*[Assigned for All Purposes to the

**DECLARATION OF PLAINTIFF MARIA
ISORDIA IN SUPPORT OF
SETTLEMENT APPROVAL**

Complaint Filed: June 9, 2023
Trial Date: None Set

I, MARIA ISORDIA, hereby declare under penalty of perjury as follows:

1. I have personal knowledge of all matters stated herein, and if called as a witness, I could and would competently testify thereto, except as to those matters stated upon information and belief, and as to those matters, I believe them to be true.
2. I am a named Plaintiff and Class Representative in the above-captioned lawsuit, and I submit this declaration in support of settlement approval.
3. I worked for Trestles Holdings LLC dba Hillcrest Post Acute ("Trestles") as a non-exempt, hourly employee during the Class Period.
4. Since becoming a class representative, I diligently worked on this case. I always answered phone calls from my attorneys or called them back promptly when they called. I also promptly responded to emails sent by my attorneys. On many occasions, I spoke with my attorneys for case related purposes. At the beginning of the case, I searched for and provided my attorneys with documents I received from Trestles, such as wage statements I received during my employment. I assisted my attorneys in investigating the case. I have worked diligently to help progress the case.
5. I was aware that, at some point in this case, I would have my deposition taken. I knew that the deposition could take a full day and that I may have to meet with my attorneys prior to my deposition. I was at all times ready and willing to sit for my deposition.
6. Although I did not attend the mediation in person, I was available on the phone for all the negotiations, which I was kept apprised of and assisted in. I gave my consent to settle with Trestles for the gross settlement amount of \$500,000. I completely and carefully reviewed the Memorandum of Understanding ("MOU") and settlement agreement. I then signed the MOU and settlement agreement.
7. In light of the work I performed in this case and the duties associated with being a class representative in a case of this magnitude, I believe the \$5,000 class representative enhancement payment is reasonable. I understand that this additional payment is not guaranteed and is subject to Court approval.

1 8. I have and will continue to adequately represent all of the interests of the class. With my
2 status as class representative, I will treat the interests of the Class above my interests.

3 9. My claims are typical of the Class Members because I am similarly situated to all non-
4 exempt employees who work or have worked for Defendant anywhere in the State of
5 California from June 9, 2019, through September 9, 2024. Thus, my interests are the same
6 as all members of the proposed Class.

7 10. I recognize that any resolution of this matter must be approved by the Court in terms of
8 whether the settlement is fair and reasonable, and that I am obligated to protect the
9 interests of all of Class Members for the Class Period.

10 I declare under penalty of perjury under the laws of the State of California that all the
11 foregoing is true and correct.
