DECLARATION OF JOHN G. YSLAS

I, John G. Yslas, declare as follows:

1. I am admitted, in good standing, to practice as an attorney in the State of California, the Ninth Circuit Court of Appeals, and the United States District Courts for the Central, Southern, Eastern, and Northern Districts of California. I am a Senior Partner at Wilshire Law Firm, PLC, counsel of record for Plaintiff Larry Norell Goosby ("Plaintiff"). I have personal knowledge of the facts set forth in this declaration and could and would competently testify to them under oath if called as a witness. This Declaration is submitted in support of Plaintiff's Motion for Preliminary Approval of Class Action Settlement.

CASE BACKGROUND

2. This is a wage and hour class and Private Attorneys General Act ("PAGA") (Cal. Lab. Code §§ 2699, *et seq.*) representative action. Plaintiff and putative class members worked in California as hourly-paid or non-exempt employees for CiminoCare, Inc. ("Defendant") during the class period. Defendant conducts business in numerous counties throughout the State of California, Including Sacramento County.

3. Plaintiff alleges that Defendant's payroll, timekeeping, and wage and hour practices resulted in Labor Code violations. Plaintiff alleges that Defendant failed to pay for all hours worked. Plaintiff further alleges that Defendant failed to provide employees with legally compliant meal and rest periods, and Defendant failed to reimburse business expenses. Based on these allegations, Plaintiff asserts related claims for failure to provide accurate wage statements, failure to pay all final wages at termination, unfair business practices, and civil penalties under the California Labor Code Private Attorneys General Act of 2004 ("PAGA"). Defendant denies Plaintiff's allegations and denies liability for Plaintiff's claims.

4. Plaintiff sent a notice to Defendant and the California Labor & Workforce Development Agency ("LWDA") alleging similar wage and hour violations pursuant to the PAGA (Labor Code §§ 2699, *et seq.*) on July 6, 2023. On October 31, 2022, Plaintiff filed a putative wage-and-hour class action complaint against Defendant for: (1) failure to pay minimum and straight time wages (Labor Code §§ 204, 1194, 1194.2, and 1197); (2) failure to pay overtime

wages (Labor Code §§ 1194, and 1198); (3) failure to provide meal periods (Labor Code §§ 226.7 and 512); (4) failure to authorize and permit rest periods (Labor Code §§ 226.7); (5) failure to pay final wages at termination (Labor Code §§ 201-203); (6) failure to provide accurate itemized wage statements (Labor Code § 226); (7) failure to indemnify employees for expenditures (Cal. Lab. Code § 2802); and (8) unfair business practices (Business and Professions Code § 17200 *et seq*.). On August 25, 2023, Plaintiff filed a First Amended Complaint against Defendant adding a claim for civil penalties under Private Attorneys General Act "PAGA" (Labor Code § 2698 et seq.).

DISCOVERY AND INVESTIGATION

5. Following the filing of the Complaint, the Parties exchanged documents and information before mediating this action. Prior to mediation, Plaintiff obtained, through informal discovery, time data and payroll records, a redacted class list of employees, wage and hour policy documents, and all documents concerning Plaintiff available to defendant.

6. After reviewing documents regarding Defendant's wage and hour policies and practices, and analyzing Defendant's timekeeping and payroll records, Class Counsel was able to evaluate the probability of class certification, success on the merits, and Defendant's maximum monetary exposure for all claims. Class Counsel also investigated the applicable law regarding the claims and defenses asserted in the Litigation. Class Counsel reviewed these records and utilized an expert to prepare a damages analysis prior to mediation.

SETTLEMENT NEGOTIATIONS

7. On March 25, 2024, the parties participated in private mediation with experienced class action mediator Michael H. Leb. The settlement negotiations were at arm's length and, although conducted in a professional manner, were adversarial. The Parties went into the mediation willing to explore the potential for a settlement of the dispute, but each side was also prepared to litigate their position through trial and appeal if a settlement had not been reached.

8. After extensive negotiations and discussions regarding the strengths and weaknesses of Plaintiff's claims and Defendant's defenses, the Parties were able to reach a resolution, the material terms of which are encompassed within the Settlement Agreement. Attached as **Exhibit 1** is a true and correct copy of the Class Action and PAGA Settlement

Agreement and Class Notice ("Settlement Agreement").

9. Class Counsel submitted the proposed Settlement to the LWDA before filing the Motion for Preliminary Approval.

10. I caused my office to request a bid from ILYM Group, Inc., an experienced class action settlement administrator, to handle the responsibilities of the Settlement Administrator under this Settlement. Plaintiff accepted the bid of ILYM Group, Inc ("ILYM"). ILYM has multiple years of experience in the field of Class Action Administration, particularly in the wage-and-hour arena. In its bid, ILYM provided an estimate of $14,350.00 if there are 1,082 class members. ILYM's bid also accounts for Notice in English and Spanish. A true and correct copy of the bid is attached hereto as **Exhibit 2.**

11. Plaintiff does not have any interest, financial or otherwise, in the proposed third-party administrator, ILYM.

12. No one at Wilshire Law Firm, PLC (meaning the law firm itself and anyone employed at the law firm) has any interest, financial or otherwise, in the proposed third-party administrator, ILYM.

13. Wilshire Law Firm, PLC does not have a fee-splitting agreement with any other counsel in this case.

14. Class Counsel is not aware of any other pending matter or action asserting claims that will be extinguished or affected by the Settlement.

THE PROPOSED SETTLEMENT IS FAIR AND REASONABLE

15. Class Counsel has conducted a thorough investigation into the facts of this case. Based on the foregoing discovery and their own independent investigation and evaluation, Class Counsel is of the opinion that the Settlement is fair, reasonable, and adequate and is in the best interests of the Settlement Class Members in light of all known facts and circumstances, the risk of significant delay, the defenses that could be asserted by Defendant both to certification and on the merits, trial risk, and appellate risk.

16. Based on an analysis of the facts and legal contentions in this case, documents and information from Defendant, I evaluated Defendant's maximum exposure. I took into account the

risk of not having the claims certified and the risk of not prevailing at trial, even if the claims are certified. After using the data Defendant provided, including class member timekeeping and payroll records, as well as class member demographics (i.e., the number of class members, workweeks, and average total compensation of the class), with the assistance of a statistics expert, I created a damages model to evaluate the realistic range of potential recovery for the class. The damages model is based on the following benchmarks:

Total Class Members: 1,133

Terminated Class Members during 3-year statute: 1,001

Total Workweeks: 40,863

Total Shifts Worked by the Class: 205,831

PAGA Pay Periods: 4,316

Avg. Hourly Rate: $17.02

17. Based on Plaintiff's discovery and investigation, Class Counsel reached the conclusion that Defendant failed to pay class members for all hours worked, including overtime wages, Defendant had a policy and practice of not providing its employees with California compliant meal and rest periods which it did not pay appropriate premiums for, and Defendant required its employees to work "off-the-clock" prior to clocking in for the workday, during meal periods, and after clocking out for the workday, time which it did not pay for, and Defendant failed to reimburse its employees for business-related expenses. Defendant denied these claims.

18. Plaintiff alleges that Defendant failed to pay for all hours worked, including minimum wages, straight time wages, and overtime wages, by requiring class members to work off-the-clock, unpaid. For purposes of calculating Defendant's liability based on a best-case scenario for Plaintiff and the Class, I estimate that Defendant's maximum potential exposure by assuming that all unpaid work time should have been paid at the overtime rate, not minimum or straight time wages, and I assumed that Defendant is liable for 1 hour of unpaid worktime per week. This results in an estimate of $1,043.232.39 (40,863 weeks * $17.02 hourly rate * 1.5 overtime rate * 1 hours of unpaid work per week), but I discounted this figure by 80% to account for the difficulty of prevailing on a motion for class certification and a trial on the merits because

liability depends on whether Defendant knew or should have known that class members were working off-the-clock, yielding a realistic damage estimate of $208,646.45.[1]

19. With respect to the meal period claim, Plaintiff alleges that Defendant required him and similarly situated class members to either work in lieu of taking meal periods, or their meal periods were untimely or interrupted. Based on our investigation, which evidenced a very high percentage of unique meal period violations, our expert extrapolated that there were 62,297 unique meal break violations. Potential liability for the meal period claim is $1,060,294.94 (62,297 shifts with unique meal break violations * $17.02 hourly rate). However, I discounted this figure by 80% to account for the difficulty of certifying and proving meal period claims, as well as Defendant's contention that the claim lacks merit, yielding a realistic damage estimate of $212,058.99.

20. With respect to the rest period claim, Plaintiff alleges that Defendant required them and similarly situated class members to work in lieu of taking rest periods, or their rest periods were untimely or interrupted. Conservatively assuming a 75% violation rate for the class period based on Plaintiff's and other class members' experience working for Defendant (even though our investigation strongly suggests that Plaintiff and Class members were never able to take any 10-minute rest breaks), Defendant's potential liability for the rest period claim is $2,547,970.59 (199,606 shifts greater than 3.5 hours * 17.02 hourly rate * 75%); however, I discounted this figure by 90% to account for the difficulty of certifying and proving rest period claims, particularly because rest periods do not have to be recorded, and to account for the possibility of class members voluntarily choosing to forego a rest period, yielding a realistic damage estimate of $254,797.01.

21. Plaintiff alleges that Defendant failed to reimburse necessary business expenses. Defendant's employees (including Plaintiff) were required to use their own personal cell phones for work-related purposes, including but not limited to communicating with managers and supervisors, and Defendant also required employees to spend their own money on work supplies

---

[1] An 80% discount for risk at certification and trial is reasonable because the Judicial Council of California found that only 21.4% of all class actions were certified either as part of a settlement *or* as part of a contested certification motion. *See* Findings of the Study of California Class Action Litigation, 2000-2006, available at http://www.courts.ca.gov/documents/class-action-lit-study.pdf.

without reimbursement. Assuming a conservative estimate of $50.00 per class member, Defendant's potential liability is $56,650.00 (1,133 class members * $50.00) However, I discounted this figure by 90% to account for the difficulty of certifying and proving reimbursable claims, as well as Defendant's contention that the claim lacks merit, yielding a realistic damage estimate of $5,665.00.

22. In sum, I estimated that Plaintiff's' maximum recovery for the off-the-clock claim, meal period violations, rest period violations, and failure to reimburse business expenses is $4,651,497.92 (calculated as $1,043.232.39 in unpaid overtime + $1,060,294.94 for meal period violations + $2,547,970.59 for rest break violation +$56,650.00 in unpaid reimbursements), but, after factoring in the risk and uncertainty of prevailing at certification and trial, I estimate that Plaintiff's realistic estimated recovery for the non-penalty claims is $680,985.45 (calculated as $208,646.45 for unpaid overtime + $212,058.99 for meal period violations + $254,797.01 for rest break violations + $5,665.00 in unpaid reimbursements).

23. With respect to Plaintiff's claims for statutory and civil penalties, Plaintiff estimates that Defendant's realistic potential liability is $512,243.60. While Defendant's maximum potential liability for waiting time penalties is $3,983,636.00 (assuming 30 days per employee at 7.8 hours per day, based on the average hours per shift), $707,200.00 for inaccurate wage statements (based on $50 for the first violations and $100 for subsequent violations, with a $4,000 employee maximum), and $431,600 for PAGA violations based on the Court assessing a $100 penalty for initial violations for all 4,316 pay periods within the 1-year statute, I believe that it would be unrealistic to expect the Court to award the full $5,122,436.00 in penalties given Defendant's defenses, the contested nature of Plaintiff's claims, and the discretionary nature of penalties. Considering that the underlying claims are realistically estimated to be $680,985.45, such a disproportionate award would also raise due process concerns. Weighing these factors and applying a discount of 90% to account for the risk and uncertainty of prevailing at trial, I arrived at $512,243.60 for statutory and civil penalties.

24. Using these estimated figures, Plaintiff predicted that the realistic maximum recovery for all claims, including penalties, would be $1,193,229.05. This means that the

$592,514.00 settlement figure represents 50% of the realistic maximum recovery ($592,514.00 / $1,193,229.05 = 50%). Considering the risk and uncertainty of prevailing at class certification and at trial, this is an excellent result for the Class.[2] Indeed, because of the proposed Settlement, class members will receive timely, guaranteed relief and will avoid the risk of an unfavorable judgment.

25. While Plaintiff is confident in the merits of his claims, a legitimate controversy exists as to each cause of action. Plaintiff also recognizes that proving the amount of wages due to each Class Member would be an expensive, time-consuming, and uncertain proposition.

26. This Settlement avoids the risks and the accompanying expense of further litigation. Although the Parties had engaged in a significant amount of investigation, informal discovery and class-wide data analysis, the Parties had not yet completed formal written discovery. Plaintiff intended to depose corporate officers and managers of Defendant. Moreover, preparation for class certification and a trial remained for the Parties as well as the prospect of appeals in the wake of a disputed class certification ruling for Plaintiff and/or adverse summary judgment ruling. Had the Court certified any claims, Defendant could move to decertify the claims. As a result, the Parties would incur considerably more attorneys' fees and costs through trial.

27. The Net Settlement Amount available for Class Member settlement payments is estimated to be $313,659.33 for a class of 1,133 persons.[3] As a result, each Settlement Class Member is eligible to receive an average net benefit of approximately $276.84, without factoring in payroll taxes.

28. The proposed Settlement of $592,514.00, therefore, represents a substantial recovery when compared to Plaintiff's reasonably forecasted recovery. When considering the risks

[2] See, e.g., *Wise v. Ulta Salon, Cosmetics & Fragrance, Inc.* (E.D. Cal. Aug. 21, 2019) 2019 WL 3943859 at *8 (granting preliminary approval where the proposed allocation to settle class claims was between 9.53 percent of Plaintiffs' maximum recovery); *Bravo v. Gale Triangle, Inc.* (C.D. Cal. Feb 16, 2017) 2017 WL 708766 at * 10 (finding that "a settlement for fourteen percent recovery of Plaintiffs' maximum recovery is reasonable"); *In re Omnivision Techs., Inc.* (N.D. Cal. 2008) 559 F.Supp.2d 1036, 1042 (approving settlement amount that "is just over 9% of the maximum potential recovery asserted by either party.").

[3] The Net Settlement Amount is: $592,514.00 minus $197,504.67 for Class Counsel's attorneys' fees, minus approximately $22,500 for Class Counsel's Litigation Expenses, minus $13,850.00 in administration costs, minus $30,000.00 for the PAGA payment, and minus $15,000.00 for the class representative service award to Plaintiff.

of litigation, the uncertainties involved in achieving class certification, the burdens of proof necessary to establish liability, the probability of appeal of a favorable judgment, it is clear that the settlement amount of $592,514.00 is within the "ballpark" of reasonableness, and preliminary settlement approval is appropriate.

ENHANCEMENT AWARD FOR PLAINTIFF IS REASONABLE

29. Class Counsel represents that Plaintiff devoted a great deal of time and work assisting counsel in the case, communicated with counsel very frequently for litigation and to prepare for mediation, and was frequently in contact with Class Counsel during the mediation. Plaintiff's requested enhancement award is reasonable particularly in light of the substantial benefits Plaintiff generated for all class members.

30. Throughout this Litigation, Plaintiff, who is a former employee of Defendant, has cooperated immensely with my office and has taken many actions to protect the interests of the class. Plaintiff provided valuable information regarding the off-the-clock, meal period, and rest period claims. Plaintiff also informed my office of developments and information relevant to this action, participated in decisions concerning this action, made themselves available to answer questions during the mediation, and provided my office with the names and contact information of potential witnesses in this action. Before we filed this case, Plaintiff provided my office with documents regarding the claims alleged in this action. The information and documentation provided by Plaintiff was instrumental in establishing the wage and hour violations alleged in this action, and the recovery provided for in the Settlement Agreement would have been impossible to obtain without Plaintiff's participation.

31. At the same time, Plaintiff faced many risks in adding himself as the class representatives in this matter. Plaintiff faced actual risks with his future employment, as putting himself on public record in an employment lawsuit could also very well affect his likelihood for future employment. Furthermore, as part of this Settlement, Plaintiff is executing a general release of all claims against Defendant.

32. In turn, class members will now have the opportunity to participate in a settlement, reimbursing them for alleged wage violations they may have never known about on their own or

been willing to pursue on their own. If these class members would have each tried to pursue their legal remedies on their own, that would have resulted in each having to expend a significant amount of their own monetary resources and time, which were obviated by Plaintiff putting himself on the line on behalf of these other class members.

33. In the final analysis, this class action would not have been possible without the aid of Plaintiff, who put his own time and effort into this Litigation, sacrificed the value of his own individual claims, and placed himself at risk for the sake of the class members. The requested enhancement award for Plaintiff for his service as the class representative and for his general release of all individual claims is a relatively small amount of money when the time and effort put into the Litigation are considered and in comparison to enhancements granted in other class actions. The requested incentive award is therefore reasonable to compensate Plaintiff for his active participation in this lawsuit.

THE REQUEST FOR ATTORNEYS' FEES AND COSTS IS REASONABLE

34. The Settlement provides for attorney's fees payable to Class Counsel in an amount up to one-third (33 1/3%) of the Settlement Amount, for a maximum fees award of $197,504.67, plus actual costs and expenses not to exceed $22,500.00. The proposed award of attorneys' fees to Class Counsel in this case can be justified under either method – lodestar or percentage recovery. Class Counsel, however, intend to base the proposed award of fees, costs and expenses on the percentage method as many of the entries in the time records will have to be redacted to preserve attorney-client and attorney work product privileges.

35. I am informed and believe that the fee and costs provision is reasonable. The fee percentage requested is less than that charged by my office for most employment cases. My office invested significant time and resources into the case, with payment deferred to the end of the case, and then, of course, contingent on the outcome.

36. It is further estimated that my office will need to expend at least another 50 to 100 hours to monitor the process leading up to the final approval and payments made to the class. My office also bears the risk of taking whatever actions are necessary if Defendant fails to pay.

37. The risk to my office has been very significant, particularly if we would not be

successful in pursuing this class action. In that case, we would have been left with no compensation for all the time taken in litigating this case. Indeed, our firm has taken on a number of class action cases that have resulted in thousands of attorney hours being expended and ultimately having certification denied or the defendant company going bankrupt. The contingent risk in these types of cases is very real and they do occur regularly. Furthermore, we were precluded from focusing on, or taking on, other cases which could have resulted in a larger, and less risky, monetary gain.

38. Because most individuals cannot afford to pay for representation in litigation on an hourly basis, Wilshire Law Firm, PLC represents virtually all of its employment law clients on a contingency fee basis. Pursuant to this arrangement, we are not compensated for our time unless we prevail at trial or successfully settle our clients' cases. Because Wilshire Law Firm, PLC is taking the risk that we will not be reimbursed for our time unless our client settles or wins his or her case, we cannot afford to represent an individual employee on a contingency basis if, at the end of our representation, all we are to receive is our regular hourly rate for services. It is essential that we recover more than our regular hourly rate when we win if we are to remain in practice so as to be able to continue representing other individuals in civil rights employment disputes.

MY EXPERIENCE AND QUALIFICATIONS

39. Wilshire Law Firm, PLC was selected by Best Lawyers and U.S. News & World Report as one of the nation's Best Law Firms since 2020 and is comprised of more than 100 attorneys and over 600 employees. Wilshire Law Firm, PLC is actively and continuously practicing in employment litigation, representing employees in both individual and class actions in both state and federal courts throughout California.

40. Wilshire Law Firm, PLC is qualified to handle this Litigation because its attorneys are experienced in litigating Labor Code violations in both individual, class action, and representative action cases. Wilshire Law Firm, PLC has handled, and is currently handling, numerous wage and hour class action lawsuits, as well as class actions involving consumer rights and data privacy litigation.

41. I graduated from the University of California, Santa Barbara with High Honors in 1991 with Bachelor of Arts degrees in Psychology. I received my Juris Doctor from UCLA Law

School in 1996.

42. Upon graduating from law school in 1996, I worked for a boutique law firm practicing general litigation which included employment law matters. Since 2000 (that is, the last 23 years) my practice has been exclusively focused on labor and employment matters including handling wage and hour class, collective and representative actions (including the California Private Attorneys General Act, or "PAGA"), including in the international law firms of Morgan, Lewis & Bockius LLP (where I was a senior associate), Foley & Lardner LLP (where I was a partner and a national Vice Chair of the Labor and Employment Group), Norton Rose Fulbright LLP (where I was a partner) and Seyfarth Shaw (where I was a partner and member of the Wage and Hour Practice Group). During my time at these law firms, I was the primary attorney or took a major leading role in defending employers on numerous wage and hour class, collective and representative actions.

43. In 2022 I left Seyfarth Shaw and joined my current firm, The Wilshire Law Firm, P.C., to represent plaintiff employees. I have been and am handling many wage and hour class and representative actions litigating such matters on behalf of plaintiff employees in numerous Superior Courts and District Courts. From matters representing both plaintiffs and defendants, I have successfully mediated the resolution of many wage and hour class, collective, and representative actions. Just since last year after joining Wilshire Law Firm, P.C. (and thus joining the plaintiff's bar) I have already successfully mediated matters (starting in about late April 2023) in which I have been counsel or co-counsel resulting in more than $32 million in settlements which are in the process of being finalized, and with numerous upcoming mediations scheduled. In those and numerous other matters, I have managed and assisted with the litigation and settlement of many wage and hour PAGA and class actions. In those actions, I performed similar tasks as those performed in the course of prosecuting this action.

44. I have received numerous awards for my legal work. For example, from 2015 to 2018, I was listed in Los Angeles Super Lawyers for Employment Litigation (Thomson Reuters). have also served on numerous prominent boards and in other leadership positions, including currently serving as Southern California Regional President for the Hispanic National Bar

Association and on the board of directors of the Mexican American Bar Foundation. I also previously served on the 5-member Los Angeles Civil Service Commission, which generally oversees the personnel decisions for the City of Los Angeles.

45. I have also published numerous blogs on labor and employment issues including on wage and hour issues. For example, I published "Headline News: Wal-Mart v. Dukes-Impact on Class Action Litigation" (while a partner with Foley & Lardner LLP) and "Are You Really Protected From Wage-and-Hour Successor Liability in an Asset Purchase" (while a partner with Seyfarth Shaw LLP). I have also been a presenter at numerous conferences, including being a presenter involving the "Employment Law Update" at a National Employment Law Council conference.

46. My current contingent billing rate of $850.00 per hour is consistent with my practice area, experience including as a former partner in international law firms, numerous awards received, legal market and accepted hourly rates:

a. In the December 8, 2008 article "Billable Hours Aren't the Only Game in Town Anymore," NATIONAL LAW JOURNAL, the following hourly billing rates were reported by Sheppard, Mullin, Richter & Hampton, a leading firm in the defense of wage-and-hour class actions that I opposed when litigating wage-and-hour class actions: Partners: $475-$795; Associates: 1st Year - $275, 2nd Year - $310, 3rd Year - $335, 4th Year - $365, 5th Year - $390, 6th Year - $415, 7th Year - $435, 8th Year - $455. I am a 27th year attorney and Senior Partner, with most of my experience in class action litigation as a primary practice area. Having worked as a partner for several well-known international law firms on the defense side, and achieved numerous outstanding results on the plaintiff's side this past year, respectfully, my hourly rate should be adjusted upward.

47. Jeffrey C. Bils is a tenth-year Senior Attorney at Wilshire Law Firm. His current hourly rate is $650. He graduated from the University of Wisconsin–Madison with a Bachelor of Arts in Journalism and German, and received his Juris Doctor from the University of California, Los Angles School of Law in 2014. During law school, he was a Senior Editor on the UCLA Law

Review and an Articles Editor on the Entertainment Law Review. He served as a Judicial Extern for the Hon. Consuelo Bland Marshall in United States District Court for the Central District of California, and also for the Hon. Sandra R. Klein of United States Bankruptcy Court for the Central District of California. He graduated ranked No. 7 in his graduating class from UCLA School of Law. He was admitted to practice law in the State of California in 2014. Since graduating from law school, he has focused his legal work primarily on employment matters, including wage-and-hour class action and PAGA representative action litigation, and he has helped obtain dozens of settlements on behalf California workers, as well as on behalf of California employers during his years on the defense bar. He is a member of the Beverly Hills Bar Association (BHBA), where he serves as a current member of the Board of Governors and is a past Chair of the Labor & Employment Law Section Executive Committee. He is also a member of the California Employment Lawyers Association (CELA). His current contingent billing rate for this case is $650 per hour.

48. Aram Boyadjian is a third-year Associate Attorney at Wilshire Law Firm, PLC. He was admitted to practice law in the State of California in 2021. Aram graduated from the University of California, Los Angeles, with a Bachelor of Arts in Political Science. He received his Juris Doctor from Loyola Law School. During law school, he was a member of the student editorial board for the International and Comparative Law Review. Since January 2021, his practice has mainly been focused on wage and hour class action litigation. His current contingent billing rate for this case is $550 per hour.

49. Andrew Sandoval is a second-year Associate Attorney at Wilshire Law Firm, PLC. He was admitted to practice law in the State of California in 2022. His current contingent billing rate for this case is $450 per hour.

50. John Brown is an Associate Attorney at Wilshire Law firm, PLC. He was admitted to practice law in the State of California in 2004. John graduated from the University of California,

Berkeley with a Bachelor of Arts and received his Juris Doctor from The UCLA School of Law. His current practice has been focused on wage and hour class action employment litigation. He has participated in dozens of settlements totaling tens of millions of dollars, from the memorandum of understanding and settlement agreement drafting stage through to final approvals from the court. His current billing rate is $450.00 per hour.

I declare under penalty of perjury under the laws of the State of California and the United States that the foregoing is true and correct.

EXHIBIT "1"

CLASS ACTION AND PAGA SETTLEMENT AGREEMENT AND CLASS NOTICE

This Class Action and PAGA Settlement Agreement ("Agreement") is made by and between plaintiff LARRY NORELL GOOSBY ("Plaintiff") and defendant CIMINOCARE, INC. ("Defendant"). The Agreement refers to Plaintiff and Defendant collectively as "Parties," or individually as "Party."

1. DEFINITIONS.

1.1 "Action" means the matters entitled *Goosby v. CiminoCare, Inc.*, Sacramento County Superior Court Case Nos. 34-2022-00329033 and 23CV007506 (collectively the "Action"), pending in Superior Court of the State of California, County of Sacramento.

1.2 "Administrator" means ILYM Group, Inc., the neutral entity the Parties have agreed to appoint to administer the Settlement.

3.2.4.2 Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their

Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.

Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.

To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

The face of each check shall prominently state the date (not less than 180 days after the date of mailing) when the check will be voided. 4.4.2 The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are retuned undelivered without United States Postal Service ("USPS") forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.

4.4.3 For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to a Court-approved nonprofit organization or foundation consistent with Code of Civil Procedure section 384, subdivision (b) ("Cy Pres Recipient") Legal Services of Northern California. The Parties, Class Counsel and Defense Counsel represent that they have no interest or relationship, financial or otherwise, with the intended Cy Pres Recipient.

4.4.4 The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendant to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

5. **RELEASES OF CLAIMS.** Effective on the date when Defendant fully funds the entire Gross

Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiff, Class Members, and Class Counsel will release claims against all Released Parties as follows:

5.1.1 Plaintiff's Waiver of Rights Under Civil Code Section 1542. For purposes of Plaintiff's Release, Plaintiff expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or Released Party.

5.2 Release by Participating Class Members: All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors and assigns, release Released Parties from (i) all claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in the Operative Complaint. 5.3 Release by Aggrieved Employees: All Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint.

5.4 Express Exclusion of *Wilson* Action: Expressly excluded from these Releases are any and all claims asserted by the class members in the *Wilson* Action. The Parties agree that nothing in this Release will in any way affect any potential settlement in the *Wilson* Action, and Defendant warrants and represents that no settlement in the *Wilson* Action will in any way affect this Settlement.

6. **MOTION FOR PRELIMINARY APPROVAL.** The Parties agree to jointly prepare and file a motion for preliminary approval ("Motion for Preliminary Approval") that complies with the Court's current checklist for Preliminary Approvals.

6.1 Defendant's Declaration in Support of Preliminary Approval. In their Declarations, Defense Counsel and Defendant shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.

6.2 Plaintiff's Responsibilities. Plaintiff will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code section 2699, subdivision (f)(2); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; (iii) a draft proposed Class Notice; (iv) a signed declaration from the Administrator attaching its "not to exceed" bid for administering the Settlement and attesting to its willingness to serve; competency; operative procedures for protecting the security of Class Data; amounts of insurance coverage for any data breach, defalcation of funds or other misfeasance; all facts relevant to any actual or potential conflicts of interest with Class Members and/or the proposed Cy Pres; and the nature and extent of any financial relationship with Plaintiff, Class Counsel or Defense Counsel; (v) a signed declaration from Plaintiff confirming willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members, and/or the Administrator and/or the proposed Cy Pres; (vi) a signed declaration from each Class Counsel firm attesting to its competency to represent the Class Members; its timely transmission to the LWDA of all necessary PAGA documents (initial notice of violations (Lab. In their Declarations, Plaintiff and Class Counsel Declaration shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.

6.3 Responsibilities of Counsel. Class Counsel and Defense Counsel are jointly responsible for expeditiously finalizing and filing the Motion for Preliminary Approval no later than 30 days after the full execution of this Agreement; obtaining a prompt hearing date for the Motion for Preliminary Approval; and for appearing in Court to advocate in favor of the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court's Preliminary Approval to the Administrator.

6.4 Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

7. SETTLEMENT ADMINISTRATION.

7.1 Selection of Administrator. The Parties have jointly selected ILYM Group, Inc. to serve as the Administrator and verified that, as a condition of appointment, ILYM Group, Inc. agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Expenses. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.

7.2 Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.

7.3 Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1.

7.4 Notice to Class Members.

7.4.1 No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, PAGA Members, Workweeks and Pay Periods in the Class Data.

7.4.2 Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class USPS mail, the Class Notice with Spanish translation substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of

Address database.

7.4.3 Not later than 3 business days after the Administrator's receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.

7.4.4 The deadlines for Class Members' written objections, Challenges to Workweeks and/or Pay Periods and Requests for Exclusion will be extended an additional 14 days beyond the 60 days otherwise provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.

7.4.5 If the Administrator, Defendant or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, which ever are later.

7.5 Requests for Exclusion (Opt-Outs).

A Request for Exclusion is a letter from a Class Member or his/her/their representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.

7.5.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.

7.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraphs 5.2, 5.3 and 5.4 of this Agreement, regardless of whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.

7.5.4 Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 5.3 of this Agreement and are eligible for an Individual PAGA Payment.

7.6 Challenges to Calculation of Workweeks. Each Class Member shall have 60 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination the challenges.

A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 60 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class

Members whose Class Notice was re-mailed).

7.7.3 Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

7.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

7.8.1 Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.

7.8.2 Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 5 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion ("Exclusion List"); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).

7.8.3 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments ("Weekly Report"). The Weekly Reports must include the Administrator's assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.

7.8.4 Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator's decision shall be final and not appealable or otherwise susceptible to challenge.

7.8.5 Administrator's Declaration. Not later than 14 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the

Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator's declaration(s) in Court.

7.8.6 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

8. CLASS SIZE ESTIMATES and ESCALATOR CLAUSE. Based on its records, Defendant estimated that, as of the date of a Memorandum of Understanding reached in furtherance of this Settlement Agreement, (1) there were 40,863 Total Workweeks during the Class period. If the number of actual workweeks at the time of preliminary approval is more than 10% higher than the estimated workweeks (i.e., exceeds 44,949 Workweeks), Defendant may, at its election, opt to (a) increase the Gross Settlement Amount in the exact proportionate amount as to any additional work weeks (i.e., 12% more workweeks than estimated will result in a 2% proportionate increase in the GSA) or (b) end the Class Period on the date that the total work weeks equals 44,949 work weeks.

9. DEFENDANT'S RIGHT TO WITHDRAW. If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 5% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Settlement Administration Expenses incurred to that point. Defendant must notify Class Counsel and the Court of its election to withdraw not later than seven days after the Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect.

10. MOTION FOR FINAL APPROVAL. Not later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subdivision (l), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiff shall provide drafts of these documents to Defense Counsel not later than seven days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

10.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.

10.2 Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

10.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters and (iii) addressing such post-Judgment matters as are permitted by law.

10.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment set forth in this Settlement, the Parties, their respective counsel and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.

10.5 Appellate Court Orders to Vacate, Reverse or Materially Modify Judgment. If the reviewing Court vacates, reverses or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

11. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgement.

12. ADDITIONAL PROVISIONS.

12.1 No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval or enter Judgment, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

12.2 Confidentiality Prior to Preliminary Approval. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency or other entity except: (1) to the Parties' attorneys, accountants or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

12.3 No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict

Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

12.4 Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants or inducements made to or by any Party.

12.5 Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.

12.6 Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.

12.7 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered or purported to assign, transfer or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action or right released and discharged by the Party in this Settlement.

12.8 No Tax Advice. Neither Plaintiff, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.

12.9 Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed or waived only by an express written instrument signed by all Parties or their representatives and approved by the Court.

12.10 Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.

12.11 Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the State of California, without regard to conflict of law principles.

12.12 Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.

12.13 Confidentiality. To the extent permitted by law, all agreements made and orders entered during Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.

12.14 Use and Return of Class Data. Information provided to Class Counsel pursuant to Evidence Code section 1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute or California Rules of Court rule. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall destroy all paper and electronic versions of Class Data received from Defendant unless, prior to the Court's discharge of the Administrator's obligation, Defendant makes a written request to Class Counsel for the return, rather than the destruction, of Class Data.

12.15 Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.

12.16 Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.

12.17 Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR FINAL COURT APPROVAL

Goosby v. CiminoCare, Inc., Sacramento County Superior Court Case Nos. 34-2022-00329033 and 23CV007506

The Superior Court for the State of California authorized this Notice. Read it carefully! It's not junk mail, spam, an advertisement or solicitation by a lawyer. You are not being sued.

You may be eligible to receive money from an employee class action lawsuit ("Action") against CiminoCare, Inc. (abbreviate name; "Defendant" is used herein as a placeholder) for alleged wage and hour violations. The Action was filed by a former employee of Defendant, Larry Norrell Goosby ("Plaintiff") and seeks payment of (1) back wages and other relief for a class of hourly-paid or non-exempt employees ("Class Members") who worked for Defendant during the Class Period (October 31, 2018 to the date of preliminary approval of the Settlement or July 31, 2024, whichever is earlier); and (2) penalties under the California Private Attorney General Act ("PAGA") for all hourly-paid or non-exempt employees who worked for Defendant during the PAGA Period (August 25, 2022 until the date of preliminary approval of the Settlement or July 31, 2024, whichever is earlier) ("Aggrieved Employees").

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendant to fund Individual Class Payments, and (2) a PAGA Settlement requiring Defendant to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency ("LWDA").

Based on Defendant's records, and the Parties' current assumptions, **your Individual Class Payment is estimated to be $________ (less withholding) and your Individual PAGA Payment is estimated to be $________**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant's records you are not eligible for an Individual PAGA Payment under the Settlement because you didn't work during the PAGA Period.)

The above estimates are based on Defendant's records showing that **you worked ______ workweeks** during the Class Period and **you worked _____ workweeks** during the PAGA Period. If you believe that you worked more workweeks during either period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff's attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

(1) **Do Nothing**. You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Defendant.

(2) **Opt-Out of the Class Settlement**. You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Defendant, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement **The Opt-out Deadline is ______________**	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section **6** of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Defendant must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released Claims (defined below).
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement **Written Objections Must be Submitted by** ______________	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section **7** of this Notice.

You Can Participate in the _____________ Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on _________. You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section **8** of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods **Written Challenges Must be Submitted by _____________**	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number Class Period Workweeks and number of PAGA Period Pay Periods you worked according to Defendant's records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by _______. See Section **4** of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former employee of Defendant. The Action accuses Defendant of violating California labor laws by failing to pay overtime wages, minimum wages, wages due upon termination and reimbursable expenses and failing to provide meal periods, rest breaks and accurate itemized wage statements. Based on the same claims, Plaintiff has also asserted a claim for civil penalties under the California Private Attorneys General Act (Lab. Code, § 2698, et seq.) ("PAGA"). Plaintiff is represented by attorneys in the Action: John G. Yslas, Jeffrey C. Bils, Aram Boyadjian, Andrew Sandoval, and John Brown of Wilshire Law Firm, PLC ("Class Counsel").

Defendant strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Defendant or Plaintiff is correct on the merits. In the meantime, Plaintiff and Defendant hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement ("Agreement") and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Defendant have negotiated a proposed Settlement that is subject to the Court's Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Defendant Will Pay $592,514.00 as the Gross Settlement Amount (Gross Settlement). Defendant has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel's attorneys' fees and expenses, the Administrator's expenses, and penalties to be paid to the California Labor and Workforce Development Agency ("LWDA"). Assuming the Court grants Final Approval, Defendant will fund the Gross Settlement not more than 14 days after the Judgment entered by the Court become final. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.

2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:

   A. Up to $197,504.67 (33 and 1/3% of the Gross Settlement) to Class Counsel for attorneys' fees and up to $22,500.00 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.

   B. Up to $15,000.00 as a Class Representative Award for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiff will receive other than Plaintiff's Individual Class Payment and any Individual PAGA Payment.

   C. Up to $15,000.00 to the Administrator for services administering the Settlement.

   D. Up to $30,000.00 for PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the Aggrieved Employees based on their PAGA Period Pay Periods.

   Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the "Net Settlement") by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.

4. Taxes Owed on Payments to Class Members. Plaintiff and Defendant are asking the Court to approve an allocation of 20% of each Individual Class Payment to taxable wages ("Wage Portion") and 80% to penalties (40%) and interest (40%) ("Non-Wage Portion"). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiff and Defendant have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don't cash it by the void date, your check will be automatically cancelled, and the monies will irrevocably lost to you because they will be paid to a non-profit organization or foundation Legal Services of Northern California ("Cy Pres").

6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than ________, that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the ________ Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her/their representative setting forth a Class Member's name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Defendant.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Defendant based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiffs and Defendant have agreed that, in either case, the Settlement will be void: Defendant will not pay any money and Class Members will not release any claims against Defendant.

8. Administrator. The Court has appointed a neutral company, ILYM Group, Inc. (the "Administrator") to send this Notice, calculate and make payments, and process Class Members' Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re- mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator's contact information is contained in Section 9 of this Notice.

9. Participating Class Members' Release. After the Judgment is final and Defendant has fully funded the Gross Settlement and separately paid all employer payroll taxes, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue or be part of any other lawsuit against Defendant or related entities for wages based on the Class Period facts and PAGA penalties

based on PAGA Period facts, as alleged in the Action and resolved by this Settlement. Expressly excluded from the Class are settlement class members and aggrieved employees in *Dawnetta Wilson v. Solar Senior Living LLC*, Sacramento County Superior Court, Case No. 34-2020-00281971 (the "*Wilson* Action").

The Participating Class Members will be bound by the following release:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors and assigns, release Released Parties from (i) all claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in the Operative Complaint. Except as set forth in Section 5.3 and 5.4 of the Settlement Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

10. <u>Aggrieved Employees' PAGA Release</u>. After the Court's judgment is final, and Defendant has paid the Gross Settlement (and separately paid the employer-side payroll taxes), all Aggrieved Employees will be barred from asserting PAGA claims against Defendant, whether or not they exclude themselves from the Settlement. This means that all Aggrieved Employees, including those who are Participating Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue or participate in any other PAGA claim against Defendant or its related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

    The Aggrieved Employees' Releases for Participating and Non-Participating Class Members are as follows:

    > All Participating and Non-Participating Class Members who are Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties, from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint.

11. <u>Express Exclusion from Releases</u>. Expressly excluded from these Releases are any and all claims asserted by the class members in the *Wilson* Action. The Parties agree that nothing in this Release will in any way affect any potential settlement in the *Wilson* Action, and Defendant warrants and represents that no settlement in the *Wilson* Action will in any way affect this Settlement.

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?
