**DECLARATION OF ARRASH T.
FATTAHI IN SUPPORT OF
PLAINTIFF'S MOTION FOR
PRELIMINARY APPROVAL OF CLASS
ACTION AND PAGA SETTLEMENT**

Preliminary Approval Hearing:

Date: December 30, 2025

Time: 2:30 p.m.

Dept: 21

Reservation ID: 225531471281

Action Filed: May 30, 2023

I, Arrash T. Fattahi, declare as follows:

CASE BACKGROUND

3. Plaintiff alleges that Defendant's payroll, timekeeping, and wage and hour practices resulted in Labor Code violations. Plaintiff alleges that Defendant failed to pay for all hours worked. Plaintiff further alleges that Defendant failed to provide employees with legally compliant meal and rest periods, and Defendant failed to reimburse business expenses. Based on these allegations, Plaintiff asserts related claims for failure to provide accurate wage statements, failure to pay all final wages at termination, unfair business practices, and civil penalties under PAGA.

4. On May 30, 2023, Plaintiff filed a putative wage and hour class action complaint against Defendant for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; (7) failure to indemnify employees for expenditures; and (8) unfair business practices. On June 21, 2023, Plaintiff sent a notice to Defendant and the California Labor & Workforce

1 Development Agency (“LWDA”) alleging similar wage and hour violations pursuant to PAGA.
2 Attached as **Exhibit 1** is a true and correct copy of Plaintiff’s PAGA letter. The Parties intend to
3 file a stipulation in advance of the hearing on this Motion, requesting Plaintiff be granted leave to
4 amend to file a First Amended Class & Representative Action Complaint that adds a cause of action
5 for civil penalties under PAGA.

6 DISCOVERY AND INVESTIGATION

7 5. Following the filing of the initial complaint, the Parties exchanged documents and
8 information before mediating this action. Defendant produced a sampling of timekeeping and
9 payroll records for the class members. Defendant also provided its policy manual in effect during
10 the class period and information regarding the total number of current and former employees in its
11 informal discovery responses.

12 6. After reviewing documents regarding Defendant’s employment policies and
13 practices and analyzing Defendant’s timekeeping and payroll records, Class Counsel was able to
14 evaluate the probability of class certification and success on the merits and assess Defendant’s
15 maximum monetary exposure for all claims. Class Counsel also investigated the applicable law
16 regarding the claims and defenses asserted in the litigation. Class Counsel reviewed these records
17 and utilized an expert to prepare a damages analysis prior to mediation.

18 SETTLEMENT NEGOTIATIONS

19 7. On December 7, 2023, the Parties participated in a private mediation with
20 experienced class action mediator, Jonathan D. Andrews, Esq. The settlement negotiations were at
21 arm’s length and, although conducted in a professional manner, were adversarial. The Parties went
22 into mediation willing to explore the potential for a settlement of the dispute, but each side was
23 also prepared to litigate their position through trial and appeal if a settlement had not been reached.

24 8. After extensive negotiations and discussions regarding the strengths and
25 weaknesses of Plaintiff’s claims and Defendant’s defenses, the Parties were able to reach a
26 resolution, the material terms of which are encompassed within the Settlement Agreement.
27 Attached as **Exhibit 2** is a true and correct copy of the Class Action and PAGA Settlement
28 Agreement and Class Notice (“Settlement Agreement”).

1 9. Once Plaintiff files a First Amended Class & Representative Action Complaint that
2 adds a cause of action for civil penalties under PAGA, Class Counsel will submit the proposed
3 Settlement to the LWDA.

4 10. My office requested several bids from experienced class action settlement
5 administrators to handle the responsibilities of the Settlement Administrator under this Settlement.
6 The Parties accepted the bid of Apex Class Action LLC (“Apex”). Apex has multiple years of
7 experience in the field of class action administration, particularly in the wage and hour arena.
8 Apex’s bid accounts for Notice in English and Spanish. Attached as **Exhibit 3** is a true and correct
9 copy of Apex’s bid.

10 11. No one at Wilshire Law Firm, PLC (meaning the law firm itself and anyone
11 employed at the law firm) has any interest, financial or otherwise, in the proposed third-party
12 administrator, Apex. No one at Wilshire Law Firm, PLC has any actual or potential conflict of
13 interest with any class member. I am not aware of any other pending matter or action asserting
14 claims that will be extinguished or adversely affected by the Settlement.

15 12. Wilshire Law Firm, PLC has no fee-splitting agreement with any other counsel in
16 this case.

17 THE PROPOSED SETTLEMENT IS FAIR AND REASONABLE

18 13. Class Counsel has conducted a thorough investigation into the facts of this case.
19 Based on the Parties’ informal exchange of documents and information and Class Counsel’s own
20 independent investigation and evaluation, Class Counsel is of the opinion that the Settlement is
21 fair, reasonable, and adequate and is in the best interests of the Settlement Class Members in light
22 of all known facts and circumstances, the risk of significant delay, the defenses that could be
23 asserted by Defendant both to certification and on the merits, trial risk, and appellate risk.

24 14. Based on an analysis of the facts and legal contentions in this case, documents and
25 information from Defendant, I evaluated Defendant’s maximum exposure. I took into account the
26 risk of not having the claims certified and the risk of not prevailing at trial, even if the claims are
27 certified. After using the data Defendant provided, including class member timekeeping and
28 payroll records, as well as class member demographics (i.e., the number of class members,

workweeks, and average total compensation of the class), with the assistance of a statistics expert, I created a damages model to evaluate the realistic range of potential recovery for the class. The damages model is based on the following benchmarks:

- a. Total Class Members: 63
- b. Terminated Class Members during 3-year statute of limitations period: 35
- c. Total Workweeks: 3,673
- d. PAGA Pay Periods: 794
- e. Aggrieved Employees: 42
- f. Average Hourly Rate: \$18.61

15. Based on Plaintiff's discovery and investigation, Class Counsel reached the conclusion that Defendant: failed to pay class members for all hours worked, including minimum, straight time, and overtime wages, by requiring employees to work off-the-clock; had a policy and practice of not providing its employees with California compliant meal and rest periods for which it did not pay appropriate premiums; and failed to reimburse its employees for business-related expenses. Defendant denies these claims.

16. Minimum and Overtime Wages: Plaintiff alleges that Defendant failed to pay for all hours worked, including minimum, straight time, and overtime wages, by requiring class members to work off-the-clock, unpaid. For purposes of calculating Defendant's liability based on a best-case scenario for Plaintiff and the Class, I estimate that Defendant's maximum potential exposure by assuming that all unpaid work time should have been paid at the overtime rate, and I assumed that Defendant is liable for one half (1/2) hour of unpaid worktime per workweek. This results in an estimate of approximately \$51,265.90 (3,673 workweeks x \$18.61 hourly rate x 1.5 overtime rate x 0.50 hour of unpaid work per workweek), but I applied a risk discount based on a 40% chance of succeeding at class certification and a 40% chance of succeeding at trial on the merits because liability depends on whether Defendant knew or should have known that class members were working off-the-clock, yielding a realistic damage estimate of approximately \$8,202.54 (\$51,265.90 x 40% x 40%).

17. Meal Periods: With respect to the meal period claim, Plaintiff alleges that Defendant

1 required him and similarly situated class members to either work in lieu of taking meal periods, or
2 their meal periods were untimely or interrupted. Plaintiff further alleges that Defendant's own
3 records reflect facially non-complaint meal periods. My expert analyzed Defendant's timekeeping
4 records and found that at least 95.4% of the meal-period-eligible shifts in the randomized sampling
5 had meal period violations consisting of short, late, or missed meal periods. Therefore, potential
6 liability for the meal period claim is approximately \$270,818.60 (15,254 shifts greater than 5.00
7 hours x \$18.61 hourly rate x 95.4% violation rate). After taking into account the difficulty of
8 certifying and proving meal period claims, as well as Defendant's contention that the claim lacks
9 merit and a 95.4% violation rate is unrealistic, I discounted this figure based on a 50% chance of
10 succeeding at class certification and a 40% chance of succeeding at trial, yielding a realistic
11 damage estimate of approximately \$54,163.72 ($\$270,818.60 \times 50\% \times 40\%$).

12 18. Rest Periods: With respect to the rest period claim, Plaintiff alleges that Defendant
13 required him and similarly situated class members to work in lieu of taking rest periods, remain
14 on-call during their rest periods or their rest periods were interrupted. Assuming a 50% violation
15 rate for the class period based on Plaintiff's and other class members' experience working for
16 Defendant, Defendant's potential liability for the rest period claim is approximately \$147,233.02
17 (15,823 shifts of 3.50 hours or longer x \$18.61 hourly rate x 50% violation rate); however, I
18 discounted this figure to account for the difficulty of certifying and proving rest period claims,
19 particularly because rest periods do not have to be recorded, and to account for the possibility of
20 Class Members voluntarily choosing to forego a rest period. Because this claim would have relied
21 exclusively on Class Member testimony, I discounted this claim based on a 30% chance of
22 succeeding at class certification and a 20% chance of succeeding at trial, yielding a realistic
23 damage estimate of approximately \$8,833.98 ($\$147,233.02 \times 30\% \times 20\%$).

24 19. Reimbursements: Plaintiff further alleges that Defendant failed to reimburse
25 necessary business expenses. Defendant's employees (including Plaintiff) were frequently required
26 to: use their personal cell phones and vehicles to perform work-related duties. For purposes of
27 calculating Defendant's liability based on a best-case scenario for Plaintiff and the Class, I
28 estimated that Defendant was liable to each class member for \$50 per month, or \$12.50 per

workweek, in unreimbursed expenses, for a total amount of approximately \$45,912.50 (\$12.50 x 3,673 workweeks); however, I discounted this figure based on an evaluation of a 40% chance of succeeding at class certification and a 40% chance of succeeding at trial to account for the difficulty of certifying and proving expense reimbursement claims, yielding a realistic damage estimate of approximately \$7,346.00 (\$45,912.50 x 40% x 40%).

20. In sum, I estimated that Plaintiff's maximum recovery for the off-the-clock claim, meal period violations, and rest period violations (i.e., wage claims) is approximately \$469,317.51, but, after factoring in the risk and uncertainty of prevailing at certification and trial, I estimate that Plaintiff's realistic estimated recovery for these non-penalty wage claims is approximately \$71,200.24.

21. Penalties: With respect to Plaintiff's derivative claims for statutory penalties as well as civil penalties, Plaintiff estimated that Defendant's realistic potential liability is approximately \$308,874.00. Defendant's maximum potential liability for waiting time penalties is approximately \$156,324.00 (35 employees x \$18.61 hourly rate x 8.00 hours/day x 30 days) based on approximately 35 terminated class members during the 3-year statute of limitations period. Defendant's maximum potential liability for inaccurate wage statements is approximately \$73,150.00 ([39 employees x 1 initial violation/employee x \$50 for an initial violation] + [(751 pay periods - 39 initial violations) x \$100 for each subsequent violation]) based on approximately 39 class members who worked during the 1-year statute of limitations period and approximately 751 pay periods in that timeframe. Defendant's maximum potential liability for PAGA violations is approximately \$79,400.00 based on the Court assessing a \$100 penalty for initial violations for all 794 pay periods within the PAGA period. In light of the foregoing, I believe that it would be unrealistic to expect the Court to award the full \$308,874.00 in penalties given Defendant's defenses, the contested nature of Plaintiff's claims, the challenges of establishing willfulness as applicable, and the discretionary nature of penalties. Considering that the underlying wage claims are realistically estimated to be approximately \$71,200.24, such a disproportionate award would also raise due process concerns. As such, I discounted these figures to account for the risk and uncertainty of prevailing at trial, resulting in a realistic evaluation of approximately \$18,758.88 for

1 waiting time penalty claims (\$156,324.00 x 40% x 30%), approximately \$8,778.00 for wage
2 statement penalty claims (\$73,150.00 x 40% x 30%), and approximately \$7,940.00 for PAGA
3 penalties (\$79,400.00 x 10%), or approximately \$35,476.88 total for statutory and civil penalties.

4 22. Using these estimated figures, Plaintiff predicted that the realistic maximum
5 recovery for all claims, including penalties, would be approximately \$114,023.12. This means that
6 the \$275,000.00 gross settlement figure represents approximately 241% of the realistic maximum
7 recovery (\$275,000.00 / \$114,023.12). Further, the \$10,000.00 allocation for PAGA penalties
8 represents approximately 126% of the realistic maximum recovery (\$10,000.00 / \$7,940.00).
9 Considering the risk and uncertainty of prevailing at class certification and at trial, this is an
10 excellent result for the Class.¹ Indeed, because of the proposed Settlement, class members will
11 receive timely, guaranteed relief and will avoid the risk of an unfavorable judgment.

12 23. While Plaintiff is confident in the merits of his claims, a legitimate controversy
13 exists as to each cause of action. Plaintiff also recognizes that proving the amount of wages due to
14 each class member would be an expensive, time-consuming, and uncertain proposition.

15 24. This Settlement avoids the risks and the accompanying expense of further litigation.
16 Although the Parties had engaged in a significant amount of investigation, informal discovery and
17 class-wide data analysis, the Parties had not yet completed formal written discovery. Plaintiff
18 intended to depose corporate officers and managers of Defendant. Moreover, preparation for class
19 certification and a trial remained for the Parties, as well as the prospect of appeals in the wake of
20 a disputed class certification ruling for Plaintiff and/or adverse summary judgment ruling. Had the
21 Court certified any claims, Defendant could move to decertify the claims. As a result, the Parties
22 would incur considerably more attorneys' fees and costs through trial.

23 25. The Net Settlement Amount available for settlement payments is estimated to be
24
25

26 ¹ See, e.g., *Wise v. Ulta Salon, Cosmetics & Fragrance, Inc.* (E.D. Cal. Aug. 21, 2019) 2019 WL 3943859 at
27 *8 (granting preliminary approval where the proposed allocation to settle class claims was between 9.53 percent of
28 Plaintiffs' maximum recovery); *Bravo v. Gale Triangle, Inc.* (C.D. Cal. Feb 16, 2017) 2017 WL 708766 at * 10
(finding that "a settlement for fourteen percent recovery of Plaintiffs' maximum recovery is reasonable"); *In re*
Omnivision Techs., Inc. (N.D. Cal. 2008) 559 F.Supp.2d 1036, 1042 (approving settlement amount that "is just over
9% of the maximum potential recovery asserted by either party.").

1 approximately \$130,833.33 for a class of approximately 63 persons.² As a result, each Settlement
2 Class Member is eligible to receive an average net benefit of approximately \$2,076.72.

3 26. The proposed Settlement of \$275,000.00, therefore, represents a substantial
4 recovery when compared to Plaintiff's reasonably forecasted recovery. When considering the risks
5 of litigation, the uncertainties involved in achieving class certification, the burdens of proof
6 necessary to establish liability, the probability of appeal of a favorable judgment, it is clear that the
7 settlement amount of \$275,000.00 is well within the "ballpark" of reasonableness, and preliminary
8 settlement approval is appropriate.

9 SERVICE PAYMENT FOR PLAINTIFF IS REASONABLE

10 27. Class Counsel represents that Plaintiff devoted a great deal of time and work
11 assisting counsel in the case, communicated with counsel very frequently for litigation and to
12 prepare for mediation, and was frequently in contact with Class Counsel during the mediation.
13 Plaintiff's requested service payment is reasonable, particularly in light of the substantial benefits
14 Plaintiff generated for all class members.

15 28. Throughout this litigation, Plaintiff, who is a former employee of Defendant, has
16 cooperated immensely with my office and has taken many actions to protect the interests of the
17 class. Plaintiff provided valuable information regarding the off-the-clock, meal period, rest period,
18 and indemnity claims. Plaintiff also informed my office of developments and information relevant
19 to this action, participated in decisions concerning this action, and made himself available to
20 answer questions during the mediation. Plaintiff provided my office with documents regarding the
21 claims alleged in this action. The information and documentation provided by Plaintiff was
22 instrumental in establishing the wage and hour violations alleged in this action, and the recovery
23 provided for in the Settlement Agreement would have been impossible to obtain without Plaintiff's
24 participation.

25 29. At the same time, Plaintiff faced many risks in adding himself as the class
26 representative in this matter. Plaintiff faced actual risks with his future employment, as putting

27 ² The estimated Net Settlement Amount is: \$275,000.00 minus \$91,666.67 for Class Counsel's attorneys'
28 fees, minus \$25,000.00 for Class Counsel's litigation expenses, minus \$7,500.00 for administration costs, minus
\$10,000.00 for the PAGA payments, and minus \$10,000.00 for the class representative service payment to Plaintiff.

1 himself on public record in an employment lawsuit could also very well affect his likelihood for
2 future employment.

3 30. In turn, class members will now have the opportunity to participate in a settlement,
4 reimbursing them for alleged wage violations they may have never known about on their own or
5 been willing to pursue on their own. If these class members would have each tried to pursue their
6 legal remedies on their own, that would have resulted in each having to expend a significant amount
7 of their own monetary resources and time, which were obviated by Plaintiff putting himself on the
8 line on behalf of these other class members.

9 31. In the final analysis, this class action would not have been possible without the aid
10 of Plaintiff, who put his own time and effort into this litigation and placed himself at risk for the
11 sake of the class members. The requested service payment for Plaintiff for his service as the class
12 representative is a relatively small amount of money when the time and effort put into the litigation
13 are considered, and in comparison to enhancements granted in other class actions. The requested
14 service payment is therefore reasonable to compensate Plaintiff for his active participation in this
15 lawsuit.

16 THE REQUEST FOR ATTORNEYS' FEES AND COSTS IS REASONABLE

17 32. The Settlement provides for attorneys' fees payable to Class Counsel in an amount
18 up to one third (1/3) of the Settlement Amount, for a maximum fees award of \$91,666.67, plus
19 actual costs and expenses not to exceed \$25,000.00. The proposed award of attorneys' fees to Class
20 Counsel in this case can be justified under either method – lodestar or percentage recovery. Class
21 Counsel intends to provide justification of their requested attorneys' fees and costs at final
22 approval.

23 33. I am informed and believe that the fee and costs provision is reasonable. The fee
24 percentage requested is less than that charged by my office for most employment cases. My office
25 invested significant time and resources into the case, with payment deferred to the end of the case,
26 and then, of course, contingent on the outcome.

27 34. It is further estimated that my office will need to expend at least another 50 to 100
28 hours to monitor the process leading up to the final approval and payments made to the class. My

1 office also bears the risk of taking whatever actions are necessary if Defendant fails to pay.

2 35. The risk to my office has been very significant, particularly if we would not be
3 successful in pursuing this class action. In that case, we would have been left with no compensation
4 for all the time taken in litigating this case. The contingent risk in these types of cases is very real
5 and they do occur regularly. Furthermore, we were precluded from focusing on, or taking on, other
6 cases which could have resulted in a larger, and less risky, monetary gain.

7 36. Because most individuals cannot afford to pay for representation in litigation on an
8 hourly basis, Wilshire Law Firm, PLC represents virtually all its employment law clients on a
9 contingency fee basis. Pursuant to this arrangement, we are not compensated for our time unless
10 we prevail at trial or successfully settle our clients' cases. Because Wilshire Law Firm, PLC is
11 taking the risk that we will not be reimbursed for our time unless our client settles or wins his or
12 her case, we cannot afford to represent an individual employee on a contingency basis if, at the
13 end of our representation, all we are to receive is our regular hourly rate for services. It is essential
14 that we recover more than our regular hourly rate when we win if we are to remain in practice so
15 we can continue representing other individuals in civil rights employment disputes.

16 MY EXPERIENCE AND QUALIFICATIONS

17 37. Wilshire Law Firm, PLC was selected by Best Lawyers and U.S. News & World
18 Report as one of the nation's Best Law Firms for every year since 2020 and is comprised of over
19 120 attorneys and over 600 total employees. Wilshire Law Firm, PLC is actively and continuously
20 practicing in employment litigation, representing employees in both individual and class actions
21 in both state and federal courts throughout California.

22 38. Wilshire Law Firm, PLC is qualified to handle this litigation because its attorneys
23 are experienced in litigating Labor Code violations in both individual, class action, and
24 representative action cases. Wilshire Law Firm, PLC has handled, and is currently handling,
25 numerous wage and hour class action lawsuits, as well as class actions involving consumer rights
26 and data privacy litigation.

27 39. I graduated from the University of California, Los Angeles with a Bachelor of Arts
28 in Political Science, *summa cum laude*. I received my Juris Doctor from The George Washington

1 University Law School. During law school, I was a member of the student editorial board for the
2 Federal Circuit Bar Journal.

3 40. My practice is focused on advocating for the rights of consumers and employees in
4 class action litigation. I am currently the managing attorney in charge of litigating several class
5 action cases in state and federal courts in California.

6 41. As the attorney responsible for day-to-day management of this matter at Wilshire
7 Law Firm, PLC, I have over four (4) years of experience litigating wage and hour class actions.
8 Over the past four (4) plus years, I have managed and assisted with the litigation and settlement of
9 numerous wage and hour class actions. In those class actions, I performed similar tasks as those
10 performed in the course of prosecuting this action.

11 42. I was selected as a “Southern California Rising Star” in 2025.

12 43. My current contingent billing rate of \$750 per hour is consistent with the legal
13 market, accepted hourly rates, and my expertise and knowledge as it pertains to wage and hour
14 matters. Below is a non-exhaustive list of the cases where I have been appointed as class counsel

Re: ***Joshua Hollman v. Rack Attack USA Inc.***
Notice of Labor Code Violations and PAGA Penalties

To Whom It May Concern:

Please be advised that my office has been retained by Joshua Hollman ("Plaintiff") to pursue a Labor Code Private Attorneys General Act ("PAGA") representative action (Cal. Lab. Code §§ 2699, *et seq.*) against his former employer, Rack Attack USA Inc. ("Defendant"). The purpose of this letter is to comply with PAGA and set forth the facts and theories of California Labor Code violations which we allege Defendant engaged in with respect to Plaintiff and all of Defendant's Aggrieved Employees.

Plaintiff wishes to pursue this action on behalf of himself as an aggrieved employee, on behalf of the State of California, as well as on behalf of all other persons who worked for Defendant in California as a non-exempt or hourly-paid employee at any time within the applicable statutory period (hereafter, the "Aggrieved Employees").

Plaintiff and the Aggrieved Employees suffered the Labor Code violations described below.

///

Plaintiff's Employment with Defendant

Defendant owns/owned and operates/operated an industry, business, and establishment within the State of California, including Alameda County. As such, and based upon all the facts and circumstances incident to Defendant's business in California, Defendant is subject to the California Labor Code, Wage Orders issued by the Industrial Welfare Commission ("IWC"), and the California Business & Professions Code.

Plaintiff Joshua Hollman is a resident of Alameda County who worked for Defendant in Alameda County, California as an hourly-paid, non-exempt employee from approximately February 2022 to approximately February 2023. During Plaintiff's employment for Defendant, Defendant paid Plaintiff an hourly wage and classified him as non-exempt from overtime. Defendant typically scheduled Plaintiff to work at least five days in a workweek and at least eight hours per day, but Plaintiff regularly worked more than eight hours in a workday and/or more than forty (40) hours in a workweek.

Throughout Plaintiff's employment, Defendant failed to pay for all hours worked (including minimum, straight time, and overtime wages), failed to provide Plaintiff with legally compliant meal periods, failed to authorize and permit Plaintiff to take rest periods, failed to timely pay all final wages to Plaintiff when Defendant terminated his employment, failed to furnish accurate wage statements to Plaintiff, and failed to indemnify Plaintiff for expenditures. As discussed below, Plaintiff's experience working for Defendant was typical and illustrative.

Defendant Failed to Pay for All Hours Worked, Including Minimum, Straight Time, and Overtime Wages

Under California law, an employer must pay for all hours worked by an employee. "Hours worked" is the time during which an employee is subject to the control of an employer, and includes all the time the employee is suffered or permitted to work, whether or not required to do so.

In addition, Labor Code § 510 provides that employees in California shall not be employed more than eight hours in any workday or forty (40) hours in a workweek unless they receive additional compensation beyond their regular wages in amounts specified by law.

Labor Code §§ 1194 and 1198 also provide that employees in California shall not be employed more than eight hours in any workday unless they receive additional compensation beyond their regular wages in amounts specified by law. Additionally, Labor Code § 1198 states that the employment of an employee for longer hours than those fixed by the IWC is unlawful.

Throughout the statutory period, Defendant maintained a policy and practice of not paying Plaintiff and the Aggrieved Employees for all hours worked, including minimum, straight time, and overtime wages. Defendant required Plaintiff and the Aggrieved Employees to work "off-the-clock", uncompensated, by, for example, requiring Plaintiff and the Aggrieved Employees to

perform work after clocking out for the workday. Some of this unpaid work should have been paid at the overtime rate. In failing to pay for all hours worked, Defendant also failed to maintain accurate records of the hours Plaintiff and the Aggrieved Employees worked.

Throughout the statutory period, Defendant used a system of time rounding and/or synthetic timekeeping that resulted, over a period of time, in failing to compensate Plaintiff and the Aggrieved Employees properly for all the time they have actually worked, even though the realities of Defendant's operations are such that it is possible, practical, and feasible to count and pay for work time to the minute. Accordingly, Defendant frequently paid Plaintiff and the Aggrieved Employees less than all their work time. Some of this unpaid work also should have been paid at the overtime rate. In failing to pay for all hours worked, Defendant also failed to maintain accurate records of the hours Plaintiff and the Aggrieved Employees worked.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210, 1197.1, and 2699(f)(2) for failing to pay for all hours worked, including minimum, straight time, and overtime wages.

Failure to Provide Meal Periods

Under California law, employers have an affirmative obligation to relieve employees of all duty in order to take their first 30-minute, duty-free meal periods no later than the start of sixth hour of work in a workday, and to allow employees to take their second 30-minute, duty-free meal period no later than the start of the eleventh hour of work in the workday. Further, employees are entitled to be paid one hour of additional wages for each workday they were not provided with all required meal period(s).

Despite these legal requirements, Defendant wrongfully failed to provide Plaintiff and the Aggrieved Employees with legally compliant meal periods. Defendant regularly, but not always, required Plaintiff and the Aggrieved Employees to work in excess of five consecutive hours a day without providing a 30-minute, uninterrupted, and duty-free meal period for every five hours of work, or without compensating Plaintiff and the Aggrieved Employees for meal periods that were not provided by the end of the fifth hour of work or tenth hour of work. Instead, Defendant continued to assert control over Plaintiff and the Aggrieved Employees by requiring, pressuring, or encouraging them to perform work tasks which could not be completed without working in lieu of taking mandatory meal periods, or by denying Plaintiff and the Aggrieved Employees permission to take a meal period. Defendant also never informed Plaintiff of his right to, nor permitted Plaintiff to take, a second meal period when Plaintiff worked at least ten hours in a workday. Accordingly, Defendant's policy and practice was not to provide meal periods to Plaintiff and the Aggrieved Employees in compliance with California law.

Plaintiff and the Aggrieved Employees are thus entitled to be paid one hour of additional wages for each workday he or she was not provided with all required meal period(s). Defendant, however, regularly failed to pay Plaintiff and the Aggrieved Employees the additional wages to

which they were entitled for meal periods and that were not provided.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210 and 2699(f)(2) for failing to provide meal periods and pay meal period premium wages.

Failure to Authorize and Permit Rest Periods

Employers are required by California law to authorize and permit breaks of ten uninterrupted minutes for each four hours of work or major fraction of four hours (i.e. more than two hours). Thus, for example, if an employee's work time is six hours and ten minutes, the employee is entitled to two rest breaks. Each failure to authorize rest breaks as so required is itself a violation of California's rest break laws.

Throughout the statutory period, Defendant has wrongfully failed to authorize and permit Plaintiff and the Aggrieved Employees to take legally compliant rest periods. Defendant regularly required Plaintiff and the Aggrieved Employees to work in excess of four consecutive hours a day without Defendant authorizing and permitting them to take a 10-minute, uninterrupted, duty-free rest period for every four hours of work (or major fraction of four hours), or without compensating Plaintiff and the Aggrieved Employees for rest periods that were not authorized or permitted. Instead, Defendant continued to assert control over Plaintiff and the Aggrieved Employees by requiring, pressuring, or encouraging them to perform work tasks which could not be completed without working in lieu of taking mandatory rest periods, or by denying Plaintiff and the Aggrieved Employees permission to take a rest period. Accordingly, Defendant's policy and practice was to not authorize and permit Plaintiff and the Aggrieved Employees to take rest periods in compliance with California law.

Plaintiff and the Aggrieved Employees are thus entitled to be paid one hour of additional wages for each workday he or she was not authorized and permitted to take all required rest period(s). Defendant, however, regularly failed to pay Plaintiff and the Aggrieved Employees the additional wages to which they were entitled for rest periods and that they were not authorized and permitted to take.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210 and 2699(f)(2) for failing to authorize and permit rest periods and pay rest period premium wages.

Failure to Pay All Earned Wages Twice Per Month

Based on its failure to pay Plaintiff and the Aggrieved Employees for all wages as discussed above, Defendant also violated Labor Code § 204.

Labor Code § 204 requires employers to pay employees all earned wages two times per month. Throughout the statute of limitations period applicable to this cause of action, employees were

entitled to be paid twice a month at their regular rates, including all meal period premium wages owed, rest period premium wages owed, and wages owed for overtime hours worked. However, during all such times, Defendant systematically failed and refused to pay the employees all wages due, and failed to pay those wages twice a month, in that employees were not paid all wages for all meal periods not provided by Defendant, all wages for all rest periods not authorized and permitted by Defendant, and all wages for all hours worked. As a result, Defendant owes employees the legally required wages for unpaid wages, and Plaintiff and the Aggrieved Employees suffered damages in those amounts.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 210 for failing to pay all earned wages twice per month.

Failure to Maintain Accurate Records of Hours Worked and Meal Periods

Plaintiff seeks penalties under California Labor Code § 1174(d). Pursuant to California Labor Code § 1174.5, any person, including any entity, employing labor who willfully fails to maintain accurate and complete records required by California Labor Code § 1174 is subject to a penalty under § 1174.5. Pursuant to the applicable IWC Order § 7(A)(3), every employer shall keep time records showing when the employee begins and ends each work period. Meal periods and total hours worked daily shall also be recorded.

Defendant, however, failed to maintain accurate records of hours worked and all meal periods taken or missed by Plaintiff and the Aggrieved Employees.

Defendant's failure to provide and maintain records required by the California Labor Code and the applicable IWC Wage Orders deprived Plaintiff and the Aggrieved Employees the ability to know, understand and question the accuracy and frequency of meal periods, and the accuracy of their hours worked stated in Defendant's records. Therefore, Plaintiff and the Aggrieved Employees had no way to dispute the resulting failure to pay wages, all of which resulted in an unjustified economic enrichment to Defendant. As a direct result, Plaintiff and the Aggrieved Employees have suffered and continue to suffer, substantial losses related to the use and enjoyment of such wages, lost interest on such wages and expenses and attorney's fees in seeking to compel Defendant to fully perform its obligation under state law, all to their respective damage in amounts according to proof at trial. As a result of Defendant's knowing failure to comply with the California Labor Code and applicable IWC Wage Orders, Plaintiff and the Aggrieved Employees have also suffered an injury in that they were prevented from knowing, understanding, and disputing the wage payments paid to them.

Failure to Timely Pay All Wages at Termination

Labor Code §§ 201 and 202 provide that if an employer discharges an employee, the wages earned and unpaid at the time of discharge are due and payable immediately, and that if an

employee voluntarily leaves his or her employment, his or her wages shall become due and payable not later than seventy-two (72) hours thereafter, unless the employee has given seventy-two (72) hours previous notice of his or her intention to quit, in which case the employee is entitled to his or her wages at the time of quitting.

Within the applicable statute of limitations, the employment of Plaintiff and many other Aggrieved Employees ended, i.e., was terminated by quitting or being discharged, and the employment of others will be terminated. However, during the relevant time period, Defendant failed, and continues to fail to pay Plaintiff and terminated Aggrieved Employees, without abatement, all wages required to be paid by Labor Code sections 201 and 202 either at the time of discharge, or within seventy-two (72) hours of their leaving Defendant's employment. These unpaid wages include wages for unpaid work time (including minimum, straight time, and overtime wages), missed meal period premium wages, and missed rest period premium wages.

Defendant's conduct violates Labor Code §§ 201 and 202. Labor Code § 203 provides that if an employer willfully fails to pay wages owed, in accordance with sections 201 and 202, then the wages of the employee shall continue as a penalty wage from the due date, and at the same rate until paid or until an action is commenced; but the wages shall not continue for more than thirty (30) days.

Accordingly, Plaintiff and the Aggrieved Employees are entitled to recover from Defendant their additionally accruing wages for each day they were not paid, at their regular hourly rate of pay, up to thirty (30) days maximum pursuant to Labor Code § 203.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 2699(f)(2) for failing to timely pay all wages at termination.

Failure to Furnish Accurate Itemized Wage Statements

Labor Code § 226(a) provides that every employer shall furnish each of his or her employees an accurate itemized wage statement in writing showing nine pieces of information, including: (1) gross wages earned, (2) total hours worked by the employee, (3) the number of piece-rate units earned and any applicable piece rate if the employee is paid on a piece-rate basis, (4) all deductions, provided that all deductions made on written orders of the employee may be aggregated and shown as one item, (5) net wages earned, (6) the inclusive dates of the period for which the employee is paid, (7) the name of the employee and the last four digits of his or her social security number or an employee identification number other than a social security number, (8) the name and address of the legal entity that is the employer, and (9) all applicable hourly rates in effect during the pay period and the corresponding number of hours worked at each hourly rate by the employee. An employee is presumed to suffer an injury if this information is missing. (Lab. Code § 226(e)(2)(B)(iii).)

The statute further provides: "An employee suffering injury as a result of a knowing and

intentional failure by an employer to comply with subdivision (a) is entitled to recover the greater of all actual damages or fifty dollars (\$50) for the initial pay period in which a violation occurs and one hundred dollars (\$100) per employee for each violation in a subsequent pay period, not to exceed an aggregate penalty of four thousand dollars (\$4,000), and is entitled to an award of costs and reasonable attorney's fees." (Lab. Code § 226(e)(1).)

Throughout the statutory period, Defendant failed to furnish Plaintiff and the Aggrieved Employees with accurate, itemized wage statements showing all applicable hourly rates, and all gross and net wages earned (including correct hours worked, correct wages for meal periods that were not provided in accordance with California law, and correct wages for rest periods that were not authorized and permitted to take in accordance with California law).

Because Defendant violated Labor Code § 226, Plaintiff and similarly Aggrieved Employees suffered injury and damage to their statutorily protected rights. Accordingly, Plaintiff and similarly Aggrieved Employees are entitled to recover from Defendant the greater of their actual damages caused by Defendant's failure to comply with Labor Code § 226(a), or an aggregate penalty not exceeding four thousand dollars (\$4,000) per employee.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 226.3 for failing to furnish accurate itemized wage statements.

Failure to Indemnify for Necessary Expenditures

Labor Code § 2802(a) provides that employers shall indemnify his or her employees for all necessary business expenditures or losses that have been incurred by the employees in direct discharge of his or her duties. Throughout the statute of limitations period applicable to this cause of action, Defendant wrongfully required Plaintiff and the Aggrieved Employees to pay expenses that they incurred in direct discharge of their duties for Defendant. Plaintiff and the Aggrieved Employees regularly paid out-of-pocket for necessary employment-related expenses, including, without limitation, for use of personal cell phones and vehicles. Plaintiff and the Aggrieved Employees incurred substantial expenses as a direct result of performing their job duties for Defendant, but Defendant failed to indemnify Plaintiff and the Aggrieved Employees for these employment-related expenses.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 2802 and 2699(f)(2) for failing to indemnify Plaintiff and the Aggrieved Employees for necessary business expenditures.

Action for Civil Penalties Under PAGA

In light of the above, Plaintiff alleges that Defendant violated the following provisions of the Labor Code with respect to the Aggrieved Employees:

1. Labor Code § 204, 510, 1194, 1197, and 1198 by failing to pay for all hours worked,

including minimum wages, straight time wages, and overtime wages;

2. Labor Code § 226.7 and applicable Wage Orders by failing to provide meal periods;
3. Labor Code § 226.7 and applicable Wage Orders by failing to authorize and permit rest periods;
4. Labor Code § 204 by failing to pay all earned wages two times per month;
5. California Labor Code § 1174.5 and applicable Wage Orders by failing to maintain accurate records of hours worked and meal periods taken or missed;
6. Labor Code §§ 201 to 203 by willfully failing to pay all wages owed at termination;
7. Labor Code § 226 by failing to provide accurate itemized wage statements; and
8. Labor Code § 2802 by failing to indemnify for necessary expenditures.

Therefore, on behalf of all Aggrieved Employees, Plaintiff seeks applicable penalties related to the violations alleged above pursuant to the PAGA. These include, but are not limited to, penalties under Labor Code §§ 210, 226.3, 1174.5, 1197.1, and 2699(f)(2).

Plaintiff has placed Defendant on notice by mailing a certified copy of this correspondence, as indicated on the first page. Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact me.

Code §§ 204, 1194, 1194.2, and 1197), failure to pay overtime wages (Cal. Lab. Code §§ 1194 and 1198), failure to provide meal periods (Cal. Lab. §§ 226.7, 512), failure to authorize and permit rest periods (Cal. Lab. Code §§ 226.7), failure to timely pay final wages at termination (Cal. Lab. Code §§ 201-203), failure to provide accurate itemized wage statements (Cal. Lab. Code § 226), failure to indemnify employees for expenditures (Cal. Lab. Code § 2802), and violation of California Business & Professions Code §§ 17200, *et seq.* Plaintiff intends on amending the Complaint to add a cause of action for civil penalties under the PAGA. The amended complaint will be the operative complaint in the Action (the “Operative Complaint”). Defendant denies the allegations in the Operative Complaint, denies any failure to comply with the laws identified in the Operative Complaint and denies any and all liability for the causes of action alleged.

2.2. Pursuant to Labor Code section 2699.3, subd. (a), Plaintiff gave timely written notice to Defendant and the LWDA by sending the PAGA Notice.

2.3. On December 7, 2023, the Parties participated in an all-day mediation presided over

by Jonathan D. Andrews, Esq., which led to this Agreement to settle the Action.

FootLocker Retail, Inc.* (2008) 168 Cal.App.4th 116, 129-130 ("*Dunk/Kullar*").

3. MONETARY TERMS.

3.1. Gross Settlement Amount. Except as otherwise provided by Paragraphs 8 and 9 below, Defendant promises to pay \$275,000.00 and no more as the Gross Settlement Amount and to separately pay any and all employer payroll taxes owed on the Wage Portions of the Individual Class Payments. Defendant has no obligation to pay the Gross Settlement Amount (or any payroll taxes) prior to the deadlines stated in Paragraph 4.3 of this Agreement. The Administrator will disburse the entire Gross Settlement Amount without asking or requiring Participating Class Members or Aggrieved Employees to submit any claim as a condition of payment. None of the Gross Settlement Amount will revert to Defendant.

3.2. Payments from the Gross Settlement Amount. The Administrator will make and deduct the following payments from the Gross Settlement Amount, in the amounts specified by the Court in the Final Approval:

3.2.1. To Plaintiff: Class Representative Service Payment to the Class Representative of not more than \$10,000.00 (in addition to any Individual Class Payment and any Individual PAGA Payment the Class Representative is entitled to receive as a Participating Class Member). Defendant will not oppose Plaintiff's request for a Class Representative Service Payment that does not exceed this amount. As part of the motion for Class Counsel Fees Payment and Class Litigation Expenses Payment, Plaintiff will seek Court approval for any Class Representative Service Payments no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Representative Service Payment less than the amount requested, the Administrator will retain the remainder in the Net Settlement Amount. The Administrator will pay the Class Representative Service Payment using IRS Form 1099. Plaintiff assumes full responsibility and liability for employee taxes owed on the Class Representative Service Payment.

3.2.2. To Class Counsel: A Class Counsel Fees Payment of not more than one third (1/3) of the Gross Settlement Amount, currently estimated to be \$91,666.67, and a Class Counsel Litigation Expenses Payment of not more than \$25,000.00. Defendant will not oppose requests for these payments provided that do not exceed these amounts. Plaintiff and/or Class Counsel will file a motion for Class Counsel Fees Payment and Class Litigation Expenses Payment

no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the Net Settlement Amount. Released Parties shall have no liability to Class Counsel or any other Plaintiff's Counsel arising from any claim to any portion any Class Counsel Fee Payment and/or Class Counsel Litigation Expenses Payment. The Administrator will pay the Class Counsel Fees Payment and Class Counsel Expenses Payment using one or more IRS1099 Forms. Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fees Payment and the Class Counsel Litigation Expenses Payment and holds Defendant harmless, and indemnifies Defendant, from any dispute or controversy regarding any division or sharing of any of these Payments.

3.2.3. To the Administrator: An Administrator Expenses Payment not to exceed \$7,500.00 except for a showing of good cause and as approved by the Court. To the extent the Administration Expenses are less or the Court approves payment less than \$7,500.00, the Administrator will retain the remainder in the Net Settlement Amount.

3.2.4. To Each Participating Class Member: An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks.

3.2.4.1. Tax Allocation of Individual Class Payments. 30% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. The remaining 70% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for interest and penalties (the Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment.

3.2.4.2. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.

3.2.5. To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of \$10,000.00 to be paid from the Gross Settlement Amount, with 75% (\$7,500.00) allocated to the LWDA PAGA Payment and 25% (\$2,500.00) allocated to the Individual PAGA Payments.

3.2.5.1. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$2,500.00) by the total number of PAGA Period Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Period Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.

3.2.5.2. If the Court approves PAGA Penalties of less than the amount

requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS1099 Forms.

4. SETTLEMENT FUNDING AND PAYMENTS.

4.1. Class Workweeks and Aggrieved Employee Pay Periods. Based on a review of its records to date, Defendant estimates there are 63 Class Members who collectively worked a total of 3,673 Workweeks, and 42 Aggrieved Employees who worked a total of 794 PAGA Pay Periods.

4.2. Class Data. Not later than 21 days after the Court grants Preliminary Approval of the Settlement, Defendant will simultaneously deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

4.3. Funding of Gross Settlement Amount. Defendant shall fully fund the Gross Settlement Amount, and also fund the amounts necessary to fully pay Defendant's share of payroll taxes by making two payments. In the first payment, Defendant shall transmit 50% of the Gross Settlement Amount to the Administrator no later than 7 days after the Effective Date. In the second payment, Defendant shall transmit the remaining 50% of the Gross Settlement Amount and all funds necessary to fully pay Defendant's share of payroll taxes no later than 21 days after the Effective Date.

4.4. Payments from the Gross Settlement Amount. Within 14 days after Defendant fully funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment. Disbursement of the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment and the Class Representative Service Payment shall not precede disbursement of Individual Class Payments and Individual PAGA Payments.

4.4.1. The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the date (not less than 120 days after the date of mailing) when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Settlement Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment.

Before mailing any checks, the Settlement Administrator must update the recipients' mailing addresses using the National Change of Address Database.

4.4.2 The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.

4.4.3 For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to a Court-approved nonprofit organization or foundation consistent with Code of Civil Procedure section 384, subdivision (b) ("Cy Pres Recipient") University of California College of the Law, San Francisco Workers' Rights Clinic. The Parties, Class Counsel, and Defense Counsel represent that they have no interest or relationship, financial or otherwise, with the intended Cy Pres Recipient.

4.4.4 The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendant to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

5. RELEASES OF CLAIMS. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiff, Class Members, and Class Counsel will release claims against all Released Parties as follows:

5.1 Plaintiff's Release. Plaintiff and his respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns generally fully, finally, and forever release and discharge Released Parties from all claims arising from Plaintiff's employment with Defendant, separation of employment from Defendant, and any facts that were, or reasonably could have been, alleged in the Operative Complaint, as well as any legal action or proceeding against Defendant, whether known or unknown, arising under any federal, state, or local law, or statute, including, *inter alia*, those arising under the California Labor Code (including, but not limited to, Sections 201, 202, 203, 204, 210, 226, 226.7, 510, 512, 512.1, 551, 552, 558, 1174(d), 1194, 1194.2, 1197, 1197.1, 1198, 2800 and 2802), the California Industrial Welfare Commission Wage Orders, the Fair Labor Standards Act, Americans with Disabilities Act, Title VII of the Civil Rights Act of 1964, Employee Retirement Income Security Act, National Labor Relations Act, California Corporations Code, California Business and Professions Code, California Fair Employment and Housing Act, California Constitution (all as amended), and law of contract or tort, as well as for discrimination, harassment, retaliation, wrongful termination, lost wages, benefits, other employment compensation, emotional distress, medical expenses, and all damages, interest, penalties, attorneys' fees, costs, and other amounts recoverable under said causes of action under California law, to the extent permissible under the law ("Plaintiff's Release"). In their Declarations,

Defense Counsel and Defendant shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.

The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.

7.4.3 Not later than five (5) business days after the Administrator’s receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.

7.4.5 If the Administrator, Defendant or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as Class Members. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. The Administrator's decision shall be final and not appealable or otherwise susceptible to challenge.

7.8.5 Administrator's Declaration. Not later than 14 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator's declaration(s) in Court.

7.8.6 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

8. ESCALATOR CLAUSE. Based on its records, Defendant estimates that there are 3,673 Total Workweeks during the Class Period. In the event the Total Workweeks worked by Class Members increases by more than 10%, then the Gross Settlement Amount shall be increased proportionally by any amount over 10%. For example, if the number of Total Workweeks is 12% more than the estimated 3,673, then the Gross Settlement Amount will increase by 2% (2% over the 10% threshold).

9. DEFENDANT'S RIGHT TO WITHDRAW. If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 9% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Settlement Administration Expenses incurred to that point. Defendant must notify Class Counsel and the Court of its election to withdraw not later than seven days after the Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect.

10. MOTION FOR FINAL APPROVAL. Not later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement

that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (l), a Proposed Final Approval Order and a proposed Judgment (collectively “Motion for Final Approval”). Plaintiff shall provide drafts of these documents to Defense Counsel not later than seven days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

10.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.

10.2 Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court’s concerns by revising the Agreement as necessary to obtain Final Approval. The Court’s decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

10.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.

10.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment reflected set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties’ obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.

10.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court’s concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court’s award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a

material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

11. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

12. ADDITIONAL PROVISIONS.

12.1 No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval or enter Judgment, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

12.2 Confidentiality Before and After Preliminary Approval.

12.2.1. Confidentiality Before Preliminary Approval. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree that, until this settlement is preliminarily approved by the Court, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the settlement is preliminarily approved by the Court, with any third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

12.2.2. Confidentiality Following Preliminary Approval. Following preliminary approval of the Settlement, the Class Representative and Class Counsel will not have any communications with any media other than to direct any media inquiries to the public records of the Action on file with the Court. Class Counsel will take all steps necessary to ensure Plaintiffs are aware of, and will encourage them to adhere to, the restriction against any media comment on the

Settlement and its terms. Class Counsel further agree not to publish any press release or advertise the Settlement by any means including via media, website, Internet, or print. This term does not preclude Class Counsel from listing, in neutral language after Preliminary Approval, the settlement and decisions related to the settlement, when listing cases and decisions on which the firm has worked, but Class Counsel agrees not to list the case on its website. Following preliminary approval, Plaintiff and Class Counsel may communicate with Class Members about this settlement and lawsuit, as well as provide any further information as requested by any courts, the LWDA, and other state and/or federal agencies.

12.2.3. The Parties agree that violation of this Section (Section 12.2) constitutes a breach of the agreement that cannot practically be cured. Any action to enforce this provision may be brought on an ex parte or otherwise expedited basis, and Defendant may seek any and all available remedies, including, but not limited to, injunctive relief.

12.3 No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

12.4 Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.

12.5 Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.

12.6 Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.

12.7 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.

12.8 No Tax Advice. Neither Plaintiff, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied

upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.

12.9 Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.

12.10 Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.

12.11 Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.

12.12 Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.

12.13 Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.

12.14 Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall destroy, all paper and electronic versions of Class Data received from Defendant unless, prior to the Court's discharge of the Administrator's obligation, Defendant makes a written request to Class Counsel for the return, rather than the destructions, of Class Data.

12.15 Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.

12.16 Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.

12.17 Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR FINAL COURT APPROVAL

Joshua Hollman v. Rack Attack USA Inc., Case No. 23CV034585

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

You may be eligible to receive money from an employee class action lawsuit (“Action”) against Rack Attack USA Inc. (“Defendant” is used herein as a placeholder) for alleged wage and hour violations. The Action was filed by a former Defendant employee Joshua Hollman (“Plaintiff”) and seeks payment of (1) back wages and other relief for a class of hourly employees (“Class Members”) who worked for Defendant during the Class Period (May 30, 2019, to December 14, 2023); and (2) penalties under the California Private Attorneys General Act (“PAGA”) for all hourly employees who worked for Defendant during the PAGA Period (June 21, 2022, to December 14, 2023) (“Aggrieved Employees”).

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendant to fund Individual Class Payments, and (2) a PAGA Settlement requiring Defendant to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency (“LWDA”).

Based on Defendant’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be \$ _____ (less withholding) and your Individual PAGA Payment is estimated to be \$ _____**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant’s records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work during the PAGA Period.)

The above estimates are based on Defendant’s records showing that **you worked _____ workweeks** during the Class Period and **you worked _____ workweeks** during the PAGA Period. If you believe that you worked more workweeks during either period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff’s attorneys (“Class Counsel”). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don’t have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment.

As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Defendant.

- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Defendant, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice.
The Opt-out Deadline is _____	You cannot opt-out of the PAGA portion of the proposed Settlement. Defendant must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released Claims (defined below).
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 7 of this Notice.
Written Objections Must be Submitted by _____.	

You Can Participate in the _____ Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on _____. You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by _____	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number Class Period Workweeks and number of PAGA Period PayPeriods you worked according to Defendant's records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by _____. See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former employee of Defendant. The Action accuses Defendant of violating California labor laws by failing to pay overtime wages, minimum wages, wages due upon termination and reimbursable expenses and failing to provide meal periods, rest breaks and accurate itemized wage statements. Based on the same claims, Plaintiff has also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, et seq.) ("PAGA"). Plaintiff is represented by attorneys in the Action: Justin F. Marquez and Arrash T. Fattahi of Wilshire Law Firm PLC. ("Class Counsel.")

Defendant strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Defendant or Plaintiff is correct on the merits. In the meantime, Plaintiff and Defendant hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement ("Agreement") and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Defendant have negotiated a proposed Settlement that is subject to the Court's Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court

preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Defendant Will Pay \$275,000.00 as the Gross Settlement Amount (Gross Settlement). Defendant has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel's attorney's fees and expenses, the Administrator's expenses, and penalties to be paid to the California Labor and Workforce Development Agency ("LWDA"). Assuming the Court grants Final Approval, Defendant will fund 50% of the Gross Settlement Amount not more than 7 days after the Judgment entered by the Court becomes final and the remaining 50% not more than 21 days after the Judgment entered by the Court becomes final. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.

2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:

A. Up to \$91,666.67 (1/3 of the Gross Settlement) to Class Counsel for attorneys' fees and up to \$25,000.00 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.

B. Up to \$10,000.00 as a Class Representative Award for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiff will receive other than Plaintiff's Individual Class Payment and any Individual PAGA Payment.

C. Up to \$15,000.00 to the Administrator for services administering the Settlement.

D. Up to \$10,000.00 for PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the Aggrieved Employees based on their PAGA Period Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the "Net Settlement") by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.

4. Taxes Owed on Payments to Class Members. Plaintiff and Defendant are asking the Court to approve an allocation of 30% of each Individual Class Payment to taxable wages ("Wage

Portion”) and 70% to interest and penalties (“Non-Wage Portion.”). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Defendant will separately pay employer payroll taxes it owes on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiff and Defendant have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don’t cash it by the void date, your check will be automatically cancelled, and the monies will irrevocably be lost to you because they will be paid to a non-profit organization or foundation (“Cy Pres”).

6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than _____, that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the _____ Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her representative setting forth a Class Member’s name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Defendant.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Defendant based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiffs and Defendant have agreed that, in either case, the Settlement will be void: Defendant will not pay any money and Class Members will not release any claims against Defendant.

8. Administrator. The Court has appointed a neutral company, Apex Class Action Administration (the “Administrator”) to send this Notice, calculate and make payments, and process Class Members’ Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator’s contact information is contained in Section 9 of this Notice.

9. Participating Class Members' Release. After the Judgment is final and Defendant has fully funded the Gross Settlement and separately paid all employer payroll taxes, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant or related entities for wages based on the Class Period facts and PAGA penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

The Participating Class Members will be bound by the following release:

All Participating Class Members release the Released Parties from all claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in the Operative Complaint, including any and all claims involving any alleged failure to pay minimum, straight time, or overtime wages; failure to provide meal and rest periods; failure to provide accurate wage statements; failure to pay all wages due upon separation of employment; and failure to reimburse business expenses, and unfair business practices – not including any claims asserted under PAGA. Participating Class Members do not release claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

10. Aggrieved Employees' PAGA Release. After the Court's judgment is final, and Defendant has paid the Gross Settlement (and separately paid the employer-side payroll taxes), all Aggrieved Employees will be barred from asserting PAGA claims against Defendant, whether or not they exclude themselves from the Settlement. This means that all Aggrieved Employees, including those who are Participating Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue, or participate in any other PAGA claim against Defendant or its related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

The Aggrieved Employees' Releases for Participating and Non-Participating Class Members are as follows:

Plaintiff as a proxy or agent of the LWDA, releases the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the PAGA Notice, including any and all claims involving any alleged failure to pay minimum, straight time, and overtime wages; failure to provide meal and rest periods; failure to maintain accurate records of hours worked and meal periods; failure to provide accurate wage statements; failure to timely pay wages during employment; failure to timely pay all wages due upon separation of employment; and failure to reimburse business expenses.

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.

2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing \$2,500.00 by the total number of PAGA Pay Periods worked by all Aggrieved Employees and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual Aggrieved Employee.

3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Defendant's records, are stated in the first page of this Notice. You have until _____ to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Defendant's calculation of Workweeks and/or Pay Periods based on Defendant's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Defendant's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

5. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.

2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

6. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

Submit a written and signed letter with your name, present address, telephone number, and a simple statement that you do not want to participate in the Settlement. The Administrator will exclude you based on any writing communicating your request be excluded. Be sure to personally sign your request, identify the Action as *Joshua Hollman v. Rack Attack USA, Inc.*, Case No. 23CV034585, and include your identifying information (full name, address, telephone number, approximate dates of employment, and social security number for verification purposes). You must make the request yourself. If someone else makes the request for you, it will not be valid. **The Administrator must be sent your request to be excluded by _____, or it will be invalid.** Section 9 of the Notice has the Administrator's contact information.

7. HOW DO I OBJECT TO THE SETTLEMENT?

Only Participating Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiff and Defendant are asking the Court to approve. At least 16 days before the _____ Final Approval Hearing, Class Counsel and/or Plaintiff will file in Court (1) a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, and (2) a Motion for Fees, Litigation Expenses and Service Award stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiff is requesting as a Class Representative Service Award. Upon reasonable request, Class Counsel (whose contact information is in Section 9 of this Notice) will send you copies of these documents at no cost to you. You can also view them on the Administrator's Website _____ (url) or the Court's website _____ (url).

A Participating Class Member who disagrees with any aspect of the Agreement, the Motion for Final Approval and/or Motion for Fees, Litigation Expenses and Service Award may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested by Class Counsel or Plaintiff are too high or too low. **The deadline for sending written objections to the Administrator is _____.** Be sure to tell the Administrator what you object to, why you object, and any facts that support your objection. Make sure you identify the Action *Joshua Hollman v. Rack Attack USA Inc.*, Case No. 23CV034585, and include your name, current address, telephone number, and approximate dates of employment for Defendant and sign the objection. Section 9 of this Notice has the Administrator's contact information.

Alternatively, a Participating Class Member can object (or personally retain a lawyer to object at your own cost) by attending the Final Approval Hearing. You (or your attorney) should be ready to tell the Court what you object to, why you object, and any facts that support your objection. See Section 8 of this Notice (immediately below) for specifics regarding the Final Approval Hearing.

8. CAN I ATTEND THE FINAL APPROVAL HEARING?

You can, but don't have to, attend the Final Approval Hearing on _____ at _____ (time) in Department 21 of the Alameda Superior Court, located at the René C. Davidson Courthouse, 1225 Fallon Street, Oakland, California 94612. The Court will invite comment from objectors, Class Counsel and Defense Counsel before making a decision. You can attend (or hire a lawyer to attend) either personally or virtually via Zoom. Check the Court's website for the most current information.

It's possible the Court will reschedule the Final Approval Hearing. You should check the Administrator's website _____ beforehand or contact Class Counsel to verify the date and time of the Final Approval Hearing.

Terms & Conditions

The following Terms and Conditions govern the provision of all services to be provided by Apex Class Action and its affiliates ("Apex") to the Client. These terms and conditions are binding and shall apply to all services provided by Apex in relation to any related services or products.

1. **Services:** Apex commits to providing the Client with the administrative services detailed in the attached Proposal (the "Services").
2. **Payment Terms:** As compensation for the legal services to be provided, the Client agrees to pay Apex all fees detailed in the Proposal. The fees quoted in the Proposal (and any subsequent proposals for additional services) are estimates based on the information provided to Apex by the Client. Apex makes no representation that the estimated fees in the Proposal or any subsequent proposals for additional services shall equal the actual fees charged by Apex to the Client, which fees (including individual line items) may be greater or less than estimated. If additional services are requested on an hourly basis and are not specifically detailed in the Proposal, Apex will prepare estimates for such services subject to approval by the Client. In the performance of such additional services, Apex will charge standard hourly fees which shall apply.
3. **Incurred Expenses:** In relation to the provision of services outlined in this agreement, the Client agrees to reimburse Apex for all reasonable out-of-pocket expenses incurred. Such expenses may include, but are not limited to, costs associated with postage, media production or publication, banking fees, brokerage fees, messenger and delivery service expenses, travel expenses, filing fees, office supplies, meals, staff overtime expenses, and other related costs and expenses. If not otherwise specified in writing, fees for print notice and certain expenses, such as media publication and postage, must be paid immediately upon invoicing and, in certain cases, at least ten (10) days prior to the date on which such expenses will be incurred.
4. **Invoicing:** Apex shall present invoices for its fees and expenses on a monthly basis, except as provided in Section 3. The Client agrees to pay each invoice within 30 days of receipt. In case of non-payment within 90 days of the billing date, an additional service charge of 1.5% per month may apply. Apex reserves the right to increase its prices, charges, and rates annually, subject to reasonable adjustments. If any price increases exceed 10%, Apex shall give thirty (30) days' notice to the Client. In the event of any unpaid invoices beyond 120 days of the due date, Apex reserves the right to withhold services and reports until payment is received, subject to notice to the Client. It is important to note that Apex's failure to provide services and reports in such instances shall not constitute a default under this agreement.
5. **Case Duration:** The duration of these Terms and Conditions, except for the data storage obligations stated in Section 13, shall be in effect until 30 days following the completion of the Services as described in the Proposal. The parties may extend these Terms and Conditions in writing for a mutually agreed-upon period beyond this initial 30-day period.
6. **Termination of Services:** Either party may terminate the Services by providing thirty (30) days written notice to the other party. Alternatively, termination may occur immediately upon written notice for Cause, as defined below. Cause means (i) Apex's gross negligence or willful misconduct that causes serious and material harm to the Client; (ii) the Client's failure to pay Apex invoices for more than one hundred twenty (120) days from the date of the invoice; or (iii) the accrual of invoices or unpaid services where Apex reasonably believes it will not be paid. Termination of the Services shall not relieve the Client of its obligation to pay Apex for services rendered prior to the termination.
7. **Independent Contractor:** As an independent contractor, Apex will provide services under the terms of this agreement. It is agreed that neither Apex nor any of its employees will be considered an employee of the Client. Consequently, Apex and its employees will not be eligible for any benefits provided by the Client to its employees. The Client will not make any tax deductions from the payments due to Apex for state or federal tax purposes. Apex will be solely responsible for paying all taxes and other payments due on payments received from the Client under this agreement.
8. **Apex warrants** that the Services outlined in the Proposal will be performed in accordance with the standards generally adhered to by professionals providing similar services. It is acknowledged that the Services may entail the likelihood of some human and machine errors, omissions, delays, and losses that may result in damage. However, Apex shall not be held liable for such errors, omissions, delays, or losses unless they are caused by its gross negligence or willful misconduct. In the event of any breach of this warranty by Apex, the Client's sole remedy will be limited to Apex's rerunning, at its expense, any inaccurate output provided that such inaccuracies occurred solely as a result of Apex's gross negligence or willful misconduct under this agreement.
9. **Limitation of Liability:** The Client acknowledges that Apex shall not be held liable for any consequential, special, or incidental damages incurred by the Client in relation to the performance of Services, whether the claim is based on breach of warranty, contract, tort (including negligence), strict liability, or any other grounds. Under no circumstances shall Apex's liability to the Client, for any Losses (including court costs and reasonable attorney's fees), arising out of or in connection with these Terms and Conditions, exceed the total amount charged or chargeable to the Client for the specific service(s) that caused the Losses.
10. **Indemnification:** The Client agrees to indemnify and hold harmless Apex from any losses, suits, actions, judgments, fines, costs, liabilities, or claims arising from any action or proceeding relating to the Services provided by Apex, regardless of whether or not it results in liability (collectively referred to as "Indemnified Claims"). However, this indemnification provision shall not apply to the extent that such Indemnified Claims are caused by Apex's willful misconduct, gross negligence, or breach of these Terms and Conditions. This provision shall survive termination of the Services.

11. **Confidentiality:** Apex will uphold strict confidentiality between Apex and the Client and applies to all non-public records, documents, systems, procedures, processes, software, and other information received by either party in connection with the performance of services under these terms. Both Apex and the Client agree to keep confidential all such non-public information, including any material marked or identified as confidential or proprietary. Any such confidential information shall not be disclosed, provided, disseminated, or otherwise made available to any third party, except as required to fulfill the parties' obligations under these terms. The parties acknowledge that in the event of any request to disclose any confidential information in connection with a legal or administrative proceeding, or otherwise to comply with a legal requirement, prompt notice of such request must be given to the other party to enable that party to seek an appropriate protective order or other remedy or to waive compliance with the relevant provisions of these terms. If the Client seeks a protective order or another remedy, Apex, at the Client's expense, will cooperate with and assist the Client in such efforts. If the Client fails to obtain a protective order or waives compliance with the relevant provisions of these terms, Apex will disclose only that portion of the confidential information that it determines it is required to disclose. This confidentiality provision shall survive termination of the services provided. Both parties acknowledge and agree that any breach of this terms may cause irreparable harm to the non-breaching party and that injunctive relief may be necessary to prevent any actual or threatened breach. The terms set forth between the parties supersede all prior negotiations, understandings, and agreements between the parties concerning confidentiality. These terms may only be amended in writing and signed by both parties.
12. **Ownership of the programs, system data, and materials provided by Apex to the Client** during the course of providing services herein shall solely belong to Apex. It is acknowledged that fees and expenses paid by the Client do not confer any rights in such property. It is also understood that the said property is made available to the Client solely for the purpose of using it during and in connection with the services provided by Apex.
13. **Upon the completion of the administration and unless retention instructions are ordered by the court, Apex will notify the client that it will destroy and/or return all confidential information and property within 90 days upon the client's written request.** Alternatively, the material may be stored for one year at a monthly fee of \$1.50 per storage box for paper documents and \$0.01 per image for electronic copies over a period of three years, which compensates Apex for its electronic and hard-copy storage costs. Apex will not be liable for any damages, liability, or expenses incurred in connection with any delay in delivery of, or damage to disks, magnetic tapes, or any input data provided by the client or its representatives unless Apex has agreed in writing to assume such responsibility.
14. **COMPLETE AGREEMENT.** These Terms and Conditions, along with the attached Proposal, represent the complete agreement and understanding between the parties and override any prior agreements (whether written or oral) between Apex and the Client regarding the subject matter. Any modification to these Terms and Conditions may only be made in writing and must be signed by both Apex and the Client. The headings in this document are included for convenience only and do not alter or restrict any provisions in these Terms and Conditions. They may not be used in the interpretation of these Terms and Conditions.
15. **This provision outlines the requirements for providing notice or other communication under this agreement.** All such communications must be in writing and can be delivered either by personal delivery or through U.S. Mail with prepaid postage or overnight courier. Once delivered personally or sent through the mail, the notice will be considered given after five (5) days from the deposit date in the U.S. Mail. Alternatively, if sent through an overnight courier, the notice will be considered given one business day after delivery to the such courier. It's important to note that the notice must be provided to a responsible officer or principal of the Client or Apex, depending on the case.
16. **Force Majeure:** In the event of any failure or delay in performance due to circumstances beyond Apex's control, including but not limited to strikes, lockouts, fires, floods, acts of God or public enemy, riots, civil disorders, insurrections, war or war conditions, or interference by civil or military authorities, Apex shall not be held liable for any resulting loss or damage. The time for performance under this agreement shall be extended for a period equal to the duration of the disabling cause and a reasonable time thereafter. This provision shall constitute a force majeure clause and shall be construed accordingly.
17. **The applicable state and federal laws shall govern the interpretation and enforcement of these Terms and Conditions.** No choice of law or conflict of laws provisions shall affect this governing law provision.
18. **Severability:** This applies to all clauses and covenants contained within these Terms and Conditions. In the event that any clause or covenant is deemed invalid, illegal, or unenforceable, the remaining provisions shall remain valid and enforceable to the fullest extent permissible by law. The validity, legality, and enforceability of the remaining provisions shall in no way be affected or impaired by the invalidity, illegality, or unenforceability of any provision deemed so.
19. **Nonwaiver:** This applies to these Terms and Conditions. This means that any failure by one party to enforce a provision of these terms on one or more occasions shall not be construed as a waiver of that provision. In other words, any failure to enforce a provision does not give up the right to enforce it in the future. All provisions of these Terms and Conditions remain in full force and effect, regardless of any prior failure to enforce them.

Report Use Considerations

2022 Real Rate Report

- Examines law firm rates over time
- Identifies rates by location, experience, firm size, areas of expertise, industry, and timekeeper role (i.e., partner, associate, and paralegal)
- Itemizes variables that drive rates up or down

All the analyses included in the report derive from the actual rates charged by law firm professionals as recorded on invoices submitted and approved for payment.

Examining real, approved rate information, along with the ranges of those rates and their changes over time, highlights the role these variables play in driving aggregate legal cost and income. The analyses can energize questions for both corporate clients and law firm principals.

Clients might ask whether they are paying the right amount for different types of legal services, while law firm principals might ask whether they are charging the right amount for legal services and whether to modify their pricing approach.

Some key factors¹ that drive rates²:

Attorney location - Lawyers in urban and major metropolitan areas tend to charge more when compared with lawyers in rural areas or small towns.

Litigation complexity - The cost of representation will be higher if the case is particularly complex or time-consuming; for example, if there are a large number of documents to review, many witnesses to depose, and numerous procedural steps, the case is likely to cost more (regardless of other factors like the lawyer's level of experience).

Years of experience and reputation - A more experienced, higher-profile lawyer is often going to charge more, but absorbing this higher cost at the outset may make more sense than hiring a less expensive lawyer who will likely take time and billable hours to come up to speed on unfamiliar legal and procedural issues.

Overhead - The costs associated with the firm's support network (paralegals, clerks, and assistants), document preparation, consultants, research, and other expenses.

Firm size - The rates can increase if the firm is large and has various timekeeper roles at the firm. For example, the cost to work with an associate or partner at a larger firm will be higher compared to a firm that has one to two associates and a paralegal.

The background is a dark blue, abstract digital space. It features a perspective grid of lines that recede into the distance. Scattered throughout this space are numerous rectangular cards or screens, each tilted at different angles. These cards display various types of data visualizations, including bar charts, line graphs, human silhouettes with internal data points, and code snippets. The overall aesthetic is futuristic and data-driven.

The background is a dark blue, abstract digital space. It features a grid of glowing white lines that create a sense of depth and connectivity. Scattered throughout this space are numerous rectangular cards or screens, each displaying different types of data visualizations. Some cards show human silhouettes with internal anatomical or structural diagrams, others display bar charts, line graphs, or complex network diagrams. The cards appear to be floating and slightly tilted, giving the impression of a dynamic, interconnected data environment.

Invoice Information

Data in Wolters Kluwer ELM Solutions' reference database and the 2022 Real Rate Report were taken from invoice line-item entries contained in invoices received and approved by participating companies.

Invoice data were received in the Legal Electronic Data Exchange Standard (LEDES) format (LEDES.org). The following information was extracted from those invoices and their line items:

- Law firm (which exists as a random number in the ELM Solutions reference database)
- Timekeeper ID (which exists as a random number in the ELM Solutions reference database)
- Matter ID (which exists as a random number in the ELM Solutions reference database)
- Timekeeper's position (role) within the law firm (partner, associate, paralegal, etc.)
- Uniform Task-Based Management System Code Set, Task Codes, and Activity Codes (UTBMS.com)
- Date of service
- Hours billed
- Hourly rate billed
- Fees billed

Non-Invoice Information

To capture practice area details, the matter ID within each invoice was associated with matter profiles containing areas of work in the systems of each company. The areas of work were then systematically categorized into legal practice areas. Normalization of practice areas was done based on company mappings to system-level practice areas available in the ELM Solutions system and by naming convention.

The majority of analyses included in this report have been mapped to one of 11 practice areas, further divided into sub-areas and litigation/non-litigation (for more information on practice areas and sub-areas, please refer to pages 232-234).

To capture location and jurisdiction details, law firms and timekeepers were systematically mapped to the existing profiles within ELM Solutions systems, as well as with publicly available data sources for further validation and normalization. Where city location information is provided, it includes any address within that city's defined Core-Based Statistical Area (CBSA) as defined by the Office of Management and Budget (OMB). The CBSAs are urban centers with populations of 10,000 or more and include all adjacent counties that are economically integrated with that urban center.

Where the analyses focus on partners, associates, and paralegals, the underlying data occasionally included some sub-roles, such as "senior partner" or "junior associate." In such instances, those timekeeper sub-roles were placed within the broader partner, associate, and paralegal segments.

Demographics regarding law firm size, location, and lawyer years of experience were augmented by incorporating publicly available information.

Big Law Rates Topping \$2,000 Leave Value ‘In Eye of Beholder’

By Roy Strom

Column

June 9, 2022, 2:30 AM

Welcome back to the Big Law Business column on the changing legal marketplace written by me, Roy Strom. Today, we look at a new threshold for lawyers' billing rates and why it's so difficult to put a price on high-powered attorneys. Sign up to receive this column in your inbox on Thursday mornings. Programming note: Big Law Business will be off next week.

Some of the nation's top law firms are charging more than \$2,000 an hour, setting a new pinnacle after a two-year burst in demand.

Partners at Hogan Lovells and Latham & Watkins have crossed the threshold, according to court documents in bankruptcy cases filed within the past year.

Other firms came close to the mark, billing more than \$1,900, according to the documents. They include Kirkland & Ellis, Simpson Thacher & Bartlett, Boies Schiller Flexner, and Sidley Austin.

Simpson Thacher & Bartlett litigator Bryce Friedman, who helps big-name clients out of jams, especially when they're accused of fraud, charges \$1,965 every 60 minutes, according to a court document.

In need of a former acting US Solicitor General? Hogan Lovells partner Neal Katyal bills time at \$2,465 an hour. Want to hire famous litigator David Boies? That'll cost \$1,950 an hour (at least). Reuters was first to report their fees.

Eye-watering rates are nothing new for Big Law firms, which typically ask clients to pay higher prices at least once a year, regardless of broader market conditions.

"Value is in the eye of the beholder," said John O'Connor, a San Francisco-based expert on legal fees. "The perceived value of a good lawyer can reach into the multi-billions of dollars."

Kirkland & Ellis declined to comment on its billing rates. None of the other firms responded to requests to comment.

Charge It Up

Big Law firms are crossing the \$2,000-an-hour threshold after two years of surging rates driven by an increase in demand for lawyers.

Firm	Highest Billing Rate
Hogan Lovells	\$2,465
Latham & Watkins	\$2,075
Kirkland & Ellis	\$1,995
Simpson Thacher & Bartlett	\$1,965
Boies Schiller Flexner	\$1,950
Sidley Austin	\$1,900

Bloomberg Law

Law firms have been more successful raising rates than most other businesses over the past 15 years.

Law firm rates rose by roughly 40 percent from 2007 to 2020, or just short of 3 percent per year, Thomson Reuters Peer Monitor data show. US inflation rose by about 28% during that time.

The 100 largest law firms in the past two years achieved their largest rate increases in more than a decade, Peer Monitor says. The rates surged more than 6% in 2020 and grew another 5.6% through November of last year. Neither level had been breached since 2008.

The price hikes occurred during a once-in-a-decade surge in demand for law services, which propelled profits at firms to new levels. Fourteen law firms reported average profits per equity partner in 2021 over \$5 million, according to data from The American Lawyer. That was up from six the previous year.

The highest-performing firms, where lawyers charge the highest prices, have outperformed their smaller peers. Firms with leading practices in markets such as mergers and acquisitions, capital markets, and real estate were forced to turn away work at some points during the pandemic-fueled surge.

Firms receive relatively tepid pushback from their giant corporate clients, especially when advising on bet-the-company litigation or billion-dollar deals.

The portion of bills law firms collected—a sign of how willingly clients pay full-freight—rose during the previous two years after drifting lower following the Great Financial Crisis. Collection rates last year breached 90% for the first time since 2009, Peer Monitor data show.

Professional rules prohibit lawyers from charging “unconscionable” or “unreasonable” rates. But that doesn’t preclude clients from paying any price they perceive as valuable, said Jacqueline Vinaccia, a San Diego-based lawyer who testifies on lawyer fee disputes.

Lawyers’ fees are usually only contested when they will be paid by a third party.

That happened recently with Hogan Lovells’ Katyal, whose nearly \$2,500 an hour fee was contested in May by a US trustee overseeing a bankruptcy case involving a Johnson & Johnson unit facing claims its talc-based powders caused cancer.

The trustee, who protects the financial interests of bankruptcy estates, argued Katyal’s fee was more than \$1,000 an hour higher than rates charged by lawyers in the same case at Jones Day and Skadden Arps Slate Meagher & Flom.

A hearing on the trustee’s objection is scheduled for next week. Hogan Lovells did not respond to a request for comment on the objection.

Vinaccia said the firm’s options will be to reduce its fee, withdraw from the case, or argue the levy is reasonable, most likely based on Katyal’s extensive experience arguing appeals.

Still, the hourly rate shows just how valuable the most prestigious lawyers’ time can be—even compared to their highly compensated competitors.

“If the argument is that Jones Day and Skadden Arps are less expensive, then you’re already talking about the cream of the crop, the top-of-the-barrel law firms,” Vinaccia said. “I can’t imagine a case in which I might argue those two firms are more reasonable than the rates I’m dealing with.”

Worth Your Time

On Cravath: Cravath Swaine & Moore is heading to Washington, opening its first new office since 1973 by hiring former heads of the U.S. Securities and Exchange Commission and Federal Deposit Insurance Corporation. Meghan Tribe reports the move comes as Big Law firms are looking to add federal government expertise as clients face more regulatory scrutiny.

On Big Law Promotions: It’s rare that associates get promotions to partner in June, but Camille Vasquez is now a Brown Rudnick partner after she shot to fame representing Johnny Depp in his defamation trial against ex-wife Amber Heard.

On Working From Home: I spoke this week with Quinn Emanuel’s John Quinn about why he thinks law firm life is never going back to the office-first culture that was upset by the pandemic. Listen to the podcast [here](#).

That's it for this week! Thanks for reading and please send me your thoughts, critiques, and tips.
