IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA
FOR THE COUNTY OF SANTA BARBARA

ELIZABETH PETERSEN, on behalf of all
similarly situated persons and aggrieved
employees,

Plaintiff,

vs.

SUNRUN, INC., and DOES 1-50,

Defendants.

CASE NO.: 26CV03332

[Assigned for all Purposes to the Hon. Thomas
P. Anderle, Dept. C-3]

**DECLARATION OF ELIZABETH
PETERSEN IN SUPPORT OF
PLAINTIFF'S MOTION FOR
APPROVAL OF PAGA SETTLEMENT
AND ENTRY OF JUDGMENT**

1 I, Elizabeth Petersen hereby state and declare as follows:

2 1. I am Elizabeth Petersen, a Plaintiff in this action. I am fully familiar with the facts,
3 pleadings and history of this matter. The following facts are within my own personal knowledge,
4 and if called as a witness, I could testify competently to the matters stated here.

5 2. My attorney in this action is Nathan & Associates, APC.

6 3. I was employed by Defendant Sunrun Inc. ("Defendant") as a non-exempt
7 employee from approximately March 4, 2025 to January 30, 2026. I was an hourly employee that
8 received commission and bonuses in any position during my tenure with Defendant and it is my
9 understanding the same applied to at least 99% of all non-exempt aggrieved employees.

10 4. I represent a group of non-exempt aggrieved employees who are or were employed
11 by Defendant in the State of California.

12 5. From the end of January 2026, I spent time having initial interviews with my
13 attorney. As a part of the interview, my attorneys requested that I provide them with the names
14 and telephone numbers of any persons with any witnesses or persons with knowledge due to the
15 length of my employment with Defendants. I was able to collect a handful of names and numbers
16 of individuals that I believed would support my claims. I either introduced my attorney to the
17 witnesses in question or provided him with the contact information. I had multiple follow up calls
18 with my attorney to help him during his investigation of the claims. These activities took me
19 approximately 31 hours.

20 6. I also spent reviewing the retainer agreement, searching for documents in my files,
21 garage, and on my computer in support of my claims, reviewing documents with my attorney, and
22 reviewing the initial complaint. These activities took me approximately 19 hours.

23 7. On May 13, 2026, I filed a Complaint in this action. I spent approximately 2 hours
24 reviewing the complaint prior to my attorney filing it.

25 8. I spent time reviewing documents produced by Defendant containing my
26 employment file, and data/documents produced by Defendant in anticipation for the mediation. I
27 also answered several questions after my attorneys reviewed my expert's calculations and damage
28

1 models with my attorney. I spent approximately 14 hours on these activities including being
2 available for the mediation.

3 9. I spent approximately 66 hours in total and based on dedicated to this case.

4 10. I executed a specific release that releases a variety of claims unrelated to the specific
5 Labor Code violations asserted in the Complaint.

6 11. With the outstanding results achieved, I kindly request that the Court award me the
7 award of \$10,000.00 as requested for my time involved in the case and because of the specific and
8 general release.

9 I declare under penalty of perjury under the laws of the state of California that the foregoing
10 is true and correct.
