IN SUPPORT OF MOTION FOR FINAL

ATTORNEYS' FEES, COSTS AND SERVICE
AWARD**

Hearing Date: August 12, 2025

Hearing Time: 8:30 a.m.

[Hearing scheduled by Order April 3, 2025]

Judge: Hon. Benjamin F. Coats

Dept.: 43

Action Filed: July 28, 2023

Trial Date: Not set

1 I, NORMAN B. BLUMENTHAL, declare as follows:

2 1. I am the managing partner of the law firm of Blumenthal Nordrehaug Bhowmik De
3 Blouw LLP, counsel of record for Plaintiff Karl Vance (“Plaintiff”) in this matter. As such, I am fully
4 familiar with the facts, pleadings and history of this matter. The following facts are within my own
5 personal knowledge, and if called as a witness, I could testify competently to the matters stated herein.
6 This declaration is being submitted in support to the Plaintiff’s motion for final approval of the class
7 settlement, including attorneys’ fees, costs and service awards.

8 2. Over the course of the litigation, a number of attorneys in my firm have worked on this
9 matter. Their credentials are reflected in the Blumenthal Nordrehaug Bhowmik De Blouw LLP firm
10 resume, a true and correct copy of which is attached hereto as Exhibit #1. Some of the major cases our
11 firm has undertaken are also set forth in Exhibit #1. The bulk of the attorneys involved in this matter at
12 Blumenthal Nordrehaug Bhowmik De Blouw LLP have had substantial class litigation experience in the
13 areas of employment class actions, unfair business practices and other complex litigation. The attorneys
14 at my firm have extensive experience in cases involving labor code violations and overtime claims. Class
15 Counsel has litigated similar overtime cases against other employers on behalf of employees, including
16 cases against Sharp Healthcare, Walmart, Legoland, Cigna, HealthNet, See’s Candies, Securitas, Okta,
17 Advanced Home Health, El Pollo Loco, Total Renal, Panda Express, Walt Disney Resorts, Pharmaca,
18 Nortek Security, California Fine Wine, Solarcity, Walgreens, Space Exploration, Union Bank, Verizon,
19 Apple, Wells Fargo, Kaiser, Universal Protection Services, and California State Automobile Association.
20 Class Counsel have been approved as experienced class counsel during contested motions in state and
21 federal courts throughout California. It is this level of experience which enabled the firm to undertake the
22 instant matter and to successfully combat the resources of the defendants and their capable and
23 experienced counsel. Class Counsel have participated in every aspect of the settlement discussions and
24 have concluded the settlement is fair, adequate and reasonable and in the best interests of the Class.

25
26 3. Summary of the Proposed Settlement.

27 (a) A true and correct copy of the Class Action and PAGA Settlement Agreement (the
28 “Agreement”) between the parties is attached hereto as Exhibit #2. Plaintiff and Defendant CS Contract

1 Solutions ("Defendant") reached a full and final settlement of the above-captioned action, which is
2 embodied in the Agreement filed concurrently with the Court. As consideration for this Settlement, the
3 Gross Settlement Amount to be paid by Defendant is Five Hundred Twelve Thousand and Nine Hundred
4 Dollars (\$512,900), which is an increase of \$22,900 as a result of the escalator provision. (Agreement at
5 ¶¶ 1.22 and 9.) Under the Settlement, the Gross Settlement Amount consists of the following elements:
6 (1) payment of the Individual Class Payments to the Participating Class Members; (2) Class Counsel Fees
7 Payment and Class Counsel Litigation Expenses Payment; (3) Administration Expenses Payment; (4) the
8 Class Representative Service Payment to the Plaintiff; and (5) the PAGA Penalties payment. (Agreement
9 at ¶ 1.22.)

10 (b) The Gross Settlement Amount does not include Defendant's share of payroll taxes.
11 (Agreement at ¶ 3.1.) The Gross Settlement Amount shall be all-in with no reversion to Defendant.
12 (Agreement at ¶ 3.1.)

13 (c) Defendant will pay to the Administrator 50% of the Gross Settlement Amount and all
14 employer-side payroll taxes due within the later of sixty (60) days of the Effective Date or November 1,
15 2025. The remaining 50% of the Gross Settlement Amount and all employer-side payroll taxes shall be
16 paid to the administrator within 180 days of the first payment. (Agreement at ¶ 4.3.) The distribution of
17 Individual Class Payments to Participating Class Members along with the other Court-approved
18 distributions shall be made within 14 days after the Defendant funds the settlement. (Agreement at ¶ 5.1.)

19 (d) The amount remaining in the Gross Settlement Amount after the deduction of Court-approved
20 amounts for Individual PAGA Payments, the LWDA PAGA Payment, the Class Representative Service
21 Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the
22 Administration Expenses Payment (called the "Net Settlement Amount") shall be allocated to Class
23 Members as their Individual Class Payments. (Agreement at ¶¶ 1.28 and 3.2.) From the Net Settlement
24 Amount, the Individual Class Payment for each Participating Class Member will be calculated by (a)
25 dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class
26 Members during the Class Period and (b) multiplying the result by each Participating Class Member's
27 Workweeks. (Agreement at ¶ 3.2(e).) Workweeks will initially be based on Defendant's records,
28 however, Class Members will have the right to challenge the number of Workweeks.

1 (e) Class Members were sent the Court approved Class Notice using the procedure approved by
2 the Court by mailing the notice packets after updating class members' addresses using the National
3 Change of Address database and, for any notice packets returned as undeliverable, re-mailing such notices
4 to any forwarding address provided or updated address located. See Declaration of Ryan McNamee
5 ("McNamee Decl.") at ¶¶ 5-7. Class Members were provided with the opportunity to exclude themselves
6 or "opt out" if they did not want to participate in the settlement. *Id.* Significantly, there have been no
7 objections and no requests to opt-out. McNamee Decl. at ¶¶ 11-12. As such, 100% of the Class will
8 participate in the Settlement and will be sent a settlement check. McNamee Decl. at ¶¶ 14-16. All
9 Aggrieved Employees, including those who submit an opt-out request, will still be paid their allocation
10 of the PAGA Penalties and will remain subject to the release of the Released PAGA Claims regardless
11 of their request for exclusion. (Agreement at ¶¶ 6.3 and 8.5(d).) Finally, the Class Notice will advise the
12 Class Members of their right to object to the Settlement and/or dispute their Workweeks. (Agreement
13 at ¶¶ 8.6 and 8.7, Ex. A.)

14 (f) A Participating Class Member must cash his or her Individual Class Payment check within
15 180 days after it is mailed. (Agreement at ¶ 5.2.) Any settlement checks not cashed within 180 days will
16 be voided and any funds represented by such checks sent to the California Controller's Unclaimed
17 Property Fund in the name of the Class Member thereby leaving no "unpaid residue". (Agreement at ¶
18 5.4.)

19 (g) Apex Class Action LLC was appointed by the Court as the Administrator for the Settlement.
20 (Agreement at ¶ 1.2.) The Administrator will be paid for settlement administration in an amount not to
21 exceed \$6,500. (Agreement at ¶ 3.2(c).) The total Administration Expenses Payment, including fees and
22 costs incurred to-date, as well as anticipated fees and costs for completion of the settlement
23 administration is \$6,500. McNamee Decl., at ¶ 19.

24 (h) Subject to Court approval, the Agreement provides for Class Counsel to be awarded a sum
25 not to exceed one-third of the Gross Settlement Amount, as the Class Counsel Fees Payment. (Agreement
26 at ¶ 3.2(b).) Class Counsel will also be allowed to apply separately for an award of Class Counsel
27 Litigation Expenses Payment in an amount not to exceed \$25,000. (Agreement at ¶ 3.2(b).) Subject to
28 Court approval, the Agreement provides for a payment of no more than \$25,000 to the Plaintiff as the

1 Class Representative Service Payment. (Agreement at ¶ 3.2(a).) In support of this separate requests for
2 attorneys' fees, reimbursement of expenses and service award, Class Counsel is providing evidentiary
3 support, for these requests, including lodestar.

4 (i) Subject to Court approval, the PAGA Penalties will be paid from the Gross Settlement
5 Amount for PAGA penalties under the California Private Attorneys General Act, Cal. Labor Code Section
6 2698, et seq. ("PAGA"). The PAGA Penalties are \$10,000, to be allocated 75% (\$7,500) to the LWDA
7 PAGA Payment and 25% (\$2,500) to the Individual PAGA Payments. (Agreement at ¶ 3.2(d).) The
8 Individual PAGA Payments will be calculated by (a) dividing the amount of the Aggrieved Employees'
9 25% share of PAGA Penalties (\$2,500) by the total number of PAGA Pay Periods worked by all
10 Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved
11 Employee's PAGA Pay Periods. (Agreement at ¶ 3.2(d).) As set forth in the accompanying proof of
12 service, the LWDA has been served with this motion and the Agreement.

13 (j) The Settlement is fair, adequate and reasonable to the class and should be finally approved for
14 the same reasons the Court granted preliminary approval of the Settlement, agreeing that the settlement
15 is "fair, adequate and reasonable" (Preliminary Approval Order at ¶3.) In sum, the Settlement valued at
16 \$512,900 is an excellent result for the Class. This result is particularly favorable in light of the fact that
17 liability and class certification in this case were far from certain in light of the defenses asserted by
18 Defendant. Given the complexities of this case, the defenses asserted, the uncertainty of class
19 certification, along with the uncertainties of proof at trial and appeal, the proposed settlement is fair,
20 reasonable and adequate, and should be finally approved.

21
22 4. Procedural status of the settlement - In accordance with the Preliminary Approval Order
23 dated April 3, 2025 ("Preliminary Approval Order"), the approved Class Notice has been disseminated
24 to the Class. The reaction of the Class unequivocally supports approval of the Settlement. On May 2,
25 2025, the Administrator mailed the Court-approved Class Notice to the Class Members, which provided
26 each class member with the terms of the Settlement, including notice of the claims at issue and the
27 financial terms of the settlement, including the attorneys' fees, costs, and service award that were being
28 sought, how individual settlement awards would be calculated, and the specific, estimated payment

1 amount to that individual. See Declaration of Ryan McNamee ("McNamee Decl.") at ¶ 7, Exh. A. In
2 disseminating the notice, the Administrator followed the notice procedures authorized by the Court in its
3 Preliminary Approval Order. To date, the Administrator has not received any written objections and has
4 not received any requests for exclusion. McNamee Decl. at ¶¶ 11-12. As such, 100% of the Class will
5 participate in the Settlement and will be sent a settlement check. McNamee Decl. at ¶¶ 14-16.

6
7 5. Description of Plaintiff's claims - The Action generally alleges that Plaintiff and other
8 Class Members were not properly paid all overtime wages for hours worked and at the correct rate, were
9 not provided meal and rest periods, were not timely paid earned wages, were not provided reimbursement
10 for required expenses, were not provided accurate itemized wage statements, were not paid all accrued
11 and used sick pay at the correct rate of pay, and were not paid all wages at the time of termination. The
12 Action seeks unpaid wages, penalties, attorney fees, litigation costs, and any other equitable or legal relief
13 allegedly due and owing to Plaintiff and the other Class Members by virtue of the foregoing claims.

14 6. Procedural History of the Litigation

15 (a) On May 8, 2023, Plaintiff filed with the LWDA and served on Defendant a notice under
16 Labor Code section 2699.3 identifying the alleged Labor Code violations to recover civil penalties on
17 behalf of Aggrieved Employees for various Labor Code violations.

18 (b) On July 28, 2023, Plaintiff filed a class action Complaint against Defendant in the
19 Superior Court of the State of California, County of Ventura. This class action Complaint asserted class
20 claims against Defendant for: (1) unfair competition in violation of Cal. Bus & Prof. Code §§ 17200, et
21 seq.; (2) failure to to pay minimum wages in violation of California Labor Code §§ 1194, 1197, and
22 1197.1; (3) failure to pay overtime wages in violation of California Labor Code §§ 510, 1194 & 1198;
23 (4) failure to provide required meal periods in violation of Cal. Labor Code §§ 226.7 and 512; (5) failure
24 to provide required rest periods in violation of Cal. Labor Code §§ 226.7 and 512; (6) failure to provide
25 accurate itemized wage statements in violation of California Labor Code § 226; (7) failure to reimburse
26 employees for required expenses in violation of California Labor Code § 2802; (8) failure to provide
27 wages when due in violation of California Labor Code §§ 201, 202 and 203; and, (9) failure to pay sick
28 pay wages in violation of California Labor Code §§ 201-204, 233, and 246.

1 (c) On June 20, 2024, Plaintiff filed a First Amended Complaint adding a cause of action
2 against Defendant for the violation of the Private Attorney General Act, Cal. Labor Code §§ 2698, et seq.
3 ("PAGA"). The First Amended Complaint is the operative complaint in the Action (the "Operative
4 Complaint").

5 (d) Over the course of litigation, the Parties engaged in the investigation of the claims,
6 including informal discovery and the production of documents, class data, and other information,
7 allowing for the full and complete analysis of liabilities and defenses to the claims in the Action. The
8 information for mediation obtained by Plaintiff included: (1) data concerning the class; (2) a sampling
9 of payroll data and time punch data for the Class covering 556 shifts; (3) Defendant's wage and hour
10 policies; (4) the employment files for the Plaintiff; and, (5) samples of wage statements provided by
11 Defendant. As such, Class Counsel received the data and information for the Class, which was sufficient
12 for Plaintiff's expert to prepare the valuations of the claims for the Class.

13 (e) Class Counsel has extensive experience in litigating wage and hour class actions in
14 California. The Parties have vigorously litigated the Action since inception. During the course of
15 litigation, the Parties each performed analysis of the merits and value of the claims. Plaintiff and
16 Defendant have engaged in substantial research and investigation in connection with the Action. Class
17 Counsel has thoroughly analyzed the value of the claims during the prosecution of this Action and utilized
18 an expert to perform an analysis of the data and valuation of the claims.

19 (f) Plaintiff and Defendant agreed to discuss resolution of the Action through a mediation.
20 Prior to mediation, the Parties engaged in the above investigation and the exchange of documents and
21 information in connection with the Action. On October 21, 2024, the Parties participated in an all-day
22 mediation presided over by Hon. Carl J. West (Ret.), a respected jurist and experienced mediator of wage
23 and hour class actions. Following the mediation, the Parties agreed to settle the Action based upon a
24 mediator's proposal which was memorialized in the form of a Memorandum of Understanding. The
25 Parties then negotiated the final terms of the settlement as set forth in the Agreement. At all times, the
26 negotiations were arm's length and contentious.

27 (g) Although a settlement has been reached, Defendant denies any liability or wrongdoing of
28

1 any kind associated with the claims alleged in the Action and further denies that, for any purpose other
2 than settlement, the Action is appropriate for class and/or representative treatment. Defendant contends,
3 among other things, that it has complied at all times with the California Labor Code, applicable Wage
4 Order, and all other laws and regulations. Further, Defendant contends that class certification is
5 inappropriate for any reason other than for settlement. Plaintiff contends that Defendant violated
6 California wage and hour laws. Plaintiff further contends that the Action is appropriate for class
7 certification on the basis that the claims meet the requisites for class certification. Without admitting that
8 class certification is proper, Defendant has stipulated that the above Class may be certified for settlement
9 purposes only. (Agreement at ¶ 2.7.) The Parties agree that certification for settlement purposes is not
10 an admission that class certification is proper. Further, the Agreement is not admissible in this or any
11 other proceeding as evidence that the Class could be certified absent a settlement. Solely for purposes
12 of settling the Action, the Parties stipulate and agree that the requisites for establishing class certification
13 with respect to the Class are satisfied.

14 (h) Class Counsel has conducted an investigation into the facts of the class action. Informal
15 discovery was obtained, which included the production of relevant documents and data. Class Counsel
16 engaged in a thorough review and analysis of the relevant documents and data with the assistance of an
17 expert. Accordingly, the agreement to settle did not occur until Class Counsel possessed sufficient
18 information to make an informed judgment regarding the likelihood of success on the merits and the
19 results that could be obtained through further litigation. In addition, Class Counsel previously negotiated
20 settlements with other employers in actions involving nearly identical issues and analogous defenses.
21 Based on the foregoing data and their own independent investigation, evaluation and experience, Class
22 Counsel believes that the settlement with Defendant on the terms set forth in the Agreement is fair,
23 reasonable, and adequate and is in the best interest of the Class in light of all known facts and
24 circumstances, including the risk of significant delay, defenses asserted by Defendant, and potential
25 appellate issues.

26
27 7. History of Settlement Discussions
28

1 (a) This settlement is the result of extensive and hard-fought litigation as well as negotiations
2 before an experienced and well-respected mediator. Defendant has expressly denied and continues to
3 deny any wrongdoing or legal liability arising out of the conduct alleged in the Action. Plaintiff and Class
4 Counsel have determined that it is desirable and beneficial to the Class to resolve the Released Class
5 Claims of the Class in accordance with this Settlement, based upon the experience of Class Counsel who
6 has previously litigated similar claims against other employers.

7 (b) The Parties attended an arms-length mediation session with Hon. Carl West (Ret.), a
8 respected and experienced mediator of wage and hour class actions, in order to reach this Settlement. In
9 preparation for the mediation, Defendant provided Class Counsel with payroll, time and employment
10 data, along with other information regarding the Class Members, various internal documents, and other
11 compensation and employment-related materials. Class Counsel analyzed the data with the assistance
12 of damages expert Berger Consulting and prepared and submitted a mediation brief to the mediator.
13 Following the all-day mediation, the Parties agreed to the Settlement, which was memorialized in the
14 form of a Memorandum of Understanding.

15 (c) From November 2024 to February 2025, the settlement agreement and exhibits thereto
16 were finalized and executed. On April 3, 2025, the Court granted the Motion for Preliminary Approval,
17 and entered the Order granting preliminary approval of the settlement as fair and reasonable to the Class.

18 (d) Plaintiff and Class Counsel believe that this settlement is fair, reasonable and adequate. In
19 my judgment as experienced Class Counsel, this Settlement should be finally approved.

20
21 8. The outcome of this case would have been uncertain and fraught with risks.

22 (a) Here, a number of defenses asserted by Defendant present serious threats to the claims of
23 the Plaintiff and the other Class Members. Defendant contended that it is not the legal employer.
24 Defendant asserted that Defendant's practices complied with all applicable Labor laws. Defendant argued
25 that Class Members were paid for all time worked and that work time was properly recorded. Defendant
26 contends that its meal and rest period policies fully complied with California law and that Defendant did
27 not fail to provide the opportunity for legally required meal and rest breaks. Defendant contends that
28

1 there was no failure to pay for business expenses and that reimbursement was evidenced in the wage
2 statements. Finally, Defendant has an argument that the Supreme Court decision in *Brinker v. Superior*
3 *Court*, 53 Cal. 4th 1004 (2012), weakened Plaintiff's claims, on liability, value, and class certifiability
4 as to the meal and rest period claims. Defendant also argues that based on its facially lawful practices,
5 Defendant acted in good faith and without willfulness, which if accepted would negate the claims for
6 waiting time penalties and/or inaccurate wage statements. See e.g. *Naranjo v. Spectrum Sec. Servs., Inc.*,
7 15 Cal. 5th 1056, 1065 (2024) ("if an employer reasonably and in good faith believed it was providing
8 a complete and accurate wage statement in compliance with the requirements of section 226, then it has
9 not knowingly and intentionally failed to comply with the wage statement law.") If successful,
10 Defendant's defenses could eliminate or substantially reduce any recovery to the Class. While Plaintiff
11 believes that these defenses could be overcome, Defendant maintains these defenses have merit and
12 therefore present a serious risk to recovery by the Class.

13 (b) There was also a significant risk that, if the Action was not settled, Plaintiff would be unable
14 to obtain a certified class and maintain the certified class through trial, and thereby not recover on behalf
15 of any employees other than themselves. At the time of the mediation, Defendant forcefully opposed the
16 propriety of class certification, arguing that individual issues precluded class certification. Further, as
17 demonstrated by the California Supreme Court decision in *Duran v. U.S. Bank National Assn.*, 59 Cal.
18 4th 1 (2014), there are significant hurdles to overcome for a class-wide recovery even where the class has
19 been certified. While other cases have approved class certification in wage and hour claims, class
20 certification in this action was hotly disputed and the maintenance of a certified class through trial was
21 by no means a foregone conclusion.

22 (c) As demonstrated by the decision in *Duran*, the complexities and duration of further litigation
23 cannot be overstated. There is little doubt that Defendant would post a bond and appeal in the event of
24 an adverse judgment. A post-judgment appeal by Defendant would have required many more years to
25 resolve, assuming the judgment was affirmed. If the judgment was not affirmed in total, then the case
26 could have dragged on for years after the appeal. The benefits of a guaranteed recovery today outweigh
27 an uncertain result three or more years in the future Plaintiff and Class Counsel recognize the expense
28

1 and length of a trial against Defendant through possible appeals which could take at least another two or
2 three years. Class Counsel also have taken into account the uncertain outcome, the risk of litigation,
3 especially in complex actions such as this one. Class Counsel are also mindful of and recognize the
4 inherent problems of proof under, and alleged defenses to, the claims asserted in the Action. Moreover,
5 post-trial motions and appeals would have been inevitable. Costs would have mounted and recovery
6 would have been delayed if not denied, thereby reducing the benefits of an ultimate victory. The
7 Settlement confers substantial benefits upon the Class. Based upon their evaluation, Plaintiff and Class
8 Counsel have determined that the Settlement set forth in the Agreement is in the best interest of the Class.

9 (d) The Settlement in this case is fair, reasonable and adequate considering Defendant's defenses
10 to Plaintiff's claims. As set forth in the Declaration of Nordrehaug in support of preliminary approval
11 which discussed the value of the class claims in detail, the Gross Settlement Amount compares favorably
12 to the value of the claims. Based upon 133 Participating Class Members who collectively worked 5,864
13 Workweeks, the Gross Settlement Amount provides a value of \$3,856 per Class Member and \$87 per
14 Workweek and, after deductions, the Net Settlement Amount provides an average recovery of \$2,070.93
15 per Class Member and \$46.97 per Workweek. The calculations to compensate for the amount due for the
16 Class at the time of the mediation were calculated by Berger Consulting, Plaintiff's damage expert. As
17 to the Class whose claims are at issue in this Action, Plaintiff used the expert to analyze the data and
18 determine the potential unpaid wages for the employees. The maximum potential damages were
19 calculated to be \$97,069 for the alleged unpaid wages for off-the-clock work at one hour per week,
20 \$179,221 for alleged meal period damages based upon a 49% potential violation rate for all shifts worked
21 observed in the time records, \$348,596 for alleged rest period damages based upon a violation for every
22 shift over 3.5 hours, \$6,125 for alleged unreimbursed cell-phone expenses based upon \$5 per month in
23 cell phone usage. As a result, the total damage valuation was calculated such that Defendant was subject
24 to a maximum damage claim in the amount of \$631,011. As to potential penalties, Plaintiff calculated
25 that potential waiting time penalties were a maximum of \$242,474, and potential maximum wage
26
27
28

1 statement penalties were \$408,000.¹ Defendant vigorously disputed Plaintiff's calculations and exposure
2 theories. Consequently, the Gross Settlement Amount of \$512,900 represents more than 80% of the
3 maximum value of the alleged damages at issue in this case at the time this Settlement was negotiated.²
4 Importantly, the recent decision that good faith belief of compliance by the employer in *Naranjo v.*
5 *Spectrum Sec. Servs., Inc.*, 15 Cal. 5th 1056, 1065 (2024), could completely negate the claims for waiting
6 time and wage statement penalties, even if wages were owed to the Class. The above maximum
7 calculations should then be realistically risk-adjusted in consideration for both the risk of class
8 certification and the risk of establishing class-wide liability on all claims. Another important
9 consideration for Plaintiff was the Defendant's ability to pay. Plaintiff employed an expert (Kenneth
10 Creal) to review Defendant's financial and tax statements, and he provided an opinion that the Defendant
11 likely could not afford to pay a higher settlement amount. Given the amount of the settlement as
12 compared to the potential value of claims in this case, the defenses asserted by Defendant, and the
13 Defendant's financial condition, this settlement is fair and reasonable.³ Clearly, the goal of this litigation
14

15 ¹ While Plaintiff alleged claims for statutory penalties pursuant to Labor Code Sections 203 and 226,
16 at mediation Plaintiff recognized that these claims were subject to additional, separate defenses asserted
17 by Defendant, including, a good faith dispute defense as to whether any premium wages for meal or rest
18 periods or other wages were owed given Defendant's position that Plaintiff and Class Members were
19 properly compensated. *See Nordstrom Commission Cases*, 186 Cal. App. 4th 576, 584 (2010) ("There
is no willful failure to pay wages if the employer and employee have a good faith dispute as to whether
and when the wages were due.").

20 ² Because the PAGA claim is not a class claim and primarily is paid to the State of California,
21 Plaintiff has not included the PAGA claim in this discussion of the value of the class claims. The
22 PAGA claim was addressed in the Declaration of Nordrehaug at ¶33 filed in support of the Motion for
Preliminary Approval.

23 ³ *See Glass v. UBS Fin. Servs.*, 2007 U.S. Dist. LEXIS 8476 (N.D. Cal. 2007) (approving a
24 settlement where the settlement amount constituted approximately 25% of the estimated overtime
25 damages for the class); *Stovall-Gusman v. W.W. Granger, Inc.*, 2015 U.S. Dist. LEXIS 78671, at *12
26 (N.D. Cal. 2015) (granting final approval where "the proposed Total Settlement Amount represents
27 approximately 10% of what class might have been awarded had they succeeded at trial."); *Viceral v.*
28 *Mistras Grp., Inc.*, 2016 WL 5907869 (N.D. Cal. 2016) (approving wage and hour class action
settlement amounting to 8.1% of full value); *Ma v. Covidien Holding, Inc.*, 2014 WL 2472316, (C.D.
Cal. 2014) (approving wage and hour class action settlement worth "somewhere between 9% and 18%"
of maximum valuation).

1 has been met.

2 (e) In sum, the Settlement is a fair and reasonable result, and provides the Class with a significant
3 recovery, particularly when viewed in light of the fact that the Defendant asserted serious and substantial
4 defenses both to liability and to class certification. Currently, the maximum and average class member
5 allocation are \$5,683.41 and \$2,070.93, respectively. See McNamee Decl. at ¶ 16. Given the complexities
6 of this case, the defenses, along with the uncertainties of proof and appeal, the proposed Settlement is fair,
7 reasonable and adequate, and should be finally approved.

8 (f) It is impossible to predict with certainty whether, under the facts of this case, Plaintiff would
9 prevail against the Defendant's factual and legal defenses. While Plaintiff and Class Counsel believe in
10 the merits of the claims, Defendant has asserted real and substantial defenses to these claims and to class
11 certification. Settlement in this case clearly benefits the Class when measuring the strengths of Plaintiff's
12 case and the risk of establishing class wide liability and damages.

13 **ATTORNEYS' FEES, LITIGATION EXPENSES AND SERVICE AWARD**

14 9. **The Agreement For The Payment of Fees and Expenses Is Appropriate And Should Be**
15 **Enforced**

16 (a) Class Counsel successfully negotiated a class action settlement which provides for a common
17 fund settlement to be paid by Defendant to the Class in the amount of Five Hundred Twelve Thousand
18 and Nine Hundred Dollars (\$512,900), which is an increase of \$22,900 as a result of the escalator
19 provision. (Agreement at ¶¶ 1.22 and 9.) As part of the settlement, the parties agreed to an award of
20 attorneys' fees equal to one-third (1/3) of the Gross Settlement Amount as the Class Counsel Fees
21 Payment. (Agreement at ¶ 3.2(b).) By this motion, Class Counsel respectfully requests approval of the
22 Class Counsel Fees Payment in an amount equal to one-third of the Gross Settlement Amount.

23 (b) In the class action context, that means "attempting to award the fee that informed private
24 bargaining, if it were truly possible, might have reached." Here, informed arms-length bargaining between
25 experienced counsel and Defendant resulted in Defendant negotiating the fee award to one-third of the
26 Gross Settlement Amount. Such bargaining is obviously the best measure of the market for fees.
27 Moreover, fee awards in common fund settlements as this one have resulted in a percentage of fees in an
28

1 equivalent percentage to the sum sought by Class Counsel herein, further reflecting the accurate market
2 value of the award requested.

3 (c) The requested fee award, agreed to by the parties as part of the Settlement, should be
4 approved. The requested fee award was bargained for during arms' length adversarial bargaining by
5 counsel for each of the parties as part of the Settlement.

6
7 10. The Class Counsel Fee Award Is Properly Calculated as a Percentage of the Total Value
8 Created for the Benefit of the Class

9 (a) As part of the settlement, the Parties agreed to an award of attorneys' fees equal to one-third
10 of the Gross Settlement Amount of \$512,900, which equals \$170,966 for attorneys' fees. As part of the
11 Agreement, Defendant also agreed that Class Counsel will also be paid reasonable litigations expenses
12 incurred as per Class Counsel's billing statement in an amount not to exceed \$25,000. Finally, Defendant
13 also agreed that Plaintiff can be awarded a Class Representative Service Payment in the amount of no
14 more than \$25,000 as his service award under the Agreement.

15 (b) In defining a reasonable fee, the Court should mimic the marketplace for cases involving a
16 significant contingent risk such as this one. Our legal system places unique reliance on private litigants
17 to enforce substantive provisions of employment law through class actions. Therefore, attorneys providing
18 these substantial benefits should be paid an award equal to the amount negotiated in private bargaining
19 that takes place in the legal market place.

20 (c) There is a substantial difference between the risk assumed by attorneys being paid by the hour
21 and attorneys working on a contingent fee basis. The attorney being paid by the hour can go to the bank
22 with his fee. The attorney working on a contingent basis can only log hours while working without pay
23 towards a result that will hopefully entitle him to a marketplace contingent fee taking into account the risk
24 and other factors of the undertaking. Otherwise, the contingent fee attorney receives nothing. In this case,
25 the nature of the fee was wholly contingent. Class Counsel subjected themselves to this contingent fee
26 market risk in this all or nothing contingent fee case wherein the necessity and financial burden of private
27 enforcement makes the requested award appropriate. This case was litigated on a contingent basis for over
28 two years, with all of the risk factors inherent in such an uncertain undertaking. Indeed, I am aware of

1 other similar cases where the court dismissed the class allegations or denied class certification. Under
2 such circumstances, courts have held that a risk multiplier must be applied to the fee award.

3 (d) Here, the contingent nature of the fee award, both from the point of view of eventual
4 settlement and the point of view of establishing eligibility for an award, also warrant the requested fee
5 award. A number of difficult issues, the adverse resolution of any one of which could have doomed the
6 successful prosecution of the action, were present here. Attorneys' fees in this case were not only
7 contingent but risky, with a very real chance that Class Counsel would receive nothing at all for their
8 efforts, having devoted time and advanced costs. Class Counsel has previously invested in cases which
9 resulted in no recovery, and here Class Counsel is recovering a fee award that comparable to the
10 multiplier approved in other cases.

11 (e) At the time this case was brought, the result was far from certain as discussed above at
12 paragraphs 8(a) and 8(b).

13 (f) The Settlement was possible only because Class Counsel was able to convince Defendant that
14 Plaintiff could potentially prevail on the contested issues regarding liability, maintain class certification,
15 overcome difficulties in proof as to monetary relief and take the case to trial if need be. In successfully
16 navigating these hurdles Class Counsel displayed the necessary skills in both wage and hour and class
17 action litigation. The high quality of the Class Counsel's work in this case was mandated by the vigorous
18 defense presented by counsel for Defendant. Over the last years of litigation, Class Counsel was required
19 to invest substantial time and resources in investigation, litigation, the determination of potential damages
20 and communicating with and responding to opposing counsel's and class members' requests and
21 inquiries.

22 (g) To represent the Class on a contingent fee basis, Class Counsel also had to forego
23 compensable hourly work on other cases to devote the necessary time and resources to this contingent
24 case. In so doing, Class Counsel gave up the hourly work that a firm can bank on for the risky contingent
25 fee work in this case which could potentially have paid nothing.

26 (h) Class Counsel were required to advance all costs in this litigation. Especially in this type of
27 litigation where the corporate defendant and their attorneys are well funded, this can prove to be very
28 expensive and risky. Accordingly, because the risk of advancing costs in this type of litigation can be

1 significant, it is therefore cost prohibitive to many attorneys. The financial burdens undertaken by
2 Plaintiff and Class Counsel in prosecuting this action on behalf of the Class were very substantial. Class
3 Counsel has previously litigated cases and advanced costs, but received no recovery. To date, Class
4 Counsel advanced more than \$19,000 in costs which could not have been recovered if this case had been
5 lost. The Plaintiffs also undertook the risk of liability for Defendant's costs had this case not succeeded,
6 as well as other potential negative financial ramifications from having sued Defendant on behalf of the
7 Class. Accordingly, the contingent nature of the fee and the financial burdens on Class Counsel and on
8 Plaintiff also support the requested awards.

9 (i) In this case, the reasonableness of the requested attorneys' fee of one-third equal to
10 \$170,966 is also established by reference to Class Counsel's lodestar in this matter. **The**
11 **contemporaneous billing records for Class Counsel evidence that through July 17, 2025, Class**
12 **Counsel's total lodestar is \$141,070.00, with significant additional fees still to be incurred to**
13 **complete final approval and the settlement process.** The requested fee award is therefore currently
14 equivalent to Class Counsel's total lodestar with a reasonable multiplier cross-check of 1.2, and there will
15 be additional lodestar incurred by Class Counsel to complete the settlement process and manage the
16 settlement distribution and reports. Such a multiplier is below the range of multipliers approved in other
17 cases such as *Laffitte* and *Vizcaino*.⁴ As evidenced by the billing, Class Counsel's work was efficiently
18 performed and highly successful, and Class Counsel should not be punished for efficient and successful
19 litigation. As a result, this Court may conclude that the requested award is fair and reasonable and is
20 justified under California law.

21 (j) Counsel retained on a contingency fee basis, whether in private matters or in representative

23 ⁴ See *Laffitte v. Robert Half Int'l*, 1 Cal. 5th 480, 487 (2016) (approving 1/3 fee award with
24 multiplier of 2.03 to 2.13); *Vizcaino v. Microsoft Corp.*, 290 F.3d 1043, 1051 (9th Cir. 2002)(3.65
25 multiplier approved because of substantial risk); *Pellegrino v. Robert Half Intern., Inc.*, 182
26 Cal.App.4th 278 (2010) (in class actions reasonable multipliers of 2.0 to 4.0 are often applied and
27 affirming 1.75 multiplier); *Wershba v. Apple Computer*, 91 Cal. App. 4th 224, 255 (2001) ("multipliers
28 can range from 2 to 4 or even higher."); *In re Sutter Health Uninsured Pricing Cases*, 171 Cal.App.4th
495, 512 (2009) (affirming multiplier of 2.52 as "fair and reasonable"); *Chavez v. Netflix, Inc.*, 162
Cal.App.4th 43, 66 (2008) (affirming multiplier of 2.53 as well within the approved range of 2 to 4);
Taylor v. Fedex Freight, Inc., 2016 U.S. Dist. LEXIS 142202 (E.D. Cal. 2016) (30% fee justified by
2.26 multiplier).

1 litigation of this sort, is entitled to a premium beyond his standard, hourly, non-contingent fee schedule
2 in order to compensate for both the risks and the delay in payment for the simple fact that despite the most
3 vigorous and competent of efforts, success is never guaranteed. This is particularly true here where Class
4 Counsel has prosecuted this case on a contingency basis for almost two years. Indeed, if counsel is not
5 adequately compensated for the risks inherent in difficult class actions, competent attorneys will be
6 discouraged from prosecuting similar cases.

Nurse Logistics* (Santa Clara County Superior Court Case No. 22CV408939), Judge Theodore Zayner approved a one-third fee award in a wage and hour class settlement. A fee award equal to one-third of the common fund is therefore reasonable in light of the fees that have been awarded in other similar cases.

12. **The contemporaneous billing records for Blumenthal Nordrehaug Bhowmik De Blouw evidence that through July 17, 2025, my firm’s total lodestar is \$141,070.00**, with significant additional fees still to be incurred to complete final approval and the settlement process. From January 10, 2024 to July 17, 2025, my firm worked on this matter for over 202 hours, with hourly rates for attorneys ranging from \$450 to \$995, resulting in a total incurred lodestar for my firm in the amount of \$141,070.00. The requested fee award is therefore represents a lodestar cross-check when compared to Class Counsel’s total combined lodestar with a reasonable multiplier cross-check of 1.2 and there will be additional lodestar incurred by Class Counsel to complete the settlement process and manage the settlement distribution and reports. A detailed breakdown of the total fees and the services performed by the firm on this case is attached hereto as Exhibit #3. In addition, Class Counsel will be performing significant additional work that is not included in this lodestar amount, including finalizing the final approval motion, attending the hearing on final approval, and monitoring completion of the settlement process. I expect this additional work will result in \$20,000 in additional lodestar for my firm. The rates charged by my firm are in line with the prevailing rates of attorneys in the local legal community for similar work and, if this were a commercial matter, these are the charges that would be made and presented to the client. My firm's hourly rates are based upon the Laffey Matrix with the appropriate 2% increase adjustment for Southern California. A true and correct copy of the current Laffey Matrix is attached hereto as Exhibit #4. These hourly rates have been approved by Court’s throughout California, including the Courts in the Superior Court of California. In fact, on August 1, 2018, District Judge Andre Birotte Jr. explicitly found that Class Counsel’s “rates generally appear reasonable and ‘in line with those

1 prevailing in the [relevant] community’—the Central District of California”. Finally, the reasonableness
2 of Class Counsel’s hourly rates is further confirmed by comparing such rates with the rates of comparable
3 counsel practicing complex and class litigation as detailed in the National Law Journal Billing Survey.
4 See e.g. *Zest IP Holdings, LLC v. Implant Direct MFG., LLC*, 2014 U.S. Dist. LEXIS 167563 (S.D. Cal.
5 2014) (finding that “Mayer Brown's \$775 average billing rate for partners” and “Mayer Brown's \$543
6 average associate billing rate” are reasonable rates when compared within 21 other firms practicing in
7 the Southern District of California.) This survey is useful to show that Class Counsel’s rates are in line
8 with the comparable rates of the defense counsel that opposes these types of class claims, such as Mayer
9 Brown noted above who is defense counsel in cases currently being prosecuted by Class Counsel. In
10 another example, Sheppard Mullin Richter & Hampton, who is opposing counsel in many cases
11 prosecuted by Class Counsel, in years past charged rates as high as \$875 for partners and \$535 for
12 associates. Similarly, Paul Hastings, another opposing counsel in these types of cases, historically
13 charged between \$900 and \$750 for partners and \$755 and \$335 for associates. Thus, the rates charged
14 by Class Counsel for comparable work are less than these examples, and are therefore undoubtedly
15 reasonable. Therefore, the requested fee award as a percentage of the fund is supported by the currently
16 lodestar incurred, and will be a lower multiplier by the completion of the settlement. The requested
17 award is therefore reasonable viewed by the Lodestar/Multiplier cross-check.

18 19 Litigation Expenses

20 13. As part of the Agreement at paragraph 3.2(b), that Class Counsel may seek a “Class
21 Counsel Litigation Expenses Payment of not more than \$25,000.” Class Counsel have incurred expenses
22 of \$19,252.28 based upon counsel's billing records; therefore, this requested amount is equal to the
23 amount actually incurred by Class Counsel. These litigation expenses include the expenses incurred for
24 filing fees, mediation expenses, expert expenses (Berger Consulting and Creal & Creal), attorney service
25 charges (OneLegal and Knox), Court e-filing fees, CourtCall charges, and research charges (LexisNexis),
26 all of which are costs normally billed to and paid by the client. The details of the litigation expenses
27 incurred are set forth in Exhibit #3. These costs were reasonably incurred in the prosecution of the Action.

1
2 Service Award

3 14. For his service as the only class representative, Plaintiff should be awarded the agreed
4 service award of \$25,000 in accordance with the Agreement for his time, risk and effort expended on
5 behalf of the Class as the class representative. (Agreement at ¶ 3.2(a).) Defendant has agreed to this
6 payment and there have been no objections to the requested service award. The Plaintiff's Declarations
7 in support of these requests are attached as Exhibit #5. As the representatives of the Class, Plaintiff
8 performed his duties to the Class admirably and without exception. Plaintiff worked extensively with
9 Class Counsel during the course of the litigation, responding to numerous requests, searching for
10 documents, working with counsel, and reviewing the settlement documentation. As set forth in the
11 Agreement, the Plaintiff is also providing a comprehensive release as part of the Settlement, far beyond
12 the class release. The declaration of Plaintiff details the involvement, stress and risks he undertook as
13 a result of this Action. The Plaintiff also assumed the serious risk that they might possibly be liable for
14 costs and fees to Defendant, as well as the reputational risk of being "blacklisted" by other future
15 employers for having filed a class action on behalf of fellow former employees. Without the Plaintiff's
16 participation, cooperation and information, no other employees would be receiving any benefit. The
17 payment of service awards to successful class representatives is appropriate and the amount of \$10,000
18 is well within the currently awarded range for similar settlements. The requested awards are also
19 reasonable by reference to the amounts that other California courts have found to be reasonable in wage
20 and hour class action settlements: *Andrews v. Plains All Am. Pipeline L.P.*, 2022 U.S. Dist. LEXIS

Donnelley & Sons Co.*, Case No. RIC 10005196, Riverside County Superior Court (July 16, 2013)(awarding \$10,000 service award); *Kisliuk v. ADT Security Services Inc.*, Case No. CV08-03241 DSF (RZx)(C.D. Cal. Jan. 10, 2011)(awarding \$10,000 service award); *Morales v. BCBG Maxazria Int'l Holdings, Inc.*, Case No. JCCP 4582, Orange County Superior Court (Jan. 24, 2013)(awarding \$10,000 service award); *Barrett v. Doyon Security Services, LLC*, Case No. BS900199, BS900517, San Bernardino County Superior Court (Apr. 23, 2010)(awarding \$10,000 service award); *Zirpolo v. UAG Stevens Creek II*, Santa Clara Superior Court Case no. 17CV313457 (July 10, 2018) (awarding \$10,000 service award); *Taylor v. TIC - The Industrial Complany*, U.S.D.C. Central District of California Case No. EDCV 16-186-VAP (Aug. 1, 2018) (awarding \$10,000 service award).

15. The requested service awards are also reasonable in light of the reputational risk that Plaintiff assumed in bringing this action against his former employer. Plaintiff put his future employment prospects at risk by becoming a class representative as the fact that they filed a lawsuit "is searchable on the internet and may become known to prospective employers when evaluating" them for employment. *Guippone v. BH S&B Holdings, LLC*, 2011 U.S., Dist. LEXIS 126026, *20 (S.D.N.Y. Oct. 28, 2011). Employers routinely screen employee candidates to determine whether they have ever filed a suit against other employers, allowing them to screen out the litigious candidates. An entire industry exists that allows employers to run extensive background searches on potential employees. Companies who provide these services specifically highlight the fact that their services allows employers to weed out litigious

1 employment candidates. Reliable Plant outlines ways that employers can "get a sense of whether a
2 prospective employee is likely to sue" the employer, through background checks and other means, to
3 screen out these employees.⁵ Onicra Credit Rating Agency states: "Background screening has become
4 a necessity in today's litigious society." Back Track Screening also represents: "In today's litigious culture,
5 employers simply cannot afford to hire employees who will put their company at risk."⁶ PreciseHire also
6 offers employment screening and similarly warns: "with today's business climate being extremely
7 competitive and highly litigious, conducting pre employment background checks has become a
8 necessity."⁷

9 16. As a result, Class Counsel respectfully requests approval of the application for award of
10 the Class Counsel Fees Payment equal to one-third (1/3) of the common fund, an award of litigation
11 expenses in the amount of \$19,252.28 and approval of the requested service award to the Plaintiff.

12 17. In accordance with California Rules of Court, rule 3.769, I make the following disclosure.
13 The Class Counsel Fees Payment awarded shall be allocated as follows: 100% to Blumenthal Nordrehaug
14 Bhowmik De Blouw LLP.

15
16 I declare under penalty of perjury under the laws of the State of California that the foregoing is
17 true and correct. Executed this 17th day of July, 2025, at San Diego, California.

REPORTED CASES

Sakkab v. Luxottica Retail N. Am., Inc., 803 F.3d 425 (9th Cir. 2015) (The panel reversed the district court's order granting Luxottica Retail North America, Inc.'s motion to compel arbitration of claims and dismissing plaintiff's first amended complaint, in a putative class action raising class employment-related claims and a non-class representative claim for civil penalties under the Private Attorney General Act.);

Securitas Security Services USA, Inc. v. Superior Court, 234 Cal. App. 4th 1109 (Cal. Feb. 27, 2015) (Court of Appeal concluded the trial court correctly ruled that *Iskanian* rendered the PAGA waiver within the parties' dispute resolution agreement unenforceable. However, the Court of Appeal then ruled the trial court erred by failing to invalidate the non-severable class action waiver from the agreement and remanded the entire complaint, including class action and PAGA claims, be litigated in the Superior Court);

Sussex v. United States Dist. Court for the Dist. of Nev., 781 F.3d 1065 (9th Cir. 2015) (The panel determined that the district court clearly erred in holding that its decision to intervene mid-arbitration was justified under *Aerojet-General*. Specifically, the panel held that the district court erred in predicting that an award issued by the arbitrator would likely be vacated because of his "evident partiality" under 9 U.S.C. § 10(a)(2).);

Provost v. YourMechanic, Inc., 2020 Cal. App. Lexis 955 (Oct. 15, 2020) (Court of Appeals affirmed denial of arbitration of PAGA claim, and held in a case of first impression, that there was

no additional standing rules for PAGA claim brought by independent contractor); In re Tobacco Cases II, 41 Cal. 4th 1257 (2007); Washington Mutual Bank v.  - (d) The deadlines for Class Members’ written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the Response Deadline provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.
 - (e) If the Administrator, the Parties, Defense Counsel or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class

Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, whichever are later.

8.5. Requests for Exclusion (Opt-Outs).

- (a) Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than the Response Deadline (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.
- (b) The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.
- (c) Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraph 6.2 of the Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.

8.6. Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.3 of this Agreement and are eligible for an Individual PAGA Payment. If a Class Member submits both a Request for Exclusion and an objection, only the Request for Exclusion will be accepted and the objection will be void.

8.7. Challenges to Calculation of Workweeks. Each Class Member shall have until the Response Deadline (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination as to the challenges

8.8. Objections to Settlement.

- (a) Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.
- (b) Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, or in addition to a written objection, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than the Response Deadline (plus an additional 14 days for Class Members whose Class Notice was re-mailed).
- (c) Non-Participating Class Members have no right to object to any of the class action components of the Settlement. If a Class Member submits both a Request for Exclusion and an objection, only the Request for Exclusion will be accepted and the objection will be void.

8.9. Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

- (a) Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative

Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.

- (b) Request for Exclusion (Opt-Outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 7 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion (“Exclusion List”); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).
- (c) Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- (d) Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.
- (e) Administrator’s Declaration. Not later than 7 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator’s declaration(s) in Court.
- (f) Final Report by Administrator. Within 10 days after the Administrator disburses all funds of the Gross Settlement Amount, the Administrator will provide Class Counsel

and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 7 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court. If a second declaration attesting to the distribution of uncashed checks is required, the Administrator shall provide this second declaration at least 7 days before any deadline for a second declaration and Class Counsel shall be responsible for filing the second declaration with the Court.

- 9. CLASS SIZE MODIFICATION AND ESCALATOR CLAUSE.** Based on its records, Defendant provided figures as to the Class size as set forth in paragraph 4.1 above. If the actual number of Workweeks during the Class Period increases by more than fifteen percent (15%) over the estimate stated herein in paragraph 4.1, Defendant shall have the option of increasing the Gross Settlement Amount by the percentage increase over fifteen percent (15%) or ending the Class Period on the date on which the class workweek count reaches 5,635. The Administrator will calculate the workweeks worked by the Class Members during the Class Period, the amount to be paid pro rata, and the individual settlement payments to eligible Class Members.
- 10. DEFENDANT'S RIGHT TO WITHDRAW.** If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 5% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Administration Expenses incurred as of the date Defendant makes this election to withdraw. Defendant must notify Class Counsel and the Court of its election to withdraw not later than 7 days after the Administrator sends the final Exclusion List to Defense Counsel. Invalid Requests for Exclusion will have no effect on this threshold for an election.
- 11. MOTION FOR FINAL APPROVAL.** Unless otherwise ordered by the Court, not later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699(1), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiff shall provide drafts of these documents to Defense Counsel not later than 7 days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

 - 11.1. Response to Objections.** Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court

no later than 5 court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.

- 11.2. Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for a Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administration Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.
- 11.3. Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement under C.C.P. section 664.6 solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.
- 11.4. Waiver of the Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.
- 11.5. Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on an equal basis, any additional Administration Expenses reasonably incurred at the time of remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

12. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

13. ADDITIONAL PROVISIONS

13.1. No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does not grant Preliminary Approval, Final Approval or Judgment pursuant to this Agreement, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

13.2. Confidentiality Prior to Preliminary Approval. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

13.3. No Solicitation. The Parties separately agree that they and their respective counsel and employees have not and will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to

restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

- 13.4. Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.
- 13.5. Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.
- 13.6. Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.
- 13.7. Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 13.8. Tax Advice. Neither Plaintiff, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 13.9. Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
- 13.10. Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 13.11. Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.

- 13.12. Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 13.13. Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.
- 13.14. Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall destroy, all paper and electronic versions of Class Data received from Defendant, unless prior to the Court discharge of the Administrator's obligation, Defendant makes a written request to Class Counsel for the return, rather than the destruction of, Class Data.
- 13.15. Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 13.16. Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.
- 13.17. Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

EXHIBIT A

[NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION AND HEARING DATE FOR
FINAL COURT APPROVAL]

EXHIBIT “A”

**COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT
AND HEARING DATE FOR FINAL COURT APPROVAL**

***Vance v. CS Contract Solutions, LLC, Superior Court of the State of California,
County of Ventura, Case No. 2023CUOE012162***

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

**YOUR LEGAL RIGHTS MAY BE AFFECTED WHETHER YOU ACT OR DO NOT
ACT. PLEASE READ THIS NOTICE CAREFULLY.**

You may be eligible to receive money from an employee class action lawsuit (“Action”) against Defendant CS Contract Solutions, LLC (“Defendant”) for alleged wage and hour violations. The Action was filed by Plaintiff Karl Vance (“Plaintiff”). No court or jury has made any determination regarding the merits of Plaintiff’s claims, or that the claim can be pursued as a class action. The Parties have voluntarily reached a settlement to avoid the expenses and disruption of class litigation.

The proposed Settlement has two main parts: (1) a Class Settlement whereby Defendant has agreed to fund Individual Class Payments to all individuals employed by Defendant in California and classified as a non-exempt employee at any time during the Class Period (July 28, 2019 through December 21, 2024) (“Class Members”), and (2) a PAGA Settlement whereby Defendant has agreed to fund the PAGA Penalties and pay penalties to the California Labor and Workforce Development Agency (“LWDA”) and to all individuals employed by Defendant as non-exempt employees in the State of California at any time during the PAGA Period (May 8, 2022 through December 21, 2024) (“Aggrieved Employees”). Defendant denies Plaintiff’s claims and denies any and all liability or wrongdoing.

Based on Defendant’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be <<\$_____>> (less withholding), and your Individual PAGA Payment is estimated to <<be \$_____>>.** The actual amount you may receive likely will be different and will depend on a number of factors.

The above estimates are based on Defendant’s records showing that **you worked <<_____>> Workweeks** during the Class Period and **you worked <<_____>> pay periods** during the PAGA Period. If you believe that you worked more workweeks and/or pay periods during either period, you can submit a challenge by the deadline date. See Section 5 of this Notice below.

The Court has already preliminarily approved the proposed Settlement and approved this Notice, meaning that the Court has preliminarily determined that the settlement is fair and reasonable. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or do not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to

finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff's attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment reflecting the terms of the Settlement, under which Defendant will make payments under the Settlement and Class Members and Aggrieved Employees will give up their rights to assert certain claims against Defendant.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:	
You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment. In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement ("Released Class Claims").
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is ____.	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 7 of this Notice. However, you cannot opt-out of the PAGA portion of the proposed Settlement. If you are also an Aggrieved Employee and exclude yourself, you will still be paid an Individual PAGA Payment and will remain subject to the release of the Released PAGA Claims regardless of whether you submit a request for exclusion.
Participating Class Members Can Object to the Class Settlement Written Objections Must be Submitted by the Response Deadline ____	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You can object to the Settlement and/or the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 8 of this Notice.
You Can Participate in the ____ Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on ____ at ____ [a.m./p.m.], at the Ventura County Superior Court, located at 800 South Victoria Avenue, Ventura, California 93009, in Department 43 before Judge Benjamin F. Coats. This hearing may change as explained below in Section 9. You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform.

	Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 9 of this Notice
You Can Challenge the Calculation of Your Workweeks / Pay Periods Written Challenges Must be Submitted by the Response Deadline (_____)	The amount of your Individual Class Payment depends on how many workweeks you worked at least one day during the Class Period. The amount of your Individual PAGA Payment depends on how many pay periods you worked at least one day during the PAGA Period. The number of Class Period workweeks and number of PAGA Period pay periods you worked according to Defendant's records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by _____ . See Section 5 of this Notice

1. What is action about?

Plaintiff was an employee of Defendant. The Action claims that Defendant violated California labor laws by failing to pay minimum wages, failing to pay overtime wages, failing to provide required meal periods and unpaid premiums, failing to provide required rest periods and unpaid premiums, failing to provide required expense reimbursement, failing to provide accurate itemized wage statements, failing to provide wages when due, failure to pay sick wages, and engaging in unfair competition. Plaintiff also seeks civil penalties under the Private Attorneys General Act ("PAGA"). The First Amended Complaint, filed June 20, 2024, is the Operative Complaint in the Action.

Defendant denies all liability and maintains that it has paid all employees all wages and sick pay due, provided all required breaks, paid all required expense reimbursements, and furnished accurate wage statements.

You have received this Notice because you have been identified as a member of the Class, which is defined as:

All individuals employed by Defendant in California and classified as a non-exempt employee at any time during the Class Period (July 28, 2019 through December 21, 2024).

2. What does it mean that the action has settled?

So far, the Court has made no determination whether Defendant or Plaintiff are correct on the merits, or that Plaintiff can bring this claim on behalf of anyone but themselves. In the meantime, Plaintiff and Defendant hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a written Class Action and PAGA Settlement Agreement ("Agreement") and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Defendant have negotiated a proposed Settlement that is subject to the Court's Final

Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims. Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant have agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. What are the terms of the Settlement?

Gross Settlement Amount. Defendants has agreed to pay an “all in” amount of **Four Hundred Ninety Thousand Dollars (\$490,000)** (“**Gross Settlement Amount**”) to fund the **settlement of the Action**. The Gross Settlement Amount includes all payments of Individual Class Payments, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, Class Representative Service Payment, the Administration Expenses Payment, and the PAGA Penalties for civil penalties under PAGA. Any employer-side payroll taxes on the portion of the Individual Class Payments allocated to wages shall be separately paid by Defendant. Defendant will pay to the Administrator 50% of the Gross Settlement Amount and all employer-side payroll taxes due within the later of sixty (60) days of the Effective Date or November 1, 2025. The remaining 50% of the Gross Settlement Amount and all employer-side payroll taxes shall be paid to the administrator within 180 days of the first payment. The “Effective Date” means the date the Judgment is entered, unless there are objections or an appeal, in which case it is the date the Judgment is final and no longer subject to appeal. Within 14 days after Defendant funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments to Participating Class Members, and penalties to be paid to the California Labor and Workforce Development Agency (“LWDA”).

Court Approved Deductions from Gross Settlement Amount. The proposed payments, subject to Court approval, will be deducted from the Gross Settlement Amount before payments of Individual Class Payments are made to Class Members who do not request exclusion (“Participating Class Members”). At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:

- **Administration Expenses Payment.** Payment to the Administrator, estimated not to exceed \$8,000 for expenses, including expenses of notifying the Class Members of the Settlement, processing opt outs, and distributing settlement checks and tax forms.
- **Attorneys’ Fees and Costs.** Payment to Class Counsel of reasonable attorneys’ fees not to exceed one-third (1/3) of the Gross Settlement Amount, which presently equals \$163,333, and an additional amount to reimburse actual litigation costs incurred by the Plaintiff not to exceed \$25,000. Class Counsel has been prosecuting the Action on behalf of Plaintiff and the Class on a contingency fee basis (that is, without being paid any money to date) and has been paying all litigation costs and expenses. The amounts stated are what Class Counsel will be requesting and the final amounts to be paid will be decided at the Final Approval Hearing.

- Class Representative Service Payment. A Class Representative Service Payment in an amount not more than \$25,000 to the Plaintiff as a service award, or such lesser amount as may be approved by the Court, to compensate him for services on behalf of the Class in initiating and prosecuting the Action, and for the risks he undertook. The amount stated is what Plaintiff will be requesting and the final amount to be paid will be decided at the Final Approval Hearing.
- PAGA Penalties. A payment of \$10,000 relating to Plaintiff's claim under PAGA, \$7,500 of which will be paid to the State of California's Labor and Workforce Development Agency ("LWDA"). The remaining \$2,500 will be distributed to the Aggrieved Employees as Individual PAGA Payments. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$2,500) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. "PAGA Pay Period" means any Pay Period during which an Aggrieved Employee worked for Defendant for at least one day during the PAGA Period, which is May 8, 2022 through December 21, 2024.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

Calculation of Payments to Class Members. After all of the payments of the court-approved Attorneys' Fees and Costs, the Class Representative Service Payment, the PAGA Penalties, and the Administration Expenses Payment are deducted from the Gross Settlement Amount, the remaining portion, the "Net Settlement Amount", shall be distributed as Individual Class Payments to the Participating Class Members. The Net Settlement Amount is estimated to be at least \$258,667. The Administrator will pay an Individual Class Payment from the Net Settlement Amount to each Participating Class Member. The Individual Class Payment for each Participating Class Member will be calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks. "Workweek" means any week during the Class Period in which a Class Member worked for Defendant as a Class Member for at least one day. The number of Workweeks will be based on Defendant's records; however, Class Members may challenge the number of Workweeks as explained below.

If the Settlement is approved by the Court and you do not exclude yourself, you will automatically be mailed a check for your Individual Class Payment and/or Individual PAGA Payment to the same address as this Class Notice. You do not have to do anything to receive a payment. If your address has changed, you must contact the Administrator to inform them of your correct address to ensure you receive your payment. If you do not inform the Administrator of an updated address, the Administrator's mailing of your settlement check to the address on file shall be deemed sufficient proof of delivery of your settlement proceeds.

Tax Matters. Fifteen Percent (15%) of each Participating Class Member's Individual Class Payment is in settlement of wage claims (the "Wage Portion"). Accordingly, the Wage Portion is subject to wage withholdings, and shall be reported on IRS Form W-2. Eighty-five Percent (85%) of each Participating Class Member's Individual Class Payment is in settlement of claims

for non-wages, expense reimbursement, interest and penalties allegedly due to employees (collectively the “Non-Wage Portion”). The Non-Wage Portion shall not be subject to wage withholdings and shall be reported on IRS Form 1099. The employee portion of all applicable income and payroll taxes will be the responsibility of the Participating Class Members. Neither Class Counsel nor Defendant’s Counsel intend anything contained in this Class Notice to constitute advice regarding taxes or taxability. The tax issues for each Participating Class Member are unique to him/her, and each Participating Class Member may wish to consult a tax advisor concerning the tax consequences of the payments received under the Settlement.

Conditions of Settlement. This Settlement and your receipt of the Individual Class Payment is conditioned upon the Court entering an order granting final approval of the Settlement and entering judgment.

The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. Plaintiff and Defendant have agreed that, in either case, the Settlement will be void: Defendant will not pay any money and Class Members will not release any claims against Defendant.

Need to Promptly Cash Payment Checks. The front of every check issued will show the date when the check expires (the void date). If you don’t cash it by the void date, your check will be automatically cancelled, and the funds represented by such checks remitted to the California Controller’s Unclaimed Property Fund in the name of the individual who failed to cash their check.

Administrator. The Court has appointed a neutral company, Apex Class Action LLC (the “Administrator”) to send this Notice, calculate and make payments, and process Class Members’ Requests for Exclusion. The Administrator will also decide Class Member challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator’s contact information is contained in Section 9 of this Notice.

4. What Do I Release Under the Settlement?

Released Class Claims. Upon the Effective Date and full funding of the Gross Settlement Amount, all Participating Class Members are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from the Released Class Claims. The “Released Class Claims” are all claims that were alleged, or reasonably could have been alleged, based facts stated in the Operative Complaint which occurred during the Class Period during employment in a non-exempt position in California, and any future amendments to the Operative Complaint, including, state wage and hour claims for any and all violations of California’s Labor Code and Unfair Competition Law based on Defendant’s failure to pay for all hours worked (including minimum, straight time, and overtime wages), failure to provide meal periods, failure to authorize and permit rest periods, failure to timely pay final wages at termination, failure to furnish accurate itemized wage statements, failure to indemnify employees for expenditures, failure to pay sick pay, and all damages interest, penalties, attorneys’ fees, costs, and other amounts recoverable under said causes of action under California law, to the extent permissible.

Except as expressly set forth in the Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

This means that, if you do not timely and formally exclude yourself from the settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant and any other Released Party about the Released Class Claims resolved by this Settlement. It also means that all of the Court's orders in the Action will apply to you and legally bind you.

Released PAGA Claims. Upon the Effective Date and full funding of the Gross Settlement Amount, all Aggrieved Employees and the LWDA are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from the Released PAGA Claims. The "Released PAGA Claims" are claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and the PAGA Notice, and any future amendments to the Operative Complaint, which occurred during the PAGA Period during employment in a non-exempt position in California. The Released PAGA Claims do not include other PAGA claims, underlying wage and hour claims, claims for wrongful termination, discrimination, unemployment insurance, disability and worker's compensation, and claims outside of the PAGA Period.

Released Parties. The Released Parties are: Defendant, defendant Frontier Communications of America, Inc., and defendant Frontier California, Inc., together with their former and present parent entities, directors, officers, shareholders, members, member managers, owners, agents, attorneys, representatives, insurers, affiliates, predecessors, successors, assigns and subsidiaries.

5. How much will my payment be?

You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek challenges based on your submission and on the Parties' counsel. The Administrator's decision is final. If you do not wish to participate in the Settlement, you may exclude yourself from the Class portion of the Settlement or "opt out." **If you opt out, you will not receive an Individual Class Payment from the Settlement, and you will not be bound by its terms, which means you will retain the right to sue Defendant for the Released Class Claims.** However, Aggrieved Employees who opt out will still be paid their allocation of the PAGA Penalties and will remain subject to the release of the Released PAGA Claims regardless of whether they submit a request for exclusion.

To opt out, you must submit to the Administrator a written, signed and dated request to opt-out postmarked no later than the Response Deadline which is _____. **[PROPOSED] PRELIMINARY APPROVAL
ORDER**

Hearing Date: _____
Hearing Time: _____

Judge: Hon. Benjamin F. Coats
Dept: 43

Date Filed: July 28, 2023
Trial Date: Not set

This matter came before the Honorable Benjamin F. Coats of the Superior Court of the
State of California, in and for the County Ventura, on _____ [DATE], for hearing on the
unopposed motion by Plaintiff Karl Vance ("Plaintiff") for preliminary approval of the Settlement

PRELIMINARY APPROVAL ORDER

1 with Defendant CS Contract Solutions, LLC (“Defendant”). The Court, having considered the
2 briefs, argument of counsel and all matters presented to the Court and good cause appearing,
3 hereby GRANTS Plaintiff’s Motion for Preliminary Approval of Class Action Settlement.
4

5 **IT IS HEREBY ORDERED:**

6 1. The Court preliminarily approves the Class Action and PAGA Settlement
7 Agreement (“Agreement”) attached as Exhibit ____ to the Declaration of Kyle Nordrehaug in
8 Support of Plaintiff’s Motion for Preliminary Approval of Class Action Settlement. This is based
9 on the Court’s determination that the Settlement set forth in the Agreement is within the range of
10 possible final approval, pursuant to the provisions of Section 382 of the California Code of Civil
11 Procedure and California Rules of Court, rule 3.769.

12 2. This Order incorporates by reference the definitions in the Agreement, and all
13 terms defined therein shall have the same meaning in this Order as set forth in the Agreement.

14 3. The Gross Settlement Amount that Defendant shall pay is Four Hundred Ninety
15 Thousand Dollars (\$490,000). It appears to the Court on a preliminary basis that the settlement
16 amount and terms are fair, adequate and reasonable as to all potential Class Members when
17 balanced against the probable outcome of further litigation and the significant risks relating to
18 certification, liability and damages issues. It further appears that investigation and research have
19 been conducted such that counsel for the Parties are able to reasonably evaluate their respective
20 positions. It further appears to the Court that the Settlement will avoid substantial additional costs
21 by all Parties, as well as avoid the delay and risks that would be presented by the further
22 prosecution of the Action. It further appears that the Settlement has been reached as the result of
23 serious and non-collusive, arm’s-length negotiations.

24 4. The Court preliminarily finds that the Settlement appears to be within the range of
25 reasonableness of a settlement that could ultimately be given final approval by this Court. The
26 Court has reviewed the monetary recovery that is being granted as part of the Settlement and
27 preliminarily finds that the monetary settlement made available to the Class is fair, adequate, and
28

1 reasonable when balanced against the probable outcome of further litigation and the significant
2 risks relating to certification, liability, and damages issues.

3 5. The Agreement specifies for an attorneys' fees award not to exceed one-third of the
4 Gross Settlement Amount, an award of litigation expenses incurred, not to exceed \$25,000, and a
5 proposed Class Representative Service Payment to the Plaintiff in an amount not to exceed
6 \$25,000, which are payable out of the Gross Settlement Amount. The Court will not approve the
7 amount of attorneys' fees and costs, nor the amount of any service award, until the Final Approval
8 Hearing. Plaintiff will be required to present evidence supporting these requests, including
9 lodestar, prior to final approval.

10 6. The Court recognizes that Plaintiff and Defendant stipulate and agree to
11 representative treatment and certification of a class for settlement purposes only. This stipulation
12 will not be deemed admissible in this or any other proceeding should this Settlement not become
13 final. For settlement purposes only, the Court conditionally certifies the Class which consists of
14 "all individuals employed by Defendant in California and classified as a non-exempt employee at
15 any time during the Class Period." The "Class Period" is July 28, 2019 through December 21,
16 2024.

17 7. The Court concludes that, for settlement purposes only, the Class meets the
18 requirements for certification under section 382 of the California Code of Civil Procedure in that:
19 (a) the Class is ascertainable and so numerous that joinder of all members of the Class is
20 impracticable; (b) common questions of law and fact predominate, and there is a well-defined
21 community of interest amongst the members of the Class with respect to the subject matter of the
22 litigation; (c) the claims of the Plaintiff are typical of the claims of the members of the Class; (d)
23 the Plaintiff will fairly and adequately protect the interests of the members of the Class; (e) a class
24 action is superior to other available methods for the efficient adjudication of this controversy; and
25 (f) counsel for the Class is qualified to act as counsel for the Class.

26 8. The Court provisionally appoints Plaintiff as the representative of the Class. The
27 Court provisionally appoints Norman B. Blumenthal, Kyle R. Nordrehaug, and Aparajit Bhowmik
28

1 of Blumenthal Nordrehaug Bhowmik De Blouw LLP as Class Counsel for the Class.

2 9. The Agreement provides for a PAGA Penalties out of the Gross Settlement
3 Amount of \$10,000, which shall be allocated \$7,500 to the Labor & Workforce Development
4 Agency (“LWDA”) as the LWDA’s 75% share of the settlement of civil penalties paid under this
5 Agreement pursuant to the PAGA and \$2,500 to the Aggrieved Employees as the Individual
6 PAGA Payments. “Aggrieved Employees” are all individuals employed by Defendant as non-
7 exempt employees in the State of California at any time during the PAGA Period (May 8, 2022
8 through December 21, 2024). The Administrator will calculate each Individual PAGA Payment
9 by (a) dividing the amount of the Aggrieved Employees’ 25% share of PAGA Penalties (\$2,500)
10 by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA
11 Period and (b) multiplying the result by each Aggrieved Employee’s PAGA Pay Periods.
12 Pursuant to Labor Code section 2699, subdivision (1)(2), the LWDA will be provided notice of the
13 Agreement and these settlement terms. The Court finds the PAGA Penalties to be reasonable.

14 10. The Court hereby approves, as to form and content, the Class Notice attached to the
15 Agreement as Exhibit A. The Court finds that the Class Notice appears to fully and accurately
16 inform the Class of all material elements of the proposed Settlement, of the Class Members’ right
17 to be excluded from the Class by submitting a written opt-out request, and of each member’s right
18 and opportunity to object to the Settlement. The Court further finds that the distribution of the
19 Class Notice substantially in the manner and form set forth in the Agreement and this Order meets
20 the requirements of due process, is the best notice practicable under the circumstances, and shall
21 constitute due and sufficient notice to all persons entitled thereto. The Court orders the mailing of
22 the Class Notice by first class mail pursuant to the terms set forth in the Agreement. If a Class
23 Notice Packet is returned because of an incorrect address, the Administrator will promptly search
24 for a more current address for the Class Member and re-mail the Class Notice Packet to any new
25 address for the Class Member no later than seven (7) days after the receipt of the undelivered
26 Class Notice.

1 11. The Court hereby appoints Apex Class Action LLC as the Administrator. No later
2 than fifteen (15) days after this Order, Defendant will provide the Class Data to the Administrator.
3 The Administrator will perform address updates and verifications as necessary prior to the first
4 mailing. Using best efforts to mail it as soon as possible, and in no event later than fourteen (14)
5 days after receiving the Class Data, the Administrator will mail the Class Notice Packet to all
6 Class Members via first-class regular U.S. Mail to their last known address.

7 12. The Court hereby preliminarily approves the proposed procedure for exclusion
8 from the Settlement. Any Class Member may individually choose to opt out of and be excluded
9 from the Class as provided in the Class Notice by following the instructions for requesting
10 exclusion from the Class that are set forth in the Class Notice. All requests for exclusion must be
11 postmarked or received no later than sixty (60) calendar days after the date of the mailing of the
12 Class Notice (“Response Deadline”). If a Class Notice Packet is re-mailed, the Response Deadline
13 for requests for exclusion will be extended an additional fourteen (14) days. A Request for
14 Exclusion may also be faxed or emailed to the Administrator as indicated in the Class Notice.
15 Any such person who chooses to opt out of and be excluded from the Class will not be entitled to
16 any recovery under the Class Settlement and will not be bound by the Class Settlement or have
17 any right to object, appeal or comment thereon. Class Members who have not requested exclusion
18 shall be bound by all determinations of the Court, the Agreement and the Judgment. A request for
19 exclusion may only opt out that particular individual, and any attempt to effect an opt-out of a
20 group, class, or subclass of individuals is not permitted and will be deemed invalid.

21 13. Any Class Member who has not opted out may appear at the final approval hearing
22 and may object or express the Member’s views regarding the Settlement and may present evidence
23 and file briefs or other papers that may be proper and relevant to the issues to be heard and
24 determined by the Court as provided in the Class Notice. Class Members will have until the
25 Response Deadline to submit their written objections to the Administrator. Written objections
26 may also be faxed or emailed to the Administrator as indicated in the Class Notice. If a Class
27 Notice Packet is re-mailed, the Response Deadline for written objections will be extended an
28

1 additional fourteen (14) days. Alternatively, Class Members may appear at the Final Approval
2 Hearing to make an oral objection.

3 14. A final approval hearing shall be held before this Court on _____
4 _____ at _____ in Department 43 of the Ventura County Superior Court to hear
5 the motion for final approval and for attorneys' fees and costs, and to determine all necessary
6 matters concerning the Settlement, including: whether the proposed settlement of the Action on
7 the terms and conditions provided for in the Agreement is fair, adequate and reasonable and
8 should be finally approved by the Court; whether the Final Approval Order and Judgment should
9 be entered herein; whether the plan of allocation contained in the Agreement should be approved
10 as fair, adequate and reasonable to the Class Members; and to finally approve attorneys' fees and
11 costs, service award, and the fees and expenses of the Administrator. All papers in support of the
12 motion for final approval and for attorneys' fees, costs and service award shall be filed with the
13 Court and served on all counsel no later than sixteen (16) court days before the hearing and the
14 motion shall be heard at this final approval hearing.

15 15. Neither the Settlement nor any exhibit, document, or instrument delivered
16 thereunder shall be construed as a concession or admission by Defendant in any way that the
17 claims asserted have any merit or that this Action was properly brought as a class or representative
18 action, and shall not be used as evidence of, or used against Defendant as, an admission or
19 indication in any way, including with respect to any claim of any liability, wrongdoing, fault or
20 omission by Defendant or with respect to the truth of any allegation asserted by any person.
21 Whether or not the Settlement is finally approved, neither the Settlement, nor any exhibit,
22 document, statement, proceeding or conduct related to the Settlement, nor any reports or accounts
23 thereof, shall in any event be construed as, offered or admitted in evidence as, received as or
24 deemed to be evidence for any purpose adverse to the Defendant, including, but not limited to,
25 evidence of a presumption, concession, indication or admission by Defendant of any liability,
26 fault, wrongdoing, omission, concession or damage.

16. In the event the Settlement does not become effective in accordance with the terms of the Agreement, or the Settlement is not finally approved, or is terminated, canceled or fails to become effective for any reason, this Order shall be rendered null and void and shall be vacated, and the Parties shall revert to their respective positions as of before entering into the Agreement, and expressly reserve their respective rights regarding the prosecution and defense of this Action, including all available defenses and affirmative defenses, and arguments that any claim in the Action could not be certified as a class action and/or managed as a representative action . In such an event, the Court's orders regarding the Settlement, including this Order, shall not be used or referred to in litigation for any purpose. Nothing in this paragraph is intended to alter the terms of the Agreement with respect to the effect of the Agreement if it is not approved.

17. The Court reserves the right to adjourn or continue the date of the final approval hearing and all dates provided for in the Agreement without further notice to Class Members and retains jurisdiction to consider all further applications arising out of or connected with the proposed Settlement.

IT IS SO ORDERED.

FINAL APPROVAL ORDER AND JUDGMENT

1 The unopposed motion of Plaintiff Karl Vance (“Plaintiff”) for an order finally approving
2 the Class Action and PAGA Settlement Agreement (“Agreement”) with Defendant CS Contract
3 Solutions, LLC (“Defendant”), attorneys’ fees and costs, service payment, and the expenses of the
4 Administrator duly came on for hearing on _____ before the Honorable Benjamin F.
5 Coats.

6 **I.**

7 **FINDINGS**

8 Based on the oral and written argument and evidence presented in connection with the
9 motion, the Court makes the following findings:

10 1. All terms used herein shall have the same meaning as defined in the Agreement.

11 2. This Court has jurisdiction over the subject matter of this litigation pending before
12 the Superior Court for the State of California, in and for the County of Ventura, and over all
13 Parties to this litigation, including the Class.

14 3. Based on a review of the papers submitted by Plaintiffs and a review of the
15 applicable law, the Court finds that the Gross Settlement Amount of is Four Hundred Ninety
16 Thousand Dollars (\$490,000) and the terms set forth in the Agreement are fair, reasonable, and
17 adequate. The Gross Settlement Amount will be used to pay Individual Class Payments, Individual
18 PAGA Payments, the LWDA PAGA Payment, Class Counsel Fees Payment, Class Counsel
19 Litigation Expenses Payment, Class Representative Service Payment, and the Administration
20 Expenses Payment. This Gross Settlement Amount is an all-in amount without any reversion to
21 Defendant, and excludes any employer payroll taxes, if any, due on the portion of the Individual
22 Class Payments allocated to wages which shall not be paid from the Gross Settlement and shall be
23 the separate additional obligation of Defendant.

24 4. The Court further finds that the Settlement was the result of arm’s length
25 negotiations conducted after Class Counsel had adequately investigated the claims and became
26 familiar with the strengths and weaknesses of those claims. In particular, the amount of the
27 Settlement, and the assistance of an experienced mediator in the settlement process, among other
28

1 factors, support the Court's conclusion that the Settlement is fair, reasonable, and adequate.

2 **Preliminary Approval of the Settlement**

3 5. On _____, the Court granted preliminary approval of the Settlement. At
4 this same time, the Court approved conditional certification of the Class for settlement purposes
5 only. The Court confirms this Order and finally approves the settlement and the certification of the
6 Class.

7 **Notice to the Class**

8 6. In compliance with the Preliminary Approval Order, the Court-approved Class
9 Notice was mailed by first class mail to members of the Class at their last-known addresses on or
10 about _____. Mailing of the Class Notice to their last-known addresses was the best
11 notice practicable under the circumstances and was reasonably calculated to communicate actual
12 notice of the litigation and the proposed settlement to the Class. The Class Notice given to the
13 Class Members fully and accurately informed the Class Members of all material elements of the
14 proposed Settlement and of their opportunity to object to or comment thereon or to seek exclusion
15 from the Settlement; was valid, due, and sufficient notice to all Class Members; and complied
16 fully with the laws of the State of California, the United States Constitution, due process and other
17 applicable law. The Class Notice fairly and adequately described the Settlement and provided
18 Class Members adequate instructions and a variety of means to obtain additional information.

19 7. The Response Deadline for opting out or submitting written objections to the
20 Settlement was _____, which for re-mailings was extended by fourteen (14) days. There
21 was an adequate interval between notice and the deadline to permit Class Members to choose what
22 to do and to act on their decision. A full and fair opportunity has been afforded to the Class
23 Members to participate in this hearing, and all Class Members and other persons wishing to be
24 heard have had a full and fair opportunity to be heard. Class Members also have had a full and
25 fair opportunity to exclude themselves from the proposed Settlement and Class. Accordingly, the
26 Court determines that all Class Members who did not timely and properly submit a request for
27 exclusion are bound by the Settlement and this Final Approval Order and Judgment.

1 **Fairness of the Settlement**

2 8. The Agreement is entitled to a presumption of fairness. *Dunk v. Ford Motor Co.*
3 48 Cal.App.4th 1794, 1801 (1996).

4 a. The settlement was reached through arm's-length bargaining between the
5 Parties during an all-day mediation before Hon. Carl J. West (Ret.), an experienced mediator of
6 wage and hour class actions. There has been no collusion between the Parties in reaching the
7 Settlement.

8 b. Plaintiff and Class Counsel's investigation and discovery have been
9 sufficient to allow the Court and counsel to act intelligently.

10 c. Counsel for all Parties are experienced in similar employment class action
11 litigation. All counsel recommended approval of the Agreement.

12 d. The percentage of objectors and requests for exclusion is small. ____
13 objections were received. _____ requests for exclusion were received.

14 e. The participation rate was high. _____ Class Members will be mailed a
15 settlement payment, representing ____% of the overall Class.

16 9. The consideration to be given to the Class Members under the terms of the
17 Agreement is fair, reasonable and adequate considering the strengths and weaknesses of the claims
18 asserted in this action and is fair, reasonable and adequate compensation for the release of the
19 Released Class Claims and Released PAGA Claims, given the uncertainties and significant risks
20 of the litigation and the delays which would ensue from continued prosecution of the action.

21 10. The Agreement is finally approved as fair, adequate and reasonable and in the best
22 interests of the Class Members.

23 **Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment**

24 11. From the Gross Settlement Amount, an award of \$_____ for attorneys'
25 fees, representing one-third of the Gross Settlement Amount, and \$_____ for litigation
26 costs and expenses, is reasonable, in light of the contingent nature of Class Counsel's fee, the
27
28

1 hours worked by Class Counsel, and the results achieved by Class Counsel. The requested award
2 has been supported by Class Counsel's lodestar and billing statement.

3 **Class Representative Service Payment**

4 12. The Agreement provides for a Class Representative Service Payment of not more
5 than \$25,000 to the Plaintiff, subject to the Court's approval. The Court finds that Class
6 Representative Service Payment in the amount of \$ _____ from the Gross Settlement
7 Amount to the Plaintiff is reasonable in light of the risks and burdens undertaken by the Plaintiff
8 in this litigation and for his time and effort in bringing and prosecuting this matter on behalf of the
9 Class.

10 **Administration Expenses Payment**

11 13. The Administrator shall calculate and administer the payment not to exceed \$8,000
12 to be made to the Class Members, transmit payment for attorneys' fees and costs to Class Counsel,
13 transmit the Class Representative Service Payment to the Plaintiff, issue all required tax reporting
14 forms, calculate withholdings and perform the other remaining duties set forth in the Agreement.
15 The Administrator has documented \$ _____ in fees and expenses, and this amount is
16 reasonable in light of the work performed by the Administrator.

17 **PAGA Penalties**

18 14. The Agreement provides for a PAGA Penalties out of the Gross Settlement
19 Amount of \$10,000, which shall be allocated \$7,500 to the Labor & Workforce Development
20 Agency ("LWDA") as the LWDA's 75% share of the settlement of civil penalties and \$2,500 to
21 the Aggrieved Employees as the Individual PAGA Payments pursuant to the PAGA. The
22 Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the
23 Aggrieved Employees' 25% share of PAGA Penalties (\$2,500) by the total number of PAGA Pay
24 Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the
25 result by each Aggrieved Employee's PAGA Pay Periods. "Aggrieved Employees" are all
26 individuals employed by Defendant as non-exempt employees in the State of California at any
27 time during the PAGA Period (May 8, 2022 through December 21, 2024). Pursuant to Labor
28

1 Code section 2699, subdivision (1)(2), the LWDA was provided notice of the Agreement and these
2 settlement terms and has not indicated any objection thereto. The Court finds the PAGA Penalties
3 to be reasonable.

4 **II.**
5 **ORDERS**

6 Based on the foregoing findings, and good cause appearing, IT IS HEREBY ORDERED:

7 15. The Class is certified for the purposes of settlement only. The Class is defined as
8 follows:

15 best interest of the Class. Defendant will pay to the Administrator 50% of the Gross Settlement
16 Amount and all employer-side payroll taxes due within the later of sixty (60) days of the Effective

25 20. The payment of \$_____ to the Administrator for its fees and expenses
26 from the Gross Settlement Amount is approved.
27
28

2 the Gross Settlement Amount and allocated in accordance with the Agreement.

3 22. Pursuant to Labor Code section 2699, subdivision (1)(2), Class Counsel shall
4 submit a copy of this Final Approval Order and Judgment to the LWDA within 10 days after its
5 entry.

6 23. Neither the Agreement nor this Settlement is an admission by Defendant, nor is this
7 Final Approval Order and Judgment a finding, of the validity of any claims in the Action or of any
8 wrongdoing by Defendant or that this Action is appropriate for class or representative treatment
9 (other than for settlement purposes). Neither this Final Approval Order and Judgment, the
10 Agreement, nor any document referred to herein, nor any action taken to carry out the Agreement
11 is, may be construed as, or may be used as an admission by or against Defendant of any fault,
12 wrongdoing or liability whatsoever. The entering into or carrying out of the Agreement, and any
13 negotiations or proceedings related thereto, shall not in any event be construed as, or deemed to be
14 evidence of, an admission or concession with regard to the denials or defenses by Defendant.
15 Notwithstanding these restrictions, Defendant may file in the Action or in any other proceeding
16 this Final Approval Order and Judgment, the Agreement, or any other papers and records on file in
17 the Action as evidence of the Settlement to support a defense of *res judicata*, collateral estoppel,
18 release, or other theory of claim or issue preclusion or similar defense as to the Released Class
19 Claims and/or Released PAGA Claims.

20 24. Notice of entry of this Final Approval Order and Judgment shall be given to all
21 Parties by Class Counsel on behalf of Plaintiff and all Class Members. The Final Approval Order
22 and Judgment shall be posted on the Administrator's settlement website as set forth in the Class
23 Notice to the Class. It shall not be necessary to send notice of entry of this Final Approval Order
24 and Judgment to individual Class Members.

25 25. If the Agreement does not become final and effective in accordance with the terms
26 of the Agreement, then this Final Approval Order and Judgment, and all orders entered in
27 connection herewith, shall be rendered null and void and shall be vacated, and the Parties shall
28

1 revert to their respective positions as of before entering into the Agreement, and expressly reserve
2 their respective rights regarding the prosecution and defense of this Action, including all available
3 defenses and affirmative defenses, and arguments that any claim in the Action could not be
4 certified as a class action and/or managed as a representative action.

5 **IT IS HEREBY ORDERED, ADJUDICATED AND DECREED THAT:**

6 26. Except as set forth in the Agreement and this Final Approval Order and Judgment,
7 Plaintiff, and all members of the Class, shall take nothing in the Action.

8 27. All Parties shall bear their own attorneys' fees and costs, except as otherwise
9 provided in the Agreement and in this Final Approval Order and Judgment.

10 28. Effective on the date when Defendant fully funds the entire Gross Settlement
11 Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class
12 Payments, Plaintiffs, Participating Class Members, Aggrieved Employees and the LWDA will
13 release claims against all Released Parties as follows:

14 (a) All Participating Class Members are deemed to release, on behalf of
15 themselves and their respective former and present representatives, agents, attorneys, heirs,
16 administrators, successors, and assigns, the Released Parties from the Released Class Claims. The
17 "Released Class Claims" are all claims that were alleged, or reasonably could have been alleged,
18 based facts stated in the Operative Complaint which occurred during the Class Period during
19 employment in a non-exempt position in California, and any future amendments to the Operative
20 Complaint, including, state wage and hour claims for any and all violations of California's Labor
21 Code and Unfair Competition Law based on Defendant's failure to pay for all hours worked
22 (including minimum, straight time, and overtime wages), failure to provide meal periods, failure to
23 authorize and permit rest periods, failure to timely pay final wages at termination, failure to
24 furnish accurate itemized wage statements, failure to indemnify employees for expenditures,
25 failure to pay sick pay, and all damages interest, penalties, attorneys' fees, costs, and other
26 amounts recoverable under said causes of action under California law, to the extent permissible.
27 Except as expressly set forth in the Agreement, Participating Class Members do not release any

14 Period during employment in a non-exempt position in California. The Released PAGA Claims
15 do not include other PAGA claims, underlying wage and hour claims, claims for wrongful
16 termination, discrimination, unemployment insurance, disability and worker's compensation, and
17 claims outside of the PAGA Period.

18 (c) Plaintiff and his respective former and present spouses, representatives,
19 agents, attorneys, heirs, administrators, successors, and assigns generally, release and discharge
20 Released Parties from the Plaintiff's Release, as set forth fully in the Agreement.

21 29. For any Class Member or Aggrieved Employee whose Individual Class Payment
22 check or Individual PAGA Payment check is uncashed and cancelled after the void date, the
23 Administrator shall transmit the funds represented by such checks to the California Controller's
24 Unclaimed Property Fund in the name of the Class Member and/or Aggrieved Employee thereby
25 leaving no "unpaid residue" subject to the requirements of California Code of Civil Procedure
26 Section 384, subd. (b).

1 30. The Court hereby enters judgment in the entire Action as of the filing date of this
2 Order and Judgment, pursuant to the terms set forth in the Settlement. Without affecting the
3 finality of this Order and Judgment in any way, the Court hereby retains continuing jurisdiction
4 over the interpretation, implementation, and enforcement of the Settlement and all orders entered
5 in connection therewith pursuant to California Code of Civil Procedure section 664.6.

6 **LET JUDGMENT BE FORTHWITH ENTERED ACCORDINGLY. IT IS SO ORDERED.**

The methodology of calculation and benchmarking for this Updated Laffey Matrix has been approved in a number of cases. See, e.g., *DL v. District of Columbia*, 267 F.Supp.3d 55, 69 (D.D.C. 2017)

* $i_{\frac{1}{2}}$ Years Out of Law School $i_{\frac{1}{2}}$ is calculated from June 1 of each year, when most law students graduate. $i_{\frac{1}{2}}1-3$ " includes an attorney in his 1st, 2nd and 3rd years of practice, measured from date of graduation (June 1). $i_{\frac{1}{2}}4-7$ " applies to attorneys in their 4th, 5th, 6th and 7th years of practice. An attorney who graduated in May 1996 would be in tier $i_{\frac{1}{2}}1-3$ " from June 1, 1996 until May 31, 1999, would move into tier $i_{\frac{1}{2}}4-7$ " on June 1, 1999, and tier $i_{\frac{1}{2}}8-10$ " on June 1, 2003.

Case No. 2023CUOE012162

**DECLARATION OF KARL VANCE IN
SUPPORT OF THE MOTION FOR
PRELIMINARY APPROVAL OF
CLASS SETTLEMENT**

Hearing Date: March 25, 2025

Hearing Time: 8:30 AM

Judge: Hon. Benjamin F. Coats

Dept: 43

Complaint Filed: July 28, 2023

Trial Date: Not Set

1 I, Karl Vance, declare as follows:

2 1. I am over the age of eighteen, a Plaintiff and a proposed Class Representative in the
3 above-entitled matter. I submit this declaration in support of the Motion for Preliminary
4 Approval of Class Settlement and in support of my application for a Class Representative
5 Service Payment.
6

7 2. I have personal knowledge of all the facts stated herein. I could and would competently
8 testify under oath to these facts in court if requested to do so.

9 3. During the class period I worked as an Installation Technician for Defendant CS Contract
10 Solutions, LLC ("Defendant" or CCS") in California and during that time period, I was classified
11 by CCS as a non-exempt employee.
12

13 4. I retained my attorneys who are experienced in both class action and PAGA
14 representative action litigation and claims against employers for violations of the California
15 Labor Code. I have no personal relationship or family ties to my attorneys or any officer of the
16 Court. I am not aware of having any actual or potential conflicts of interest with another class
17 member in this case nor am I aware of having any actual or potential conflicts of interest with
18 Apex Class Action, LLC, the settlement administrator. I am not aware of any other pending
19 matter or action asserting claims that will be extinguished or adversely affected by this
20 settlement.
21

22 5. I decided to pursue this class action lawsuit and be a plaintiff/class representative because
23 I felt that my legal rights as an employee and others like me were violated. For example, I often
24 did not receive compliant meal and rest breaks which were late, interrupted or missed entirely. I
25 also did not receive all the meal and rest break premiums I was entitled to and when I did receive
26 premium payments, they were often an incorrect amount. Furthermore, from time to time I
27

1 worked off the clock without compensation for my time worked. As another example, I was
2 expected to use my personal cellular phone for the benefit of Defendant's business operations
3 without required reimbursement.

4
5 6. I spoke to my attorneys several times and discussed how CCS implemented its company
6 policies and procedures. I also assisted my attorneys in their investigation into my claims by
7 providing them documents and answering their questions. I reviewed the complaint before it
8 was filed and after it was filed I was given access to an electronic file sharing program that
9 alerted me via email when important documents were filed so that I could review them and keep
10 up with the developments in the case which I understood was one of my duties as a class
11 representative. Furthermore, I would also contact my attorneys from time to time if I had any
12 questions about the case.

13
14 7. Even though this action is in the process of settling, I was and remain prepared to
15 perform all the duties of a class representative. I understand that as a class representative I have
16 assumed a fiduciary responsibility to prosecute this class action on behalf of the absent class
17 members. I have understood that as a fiduciary, I have a duty to prosecute this action for the
18 benefit of the class members and surrender any right to compromise the group action for an
19 individual gain.

20
21 8. I understood that being a plaintiff/class representative in this case meant that I was
22 seeking damages not only for myself but also other current and/or former non-exempt employees
23 working for CCS in California who make up the class. I felt that these individuals were not
24 aware of their labor law rights and even if they were they would probably be apprehensive about
25 speaking up or even simply because of the time, effort and risk involved in filing a class action
26 lawsuit.

1 9. I understood that being a part of this lawsuit involved risks. For example, my attorneys
2 explained to me that if the case went to trial and we lost, I could be held responsible to pay for all
3 or part of the attorney fees and costs paid by CCS to defend this lawsuit. Also, I knew there was
4 a risk that future employers, if they ever find out about this lawsuit, could hold it against me or
5 downgrade me as a potential hire. As the only named Plaintiff in this case it would not be
6 difficult for a future employer to become aware that I sued my employer for labor law violations.
7 Ultimately, I decided these risks were worth it and decided to fight for my rights and the rights of
8 others regardless of the risks, time and effort I spent on this case.

10 10. During the lawsuit I stayed in touch with my attorneys by phone and email. I also kept up
11 to date on important developments by reviewing court filings that were made available to me
12 electronically as I described above.

14 11. A mediation took place on October 21, 2024 with Hon. Carl J. West (Ret.), a well-
15 respected and experienced mediator of wage and hour class actions. After the mediation the
16 parties were able to reach an agreement to settle the action. I communicated with my attorneys
17 regarding the terms of the settlement which was reached between the parties and understood that
18 I was representing absent class members and therefore wanted the best possible result to be
19 obtained for the class members and I believe a very positive result was in fact achieved via
20 settlement. I reviewed and signed the Memorandum of Understanding on October 23, 2024 and
21 when the final settlement papers were ready, I closely reviewed the Class Action and PAGA
22 Action Settlement Agreement, which I signed on January 22, 2025.

24 12. I have been actively involved with this lawsuit performing the duties described above.
25 Although I did not keep time records, I was in regular contact with my attorneys, reviewed court
26 filings, and spent a significant amount of time on the issues presented during the lawsuit and in
27

1 the settlement process. I estimate that I spent approximately 30-40 hours working on this case
2 up until this point. I believe I have been diligent and have done what is expected of a named
3 plaintiff and a proposed class representative to date and will continue to do so. I have and always
4 will maintain the best interest of the class members.

5
6 13. My attorneys explained to me that the settlement process involves a two-step review by
7 the Court to determine whether the settlement is fair before approving the settlement. I know
8 this process also involves notifying all class members of the settlement terms and of their rights
9 to make a claim for their settlement share, to opt out of the settlement or to object to the
10 settlement.

11
12 14. I believe I did the right thing by filing this case on behalf of the class members who,
13 subject to court approval, are in line to receive monetary payments as a result of this case and
14 settlement. This is money they may never have ever gotten if I did not pursue this action on their
15 behalf. I feel significant personal satisfaction to know that I played a role in the class members
16 being entitled to monetary payments as a result of the filing of this lawsuit. I also believe that
17 the requested Class Representative Service Payment of \$25,000 from the settlement is fair
18 compensation for the work I performed and the risks I undertook.

19
20 15. As part of the settlement it was necessary for me to sign a general release of all claims I
21 may have against CCS. I believe the Class Representative Service Payment I have requested
22 provides me with some compensation for this agreed release.

23
24 16. In light of all the time and effort I have spent on this case, the risk I undertook by suing
25 my employer, the exposure to being responsible for paying Defendant's costs in the event we did
26 not win the case, the reputational risk that future employers may hold this lawsuit against me, the
27 general release and in light of the size of the settlement, I believe the request for \$25,000 as a

1 Class Representative service payment is fair and reasonable.

2 I declare under penalty of perjury under the laws of the State of California that the
3 foregoing is true and correct.
