19 I, Elsa Chavez, declare the following:

- 20 1. I am one of the plaintiffs. I have personal knowledge of the facts in this declaration,
21 and if called on to testify I would competently do so.
- 22 2. I am making this declaration in support of the requested service enhancement
23 payment of \$10,000.
- 24 3. I did incur risks in bringing this case, since I ultimately stopped working for TLD
25 Logistics Services after this case.
- 26 4. Further, I actively participated in the case including meeting with my attorneys in
27 person and maintaining consistent phone contact throughout the two years of the case.
- 28 5. I closely reviewed all documents I signed with my attorney's assistance.

1 6. I estimate I spent about 25 hours total on this case since it began.

2 7. Also, I am glad that my participation in the case yielded a favorable result for the
3 class members and aggrieved employees.

4 8. Therefore, I respectfully request the court to approve the requested service
5 enhancement, and to grant the motion for final approval.

6

7 I declare under penalty of perjury under the laws of the State of California that the
8 foregoing is true and correct.
