Case No.: 37-2023-00022625-CU-OE-CTL

*[Assigned for All Purposes to the Hon.
Carolyn M. Caietti, Dept. C-70]*

**DECLARATION OF ARRASH T.
FATTAHI IN SUPPORT OF PLAINTIFF'S
MOTION FOR PRELIMINARY
APPROVAL OF CLASS ACTION AND
PAGA SETTLEMENT**

Preliminary Approval Hearing:

Date: March 27, 2026

Time: 10:30 a.m.

Dept: C-70

Action Filed: May 30, 2023

I, Arrash T. Fattahi, declare as follows:

CASE BACKGROUND

3. Plaintiff alleges that Defendant's payroll, timekeeping, and wage and hour practices resulted in Labor Code violations. Plaintiff alleges that Defendant failed to pay for all hours worked. Plaintiff further alleges that Defendant failed to provide employees with legally compliant meal and rest periods. Based on these allegations, Plaintiff asserts related claims for failure to provide accurate wage statements, failure to pay all final wages at termination, unfair business practices, and civil penalties under PAGA.

4. On May 30, 2023, Plaintiff filed a putative wage and hour class action complaint against Defendant for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; and (7) violation of unfair business practices. On June 21, 2023, Plaintiff sent a notice to Defendant and the California Labor & Workforce Development Agency (“LWDA”) alleging similar wage and hour violations pursuant to PAGA. Attached as **Exhibit 1** is a true and correct

1 copy of the initial PAGA letter sent to the LWDA and Defendant. On September 27, 2023, Plaintiff
2 filed a Representative Action Complaint against Defendant for civil penalties under PAGA (San
3 Diego County, Case No. 37-2023-00041922-CU-OE-CTL). On August 14, 2025, the Parties filed
4 a stipulation in this action requesting Plaintiff be granted leave to file a first amended complaint
5 adding a cause of action for civil penalties under PAGA.

6 DISCOVERY AND INVESTIGATION

7 5. Following the filing of the initial complaint, the Parties exchanged documents and
8 information before mediating this action. Defendant produced a sampling of timekeeping and
9 payroll records for the class members. Defendant also provided documents of its wage and hour
10 policies and practices during the class period, and information regarding the total number of current
11 and former employees in its informal discovery responses.

12 6. After reviewing documents regarding Defendant's wage and hour policies and
13 practices and analyzing Defendant's timekeeping and payroll records, Class Counsel was able to
14 evaluate the probability of class certification and success on the merits and assess Defendant's
15 maximum monetary exposure for all claims. Class Counsel also investigated the applicable law
16 regarding the claims and defenses asserted in the litigation. Class Counsel reviewed these records
17 and utilized an expert to prepare a damages analysis prior to mediation.

18 SETTLEMENT NEGOTIATIONS

19 7. On September 18, 2024, the Parties participated in a private mediation with
20 experienced class action mediator, Gail Glick, Esq. The settlement negotiations were at arm's
21 length and, although conducted in a professional manner, were adversarial. The Parties went into
22 mediation willing to explore the potential for a settlement of the dispute, but each side was also
23 prepared to litigate their position through trial and appeal if a settlement had not been reached.

24 8. After extensive negotiations and discussions regarding the strengths and
25 weaknesses of Plaintiff's claims and Defendant's defenses, the Parties were able to reach a
26 resolution, the material terms of which are encompassed within the Settlement Agreement.
27 Attached as **Exhibit 2** is a true and correct copy of the Class Action and PAGA Settlement
28 Agreement and Class Notice ("Settlement Agreement").

1 9. Class Counsel submitted the proposed Settlement to the LWDA before filing the
2 Motion for Preliminary Approval. Attached as **Exhibit 3** is a true and correct copy of the
3 confirmation of submission to the LWDA.

4 10. My office requested several bids from experienced class action settlement
5 administrators to handle the responsibilities of the Settlement Administrator under this Settlement.
6 The Parties accepted the bid of ILYM Group, Inc. (“ILYM”). ILYM has multiple years of
7 experience in the field of class action administration, particularly in the wage and hour arena. In
8 its bid, ILYM estimated costs totaling \$6,850.00 if there are 150 class members. ILYM’s bid
9 accounts for Notice in English and Spanish. Attached as **Exhibit 4** is a true and correct copy of
10 ILYM’s bid.

11 11. No one at Wilshire Law Firm, PLC (meaning the law firm itself and anyone
12 employed at the law firm) has any interest, financial or otherwise, in the proposed third-party
13 administrator, ILYM. No one at Wilshire Law Firm, PLC has any actual or potential conflict of
14 interest with any class member.

15 12. Wilshire Law Firm, PLC has no fee-splitting agreement with any other counsel in
16 this case.

17 THE PROPOSED SETTLEMENT IS FAIR AND REASONABLE

18 13. Class Counsel has conducted a thorough investigation into the facts of this case.
19 Based on the Parties’ informal discovery and Class Counsel’s own independent investigation and
20 evaluation, Class Counsel is of the opinion that the Settlement is fair, reasonable, and adequate and
21 is in the best interests of the Settlement Class Members in light of all known facts and
22 circumstances, the risk of significant delay, the defenses that could be asserted by Defendant both
23 to certification and on the merits, trial risk, and appellate risk.

24 14. Based on an analysis of the facts and legal contentions in this case, documents and
25 information from Defendant, I evaluated Defendant’s maximum exposure. I took into account the
26 risk of not having the claims certified and the risk of not prevailing at trial, even if the claims are
27 certified. After using the data Defendant provided, including class member timekeeping and
28 payroll records, as well as class member demographics (i.e., the number of class members,

workweeks, and average total compensation of the class), with the assistance of a statistics expert, I created a damages model to evaluate the realistic range of potential recovery for the class. The damages model is based on the following benchmarks:

Total Class Members: 143

Terminated Class Members during 3-year statute of limitations period: 82

Total Workweeks: 9,557

PAGA Pay Periods: 5,000

PAGA Eligible Employees: 99

Avg. Hourly Rate: \$28.49

15. Based on Plaintiff's discovery and investigation, Class Counsel reached the conclusion that Defendant: failed to pay class members for all hours worked, including minimum, straight time, and overtime wages, by requiring employees to work off-the-clock; and had a policy and practice of not providing its employees with California compliant meal and rest periods for which it did not pay appropriate premiums. Defendant denies these claims.

16. Plaintiff alleges that Defendant failed to pay for all hours worked, including minimum, straight time, and overtime wages, by requiring class members to work off-the-clock, unpaid. For purposes of calculating Defendant's liability based on a best-case scenario for Plaintiff and the Class, I estimate that Defendant's maximum potential exposure by assuming that all unpaid work time should have been paid at the overtime rate, and I assumed that Defendant is liable for one half (1/2) hour of unpaid worktime per workweek. This results in an estimate of approximately \$204,209.20 (9,557 workweeks x \$28.49 hourly rate x 1.5 overtime rate x 0.50 hour of unpaid work per workweek), but I applied a risk discount based on a 85% chance of succeeding at class certification and a 60% chance of succeeding at trial on the merits because liability depends on whether Defendant knew or should have known that class members were working off-the-clock, yielding a realistic damage estimate of approximately \$104,146.69 (\$204,209.20 x 85% x 60%).

17. With respect to the meal period claim, Plaintiff alleges that Defendant required her and similarly situated class members to either work in lieu of taking meal periods, or their meal periods were untimely or interrupted. My expert analyzed Defendant's timekeeping records and

1 found that approximately 75% of all meal break violations consisting of short, late, or missed meal
2 periods. Therefore, potential liability for the meal period claim is approximately \$861,665.81
3 (40,326 shifts x \$28.49 hourly rate x 75% violation rate). After taking into account the difficulty
4 of certifying and proving meal period claims, as well as Defendant's contention that the claim lacks
5 merit and a 75% violation rate is unrealistic, I discounted this figure based on a 40% chance of
6 succeeding at class certification and a 30% chance of succeeding at trial, yielding a realistic
7 damage estimate of approximately \$103,399.90 ($\$861,665.81 \times 40\% \times 30\%$).

8 18. With respect to the rest period claim, Plaintiff alleges that Defendant required her
9 and similarly situated class members to work in lieu of taking rest periods, remain on-call during
10 their rest periods or their rest periods were interrupted. Assuming a 50% violation rate for the class
11 period based on Plaintiff's and other class members' experience working for Defendant,
12 Defendant's potential liability for the rest period claim is approximately \$574,443.87 (40,326 shifts
13 x \$28.49 hourly rate x 50% violation rate); however, I discounted this figure to account for the
14 difficulty of certifying and proving rest period claims, particularly because rest periods do not have
15 to be recorded, and to account for the possibility of Class Members voluntarily choosing to forego
16 a rest period. Because this claim would have relied exclusively on Class Member testimony, I
17 discounted this claim based on a 30% chance of succeeding at class certification and a 30% chance
18 of succeeding at trial, yielding a realistic damage estimate of approximately \$51,699.94
19 ($\$1,148,887.74 \times 30\% \times 30\%$).

20 19. In sum, I estimated that Plaintiff's maximum recovery for the off-the-clock claim,
21 meal period violations, and rest period violations is approximately \$1.64 million. However, after
22 factoring in the risk and uncertainty of prevailing at certification and trial, I estimate that Plaintiff's
23 realistic estimated recovery for the non-penalty claims is approximately \$259,246.53.

24 20. With respect to Plaintiff's derivative claims for statutory and civil penalties,
25 Plaintiff estimated that Defendant's realistic potential liability is approximately \$164,801.98.
26 Defendant's maximum potential liability for waiting time penalties is approximately \$560,683.20
27 (82 employees x \$28.49 hourly rate x 8.00 hours/day x 30 days) based on approximately 82
28 terminated class members during the 3-year statute of limitations period, approximately

1 \$396,000.00 (99 employees x \$4,000 statutory maximum) for inaccurate wage statements based
2 on approximately 99 class members who worked during the 1-year statute of limitations period,
3 and approximately \$500,000.00 for PAGA violations based on the Court assessing a \$100 penalty
4 for initial violations for all 5,000 pay periods within the PAGA period. In light of the foregoing, I
5 believe that it would be unrealistic to expect the Court to award the full \$1,456,683.20 in penalties
6 given Defendant's defenses, the contested nature of Plaintiff's claims, the challenges of
7 establishing willfulness as applicable, and the discretionary nature of penalties. Considering that
8 the underlying claims are realistically estimated to be approximately \$259,246.53, such a
9 disproportionate award would also raise due process concerns. As such, I discounted these figures
10 to account for the risk and uncertainty of prevailing at trial, resulting in a realistic evaluation of
11 approximately \$67,281.98 ($\$560,683.20 \times 40\% \times 30\%$) for waiting time penalty claims,
12 approximately \$47,520.00 ($\$396,000.00 \times 40\% \times 30\%$) for wage statement penalty claims, and
13 \$50,000.00 for PAGA penalties, or approximately \$164,801.98 total for statutory and civil
14 penalties.

15 21. Using these estimated figures, Plaintiff predicted that the realistic maximum
16 recovery for all claims, including penalties, would be approximately \$424,048.51. This means that
17 the \$295,000.00 settlement figure represents approximately 70% of the realistic maximum
18 recovery ($\$295,000.00 / \$424,048.51 = 69.5\%$). Considering the risk and uncertainty of prevailing
19 at class certification and at trial, this is an excellent result for the Class.¹ Indeed, because of the
20 proposed Settlement, class members will receive timely, guaranteed relief and will avoid the risk
21 of an unfavorable judgment.

22 22. While Plaintiff is confident in the merits of her claims, a legitimate controversy
23 exists as to each cause of action. Plaintiff also recognizes that proving the amount of wages due to
24 each class member would be an expensive, time-consuming, and uncertain proposition.

25
26 ¹ See, e.g., *Wise v. Ulta Salon, Cosmetics & Fragrance, Inc.* (E.D. Cal. Aug. 21, 2019) 2019 WL 3943859 at
27 *8 (granting preliminary approval where the proposed allocation to settle class claims was between 9.53 percent of
28 Plaintiffs' maximum recovery); *Bravo v. Gale Triangle, Inc.* (C.D. Cal. Feb 16, 2017) 2017 WL 708766 at * 10
(finding that "a settlement for fourteen percent recovery of Plaintiffs' maximum recovery is reasonable"); *In re*
Omnivision Techs., Inc. (N.D. Cal. 2008) 559 F.Supp.2d 1036, 1042 (approving settlement amount that "is just over
9% of the maximum potential recovery asserted by either party.").

23. This Settlement avoids the risks and the accompanying expense of further litigation. Although the Parties had engaged in a significant amount of investigation, informal discovery and class-wide data analysis, the Parties had not yet completed formal written discovery. Plaintiff intended to depose corporate officers and managers of Defendant. Moreover, preparation for class certification and a trial remained for the Parties, as well as the prospect of appeals in the wake of a disputed class certification ruling for Plaintiff and/or adverse summary judgment ruling. Had the Court certified any claims, Defendant could move to decertify the claims. As a result, the Parties would incur considerably more attorneys' fees and costs through trial.

24. The Net Settlement Amount available for settlement payments is estimated to be approximately \$139,816.67 for a class of approximately 143 persons.² As a result, each Settlement Class Member is eligible to receive an average net benefit of approximately \$977.74.

25. The proposed Settlement of \$295,000.00, therefore, represents a substantial recovery when compared to Plaintiff's reasonably forecasted recovery. When considering the risks of litigation, the uncertainties involved in achieving class certification, the burdens of proof necessary to establish liability, the probability of appeal of a favorable judgment, it is clear that the settlement amount of \$295,000.00 is well within the "ballpark" of reasonableness, and preliminary settlement approval is appropriate.

SERVICE PAYMENT FOR PLAINTIFF IS REASONABLE

26. Class Counsel represent that Plaintiff devoted a great deal of time and work assisting counsel in the case, communicated with counsel very frequently for litigation and to prepare for mediation, and was frequently in contact with Class Counsel during the mediation. Plaintiff's requested service payment is reasonable, particularly in light of the substantial benefits Plaintiff generated for all class members.

27. Throughout this litigation, Plaintiff, who is a former employee of Defendant, has cooperated immensely with my office and has taken many actions to protect the interests of the class. Plaintiff provided valuable information regarding the off-the-clock, meal period, and rest

² The estimated Net Settlement Amount is: \$295,000.00 minus \$98,333.33 for Class Counsel's attorneys' fees, minus \$30,000.00 for Class Counsel's litigation expenses, minus \$6,850.00 for administration costs, minus \$10,000.00 for the PAGA payments, and minus \$10,000.00 for the class representative service payment to Plaintiff.

1 period claims. Plaintiff also informed my office of developments and information relevant to this
2 action, participated in decisions concerning this action, and made herself available to answer
3 questions during the mediation. Plaintiff provided my office with documents regarding the claims
4 alleged in this action. The information and documentation provided by Plaintiff was instrumental
5 in establishing the wage and hour violations alleged in this action, and the recovery provided for
6 in the Settlement Agreement would have been impossible to obtain without Plaintiff's
7 participation.

8 28. At the same time, Plaintiff faced many risks in adding herself as the class
9 representative in this matter. Plaintiff faced actual risks with her future employment, as putting
10 herself on public record in an employment lawsuit could also very well affect her likelihood for
11 future employment.

12 29. In turn, class members will now have the opportunity to participate in a settlement,
13 reimbursing them for alleged wage violations they may have never known about on their own or
14 been willing to pursue on their own. If these class members would have each tried to pursue their
15 legal remedies on their own, that would have resulted in each having to expend a significant amount
16 of their own monetary resources and time, which were obviated by Plaintiff putting herself on the
17 line on behalf of these other class members.

18 30. In the final analysis, this class action would not have been possible without the aid
19 of Plaintiff, who put her own time and effort into this litigation and placed herself at risk for the
20 sake of the class members. The requested service payment for Plaintiff for her service as the class
21 representative is a relatively small amount of money when the time and effort put into the litigation
22 are considered, and in comparison to enhancements granted in other class actions. The requested
23 service payment is therefore reasonable to compensate Plaintiff for her active participation in this
24 lawsuit.

25 THE REQUEST FOR ATTORNEYS' FEES AND COSTS IS REASONABLE

26 31. The Settlement provides for attorneys' fees payable to Class Counsel in an amount
27 up to one-third (1/3) of the Settlement Amount, for a maximum fees award of \$98,333.33, plus
28 actual costs and expenses not to exceed \$30,000.00. The proposed award of attorneys' fees to Class

1 Counsel in this case can be justified under either method – lodestar or percentage recovery. Class
2 Counsel intends to provide justification of their requested attorneys’ fees and costs at final
3 approval.

4 32. I am informed and believe that the fee and costs provision is reasonable. The fee
5 percentage requested is less than that charged by my office for most employment cases. My office
6 invested significant time and resources into the case, with payment deferred to the end of the case,
7 and then, of course, contingent on the outcome.

8 33. It is further estimated that my office will need to expend at least another 50 to 100
9 hours to monitor the process leading up to the final approval and payments made to the class. My
10 office also bears the risk of taking whatever actions are necessary if Defendant fails to pay.

11 34. The risk to my office has been very significant, particularly if we would not be
12 successful in pursuing this class action. In that case, we would have been left with no compensation
13 for all the time taken in litigating this case. The contingent risk in these types of cases is very real
14 and they do occur regularly. Furthermore, we were precluded from focusing on, or taking on, other
15 cases which could have resulted in a larger, and less risky, monetary gain.

16 35. Because most individuals cannot afford to pay for representation in litigation on an
17 hourly basis, Wilshire Law Firm, PLC represents virtually all its employment law clients on a
18 contingency fee basis. Pursuant to this arrangement, we are not compensated for our time unless
19 we prevail at trial or successfully settle our clients’ cases. Because Wilshire Law Firm, PLC is
20 taking the risk that we will not be reimbursed for our time unless our client settles or wins his or
21 her case, we cannot afford to represent an individual employee on a contingency basis if, at the
22 end of our representation, all we are to receive is our regular hourly rate for services. It is essential
23 that we recover more than our regular hourly rate when we win if we are to remain in practice so
24 we can continue representing other individuals in civil rights employment disputes.

25 MY EXPERIENCE AND QUALIFICATIONS

26 36. Wilshire Law Firm, PLC was selected by Best Lawyers and U.S. News & World
27 Report as one of the nation’s Best Law Firms for every year since 2020 and is comprised of over
28 120 attorneys and over 600 total employees. Wilshire Law Firm, PLC is actively and continuously

1 practicing in employment litigation, representing employees in both individual and class actions
2 in both state and federal courts throughout California.

3 37. Wilshire Law Firm, PLC is qualified to handle this litigation because its attorneys
4 are experienced in litigating Labor Code violations in both individual, class action, and
5 representative action cases. Wilshire Law Firm, PLC has handled, and is currently handling,
6 numerous wage and hour class action lawsuits, as well as class actions involving consumer rights
7 and data privacy litigation.

8 38. I graduated from the University of California, Los Angeles with a Bachelor of Arts
9 in Political Science, *summa cum laude*. I received my Juris Doctor from The George Washington
10 University Law School. During law school, I was a member of the student editorial board for the
11 Federal Circuit Bar Journal.

12 39. My practice is focused on advocating for the rights of consumers and employees in
13 class action litigation. I am currently the managing attorney in charge of litigating several class
14 action cases in state and federal courts in California.

15 40. As the attorney responsible for day-to-day management of this matter at Wilshire
16 Law Firm, PLC, I have over four (4) years of experience litigating wage and hour class actions.
17 Over the past four (4) plus years, I have managed and assisted with the litigation and settlement of
18 numerous wage and hour class actions. In those class actions, I performed similar tasks as those
19 performed in the course of prosecuting this action.

20 41. I was selected as a “Southern California Rising Star” in 2025.

21 42. My current contingent billing rate of \$750 per hour is consistent with the legal
22 market, accepted hourly rates, and my expertise and knowledge as it pertains to wage and hour
23 matters. Below is a non-exhaustive list of the cases where I have been appointed as class counsel

Re: ***Cheri Lynn Collins v. Tri-State General Contractors, Inc.***
Notice of Labor Code Violations and PAGA Penalties

To Whom It May Concern:

Please be advised that my office has been retained by Cheri Lynn Collins ("Plaintiff") to pursue a Labor Code Private Attorneys General Act ("PAGA") representative action (Cal. Lab. Code §§ 2699, *et seq.*) against her former employer, Tri-State General Contractors, Inc. ("Defendant"). The purpose of this letter is to comply with PAGA and set forth the facts and theories of California Labor Code violations which we allege Defendant engaged in with respect to Plaintiff and all of Defendant's Aggrieved Employees.

Plaintiff wishes to pursue this action on behalf of herself as an aggrieved employee, on behalf of the State of California, as well as on behalf of all other persons who worked for Defendant in California as a non-exempt or hourly-paid employee at any time within the applicable statutory period (hereafter, the "Aggrieved Employees").

Plaintiff and the Aggrieved Employees suffered the Labor Code violations described below.

Plaintiff's Employment with Defendant

Defendant owns/owned and operates/operated an industry, business, and establishment within the State of California, including San Diego County. As such, and based upon all the facts and circumstances incident to Defendant's business in California, Defendant is subject to the California Labor Code, Wage Orders issued by the Industrial Welfare Commission ("IWC"), and the California Business & Professions Code.

Plaintiff Cheri Lynn Collins is a resident of San Diego County, California who worked for Defendant in San Diego County, California as an hourly-paid, non-exempt from approximately December 2022 to approximately February 2023. During Plaintiff's employment for Defendant, Defendant paid Plaintiff an hourly wage and classified her as non-exempt from overtime. Defendant typically scheduled Plaintiff to work at least five days in a workweek and at least eight hours per day, but Plaintiff regularly worked more than eight hours in a workday and/or more than forty (40) hours in a workweek.

Throughout Plaintiff's employment, Defendant failed to pay for all hours worked (including minimum, straight time, and overtime wages), failed to provide Plaintiff with legally compliant meal periods, failed to authorize and permit Plaintiff to take rest periods, failed to timely pay all final wages to Plaintiff when Defendant terminated her employment, and failed to furnish accurate wage statements to Plaintiff. As discussed below, Plaintiff's experience working for Defendant was typical and illustrative.

Defendant Failed to Pay for All Hours Worked, Including Minimum, Straight Time, and Overtime Wages

Under California law, an employer must pay for all hours worked by an employee. "Hours worked" is the time during which an employee is subject to the control of an employer, and includes all the time the employee is suffered or permitted to work, whether or not required to do so.

In addition, Labor Code § 510 provides that employees in California shall not be employed more than eight hours in any workday or forty (40) hours in a workweek unless they receive additional compensation beyond their regular wages in amounts specified by law.

Labor Code §§ 1194 and 1198 also provide that employees in California shall not be employed more than eight hours in any workday unless they receive additional compensation beyond their regular wages in amounts specified by law. Additionally, Labor Code § 1198 states that the employment of an employee for longer hours than those fixed by the IWC is unlawful.

Throughout the statutory period, Defendant maintained a policy and practice of not paying Plaintiff and the Aggrieved Employees for all hours worked, including minimum, straight time, and overtime wages. For instance, Defendant required Plaintiff and the Aggrieved Employees to work "off-the-clock," uncompensated, by, for example, requiring Plaintiff and the Aggrieved

Employees to perform work during unpaid meal periods. Some of this unpaid work should have been paid at the overtime rate. In failing to pay for all hours worked, Defendant also failed to maintain accurate records of the hours Plaintiff and the Aggrieved Employees worked.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210, 1197.1, and 2699(f)(2) for failing to pay for all hours worked, including minimum, straight time, and overtime wages.

Failure to Provide Meal Periods

Under California law, employers have an affirmative obligation to relieve employees of all duty in order to take their first 30-minute, duty-free meal periods no later than the start of sixth hour of work in a workday, and to allow employees to take their second 30-minute, duty-free meal period no later than the start of the eleventh hour of work in the workday. Further, employees are entitled to be paid one hour of additional wages for each workday they were not provided with all required meal period(s).

Despite these legal requirements, Defendant wrongfully failed to provide Plaintiff and the Aggrieved Employees with legally compliant meal periods. Defendant regularly, but not always, required Plaintiff and the Aggrieved Employees to work in excess of five consecutive hours a day without providing a 30-minute, uninterrupted, and duty-free meal period for every five hours of work, or without compensating Plaintiff and the Aggrieved Employees for meal periods that were not provided by the end of the fifth hour of work or tenth hour of work. Instead, Defendant continued to assert control over Plaintiff and the Aggrieved Employees by requiring, pressuring, or encouraging them to perform work tasks which could not be completed without working in lieu of taking mandatory meal periods, or by denying Plaintiff and the Aggrieved Employees permission to take a meal period. Accordingly, Defendant's policy and practice was not to provide meal periods to Plaintiff and the Aggrieved Employees in compliance with California law.

Plaintiff and the Aggrieved Employees are thus entitled to be paid one hour of additional wages for each workday he or she was not provided with all required meal period(s). Defendant, however, regularly failed to pay Plaintiff and the Aggrieved Employees the additional wages to which they were entitled for meal periods and that were not provided.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210 and 2699(f)(2) for failing to provide meal periods and pay meal period premium wages.

Failure to Authorize and Permit Rest Periods

Employers are required by California law to authorize and permit breaks of ten uninterrupted minutes for each four hours of work or major fraction of four hours (i.e. more than two hours). Thus, for example, if an employee's work time is six hours and ten minutes, the employee is entitled to two rest breaks. Each failure to authorize rest breaks as so required is itself a violation

of California's rest break laws.

Throughout the statutory period, Defendant has wrongfully failed to authorize and permit Plaintiff and the Aggrieved Employees to take legally compliant rest periods. Defendant regularly required Plaintiff and the Aggrieved Employees to work in excess of four consecutive hours a day without Defendant authorizing and permitting them to take a 10-minute, uninterrupted, duty-free rest period for every four hours of work (or major fraction of four hours), or without compensating Plaintiff and the Aggrieved Employees for rest periods that were not authorized or permitted. Instead, Defendant continued to assert control over Plaintiff and the Aggrieved Employees by requiring, pressuring, or encouraging them to perform work tasks which could not be completed without working in lieu of taking mandatory rest periods, or by denying Plaintiff and the Aggrieved Employees permission to take a rest period. Accordingly, Defendant's policy and practice was to not authorize and permit Plaintiff and the Aggrieved Employees to take rest periods in compliance with California law.

Plaintiff and the Aggrieved Employees are thus entitled to be paid one hour of additional wages for each workday he or she was not authorized and permitted to take all required rest period(s). Defendant, however, regularly failed to pay Plaintiff and the Aggrieved Employees the additional wages to which they were entitled for rest periods and that they were not authorized and permitted to take.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210 and 2699(f)(2) for failing to authorize and permit rest periods and pay rest period premium wages.

Failure to Pay All Earned Wages Twice Per Month

Based on its failure to pay Plaintiff and the Aggrieved Employees for all wages as discussed above, Defendant also violated Labor Code § 204.

Labor Code § 204 requires employers to pay employees all earned wages two times per month. Throughout the statute of limitations period applicable to this cause of action, employees were entitled to be paid twice a month at their regular rates, including all meal period premium wages owed, rest period premium wages owed, and wages owed for overtime hours worked. However, during all such times, Defendant systematically failed and refused to pay the employees all wages due, and failed to pay those wages twice a month, in that employees were not paid all wages for all meal periods not provided by Defendant, all wages for all rest periods not authorized and permitted by Defendant, and all wages for all hours worked. As a result, Defendant owes employees the legally required wages for unpaid wages, and Plaintiff and the Aggrieved Employees suffered damages in those amounts.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 210 for failing to pay all earned wages twice per month.

Failure to Maintain Accurate Records of Hours Worked and Meal Periods

Plaintiff seeks penalties under California Labor Code § 1174(d). Pursuant to California Labor Code § 1174.5, any person, including any entity, employing labor who willfully fails to maintain accurate and complete records required by California Labor Code § 1174 is subject to a penalty under § 1174.5. Pursuant to the applicable IWC Order § 7(A)(3), every employer shall keep time records showing when the employee begins and ends each work period. Meal periods and total hours worked daily shall also be recorded.

Defendant, however, failed to maintain accurate records of hours worked and all meal periods taken or missed by Plaintiff and the Aggrieved Employees.

Defendant's failure to provide and maintain records required by the California Labor Code and the applicable IWC Wage Orders deprived Plaintiff and the Aggrieved Employees the ability to know, understand and question the accuracy and frequency of meal periods, and the accuracy of their hours worked stated in Defendant's records. Therefore, Plaintiff and the Aggrieved Employees had no way to dispute the resulting failure to pay wages, all of which resulted in an unjustified economic enrichment to Defendant. As a direct result, Plaintiff and the Aggrieved Employees have suffered and continue to suffer, substantial losses related to the use and enjoyment of such wages, lost interest on such wages and expenses and attorney's fees in seeking to compel Defendant to fully perform its obligation under state law, all to their respective damage in amounts according to proof at trial. As a result of Defendant's knowing failure to comply with the California Labor Code and applicable IWC Wage Orders, Plaintiff and the Aggrieved Employees have also suffered an injury in that they were prevented from knowing, understanding, and disputing the wage payments paid to them.

Failure to Timely Pay All Wages at Termination

Labor Code §§ 201 and 202 provide that if an employer discharges an employee, the wages earned and unpaid at the time of discharge are due and payable immediately, and that if an employee voluntarily leaves his or her employment, his or her wages shall become due and payable not later than seventy-two (72) hours thereafter, unless the employee has given seventy-two (72) hours previous notice of his or her intention to quit, in which case the employee is entitled to his or her wages at the time of quitting.

Within the applicable statute of limitations, the employment of Plaintiff and many other Aggrieved Employees ended, i.e., was terminated by quitting or being discharged, and the employment of others will be terminated. However, during the relevant time period, Defendant failed, and continues to fail to pay Plaintiff and terminated Aggrieved Employees, without abatement, all wages required to be paid by Labor Code sections 201 and 202 either at the time of discharge, or within seventy-two (72) hours of their leaving Defendant's employment. These unpaid wages include wages for unpaid work time (including minimum, straight time, and overtime wages),

missed meal period premium wages, and missed rest period premium wages.

Defendant's conduct violates Labor Code §§ 201 and 202. Labor Code § 203 provides that if an employer willfully fails to pay wages owed, in accordance with sections 201 and 202, then the wages of the employee shall continue as a penalty wage from the due date, and at the same rate until paid or until an action is commenced; but the wages shall not continue for more than thirty (30) days.

Accordingly, Plaintiff and the Aggrieved Employees are entitled to recover from Defendant their additionally accruing wages for each day they were not paid, at their regular hourly rate of pay, up to thirty (30) days maximum pursuant to Labor Code § 203.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 2699(f)(2) for failing to timely pay all wages at termination.

Failure to Furnish Accurate Itemized Wage Statements

Labor Code § 226(a) provides that every employer shall furnish each of his or her employees an accurate itemized wage statement in writing showing nine pieces of information, including: (1) gross wages earned, (2) total hours worked by the employee, (3) the number of piece-rate units earned and any applicable piece rate if the employee is paid on a piece-rate basis, (4) all deductions, provided that all deductions made on written orders of the employee may be aggregated and shown as one item, (5) net wages earned, (6) the inclusive dates of the period for which the employee is paid, (7) the name of the employee and the last four digits of his or her social security number or an employee identification number other than a social security number, (8) the name and address of the legal entity that is the employer, and (9) all applicable hourly rates in effect during the pay period and the corresponding number of hours worked at each hourly rate by the employee. An employee is presumed to suffer an injury if this information is missing. (Lab. Code § 226(e)(2)(B)(iii).)

The statute further provides: "An employee suffering injury as a result of a knowing and intentional failure by an employer to comply with subdivision (a) is entitled to recover the greater of all actual damages or fifty dollars (\$50) for the initial pay period in which a violation occurs and one hundred dollars (\$100) per employee for each violation in a subsequent pay period, not to exceed an aggregate penalty of four thousand dollars (\$4,000), and is entitled to an award of costs and reasonable attorney's fees." (Lab. Code § 226(e)(1).)

Throughout the statutory period, Defendant failed to furnish Plaintiff and the Aggrieved Employees with accurate, itemized wage statements showing all applicable hourly rates, and all gross and net wages earned (including correct hours worked, correct wages for meal periods that were not provided in accordance with California law, and correct wages for rest periods that were not authorized and permitted to take in accordance with California law).

Because Defendant violated Labor Code § 226, Plaintiff and similarly Aggrieved Employees

suffered injury and damage to their statutorily protected rights. Accordingly, Plaintiff and similarly Aggrieved Employees are entitled to recover from Defendant the greater of their actual damages caused by Defendant's failure to comply with Labor Code § 226(a), or an aggregate penalty not exceeding four thousand dollars (\$4,000) per employee.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 226.3 for failing to furnish accurate itemized wage statements.

Action for Civil Penalties Under PAGA

In light of the above, Plaintiff alleges that Defendant violated the following provisions of the Labor Code with respect to the Aggrieved Employees:

1. Labor Code § 204, 510, 1194, 1197, and 1198 by failing to pay for all hours worked, including minimum wages, straight time wages, and overtime wages;
2. Labor Code § 226.7 and applicable Wage Orders by failing to provide meal periods;
3. Labor Code § 226.7 and applicable Wage Orders by failing to authorize and permit rest periods;
4. Labor Code § 204 by failing to pay all earned wages two times per month;
5. California Labor Code § 1174.5 and applicable Wage Orders by failing to maintain accurate records of hours worked and meal periods taken or missed;
6. Labor Code §§ 201 to 203 by willfully failing to pay all wages owed at termination; and
7. Labor Code § 226 by failing to provide accurate itemized wage statements.

Therefore, on behalf of all Aggrieved Employees, Plaintiff seeks applicable penalties related to the violations alleged above pursuant to the PAGA. These include, but are not limited to, penalties under Labor Code §§ 210, 226.3, 1174.5, 1197.1, and 2699(f)(2).

Plaintiff has placed Defendant on notice by mailing a certified copy of this correspondence, as indicated on the first page. Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact me.

Sincerely,

WILSHIRE LAW FIRM

Justin F. Marquez, Esq.

- 2.4. Plaintiff obtained, through informal discovery, documents and information pertaining to her wage and hour claims, including, but not limited to, wage and hour policy and procedure documents, employee time and payroll records, and the exchanges of relevant data points pertaining to the Class and PAGA claims. Plaintiff's investigation was sufficient to satisfy the criteria for court approval set forth in *Dunk v. Ford Motor Co.* (1996) 48 Cal.App.4th 1794, 1801 and *Kullar v. Foot Locker Retail, Inc.* (2008) 168 Cal.App.4th 116, 129-130 ("*Dunk/Kullar*").
- 2.5. Defendant has denied each of Plaintiff's claims and denied that this Action is appropriate for class certification. The agreed upon Gross Settlement Amount was reached after evaluating the Parties' theories of potential exposure for the underlying claims and the class data supporting such claims. The Parties also addressed appropriate discounts to the potential liability based on Defendant's factual and legal contentions and defenses in an all-day mediation.
- 2.6. The Court has not granted class certification.
- 2.7. The Parties, Class Counsel and Defense Counsel represent that they are not aware of any other pending matter or action asserting claims that will be extinguished or affected by the Settlement.

3. MONETARY TERMS.

- 3.1. Gross Settlement Amount. Except as otherwise provided by Paragraph 8 below, Tri-State promises to pay \$295,000.00 and no more as the Gross Settlement Amount and to separately pay any and all employer payroll taxes owed on the Wage Portions of the Individual Class Payments. Tri-State has no obligation to pay the Gross Settlement Amount (or any payroll taxes) prior to the deadline stated in Paragraph 4.3 of this Agreement. The Administrator will disburse the entire Gross Settlement Amount without asking or requiring Participating Class Members or Aggrieved Employees to submit any claim as a condition of payment. None of the Gross Settlement Amount will revert to Tri-State.
- 3.2. Payments from the Gross Settlement Amount. The Administrator will make and deduct the following payments from the Gross Settlement Amount, in the amounts specified by the Court in the Final Approval:
- 3.2.1. To Plaintiff: Service Payment to the Class Representative of not more than \$10,000 (in addition to any Individual Class Payment and any Individual PAGA Payment the Class Representative is entitled to receive as a Participating Class Member). Tri-State will not oppose Plaintiff's request for the Class Representative's

Service Payment that does not exceed these amounts. As part of the motion for Class Counsel Fees Payment and Class Litigation Expenses Payment, Plaintiff will seek Court approval for any Service Payment no later than 16 court days prior to the Final Approval Hearing. If the Court approves the Class Representative's Service Payment less than the amount requested, the Administrator will retain the remainder in the Net Settlement Amount. The Administrator will pay the Class Representative's Service Payment using IRS Form 1099. Plaintiff assumes full responsibility and liability for employee taxes owed on the Service Payment.

3.2.2. To Class Counsel: A Class Counsel Fees Payment of not more than 1/3 of the Gross Settlement Amount, which is currently estimated to be \$98,333.33 and a Class Counsel Litigation Expenses Payment of not more than \$30,000.00. Tri-State will not oppose requests for these payments provided that do not exceed these amounts. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the Net Settlement Amount. Released Parties shall have no liability to Class Counsel or any other Plaintiff's Counsel arising from any claim to any portion any Class Counsel Fee Payment and/or Class Counsel Litigation Expenses Payment. The Administrator will pay the Class Counsel Fees Payment and Class Counsel Expenses Payment using one or more IRS 1099 Forms. Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fees Payment and the Class Counsel Litigation Expenses Payment and holds Tri-State harmless, and indemnifies Tri-State, from any dispute or controversy regarding any division or sharing of any of these Payments.

3.2.3. To the Administrator: An Administrator Expenses Payment not to exceed \$6,850.00 except for a showing of good cause and as approved by the Court. To the extent the Administration Expenses are less or the Court approves payment less than \$6,850.00, the Administrator will retain the remainder in the Net Settlement Amount.

3.2.4. To Each Participating Class Member: An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks.

3.2.4.1. Tax Allocation of Individual Class Payments. 33% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. The 67% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for interest and penalties (the "Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment.

3.2.4.2. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.

3.2.5. To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of \$10,000 to be paid from the Gross Settlement Amount, with 75% (\$7,500) allocated to the LWDA PAGA Payment and 25% (\$2,500) allocated to the Individual PAGA Payments.

3.2.5.1. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$2,500) by the total number of PAGA Period Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Period Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.

3.2.5.2. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

4. SETTLEMENT FUNDING AND PAYMENTS.

4.1. Class Workweeks and Aggrieved Employee Pay Periods. Based on a review of its records to date, Tri-State estimates there are approximately 143 Class Members who collectively worked a total of 9,557 Workweeks.

4.2. Class Data. Not later than 15 days after the Court grants Preliminary Approval of the Settlement, Tri-State will simultaneously deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Tri-State has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Tri-State must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

4.3. Funding of Gross Settlement Amount. Tri-State shall fully fund the Gross Settlement Amount (and also fund the amounts necessary to fully pay Tri-State's share of

payroll taxes) by transmitting the funds to the Administrator no later than 14 days after the Effective Date.

- 4.4. Payments from the Gross Settlement Amount. Within 14 days after Tri-State funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative's Service Payment. Disbursement of the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment and the Class Representative's Service Payment shall not precede disbursement of Individual Class Payments and Individual PAGA Payments.

4.4.1. The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the date (not less than 180 days after the date of mailing) when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Settlement Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Settlement Administrator must update the recipients' mailing addresses using the National Change of Address Database.

4.4.2. The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within 7 days of receiving a returned check, the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.

4.4.3. For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds to Legal Aid at Work. The Parties have selected Legal Aid at Work as the *cypres* recipient. If the Court does not approve the *cypres* designee, the Parties shall select a new *cypres* designee, with approval by the Court.

4.4.4. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Tri-State to confer any additional benefits or make any additional

payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

5. RELEASES OF CLAIMS. Upon the final approval of the Settlement by the Court, Plaintiff, Class Members, and Class Counsel will release claims against all Released Parties as follows:

5.1 Plaintiff's Release. Plaintiff and each of her respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns generally, release and discharge Released Parties from all claims, transactions, or occurrences that occurred during the Class Period, including, but not limited to: (a) all claims that were, or reasonably could have been, alleged, based on the facts contained, in the Operative Complaint and (b) all PAGA claims that were, or reasonably could have been, alleged based on facts contained in the Operative Complaint, the PAGA Notice, or ascertained during the Action and released under 5.2, below ("Plaintiff's Release"). Plaintiff's Release does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, workers' compensation benefits that arose at any time, or based on occurrences outside the Class Period. Plaintiff acknowledges that Plaintiff may discover facts or law different from, or in addition to, the facts or law that Plaintiff now knows or believes to be true but agrees, nonetheless, that Plaintiff's Release shall be and remain effective in all respects, notwithstanding such different or additional facts or Plaintiff's discovery of them.

5.1.1 Plaintiff's Waiver of Rights Under California Civil Code Section 1542. For purposes of Plaintiff's Release, Plaintiff expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the California Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or Released Party.

5.2 Released Class Claims by Participating Class Members: All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from all claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in the Operative Complaint and ascertained in the course of the Action including any and all claims for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; (7) violation of California's Unfair Competition Law, California Business and Professions Code §§ 17200, *et seq*; and (8) any and all claims involving any alleged violation of Private Attorneys General Act of 2004. Except as set forth in Section 5.3 of this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful

termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

- 5.3 Released PAGA Claims by Aggrieved Employees: All Aggrieved Employees, including, Non-Participating Class Members who are Aggrieved Employees, are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint, and the PAGA Notice and ascertained in the course of the Action, including any and all claims for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; (7) violation of California's Unfair Competition Law, California Business and Professions Code §§ 17200, *et seq*; and (8) any and all claims involving any alleged violation of Private Attorneys General Act of 2004.

6. MOTION FOR PRELIMINARY APPROVAL. The Parties agree to jointly prepare and file a motion for preliminary approval ("Motion for Preliminary Approval").

- 6.1 Plaintiff's Responsibilities. Within 30 days of the full execution of this Agreement, Plaintiff will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code Section 2699, subd. (f)(2); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; and (iii) a signed declaration from Class Counsel attesting to its competency to represent the Class Members; its timely transmission to the LWDA of all necessary PAGA documents (initial notice of violations [Labor Code section 2699.3, subd. (a)], Operative Complaint [Labor Code section 2699, subd. (l)(1)], this Agreement [Labor Code section 2699, subd. (l)(2)]); and all facts relevant to any actual or potential conflict of interest with Class Members and the Administrator. In its Declaration, Class Counsel shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.

- 6.2 Responsibilities of Counsel. Class Counsel and Defense Counsel are jointly responsible for appearing in Court to advocate in favor of the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court's Preliminary Approval to the Administrator.

- 6.3 Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material

change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

7. SETTLEMENT ADMINISTRATION.

- 7.1 Selection of Administrator. The Parties have jointly selected ILYM Group, Inc. to serve as the Administrator and verified that, as a condition of appointment, ILYM Group, Inc. agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Expenses. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.
- 7.2 Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.
- 7.3 Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1.
- 7.4 Notice to Class Members.
- 7.4.1 No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, PAGA Members, Workweeks, and Pay Periods in the Class Data.
- 7.4.2 Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service ("USPS") mail, the Class Notice with Spanish translation, if applicable substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.
- 7.4.3 Not later than three (3) business days after the Administrator's receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to

locate or send Class Notices to Class Members whose Class Notice is returned by the USPS a second time.

7.4.4 The deadlines for Class Members' written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the 45 days otherwise provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.

7.4.5 If the Administrator, Tri-State or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, which ever are later.

7.5 Requests for Exclusion (Opt-Outs).

7.5.1 Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.

7.5.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.

7.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraphs 5.2 and 5.3

of this Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.

7.5.4 Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 5.3 of this Agreement and are eligible for an Individual PAGA Payment.

7.6 Challenges to Calculation of Workweeks. Each Class Member shall have 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination the challenges.

7.7 Objections to Settlement.

7.7.1 Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or the Class Representative's Service Payment.

7.7.2 Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 45 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).

7.7.3 Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

- 7.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.
- 7.8.1 Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and the Class Representative's Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.
- 7.8.2 Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 5 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion ("Exclusion List"); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).
- 7.8.3 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments ("Weekly Report"). The Weekly Reports must include provide the Administrator's assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.
- 7.8.4 Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator's decision shall be final and not appealable or otherwise susceptible to challenge.
- 7.8.5 Administrator's Declaration. Not later than 14 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing

of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator's declaration(s) in Court.

7.8.6 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

8. **CLASS SIZE ESTIMATES and ESCALATOR CLAUSE.** Tri-State represents that there are no more than 9,557 workweeks worked by the Class Members during the Class Period. In the event the number of workweeks worked by the Class Members increases by more than 10%, then the Gross Settlement Amount shall be increased proportionally by the workweeks worked in excess of 10,513 multiplied by the workweek value. The workweek value shall be calculated by dividing the Gross Settlement Amount by the estimated 9,557 workweeks. The Parties agree that the workweek value is \$30.86 (\$295,000.00 / 9,557 workweeks).
9. **TRI-STATE'S RIGHT TO WITHDRAW.** If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 10% of the total of all Class Members, Tri-State may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Tri-State withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Tri-State will remain responsible for paying all Settlement Administration Expenses incurred to that point. Tri-State must notify Class Counsel and the Court of its election to withdraw not later than seven days after the Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect.
10. **MOTION FOR FINAL APPROVAL.** Not later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (l), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.
- 10.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.

- 10.2 Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for the Class Representative's Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.
- 10.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.
- 10.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment reflected set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.
- 10.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative's Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.
11. **AMENDED JUDGMENT.** If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

12. ADDITIONAL PROVISIONS.

- 12.1 No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Tri-State that any of the allegations in the Operative Complaint have merit or that Tri-State has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Tri-State's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval or enter Judgment, Tri-State reserves the right to contest certification of any class for any reasons, and Tri-State reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Tri-State's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).
- 12.2 Confidentiality Prior to Preliminary Approval. Plaintiff, Class Counsel, Tri-State and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff, Class Counsel, Tri-State and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.
- 12.3 No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.
- 12.4 Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement

- 12.6 Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.
- 12.7 No Prior Assignments. - 12.11 Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.
- 12.12 Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 12.13 Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.

- 12.14 Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Tri-State in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall destroy, all paper and electronic versions of Class Data received from Tri-State unless, prior to the Court's discharge of the Administrator's obligation, Tri-State makes a written request to Class Counsel for the return, rather than the destructions, of Class Data.
- 12.15 Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.

COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR FINAL COURT APPROVAL

Cheri Lynn Collins v. Tri-State General Contractors, Inc., San Diego County Superior Court,
Case No. 37-2023-00022625-CU-OE-CTL

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

You may be eligible to receive money from an employee class action lawsuit ("Action") against Tri-State General Contractors, Inc. ("Tri-State") for alleged wage and hour violations. The Action was filed by former Tri-State employee Cheri Lynn Collins ("Plaintiff") and seeks payment of back wages and other relief for a class of non-exempt, hourly-paid employees ("Class Members") who worked for Tri-State in California during the Class Period (December 3, 2018 to September 24, 2024); and (2) penalties under the California Private Attorneys General Act ("PAGA") for all non-exempt, hourly-paid employees who worked for Tri-State in California during the PAGA Period June 21, 2022 to September 24, 2024) ("Aggrieved Employees").

The proposed Settlement has two main parts: (1) a Class Settlement requiring Tri-State to fund Individual Class Payments, and (2) a PAGA Settlement requiring Tri-State to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency ("LWDA").

Based on Tri-State's records, and the Parties' current assumptions, **your Individual Class Payment is estimated to be \$_____ (less withholding) and your Individual PAGA Payment is estimated to be \$_____**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Tri-State's records you are not eligible for an Individual PAGA Payment under the Settlement because you didn't work during the PAGA Period.)

The above estimates are based on Tri-State's records showing that **you worked _____ workweeks** during the Class Period and **you worked _____ workweeks** during the PAGA Period. If you believe that you worked more workweeks during either period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff's attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment that requires Tri-State to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Tri-State.

If you worked for Tri-State during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement to be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Tri-State.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing no later than 45 days after the Administrator mails this Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed). If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Tri-State, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Tri-State will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert wage claims against Tri-State that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement, but not the PAGA Settlement The Opt-out Deadline is [date]	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Tri-State must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released Claims (defined below).
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members.

Written Objections Must be Submitted by [date]	You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 7 of this Notice.
You Can Participate in the [date] Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on [date]. You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by [date]	The amount of your Individual Class Payment and PAGA Payment (if any) depends on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number of Class Period Workweeks and number of PAGA Period Pay Periods you worked according to Tri-State's records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by [date]. See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former Tri-State employee. The Action accuses Tri-State of violating California labor laws by failing to pay minimum and overtime wages, failing to provide meal periods and rest breaks, failing to pay wages due upon termination, and failing to provide accurate itemized wage statements. Based on the same claims, Plaintiff has also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, *et seq.*) ("PAGA"). Plaintiff is represented by attorneys in the Action: Arrash T. Fattahi and Arman A. Salehi of Wilshire Law Firm, PLC ("Class Counsel.").

Tri-State strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Tri-State or Plaintiff is correct on the merits. In the meantime, Plaintiff and Tri-State hired an experienced, neutral mediator in an effort to resolve the Action by negotiating to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement ("Agreement") and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Tri-State have negotiated a proposed Settlement that is subject to the Court's Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Tri-State does not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Tri-State has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Tri-State Will Pay \$295,000.00 as the Gross Settlement Amount (Gross Settlement). Tri-State has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, the Class Representative's Service Payment, Class Counsel's attorneys' fees and expenses, the Administrator's expenses, and penalties to be paid to the LWDA. Assuming the Court grants Final Approval, Tri-State will fund the Gross Settlement within 14 days of the Effective Date (as defined in the CLASS ACTION AND PAGA SETTLEMENT AGREEMENT). The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.

Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement Amount, the amounts of which will be decided by the Court at the Final Approval Hearing:

- A. 1/3 of the Gross Settlement Amount, which is currently estimated to be \$98,333.33, to Class Counsel for attorneys' fees and up to \$30,000 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
- B. Up to \$10,000.00 to Plaintiff Cheri Lynn Collins for filing the Action, working with Class Counsel and representing the Class. The Class Representative's Service Payment will be the only money Plaintiff will receive other than Plaintiff's Individual Class Payment and any Individual PAGA Payment.
- C. Up to \$10,000.00 to the Administrator for services administering the Settlement.
- D. Up to \$10,000.00 for PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the Aggrieved Employees based on their PAGA Period Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

2. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the “Net Settlement”) by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.
3. Taxes Owed on Payments to Class Members. Plaintiff and Tri-State are asking the Court to approve an allocation of 33% of each Individual Class Payment to taxable wages (“Wage Portion”) and 67% to penalties and interest (“Non-Wage Portion”). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Tri-State will separately pay employer payroll taxes it owes on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiff and Tri-State have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

4. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don’t cash it by the void date, your check will be automatically cancelled, and the monies will irrevocably be lost to you because they will be paid to the non-profit organization, Legal Aid at Work (the “Cy Pres” recipient).
5. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than [date], that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by [date]. The Request for Exclusion should be a letter from a Class Member or his/her representative setting forth a Class Member’s name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments but will preserve their rights to personally pursue wage and hour claims against Tri-State.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Tri-State based on the PAGA Period facts alleged in the Action.

6. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiff and Tri-State have agreed that, in either case, the Settlement will be void: Tri-

State will not pay any money and Class Members will not release any claims against Tri-State.

7. Administrator. The Court has appointed a neutral company, ILYM Group, Inc. (the “Administrator”) to send this Notice, calculate and make payments, and process Class Members’ Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator’s contact information is contained in Section 9 of this Notice.
8. Participating Class Members’ Release. After the Judgment is final and Tri-State has fully funded the Gross Settlement and separately paid all employer payroll taxes, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Tri-State or related entities for wages based on the Class Period facts and PAGA penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

The Participating Class Members will be bound by the following release:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties [“Released Parties” refers to Tri-State, together with its officers, directors, employees, member managers, owners, affiliates, and agents] from all claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in the Operative Complaint and ascertained in the course of the Action including any and all claims for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; (7) violation of California’s Unfair Competition Law, California Business and Professions Code §§ 17200, *et seq*; and (8) any and all claims involving any alleged violation of Private Attorneys General Act of 2004. Except as set forth in Section 5.3 of the Settlement Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers’ compensation, or claims based on facts occurring outside the Class Period.

9. Aggrieved Employees’ PAGA Release. After the Court’s judgment is final, and Tri-State has paid the Gross Settlement (and separately paid the employer-side payroll taxes), all Aggrieved Employees will be barred from asserting PAGA claims against Tri-State, whether or not they exclude themselves from the Settlement. This means that all Aggrieved Employees, including those who are Participating Class Members and those

who opt-out of the Class Settlement, cannot sue, continue to sue, or participate in any other PAGA claim against Tri-State or its related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

The Aggrieved Employees' Releases for Participating and Non-Participating Class Members are as follows:

All Aggrieved Employees, including, Non-Participating Class Members who are Aggrieved Employees, are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint, and the PAGA Notice and ascertained in the course of the Action, including any and all claims for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; (7) violation of California's Unfair Competition Law, California Business and Professions Code §§ 17200, *et seq*; and (8) any and all claims involving any alleged violation of Private Attorneys General Act of 2004.

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing \$2,500 by the total number of PAGA Pay Periods worked by all Aggrieved Employees and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual Aggrieved Employee.
3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Tri-State's records, are stated in the first page of this Notice. You have until [date] to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Tri-State's calculation of Workweeks and/or Pay Periods based on Tri-State's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period

challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Tri-State's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

5. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.
2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

6. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

Submit a written and signed letter with your name, present address, telephone number, and a simple statement that you do not want to participate in the Settlement. The Administrator will exclude you based on any writing communicating your request be excluded. Be sure to personally sign your request, identify the Action as *Cheri Lynn Collins v. Tri-State General Contractors, Inc.*, and include your identifying information (full name, address, telephone number, approximate dates of employment, and social security number for verification purposes). You must make the request yourself. If someone else makes the request for you, it will not be valid. **The Administrator must be sent your request to be excluded by [date], or it will be invalid.** Section 9 of the Notice has the Administrator's contact information.

7. HOW DO I OBJECT TO THE SETTLEMENT?

Only Participating Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiff and Tri-State are asking the Court to approve. At least 16 days before the [date] Final Approval Hearing, Class Counsel and/or Plaintiff will file in Court a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, the amount Class Counsel is requesting for attorneys' fees and litigation expenses, and the amount Plaintiff is requesting as the Class Representative's Service Award. Upon reasonable request, Class Counsel (whose contact information is in Section 9 of this Notice) will send you copies of these documents at no cost to you. You can also view them on the Administrator's Website [need details] or the Court's website [need details].

A Participating Class Member who disagrees with any aspect of the Agreement, the Motion for Final Approval and/or Motion for Fees, Litigation Expenses and Service Award may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested by Class Counsel or Plaintiff are too high or too low. **The deadline for sending written objections to the Administrator is [date].** Be sure to tell the Administrator what you object to, why you object, and any facts that support your objection. Make sure you identify the Action as *Cheri Lynn Collins v. Tri-State General Contractors, Inc.*, and include your name, current address, telephone number, and approximate dates of employment for Tri-State and sign the objection. Section 9 of this Notice has the Administrator's contact information.

Alternatively, a Participating Class Member can object (or personally retain a lawyer to object at your own cost) by attending the Final Approval Hearing. You (or your attorney) should be ready to tell the Court what you object to, why you object, and any facts that support your objection. See Section 8 of this Notice (immediately below) for specifics regarding the Final Approval Hearing.

8. CAN I ATTEND THE FINAL APPROVAL HEARING?

You can, but don't have to, attend the Final Approval Hearing on [date] at [time] in Department C-70 of the San Diego County Superior Court, Hall of Justice, located at 330 West Broadway, San Diego, California 92101. At the Hearing, the judge will decide whether to grant Final Approval of the Settlement and how much of the Gross Settlement will be paid to Class Counsel, Plaintiff, and the Administrator. The Court will invite comment from objectors, Class Counsel and Defense Counsel before making a decision. You can attend (or hire a lawyer to attend) personally. Check the Court's website for the most current information (cc-courts.org).

It's possible the Court will reschedule the Final Approval Hearing. You should check the Administrator's website [need details] beforehand or contact Class Counsel to verify the date and time of the Final Approval Hearing.

Charges incurred related to resolving post distribution withholdings and related corrective files due to voids and re-issues of payments and related correspondence with state and federal taxing authorities will not be charged to the Client to the extent that funds are received from the taxing authorities offset these charges. ILYM may derive financial benefits from financial institutions in connection with the deposit and investment of settlement funds with such institutions, including without limitation, discounts on eligible banking services and fees, and loans at favorable rates.

Indemnification: Client will indemnify and hold ILYM (and the officers, employees, affiliates and agents harmless against any Losses incurred by ILYM, arising out of, in connection with, or related to (i) any breach of the terms by Client; (ii) the processing and handling of any payment by ILYM in accordance with Client's instructions, including without limitation, the imposition of any stop payment or void payment on any check or the wrongful dishonor of a check by ILYM pursuant to Client's instructions.

Payment of Charges: ILYM reserves the right to request payment of postage charges and 50% of the final administration charges at the start of the case. ILYM bills are due upon receipt unless otherwise negotiated and agreed to with the Client. In the event settlement terms provide that ILYM is to be paid out of the Settlement Fund, ILYM will request that Counsel endeavor to make alternate payment arrangements for ILYM charges that are due at the onset of the case. The entire remaining balance is due and payable at the time the Settlement Account is funded by, or no later than the time of disbursement. Decisions of the court and actions of the parties, including disapproval or withdrawal of a settlement, do not affect the Client's liability to ILYM for payment of services. Services are not provided on a contingency fee basis.

Should ILYM ever be notified of any judicial order or other proceedings in which a third party seeks to obtain access to the confidential data created by or for the Client, ILYM will promptly notify the Client, unless prohibited by applicable law. The Client shall have the option to (1) provide legal representation at the Client's expense to avoid such access or (2) promptly reimburse ILYM for any of its costs, including attorneys' fees, reasonably incurred in avoiding, attempting to avoid or providing such access and not paid by the entity seeking the data. If ILYM is required, pursuant to a court order, to produce documents, disclose data, or otherwise act in contravention of the obligations imposed by this Agreement, or otherwise, with respect to maintaining the confidentiality, proprietary nature and secrecy of the produced documents or disclosed data, ILYM will not be liable for breach of said obligation.

Termination: The services to be provided under this Agreement may be terminated, at will by the Client upon at least 30 calendar days' prior written notice to ILYM. The Client's obligation to pay for services or projects in progress at the time of notice of withdrawal shall continue throughout that 30 day period. ILYM may terminate this Agreement (i) with 10 calendar days' prior written notice, if the Client is not current in payment of charges or (ii) in any event, upon at least 3 months' prior written notice to the Client.

Notice: Any notice required or permitted hereunder shall be in writing and shall be delivered personally, or sent by registered mail, postage prepaid, or overnight courier service to the responsible officer or principal of ILYM or the Client, as applicable, and shall be deemed given when so delivered personally, or, if mailed, five days after the date of deposit in United States mail, or, if sent by courier, one business day after delivery to such courier service.

No single or partial exercise of any such right will preclude any other or further exercise thereof or the exercise of any other right. No waiver of any such right will be effective unless given in a signed writing.

Jurisdiction: The parties hereto submit to the jurisdiction of the Court of the applicable case for purposes of any suit, action or proceeding to enforce any provision of, or based on any right arising out of, this Agreement. The parties hereto hereby waive any objection to the laying of venue of any such suit, action or proceeding in the Court.

Entire Agreement: These terms and conditions and the proposal embody the entire agreement between the parties with respect to the subject matter hereof, and cancels and supersedes all prior negotiations, representations, and agreements related thereto, either written or oral, except to the extent they are expressly incorporated herein. No changes in, additions to, or waivers of, the terms and conditions set forth herein will be binding upon any party, unless approved in writing by such party's authorized representative.

Report Use Considerations

2022 Real Rate Report

- Examines law firm rates over time
- Identifies rates by location, experience, firm size, areas of expertise, industry, and timekeeper role (i.e., partner, associate, and paralegal)
- Itemizes variables that drive rates up or down

All the analyses included in the report derive from the actual rates charged by law firm professionals as recorded on invoices submitted and approved for payment.

Examining real, approved rate information, along with the ranges of those rates and their changes over time, highlights the role these variables play in driving aggregate legal cost and income. The analyses can energize questions for both corporate clients and law firm principals.

Clients might ask whether they are paying the right amount for different types of legal services, while law firm principals might ask whether they are charging the right amount for legal services and whether to modify their pricing approach.

Some key factors¹ that drive rates²:

Attorney location - Lawyers in urban and major metropolitan areas tend to charge more when compared with lawyers in rural areas or small towns.

Litigation complexity - The cost of representation will be higher if the case is particularly complex or time-consuming; for example, if there are a large number of documents to review, many witnesses to depose, and numerous procedural steps, the case is likely to cost more (regardless of other factors like the lawyer's level of experience).

Years of experience and reputation - A more experienced, higher-profile lawyer is often going to charge more, but absorbing this higher cost at the outset may make more sense than hiring a less expensive lawyer who will likely take time and billable hours to come up to speed on unfamiliar legal and procedural issues.

Overhead - The costs associated with the firm's support network (paralegals, clerks, and assistants), document preparation, consultants, research, and other expenses.

Firm size - The rates can increase if the firm is large and has various timekeeper roles at the firm. For example, the cost to work with an associate or partner at a larger firm will be higher compared to a firm that has one to two associates and a paralegal.

Invoice Information

Data in Wolters Kluwer ELM Solutions' reference database and the 2022 Real Rate Report were taken from invoice line-item entries contained in invoices received and approved by participating companies.

Invoice data were received in the Legal Electronic Data Exchange Standard (LEDES) format (LEDES.org). The following information was extracted from those invoices and their line items:

- Law firm (which exists as a random number in the ELM Solutions reference database)
- Timekeeper ID (which exists as a random number in the ELM Solutions reference database)
- Matter ID (which exists as a random number in the ELM Solutions reference database)
- Timekeeper's position (role) within the law firm (partner, associate, paralegal, etc.)
- Uniform Task-Based Management System Code Set, Task Codes, and Activity Codes (UTBMS.com)
- Date of service
- Hours billed
- Hourly rate billed
- Fees billed

Non-Invoice Information

To capture practice area details, the matter ID within each invoice was associated with matter profiles containing areas of work in the systems of each company. The areas of work were then systematically categorized into legal practice areas. Normalization of practice areas was done based on company mappings to system-level practice areas available in the ELM Solutions system and by naming convention.

The majority of analyses included in this report have been mapped to one of 11 practice areas, further divided into sub-areas and litigation/non-litigation (for more information on practice areas and sub-areas, please refer to pages 232-234).

To capture location and jurisdiction details, law firms and timekeepers were systematically mapped to the existing profiles within ELM Solutions systems, as well as with publicly available data sources for further validation and normalization. Where city location information is provided, it includes any address within that city's defined Core-Based Statistical Area (CBSA) as defined by the Office of Management and Budget (OMB). The CBSAs are urban centers with populations of 10,000 or more and include all adjacent counties that are economically integrated with that urban center.

Where the analyses focus on partners, associates, and paralegals, the underlying data occasionally included some sub-roles, such as "senior partner" or "junior associate." In such instances, those timekeeper sub-roles were placed within the broader partner, associate, and paralegal segments.

Demographics regarding law firm size, location, and lawyer years of experience were augmented by incorporating publicly available information.

Big Law Rates Topping \$2,000 Leave Value ‘In Eye of Beholder’

By Roy Strom

Column

June 9, 2022, 2:30 AM

Welcome back to the Big Law Business column on the changing legal marketplace written by me, Roy Strom. Today, we look at a new threshold for lawyers' billing rates and why it's so difficult to put a price on high-powered attorneys. Sign up to receive this column in your inbox on Thursday mornings. Programming note: Big Law Business will be off next week.

Some of the nation's top law firms are charging more than \$2,000 an hour, setting a new pinnacle after a two-year burst in demand.

Partners at Hogan Lovells and Latham & Watkins have crossed the threshold, according to court documents in bankruptcy cases filed within the past year.

Other firms came close to the mark, billing more than \$1,900, according to the documents. They include Kirkland & Ellis, Simpson Thacher & Bartlett, Boies Schiller Flexner, and Sidley Austin.

Simpson Thacher & Bartlett litigator Bryce Friedman, who helps big-name clients out of jams, especially when they're accused of fraud, charges \$1,965 every 60 minutes, according to a court document.

In need of a former acting US Solicitor General? Hogan Lovells partner Neal Katyal bills time at \$2,465 an hour. Want to hire famous litigator David Boies? That'll cost \$1,950 an hour (at least). Reuters was first to report their fees.

Eye-watering rates are nothing new for Big Law firms, which typically ask clients to pay higher prices at least once a year, regardless of broader market conditions.

"Value is in the eye of the beholder," said John O'Connor, a San Francisco-based expert on legal fees. "The perceived value of a good lawyer can reach into the multi-billions of dollars."

Kirkland & Ellis declined to comment on its billing rates. None of the other firms responded to requests to comment.

Charge It Up

Big Law firms are crossing the \$2,000-an-hour threshold after two years of surging rates driven by an increase in demand for lawyers.

Firm	Highest Billing Rate
Hogan Lovells	\$2,465
Latham & Watkins	\$2,075
Kirkland & Ellis	\$1,995
Simpson Thacher & Bartlett	\$1,965
Boies Schiller Flexner	\$1,950
Sidley Austin	\$1,900

Bloomberg Law

Law firms have been more successful raising rates than most other businesses over the past 15 years.

Law firm rates rose by roughly 40 percent from 2007 to 2020, or just short of 3 percent per year, Thomson Reuters Peer Monitor data show. US inflation rose by about 28% during that time.

The 100 largest law firms in the past two years achieved their largest rate increases in more than a decade, Peer Monitor says. The rates surged more than 6% in 2020 and grew another 5.6% through November of last year. Neither level had been breached since 2008.

The price hikes occurred during a once-in-a-decade surge in demand for law services, which propelled profits at firms to new levels. Fourteen law firms reported average profits per equity partner in 2021 over \$5 million, according to data from The American Lawyer. That was up from six the previous year.

The highest-performing firms, where lawyers charge the highest prices, have outperformed their smaller peers. Firms with leading practices in markets such as mergers and acquisitions, capital markets, and real estate were forced to turn away work at some points during the pandemic-fueled surge.

Firms receive relatively tepid pushback from their giant corporate clients, especially when advising on bet-the-company litigation or billion-dollar deals.

The portion of bills law firms collected—a sign of how willingly clients pay full-freight—rose during the previous two years after drifting lower following the Great Financial Crisis. Collection rates last year breached 90% for the first time since 2009, Peer Monitor data show.

Professional rules prohibit lawyers from charging “unconscionable” or “unreasonable” rates. But that doesn’t preclude clients from paying any price they perceive as valuable, said Jacqueline Vinaccia, a San Diego-based lawyer who testifies on lawyer fee disputes.

Lawyers’ fees are usually only contested when they will be paid by a third party.

That happened recently with Hogan Lovells’ Katyal, whose nearly \$2,500 an hour fee was contested in May by a US trustee overseeing a bankruptcy case involving a Johnson & Johnson unit facing claims its talc-based powders caused cancer.

The trustee, who protects the financial interests of bankruptcy estates, argued Katyal’s fee was more than \$1,000 an hour higher than rates charged by lawyers in the same case at Jones Day and Skadden Arps Slate Meagher & Flom.

A hearing on the trustee’s objection is scheduled for next week. Hogan Lovells did not respond to a request for comment on the objection.

Vinaccia said the firm’s options will be to reduce its fee, withdraw from the case, or argue the levy is reasonable, most likely based on Katyal’s extensive experience arguing appeals.

Still, the hourly rate shows just how valuable the most prestigious lawyers’ time can be—even compared to their highly compensated competitors.

“If the argument is that Jones Day and Skadden Arps are less expensive, then you’re already talking about the cream of the crop, the top-of-the-barrel law firms,” Vinaccia said. “I can’t imagine a case in which I might argue those two firms are more reasonable than the rates I’m dealing with.”

Worth Your Time

On Cravath: Cravath Swaine & Moore is heading to Washington, opening its first new office since 1973 by hiring former heads of the U.S. Securities and Exchange Commission and Federal Deposit Insurance Corporation. Meghan Tribe reports the move comes as Big Law firms are looking to add federal government expertise as clients face more regulatory scrutiny.

On Big Law Promotions: It’s rare that associates get promotions to partner in June, but Camille Vasquez is now a Brown Rudnick partner after she shot to fame representing Johnny Depp in his defamation trial against ex-wife Amber Heard.

On Working From Home: I spoke this week with Quinn Emanuel’s John Quinn about why he thinks law firm life is never going back to the office-first culture that was upset by the pandemic. Listen to the podcast [here](#).

That's it for this week! Thanks for reading and please send me your thoughts, critiques, and tips.
