DECLARATION OF ALIYAH WILLIAMS

I, Aliyah Williams, hereby declare as follows:

1. I am over 18 years of age and a resident of Colorado. I am one of the named plaintiffs in the above-captioned case. I have personal knowledge of the facts and statements set forth in this declaration, and if called upon to testify, I could and would competently testify thereto.

2. I was employed by CP Kelco, U.S. Inc. ("Defendant") from approximately June 2020 to approximately April 2024, as a non-exempt employee. I decided to seek legal advice about my work experiences with Defendant and about pursuing my grievances. I contacted Lawyers *for* Justice, PC and spoke with attorneys there. I wanted to do whatever I could to make sure Defendant was held accountable for not properly compensating their employees for all hours worked, non-compliant meal and rest breaks, and failure to reimburse expenses. I consulted with the attorneys and staff at Lawyers *for* Justice, PC discussing my situation and complex wage-and-hour class actions in general, and what it meant to be a named plaintiff and class representative. Prior to joining the case, I was informed of and came to understand what my duties and responsibilities would be as a plaintiff and also, if class certification were to be obtained and if I were to be appointed as a representative of the class, what my duties and responsibilities would be in that event.

3. Throughout the case, I have spent time speaking with my attorneys regarding the case and fulfilling my responsibilities as a class representative, which included gathering documents concerning my employment with Defendant, reviewing documents with my attorneys, answering questions, providing guidance regarding the duties of other non-exempt employees, and helping develop a strategy as to what documents and information to obtain from Defendant. I routinely checked in with my attorneys and their staff to make sure that they had all of my most current information and any additional information that I had obtained.

4. Throughout this matter, I was available to answer any questions my attorneys had, and available to speak and meet with my attorneys whenever they needed me. I responded to them as quickly as possible and gave them as much information and identified as many documents as I could. I spent time speaking with my attorneys about the case, identifying potential witnesses,

providing my attorneys with documents and information concerning the case, and also describing policies, practices, and procedures of Defendant.

5. As far as the settlement is concerned, I was available to review documents and answer any questions my attorneys had. I reviewed the Memorandum of Understanding and the Settlement Agreement and discussed the questions I had regarding the potential settlement with my attorneys before signing the settlement papers.

6. I am not related to anyone associated with Lawyers *for* Justice, PC.

7. I have not entered into any undisclosed agreements, nor have I received any undisclosed compensation in this matter. The only compensation I will receive is whatever amount the Court awards as an enhancement award, as well as my share of the settlement as a class member and aggrieved employee.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on this 09/23/2026 day of _____ 2026, at Centennial, Colorado.
