1. I am an attorney at law licensed to practice before all of the courts of the State of California. I am a senior partner at Wilshire Law Firm, PLC (“WLF”), counsel for Plaintiff Deivi Rivera (“Plaintiff”) in this matter. I am thoroughly familiar with and have personal knowledge of all of the facts set forth herein.

Procedural History

4. On July 21, 2023, Plaintiff provided written notice to the LWDA and Defendant the specific provisions of the Labor Code alleged to have been violated, including the facts and theories in support. A true and correct copy of Plaintiff's July 21, 2023, letter to Defendant and the LWDA is attached hereto as **Exhibit 1**. The LWDA did not notify Plaintiff that it intended to investigate within 65 days of this written notice.

6. On April 27, 2027, Plaintiff filed a First Amended Class and Representative Complaint to add Plaintiff's cause of action alleged pursuant to PAGA.

7. On November 22, 2024, the Parties subsequently participated in a private full-day mediation with David Phillips. The negotiations were adversarial, conducted at arm's length, and tempered by the efforts of both sides to serve the interests of their clients. The mediator made a proposal, which was accepted by the Parties.

8. The parties negotiated the terms of the Settlement, which was finalized on August 5, 2026. A true and correct copy of the Parties' fully executed Class Action and PAGA Settlement Agreement and Class Notice ("Settlement Agreement") is attached hereto as **Exhibit 2**. Attached thereto as **Exhibit A** is a true and correct copy of the Parties' proposed Class Notice.

9. On August 31, 2026, Plaintiff submitted a copy of the Settlement Agreement to the LWDA. A true and correct copy of the confirmation of submission my office received after submitting the Settlement Agreement to the LWDA is attached hereto as **Exhibit 3**.

Investigation and Exposure Analysis

10. Prior to attending mediation, Plaintiff's Counsel thoroughly investigated the claims, applicable law, and potential defenses. Plaintiff's Counsel assessed the value to the class claims using the data and documents that Defendant produced in informal discovery, including the number of Class Members, the number of workweeks in the Class Period, the number of pay periods in the PAGA Period, Plaintiff's personnel file/documents concerning Plaintiff, Defendant's employee handbook(s), Defendant's written wage-and-hour policies, job descriptions, and a random sampling of time and payroll records. Plaintiff's Counsel engaged an expert consultant to quantify the potential exposure using the time and payroll records, and then assessed the risks associated with each claim meriting reductions in the likely success at class certification and likely recovery at trial.

11. Defendant's records show that there are approximately 186 Class Members, making joinder of all Class Members impracticable. Further, given the size and amount of each Class Members' claim, Class Members have little incentive to litigate their claims on an individual basis because the out-of-pocket expenses and personal commitment necessary to litigate each claim likely outweigh any potential recovery.

12. Plaintiff has alleged that Defendant maintained common employment policies and/or practices that unlawfully deprived Class Members of wages, meal period, rest periods,

1 reimbursements for business expenses, accurate wage statements, and timely payment of wages upon
2 separation of employment. These allegations present common factual and legal questions of, *inter*
3 *alia*, whether Defendant applied the same scheduling, timekeeping, pay, meal period, rest period,
4 and reimbursement policies to all Class Members, whether these policies and practices resulted in
5 Labor Code violations, whether Defendant's conduct was intentional, and whether Class Members
6 are entitled to damages and/or penalties. These common questions could be resolved using Class
7 Members' time records, payroll records, testimony from Defendant's designated representative(s),
8 and Class Members' testimony.

9 13. Although the exposure Plaintiff's Counsel calculated is substantial, the various risks
10 at succeeding at class certification and through trial affected the valuation of the claims for settlement
11 purposes.

12 14. Minimum and Overtime Wages: Plaintiff's unpaid minimum and overtime wage
13 claims were based on the allegation that Defendant required Class Members to perform work duties
14 while off the clock, without compensation. For example, Plaintiff alleged that Defendant required
15 him and other Class Members to perform work duties while off the clock, without compensation.
16 For example, Plaintiff alleged that Defendant required him and other Class Members to perform
17 work tasks off-the-clock before their scheduled shifts, during meal periods, and after their
18 scheduled shifts. Specifically, Class Members were required to arrive early pursuant to company
19 policy to be "ready to work at their starting time each day." Further, Class Members would respond
20 to work-related questions and look for products that had not been inventoried after clocking out.
21 For purposes of calculating Defendant's liability based on a best-case scenario for Plaintiff and the
22 Class, Plaintiff's Counsel assumed that all unpaid worktime should have been paid at the overtime
23 rate of pay and conservatively estimated that Defendant is liable for 4.7 hours of unpaid worktime
24 per workweek. This results in potential exposure for this claim of approximately \$1,074,279.00
25 (9,500 workweeks x \$16.04 average hourly rate of pay x 4.7 hours/workweek x 1.5 overtime rate).
26 Because this claim would have relied heavily on Class Member testimony and would not be
27 evidenced in Defendant's time and payroll records, the risk of succeeding at class certification and
28 trial was substantial. Accordingly, Plaintiff's Counsel applied a risk discount based on a 40%

1 chance of succeeding at class certification and a 40% chance of succeeding at trial on the merits,
2 yielding a realistic damage estimate of approximately \$171,884.64 ($\$1,074,279.00 \times 40\% \times 40\%$).

3 15. Meal Periods: Plaintiff's meal period claim was based on the allegation that
4 Defendant failed to provide Class Members with legally compliant meal periods or pay meal period
5 premiums in lieu thereof. For example, Plaintiff alleged that Defendant required him and other
6 Class Members to take late meal breaks due to high workload and understaffing, and had meal
7 breaks interrupted with work-related questions by supervisors. Further, Defendant failed to
8 maintain compliant written meal period policies throughout the class period, of which did not
9 provide for premiums or relieve employees of all duties. Additionally, Plaintiff's Counsel's expert
10 consultant determined there was a 46.9% meal period violation rate from the sampling of
11 Defendant's time and payroll records, where meal periods were short, late, or missed. Therefore,
12 potential liability for the meal period claim is approximately \$325,472.21 (43,265 shifts over 5
13 hours x \$16.04 average hourly rate x 46.9% violation rate). After taking into account the difficulty
14 of certifying and proving meal period claims, as well as Defendant's contention that the claim lacks
15 merit and that a 46.9% violation rate is unrealistic, Plaintiff's Counsel discounted this figure based
16 on a 50% chance of succeeding at class certification and a 40% chance of succeeding at trial,
17 yielding a realistic damage estimate of approximately \$65,094.44 ($\$325,472.21 \times 50\% \times 40\%$).

18 16. Rest Periods: Plaintiff's rest period claim was based on the allegation that Defendant
19 failed to provide Class Members with legally compliant rest periods or pay rest period premiums
20 in lieu thereof. For example, Plaintiff alleged that Defendant required him and other Class
21 Members to work through their rest breaks due to high workload and understaffing without
22 payment of premiums. If an employee was provided a rest break, it was interrupted by supervisors
23 asking about work-related topics. Based on Plaintiff's allegations and Plaintiff's and other Class
24 Members' experience working for Defendant, Plaintiff's Counsel applied a 100% violation rate to
25 all qualifying shifts during the Class Period. Therefore, Defendant's potential liability for the rest
26 period claim is approximately \$706,545.96 (44,049 shifts of 3.5 hours or longer x \$16.04 average
27 hourly rate x 100% violation rate). However, Plaintiff's Counsel discounted this figure to account
28 for the difficulty of certifying and proving rest period claims, particularly because rest periods do

not have to be recorded, and to account for the possibility of Class Members voluntarily choosing to forego a rest period. Because this claim would have relied exclusively on Class Member testimony, Plaintiff's Counsel discounted this claim based on a 40% chance of succeeding at class certification and a 30% chance of succeeding at trial, yielding a realistic damage estimate of approximately \$84,785.51 ($\$706,545.96 \times 40\% \times 30\%$).

17. Reimbursements: Plaintiff's reimbursement claim was based on the allegation that Defendant failed to indemnify Class Members for expenses incurred as a direct result of performing their job duties for Defendant, such as mandatory use of personal cell phones for work purposes such as communicating with employees and using the timeclock mobile application. For purposes of calculating Defendant's liability based on a best-case scenario for Plaintiff and the Class, Plaintiff's Counsel estimated that Defendant was liable to each Class Member for \$6.25 per workweek in unreimbursed expenses, for a total amount of approximately \$59,375.00 ($\$6.25 \times 9,500$ workweeks). However, Defendant argued that these expenses were not required by Defendant, and that it could not have known that these expenses were being incurred. Accordingly, Plaintiff's Counsel discounted this claim based on a 30% chance of succeeding at class certification and a 30% chance of succeeding at trial, yielding a realistic damage estimate of approximately \$5,343.75 ($\$59,375.00 \times 30\% \times 30\%$).

18. In sum, Plaintiff's Counsel estimated that Plaintiff's maximum recovery for the off-the-clock claim, meal period violations, and rest period violations (i.e., the wage claims) is approximately \$2,106,297.17. However, after factoring in the risk and uncertainty of prevailing at certification and trial, Plaintiff's Counsel estimates that Plaintiff's realistic estimated recovery for these non-penalty wage claims is approximately \$321,764.59.

19. Derivative Penalties: Plaintiff alleged that as a result of Defendant's failure to pay all wages owed, Defendant owed waiting time penalties and wage statement penalties. With respect to Plaintiff's derivative claims for statutory penalties, Plaintiff's Counsel estimated that Defendant's realistic potential liability is approximately \$48,499.08. *Id.* Defendant's maximum potential liability for waiting time penalties is approximately \$595,518.08 (144 employees x \$16.04 average hourly rate of pay x 8 hours/day x 30 days) + (144 employees x \$16.04 x 0.4 x 1.5

x 30) based on approximately 144 formerly employed Class Members during the 3-year statute of limitations period and an average shift length of 8.4 hours. *Id.* Defendant's maximum potential liability for inaccurate wage statements is approximately \$212,400 ([114 employees x 1 initial violation/employee x \$50 for an initial violation] + [(2,181 pay periods - 114 initial violations) x \$100 for each subsequent violation]) based on approximately 114 Class Members who worked during the 1-year statute of limitations period and approximately 2,181 pay periods in that statutory timeframe. *Id.* In light of the foregoing, Plaintiff's Counsel believes that it would be unrealistic to expect the Court to award the full \$808,318.08 in statutory penalties given Defendant's defenses, the contested nature of Plaintiff's claims, the challenges of establishing willfulness as applicable, and the discretionary nature of penalties. *Id.* Considering that the underlying wage claims are realistically estimated to be approximately \$321,764.59, such a disproportionate award would also raise due process concerns. *Id.* As such, Plaintiff's counsel discounted these figures to account for the risk and uncertainty of obtaining class certification and prevailing at trial, resulting in a realistic evaluation of approximately \$35,755.08 for waiting time penalty claims (\$595,518.08 x 30% x 20%), and approximately \$12,744.00 for wage statement penalty claims (\$212,400.00 x 30% x 20%), or approximately \$48,499.08 total for statutory penalties.

20. PAGA: For the PAGA claim, Plaintiff's Counsel determined that Defendant's potential exposure could potentially reach \$250,000, assuming the initial \$100 penalty would apply for each of the 2,500 pay periods in the PAGA Period. However, even assuming success on the merits of each claim, PAGA gives the Court discretion to reduce penalties for a variety of reasons, including where to do otherwise would result in an award that is unjust, arbitrary and oppressive, or confiscatory. As such, Plaintiff's counsel discounted this figure to account for the risk and uncertainty of prevailing at trial, resulting in a realistic evaluation of approximately \$25,000 for PAGA penalties (\$250,000 x 10%). The settlement allocates \$20,000 of the Gross Settlement Amount to PAGA, therefore the PAGA allocation amounts to 5.3% of the Gross Settlement Amount and approximately 80% of the realistic maximum damages for PAGA penalties (\$20,000 / \$25,000.00).

21. Using these estimated figures, Plaintiff's Counsel predicted that the realistic maximum recovery for all claims, including penalties, would be approximately \$400,607.42. This means that the gross settlement amount represents approximately 95% of the realistic maximum recovery (\$380,000.00 / \$400,607.42) *Id.* Considering the risk and uncertainty of prevailing at class certification and at trial, this is an excellent result for the Class. *Id.* Indeed, because of the proposed Settlement, Class Members will receive timely, guaranteed relief and will avoid the risk of an unfavorable judgment.

22. Based on the figures in the Settlement Agreement, the Net Settlement Amount available for class settlement payments is currently estimated to be \$190,383.33 for approximately 186 Class Members. As a result, each Settlement Class Member would be eligible to receive an average net benefit of approximately \$1,023.57. Based on the estimated Net Settlement Amount available for individual class payments and there being approximately 9,500 workweeks in the Class Period, the estimated weekly valuation for Individual Class Payments is \$20.04 (\$190,383.33 / 9,500 workweeks).

Re: ***Deivi Rivera v. Valyria LLC, et al.***
Notice of Labor Code Violations and PAGA Penalties

To Whom It May Concern:

Please be advised that my office has been retained by Deivi Rivera ("Plaintiff") to pursue a Labor Code Private Attorneys General Act ("PAGA") representative action (Cal. Lab. Code §§ 2699, *et seq.*) against his former employers, Valyria, LLC and Transpac (collectively as "Defendants"). The purpose of this letter is to comply with PAGA and set forth the facts and theories of California Labor Code violations which we allege Defendants engaged in with respect to Plaintiff and all of Defendants' Aggrieved Employees.

Plaintiff wishes to pursue this action on behalf of himself as an aggrieved employee, on behalf of the State of California, as well as on behalf of all other persons who worked for Defendants in California as a non-exempt or hourly-paid employee at any time within the applicable statutory period (hereafter, the “Aggrieved Employees”).

Plaintiff and the Aggrieved Employees suffered the Labor Code violations described below.

Plaintiff’s Employment with Defendants

Defendants own/owned and operate/operated an industry, business, and establishment within the State of California, including Solano County. As such, and based upon all the facts and circumstances incident to Defendants’ business in California, Defendants are subject to the California Labor Code, Wage Orders issued by the Industrial Welfare Commission (“IWC”), and the California Business & Professions Code.

Plaintiff Deivi Rivera is a resident of California who worked for Defendants in Solano County, California as an hourly-paid, non-exempt employee from approximately June 2018 to approximately November 2022. Defendants typically scheduled Plaintiff to work at least five days in a workweek and at least eight hours per day, but Plaintiff mostly worked more than eight hours in a workday and/or more than forty (40) hours in a workweek.

Throughout Plaintiff’s employment, Defendants failed to pay for all hours worked (including minimum, straight time, and overtime wages), failed to provide Plaintiff with legally compliant meal periods, failed to authorize and permit Plaintiff to take rest periods, failed to timely pay all final wages to Plaintiff when Defendants terminated his employment, failed to furnish accurate wage statements to Plaintiff, and failed to indemnify Plaintiff for expenditures. As discussed below, Plaintiff’s experience working for Defendants was typical and illustrative.

Defendants Failed to Pay for All Hours Worked, Including Minimum, Straight Time, and Overtime Wages

Under California law, an employer must pay for all hours worked by an employee. “Hours worked” is the time during which an employee is subject to the control of an employer, and includes all the time the employee is suffered or permitted to work, whether or not required to do so.

In addition, Labor Code § 510 provides that employees in California shall not be employed more than eight hours in any workday or forty (40) hours in a workweek unless they receive additional compensation beyond their regular wages in amounts specified by law.

Labor Code §§ 1194 and 1198 also provide that employees in California shall not be employed more than eight hours in any workday unless they receive additional compensation beyond their regular wages in amounts specified by law. Additionally, Labor Code § 1198 states that the employment of an employee for longer hours than those fixed by the IWC is unlawful.

Throughout the statutory period, Defendants maintained a policy and practice of not paying Plaintiff and the Aggrieved Employees for all hours worked, including minimum, straight time, and overtime wages. Defendants required Plaintiff and the Aggrieved Employees to work “off-the-clock”, uncompensated, by, for example, requiring Plaintiff and the Aggrieved Employees to perform work during meal periods. Some of this unpaid work should have been paid at the overtime rate. In failing to pay for all hours worked, Defendants also failed to maintain accurate records of the hours Plaintiff and the Aggrieved Employees worked.

Throughout the statutory period, Defendants maintained a policy and practice of not paying Plaintiff and the Aggrieved Employees for all hours worked, including minimum, straight time, and overtime wages. For a portion of the statutory period, Defendants used a system of time rounding and/or synthetic timekeeping that resulted, over a period of time, in failing to compensate Plaintiff and the Aggrieved Employees properly for all the time they have actually worked, even though the realities of Defendants’ operations are such that it is possible, practical, and feasible to count and pay for work time to the minute. Accordingly, Defendants frequently paid Plaintiff and the Aggrieved Employees less than all their work time. Some of this unpaid work also should have been paid at the overtime rate. In failing to pay for all hours worked, Defendants also failed to maintain accurate records of the hours Plaintiff and the Aggrieved Employees worked.

Throughout the statutory period, Defendants wrongfully failed to include non-discretionary bonuses, commissions, incentive pay, production pay, performance pay, and/or shift differentials in the calculation of Plaintiff’s and the other Aggrieved Employees’ regular rate of pay used to calculate their overtime rate for the payment of overtime wages. Plaintiff and the other Aggrieved Employees earned non-discretionary bonuses, commissions, incentive pay, production pay, performance pay, and/or shift differentials and overtime wages in the same pay periods where they worked overtime hours. Accordingly, Defendants failed to compensate Plaintiff and the Aggrieved Employees for all overtime compensation they were owed.

As a result, Defendants are liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210, 1197.1, and 2699(f)(2) for failing to pay for all hours worked, including minimum, straight time, and overtime wages.

Failure to Provide Meal Periods

Under California law, employers have an affirmative obligation to relieve employees of all duty in order to take their first 30-minute, duty-free meal periods no later than the start of sixth hour of work in a workday, and to allow employees to take their second 30-minute, duty-free meal period no later than the start of the eleventh hour of work in the workday. Further, employees are entitled to be paid one hour of additional wages for each workday they were not provided with all required meal period(s).

Despite these legal requirements, Defendants wrongfully failed to provide Plaintiff and the

Aggrieved Employees with legally compliant meal periods. Defendants regularly, but not always, required Plaintiff and the Aggrieved Employees to work in excess of five consecutive hours a day without providing a 30-minute, uninterrupted, and duty-free meal period for every five hours of work, or without compensating Plaintiff and the Aggrieved Employees for meal periods that were not provided by the end of the fifth hour of work or tenth hour of work. Instead, Defendants continued to assert control over Plaintiff and the Aggrieved Employees by requiring, pressuring, or encouraging them to perform work tasks which could not be completed without working in lieu of taking mandatory meal periods, or by denying Plaintiff and the Aggrieved Employees permission to take a meal period. Accordingly, Defendants' policy and practice was not to provide meal periods to Plaintiff and the Aggrieved Employees in compliance with California law.

Plaintiff and the Aggrieved Employees are thus entitled to be paid one hour of additional wages for each workday he or she was not provided with all required meal period(s). Defendants, however, regularly failed to pay Plaintiff and the Aggrieved Employees the additional wages to which they were entitled for meal periods and that were not provided.

As a result, Defendants are liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210 and 2699(f)(2) for failing to provide meal periods and pay meal period premium wages.

Failure to Authorize and Permit Rest Periods

Employers are required by California law to authorize and permit breaks of ten uninterrupted minutes for each four hours of work or major fraction of four hours (i.e. more than two hours). Thus, for example, if an employee's work time is six hours and ten minutes, the employee is entitled to two rest breaks. Each failure to authorize rest breaks as so required is itself a violation of California's rest break laws.

Throughout the statutory period, Defendants have wrongfully failed to authorize and permit Plaintiff and the Aggrieved Employees to take legally compliant rest periods. Defendants regularly required Plaintiff and the Aggrieved Employees to work in excess of four consecutive hours a day without Defendants authorizing and permitting them to take a 10-minute, uninterrupted, duty-free rest period for every four hours of work (or major fraction of four hours), or without compensating Plaintiff and the Aggrieved Employees for rest periods that were not authorized or permitted. Instead, Defendants continued to assert control over Plaintiff and the Aggrieved Employees by requiring, pressuring, or encouraging them to perform work tasks which could not be completed without working in lieu of taking mandatory rest periods, or by denying Plaintiff and the Aggrieved Employees permission to take a rest period. Accordingly, Defendants' policy and practice was to not authorize and permit Plaintiff and the Aggrieved Employees to take rest periods in compliance with California law.

Plaintiff and the Aggrieved Employees are thus entitled to be paid one hour of additional wages

for each workday he or she was not authorized and permitted to take all required rest period(s). Defendants, however, regularly failed to pay Plaintiff and the Aggrieved Employees the additional wages to which they were entitled for rest periods and that they were not authorized and permitted to take.

As a result, Defendants are liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210 and 2699(f)(2) for failing to authorize and permit rest periods and pay rest period premium wages.

Failure to Pay All Earned Wages Twice Per Month

Based on its failure to pay Plaintiff and the Aggrieved Employees for all wages as discussed above, Defendants also violated Labor Code § 204.

Labor Code § 204 requires employers to pay employees all earned wages two times per month. Throughout the statute of limitations period applicable to this cause of action, employees were entitled to be paid twice a month at their regular rates, including all meal period premium wages owed, rest period premium wages owed, and wages owed for overtime hours worked. However, during all such times, Defendants systematically failed and refused to pay the employees all wages due, and failed to pay those wages twice a month, in that employees were not paid all wages for all meal periods not provided by Defendants, all wages for all rest periods not authorized and permitted by Defendants, and all wages for all hours worked. As a result, Defendants owe employees the legally required wages for unpaid wages, and Plaintiff and the Aggrieved Employees suffered damages in those amounts.

Moreover, Defendants are liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 210 for failing to pay all earned wages twice per month.

Failure to Maintain Accurate Records of Hours Worked and Meal Periods

Plaintiff seeks penalties under California Labor Code § 1174(d). Pursuant to California Labor Code § 1174.5, any person, including any entity, employing labor who willfully fails to maintain accurate and complete records required by California Labor Code § 1174 is subject to a penalty under § 1174.5. Pursuant to the applicable IWC Order § 7(A)(3), every employer shall keep time records showing when the employee begins and ends each work period. Meal periods and total hours worked daily shall also be recorded.

Defendants, however, failed to maintain accurate records of hours worked and all meal periods taken or missed by Plaintiff and the Aggrieved Employees.

Defendants' failure to provide and maintain records required by the California Labor Code and the applicable IWC Wage Orders deprived Plaintiff and the Aggrieved Employees the ability to know, understand and question the accuracy and frequency of meal periods, and the accuracy of their hours worked stated in Defendants' records. Therefore, Plaintiff and the Aggrieved

Employees had no way to dispute the resulting failure to pay wages, all of which resulted in an unjustified economic enrichment to Defendants. As a direct result, Plaintiff and the Aggrieved Employees have suffered and continue to suffer, substantial losses related to the use and enjoyment of such wages, lost interest on such wages and expenses and attorney's fees in seeking to compel Defendants to fully perform its obligation under state law, all to their respective damage in amounts according to proof at trial. As a result of Defendants' knowing failure to comply with the California Labor Code and applicable IWC Wage Orders, Plaintiff and the Aggrieved Employees have also suffered an injury in that they were prevented from knowing, understanding, and disputing the wage payments paid to them.

Failure to Timely Pay All Wages at Termination

Labor Code §§ 201 and 202 provide that if an employer discharges an employee, the wages earned and unpaid at the time of discharge are due and payable immediately, and that if an employee voluntarily leaves his or her employment, his or her wages shall become due and payable not later than seventy-two (72) hours thereafter, unless the employee has given seventy-two (72) hours previous notice of his or her intention to quit, in which case the employee is entitled to his or her wages at the time of quitting.

Within the applicable statute of limitations, the employment of Plaintiff and many other Aggrieved Employees ended, i.e., was terminated by quitting or being discharged, and the employment of others will be terminated. However, during the relevant time period, Defendants failed, and continues to fail to pay Plaintiff and terminated Aggrieved Employees, without abatement, all wages required to be paid by Labor Code sections 201 and 202 either at the time of discharge, or within seventy-two (72) hours of their leaving Defendants' employment. These unpaid wages include wages for unpaid work time (including minimum, straight time, and overtime wages), missed meal period premium wages, and missed rest period premium wages.

Defendants' conduct violates Labor Code §§ 201 and 202. Labor Code § 203 provides that if an employer willfully fails to pay wages owed, in accordance with sections 201 and 202, then the wages of the employee shall continue as a penalty wage from the due date, and at the same rate until paid or until an action is commenced; but the wages shall not continue for more than thirty (30) days.

Accordingly, Plaintiff and the Aggrieved Employees are entitled to recover from Defendants their additionally accruing wages for each day they were not paid, at their regular hourly rate of pay, up to thirty (30) days maximum pursuant to Labor Code § 203.

Moreover, Defendants are liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 2699(f)(2) for failing to timely pay all wages at termination.

Failure to Furnish Accurate Itemized Wage Statements

Labor Code § 226(a) provides that every employer shall furnish each of his or her employees an

accurate itemized wage statement in writing showing nine pieces of information, including: (1) gross wages earned, (2) total hours worked by the employee, (3) the number of piece-rate units earned and any applicable piece rate if the employee is paid on a piece-rate basis, (4) all deductions, provided that all deductions made on written orders of the employee may be aggregated and shown as one item, (5) net wages earned, (6) the inclusive dates of the period for which the employee is paid, (7) the name of the employee and the last four digits of his or her social security number or an employee identification number other than a social security number, (8) the name and address of the legal entity that is the employer, and (9) all applicable hourly rates in effect during the pay period and the corresponding number of hours worked at each hourly rate by the employee. An employee is presumed to suffer an injury if this information is missing. (Lab. Code § 226(e)(2)(B)(iii).)

The statute further provides: “An employee suffering injury as a result of a knowing and intentional failure by an employer to comply with subdivision (a) is entitled to recover the greater of all actual damages or fifty dollars (\$50) for the initial pay period in which a violation occurs and one hundred dollars (\$100) per employee for each violation in a subsequent pay period, not to exceed an aggregate penalty of four thousand dollars (\$4,000), and is entitled to an award of costs and reasonable attorney’s fees.” (Lab. Code § 226(e)(1).)

Throughout the statutory period, Defendants failed to furnish Plaintiff and the Aggrieved Employees with accurate, itemized wage statements showing all applicable hourly rates, and all gross and net wages earned (including correct hours worked, correct wages for meal periods that were not provided in accordance with California law, and correct wages for rest periods that were not authorized and permitted to take in accordance with California law).

Because Defendants violated Labor Code § 226, Plaintiff and similarly Aggrieved Employees suffered injury and damage to their statutorily protected rights. Accordingly, Plaintiff and similarly Aggrieved Employees are entitled to recover from Defendants the greater of their actual damages caused by Defendants’ failure to comply with Labor Code § 226(a), or an aggregate penalty not exceeding four thousand dollars (\$4,000) per employee.

Moreover, Defendants are liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 226.3 for failing to furnish accurate itemized wage statements.

Failure to Indemnify for Necessary Expenditures

Labor Code § 2802(a) provides that employers shall indemnify his or her employees for all necessary business expenditures or losses that have been incurred by the employees in direct discharge of his or her duties. Throughout the statute of limitations period applicable to this cause of action, Defendants wrongfully required Plaintiff and the Aggrieved Employees to pay expenses that they incurred in direct discharge of their duties for Defendants. Plaintiff and the Aggrieved Employees regularly paid out-of-pocket for necessary employment-related expenses, including, without limitation, for work-related use of personal cell phones. Plaintiff and the

Aggrieved Employees incurred substantial expenses as a direct result of performing their job duties for Defendants, but Defendants failed to indemnify Plaintiff and the Aggrieved Employees for these employment-related expenses.

As a result, Defendants are liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 2802 and 2699(f)(2) for failing to indemnify Plaintiff and the Aggrieved Employees for necessary business expenditures.

Action for Civil Penalties Under PAGA

In light of the above, Plaintiff alleges that Defendants violated the following provisions of the Labor Code with respect to the Aggrieved Employees:

1. Labor Code § 204, 510, 1194, 1197, and 1198 by failing to pay for all hours worked, including minimum wages, straight time wages, and overtime wages;
2. Labor Code § 226.7 and applicable Wage Orders by failing to provide meal periods;
3. Labor Code § 226.7 and applicable Wage Orders by failing to authorize and permit rest periods;
4. Labor Code § 204 by failing to pay all earned wages two times per month;
5. California Labor Code § 1174.5 and applicable Wage Orders by failing to maintain accurate records of hours worked and meal periods taken or missed;
6. Labor Code §§ 201 to 203 by willfully failing to pay all wages owed at termination;
7. Labor Code § 226 by failing to provide accurate itemized wage statements; and
8. Labor Code § 2802 by failing to indemnify for necessary expenditures.

Therefore, on behalf of all Aggrieved Employees, Plaintiff seeks applicable penalties related to the violations alleged above pursuant to the PAGA. These include, but are not limited to, penalties under Labor Code §§ 210, 226.3, 1174.5, 1197.1, and 2699(f)(2).

Plaintiff has placed Defendants on notice by mailing a certified copy of this correspondence, as indicated on the first page. Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact me.

Sincerely,

WILSHIRE LAW FIRM

Justin F. Marquez, Esq.

2. RECITALS.

2.1. On July 3, 2023, Plaintiff commenced the first part of this Action by filing a Class Action Complaint alleging causes of action against Valyria for (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; (7) failure to indemnify employees for expenditures; and (8) unfair business practices (the "Original Class Action Complaint").

2.2. On November 3, 2023, Plaintiff filed a separate PAGA Complaint alleging causes of

action against Valyria for violations of the Labor Code Private Attorneys' General Act of 2004 for Civil Penalties for (1) failure to pay for all hours worked, including minimum, straight time, and overtime wages; (2) failure to provide meal periods; (3) failure to authorize and permit rest periods; (4) failure to pay all earned wages twice per month; (5) failure to maintain accurate records of hours worked and meal periods; (6) failure to timely pay all wages at termination; (7) failure to furnish accurate itemized wage statements; (8) failure to indemnify for necessary expenditures; and (9) all other claims for civil penalties recoverable under the Private Attorneys General Act, Labor Code §§ 2698 et seq. based on the facts or claims alleged in the LWDA notice letter (the "Original PAGA Complaint"). On April 27, 2026, Plaintiff filed a First Amended Complaint in the Class Action to allege and incorporate all claims made by Plaintiff against Valyria in Plaintiff's original complaints filed in the Class Action on or about July 3, 2023 and the PAGA Action on or about November 3, 2023. The First Amended Complaint is the Operative Complaint ("Operative Complaint"). And, as part of this Settlement, Plaintiff will dismiss the separate PAGA Action/Original PAGA Complaint, without prejudice, to effectively consolidate the Class Action and PAGA Action. Valyria denies the allegations in the Operative Complaint and the original aforementioned complaints filed against it by Plaintiff to-date, denies any failure to comply with the laws identified in in the Operative Complaint and the original aforementioned complaints filed against it by Plaintiff to-date, and denies any and all liability for the causes of action alleged.

- 2.3. Pursuant to Labor Code section 2699.3, subd.(a), Plaintiff gave timely written notice to Valyria and the LWDA, among others, by sending the PAGA Notice.
- 2.4. On November 22, 2024, the Parties participated in an all-day mediation presided over by David Phillips which led to this Agreement to settle the Action.
- 2.5. Prior to mediation, Plaintiff obtained, through informal discovery, documents and information, including but not limited to Valyria's written policies and practices, information relating to the size of the Class and Aggrieved Employees, number of weeks and pay periods worked, as well as a sampling of payroll and timekeeping records. Plaintiff's investigation was sufficient to satisfy the criteria for court approval set forth in *Dunk v. Foot Locker Retail, Inc.* (1996) 48 Cal.App.4th 1794, 1801 and *Kullar v. Foot Locker Retail, Inc.* (2008) 168 Cal.App.4th 116, 129-130 ("*Dunk/Kullar*").
- 2.6. The Court has not granted class certification.
- 2.7. The Parties, Class Counsel and Defense Counsel represent that they are not aware of any other pending matter or action asserting claims that will be extinguished or affected by the Settlement.

3. MONETARY TERMS.

- 3.1. Gross Settlement Amount. Except as otherwise provided by Paragraph 9 below, Valyria promises to pay \$380,000.00 and no more as the Gross Settlement Amount and to separately pay any and all employer payroll taxes owed on the Wage Portions of the Individual Class Payments. Valyria has no obligation to pay the Gross Settlement Amount (or any payroll taxes)

prior to the deadline stated in Paragraph 4.3 of this Agreement. The Administrator will disburse the entire Gross Settlement Amount without asking or requiring Participating Class Members or Aggrieved Employees to submit any claim as a condition of payment. None of the Gross Settlement Amount will revert to Valyria.

3.2. Payments from the Gross Settlement Amount. The Administrator will make and deduct the following payments from the Gross Settlement Amount, in the amounts specified by the Court in the Final Approval:

3.2.1. To Plaintiff: Class Representative Service Payment to the Class Representative of not more than \$10,000.00 (in addition to any Individual Class Payment and any Individual PAGA Payment the Class Representative is entitled to receive as a Participating Class Member and Aggrieved Employee). Valyria will not oppose Plaintiff's request for a Class Representative Service Payment that does not exceed this amount. As part of the motion for Class Counsel Fees Payment and Class Litigation Expenses Payment, Plaintiff will seek Court approval for any Class Representative Service Payment no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Representative Service Payment less than the amount requested, the Administrator will retain the remainder in the Net Settlement Amount. The Administrator will pay the Class Representative Service Payment using IRS Form 1099. Plaintiff assumes full responsibility and liability for employee taxes owed on the Class Representative Service Payment.

3.2.2. To Class Counsel: A Class Counsel Fees Payment of not more than one third (1/3), which is currently estimated to be \$126,666.67 and a Class Counsel Litigation Expenses Payment of not more than \$25,000.00. Valyria will not oppose requests for these payments provided that they do not exceed these amounts. Plaintiff and/or Class Counsel will file a motion for Class Counsel Fees Payment and Class Litigation Expenses Payment no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the Net Settlement Amount. Released Parties shall have no liability to Class Counsel or any other Plaintiffs Counsel arising from any claim to any portion any Class Counsel Fee Payment and/or Class Counsel Litigation Expenses Payment. The Administrator will pay the Class Counsel Fees Payment and Class Counsel Expenses Payment using one or more IRS 1099 Forms. Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fees Payment and the Class Counsel Litigation Expenses Payment and holds Valyria harmless, and indemnifies Valyria, from any dispute or controversy regarding any division or sharing of any of these Payments.

3.2.3. To the Administrator: An Administrator Expenses Payment not to exceed \$7,950.00 except for a showing of good cause and as approved by the Court. To the extent the Administration Expenses are less or the Court approves payment less than \$7,950.00, the Administrator will retain the remainder in the Net Settlement Amount.

3.2.4. To Each Participating Class Member: An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result

by each Participating Class Member's Workweeks.

- 3.2.4.1. Tax Allocation of Individual Class Payments. 10% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. The 90% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for interest and penalties (the "Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment.
- 3.2.4.2. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.
- 3.2.5. To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of \$20,000.00 to be paid from the Gross Settlement Amount, with 75% (\$15,000.00) allocated to the LWDA PAGA Payment and 25% (\$5,000.00) allocated to the Individual PAGA Payments.
 - 3.2.5.1. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties \$5,000.00 by the total number of PAGA Period Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Period Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.
 - 3.2.5.2. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

4. SETTLEMENT FUNDING AND PAYMENTS.

- 4.1. Class Workweeks and Aggrieved Employee Pay Periods. Based on a review of its records to date, Valyria estimates there are 186 Class Members who collectively worked a total of 9,500 Workweeks, and 75 Aggrieved Employees who worked approximately 2,500 PAGA Pay Periods.
- 4.2. Class Data. Not later than 21 days after the Court grants Preliminary Approval of the Settlement, Valyria will deliver the Class Data to the Administrator in the form of a Microsoft Excel spreadsheet. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for

no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Valyria has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Valyria must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

- 4.3. Funding of Gross Settlement Amount. Valyria shall fully fund the Gross Settlement Amount, and also fund the amounts necessary to fully pay Valyria's share of payroll taxes by transmitting the funds to the Administrator no later than 30 days after the Effective Date.
- 4.4. Payments from the Gross Settlement Amount. Within 14 days after Valyria funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment. Disbursement of the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment and the Class Representative Service Payment shall not precede disbursement of Individual Class Payments and Individual PAGA Payments.
 - 4.4.1. The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the date (not less than 180 days after the date of mailing) when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Settlement Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Settlement Administrator must update the recipients' mailing addresses using the National Change of Address Database.
 - 4.4.2. The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.
 - 4.4.3. For any Class Member whose Individual Class Payment check or Individual PAGA

Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to the California Controller's Unclaimed Property Fund in the name of the Class Member and/or Aggrieved Employee thereby leaving no "unpaid residue" subject to the requirements of California Code of Civil Procedure Section 384, subd. (b).

- 4.4.4. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Valyria to confer any additional benefits or make any additional payments to Class Members or Aggrieved Employees (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

5. INTENTIONALLY LEFT BLANK.

6. **RELEASES OF CLAIMS.** Effective on the date when Valyria fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiff, Class Members, and Class Counsel will release claims against all Released Parties as follows:

- 6.1. Plaintiff's Release. Plaintiff and his or her respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns generally, release and discharge Released Parties from all claims, transactions, or occurrences that occurred during the Class Period and PAGA Period, including, but not limited to: (a) all claims that were, or reasonably could have been, alleged, based on the facts contained, in the Operative Complaint and (b) all PAGA claims that were, or reasonably could have been, alleged based on facts contained in the Operative Complaint, Plaintiff's PAGA Notice, or ascertained during the Action and released under 6.2 and 6.3, below ("Plaintiff's Release."). Plaintiff's Release does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, workers' compensation benefits that arose at any time, or based on occurrences outside the Class Period. Plaintiff acknowledges that Plaintiff may discover facts or law different from, or in addition to, the facts or law that Plaintiff now knows or believes to be true but agrees, nonetheless, that Plaintiff's Release shall be and remain effective in all respects, notwithstanding such different or additional facts or Plaintiff's discovery of them.

- 6.1.1. Plaintiff's Waiver of Rights Under California Civil Code Section 1542. For purposes of Plaintiff's Release, Plaintiff expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the California Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or Released Party.

- 6.2. Release by Participating Class Members: All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs,

administrators, successors, and assigns, release Released Parties from all claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in the Operative Complaint and Original Class Action Complaint. Except as set forth in Section 6.3 of this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

6.3. Release by Aggrieved Employees: All Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint, Original PAGA Complaint, and the PAGA Notice.

7. **MOTION FOR PRELIMINARY APPROVAL.** The Parties agree to jointly prepare and file a motion for preliminary approval ("Motion for Preliminary Approval") that complies with the Court's current checklist for Preliminary Approvals.

7.1. Plaintiff's Responsibilities. Plaintiff will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code Section 2699, subd. (f)(2)); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; (iii) a draft proposed Class Notice; (iv) a signed declaration from the Administrator attaching its "not to exceed" bid for administering the Settlement and attesting to its willingness to serve; competency; operative procedures for protecting the security of Class Data; amounts of insurance coverage for any data breach, defalcation of funds or other misfeasance; all facts relevant to any actual or potential conflicts of interest with Class Members; and the nature and extent of any financial relationship with Plaintiff, Class Counsel or Defense Counsel; (v) a signed declaration from Plaintiff confirming willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members and/or the Administrator; (vi) a signed declaration from each Class Counsel firm attesting to its competency to represent the Class Members; its timely transmission to the LWDA of all necessary PAGA documents (initial notice of violations (Labor Code section 2699.3, subd. (a)), Operative Complaint (Labor Code section 2699, subd. (1)(1)), this Agreement (Labor Code section 2699, subd. (1)(2)); and (vii) all facts relevant to any actual or potential conflict of interest with Class Members and/or the Administrator. In their Declarations, Plaintiff and Class Counsel shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.

7.2. Responsibilities of Counsel. Class Counsel and Defense Counsel are jointly responsible for expeditiously finalizing and filing the Motion for Preliminary Approval; obtaining a prompt hearing date for the Motion for Preliminary Approval; and for appearing in Court to advocate in favor of the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court's Preliminary Approval to the Administrator.

- 7.3. Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

8. SETTLEMENT ADMINISTRATION.

- 8.1. Selection of Administrator. The Parties have jointly selected ILYM Group, Inc. to serve as the Administrator and verified that, as a condition of appointment, ILYM Group, Inc. agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Expenses. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.
- 8.2. Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.
- 8.3. Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1.
- 8.4. Notice to Class Members.
- 8.4.1. No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, PAGA Members, Workweeks, and Pay Periods in the Class Data.
- 8.4.2. Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service ("USPS") mail, the Class Notice with Spanish translation, if applicable, substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.
- 8.4.3. Not later than 3 business days after the Administrator's receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS

does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.

- 8.4.4. The deadlines for Class Members' written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the 45 days otherwise provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.
- 8.4.5. If the Administrator, Valyria or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as Class Members and/or Aggrieved Employees. If the Parties agree, such persons will be Class Members and/or Aggrieved Employees entitled to the same rights as other Class Members and/or Aggrieved Employees, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, whichever are later.

8.5. Requests for Exclusion (Opt-Outs).

- 8.5.1. Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.
- 8.5.2. The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.
- 8.5.3. Every Class Member who does not submit a timely and valid Request for

Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraphs 6.2 and 6.3 of this Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.

8.5.4. Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.3 of this Agreement and are eligible for an Individual PAGA Payment.

8.6. Challenges to Calculation of Workweeks. Each Class Member shall have 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination of the challenges.

8.7. Objections to Settlement.

8.7.1. Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.

8.7.2. Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 45 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).

8.7.3. Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

8.8. Administrator Duties. The Administrator has a duty to perform or observe all tasks to be

performed or observed by the Administrator contained in this Agreement or otherwise.

- 8.8.1. Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.
- 8.8.2. Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 5 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion ("Exclusion List"); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).
- 8.8.3. Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments ("Weekly Report"). The Weekly Reports must provide the Administrator's assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.
- 8.8.4. Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator's decision shall be final and not appealable or otherwise susceptible to challenge.
- 8.8.5. Administrator's Declaration. Not later than 14 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel with a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court.

Class Counsel is responsible for filing the Administrator's declaration(s) in Court.

- 8.8.6. Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

9. **CLASS SIZE ESTIMATES and ESCALATOR CLAUSE** Based on its records, Valyria estimates that, as of the date of this Settlement Agreement, (1) there are approximately 186 Class Members and 9,500 Total Workweeks during the Class Period and (2) there were approximately 75 Aggrieved Employees who worked approximately 2,500 Pay Periods during the PAGA Period.

Valyria represents that there are no more than 9,500 workweeks during the Class Period. In the event the number of workweeks during the Class Period increases by more than 10%, or 950 workweeks, then, at Valyria's election: (1) the Gross Settlement Amount shall be increased proportionally by the workweeks in excess of 10,450 multiplied by the workweek value; or (2) the Class Period shall end on the date the number of workweeks reaches 10,450 and the Gross Settlement Amount ("GSA") remains \$380,000. The workweek value shall be calculated by dividing the GSA by 9,500. The Parties agree that the workweek value in the settlement amounts to \$40.00 per workweek (\$380,000 / 9,500 workweeks). Thus, for example, should there be 10,500 workweeks in the Class Period, then the Gross Settlement Amount shall be increased by \$2,000.00 (10,500 workweeks – 10,450 workweeks) x \$40.00/workweek). Valyria shall make its election above no later than 7 days after receiving sufficient information from the Administrator indicating that the number of workweeks has exceed 10,450 and, if the number of workweeks has exceeded 10,450, the amount Valyria would be expected to contribute if it were to elect to increase the Gross Settlement Amount proportionally by the workweeks in excess of 10,450.

10. **VALYRIA'S RIGHT TO WITHDRAW.** If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 10% of the total of all Class Members, Valyria may, but is not obligated to, elect to withdraw from the Settlement. The Parties agree that, if Valyria withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Valyria will remain responsible for paying all Settlement Administration Expenses incurred to that point. Valyria must notify Class Counsel and the Court of its election to withdraw not later than seven days after the Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect.
11. **MOTION FOR FINAL APPROVAL.** Not later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (1), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiff shall provide drafts of these documents to Defense Counsel by at least 10

days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

- 11.1. Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
- 11.2. Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.
- 11.3. Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.
- 11.4. Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment reflected as set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.
- 11.5. Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross

Settlement Amount remains unchanged.

12. **AMENDED JUDGMENT.** If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

13. **ADDITIONAL PROVISIONS.**

- 13.1. No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Valyria that any of the allegations in the Operative Complaint have merit or that Valyria has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Valyria's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval or enter Judgment, Valyria reserves the right to contest certification of any class for any reason, and Valyria reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Valyria's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

- 13.2. Confidentiality Prior to Preliminary Approval. Plaintiff, Class Counsel, Valyria and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff, Class Counsel, Valyria and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication before the filing of the Motion for Preliminary Approval, with any third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

- 13.3. No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

- 13.4. Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.
- 13.5. Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Valyria, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.
- 13.6. Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.
- 13.7. No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 13.8. No Tax Advice. Neither Plaintiff, Class Counsel, Valyria nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 13.9. Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
- 13.10. Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 13.11. Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.
- 13.12. Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 13.13. Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.

- 13.14. Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Valyria in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall destroy all paper and electronic versions of Class Data received from Valyria unless, prior to the Court's discharge of the Administrator's obligation, Valyria makes a written request to Class Counsel for the return, rather than the destruction, of Class Data.
- 13.15. Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 13.16. Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.
- 13.17. Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

**COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING
DATE FOR FINAL COURT APPROVAL**

Deivi Rivera v. Valyria, LLC d/b/a Transpac, et al.
Case No. CU23-02357

The Superior Court for the State of California authorized this Notice. Read it carefully! It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.

You may be eligible to receive money from an employee class action lawsuit ("Action") against Valyria, LLC d/b/a Transpac Brands ("Valyria") for alleged wage and hour violations. The Action was filed by a former Valyria employee, Deivi Rivera ("Plaintiff"), and seeks payment of (1) back wages and other relief for all non-exempt California Valyria employees employed during the Class Period (July 3, 2019 to January 21, 2025); and (2) penalties under the California Private Attorney General Act ("PAGA") for all non-exempt California Valyria employees employed during the PAGA Period (July 21, 2022 to January 21, 2025) ("Aggrieved Employees").

Nothing in this Notice or this Settlement, generally, should be interpreted or construed as an admission by Valyria of any liability whatsoever. Throughout this litigation, Valyria has strongly denied, and continues to strongly deny, that it violated any laws or failed to pay any wages and it contends it complied with all applicable laws. This Settlement reflects a good faith effort by the Parties to resolve the claims made by Plaintiff against Valyria in lieu of continuing to engage in protracted litigation.

The proposed Settlement has two main parts: (1) a Class Settlement requiring Valyria to fund Individual Class Payments, and (2) a PAGA Settlement requiring Valyria to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency ("LWDA").

Based on Valyria's records, and the Parties' current assumptions, **your Individual Class Payment is estimated to be \$XXX (less withholding) and your Individual PAGA Payment is estimated to be \$XXX.** The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then, according to Valyria's records, you are not eligible for an Individual PAGA Payment under the Settlement because you didn't work during the PAGA Period.)

The above estimates are based on Valyria's records showing that **you worked XXX workweeks** during the Class Period and **you worked XXX pay periods** during the PAGA Period. If you believe that you worked more workweeks during either period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or do not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff's attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment that requires Valyria to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Valyria.

If you worked for Valyria during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Valyria.
- (2) Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Valyria, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Valyria will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Valyria that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is XXX	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Valyria must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released Claims (defined below).
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by XXX	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff, who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section

	7 of this Notice.
You Can Participate in the Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on XXX . You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by XXX	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number Class Period Workweeks and number of PAGA Period Pay Periods you worked according to Valyria's records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by XXX . See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former Valyria employee. The Action accuses Valyria of violating California labor laws by failing to pay minimum, overtime and straight time wages, to provide meal periods and rest breaks, to timely pay final wages at termination, and to provide accurate itemized wage statements, to indemnify employees for expenditures, as well as claims for unfair competition. Based on effectively the same claims, Plaintiff has also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, et seq.) ("PAGA"). Plaintiff is represented by attorneys in the Action: Benjamin H. Haber, Daniel J. Kramer, Angela Leong, and Alan Wilcox of Wilshire Law Firm, PLC ("Class Counsel.")

Valyria strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Valyria or Plaintiff is correct on the merits.

In the meantime, Plaintiff and Valyria hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an end to the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement ("Agreement") and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Valyria have negotiated a proposed Settlement that is subject to the Court's Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Valyria does not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe

that: (1) Valyria has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Valyria Will Pay \$380,000.00 as the Gross Settlement Amount (Gross Settlement). Valyria has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel's attorney's fees and expenses, the Administrator's expenses, and penalties to be paid to the California Labor and Workforce Development Agency ("LWDA"). Assuming the Court grants Final Approval, Valyria will fund the Gross Settlement not more than 30 days after the Judgment entered by the Court become final. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.
2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
 - A. Up to \$126,666.67 (one-third) of the Gross Settlement to Class Counsel for attorneys' fees and up to \$25,000 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
 - B. Up to \$10,000.00 as a Class Representative Award for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiff will receive other than Plaintiff's Individual Class Payment and any Individual PAGA Payment.
 - C. Up to \$7,950.00 to the Administrator for services administering the Settlement.
 - D. Up to \$20,000.00 for PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the Aggrieved Employees based on their PAGA Period Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the "Net Settlement") by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.
4. Taxes Owed on Payments to Class Members. Plaintiff and Valyria are asking the Court to approve an allocation of 10% of each Individual Class Payment to taxable wages ("Wage

Portion") and 90% to interest, etc. ("Non-Wage Portion."). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Valyria will separately pay employer payroll taxes it owes on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiff and Valyria have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don't cash it by the void date, your check will be automatically cancelled, and the monies will be deposited with the California Controller's Unclaimed Property Fund in your name.

If the monies represented by your check is sent to the Controller's Unclaimed Property, you should consult the rules of the Fund for instructions on how to retrieve your money.

6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than XXX, that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the XXX Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her representative setting forth a Class Member's name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Valyria.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Valyria based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will Be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiff and Valyria have agreed that, in either case, the Settlement will be void: Valyria will not pay any money and Class Members will not release any claims against Valyria.
8. Administrator. The Court has appointed a neutral company, ILYM Group, Inc. (the "Administrator") to send this Notice, calculate and make payments, and process Class Members' Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator's contact information is

contained in Section 9 of this Notice.

9. Participating Class Members' Release. After the Judgment is final and Valyria has fully funded the Gross Settlement (and separately paid all employer payroll taxes), Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Valyria or related entities for wages based on the Class Period facts and PAGA penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

The Participating Class Members will be bound by the following release:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from (i) all claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in the Operative Complaint. Except as set forth in Section 6.3 of the Settlement Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

10. Aggrieved Employees' PAGA Release. After the Court's judgment is final, and Valyria has paid the Gross Settlement (and separately paid the employer-side payroll taxes), all Aggrieved Employees will be barred from asserting PAGA claims against Valyria, whether or not they exclude themselves from the Class Settlement. This means that all Aggrieved Employees, including those who are Participating Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue, or participate in any other PAGA claim against Valyria or its related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

The Aggrieved Employees' Releases for Participating and Non-Participating Class Members are as follows:

All Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties, from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint and the PAGA Notice.

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by

(a) dividing 25% of \$20,000 (or \$5,000.00) by the total number of PAGA Pay Periods worked by all Aggrieved Employees and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual Aggrieved Employee.

3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Valyria's records, are stated in the first page of this Notice. You have until **XXX** to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Valyria's calculation of Workweeks and/or Pay Periods based on Valyria's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Valyria's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

5. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.
2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

6. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

Submit a written and signed letter with your name, present address, telephone number, and a simple statement that you do not want to participate in the Settlement. The Administrator will exclude you based on any writing communicating your request be excluded. Be sure to personally sign your request, identify the Action as “*Deivi Rivera v. Valyria, LLC d/b/a Transpac, et al.*” and include your identifying information (full name, address, telephone number, approximate dates of employment, and social security number for verification purposes). You must make the request yourself. If someone else makes the request for you, it will not be valid. **The Administrator must be sent your request to be excluded by **XXX**, or it will be invalid.** Section 9 of the Notice has the Administrator's contact information.

7. HOW DO I OBJECT TO THE SETTLEMENT?

Only Participating Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiff and Valyria are asking the Court to approve. At least **XXX** days before the **XXX** Final Approval Hearing, Class Counsel and/or Plaintiff will file in Court (1) a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, and (2) a Motion for Fees, Litigation Expenses and Service Award stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiff is requesting as a Class Representative Service Award. Upon reasonable request, Class Counsel (whose contact information is in Section 9 of this Notice) will send you copies of these documents at no cost to you. You can also view them on the Administrator's Website (url) or the Court's website (url).

A Participating Class Member who disagrees with any aspect of the Agreement, the Motion for Final Approval and/or Motion for Fees, Litigation Expenses and Service Award may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested by Class Counsel or Plaintiff are too high or too low. **The deadline for sending written objections to the Administrator is **XXX**.** Be sure to tell the Administrator what you object to, why you object, and any facts that support your objection. Make sure you identify the Action “Deivi Rivera v. Valyria, LLC d/b/a Transpac, et al.” and include your name, current address, telephone number, and approximate dates of employment for Valyria and sign the objection. Section 9 of this Notice has the Administrator's contact information.

Alternatively, a Participating Class Member can object (or personally retain a lawyer to object at your own cost) by attending the Final Approval Hearing. You (or your attorney) should be ready to tell the Court what you object to, why you object, and any facts that support your objection. See Section 8 of this Notice (immediately below) for specifics regarding the Final Approval Hearing.
