DECLARATION OF LILIT TUNYAN

I, LILIT TUNYAN, declare as follows:

1. I am admitted, in good standing, to practice as an attorney in the State of California, the United States District Courts for the Central, Eastern, Southern and Northern Districts of California. I am the founding partner at the law firm of Tunyan Law, APC. I am a fully qualified, adult resident of the State of California, and, if called as a witness herein, I would testify truthfully to the matters set forth herein. All of the matters set forth herein are within my personal knowledge, except those matters that are stated to be upon information and belief. As to such matters, I believe them to be true. I am one of the attorneys of record for Plaintiff EFRAIN VIVEROS (“Plaintiff”).

2. This Declaration is submitted in support of Plaintiff’ Motion for Final Approval of Class and PAGA Representative Action Settlement.

BACKGROUND

3. On May 4, 2023, Plaintiff commenced this Action by filing a Complaint alleging causes of action against Defendants for: (1) Violation of Labor Code §§ 204, 510, 1194, 1198 (Failure to Pay All Wages; (2) Violation of Labor Code §§ 226.7, 512 (Failure to Provide Meal Periods); (3) Violation of Labor Code § 226.7 (Failure to Provide Rest Periods); (4) Violation of Labor Code § 226, (Failure to Keep Accurate Itemized Wage Statements); (5) Violation of Labor Code §§ 201-203 (Failure to Pay Wages Upon Termination of Employment); (6) Violation of Labor Code § 2802 (Failure to Reimburse For Necessary Expenditures); (7) Violation of Bus. & Prof. Code § 17200 et seq. (Unfair Business Practices). On July 11, 2023, Plaintiff filed a First Amended Complaint adding a cause of action for Civil Penalties Under PAGA [Cal. Lab. Code § 2699, et seq.]. The First Amended Complaint is the operative complaint in the Action (the “Operative Complaint.”)

4. Pursuant to Labor Code § 2699.3(a), Plaintiff gave timely written notice to Defendants and the LWDA by sending the PAGA Notice and Amended PAGA Notice. (“PAGA”).

5. The Parties have conducted informal discovery and investigation of the facts and law. Such discovery and investigation have included, inter alia, the exchange of informal data and discoverable information in preparation for the settlement negotiations. The Parties have analyzed payroll and other data pertaining to Plaintiff and the Class during the relevant Settlement Period,

1 including but not limited to the numbers of former and current members of the Class, average
2 workweeks, sample size time and pay records and average rate of hourly pay, wage and hour policies.
3 (*Id.*)

4 6. After reviewing documents regarding Defendants' wage and hour policies and practices
5 and other information obtained during the informal exchange of discovery, Class Counsel were able to
6 evaluate the probability of class certification, success on the merits, and the reasonably obtainable
7 maximum monetary exposure for all claims. Class Counsel reviewed these records and prepared a
8 damage analysis prior to mediation and reviewed additional records produced after the mediation. Class
9 Counsel also investigated the applicable law regarding the claims and defenses asserted in the litigation.

10 7. On January 11, 2024, the Parties mediated before a mediator Mark LeHocky, Esq. who is
11 a highly experienced and well-regarded mediator for wage and hour class action litigation, which led to
12 this Agreement to settle the Action. At the mediation, the Parties discussed at length the burdens and
13 risks of continuing with the litigation considering Defendants' limited ability to pay settlement funds in
14 an amount exceeding the Gross Settlement Amount due to McDonald's Corporation reinvestment
15 requirements and other risks and the merits of the claims and defenses. The Parties have reached an
16 agreement regarding the substantive terms of a class-wide settlement, pending the Parties' agreement on
17 a long-form class settlement agreement. The Parties then signed a long form settlement agreement
18 ("Agreement").

19 8. Plaintiff and Class Counsel are aware of the burdens of proof necessary to establish
20 liability for the claims asserted in the Action, both generally and in response to Defendants' defenses
21 thereto. Plaintiff and Class Counsel have also taken into account Defendants' agreement to enter into a
22 Settlement that confers substantial relief upon the Class.

23 9. Based on the foregoing, Plaintiff and Class Counsel have determined that the Settlement
24 set forth in this Agreement is a fair, adequate, and reasonable Settlement and is in the best interests of the
25 Class. Solely for the purpose of settling this case, the parties agree that the requirements for establishing
26 class action certification with respect to this class have been met and are met. If this Settlement is not
27 approved by the Court for any reason, Defendants reserve their right to contest class certification. This
28 Settlement, if approved by the Court, will result in the termination with prejudice of the litigation through

the entry of the Judgment and the release of all Released Claims for all Class Members, including all within the class definition who have not elected to exclude themselves from the Settlement Class.

SUMMARY OF THE SETTLEMENT TERMS

10. Key provisions of the proposed settlement include the following:

- (a) Defendants agree not to oppose certification of a Class for purposes of Settlement only (Settlement, ¶ 12.1);
- (b) Class: All non-exempt, hourly employees of Defendants who worked for Defendants in California during the Class Period (the “Class Period” is May 4, 2019 through the date of granting preliminary approval of this settlement). (Settlement, ¶ 1.5, 1.12.) “Participating Class Members” are those Class Members who do not submit timely exclusion requests to the Settlement Administrator. (Settlement, ¶ 1.9, 1.35);
- (c) Settlement Amount: Defendants will pay a maximum of **\$900,000.00**, referred to as the Gross Settlement Amount (or GSA herein), resulting in an estimated average gross payment per Class Member of approximately **\$477.2** (Settlement, ¶ 1.22);
- (d) Class Size: approximately **1,886** individuals who worked **133,949** workweeks during Class Period. (Settlement, ¶ 8);
- (e) PAGA Group Size: an estimated **1,153** individuals, who worked **33,281** pay periods during PAGA period (Tunyan Decl., ¶ 18);
- (f) PAGA Period: March 2, 2022 through the date of granting preliminary approval of this settlement. (Settlement, ¶ 1.31);
- (g) Escalator Clause: Based on its records, Defendants estimate that, as of the date of the pre-mediation document and data production, there are 1,917 Class Members and 122,386 total workweeks during the Class period. If the total number of workweeks during the Class Period exceeds 122,386 by more than 10%, then Defendants can either have the Class Period end on the date that the Workweeks exceed 134,625 or increase the Gross Settlement Amount on a pro rata basis a

1 pro-rata dollar value equal to the number of workweeks in excess of 134,625
2 workweeks. (the “Escalator Clause”). (Settlement, ¶ 8);

3 (h) Kullar/Munoz Analysis: Plaintiff addresses the claims analysis herein, at Part
4 V.B.3, and in more detail the Declaration of Lilit Tunyan, at Paragraph 18;

5 (i) No Reversion: The Settlement is a non-reversionary settlement (Settlement, ¶
6 3.1);

7 (j) Certification: Plaintiff addresses certification requisites herein, at Part V.A., and
8 in the Declaration of Lilit Tunyan, at Paragraphs 34-40;

9 (k) No Claim Form: No claim form is required (Settlement., ¶ 3.1);

10 (l) Class Release: The Settlement will release specified wage-and-hour claims for
11 Class Members (those Class Members who do not opt out of the Settlement)
12 (Settlement, ¶¶ 1.39, 5.2);

13 (m) PAGA Release: The Class Members will release the PAGA Claims set forth in
14 this Action, that were identified in the First Amended Complaint and Plaintiff’s
15 LWDA Notice Letter, regardless of whether they opt out of the class portion of
16 the Settlement (Settlement, ¶¶ 1.40, 5.3);

17 (n) Release Effective Date: The Release is not active until Defendants tender all
18 payments required under the Settlement to the Settlement Administrator
19 (Settlement, ¶ 5);

20 (o) Net Settlement Amount Available to the Class: After deducting Class Counsel’s
21 attorneys’ fees and costs, service payment to Plaintiff, administration costs, and
22 the payment to the LWDA, the remainder will be available for distribution to
23 Class Members who do not opt out, with each Class Member receiving a share
24 based on the number of workweeks each Class Member worked for Defendants
25 within the Class Period. The Net Settlement Amount is estimated to be at least
26 **\$493,536.46**, resulting in an average gross payment per Class Member of **\$477.2**
27 and net payment per Class Member of at least **\$261.68** before any tax
28 withholdings. (Settlement, ¶ 3);

- (p) Tax Allocation: The amounts distributed to Class Members will be characterized as 20% alleged unpaid wages, 80% to penalties and interest, and PAGA Settlement Payments will be allocated as 100% penalties. (Settlement, ¶ 3.2.4.1, 3.2.5.2);
- (q) Employer's Portion of Payroll Taxes Paid Separately: Defendants' portion of payroll taxes (e.g., FICA, FUTA, etc.) owed on any settlement payments to Class Members that constitute wages will be paid separate and apart from the GSM (Settlement, ¶ 3.1);
- (r) Settlement Administrator: The notice portion of the Settlement will be administered by a third-party Administrator, Phoenix Class Action Administration Solutions and the Parties estimated that the costs of administration should not reasonably exceed **\$30,000.00**. Phoenix Class Action Administration Solutions' low bid for settlement administration services in the amount of **\$17,000.00** was selected as the lowest bid from a competitive bidding process. (Settlement, ¶ 3.2.3);
- (s) Class Data for Administration: The Settlement Administrator will receive the Class List within 20 calendar days of Preliminary Approval, use the NCOA database to update the Class List, and then use skip tracing on returned Notices (Settlement, ¶ 4.2);
- (t) Notice: The Notice will issue within 14 days of receipt of the Class List (Settlement, ¶ 7.4.2). The Notice describes how to dispute workweeks, submit an objection in writing, in person, or through an attorney, or request exclusion (Settlement, ¶¶ 7.4 – 7.7);
- (u) Notice Language: Notice will issue in English and Spanish (Settlement, ¶ 1.11);
- (v) Objections: Objections can be submitted in person, through an attorney, or in writing to the Settlement Administrator (Settlement, ¶ 7.7);
- (w) Exclusion Requests: The procedure for exclusion requests, mailing a request to the Settlement Administrator, is the same as the procedure for submitting a

written objection (Settlement, ¶¶ 7.5 and 7.7);

- (x) PAGA Allocation: From the GSA, **\$80,000.00** will be allocated to settle claims brought pursuant to the California Private Attorneys General Act, Labor Code § 2699 et seq. (“PAGA”), and seventy-five percent (75%), or **\$60,000.00**, will be paid to the California Labor & Workforce Development Agency. (Settlement, ¶¶ 1.34, 3.2.5.);
- (y) Notice to LWDA: Notice was provided prior to the filing of this Motion. Evidence is attached to the Declaration of Lilit Tunyan;
- (z) Enhancement/Service Award to Plaintiff: Defendants will not oppose the application for Class Representative Service Payment of up to **\$10,000.00** for Plaintiff, to be paid from the GSA (Settlement, ¶ 3.2.1);
- (aa) Fees and Costs: Defendants will not oppose Class Counsel’s application for fees not to exceed 33 1/3% of the GSA (**\$300,000.00**), and actual costs, in an amount not to exceed **\$20,000.00**, to be paid out of the GSA (Settlement, ¶ 3.2.2);
- (bb) Check Void Period: Settlement checks will be valid for 180 days (Settlement, ¶ 4.4.3);
- (cc) Uncashed Checks: Any settlement checks that are mailed to the Class Members and remain uncashed after 180 days of the date of issuance will be cancelled, and the moneys will be directed to the California Controller's Unclaimed Property Fund (Settlement, ¶ 4.4.3);
- (dd) Judgment Notice: Settlement Agreement, Class Notice and Judgment will be posted on the Settlement Administrator’s website after entry (Settlement, ¶ 7.8.1);
- (ee) Confidentiality Provisions: The Settlement permits Class Counsel to discuss the Settlement with Class Members (Settlement ¶ 12.2).

11. A true and correct copy of the CLASS ACTION AND PAGA SETTLEMENT AGREEMENT is attached hereto as Exhibit “1.”

THE SETTLEMENT IS FAIR, JUST AND REASONABLE

12. Plaintiff and counsel have diligently investigated the claims of the Class Members.

1 Plaintiff and Class Counsel concluded, after taking into account the disputed factual and legal issues
2 involved in this Action, the substantial risks attending further prosecution including risks related to the
3 outcome of certification and possible summary judgment efforts, and Defendants' ability to pay
4 settlement funds and the substantial benefits to be received pursuant to the compromise and settlement of
5 the Action as set forth in the Settlement, that settlement on the terms agreed to are in the best interest of
6 Plaintiff and the putative Class and are fair and reasonable. Plaintiff's and Defendants' counsel brought
7 to bear a great deal of experience with class actions in negotiating the settlement of this case.

8 13. One fundamental purpose of the class action device is to promote efficiency. Resolution
9 at this time will forestall the need for additional expensive and time-consuming litigation that could very
10 well result in an outcome less satisfactory than that proposed under this settlement. But, before any other
11 consideration, we have agreed to this settlement because it is objectively reasonable. The potential for
12 resolution benefits the class members, since they do not have to wait additional years for a similar
13 recovery. The efficiency of this litigation benefits the Court, the parties and their counsel. A class-wide
14 resolution is the most realistic method for addressing the claims raised in this matter.

15 14. We have engaged in the necessary investigation in this case that made it possible for us to
16 exercise informed judgment in those aspects of the settlement process in which we were involved. The
17 exchange of time and wage data, wage and hour policy documents and data about the composition of the
18 Class and interviewing Class Members were sufficient to permit us counsel to adequately evaluate the
19 settlement. We had more than enough information upon which to evaluate a fair and reasonable
20 settlement amount.

21 15. We believe that the case was viable through to a trial. However, while Plaintiff assert a
22 belief that this is a viable case for trial, we realize that there are always significant risks associated with
23 certification and trials, and those risks cannot be eliminated in this case. Continued litigation of this
24 lawsuit presented Plaintiff and Defendants with substantial legal risks and costs that were (and continue
25 to be) difficult to assess. The risks in this matter include:

- 26 • the risk that Plaintiff would be unable to establish liability for allegedly unpaid straight time
27 or overtime wages, *see Duran v. US Bank Nat'l Ass'n*, 59 Cal. 4th 1, 39 & fn. 33 (2014)
28 ("Duran"), *citing Dilts v. Penske Logistics, LLC* 2014 WL 205039 (S.D. Cal. 2014)

(dismissing certified off-the-clock claims based on proof at trial);;

- the risk that Defendants’ meal and rest period policies might not ultimately support class certification or a class-wide liability finding, see *Duran*, 59 Cal. 4th at 14, n. 28 (citing Court of Appeal decisions favorable on class certification issue without expressing opinion as to ultimate viability of proposition) given also low violation rate based on the review of the sample records;
- the risk that uncertainties pertaining to the ultimate legality of Defendants’ policies and practices could preclude class-wide awards of statutory penalties under Labor Code §§ 203 and 226(e);
- the risk that individual differences between Class Members could be construed as pertaining to liability and not solely to damages, see *Duran*, 59 Cal. 4th at 19;
- the risk that individual differences between Class Members could be construed as pertaining to liability and not solely to damages, see *Duran*, 59 Cal. 4th at 19;
- the risk that any civil penalties award under the PAGA could be reduced by the Court in its discretion, see Labor Code § 2699(e)(1);
- the risk that class treatment could be deemed improper as to one or more claims, except for settlement purposes;
- the risk that lengthy appellate litigation could ensue;
- the risk that violation rate estimates would prove much lower than expected.

These risks are non-exhaustive. While we remain confident that we possess credible strategies for responding to the legal and factual risks facing them, those risks cannot be disregarded. We carefully considered the risks created by all of these uncontrollable factors when evaluating the reasonableness of this proposed settlement. This Settlement provides a benefit to the Class Members that is very reasonable in light of these particular risks.

16. The Settlement is the product of arm’s-length negotiations between the Parties occurring throughout the litigation. In light of the uncertainties of protracted litigation and the state of the law regarding the legal positions of the Parties, the settlement amount reflects the best feasible recovery for the Class Members. The settlement amount is, of course, a compromise figure. By necessity it took into

1 account risks related to liability, damages, and the defenses asserted by Defendants and Defendants'
2 financial condition. Moreover, each Class Member will be given the opportunity to opt-out of the
3 Settlement, allowing those who feel they have claims that are greater than the benefits they can receive
4 under this Settlement to pursue their own claims. For the approximately **1,886** members of the Class, the
5 average gross recovery is at least **\$477.2** per class member, and the estimated average net recovery for
6 each Class Member is approximately **\$261.68**. Given that Defendants could challenge certification and
7 liability and Defendants' limited ability to pay settlement amount exceeding the Gross Settlement
8 Amount due to McDonald's Corporation reinvestment requirements, this is a significant sum to have
9 achieved in settlement. Moreover, a Class Member who worked a greater number of weeks for
10 Defendants will receive a larger share of the Settlement than a Class Member who worked for a shorter
11 amount of time during the class period.

12 17. The Gross Settlement Amount of **\$900,000.00** is about 75% of the **\$1,206,799.52**
13 estimate of risk-adjusted recovery (excluding interest) at this stage in the litigation. This assessment is
14 based on a carefully constructed model of the current fair value of the case, using estimated risks,
15 average wage rates, numbers of employees, and the amount of time covered by the class period. While
16 Plaintiff would certainly have preferred to recover more (and Defendants would have preferred to pay
17 less), this outcome is in line with a carefully constructed estimate of the current fair value of the case. On
18 that basis, it would be unwise to pass up this settlement opportunity. My maximum calculated
19 reasonable exposure, after removing implausible or extreme estimated recoveries, is **\$6,331,610.50**,
20 *including* PAGA penalties.

- 21 • A reasonably estimated exposure for unpaid off-the-clock work was calculated, with the
22 assistance of an expert, to be approximately **\$1,180,138.50**. However, with the risk factor
23 discounts for certification and liability proof, the value of that claim is estimated by
24 Plaintiff's counsel to be approximately **\$141,616.62**, assuming certification probability of
25 40% and merits success at 30%.
- 26 • A reasonably estimated exposure for rest break violations over the class period was
27 calculated at **\$67,509.00**, but with chances of certification and proof of liability (50% and
28 40% respectively) for a risk-adjusted exposure of **\$13,501.80**.

- A reasonably estimated exposure for meal break violations over the class period was calculated at **\$394,483.00** with chances of certification and liability risks (50% and 40% respectively) resulting in a risk-adjusted exposure of **\$78,896.60**.
- Risk-adjusted penalty recoveries for wage statement and Labor Code § 203 penalties were estimated to be approximately **\$28,930.00** and **\$151,632.50**, respectively, on maximum exposures of **\$289,300.00** and **\$1,516.325.00**, respectively (50% and 20% respectively).
- A reasonably estimated exposure for unreimbursed expenses was calculated at **\$598,475.00**, with chances of certification and liability risks (80% and 70% respectively) resulting in a risk-adjusted exposure of **\$335,146.00**.
- Performing risk-adjusted valuations for all claims yields a total value in the range of **\$749,723.52**, excluding PAGA. (*Id.*)
- PAGA penalties were calculated as having a maximum realistic exposure of **\$2,285,380.00**, but a risk adjusted value of **\$457,076.00**, after factoring in risks of reduction in penalties pursuant to Court discretion and the high risk of the inability to prove violations for all aggrieved employees.

As required under *Kullar v. Foot Locker Retail, Inc.*, 168 Cal. App. 4th 116 (2008) and *Munoz v. BCI Coca-Cola Bottling Co. of Los Angeles*, 186 Cal. App. 4th 399 (2010), the maximum plausible and realistic recoveries versus the current risk-adjusted value of the claims are discussed in additional detail below:

(a) Key Class Data Elements During Class Period:

- 1) Class Members: 1886
- 2) Work Weeks: approximately 122,386 workweeks as of January 11, 2024 (mediation date) and 133,949 workweeks during Class Period (from May 4, 2019 to June 13, 2024) (escalator not triggered)
- 3) PAGA Employees: 1,153
- 4) Gross Settlement Amount: \$900,000

(b) KULLAR/MUNOZ ANALYSIS: Unpaid Wages Due to Off-the-Clock Work

- 1) Plaintiff's claims for unpaid wages due to off-the-clock work is based

on Defendants' requirement for Class Members to arrive at work earlier than their scheduled start time to make sure they are clocked in to work on time considering the wait time to clock in, to undergo COVID pre-screening, to clock out for meal and rest periods but continue working, to communicate using their cell phones regarding work, to wash their heavily soiled uniforms after scheduled shifts, not payment of reporting time pay.

2) Defendants deny these allegations and contends they compensated for all time.

3) **Risk-adjusted Exposure Analysis:**

Calculated maximum recovery:	\$1,180,138.50
Estimated certification probability	40%
Estimated chance of prevailing on merits	30%
Max recovery × certification risk × chance or success on merits = Present Settlement Value	\$141,616.62

(c) **KULLAR/MUNOZ ANALYSIS: Meal Periods**

1) Plaintiff's claims for meal break violation is based on Defendants' policy to require Plaintiff and Class Members to clock out for meal periods and continue working and take meal periods in designated crew room. Based on the produced sample records the percentage of unique meal break violation after offsetting the paid meal premiums (shifts without a recorded meal break, late or short meal breaks) is 20%. Employees are entitled to meal periods of at least 30 minutes before exceeding five hours of work and to second meal periods of not less than 30 minutes before exceeding 10 hours of work. For each meal period missed or taken late an employer must pay the employee an additional one hour of compensation. Labor Code § 226.7. This additional hour of compensation is referred to as "premium

pay.”

- 2) Defendants deny these allegations and maintain that the obligation is simply to “provide” meal periods, not to “ensure” that they are taken. *Brinker v. Superior Court*, 53 Cal. App. 4th 1004, 1034-41 (2012) (rejecting “ensure” standard). Furthermore, Defendants contend that any failure to take meal periods, or to take late meal periods, was a result of employee choice, not of any policy or practice of Defendants. Finally, Defendants assert that Plaintiff’s meal period claims would not be amenable to class treatment, since individual inquires would need to be made with respect to each specific shift that each employee missed a meal or rest period, to determine why that specific employee missed that specific meal or rest period on that specific shift.

3) **Risk-adjusted Exposure Analysis:**

Calculated maximum recovery:	\$394,483.00
Estimated certification probability	50%
Estimated chance of prevailing on merits	40%
Max recovery × certification risk × chance or success on merits = Present Settlement Value	\$78,896.60

(d) **KULLAR/MUNOZ ANALYSIS: Rest Breaks**

- 1) Plaintiff’s claims for rest break violation is based on Defendants’ policy to require Plaintiff and Class Members to clock out for rest periods and continue working and take rest periods in designated crew room. Additionally, Defendants required to record rest breaks. Based on the produced sample records the percentage of unique rest break violation (shifts without a recorded rest break or short rest breaks) is 14.2%. Employees are entitled to a rest period of at least 10 minutes every four

hours worked, or major fraction thereof. For each rest period missed or taken late an employer must pay the employee an additional one hour of compensation. Labor Code § 226.7. This additional hour of compensation is referred to as “premium pay.”

- 2) Defendants maintain that the obligation is simply to “authorize and permit” rest periods, not to “ensure” that they are taken. *Brinker v. Superior Court*, 53 Cal. App. 4th 1004, 1034-41 (2012) (rejecting “ensure” standard). Furthermore, Defendants contend that any failure to take rest breaks was a result of employee choice, not of any policy or practice of Defendants. Finally, Defendants assert that Plaintiff’s rest breaks claims would not be amenable to class treatment, since individual inquires would need to be made with respect to each specific shift that each employee missed a rest period, to determine why that specific employee missed that specific rest break on that specific shift.

3) **Risk-adjusted Exposure Analysis:**

Calculated maximum recovery:	\$67,509.00
Estimated certification probability	50%
Estimated chance of prevailing on merits	40%
Max recovery × certification risk × chance of success on merits = Present Settlement Value	\$13,501.80

(e) **KULLAR/MUNOZ ANALYSIS: Late Pay Penalties Under Labor Code § 203**

- 1) Labor Code § 203 provides that if an employer fails to pay an employee all wages due at termination or within 72 hours of resignation, then that employee’s wages shall continue as a penalty until paid for a period of up to thirty (30) days from the date they were due. Because class members stopped working for Defendants but again were not paid their full

1 compensation for the reasons discussed above, class members did not
2 receive all wages due upon termination of employment.

- 3 2) Defendants argue that a good-faith belief in the legality of its employment
4 practices precludes a finding that any withholding of wages was “willful.”
5 See Cal. Code Regs. § 13520 [good-faith dispute exists to a claim for
6 waiting time penalties “when an employer presents a defense, based in law
7 or fact which, if successful, would preclude any recovery on the part of the
8 employee. The fact that a defense is ultimately unsuccessful will not
9 preclude a finding that a good faith dispute did exist.”].) Defendants
10 further maintain that because of viable defenses in both law and fact that
11 waiting-time penalties could not be awarded and, in any case, such
12 penalties were subject to a three-year limitations period under Labor Code
13 § 203(b) and an arbitration agreement that would bar class treatment.

14 3) **Risk-adjusted Exposure Analysis:**

15

Calculated maximum recovery:	\$1,516.325.00
Estimated certification probability	50%
Estimated chance of prevailing on merits	20%
Max recovery × certification risk × chance or success on merits = Present Settlement Value	\$151,632.50

21 (f) **KULLAR/MUNOZ ANALYSIS: Wage Statement Violations**

- 22 1) Plaintiff also alleged a cause of action under Labor Code § 226(a) for not
23 including all wages, or meal and rest break premiums in the wage
24 statements and as a result of including all nice digits of Social Security
25 Numbers of employees instead of including only four digits as well as for
26 including sick pay hours in the total number of hours in Class Members
27 wage statements. That section states that an employer must provide an
28

accurate itemized wage statement twice a month or each time wages are paid, whichever is the more frequent. Failure to do so entitles employees to recover the greater of all actual damages or fifty dollars (\$50) for the initial pay period in which a violation occurs and one hundred dollars (\$100) for each violation in a subsequent pay period, not exceeding an aggregate penalty of four thousand dollars (\$4,000). See Labor Code § 226(e).

2) Defendants contend that Labor Code § 226(e) penalties are not automatic. Rather, the employee must show (1) that he or she “suffered injury” from the employer’s failure to provide compliant wage statements, see *Elliot v. Spherion Pacific Work, LLC*, 572 F.Supp.2d 1169, 1181 (2008) (applying California law) (holding employee was not entitled to penalties because no injury was shown), and (2) Defendants’ noncompliance was “knowing and intentional.” Defendants contend that class members suffered no injury from any failure to issue compliant wage statements and, furthermore, that any noncompliance was not knowing and intentional. Further, because the damages for this cause of action are penalties, the statute of limitations only runs from one year prior to the filing of the original complaint. See Code Civ. Proc. § 340. Moreover, Defendants maintain that Plaintiff’ derivative claim for wage statement ‘penalties would fail for the same reasons that Plaintiff’ underlying claims would fail. The parties discussed these issues, and in light of these and other considerations Class Counsel factored in a reduction of liability and damages for this cause of action.

3) **Risk-adjusted Exposure Analysis:**

Calculated maximum recovery:	\$289,300.00
Estimated certification probability	50%
Estimated chance of prevailing on merits	20%
Max recovery × certification risk × chance or success	\$28,930.00

on merits = Present Settlement Value

(g) **KULLAR/MUNOZ ANALYSIS: Unreimbursed Expenses Under Labor Code § 2802**

1) Plaintiff also alleged a cause of action under Labor Code § 2802 for failure to reimburse all necessary expenses. Under Labor Code § 2802, “an employer shall indemnify his or her employee for all necessary expenditures... incurred by the employee in direct consequence of the discharge of his or her duties.” Lab. Code § 2802. Plaintiff’s claims for unreimbursed expenses are based upon claims that Class Members used their personal cellular telephones to download and use an application called “Next” to check their work schedules and to communicate with their supervisors for work purposes as well as wash heavily soiled uniforms without reimbursement. The exposure is calculated by multiplying \$25 as a reasonable portion of the phone bill for each Class Member per month during the Class Period.

2) Defendants contend that most employees did not incur significant expenses, and that they purchased those tools voluntarily.

3) **Risk-adjusted Exposure Analysis:**

Calculated maximum recovery:	\$598,475.00
Estimated certification probability	80%
Estimated chance of prevailing on merits	70%
Max recovery × certification risk × chance of success	\$335,146.00
on merits = Present Settlement Value	

(h) **QUASI- KULLAR/MUNOZ ANALYSIS: PAGA**

1) The Labor Code Private Attorneys General Act, Labor Code § 2699 *et seq.*, allows Plaintiff to obtain civil penalties on behalf of herself and other class

members for Defendants' violation of any provision of the Labor Code enumerated under Labor Code § 2699.5. Where civil penalties are provided in the statute, those civil penalties are recoverable; where no civil penalties are recoverable, Labor Code § 2699(f) establishes civil penalties of one (\$100) for each aggrieved employee per pay period for the initial violation and two hundred dollars (\$200) for each aggrieved employee per pay period for each subsequent violation. Pursuant to Labor Code § 2699(i), seventy-five (75) percent of the penalties recovered must be allocated to the Labor and Workforce Development Agency (LWDA), with the remaining twenty-five (25) percent allocated to the affected employees. The limitations period is one year prior to the filing of the complaint.

2) The provisions of the Labor Code potentially triggering PAGA penalties in this case include but are not limited to Labor Code §§ 203, 226(a), 226.7, and 510. Defendants asserted that if PAGA penalties were mandatory, an employer's PAGA liability would be huge because of the possibility of collecting multiple civil penalties for a single violation, and thus such penalties would almost always dwarf the damages available under the causes of action proper. However, PAGA penalties are not mandatory but permissive. Labor Code § 2699(e)(2) states that "a court may award a lesser amount than the maximum civil penalty amount specified by this part if, based on the facts and circumstances of the particular case, to do otherwise would result in an award that is unjust, arbitrary and oppressive, or confiscatory." *See also Thurman v. Bayshore Transit Management, Inc.*, 203 Cal. App. 4th 1112, 1135 (2012) [affirming reduction of PAGA penalties].) Defendants here maintain that they have a strong argument that it would be unjust to award maximum PAGA penalties.

3) Furthermore, PAGA penalties are also completely derivative of each and every other claim. Finally, under *Amaral v. Cintas Corp.*, 163 Cal. App.

4th 1157(2008), it can be argued that penalties under PAGA could, at best, be awarded only at the rates obtainable for initial violations under the applicable statutes, because Defendants had never been notified of the alleged violations. *Id.*, at 1208, 1209.

4) **Risk-adjusted Exposure Analysis:**

Calculated maximum recovery:	\$2,285,380.00
Discount reduction factor for risk of Court reduction and uncertainty of proof for all aggrieved employees	20%
Max recovery × risk reduction = Present Settlement Value	\$457,076.00

With the assistance of Class Counsel’s retained damages expert, Class Counsel estimated Defendants’ maximum total exposure on the PAGA claim at approximately **\$2,285,380.00** (without stacking). This number presupposes underlying claims are proven at a plausible rate and that the Court awards the full base penalties for each. Class Counsel then applied discounts in light of the countervailing arguments with regard to the other causes of action, and the Court’s power to award “a lesser amount than the maximum civil liability.” Accordingly, due to the speculative nature of a valuation for this claim, a discount of **80%** was applied to account for the difficulty of prevailing on this claim.

- (i) **Kullar Summary:** Indulging the most optimistic estimates and improbably favorable outcomes, the maximum reasonable recovery is estimated to be approximately **\$6,331,610.50**, including PAGA. The settlement amount is about **14%** of that amount. The calculated current settlement value is **\$1,206,799.52** (calculated by adding the risk-adjusted amounts in the charts above together), and the settlement is **75%** of the current risk-adjusted settlement value. The bottom line is that the settlement is about **14%** of the *maximum* plausible recovery for the

1 1,886 Class Members, and it is a reasonable settlement, given that the full amount
2 is very unlikely to be recovered.

3 18. This result here is fully supportable as reasonable. First, it is important to recognize the
4 wilfulness finding required for Labor Code §§ 203 and 226 is challenging to establish. Second, rest
5 break and meal period claims have been challenging to certify for many years, even after *Brinker*. Many
6 risks are eliminated through settlement. And, with respect to those risks, certification rates in California
7 are **lower** than conventional wisdom holds. See, e.g., H. Scott Leviant, *Second Interim Report on class*
8 *actions in California sheds new light on certification* (February 19, 2010),
9 www.thecomplexlitigator.com, available at [http://www.thecomplexlitigator.com/post-](http://www.thecomplexlitigator.com/post-data/2010/2/19/second-interim-report-on-class-actions-in-california-sheds-n.html)
10 [data/2010/2/19/second-interim-report-on-class-actions-in-california-sheds-n.html](http://www.thecomplexlitigator.com/post-data/2010/2/19/second-interim-report-on-class-actions-in-california-sheds-n.html); see also, *Findings of*
11 *the Study of California Class Action Litigation, 2000-2006*, available at
12 <http://www.courtinfo.ca.gov/reference/documents/class-action-lit-study.pdf> (finding, at page 5, and in
13 Table 9, at page 15, that only 21.4% of all class actions were certified either as part of a settlement **or** as
14 part of a contested certification motion). Here, the estimated certification probabilities are **above** the
15 average rate at which cases were certified in California over the study years, based upon data available
16 through the California Courts websites. In sum, well *under* 20% of all cases filed as proposed class
17 actions are ultimately certified by way of a *contested* motion. Since the recovery is roughly 11% of the
18 maximum theoretical recovery, it meets the expected outcome under that metric. This Settlement
19 achieves the goals of the litigation.

20 19. To the best of my knowledge, there are no other like class claims asserted or filed by
21 Class Members. To the best of my knowledge, no Class Member has refrained from bringing a class
22 action with claims similar to those raised in the Action, whether in reliance on the Action or otherwise,
23 and who thus might be prejudiced by dismissal of the Action.

24 THE EXPERIENCE OF CLASS COUNSEL

25 20. I am a founding partner of Tunyan Law, APC and has been engaged in the practice of
26 employment and labor law for almost five years focusing exclusively on plaintiffs' employment law and
27 wage-and-hour class actions and more than twenty-four years in practice of law in general. I have
28 handled hundreds of wage-related class actions.

1 21. Prior to establishing my own practice, I was an associate attorney at Moon & Yang, APC and
2 Mahoney Law Group, APC. Since I was admitted to the California Bar, my practice has focused mainly
3 on labor and employment class action lawsuits involving California and federal labor laws. Along with
4 those firm's other attorneys I have successfully settled more than 50 class and PAGA matters during that
5 time span and was routinely appointed lead or co-lead class counsel in courts in California including by
6 way of motion for class certification. I have additionally successfully settled about 10 class and PAGA
7 matters during the last year prior to filing this motion.

8 22. I received my Juris Doctorate from the State Yerevan University and my LL.M. from
9 University of Minnesota Law School. Prior to moving to California and starting to practice law in
10 California I practiced law in Armenia for about twenty years as a licensed attorney. I have been general
11 counsel and head of legal department for big telecommunication and financial corporations in Armenia
12 for the last 12 years prior to moving to California. I managed corporate legal department and corporate
13 legal and regulatory affairs and handled complex litigation matters as well as complex transactions for
14 many years.

15 23. I am a current member of the California Employment Lawyers Association (CELA) and
16 the California Consumer Attorneys Association of Los Angeles (CAALA). I have been an active
17 member of the State Bar of California in good standing.

18 24. I am experienced in prosecuting employment matters, particularly class actions, and I focused
19 a substantial percentage of my practice on wage, hour, and working conditions violations. In addition to
20 the present case, I represented Plaintiff and the class members and have extensively worked on many
21 wage-and-hour class cases and have been appointed as class or PAGA counsel along with other counsel
22 and co-counsel for wage-and-hour class action lawsuits in various counties throughout California such as:

11 25. Artur Tunyan is another partner and attorney at Tunyan Law, APC. He received his Juris
12 Doctorate from the State Yerevan University and his LL.M. from the American University of Armenia
13 and University of Illinois Chicago, School of Law. Prior to moving to California and starting to practice
14 law in California he practiced law in Armenia for about twenty-five years. He oversaw international
15 donor-funded projects for the judiciary and managed public-private partnership initiatives in sectors such
16 as energy, banking, finance, and aviation. He managed complex transactions and litigation matters for
17 many years.

18 26. My current contingent billing rate is consistent with my practice area, legal market and
19 accepted hourly rates considering also that I practiced law in another country for additional 20 years
20 which brings a total of almost 25 years of experience practicing law. The 2023-2024 Adjusted Laffey
21 Matrix states that an attorney with 4 to 7 years experience can reasonably charge \$538 per hour. See
22 <http://www.laffeymatrix.com/see.html>.

23 REASONABLENESS OF THE REQUESTED FEE AWARD

24 27. When this case was taken on a contingent fee basis, with the firm agreeing to assume
25 responsibility for litigation costs, the ultimate result was far from certain. In the course of this litigation,
26 Tunyan Law, APC, paid filing fees, Westlaw fees, copy charges and mailing, telephone and express mail
27 charges. There was never a guarantee that Tunyan Law, APC, would recoup those expenditures. The
28 firm took on this case, which necessarily required the firm to forego other opportunities, given finite

resources to devote to cases.

28. Because of the uncertainty of the outcome in this and other wage and hour litigation undertaken by Tunyan Law, APC, we took this case with the expectation that a risk enhancement, either in the form of a lodestar multiplier or a percentage of the fund award equivalent thereto, would be available if we prevailed. This expectation stems from the fact that many cases we undertake as putative class actions do not resolve successfully.

29. Class Counsel's experience in employment class actions was integral in evaluating the strengths and weaknesses of the case against Defendants and the reasonableness of the settlement. Practice in the narrow fields of wage and hour litigation requires skill and knowledge concerning the rapidly evolving substantive law (state and federal), as well as the procedural law of class action litigation.

30. In the past four and a half years, I have settled many wage-and-hour class actions. Just as the Court in *Chavez v. Netflix, Inc.*, 162 Cal. App. 4th 43, 66, n.11 (2008) observed, it has been my experience, that attorney fee awards of one-third of a common settlement fund are the rule, rather than the exception. Here, Class Counsel agrees that they will seek no more than one third of the settlement amount in fees. This is consistent with common practice, consistent with Ninth Circuit practice, consistent with California law approving the percentage of the fund method to award fees from a common fund, *Laffitte v. Robert Half Intern. Inc.*, 1 Cal. 5th 480, 503 (2016), and not inappropriate in light of the many hours expended by attorneys and paralegals performing work for Plaintiff before and after the filing of this matter. That work includes:

- (a) Numerous interviews with Plaintiff and review of documents provided by Plaintiff;
- (b) Interviews with class members;
- (c) Investigation of the matter and exploring the corporate structure of Defendants;
- (d) Legal research and investigation regarding the Defendants' practices at numerous points in the litigation;
- (e) Preparation of multiple drafts of the original complaint and finalization and filing of the original complaint;
- (f) Preparation and filing of First Amended Complaint;

- (g) Extensive “meet and confer” efforts with Defendants’ counsel regarding obtaining relevant documents and information through informal discovery and selecting a mediator and mediation date;
- (h) Drafting and amending the LWDA Notice letter;
- (i) Drafting joint statements and joint stipulations;
- (j) Review of payroll and time data;
- (k) Working with opposing counsel for the receipt of a representative sampling and analyzing the same with the aid of expert consultants and Plaintiff to perform analyses of liability and exposure, preparation of a damages model with the aid of a statistics expert, review and revisions to the damage model and supporting data analysis;
- (l) Conferences with Defendants’ counsel regarding mediation, sample data and settlement negotiations;
- (m) Preparing mediation brief;
- (n) Attending mediation;
- (o) Communicating with Plaintiff who requested updates or other information regarding this matter;
- (p) Drafting, negotiating, and reviewing multiple drafts of the Settlement Agreement and attachments;
- (q) Preparation of the initial motion for preliminary approval and multiple revisions thereafter;
- (a) Monitoring of the notice process, including review of data and mailing documents, as well as weekly status reports;
- (b) Preparation of the initial motion for final approval and multiple revisions thereafter.

31. The actual lodestar incurred by Plaintiff’s counsel is approximately **\$144,675.00** to date (and estimated to be **\$150,175.00** when all is done). The breakdown of work by attorney is as follows:

Attorney	Time	Rate	Total
Lilit Tunyan	233.1	\$550	\$128,205.00
Artur Tunyan	36.6	\$450	\$16,470.00
	269.7	Total:	\$144,675.00

32. I also anticipate that we will spend an additional 10 hours on this matter, appearing at the hearing of this Motion, working with the administrator to process the Settlement, and preparing final accounting filings after distribution of the Settlement, for an additional lodestar of \$5,500.00. The bottom line is that attorneys for Plaintiff invested substantial amounts of time pursuing discovery and evaluating data before and after the mediation in this matter (note that I spent significant time working on this case performing work which is customarily done in other law firms by several attorneys with the help of paralegals and legal assistants). Those efforts led to this settlement.

33. The fee request is **\$300,000.00**, which is one third of the Gross Settlement Amount, as specified in the Settlement Agreement. As we are requesting a fee of **\$300,000.00**, this represents a modest multiplier of 1.9, which is within the range of commonly approved lodestar multipliers, when compared to the recorded, unbilled, and estimated future lodestar of counsel, totaling **\$150,175.00** (\$144,675.00 + \$5,500.00). A multiplier under three is presumptively reasonable for a lodestar crosscheck. Therefore, Plaintiff's Counsel request an award of fees of **\$300,000.00**. The requested fee of \$300,000 will be split with Majarian Law Group, APC with 40% of the fee to Majarian Law Group, APC and 60% of the fee to Tunyan Law, APC pursuant to California Rules of Professional Conduct, Rule 1.5.1. as a referral fee. Pursuant to California Rules of Professional Conduct, Rule 1.5.1 Plaintiff gave his consent in writing by signing a separate fee sharing agreement which also notified Plaintiff that the total fee charged by all lawyers will not be increased for the reason of the agreement to divide fees.

34. The Agreement also provides for the award of actual costs. Recoverable costs are capped at \$20,000.00 under the Settlement. Plaintiff's actual, out-of-pocket costs in taking on representation in this matter on a contingency basis are currently **\$19,463.54**, including future motion and final report filing and CaseAnywhere fees, as set forth in **Exhibit "2."** Therefore, Plaintiff requests an award of **\$19,463.54** to reimburse costs incurred in bringing this action.

1
2
3 THE CONTRIBUTION OF PLAINTIFF AND THE REASONABLENESS OF THE REQUESTED
4 INCENTIVE AWARD

5 35. Here, Plaintiff seeks an Enhancement Payment of **\$10,000.00**. This amount is very
6 reasonable given the risks undertaken by Plaintiff for involvement in the Action. Taking the risk of filing
7 a lawsuit against an employer deserves recognition, especially in light of the settlement achieved by
8 Plaintiff. Additionally, Plaintiff was actively involved in the litigation, mediation and settlement
9 negotiations of this Action, expending considerable effort in advancing the interests of the Class.
10 Plaintiff provided information to counsel before the filing of this matter; assisted with the informal
11 discovery, provided class members' information, assisted with settlement process (which included
12 conferring with counsel prior to mediation, during the mediation and after the mediation); and, regularly
13 conferred with counsel regarding the case whenever questions arose. I estimate that Plaintiff contributed
14 dozens of hours of time to the prosecution of this matter. Plaintiff's declaration also confirms that
15 Plaintiff was an active participant in the filing and settlement of this case. The enhancement also
16 recognizes the considerable risks Plaintiff undertook on behalf of the Class as well as the personal risk of
17 facing intrusive discovery and potential disclosure to future employers that Plaintiff sued a former
18 employer, making future employment prospects uncertain and that Plaintiff releases claims beyond
19 wage-and-hour claims released by Class Members.

20 THE THIRD-PARTY ADMINISTRATOR

21 36. The parties have agreed that administration will be handled by a third-party administrator.
22 In counsel's experience as class counsel in similar wage-and-hour actions with a similar number of
23 employees, Phoenix Class Action Administration Solutions is fully capable of administering the
24 settlement at a competitive and reasonable cost and should be approved by the Court to administer the
25 settlement notice process. Phoenix Class Action Administration Solutions was selected because it
26 submitted a low bid in the amount of **\$17,000** for administration services. Phoenix Class Action
27 Administration Solutions has also provided a declaration confirming its experience and its
28 implementation of measures designed to protect Class Member data and Class Settlement funds.

1 Plaintiff's counsel do not have any conflicts of interest with the selected administrator Phoenix Class
2 Action Administration Solutions.

20 Notice or as otherwise extended for re-mailed Class Notices as described herein. A
21 Request for Exclusion is a letter from a Class Member or his/her representative that
22 reasonably communicates the Class Member's election to be excluded from the
23 Settlement and includes the Class Member's name, address and email address or
24 telephone number. To be valid, a Request for Exclusion must be timely faxed,
25 emailed, or postmarked by the Response Deadline, subject to extension for
26 remailed Class Notices as described herein.

27 7.5.2. The Administrator may not reject a Request for Exclusion as invalid because it

1 shall accept any Request for Exclusion as valid if the Administrator can reasonably
2 ascertain the identity of the person as a Class Member and the Class Member's
3 desire to be excluded. The Administrator's determination shall be final and not
4 appealable or otherwise susceptible to challenge. If the Administrator has reason to
5 question the authenticity of a Request for Exclusion, the Administrator may
6 demand additional proof of the Class Member's identity. The Administrator's
7 determination of authenticity shall be final and not appealable or otherwise
8 susceptible to challenge.

9 7.5.3. Every Class Member who does not submit a timely and valid Request for
10 Exclusion is deemed to be a Participating Class Member under this Agreement,
11 entitled to all benefits and bound by all terms and conditions of the Settlement,
12 including the Participating Class Members' Releases under Paragraphs 5.2 and 5.3
13 of this Agreement, regardless whether the Participating Class Member actually
14 receives the Class Notice or objects to the Settlement.

16 Non-Participating Class Member and shall not receive an Individual Class

23 after the Administrator mails the Class Notice, or as otherwise extended for re-mailed
24 Class Notices as described herein, to challenge the number of Class Workweeks and
25 PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class
26 Member may challenge the allocation by communicating with the Administrator via fax,
27 email or mail. The Administrator must encourage the challenging Class Member to submit
28 supporting documentation. In the absence of any contrary documentation, the

1 Administrator is entitled to presume that the Workweeks contained in the Class Notice are
2 correct so long as they are consistent with the Class Data. The Administrator's
3 determination of each Class Member's allocation of Workweeks and/or Pay Periods shall
4 be final and not appealable or otherwise susceptible to challenge. The Administrator shall
5 promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods
6 to Defense Counsel and Class Counsel and the Administrator's determination the
7 challenges.

8 7.7. Objections to Settlement.

9 7.7.1. Only Participating Class Members may object to the class action components of
10 the Settlement and/or this Agreement, including contesting the fairness of the

12 Counsel Litigation Expenses Payment and/or Class Representative Service
13 Payment.

14 7.7.2. Participating Class Members may send written objections to the Administrator, by
15 fax, email, or mail. In the alternative, Participating Class Members may appear in
16 Court (or hire an attorney to appear in Court) to present verbal objections at the
17 Final Approval Hearing. A Participating Class Member who elects to send a
18 written objection to the Administrator must do so not later than the Response
19 Deadline, or as otherwise extended for re-mailed Class Notices as described herein.

20 7.7.3. Non-Participating Class Members have no right to object to any of the class action
21 components of the Settlement.

22 7.8. Administrator Duties. The Administrator has a duty to perform or observe all tasks to be
23 performed or observed by the Administrator contained in this Agreement or otherwise.

7 information of Class Members who have timely submitted valid Requests for
8 Exclusion (“Exclusion List”); (b) the names and other identifying information of
9 Class Members who have submitted invalid Requests for Exclusion; (c) copies of
10 all Requests for Exclusion from Settlement submitted (whether valid or invalid).

13 number of: Class Notices mailed or re-mailed, Class Notices returned undelivered,
14 Requests for Exclusion (whether valid or invalid) received, objections received,

21 address and make final decisions consistent with the terms of this Agreement on all
22 Class Member challenges over the calculation of Workweeks and/or Pay Periods.
23 The Administrator’s decision shall be final and not appealable or otherwise
24 susceptible to challenge.

25 7.8.5. Administrator’s Declaration. Not later than fourteen (14) days before the date by
26 which Plaintiff is required to file the Motion for Final Approval of the Settlement,
27 the Administrator will provide to Class Counsel and Defense Counsel, a signed
28 declaration suitable for filing in Court attesting to its due diligence and compliance

1 with all of its obligations under this Agreement, including, but not limited to, its
2 mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing
3 of Class Notices, attempts to locate Class Members, the total number of Requests
4 for Exclusion from Settlement it received (both valid or invalid), the number of
5 written objections and attach the Exclusion List. The Administrator will
6 supplement its declaration as needed or requested by the Parties and/or the Court.
7 Class Counsel is responsible for filing the Administrator's declaration(s) in Court.

8 7.8.6. Final Report by Settlement Administrator. Within fourteen (14) days after the
9 Administrator disburses all funds in the Gross Settlement Amount, the
10 Administrator will provide Class Counsel and Defense Counsel with a final report
11 detailing its disbursements by employee identification number only of all payments
12 made under this Agreement. At least fourteen (14) days before any deadline set by
13 the Court, the Administrator will prepare, and submit to Class Counsel and
14 Defense Counsel, a signed declaration suitable for filing in Court attesting to its
15 disbursement of all payments required under this Agreement. Class Counsel is
16 responsible for filing the Administrator's declaration in Court.

17
18 **8. CLASS SIZE ESTIMATES and ESCALATOR CLAUSE.**

19 Based on its records, Defendants estimates that, as of the date of the pre-mediation document and data
20 production, (1) there are 1,917 Class Members and 122,386 Total Workweeks during the Class period. If
21 the total number of Workweeks during the Class Period exceeds 122,386 by more than 10%, then
22 Defendants can either have the Class Period end on the date that the Workweeks exceed 134,625 or
23 increase the Gross Settlement Amount on a pro rata basis a pro-rata dollar value equal to the number of
24 workweeks in excess of 134,625 workweeks. Class Period can end at the latest on the date of preliminary
25 approval of this Settlement.

26
27 **9. DEFENDANTS' RIGHT TO WITHDRAW**

28 If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 15% of the total of

all Class Members, Defendants may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendants withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendants will remain responsible for paying all Settlement Administration Expenses incurred to that point. Defendants must notify Class Counsel and the Court of its election to withdraw not later than seven (7) days after the Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect.

10. MOTION FOR FINAL APPROVAL.

10.2. Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court’s concerns by revising the Agreement as necessary to obtain Final Approval. The Court’s decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

1 10.3. Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the
2 Court will retain jurisdiction over the Parties, Action, and the Settlement solely for
3 purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement
4 administration matters, and (iii) addressing such post-Judgment matters as are permitted by
5 law.

6 10.4. Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and
7 conditions of this Agreement, specifically including the Class Counsel Fees Payment and
8 Class Counsel Litigation Expenses Payment reflected set forth in this Settlement, the
9 Parties, their respective counsel, and all Participating Class Members who did not object to
10 the Settlement as provided in this Agreement, waive all rights to appeal from the
11 Judgment, including all rights to post-judgment and appellate proceedings, the right to file
12 motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The
13 waiver of appeal does not include any waiver of the right to oppose such motions, writs or
14 appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this
15 Agreement will be suspended until such time as the appeal is finally resolved and the
16 Judgment becomes final, except as to matters that do not affect the amount of the Net
17 Settlement Amount.

18 10.5. Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the
19 reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a

21 to be granted by Class Members), this Agreement shall be null and void. The Parties shall
22 nevertheless expeditiously work together in good faith to address the appellate court's
23 concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis,
24 any additional Administration Expenses reasonably incurred after remittitur. An appellate
25 decision to vacate, reverse, or modify the Court's award of the Class Representative
26 Service Payment or any payments to Class Counsel shall not constitute a material

28 Settlement Amount remains unchanged.

1
2 **11. AMENDED JUDGMENT.**

3 If any amended judgment is required under Code of Civil Procedure § 384, the Parties will work together
4 in good faith to jointly submit and a proposed amended judgment.
5

8 Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in
9 this Agreement is intended or should be construed as an admission by Defendants that any of the
10 allegations in the Operative Complaint have merit or that Defendants have any liability for any claims
11 asserted; nor should it be intended or construed as an admission by Plaintiff that Defendants' defenses in
12 the Action have merit. The Parties agree that class certification and representative treatment is for
13 purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final
14 Approval or enter Judgment, Defendants reserve the right to contest certification of any class for any
15 reasons, and Defendants reserves all available defenses to the claims in the Action, and Plaintiff reserves

22 best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement
23 Agreement, submitting supplemental evidence and supplementing points and authorities as requested by
24 the Court. In the event the Parties are unable to agree upon the form or content of any document
25 necessary to implement the Settlement, or on any modification of the Agreement that may become
26 necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court
27 for resolution.

28 12.7. No Prior Assignments. The Parties separately represent and warrant that they have not

1 directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to
2 any person or entity and portion of any liability, claim, demand, action, cause of action, or right released
3 and discharged by the Party in this Settlement.

15 conflict of law principles.

16 12.12. Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of
17 this Agreement. This Agreement will not be construed against any Party on the basis that the Party was
18 the drafter or participated in the drafting.

19 12.13. Confidentiality. To the extent permitted by law, all agreements made, and orders entered
20 during Action and in this Agreement relating to the confidentiality of information shall survive the
21 execution of this Agreement.

22 12.14. Use and Return of Class Data. Information provided to Class Counsel pursuant to
23 Evidence Code § 1152, and all copies and summaries of the Class Data provided to Class Counsel by
24 Defendants in connection with the mediation, other settlement negotiations, or in connection with the
25 Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in

Exhibit “ A”

**COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR
FINAL COURT APPROVAL**

Viveros v. D and T Restaurants, Inc., et al.
Los Angeles Superior Court Case No. 23STCV10019

*The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.*

You may be eligible to receive money from an employee class action lawsuit ("Action") against Defendants D AND T RESTAURANTS, INC., MCSURF, Inc., BLADE ENTERPRISES III, Inc., BLADE ENTERPRISES IV, Inc., BLADE ENTERPRISES V, Inc., BLADE ENTERPRISES VI, Inc., BLADE ENTERPRISES VII, Inc., BLADE ENTERPRISES VIII ("Defendants") for alleged wage and hour violations. The Action was filed by former DEFENDANTS' employee plaintiff Efrain Viveros ("Plaintiff") and seeks payment of back wages, penalties, expense reimbursements for a class of hourly employees ("Class Members") who worked for DEFENDANTS during the Class Period (May 4, 2019 to -----) and (2) penalties under the California Private Attorney General Act ("PAGA") for all hourly employees who worked for DEFENDANTS during the PAGA Period (May 4, 2022 to -----) ("Aggrieved Employees").

The proposed Settlement has two main parts: (1) a Class Settlement requiring DEFENDANTS to fund Individual Class Payments, and (2) a PAGA Settlement requiring DEFENDANTS to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency ("LWDA").

Based on Defendants' records, and the Parties' current assumptions, your Individual Class Payment is estimated to be \$ [REDACTED] (less withholding) and your Individual PAGA Payment is estimated to be \$ [REDACTED]. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendants' records you are not eligible for an Individual PAGA Payment under the Settlement because you didn't work during the PAGA Period.)

The above estimates are based on Defendants' records showing that **you worked [REDACTED] workweeks** during the Class Period and **you worked [REDACTED] pay periods** during the PAGA Period. If you believe that you worked more workweeks or pay periods during any of the respective periods, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff's attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment that requires DEFENDANTS to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against DEFENDANTS.

If you worked for DEFENDANTS during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against DEFENDANTS.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against DEFENDANTS, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

DEFENDANTS will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against DEFENDANTS that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. DEFENDANTS must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released Claims (defined below).
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 7 of this Notice.
You Can Participate in the Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on . You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number Class Period Workweeks and number of PAGA Period Pay Periods you worked according to DEFENDANTS' records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by . See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former employee of one or more entity named as a DEFENDANT in this Action. The Action accuses DEFENDANTS of violating California labor laws by failing to pay all wages, wages due upon termination and reimbursable expenses and failing to provide meal periods, rest breaks and accurate itemized wage statements and failing to provide suitable seating. Based on the same claims, Plaintiff has also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, et seq.) ("PAGA"). Plaintiff is represented by attorneys in the Action: Tunyan Law, APC ("Class Counsel.")

DEFENDANTS strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether DEFENDANTS or Plaintiff is correct on the merits. In the meantime, Plaintiff and DEFENDANTS hired an experienced, neutral mediator Mark LeHocky in an effort to resolve the Action by negotiating an to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement (“Agreement”) and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and DEFENDANTS have negotiated a proposed Settlement that is subject to the Court’s Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, DEFENDANTS do not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) DEFENDANTS have agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. DEFENDANTS Will Pay \$900,000.00 as the Gross Settlement Amount (Gross Settlement). DEFENDANTS have agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel’s attorney’s fees and expenses, the Administrator’s expenses, and penalties to be paid to the California Labor and Workforce Development Agency (“LWDA”). Assuming the Court grants Final Approval, DEFENDANTS will fund the Gross Settlement not more than fifteen (15) days after the Judgment entered by the Court becomes final or fifteen (15) days after the Administrator provides DEFENDANTS with the calculation of employer payroll taxes DEFENDANTS have to pay in addition to Gross Settlement, whichever is later. The Administrator will calculate the employer payroll taxes and provide DEFENDANTS with the calculation of the payroll taxes not later than three (3) days after the receipt of the data from DEFENDANTS regarding Participating Class Members’ Workweeks. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.
2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
 - A. Up to \$300,000.00 (33 and 1/3% of the Gross Settlement] to Class Counsel for attorneys’ fees and up to \$20,000 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
 - B. Up to \$10,000 as a Class Representative Award for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiff will receive for representing the Class in this Action other than Plaintiff’s Individual Class Payment and any Individual PAGA Payment.

- C. Up to \$30,000 to the Administrator for services administering the Settlement (estimated to be \$17,000.00).
- D. Up to \$80,000 for PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the Aggrieved Employees based on their PAGA Period Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

- 3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the "Net Settlement") by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.
- 4. Taxes Owed on Payments to Class Members. Plaintiff and DEFENDANTS are asking the Court to approve an allocation of 20 % of each Individual Class Payment to taxable wages ("Wage Portion") and 80% to interest and penalties ("Non-Wage Portion."). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. DEFENDANTS will separately pay employer payroll taxes it owes on the Wage portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiff and DEFENDANTS have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

- 5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don't cash it by the void date, your check will be automatically cancelled, and the monies will be deposited with the California Controller's Unclaimed Property Fund in your name. If the monies represented by your check is sent to the Controller's Unclaimed Property, you should consult the rules of the Fund for instructions on how to retrieve your money.
- 6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than [REDACTED], that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the [REDACTED] Response Deadline. The Request for Exclusion should be a signed letter from a Class Member or his/her representative setting forth a Class Member's name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against DEFENDANTS.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against DEFENDANTS based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiffs and DEFENDANTS have agreed that, in either case, the Settlement will be void: DEFENDANTS will not pay any money and Class Members will not release any claims against DEFENDANTS.
8. Administrator. The Court has appointed a neutral company, Phoenix Class Action Administration Solutions (the “Administrator”) to send this Notice, calculate and make payments, and process Class Members’ Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator’s contact information is contained in Section 9 of this Notice.
9. Participating Class Members’ Release. After the Judgment is final and DEFENDANTS have fully funded the Gross Settlement and separately paid all employer payroll taxes, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of another lawsuit against DEFENDANTS or related entities for wages based on the Class Period facts and PAGA penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

The Participating Class Members will be bound by the following release:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from all claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in the Operative Complaint. Except as set forth in Section 5.3 of the Settlement Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers’ compensation, or claims based on facts occurring outside the Class Period.

10. Aggrieved Employees’ PAGA Release. After the Court’s judgment is final, and DEFENDANTS have paid the Gross Settlement (and separately paid the employer-side payroll taxes), all Aggrieved Employees will be barred from asserting PAGA claims against DEFENDANTS, whether or not they exclude themselves from the Settlement. This means that all Aggrieved Employees, including those who are Participating Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue, or participate in any other PAGA claim against DEFENDANTS or its related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

The Aggrieved Employees’ Releases for Participating and Non-Participating Class Members are as follows:

All Participating and Non-Participating Class Members who are Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties, from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint and the PAGA Notice attached to the Settlement Agreement as Exhibit B.

4.HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing \$20,000 by the total number of PAGA Pay Periods worked by all Aggrieved Employees and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual Aggrieved Employee.
3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in DEFENDANTS' records, are stated in the first page of this Notice. You have until [REDACTED] to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept DEFENDANTS' calculation of Workweeks and/or Pay Periods based on DEFENDANTS' records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and DEFENDANTS' Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

5. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.
2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

6. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

Submit a written and signed letter with your name, present address, telephone number, and a simple statement that you do not want to participate in the Settlement. The Administrator will exclude you based on any writing communicating your request be excluded. Be sure to personally sign your request, identify the Action as *Viveros v. D and T Restaurants, Inc., et al.*, Case N 23STCV10019 pending in Los Angeles Superior Court, and include your identifying information (full name, address, telephone number, approximate dates of employment, and social security number for verification purposes). You must make the request yourself. If someone else makes the request for you, it will not be valid. **The Administrator must be sent your request to be excluded by [REDACTED], or it will be invalid.** Section 9 of the Notice has the Administrator's contact information.

7. HOW DO I OBJECT TO THE SETTLEMENT?

Only Participating Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiff and DEFENDANTS are asking the Court to approve. At least 16 days before the [REDACTED] Final Approval Hearing, Class Counsel and/or Plaintiff will file in Court (1) a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, approval of Counsel's Fees, Litigation Expenses and Service Award stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiff is requesting as a Class Representative Service Award. Upon reasonable request, Class Counsel (whose contact information is in Section 9 of this Notice) will send you copies of these documents at no cost to you. You can also view them on the Administrator's Website [REDACTED] or the Court's website <http://www.lacourt.org/casesummary/ui/index.aspx>.

A Participating Class Member who disagrees with any aspect of the Agreement, the Motion for Final Approval and Fees, Litigation Expenses and Service Award may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested by Class Counsel or Plaintiff are too high or too low. **The deadline for sending written objections to the Administrator is [REDACTED].** Be sure to tell the Administrator what you object to, why you object, and any facts that support your objection. Make sure you identify the Action and include your name, current address, telephone number, and approximate dates of employment for DEFENDANTS and sign the objection. Section 9 of this Notice has the Administrator's contact information.

Alternatively, a Participating Class Member can object (or personally retain a lawyer to object at your own cost) by attending the Final Approval Hearing. You (or your attorney) should be ready to tell the Court what you object to, why you object, and any facts that support your objection. See Section 8 of this Notice (immediately below) for specifics regarding the Final Approval Hearing.

**NOTICE OF LABOR CODE VIOLATIONS PURSUANT TO
LABOR CODE SECTION § 2698 ET SEQ.**

Re: *Efrain Viveros v. D and T Restaurants, Inc., et al.*

To Whom It May Concern:

Please be advised that my office has been retained by Efrain Viveros ("Plaintiff") to pursue a Labor Code Private Attorney General Act (PAGA) representative action (Cal. Lab. Code §§

2699, *et seq.*) against his former employers D and T Restaurants, Inc., McSurf, Inc., Blade Enterprises III, Inc., Blade Enterprises IV, Inc., Blade Enterprises V, Inc., Blade Enterprises VI, Inc., Blade Enterprises VII, Inc., Blade Enterprises VIII, Inc. (“Defendants”). The purpose of this letter is to comply with PAGA and set forth the facts and theories of California Labor Code violations which we allege Defendants engaged in with respect to Plaintiff and all of Defendants’ aggrieved employees.

Plaintiff wishes to pursue a PAGA representative action on behalf of himself as an aggrieved employee, on behalf of the State of California, and on behalf of all other current and former aggrieved employees who worked for Defendants in California as an hourly paid, non-exempt employee at any time within the applicable statutory period (hereafter, the “Aggrieved Employees”).

Plaintiff and the Aggrieved Employees of Defendants suffered the Labor Code violations described below.

Factual Background Regarding Plaintiff's Employment with Defendants

Defendants own and operate an industry, business, and establishment within the State of California, including Los Angeles County. As such, Defendants are subject to the California Labor Code and the Wage Orders issued by the Industrial Welfare Commission (“IWC”).

Plaintiff worked for Defendants as a cashier and shift manager from approximately August 21, 2018 to October 21, 2022, primarily in Los Angeles County. Defendants classified Plaintiff as non-exempt from overtime. During the time period that Plaintiff was employed by Defendants, Plaintiff typically worked 4-5 days per week, and between 8 to 10 hours each workday.

Throughout Plaintiff's employment, Defendants committed numerous labor code violations under state law. As discussed below, Plaintiff's experience working for Defendants was typical and illustrative.

Failure to Pay for All Hours Worked, Including Overtime

Under California law, an employer must pay for all hours worked by an employee. “Hours worked” is the time during which an employee is subject to the control of an employer and includes all the time the employee is suffered or permitted to work, whether or not required to do so.

In addition, Labor Code § 510 provides that employees in California shall not be employed more than eight (8) hours in any workday or forty (40) hours in a workweek unless they receive additional compensation beyond their regular wages in amounts specified by law.

Labor Code §§ 1194 and 1198 also provide that employees in California shall not be employed more than eight hours in any workday unless they receive additional compensation beyond their

regular wages in amounts specified by law. Additionally, Labor Code § 1198 states that the employment of an employee for longer hours than those fixed by the Industrial Welfare Commission is unlawful.

Throughout the time period involved in this case, Defendants maintained a policy and practice of failing to pay Plaintiff and the Aggrieved Employees for all hours worked including minimum wages, straight time wages and overtime wages. Throughout the statutory period, Defendants maintained a policy and practice of requiring Plaintiff and the Aggrieved Employees to perform work “off-the-clock”. Defendants required Plaintiff and the Aggrieved Employees to arrive earlier than their scheduled shifts in order to make sure they clock in to work on time considering the wait time to stay in line with other employees to use the fingerprint equipment to clock in to work. Starting from approximately March-April 2020, Plaintiff and the Aggrieved Employees were required to undergo COVID pre-screening by checking their temperature and answering questions prior to clocking in to work. Defendants failed to compensate for that time. Throughout the statutory period, Defendants required Plaintiff and the Aggrieved Employees to work through their meal periods requiring them to clock out for meal periods but continue working since Defendants were short- staffed and the Aggrieved Employees had to work through their meal periods to serve Defendants’ customers. Throughout statutory period, Plaintiff and the Aggrieved Employees were required to use their personal cellular telephones for work purposes at home after their scheduled work time to communicate with Defendants’ supervisors regarding their work schedules and work assignments. Plaintiff and the Aggrieved Employees were also required to wash and maintain their heavily soiled uniforms off- the- clock without compensation in order to comply with Defendants’ written policy to keep their uniforms in a clean and wrinkle free condition. Defendant also failed to compensate Plaintiff and the Aggrieved Employees for the time spent on making sure their hair and dressing was in compliance with Defendants’ written policy requirements including for the time spent to return home to change in case they were considered improperly dressed or groomed. In maintaining a practice of not paying all wages owed, Defendants failed to maintain accurate records of the hours Plaintiff and the Aggrieved Employees worked.

As a result, Defendants are liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210, 558, 1197.1, and 2699(f)(2) for failing to pay for all hours worked, including overtime.

Failure to Provide Meal Periods

Under California law, employers have an affirmative obligation to relieve employees of all duty in order to take their first 30-minute, duty-free meal periods no later than the start of sixth hour of work in a workday, and to allow employees to take their second 30-minute, duty-free meal period no later than the start of the eleventh hour of work in the workday. Further, employees are entitled to be paid one hour of additional wages for each workday they were not provided with all required meal period(s).

Despite these legal requirements, Defendants wrongfully failed to provide Plaintiff and the Aggrieved Employees with legally compliant meal periods. Defendants regularly required Plaintiff and the Aggrieved Employees to work in excess of five consecutive hours a day without providing a 30-minute, continuous and uninterrupted, duty-free meal period for every five hours of work, or without compensating Plaintiff and the Aggrieved Employees for meal periods that were not provided by the end of the fifth hour of work or tenth hour of work. Defendants did not adequately inform Plaintiff and the Aggrieved Employees of their right to take a meal period by the end of the fifth hour of work, or, for shifts greater than 10 hours, by the end of the tenth hour of work. Moreover, Defendants did not have adequate written policies or practices providing meal periods for Plaintiff and the Aggrieved Employees. Plaintiff and the Aggrieved Employees would often times miss their meal periods, have interrupted, late or short meal periods. Defendants required Plaintiff and the Aggrieved Employees to work through their meal periods by requiring them to clock out for meal periods but continue working since Defendants were short-staffed and the Aggrieved Employees had to work through their meal periods to serve Defendants' customers. Plaintiff and the Aggrieved Employees were also not allowed to leave the work premises during their meal periods and were required to take their meal and rest periods in a designated crew room. Additionally, meal periods were cut short by the time taken from Plaintiff and the Aggrieved Employees to make sure their hair are pinned back up or in a bun and/or pulled in the hat in accordance with Defendants' written policies prior to clocking back to work after meal periods. Accordingly, Defendants' policy and practice was to not provide meal periods to Plaintiff and the Aggrieved Employees in compliance with California law.

Plaintiff and the Aggrieved Employees are thus entitled to be paid one hour of additional wages for each workday he or she was not provided with all required meal period(s). Defendants, however, regularly failed to pay Plaintiff and the Aggrieved Employees the additional wages to which they were entitled for meal periods and that were not provided.

As a result, Defendants are liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210, 558, and 2699(f)(2) for failing to provide meal periods and pay meal period premium wages.

Failure to Authorize and Permit Rest Periods

Employers are required by California law to authorize and permit periods of 10 uninterrupted minutes for each four hours of work or major fraction of four hours (i.e. more than two hours). Thus, for example, if an employee's work time is 6 hours and ten minutes, the employee is entitled to two rest periods. Each failure to authorize rest periods as so required is itself a violation of California's rest period laws.

Defendants, however, wrongfully failed to authorize and permit Plaintiff and the Aggrieved Employees to take timely and duty-free rest periods. Defendants regularly required Plaintiff and the Aggrieved Employees to work in excess of four consecutive hours a day without Defendants

authorizing and permitting them to take a 10 minute, continuous and uninterrupted, rest period for every four hours of work (or major fraction of four hours), or without compensating Plaintiff and the Aggrieved Employees for rest periods that were not authorized or permitted. Defendants did not adequately inform Plaintiff and the Aggrieved Employees of their right to take a rest period. Moreover, Defendants did not have adequate policies or practices permitting or authorizing rest periods for Plaintiff and the Aggrieved Employees, nor did Defendants have adequate policies or practices regarding the timing of rest periods. Plaintiff and the Aggrieved Employees would mostly miss their first, second or third rest periods or have interrupted or short rest periods. Defendants also required Plaintiff and the Aggrieved Employees to work through their rest periods since Defendants were short-staffed. Plaintiff and the Aggrieved Employees were also not allowed to leave the work premises during their rest periods and were required to take their rest periods in a designated crew room. Accordingly, Defendants' policy and practice was for Plaintiff and the Aggrieved Employees to work through rest periods and to not authorize or permit them to take any rest periods.

Plaintiff and the Aggrieved Employees are thus entitled to be paid one hour of additional wages for each workday he or she was not authorized and permitted to take all required rest period(s). Defendants, however, regularly failed to pay Plaintiff and the Aggrieved Employees the additional wages to which they were entitled for rest periods and that they were not authorized and permitted to take.

As a result, Defendants are liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210, 558, and 2699(f)(2) for failing to authorize and permit rest periods and pay rest period premium wages.

Failure to Maintain Accurate Records of Hours Worked and Meal Periods

Plaintiff seeks penalties under Labor Code § 1174(d). Pursuant to Labor Code § 1174.5, any person, including any entity, employing labor who willfully fails to maintain accurate and complete records required by Labor Code § 1174 is subject to a penalty under § 1174.5. Pursuant to the applicable IWC Order § 7(A)(3), every employer shall keep time records showing when the employee begins and ends each work period. Meal periods and total hours worked daily shall also be recorded.

Defendants, however, failed to maintain accurate records of hours worked and all meal periods taken or missed by Plaintiff and the Aggrieved Employees.

Defendants' failure to provide and maintain records required by the Labor Code IWC Wage Orders deprived Plaintiff and the Aggrieved Employees the ability to know, understand and question the accuracy and frequency of meal periods, and the accuracy of their hours worked stated in Defendants' records. Therefore, Plaintiff and the Aggrieved Employees had no way to dispute the resulting failure to pay wages, all of which resulted in an unjustified economic enrichment to Defendants. As a direct result, Plaintiff and the Aggrieved Employees have

suffered and continue to suffer, substantial losses related to the use and enjoyment of such wages, lost interest on such wages and expenses and attorney's fees in seeking to compel Defendants to fully perform its obligation under state law, all to their respective damage in amounts according to proof at trial. As a result of Defendants' knowing failure to comply with the Labor Code and applicable IWC Wage Orders, Plaintiff and the Aggrieved Employees have also suffered an injury in that they were prevented from knowing, understanding, and disputing the wage payments paid to them.

As a result, Defendants are liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 1174.5 for failing to maintain accurate records of hours worked and meal periods.

Failure to Reimburse and Indemnify Expenses

California Labor Code § 2802 requires employers to reimburse employees for their necessary expenditures and losses incurred in direct consequence of the discharge of their duties or of their obedience to directions of the employer.

Throughout the statutory period, Defendants wrongfully required Plaintiff and the Aggrieved Employees to pay expenses that they incurred in direct discharge of their duties for Defendants without reimbursement. Plaintiff and the Aggrieved Employees were required to wash and maintain their heavily soiled uniforms but were not compensated for that. Further, Plaintiff and the Aggrieved Employees were required to use their cellular telephones for work purposes to communicate with supervisors and coworkers regarding their work schedules and work assignments but were not compensated for cell phone usage. Plaintiff and the Aggrieved Employees incurred these substantial expenses as a direct result of performing their job duties for Defendants, and Defendants have failed to indemnify Plaintiff and the Aggrieved Employees for these employment-related expenses.

Failure to Timely Pay All Wages at Termination

Labor Code §§ 201 and 202 provide that if an employer discharges an employee, the wages earned and unpaid at the time of discharge are due and payable immediately, and that if an employee voluntarily leaves his or her employment, his or her wages shall become due and payable not later than seventy-two (72) hours thereafter, unless the employee has given seventy-two (72) hours previous notice of his or her intention to quit, in which case the employee is entitled to his or her wages at the time of quitting.

Within the applicable statute of limitations, the employment of Plaintiff and many other Aggrieved Employees ended, i.e. was terminated by quitting or discharge, and the employment of others will be. However, during the relevant time period, Defendants failed, and continue to fail to pay Plaintiff and terminated Aggrieved Employees, without abatement, all wages required to be paid by Labor Code sections 201 and 202 either at the time of discharge, or within seventy-

two (72) hours of their leaving Defendants' employ. These unpaid wages include wages for unpaid work time (including minimum and straight time wages), missed meal periods, and missed rest periods.

Defendants' conduct violates Labor Code §§ 201 and 202. Labor Code § 203 provides that if an employer willfully fails to pay wages owed, in accordance with sections 201 and 202, then the wages of the employee shall continue as a penalty wage from the due date, and at the same rate until paid or until an action is commenced; but the wages shall not continue for more than thirty (30) days.

Accordingly, Plaintiff and the Aggrieved Employees are entitled to recover from Defendants their additionally accruing wages for each day they were not paid, at their regular hourly rate of pay, up to 30 days maximum pursuant to Labor Code § 203.

Moreover, Defendants are liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 2699(f)(2) for failing to timely pay all wages at termination.

Failure to Furnish Accurate Itemized Wage Statements

Labor Code § 226(a) provides that every employer shall furnish each of his or her employees an accurate itemized wage statement in writing showing nine pieces of information, including: (1) gross wages earned, (2) total hours worked by the employee, (3) the number of piece-rate units earned and any applicable piece rate if the employee is paid on a piece-rate basis, (4) all deductions, provided that all deductions made on written orders of the employee may be aggregated and shown as one item, (5) net wages earned, (6) the inclusive dates of the period for which the employee is paid, (7) the name of the employee and the last four digits of his or her social security number or an employee identification number other than a social security number, (8) the name and address of the legal entity that is the employer, and (9) all applicable hourly rates in effect during the pay period and the corresponding number of hours worked at each hourly rate by the employee. An employee is presumed to suffer an injury if this information is missing. Lab. Code § 226(e)(2)(B)(iii).

The statute further provides: "An employee suffering injury as a result of a knowing and intentional failure by an employer to comply with subdivision (a) is entitled to recover the greater of all actual damages or fifty dollars (\$50) for the initial pay period in which a violation occurs and one hundred dollars (\$100) per employee for each violation in a subsequent pay period, not to exceed an aggregate penalty of four thousand dollars (\$4,000), and is entitled to an award of costs and reasonable attorney's fees." Lab. Code § 226(e)(1).

Defendants intentionally and willfully failed to provide employees with complete and accurate wage statements. The deficiencies include, among other things, the failure to correctly identify hourly rates, the failure to correctly list gross wages earned, the failure to list the true net wages earned, wages for rest periods that were not authorized and permitted to take in accordance with

California law, and correct wages earned for all hours worked. Additionally, Defendants failed to provide the employer entity correct address and names on the wage statements and wrongfully listed sick pay in the total number of hours worked.

As a result of Defendants violating Labor Code § 226, Plaintiff and similarly Aggrieved Employees suffered injury and damage to their statutorily protected rights.

Accordingly, Plaintiff and similarly Aggrieved Employees are entitled to recover from Defendants the greater of their actual damages caused by Defendants' failure to comply with Labor Code § 226(a), or an aggregate penalty not exceeding \$4,000 dollars per employee.

Moreover, Defendants are liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 226.3 for failing to furnish accurate itemized wage statements.

Failure to Pay All Earned Wages Twice Per Month

Based on its failure to pay Plaintiff and the Aggrieved Employees for all wages as discussed above, Defendants also violated Labor Code § 204.

Labor Code § 204 requires employers to pay employees all earned wages two times per month on days designated in advance by the employer as the regular paydays. Labor performed between the 1st and 15th days, inclusive, of any calendar month shall be paid for between the 16th and the 26th day of the month during which the labor was performed, and labor performed between the 16th and the last day, inclusive, of any calendar month, shall be paid for between the 1st and 10th day of the following month. Lab. Code § 204(a). The requirements of this section shall be deemed satisfied by the payment of wages for weekly, biweekly, or semimonthly payroll if the wages are paid not more than seven calendar days following the close of the payroll period. Lab. Code § 204(d).

Here, Defendants have not designated regular pay dates and often times issued wages after the 26th day of the month for the labor performed between the 1st and 15th days and after the 10th day of the following month for the labor performed between the 16th and the last day of the month as well as more than seven calendar days following the close of the payroll period.

Throughout the statute of limitations period applicable to this cause of action, employees were also entitled to be paid twice a month at their regular rates, including all meal period premium wages owed, rest period premium wages owed, and wages owed for hours worked. However, during all such times, Defendants systematically failed and refused to pay the employees all wages due, and failed to pay those wages twice a month, in that employees were not paid all wages for all meal periods not provided by Defendants, all wages for all rest periods not authorized and permitted by Defendants, and all wages for all hours worked. As a result, Defendants owe employees the legally required wages for unpaid wages, and Plaintiff and the Aggrieved Employees suffered damages in those amounts.

Moreover, Defendants are liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 210 for failing to pay all earned wages twice per month.

Failure to Provide Suitable Seats

Pursuant to applicable IWC Section 14(A) all working employees shall be provided with suitable seats when the nature of the work reasonably permits the use of seats. IWC Section 14(B) states that when employees are not engaged in the active duties of their employment and the nature of the work requires standing, an adequate number of suitable seats shall be placed in reasonable proximity to the work areas and employees shall be permitted to use such seats when it does not interfere with the performance of their duties.

However, Defendant failed to provide Plaintiff and the Aggrieved Employees with suitable seats.

Action for Civil Penalties Under PAGA

In light of the above, Plaintiff alleges that Defendants violated the following provisions of the Labor Code with respect to the Aggrieved Employees:

1. Labor Code § 204, 510, 1194, 1197, and 1198 by failing to pay for all hours worked, including minimum wages, straight time wages and overtime wages;
2. Labor Code § 226.7, 512 and applicable Wage Orders by failing to provide meal periods;
3. Labor Code § 226.7 and applicable Wage Orders by failing to authorize and permit rest periods;
4. Labor Code § 1174.5 and applicable Wage Orders by failing to maintain accurate records of hours worked and meal periods taken or missed;
5. Labor Code § 2802 by failing to reimburse and indemnify employees for expenses and losses in the direct consequence and discharge of their duties;
6. Labor Code § 227.3 by failing to pay all vacation wages at termination;
7. Labor Code §§ 201 to 203 by willfully failing to pay all wages owed at termination;
8. Labor Code § 226 by failing to provide accurate itemized wage statements; and
9. Labor Code § 204 by failing to pay all earned wages two times per month.
10. Applicable IWC Section 14(A) for failure to provide suitable seating.

Therefore, on behalf of all Aggrieved Employees, Plaintiff seeks applicable penalties related to the violations alleged above pursuant to the PAGA. These include, but are not limited to, penalties under Labor Code §§ 210, 226.3, 558, 1174.5, 1197.1, 2802, and 2699(f)(2).

Plaintiff has placed Defendants on notice by mailing a certified copy of this correspondence to their corporate address and address of the agent for service, as indicated on the first page.

The facts and claims contained herein are based on the information available at the time of this writing. Therefore, if through discovery and/or expert review, Plaintiff becomes aware of additional compensation owed or losses incurred by Plaintiff or by any other aggrieved employee of Defendants, Plaintiff expressly reserves the right to revise these facts and/or add any new claims by amending the claim letter or by adding applicable causes of action to the complaint which will relate back to the date of this letter.
