defendant’s records, there
8 are approximately 110 Class Members that are easily identifiable and fall within the defined
9 Class. Thus, Plaintiffs’ proposed Class meets the ascertainability and numerosity requirements.

10 **B. WELL-DEFINED COMMUNITY OF INTEREST**

11 1. Commonality

12 To justify certification, the class proponent must show that questions of law or fact
13 common to the class predominate over the questions affecting the individual members. *Arenas v.*
14 *El Torito Rests., Inc.* (2010) 183 Cal.App.4th 723, 732. Here, Plaintiffs contend that the Class
15 was subjected to common policies and practices relating to payment of wages, meal/rest breaks,
16 and so on. While the Parties dispute whether a class would be appropriate if the litigation were to
17 continue, they agree to class certification for the purposes of this settlement only.

18 2. Typicality

19 Typicality “focuses on whether there exists a relationship between the Plaintiff’s claims
20 and the claims alleged on behalf of the class.” *See* Herbert B. Newberg & Alba Conte, *Newberg*
21 *on Class Actions* (“*Newberg*”) § 3:13 (4th ed. 2002). Here, typicality is satisfied because
22 Plaintiffs worked for Defendant during the Class Period and allege that they experienced the
23 same wage and hour violations as the rest of the Class, based on Defendant’s uniform policies.
24 Thus, although Defendant disputes whether Plaintiffs’ claims are typical of the Class for the
25 purposes of any continued litigation of the Action, they agree that, for the purposes of this
26 settlement only, Plaintiffs assert claims regarding Defendant’s pay policies, meal and rest break
27 practices, wage statements, and the provisions governing the timely and complete payment of
28 wages, which are at the core of the lawsuit.

1 3. Adequacy of Representation

2 The proposed class representative must establish that he or she will adequately represent
3 the proposed class. *Barboza v. West Coast Digital GSM, Inc.* (2009) 179 Cal.App.4th 540, 546.
4 Specifically, Plaintiffs are adequate to represent the class because they understood their duties as
5 the Class Representatives, have been willing to undergo the risks of litigation, and have no
6 conflict of interest. (Bautista Decl. ¶¶ 2-5; Cervantes Decl. ¶¶ 2-5).

7 Adequacy may be established by the fact that counsel are experienced practitioners. *See*
8 *Local Joint Exec. Bd. v. Las Vegas Sands, Inc.* (9th Cir. 2001) 244 F.3d 1152, 1162. Here,
9 Plaintiffs are represented by Class Counsel with extensive experience in wage and hour class
10 actions like this matter. (Mankin Decl. ¶¶ 2-6; Carlson Decl. ¶¶ 3-9).

11 4. Superiority

12 Certification of the Class for settlement purposes is superior here because there will be a
13 global resolution of all claims at once, which fosters judicial economy. Class certification for
14 settlement purposes is also vastly superior to litigation of numerous individual claims because
15 most of the claims are too small to litigate outside of the class context.

16 **V. THE COURT SHOULD PRELIMINARILY APPROVE THE SETTLEMENT,**
17 **WHICH IS FAIR, ADEQUATE, AND REASONABLE**

18 **A. CLASS ACTION SETTLEMENTS ARE SUBJECT TO JUDICIAL REVIEW AND**
19 **APPROVAL UNDER THE CALIFORNIA RULES OF COURT**

20 The law favors settlements. *Bush v. Superior Court* (1992) 10 Cal.App.4th 1374. This is
21 particularly true in class actions where substantial resources can be conserved by avoiding the
22 time, cost, and rigors of formal litigation. However, a class action may not be dismissed,
23 compromised, or settled without the Court's approval. Cal. R. Ct. 3.769(a). The California Rules
24 of Court set forth the procedures for court approval of a class action settlement: (1) the Court
25 preliminarily approves the settlement; (2) class members receive notice as directed by the Court;
26 and (3) the Court conducts a final approval hearing to inquire into the fairness of the proposed
27 settlement. *See* Cal. R. Ct. 3.769(c), (e-g).

1 The decision to approve or reject a proposed settlement lies within the Court's sound
2 discretion. *Wershba v. Apple Computer, Inc.* (2001) 91 Cal.App.4th 224, 234-35. And the
3 Court's ultimate duty is to determine whether the settlement is fair, adequate, and reasonable.
4 *Dunk*, 48 Cal.App.4th at 1801 (setting forth the "fair, adequate, and reasonable" standard).

5 Thus, at the preliminary approval stage, the Court need only determine that the settlement
6 falls within the "range of possible judicial approval," so that notice to the class and the
7 scheduling of the fairness hearing are worthwhile. *See Newberg* § 11:25. Indeed, the Court
8 should grant preliminary approval if there are no "grounds to doubt its fairness or other obvious
9 deficiencies . . . and [the settlement] appears to fall within the range of possible approval."
10 *Manual For Complex Litigation* (Third) § 30.41 (1995); see *Dunk*, 48 Cal.App.4th at 1802. A
11 "presumption of fairness exists where: (1) the settlement is reached through arm's-length
12 bargaining; (2) investigation and discovery are sufficient to allow counsel and the court to act
13 intelligently; (3) counsel is experienced in similar litigation; and (4) the percentage of objectors
14 is small." *Dunk, supra* (citing *Newberg* § 11:41). As shown below, the settlement falls well
15 within the range of approval because there are no grounds to doubt its fairness.

16 **B. THE SETTLEMENT IS THE RESULT OF SERIOUS, INFORMED, NON-COLLUSIVE**
17 **NEGOTIATIONS**

18 The settlement was the product of extensive arm's length negotiations between counsel
19 and was facilitated by an experienced wage-and-hour class action mediator. Though cordial and
20 professional, the settlement negotiations were adversarial and non-collusive in nature. The
21 settlement reached is the product of substantial effort by the parties and their counsel. Although
22 Plaintiffs and their counsel believed that there was a possibility of certifying the claims, they
23 recognized the potential risk, expense, and complexity posed by litigation, such as unfavorable
24 decisions on class certification, summary judgment, at trial and/or on the damages awarded,
25 and/or on an appeal that can take several more years to litigate. In addition, if Defendant
26 prevailed on any of the defenses, the Class may not have received any monetary recovery.
27
28

1 **C. THE EXTENT OF THE INVESTIGATION WAS MORE THAN SUFFICIENT TO PERMIT**
2 **PRELIMINARY APPROVAL OF THE SETTLEMENT**

3 Plaintiffs thoroughly investigated and evaluated the factual and legal strengths and
4 weaknesses of this case before reaching the settlement. As described above, the settlement was
5 reached after extensive investigation and research, thorough calculations and risk evaluation, and
6 a substantial exchange of information prior to mediation. *See Munoz v. BCI Coca-Cola Bottling*
7 *Co.* (2010) 186 Cal.App.4th 399, 410 (approving settlement where “considerable information
8 [exists] from which to assess the strength of the class claims” and litigation risks).

9 **D. THE SETTLEMENT IS A REASONABLE COMPROMISE OF CLAIMS**

10 To evaluate a settlement, the parties must provide the trial court with “basic information
11 about the nature and magnitude of the claims in question and the basis for concluding that the
12 consideration being paid for the release of those claims represents a reasonable compromise.”
13 *Kullar v. Foot Locker Retail, Inc.* (2008) 168 Cal.App.4th 116, 133.

14 However, *Kullar* does not require review of the outer reaches of possible exposure
15 without considering actual risks of certification, decertification, dispositive motions, and trial,
16 rather only a record which allows “an understanding of the amount that is in controversy and the
17 realistic range of outcomes of the litigation.” *Munoz*, 186 Cal.App.4th at 408-9. Thus, a
18 settlement is not judged against what might have been recovered had a plaintiff prevailed at trial,
19 nor does the settlement have to provide 100% of the damages sought to be fair and reasonable.
20 *Wershba*, 91 Cal.App.4th at 250 (“Compromise is inherent and necessary in [settlement] ... even
21 if the relief afforded by the proposed settlement is substantially narrower than it would be if the
22 suits were to be successfully litigated, this is no bar to a class settlement because the public
23 interest may indeed be served by a voluntary settlement in which each side gives ground in the
24 interest of avoiding litigation.”)

25 Here, Defendant raised significant legal and factual defenses that weigh in favor of the
26 reasonableness of the proposed Settlement. In addition to disputing the merits of Plaintiffs’
27 claims, Defendant strongly disputed that Plaintiffs could obtain class certification, arguing a lack
28 of commonality of the legal claims and injuries. Defendant further argued that it complied with

1 the applicable law and that any purported deviations therefrom were individualized in nature,
2 thereby limiting Plaintiffs' ability to certify the class. While Plaintiffs assert that this is a suitable
3 case for certification, they realize that there is always a significant risk associated with class
4 certification proceedings, which could limit the claims they could pursue on a class basis.

5 Considering the uncertainties of protracted litigation, this negotiated settlement reflects
6 the best practicable recovery for the Class. While the total Settlement Amount is, of course, a
7 compromise figure, the potential risks and opportunities of both parties were effectively weighed
8 and considered by the parties, resulting in a fair and equitable settlement.

9 Based upon data obtained through formal and informal discovery, Plaintiffs' counsel
10 estimated the following through mediation: (1) 97 Class Members, (2) 70 *former* Class Members
11 for purposes of Labor Code § 203, (3) 9,520 workweeks, (4) 42,840 shifts worked, and (4)
12 approximately 2,200 wage statements during the PAGA Period. (Mankin Decl. ¶ 25).

13 From these numbers, and by applying violations rates derived from analysis of extensive
14 documents and data from Defendant, Plaintiffs calculated that, assuming all claims were entirely
15 successful at trial, the maximum class damages and penalties would be approximately \$3.5
16 million. (Mankin Decl. ¶ 31). Then, by applying risks at class certification and on the merits,
17 and when considering other factors (such as evidentiary burdens of proof), Plaintiffs calculated
18 the risk-adjusted award at trial for the class claims to be approximately \$1.4 million. (*Id.*). The
19 full analysis of the maximum and risk-adjusted values is contained in the Mankin Decl. at ¶¶ 25-
20 31 (and, for the sake of brevity, that information is not duplicated in this Motion).

21 And while the PAGA penalties had a potential maximum value in the seven figures, this
22 also fails to incorporate the risks above and, further, fails to acknowledge that courts have wide
23 latitude to reduce the civil penalties "based on the facts and circumstances of a particular case"
24 and if "to do otherwise would result in an award that is unjust, arbitrary and oppressive, or
25 confiscatory." Labor Code § 2699(e)(2). Moreover, Defendant argued against the merits of the
26 underlying claims and particularly that the "willfulness" standard and/or "good faith" defenses
27 mitigated the civil penalty claims and rendered any such penalties as uncertain. Defendant also
28 argued it is improper to stack civil penalty claims on top of underlying statutory claims.

1 Thus, the reasonableness of the settlement is apparent from the fact that the Settlement is
2 a sizeable percentage of the risk-adjusted class damages and penalties. And, for that reason and
3 others discussed in this Motion, the Parties submit that this settlement is fair and reasonable.

4 **E. PLAINTIFFS' COUNSEL IS EXPERIENCED IN WAGE-AND-HOUR LITIGATION**

5 The view of attorneys conducting the litigation is entitled to significant weight deciding
6 whether to approve a settlement. *Ellis v. Naval Air Rework Facility* (N.D. Cal. 1980) 87 F.R.D.
7 15, 18; *Kullar*, 168 Cal.App.4th at 128 (court must consider “the experience and view of
8 counsel”). Here, Plaintiffs’ Counsel are highly experienced in Class/PAGA litigation, having
9 repeatedly been named “Super Lawyer” in employment litigation (a distinction awarded to only
10 5% of litigators), having achieved large settlements and verdicts, including one of the largest
11 PAGA awards in California’s history, collecting over \$250 million for its clients, having tried
12 class and PAGA cases against Fortune 100 companies, among other things. (Mankin Decl. ¶¶ 2-
13 6; Carlson Decl. ¶¶ 3-9). Plaintiffs’ counsel, operating at arm’s length, weighed the strengths and
14 risks of this case, and are of the view that this is a fair and reasonable settlement considering the
15 nature of the claims, realistic risk adjusted value, the complexities of the case, state of the law,
16 and uncertainties of class certification and litigation. (Decl.?)

17 **F. THE CLASS NOTICE CONFORMS TO ALL APPLICABLE STATUTES AND RULES**

18 The proposed Notice should be approved, as it fully informs the Class Members of the
19 nature of the lawsuit and each Class Member’s rights under the terms of the Settlement
20 Agreement and applicable law. The way the Class Notice shall be disseminated ensures that all
21 or nearly all of the Class Members shall be properly notified of the proposed settlement.

22 The proposed Notice and proposed plan for the Administrator to mail the Notice to the
23 last known address of all class members complies with all the requirements of Cal. Rule of Court
24 3.769(f) and 3.766(b). The proposed Notice includes: (1) the material terms of the settlement; (2)
25 the proposed attorneys’ fees, litigation expenses, and the costs of administration; (3) details
26 about the final fairness hearing and how class members may elect to exclude themselves or make
27 an objection; (4) how class members can obtain additional information; and (5) each Class
28 Members’ Individual Class and PAGA Payments. *See* Class Notice (Exhibit 2 to Mankin Decl.).

1 The Court has wide discretion in approving the means of providing notice, so long as the
2 class representative “provide(s) meaningful notice in a form that should have a reasonable
3 chance of reaching a substantial percentage of class members.” *Archibald v. Cinerama Hotels*,
4 (1976) 15 Cal.3d 853, 861. Here, the Notice will be disseminated directly to the Class Members
5 by first class mail by the Settlement Administrator, since Defendant has the last known addresses
6 of all class members and the Settlement Administrator will perform a skip trace and update those
7 addresses for any Notices that are returned and re-send the same.

8 The Notice satisfies the requirements of Rule of Court 3.766 and affords Class Members
9 with all due process protections required by the U.S. Constitution. Moreover, the contents of the
10 Notice complies with Cal. R. Ct. 3.766(d), because the Notice includes, without limitation (1) a
11 detailed explanation of the case, including the basic contentions or denials of the parties; (2) a
12 statement that the court will exclude the member from the class if the member so requests by a
13 specified date; (3) a procedure for the member to follow in requesting exclusion from the class;
14 (4) a statement that the judgment, whether favorable or not, will bind all members who do not
15 request exclusion; and (5) a statement that any member who does not request exclusion may, if
16 the member so desires, enter an appearance through counsel. The 30-day deadline to opt-out or
17 object is also reasonable, as it provides Class Members sufficient time to do so and, if they so
18 choose, to seek independent legal advice in the interim. If a Class Member does not opt-out, he
19 or she will automatically be sent a settlement check.

20 **G. THE NON-REVERSIONARY “CHECKS CASHED” DISTRIBUTION ENSURES**
21 **MAXIMAL RECOVERY FOR CLASS MEMBERS**

22 The fact that each member who does not opt out of the Settlement shall be mailed a check
23 ensures that every Class Member will be paid unless they affirmatively act to exclude themselves.
24 Moreover, the Settlement Amount is non-reversionary, which means that no settlement funds
25 will revert to Defendant; instead, if any checks are uncashed by the deadline, the funds will be
26 transferred to the State Controller’s Office subject to approval of the Court. Such terms are
27 favored by Courts and demonstrate that there was no collusion between counsel for the parties
28 and that the Settlement is fair and favorable to the Class Members.

1 **H. THE ATTORNEY’S FEES AND COSTS ALLOCATION IS FAIR**

2 Under the terms of the Settlement Agreement, Class Counsel is seeking reimbursement
3 of up to \$20,000 in litigation costs, along with attorneys’ fees equal to one-third of the
4 Settlement Amount. See, e.g., *Laffitte v. Robert Half Int’l Inc.* (2016) 1 Cal.5th. 480 (approving
5 1/3 fee in the amount of \$6.33 million at a 2.13 lodestar multiplier, and holding that when class
6 action litigation establishes a monetary fund for the benefit of the class members, the trial court
7 may determine the amount of a reasonable fee by choosing an appropriate percentage of the
8 fund created); *Stuart v. RadioShack Corp.* (N.D. Cal. Aug. 9, 2010) 2010 WL 3155645
9 (approving fee 1/3 from settlement amount of \$4.5 million since 1/3 was “well within the range
10 of percentages which courts have upheld as reasonable in other class action lawsuits”).

11 Once the Court grants preliminary approval and Notice is disseminated, Plaintiffs’
12 counsel will submit a comprehensive request for attorneys’ fees and costs with final approval.

13 **I. THE REQUESTED SERVICE AWARD IS FAIR AND APPROPRIATE**

14 The Settlement Agreement provides an incentive award payment of \$10,000 to each
15 Class Representative, which is reasonable given the large recovery Class Members will receive
16 on average, as well as the time and effort they devoted to this case. Their efforts included
17 providing factual background for the litigation; providing documents and information about
18 Defendant’s compensation plan; participating in phone calls to discuss litigation and settlement
19 strategy; making themselves available throughout the litigation to assist with analyzing the
20 claims and defenses; helping Class Counsel prepare for the mediation; and reviewing the
21 settlement documents. The Class Representative also assumed significant risk in bringing this
22 litigation—namely, had they lost, they could have been ordered to pay Defendant’s costs.

23 The requested service award falls within the range of incentive payments typically
24 awarded to Class Representatives in similar class actions. See, e.g., *Bond v. Ferguson*
25 *Enterprises, Inc.* (E.D. Cal. 2011) 2011 WL 2648879 (approving \$11,250 service awards in class
26 action); *Ross v. US Bank National Association* (N.D. Cal. 2010) 2010 WL 3833922, at *2
27 (approving \$20,000 enhancement award in California wage-and-hour class settlement); *Vasquez*
28 *v. Coast Valley Roofing, Inc.* (E.D. Cal. 2010) 266 F.R.D. 415, 493 (approving service awards of

\$15,000 from a \$300,000 settlement fund in a wage/hour class action); *West v. Circle K Stores, Inc.* (E.D. Cal. 2006) 2006 U.S. Dist. LEXIS 76558, at *28 (finding service awards “of \$ 15,000 each to be reasonable.”); *Glass v. UBS Fin. Servs.* (N.D. Cal. 2007) 2007 U.S. Dist. LEXIS 8476, at *52 (finding “requested payment of \$25,000 to each of the named Plaintiff is appropriate” in wage and hour settlement).

VI. THE COURT SHOULD APPOINT PHOENIX AS ADMINISTRATOR

Subject to the Court’s approval, the parties agreed to Phoenix Settlement Administrators serving as the Settlement Administrator. Phoenix is experienced in administering class action settlements and has provided a flat-fee proposal to administer this settlement for \$8,000. (Mankin Decl. ¶ 44; Exhibit 3 to Mankin Decl. [Phoenix’s bid])

VII. TIMELINE AND SCHEDULING A FINAL APPROVAL HEARING

The last step in the approval process is the formal hearing, whereby proponents of the Settlement may explain and describe its terms and conditions and offer argument in support of approval, and Class Members or their counsel may be heard in support of or in opposition to the settlement. Subject to the Court’s approval, the Parties propose that the Court schedule a hearing for final approval approximately 110 days after the Preliminary Approval Date, as follows:

August 5, 2024	Preliminary Approval (PA) hearing
August 29, 2024	<u>24 days after PA</u> : Deadline for Administrator to complete first mailing of the Notice to all Class Members.
September 28, 2024	<u>30 days after mailing Notice</u> : Deadline for Class Members to submit Requests for Exclusion and Objections to the settlement.
16 court days before Final Approval hearing	Deadline for Plaintiffs to file and serve Motion for Final Approval and application for award of fees, costs and service payments.
9 court days before Final Approval hearing	Deadline for filing of any written opposition to Plaintiffs’ Motion for Final Approval, or filing response to an objection.
5 court days before final approval hearing	Deadline for filing of any written reply to opposition Motion for Final Approval
TBD – November 25, 2024	<u>Approx. 120 days after PA</u> : Final Approval Hearing

1 **VIII. CONCLUSION**

2 For all of the foregoing reasons, Plaintiffs respectfully request that the Court grant the
3 motion for preliminary approval of the settlement.

PROOF OF SERVICE
(Pursuant to CCP §§ 1013(a)(1) and 2015.5)

STATE OF CALIFORNIA)
) ss.
COUNTY OF RIVERSIDE)

I am employed in the County of Riverside, State of California. I am over the age of 18 and not a party to the within action; my business address is 5198 Arlington Avenue, PMB 513, Riverside, CA 92504.

On July 10, 2024, I caused to be served the foregoing document(s) described as follows:

PLAINTIFFS' UNOPPOSED MOTION FOR PRELIMINARY APPROVAL OF CLASS ACTION AND PAGA SETTLEMENT; DECLARATIONS IN SUPPORT THEREOF; PROPOSED ORDER

I declare that I am "readily familiar" with the firm's practice of collection and processing correspondence for mailing. It is deposited with the U.S. postal service on that same day in the ordinary course of business. I am aware that on motion of party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for mailing in affidavit.

☐ **By Mail** I deposited such envelope in the mail at Riverside, California. The envelope was mailed with postage thereon fully prepaid.

☐ **By Facsimile** I sent this document via fax to all parties as listed on attached service list, on

☐ **By Overnight Service** I deposited such envelope in a facility regularly maintained by the United Parcel Service for receipt of items for overnight delivery, with overnight delivery expenses prepaid, addressed to the person to be served.

☒ **By Email or Electronic Transmission:** Pursuant to CCP § 1010.6 or an agreement of the parties to accept service by email or electronic transmission, I caused the document(s) to be sent from email address tracie@lmlfirm.com to the persons at the electronic notification address listed in the service list. I did not receive, within a reasonable time after the transmission, any electronic message or other indication that the transmission was not successful.

☐ **By Certified Mail-Return Receipt Requested** I caused such envelope with postage fully prepaid thereon, to be placed in the United States mail at Riverside, California

☐ **By Personal Service** I caused said document(s) to be personally served by hand on the parties listed on the attached service list.

☒ **State** I declare under penalty of perjury under the laws of the State of California that the above is true and correct. Executed on July 10, 2024, Riverside, California.

☐ **Federal** I declare that I am employed in the office of a member of the bar of this court at whose direction the service was made.

Tracie Chiarito, Declarant
