JOINT STIPULATION AND SETTLEMENT AGREEMENT

This Joint Stipulation and Settlement Agreement ("Settlement Agreement," "Settlement," or "Agreement") is made and entered by and between Plaintiff Natalie Casillas ("Plaintiff" and "Class Representative"), individually and on behalf of other members of the general public similarly situated and/or other aggrieved employees, and Defendants Vita-Pakt Citrus Products Co. and Vita-Pakt, Inc. (collectively "Defendant") (collectively, known as the "Parties").

This Settlement Agreement is subject to the approval of the Court, pursuant to Rules of Court, Rule 3.769(c), (d) and (e), and is made for the sole purpose of attempting to consummate settlement of the Action on a class-wide basis subject to the following terms and conditions. If the Court does not enter an order granting final approval of the Settlement, as defined below, or the conditions precedent are not met for any reason, this Agreement is void and of no force or effect whatsoever.

I. RECITALS

1. On July 28, 2023, Giovanny Cervantes filed a wage-and-hour class action lawsuit in the Superior Court of California, County of Kern, alleging violations of: (a) Labor Code sections 510 and 1198 (unpaid overtime); (b) Labor Code sections 226.7 and 512(a) (unpaid meal period premiums); (c) Labor Code section 226.7 (unpaid rest period premiums); (d) Labor Code sections 1194 and 1197 (unpaid minimum wages); (e) Labor Code sections 201 and 202 (final wages not timely paid); (f) Labor Code section 226(a) (non-compliant wage statements); (g) Labor Code sections 2800 and 2802 (unreimbursed business expenses); and (h) Business & Professions Code section 17200, *et seq*. (Case No. BCV-23-102461).

2. On July 28, 2023, Giovanny Cervantes provided written notice to the California Labor and Workforce Development Agency ("LWDA") and Defendant of the specific provisions of the Labor Code he contends were violated and the theories supporting his contentions.

3. On October 3, 2023, Giovanny Cervantes filed a representative Private Attorneys General Act of 2004 ("PAGA") action in the Superior Court of California, County of Kern, predicated on the alleged: (a) failure to pay minimum and overtime wages; (b) failure to provide meal and rest breaks; (c) failure to timely pay wages during employment; (d) failure to timely pay wages upon termination; (e)

failure to provide complete and accurate wage statements; and (f) failure to reimburse business expenses (Case No. BCV-23-103292).

4. On April 3, 2024, pursuant to a joint stipulation, the class action causes of action were dismissed and both lawsuits were consolidated with the wage-and-hour class action lawsuit (Case No. BCV-23-102461) designated as the lead case.

5. After engaging in discovery, investigations, and negotiation, on July 15, 2024, the Parties attended mediation with the mediator David Phillips but were unable to negotiate a settlement at the time.

6. On November 6, 2024, Giovanny Cervantes provided an amended written notice to the LWDA and Defendant to add Plaintiff, Natalie Casillas, as a named representative.

7. On February 25, 2025, Giovanny Cervantes and Plaintiff provided a second amended written notice to the LWDA and Defendant to identify additional employers (collectively, the written notices to the LWDA and Defendant are known as the "PAGA Notice").

8. After continuing negotiations with the mediator's assistance, on May 19, 2025, the Parties eventually negotiated a tentative settlement, subject to the Court's approval.

9. For the purposes of this Settlement only and as a condition of this Settlement, the Parties stipulated that Plaintiff will file a First Amended Complaint: (a) re-adding the class action causes of action that were dismissed; (b) adjusting the "aggrieved employees" definition; and (c) replacing Giovanny Cervantes with Plaintiff as the named plaintiff ("Operative Complaint"). The filing of the First Amended Complaint shall occur prior to the filing of the Motion for Preliminary Approval.

10. Defendant denies all allegations and has asserted numerous affirmative defenses, denies any failure to comply with the laws identified in the Operative Complaint, and denies any and all liability for the causes of action alleged. Defendant also denies that, for any purpose other than settling this Action, these claims are appropriate for class or representative treatment. To avoid further litigation, Defendant desires to settle all actual or potential claims fully and finally by Plaintiff and the Class.

11. Class Counsel diligently investigated the Class's claims against Defendant, including all applicable defenses and applicable law. The investigation included, *inter alia*, exchanging information pursuant to discovery, reviewing numerous corporate policies and practices, and reviewing time and wage records and data of numerous employees within the Class.

12. The settlement discussions during and after mediation were conducted at arm's-length. This Settlement Agreement is the result of an informed and detailed analysis of Defendant's total potential liability exposure in relation to the costs and risks associated with continued litigation.

13. Based on the data produced as well as Class Counsel's own independent investigation and evaluation, Class Counsel believe that the settlement for the consideration and on the terms set forth in this Settlement Agreement is fair, reasonable, and adequate and is in the best interest of the Class considering all known facts and circumstances.

14. The Parties, Class Counsel, and Defendant's Counsel represent they are not aware of any other pending matter or action asserting claims that will be extinguished or affected by the Settlement Agreement.

15. The Parties wish to avoid the expense of further proceedings and desire to resolve any and all claims outside the scope of the Operative Complaint that Plaintiff has, known and unknown, against Defendant and any of the Released Parties and thereby enters into this Agreement.

IV. TERMS OF THE AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants, promises and agreements set forth herein, the Parties agree, subject to the Court's approval, as follows:

Settlement Payments, Calculations, and Funding

1. Funding of the Gross Settlement Amount. Within seven (7) calendar days of the Effective Date, the Administrator will provide the Parties with an accounting of the amounts to be paid by Defendant, including the employer's share of payroll taxes. Within fourteen (14) calendar days of the Effective Date, Defendant will deposit the Gross Settlement Amount and all employer's share of payroll taxes owed into the QSF account, less any unclaimed funds from the Net Settlement Amount. Within fourteen (14) calendar days of the funding of the Gross Settlement Amount less any unclaimed funds from the Net Settlement Amount, all payments due under this Settlement will be sent out to the appropriate entities and persons.

The Individual Settlement Payments shall be mailed by regular First-Class U.S. Mail to the Claimant's last known mailing address.

3. Attorneys' Fees and Costs. Defendant agrees not to oppose any application or motion by Class Counsel for the Attorneys' Fees and Costs not to exceed $157,500 (35% of the Gross Settlement Amount) and attorneys' costs not to exceed $25,000 to Class Counsel, both of which are to be paid from the Gross Settlement Amount. To the extent that the Court approves less than the amount of the Attorneys' Fees and Costs requested, the difference will be reallocated to the Net Settlement Amount. Except for the Attorneys' Fees and Costs set forth in this Agreement, the Parties agree to bear their own attorneys' fees and costs related to this Action. The Administrator will issue an IRS Form 1099 to Class Counsel for the Attorneys' Fees and Costs. Class Counsel assume full responsibility and liability for the taxes owed on the Attorneys' Fees and Costs.

4. Class Representative Service Payment. In recognition of Plaintiff's time and effort devoted to prosecuting this Action on behalf of Class Members and in exchange for Plaintiff's Release, Defendant agrees not to oppose any application or motion for Class Representative Service Payment not to exceed $10,000 to Plaintiff Casillas. To the extent that the Court approves less than the amount of the Class Representative Service Payment requested, the difference will be reallocated to the Net Settlement Amount. The Administrator will not withhold any taxes from the Class Representative Service Payment. The Administrator will issue an IRS Form 1099 to Plaintiff for the Class Representative Service Payment. Plaintiff assumes full responsibility and liability for the taxes owed on the Class Representative Service Payment.

5. Administration Costs. The Administrator will be paid Administration Costs for administering this Settlement that is currently estimated not to exceed $15,000. Seventy-five percent (75%) of the PAGA Penalties ($22,500) will be paid to the LWDA, and twenty-five percent (25%) of the PAGA Penalties ($7,500) will be paid to all the Aggrieved Employees, pro rata, based on the number of PAGA Pay Periods.

a. After receiving and reviewing the Class Data, the Administrator will calculate the total number of PAGA Pay Periods worked by each individual Aggrieved Employee ("Individual Pay Periods") to determine the total number of PAGA Pay Periods worked by all the Aggrieved Employees ("Total Pay Periods").

b. To determine each Aggrieved Employee's estimated portion of the PAGA Penalties, the Administrator will use the following formula: estimated individual PAGA Penalties = ($7,500 ÷ Total Pay Periods) x Individual Pay Periods for each individual Aggrieved Employee.

c. Aggrieved Employees will receive their portion of the PAGA Penalties regardless of whether they request exclusion from this Settlement or submit a Claim Form.

7. Net Settlement Amount. The Net Settlement Amount will be used to satisfy Individual Settlement Payments owed to Claimants in accordance with the terms of this Agreement. It is agreed that the amount distributed to the Claimants will equal at least fifty percent (50%) of the Net Settlement Amount. If the total Individual Settlement Payments to the Claimants equals less than fifty percent (50%) of the Net Settlement Amount, the Administrator will proportionately increase the Individual Settlement Payment for each Claimant to ensure that the total Individual Settlement Payments equal fifty percent (50%) of the Net Settlement Amount. Any unclaimed amounts above fifty percent (50%) of the Net Settlement Amount will remain the exclusive property of Defendant.

8. Individual Settlement Payments. The Individual Settlement Payments will be calculated and apportioned from the Net Settlement Amount based on the number of Workweeks a Class Member worked during the Class Period.

///

///

a. After receiving and reviewing the Class Data, the Administrator will calculate the total number of Workweeks worked by each individual Class Member ("Individual Workweeks") to determine the total number of Workweeks worked by all the Class Members ("Total Workweeks") during the Class Period.

b. To determine each Class Member's estimated Individual Settlement Payment, the Administrator will use the following formula: estimated Individual Settlement Payment = (Net Settlement Amount ÷ Total Workweeks) x Individual Workweeks for each individual Class Member.

c. Following the Response Deadline and at least twenty (20) days before the Final Approval Hearing, the Administrator will calculate the Individual Settlement Payments to be paid to each Claimant and Aggrieved Employee. Only Claimants will receive their pro rata share of the Net Settlement Amount. If the total Individual Settlement Payments to the Claimants equals less than fifty percent (50%) of the Net Settlement Amount, the Administrator will proportionately increase the Individual Settlement Payment for each Claimant to ensure that the total Individual Settlement Payments equal fifty percent (50%) of the Net Settlement Amount. Otherwise, the actual amount claimed will be paid to each Claimant. The remainder, if any, will be retained by Defendant.

d. The Individual Settlement Payment will be reduced by any required deductions for each Claimant as set forth herein, including employee's share of payroll taxes with respect to wage portion of Individual Settlement Payments.

9. Tax Allocation. All the Individual Settlement Payments will be allocated ten percent (10%) as wages and ninety percent (90%) as interest and penalties. 12. Uncashed Settlement Checks. Any checks issued by the Administrator to Claimants will be negotiable for at least one hundred eighty (180) calendar days. Those funds represented by settlement checks returned as undeliverable and those settlement checks remaining uncashed for more than one hundred eighty (180) calendar days after their issuance will be transmitted to California Controller's Unclaimed Property Fund in the name of the Claimants. Any Claimant whose check is uncashed will still be bound by the Released Class Claims and all the terms of this Settlement as well as any Judgment that may be entered by the Court if it grants Final Approval.

13. Individual Settlement Payments Do Not Trigger Additional Benefits. The receipt of the Individual Settlement Payments will not entitle any Class Member to additional compensation or benefits under any company bonus, contest, other compensation, benefit plan, or agreement in place during the period covered by this Settlement, nor will it entitle any Class Member to any increased retirement, 401K benefits or matching benefits, or deferred compensation benefits. The Individual Settlement Payments are the sole payments to be made by Defendant to the Class Members.

Releases of Claims

14. Effective on the date when Defendant funds the entire Gross Settlement Amount, less any unclaimed funds from the Net Settlement Amount, and funds all employer's share of payroll taxes owed on the wage portion of the Individual Settlement Payments, Plaintiff, Class Members, State of California, and Class Counsel will be deemed to have fully, finally, and forever released, settled, compromised, relinquished, and discharged the Released Parties as follows:

a. Plaintiff's Release. other type of any capacity, shall and does forever generally release, discharge, and agree to hold harmless the Released Parties from any and all charges, complaints, claims, liabilities, obligations, promises, agreements, controversies, damages, causes of action, suit, rights, demands, costs, losses, transactions, occurrences, or debts or expenses (including attorney fees and costs), known or unknown at law or in equity which she may now have or may have become aware of after the signing of this Settlement. This includes, but is not limited to: (i) arising out of or in any way connected with their employment with Defendant; (ii) all claims that were, or could have been, alleged based on the facts contained in the Operative Complaint; (iii) all PAGA claims that were, or could have been, alleged based on facts contained in the Action or PAGA Notice or ascertained during the Action; and (iv) any and all transactions, occurrences, or matters between the Parties occurring prior to the date this Agreement is fully executed ("Plaintiff's Release"). Without limiting the generality of the foregoing, the Plaintiff's Release shall include, but is not limited to, any and all claims under the: (1) Americans with Disabilities Act; (2) Title VII of the Civil Rights Act of 1964; (3) Civil Rights Act of 1991; (4) 42 U.S.C. section 1981; (5) Age Discrimination in Employment Act; (6) Fair Labor Standards Act; (7) the Equal Pay Act; (8) Employee Retirement Income Securities Act, as amended; (9) Consolidated Omnibus Budget Reconciliation Act; (10) Rehabilitation Act of 1973; (11) Family and Medical Leave Act; (12) Civil Rights Act of 1966; (13) Fair Employment and Housing Act; (14) California Constitution; (15) Labor Code; (16) Government Code; (17) Civil Code; and (18) any and all other federal, state, and local statutes, ordinances, regulations, rules, and other laws, and any and all claims based on constitutional, statutory, common law, or regulatory grounds as well as any other claims based on theories of wrongful or constructive discharge, breach of contract or implied contract, fraud, misrepresentation, promissory estoppel, or intentional infliction of emotional distress, negligent infliction of emotional distress, or damages under any other federal, state, or local statutes, ordinances, regulations, rules, or laws. This release

is for any and all relief, no matter how denominated, including, but not limited to, back pay, front pay, vacation pay, bonuses, compensatory damages, tortious damages, liquidated damages, punitive damages, damages for pain and suffering, and attorney fees and costs. Plaintiff's Release does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, workers' compensation benefits that arose at any time, or based on occurrences outside the Class Period. Plaintiff acknowledges that she may discover facts or law different from, or in addition to, the facts or law Plaintiff now knows or believes to be true but agree that Plaintiff's Release shall remain effective in all respects, notwithstanding such different or additional facts or the discovery of them. Finally, Plaintiff specifically acknowledges that she is aware of and expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the Civil Code, which reads:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

b. Release by Settlement Class Members: All the Settlement Class Members, on behalf of themselves and their former and present representatives, agents, attorneys, heirs, dependents, administrators, devisees, legatees, executors, trustees, conservators, guardians, personal representatives, successors, and assigns, whether individual, class, representative, legal, equitable, direct or indirect, or any other type of any capacity, shall and do forever release, discharge, and agree to hold harmless the Released Parties from all claims that were alleged, or could have been alleged, based on the facts contained in the Operative Complaint and that occurred during the Class Period and were ascertained in the course of the Action ("Released Class

Claims"). The Released Class Claims include, but are not limited to any and all claims for: (i) unpaid overtime (including, but not limited to, alleged failures due to failure to pay premiums at the correct rate of pay); (ii) unpaid meal period premiums (including, but not limited to, first and second meal periods, untimely, short, interrupted, missing, or otherwise non-complaint meal periods, or paying premiums at the correct rate of pay); (iii) unpaid rest period premiums (including, but not limited to, alleged failures due to on-duty during rest periods, untimely, short, interrupted, or otherwise non-compliant rest periods or paying premiums at the correct rate of pay); (iv) unpaid minimum wages (including, but not limited to, alleged failures due to off-the-clock work or failure to pay the correct rate of pay); (v) final wages not timely paid; (vi) non-compliant wage statements; (vii) unreimbursed business expenses (including but not limited to, alleged failures to reimburse employees for personal cell phones or purchasing tools and equipment required to use and wear while working); (viii) failure to provide sick leave and pay sick leave at the regular rate of pay; (ix) seventh day of rest not provided; and (x) violations of Business & Professions Code section 17200, *et seq*. Except as set forth in paragraph IV.14.(c) of this Agreement, the Settlement Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

c. Release by Aggrieved Employees: All the Aggrieved Employees are deemed to release, on behalf of themselves and their former and present representatives, agents, attorneys, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims, rights, demands, liabilities and causes of action for PAGA penalties that were alleged, or could have been alleged, based on the facts stated in the Operative Complaint and PAGA Notice and that occurred during the PAGA Period and were ascertained in the course of the Action ("Released PAGA Claims"). The Released PAGA Claims include, but are not limited to PAGA

claims for: (i) unpaid overtime (including, but not limited to, alleged failures due to failure to pay premiums at the correct rate of pay); (ii) unpaid meal period premiums (including, but not limited to, first and second meal periods, untimely, short, interrupted, missing, or otherwise non-complaint meal periods, or paying premiums at the correct rate of pay); (iii) unpaid rest period premiums (including, but not limited to, alleged failures due to on-duty during rest periods, untimely, short, interrupted, or otherwise non-compliant rest periods or paying premiums at the correct rate of pay); (iv) unpaid minimum wages (including, but not limited to, alleged failures due to off-the-clock work or failure to pay the correct rate of pay); (v) final wages not timely paid; (vi) non-compliant wage statements; (vii) unreimbursed business expenses (including but not limited to, alleged failures to reimburse employees for personal cell phones or purchasing tools and equipment required to use and wear while working); (viii) failure to provide sick leave and pay sick leave at the regular rate of pay; (ix) seventh day of rest not provided. Any Aggrieved Employees who submit a valid and timely Request for Exclusion are still entitled to their portion of the PAGA Penalties and have no right or ability to opt out of the portion of this Settlement releasing the Released PAGA Claims.

Notice Procedures

15. Delivery of the Class Data(s). Within fourteen (14) calendar days of Preliminary Approval, Defendant will provide the Class Data(s) to the Administrator. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted Class Members' identifying information and to provide a corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

16. Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Notice Packet, and Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails. If Final Approval is granted, the Administrator will post the above-listed information for at least one hundred eighty (180) calendar days after the date that Final Approval is granted.

17. Notice by First-Class U.S. Mail. Prior to the mailing, the Administrator will perform a National Change of Address Database check, such as provided by Experian or any other similar services available, for information to update and correct for any known or identifiable address changes. Within fourteen (14) calendar days of receiving the Class Data(s), the Administrator will mail a Notice Packet to all Class Members via regular First-Class U.S. Mail, using the most current, known mailing addresses available. At the same time the Notice Packets are mailed, the Administrator will post a copy of the following on its website for at least sixty (60) calendar days: (a) order granting Preliminary Approval and certifying the class for settlement purposes; (b) Notice Packet; and (c) this Agreement.

18. Returned Notice Packets. Any Notice Packets returned to the Administrator as non-deliverable on or before the Response Deadline will be sent promptly via regular First-Class U.S. Mail to the forwarding address affixed thereto, and the Administrator will indicate the date of such re-mailing on the Notice Packet. If no forwarding address is provided, the Administrator will promptly attempt to determine the correct address using a skip-trace and will then perform a single re-mailing within five (5) calendar days after return of the Notice Packet. If the Class Data includes the phone number for any Class Member whose Notice Packet is deemed undeliverable, the Administrator will attempt to reach the Class Member by telephone to verify his or her addresses.

19. Reminders. No later than thirty (30) calendar days after the initial mailing of the Notice Packet, the Administrator will send a Reminder Postcard to all Class Members who have not returned a Claim Form or Request for Exclusion. All Reminder Postcards will include the Response Deadline and contact information for Class Counsel and Administrator.

///

20. Notice Packets. All Class Members will be mailed a Notice Packet. Each Notice Packet will provide: (a) information regarding the nature of this Action; (b) summary of the principal terms of this Agreement; (c) Class definition; (d) total number of Workweeks each Class Member worked for Defendant during the Class Period; (e) each Class Member's estimated settlement payment, their estimated proportional share of the PAGA Penalties, and formula for calculating their settlement payment; (f) dates of the Class Period and PAGA Period; (g) instructions on how to submit valid Claim Forms, Requests for Exclusion, Notices of Objection, or written disputes regarding Workweeks; (h) requirements relating to, and deadlines by which the Class Member must submit Claim Forms, Requests for Exclusions, Notices of Objection, and written disputes regarding Workweeks; (i) claims to be released; and (j) date and time of the Final Approval Hearing.

21. Claim Form Procedures. To receive Individual Settlement Payments, all Class Members will be required to submit a timely and valid Claim Form by the Response Deadline (or Extended Response Deadline, if applicable). All Claim Forms must be signed and returned to the Administrator via mail, fax, or email and postmarked, faxed, or emailed by the Response Deadline. The date of the postmark, fax, or email will be the exclusive means to determine whether a Claim Form has been submitted timely.

a. The Administrator will compile a list of Claim Forms rejected for: (i) failure to cure an unsigned Claim Form; or (ii) late submission of the Claim Form. As to the Class Members on that rejected claim list, any Class Member who requests, in a signed letter, to receive payment in this Settlement will be treated like a Claimant if that written request is received by the Final Approval Hearing. Class Members who do not submit a timely and valid Claim Form and who do not submit a timely and valid Request for Exclusion will not be Claimants and will not receive an Individual Settlement Payment. However, such persons shall be deemed to be Settlement Class Members and will be bound by all terms of the Settlement and any final judgment entered in this Action if the Settlement is finally approved by the Court.

22. Dispute Procedures. The Class Members may dispute the information provided in their Notice Packets and must do so in writing via mail, fax, or email, and the dispute must be postmarked, faxed, or emailed by the Response Deadline (or Extended Response Deadline, if applicable). To the extent the Class Members dispute their estimated Workweeks and Individual Settlement Payments, the Class

Members must produce evidence to the Administrator showing that such information is inaccurate, otherwise Defendant's records will be presumed determinative. However, if the Class Member produces evidence to the contrary, the Administrator shall immediately provide copies of all disputes to Defendant's Counsel, shall inform Class Counsel of the dispute without disclosing the identity of the Class Member making the dispute, and shall immediately attempt to resolve all such disputes directly with relevant Class Member(s) with the assistance of the Parties' counsel. The Parties will evaluate the evidence submitted by the Class Member and will make the final decision as to the number of Workweeks that should be applied and/or Individual Settlement Payment to which the Class Member may be entitled to. If the Parties cannot resolve the dispute, the Administrator will be the final arbiter of the Workweeks and Individual Settlement Payment for each Class Member based on the information provided to it.

23. Request for Exclusion Procedures. Any Class Member wishing to opt out from this Settlement must sign and postmark, fax, or email a written Request for Exclusion to the Administrator by the Response Deadline. The Request for Exclusion request must state the Class Member's name, address, telephone number, and signature. The date of the postmark, fax, or email will be the exclusive means to determine whether a Request for Exclusion (or Extended Response Deadline, if applicable) has been submitted timely. All Requests for Exclusion will be submitted to the Administrator, who will certify jointly to Class Counsel and Defendant's Counsel the Requests for Exclusion that were timely submitted. Those Settlement Class Members who do not timely submit a Request for Exclusion will be bound by the release of Released Claims.

a. The Aggrieved Employees cannot exclude themselves from the PAGA portion of the settlement. In other words, the Aggrieved Employees will be bound by the Released PAGA Claims even if they request exclusion.

24. Objection Procedures. To object to this Settlement, a Class Member must file a valid Notice of Objection with the Court and serve copies of the Notice of Objection to the Parties by the Response Deadline (or Extended Response Deadline, as applicable). Only Class Members may object to the Settlement. The Notice of Objection must be signed by the Class Member and contain all information required by this Settlement. The date of filing will be deemed the exclusive means for determining that the Notice of Objection is timely. Class Members wishing to make an objection may also appear at the Final Approval Hearing, either in person or through an attorney retained at their own expenses. The Class

Members who fail to object in the specific manner specified above will be deemed to have waived all objections to this Settlement and will be foreclosed from making any objections and seeking any adjudication or review, whether by appeal or otherwise, to this Settlement.

a. At no time will any of the Parties or their counsel solicit or encourage the Class Members to submit written objections to this Settlement or appeal from the Order and Judgment. Class Counsel, Defendant's Counsel, and Defendant may respond to inquiries from the Class Members with truthful information. Class Counsel will not represent any Class Members with respect to any objections to this Settlement.

25. Defective Submissions. If the Class Member's Claim Form or Request for Exclusion is defective as to the requirements set forth herein, the Class Member will be given an opportunity to cure the defect(s). The Administrator will mail the Class Member a cure letter within three (3) calendar days of receiving the defective submission to advise the Class Member that their submission is defective and that the defect must be cured to render the Claim Form or Request for Exclusion valid. The Class Member will have ten (10) calendar days from the date of the cure letter to mail, fax, or email a revised Claim Form or Request for Exclusion. If the Class Member responds to a cure letter by filing a defective claim, then the Administrator will have no further obligation to give notice of a need to cure. If the revised Claim Form or Request for Exclusion is not postmarked, faxed, or emailed within that period, it will be deemed untimely.

26. Plaintiff's Waiver of Right to Be Excluded and Object. Plaintiff agrees to sign this Agreement and to be bound by the terms herein. Plaintiff further agrees she will not request to be excluded from or object to this Agreement. Any Request for Exclusion or Notice of Objection submitted by Plaintiff will be void and of no force or effect.

27. Weekly Reports. The Administrator will provide the Parties' counsel weekly reports that contain the: (a) number of Class Members who have submitted Claim Forms; (b) number of Claimants; (c) number of Class Members who have submitted valid Requests for Exclusion; (d) current amount and percentage of the Net Settlement Amount claimed by Claimants; and (e) number of Class Members who submitted disputes to any information contained in their Claim Form or Notice Packet.

///

28. Declaration of Completion. Within ten (10) calendar days after the Extended Response Deadline, the Administrator will provide a written declaration under oath to its completion of the notice procedures to the Court and counsel for all Parties. The declaration will include any attempts to obtain valid mailing addresses for and re-mailing of any returned Notice Packets as well as the number of valid and timely exclusions and objections received by the Administrator.

29. Administration of Taxes. The Administrator will be responsible for issuing to Plaintiff, Claimants, Aggrieved Employees, and Class Counsel any IRS Form as may be required by law for all amounts paid pursuant to this Agreement. The Administrator will also be responsible for forwarding all payroll taxes and penalties to the appropriate government authorities.

30. Preliminary Approval Hearing. Plaintiff will obtain a hearing before the Court to request the Preliminary Approval of this Settlement and entry of a Preliminary Approval Order for: (a) conditional certification of the Class for settlement purposes only; (b) Preliminary Approval of this Settlement; and (c) setting a date for Final Approval Hearing. The Preliminary Approval Order will provide for the Notice Packet to be sent to all Class Members. In conjunction with the Preliminary Approval Hearing, Plaintiff will submit this Settlement, which will include the Notice Packet. Class Counsel will be responsible for drafting all documents necessary to obtain Preliminary Approval. Class Counsel will be responsible for drafting all documents necessary to obtain Preliminary Approval. Defendant agrees not to oppose the Motion for Preliminary Approval so long as Defendant's Counsel has three (3) calendar days to review before filing and it is consistent with this Agreement.

31. Final Approval Hearing. Upon the expiration of the Extended Response Deadline, a Final Approval Hearing will be conducted to determine the Final Approval of this Settlement Agreement along with the amounts payable for the: (a) Individual Settlement Payments; (b) Attorneys' Fees and Costs; (c) Class Representative Service Payment; and (d) Administration Costs as well as confirming the total amount to be allocated towards the PAGA Penalties. Class Counsel will be responsible for drafting all documents necessary to obtain Final Approval. Defendant agrees not to oppose the Motion for Final Approval so long as Defendant's Counsel has three (3) calendar days to review before filing and it is consistent with this Agreement.

///

32. Posting of the Final Judgment. Within ten (10) calendar days after the Court has held a Final Approval Hearing and entered the judgment certifying the Class for settlement purposes only and approving the Settlement, the Administrator will give notice of judgment to Class Members pursuant to Rules of Court, rule 3.771(b) by posting a copy of said judgment on its website at a web address to be included in the Notice Packet.

33. Defendant's Right to Withdraw. If the number of valid Requests for Exclusion identified by the Administrator exceeds five percent (5%) of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever and that neither Party will have any further obligation to perform under this Settlement provided Defendant will remain responsible for paying all settlement administration costs incurred to that point. Defendant must notify Class Counsel and the Court of its selection to withdraw no later than seven (7) calendar days after the Administrator sends the final weekly report. A late election will have no effect.

Miscellaneous

34. Confidentiality. Prior to filing the Motion for Preliminary Approval, the Parties and their counsel agree that they will not issue any press releases, initiate any contact with the press, respond to any press inquiry, or have any communication with the press about the fact, amount, or terms of this Settlement. The Parties and their counsel agree that they will not engage in any advertising or distribute any marketing materials relating to this Settlement, including, but not limited to, on Class Counsel's website in any manner that identifies any of the parties by name, the case number, or geographic location. Nothing set forth herein shall prohibit: (a) Defendant from providing truthful disclosure about this Settlement, including its amount, in its periodic filings on Form 10-Q or Form 10-K with the U.S. Securities and Exchange Commission; or (b) the Parties from providing this Settlement to the Court in connection with the Parties' efforts to seek the Court's approval. If contacted by the media regarding this Settlement, Class Counsel will notify Defendant's Counsel as soon as possible and direct any media inquiries to the public records of this Action on file with the Court. Additionally, neither Plaintiff nor Class Counsel will disparage the Settlement.

35. No Assignments. The Parties and their counsel represent, covenant, and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity any portion of any liability, claim, demand, action, cause of action, or right released and discharged herein. None of the rights, commitments, or obligations recognized under this Agreement may be assigned by any Party, Class Member, Class Counsel, or Defendant's Counsel without the express written consent of each other Party and their counsel. The representations, warranties, covenants, and agreements contained herein are for the sole benefit of the Parties and shall not be construed to confer any right or to avail any remedy to any other person.

36. Tax Liability. Defendant makes no representation as to the tax treatment or legal effect of the payments called for hereunder, and Plaintiff and Claimants are not relying on any statement, representation, or calculation by Defendant or by the Administrator. Plaintiff and Claimants understand and agree that except for Defendant's payment of the employer's share of payroll taxes, they will be solely responsible for the payment of any taxes and penalties assessed on the payments described herein and will hold Defendant free and harmless from and against any claims resulting from treatment of such payments as non-taxable damages.

37. Authorization to Enter this Settlement Agreement. The Parties' counsel warrant and represent that they are expressly authorized by the Parties whom they represent to negotiate this Settlement Agreement and to take all appropriate action required or permitted to be taken by such Parties pursuant to this Settlement Agreement to effectuate its terms and to execute any other documents required to effectuate the terms of this Settlement Agreement. 38. No Admission of Liability. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted. Nothing in this Agreement should be intended or construed as an admission by Plaintiff that Defendant's defenses in this Action have merit. This Agreement and the Parties' willingness to settle will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate this Agreement).

39. Enforcement Actions. If one or more of the Parties institutes any legal action or other proceeding against any other Party or Parties to enforce the provisions of this Settlement or to declare rights and/or obligations under this Settlement, the successful Party or Parties will be entitled to recover from the unsuccessful Party or Parties reasonable attorneys' fees and costs, including expert witness fees incurred in connection with any enforcement actions.

48. Meet and Confer Regarding Disputes. Should any dispute arise among the Parties or their counsel regarding the implementation or interpretation of this Agreement, the Parties' counsel shall meet and confer to resolve such disputes prior to submitting such disputes to the Court.

49. Mutual Preparation. The Parties have had a full opportunity to negotiate the terms and conditions of this Agreement. This Agreement will not be construed more strictly against one Party merely by virtue of the fact that it may have been prepared by counsel for one of the Parties.

50. Invalidity of Any Provision. Before declaring any provision of this Settlement invalid, the Court will first attempt to fully construe the provision as valid possible consistent with applicable precedents to define all provisions of this Settlement valid and enforceable.

57. Continued Jurisdiction. The Court shall fully retain continuing jurisdiction over this Action and over all Parties and Class Members to enforce and effectuate the terms and intent of this Settlement Agreement.

The Final Approval Hearing will be held on _____ in Department T-2 of the Superior Court of California, County of Kern, located at 3131 Arrow Street, Bakersfield, California 93308. You are not required to attend the Final Approval Hearing, but you are welcome to do so.

Summary of the Litigation

On July 28, 2023, Giovanny Cervantes filed a wage-and-hour class action lawsuit in the Superior Court of California, County of Kern, alleging violations of: (1) Labor Code sections 510 and 1198 (unpaid overtime); (2) Labor Code sections 226.7 and 512(a) (unpaid meal period premiums); (3) Labor Code section 226.7 (unpaid rest period premiums); (4) Labor Code sections 1194 and 1197 (unpaid minimum wages); (5) Labor Code sections 201 and 202 (final wages not timely paid); (6) Labor Code section 226(a) (non-compliant wage statements); (7) Labor Code sections 2800 and 2802 (unreimbursed business expenses); and (8) Business & Professions Code section 17200 (Case No. BCV-23-102461).

On July 28, 2023, Giovanny Cervantes provided written notice to the California Labor and Workforce Development Agency ("LWDA") and Defendant.

On October 3, 2023, Giovanny Cervantes filed a representative Private Attorneys General Act of 2004 ("PAGA") action in the Superior Court of California, County of Kern, predicated on the alleged: (1) failure to pay minimum and overtime wages; (2) failure to provide meal and rest breaks; (3) failure to timely pay wages during employment; (4) failure to timely pay wages upon termination; (5) failure to provide complete and accurate wage statements; and (6) failure to reimburse business expenses (Case No. BCV-23-103292).

On April 3, 2024, pursuant to a joint stipulation, the class action causes of action were dismissed and both lawsuits were consolidated with the wage-and-hour class action lawsuit (Case No. BCV-23-102461) designated as the lead case.

After engaging in discovery, investigations, and negotiation, on July 15, 2024, the Parties attended mediation with the mediator David Phillips but were unable to negotiate a settlement at the time.

On November 6, 2024, Giovanny Cervantes provided an amended written notice to the LWDA and Defendant to add Plaintiff Natalie Casillas ("Plaintiff") as a named representative. On February 25, 2025, Giovanny Cervantes and Plaintiff provided a second amended written notice to the LWDA and Defendant to identify additional employers (collectively, the written notices to the LWDA and Defendant are known as the "PAGA Notice").

After continuing negotiations with the mediator's assistance, on May 19, 2025, the Parties eventually negotiated a tentative settlement, subject to the Court's approval. In line with the settlement, a First Amended Complaint was filed: (1) re-adding the class action causes of action that were dismissed; (2) adjusting the "aggrieved employees" definition; and (3) replacing Giovanny Cervantes with Plaintiff as the named plaintiff ("Operative Complaint").

Justice Law Corporation, Plaintiff's counsel and attorneys appointed by the Court to represent the Class ("Class Counsel"), have investigated and researched the facts and circumstances underlying the issues raised in the case and the applicable law. While Class Counsel believe that the claims alleged in this lawsuit have merit, Class Counsel also recognize that the risks and expenses of continued litigation justify settlement. Based on the foregoing, Class Counsel believe that the settlement is fair, adequate, reasonable, and in the best interests of the Class Members.

Defendant vehemently denies the factual and legal allegations and believes that the claims have no merit. By agreeing to settle, Defendant is not admitting liability on any of the factual allegations or claims in this lawsuit or that this lawsuit can or should proceed as a class action. Both sides agree that the settlement is a compromise of disputed claims.

Summary of Settlement Terms

Plaintiff and Defendant have agreed to settle the underlying class and PAGA claims in exchange for the Gross Settlement Amount not to exceed $450,000. This amount is inclusive of:

1) Attorneys' fees of $157,500 (35% of the Gross Settlement Amount) and attorneys' cost not to exceed $25,000 to Class Counsel;

2) Class Representative Service Payment of $10,000 to Plaintiff Casillas;

3) Administration Costs not to exceed $15,000;

4) PAGA Penalties of $30,000, seventy-five percent (75%) of which ($22,500) will be paid to the LWDA and twenty-five percent (25%) of which ($7,500) will be distributed to all the Aggrieved Employees (as defined below); and

5) Individual Settlement Payments to all Class Members who submit timely and valid Claim Forms for participation in the Class Action Settlement ("Claimants").

Calculation of the Individual Settlement Payments

To receive Individual Settlement Payments, all Class Members will be required to submit a timely and valid Claim Form by _____.

The Net Settlement Amount means the portion of the Gross Settlement Amount remaining after the deduction of the Attorneys' Fees and Costs, Class Representative Service Payment, Administration Costs, and PAGA Penalties. The Net Settlement Amount will be used to satisfy Individual Settlement Payments owed to Claimants. The Individual Settlement Payments will be calculated and apportioned from the Net Settlement Amount based on the number of Workweeks worked during the Class Period.

- Workweeks means the number of weeks that a Class Member worked for Defendant Vita-Pakt Citrus Products Co. either directly, or was placed to work for Defendant Vita-Pakt Citrus Products Co. by Randstad Inhouse Services, LLC as an hourly-paid or non-exempt employee within the State of California at any time during the Class Period. Each Claimant shall be entitled to payment for at least one (1) Workweek.

After receiving and reviewing the Class Data, the Administrator will calculate the total number of Workweeks worked by each individual Class Member ("Individual Workweeks") to determine the total number of Workweeks worked by all the Class Members ("Total Workweeks") during the Class Period. To determine each Class Member's estimated Individual Settlement Payment, the Administrator will use the following formula: estimated Individual Settlement Payment = (Net Settlement Amount ÷ Total Workweeks) x Individual Workweeks for each individual Class Member.

- If the total Individual Settlement Payments to the Claimants equals less than fifty percent (50%) of the Net Settlement Amount, the Administrator will proportionately increase the Individual Settlement Payment for each Claimant to ensure that the total Individual Settlement Payments equal fifty percent (50%) of the Net Settlement Amount.

All the Individual Settlement Payments will be allocated ten percent (10%) as wages and ninety percent (90%) as interest and penalties. The amounts paid as wages shall be subject to all tax withholdings customarily made from an employee's wages and all other authorized and required withholdings and shall be reported by IRS Form W-2. The amounts paid as interest and penalties shall be subject to all authorized and required withholdings other than the tax withholdings customarily made from employees' wages and shall be reported by IRS Form 1099. The Claimants should consult their tax advisors regarding the tax consequences of the payments they receive.

Aggrieved Employees and PAGA Penalties

You are considered an "Aggrieved Employee" who is eligible to share the PAGA Penalties under the settlement if you are a current or former hourly-paid or non-exempt employee who worked for Defendant Vita-Pakt Citrus Products Co. either directly, or were placed to work for Defendant Vita-Pakt Citrus Products Co. by Randstad Inhouse Services, LLC within the State of California at any time during the period from July 28, 2022, through July 18, 2025 ("Aggrieved Employees" and "PAGA Period").

Under the terms of the settlement, $30,000 has been set aside as a PAGA Penalties to serve as civil penalties collected on behalf of the State of California. Seventy-five percent (75%) of the PAGA Penalties ($22,500) will be paid to the LWDA. The remaining twenty-five percent (25%) of the PAGA Penalties ($7,500) will be paid to all the Aggrieved Employees, pro rata, based on the number of pay periods worked during the PAGA Period.

After receiving and reviewing the Class Data, the Administrator will calculate the total number of pay periods worked by each individual Aggrieved Employee ("Individual Pay Periods") to determine the total number of pay periods worked by all the Aggrieved Employees ("Total Pay Periods") during the PAGA Period. To determine each Aggrieved Employee's estimated portion of the PAGA Penalties, the Administrator will use the following formula: estimated individual PAGA Penalties = ($7,500 ÷ Total Pay Periods) x Individual Pay Periods for each individual Aggrieved Employee.

- Because these penalties can only be sought by the State of California, you cannot exclude yourself from the PAGA portion of the settlement if the Court grants final approval. Even if you exclude yourself from the class action portion of the settlement, you will still be paid your portion of the PAGA Penalties described above.

Based on Defendant's records, your portion of the PAGA Penalties is estimated to be $_____. The above estimate is based on Defendant's records showing that you worked _____ pay periods during the PAGA Period. The portion of the PAGA Penalties paid to the Aggrieved Employees shall be designated as one hundred percent (100%) penalties, for which an IRS Form 1099s will be issued. You are responsible for paying any federal, state, or local taxes assessed as a result of the payment of PAGA Penalties.

Funding of the Gross Settlement Amount

Within fourteen (14) calendar days of the Effective Date, Defendant will deposit the Gross Settlement Amount and all employer's share of payroll taxes owed into the Qualified Settlement Fund account, less any unclaimed funds from the Net Settlement Amount. Within fourteen (14) calendar days of the funding of the Gross Settlement Amount less any unclaimed funds from the Net Settlement Amount, all payments due under this Settlement will be sent out to the appropriate entities and persons. The Individual Settlement Payments shall be mailed by regular First-Class U.S. Mail to the Claimant's last known mailing address.

- "Effective Date" means the date on which the settlement embodied in the Agreement becomes final and binding, after all of the following events have occurred: (1) Final Approval; and (2) the latter of the following events: (a) five (5) business days after the deadline to file an appeal, writ, or other appellate challenge to the final approval has passed without any such filing; or (b) five (5) business days after any filed appeal, writ, or other appellate challenge is fully resolved and dismissed, with no remaining rights to further review. If a motion to set aside the judgment or a motion to intervene is timely filed, the time to appeal shall be measured from the later of the Court's ruling on such motion or entry of the final judgment. The Parties intend that the Settlement shall not become effective until all court approvals are final and unappealable, and no further legal challenge remains.

Released Claims

The Settlement Class Members are defined as the Class Members who do not timely requests exclusion from the settlement. ("Settlement Class Members").

The Released Parties include Defendant and Randstad Inhouse Services, LLC, their current, former, and future parent companies, divisions, shareholders, members, predecessors, successors, assigns, related or affiliate companies, subsidiaries, officers, directors, members, partners, managers, representatives, insurers, administrators, agents (including any investment bankers, accountants, insurers, reinsurers, attorneys and any past, present, or future officers, directors, and employees), employees, stockholders, and any individual or entity which could be liable for any claims raised in the Operative Complaint ("Released Parties").

Effective on the date when Defendant funds the entire Gross Settlement Amount, less any unclaimed funds from the Net Settlement Amount, and funds all employer's share of payroll taxes owed on the wage portion of the Individual Settlement Payments, all the Settlement Class Members, on behalf of themselves and their former and present representatives, agents, attorneys, heirs, dependents, administrators, devisees, legatees, executors, trustees, conservators, guardians, personal representatives, successors, and assigns, whether individual, class, representative, legal, equitable, direct or indirect, or any other type of any capacity, shall and do forever release, discharge, and agree to hold harmless the Released Parties from all claims that were alleged, or could have been alleged, based on the facts contained in the Operative Complaint and that occurred during the Class Period and were ascertained in the course of the Action ("Released Class Claims").

- The Released Class Claims include, but are not limited to any and all claims for: (i) unpaid overtime (including, but not limited to, alleged failures due to failure to pay premiums at the correct rate of pay); (ii) unpaid meal period premiums (including, but not limited to, first and second meal periods, untimely, short, interrupted, missing, or otherwise non-complaint meal periods, or paying premiums at the correct rate of pay); (iii) unpaid rest period premiums (including, but not limited to, alleged failures due to on-duty during rest periods, untimely, short, interrupted, or otherwise non-compliant rest periods or paying premiums at the correct rate of pay); (iv) unpaid minimum wages (including, but not limited to, alleged failures due to off-the-clock work or failure to pay the correct rate of pay); (v) final wages not timely paid; (vi) non-compliant wage statements; (vii) unreimbursed business expenses (including but not limited to, alleged failures to reimburse employees for personal cell phones or purchasing tools and equipment required to use and wear while working); (viii) failure to provide sick leave and pay sick leave at the regular rate of pay; (ix) seventh day of rest not provided; and (x) violations of Business & Professions Code section 17200, *et seq*.

- Except as set forth in paragraph IV.14.(c) of the Settlement Agreement, the Settlement Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

Effective on the date when Defendant funds the entire Gross Settlement Amount, less any unclaimed funds from the Net Settlement Amount, and funds all employer's share of payroll taxes owed on the wage portion of the Individual Settlement Payments, all the Aggrieved Employees are deemed to release, on behalf of themselves and their former and present representatives, agents, attorneys, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims, rights, demands, liabilities and causes of action for PAGA penalties that were alleged, or could have been alleged, based on the facts stated in the Operative Complaint and PAGA Notice and that occurred during the PAGA Period and were ascertained in the course of the Action ("Released PAGA Claims").

- As stated above, the Aggrieved Employees cannot exclude themselves from the PAGA portion of the settlement. As a result, the Aggrieved Employees will be bound by the Released PAGA Claims even if they request exclusion.
