**PLAINTIFFS' NOTICE OF MOTION
 AND MOTION FOR PRELIMINARY
 APPROVAL OF CLASS ACTION AND
 PAGA SETTLEMENT; MEMORANDUM
 OF POINTS AND AUTHORITIES**

PRELIMINARY APPROVAL HEARING:

Date: December 12, 2025

Time: 9:00 a.m.

Dept.: 3

Class Action Filed: May 30, 2023

PAGA Action Filed: December 5, 2023

1 **TO ALL PARTIES AND THEIR ATTORNEYS OF RECORD:**

2 **PLEASE TAKE NOTICE** that on December 12, 2025, at 9:00 a.m., or as soon thereafter
3 as the matter may be heard in Department 3 of the above-entitled Court, located at 580 Texas
4 Street, Fairfield, CA 94533, Plaintiffs David Eichner and Leslie Marie Quist Cantrelle
5 (“Plaintiffs”) will and hereby do move this Court for an Order:

- 6 1. Granting preliminary approval of the proposed Class Action and PAGA Settlement
7 Agreement (“Settlement”);
- 8 2. Conditionally certifying the proposed Class for settlement purposes only;
- 9 3. Appointing Plaintiffs as the Class Representatives;
- 10 4. Appointing Wilshire Law Firm, PLC as Class Counsel;
- 11 5. Appointing Apex Class Action as the Settlement Administrator; and
- 12 6. Setting a final approval hearing date.

13 Pursuant to California Rules of Court, Rule 3.769(d) and (e), this Motion is made on the
14 grounds that the proposed Settlement satisfies all criteria for preliminary approval and falls well
15 within the range of reasonableness. The Settlement was reached through informed, arm’s length
16 bargaining between experienced attorneys with the assistance of an experienced neutral, and
17 Plaintiffs and Plaintiffs’ Counsel will fairly and adequately represent the Class.

18 This Motion is based on this Notice of Motion, the accompanying Memorandum of
19 Points and Authorities, the Declaration of John G. Yslas, and on all records and documents on
20 file, together with such oral and documentary evidence that may be presented at the hearing on
21 this matter.

22 Respectfully submitted,

23 Dated: November 18, 2025

MEMORANDUM OF POINTS AND AUTHORITIES

I. INTRODUCTION

Pursuant to California Rules of Court, Rule 3.769(d) and (e), Plaintiffs seek preliminary approval of a class action settlement of wage and hour claims, including representative claims brought under the Private Attorneys' General Act of 2004 ("PAGA"), against defendant Star Holding, LLC dba Logistical Data Services ("Defendant"). The proposed Class is defined as all non-exempt, hourly individuals that worked for Defendant in California ("Class Members") any time during the Class Period of May 30, 2019, through the date the Court issues an order granting preliminary approval of the settlement ("Class Period"). The main terms of the Settlement are as follows:

1. A Gross Settlement Amount of \$275,000.00, which will be distributed to approximately 194 Class Members on a pro rata basis according to the total workweeks worked by each Class Member during the Class Period;
2. Attorneys' fees of up to one-third (1/3) of the Gross Settlement Amount (currently \$91,666.67) and up to \$30,000.00 in reimbursement of litigation costs to Plaintiffs' Counsel;
3. Class representatives service payments of up to \$5,000.00 to each Plaintiff;
4. Costs of settlement administration of up to \$6,290.00; and
5. Allocation of \$15,000.00 to PAGA penalties, seventy-five percent (75%) of which (\$11,250.00) will be paid to the Labor and Workforce Development Agency ("LWDA"), and twenty-five percent (25%) of which (\$3,750.00) all non-exempt, hourly individuals that worked for Defendant in California any time during the PAGA Period of June 21, 2022 through the date the Court issues an order granting preliminary approval of the settlement ("Aggrieved Employees").

The Settlement meets all criteria for preliminary approval and falls within the range of reasonableness given the risks and expenses of further litigation. The Settlement was reached through informed, arm's length bargaining between experienced attorneys with the assistance of an experienced neutral. As such, Plaintiffs request that the Court grant preliminary approval of the

1 Settlement, conditionally certify the Class for settlement purposes only, appoint Plaintiffs as the
2 Class Representatives, appoint Plaintiffs' Counsel as Class Counsel, appoint Apex Class Action
3 ("APEX") as the Settlement Administrator, authorize the Settlement Administrator to administer
4 notice of the Settlement to the Class, and set a final approval hearing date.

5 **II. PROCEDURAL HISTORY**

6 On May 30, 2023, Plaintiff David Eichner filed this action as a putative class action against
7 defendant Star Holding, LLC dba Logistical Data Services ("Defendant") alleging: (1) failure to
8 pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide
9 meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages
10 at termination; (6) failure to provide accurate itemized wage statements; (7) failure to indemnify
11 employees for expenditures; and (8) unfair business practices. Declaration of John G. Yslas in
12 Support of Motion for Preliminary Approval of Class Action and PAGA Settlement ("Yslas Decl.")
13 at ¶ 3.

14 On June 21, 2023, Plaintiffs provided written notice to the LWDA and Defendant of their
15 intention to file a PAGA claim. Yslas Decl. at ¶ 4. The LWDA did not notify Plaintiffs that it
16 intended to investigate within 65 days of this written notice. *Id.* Therefore, on December 5, 2023,
17 Plaintiffs filed a separate action alleging a claim under PAGA, Case No. CU23-05731 (the "PAGA
18 Action"). *Id.*

19 The Parties subsequently participated in a private all-day mediation with mediator Todd
20 Smith, Esq. on November 15, 2024. *Id.* at ¶ 5. The negotiations were adversarial, conducted at
21 arm's length, and tempered by the efforts of both sides to serve the interests of their clients. *Id.*
22 The Parties were able to reach an agreement on general settlement terms on the same date. *Id.* The
23 parties negotiated the terms of the Settlement over the next several months, which was finalized in
24 November 2025. *Id.* at ¶ 6, Exhibit 1 ("Settlement Agreement"). On November 18, 2025, Plaintiffs
25 submitted a copy of the Settlement Agreement to the LWDA. *Id.* at ¶ 8, Exhibit 2.

26 ///

27 ///

28 ///

III. SUMMARY OF THE SETTLEMENT TERMS

A. Terms of the Proposed Settlement

The parties have agreed to settle the claims alleged in this case and the related PAGA Action for a Gross Settlement Amount of \$275,000.00. Settlement Agreement at § 3.1. Subject to Court approval, the following payments will be deducted from the Gross Settlement Amount: (1) class representatives service payments of up to \$5,000.00 to each Plaintiff; (2) attorneys' fees of up to one-third (1/3) of the Gross Settlement Amount (currently \$91,666.67) and reimbursement of litigation costs of up to \$30,000.00 to Plaintiffs' Counsel; (3) costs of settlement administration of up to \$6,290.00 to APEX; (4) individual class payments to Class Members; and (5) PAGA penalties in the amount of \$15,000.00, which will be allocated 75% to the LWDA (\$11,250.00) and 25% to Aggrieved Employees (\$3,750.00). *Id.* at § 3.2.1-3.2.5. After all requested deductions are made, the remaining Net Settlement Amount is currently estimated to be \$122,043.33.

Individual class payments will be calculated based on the number of workweeks worked by each Class Member during the Class Period. *Id.* at § 3.2.4. For tax purposes, the individual class payments will be allocated 25% to wages and 75% to penalties, interest, and reimbursement of expenses. *Id.* at § 3.2.4.1. Defendant will separately pay any and all employer payroll taxes owed on the wage positions of the individual class payments separate from the Gross Settlement Amount. *Id.* at 3.1.

Individual PAGA payments to Aggrieved employees will be calculated based on the number of pay periods worked by each Aggrieved Employee during the PAGA Period. *Id.* at § 3.2.5.1. For tax purposes, the individual PAGA payments will be allocated 100% to penalties. *Id.*

Any deductions not approved by the Court will be retained by the Settlement Administrator in the Net Settlement Amount. *Id.* at § 3.2, *et seq.* Funds from any uncashed checks will be transmitted by the Settlement Administrator to California Controller's Unclaimed Property Fund. *Id.* at § 4.4.3. None of the Gross Settlement Amount will revert to Defendant. *Id.* at § 3.1.

B. Proposed Settlement Administration

The parties' proposed Class Notice complies with the requirements of California Rules of Court, Rule 3.766(d). *See* Exhibit A to Settlement Agreement. It provides information regarding

1 the nature of this lawsuit, a summary of the settlement terms, the formula used for calculating
2 individual class and PAGA payments and instructions to dispute the calculations, instructions on
3 how to opt-out of or object to the Settlement, the date, time, and location of the final approval
4 hearing, and the amounts sought for the class representative service payment, attorneys' fees and
5 litigation costs, and settlement administration costs. *See generally, id.* The Class Notice also
6 notifies Class Members that they do not need to submit a claim in order to participate in the
7 Settlement and receive a payment. *See id.* The Settlement Administrator will mail Class Members
8 the Class Notice by first-class mail in English and in Spanish. Settlement Agreement at § 7.4.2.

9 If a Class Notice is returned as undeliverable, the Settlement Administrator will re-mail the
10 Class Notice within 5 calendar days to the forwarding address provided by the U.S. Postal Service.
11 *Id.* at § 7.4.3. If no forwarding address is provided, the Settlement Administrator will conduct a
12 Class Member Address Search and re-mail the Class Notice to the most current address obtained.
13 *Id.* The deadline to opt-out of the Settlement or to submit an objection or dispute will be extended
14 by 14 days for all Class Members whose Class Notice was remailed. *Id.* at § 7.4.4.

15 **C. Proposed Release**

16 All Participating Class Members will release all claims, rights, demands, liabilities, and
17 causes of action, alleged or which could have reasonably been alleged based on the facts alleged
18 in the operative Complaint. The Released Class Claims are those that accrued during the Class
19 Period. Settlement Agreement at § 5.2.

20 All Aggrieved Employees will release all claims for PAGA civil penalties that are alleged
21 or reasonably could have been alleged based on the facts alleged in the operative Complaint and/or
22 the operative PAGA notice letter to the LWDA. The Released PAGA Claims are those that accrued
23 during the PAGA Period. *Id.* at § 5.3. Only Plaintiffs will agree to a general release and a waiver
24 of Civil Code § 1542. *Id.* at § 5.1.

25 ///

26 ///

27 ///

28 ///

1 **IV. THE PROPOSED SETTLEMENT AGREEMENT MEETS ALL CRITERIA FOR**
2 **PRELIMINARY APPROVAL**

3 **A. Provisional Certification of the Class is Appropriate**

4 Class certification is appropriate when there is: (1) an ascertainable and sufficiently
5 numerous class; (2) a well-defined community of interest among class members; and (3) substantial
6 benefits from certification that render proceeding as a class superior to the alternatives. *Brinker*
7 *Restaurant Corp. v. Superior Court*, 53 Cal.4th 1004, 1021 (2012). Although courts still need to
8 review and consider each element for certification, a lesser standard can be used to provisionally
9 certify a settlement class. *Global Minerals & Metals Corp. v. Superior Court*, 113 Cal.App.4th
10 836, 859 (2003).

11 **1. The Proposed Class is Numerous and Ascertainable**

12 “Ascertainability” is determined by examining the class definition and the size of the class,
13 and may also involve examining the means available to identify class members. *Noel v. Thrifty*
14 *Payless, Inc.*, 7 Cal.5th 955, 980-981, 985-986 (2019). As the settlement eliminates the need for
15 trial, “the case management issues inherent in the ascertainable class determination need not be
16 confronted.” *Global Minerals*, 113 Cal.App.4th at 859. Further, under California law, there is no
17 minimum number of class members for maintenance of a class action. *Hendershot v. Ready to Roll*
18 *Transp., Inc.*, 228 Cal.App.4th 1213, 1222 (2014). Class sizes as small as 10 have been permitted.
19 *Rose v. City of Hayward*, 126 Cal.App.3d 926, 934 (1981), disapproved on other grounds by *Noel*,
20 7 Cal.5th at 986.

21 The Class here consists of all non-exempt, hourly individuals that worked for Defendant in
22 California any time during the Class Period. See Settlement Agreement at §§ 1.5, 1.13. The Class
23 is also readily ascertainable from Defendant’s business records, because all Class Members are or
24 were employees of Defendant. *Id.* Defendant’s records show there are approximately 194 Class
25 Members, making joinder of all Class Members impracticable. Yslas Decl. at ¶ 9.

26 ///

27 ///

28 ///

2. *A Well-Defined Community of Interest Exists*

The community of interest requirement embodies three factors: (1) predominant common questions of law or fact; (2) class representatives with claims or defenses typical of the class; and (3) class representatives who can adequately represent the class. *Brinker*, 53 Cal.4th at 1021.

a. Common Questions Predominate

In determining whether common issues “predominate,” courts consider both plaintiff’s legal theories and defendant’s affirmative defenses. *Duran v. U.S. Bank Nat’l Ass’n*, 59 Cal.4th 1, 28-29 (2014). The “predominate common questions” factor does not require that all class members have identical claims. *Ayala v. Antelope Valley Newspapers, Inc.*, 59 Cal.4th 522, 530 (2014). Rather, the focus is on whether issues shared by the class members are sufficiently uniform to permit class-wide assessment, and whether individual variations in proof on those issues are manageable. *Id.*

Plaintiffs have alleged that Defendant maintained common employment policies and/or practices that unlawfully deprived Class Members of wages, meal period, rest periods, reimbursements for business expenses, accurate wage statements, and timely payment of wages upon separation of employment. Yslas Decl. at ¶ 10. These allegations present common factual and legal questions of, *inter alia*, whether Defendant applied the same scheduling, timekeeping, pay, meal period, rest period, and reimbursement policies to all Class Members, whether these policies and practices resulted in Labor Code violations, whether Defendant’s conduct was intentional, and whether Class Members are entitled to damages and/or penalties. *Id.* These common questions could be resolved using Class Members’ time records, payroll records, testimony from Defendant’s designated representative(s), and Class Members’ testimony. *Id.* Therefore, the Court can and should exercise its discretion to grant conditional class certification for settlement purposes.

b. Plaintiffs are Typical of the Class

Typicality does not require that the representative plaintiff’s claims and those of the class members be identical or perfectly aligned. *Wershba v. Apple Computer, Inc.*, 91 Cal.App.4th 224, 228 (2001), disapproved on other grounds by *Hernandez v. Restoration Hardware, Inc.*, 4 Cal.5th

1 260, 269-280 (2018). Typicality does not require that a plaintiff's claims be identical to those of
2 other class members, only that their claims and the defenses applicable to them are sufficiently
3 similar to those of other class members that a named plaintiff is able to adequately represent the
4 class and focus on common issues. *Medraza v. Honda of North Hollywood*, 166 Cal.App.4th 89,
5 99 (2008).

6 Plaintiffs have alleged that they and Class Members were employed by the same Defendant
7 and injured by Defendant's common wage and hour policies and practices, including Defendant's
8 scheduling, timekeeping, pay, meal period, rest period, and reimbursement policies. *See* Yslas
9 Decl. at ¶ 10. Through informal discovery, including the production of thousands of documents by
10 Defendant, Plaintiffs confirmed that these challenged policies and practices applied to Plaintiffs as
11 well as Class Members. *See id.* at ¶ 8. Therefore, Plaintiff's claims and Class Members' claims
12 arise from the same challenged employment policies and practices and are based on the same legal
13 theories.

14 *c. Plaintiffs and Plaintiffs' Counsel Will Adequately Represent the*
15 *Class*

16 Certification requires adequacy of both the proposed class representative and of the
17 proposed class counsel. Cal. Code Civ. Proc. § 382. "Only a conflict that goes to the very subject
18 matter of the litigation will defeat a party's claim of representative status." *Richmond v. Dart*
19 *Industries*, 29 Cal.3d 462, 470 (1981). Only conflicts that are "irreconcilable" can defeat adequacy.
20 *Nat'l Solar Equip. Owners' Ass'n v. Grumman Corp.*, 235 Cal.App.3d 1273, 1286 (1991). The
21 proposed representative Plaintiff and proposed Class Counsel present no such conflict.

22 Plaintiffs' interests are coextensive with Class Members' interests. Yslas Decl. at ¶ 30.
23 Plaintiffs have demonstrated an ability to advocate for the interests of Class Members by initiating
24 this lawsuit, gathering documents and information, being available on the day of mediation to
25 answer questions, meeting with her attorneys to understand the claims and theories of liability at
26 issue, assisting her attorneys in preparation for mediation, communicating with their attorneys for
27 regular updates, and reviewing the proposed Settlement. *Id.*

1 Likewise, Wilshire Law Firm, PLC has expended considerable time and effort on this case
2 and will continue to do so through final approval. *See generally*, Yslas Decl. Therefore, Plaintiffs
3 should be appointed Class Representatives, and their counsel should be appointed Class Counsel.

4 ***3. A Class Action is Superior to a Multitude of Individual Lawsuits***

5 Courts have held that class treatment of wage and hour claims is clearly “superior to the
6 other available methods for the fair and efficient adjudication of the controversy.” *Dean Witter*
7 *Reynolds, Inc. v. Superior Court*, 211 Cal.App.3d 758, 772-773 (1989). This is so because “[p]ublic
8 policy has long favored the ‘full and prompt payment of wages due an employee.’” *Sav-On Drug*
9 *Stores, Inc. v. Superior Court*, 34 Cal.4th 319, 340 (2004). Here, a class action is superior to a
10 multitude of individual lawsuits. Given the size and amount of each Class Members’ claim, Class
11 Members have little incentive to litigate their claims on an individual basis because the out-of-
12 pocket expenses and personal commitment necessary to litigate each claim likely outweighs any
13 potential recovery. Yslas Decl. at ¶ 9. Therefore, a class action is the superior method for seeking
14 relief.

15 **B. The Settlement Meets the Standards for Preliminary Approval**

16 The moving party must demonstrate that “the settlement is fair, adequate and reasonable.”
17 *Kullar v. Foot Locker Retail, Inc.*, 168 Cal.App.4th 116, 126 (2008). “In determining whether a
18 class settlement is fair, adequate, and reasonable, the trial court should consider relevant factors,
19 such as the strength of plaintiffs’ case, the risk, expense, complexity and likely duration of further
20 litigation, the risk of maintaining class action status through trial, the amount offered in settlement,
21 the extent of discovery completed and the stage of the proceedings, the experience and views of
22 counsel, the presence of a governmental participant, and the reaction of the class members to the
23 proposed settlement.” *Wershba*, 91 Cal.App.4th at 244-245 (internal quotations and citations
24 omitted).

25 ***1. The Settlement is Entitled to a Presumption of Fairness***

26 A settlement is entitled to “a presumption of fairness . . . where : (1) the settlement is
27 reached through arm’s length bargaining; (2) investigation and discovery are sufficient to allow
28 counsel and the court to act intelligently; (3) counsel is experienced in similar litigation; and (4)

1 the percentage of objectors is small.” *Dunk v. Ford Motor Co.*, 48 Cal.App.4th 1794, 1801 (1996).
2 The Settlement here satisfies the first three factors. Plaintiff will analyze the fourth factor at final
3 approval after Class Members have been notified of the Settlement and provided with an
4 opportunity to object.

5 *a. The Settlement is the Result of Arm’s Length Negotiation*

6 Courts have recognized that the involvement of a respected mediator provides a high degree
7 of assurance that the settlement is the result of arm’s length bargaining. *See Chavez v. Netflix, Inc.*,
8 162 Cal.App.4th 43, 52-53 (2008). The Settlement in this matter was the product of a full-day
9 mediation session with a respected mediator. Yslas Decl. at ¶ 5. The negotiations were adversarial,
10 conducted at arm’s length, and tempered by the efforts of both sides to serve the interests of their
11 clients. *Id.*

12 *b. Sufficient Investigation and Discovery Have Been Conducted*

13 Prior to attending mediation, Plaintiffs’ Counsel thoroughly investigated the claims,
14 applicable law, and potential defenses. *Id.* at ¶ 8. Plaintiffs’ Counsel assessed the value to the class
15 claims using the documents and data Defendant produced in informal discovery, including class
16 data providing the number of Class Members, the number of workweeks in the Class Period, and
17 the number of pay periods in the PAGA Period, Plaintiffs’ personnel files, employment handbook
18 and policies, job descriptions, and time and payroll records. *Id.*

19 *c. Plaintiffs’ Counsel is Experienced in Similar Litigation*

20 Plaintiffs are represented by Wilshire Law Firm, PLC. *Id.* at ¶ 18. Plaintiffs’ Counsel have
21 extensive experience litigating wage and hour class actions on behalf of employees. *See id.* at ¶¶
22 19-29. Plaintiffs’ Counsel have been involved as counsel in numerous class actions that have
23 resulted in millions of dollars in recovery. *See id.*

24 **2. *The Settlement is Reasonable Given the Strengths of Plaintiff’s Claims***
25 ***and the Risks and Expense of Further Litigation***

26 A settlement does not have to provide 100% of the damages sought to be considered fair
27 and reasonable. *See Rebney v. Wells Fargo Bank*, 220 Cal.App.3d 1117, 1139 (1991). Although
28 the exposure Plaintiffs’ Counsel calculated is substantial, the various risks at succeeding at class

certification and through trial affected the valuation of the claims for settlement purposes. Yslas Decl. at ¶ 11.

Minimum and Overtime Wages: Plaintiffs' unpaid minimum and overtime wage claims were based on the allegation that Defendant required Class Members to perform work duties before clocking in, in lieu of meal periods and/or rest breaks, and after clocking out. *Id.* at ¶ 12. Based on Plaintiffs' estimate that they worked a total of 1 hour off-the-clock each week, Plaintiffs' Counsel assumed each Class Member worked 1-hour off-the-clock per week in calculating potential exposure to be approximately \$179,986.50 for these claims. *Id.* However, Defendant argued that any off-the-clock time was undocumented and unknown to Defendant, and that Defendant was therefore not obligated to pay for this time. *Id.* Because this claim would have relied heavily on Class Member testimony and would not be evidenced in Defendant's time and payroll records, the risk of succeeding at class certification was substantial. *Id.* Accordingly, Plaintiffs' Counsel applied a risk discount based on a 60% chance of succeeding at class certification and succeeding at trial on the merits, yielding a realistic estimate of approximately \$64,795.14 ($\$179,986.50 \times 60\% \times 60\%$), or 24% of the Gross Settlement Amount. *Id.*

Meal Periods: Plaintiffs' meal period claims were based on the allegations that Defendant failed to maintain a policy and practice of providing meal periods and/or paying meal period premiums when its time records showed Class Members' meal periods were late, short, or missed. *Id.* at ¶ 13. Plaintiffs' Counsel found a violation rate of approximately 64.3% in Defendant's time and payroll records and calculated potential exposure on this claim to be approximately \$347,193.96. *Id.* However, Defendant argued that Class Members signed meal period waivers and/or on-duty meal period agreements. *Id.* Accordingly, Plaintiffs' Counsel applied a risk discount based on a 50% chance of succeeding at class certification and succeeding at trial on the merits, yielding a realistic damage estimate of approximately \$86,798.49 ($\$347,193.96 \times 50\% \times 50\%$), or 32% of the Gross Settlement Amount. *Id.*

Rest Breaks: Plaintiffs' rest break claims were based on the allegations that Defendant failed to maintain a policy and/or practice of providing rest breaks and/or paying rest break premiums when Class Members' rest breaks were late, short, or missed. *Id.* at ¶ 14. Plaintiffs'

1 Counsel applied a 100% violation rate to all shifts over 3.5 hours and calculated a potential
2 exposure of \$539,959.50 for this claim. *Id.* However, Defendant argued that a 100% violation rate
3 was unrealistic and that its handbook provided a rest break policy. *Id.* Because this claim would
4 have relied exclusively on Class Member testimony, Plaintiffs' Counsel applied a risk discount
5 based on a 30% chance of succeeding at class certification and a 20% chance of succeeding at trial
6 on the merits, yielding a realistic damage estimate of approximately \$32,2397.57 ($\$539,959.50 \times$
7 $30\% \times 20\%$), or approximately 12% of the Gross Settlement Amount. *Id.*

8 Reimbursements: Plaintiffs' reimbursement claim was based on the allegation that
9 Defendant required Class Members to use their personal cell phones for work, such as but not
10 limited to, for timekeeping purposes and to communicate with supervisors to discuss work-related
11 tasks and scheduling. *Id.* at ¶ 15. Based on Plaintiffs' estimate that they incurred approximately
12 \$30 in unreimbursed expenses per month, Plaintiffs' Counsel assumed each Class Member
13 incurred \$30 in unreimbursed expenses per month in calculating potential exposure to be
14 approximately \$51,750.00 for this claim. *Id.* However, Defendant argued that these expenses were
15 not required by Defendant, and that it could not have known that these expenses were being
16 incurred. *Id.* Accordingly, Plaintiffs' Counsel could not attribute any value to this claim in terms
17 of settlement value. *Id.*

18 Derivative Penalties: Plaintiffs alleged that as a result of Defendant's alleged failure to pay
19 all wages and meal and rest period premiums owed, Defendant owed waiting time penalties and
20 wage statement penalties. *Id.* at ¶ 16. However, Defendant argued that it had good faith defenses
21 that made the imposition of these penalties unwarranted. *Id.* Moreover, Plaintiffs could not recover
22 these penalties if they failed to prove the underlying claims. *Id.* Although Plaintiffs' Counsel
23 calculated that potential exposure for the waiting time penalty claim was approximately
24 \$609,345.60 and approximately \$452,000.00 for the wage statement penalty claim, Plaintiff's
25 Counsel could not attribute a high value to these claims, and so, Plaintiffs' Counsel applied a risk
26 discount based on a 30% chance of succeeding at class certification and a 20% chance of
27 succeeding at trial on the merits for each claim, yielding a realistic damage estimate of
28

1 approximately \$36,560.74 (\$609,345.60 x 30%% x 20%) for the waiting time penalty claim and
2 \$27,120.00 (\$452,000.00 x 30%% x 20%) for the wage statement penalty claim. *Id.*

3 PAGA: For the PAGA claim, Plaintiff's Counsel determined that Defendant's potential
4 exposure could potentially reach \$308,600.00, assuming the initial \$100 penalty would apply for
5 each of the 3,086 pay periods in the PAGA Period. *Id.* at ¶ 17. However, even assuming success
6 on the merits of each claim, PAGA gives the Court discretion to reduce penalties for a variety of
7 reasons, including where to do otherwise would result in an award that is unjust, arbitrary and
8 oppressive, or confiscatory. *Id.* Therefore, the settlement allocates \$15,000.00 of the Gross
9 Settlement Amount to PAGA. *Id.*

10 **C. The Requested Service Payment is Reasonable**

11 Plaintiffs seek class representatives service payments of up to \$5,000.00 to each Plaintiff
12 for accepting the responsibilities of representing the interests of the Class and potential costs that
13 were not borne by any other Class Member. Settlement Agreement at § 3.2.1. A named plaintiff is
14 eligible for payment that reasonably compensates her for undertaking and fulfilling a fiduciary
15 duty to represent absent class members. *See Cellphone Termination Fee Cases*, 186 Cal.App.4th
16 1380, 1393 (2010); *Bell v. Farmers Ins. Exch.*, 115 Cal.App.4th 715, 726 (2004).

17 Throughout this case, Plaintiffs assisted counsel in gathering evidence necessary to
18 prosecute the claims, maintained regular contact with counsel, was available on the day of
19 mediation to answer questions, and reviewed the Settlement to ensure it was fair to the Class. Yslas
20 Decl. at ¶ 30. No action would likely have been taken by Class Members individually and no
21 compensation would have been recovered for them, but for Plaintiffs' services on behalf of the
22 Class. By actively pursuing this action, Plaintiffs furthered the California public policy goal of
23 enforcing the State's wage and hour laws. *See Sav-On*, 34 Cal.4th at 340. The requested class
24 representatives' service payments are reasonable and should be preliminarily approved. Plaintiffs
25 will provide additional information as requested or required by the Court at final approval.

26 **D. The Requested Attorneys' Fees and Costs Are Reasonable**

27 The purpose of an attorneys' fee award in class action litigation is to reward counsel who
28 invested in a case despite the risk of non-payment and achieved a substantial positive result for the

1 class. California courts routinely award attorneys' fees equaling one-third or more of the potential
2 value of the common fund. *See Chavez*, 162 Cal.App.4th at 66, fn. 11 ("Empirical studies show
3 that, regardless of whether the percentage method or the lodestar method is used, fee awards in
4 class actions average around one-third of the recovery.").

5 Plaintiffs seek appointment of Wilshire Law Firm, PLC as Class Counsel. The attorneys
6 performed significant work and expended litigation costs in prosecuting this matter with no
7 guarantee of payment. Yslas Decl. at ¶ 18. Plaintiffs' Counsel seek preliminary approval for
8 \$91,666.67 in attorneys' fees, which is up to one-third (1/3) of the Gross Settlement Amount, and
9 up to \$30,000.00 in reimbursement of litigation costs. Given the work performed in this matter,
10 the extensive information exchange, and the substantial recovery obtained on behalf of the Class,
11 Plaintiffs' Counsel achieved a settlement through efficient and diligent work. *See generally*, Yslas
12 Decl. At final approval, Plaintiffs' Counsel will fully brief the merits of its request for the award
13 of attorneys' fees and litigation costs.

14 **V. CONCLUSION**

15 The Parties have negotiated a fair and reasonable settlement of the class claims in light of
16 the risks presented in this case. Plaintiffs have presented the materials and information necessary
17 to demonstrate that the requirements for preliminary approval have been met, and therefore
18 respectfully request that the Court preliminarily approve the Settlement and schedule a date for the
19 final approval hearing.

20 Respectfully submitted,

21 Dated: November 18, 2025

WILSHIRE LAW FIRM, PLC
