1. I am an attorney duly licensed to practice law in all Courts of the State of California. I am a shareholder and the founder of Blackstone Law, APC (“Class Counsel”), attorneys of record for Plaintiff Armando Gastelum (“Plaintiff”). I have personal knowledge of the facts contained herein, and, if called to testify, I could and would competently do so.

2. I am fully familiar with the legal and factual issues in this case and have specific experience litigating complex wage and hour actions as class actions, including employment cases as set forth above.

4. On the vast majority of those cases, I was the only or primary attorney managing the case and thus obtained extensive experience. In that capacity, I conducted wage and hour and wrongful termination labor and employment intakes; was the primary contact for all clients; took and defended hundreds (if not thousands) of depositions; propounded and responded to all discovery; prepared and opposed all motions and pleadings, including dispositive and certification motions; strategized on all cases; attended all hearings; attended all mediations; coordinated with class action administrators; prepared and worked with experts; first and second chaired multiple trials and arbitrations; and engaged in all other intricate facets of litigation. During that time, I represented a wide range of clients from sole proprietorships to Fortune 500 companies in state, federal, complex, and appellate courts. Many of the cases I managed were highly publicized, with articles written about them in the Los

1 Angeles Times, Deadline, The Hollywood Reporter, Business Insider, Law360, and others. Super
2 Lawyers has regularly honored me as a Southern California Rising Star since 2012.

3 5. In February 2018, I started the law firm of Blackstone Law, APC, representing
4 plaintiffs in individual and representative employment litigation. The firm has grown exponentially
5 over the past six-plus years, now maintaining twenty highly pedigreed attorneys working on almost
6 exclusively labor and employment class actions, California Labor Code Private Attorney General Act
7 of 2004 (“PAGA”) cases, and individual matters, with roughly 15% of the firm focused on other
8 complex general litigation matters.

9 6. I have considerable experience in handling class and representative action lawsuits
10 throughout my career and have been approved as counsel in a number of cases, including, most
11 recently:

- 12 • *Anthony DiRico v. Seek Capital, LLC*, Los Angeles County Superior Court, Case No.
13 BC698076, a wage and hour class action brought on behalf of a class of hourly-paid
14 employees working in the State of California.
- 15 • *Consumer Protection Group, LLC v. A. D. Sutton & Sons, Inc.*, Los Angeles County
16 Superior Court, Case No. 19STCV29979, a private attorney general action for penalties
17 pursuant to Health and Safety Code section 25249.7.
- 18 • *Consumer Protection Group, LLC v. Shaxon Industries, Inc., et al.*, Los Angeles County
19 Superior Court, Case No. 19STCV30306, a private attorney general action for penalties
20 pursuant to Health and Safety Code section 25249.7.
- 21 • *Consumer Protection Group, LLC v. Home Depot U.S.A., Inc.*, Los Angeles County

8. I am currently the managing partner overseeing roughly 250 labor and employment cases, approximately 80% of which include a wage and hour component. The majority of those cases are wage-and-hour putative class actions or representative PAGA actions seeking relief on behalf of thousands of California employees.

Procedural History of the Action

9. On July 20, 2023, Plaintiff provided written notice to the California Labor and Workforce Development Agency (“LWDA”) by online submission and to Defendant Premier Trailer Manufacturing, Inc. (“Defendant”) by U.S. Certified Mail, pursuant to California Labor Code Section 2699.3, of the specified provisions of the California Labor Code alleged to have been violated by Defendant (“PAGA Letter”). A true and correct copy of the PAGA Letter is attached hereto as **Exhibit 1**.

10. On July 27, 2023, Plaintiff filed a Class Action Complaint for Damages in the action entitled *Armando Gastelum v. Premier Trailer Manufacturing, Inc.*, Tulare County Superior Court Case No. VCU300333 (“Action”), thereby commencing a putative class action against Defendant.

///

///

1 11. On September 27, 2023, Plaintiff filed a First Amended Complaint (“Operative
2 Complaint”) in the Action. The Operative Complaint alleges ten (10) causes of action for violations
3 of the California Labor Code for failure to pay minimum wages, failure to pay overtime wages, failure
4 to provide compliant meal periods and premium payments in lieu thereof, failure to provide compliant
5 rest periods and premiums payments in lieu thereof, failure to timely pay wages during employment,
6 failure to provide accurate wage statements, failure to timely pay wages upon termination, and failure
7 to reimburse necessary business expenses, for violations of California Business & Professions Code
8 Section 17200, *et seq.* based on the aforementioned California Labor Code violations, and for civil
9 penalties under PAGA based on the aforementioned California Labor Code violations.

10 12. On February 22, 2024, Defendant propounded written formal discovery onto Plaintiff
11 (specifically, Form Interrogatories – General (Set One), Form Interrogatories – Employment Law (Set
12 One), Special Interrogatories (Set One), Request for Admission (Set One), and Request for Production
13 of Documents (Set One)).

14 13. On March 14, 2024, Plaintiff propounded written formal discovery onto Defendant
15 (specifically, Form Interrogatories – General (Set One), Form Interrogatories – Employment Law (Set
16 One), Special Interrogatories (Set One), Requests for Admission (Set One), and Requests for
17 Production of Documents (Set One)), noticed the deposition of Defendant’s Person Most
18 Knowledgeable, and served a proposed Belaire-West notice.

19 14. On May 7, 2024, Plaintiff and Defendant (together, the “Parties”) participated in a
20 formal mediation conducted by Judge Howard R. Broadman (Ret.) (“Mediator”), a neutral and
21 respected mediator with extensive experience in complex wage and hour matters, and with the
22 assistance of the Mediator’s evaluations, the Parties were able to reach an agreement to resolve this
23 dispute on a class and representative basis. The Parties then worked diligently to negotiate and
24 memorialize the terms in a long form settlement agreement.

25 15. On July 2, 2024, the Parties executed the Joint Stipulation of Class Action and PAGA
26 Settlement (“Settlement” or “Settlement Agreement”). A true and correct copy of the Settlement
27 Agreement is attached hereto as **Exhibit 2**.

28 ///

Summary of the Terms of the Settlement Agreement

16. For purposes of settlement only, the Parties have agreed that the Class shall be defined as “all current and former hourly-paid and/or non-exempt employees who worked for Defendant in the State of California at any time during the Class Period (“Class Members” or “Class”). The Class Period is defined as the period from July 27, 2019 through July 6, 2024. Based on information provided by Defendant, as of December 31, 2023, it is estimated that there are a total of nine hundred and ninety-one (991) Class Members.

17. The Parties have agreed to settle the class and PAGA claims at issue in the Operative Complaint for a non-reversionary Gross Settlement Amount of One Million Three Hundred Thousand Dollars and Zero Cents (\$1,300,000.00), exclusive of employer-side payroll taxes. The Gross Settlement Amount is a common fund and therefore includes all requested costs, fees, and other allocations. The Gross Settlement Amount includes: (1) Class Counsel’s fees in the amount of thirty-five percent (35%) of the Gross Settlement Amount (i.e., \$455,000.00 if the Gross Settlement Amount is \$1,300,000.00); (2) Class Counsel’s actual litigation costs and expenses, not to exceed Twenty Thousand Dollars and Zero Cents (\$20,000.00); (3) Settlement Administration Costs, not to exceed Fourteen Thousand Dollars and Zero Cents (\$14,000.00); (4) Enhancement Payment in the amount of Ten Thousand Dollars and Zero Cents (\$10,000.00); and (5) PAGA Amount in the amount of Fifty Thousand Dollars and Zero Cents (\$50,000.00). After the above-estimated amounts are deducted from the Gross Settlement Amount, the Net Settlement Amount that will be available for Class Members is currently estimated to be Seven Hundred Fifty-One Thousand Dollars and Zero Cents (\$751,000.00). Additionally, 25% of the PAGA Amount (“PAGA Employee Amount”), which is \$12,500.00 out of \$50,000.00 will be fully distributed to all current and former hourly-paid and/or non-exempt employees who worked for Defendant in the State of California at any time during the PAGA Period (“PAGA Employees”). The “PAGA Period” is defined as the period from July 20, 2022 through July 6, 2024.

18. The Net Settlement Amount will be distributed and paid to all Class Members who do not submit a timely and valid Request for Exclusion (“Settlement Class Members”) on a *pro rata* basis based on the number of weeks each Class Member worked for Defendant as an hourly-paid and/or

1 non-exempt employee in California during the Class Period (“Workweeks”). In order to be counted
2 as a Workweek, the Class Member must have worked at least one day in that week. The *pro rata*
3 share of the Net Settlement Amount that a Class Member may be eligible to receive under the Class
4 Settlement (“Individual Settlement Share”) will be calculated by the Settlement Administrator, in
5 accordance with the Settlement Agreement.

6 19. The PAGA Employee Amount will be distributed and paid to all PAGA Employees on
7 a *pro rata* basis based on the number of weeks each PAGA Employee worked for Defendant as an
8 hourly-paid and/or non-exempt employee in California during the PAGA Period (“PAGA
9 Workweeks”). In order to be counted as a PAGA Workweek, the PAGA Employee must have worked
10 at least one day in that week. The *pro rata* share of the PAGA Employee Amount that a PAGA
11 Employee may be eligible to receive under the PAGA Settlement (“Individual PAGA Payment”) will
12 be calculated by the Settlement Administrator, in accordance with the Settlement Agreement.

13 20. Each Individual Settlement Share will be allocated as fifteen percent (15%) wages and
14 eighty-five percent (85%) penalties, interest, and non-wage damages. The portion allocated to wages
15 will be reported on an IRS Form W-2 and the portions allocated to penalties, interest, and non-wage
16 damages will be reported on an IRS Form 1099 (if applicable) by the Settlement Administrator. The
17 Settlement Administrator will withhold the employee’s share of taxes and withholdings with respect
18 to the wages portion of the Individual Settlement Shares, and issue checks to Settlement Class
19 Members for their net payment of their Individual Settlement Share (“Individual Settlement
20 Payment”). The employer’s share of taxes and contributions in connection with the wages portion of
21 Individual Settlement Shares will be paid by Defendant separately and in addition to the Gross
22 Settlement Amount. Each Individual PAGA Payment will be allocated as one hundred percent (100%)
23 penalties and will be reported on an IRS Form 1099 (if applicable) by the Settlement Administrator.

24 21. The Settlement Agreement is a non-reversionary and non-claims made settlement. The
25 Net Settlement Amount will be fully distributed to Settlement Class Members and the PAGA Amount
26 will be fully distributed to the LWDA and PAGA Employees, in accordance with the Settlement
27 Agreement. No money will revert to Defendant.

28 ///

1 22. Each Individual Settlement Payment and Individual PAGA Payment check will be
2 valid and negotiable for one hundred and eighty (180) calendar days from the date the checks are
3 issued, and thereafter, shall be canceled. Any funds associated with such canceled checks will be
4 distributed by the Settlement Administrator to the State of California's Unclaimed Property Division
5 in the name of the Settlement Class Member and/or PAGA Employee.

6 **The Settlement is Reasonable**

7 ***Informed Arms-Length Negotiations***

8 23. The Parties' settlement negotiations were at all times made at arm's-length and were
9 adversarial. The Settlement was reached following a full day of mediation with a highly respected
10 mediator with substantial experience mediating wage and hour cases, and Plaintiff engaged in
11 additional negotiations in order to finalize the long-form agreement presently before the Court.

12 24. The Parties engaged in extensive formal and informal discovery prior to reaching a
13 settlement. Prior to mediation, Defendant produced a random sampling of putative class members'
14 time and pay records as well as Defendant's relevant wage and hour policies, and information
15 regarding the total number of putative class members, the number of current versus former employees,
16 the total workweeks worked by the putative class members, and the average rate of pay for the putative
17 class members.

18 25. This allowed Class Counsel to conduct an informed assessment and analysis of the
19 strengths and weaknesses of the claims and the potential class-wide damages.

20 26. Based on the information exchanged, the Parties extensively briefed issues regarding
21 class certification and liability and provided their analyses to the Mediator who helped the Parties
22 debate the strengths and weakness of their respective positions.

23 ***Estimate of Potential Value of Claims***

24 27. My office analyzed all available data and estimated Defendant's maximum potential
25 exposure to be approximately \$8,216,945, assuming the litigation was successful at trial on all claims
26 at issue and every employee had a violation for each claim on every shift worked. This maximum
27 potential analysis was then reduced based on the challenges facing the likelihood of obtaining class
28 certification, prevailing at trial, and other attendant risks. This estimate is based off an estimated

1 maximum liability for all claims at issue and the total aggregate workweeks during the relevant time
2 period, less interest, and based on the analysis of the data which was extrapolated out for all class
3 members across the entire putative class period, which included: \$946,202 for meal period violations
4 (the damages assuming a 100% violation is \$1,017,674, however, Defendant paid meal period
5 premiums and asserted that Class Members entered into valid meal period waivers and based thereon,
6 the damages are \$946,202); \$2,701,964 for rest period violations at a 100% violation rate; \$552,533
7 for unpaid off-the-clock work for 1 hour per workweek of off-the-clock work; \$75,987 for unpaid
8 overtime wages; \$3,048,979 for waiting time penalties; \$637,300 for wage statement penalties; and
9 \$253,980 for unreimbursed business expenses. Plaintiff further estimated that Defendant faced an
10 additional exposure of \$1,006,200 in potential, non-stacked (i.e., one penalty, per employee, per pay
11 period during the PAGA statutory period) PAGA penalties. Together with the PAGA penalties,
12 Defendant's maximum potential exposure totaled \$9,223,145 in damages.

13 ***Specific Risks Considered***

14 28. Although the investigation and information discovered supports Plaintiff's contentions,
15 Defendant raised potential defenses and other circumstances that impacted the risk of proceeding on
16 a class-wide basis. Consideration of these risks factored into the negotiations and the decision to enter
17 the Settlement.

18 29. My colleagues and I were aware of Defendant's defenses and arguments and have also
19 taken into account the uncertainty and risk of the outcome of further litigation, and the difficulties and
20 delays inherent in such litigation, including those involved in class and/or representative adjudication.
21 Plaintiff further recognizes the burdens of proof necessary to establish liability for the claims asserted
22 in the Action, Defendant's defenses, and the difficulties in establishing entitlement to monetary
23 recovery. Plaintiff has also considered the Parties' settlement discussions, as well as the evaluations
24 of the Mediator, who is experienced and well-regarded in complex labor and employment matters.

25 30. Defendant denied and continues to deny any liability and wrongdoing of any kind
26 associated with the claims alleged in the Action, and further denies that class certification is
27 appropriate for any purpose other than the Settlement. Defendant believes that it would ultimately
28 prevail in the Action. Defendant proffered defenses to both certification and to the merits of Plaintiff's

1 claims. Defendant contended that Plaintiff's claims are not suitable for class certification because
2 individual issues would predominate should this case go to trial. As with all class actions, these
3 complex cases raise difficult management and proof issues and, accordingly, there is a significant risk
4 that the Court may deny class certification.

5 31. For example, Plaintiff's meal period claims, which were based on Defendant's alleged
6 failure to provide lawful meal periods, have been increasingly difficult to certify in recent years.
7 Plaintiff's theory of liability for meal period violations was based on allegations that Defendant had
8 failed to implement its policies and that its practices failed to allow Class Members to take meal breaks
9 in the manner required under California law. Defendant contended that its policies and practices at all
10 times during the Class Period were lawful. Additionally, Defendant pointed to the fact that many of
11 its employees who frequently worked shifts that did not exceed six hours in length had signed lawful
12 meal period waivers, thereby reducing the alleged violation rate. Defendant further argued that the
13 rate of purported meal period violations reflected in the data would require individualized inquiry and
14 that such inquiry would prohibit a class from being certified. We also had to consider the risk that the
15 Court would find validity in the individualized proof defense to certification of Plaintiff's meal period
16 claim.

17 32. Additionally, a large portion of Defendant's overall liability lies in Plaintiff's rest
18 period allegations. As with the meal period allegations, Defendant contended that it had a lawful
19 written rest period policy, provided compliant rest breaks, and relieved Class Members of all duties as
20 required under California law. Additionally, this claim was even more uncertain given the difficulties
21 associated with proving the alleged rest period violations, as Defendant was not required to record
22 these breaks. Given the lack of records demonstrating rest period violations, there were legitimate
23 concerns Plaintiff would not be able to certify these claims or prove substantial damages with requisite
24 certainty, which made the estimated value of this claim subject to much challenge.

25 33. Plaintiff also faced challenges certifying and proving liability for his minimum wage
26 and overtime claims. These claims were largely based on Defendant's unrecorded, off-the-clock work
27 performed by the Class Members both before and after their shifts and during purported meal and rest
28 periods. However, the individualized nature of why this work was performed and the individualized

1 nature of damages presented substantial concerns regarding the manageability of the case and the risk
2 the Court could find these issues prevented certification, and the estimated damages for this claim
3 were based on an assumption that all Class Members worked off the clock for at least one hour per
4 week.

5 34. There are also substantial risks associated with Plaintiff's waiting time penalties and
6 wage statement claims. First, these claims were derivative of Plaintiff's claims for unpaid meal period
7 premiums, unpaid rest period premiums, unpaid minimum wages, and unpaid overtime wages, and if
8 certification was denied on those underlying claims, these derivative claims for penalties would also
9 likely fail. Further, even if Plaintiff prevailed on his underlying claims, he would still be required to
10 demonstrate that Defendant's violations of California Labor Code section 203 were *willful* violations.
11 Wage statement claims have also seen varying treatment at the appellate level because such claims
12 have an element of discretion attached to them rather than a pure calculation of damages after liability
13 is proven. Accordingly, these derivative claims, which comprised a substantial portion of Defendant's
14 estimated liability, were therefore uncertain.

15 35. My office also recognized that, even if Plaintiff prevailed at class certification, proving
16 the amount of wages due to each Class Member would be an expensive, time-consuming, and
17 extremely uncertain proposition. In order to prove liability and damages, my office will need to
18 request and analyze thousands of pages of documents, obtain the Class Members' contact information,
19 contact them, and obtain declarations at great expense. Obtaining the cooperation of current
20 employees would also be difficult, given the likely reluctance to aid prosecution of a lawsuit against a
21 current employer. On the other hand, Defendant would likely be able to obtain the cooperation of
22 their employees. Moreover, even if Plaintiff prevailed at class certification and trial, possible appeals
23 would substantially delay any recovery by the Class.

24 36. Therefore, taking into account how each of the above risks potentially effected
25 Plaintiff's ability to first obtain class certification, and then prove the underlying violations, plus the
26 cost and delay in recovering the alleged potential damages, Class Counsel discounted Defendant's
27 estimated liability based on the challenges facing his ability to succeed on class certification by 50%
28 to \$4,611,573. The merits-based risk factors further reduced Defendant's estimated liability by an

1 additional 50%. This resulted in an adjusted estimated liability of \$2,305,786. In light thereof, the
2 settlement amount of \$1,300,000 is a significant settlement.

3 37. My office also separately contemplated the risks of proceeding with the PAGA action
4 and potential liability Defendant could face from this claim as part of the global resolution. Existing
5 case law makes PAGA claims subject to the same defenses and risks as Plaintiff's underlying wage
6 claims. Moreover, although California case law clearly states that PAGA actions need not satisfy class
7 action requirements, Class Counsel remained mindful of the fact that some courts have nevertheless
8 held that PAGA claims must meet a threshold "manageability" requirement pursuant to *Wesson v.*
9 *Staples the Office Superstore, LLC*, 68 Cal.App.5th 746 (2021). We also anticipated that even if
10 successful on the merits at trial, the imposition of cumulative civil penalties based on the alleged wage
11 and hour violations could be considered unjust, arbitrary and oppressive, or confiscatory, and that
12 Defendant would argue that it made a good faith attempt to comply with its legal obligations
13 warranting a reduction in penalties. Class Counsel also anticipated Defendant would argue that it
14 made a good faith attempt to comply with its legal obligations and that the violations per pay period
15 were low, warranting an additional reduction in civil penalties. Finally, we were also mindful of the
16 fact that PAGA is fundamentally not intended to be compensatory in nature but is instead intended to
17 facilitate enforcement of California's labor laws by financing state activities and educating and
18 deterring non-compliance.

19 38. Therefore, after considering this multitude of factors, we concluded that it was in the
20 best interest of the State of California and the PAGA Employees to enter into the Settlement, and to
21 allocate Fifty Thousand Dollars and Zero Cents (\$50,000.00) of the Gross Settlement Amount towards
22 the PAGA claim, which represents approximately 3.85% of the Gross Settlement Amount. This
23 percentage of the settlement is well-within the range of wage and hour settlements regularly approved
24 in both state and federal court for cases that include both a class and PAGA action. Typically, such
25 hybrid cases allocate only 1% of the gross settlement value to resolve PAGA claims, and, indeed,
26 settlements allocations as little as 0.22% of the gross settlement amount have been approved as
27 reasonable by courts. Moreover, the overall relief obtained by the Settlement is significant, not only
28 from a monetary perspective, but also because it fulfills the public policy objectives of PAGA—to

1 promote enforcement of California's labor laws, provide funds to the state, and deter future non-
2 compliance by the employer.

3 39. I therefore submit that the Settlement is fair, reasonable, and adequate. The Settlement
4 is in the best interest of the Class Members, the PAGA Employees, and the State of California and is
5 within the accepted range of recoveries for this type of litigation given the inherent risk of litigation,
6 the risk of obtaining and maintaining class certification, and the costs of further litigation.

7 ***Enhancement Payment***

8 40. As part of the Settlement Agreement, Plaintiff is requesting a reasonable Enhancement
9 Payment of Ten Thousand Dollars and Zero Cents (\$10,000.00) to Plaintiff Armando Gastelum. This
10 Enhancement Payment is eminently reasonable given the time and effort Plaintiff spent on this case,
11 and the benefit to the Class Members as a result of Plaintiff's actions. Notice of the requested
12 Enhancement Payment is disclosed to the Class Members in the Class Notice.

13 ***Attorneys' Fees and Costs***

14 41. The attorneys' fees incurred by Class Counsel are in line with the common fund
15 requested. The Settlement Agreement provides for Class Counsel to apply for attorneys' fees in an
16 amount of up to thirty-five percent (35%) of the Gross Settlement Amount (i.e., \$455,000.00 if the
17 Gross Settlement Amount is \$1,300,000.00) and actual litigation costs and expenses in an amount not
18 to exceed Twenty Thousand Dollars and Zero Cents (\$20,000.00), which will be paid out of the Gross
19 Settlement Amount, subject to approval by the Court. Class Counsel has borne all of the risks and
20 costs of litigation and will not receive any compensation until recovery is obtained.

21 42. The effectiveness of Blackstone Law, APC's prosecution of this matter has translated
22 into tangible monetary benefits as follows: (1) Class Members, the State of California, and PAGA
23 Employees will obtain monetary recovery over a relatively short period of time, as opposed to waiting
24 additional years for the same, or potentially worse, result; (2) a guaranteed result that compares
25 favorably with other similar class action settlements of this type, given the strengths and weaknesses
26 of the case; and (3) significant savings in Class Counsel's fees and/or costs that would have only
27 increased significantly had the case progress through certification, trial, and/or upon appeal.

28 ///

43. Class Counsel has litigated this matter for over a year and was actively preparing this matter for class certification and trial. The Motion for Final Approval will elaborate on the nature of the legal services provided, the time incurred in performing those services, and Class Counsel's hourly rates. The Motion for Final Approval will also elaborate on the reimbursement costs sought by Class Counsel. Notice of the requested Attorneys' Fees and Costs is disclosed to the Class Members in the Class Notice.

Notice to the Class

44. The Parties have agreed to retain ILYM Group, Inc. (“ILYM” or “Settlement Administrator”) to handle the notice and settlement administration process. The Parties respectfully request that the Court appoint ILYM to handle these procedures and to serve as the Settlement Administrator. Defendant will provide ILYM with the Class List and ILYM will calculate each Class Member’s estimated Individual Settlement Share and each PAGA Employee’s estimated Individual PAGA Payment. ILYM will also receive and process Requests for Exclusion, Notices of Objection, and Workweek Disputes; will provide necessary reports and declarations; will calculate, subtract, and transmit necessary taxes and withholdings with respect to the wages portion of the Individual Settlement Shares; will prepare and submit informational and other tax filings and documents; will issue and transmit all payments provided for by the Settlement, including, but not limited to, mailing Individual Settlement Payment checks to the Settlement Class Members and Individual PAGA Payment checks to the PAGA Employees; and perform any other usual and customary duties for administering a class action settlement.

45. I am not aware of an alternative method of providing notice to the Class which would result in a higher likelihood of actual notice. The original source of the mailing addresses is from each Class Member, who provided the information to Defendant. As a fail-safe to this highly reliable method, skip tracing will be performed, if necessary.

Notice of Settlement to the LWDA

46. In accordance with California Labor Code section 2699(l)(2) and concurrently with the filing of this Motion, a copy of the proposed Settlement was submitted to the LWDA via online submission through the LWDA's website.

1 I declare under penalty of perjury under the laws of the State of California that the foregoing
2 is true and correct.

RE: *Armando Gastelum v. Premier Trailer Manufacturing, Inc.*

Dear Representative:

This office represents Armando Gastelum (“Claimant”) with respect to his claims under the California Labor Code against Premier Trailer Manufacturing, Inc. (including any and all affiliates, subsidiaries, parents, directors, and officers thereof) (collectively referred to herein as “Employers”). This letter is being sent simultaneously to Employers by certified mail.

Employers employed Claimant from approximately May 2022 to September 2022 as a non-exempt, hourly-paid employee. During his employment with Employers, Claimant was employed as an Assistant Builder at Defendant’s facility at 30517 Ivy Rd., Visalia, CA 93291.

Claimant intends to bring a representative action seeking penalties for violations of the California Labor Code which are recoverable under the Labor Code Private Attorneys General Act of 2004, California Labor Code section 2698, *et seq.* (“PAGA”). Claimant is seeking penalties on behalf of himself and in a representative capacity on behalf of the State of California and all current and former hourly-paid and/or non-exempt employees who worked for Employers in the State of California during the relevant statutory period (“Aggrieved Employees”). This letter is being sent in compliance with California Labor Code section 2699.3 and shall serve as Claimant’s notice of the provisions of the California Labor Code alleged to have been violated, including the facts and theories in support thereof.

As detailed below, Employers violated several of California’s wage and hour laws during Claimant’s employment, including but not limited to California Labor Code sections 201, 202, 203, 204, 226(a), 226.7, 510, 512(a), 1174(d), 1194, 1197, 1197.1, 1198, 2800, 2802, and the Industrial Welfare Commission Wage Orders (“IWC Wage Order”) including, *inter alia*, IWC Wage Order No. 1-2001. The claims made on behalf of Claimant and Aggrieved Employees are based upon the following facts and theories:

1. FAILURE TO PAY FOR ALL TIME WORKED AT CORRECT RATES OF PAY, INCLUDING MINIMUM WAGES, STRAIGHT TIME WAGES, AND OVERTIME COMPENSATION

Employers have engaged in numerous unlawful practices which resulted in the failure to pay Claimant and other Aggrieved Employees for all time worked at the correct rates of pay, including minimum wages, straight time wages, and overtime compensation.

California Labor Code sections 1194, 1197, and 1197.1 and IWC Wage Order No. 1-2001 require employers to pay at least the legal minimum wage to their employees. California Labor Code sections 510 and 1198 and IWC Wage Order No. 1-2001 further require employers to pay no less than one and one-half times the regular rate of pay of the employee for hours worked in excess of eight (8) hours in one workday, for hours worked in excess of forty (40) hours in one workweek, and for the first eight (8) hours worked on the seventh day of work in any one workweek, and to pay no less than twice the regular rate of pay of the employee for hours worked in excess of twelve (12) hours in one workday and for any work in excess of eight (8) hours on any seventh day of a workweek.

Throughout the relevant time period, Employers regularly required Claimant and other Aggrieved Employees to perform work off-the-clock. This off-the-clock work included, amongst other things, requiring Claimant and other Aggrieved Employees to continue operating heavy machinery and building and assembling trailers during purported meal periods. Employers failed to compensate Claimant and other Aggrieved Employees for any of this off-the-clock work, in violation of California law.

In addition, Employers utilized time rounding practices that resulted in the systematic underpayment of wages (including minimum wages, straight time wages and overtime wages) to Claimant and Aggrieved Employees.

Employers also failed to accurately record the actual time worked by Claimant and Aggrieved Employees. Moreover, the uncompensated work described herein was often performed when Claimant and other Aggrieved Employees had already worked eight (8) hours in a day and/or forty (40) hours in week resulting in a failure to pay overtime compensation. Finally, Employers failed to pay overtime to Claimant and Aggrieved Employees for all overtime hours worked based on regular rates of pay correctly calculated to include all applicable remuneration, including non-discretionary commissions, non-discretionary bonuses, and non-discretionary performance pay.

As a result of the foregoing practices, Employers have failed to pay Claimant and other Aggrieved Employees for all wages earned at the correct rates of pay, including minimum wages, straight time wages, and overtime compensation. Accordingly, Employers violated IWC Wage Order No. 1-2001 and California Labor Code sections 204, 510, 1194, 1197, 1197.1 and 1198.

Claimant and Aggrieved Employees will therefore seek PAGA default penalties pursuant to California Labor Code section 2699; penalties pursuant to paragraph 20(A) of IWC Wage Order No.

1-2001; penalties pursuant to California Labor Code sections 558, 1197.1, and 1199; and attorneys' fees and costs.

2. FAILURE TO PROVIDE MEAL PERIODS AND PAY MEAL PERIOD PREMIUMS

California law requires employers to provide employees with an opportunity to take an uninterrupted meal period of no less than thirty (30) minutes before the end of the fifth hour of work when an employee works more than five (5) hours in a day. Cal. Lab. Code §§ 226.7, 512(a). A second meal period of no less than thirty (30) minutes must be provided before the end of the tenth hour of work when an employee works more than ten (10) hours in a day. Cal. Lab. Code §§ 226.7, 512(a). When an employer fails to provide a meal or rest period, an hour of pay at the employee's regular rate of compensation is owed to the employee. Cal. Lab. Code § 226.7(c).

During the relevant time period, Employers failed to provide Claimant and other Aggrieved Employees with legally-compliant 30-minute meal periods. Claimant and other Aggrieved Employees were required by Employers to work more than five (5) hours per day, but were not provided with uninterrupted 30-minute meal periods. Further, Claimant and other Aggrieved Employees were not provided with a second uninterrupted 30-minute meal period when they worked over ten (10) hours per day. Employers regularly required Claimant and other Aggrieved Employees to work through their first and second meal periods, to take their first meal period after their fifth (5th) hour of work, and/or to take their second meal periods after their tenth (10th) hour of work. Meal periods, when provided, were oftentimes interrupted or cut short.

Employers' policies, practices, and procedures were responsible for the violations alleged above and prevented Claimant and other Aggrieved Employees from taking timely, complete and duty-free meal periods because, amongst other reasons: (1) Employers did not have legally-compliant policies regarding the provision and timing of meal periods or systematically disregarded its own purported meal period policies; (2) Employers' management at various levels failed and refused to implement and enforce legally compliant meal period policies and practices; (3) Employers failed to adequately inform and train Claimant and other Aggrieved Employees regarding their right to take timely, uninterrupted, and duty-free meal periods; (4) Employers failed to adequately inform and train Claimant and other Aggrieved Employees about their right to premium wages for non-compliant meal periods; (5) Employers failed to ensure that there was adequate staffing to allow Claimant and other Aggrieved Employees to take timely, uninterrupted, and duty-free meal periods; (6) Employers required Claimant and other Aggrieved Employees to respond to work-related requests at all times, including during meal periods; and (7) Employers' policy and culture prevented Claimant and other Aggrieved Employees from taking timely, uninterrupted, and duty-free meal periods because of the priority placed on maximizing profits over employees' right to receive timely, uninterrupted, and duty-free meal periods.

Claimant and other Aggrieved Employees did not receive an extra hour of wages at their regular rate of pay for the meal periods which were not provided to them in compliance with

California law.

Accordingly, Employers violated IWC Wage Order No. 1-2001 and California Labor Code sections 226.7, 512(a) and 1198.

Claimants and Aggrieved Employees will therefore seek PAGA default penalties pursuant to California Labor Code section 2699; penalties pursuant to paragraph 20(A) of IWC Wage Order No. 1-2001; penalties pursuant to California Labor Code sections 558 and 1199; and attorneys' fees and costs.

3. FAILURE TO AUTHORIZE AND PERMIT REST PERIODS AND PAY REST PERIOD PREMIUMS

California law requires employers to authorize and permit employees to take an uninterrupted rest period of no less than ten (10) minutes must for every four (4) hours, or major fraction thereof, worked. Cal. Lab. Code § 226.7. When an employer fails to authorize and permit a rest period, an hour of pay at the employee's regular rate of compensation is owed to the employee. Cal. Lab. Code § 226.7(c).

Employers failed to authorize and permit Claimant and other Aggrieved Employees to take legally-compliant 10-minute rest periods. Employers required Claimant and other Aggrieved Employees to work through rest periods. Claimant and Aggrieved Employees were not provided with uninterrupted, duty-free rest periods when they worked more than four (4) hours or a major fraction thereof. Further, Claimant and other Aggrieved Employees were not provided with a second uninterrupted, duty-free rest period when they worked more than six (6) hours in a day, or a third uninterrupted, duty-free rest period after working more than ten (10) hours in day. In the rare event that a rest period was taken, it was frequently interrupted or cut short. Moreover, Claimant and other Aggrieved Employees were not completely relieved of duty as required by *Augustus v. ABM Security Services, Inc.*, 2 Cal.5th 257 (2016).

Employers' policies, practices, and procedures were responsible for the violations alleged above and prevented Claimant and other Aggrieved Employees from taking timely and complete rest periods because, amongst other reasons: (1) Employers did not have legally-compliant policies regarding the provision and timing of rest periods or systematically disregarded its own purported rest period policies; (2) Employers' management at various levels failed and refused to implement and enforce legally compliant rest period policies and practices; (3) Employers failed to adequately inform and train Claimant and other Aggrieved Employees regarding their right to take timely, uninterrupted, and duty-free rest periods; (4) Employers failed to adequately inform and train Claimant and other Aggrieved Employees about their right to premium wages for non-compliant rest periods; (5) Employers failed to ensure that there was adequate staffing to allow Claimant and other Aggrieved Employees to take timely, uninterrupted, and duty-free rest periods; (6) Employers required Claimant and other Aggrieved Employees to respond to work-related requests at all times,

including during rest periods; and (7) Employers' policy and culture prevented Claimant and other Aggrieved Employees from taking timely, uninterrupted, and duty-free rest periods because of the priority placed on completing job requirements over employees' right to receive rest periods.

Claimant and other Aggrieved Employees did not receive an extra hour of wages at their regular rate of pay for the rest periods which were not provided to them in compliance with California law.

Accordingly, Employers violated IWC Wage Order No. 1-2001 and California Labor Code sections 226.7, and 1198.

Claimant and Aggrieved Employees will therefore seek PAGA default penalties pursuant to California Labor Code section 2699; penalties pursuant to paragraph 20(A) of IWC Wage Order No. 1-2001; California Labor Code sections 558 and 1199 penalties; and attorneys' fees and costs.

4. FAILURE TO TIMELY PAY WAGES DURING EMPLOYMENT

California Labor Code section 204 requires that all wages earned by any person in any employment between the 1st and the 15th days, inclusive, of any calendar month, other than those wages due upon termination of an employee, are due and payable between the 16th and the 26th day of the month during which the labor was performed, and that all wages earned by any person in any employment between the 16th and the last day, inclusive, of any calendar month, other than those wages due upon termination of an employee, are due and payable between the 1st and the 10th day of the following month. California Labor Code section 204 also requires that all wages earned for labor in excess of the normal work period shall be paid no later than the payday for the next regular payroll period. During the relevant time period, Employers have failed to timely pay all wages earned because Claimant and other Aggrieved Employees were not paid all the wages they were owed including, *inter alia*, overtime compensation, straight time wages, minimum wages, and meal and rest period premiums. Accordingly, Employers violated California Labor Code section 204(a).

Claimant and Aggrieved Employees will therefore seek PAGA default penalties pursuant to Labor Code section 2699; penalties pursuant to California Labor Code sections 210 and 1199; and attorneys' fees and costs.

5. FAILURE TO PROVIDE ACCURATE ITEMIZED WAGE STATEMENTS

California Labor Code section 226(a) requires an employer semimonthly or at the time of each payment of wages to furnish wage statements to its employees setting forth, *inter alia*, (1) gross wages earned, (2) total hours worked by the employee, (3) the number of piece-rate units earned and any applicable piece rate if the employee is paid on a piece-rate basis, (4) all deductions, provided that all deductions made on written orders of the employee may be aggregated and shown as one item, (5) net wages earned, (6) the inclusive dates of the period for which the employee is paid, (7) the name of the employee and only the last four digits of his or her social security number

or an employee identification number other than a social security number, and (8) the name and address of the legal entity that is the employer.

As a result of the practices described herein, the wage statements provided to Claimant and other Aggrieved Employees failed to include the actual hours worked (including time spent working off-the-clock), the actual gross wages earned (including wages owed for time spent working off the clock and meal and rest period premiums), and the correct rates of pay. The wage statements provided to Claimant and other Aggrieved Employees also failed to include the name of the legal entity that employed Claimant and the Aggrieved Employees. Accordingly, Employers violated California Labor Code section 226(a).

Claimant and Aggrieved Employees will therefore seek PAGA default penalties; penalties pursuant to California Labor Code section 226.3; and attorneys' fees and costs.

6. FAILURE TO MAINTAIN ACCURATE RECORDS

California Labor Code section 1174(d) requires an employer to keep, at a central location in the state or at the plants or establishments at which employees are employed, payroll records showing the hours worked daily by and the wages paid to, and the number of piece-rate units earned by and any applicable piece rate paid to, employees employed at the respective plants or establishments. These records shall be kept with rules established for this purpose by the commission, but in any case, shall be kept on file for not less than two years. During the relevant time period, Employers have failed to maintain accurate records relating to Claimant and other Aggrieved Employees' work periods, meal periods, total daily hours worked, and total hours worked per payroll period. Accordingly, Employers violated IWC Wage Order No. 1-2001 and California Labor Code sections 1198.5 and 1174(d).

Claimant and Aggrieved Employees will therefore seek PAGA default penalties pursuant to California Labor Code section 2699; penalties pursuant to paragraph 20(A) of IWC Wage Order No. 1-2001; California Labor Code section 1174.5 penalties; and attorneys' fees and costs.

7. FAILURE TO REIMBURSE NECESSARY EXPENDITURES

California Labor Code sections 2800 and 2802 require an employer to reimburse its employees for all necessary expenditures incurred by the employee in direct consequence of the discharge of his or her job duties or in direct consequence of his or her obedience to the directions of the employer. IWC Wage Order No. 1-2001 requires employers to provide employees with the tools or equipment necessary for the performance of their job. During the relevant time period, Claimant and Aggrieved Employees incurred necessary business-related expenses and costs that were not fully reimbursed by Employers. These costs include but are not limited to the purchase of personal protective equipment and the usage of personal cell phones for work-related purposes.

Accordingly, Employers violated IWC Order No. 1-2001 and California Labor Code sections 2800 and 2802. Claimant and Aggrieved Employees will therefore seek PAGA default penalties pursuant to California Labor Code section 2699; penalties pursuant to paragraph 20(A) of IWC Wage Order No. 1-2001; and attorneys' fees and costs.

8. FAILURE TO TIMELY PAY ALL WAGES UPON TERMINATION OF EMPLOYMENT

California Labor Code sections 201 and 202 provide that if an employer discharges an employee, the wages earned and unpaid at the time of discharge are due and payable immediately, and if an employee quits his or her employment, his or her wages shall become due and payable not later than seventy-two (72) hours thereafter, unless the employee has given seventy-two (72) hours' notice of his or her intention to quit, in which case the employee is entitled to his or her wages at the time of quitting.

During the relevant time period, upon the termination of employment (including but not limited to when they were temporarily laid off, laid off, discharged, and/or resigned), Aggrieved Employees were not paid all wages due to them within twenty-four (24) hours or even within seventy-two (72) hours for those who resigned. Specifically, as a result of Employers' practices of requiring Aggrieved Employees to work off-the-clock without compensation, failing to pay proper overtime compensation, unlawful rounding practices, failure to properly calculate regular rates, and failure to accurately record all hours actually worked, Employers failed to pay Aggrieved Employees for all straight time wage, minimum wages and overtime compensation owed to them upon termination of their employment. Employers also failed to pay Aggrieved Employees for meal period premiums and rest period premiums they were owed, amongst other wages. Accordingly, Employers violated California Labor Code sections 201 and 202.

Claimant and Aggrieved Employees will therefore seek PAGA default penalties pursuant to California Labor Code section 2699; penalties pursuant to California Labor Code sections 203 and 1199; and attorneys' fees and costs.

Employers are in direct violation of numerous California wage and hour laws including but not limited to said sections stated above. We hereby provide notice under the California Labor Code Private Attorneys General Act of 2004, California Labor Code Sections 2698, et seq., and specifically ask for an investigation, or if the agency does not intend to investigate the alleged violations, a letter confirming the same so that we may allege a cause of action under PAGA against Employers for the violations discussed in this letter.

This letter is sent in compliance with the reporting requirements of California Labor Code section 2699.3. By law, an employee alleging a violation of one of the above referenced sections must notify his or her employer and the Labor and Workforce Development Agency (LWDA) before he or she can invoke the provisions of Sections 2699, et seq., by seeking redress in court. Cal. Lab. Code § 2699.3(a)(1). The LWDA must then notify the employer and the employee within 60

calendar days regarding whether it intends to investigate the alleged violation. Cal. Lab. Code § 2699.3(a)(2)(B). If the LWDA advises it will not investigate, or if no notice is provided within 65 calendar days, the employee may file a lawsuit invoking the provisions under Labor Code § 2699. Cal. Lab. Code § 2699.3(a)(2)(A). It is Claimant's intention to file a civil complaint and to bring the appropriate claims under California Labor Code § 2699 on behalf of themselves, the State of California and all Aggrieved Employees should your office not address Employers' alleged violations within this time.

If you have any questions or require additional information, please do not hesitate to contact my office. Thank you for your attention to this matter.

20 (10) causes of action for violations of the California Labor Code for failure to pay minimum wages,
21 failure to pay overtime wages, failure to provide compliant meal periods and premium payments in
22 lieu thereof, failure to provide compliant rest periods and premiums payments in lieu thereof, failure

The Parties have engaged in sufficient informal discovery and investigation to assess the relative merits of the claims and contentions of the Parties.

4. On May 7, 2024, the Parties participated in mediation with Judge Howard R. Broadman (Ret.) (the “Mediator”), a respected mediator of complex wage and hour actions, and with the assistance of the Mediator’s evaluations, the Parties reached the settlement that is memorialized herein. The Parties’ settlement discussions were conducted at arms’ length, and the Settlement is the result of an informed and detailed analysis of Defendant’s potential liability and exposure in relation to the costs and risks associated with continued litigation. Based on Class Counsel’s investigation and evaluation, Class Counsel believes that the settlement with Defendant for the consideration and on the terms set forth in this Settlement Agreement is fair, reasonable, and adequate and is in the best interest of the Class Members, State of California, and PAGA Employees in light of all known facts and circumstances, including the risk of significant delay and uncertainty associated with litigation and various defenses asserted by Defendant.

5. The Parties expressly acknowledge that this Settlement Agreement is entered into solely for the purpose of compromising significantly disputed claims and that nothing herein is an admission of liability or wrongdoing by Defendant. If for any reason this Settlement Agreement is not approved, it will be of no force or effect, and the Parties shall be returned to their original respective positions.

9 **CLASS CERTIFICATION**

10 7. For the purposes of this Settlement only, the Parties stipulate to the certification of the
11 Class.

12 8. The Parties agree that certification for the purpose of settlement is not an admission
13 that certification is proper under Section 382 of the California Code of Civil Procedure. Should, for
14 whatever reason, the Court not grant Final Approval, the Parties' stipulation to class certification as
15 part of the Settlement shall become null and void ab initio and shall have no bearing on, and shall not
16 be admissible in connection with, the issue of whether or not certification would be inappropriate in a
17 non-settlement context.

18 **TERMS OF THE AGREEMENT**

19 NOW, THEREFORE, in consideration of the mutual covenants, promises, and agreements set
20 forth herein, the Parties agree, subject to the Court's approval, as follows:

21 9. **Attorneys' Fees and Costs.** Defendant agrees not to oppose or impede any application
22 or motion by Class Counsel for attorneys' fees in the amount up to thirty-five percent (35%) of the
23 Gross Settlement Amount (i.e., \$455,000.00 if the Gross Settlement Amount is \$1,300,000.00) and
24 reimbursement of actual costs and expenses associated with Class Counsel's litigation and settlement
25 of the Action, in an amount not to exceed Twenty Thousand Dollars and Zero Cents (\$20,000.00),
26 both of which will be paid from the Gross Settlement Amount. These amounts will cover any and all
27 work performed and any and all costs incurred by Class Counsel in connection with the litigation of
28 the Action, including without limitation all work performed and costs incurred to date, and all work

1 to be performed and all costs to be incurred in connection with obtaining the Court's approval of this
2 Settlement Agreement, including any objections raised and any appeals necessitated by those
3 objections. Class Counsel shall be solely and legally responsible for correctly characterizing this
4 compensation for tax purposes and for paying any taxes on the amounts received. The Settlement
5 Administrator shall issue an IRS Form 1099 to Class Counsel for the Attorneys' Fees and Costs. Any
6 portion of the requested Attorneys' Fees and Costs that is not awarded by the Court to Class Counsel
7 shall be reallocated to the Net Settlement Amount for the benefit of the Settlement Class Members.

8 10. Enhancement Payment. Defendant agrees not to oppose or impede any application or
9 motion by Plaintiff for an Enhancement Payment in the amount up to Ten Thousand Dollars and Zero
10 Cents (\$10,000.00). The Enhancement Payment, which will be paid from the Gross Settlement
11 Amount, subject to Court approval, will be in addition to his Individual Settlement Payment as a
12 Settlement Class Member and Individual PAGA Payment as a PAGA Employee. Plaintiff shall be
13 solely and legally responsible for correctly characterizing this compensation for tax purposes and for
14 paying any taxes on the amounts received. The Settlement Administrator shall issue an IRS Form
15 1099 to Plaintiff for the Enhancement Payment. Any portion of the requested Enhancement Payment
16 that is not awarded by the Court to Plaintiff shall be reallocated to the Net Settlement Amount for the
17 benefit of the Settlement Class Members.

18 11. PAGA Amount. Subject to approval by the Court, the Parties agree that the amount of
19 Fifty Thousand Dollars and Zero Cents (\$50,000.00) shall be allocated from the Gross Settlement
20 Amount toward penalties under the Private Attorneys General Act, California Labor Code Section
21 2698, *et seq.* (i.e., the PAGA Amount), of which seventy-five percent (75%), or \$37,500.00, will be
22 paid to the LWDA (i.e., the LWDA Payment) and twenty-five percent (25%), or \$12,500.00 will be
23 distributed to PAGA Employees (i.e., the PAGA Employee Amount) on a *pro rata* basis, based on the
24 total number of PAGA Workweeks worked by each PAGA Employee during the PAGA Period (i.e.,
25 the Individual PAGA Payments).

26 12. Settlement Administration Costs. The Settlement Administrator will be paid for the
27 reasonable costs of administration of the Settlement and distribution of payments under the Settlement,
28 which is currently not to exceed Fourteen Thousand Dollars and Zero Cents (\$14,000.00). These

costs, which will be paid from the Gross Settlement Amount, subject to Court approval, will include, *inter alia*, translating the Class Notice to Spanish, printing, distributing, and tracking Class Notices and other documents for the Settlement, calculating and distributing payments due under the Settlement, issuing of 1099 and W-2 IRS Forms and all required tax reporting, filings, withholdings, and remittances, providing necessary reports and declarations, and other duties and responsibilities set forth herein to process the Settlement, and as requested by the Parties. To the extent the actual Settlement Administrator's costs are greater than the estimated amount stated herein, such excess amount will be deducted from the Gross Settlement Amount, subject to approval by the Court. Any portion of the estimated, designated, and/or awarded Settlement Administration Costs which are not in fact required to fulfill payment to the Settlement Administrator to undertake the required settlement administration duties shall be reallocated to the Net Settlement Amount for the benefit of the Settlement Class Members.

13. Escalator Clause. Defendant has represented that the Class Members worked a total of 32,000 Workweeks during the period from July 27, 2019 through May 7, 2024. If it is determined by the Settlement Administrator that the total number of Workweeks worked by the Class Members during the Class Period actually exceeds 32,000 by more than 10% (i.e., if the Workweeks exceed 35,200), then the Gross Settlement Amount will be increased on a *pro rata* basis equal to the percentage increase in the number of Workweeks worked by the Class Members above 10% (i.e., if the number of Workweeks increases by 11%, then the Gross Settlement Amount will increase by 1%).

14. Individual Settlement Share Calculations. Individual Settlement Shares will be calculated and apportioned from the Net Settlement Amount based on the Class Members' number of Workweeks, as follows:

a. After Preliminary Approval, the Settlement Administrator will divide the Net Settlement Amount by the Workweeks of all Class Members to yield the "Estimated Workweek Value," and multiply each Class Member's individual Workweeks by the Estimated Workweek Value to yield each Class Member's estimated Individual Settlement Share that each Class Member may be entitled to receive under the Class Settlement.

///

b. After Final Approval, the Settlement Administrator will divide the final Net Settlement Amount by the Workweeks of all Settlement Class Members to yield the “Final Workweek Value,” and multiply each Settlement Class Member’s individual Workweeks by the Final Workweek Value to each Settlement Class Member’s final Individual Settlement Share.

15. Individual PAGA Payment Calculations. Individual PAGA Payments will be calculated and apportioned from the PAGA Employee Amount based on the PAGA Employees’ number of PAGA Workweeks, as follows: The Settlement Administrator will divide the PAGA Employee Amount, i.e., 25% of the PAGA Amount, by the PAGA Workweeks of all PAGA Employees to yield the “PAGA Workweek Value,” and multiply each PAGA Employee’s individual PAGA Workweeks by the PAGA Workweek Value to yield each PAGA Employee’s Individual PAGA Payment.

16. Tax Treatment of Individual Settlement Shares and Individual PAGA Payments. Each Individual Settlement Share will be allocated as follows: fifteen percent (15%) wages and eighty-five percent (85%) penalties, interest, and non-wage damages. The portion allocated to wages will be reported on an IRS Form W-2 and the portions allocated to penalties, interest, and non-wage damages will be reported on an IRS Form 1099 (if applicable) by the Settlement Administrator. The Settlement Administrator will withhold the employee’s share of taxes and withholdings with respect to the wages portion of the Individual Settlement Shares, and issue checks to Settlement Class Members for their Individual Settlement Payments (i.e., payment of their Individual Settlement Share net of these taxes and withholdings). The Employer Taxes will be paid separately and in addition to the Gross Settlement Amount. Each Individual PAGA Payment will be allocated as one hundred percent (100%) penalties and will be reported on an IRS Form 1099 (if applicable) by the Settlement Administrator.

17. Administration of Taxes by the Settlement Administrator. The Settlement Administrator will be responsible for issuing to Plaintiff, Settlement Class Members, PAGA Employees, and Class Counsel any tax forms (i.e., IRS Forms W-2, IRS Forms 1099, etc.) as may be required by law for all amounts paid pursuant to this Settlement Agreement. The Settlement Administrator will also be responsible for calculating the Employer Taxes and forwarding all payroll taxes and other legally required withholdings to the appropriate government authorities.

1 18. Tax Liability. Plaintiff, Class Counsel, Defendant, and Defendant’s Counsel do not
2 intend anything contained in this Settlement Agreement to constitute advice regarding taxes or
3 taxability, nor shall anything in this Settlement Agreement be relied on as such. Plaintiff, Settlement
4 Class Members, and PAGA Employees are not relying on any statement, representation, or calculation
5 by Defendant, the Settlement Administrator, or Class Counsel in this regard. Plaintiff, Settlement
6 Class Members, and PAGA Employees understand and agree that Plaintiff, Settlement Class
7 Members, and PAGA Employees will be solely responsible for the payment of any taxes and penalties
8 assessed on the payments described in this Settlement Agreement. Plaintiff, Settlement Class
9 Members, and PAGA Employees should consult with their tax advisors concerning the tax
10 consequences of any payment they receive under the Settlement.

11 19. Circular 230 Disclaimer. EACH PARTY TO THIS SETTLEMENT AGREEMENT
12 (FOR PURPOSES OF THIS SECTION, THE “ACKNOWLEDGING PARTY” AND EACH PARTY
13 TO THIS SETTLEMENT AGREEMENT OTHER THAN THE ACKNOWLEDGING PARTY, AN
14 “OTHER PARTY”) ACKNOWLEDGES AND AGREES THAT (1) NO PROVISION OF THIS
15 SETTLEMENT AGREEMENT, AND NO WRITTEN COMMUNICATION OR DISCLOSURE
16 BETWEEN OR AMONG THE PARTIES OR THEIR ATTORNEYS AND OTHER ADVISERS, IS
17 OR WAS INTENDED TO BE, NOR WILL ANY SUCH COMMUNICATION OR DISCLOSURE
18 CONSTITUTE OR BE CONSTRUED OR BE RELIED UPON AS, TAX ADVICE WITHIN THE
19 MEANING OF UNITED STATES TREASURY DEPARTMENT CIRCULAR 230 (31 CFR PART
20 10, AS AMENDED); (2) THE ACKNOWLEDGING PARTY (A) HAS RELIED EXCLUSIVELY
21 UPON HIS, HER, OR ITS OWN, INDEPENDENT LEGAL AND TAX COUNSEL FOR ADVICE
22 (INCLUDING TAX ADVICE) IN CONNECTION WITH THIS SETTLEMENT AGREEMENT, (B)
23 HAS NOT ENTERED INTO THIS SETTLEMENT AGREEMENT BASED UPON THE
24 RECOMMENDATION OF ANY OTHER PARTY OR ANY ATTORNEY OR ADVISOR TO ANY
25 OTHER PARTY, AND (C) IS NOT ENTITLED TO RELY UPON ANY COMMUNICATION OR
26 DISCLOSURE BY ANY ATTORNEY OR ADVISOR TO ANY OTHER PARTY TO AVOID ANY
27 TAX PENALTY THAT MAY BE IMPOSED ON THE ACKNOWLEDGING PARTY; AND (3) NO
28 ATTORNEY OR ADVISER TO ANY OTHER PARTY HAS IMPOSED ANY LIMITATION THAT

1 PROTECTS THE CONFIDENTIALITY OF ANY SUCH ATTORNEY’S OR ADVISOR’S TAX
2 STRATEGIES (REGARDLESS OF WHETHER SUCH LIMITATION IS LEGALLY BINDING)
3 UPON DISCLOSURE BY THE ACKNOWLEDGING PARTY OF THE TAX TREATMENT OR
4 TAX STRUCTURE OF ANY TRANSACTION, INCLUDING ANY TRANSACTION
5 CONTEMPLATED BY THIS SETTLEMENT AGREEMENT.

6 20. Settlement Awards Do Not Trigger Additional Benefits. All payments made under the
7 Settlement shall be deemed to be paid to the payee solely in the year in which such payments actually
8 are issued to the payee. It is expressly understood and agreed that payments made under this
9 Settlement shall not in any way entitle Plaintiff, Settlement Class Members, or any PAGA Employee
10 to additional compensation or benefits under any new or additional compensation or benefits, or any
11 bonus, contest, or other compensation or benefit plan or agreement in place during the Class Period,
12 nor will it entitle Plaintiff, Settlement Class Members, or any PAGA Employee to any increased
13 retirement, 401K benefits or matching benefits, or deferred compensation benefits (notwithstanding
14 any contrary language or agreement in any benefit or compensation plan document that might have
15 been in effect during the Class Period).

16 21. Duties of the Parties with Respect to Obtaining Preliminary Approval of the Settlement.
17 Upon execution of this Settlement Agreement, Plaintiff will obtain a hearing date from the Court for
18 Plaintiff’s motion for preliminary approval of the Settlement, which Plaintiff and Class Counsel will
19 be responsible for drafting, and submit this Settlement Agreement to the Court in support of said
20 motion. Class Counsel will provide Defendant’s Counsel a draft of the preliminary approval motion
21 before filing it with the Court. Defendant agrees not to oppose the motion for preliminary approval
22 of the Settlement consistent with this Settlement Agreement. By way of said motion, Plaintiff will
23 apply for the entry of the Preliminary Approval Order seeking the following:

- 24 a. Conditionally certifying the Class for settlement purposes only;
- 25 b. Granting Preliminary Approval of the Settlement;
- 26 c. Preliminarily appointing Plaintiff as the representative of the Class;
- 27 d. Preliminarily appointing Class Counsel as counsel for the Class;

28 ///

1 e. Approving as to form and content, the mutually-agreed upon and proposed
2 Class Notice and directing its mailing by First Class U.S. Mail;

3 f. Approving the manner and method for Class Members to request exclusion
4 from or object to the Class Settlement as contained herein and within the Class Notice;

5 g. Scheduling a Final Approval Hearing at which the Court will determine whether
6 Final Approval of the Settlement should be granted.

7 22. Notice of Settlement to the LWDA. Pursuant to California Labor Code § 2699(1)(2),
8 Class Counsel shall notify the LWDA of the Settlement upon filing the motion for preliminary
9 approval of the Settlement.

10 23. Delivery of Class List. Within fourteen (14) calendar days of Preliminary Approval,
11 Defendant will provide the Class List to the Settlement Administrator.

12 24. Notice by First-Class U.S. Mail.

13 a. Within seven (7) calendar days after receiving the Class List from Defendant,
14 the Settlement Administrator will perform a search based on the National Change of Address Database
15 or any other similar services available, such as provided by Experian, for information to update and
16 correct for any known or identifiable address changes, and will mail a Class Notice in English and
17 Spanish (in the form attached as **Exhibit A** to this Settlement Agreement) to all Class Members via
18 First-Class U.S. Mail, using the most current, known mailing addresses identified by the Settlement
19 Administrator.

20 b. Any Class Notice returned to the Settlement Administrator as undeliverable on
21 or before the Response Deadline will be sent promptly via First-Class U.S. Mail to the forwarding
22 address affixed thereto and the Settlement Administrator will indicate the date of such re-mailing on
23 the Class Notice. If no forwarding address is provided, the Settlement Administrator will promptly
24 attempt to determine the correct address using a skip-trace or other search, using the name, address,
25 and/or Social Security number of the Class Member, and perform a single re-mailing within five (5)
26 calendar days.

27 ///

28 ///

1 c. Compliance with the procedures described herein above shall constitute due and
2 sufficient notice to Class Members of the Settlement and shall satisfy the requirements of due process.
3 Nothing else shall be required of or done by the Parties, Class Counsel, or Defendant's Counsel to
4 provide notice of the Settlement.

5 25. Disputes Regarding Workweeks and/or PAGA Workweeks. Class Members will have
6 an opportunity to dispute the number of Workweeks and/or PAGA Workweeks to which they have
7 been credited, as reflected in their respective Class Notices, by submitting a timely and valid
8 Workweeks Dispute to the Settlement Administrator, by mail, postmarked on or before the Response
9 Deadline. The date of the postmark on the return mailing envelope will be the exclusive means to
10 determine whether a Workweeks Dispute has been timely submitted. Absent evidence rebutting the
11 accuracy of Defendant's records and data as they pertain to the number of Workweeks and/or PAGA
12 Workweeks to be credited to a disputing Class Member, Defendant's records will be presumed to be
13 correct and determinative of the dispute. However, if a Class Member produces information and/or
14 documents to the contrary, the Settlement Administrator will evaluate the materials submitted by the
15 Class Member and the Settlement Administrator will resolve and determine the number of eligible
16 Workweeks and/or PAGA Workweeks that the disputing Class Member should be credited with under
17 the Settlement. The Settlement Administrator's decision on such disputes will be final and non-
18 appealable.

19 26. Requesting Exclusion from the Class Settlement. Any Class Member wishing to be
20 excluded from the Class Settlement must submit a timely and valid Request for Exclusion to the
21 Settlement Administrator, by mail, postmarked on or before the Response Deadline. The date of the
22 postmark on the return mailing envelope will be the exclusive means to determine whether a Request
23 for Exclusion has been timely submitted. The Settlement Administrator will certify jointly to Class
24 Counsel and Defendant's Counsel the number of timely and valid Requests for Exclusion that are
25 submitted, and also identify the individuals who have submitted a timely and valid Request for
26 Exclusion in a declaration that is to be filed with the Court in advance of the Final Approval Hearing.
27 At no time will any of the Parties or their counsel seek to solicit or otherwise encourage Class Members
28 to request exclusion from the Class Settlement. Any Class Member who submits a Request for

1 Exclusion is prohibited from making any objection to the Class Settlement. Any Class Member who
2 submits a timely and valid Request for Exclusion will not be bound by the Class Settlement and will
3 not be issued an Individual Settlement Payment. Any Class Member who does not affirmatively
4 request exclusion from the Class Settlement by submitting a timely and valid Request for Exclusion
5 will be bound by all of the terms of the Class Settlement, including and not limited to those pertaining
6 to the Released Class Claims, as well as any judgment that may be entered by the Court if it grants
7 Final Approval to the Settlement. Notwithstanding the above, all PAGA Employees will be bound to
8 the PAGA Settlement and will be issued their Individual PAGA Payment, irrespective of whether they
9 submit a Request for Exclusion.

10 27. Objecting to the Class Settlement. To object to the Class Settlement, Settlement Class
11 Members must submit a timely and complete Notice of Objection to the Settlement Administrator, by
12 mail, postmarked on or before the Response Deadline. The date of the postmark on the return mailing
13 envelope will be the exclusive means to determine whether a Notice of Objection has been timely
14 submitted. The Settlement Administrator will certify jointly to Class Counsel and Defendant's
15 Counsel the number of Notices of Objection that are submitted (specifying which ones were timely
16 and complete and which were not), and also attach them to a declaration that is to be filed with the
17 Court in advance of the Final Approval Hearing. At no time will any of the Parties or their counsel
18 seek to solicit or otherwise encourage Settlement Class Members to object to the Class Settlement or
19 appeal from the Final Approval Order and Judgment. Settlement Class Members, individually or
20 through counsel, may also present their objection orally at the Final Approval Hearing, regardless of
21 whether they have submitted a Notice of Objection.

22 28. Reports by the Settlement Administrator. The Settlement Administrator shall provide
23 weekly reports to counsel for the Parties providing: (a) the number of undeliverable and re-mailed
24 Class Notices; (ii) the number of Class Members who have submitted Workweeks Disputes; (iii) the
25 number of Class Members who have submitted Requests for Exclusion; and (iv) the number of
26 Settlement Class Members who have submitted Notices of Objection. Additionally, the Settlement
27 Administrator will provide to counsel for the Parties any updated reports regarding the administration
28 of the Settlement Agreement as needed or requested, and immediately notify the Parties when it

1 receives a request from an individual or any other entity regarding inclusion in the Class and/or
2 Settlement or regarding a Workweeks Dispute.

3 29. Defendant's Right to Rescind. If more than forty percent (40%) of the Class Members
4 submit timely and valid Requests for Exclusion, Defendant may elect to rescind the Settlement
5 Agreement. Defendant must exercise this right of rescission in writing that is provided to Class
6 Counsel within fourteen (14) calendar days of the Settlement Administrator notifying the Parties of
7 the number of Class Members who have submitted timely and valid Requests for Exclusion following
8 the Response Deadline. If Defendant exercises this option, Defendant shall pay any costs of settlement
9 administration owed to the Settlement Administrator incurred up to that date.

10 30. Certification of Completion. Upon completion of administration of the Settlement, the
11 Settlement Administrator will provide a written declaration under oath to certify such completion to
12 the Court and counsel for all Parties.

13 31. Duties of the Parties with Respect to Obtaining Final Approval of the Settlement. After
14 the Response Deadline, a Final Approval Hearing will be conducted to determine whether Final
15 Approval of the Settlement should be granted, along with the amounts properly payable for: (a)
16 Individual Settlement Shares; (b) Individual PAGA Payments; (c) LWDA Payment; (d) Attorneys'
17 Fees and Costs; (e) Enhancement Payment; and (f) Settlement Administration Costs. The Final
18 Approval Hearing will not be held earlier than thirty (30) calendar days after the Response Deadline.
19 Plaintiff and Class Counsel will be responsible for drafting the motion seeking Final Approval of the
20 Settlement. Class Counsel will provide Defendant's Counsel a draft of the final approval motion
21 before filing it with the Court. By way of said motion, Plaintiff will apply for the entry of the Final
22 Approval Order and Judgment, which will provide for, in substantial part, the following:

23 a. Approval of the Settlement as fair, reasonable, and adequate, and directing
24 consummation of its terms and provisions;

25 b. Certification of the Settlement Class;

26 c. Approval of the application for Attorneys' Fees and Costs to Class Counsel;

27 d. Approval of the application for Enhancement Payment to Plaintiff;

28 ///

1 e. Directing Defendant to fund all amounts due under the Settlement Agreement
2 and ordered by the Court; and

3 f. Entering judgment in the Action, while maintaining continuing jurisdiction, in
4 conformity with California Rules of Court 3.769 and the Settlement Agreement.

5 32. Funding of the Gross Settlement Amount. No later than thirty (30) calendar days after
6 the Effective Date, Defendant will deposit the Gross Settlement Amount into a Qualified Settlement
7 Fund (“QSF”) within the meaning of Treasury Regulation Section 1.468B-1, *et seq.*, to be established
8 by the Settlement Administrator. Defendant shall provide all information necessary for the Settlement
9 Administrator to calculate necessary payroll taxes including its official name, 8-digit state
10 unemployment insurance tax ID number, and other information requested by the Settlement
11 Administrator, no later than five (5) business days after the Effective Date. Defendant reserves the
12 right to fund the Gross Settlement Amount prior to the Effective Date, if the Effective Date falls after
13 December 31, 2024, without waiving any and all rights, including, but not limited to, return to
14 Defendant of the Gross Settlement Amount, should Final Approval of the Settlement be denied. The
15 Settlement Administrator shall not be entitled to distribute any of the Gross Settlement Amount, until
16 at least five (5) business days after the Effective Date. Should Final Approval not be granted, any and
17 all monies funded by Defendant and deposited with the Settlement Administrator, shall be
18 immediately returned to Defendant by the Settlement Administrator, within 48 hours of Defendant’s
19 demand.

20 33. Distribution of the Gross Settlement Amount. Within five (5) business days of the
21 Effective Date and funding of the Gross Settlement Amount, the Settlement Administrator will issue
22 the Individual Settlement Payments to Settlement Class Members, Individual PAGA Payments to
23 PAGA Employees, LWDA Payment to the LWDA, Enhancement Payment to Plaintiff, Attorneys’
24 Fees and Costs to Class Counsel, and Settlement Administration Costs to itself. The Settlement
25 Administrator shall also set aside the Employer Taxes and all employee-side payroll taxes,
26 contributions, and withholding, and timely forward these to the appropriate government authorities.

27 34. Settlement Checks. The Settlement Administrator will be responsible for undertaking
28 appropriate deductions, required tax reporting, and issuing the Individual Settlement Payments by way
of check to the Settlement Class Members and the Individual PAGA Payments by way of check to the

PAGA Employees in accordance with this Settlement Agreement. When issuing payments, the Settlement Administrator may combine the Individual Settlement Payment and Individual PAGA Payment into one check if the intended recipient for both payments is one individual. Settlement Class Members and PAGA Employees are not required to submit a claim to be issued an Individual Settlement Payment and/or Individual PAGA Payment. Each Individual Settlement Payment and Individual PAGA Payment check will be valid and negotiable for one hundred and eighty (180) calendar days from the date the checks are issued, and thereafter, shall be canceled. Any funds associated with such canceled checks shall be distributed by the Settlement Administrator to the State of California's Unclaimed Property Division in the name of the Settlement Class Member and/or PAGA Employee. The Parties agree that this disposition results in no "unpaid residue" under California Civil Procedure Code § 384, as the entire Net Settlement Amount will be paid out to Settlement Class Members, whether or not they cash their settlement checks. Therefore, Defendant will not be required to pay any interest on such amounts. The Settlement Administrator shall undertake amended and/or supplemental tax filings and reporting required under applicable local, state, and federal tax laws that are necessitated due to the cancelation of any Individual Settlement Payment and/or Individual PAGA Payment checks. Settlement Class Members whose Individual Settlement Payment checks are canceled shall, nevertheless, be bound by the Class Settlement, and PAGA Employees whose Individual PAGA Payment checks are cancelled shall, nevertheless, be bound by the PAGA Settlement.

35. Class Settlement Release. Upon the full funding of the Gross Settlement Amount, Plaintiff and all Settlement Class Members will be deemed to have fully, finally, and forever released, settled, compromised, relinquished, and discharged the Released Parties of all Released Class Claims.

36. PAGA Settlement Release. Upon the full funding of the Gross Settlement Amount, Plaintiff, the State of California with respect to all PAGA Employees, and all PAGA Employees will be deemed to have fully, finally, and forever released, settled, compromised, relinquished, and discharged the Released Parties of all Released PAGA Claims.

1 37. Plaintiff's General Release. Upon the full funding of the Gross Settlement Amount,
2 Plaintiff, individually and on his own behalf, will be deemed to have fully, finally, and forever
3 released, settled, compromised, relinquished, and discharged the Released Parties from any and all
4 claims, debts, liabilities, demands, obligations, guarantees, costs, expenses, attorneys' fees, damages,
5 or causes of action of any kind or nature whatsoever, known or unknown, suspected or unsuspected,
6 asserted or unasserted, which Plaintiff, at any time of execution of this Settlement Agreement, had or
7 claimed to have or may have, including but not limited to any and all claims arising out of, relating to,
8 or resulting from his employment and/or separation of employment with the Released Parties,
9 including any claims arising under any federal, state, or local law, statute, ordinance, rule, or regulation
10 or Executive Order relating to employment, including, but in no way limited to, any claim under Title
11 VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 1981; the Americans with Disabilities
12 Act; the Family and Medical Leave Act; the Employee Retirement Income Security Act; the California
13 Family Rights Act; the California Fair Employment and Housing Act; all claims for wages or penalties
14 under the Fair Labor Standards Act; all claims for wages or penalties under the California Labor Code;
15 Business and Professions Code sections 17200 *et seq.*; all laws relating to violation of public policy,
16 retaliation, or interference with legal rights; any and all other employment or discrimination laws;
17 whistleblower claims; any tort, fraud, or constitutional claims; and any breach of contract claims or
18 claims of promissory estoppel. It is agreed that this is a general release and is to be broadly construed
19 as a release of all claims, provided that, notwithstanding the foregoing, this Paragraph expressly does
20 not include a release of any claims that cannot be released hereunder by law. Plaintiff understands
21 and expressly agrees that this Settlement Agreement extends to claims that he has against Defendant,
22 of whatever nature and kind, known or unknown, suspected or unsuspected, vested or contingent, past,
23 present, or future, arising from or attributable to an incident or event, occurring in whole or in part, on
24 or before the execution of this Settlement Agreement. Any and all rights granted under any state or
25 federal law or regulation limiting the effect of this Settlement Agreement, including the provisions of
26 Section 1542 of the California Civil Code, ARE HEREBY EXPRESSLY WAIVED. Section 1542 of
27 the California Civil Code reads as follows:

28 ///

1 **A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR**
2 **OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER**
3 **FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM**
4 **OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH**
5 **THE DEBTOR OR RELEASED PARTY.**

6 38. Final Approval Order and Judgment. The Parties shall provide the Settlement
7 Administrator with a copy of the Final Approval Order and Judgment once it is entered by the Court,
8 and the Settlement Administrator shall post the Final Approval Order and Judgment on its website for
9 sixty (60) calendar days. No individualized notice of the Final Approval Order and Judgment to the
10 Class will be required.

11 39. Continued Jurisdiction. After entry of the judgment pursuant to the Settlement, the
12 Court will have continuing jurisdiction pursuant to Rule 3.769 of the California Rules of Court and
13 Section 664.6 of the California Code of Civil Procedure, for purposes of addressing: (a) the
14 interpretation and enforcement of the terms of the Settlement, (b) settlement administration matters,
15 and (c) such post-judgment matters as may be appropriate under court rules or as set forth in this
16 Settlement Agreement.

17 40. Effects of Termination or Rescission of Settlement. Termination or rescission of the
18 Settlement Agreement shall have the following effects:

19 a. The Settlement Agreement shall be void and shall have no force or effect, and
20 no Party shall be bound by any of its terms;

21 b. In the event the Settlement Agreement is terminated, Defendant shall have no
22 obligation to make any payments to any Party, Class Member, or attorney, except that the terminating
23 Party shall pay the Settlement Administrator for services rendered up to the date the Settlement
24 Administrator is notified that the Settlement has been terminated;

25 c. The Preliminary Approval Order, Final Approval Order and Judgment,
26 including any order certifying the Class, shall be vacated;

27 ///

28 ///

1 d. The Settlement Agreement and all negotiations, statements, and proceedings
2 relating thereto shall be without prejudice to the rights of any of the Parties, all of whom shall be
3 restored to their respective positions in the Action prior to the execution of the Settlement Agreement;

4 e. Neither this Settlement Agreement, nor any ancillary documents, actions,
5 statements, or filings in furtherance of the Settlement (including all matters associated with the
6 mediation) shall be admissible or offered into evidence in the Action or any other action for any
7 purpose whatsoever; and

8 f. Any documents generated to bring the Settlement into effect, will be null and
9 void, and any order or judgment entered by the Court in furtherance of this Settlement Agreement will
10 likewise be treated as void from the beginning.

11 41. No Prior Assignments. The Parties and their counsel represent, covenant, and warrant
12 that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign,
13 transfer, or encumber to any person or entity any portion of any liability, claim, demand, action, cause
14 of action or right herein released and discharged.

15 42. Exhibits Incorporated by Reference. The terms of this Settlement include the terms set
16 forth in any attached exhibits, which are incorporated by this reference as though fully set forth herein.
17 Any exhibits to this Settlement Agreement are an integral part of the Settlement.

18 43. Entire Agreement. This Settlement Agreement and any attached exhibits constitute the
19 entirety of the Parties' agreement relating to the settlement and transaction completed thereby, and all
20 prior or contemporaneous agreements, understandings, representations, and statements, whether oral
21 or written and whether by a Party or such Party's legal counsel, are merged herein. No other prior or
22 contemporaneous written or oral agreements may be deemed binding on the Parties. The Parties
23 expressly recognize California Civil Code § 1625 and California Code of Civil Procedure § 1856(a),
24 which provide that a written agreement is to be construed according to its terms and may not be varied
25 or contradicted by extrinsic evidence, and the Parties agree that no such extrinsic oral or written
26 representations or terms will modify, vary, or contradict the terms of this Settlement Agreement.

27 44. Interim Stay of Proceedings. The Parties agree to hold in abeyance all proceedings in
28 the Action (including with respect to California Code of Civil Procedure § 583.310), except such
proceedings necessary to implement and complete this Settlement Agreement, pending the Final

1 Approval Hearing to be conducted by the Court.

2 45. Amendment or Modification. Prior to the filing of the motion for preliminary approval
3 of the Settlement, the Parties may not amend or modify any provision of this Settlement Agreement
4 except by written agreement signed by counsel for all Parties. After the filing of the motion for
5 preliminary approval of the Settlement, the Parties may not amend or modify any provision of this
6 Settlement Agreement except by written agreement signed by counsel for all the Parties and subject
7 to Court approval. A waiver or amendment of any provision of this Settlement Agreement will not
8 constitute a waiver of any other provision.

9 46. Authorization to Enter into Settlement Agreement. Counsel for all Parties warrant and
10 represent they are expressly authorized by the Parties whom they represent to negotiate this Settlement
11 Agreement and to take all appropriate action required or permitted to be taken by such Parties pursuant
12 to this Settlement Agreement to effectuate its terms and to execute any other documents required to
13 effectuate the terms of this Settlement Agreement. The Parties warrant that they understand and have
14 full authority to enter into this Settlement Agreement, and further intend that this Settlement
15 Agreement will be fully enforceable and binding on all Parties, and agree that it will be admissible
16 and subject to disclosure in any proceeding to enforce its terms, notwithstanding any mediation
17 confidentiality provisions that otherwise might apply under state or federal law.

18 47. Signatories. It is agreed that because the members of the Class are so numerous, it is
19 impossible or impractical to have each Settlement Class Member or PAGA Employee execute this
20 Settlement Agreement. The Class Notice will advise all Class Members of the binding nature of the
21 Class Settlement as to the Settlement Class Members and the binding nature of the PAGA Settlement
22 as to the PAGA Employees, and the releases provided for by this Settlement Agreement shall have
23 the same force and effect as if this Settlement Agreement were executed by each Settlement Class
24 Member and PAGA Employee.

25 48. Binding on Successors and Assigns. This Settlement Agreement will be binding upon,
26 and inure to the benefit of, the successors or assigns of the Parties hereto, as previously defined.

27 49. California Law Governs. All terms of this Settlement Agreement and attached exhibits
28 hereto will be governed by and interpreted according to the laws of the State of California.

///

///

1 50. Execution and Counterparts. This Settlement Agreement is subject only to the
2 execution of all Parties. However, this Settlement Agreement may be executed in one or more
3 counterparts. All executed counterparts and each of them, including facsimile, electronic, and scanned
4 copies of the signature page, will be deemed to be one and the same instrument.

5 51. Acknowledgement that the Settlement is Fair and Reasonable. The Parties believe this
6 Settlement Agreement is a fair, adequate, and reasonable settlement of the Action and have arrived at
7 this Settlement after arm's length negotiations and in the context of adversarial litigation, taking into
8 account all relevant factors, present and potential. The Parties further acknowledge that they are each
9 represented by competent counsel and that they have had an opportunity to consult with their counsel
10 regarding the fairness and reasonableness of this Settlement Agreement. In addition, if necessary to
11 obtain approval of the Settlement, the Mediator may execute a declaration supporting the Settlement
12 and the reasonableness of the Settlement and the Court may, in its discretion, contact the Mediator to
13 discuss the Settlement and whether or not the Settlement is objectively fair and reasonable.

14 52. Invalidity of Any Provision. Before declaring any provision of this Settlement
15 Agreement invalid, the Court will first attempt to construe the provision as valid to the fullest extent
16 possible consistent with applicable precedents so as to define all provisions of this Settlement
17 Agreement valid and enforceable.

18 53. Plaintiff's Cooperation. Plaintiff agrees to sign this Settlement Agreement and, by
19 signing this Settlement Agreement, is hereby bound by the terms herein and agrees to fully cooperate
20 to implement the Settlement.

21 54. Non-Admission of Liability. The Parties enter into this Settlement Agreement to
22 resolve the dispute that has arisen between them and to avoid the burden, expense, and risk of
23 continued litigation. In entering into this Settlement Agreement, Defendant does not admit, and
24 specifically denies, it has violated any federal, state, or local law; violated any regulations or guidelines
25 promulgated pursuant to any statute or any other applicable laws, regulations, or legal requirements;
26 breached any contract; violated or breached any duty; engaged in any misrepresentation or deception;
27 or engaged in any other unlawful conduct with respect to its employees. Neither this Settlement
28 Agreement, nor any of its terms or provisions, nor any of the negotiations connected with it, shall be

1 construed as an admission or concession by Defendant of any such violations or failures to comply
2 with any applicable law. Except as necessary in a proceeding to enforce the terms of this Settlement
3 Agreement, this Settlement Agreement and its terms and provisions shall not be offered or received
4 as evidence in any action or proceeding to establish any liability or admission on the part of Defendant
5 or to establish the existence of any condition constituting a violation of, or a non-compliance with,
6 federal, state, local or other applicable law.

7 55. Captions. The captions and paragraph numbers in this Settlement Agreement are
8 inserted for the reader's convenience, and in no way define, limit, construe, or describe the scope or
9 intent of the provisions of this Settlement Agreement.

10 56. Mutual Preparation. The Parties have had a full opportunity to negotiate the terms and
11 conditions of this Settlement Agreement. Accordingly, this Settlement Agreement will not be
12 construed more strictly against one Party than another merely by virtue of the fact that it may have
13 been prepared by counsel for one of the Parties, it being recognized that, because of the arms-length
14 negotiations between the Parties, all Parties have contributed equally to the preparation of this
15 Settlement Agreement.

16 57. Representation By Counsel. The Parties acknowledge that they have been represented
17 by counsel throughout all negotiations that preceded the execution of this Settlement Agreement, and
18 that this Settlement Agreement has been executed with the consent and advice of counsel, and
19 reviewed in full.

20 58. All Terms Subject to Final Court Approval. All amounts and procedures described in
21 this Settlement Agreement herein will be subject to final Court approval.

22 59. Notices. All notices, demands, and other communications to be provided concerning
23 the Settlement Agreement shall be in writing and deemed to have been duly given as of the third
24 business day after mailing by First Class U.S. Mail, or the day sent by email or messenger, addressed

22 60. Cooperation and Execution of Necessary Documents. All Parties and their counsel will
23 cooperate with each other in good faith and use their best efforts to implement the Settlement,
24 including and not limited to, executing all documents to the extent reasonably necessary to effectuate
25 the terms of this Settlement Agreement. If the Parties are unable to reach agreement on the form or
26 content of any document needed to implement the Settlement Agreement, or on any supplemental
27 provisions that may become necessary to effectuate the terms of this Settlement Agreement, the Parties
28 may seek the assistance of the Mediator and then the Court to resolve such disagreement.

NOTICE OF CLASS ACTION SETTLEMENT

Armando Gastelum v. Premier Trailer Manufacturing, Inc.
Superior Court of California for the County of Tulare, Case No. VCU300333

PLEASE READ THIS CLASS NOTICE CAREFULLY.

You have received this Class Notice because Defendant's records indicate that you may be eligible to take part in the class action settlement reached in the above-referenced case.

You do not need to take any action to receive a settlement payment.

This Class Notice is designed to advise you of your rights and options with respect to the settlement, and how you can request to be excluded from the Class Settlement, object to the Class Settlement, and/or dispute the number of Workweeks and/or PAGA Workweeks that you are credited with, if you so choose.

YOU ARE NOTIFIED THAT: A class and representative action settlement has been reached between Plaintiff Armando Gastelum ("Plaintiff") and Defendant Premier Trailer Manufacturing, Inc. ("Defendant") (Plaintiff and Defendant are collectively referred to as the "Parties") in the case entitled *Armando Gastelum v. Premier Trailer Manufacturing, Inc.*, Tulare County Superior Court, Case No. VCU300333 ("Action"), which may affect your legal rights. On [date of Preliminary Approval], the Court granted preliminary approval of the settlement and scheduled a hearing on [hearing date] at [hearing time] ("Final Approval Hearing") to determine whether or not the Court should grant final approval of the settlement.

I. IMPORTANT DEFINITIONS

"Class" or "Class Member(s)" means all current and former hourly-paid and/or non-exempt employees who worked for Defendant in the State of California at any time during the Class Period.

"Class Period" means the period from July 27, 2019 through [Preliminary Approval or July 6, 2024, whichever is earlier].

"Class Settlement" means the settlement and resolution of all Released Class Claims.

"PAGA Employee(s)" means all current and former hourly-paid and/or non-exempt employees who worked for Defendant in the State of California at any time during the PAGA Period.

"PAGA Period" means the period from July 20, 2022 through [Preliminary Approval or July 6, 2024, whichever is earlier].

"PAGA Settlement" means the settlement and resolution of all Released PAGA Claims.

II. BACKGROUND OF THE ACTION

On July 20, 2023, Plaintiff provided written notice to the California Labor and Workforce Development Agency ("LWDA") and Defendant of the specific provisions of the California Labor Code that Plaintiff contends were violated ("PAGA Letter"). On July 27, 2023, Plaintiff commenced a putative class action lawsuit against Defendant by filing a Class Action Complaint for Damages in the Action. On September 27, 2023, Plaintiff filed a First Amended Complaint ("Operative Complaint") in the Action.

Plaintiff contends that Defendant failed to properly pay minimum and overtime wages, provide compliant meal and rest breaks and associated premiums, timely pay wages during employment and upon termination and associated waiting-time penalties, provide accurate wage statements, and reimburse necessary business expenses, and thereby engaged in unfair business practices in violation of the California Business and Professions Code section 17200, *et seq.*, and conduct that gives rise to penalties under the Private Attorneys General Act of 2004 pursuant to California Labor Code Section 2698, *et seq.* ("PAGA"). Plaintiff seeks, among other things, recovery of unpaid wages and meal and rest period premiums, unreimbursed business expenses, restitution, penalties, interest, and attorneys' fees and costs.

Defendant denies all of the allegations in the Action or that it violated any law.

The Parties participated in mediation with a respected class action mediator, and as a result, the Parties reached a settlement. The Parties have since entered into a Joint Stipulation of Class Action and PAGA Settlement (“Settlement” or “Settlement Agreement”).

On [Date of Preliminary Approval], the Court entered an order preliminarily approving the Settlement. The Court has appointed ILYM Group, Inc. as the administrator of the Settlement (“Settlement Administrator”), Plaintiff Armando Gastelum as representative of the Class (“Class Representative”), and the following Plaintiff’s attorneys as counsel for the Class (“Class Counsel”):

Jonathan M. Genish
Miriam L. Schimmel

Defendant, Premier Trailer Manufacturing, Inc. is represented by the following counsel:

Rissa A. Stuart
Richard C. Conway
Kahn, Soares & Conway, LLP

Hanford, California 93230
Tel: (559) 584-3337 / Fax: (559) 584-3348

If you are a Class Member, you need not take any action to receive an Individual Settlement Payment, but you have the opportunity to request exclusion from the Class Settlement (in which case you will not receive an Individual Settlement Payment), object to the Class Settlement, and/or dispute the Workweeks and/or PAGA Workweeks credited to you, if you so choose, as explained more fully in Sections III and IV below. If you are a PAGA Employee, you do not need to take any action to receive an Individual PAGA Payment; you will not have the opportunity to object or seek exclusion from the PAGA Settlement and all PAGA Employees will be bound to the PAGA Settlement if the Court grants final approval of the Settlement.

The Settlement represents a compromise and settlement of highly disputed claims. Nothing in the Settlement is intended or will be construed as an admission by Defendant that the claims in the Action have merit or that Defendant has any liability to Plaintiff, Class Members, or PAGA Employees. Plaintiff and Defendant, and their respective counsel, have concluded and agree that, in light of the risks and uncertainties to each side of continued litigation, the Settlement is fair, reasonable, and adequate, and is in the best interests of the Class Members, the State of California, and PAGA Employees.

III. SUMMARY OF THE PROPOSED SETTLEMENT

A. Settlement Formula

The total gross settlement amount is One Million Three Hundred Thousand Dollars and Zero Cents (\$1,300,000.00) (the “Gross Settlement Amount”). The portion of the Gross Settlement Amount that is available for payment to Class Members is referred to as the “Net Settlement Amount.” The Net Settlement Amount will be the Gross Settlement Amount less the following payments which are subject to approval by the Court: (1) attorneys’ fees, in an amount not to exceed thirty-five percent (35%) of the Gross Settlement Amount (i.e., \$455,000.00 if the Gross Settlement Amount is \$1,300,000.00), and reimbursement of litigation costs and expenses, in an amount not to exceed Twenty Thousand Dollars and Zero Cents (\$20,000.00) to Class Counsel; (2) Enhancement Payment in an amount not to exceed Ten Thousand Dollars and Zero Cents (\$10,000.00) to Plaintiff for his services in the Action; (3) the amount of Fifty Thousand Dollars and Zero Cents (\$50,000.00) allocated toward civil penalties under the Private Attorneys General Act (“PAGA Amount”), of which the LWDA will be paid 75% (\$37,500.00) (“LWDA Payment”) and the remaining 25% (\$12,500.00) will be distributed to

PAGA Employees (“PAGA Employee Amount”); and (4) Settlement Administration Costs in an amount not to exceed Fourteen Thousand Dollars and Zero Cents (\$14,000.00) to the Settlement Administrator.

Class Members are eligible to receive payment under the Class Settlement of their *pro rata* share of the Net Settlement Amount (“Individual Settlement Share”) based on the number of weeks each Class Member worked for Defendant as an hourly-paid and/or non-exempt employee in California during the Class Period (“Workweeks”). The Settlement Administrator has divided the Net Settlement Amount by the Workweeks of all Class Members to yield the “Estimated Workweek Value,” and multiplied each Class Member’s individual Workweeks by the Estimated Workweek Value to yield an estimated Individual Settlement Share that each Class Member may be entitled to receive under the Class Settlement (which is listed in Section III.C below). Class Members who do not submit a timely and valid Request for Exclusion (“Settlement Class Members”) will be issued their final Individual Settlement Payment.

Each Individual Settlement Share will be allocated as fifteen percent (15%) as wages, which will be reported on an IRS Form W-2, and eighty-five percent (85%) as penalties, interest, and non-wage damages, which will be reported on an IRS Form 1099 (if applicable). Each Individual Settlement Share will be subject to reduction for the employee’s share of payroll taxes and withholdings with respect to the wages portion of the Individual Settlement Shares resulting in a net payment to the Settlement Class Member (“Individual Settlement Payment”). The employer’s share of taxes and contributions in connection with the wages portion of Individual Settlement Shares (“Employer Taxes”) will be paid by Defendant separately and in addition to the Gross Settlement Amount.

PAGA Employees are eligible to receive payment under the PAGA Settlement of their *pro rata* share of the PAGA Employee Amount (“Individual PAGA Payment”) based on the number of weeks each PAGA Employee worked for Defendant as an hourly-paid and/or non-exempt employee in California during the PAGA Period (“PAGA Workweeks”). The Settlement Administrator had divided the PAGA Employee Amount, i.e., 25% of the PAGA Amount, by the PAGA Workweeks of all PAGA Employees to yield the “PAGA Workweek Value,” and multiplied each PAGA Employee’s individual PAGA Workweeks by the PAGA Workweek Value to yield each PAGA Employee’s Individual PAGA Payment.

Each Individual PAGA Payment will be allocated as one hundred percent (100%) penalties, will not be subject to taxes or withholdings, and will be reported on IRS Form 1099 (if applicable).

If the Court grants final approval of the Settlement, Individual Settlement Payments will be mailed to Settlement Class Members and Individual PAGA Payments will be mailed to PAGA Employees at the address that is on file with the Settlement Administrator. **If the address to which this Class Notice was mailed is not correct, or if you move after you receive this Class Notice, you must provide your correct mailing address to the Settlement Administrator as soon as possible to ensure you receive any payment that you may be entitled to under the Settlement.**

Under the terms of the Settlement, your Individual Settlement Share is estimated to be \$ [REDACTED]. The Individual Settlement Share is subject to reduction for the employee's share of taxes and withholdings with respect to the wages portion of the Individual Settlement Share and will only be distributed if the Court approves the Settlement and after the Settlement goes into effect.

Class Counsel will seek attorneys' fees in an amount not to exceed thirty-five percent (35%) of the Gross Settlement Amount (i.e., \$455,000.00 if the Gross Settlement Amount is \$1,300,000.00) and reimbursement of litigation costs and expenses in an amount not to exceed Twenty Thousand Dollars and Zero Cents (\$20,000.00) (collectively, "Attorneys' Fees and Costs"), subject to approval by the Court. The Attorneys' Fees and Costs granted by the Court will be paid from the Gross Settlement Amount. Class Counsel has been prosecuting the Action on behalf of Plaintiff, Class Members, and PAGA Employees on a contingency fee basis (that is, without being paid any money to date) and has been paying all litigation costs and expenses.

IV. WHAT ARE YOUR RIGHTS AND OPTIONS AS A CLASS MEMBER?

A. Participate in the Settlement

If you want to participate in the Class Settlement and receive money from the Class Settlement, you do not have to do anything. You will automatically be included in the Class Settlement and issued your Individual Settlement Payment unless you decide to exclude yourself from the Class Settlement.

Unless you elect to exclude yourself from the Class Settlement and if the Court grants final approval of the Settlement, you will be bound by the terms of the Class Settlement and any judgment that may be entered by the Court based thereon, and you will release the Released Class Claims against the Released Parties as described in Section III.D above.

If you are a PAGA Employee and the Court grants final approval of the Settlement, you will automatically be included in the PAGA Settlement and issued your Individual PAGA Payment. This means you will be bound by the terms of the PAGA Settlement and any judgment that may be entered by the Court based thereon, and you will release the Released PAGA Claims against the Released Parties as described in Section III.D above.

As a Class Member and PAGA Employee (if applicable), you will not be separately responsible for the payment of attorney’s fees or litigation costs and expenses, unless you retain your own counsel, in which event you will be responsible for your own attorney’s fees and expenses.

B. Request Exclusion from the Class Settlement

Class Members may request to be excluded from the Class Settlement by submitting a letter (“Request for Exclusion”) to the Settlement Administrator, at the following address:

[Settlement Administrator]
[Mailing Address]

A Request for Exclusion must: (a) contain the case name and number of the Action (*Gastelum v. Premier Trailer Manufacturing, Inc.*, Case No. VCU300333); (b) contain your full name, signature, address, telephone number, and last four (4) digits of your Social Security number; (c) clearly state that you do not wish to be included in the Class Settlement; and (d) be returned by mail to the Settlement Administrator at the specified address above, postmarked **on or before [Response Deadline]**.

If the Court grants final approval of the Settlement, any Class Member who submits a timely and valid Request for Exclusion will not be issued an Individual Settlement Payment, will not be bound by the Class Settlement (and the release of Released Class Claims described in Section III.D above), and will not have any right to object to, appeal, or comment on the Class Settlement. Class Members who do not submit a timely and valid Request for Exclusion will be deemed Settlement Class Members and will be bound by all terms of the Class Settlement, including those pertaining to the release of claims described in Section III.D above, as well as any judgment that may be entered by the Court based thereon. PAGA Employees will be bound to the PAGA Settlement (and the release of Released PAGA Claims described in Section III.D above) and will still be issued an Individual PAGA Payment, irrespective of whether they submit a Request for Exclusion.

C. Object to the Class Settlement

You can object to the Class Settlement as long as you have not submitted a Request for Exclusion by submitting a written objection (“Notice of Objection”) to the Settlement Administrator.

The Notice of Objection must: (a) contain the case name and number of the Action (*Gastelum v. Premier Trailer Manufacturing, Inc.*, Case No. VCU300333); (b) contain your full name, signature, address, telephone number, and the last four (4) digits of your Social Security number; (c) contain a written statement of all grounds for the objection accompanied by any legal support for such objection; (d) contain copies of any papers, briefs, or other documents upon which the objection is based; and (e) be returned by mail to the Settlement Administrator at the specified address listed in Section IV.B above, postmarked **on or before [Response Deadline]**.

You may also appear at the Final Approval Hearing and present your objection orally, regardless of whether you have submitted a Notice of Objection.
