*Attorneys for Plaintiff*

**SUPERIOR COURT OF THE STATE OF CALIFORNIA  
FOR THE COUNTY OF FRESNO**

DOMINIQUE CHAPARRO, individually, and  
on behalf of all others similarly situated,

*Plaintiff,*

v.

CADENCE SL WINDHAM FRESNO, LLC; a  
Delaware limited liability company; and DOES 1  
through 10, inclusive,

*Defendants.*

Case No.: 23CECG03064

*Assigned for all purposes to:  
Hon. Jon M. Skiles  
Dept. 503*

**NOTICE OF MOTION AND MOTION  
FOR FINAL APPROVAL OF CLASS  
ACTION AND PAGA SETTLEMENT**

**FINAL APPROVAL HEARING**

Date: February 5, 2026  
Time: 3:30 p.m.  
Dept: 503

1 **TO ALL INTERESTED PARTIES AND THEIR ATTORNEYS OF RECORD:**

2 **PLEASE TAKE NOTICE** that on February 5, 2026 at 3:30 p.m., or as soon thereafter as  
3 the matter may be heard in Department 503 of the above-entitled Court located at 1130 O Street,  
4 Fresno, CA 93724, Plaintiff Dominique Chaparro (“Plaintiff”) will and hereby does move this  
5 Court for an Order:

- 6 1. Granting final approval of the proposed Class Action and PAGA Settlement  
7 Agreement;
- 8 2. Awarding Class Counsel attorneys’ fees in the amount of \$183,333.33 and  
9 reimbursement of litigation costs in the amount of \$25,000.00;
- 10 3. Awarding Plaintiff a Class Representative Service Payment in the amount of  
11 \$7,500.00;
- 12 4. Awarding \$7,950.00 to ILYM Group, Inc. (“ILYM”) for its settlement  
13 administration expenses; and
- 14 5. Approving allocation of \$27,500.00 as civil penalties under the Private Attorneys’  
15 General Act of 2004 (“PAGA”), 75% of which (\$20,625.00) will be paid to the  
16 California Labor and Workforce Development Agency, and 25% of which  
17 (\$6,875.00) will be distributed to Aggrieved Employees based on the number of  
18 pay periods worked during the PAGA Period.

19 This Motion is based on this Notice of Motion, Memorandum of Points and Authorities,  
20 the Declaration of John G. Yslas, the Declaration of Nick Castro, the Declaration of Dominique  
21 Chaparro, and on all records and documents on file, together with such oral and documentary  
22 evidence that may be presented at the hearing on this matter.

23 Dated: January 13, 2026

## I. INTRODUCTION

Plaintiff Dominique Chaparro (“Plaintiff”) seeks final approval of a non-reversionary Gross Settlement Amount of \$550,000.00. The Class Action and PAGA Settlement Agreement (“Settlement”) provides that the deductions will be made from the Gross Settlement Amount:

1. Attorneys’ fees in the amount of up to \$183,333.33;
2. Litigation costs in the amount of up to \$25,000.00;
3. A Class Representative Service Payment of up to \$7,500.00;
4. Settlement administration expenses of up to \$7,950.00; and
5. Civil penalties in the amount of \$27,500.00 for claims under the Private Attorneys’ General Act of 2004 (“PAGA”), 75% of which (\$20,625.00) will be paid to the California Labor and Workforce Development Agency (“LWDA), and 25% of which (\$6,875.00) will be distributed to Aggrieved Employees based on the number of pay periods worked during the PAGA Period. *See* Settlement §§ 3.2.5, 3.2.5.1; *see also* Declaration of Nick Castro (“Castro Decl.”), at ¶ 15.

After all deductions are made, the Net Settlement Amount will be distributed to 336 Class Members as of the filing of this Motion for Final Approval of Class Action and PAGA Settlement (the “Motion”) (“Participating Class Members” or “Settlement Class Member”) based on the number of weeks worked during the Class Period. Castro Decl. at ¶¶ 14, 15.

The proposed Settlement is a product of diligent efforts, litigation, arm’s length negotiations, and informal discovery that resulted in the best possible outcome for the Class. By resolving this matter now, Class Members will receive a guaranteed recovery without risk of nonpayment, delay, or an adverse judgment at trial.

There are no objections to the Settlement and no requests for exclusion. *Id.* at ¶¶ 11, 12. The Participating Class Members will receive an average settlement payment of \$889.04, with the highest payout reaching \$3,862.29. Castro Decl. at ¶ 15. Aggrieved Employees will receive an average settlement payment of \$37.57, with the highest payout reaching \$86.53. *Id.* at ¶ 16. Plaintiff’s estimated Individual Class Payment and her Individual PAGA Payment totals \$2,046.18. *Id.* at ¶¶ 15, 16. In light of the Class’s favorable response, and the facts and law set

1 forth below as well as in the motion for preliminary approval, Plaintiff respectfully requests that  
2 the Court now enter an Order: (1) granting final approval of the Settlement; (2) entering final  
3 judgment; (3) requiring distribution of individual settlement shares to Participating Class  
4 Members; and (4) approving payments for attorneys' fees, litigation costs, the Class  
5 Representative Service Payment, Settlement Administration Expenses, and civil penalties under  
6 PAGA.

## 7 **II. THE SETTLEMENT MERITS FINAL APPROVAL**

8 In deciding whether to grant final approval of a class action settlement, California courts  
9 consider whether the settlement is "fair, adequate, and reasonable." *Dunk v. Ford Motor Co.*,  
10 48 Cal.App.4th 1794, 1801 (1996). In evaluating whether a settlement is fair, adequate, and  
11 reasonable, courts evaluate the following factors: (1) the strength of the plaintiff's case; (2) the  
12 risk, expense, complexity and duration of further litigation; (3) the risk of maintaining class  
13 action status through trial; (4) the amount offered in settlement; (5) the extent of discovery  
14 completed and the stage of the proceedings; (6) the experience and views of counsel; (7) the  
15 presence of a governmental participant; and (8) the reaction of class members to the proposed  
16 settlement. *Id.*

### 17 **A. A Presumption of Fairness Exists**

18 While the burden is on the proponent to demonstrate that a proposed settlement is fair,  
19 adequate, and reasonable, "a presumption of fairness exists where: (1) the settlement is reached  
20 through arm's length bargaining; (2) investigation is sufficient to allow counsel and the court  
21 to act intelligently; (3) counsel is experienced in similar litigation; and (4) the percentage of  
22 objectors is small." *Id.* at 1802.

23 At preliminary approval, Plaintiff presented evidence that this Settlement is entitled to a  
24 presumption of fairness because: (1) it was reached through arm's length bargaining with the  
25 assistance of an experienced mediator; (2) Plaintiff conducted a thorough investigation through  
26 informal discovery and an analysis of Class Members' time and payroll records; and (3)  
27 Plaintiff's Counsel is experienced in similar litigation. *See* Declaration of John G. Yslas in  
28 Support of Amended Motion for Preliminary Approval of Class Action and PAGA Settlement

1 (“Yslas MPA Decl.”) filed September 5, 2025 at ¶¶ 5-33. None of the Class Members have  
2 opted out and none have objected. *See* Castro Decl. at ¶¶ 11, 12. Therefore, the Court can  
3 confidently conclude that a presumption of fairness exists.

4 **B. The Strength of Plaintiff’s Claims, and the Risks, Expense, Complexity, and**  
5 **Likely Duration of Further Litigation as a Class Action Through Trial**

6 Courts are not required to ensure that a settlement maximizes the value of released claims  
7 with mathematical precision. “[T]he test is not the maximum amount plaintiffs might have  
8 obtained at trial on the complaint, but rather whether the settlement is reasonable under all of  
9 the circumstances.” *Wershba v. Apple Computer, Inc.* 91 Cal.App.4th 224, 250 (2001),  
10 disapproved of on other grounds by *Hernandez v. Restoration Hardware, Inc.*, 4 Cal.5th 260,  
11 269-270 (2018); *see also 7-Eleven Owners for Fair Franchising v. Southland Corp.*, 85  
12 Cal.App.4th 1135, 1150 (2000) (“the merits of the underlying class claims are not a basis for  
13 upsetting the settlement of a class action; the operative word is ‘settlement.’”). The relevant  
14 circumstances include the strengths and weaknesses of plaintiffs’ claims and the risks they faced  
15 in litigation. *7-Eleven*, 85 Cal.App.4th at 1146.

16 Here, Plaintiff presented sufficient information at preliminary approval regarding the  
17 number of class members and an estimate of the maximum value of each of the claims alleged.  
18 *See* Yslas MPA Decl. at ¶¶ 12-20. Plaintiff has also described in detail the risks the Class faced  
19 in litigation and the strengths and weaknesses of each of the claims. *See id.* Plaintiff noted  
20 potential difficulties in obtaining class certification and succeeding on the merits at trial. *See*  
21 *id.* The factual record here is sufficiently developed to allow the Court to independently satisfy  
22 itself “that the consideration being received for the release of the class members’ claims is  
23 reasonable in light of the strengths and weaknesses of the claims and the risks of the particular  
24 litigation.” *Munoz v. BCI Coca-Cola Bottling Co. of Los Angeles*, 186 Cal.App.4th 399, 410  
25 (2010).

26 **C. The Amount Offered in Settlement**

27 The Settlement provides a \$550,000.00 Gross Settlement Amount (“GSA”) to be  
28 distributed among the 336 Class Members who did not opt out as of the date of this filing. Castro

Decl. at ¶¶ 11-15. The Gross Settlement Amount will be used to pay Class Counsel’s attorneys’ fees and costs, Plaintiff’s Class Representative Service Payment, and ILYM Group, Inc. (“ILYM”) for its administration of the Class Notice and settlement funds. *Id.* at ¶ 15. The Settlement also allocates \$27,500.00 from the Gross Settlement Amount to civil penalties under PAGA. *See* Settlement at ¶ 3.2.5; *see also* Castro Decl. ¶ 15. After all deductions are made, the Net Settlement Amount will be \$298,716.67, which will be distributed to Participating Class Members according to the number of weeks they worked for Defendant during the Class Period. *See* Settlement at ¶ 3.2.4; *see also* Castro Decl. ¶ 15.

The Settlement Administrator has calculated a total of 21,037 workweeks in the Class Period. Castro Decl. at ¶ 14. As a result, the average recovery for Participating Class Members is \$889.04, and the highest payout is \$3,862.29. *Id.* at ¶ 15. Weighing the potential value of the class claims against the risk and expense of trial, the Settlement provides sufficient relief in light of the potential risks associated with seeking a class judgment.

#### **D. The Extent of Discovery Completed and the Stage of the Proceedings**

Class Counsel sufficiently investigated the alleged claims, applicable law, and potential defenses. *See* Yslas MPA Decl. at ¶ 9. Specifically, Class Counsel assessed the value of the claims using data and documents provided by Defendant in informal discovery, which included policy documents and timekeeping and payroll records. *See id.* Following a complete analysis of this information, the Parties attended mediation on August 15, 2024 with an experienced mediator. *Id.* at ¶ 5. The Parties were able to reach an agreement and spent the next several months negotiating the terms of the Settlement. *Id.* at ¶¶ 5, 6.

#### **E. The Experience and Views of Counsel**

Plaintiff is represented by Wilshire Law Firm, PLC. Declaration of John G. Yslas in Support of Motion for Final Approval of Class Action and PAGA Settlement (“Yslas MFA Decl.”) at ¶ 3. Class Counsel prosecute wage and hour cases, including class and representative actions. *Id.* at ¶¶ 4, 5. Class Counsel has litigated many wage and hour cases and have successfully resolved cases involving similar issues presented in this matter. *Id.* at ¶¶ 4-17. Class Counsel has negotiated a settlement here that they believe is fair, reasonable, and adequate based

on their prior experience litigating these types of cases. *Id.* at ¶ 23.

**F. The Presence of a Government Participant**

The LWDA has received the required notice of this Settlement. Yslas MPA Decl. at ¶ 8. On August 16, 2023, Plaintiff provided notice to the LWDA of her intention to file a PAGA claim. Yslas MPA Decl. at ¶ 4. The Settlement provides for the payment of \$27,500.00 in civil penalties, 75% of which (\$20,625.00) will be paid to the LWDA, and 25% of which (\$6,875.00) will be paid to Aggrieved Employees based on the number of pay periods worked during the PAGA Period. *See* Castro Decl. at ¶¶ 15, 16; *see also* Settlement at §§ 3.2.5, 3.2.5.1. Plaintiff submitted a copy of the Class Action and PAGA Settlement Agreement to the LWDA. Yslas MPA Decl. at ¶ 8, Exhibit 2. The LWDA has not responded to or objected to the Settlement. Yslas MFA Decl. at ¶ 24.

**G. The Reaction of Class Members to the Proposed Settlement**

Class Members' reaction to the Settlement has been favorable. A court may properly infer that a class action settlement is fair, reasonable, and adequate when few class members object to or opt out of it. *Lealo v. Beneficial California, Inc.*, 82 Cal.App.4th 19, 51 (2000).

When the Court granted preliminary approval, it also approved the method of providing notice to Class Members. Following a search of the National Change of Address database, ILYM mailed the Class Notice to all Class Members on December 15, 2025. Castro Decl. at ¶¶ 6, 7. The Class Notice informed Class Members of the terms of the Settlement, the amount of their individual settlements and how those amounts were calculated, their right to either participate in the Settlement, opt out of it, object to it, or dispute the amount of their individual settlement payment, the procedures and deadlines to submit an opt out, objection, or dispute, and the date, time, and place of the hearing on Plaintiff's Motion for Final Approval and instructions to be heard at the hearing. *Id.* at ¶ 7, **Exhibit A**. Here, in response to the Class Notice, zero (0) Class Members opted out, and none objected as of the date of the filing of this Motion. *Id.* at ¶¶ 11, 12. Class Members' favorable response to the Settlement further supports final approval.

///

1 **III. THE REQUESTED FEE AWARD IS REASONABLE AND SHOULD BE**  
2 **APPROVED**

3 There are two primary methods of determining a reasonable attorney fee in the context  
4 of class action litigation. *Laffitte v. Robert Half Int'l, Inc.*, 1 Cal.5th 480, 489 (2016). The  
5 percentage-of-recovery method calculates the fee as a percentage of a common fund recovered  
6 on behalf of the class. *Id.* The lodestar method calculates the fee by multiplying the number of  
7 hours reasonably expended by counsel by a reasonable hourly rate, which amount then may be  
8 adjusted based on other factors. *Id.* In *Laffitte*, the California Supreme Court held that trial  
9 courts have the discretion to choose between the two calculation methods. *Id.* at 504. Trial courts  
10 also have the discretion to blend the two fee calculation methods, using one method to “cross-  
11 check” the reasonableness of the other’s result, but a cross-check is not required. *Id.* 506.

12 **A. The Requested Fee Award is Fair and Reasonable Based on the Percentage-**  
13 **of-Recovery Method**

14 The ultimate purpose of the percentage-of-recovery method is to “spread the attorney fee  
15 among all the beneficiaries of the fund.” *Id.* at 503. The California Supreme Court recognized  
16 that the percentage-of-recovery method has many advantages, “including relative ease of  
17 calculation, alignment of incentives between counsel and the class, a better approximation of  
18 market conditions in a contingency case, and the encouragement is provides counsel to seek an  
19 early settlement and avoid unnecessarily prolonging the litigation [citation] . . .” *Id.*

20 The requested fee award (one-third (1/3) of the GSA) is consistent with the average fee  
21 award in class actions. *See, e.g., Roos v. Honeywell Int'l, Inc.*, 241 Cal.App.4th 1472 (2015)  
22 (fee award of 37.5% was not an abuse of discretion), disapproved of on other grounds by  
23 *Hernandez v. Restoration Hardware, Inc.*, 4 Cal.5th 260, 287 (2018); *Wren v. RGIS Inventory*  
24 *Specialists*, No. C–06–05778 JCS, 2011 WL 1230826, at \*29 (N.D. Cal. Apr. 1, 2011)  
25 (approving fee award of 42%); *Singer v. Becton Dickinson and Co.*, No. 08–CV–821–IEG, 2010  
26 WL 2196104, at \*8 (S.D. Cal. June 1, 2010) (approving fee award of one-third and noting that  
27 the typical fees awarded in wage and hour class action cases ranges from 33.33% to 40%).  
28 Therefore, the percentage-of-recovery method should be utilized to approve the requested fee.

1           **B.       A Lodestar Cross-Check Confirms the Reasonableness of the Requested Fee**

2           Although *Laffitte* makes clear that a lodestar cross-check is not required, Class Counsel’s  
3 lodestar supports the reasonableness of the requested fee. The lodestar is determined by  
4 multiplying the number of hours reasonably expended by the reasonable hourly rate. *PLCM*  
5 *Group, Inc. v. Drexler*, 22 Cal.4th 1084, 1095 (2000). The lodestar figure may then be adjusted,  
6 based on consideration of factors specific to the case, in order to fix the fee at the fair market  
7 value for the legal services provided.” *Id.* The factors that can be considered include “the nature  
8 of the litigation, its difficulty, the amount involved, the skill required in its handling, the skill  
9 employed, the attention given, the success or failure, and other circumstances in the case.”  
10 *Melnyk v. Robledo*, 64 Cal.App.3d 618, 623-624 (1976) (citations omitted).

11           Class Counsel’s hourly rates are comparable to those charged by other class action  
12 counsel. Yslas MFA Decl. at ¶ 18. The total hours expended on this action were reasonable and  
13 in line with comparable cases. *Id.* Class Counsel spent a total of 226.8 hours in prosecuting this  
14 action, which were divided among the attorneys working on this case according to skill level.  
15 Yslas MFA Decl. at ¶¶ 19-21, **Exhibit 1**. The hours expended by each attorney were reasonable  
16 and not duplicative and reflect the extensive investigation and analysis that was required to  
17 achieve this Settlement. *Id.*

18           Multiplying the total hours expenses by Class Counsel by their reasonable hourly rates  
19 yields a lodestar of \$196,095.00. Yslas MFA Decl. at ¶ 20, **Exhibit 1**. This amount surpasses  
20 the requested fee award of \$183,333.33, resulting in a negative multiplier. Yslas MFA Decl. at  
21 ¶¶ 20, 21. Accordingly, Class Counsel respectfully requests the Court approve their \$183,333.33  
22 fee request.

23           **IV. THE REQUESTED COST AWARD IS REASONABLE AND SHOULD BE**  
24           **APPROVED**

25           The Settlement permits Class Counsel to seek reimbursement of litigation costs in an  
26 amount up to \$25,000.00. The actual costs incurred are \$25,308.99, as such Class Counsel is  
27 seeking reimbursement of \$25,000.00. *Id.* at ¶ 22, **Exhibit 2**. Since Class Counsel’s costs exceed  
28 the maximum of \$25,000.00, there will be no reversion to the Net Settlement Amount. *Id.* These

costs were reasonable and necessary to prosecute this case and obtain the results achieved. *Id.*

**V. THE REQUESTED CLASS REPRESENTATIVE SERVICE PAYMENT IS REASONABLE AND SHOULD BE APPROVED**

Plaintiff also requests that she be awarded a service payment of \$7,500.00 for her role in obtaining the Settlement. In evaluating a service payment, the Court may consider: “(1) the risk, both financial and otherwise, the class representative faced in bringing the suit; (2) the notoriety and personal difficulties encountered by the class representative; (3) the amount of time and effort spent by the class representative; (4) the duration of the litigation; and (5) the personal benefit received by the class representative as a result of the litigation.” *Golba v. Dick’s Sporting Goods, Inc.*, 238 Cal.App.4th 1251, 1272 (2015); *Clark v. American Residential Services, LLC*, 175 Cal.App.4th 785, 804 (2009).

Here, Plaintiff provided a declaration in support of Plaintiff’s Motion for Preliminary Approval of Class Action and PAGA Settlement and a declaration in support of Plaintiff’s Motion for Final Approval of Class Action and PAGA Settlement detailing the risk she faced in bringing the suit, the notoriety and personal difficulties she encountered, the amount of time and effort she spent on this litigation, the duration of this litigation, and the personal benefit she will receive as a result of the litigation. *See generally* Declaration of Dominique Chaparro in Support of Motion for Preliminary Approval of Class Action and PAGA Settlement filed on September 5, 2025 and Declaration of Plaintiff Dominique Chaparro in Support of Motion for Final Approval of Class Action and PAGA Settlement filed concurrently herewith. Plaintiff should be adequately compensated for her role in obtaining in this Settlement.

Additionally, no Class Members objected to the amount of additional compensation sought by Plaintiff. As such, the award is reasonable in light of the substantial benefits Plaintiff conferred upon the settlement class.

**VI. THE SETTLEMENT ADMINISTRATION COSTS ARE REASONABLE AND SHOULD BE APPROVED**

The Parties agreed to hire ILYM as the Settlement Administrator in this case and the Court approved this choice at preliminary approval. The Settlement Administrator was

1 responsible for updating Class Members' mailing addresses, mailing the Class Notice to each  
2 Class Member, responding to Class Member questions, providing weekly status reports, and  
3 providing a declaration as to the results of the mailing. *See* Castro Decl. at ¶ 3. Following final  
4 approval, ILYM's duties will continue in order to calculate and to mail the settlement payments  
5 to Class Members, disburse other payments as ordered by the Court, and perform such other  
6 duties described in the Settlement. *Id.* The requested amount of \$7,950.00 for services rendered  
7 and to be rendered is therefore fair and reasonable.

## 8 **VII. CONCLUSION**

9 Based on the foregoing, Class Counsel respectfully requests that the Court grant final  
10 approval of the Class Action and PAGA Settlement, approve Class Counsel attorneys' fees in  
11 the amount of \$183,333.33 and reimbursement of litigation costs in the amount of \$25,000.00,  
12 the Class Representative Service Payment in the amount of \$7,500.00, civil penalties under  
13 PAGA in the amount of \$27,500.00, and \$7,950.00 to ILYM for its settlement administration  
14 expenses.

15 Dated: January 13, 2026
