Attorneys for Plaintiff

**SUPERIOR COURT OF THE STATE OF CALIFORNIA
FOR THE COUNTY OF SONOMA**

DAVID LOCKHART, individually, and on
behalf of all others similarly situated,

Plaintiff,

v.

HABITAT FOR HUMANITY OF SONOMA
COUNTY, a California corporation; HABITAT
FOR HUMANITY, INC., a Georgia
corporation, and DOES 1 through 10,
inclusive,

Defendants.

Case No.: SCV-273164

*Assigned for all purposes to:
Hon. Kenneth G. English
Courtroom 18*

**NOTICE OF MOTION AND MOTION
FOR FINAL APPROVAL OF CLASS
ACTION AND PAGA SETTLEMENT**

FINAL APPROVAL HEARING

Date: September 10, 2025

Time: 3:00 p.m.

Dept: 18

1 **TO ALL INTERESTED PARTIES AND THEIR ATTORNEYS OF RECORD:**

2 **PLEASE TAKE NOTICE** that on September 10, 2025 at 3:00 p.m., or as soon thereafter
3 as the matter may be heard in Department 18 of the above-entitled Court located at 3055
4 Cleveland Avenue, Santa Rosa, CA 95403, Plaintiff David Lockhart (“Plaintiff”) will and hereby
5 does move this Court for an Order:

- 6 1. Granting final approval of the proposed Class Action and PAGA Settlement
7 Agreement;
- 8 2. Awarding Class Counsel attorneys’ fees in the amount of \$36,666.66 and
9 reimbursement of litigation costs in the amount of \$11,994.18;
- 10 3. Awarding Plaintiff a Class Representative Service Payment in the amount of
11 \$7,500.00;
- 12 4. Awarding \$6,850.00 to ILYM Group, Inc. (“ILYM”) for its settlement
13 administration expenses; and
- 14 5. Approving allocation of \$10,000.00 as civil penalties under the Private Attorneys’
15 General Act of 2004 (“PAGA”), 75% of which (\$7,500.00) will be paid to the
16 California Labor and Workforce Development Agency, and 25% of which
17 (\$2,500.00) will be distributed to Aggrieved Employees based on the number of
18 pay periods worked during the PAGA Period.

19 This Motion is based on this Notice of Motion, Memorandum of Points and Authorities,
20 the Declaration of John G. Yslas, the Declaration of Garvin Brown, the Declaration of David
21 Lockhart, the Declaration of Nichole Wimbiscus, and on all records and documents on file,
22 together with such oral and documentary evidence that may be presented at the hearing on this
23 matter.

I. INTRODUCTION

Plaintiff David Lockhart (“Plaintiff”) seeks final approval of a non-reversionary Gross Settlement Amount of \$110,000. The Class Action and PAGA Settlement Agreement (“Settlement”) provides that the deductions will be made from the Gross Settlement Amount:

1. Attorneys’ fees in the amount of up to \$36,666.66;
2. Litigation costs in the amount of up to \$11,994.18;
3. A Class Representative Service Payment of up to \$7,500.00;
4. Settlement administration expenses of up to \$6,850.00; and
5. Civil penalties in the amount of \$10,000.00 for claims under the Private Attorneys’ General Act of 2004 (“PAGA”), 75% of which (\$7,500.00) will be paid to the California Labor and Workforce Development Agency (“LWDA”), and 25% of which (\$2,500.00) will be distributed to Aggrieved Employees based on the number of pay periods worked during the PAGA Period. *See* Settlement §§ 3.2.5, 3.2.5.1; *see also* Declaration of Garvin Brown (“Brown Decl.”), at ¶ 15.

After all deductions are made, the Net Settlement Amount will be distributed to 44 Class Members as of the filing of this Motion for Final Approval of Class Action and PAGA Settlement (the “Motion”) (“Participating Class Members” or “Settlement Class Member”) based on the number of weeks worked during the Class Period. Brown Decl. at ¶15.

The proposed Settlement is a product of diligent efforts, litigation, arm’s length negotiations, and informal discovery that resulted in the best possible outcome for the Class. By resolving this matter now, Class Members will receive a guaranteed recovery without risk of nonpayment, delay, or an adverse judgment at trial.

There are no objections to the Settlement and no requests for exclusion. Brown Decl., ¶¶ 11,12. The Participating Class Members will receive an average settlement payment of \$840.66, with the highest payout reaching \$2,555.82. Brown Decl. at ¶16. Aggrieved Employees will receive an average settlement payment of \$73.53, with the highest payout reaching \$127.68. *Id.* at ¶ 17. In light of the Class’s favorable response, and the facts and law set forth below as well as in the motion for preliminary approval, Plaintiff respectfully requests that the Court now

enter an Order: (1) granting final approval of the Settlement; (2) entering final judgment; (3) requiring distribution of individual settlement shares to Participating Class Members; and (4) approving payments for attorneys’ fees, litigation costs, the Class Representative Service Payment, Settlement Administration Expenses, and civil penalties under PAGA.

II. THE SETTLEMENT MERITS FINAL APPROVAL

In deciding whether to grant final approval of a class action settlement, California courts consider whether the settlement is “fair, adequate, and reasonable.” *Dunk v. Ford Motor Co.*, 48 Cal.App.4th 1794, 1801 (1996). In evaluating whether a settlement is fair, adequate, and reasonable, courts evaluate the following factors: (1) the strength of the plaintiff’s case; (2) the risk, expense, complexity and duration of further litigation; (3) the risk of maintaining class action status through trial; (4) the amount offered in settlement; (5) the extent of discovery completed and the stage of the proceedings; (6) the experience and views of counsel; (7) the presence of a governmental participant; and (8) the reaction of class members to the proposed settlement. *Id.*

A. A Presumption of Fairness Exists

While the burden is on the proponent to demonstrate that a proposed settlement is fair, adequate, and reasonable, “a presumption of fairness exists where: (1) the settlement is reached through arm’s length bargaining; (2) investigation is sufficient to allow counsel and the court to act intelligently; (3) counsel is experienced in similar litigation; and (4) the percentage of objectors is small.” *Id.* at 1802.

At preliminary approval, Plaintiff presented evidence that this Settlement is entitled to a presumption of fairness because: (1) it was reached through arm’s length bargaining with the assistance of an experienced mediator; (2) Plaintiff conducted a thorough investigation through informal discovery and an analysis of Class Members’ time and payroll records; and (3) Plaintiff’s Counsel is experienced in similar litigation. *See* Declaration of John G. Yslas in Support of Motion for Preliminary Approval of Class Action and PAGA Settlement (“Yslas MPA Decl.”) filed January 10, 2025 at ¶¶ 6-10, 40-50. Since preliminary approval, none of the Class Members have opted out and none have objected. *See* Brown Decl. at ¶¶ 11-13. Therefore,

1 the Court can confidently conclude that a presumption of fairness exists.

2 **B. The Strength of Plaintiff’s Claims, and the Risks, Expense, Complexity, and**
3 **Likely Duration of Further Litigation as a Class Action Through Trial**

4 Courts are not required to ensure that a settlement maximizes the value of released claims
5 with mathematical precision. “[T]he test is not the maximum amount plaintiffs might have
6 obtained at trial on the complaint, but rather whether the settlement is reasonable under all of
7 the circumstances.” *Wershba v. Apple Computer, Inc.* 91 Cal.App.4th 224, 250 (2001),
8 disapproved of on other grounds by *Hernandez v. Restoration Hardware, Inc.*, 4 Cal.5th 260,
9 269-270 (2018); *see also 7-Eleven Owners for Fair Franchising v. Southland Corp.*, 85
10 Cal.App.4th 1135, 1150 (2000) (“the merits of the underlying class claims are not a basis for
11 upsetting the settlement of a class action; the operative word is ‘settlement.’”). The relevant
12 circumstances include the strengths and weaknesses of plaintiffs’ claims and the risks they faced
13 in litigation. *7-Eleven*, 85 Cal.App.4th at 1146.

14 Here, Plaintiff presented sufficient information at preliminary approval regarding the
15 number of class members and an estimate of the maximum value of each of the claims alleged.
16 *See* Yslas MPA Decl. at ¶¶ 16-29. Plaintiff has also described in detail the risks the Class faced
17 in litigation and the strengths and weaknesses of each of the claims. *See id.* Plaintiff noted
18 potential difficulties in obtaining class certification and succeeding on the merits at trial. *See*
19 *id.* The factual record here is sufficiently developed to allow the Court to independently satisfy
20 itself “that the consideration being received for the release of the class members’ claims is
21 reasonable in light of the strengths and weaknesses of the claims and the risks of the particular
22 litigation.” *Munoz v. BCI Coca-Cola Bottling Co. of Los Angeles*, 186 Cal.App.4th 399, 410
23 (2010).

24 **C. The Amount Offered in Settlement**

25 The Settlement provides a \$110,000.00 Gross Settlement Amount (“GSA”) to be
26 distributed among the 44 Class Members who did not opt out as of the date of this filing. Brown
27 Decl. at ¶¶ 11-13, 15. The Gross Settlement Amount will be used to pay Class Counsel’s
28 attorneys’ fees and costs, Plaintiff’s Class Representative Service Payment, and ILYM Group,

1 Inc. (“ILYM”) for its administration of the Class Notice and settlement funds. *Id.* at ¶ 15. The
2 Settlement also allocates \$10,000.00 from the Gross Settlement Amount to civil penalties under
3 PAGA. *See* Settlement at ¶ 3.2.5; *see also* Brown Decl. ¶ 15. After all deductions are made, the
4 Net Settlement Amount will be \$36,989.16, which will be distributed to Participating Class
5 Members according to the number of weeks they worked for Defendant during the Class Period.
6 *See* Settlement at ¶ 3.2.4; *see also* Brown Decl. ¶ 15.

7 The Settlement Administrator has calculated a total of 3,951 workweeks in the Class
8 Period. Brown Decl. at ¶ 14; *see also* Declaration of Nichole Wimbiscus ISO MFA (“Wimbiscus
9 Decl.”), ¶5. As a result, the average recovery for Participating Class Members is \$840.66, and
10 the highest payout is \$2,555.82. Brown Decl. at ¶ 16. Weighing the potential value of the class
11 claims against the risk and expense of trial, the Settlement provides sufficient relief in light of
12 the potential risks associated with seeking a class judgment.

13 **D. The Extent of Discovery Completed and the Stage of the Proceedings**

14 Class Counsel sufficiently investigated the alleged claims, applicable law, and potential
15 defenses. *See* Yslas MPA Decl. at ¶ 5. Specifically, Class Counsel assessed the value of the
16 claims using data and documents provided by Defendant in informal discovery, which included
17 policy documents and timekeeping and payroll records. *See id.* Following a complete analysis
18 of this information, the Parties attended mediation on January 22, 2024 with an experienced
19 mediator. *Id.* at ¶ 7. The Parties were able to reach an agreement and spent the next several
20 months negotiating the terms of the Settlement. *Id.* at ¶¶ 8-10.

21 **E. The Experience and Views of Counsel**

22 Plaintiff is represented by Wilshire Law Firm, PLC. Declaration of John G. Yslas in
23 Support of Motion for Final Approval of Class Action and PAGA Settlement (“Yslas MFA
24 Decl.”) at ¶ 3. Class Counsel prosecute wage and hour cases, including class and representative
25 actions. *Id.* at ¶¶ 4, 5. Class Counsel has litigated many wage and hour cases and have
26 successfully resolved cases involving similar issues presented in this matter. *Id.* at ¶¶ 4-15. Class
27 Counsel has negotiated a settlement here that they believe is fair, reasonable, and adequate based
28 on their prior experience litigating these types of cases. *Id.* at ¶ 21.

1 **F. The Presence of a Government Participant**

2 The LWDA has received the required notice of this Settlement. Yslas MPA Decl. at ¶10.
3 On August 30, 2023, Plaintiff provided notice to the LWDA of his intention to file a PAGA
4 claim. *Id.* at ¶ 4. The Settlement provides for the payment of \$10,000.00 in civil penalties, 75%
5 of which (\$7,500.00) will be paid to the LWDA, and 25% of which (\$2,500.00) will be paid to
6 Aggrieved Employees based on the number of pay periods worked during the PAGA Period.
7 *See* Brown Decl. at ¶ 15; *see also* Settlement at §§ 3.2.5, 3.2.5.1. Plaintiff submitted a copy of
8 the Class Action and PAGA Settlement Agreement to the LWDA. Yslas MPA Decl. at ¶ 10,
9 Exhibit 3. The LWDA has not responded to or objected to the Settlement. Yslas MFA Decl. at
10 ¶22.

11 **G. The Reaction of Class Members to the Proposed Settlement**

12 Class Members’ reaction to the Settlement has been favorable. A court may properly
13 infer that a class action settlement is fair, reasonable, and adequate when few class members
14 object to or opt out of it. *Lealo v. Beneficial California, Inc.*, 82 Cal.App.4th 19, 51 (2000).

15 When the Court granted preliminary approval, it also approved the method of providing
16 notice to Class Members. Following a search of the National Change of Address database,
17 ILYM mailed the Class Notice to all Class Members on June 6, 2025. Brown Decl. at ¶¶ 6, 7.
18 The Class Notice informed Class Members of the terms of the Settlement, the amount of their
19 individual settlements and how those amounts were calculated, their right to either participate
20 in the Settlement, opt out of it, object to it, or dispute the amount of their individual settlement
21 payment, the procedures and deadlines to submit an opt out, objection, or dispute, and the date,
22 time, and place of the hearing on Plaintiff’s Motion for Final Approval and instructions to be
23 heard at the hearing. *Id.* at ¶ 7, Exhibit A. Here, in response to the Class Notice, zero (0) Class
24 Members opted out, and none objected as of the date of the filing of this Motion. *Id.* at ¶¶ 11,
25 12, 13. Class Members’ favorable response to the Settlement further supports final approval.

26 ///

27 ///

28 ///

1 **III. THE REQUESTED FEE AWARD IS REASONABLE AND SHOULD BE**
2 **APPROVED**

3 There are two primary methods of determining a reasonable attorney fee in the context
4 of class action litigation. *Laffitte v. Robert Half Int'l, Inc.*, 1 Cal.5th 480, 489 (2016). The
5 percentage-of-recovery method calculates the fee as a percentage of a common fund recovered
6 on behalf of the class. *Id.* The lodestar method calculates the fee by multiplying the number of
7 hours reasonably expended by counsel by a reasonable hourly rate, which amount then may be
8 adjusted based on other factors. *Id.* In *Laffitte*, the California Supreme Court held that trial
9 courts have the discretion to choose between the two calculation methods. *Id.* at 504. Trial courts
10 also have the discretion to blend the two fee calculation methods, using one method to “cross-
11 check” the reasonableness of the other’s result, but a cross-check is not required. *Id.* 506.

12 **A. The Requested Fee Award is Fair and Reasonable Based on the Percentage-**
13 **of-Recovery Method**

14 The ultimate purpose of the percentage-of-recovery method is to “spread the attorney fee
15 among all the beneficiaries of the fund.” *Laffitte*, 1 Cal.5th at 503. The California Supreme
16 Court recognized that the percentage-of-recovery method has many advantages, “including
17 relative ease of calculation, alignment of incentives between counsel and the class, a better
18 approximation of market conditions in a contingency case, and the encouragement is provides
19 counsel to seek an early settlement and avoid unnecessarily prolonging the litigation [citation]
20 . . .” *Id.*

21 The requested fee award (33 1/3% or one-third of the GSA) is consistent with the average
22 fee award in class actions. *See, e.g., Roos v. Honeywell Int'l, Inc.*, 241 Cal.App.4th 1472 (2015)
23 (fee award of 37.5% was not an abuse of discretion), disapproved of on other grounds by
24 *Hernandez v. Restoration Hardware, Inc.*, 4 Cal.5th 260, 287 (2018); *Wren v. RGIS Inventory*
25 *Specialists*, No. C-06-05778 JCS, 2011 WL 1230826, at *29 (N.D. Cal. Apr. 1, 2011)
26 (approving fee award of 42%); *Singer v. Becton Dickinson and Co.*, No. 08-CV-821-IEG, 2010
27 WL 2196104, at *8 (S.D. Cal. June 1, 2010) (approving fee award of one-third and noting that
28 the typical fees awarded in wage and hour class action cases ranges from 33.33% to 40%).

1 Therefore, the percentage-of-recovery method should be utilized to approve the requested fee.

2 **B. A Lodestar Cross-Check Confirms the Reasonableness of the Requested Fee**

3 Although *Laffitte* makes clear that a lodestar cross-check is not required, Class Counsel's
4 lodestar supports the reasonableness of the requested fee. The lodestar is determined by
5 multiplying the number of hours reasonably expended by the reasonable hourly rate. *PLCM*
6 *Group, Inc. v. Drexler*, 22 Cal.4th 1084, 1095 (2000). The lodestar figure may then be adjusted,
7 based on consideration of factors specific to the case, in order to fix the fee at the fair market
8 value for the legal services provided." *Id.* The factors that can be considered include "the nature
9 of the litigation, its difficulty, the amount involved, the skill required in its handling, the skill
10 employed, the attention given, the success or failure, and other circumstances in the case."
11 *Melnyk v. Robledo*, 64 Cal.App.3d 618, 623-624 (1976) (citations omitted).

12 Class Counsel's requested fees have been approved by other courts in California. Yslas
13 MFA Decl. at ¶ 16. The total hours expended on this action were reasonable and in line with
14 comparable cases. *Id.* Class Counsel spent 136.2 hours in prosecuting this action, which were
15 divided among the attorneys working on this case according to skill level. *Id.* at ¶¶ 18, 19. The
16 hours expended by each attorney were reasonable and not duplicative and reflect the extensive
17 investigation and analysis that was required to achieve this Settlement. *Id.* at ¶ 19.

18 Considered against the risks of continued litigation, and the importance of advocating
19 for employment rights and a speedy recovery, the relief provided under the Settlement
20 represents a very strong result for the Class. Class Counsel's fee request is fair and reasonable
21 and should be approved. Accordingly, Class Counsel respectfully requests the Court approve
22 their \$36,666.66 fee request.

23 Multiplying the total hours expended by Class Counsel by their reasonable hourly rates
24 yields a lodestar of \$121,555.00. Yslas MFA Decl. at ¶ 18. This amount surpasses the requested
25 fee award of \$36,666.66, resulting in a negative multiplier. *Id.* at ¶ 19. Accordingly, Class
26 Counsel respectfully requests the Court approve their \$36,666.66 fee request.

27 ///

28 ///

1 **IV. THE REQUESTED COST AWARD IS REASONABLE AND SHOULD BE**
2 **APPROVED**

3 The Settlement permits Class Counsel to seek reimbursement of litigation costs in an
4 amount up to \$20,000.00. The actual costs incurred are \$11,994.18, as such Class Counsel is
5 seeking reimbursement of \$11,994.18. *Id.* at ¶ 20, Exhibit 1. Since Class Counsel’s costs do not
6 exceed the maximum of \$20,000.00, the remaining \$8,005.82 will revert to the Net Settlement
7 Amount. *Id.* These costs were reasonable and necessary to prosecute this case and obtain the
8 results achieved. *Id.*

9 **V. THE REQUESTED CLASS REPRESENTATIVE SERVICE PAYMENT IS**
10 **REASONABLE AND SHOULD BE APPROVED**

11 Plaintiff also requests that he be awarded a service payment of \$7,500.00 for his role in
12 obtaining the Settlement. In evaluating a service payment, the Court may consider: “(1) the risk,
13 both financial and otherwise, the class representative faced in bringing the suit; (2) the notoriety
14 and personal difficulties encountered by the class representative; (3) the amount of time and
15 effort spent by the class representative; (4) the duration of the litigation; and (5) the personal
16 benefit received by the class representative as a result of the litigation.” *Golba v. Dick’s Sporting*
17 *Goods, Inc.*, 238 Cal.App.4th 1251, 1272 (2015); *Clark v. American Residential Services, LLC*,
18 175 Cal.App.4th 785, 804 (2009).

19 Here, Plaintiff provided a declaration in support of Plaintiff’s Motion for Preliminary
20 Approval of Class Action and PAGA Settlement and a declaration in support of Plaintiff’s
21 Motion for Final Approval of Class Action and PAGA Settlement detailing the risk he faced in
22 bringing the suit, the notoriety and personal difficulties he encountered, the amount of time and
23 effort he spent on this litigation, the duration of this litigation, and the personal benefit he will
24 receive as a result of the litigation. *See generally* Declaration of David Lockhart in Support of
25 Motion for Preliminary Approval of Class Action and PAGA Settlement filed on January 10,
26 2025 and Declaration of Plaintiff David Lockhart in Support of Motion for Final Approval of
27 Class Action and PAGA Settlement filed concurrently herewith. Plaintiff should be adequately
28 compensated for his role in obtaining in this Settlement.

1 Additionally, no Class Members objected to the amount of additional compensation
2 sought by Plaintiff. Brown Decl. ¶¶11-13. As such, the award is reasonable in light of the
3 substantial benefits Plaintiff conferred upon the settlement class.

4 **VI. THE SETTLEMENT ADMINISTRATION COSTS ARE REASONABLE AND**
5 **SHOULD BE APPROVED**

6 The Parties agreed to hire ILYM as the Settlement Administrator in this case and the
7 Court approved this choice at preliminary approval. The Settlement Administrator was
8 responsible for updating Class Members' mailing addresses, mailing the Class Notice to each
9 Class Member, responding to Class Member questions, providing weekly status reports, and
10 providing a declaration as to the results of the mailing. *See* Brown Decl. at ¶ 3. Following final
11 approval, ILYM's duties will continue in order to calculate and to mail the settlement payments
12 to Class Members, disburse other payments as ordered by the Court, and perform such other
13 duties described in the Settlement. *Id.* The requested amount of \$6,850.00 for services rendered
14 and to be rendered is therefore fair and reasonable.

15 **VII. CONCLUSION**

16 Based on the foregoing, Class Counsel respectfully requests that the Court grant final
17 approval of the Class Action and PAGA Settlement, approve Class Counsel attorneys' fees in
18 the amount of \$36,666.66 and reimbursement of litigation costs in the amount of \$11,994.18,
19 the Class Representative Service Payment in the amount of \$7,500.00, civil penalties under
20 PAGA in the amount of \$10,000.00, and \$6,850.00 to ILYM for its settlement administration
21 expenses.
