1 5. I was selected as a “Super Lawyer Rising Star” in Employment Litigation from 2017
2 through 2022 and as a “Super Lawyer” from 2023-2024, a distinction reserved for the top 2.5 % of
3 attorneys in the practice area.

4 6. Through a contested but productive mediation, Plaintiff and Defendant Veoride, Inc.
5 (“Defendant”) (collectively, the “Parties”) entered into a Class Action and PAGA Settlement
6 Agreement resolving the wage and hour claims of the Settlement Class (“Settlement Agreement”
7 and/or “Settlement”), which is attached hereto as **Exhibit A**.

8 7. The Settlement Agreement seeks to fully release and discharge Defendant from the
9 claims brought against it in this matter in exchange for Defendant’s agreement to pay \$625,000.00
10 on a non-reversionary, non-claims made basis (each Settlement Class Member will receive their share
11 of the Net Settlement Amount without having to submit a claim form or taking action, except for
12 those who opt-out).

13 8. Plaintiff seeks to represent a Class of all persons who are or were employed by
14 Defendant in California and classified as non-exempt or hourly employees at any time during the
15 Class Period from August 29, 2019, through June 17, 2025 (the “Class” or “Class Members”).
16 Likewise, the Aggrieved Employees include all persons who are or were employed by Defendant in
17 California and classified as non-exempt or hourly employees at any time during the Class Period from
18 August 29, 2022, through June 17, 2025 (“Aggrieved Employees”).

19 9. Under the terms of the Settlement Agreement, Defendant will not oppose Class
20 Counsel’s application for a reasonable award of attorney’s fees not to exceed one-third of the
21 Settlement Amount, Class Counsel’s litigation costs not to exceed \$25,000, Settlement
22 Administration Fees not to exceed \$5,000, PAGA penalties of \$20,000 (of which \$15,000 or 75%
23 will be paid to the LWDA and the remaining \$5,000 or 25% will be paid to the Aggrieved
24 Employees), and an Incentive Award not to exceed \$10,000 to the named Plaintiff (S.A. ¶ 47(a)-(h)),
25 as follows:
26
27
28

	Total Amount
<i>Gross Settlement Amount</i>	\$625,000
Attorneys' Fees (not to exceed 1/3 of GSA)	\$208,333.33
Litigation Costs (not to exceed)	\$25,000.00
Settlement Administration Fees (not to exceed)	\$5,000.00
PAGA payment to LWDA (75% of \$20k award)	\$15,000.00
PAGA payment to Aggrieved Employees (25% of \$20k award)	\$5,000.00
Plaintiff's Incentive Award	\$10,000.00
<i>Net Settlement Amount</i>	\$356,666.67

10. As of the Parties' mediation, the Class includes approximately 222 non-exempt employees who all worked for Defendant in California during the Class Period. Plaintiff contends that, regardless of their roles, all non-exempt employees were subject to the same wage and hour policies and payroll/scheduling practices, and therefore, the Individual Settlement Payments will be paid on a pro-rata basis based on the number of Compensable Workweeks during the Class Period. Assuming a total class size of approximately 222 Settlement Class Members, the average payment to each Settlement Class Member will be approximately \$1,606.60, with the highest payment estimated to be \$14,632.48. Of course, those with more Compensable Workweeks stand to recover proportionally more.

11. The Settlement is non-reversionary, and Class Members will not be required to submit claim forms to receive payment, but each Class Member will be mailed the Notice containing detailed information about his/her share, the opportunity to dispute the number of Compensable Workweeks worked by the Class Member, and the opportunity to opt out or object to the Settlement. All Class Members who do not affirmatively opt out will receive a settlement check upon the Court granting final approval of the Settlement (attached hereto as **Exhibit B**).

12. Because the Settlement is fair and reasonable and was negotiated at arm's length by experienced counsel and an experienced mediator following an appropriate and comprehensive exchange of information and documents in advance of mediation, it should be preliminarily approved. Plaintiff respectfully requests that the Court enter an order preliminarily approving the Settlement, conditionally certifying the Class under Code of Civil Procedure § 382 for settlement purposes, approving the proposed Notice, appointing Plaintiff's counsel as Class Counsel, appointing Phoenix

1 Class Action Administration Solutions as the Settlement Administrator, and scheduling a hearing for
2 the final approval of the Settlement.

3 13. On or about August 29, 2023, Plaintiff filed a class action complaint in the Court
4 against Defendant, including allegations of: (1) failure to pay overtime wages, (2) failure to pay all
5 sick time, (3) meal period violations, (4) rest period violations, (5) wage statement violations, (6)
6 waiting time penalties, (7) failure to reimburse business expenses, and (8) unfair competition. On or
7 about November 6, 2023, Plaintiff filed a First Amended Complaint to add a cause of action for
8 PAGA penalties based on the foregoing Labor Code violations.

9 14. Defendant retained counsel, denied the allegations, and vowed to defend against the
10 allegations vigorously. However, before engaging in protracted litigation, the Parties agreed to
11 explore resolution through private mediation. In preparation for mediation, the Parties agreed to an
12 informal discovery process, during which information was exchanged regarding applicable policies
13 and procedures, substantial payroll and timekeeping records, the size of the class, compensation
14 policies and practices, and the potential value of the case. The sampling enabled Class Counsel and
15 its expert to fully evaluate the potential claims and extrapolate the data to the entire Settlement Class.
16 During this process, Plaintiff and counsel analyzed, researched, and investigated the potential claims
17 of all similarly situated employees.

18 15. The Parties have conducted a thorough investigation into the facts of the Action. This
19 includes conducting interviews with putative class members, investigation of Defendant and its
20 operations, and its pay policies/procedures, exchange of informal discovery, including Defendant's
21 written policies and practices, and the production of a statistically significant sampling of payroll and
22 timekeeping records for Settlement Class Members and Aggrieved Employees. Class Counsel is both
23 knowledgeable about and has done extensive research with respect to the applicable law and potential
24 defenses to the claims of the Settlement Class Members and Aggrieved Employees. Class Counsel
25 has diligently investigated the Class Members' claims against Defendant.

26 16. Based on the foregoing data and their own independent investigation and evaluation,
27 Class Counsel is of the opinion that the settlement with Defendant for the consideration and on the
28 terms set forth in this Settlement Agreement is fair, reasonable, and adequate and is in the best interest

1 of the Settlement Class Members and Aggrieved Employees, in light of all known facts and
2 circumstances, including the risk of significant delay and uncertainty associated with litigation,
3 various defenses asserted by Defendant, and numerous potential appellate issues.

4 17. On April 18, 2025, the Parties participated in mediation before David Phillips, Esq., a
5 highly experienced class action mediator. After a full-day mediation and the issuance of a mediator's
6 proposal, the Parties reached a settlement and memorialized the terms of the Settlement in a long-
7 form Settlement Agreement.

8 18. Plaintiff alleged various wage and hour violations on behalf of the non-exempt
9 employees who worked for Defendant during the Class Period (i.e., Class Members).

10 19. First, Plaintiff alleged that Defendant failed to pay all wages due as a result of its
11 unlawful and uneven time rounding practice.

12 20. Next, Plaintiff alleged that Defendant's deficient meal and rest period policies and
13 practices failed to allow and permit Class Members to take timely and compliant meal and rest
14 periods. Likewise, Plaintiff contended that the Class Members were not provided with duty-free rest
15 periods of at least ten (10) minutes for each four (4) hour work period, or major fraction thereof, due
16 to Defendant's operational requirements at the direction of their supervisors.

17 21. Plaintiff further alleged that Defendant failed to pay all final wages at separation of
18 employment and provide accurate itemized wage statements that comply with all requirements of
19 Labor Code Section 226. Plaintiff also alleged that Defendant failed to reimburse Class Members for
20 all necessary business expenses, and also brought a claim for civil penalties under the PAGA arising
21 from the alleged Labor Code violations set forth above.

22 22. Defendant contested and denied each of Plaintiff's material allegations on the merits
23 and as to the propriety of the class and PAGA representative action.

24 23. First, Defendant argued that it always paid employees for all hours worked and its
25 timekeeping and pay practices/policies did not result in any underpayment to Class Members.
26 Furthermore, Defendant argued that even if there was any underpayment, it did not constitute
27 compensable time and resulted in *de minimis* damages, if any.

28 24. Next, Defendant argued that at all relevant times its written meal and rest period

1 policies were compliant with California law. Defendant also contended that, in practice, Class
2 Members regularly were permitted to be free of any duties during meal and rest periods and were not
3 constrained due to any operational or supervisory requirements of the job. With regard to the failure
4 to pay necessary business expenses, Defendant argued that Class Members were not required to use
5 their personal cell phones, and that it adequately reimbursed for necessary expenses pursuant to its
6 reimbursement policy.

7 25. Moreover, Defendant argued that claims for wage statement violations, waiting time
8 penalties, and PAGA penalties were derivative of other claims, which they argued had no merit.
9 Defendant further contended that Plaintiff's waiting time penalty and wage statement claims based
10 on the underlying meal and rest period violations were unfounded and did not entitle Class Members
11 to pursue the derivative penalties under Labor Code sections 203 and 226.

12 26. Defendant also generally argued that individualized inquiries would be required to
13 establish liability, including amongst other things, which employees, if any, took meal periods of less
14 than 30 minutes, why a particular employee took a meal period of less than 30 minutes on a particular
15 shift, and whether a particular employee remained under the control of Defendant during rest periods.

16 27. Based upon detailed data obtained through informal discovery and information
17 exchanges, Class Counsel estimated the following big-picture data points through the date of
18 mediation: 222 Class Members who worked approximately 7,020 workweeks.

19 **Failure to Pay Overtime and Sick Wages at the Regular Rate**

20 28. First, Plaintiff alleged that Defendant failed to account for non-discretionary bonuses
21 and other incentive pay when calculating the "regular rate of pay" when paying overtime and sick
22 pay wages. However, Defendant argued that it correctly calculated the "regular rate of pay," and that
23 any underpayment was in good faith and *de minimis*.

24 29. While Defendant's sampling of pay records revealed "regular rate of pay" violations,
25 the underpayments of overtime and sick wages were minimal throughout the Class Period.

26 30. Due to this and in light of Defendant's other defenses, Plaintiff completely discounted
27 these two claims, keeping in mind that the true significant value of this unpaid wages claim lies in
28 the derivative claims for waiting time penalties under California Labor Code Section 203 and wage

1 statement violations under California Labor Code Section 226(a) as discussed below.

2 **Waiting Time Penalties**

3 31. With respect to Plaintiff's waiting time penalty claim, there were approximately 151
4 Class Members who separated from their employment with Defendant, and who worked an average
5 of 7.4 hours per day, during the relevant statutory period. As such, the maximum potential penalty
6 under Labor Code § 201 – 203 is \$709,579 (151 employees x 8 hours per day x average rate of \$19.58
7 x 30 days).

8 32. However, Defendant argued that it would defeat the waiting time penalty claim as to
9 Plaintiff's unpaid wage claim because Defendant would prevail on the merits of these claims,
10 including that it complied with the law because it had an alleged facially neutral pay policy/practice.
11 Finally, Defendant argued that any failure to pay final wages was not willful and occurred before the
12 waiting time penalty liability period.

13 33. Therefore, Plaintiff applied a 30% discount to account for the risk of defeat at the class
14 certification stage and an additional discount of 25% for the risk of defeat at the summary judgment
15 stage or on the merits, resulting in the risk-adjusted value of \$372,528 for Plaintiff's waiting time
16 penalty claim.

17 **Failure to Provide Meal and Rest Periods**

18 34. With respect to Plaintiff's meal and rest period violation claims, the Class Members
19 worked 35,000 shifts during the Class Period. Based on an alleged 50% violation rate for the meal
20 period claims and an alleged 33% violation rate for the rest period claims, as extrapolated from the
21 pre-mediation sampling of Defendant's timekeeping and payroll records, the maximum potential
22 damages totalled \$342,650 for the meal period claim and \$226,149 for the rest period claim,
23 respectively.

24 35. However, Defendant vehemently opposed these claims based on the argument that the
25 claims fall directly into the category of "individualized issues," that its written policies and practices
26 were compliant with California law, and the employees had ample latitude regarding whether, when,
27 and how they took their meal and rest breaks. Therefore, Defendant asserted that a factfinder would
28 have to determine for each Class Member whether a break was missed and why, and why a break was

1 noncompliant/nonexistent, because if it was by the employee's choice, no liability attaches to
2 Defendant. Based on these arguments, Plaintiff believes there is a risk that the Court would deny class
3 certification on these meal period and rest break claims.

4 36. Defendant further argued that, even if certification were granted, it would defeat these
5 claims on the merits because Defendant utilized compliant policies and practices, and it would present
6 sufficient evidence that employees were properly provided with all breaks or paid compensation in
7 lieu thereof. Moreover, Defendant argued that Plaintiff would be unable to present sufficient
8 evidence establishing the number of meal and rest period violations to allow a factfinder to determine
9 damages appropriately.

10 37. In light of these defenses and arguments, Plaintiff discounted Defendant's maximum
11 exposure by 40% for the risk of non-certification, and an additional 50% to account for Defendant's
12 defenses on the merits, to arrive at the risk-adjusted value of the meal period claims to be \$68,530
13 and the rest period claims to be \$67,844.

14 **Failure to Provide Accurate Itemized Wage Statements**

15 38. Plaintiff estimates that the maximum potential penalties for the derivative wage
16 statement claim are \$200,000 (based on approximately 4,000 allegedly violative wage statements
17 issued during the Class Period). In calculating Defendant's exposure, Plaintiff gave Defendant the
18 benefit of assuming Plaintiff could only obtain the "initial" wage statement penalty of \$50 per
19 violation. *Id.*, Lab. Code § 226(e) (providing for a \$50 penalty for "initial" violations); *Amaral v.*
20 *Cintas Corp.* No. 2, 163 Cal.App.4th 1157, 1207 (2008) (finding that "initial" violation rate applies
21 until the employer has been notified that it is violating a Labor Code provision.)

22 39. In response, Defendant contended that its wage statements fully complied with the
23 law, that any alleged violations were not "knowing and intentional," and that Plaintiff could not
24 establish that they or anyone else suffered "injury" because of any alleged wage statement violations.
25 Further, Defendant relied on its defenses to Plaintiff's underlying claims on the merits and to class
26 certification.

27 40. As such, Plaintiff discounted the calculated maximum exposure by 30% for risk of
28 non-certification, and by an additional 20% for risk of being unsuccessful on the merits, to arrive at

1 an estimated total of \$112,000.

2 **Failure to Reimburse for Necessary Business Expenses**

3 41. Plaintiff alleged that necessary business expenses were incurred by Plaintiff and Class
4 Members but were not reimbursed by Defendant. These necessary expenses included, but are not
5 limited to, costs associated with cellphone use and mileage. Plaintiff calculated Defendant's
6 maximum exposure under this theory of liability to be \$35,000 (\$20 unreimbursed business expenses
7 x 1,750 pay periods).

8 42. Defendant contended that Plaintiff and other Class Members never requested
9 reimbursement from Defendant, and thus, Defendant did not know and had no reason to know that
10 the alleged business-related expenses were incurred and not reimbursed. Defendant further contended
11 that this claim would raise individual issues that could not be certified, including whether employees
12 were required to use their personal cellphones for work-related purposes, and whether any given
13 employee applied for and received reimbursement.

14 43. In light of these defenses and arguments, Plaintiff discounted Defendant's maximum
15 exposure by 60% for the risk of non-certification, and an additional 40% to account for Defendant's
16 defenses on the merits, to arrive at an estimated total of \$8,400.

17 **PAGA Penalties**

18 44. Plaintiff also sought PAGA penalties for each violation for which they are available
19 and alleged that these penalties can be "stacked." *See Gonzalez v. Corecivic of Tennessee, LLC*, No.
20 1:16-cv-01891-DAD-JLT, 2018 WL 4388425 (E.D. Cal. Sept. 12, 2018) ("'stacking' PAGA
21 penalties is not inappropriate under California law"). Assuming that a PAGA penalty is available in
22 the default amount of \$100 per pay period and is not reduced, the maximum potential PAGA penalty
23 would be \$400,000 for the pay periods in the PAGA period. *See* Cal. Lab. Code. § 2699(f)(2).

24 45. However, this maximum figure fails to account for numerous unclear issues relating
25 to PAGA claims. First, it is unclear whether stacking is permissible and/or whether the court would
26 award penalties in such a way (especially for purely derivative penalties).

27 46. Second, the maximum figure fails to acknowledge that courts have wide latitude to
28 reduce the amount of civil penalties "based on the facts and circumstances of a particular case" and

1 if “to do otherwise would result in an award that is unjust, arbitrary and oppressive, or confiscatory.”
2 Labor Code § 2699(h); *Cotter v. Lyft, Inc.*, 193 F. Supp. 3d 1030, 1037 (N.D. Cal. 2016) (noting in
3 the context of approving settlement that a reduction in PAGA penalties would be “appropriate” based
4 on the “unjust, arbitrary and oppressive, or confiscatory” factors because (i) the employer did not
5 “deliberately evad[e] a clear obligation to provide legally required pay and benefits to employees,”
6 (ii) the employer did not “negligently fail to learn about its obligations under the wage and hour
7 laws,” and (iii) the employer’s obligations were “genuinely unclear” because “there is no straight
8 answer to the question.”). Therefore, Plaintiff discounted the maximum figure to account for the
9 risk of losing on the merits and applied an additional discount to account for the possibility of this
10 Court reducing penalties to arrive at an estimated exposure of \$50,000.

11 47. In sum, when factoring in defenses and risks of ongoing litigation, Plaintiff estimates
12 the risk-adjusted class recovery as follows:

13	• Failure to Pay Overtime and Sick Wages:	<i>discounted</i>
14	• Labor Code §§ 201 – 203 Claims:	\$372,528
15	• Meal Period Claims:	\$68,530
16	• Rest Break Claims:	\$67,844
17	• Wage Statement Claims:	\$112,000
18	• Reimbursement Claims:	\$8,400
19	• PAGA Penalties	\$50,000
20	• <u>Total Risk-Adjusted Penalties and Damages:</u>	\$747,832

21 Given the realistic value of Plaintiff’s claims, the \$625,000 Settlement Amount is an excellent
22 result for the Class, considering that the Settlement Amount totals approximately 83% of Plaintiff’s
23 risk-adjusted value of the case. Preliminary approval is appropriate since the Settlement will provide
24 significant monetary relief to the Class.

25 48. The Settlement was the product of extensive arm’s length negotiations between
26 counsel and was facilitated by an experienced wage-and-hour class action mediator. Though cordial
27 and professional, the Settlement negotiations were adversarial and non-collusive in nature. The
28 Settlement reached is the product of substantial effort by the Parties and their counsel. Although

1 Plaintiff and his counsel believe that there was a possibility of certifying the claims, they recognized
2 the potential risk, expense, and complexity posed by litigation, such as unfavorable decisions on class
3 certification, summary judgment, at trial and/or on the damages awarded, and/or on an appeal that
4 can take several more years to litigate. In addition, if Defendant prevailed on any of their defenses,
5 the employees may not have received any substantial monetary recovery.

6 49. The Settlement will result in a fair payment to each Settlement Class Member based
7 on the number of Weeks Worked during the Class Period. As set forth hereinabove, Plaintiff and
8 counsel have diligently investigated the claims and defenses on behalf of the Settlement Class
9 Members and worked to achieve a resolution of the claims to maximize the recovery by avoiding
10 further expenditure of Attorneys' Fees and Costs. After evaluating the significant risks attendant with
11 further litigation described above and weighing them against the benefits of a known compromise
12 and settlement as set forth in the Settlement Agreement, settlement on the terms agreed to is believed
13 to be in the best interest of Plaintiff and the Settlement Class, and is a fair and reasonable resolution
14 of the claims alleged.

15 50. Class Counsel brought to bear a great deal of collective experience in negotiating the
16 settlement of this case. As detailed herein, Class Counsel engaged in necessary informal discovery,
17 investigation, sampling, and expert evaluation, making it possible to exercise informed judgment
18 throughout the settlement process, including significant document review (e.g., documents pertaining
19 to Defendant's policies and procedures, personnel documents, wage statements, time records, among
20 others) and conducted an extensive analysis and extrapolation of the sampling of class-wide data
21 provided by Defendant.

22 51. Based on our experience in other cases, including wage and hour matters, I believe
23 our office, along with Joshua Falakassa, is qualified to evaluate the class claims and viability of
24 defenses in this class action. In this case, the recovery for each Settlement Class Member is
25 reasonable, fair and adequate, and a settlement at this time is in the best interest of the Settlement
26 Class. The Settlement provides each Settlement Class Member with compensation for the alleged
27 violations when viewed in relation to the costs and risks inherent in obtaining class certification and
28 proceeding to trial.

1 52. Class Counsel, as well as Defendant's counsel, fully endorse the terms and conditions
2 of the Settlement as set forth in the abovementioned Settlement Agreement.

3 53. Of course, the Settlement Amount represents a compromise figure, taking into account
4 the various risks surrounding class certification and the merits of Defendant's asserted defenses.
5 Nevertheless, the Settlement provides for fair and adequate payments to the Settlement Class
6 Members, with no reversion to Defendant.

7 54. Plaintiff seeks an Incentive Award of \$10,000, which we believe is fair and warranted.
8 Plaintiff agreed to come forward in an effort to effectuate a policy and practice change that benefitted
9 all other Settlement Class Members, and to recover unpaid wages and penalties. He assumed
10 significant risk in bringing this litigation, namely, had he lost, he could have been ordered to pay
11 Defendant's costs.

12 55. Plaintiff provided invaluable assistance to the investigation and prosecution of this
13 case, including: providing factual background for the class and PAGA complaint; providing
14 documents and information about Defendant's compensation plan; participating in phone calls to
15 discuss litigation and settlement strategy; making himself available throughout the litigation to assist
16 with analyzing the claims and defenses; helping Class Counsel prepare for the mediation and being
17 available during mediation; and reviewing the Settlement documents. Plaintiff agreed to participate
18 in this case with no guarantee of personal benefit. Plaintiff's comprehensive declarations setting forth
19 all of the reasons why he believes that the Incentive Award should be approved has been filed
20 herewith.

21 56. When this case was taken on a contingency fee basis, with our firm agreeing to assume
22 responsibility for all litigation costs, the ultimate result was far from certain. In the course of this
23 litigation, we paid all costs, including the filing fees, court costs, mediation costs, and expert costs.
24 There was never a guarantee that our firms would recoup these expenditures. In fact, had Plaintiff
25 lost, they could have been ordered to pay Defendant's costs.

26 57. It is our experience that attorneys' fee awards of one-third of a common fund
27 settlement are the standard in California. In this case, Class Counsel agreed to seek one-third of the
28 Settlement Amount for Attorneys' Fees. Defendant does not oppose this fee request. The fee is further

1 warranted because it is within the range of reasonableness typically awarded in class actions. Our
2 firm's Costs will not exceed \$25,000 and will be based on the actual amount incurred at the time of
3 final approval.

4 58. Subject to the Court's approval, the parties stipulated that Phoenix Class Action
5 Administration Solutions serve as the Settlement Administrator. Phoenix is experienced in
6 administering class action settlements and will not exceed \$5,000 to administer this class action
7 Settlement.

8 59. Plaintiff has concurrently submitted the Settlement to the LWDA in accordance with
9 Labor Code Section 2699(1)(2). The proof of submission is attached hereto as **Exhibit "C."**

10 60. For the foregoing reasons, it is respectfully requested that the Court grant preliminary
11 approval of the Settlement as being fair, reasonable, and in the best interests of the Settlement Class,
12 as well as preliminarily approve the requested Attorneys' Fees and Costs, and Incentive Award to the
13 Class Representative.

14 I declare under penalty of perjury under the laws of California that the foregoing is true and
15 correct on this 8th day of October 2025, in Los Angeles, California.

The number of full workweeks that a Participating Class Member was on a leave of absence, sick time, or vacation during the Class Period shall be excluded from the total number of Workweeks.

B. General Terms

41. On or about August 29, 2023, Plaintiff filed a Class Action Complaint in the Court against Defendant, including allegations of: (1) failure to pay overtime wages, (2) failure to pay all sick time, (3) meal period violations, (4) rest period violations, (5) wage statement violations, (6) waiting time penalties, (7) failure to reimburse business expenses, and (8) unfair competition. On November 6, 2023, Plaintiff filed a First Amended Complaint to add a cause of action for PAGA penalties based on the foregoing Labor Code violations. Defendant denies Plaintiff’s claims and allegations and contends that the Action is not suitable for class certification and/or representative treatment.

42. The Class Representative believes he can proceed with his class, and the representative claims that the Action is meritorious, and that class certification is appropriate.

43. The Parties have thoroughly investigated the facts of the Action. This includes conducting an extensive exchange of informal discovery, including Defendant’s written policies

and practices, and producing payroll and timekeeping records for Settlement Class Members and Aggrieved Employees. Class Counsel is both knowledgeable about and has done extensive research with respect to the applicable law and potential defenses to the claims of the Settlement Class Members and Aggrieved Employees. Class Counsel has diligently investigated the Class Members' claims against Defendant. Based on the foregoing data and their own independent investigation and evaluation, Class Counsel is of the opinion that the settlement with Defendant for the consideration and on the terms outlined in this Settlement Agreement is fair, reasonable, and adequate and is in the best interest of the Settlement Class Members and Aggrieved Employees in light of all known facts and circumstances, including the risk of significant delay and uncertainty associated with litigation, various defenses asserted by Defendant, and numerous potential appellate issues.

44. On April 18, 2025, the Parties participated in mediation before David Phillips, Esq., an experienced class action mediator. After a full-day mediation and the issuance of a mediator's proposal, the Parties reached a settlement.

45. The Parties agree that neither the Parties' Settlement, this Agreement, nor the acts to be performed or judgments to be entered pursuant to the terms of the Settlement and Agreement shall be construed as an admission by Defendant of any wrongdoing or violation of any statute or law or liability on the claims or allegations in the Action.

46. No Admission of Liability, Class Certification, or Representative Manageability for Other Purposes. For settlement purposes only, Defendant will stipulate that the Settlement Class Members described herein who do not Request Exclusion from the Settlement Class may be conditionally certified as a settlement class and that the Aggrieved Employees are appropriate for representative treatment for settlement purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement

only. If, for any reason the Court does grant Preliminary Approval, Final Approval, or enter Judgment, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement, and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

C. Terms of Settlement

47. The financial terms of the Settlement are as follows:

(a) Settlement Amount: The Parties agree to settle this Action for Six Hundred and Twenty-Five Thousand Dollars (\$625,000) ("the Settlement Amount"). The Settlement Amount is the maximum amount that will be paid by the Defendant and includes Individual Settlement Amounts, attorneys' fees of Class Counsel, costs and expenses, the Incentive Award to the Class Representative, all Settlement Administration Fees, and payment to the Labor Workforce Development Agency (LWDA) for PAGA penalties. Defendant shall separately pay the employer's share of applicable payroll taxes. Defendant has no obligation to pay the Gross Settlement Amount (or any payroll taxes) prior to the deadline stated in Paragraph 70 of this Agreement.

(b) This settlement is based on Defendant's belief that there are approximately 7,020 workweeks at issue during the Class Period, as of the date of mediation (April 18, 2025). If the number of workweeks is ten percent (10%) higher, or 7,722 workweeks worked, then Plaintiff shall have the right to request, at Defendant's election, either: (1) a pro-rata increase in the Gross Settlement Amount equal to the percentage increase in workweeks above 7,722 (i.e., if the total workweeks increases by 12%, then a 2% increase to the Gross Settlement Amount); or (2) a cut-off of the Class Period to end on the date that total workweeks reaches 7,722.

(c) Net Settlement Amount: The "Net Settlement Amount" is defined as the Settlement Amount less attorneys' fees and litigation costs as approved and awarded by the Court, the Incentive Award to Class Representative as approved and awarded by the Court, the

Settlement Administration Fees, as approved and awarded by the Court, and the Twenty Thousand Dollars (\$20,000.00) allocated to payment for PAGA penalties as described in Paragraph 41 below. If the Court reduces the attorneys' fees and litigation costs or Service Awards, Settlement Administration Fees, or increases or decreases the amount allocated to PAGA penalties, the Net Settlement Sum shall be increased or decreased accordingly. Any Court order awarding less than the below allocations of the Settlement Amount shall not be grounds to rescind the Settlement Agreement or otherwise void the Settlement.

(d) Individual Settlement Amounts for the Settlement Class: The Settlement Administrator will use the Class Data provided by Defendant to calculate each Participating Class Member's and Aggrieved Employee's Individual Settlement Amounts based on the following formula:

i. PAGA Amount: \$20,000 of the Gross Settlement Amount has been designated to the PAGA claims. Twenty-five percent (25%) of the \$20,000, or \$5,000, shall be paid to Aggrieved Employees. Each Aggrieved Employee shall receive a portion of the \$5,000 proportionate to the number of Workweeks by the Aggrieved Employees during the PAGA Period compared to the total number of Workweeks by all Aggrieved Employees during the PAGA Period. Aggrieved Employees shall have their settlement amount for the Released PAGA claims paid one hundred percent (100%) as civil penalties for which no taxes will be withheld and for which the Settlement Administrator will issue a Form 1099.

ii. Class Amount: The Net Settlement Amount shall be allocated to each Participating Class Member based on his/her/their proportionate Workweeks during the Class Period. This is determined by multiplying the Net Settlement Amount by a fraction, the numerator of which is the Participating Class Member's total Workweeks during the Class Period, and the denominator of which is the total Workweeks by all Participating Class Members during the Class Period. If there are any timely submitted Requests for Exclusion, the Settlement Administrator shall proportionately increase the Individual Settlement Amounts for each Participating Class Member so that the amount distributed to Participating Class Members equals 100% of the Net Settlement Amount allocated toward Released Class Claims.

1 (e) Allocation of Individual Settlement Amounts: The Individual Settlement Amounts
2 will be allocated for tax purposes based on the allegations in the Action as follows: twenty percent
3 (20%) will be paid as wages subject to withholding of all applicable local, state, and federal taxes;
4 and eighty percent (80%) will be paid as interest and as civil penalties (pursuant to, e.g., California
5 Labor Code sections 203, 226) from which no taxes will be withheld. The Settlement
6 Administrator will issue to each Participating Class Member an Internal Revenue Service Form
7 W-2 and comparable state forms concerning the wage allocation and a Form 1099 concerning the
8 civil penalties and interest allocations.

9 (f) Incentive Award to Class Representative: The amount awarded to the Class
10 Representative as an Incentive Award will be set by the Court in its discretion, not to exceed
11 \$10,000. Defendant agrees not to oppose this request. The Incentive Award to Class
12 Representative will be paid from the Gross Settlement Amount. Class Representative will be
13 issued IRS Form 1099 in connection with this payment. Plaintiff shall be solely and legally
14 responsible for paying any and all applicable taxes on this payment. The Parties agree that any
15 amount awarded by the Court as the Incentive Award to Plaintiff less than the requested amount
16 shall not be a basis for Plaintiff or Class Counsel to void this Stipulation. Should the Court
17 approve a lesser amount for the Incentive Award, the difference shall be added to the Net
18 Settlement Amount to be distributed to the Participating Class Members. In the event of any
19 appeal of the amount of the Incentive Award (if any) approved by the Court, if, after the
20 exhaustion of any such appellate review, additional amounts not awarded to the Class
21 Representative shall be added to the Net Settlement Amount to be distributed to the Participating
22 Class Members.

23 (g) Class Counsel's Attorneys' Fees and Costs: Defendant agrees not to oppose a
24 request by Class Counsel to the Court for an award of attorneys' fees of one-third (33.33%) of
25 the Settlement Amount, plus reasonable litigation costs not to exceed \$25,000 ("Attorneys' Fees
26 and Costs Award"). For purposes of this Settlement, Defendant agrees not to oppose any
27 contention by Class Counsel that attorneys' fees should be based on the common fund theory.
28 The Attorneys' Fees and Costs Award shall be paid from the Gross Settlement Amount, and

except for this award, Defendant shall have no further obligation to pay any attorneys' fees, costs, or expenses to Class Counsel. Should the Court approve a lesser amount than what is sought by Class Counsel, the difference shall be added to the Net Settlement Amount to be distributed to the Participating Class Members. Any Court order awarding less than the amount sought by Class Counsel shall not be grounds to rescind the Settlement Agreement or otherwise void the Settlement. In the event of any appeal of the amount of the awards of attorneys' fees and costs (if any) approved by the Court, final funding and administration of the portion of the attorneys' fees and/or costs award in dispute will be segregated and stayed pending the exhaustion of appellate review. If, after the exhaustion of any such appellate review, additional amounts not awarded to as attorneys' fees and costs shall be added to the Net Settlement Amount to be distributed to the Participating Class Members and/or Aggrieved Employees. The Settlement Administrator shall issue to Class Counsel an IRS Form 1099 reflecting the amount of attorneys' fees and costs awarded by the Court. Class Counsel agrees that any allocation of fees between or among Class Counsel and any other attorney representing or claiming to represent the Class Members shall be the sole responsibility of Class Counsel.

(h) Settlement Administration Fees: The fees and other charges of the Settlement Administrator will be paid from the Gross Settlement Amount, not to exceed \$5,000, subject to Court approval, unless approved by all Parties and the Court.

(i) PAGA Penalties: The Parties agree that \$20,000 is allocated to PAGA Penalties and will be paid from the Gross Settlement Amount, subject to Court approval. Of this amount, \$15,000 (75%) shall be paid to the LWDA in satisfaction of Plaintiff's claims for civil penalties under the PAGA, and \$5,000 (25%) will be included in the Individual Settlement Amounts, payable to the Aggrieved Employees as set forth in Paragraph 47(d).

(j) Tax Liability: Class Counsel, Defendant, and Defendant's Counsel make no representations as to the tax treatment or legal effect of Settlement Amounts called for hereunder, and Plaintiff and the Settlement Class Members are not relying on any statement or representation by Class Counsel, Defendant, or Defendant's Counsel in this regard. Plaintiff and Final Settlement Class Members understand and agree that they will be solely responsible for paying any taxes and

penalties assessed on their respective Settlement Amounts described herein. Income tax withholding will also be made pursuant to applicable federal, state, and/or local withholding codes or regulations. Forms W-2 and/or Forms 1099 will be distributed at times and in the manner required by the Internal Revenue Code of 1986 (the “Code”) and consistent with this Agreement. If the Code, the regulations promulgated thereunder, or other applicable tax law are changed after the date of this Agreement, the processes set forth in this Section may be modified to bring Defendant into compliance with any such changes.

48. “Non-Reversionary” Settlement. This is a “non-reversionary” settlement. Under no circumstances will any portion of the Settlement Amount revert to Defendant. Final Settlement Class Members will not have to make a claim to receive an Individual Settlement Amount. In the form of Individual Settlement Amounts, Distributions will be made directly to each Final Settlement Class Member. The Settlement Administrator shall be responsible for accurately and timely reporting any remittance obligations with respect to unclaimed funds as a result of a Final Settlement Class Member not cashing an Individual Settlement Amount by the check cashing deadline, as set forth herein.

49. Class Counsel and Plaintiff believe that the Settlement is fair, reasonable, and adequate and will so represent same to the Court.

D. Releases by Plaintiff and the Final Settlement Class

50. Upon the Effective Date of this Settlement, Plaintiff and each Participating Class Member, for themselves and their respective spouses, domestic partners, marital community, children, estates, trusts, attorneys, heirs, successors, beneficiaries, devisees, legatees, executors, administrators, trustees, conservators, guardians, assigns, and Representative, will forever completely release and discharge the Released Parties from the Released Class Claims for the Class Release Period.

51. Each Participating Class Member will be deemed to have made the foregoing Release as if by manually signing it.

52. Upon the Effective Date of this Settlement, Plaintiff and the LWDA will forever completely release and discharge the Released Parties from the Released PAGA Claims for the

PAGA Release Period.

53. Plaintiff and the LWDA will be deemed to have made the foregoing Release as if by manually signing it.

54. Plaintiff and Defendant intend that the Settlement described in this Agreement will release and preclude any claim, whether by lawsuit, administrative claim or action, arbitration, demand, or other action of any kind, by each and all of the Participating Class Members to obtain a recovery based on, arising out of, and/or related to any and all of the Released Class Claims. The Settlement Class Members shall be notified in the Notice. This paragraph does not apply to any Settlement Class Member who timely and validly opt out of the Settlement for purposes of Class Claims.

55. Plaintiff and Defendant intend that the Settlement described in this Agreement will release and preclude any claim, whether by lawsuit, administrative claim or action, arbitration, demand, or other action of any kind, by each and all of the Aggrieved Employees and the LWDA to obtain a recovery based on, arising out of, and/or related to any and all of the Released PAGA Claims. The Aggrieved Employees and the LWDA shall be notified in the Notice.

56. Class Representative, on behalf of themselves and the Participating Settlement Class Members, acknowledge and agree that the claims for unpaid wages and unreimbursed expenses in the Action, inaccurate wage statements, and untimely payment of wages in the Action, are disputed and that the payments set forth herein constitute payment of all sums allegedly due to them. Class Representative, on behalf of themselves and the Participating Settlement Class Members, acknowledge and agree that California Labor Code Section 206.5 does not apply to the Parties hereto. Section 206.5 provides in pertinent part as follows:

An employer shall not require the execution of any release of any claim or right on account of wages due, or to become due, or made as an advance on wages to be earned unless payment of those wages has been made.

E. General Release by Plaintiff

57. With the exception of Plaintiff's claims that cannot be released as matter of law, such as claims for workers' compensation, and in addition to Class Representative release of the

Released Class Claims and Released PAGA Claims, as discussed in Paragraphs 50 and 52 above, Class Representative does hereby, for himself and for his respective spouses, domestic partners, marital community, children, estates, trusts, attorneys, heirs, successors, beneficiaries, devisees, legatees, executors, administrators, trustees, conservators, guardians, assigns, and Representative, forever completely release and discharge the Released Parties from any and all charges, complaints, claims, liabilities, obligations, promises, agreements, contracts, controversies, damages, actions, causes of action, suits, rights, demands, costs, losses, debts, and expenses (including for back wages, statutory penalties, civil penalties, liquidated damages, exemplary damages, interest, attorneys' fees, and costs) of any nature whatsoever, from the beginning of time through the execution of this Settlement Agreement, whether known or unknown, suspected or unsuspected, concealed or hidden, including but not limited to all claims arising out of, based upon, or relating to Class Representative' employment with Defendant or the remuneration for or termination of such employment (collectively, the "Class Representative' Claims").

58. Class Representative expressly waives and relinquishes all rights and benefits afforded by Section 1542 of the Civil Code of the State of California, understanding and acknowledging the significance of the waiver of Section 1542. Section 1542 of the Civil Code of the State of California states:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Notwithstanding the provisions of Section 1542, and for the purpose of implementing a full and complete release and discharge of all parties, Class Representative and Class Counsel expressly acknowledge that this Settlement Agreement is intended to include in its effect, without limitation, all claims that Class Representative knew of, as well as all claims that they do not know or suspect to exist in their favor against the Released Parties, or any of them, for the time period from the beginning of time to the execution of this Settlement Agreement, and that this

Settlement Agreement contemplates the extinguishment of any such Class Representative's claims.

F. Interim Stay of Proceedings

59. Pending completion of all prerequisites necessary to effectuate this Settlement, the Parties agree, subject to Court approval, to a stay of all proceedings in the Action except such as are necessary to effectuate the Settlement, including amending the Complaint.

G. Notice Process

60. Appointment of Settlement Administrator. The Parties have agreed to the appointment of the Settlement Administrator to perform the duties of a settlement administrator, including mailing the Notice, using standard devices to obtain forwarding addresses, independently reviewing and verifying documentation associated with any claims or opt-out requests, resolving any disputes regarding the calculation or application of the formula for determining the Individual Settlement Amounts, drafting and mailing the settlement checks to Final Settlement Class Members, issuing Forms W-2 and 1099, reporting to taxing authorities, due diligence, reporting and remittance obligations, and performing such other tasks as set forth herein or as the Parties mutually agree or that the Court orders.

61. Disputes Regarding Settlement Administration. Any and all disputes relating to the administration of the Settlement by the Settlement Administrator (except for disputes regarding Class Data) shall be referred to the Court, if necessary, which will have continuing jurisdiction over the terms and conditions of this Settlement Agreement until Plaintiff and Defendant notify the Court that all payments and obligations contemplated by this Settlement Agreement have been fully carried out. Before presenting any issue to the Court, counsel for the Parties will confer in good faith to resolve the dispute without the necessity of Court intervention. The Settlement Administrator shall also be responsible for issuing to Plaintiff, Final Settlement Class Members, and Class Counsel any Forms W-2, Forms 1099, or other Tax Forms as may be required by law for all amounts paid pursuant to this Agreement. The Settlement Administrator shall also be responsible for setting up all necessary tax accounts and forwarding all payroll taxes and penalties to the appropriate government authorities.

62. Class Data. Within thirty (30) days after the Preliminary Approval Order entry, Defendant shall provide the Class Data to the Settlement Administrator. The Settlement Administrator will check the Class Members' addresses against those on file with the U.S. Postal Service's National Change of Address List. The Class Data provided to the Settlement Administrator will not be provided to Class Counsel, and it will remain confidential; it shall be used solely to administer the Settlement, and it will not be used or disclosed to anyone except as required by applicable tax authorities, pursuant to Defendant's express written consent, or by order of the Court.

63. Notice. The Notice, as approved by the Court, shall be sent by the Settlement Administrator to the Settlement Class Members by first-class mail, in English, within fourteen (14) calendar days following the Settlement Administrator's receipt of the Class Data. The Settlement Administrator shall use standard devices, including a skip trace, to obtain forwarding addresses of Settlement Class Members if any notices are returned.

64. Returned Notices. The Settlement Administrator will take steps to ensure that the Notice is received by all Settlement Class Members, including utilization of the National Change of Address Database maintained by the United States Postal Service, to review the accuracy of and, if possible, update a mailing address. Notices will be re-mailed to any Settlement Class Member for whom an updated address is located within ten (10) calendar days following the Settlement Administrator's learning of the failed mailing and its receipt of the updated address. The Notice shall be identical to the original Notice, except that it shall notify the Settlement Class Member that the exclusion (opt-out) request or objection must be returned by the later of the Notice Response Deadline or fifteen (15) days after remailing the Notice.

65. Presumption Regarding Receipt of Notice. It will be conclusively presumed that if an envelope has not been returned within thirty (30) days of the mailing the Settlement Class Member received the Notice.

66. Disputes Regarding Class Data. Settlement Class Members are deemed to participate in the Settlement unless they opt out. The Notice will inform Settlement Class Members of his/her/their estimated Individual Settlement Amount and the number of Workweeks

1 during the Class Period and the PAGA Period. Settlement Class Members may dispute their
2 Workweeks if they believe they were employed more workweeks in the Class Period in California
3 than the Defendant's records show by timely submitting evidence to the Settlement
4 Administrator. Defendant's records will be presumed determinative absent reliable evidence to
5 rebut the Defendant's records, but the Settlement Administrator will evaluate the evidence
6 submitted by the Settlement Class Member and provide the evidence submitted to the Class
7 Counsel and Defense Counsel who agree to meet and confer in good faith about the evidence to
8 determine the Class Member's actual number of Workweeks and estimated Individual Settlement
9 Amount. If Class Counsel and Defense Counsel cannot agree, they agree to submit the dispute to
10 the Court to render a final decision. Settlement Class Members will have until the Notice
11 Response Deadline to dispute Workweeks, object, or opt out, unless extended by the Court. If the
12 Settlement Administrator increases the number of Workweeks for any Settlement Class Member,
13 then the Settlement Administrator will recalculate the Participating Class Members' Individual
14 Settlement Amounts; accordingly, in no event will Defendant be required to increase the Gross
15 Settlement Amount.

16 67. Declaration of Due Diligence. The Settlement Administrator shall provide counsel
17 for the Parties, at least twenty-five (25) days before the final approval hearing, a declaration of
18 due diligence and proof of mailing with regard to the mailing of the Notice.

19 68. Settlement Class Members' Rights. Each Settlement Class Member will be fully
20 advised of the Settlement, the ability to object to the provisions in the Settlement related to the
21 Class Claims, and the ability to opt-out or request exclusion from the Class Claims provisions of
22 the Settlement. The Notice will inform the Settlement Class Members of the Court-established
23 deadlines for filing objections or requesting exclusion from the Class Claims provisions of the
24 Settlement in accordance with the following guidelines:

25 (a) Requests for Exclusion from Participating Settlement Class. Any
26 Settlement Class Member, other than Plaintiff, may request to be excluded from the Participating
27 Settlement Class by submitting a "Request for Exclusion" to the Settlement Administrator,
28 postmarked on or before the Notice Response Deadline. The Request for Exclusion should be

1 stated in words to this effect:

2 "I WISH TO BE EXCLUDED FROM THE SETTLEMENT CLASS IN
3 THE BROWN V. VEORIDE LAWSUIT. I UNDERSTAND THAT IF I
4 ASK TO BE EXCLUDED FROM THE SETTLEMENT CLASS, I WILL
5 NOT RECEIVE ANY MONEY FROM THE SETTLEMENT OF THE
6 CLASS CLAIMS IN THIS LAWSUIT.

7 Any Request for Exclusion must include the full name, address, telephone number, last
8 four digits of the social security number or date of birth, and signature of the Settlement Class
9 Member requesting exclusion. The Request for Exclusion must be returned by mail to the
10 Settlement Administrator at the specified address. Any such Request must be made in accordance
11 with the terms set forth in the Notice. A Request for Exclusion will be timely only if postmarked
12 by the Notice Response Deadline unless the Parties agree in writing. Any Settlement Class
13 Member who timely requests exclusion in compliance with these requirements: (i) will not have
14 any rights under this Agreement with respect to the Class Claims, including the right to object,
15 appeal, or comment on the Settlement; (ii) will not be entitled to receive any payments under this
16 Agreement with respect to Class Claims; and (iii) will not be bound by this Agreement, or the
17 Judgment, with respect to the Class Claims.

18 (b) Binding Effect on Participating Settlement Class Members. Except for
19 those Settlement Class Members who exclude themselves in compliance with the procedures set
20 forth above, all Settlement Class Members will: (i) be deemed to be Final Settlement Class
21 Members for all purposes under this Agreement; (ii) will be bound by the terms and conditions
22 of this Agreement, the Judgment, and the releases set forth herein; and (iii) except as otherwise
23 provided herein, will be deemed to have waived all objections and oppositions to the fairness,
24 reasonableness, and adequacy of the Settlement.

25 (c) Objections to Settlement of Class Claims. Any Settlement Class Member,
26 other than Plaintiff, may object to the terms of this Agreement with respect to the Class Claims
27 and may appear at the Final Approval Hearing and object whether or not they have filed a written
28 objection as outlined herein. To object, a Settlement Class Member shall inform the Settlement
Administrator, in writing, of his/her/their objection, which must be postmarked by the Notice

Response Deadline at the address set forth in the Notice. Such objection shall include the full name, address, telephone number, dates of employment with Defendant of the Objecting Settlement Class Member, the case name and number, the basis for the objection. The Settlement Administrator shall provide objections, if any, to Class Counsel and Defense Counsel within three (3) days of receipt, and the Settlement Administrator shall attach the same to its declaration of due diligence filed with the Court before the Final Approval Hearing. Any Participating Class Member who files an objection remains eligible to receive monetary compensation from the Settlement. Plaintiff and Defendant shall not be responsible for any fees, costs, or expenses incurred by any Class Member and/or his/her/their counsel related to any objections to the Settlement. Submitting an objection does not preserve the right to appeal a final judgment. Rather, the right to appeal is preserved by becoming a party of record by timely and properly intervening or filing a motion to vacate the judgment under Code of Civil Procedure section 663. Settlement Class Members and Aggrieved Employees may not object to or opt out of the Settlement with respect to the PAGA Claims.

(d) Failure to Object. Any Settlement Class Member who desires to object with respect to the Class Claims but fails to submit a written objection timely waives any right to object will be foreclosed from making any objection to this Settlement. Any Settlement Class Member who does not timely and properly become a party of record by intervening or filing a motion to vacate the judgment waives any and all rights to appeal from the Judgment, including all rights to any post-judgment proceeding and appellate proceeding, such as a motion to vacate judgment, motion for new trial, a motion under California Code of Civil Procedure section 473, and extraordinary writs.

(e) Responses to Objections. Counsel for the Parties may file a response to any objections submitted by Objecting Settlement Class Members at least five (5) court days before the date of the Final Approval Hearing.

69. Settlement Class Members will have until the Notice Response Deadline to object or submit a Request for Exclusion to the Settlement Administrator by U.S. Mail. The Settlement Administrator shall disclose jointly to Class Counsel and Defendant's counsel what objections or

Requests for Exclusion were timely submitted every week and upon the request of Class Counsel or Defense Counsel.

70. Funding of the Settlement Amount. Defendant shall fully fund the Gross Settlement Amount, and also fund the amounts necessary to fully pay Defendant's share of payroll taxes by transmitting the funds to the Administrator no later than (30) days after the Effective Date.

71. Qualified Settlement Fund. The Qualified Settlement Fund shall be established at a federally insured bank acceptable to the Defendant and the Settlement Administrator. The Parties agree that the Qualified Settlement Fund is intended to be a "Qualified Settlement Fund" under section 468B of the Code and Treas. Reg. §1.468B-1, 26 CFR § 1.468B-1, *et seq.*, and will be administered by the Settlement Administrator as such. With respect to the Qualified Settlement Fund, the Settlement Administrator shall: (1) open and administer a Settlement Account in such a manner as to qualify and maintain the qualification of the Qualified Settlement Fund as a "Qualified Settlement Fund" under Section 468B of the Code and Treas. Reg. §1.468B-1; (2) calculate, withhold, remit and report each Participating Class Member's share of applicable payroll taxes (including, without limitation, federal, state and local income tax withholding, FICA, Medicare and any state or local employment taxes), and indemnify Defendant for any penalty arising out of any error or incorrect calculation and/or interest with respect to any late deposit of the same; (3) calculate and cooperate with Defendant to remit and to permit Defendant to report Defendant's share of applicable taxes (including, without limitation, federal, state and local income tax withholding, FICA, Medicare, unemployment insurance, employment training tax, state disability insurance and any state or local employment taxes), and indemnify Defendant for any penalty arising out of any error or incorrect calculation and/or interest with respect to the same; (4) satisfy all federal, state and local income and other tax reporting, return, and filing requirements with respect to the Qualified Settlement Fund and any interest or other income earned by the Qualified Settlement Fund; and (5) satisfy out of the Qualified Settlement Fund all (i) taxes (including any estimated taxes, interest or penalties) with respect to the interest or other income earned by the Qualified Settlement Fund, if any, and (ii) fees, expenses and costs incurred

1 in connection with the opening and administration of the Qualified Settlement Fund and the
2 performance of its duties and functions as described in this Agreement. The aforementioned
3 taxes, fees, costs, and expenses shall be treated as and included in the costs of administering the
4 Qualified Settlement Fund and Settlement Administration Fees. The Parties and the Settlement
5 Administrator shall treat the Qualified Settlement Fund as coming into existence as a Qualified
6 Settlement Fund on the earliest date permitted as set forth in 26 CFR §1.468B-1(j)(2)(i), and such
7 election statement shall be attached to the appropriate returns as required by 26 CFR §1.468B-
8 1(j)(2)(ii). The Parties agree to cooperate with the Settlement Administrator and one another to
9 the extent reasonably necessary to carry out the provisions of this Section.

10 72. Distribution of Funds. No later than seven (7) calendar days after the deposit of
11 the payment into the QSF, the Settlement Administrator will mail the payments to the
12 Participating Class Members, the payment for the attorneys' fees and costs to Class Counsel, any
13 Incentive Award to the Class Representative, the payment to the LWDA for PAGA penalties, and
14 will pay itself the Settlement Administration Fees.

15 73. Deadline for Cashing Settlement Checks. Final Settlement Class Members shall
16 have 180 calendar days after mailing by the Settlement Administrator to cash their settlement
17 checks. If any Final Settlement Class Member's check is not cashed within that period, the check
18 will be void, and a stop-payment will be issued. All unclaimed funds shall will revert to *cy pres*
19 recipient Legal Aid at Work. The release will be binding upon all Final Settlement Class
20 Members who do not cash their checks within the 180-day period. If any settlement check is
21 returned to the Settlement Administrator within 180 days of mailing, the Settlement Administrator
22 will, within five (5) business days of receipt of the returned settlement check, perform a skip trace
23 to locate the individual. If a new address is located by these means, the Administrator will have
24 ten (10) business days to re-issue the check and notify Defense Counsel and Class Counsel that a
25 re-issued check has been sent. Neither the Defendant, defense counsel, Class Counsel, Plaintiff,
26 or settlement administrator will have any liability for lost or stolen settlement checks, forged
27 signatures on settlement checks, or unauthorized negotiation of settlement checks. Without
28 limiting the foregoing, in the event that a Final Settlement Class Member notifies the Settlement

1 Administrator that he/she/they believe that a settlement check has been lost or stolen, the
2 Settlement Administrator shall immediately stop payment on such check. If the check-in question
3 has not been negotiated before the stop payment order, the Settlement Administrator will issue a
4 replacement check.

5 74. No person shall have any claim against Defendant, Defendant's Counsel, Plaintiff,
6 Class Counsel, or the Settlement Administrator based on mailings, distributions, payments, or
7 reports made in accordance with or pursuant to this Agreement. This provision does not, however,
8 prevent a Party from seeking enforcement of this Agreement.

9 75. Without prejudice to any other remedies, the Settlement Administrator shall agree
10 to be responsible for any breach of its obligations (whether committed by the Settlement
11 Administrator or its agents) and to indemnify and hold the Parties and their counsel harmless from
12 and against all liabilities, claims, causes of action, costs and expenses (including legal fees and
13 expenses) arising out of any breach committed by the Settlement Administrator or its agents.

14 **H. Duties of the Parties Prior to the Court's Approval**

15 76. Upon completion of the execution of this Settlement Agreement, Plaintiff will
16 move the Court for Preliminary Approval of this Settlement and entry of the Preliminary Approval
17 Order accomplishing the following:

18 (a) Scheduling the Final Approval Hearing on the issue of whether this
19 Settlement should be finally approved as fair, reasonable, and adequate as to the Class Members
20 and a hearing on fees, costs, and the Incentive Award;

21 (b) Approving as to form and content of the proposed Notice;

22 (c) Directing the mailing of the Notice by first class mail to the Settlement
23 Class Members;

24 (d) Preliminarily approving this Settlement; and

25 (e) Preliminarily certifying the class for purposes of this Settlement.

26 Plaintiff's counsel shall provide a draft of the motion for preliminary approval of the
27 settlement to Defendant's counsel for review and comment prior to filing it. Good faith efforts
28 will be made to have the preliminary approval hearing within 60 days of execution of this

Settlement Agreement.

77. Reallocation of Settlement Proceeds. In the event the Court fails, on its first hearing, to approve this Agreement because the amount of the PAGA penalties is not adequate, then the Parties shall cooperate in good faith to reallocate the total settlement proceeds within this Agreement, to try to achieve Final Approval of the Agreement upon any subsequent Court hearings.

I. Duties of the Parties Following Court's Final Approval

78. In connection with the Final Approval Hearing provided for in this Settlement Agreement, Class Counsel shall submit a proposed Final Approval Order:

(a) Approving the Settlement, adjudging the terms thereof to be fair, reasonable, and adequate, and directing consummation of its terms and provisions;

(b) Approving Class Counsel's application for an award of attorneys' fees and reimbursement of litigation costs and expenses, the Incentive Award to the Class Representative, and the payment to the Settlement Administrator for costs of administering the settlement; and

(c) Entering judgment approving the settlement, thereby permanently barring all Participating Class Members from prosecuting any Released Class Claims against any of the Released Parties and permanently barring all Aggrieved Employees and the LWDA from prosecuting any Released PAGA Claims against any of the Released Parties.

Not later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code § 2699(l), a Proposed Final Approval Order and Judgment (collectively "Motion for Final Approval"). Plaintiff shall provide drafts of the Proposed Final Approval Order and Judgment to Defense Counsel prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

J. Voiding the Agreement

79. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted

by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for the Class Representative Incentive Award, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, and/or Administration Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

80. If ten percent (10%) or more of the Settlement Class Members timely submit a Request for Exclusion, Defendant shall have the option of terminating or modifying this Agreement without prejudice to its pre-settlement positions and defenses in the Action. If Defendant exercises such option under this paragraph, it shall be relieved of any obligation to pay the Settlement Amount or any other obligations from the Settlement by giving notice to Plaintiff's Counsel and the Settlement Administrator within ten (10) days of being notified by the Settlement Administrator of a 10% or greater opt-out rate. In such an event, the Parties shall be restored to their respective positions in all respects as though the contemplated settlement never occurred. In the event of such termination, no party may use the fact that the Parties agreed to settle or the terms provided herein as an admission, as evidence, or for any other purpose, including, without limitation, to prove any liability or the amount of any sum allegedly owed by any Party. All parties and counsel shall not encourage opt-outs or objections to this Agreement. The parties agree not to solicit opt-outs, directly or indirectly, through any means.

81. If the Settlement is voided or fails for any reason, Plaintiff and Defendant will have no further obligations under the Settlement, including any obligation by Defendant to pay the Settlement Amount or any amounts that otherwise would have been owed under this Settlement.

82. If the Settlement is voided or fails for any reason, any costs incurred by the Settlement Administrator shall be borne equally by Defendant and Plaintiff unless otherwise specified in this Agreement.

K. Other Terms

83. Full and Complete Defense. Any Released Party may plead this Agreement as a

1 full and complete defense to and may be used as the basis for an injunction against any action,
2 suit, or other proceeding that has been or may be instituted, prosecuted, or attempted, asserting
3 any Released Claim.

4 84. Waiver. The waiver by one Party of any breach of this Agreement by another Party
5 shall not be deemed a waiver of any other prior or subsequent breach of this Agreement.

6 85. Parties' Authority. The signatories hereto represent that they are fully authorized
7 to enter into this Settlement Agreement and bind the Parties hereto to the terms and conditions
8 hereof.

9 86. Mutual Full Cooperation. The Parties agree to fully cooperate with each other to
10 accomplish the terms of this Settlement Agreement, including but not limited to the execution of
11 such documents and to take such other action as may reasonably be necessary to implement the
12 terms of this Settlement Agreement. The Parties to this Settlement Agreement shall use their best
13 efforts, including all efforts contemplated by this Settlement Agreement and any other efforts that
14 may become necessary by order of the Court or otherwise, to effectuate this Settlement
15 Agreement and the terms set forth herein. As soon as practicable after executing this Settlement
16 Agreement, Class Counsel shall, with the assistance and cooperation of Defendant and
17 Defendant's Counsel, take all necessary steps to secure the Court's preliminary and final approval
18 of the settlement and the final entry of judgment.

19 87. No Prior Assignments. The Parties hereto represent, covenant, and warrant that
20 they have not, directly or indirectly, assigned, transferred, encumbered, or purported to assign,
21 transfer, or encumber to any person or entity any portion of any liability, claim, demand, action,
22 cause of action, or rights released and discharged by this Settlement Agreement.

23 88. No Admission. Defendant denies any and all liability to Plaintiff and/or any
24 Settlement Class Member or Aggrieved Employee under PAGA in this Action as to any and all
25 causes of action that were asserted or that might have been asserted in this Action. Nonetheless,
26 Defendant wishes to settle and compromise the matters at issue in the Complaint to avoid further
27 substantial expense and the inconvenience and distraction of protracted and burdensome
28 litigation. Defendant also has taken into account the uncertainty and risks inherent in litigation,

and without conceding any infirmity in the defenses that they have asserted or could assert against Plaintiff, have determined that it is desirable and beneficial that Plaintiff's claims be settled in the manner and upon the terms and conditions set forth in this Agreement.

89. Inadmissibility of Agreement. Whether or not the Court issues the Final Approval Order, nothing contained herein, nor the consummation of this Settlement Agreement, is to be construed or deemed an admission of liability, culpability, negligence, or wrongdoing on the part of Defendant or any of the other Released Parties. Each of the Parties hereto has entered into this Settlement Agreement with the intention of avoiding further disputes and litigation with the attendant inconvenience and expenses. This Settlement Agreement is a settlement document, and it, along with all related documents such as the notices and motions for preliminary and final approval, shall, pursuant to California Evidence Code section 1152 and/or Federal Rule of Evidence 408, be inadmissible in evidence in any proceeding, except an action or proceeding to approve the settlement, and/or interpret or enforce this Settlement Agreement. The stipulation for class certification as part of this Settlement Agreement is for settlement purposes only, and if, for any reason, the settlement is not approved, the stipulation will be of no force or effect.

90. Notices. Unless otherwise specifically provided herein, all notices, demands, or other communications given hereunder shall be in writing and shall be deemed to have been duly given as of the third business day after mailing by United States registered or certified mail, return receipt requested, addressed:

1 91. Construction. The Parties hereto agree that the terms and conditions of this
2 Settlement Agreement are the result of lengthy, intensive arms' length negotiations between the
3 Parties and that this Settlement Agreement shall not be construed in favor of or against any Party
4 because of the extent to which any Party or their counsel participated in the drafting of this
5 Settlement Agreement. Plaintiff and Defendant expressly waive the common-law and statutory
6 rule of construction that ambiguities should be construed against the drafter of an agreement and
7 further agree, covenant, and represent that the language in all parts of this Agreement shall be in
8 all cases construed as a whole, according to its fair meaning.

9 92. Captions and Interpretations. Paragraph titles or captions contained herein are
10 inserted as a matter of convenience and for reference and in no way define, limit, extend, or
11 describe the scope of this Settlement Agreement or any provision hereof. Each term of this
12 Settlement Agreement is contractual and not merely a recital.

13 93. Modification. This Settlement Agreement may not be changed, altered, or
14 modified except in writing and signed by the Parties hereto and approved by the Court. This
15 Settlement Agreement may not be discharged except by performance in accordance with its terms
16 or by writing signed by all of the Parties hereto.

17 94. Dispute Resolution. Prior to instituting legal action to enforce the provisions of
18 this Agreement or to declare rights and/or obligations under this Agreement, a Party shall provide
19 written notice to the other Party and allow an opportunity to cure the alleged deficiencies, and
20 Plaintiff and Defendant agree to seek the help of the mediator identified in this Agreement to
21 resolve any dispute they are unable to resolve informally. During this period, the Parties shall
22 bear their attorneys' fees and costs. This provision shall not apply to any legal action or other
23 proceeding instituted by any person or entity other than Plaintiff or Defendant.

24 95. Court Retains Jurisdiction. The Parties agree that upon the entry of judgment of
25 dismissal pursuant to the terms of this Agreement, that, pursuant to Code of Civil Procedure
26 section 664.6, the Court shall retain exclusive and continuing equity jurisdiction of this Action
27 over all Parties to interpret, enforce, and effectuate the terms, conditions, intents, and obligations
28 of this Agreement.

96. Enforceability. Pursuant to California Evidence Code section 1123(a) and (b), this Agreement is intended by the Parties to be and shall be, enforceable, binding, and admissible in a court of law.

97. Choice of Law. This Settlement Agreement shall be governed by and construed, enforced, and administered in accordance with the laws of the State of California, without regard to its conflicts-of-law rules.

98. Integration Clause. This Settlement Agreement contains the entire agreement between the Parties relating to the settlement and transaction contemplated hereby, and all prior or contemporaneous agreements, understandings, representations, and statements, whether oral or written and whether by a Party or such Party's legal counsel, are merged herein. No rights hereunder may be waived except in writing.

99. Binding On Assigns. This Settlement Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, trustees, executors, administrators, successors, and assigns.

100. Signatures of All Class Members Unnecessary to be Binding. It is agreed that because the members of the Settlement Class are numerous, it is impossible or impractical to have each Final Class Member execute this Settlement Agreement. The Notice will advise all Settlement Class Members of the binding nature of the releases provided herein, and such shall have the same force and effect as if each Final Settlement Class Member executed this Settlement Agreement.

101. Counterparts. This Settlement Agreement may be executed in counterparts, and when each Party has signed and delivered at least one such counterpart, each counterpart shall be deemed an original and, when taken together with other signed counterparts, shall constitute one fully signed Settlement Agreement, which shall be binding upon and effective as to all Parties. Electronic signatures shall have the same force and effect as an original.

102. Publicity. Neither side shall publicize the settlement, including but not limited to communications through any social media, unless so ordered by the Court or unless the same would interfere with Class Counsel's ability to represent Class Members.

NOTICE OF SETTLEMENT OF CLASS ACTION

Elijah Brown v. VeoRide, Inc.
Superior Court of the State of California, County of Santa Clara
Case No. 23CV421642
LWDA Case No. LWDA-CM- 977420-23

To: All current and former non-exempt hourly employees employed by VeoRide, Inc. (the “Company”) in California at any time between August 29, 2019, through June 17, 2025 (the “Class”) and all current and former non-exempt hourly employees employed by VeoRide, Inc., at any time between August 29, 2022, through June 17, 2025 (the “Aggrieved Employees”):

THIS NOTICE is about a proposed settlement of a class action lawsuit, and an announcement of a court hearing that you may choose to attend. Your rights may be affected by the legal proceedings in this action. The Court will conduct a hearing on [REDACTED], 2025 to address whether the proposed settlement should be approved (“Final Approval Hearing”). You may be entitled to receive payment under the terms of this class action settlement contained in the Settlement Agreement, which documents the terms of the settlement that the Court has preliminarily approved (the “Settlement”).

[IDENTIFYING INFORMATION]

You have been identified as a Class Member in the above lawsuit. Under the terms of the proposed settlement, you are estimated to receive approximately **\$INSERT AMOUNT** as your share of the Net Settlement Amount should the Court approve the Settlement. Please note that this is only an estimate. Your actual share of the Net Settlement Amount may be more or less than this estimate. Your estimate is based on the number of weeks you performed any work for the (referenced herein as “Workweeks” or Weeks Worked”) in California between August 29, 2019, through June 17, 2025 (the “Class Period”).

Additionally, the lawsuit seeks civil penalties under the California Private Attorney General Act (“PAGA”) for all current and former hourly, nonexempt employees who were employed by the Company in California at any time from August 29, 2022, through June 17, 2025. (the “PAGA Period”), who are referred to as “Aggrieved Employees.”

Your options and eligibility requirements for receiving payments are described below.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT (SEE SECTION VIII FOR MORE DETAILS)	
DO NOTHING	Receive a settlement payment and give up your right to sue on the Released Claims described in Section III. This settlement does <u>not</u> require a claims process to receive a payment. Therefore, there is <u>no</u> claim form for you to complete should you wish to receive payment. You are automatically included and eligible to receive a payment once the Court approves the settlement.
EXCLUDE YOURSELF	You may “opt-out” of any connection with this case including any right to a settlement payment. If you choose to opt-out, you must submit a Request for Exclusion by [REDACTED], 2025 (see Section VI). All persons who validly and timely opt-out of the Settlement will <u>not</u> receive any settlement payment and will preserve Released Claims described in Section IV subject to applicable statutes of limitations, except that Settlement Class Members who worked during the PAGA Period are nevertheless bound by the release of the PAGA claims.

OBJECT	Write to the Court and Settlement Administrator about why you do not like the Settlement by completing and submitting an Objection by [REDACTED], 2025 (see Section VI) or make an objection at the Final Approval Hearing.
GO TO A HEARING	Ask to speak in Court about the terms of the Settlement. The next scheduled hearing is the Final Approval Hearing on [REDACTED].

I. Why should I read this Notice?

The Court has granted preliminary approval of a proposed settlement (the “Settlement”) in *Elijah Brown v. VeoRide, Inc.*, Santa Clara County Superior Court Case No. 23CV421642 (the “Lawsuit”). Because your rights may be affected by the Settlement, it is important that you read this notice carefully.

The Company records show that you were employed in California as a non-exempt employee (meaning you were paid hourly or otherwise eligible for overtime pay) at some point between August 29, 2019, through June 17, 2025. (“Class Period”). The Court ordered this Notice be sent to you because you may be entitled to money under the Settlement and because the Settlement affects your legal rights.

NO ACTION IS NECESSARY TO RECEIVE MONEY UNDER THE SETTLEMENT: If you were employed by the Company as a non-exempt employee in California during the Class Period, you are automatically included in the Settlement and do not need to take any further action to receive a payment.

The purpose of this Notice is to provide you with a brief description of the Lawsuit, to inform you of the terms of the proposed Settlement, and to discuss your rights and options in connection with the Lawsuit and the Settlement.

II. What is this lawsuit about?

On or about August 29, 2023, Plaintiff Elijah Brown filed a Class Action Complaint in the Court against Defendant, including causes of action asserting: (1) failure to pay overtime wages, (2) failure to pay all sick time, (3) meal period violations, (4) rest period violations, (5) wage statement violations, (6) waiting time penalties, (7) failure to reimburse business expenses, and (8) unfair competition.

The Company denies these allegations and contends that it has done nothing wrong. The Company denies that it owes any wages, expenses, restitution, penalties, or other damages. Accordingly, this Settlement constitutes a compromise of disputed claims and should not be construed as an admission of liability on the part of the Company, which expressly denies any and all liability.

The Court has not ruled on the merits of Plaintiff’s claims. And, by approving the Settlement and issuing this Notice, the Court is not suggesting which side would win or lose this case if it went to trial. However, to avoid additional expense, inconvenience, and risks of continued litigation, the Company and Plaintiff have concluded that it is in their respective best interests and the interests of the Settlement Class to settle the Lawsuit on the terms summarized in this Notice. After extensive discovery and providing information to Class Counsel, the Settlement was reached following an arm 's-length mediation.

The Class Representatives and Class Counsel support this Settlement. Among the reasons for their support are the defenses to liability potentially available to the Compa, the risk of denial of class certification, the inherent risk of trial on the merits, and the delays and uncertainties associated with litigation.

If you are still employed by the Company, this Settlement will not affect your employment. California law strictly prohibits unlawful retaliation. Further, the Company will not take any adverse action against or otherwise target, retaliate, or discriminate against any Class Member because of the Class Member’s participation

or decision not to participate in this Settlement. If a Class Member does not participate, his/her share will be paid to those who do participate.

IV. What are the terms of the Settlement?

On [PA DATE], the Court certified a class, for settlement purposes only, of all non-exempt employees employed by the Company in California between August 29, 2019, and June 17, 2025. (the “Settlement Class”). Individuals who do not opt out of the Settlement Class, pursuant to the procedures set forth in this Notice (“Class Members”) will be mailed Settlement checks and, in exchange, be bound by the Settlement and release of Released Claims.

Without admitting any wrongdoing, the Company has agreed to pay \$625,000.00 (the “Settlement Amount”) in U.S. dollars to fully resolve all claims in the Lawsuit, which includes payments for Individual Settlement Payments to eligible Class Members, attorneys’ fees and costs, payments to the California Labor Workforce and Development Agency (“LWDA”) and PAGA aggrieved employees, and Settlement Administration Costs, Class Representative Service Payments.

The Parties agreed to the following payments from the Settlement Amount:

Settlement Administration Costs. The Court has approved Phoenix Class Action Administration Solutions (“Phoenix”) to act as the “Settlement Administrator,” who is sending this Notice to you and will perform many other duties relating to the Settlement. Under the Settlement, a maximum of \$5,000 will be paid from the Settlement Amount to pay the Settlement Administration Costs.

Penalties to the LWDA. \$20,000.00 of the Settlement Amount will be allocated to Plaintiff’s claims under the PAGA. Of this amount, \$15,000 (75%) will be paid to the LWDA in satisfaction of the claims for penalties under PAGA, and \$5,000 (25%) will be included in the Individual Settlement Amounts, payable to the Aggrieved Employees.

The PAGA Period means August 29, 2022 through June 17, 2025.

Aggrieved Employees are eligible to receive payment under the PAGA Settlement of their pro rata share of the PAGA Amount, based on the number of Pay Periods during which each Aggrieved Employee worked during the PAGA Period relative to the total number of Pay Periods Worked by all Aggrieved Employees during the PAGA Period.

Service Payment to Settlement Class Representatives. Class Counsel will ask the Court to award Class Representatives a Service Payment in the amount of \$10,000 to compensate her for service and extra work provided on behalf of the Class Members. The Class Representatives also may receive a share of the Settlement as a Class Member.

Attorneys’ Fees and Expenses. Class Counsel, which includes two law firms (Falakassa Law P.C. and Bokhour Law Group, P.C.), have been prosecuting the Lawsuit on behalf of the Class Members on a

contingency fee basis (that is, without being paid any money to date) for years and have been paying all litigation costs and expenses. The Court will determine the actual amount awarded to Class Counsel as attorneys' fees, which will be paid from the Settlement Amount. Class Members are not personally responsible for any of Class Counsel's attorneys' fees or expenses. Class Counsel will ask for fees of one-third of the common fund Settlement Amount as reasonable compensation for the work Class Counsel performed and will continue to perform in this Lawsuit through finalization of the Settlement. Class Counsel also will ask for reimbursement of up to \$25,000 for the costs Class Counsel incurred in connection with the Lawsuit.

Calculation of Individual Settlement Payments to Class Members. After deducting the amounts above, the balance will form the Net Settlement Amount for distribution to the participating Class Members (who are Class Members who do not opt-out). The Net Settlement Amount for class claims will total approximately \$ [REDACTED]. Compensable workweeks will be all Workweeks Worked by the Settlement Class Members during the Class Period at the Company in California. The dollars per compensable Workweek will be calculated by dividing the total Workweeks Worked (excluding any excluded workweeks) by all Settlement Class Members into the Net Settlement Amount to determine a per workweek value ("Workweek Value"). The Workweek Value will be multiplied by the number of Workweeks Worked by each Settlement Class Member during the Class Period to determine the class payment distribution, prior to legal deductions, for each Settlement Class Member. If any individual in the Settlement Class opts out of the Settlement, his/her Individual Settlement Amount will be distributed to all Participating Class Members (i.e., those who do not opt out). Similarly, the PAGA payment will be determined by dividing the \$20,000 PAGA payment by the total Pay Periods of all PAGA aggrieved employees to determine a PAGA Pay Period Value. This PAGA Pay Period Value will be multiplied by the number of Pay Periods by each PAGA aggrieved employee to determine the PAGA payment for each PAGA aggrieved employee. Currently, your projected class payment is \$ [REDACTED] and your projected PAGA payment is \$ [REDACTED].

For each Settlement Class Member, the Weeks Worked at the Company during the Class Period will be calculated from the Company's records. The Company's records indicate that you worked for [TOTAL WORKWEEKS] Workweeks in California during the Class Period of August 29, 2019, through June 17, 2025. If you disagree with this number, you may submit by mail evidence to the Settlement Administrator on or before [REDACTED], 2025, with documentation to establish the number of weeks you claim to have actually worked for the Company in California between August 29, 2019, through June 17, 2025. (excluding any excluded workweeks). **DOCUMENTATION SENT TO THE SETTLEMENT ADMINISTRATOR WILL NOT BE RETURNED OR PRESERVED; DO NOT SEND ORIGINALS.** The Parties and Administrator will evaluate the evidence submitted by the Settlement Class member and discuss in good faith how many Workweeks should be credited to each Settlement Class member. If the Parties are unable to agree, the Settlement Administrator will render a final decision.

Payments to Class Members. After the Court grants Final Approval of the Settlement, Judgment is entered, and the time to file an appeal has expired, settlement checks will be mailed to all participating Class Members who did not timely request to be excluded. Participating Class Members will have 180 days from the issuance of the last check to cash all of the checks. If any Class Member fails to timely cash a settlement check, a stop payment will be placed on the check and the unclaimed funds will be paid to the California State Controller's Office in the name of the Class Member, so that the Class Member can attempt to collect the funds at a later date.

Allocation and Taxes. Ten percent (20%) of the Settlement Amount distributed to each participating Class Member will be considered and reported as "wages" (W-2 reporting). Ninety percent (80%) of the Settlement Amount will be distributed to each participating Class Member as "interest" and will be distributed to each participating Class Member as "civil penalties" (Form 1099 reporting). The Settlement Administrator shall take all usual and customary deductions from the Settlement payments that are distributed as wages, including, but not limited to, state and federal tax withholding, disability premiums, and unemployment insurance premiums. There will be no deduction taken from the interest or non-wage penalty distribution; however, it will be reported on IRS Form 1099 as income. The Company will be responsible for paying its portion of any state and federal taxes, in addition to

the Settlement Amount. Class Members are responsible for the proper income tax treatment of the Settlement Amounts. The Settlement Administrator, Company and their counsel, and Class Counsel cannot provide tax advice and make no representations as to the tax treatment or legal effect of the Individual Settlement Payments. Participating Class Members will be solely responsible for the payment of any taxes and penalties assessed on their Individual Settlement Payments. Accordingly, Class Members should consult with their tax advisors concerning the tax consequences and treatment of payments they receive under the Settlement.

Release. Once the Court approves the proposed Settlement, enters Judgment, and the Company funds the Settlement Amount, then the Settlement Agreement will bind all participating Class Members who have not opted out of the Settlement, and will bar them from bringing certain claims against the Company as described below. Specifically, after Final Approval by the Court, the Settlement Class Members, for themselves and for their respective agents, spouses, domestic partners, marital community, children, estates, trusts, attorneys, heirs, predecessors, successors, beneficiaries, devisees, legatees, executors, administrators, trustees, conservators, guardians, assigns, and representatives, will forever completely release and discharge the Defendants and each of its parent, subsidiary, and affiliated entities, and each of their predecessors, successors, and assigns, and each of their former and present directors, officers, shareholders, owners, members, employees, investors, attorneys, insurers, agents, and representatives, as well as any alleged joint employer of Plaintiff, the Settlement Class Members, and the Allegedly Aggrieved Employees of all claims that were pled in the Complaint and all claims that reasonably could have been alleged in the First Amended Complaint based on the facts alleged therein, or that arise from, are attributable to, or are related to the facts asserted therein, except the claim under the PAGA, including claims for (1) failure to pay overtime wages, (2) failure to pay all sick time, (3) meal period violations, (4) rest period violations, (5) wage statement violations, (6) waiting time penalties, (7) failure to reimburse business expenses, and (8) unfair competition based on the foregoing Labor Code violations and factual allegations of minimum and overtime violations based on off-the-clock work, including work before and after shifts and during meal periods, and unpaid prevailing wage work at the appropriate legal rates. These released claims and damages are hereinafter referred to as “Released Claims.” The time period governing these Released Class Claims shall be at any time from August 29, 2019, through June 17, 2025.. (“Release Period”). Any Settlement Class Member who timely requests exclusion in compliance with these requirements will not be bound by this Release, except that Settlement Class Members who worked during the PAGA Period are nevertheless bound by the release of the PAGA claims.

Likewise, the “PAGA Claims” or “Released PAGA Claims” shall include any and all claims for civil and statutory penalties pursuant to PAGA based on the allegations stated in the PAGA Notice and that were or that reasonably could have been pled in the First Amended Complaint, as defined above, based on the facts alleged therein, including claims for (1) failure to pay overtime wages, (2) failure to pay all sick time, (3) meal period violations, (4) rest period violations, (5) wage statement violations, (6) waiting time penalties, (7) failure to reimburse business expenses, and (8) unfair competition, and (9) PAGA penalties based on the foregoing Labor Code violations and factual allegations of minimum and overtime violations based on off-the-clock work, including work before and after shifts and during meal periods, and unpaid prevailing wage work at the appropriate legal rates. The time period governing these Released PAGA Claims shall be at any time from August 29, 2022, through June 17, 2025.

Waiver of Labor Code Section 206.5(e). Class Members who do not opt out will be deemed to have acknowledged and agreed that their claims for wages and/or penalties in the Lawsuit are disputed, and that the Individual Settlement Payments constitute payment of all sums allegedly due to them. Class Members will be deemed to have acknowledged and agreed that California Labor Code Section 206.5 is not applicable to the Individual Settlement Payments. That section provides in pertinent part as follows:

“No employer shall require the execution of any release of any claim or right on account of wages due, or to become due, or made as an advance on wages to be earned, unless payment of such wages has been made.”

Conditions of Settlement. This Settlement is conditioned upon the Court entering an order at or following the Final Approval Hearing finally approving the Settlement as fair, reasonable, adequate and in the best interests of the Settlement Class, and the entry of Judgment.

V. How can I claim money from the settlement?

You are automatically included as a Settlement Class Member to receive an Individual Settlement Payment, provided that you do not exercise your right to opt-out as explained below, and do not have to take any further action. It is the responsibility of all Class Members to ensure that the Settlement Administrator has your current address on file, or you may not receive important information or an Individual Settlement Amount.

VI. What other options do I have?

- A. **Do Nothing and Participate in the Settlement.** Under the Settlement, you will automatically receive an Individual Settlement Payment unless you exclude yourself from the settlement by following the exclusion procedure set forth below. If you disagree with the number of Weeks Worked, as described in this Notice, you may dispute the allocation of the Settlement without excluding yourself or objecting, as described below.

If you are a current employee, your decision as to whether or not to participate in this Settlement will not be considered by the Company and the Company will not take any adverse employment action against you based on your participation in the Settlement.

- B. **Exclude Yourself from the Settlement.** If you **do not** wish to take part in the Settlement, you may exclude yourself by sending to the Settlement Administrator a “Request for Exclusion from the Class Action Settlement” letter/card postmarked no later than [REDACTED], 2025 with your full name, address, telephone number, last four digits of your social security number or your date of birth, and signature. The Request for Exclusion should state:

“I WISH TO BE EXCLUDED FROM THE SETTLEMENT CLASS IN ELIJAH BROWN V. VEORIDE, INC., LAWSUIT. I UNDERSTAND THAT IF I ASK TO BE EXCLUDED FROM THE SETTLEMENT CLASS, I WILL NOT RECEIVE ANY MONEY FROM THE SETTLEMENT OF THIS LAWSUIT.”

Send the Request for Exclusion directly to the Settlement Administrator, [ADDRESS], postmarked **no later than** [REDACTED], 2025. Any person who files a timely Request for Exclusion from the Class Action Settlement, upon receipt: (1) will not have any rights under this Settlement, including the right to object, appeal or comment on the Settlement; (2) will not be entitled to receive any payments under this Settlement; and (3) will not be bound by this Settlement, or the Judgment, except that Settlement Class Members who worked during the PAGA Period are nevertheless bound by the release of the PAGA claims.

- C. **Object to Settlement.** You also have the right to object to the terms of the Settlement. However, if the Court rejects your objection, you will still be bound by the terms of the Settlement. If you wish to object to the proposed Settlement, or any portion of it, you may submit a written objection stating your full name and the name and address of your attorney(s) if you are represented, each specific reason in support of your objection, and any legal support for each objection. You must also include any documentation or evidence in support of the objection, if any. Objections can be in writing and must be mailed to the Settlement Administrator, [ADDRESS], by **no later than** [REDACTED], 2025 for your objection to be considered. **You need not object to the Settlement if you only dispute the number of Weeks Worked. You may dispute your Weeks Worked by submitting evidence to the Settlement**

Administrator regarding your employment at the Company. The Settlement Administrator and ultimately the Court will determine the validity of your dispute.

Class members may appear at the final approval hearing in person or remotely using the Microsoft Teams link for Department 19 (Afternoon Session), and should review the remote appearance instructions beforehand: https://www.sccscourt.org/general_info/ra_teams/video_hearings_teams.shtml. Class members who wish to appear remotely are encouraged to contact class counsel at least three days before the hearing, if possible, so that potential technology or audibility issues can be avoided or minimized.

If the Court rejects your objection, if you want to preserve your rights to appeal from judgment, including all rights to any post-judgment proceedings and appellate proceedings, then you must timely and properly become a party of record in this case by intervening or filing a motion to vacate the judgment. Please consult with an attorney to ensure you understand the proper procedure and timing to become a party of record by intervening in the action or filing a motion to vacate the judgment.

Any class member may appear at the Final Approval Hearing to make an oral objection, whether or not any written objection or notice of appearance has been provided.

If you choose to object to the Settlement, you may also appear at the Final Approval Hearing scheduled for [REDACTED], 2025, at 1:30 p.m. in Department 19 of the Santa Clara County Superior Court, located at 191 North First Street, San Jose, California 95113. You have the right to appear either in person or through your own attorney at this hearing. Any attorney who intends to represent an individual objecting to the Settlement must file a notice of appearance with the Court and serve counsel for all parties on or before [REDACTED], 2025. All objections or other correspondence must state the name and number of the case. If you wish to appear at the Final Approval Hearing, please contact Class Counsel or the Settlement Administrator in advance of the scheduled hearing to ensure that the hearing has not been continued by the Court.

If you object to the Settlement, you will remain a member of the Settlement Class, and if the Court approves the Settlement, you will be bound by the terms of the Settlement in the same way as participating Class Members who do not object. Submitting an objection does not preserve the right to appeal a final judgment. Rather, the right to appeal is preserved by becoming a party of record by timely and properly intervening or filing a motion to vacate the judgment before entry of judgment.

VII. What is the effect of the settlement?

Released Rights and Claims. The Settlement is intended to settle all claims against the Released Parties that were asserted or could have been asserted in the Lawsuit regarding the alleged violations of wage and hour laws. If you were employed by the Company in California at any time during the Class Period and do not elect to exclude yourself from the Settlement Class, you will be deemed to have entered into this Release and to have released the above-described Released Claims. If the Settlement is not approved by the Court or does not become final for some other reason, the Lawsuit may continue, and the releases will not take effect.

VIII. What is the next step?

The Court will hold a Final Approval Hearing regarding the adequacy, reasonableness, and fairness of the Settlement, Class Counsel's request for attorneys' fees and reimbursement of documented costs and expenses, and the Service Payments to the Class Representatives on [REDACTED], 2025 at 1:30 p.m. in Department 19 of the Santa Clara County Superior Court, located at 191 North First Street, San Jose, California 95113.
