CLASS ACTION

**DECLARATION OF RYAN SLINGER
IN SUPPORT OF PLAINTIFF'S
MOTION FOR PRELIMINARY
APPROVAL OF CLASS ACTION
AND PAGA SETTLEMENT**

Hearing Date: October 26, 2026
Hearing Time: 10:00 a.m.
Department: 7

Complaint Filed: August 31, 2023
FAC Filed: April 10, 2024
Trial Date: None Set

DECLARATION OF RYAN SLINGER

I, Ryan Slinger, hereby declare as follows:

1. I am an attorney licensed to practice law in the State of California. I am a member of Lawyers *for* Justice, PC, attorneys of record for Plaintiff Mario Rodriguez (“Plaintiff”). The facts set forth in this declaration are within my personal knowledge or based on information and belief, and if called as a witness, I could and would competently testify thereto.

PROCEDURAL HISTORY

2. On June 27, 2023, Plaintiff provided written notice by electronic upload to the LWDA and by certified mail Defendants of the specific provisions of the California Labor Code that were alleged to be violated (“PAGA Notice”). Marked and attached hereto as “EXHIBIT 1” is a true and correct copy of Plaintiff’s PAGA Notice.

3. On August 31, 2023, Plaintiff filed the Class Action Complaint for Damages in the Superior Court for the County of Los Angeles, thereby commencing the above-captioned lawsuit.

4. On January 31, 2024, Defendants V&H Performance, LLC, Vance & Hines, and Motorsport Aftermarket Group, Inc. (collectively, “Defendants”) filed an answer to Plaintiff’s Class Action Complaint.

5. On April 10, 2024, Plaintiff filed a First Amended Complaint for Damages and Enforcement Under the Private Attorneys General Act, Cal. Lab. Code § 2698, *Et Seq.* (“Operative Complaint”), adding a PAGA cause of action.

6. On May 9, 2024, Defendants filed an answer to Plaintiff’s Operative Complaint.

THE PROPOSED SETTLEMENT

7. Marked and attached hereto as “EXHIBIT 2” is a true and correct copy of the Class Action and PAGA Settlement Agreement (“Settlement,” “Agreement,” or “Settlement Agreement”) entered into by and between Plaintiff, individually and on behalf of all others similarly situated and other aggrieved employees, on the one hand, and Defendants, on the other hand (collectively, the “Parties”). The Parties and their counsel have approved the proposed Court Approved Notice of Class Action Settlement and Hearing Date for Final Approval (“Class Notice”), which is attached to the Settlement Agreement as “Exhibit A” and respectfully request

1 that the Court approve it as well.

2 8. The Settlement provides for a Total Settlement Amount of \$450,000.00 to be paid
3 in a single payment on a non-reversionary basis. The Net Settlement Amount is the Total
4 Settlement Amount less the following amounts, subject to approval by the Court: Class Counsel
5 Fees Payment of up to \$150,000.00 (if the Total Settlement Amount remains \$450,000.00) and
6 Class Counsel Litigation Expenses Payment not to exceed \$25,000.00 to Class Counsel, Class
7 Representative Service Payment of \$10,000.00 to Plaintiff, Administration Expenses Payment not
8 to exceed \$9,000.00 to the Administrator, and PAGA Penalties of \$50,000.00. Assuming that the
9 amounts allocated under the Settlement toward these payments are awarded by the Court, the Net
10 Settlement Amount that will be available for distribution to Participating Class Member is
11 currently \$206,000.00. Additionally, 25% of the PAGA Penalties, which is \$12,500.00 out of
12 \$50,000.00, will be distributed to the Aggrieved Employees, for their respective portion of the
13 PAGA Penalties. The Total Settlement Amount will be fully distributed in accordance with the
14 terms of the Settlement and there is no reversion to Defendants.

15 9. The Settlement Agreement provides for Class Counsel to apply for attorneys' fees
16 in an amount of up to 1/3 of the Total Settlement Amount (i.e., \$150,000.00, if the Total
17 Settlement Amount remains \$450,000.00) and litigation costs and expenses of not more than
18 \$25,000.00, which will be paid out of the Total Settlement Amount, subject to approval by the
19 Court. It should be noted that Class Counsel has borne all of the risks and costs of litigation and
20 will not receive any compensation until recovery is obtained. A description of the qualifications of
21 Class Counsel, the work performed by Class Counsel, and the results achieved by Class Counsel in
22 this matter can be found in paragraphs 22 through 28, *infra*.

23 10. The Settlement Agreement provides for payment of up to \$10,000.00 to Plaintiff as
24 an Class Representative Service Payment, to be paid out of the Total Settlement Amount subject to
25 approval by the Court. Plaintiff spent considerable time and effort to produce relevant documents
26 and past employment records and to provide the facts and evidence necessary to attempt to prove
27 the allegations. Plaintiff was available whenever Class Counsel needed him and actively tried to
28 obtain information that would benefit the Class. Accordingly, it is appropriate and just for Plaintiff

1 to receive a Class Representative Service Payment, in addition to his individual settlement
2 payment, for his services on behalf of the Class.

3 11. The Parties have agreed to retain Phoenix Settlement Administrators,
4 (“Administrator”) to handle the notice and settlement administration process. The Parties
5 respectfully request that the Court appoint Phoenix Settlement Administrators to handle these
6 procedures and serve as the Administrator. Defendants will provide the Administrator with the
7 Class Data, and the Administrator will calculate each Class Member’s estimated share of the Net
8 Settlement Amount (“Individual Class Share”). The Administrator will be responsible for printing,
9 distributing, and tracking Class Notices and other documents for the Settlement, calculating and
10 distributing payments due under the Settlement, issuing of 1099 and W-2 IRS Forms and all
11 required tax reporting, filings, withholdings, and remittances, providing necessary reports and
12 declarations, transmitting funds representing uncashed checks after the void date to the California
13 Controller’s Unclaimed Property Fund in the name of the each Class Member to whom the checks
14 were issued, and other duties and responsibilities set forth to process the Settlement, and as
15 requested by the Parties. Administration Expenses Payment is currently estimated not to exceed
16 \$9,000.00 and will be paid out of the Total Settlement Amount, subject to approval of the Court.

17 12. Under the Settlement Agreement, Defendants are responsible for any employer-side
18 tax obligations associated with the Total Settlement Amount and will deposit that amount into the
19 settlement fund in addition to the Total Settlement Amount. Each Participating Class Member’s
20 Individual Class Share will be allocated 20% to wages and 80% to interest, penalties, and non-
21 wage damages. The Administrator will withhold the employee’s share of taxes and withholdings
22 with respect to the wages portion of the Individual Class Shares.

23 **CONDITIONAL CERTIFICATION OF THE PROPOSED CLASS IS APPROPRIATE**

24 13. **Ascertainability:** The proposed Class is defined as all current and former hourly-
25 paid or non-exempt employees of Defendant V&H Performance, LLC, and Defendants Vance &
26 Hines, and Motorsport Aftermarket Group, Inc., to the extent they jointly employed employees of
27 V&H Performance, LLC, in California employed during the Class Period, which is the time period
28 from August 31, 2019 through February 17, 2026, or if applicable, the Alternate End Date.

1 14. **Numerosity:** Based on data provided by Defendants, the Class was estimated to be
2 approximately 283 individuals who worked an estimated total of 30,000 workweeks as of February
3 4, 2025.

4 15. **Commonality:** Based on investigation and information discovered, Class Counsel
5 believes that there is sufficient evidence to support the allegations made in the lawsuit, including
6 the allegations that Defendants, with respect to Plaintiff and Class Members *inter alia*, failed to
7 properly pay overtime and minimum wages and associated premium pay, failed to provide
8 compliant meal and rest periods and to pay associated premium pay, failed to timely pay wages
9 during employment and upon termination of employment, failed to provide compliant wage
10 statements, failed to maintain requisite payroll records, and failed to reimburse necessary business
11 expenses, and thereby engaged in unfair business practices. Plaintiff also asserted that Class
12 Members were expected to perform similar job duties and were subject to the same or similar
13 operations and employment policies, practices, and procedures. Additionally, Plaintiff asserted that
14 Defendants' recordkeeping practices with respect to Plaintiff and Class Members were
15 substantially the same during the time period at issue. As a result of said alleged uniform practices,
16 Plaintiff claims that the Class Members were not paid all of the compensation that was owed to
17 them by Defendants. Thus, in Class Counsel's view, it is clear that the outcome of this litigation
18 would be determined by Defendants' uniform operations and employment practices, policies, and
19 procedures that Plaintiff alleges applied across their hourly-paid or non-exempt employees in
20 California during the relevant time period.

21 16. **Adequacy and Typicality:** Plaintiff undertook the responsibilities of representing a
22 class action against his former employer. Plaintiff spent considerable time and effort to produce
23 relevant documents and past employment records and to provide the facts and evidence necessary
24 to attempt to prove the allegations. Plaintiff was available whenever Class Counsel needed him and
25 actively tried to obtain information that would benefit the Class. Plaintiff has no interests that are
26 adverse to the Class. Plaintiff was employed by Defendants during the Class Period and subject to
27 the same alleged violations and the same policies, practices, and procedures. Plaintiff took on the
28 challenge and risk of commencing and maintaining this action, and he has not yet received any

1 monetary benefit for his service to date. Plaintiff put his own interests aside and brought a publicly
2 filed lawsuit against an employer not just for his own benefit, but, instead, on behalf of other
3 hourly-paid employees.

I have worked on many wage-and-hour class action and PAGA representative cases, and my work on these cases has included preparing pleadings and motions, making court appearances, and drafting and finalizing settlement agreements.

THE SETTLEMENT AND SUMMARY OF WORK PERFORMED

22. The effectiveness of Lawyers *for* Justice, PC (“Class Counsel”) in prosecuting this matter has translated into tangible monetary benefits in the following respects: (1) Class Members, Aggrieved Employees, recover over a reasonably short period of time as opposed to waiting additional years for the same, or possibly worse, result; (2) a guaranteed result that compares favorably with other similar class action settlements of this type given the strengths and weaknesses of the case; and (3) significant savings in Class Counsel's fees and/or costs that would have only increased significantly had the case progressed through certification, trial, and/or appeals.

23. Class Counsel has litigated the case for over 3 years and was actively preparing the matter for class certification and trial. The Parties have engaged in extensive settlement negotiations and participated in a full-day mediation conducted by Jeffrey P. Fuchsman, Esq., a well-respected mediator experienced in mediating complex labor and employment matters. In the course of the this lawsuit and in connection with the mediation and settlement negotiations, the Parties exchanged extensive information and engaged in discussions regarding their evaluations of the case and various aspects of the case, including but not limited to, the risks and delays of further litigation, the law relating to off-the-clock theory, regular rate, meal and rest periods, and state wage-and-hour law and enforcement, as well as the evidence produced and analyzed, and the possibility of appeals, among other things. During all settlement discussions, the Parties conducted their negotiations at arm’s length in an adversarial position. Arriving at a settlement that was acceptable to all Parties was not easy. Defendants and their counsel felt strongly about their ability to prevail on the merits, and Plaintiff and Class Counsel believed that they would be able to prevail

1 at trial. After conducting investigations, formal and informal discovery, exchange of information,
2 extensive settlement negotiations, and with the aid of the mediator's evaluation, the Parties have
3 agreed that the matter is well-suited for settlement given the legal issues relating to Plaintiff's
4 principal claims, as well as the costs and risks to both sides that would attend further litigation. The
5 Settlement is a fair, reasonable, and adequate resolution of the Released Class Claims of Plaintiff
6 and Participating Class Members, and the Released PAGA Claims of Plaintiff, Aggrieved
7 Employees and the State of California, against the Released Parties.

8 24. Prior to reaching the Settlement, Class Counsel investigated the veracity, strength,
9 and scope of the claims, and was preparing the action for class certification and trial. Plaintiff
10 conducted significant investigation and formal and informal discovery regarding the facts of the
11 case, including and not limited to, the exchange, review, and analysis of a volume of documents
12 and data obtained from Defendants, Plaintiff, and other sources. Class Counsel served multiple sets
13 of formal written discovery requests onto Defendants (specifically, Requests for Production of
14 Documents (Set One), Special Interrogatories (Sets One and Two), and Form Interrogatories –
15 General (Set One)) and reviewed Defendants' responses thereto. Additionally, Class Counsel
16 noticed the depositions of Defendants' Persons Most Knowledgeable regarding Organizational
17 Structure. The volume of data and documents that Class Counsel reviewed and analyzed included
18 and was not limited to: Plaintiff's employment records, Class Members' time and pay data,
19 Defendants' Employee Handbook, company policy acknowledgements, internal memoranda,
20 Defendants' operations and employment practices, forms, procedures, and policies, among other
21 information and documents. Class Counsel had the opportunity to interview Plaintiff to gather
22 facts and to identify potential witnesses. Counsel for the Parties met and conferred on numerous
23 occasions, e.g., to discuss issues relating to the pleadings, and the production of documents and
24 data prior to the mediation. Class Counsel drafted Plaintiff's pleadings and mediation brief and
25 prepared for and attended court proceedings, settlement negotiations, and the mediation, among
26 other tasks.

27 25. Counsel for the Parties have also invested time researching and investigating the
28 applicable law, which is constantly evolving as it relates to certification, off-the-clock theory,

1 regular rate, meal and rest periods, state wage-and-hour law and enforcement, Plaintiff's claims
2 and damages, and Defendants' defenses thereto, as well as facts discovered. Based on Class
3 Counsel's analysis, the result achieved in this lawsuit is fair, adequate, and reasonable.

4 26. Class Counsel is aware of the defenses and position of Defendants, but believe that
5 Plaintiff could potentially obtain class certification despite many obstacles. Plaintiff and Class
6 Counsel have also taken into account the uncertainty and risk of the outcome of further litigation,
7 and the difficulties and delays inherent in such litigation. Plaintiff further recognizes the burdens
8 of proof necessary to establish liability for the claims asserted in the lawsuit, Defendants' defenses,
9 and the difficulties in establishing entitlement to monetary recovery. Plaintiff and Class Counsel
10 have also considered the Parties' settlement discussions, as well as the evaluations of the mediator,
11 who is experienced and well-regarded in complex labor and employment matters.

12 27. Defendants, on the other hand, denied and continue to deny any liability and
13 wrongdoing of any kind associated with the claims alleged in the lawsuit, and further deny that this
14 lawsuit is appropriate for class treatment for any purpose other than this Settlement. Defendants
15 believe that they would ultimately succeed in the matter. Both sides have also had the opportunity
16 to interview witnesses and review documents and information relating to Plaintiff's and Class
17 Members' employment with Defendants, and Defendants' operations and employment policies,
18 practices, and procedures. The Parties also reviewed and analyzed a volume of documents and
19 data to determine the potential value and strength of the claims. The available information enabled
20 Class Counsel to assess and value the claims and prepare violation, damages, and analyses models.
21 Accordingly, counsel for the Parties have conducted adequate investigation and discovery to be
22 sufficiently informed of the nature and extent of the Class Members' claims, and to enable both
23 sides to fully evaluate the Settlement for its fairness, adequacy, and reasonableness. The
24 Settlement takes into account the strengths and weaknesses of each side's position and the
25 uncertainty of how the case might have concluded at trial and/or appeals.

26 28. Class Counsel submits that the Settlement is fair, reasonable, and adequate, and is
27 in the best interest of Plaintiff, the Class, Aggrieved Employees, and the State of California. Class
28 Counsel further submits that the Settlement is within an acceptable range of recovery for this type

1 of litigation given the strengths and weaknesses of the case, the inherent costs and risks of further
2 litigation, and the costs and risks associated with class certification, trial, and/or appeals.

3 I declare under penalty of perjury under the laws of the State of California that the
4 foregoing is true and correct.

5 Executed on this 24th day of July 2026, at Glendale, California.

**Re: V&H PERFORMANCE, LLC; VANCE & HINES; MOTORSPORT
AFTERMARKET GROUP, INC.**

Dear Representative:

We have been retained to represent Mario Rodriguez against V&H Performance, LLC, Vance & Hines, and Motorsport Aftermarket Group, Inc. (including any and all affiliates, subsidiaries, parents, directors, officers, agents, and executive employees) (collectively referred to as “V&H”) for violations of California wage-and-hour laws. Mr. Rodriguez seeks penalties for violations of the California Labor Code, which are recoverable under California Labor Code section 2698, et seq., the Labor Code Private Attorneys General Act of 2004 (“PAGA”) and all other remedies available under PAGA.

Mr. Rodriguez seeks these remedies on behalf of the State of California and “aggrieved employees,” as defined herein. This letter is sent in compliance with the reporting requirements of California Labor Code section 2699.3.

V&H employed Mr. Rodriguez as an hourly-paid, non-exempt employee from approximately July 2021 to approximately August 2022, in the State of California.

The “aggrieved employees” that Mr. Rodriguez may seek penalties on behalf of are all current and former hourly-paid or non-exempt employees who worked for any of the above-referenced entities within the State of California.

Based on the following facts and theories, V&H has violated and/or continues to violate, among other provisions of the California Labor Code and applicable wage law, California Labor Code sections 201, 202, 203, 204, 226, 226(a), 226.7, 432, 510, 512(a), 551, 552, 558, 1174(d), 1194, 1197, 1197.1, 1198, 1198.5, 2800 and 2802, and IWC Wage Orders including *inter alia*, Wage Orders 1-2001, 4-2001, and 9-2001.

V&H required aggrieved employees to perform work before their scheduled shifts, after their scheduled shifts, during off-the-clock meal breaks, and/or during rest breaks and failed to compensate aggrieved employees for this time. Such work included, but was not limited to,

waiting in line to clock-in and/or clock out, responding to work-related inquiries, and completing COVID screening protocols.

California Labor Code sections 510 and 1198 require employers to pay time-and-a-half or double time overtime wages, and make it unlawful to work employees for hours longer than eight hours in one day and/or over forty hours in one week without paying the premium overtime rates at one-and-one-half times or double the regular rate of pay, including additional remuneration. During the relevant time period, Mr. Rodriguez and other aggrieved employees worked in excess of 8 hours in a day and 40 hours in a week. Therefore, Mr. Rodriguez and other aggrieved employees were entitled to receive certain wages for overtime compensation, but they were not paid for all overtime hours worked.

California Labor Code sections 226.7 and 512 require employers to pay an employee one additional hour of pay at the employee's regular rate for each meal or rest period that is not provided. During the relevant time period, V&H required Mr. Rodriguez and other aggrieved employees to work during meal and rest periods and failed to compensate them properly for non-compliant meal and rest periods including, *inter alia*, short, late, interrupted, and missed meal and rest periods.

California Labor Code sections 201 and 202 provide that if an employer discharges an employee, the wages earned and unpaid at the time of discharge are due and payable immediately, and if an employee quits his or her employment, his or her wages shall become due and payable not later than seventy-two (72) hours thereafter, unless the employee has given seventy-two (72) hours' notice of his or her intention to quit, in which case the employee is entitled to his or her wages at the time of quitting. During the relevant time period, V&H failed to pay Mr. Rodriguez and other aggrieved employees all wages due to them within any time period specified by California Labor Code sections 201 and 202, including earned and unpaid minimum, overtime, and premium wages as discussed above.

California Labor Code section 204 requires that all wages earned by any person in any employment between the 1st and the 15th days, inclusive, of any calendar month, other than those wages due upon termination of an employee, are due and payable between the 16th and the 26th day of the month during which the labor was performed, and that all wages earned by any person in any employment between the 16th and the last day, inclusive, of any calendar month, other than those wages due upon termination of an employee, are due and payable between the 1st and the 10th day of the following month. California Labor Code section 204 also requires that all wages earned for labor in excess of the normal work period shall be paid no later than the payday for the next regular payroll period. During the relevant time period, V&H failed to pay Mr. Rodriguez and other aggrieved employees all wages due to them within any time period specified by California Labor Code section 204, including earned and unpaid minimum, overtime, and premium wages as discussed above.

California Labor Code section 226 requires employers to make, keep and provide complete and accurate itemized wage statements to their employees. During the relevant time period, V&H did not provide Mr. Rodriguez and other aggrieved employees with complete and accurate itemized wage statements. The wage statements they received from V&H were in violation of California Labor Code section 226(a). The violations include, but are not limited to, the failure to include

the total hours worked by Mr. Rodriguez and other aggrieved employees, including time spent working off-the-clock and during meal and rest periods as discussed above.

California Labor Code sections 551 and 552 require that every person employed in any occupation of labor is entitled to one day's rest in a seven-day workweek, that no employer of labor shall cause his employees to work more than six days in a workweek, and that an employer shall pay a civil penalty in the amounts of fifty dollars (\$50) for each aggrieved employee per pay period for the initial violation and one hundred dollars (\$100) for each aggrieved employee per pay period for each subsequent violation. During the relevant time period, Mr. Rodriguez and the aggrieved employees were required to regularly and/or consistently work in excess of six (6) days in a workweek. During the relevant time period, Mr. Rodriguez and the aggrieved employees were required to work in excess of thirty (30) hours in a week and/or six (6) hours in any one (1) day thereof, during workweeks in which they were required to work in excess of six (6) days. During the relevant time period, Mr. Rodriguez and the aggrieved employees were required to work in excess of six (6) days in a workweek without accumulating or being provided the opportunity to take at least one (1) day of rest, and when Mr. Rodriguez and the aggrieved employees accumulated days of rest, they were not actually provided the opportunity to take the equivalent of one (1) day's rest in seven (7) during each calendar month.

California Labor Code sections 1174(d) requires an employer to keep, at a central location in the state or at the plants or establishments at which employees are employed, payroll records showing the hours worked daily by and the wages paid to, and the number of piece-rate units earned by and any applicable piece rate paid to, employees employed at the respective plants or establishments. These records shall be kept with rules established for this purpose by the commission, but in any case shall be kept on file for not less than two years. During the relevant time period, V&H failed to keep accurate and complete payroll records showing the actual hours worked daily and the wages earned by Mr. Rodriguez and other aggrieved employees, including earned and unpaid minimum, overtime, and premium wages as discussed above.

California Labor Code sections 226, 432, and 1198.5 require employers to produce the employee's records upon request. V&H failed to produce copies of Mr. Rodriguez's payroll records and personnel file upon written request.

California Labor Code sections 1194, 1197, and 1197.1 provide the minimum wage to be paid to employees, and the payment of a lesser wage than the minimum so fixed is unlawful. During the relevant time period, V&H did not provide Mr. Rodriguez and other aggrieved employees with the minimum wages to which they were entitled for work performed "off-the-clock."

California Labor Code section 1198 provides that "The employment of any employee ... under conditions of labor prohibited by the [Industrial Wage Orders] is unlawful." The applicable Industrial Wage Orders, including *inter alia*, Wage Orders 1-2001, 4-2001, and 9-2001, require that for each workday an employee is required to report for work and does report, but is not put to work or is furnished less than half said employee's usual or scheduled day's work, the employee shall be paid for half the usual or scheduled day's work, but in no event for less than two (2) hours nor more than four (4) hours, at the employee's regular rate of pay. Further, if an employee is required to report for work a second time in any one workday and is furnished less than two (2) hours of work on the second reporting, said employee shall be paid for two (2) hours at the

employee's regular rate of pay. During the relevant time period, V&H failed to pay Mr. Rodriguez and other aggrieved employees half the usual or scheduled day's work in an amount no less than two (2) hours nor more than four (4) hours at the employee's regular rate of pay for workdays in which Mr. Rodriguez and the other aggrieved employees reported to work and were furnished less than half the usual or scheduled day's work. During the relevant time period, V&H failed to pay Mr. Rodriguez and other aggrieved employees for two (2) hours at the employee's regular rate of pay on days in which Mr. Rodriguez and the other aggrieved employees were required to report for work a second time in one workday and were furnished less than two (2) hours of work upon the second reporting.

California Labor Code sections 2800 and 2802 require an employer to reimburse its employee for all necessary expenditures incurred by the employee in direct consequence of the discharge of his or her job duties or in direct consequence of his or her obedience to the directions of the employer. During the relevant time period, Mr. Rodriguez and other aggrieved employees incurred necessary business-related expenses and costs that were not fully reimbursed by V&H. These costs include, but are not limited to, the use of a personal phone for work-related tasks, the purchasing and maintenance of clothing and footwear in compliance with the dress code, and the purchasing and maintenance of supplies.

Therefore, on behalf of all aggrieved employees, Mr. Rodriguez seeks all applicable penalties arising out of the above-referenced wage, hour, and payroll practices, or which could be assessed and collected by the Labor and Workforce Development Agency, for violation of the California Labor Code pursuant to PAGA, including civil penalties pursuant to Labor Code section 558.

2. RECITALS

2.1. On June 27, 2023, Plaintiff provided written notice to the LWDA and Defendants regarding the specific provisions of the California Labor Code and Industrial Welfare Commission Wage Orders that he alleges Defendants violated to the LWDA and Defendant (“PAGA Notice”).

2.2. On August 31, 2023, Plaintiff commenced the Action by filing a Class Action Complaint for Damages (“Class Complaint”) alleging causes of action against Defendants for: (1) unpaid overtime; (2) unpaid meal period premiums; (3) unpaid rest period premiums; (4) unpaid minimum wages; (5) failing to timely pay final wages; (6) failing to timely pay

wages during employment; (7) failing to issue compliant wages statements; (8) failing to keep requisite payroll records; (9) unreimbursed business expenses; and (10) violations of California Business & Professions Code §§ 17200, *et seq.*

2.3. On April 10, 2024, Plaintiff filed a First Amended Class Action Complaint for Damages & Enforcement Under the Private Attorneys General Act, California Labor Code § 2698, *Et Seq.* in the Action, thereby adding a cause of action for civil penalties pursuant to PAGA (“First Amended Complaint” or “Operative Complaint”). The First Amended Complaint is the operative pleading in this matter.

2.4. Defendants deny the allegations in the Operative Complaint, deny any failure to comply with the laws identified in the Operative Complaint, and deny any and all liability for the causes of action alleged.

2.5. Pursuant to Labor Code section 2699.3, subd.(a), Plaintiff gave timely written notice to Defendants and the LWDA by sending a PAGA Notice.

2.6. On February 4, 2025, the Parties participated in a full-day mediation presided over by Jeffrey P. Fuchsman, Esq., a respected mediator in wage and hour class and representative actions. Although the Action did not settle at mediation, the Parties continued to engage in direct settlement negotiations which led to this Agreement to settle the Action.

2.7. Prior to mediating and negotiating the Settlement, Plaintiff obtained, through informal discovery efforts, Defendants’ relevant policies for their non-exempt employees (including all versions of their employee handbooks in effect during the liability period); Plaintiff’s personnel records, timekeeping and payroll records, and wages statements; a substantial sampling of timekeeping and payroll data of the Class Members for the period through February 4, 2025; and wage statement exemplars. Plaintiff’s investigation is sufficient to satisfy the criteria for court approval set forth in *Dunk v. Foot Locker Retail, Inc.* (1996) 48 Cal.App.4th 1794, 1801 and *Kullar v. Foot Locker Retail, Inc.* (2008) 168 Cal.App.4th 116, 129-130 (“*Dunk/Kullar*”).

2.8. The Court has not granted class certification.

2.9. The Parties, Class Counsel, and Defense Counsel represent that they are not aware of any other pending matters or actions asserting claims that may be extinguished or affected by the Settlement.

3. MONETARY TERMS.

3.1. Total Settlement Amount. Except as otherwise provided by Paragraph 8 below, Defendants agree to pay \$450,000.00 and no more as the Total Settlement Amount, and to separately pay any and all employer payroll taxes owed on the Wage Portion of the Individual Class Shares. Defendants have no obligation to pay the Total Settlement Amount (or any payroll taxes) prior to the deadline stated in Paragraph 4.3 of this Agreement. The Administrator will disburse the entire Total Settlement Amount without asking or requiring Participating Class Members or

Aggrieved Employees to submit any claim as a condition of payment. None of the Total Settlement Amount will revert to Defendants.

3.2. Payments from the Total Settlement Amount. The Administrator will make and deduct the following payments from the Total Settlement Amount, in the amounts specified by the Court in the Final Approval Order:

3.2.1. To Plaintiff: Class Representative Service Payment to the Class Representative of not more than \$10,000.00, in addition to any individual settlement payment that the Class Representative is entitled to receive as a Participating Class Member and/or Aggrieved Employee. Defendants will not oppose Plaintiff's request for Class Representative Service Payment that does not exceed this amount. As part of the Motion for Final Approval, Plaintiff will seek Court approval for the Class Representative Service Payment no later than sixteen (16) court days prior to the Final Approval Hearing, or alternatively, such other deadline that is set by the Court. If the Court approves a Class Representative Service Payment less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will pay the Class Representative Service Payment using IRS Form 1099. Plaintiff assumes full responsibility and liability for employee taxes owed on the Class Representative Service Payment.

3.2.2. To Class Counsel: A Class Counsel Fees Payment of not more than one-third (1/3) of the Total Settlement Amount, which is currently estimated to be \$150,000.00 (if the Total Settlement Amount remains \$450,000.00) and a Class Counsel Litigation Expenses Payment of not more than \$25,000.00. Defendants will not oppose requests for these payments provided that they do not exceed these amounts. As part of the Motion for Final Approval, Plaintiff and Class Counsel will request approval of the Class Counsel Fees Payment and Class Litigation Expenses Payment. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the Net Settlement Amount for distribution to Participating Class Members. Released Parties shall have no liability to Class Counsel, Class Members, or Aggrieved Employees arising from any claim to any portion of any Class Counsel Fees Payment and/or Class Counsel Litigation Expenses Payment. A reduction by the Court of either the Class Counsel Fees Payment(s) and/or Class Counsel Litigation Expenses Payment(s) shall not be grounds to nullify this Agreement. With respect to the Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment to Class Counsel, the Administrator may purchase an annuity to utilize United States Treasuries and bonds or utilize other attorney fee deferral vehicles, for Class Counsel, and any additional expenses for doing so shall be paid separately by Class Counsel and shall not be included within the Administration Expenses. The Administrator will pay the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment using one or more IRS 1099 Forms. Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fees Payment and the Class Counsel Litigation Expenses Payment and holds Released Parties harmless, and indemnifies

Released Parties, from any dispute or controversy regarding any division or sharing of any of these payments.

3.2.3. To the Administrator: An Administration Expenses Payment not to exceed \$9,000.00 except for a showing of good cause and as approved by the Court. These costs, which will be paid from the Total Settlement Amount, subject to Court approval, will include (among other things) printing, distributing, and tracking the Class Notice and other documents for the Settlement, calculating and distributing payments due under the Settlement, issuing IRS Forms 1099 and W-2 and undertaking all required tax reporting, filings, withholdings, and remittances, providing necessary reports and declarations, and other duties and responsibilities set forth here to process the Settlement. To the extent the Administration Expenses are less or the Court approves payment less than \$9,000.00, the Administrator will allocate the remainder to the Net Settlement Amount.

3.2.4. Individual Class Share Calculation: The Administrator will calculate each Individual Class Share by (a) dividing the Net Settlement Amount by the total number of Workweeks all Participating Class Members were employed during the Class Period, and (b) multiplying the result by each Participating Class Member's individual number of Workweeks they were employed during the Class Period.

3.2.4.1. Tax Allocation of Individual Class Shares. 20% of each Participating Class Member's Individual Class Share will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to reduction for the employee's share of taxes and withholding and will be reported on an IRS W-2 Form. The remaining 80% of each Participating Class Member's Individual Class Share will be allocated to settlement of claims for interest, penalties, and non-wage damages (excluding any portion of the share of the PAGA Penalties) (the "Non-Wage Portion"). The Administrator will not undertake any reduction for taxes and withholdings for the Non-Wage Portion, and the Non-Wage Portion will be reported on IRS 1099 Forms. The Administrator will withhold (and remit to the appropriate taxing authorities) the employee's share of taxes and withholdings with respect to the Wage Portion of the Individual Class Shares, and issue checks to Participating Class Members for their Individual Class Payment (i.e., payment of their Individual Class Share net of these taxes and withholdings). Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Share. The Administrator shall also remit the employer taxes to the appropriate taxing authorities.

3.2.4.2. Effect of Non-Participating Class Members on Calculation of Individual Class Shares. Class Members who submit a valid and timely Request for Exclusion from the Class Settlement will not receive an Individual Class Payment. The Administrator will retain amounts equal to their Individual Class Shares in the Net Settlement Amount for distribution to Participating Class Members on a *pro rata* basis.

3.2.5. To the LWDA and Aggrieved Employees: The amount of \$50,000.00 of the Total Settlement Amount shall be allocated to PAGA Penalties. Seventy-five percent (75%) of the PAGA Penalties (\$37,500.00) shall be allocated to the LWDA PAGA Payment and twenty-five percent (25%) of the PAGA Penalties (\$12,500.00) shall be allocated to the Individual PAGA Payments.

3.2.5.1. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$12,500.00) by the total number of Pay Periods all Aggrieved Employees were employed during the PAGA Period, and (b) multiplying the result by each Aggrieved Employee's individual number of Pay Periods they were employed during the PAGA Period. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.

3.2.5.2. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount, and will allocate seventy-five percent (75%) of the approved PAGA Penalties to the LWDA and twenty-five percent (25%) of the approved PAGA Penalties to the Individual PAGA Payments. Each Individual PAGA Payment will be allocated as 100% penalties and will be reported on IRS Forms 1099 (if applicable) by the Administrator.

4. SETTLEMENT FUNDING AND PAYMENTS.

4.1. Workweeks and Pay Periods. Based on a review of their records to date, Defendants estimate there are approximately 283 Class Members who collectively were employed a total of approximately 30,000 Workweeks during the period from August 31, 2019, through February 4, 2025, and approximately 154 Aggrieved Employees who collectively were employed a total of approximately 5,530 Pay Periods during the period from June 27, 2022 through February 17, 2026.

4.2. Class Data. Not later than fifteen (15) calendar days after the Court grants Preliminary Approval of the Settlement, Defendant will deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendants have a continuing duty to immediately notify Class Counsel if they discover that the Class Data omitted Class Member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible.

4.3. Funding of Total Settlement Amount. Defendants shall fully fund the Total

Settlement Amount and the amounts necessary to fully pay Defendants' share of payroll taxes by transmitting the funds to the Administrator no later than thirty (30) calendar days after entry of the Court's Final Approval Order.

4.4. Payments from the Total Settlement Amount. Within fourteen (14) calendar days after Defendants fund the Total Settlement Amount and Defendants' share of payroll taxes, the Administrator will mail checks for all Individual Class Payments, Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment. Disbursement of the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, the Administration Expenses Payment, and the Class Representative Service Payment shall not precede disbursement of Individual Class Payments and Individual PAGA Payments.

4.4.1. The Administrator will issue and mail checks for the Individual Class Payments to the Participating Class Members and Individual PAGA Payments to the Aggrieved Employees via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the date (not less than 180 calendar days after the date of mailing) when the check will be voided. After the void date, the checks are canceled. The Administrator will send checks for Individual Class Payments to all Participating Class Members (including those for whom a Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees, including those who opted out of the Class Settlement and including those for whom a Class Notice was returned undelivered. The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, for only those Class Members for whom the Class Notice was returned undelivered and for whom an alternate address was not located by way of a skip-trace performed earlier by the Administrator, the Administrator must update the recipients' mailing addresses using the National Change of Address Database.

4.4.2. The Administrator must conduct a Class Member Address Search for all Participating Class Members and Aggrieved Employees whose checks are returned undelivered without USPS forwarding address within sixty (60) calendar days of the initial mailing of the checks. Within three (3) business days of receiving a returned check, the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Participating Class Members and/or Aggrieved Employees whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Participating Class Member and/or Aggrieved Employee whose original check was lost or misplaced, requested by the Class Member and/or Aggrieved Employee prior to the void date, in which case the re-issued check would be valid until the later of the 180-day check cashing period or the date that is fourteen (14) calendar days from the date of re-issuance, whichever is later.

4.4.3. For any Participating Class Member and/or Aggrieved Employee whose Individual Class Payment check or Individual PAGA Payment check is uncashed and canceled after the void date, the Administrator shall transmit the funds to the California Controller's Unclaimed Property Fund in the name of the Participating Class Member and/or Aggrieved Employee, and in their respective payment amount, thereby leaving no "unpaid residue" subject to the requirements of California Code of Civil Procedure Section 384, subd. (b).

4.4.4. The payment of Individual Class Shares and Individual PAGA Payments shall not obligate Defendants to confer any additional benefits or make any additional payments to Participating Class Members or Aggrieved Employees (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

- 5. RELEASES OF CLAIMS.** Upon the Effective Date and full funding of the entire Total Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiff, Participating Class Members, the State of California, and Aggrieved Employees will release claims against all Released Parties as follows:

5.1 Plaintiff's Release and Waiver of Rights Under California Civil Code Section 1542. In consideration of Defendants' promises and agreements as set forth herein, Plaintiff hereby releases all claims related to his employment or alleged employment with the Released Parties including all claims alleged in the Action, and all claims known and unknown, without exception, except as may be prohibited by law (collectively, "Plaintiff's Release"). Specifically, Plaintiff waives all rights and benefits afforded by California Civil Code Section 1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTIES.

This release specifically excludes claims for unemployment insurance, disability, social security, and workers' compensation (with the exception of claims arising pursuant to California Labor Code Sections 132a and 4553). This release excludes the release of claims not permitted by law. Plaintiff's Release does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, or workers' compensation benefits that arose at any time. Plaintiff acknowledges that Plaintiff may discover facts or law different from, or in addition to, the facts or law that Plaintiff now knows or believes to be true but agrees, nonetheless, that Plaintiff's Release shall be and remain effective in all respects, notwithstanding such different or additional facts or Plaintiff's discovery of them. Thus, notwithstanding the provisions of section 1542, and to implement a full and complete release and discharge of the Released Parties, Plaintiff expressly acknowledge this Settlement Agreement is intended to include in its effect, without limitation, all claims Plaintiff does not know or suspect to exist in Plaintiff's

favor at the time of signing this Settlement Agreement, and that this Settlement Agreement contemplates the extinguishment of any such claims.

5.2 Released Class Claims by Participating Class Members: All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, are deemed to release the Released Parties from all claims under state, federal, or local law, pled in the Operative Complaint in the Action or that could have been pled based on the factual allegations alleged in the Operative Complaint in the Action and that arose during the Class Period, such as those under the California Labor Code, Industrial Welfare Commission Wage Orders, regulations, and/or other provisions of law, including and not limited to, for: (1) failure to pay overtime wages under Labor Code Sec. 510, 1198; (2) failure to provide meal periods and/or pay meal period premiums under Labor Code Sec. 226.7, 512; (3) failure to provide rest periods and/or pay rest period premiums under Labor Code Sec. 226.7; (4) failure to pay minimum wages under Labor Code Sec. 1194, et seq.; (5) failure to timely pay wages upon termination under Labor Code Sec. 203; (6) failure to timely pay wages during employment under Labor Code Sec. 204, 210; (7) failure to provide accurate, itemized wage statements under Labor Code Sec. 226; (8) failure to keep requisite payroll records under Labor Code Sec. 1174(d); (9) failure to reimburse business expenses under Labor Code Sec. 2800, 2802; (10) violation of California's unfair competition law under Business and Professions Code Sec. 17200 (collectively, "Released Class Claims").

5.3 Released PAGA Claims by Aggrieved Employees: The State of California with respect to the Aggrieved Employees and all Aggrieved Employees, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, are deemed to release the Released Parties from all claims for civil penalties recoverable under the Private Attorneys General Act, California Labor Code section 2698, et seq. that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and the PAGA Notice and that arose during the PAGA Period, including but not limited to, for: (1) failure to pay overtime wages under Labor Code Sec. 510, 1198; (2) failure to provide meal periods and/or pay meal period premiums under Labor Code Sec. 226.7, 512; (3) failure to provide rest periods and/or pay rest period premiums under Labor Code Sec. 226.7; (4) failure to pay minimum wages under Labor Code Sec. 1194, et seq.; (5) failure to timely pay wages upon termination under Labor Code Sec. 203; (6) failure to timely pay wages during employment under Labor Code Sec. 204, 210; (7) failure to provide accurate, itemized wage statements under Labor Code Sec. 226; (8) failure to keep requisite payroll records under Labor Code Sec. 1174(d); and (9) failure to reimburse business expenses under Labor Code Sec. 2800, 2802 (collectively, "Released PAGA Claims").

6. MOTION FOR PRELIMINARY APPROVAL. The Parties agree to jointly prepare and file a motion for preliminary approval ("Motion for Preliminary Approval") that complies with the Court's current checklist for motions for preliminary approval.

6.1 Defendants' Declaration in Support of Preliminary Approval. Within fourteen (14) calendar days of the full execution of this Agreement, Defendant will prepare and deliver to

Class Counsel a signed declaration from Defendants and Defense Counsel disclosing all facts relevant to any actual or potential conflicts of interest with the Administrator. In their declaration, Defendant shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.

6.2 Plaintiff's Responsibilities. Plaintiff will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under California Labor Code Section 2699, subd. (f)(2)); (ii) a draft of the proposed Preliminary Approval Order; (iii) a draft of the proposed Class Notice; (iv) a signed declaration from the Administrator attaching its "not to exceed" bid or quote for administering the Settlement and attesting to its willingness to serve; competency; operative procedures for protecting the security of Class Data; amounts of insurance coverage for any data breach, defalcation of funds or other misfeasance; all facts relevant to any actual or potential conflicts of interest with Class Members and the nature and extent of any financial relationship with any Plaintiff, Class Counsel or Defense Counsel; (v) signed declaration from Plaintiff confirming his willingness and competency to serve, and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members and/or the Administrator; (vi) a signed declaration from Class Counsel attesting to its competency to represent the Class Members; its timely transmission to the LWDA of all necessary PAGA documents (initial notice of violations (California Labor Code section 2699.3, subd. (a)), Operative Complaint (California Labor Code section 2699, subd. (l)(1)), and this Agreement (California Labor Code section 2699, subd. (l)(2)); (vii) a redlined version of the Parties' Agreement showing all modifications made to the Model Agreement ready for filing with the Court; and (viii) all facts relevant to any actual or potential conflict of interest with Class Members and/or the Administrator.

6.3 Responsibilities of Counsel. Class Counsel is responsible for expeditiously finalizing and filing the Motion for Preliminary Approval; obtaining a prompt hearing date for the Motion for Preliminary Approval; and appearing in Court to advocate in favor of the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court's Preliminary Approval Order to the Administrator.

6.4 Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

7 SETTLEMENT ADMINISTRATION.

7.1 Selection of Administrator. The Parties have jointly selected Phoenix Settlement

Administrators (“Phoenix”) to serve as the Administrator and as a condition of appointment, Phoenix agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of the Administration Expenses Payment. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.

7.2 Employer Identification Number. The Administrator shall establish an Employer Identification Number for the Qualified Settlement Fund and use that, for purposes of reporting payroll tax withholdings to state and federal tax authorities. Defendants’ Employer Identification Number and Defendants’ information will be used to calculate Defendants’ share of payroll taxes.

7.3 Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund (“QSF”) under US Treasury Regulation section 468B-1.

7.4 Notice to Class Members.

7.4.1 No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, Aggrieved Employees, Workweeks, and Pay Periods, as reflected in the Class Data.

7.4.2 Using best efforts to perform as soon as possible, and in no event later than fourteen (14) calendar days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service (“USPS”) mail, the Class Notice substantially in the form attached to this Agreement as **Exhibit A**. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Share and/or Individual PAGA Payment payable to the Class Member and Aggrieved Employee, and the number of Workweeks and Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.

7.4.3 Not later than three (3) business days after the Administrator’s receipt of any Class Notice returned, on or before the Response Deadline, by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send a Class Notice to Class Members whose Class Notice is returned by the USPS a second time.

7.4.4 The deadlines for Class Members to submit an Objection, Request for

Exclusion, and/or challenge to Workweeks and/or Pay Periods will be extended an additional fourteen (14) calendar days beyond the Response Deadline otherwise provided in the Class Notice for all Class Members whose Class Notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.

7.4.5 If the Administrator, Defendants, or Class Counsel are contacted by or otherwise discover any persons who believe they should have been included in the Class Data and should have received a Class Notice, the Parties will expeditiously meet and confer in person, by telephone, or by electronic communications, and in good faith in an effort to agree on whether to include them as Class Members. If the Parties agree, the Parties shall go to Court to obtain Court approval on whether to include them as Class Members; and, upon Court approval thereof, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than fourteen (14) calendar days after receipt of the Class Notice, or the Response Deadline in the Class Notice, whichever is later.

7.5 Requests for Exclusion (Opt-Outs).

7.5.1 Class Members who wish to exclude themselves (opt-out of) from the Class Settlement must send the Administrator, by email or mail, a signed written Request for Exclusion no later than the Response Deadline (plus an additional 14 calendar days for Class Members whose Class Notice is re-mailed).

7.5.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded from the Class Settlement. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.

7.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the releases under Paragraphs 5.2 and 5.3 of this Agreement, regardless of whether the Participating Class Member actually receives the Class Notice or objects to the Class Settlement.

7.5.4 Every Class Member who submits a valid and timely Request for Exclusion shall not be issued an Individual Class Payment or have the right to object to the Class Settlement. All Aggrieved Employees are bound to the PAGA Settlement and will still

be issued an Individual PAGA Payment, regardless of whether they seek exclusion from the Class Settlement.

7.6 Challenges to Calculation of Workweeks and Pay Periods. Each Class Member and Aggrieved Employee shall have until the Response Deadline (plus an additional 14 calendar days for Class Members whose Class Notice is re-mailed) to challenge the number of Workweeks and/or Pay Periods (if any) allocated to the Class Member and/or Aggrieved Employee in the Class Notice. The challenge must (a) contain the case name and number of the Action; (b) contain the full name, mailing address, signature, and last four digits of the Social Security Number of the challenging Class Member and/or Aggrieved Employee; (c) clearly state that the Class Member and/or Aggrieved Employee challenges the number of Workweeks and/or Pay Periods credited to them and what they contend is the correct number to be credited to them; (d) include information and/or attach documentation demonstrating that the number of Workweeks and/or Pay Periods that they contend should be credited to them are correct; and (d) be submitted by email or mail to the Administrator at the specified email address and/or mailing address, emailed or postmarked on or before the Response Deadline. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks and Pay Periods contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's and/or Aggrieved Employee's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all Workweeks and/or Pay Periods challenges to Defense Counsel and Class Counsel and the Administrator's determination of the challenges to Defense Counsel and Class Counsel.

7.7 Objections to Settlement. Only Participating Class Members may object to the Class Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment. Class Members may not object to the PAGA Settlement.

7.7.1 Participating Class Members may send Objections to the Administrator, by email or mail. An Objection to the Class Settlement must: (1) contain the case name and number of the Action; (2) contain the Class Member's full name, address, telephone number, signature and last four digits of his or her Social Security Number; (3) clearly state the grounds for the objection; (4) state whether the Class Member intends to appear at the Final Approval Hearing; and (5) be submitted no later than the Response Deadline. Participating Class Members may also appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing, regardless of whether they have submitted a written Objection. A Participating Class Member who elects to send a written Objection to the Administrator must do so not later than sixty (60) calendar days after the Administrator's mailing of the Class Notice (plus an additional fourteen (14) calendar days for Class Members whose Class Notice was re-mailed).

7.7.2 Class Members who submitted a valid and timely Request for Exclusion have

no right to object to the Class Settlement.

7.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks required by this Agreement for administration of the notice and settlement payment distribution process.

7.8.1 Email Address and Toll-Free Number. The Administrator will maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.

7.8.2 Requests for Exclusion (Opt-Outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain whether they are valid and timely. No later than five (5) calendar days after the expiration of the Response Deadline or any applicable extended Response Deadline (whichever is later), the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the full names and other identifying information of Class Members who have submitted valid and timely Requests for Exclusion (“Exclusion List”); (b) the full names and other identifying information of Class Members who have submitted invalid and/or untimely Requests for Exclusion; and (c) copies of all Requests for Exclusion submitted (whether valid or invalid).

7.8.3 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, Objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must provide the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and Objections received.

7.8.4 Workweeks and Pay Periods Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all challenges to Workweeks and Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.

7.8.5 Administrator’s Declaration. No later than fourteen (14) calendar days before the date by which Plaintiff is required to file the Motion for Final Approval, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion it received (both valid or invalid), the number of Objections it received, the number of challenges to Workweeks and Pay Periods it received and the outcome of the challenges, and attach the Exclusion List, copies of all Requests for Exclusion it

received (both valid and invalid), and copies of all Objections it received. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator's declaration(s) in Court.

7.8.6 Final Report by the Administrator. Within ten (10) calendar days after the Administrator disburses all funds in the Total Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least fifteen (15) calendar days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

8. **ESCALATOR CLAUSE.** Based on its records, Defendants represent that there are approximately 30,000 Workweeks during the period from August 31, 2019 through February 4, 2025. If the number of Workweeks during the Class Period exceeds 30,000 by more than 10%, then either (a) Defendants shall increase the Total Settlement Amount on a *pro-rata* basis equal to the percentage increase in the number of Workweeks above 10% (i.e., if the number of Workweeks increases by 11%, then the Total Settlement Amount will increase by 1%) or (b) the Class Period and PAGA Period shall end on the last day on which the Workweeks do not exceed 33,000 (and such date shall be referred to as the "Alternate End Date").
9. **MOTION FOR FINAL APPROVAL.** Not later than sixteen (16) court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA Settlement under Labor Code section 2699, subd. (l), a proposed Final Approval Order, and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiff shall provide drafts of these documents to Defense Counsel as soon as practicable prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

10.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five (5) court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.

10.2 Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release by Participating Class Members and Aggrieved Employees), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain final approval of the Settlement. The Court's decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, and/or Administration

Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this Paragraph.

10.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.

10.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Class Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs, or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Total Settlement Amount or Net Settlement Amount.

10.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release by Participating Class Members or Aggrieved Employees), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain entry of a Final Approval Order and Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Total Settlement Amount remains unchanged.

10. **AMENDED JUDGMENT.** Pursuant to Paragraph 4.4.3, the Parties have agreed that funds remaining from Individual Class Payments and Individual PAGA Payments after the checks are canceled, shall be transmitted to the California Controller's Unclaimed Property Fund in the name of the Participating Class Member and/or Aggrieved Employee, and in their respective payment amount, thereby leaving no "unpaid residue" subject to the requirements of California Code of Civil Procedure Section 384, subd. (b). If the Court orders otherwise, and as a result, any amended judgment is required under California Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

11. **ADDITIONAL PROVISIONS.**

11.1 Notice of the Final Approval Order and Judgment. The Parties shall provide the Administrator with a copy of the Final Approval Order and Judgment once it is entered by the Court, and the Administrator shall post the Final Approval Order and Judgment on its website for sixty (60) calendar days, and this shall satisfy California Rules of Court, Rule 3.771(b). No individualized notice of the Final Approval Order and Judgment to the Class will be required.

11.2 No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendants that any of the allegations in the Operative Complaint have merit or that Defendants have any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendants' defenses in the Action has merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval, or enters Judgment, Defendants reserve the right to contest certification of any class for any reasons, and Defendants reserve all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendants' defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

11.3 Publicity. Neither side shall publicize the settlement, including but not limited to communications with the media or through any social media, unless so ordered by the Court. Nothing herein will restrict Class Counsel from including publicly available information regarding this Settlement in future judicial submissions regarding Class Counsel's qualifications and experience nor restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

11.4 No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Class Settlement, or appeal from the Final Approval Order or Judgment. Class Counsel shall not at any time list or publicize the action or settlement on its website or any advertising material. Nothing in this Paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members, or to undertake required submissions of information and/or documents to the LWDA pursuant to PAGA.

11.5 Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.

11.6 Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Defendants, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this

Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.

11.7 Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the exchange of information, data, and documents, executing documents, the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of the mediator, Jeffrey Fuchsman, Esq., and/or the Court for resolution.

11.8 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber, to any person or entity any portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement Agreement.

11.9 No Tax Advice. Neither Plaintiff, Class Counsel, Defendants nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement Agreement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.

11.10 Modification of Agreement. Prior to the filing of the motion for preliminary approval of the Settlement, the Parties may not amend or modify any provision of this Agreement except by written agreement signed by counsel for all Parties. After the filing of the motion for preliminary approval of the Settlement, the Parties may not amend or modify any provision of the Settlement Agreement except by written agreement signed by counsel for all of the Parties and subject to Court approval. Notwithstanding the foregoing, the Parties agree that any dates contained or contemplated in this Agreement may be modified by agreement of counsel for the Parties in writing without approval by the Court if the Parties agree and cause exists for such modification.

11.11 Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of the successors of each of the Parties.

11.12 Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the State of California, without regard to conflict of law principles.

11.13 Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.

11.14 Confidentiality. To the extent permitted by law, all agreements made, and orders entered during the Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.

11.15 Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.

11.16 Calendar Days. Unless otherwise noted, all reference to “days” in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.

11.17 Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

litigation in the Action shall be stayed, except to effectuate the terms of this Agreement. The Parties further agree that upon the signing of this Agreement, pursuant to California Code of Civil Procedure section 583.330(a), the time within which the Action must be brought to trial under Code of Civil Procedure section 583.310 shall be extended for the period between the filing of the motion for preliminary approval and the entry of Judgment. If the Court denies Preliminary Approval or Final Approval of the Settlement, the Parties agree that the time within which the Action must be brought to trial under Code of Civil Procedure section 583.310 shall be extended to 30 calendar days after the date on which the Court issues an order denying the Motion for Preliminary Approval or the Motion for Final Approval.

**COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING
DATE FOR FINAL COURT APPROVAL**

*Mario Rodriguez v. V&H Performance, LLC, et al., Los Angeles County Superior Court,
Case No. 23STCV21131*

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

You may be eligible to receive money from an employee class action lawsuit (the “Action”) against Defendants V&H Performance, LLC, Vance & Hines, and Motorsport Aftermarket Group, Inc. (collectively, “Defendants”) for alleged wage and hour violations. The Action was filed by a former employee of Defendants, Mario Rodriguez (“Plaintiff”) and seeks payment of (1) back wages and other relief for a class of all current and former hourly-paid or non-exempt employees of Defendant V&H Performance, LLC, and Defendants Vance & Hines, and Motorsport Aftermarket Group, Inc., to the extent they jointly employed employees of V&H Performance, LLC, in California employed during the Class Period (“Class” or “Class Members”); and (2) penalties under the California Private Attorney General Act (“PAGA”) for all current and former hourly-paid or non-exempt employees of Defendant V&H Performance, LLC, and Defendants Vance & Hines, and Motorsport Aftermarket Group, Inc., to the extent they jointly employed employees of V&H Performance, LLC, in California employed during the PAGA Period (“Aggrieved Employees”). The time period from (a) August 31, 2019 through [February 17, 2026, or if applicable, the Alternate End Date pursuant to Paragraph 8 of the Settlement Agreement] is referred to as the “Class Period” and the time period from (a) June 27, 2022 through [February 17, 2026, or if applicable, the Alternate End Date pursuant to Paragraph 8 of the Settlement Agreement] is referred to as the “PAGA Period.”

The Settlement has two main parts: (1) the settlement and resolution of the Released Class Claims (“Class Settlement”) requiring Defendants to fund Individual Class Shares, and (2) the settlement and resolution of the Released PAGA Claims (“PAGA Settlement”) requiring Defendants to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency (“LWDA”).

Based on Defendants’ records, and the Parties’ current assumptions, **your Individual Class Share is estimated to be \$ [REDACTED] (less taxes and withholding) and your Individual PAGA Payment is estimated to be \$ [REDACTED]**. The actual amount(s) you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant’s records you are not eligible for an Individual PAGA Payment under the Settlement because you did not work during the PAGA Period.)

The above estimates are based on Defendants’ records showing that **you were employed for [REDACTED] Workweeks** during the Class Period and **you were employed for [REDACTED] Pay Periods** during the PAGA Period. If you believe that you were employed for more Workweeks or Pay Periods during either period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the Settlement and approved this Notice. The

Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. **Read this Notice carefully.** You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff's attorneys. The Court will also decide whether to enter a judgment that requires Defendants to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendants.

If you were employed by Defendants during the Class Period and/or the PAGA Period, you have three basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the Settlement and be eligible for an Individual Class Share and/or an Individual PAGA Payment. As a Class Member who does not submit a valid and timely Request for Exclusion from the Class Settlement ("Participating Class Member"), though, you will give up your right to assert the Released Class Claims. If you are an Aggrieved Employee, you will automatically be bound to the PAGA Settlement and issued your Individual PAGA Payment.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting a written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Class Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Released Class Claims against Defendants, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA Settlement.
- (3) **Object to the Class Settlement.** If you do not opt-out of the Class Settlement, you may object to any aspect of the Class Settlement by submitting a written Objection or otherwise appearing at the Final Approval Hearing.

Defendants will not retaliate against you for any actions you take with respect to the Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the Released Class Claims and Released PAGA Claims against Defendants that are covered by this Settlement (as defined below in Section 3).
---	--

You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is [REDACTED]	If you do not want to fully participate in the Class Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will no longer be eligible for an Individual Class Share. See Section 6 of this Notice. You cannot opt-out of the PAGA Settlement. Defendants must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released PAGA Claims (defined below in Section 3).
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by [REDACTED]	All Participating Class Members can object to any aspect of the Class Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 7 of this Notice.
You Can Participate in the [REDACTED] Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on [REDACTED]. You do not have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone, or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Class Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by [REDACTED]	The amount of your Individual Class Share depends on how many Workweeks you are credited with during the Class Period and your Individual PAGA Payment (if any) depends on how many Pay Periods you are credited with during the PAGA Period. The number of Workweeks and Pay Periods you are credited with according to Defendants' records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by [REDACTED]. See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former employee of Defendants. On August 31, 2023, Plaintiff filed a Class Action Complaint for Damages ("Complaint"), thereby commencing the action entitled *Mario Rodriguez v. V&H Performance, LLC, et al.*, Los Angeles County Superior Court, Case No. 23STCV21131 (the "Action"). On April 10, 2024, Plaintiff filed a First Amended Class Action Complaint for Damages & Enforcement Under the Private Attorneys General Act, California Labor Code § 2698, Et Seq. in the Action, thereby adding a cause of action under the Private Attorneys General Act, California

Labor Code §2698, *et seq.* (“Operative Complaint”). The First Amended Complaint is the operative pleading in this matter. The Operative Complaint alleges that Defendants failed to properly pay minimum and overtime wages, failed to provide compliant meal and rest breaks and associated premiums, failed to timely pay wages during employment and upon termination of employment and associated waiting-time penalties, failed to provide compliant wage statements, failed to keep requisite payroll records, and failed to reimburse business expenses, and thereby engaged in unfair business practices in violation of California Business & Professions Code section 17200, *et seq.*, and conduct that gives rise to civil penalties under California Labor Code section 2698, *et seq.* (“PAGA”). Plaintiff is represented by attorneys in the Action: Lawyers for Justice, PC (“Class Counsel”).

Defendants strongly deny violating any laws or failing to pay any wages and contend they complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Defendants or Plaintiff are correct on the merits. In the meantime, Plaintiff and Defendants hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an end to the case by agreement to settle the case rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing the Class Action and PAGA Settlement Agreement (“Settlement Agreement,” “Settlement,” or “Agreement”) and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Defendants have negotiated the Settlement that is subject to the Court’s Final Approval. Both sides agree the Settlement is a compromise of disputed claims. By agreeing to settle, Defendants do not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendants have agreed to pay a fair, reasonable, and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) the Settlement is in the best interests of the Class Members, Aggrieved Employees, and the State of California. The Court preliminarily approved the Settlement as fair, reasonable, and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Defendants will Pay \$450,000.00 as the Total Settlement Amount. Defendants have agreed to deposit the Total Settlement Amount into an account controlled by the Administrator of the Settlement. The Administrator will use the Total Settlement Amount to pay the Individual Class Shares, Individual PAGA Payments, Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, Administration Expenses Payment, and penalties to be paid to the LWDA. Assuming the Court grants Final Approval, Defendants will fund the Total Settlement Amount and Defendants’ share of payroll taxes not more than thirty (30) calendar days after entry of the Court’s Final Approval Order.
2. Court-Approved Deductions from Total Settlement Amount. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following

deductions from the Total Settlement Amount, the amounts of which will be decided by the Court at the Final Approval Hearing:

- A. Up to 1/3 of the Total Settlement Amount (i.e., \$150,000.00, if the Total Settlement Amount remains \$450,000.00) to Class Counsel for attorneys' fees ("Class Counsel Fees Payment") and up to \$25,000.00 for their litigation costs and expenses ("Class Counsel Litigation Expenses Payment"). To date, Class Counsel have worked and incurred expenses on the Action without payment.
- B. Up to \$10,000.00 to the named Plaintiff for prosecuting the Action, working with Class Counsel, and representing the Class ("Class Representatives Service Payment"). The Class Representative Service Payment will be the only monies Plaintiff will receive other than Plaintiff's Individual Class Payment and Individual PAGA Payment (if applicable).
- C. Up to \$9,000.00 to the Administrator for services administering the Settlement ("Administration Expenses Payment").
- D. Up to \$50,000.00 allocated for civil penalties under PAGA ("PAGA Penalties"), of which 75% (\$37,500.00) will be paid to the LWDA ("LWDA PAGA Payment") and 25% (\$12,500.00) will be paid to the Aggrieved Employees based on their Pay Periods ("Individual PAGA Payment").

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

- 3. Net Settlement Distributed to Participating Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Total Settlement Amount ("Net Settlement Amount") by issuing Individual Class Payments to Participating Class Members based on their Workweeks during the Class Period.
- 4. Taxes Owed on Payments to Participating Class Members and Aggrieved Employees. Plaintiff and Defendants are asking the Court to approve an allocation of 20% of each Individual Class Share to taxable wages ("Wage Portion") and 80% to interest, penalties, and non-wage damages ("Non-Wage Portion."). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Defendants will separately pay employer payroll taxes it owes on the Wage Portion. The net payment of each Individual Class Share, after reduction of the Wage Portion is referred to an "Individual Class Payment." The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Shares on IRS 1099 Forms.

Although Plaintiff and Defendants have agreed to these allocations, neither side is giving you any advice on whether your payment(s) are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back

taxes) on any payment(s) received from the Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you do not cash it by the void date, your check will be automatically cancelled, and the monies will be deposited with the California Controller's Unclaimed Property Fund in your name.

If the monies represented by your check is sent to the California Controller's Unclaimed Property Fund, you should consult the rules of the Fund for instructions on how to retrieve your money.

6. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Final Approval Order and Judgment. It is also possible the Court will enter a Final Approval Order and Judgment that is reversed on appeal. Plaintiff and Defendants have agreed that, in either case, the Settlement will be void: Defendants will not pay any money, and Participating Class Members and Aggrieved Employees will not release any claims against Defendants.
7. Administrator. The Court has appointed a neutral company, Phoenix Settlement Administrators (the "Administrator") to send this Notice, calculate and make payments, and process Requests for Exclusion, Objections, and challenges to Workweeks and/or Pay Periods. The Administrator will also mail and remail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator's contact information is contained in Section 9 of this Notice.
8. Participating Class Members' Release of Released Class Claims. Upon the Effective Date and full funding of the entire Total Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, are deemed to release the Released Parties from all claims under state, federal, or local law, pled in the Operative Complaint in the Action or that could have been pled based on the factual allegations alleged in the Operative Complaint in the Action and that arose during the Class Period, such as those under the California Labor Code, Industrial Welfare Commission Wage Orders, regulations, and/or other provisions of law, including and not limited to, for: (1) failure to pay overtime wages under Labor Code Sec. 510, 1198; (2) failure to provide meal periods and/or pay meal period premiums under Labor Code Sec. 226.7, 512; (3) failure to provide rest periods and/or pay rest period premiums under Labor Code Sec. 226.7; (4) failure to pay minimum wages under Labor Code Sec. 1194, et seq.; (5) failure to timely pay wages upon termination under Labor Code Sec. 203; (6) failure to timely pay wages during employment under Labor Code Sec. 204, 210; (7) failure to provide accurate, itemized wage statements under Labor Code Sec. 226; (8) failure to keep requisite payroll records under Labor Code Sec. 1174(d); (9) failure to reimburse business

expenses under Labor Code Sec. 2800, 2802; (10) violation of California's unfair competition law under Business and Professions Code Sec. 17200 (collectively, "Released Class Claims"). As part of the release of the Released Class Claims, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

9. Aggrieved Employees' Release of Released PAGA Claims. Upon the Effective Date and full funding of the entire Total Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, the State of California with respect to the Aggrieved Employees and all Aggrieved Employees, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, are deemed to release the Released Parties from all claims for civil penalties recoverable under the Private Attorneys General Act, California Labor Code section 2698, *et seq.* that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and the PAGA Notice and that arose during the PAGA Period, including but not limited to, for: (1) failure to pay overtime wages under Labor Code Sec. 510, 1198; (2) failure to provide meal periods and/or pay meal period premiums under Labor Code Sec. 226.7, 512; (3) failure to provide rest periods and/or pay rest period premiums under Labor Code Sec. 226.7; (4) failure to pay minimum wages under Labor Code Sec. 1194, *et seq.*; (5) failure to timely pay wages upon termination under Labor Code Sec. 203; (6) failure to timely pay wages during employment under Labor Code Sec. 204, 210; (7) failure to provide accurate, itemized wage statements under Labor Code Sec. 226; (8) failure to keep requisite payroll records under Labor Code Sec. 1174(d); and (9) failure to reimburse business expenses under Labor Code Sec. 2800, 2802 (collectively, "Released PAGA Claims").

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Shares. The Administrator will calculate Individual Class Shares by (a) dividing the Net Settlement Amount by the total number of Workweeks all Participating Class Members were employed during the Class Period, and (b) multiplying the result by each Participating Class Member's individual number of Workweeks they were employed during the Class Period.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$12,500.00) by the total number of Pay Periods all Aggrieved Employees were employed during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's individual number of Pay Periods they were employed during the PAGA Period.
3. Workweek/Pay Period Challenges. The number of Workweeks you were employed during the Class Period and the number of Pay Periods you were employed during the PAGA Period, as recorded in Defendants' records, are stated in the first page of this Notice. If

you wish to challenge the number of Workweeks and/or Pay Periods credited to you, you must submit a written challenge that must: (a) contain the case name and number of the Action (*Mario Rodriguez v. V&H Performance, LLC, et al.*, Case No. 23STCV21131); (b) contain your full name, mailing address, signature, and last four digits of your Social Security number; (c) clearly state that you challenge the number of Workweeks and/or Pay Periods credited to you and what you contend is the correct number to be credited to you; (d) include information and/or attach documentation demonstrating that the number of Workweeks and/or Pay Periods that you contend should be credited to you are correct; and (d) be submitted by email or mail to the Administrator at the specified email address and/or mailing address specified in Section 9, emailed or postmarked on or before [Response Deadline].

- A. You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Defendants' calculation of Workweeks and/or Pay Periods based on Defendants' records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Class Members) and Defendants' counsel. The Administrator's decision is final. You cannot appeal or otherwise challenge its final decision.
- B. "Workweek" means any week during which a Class Member was employed by Defendants for at least one hour during the Class Period, which will be calculated by Defendants based on the dates a Class Member was employed by Defendants during the Class Period.
- C. "Pay Period" means any pay period during which an Aggrieved Employee was employed by Defendants for at least one day during the PAGA Period, which will be calculated by Defendants based on the dates an Aggrieved Employee was employed by Defendants during the PAGA Period.

5. HOW WILL I GET PAID?

Participating Class Members. The Administrator will send, by U.S. mail, a single Individual Class Payment check to every Participating Class Member, including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment (if applicable).

Aggrieved Employees. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee. As noted above, an Individual Settlement Payment and Individual PAGA Payment will be combined into one check.

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

6. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

Class Members who wish to exclude themselves from the Class Settlement, must submit a written request to be excluded (“Request for Exclusion”), which must (a) contain the case name and number of the Action (*Mario Rodriguez v. V&H Performance, LLC, et al.*, Case No. 23STCV21131); (b) contain the full name, mailing address, signature, and last four digits of the Social Security number of the Class Member requesting exclusion; (c) clearly state that the Class Member does not wish to be included in the Class Settlement; and (d) be submitted by email or mail to the Administrator at the specified email address and/or mailing address in Section 9, emailed or postmarked on or before [Response Deadline].

If the Court grants Final Approval, any Class Member who submits a valid and timely Request for Exclusion will not be entitled to receive an Individual Class Payment, will not be bound by the release of Released Class Claims, and will not have any right to object to, appeal, or comment on the Settlement. Class Members who do not submit a valid and timely Request for Exclusion will be deemed Participating Class Members and will be bound by all terms of the Settlement, including those pertaining to the release of claims described in Section 3 above, as well as any judgment that may be entered by the Court based thereon. Aggrieved Employees will be bound by the PAGA Settlement and will still be issued an Individual PAGA Payment, irrespective of whether they submit a Request for Exclusion.

7. HOW DO I OBJECT TO THE SETTLEMENT?

Only Participating Class Members have the right to object to the Class Settlement. Participating Class Members may object to the Class Settlement by submitting a written objection (“Objection”), which must: (a) contain the case name and number of the Action (*Mario Rodriguez v. V&H Performance, LLC, et al.*, Case No. 23STCV21131); (b) contain the full name, mailing address, signature, and last four digits of the Social Security number of the objecting Participating Class Member; (c) contain a written statement of all grounds for the objection accompanied by any legal support for such objection; (d) contain copies of any papers, briefs, or other documents upon which the objection is based; and (e) be submitted by email or mail to the Administrator at the specified email address and/or mailing address, emailed or postmarked on or before [Response Deadline].

Alternatively, a Participating Class Member can object (or personally retain a lawyer to object at your own cost) by attending the Final Approval Hearing. You (or your attorney) should be ready to tell the Court what you object to, why you object, and any facts that support your objection. See Section 8 of this Notice (immediately below) for specifics regarding the Final Approval Hearing.

8. CAN I ATTEND THE FINAL APPROVAL HEARING?

You can, but do not have to, attend the Final Approval Hearing on [redacted] at [redacted] in Department 7 of the Los Angeles Superior Court, located at 312 North Spring Street, Los Angeles, CA 90012. At the Final Approval Hearing, the judge will decide whether to grant Final Approval of the Settlement and how much of the Total Settlement Amount will be paid to Class Counsel, Plaintiff, and the Administrator. The Court will invite comment from objectors, Class Counsel, and Defense

Counsel before making a decision. You can attend (or hire a lawyer to attend) either personally or virtually via <https://lacc.lacourt.org/>. It's possible the Court will reschedule the Final Approval Hearing. You should check the Administrator's website [REDACTED] beforehand to verify the date and time of the Final Approval Hearing.
