1 spent at least **6 additional hours** speaking with my attorneys about the case, identifying
2 potential witnesses, providing my attorneys with documents and information concerning the
3 case, and also describing policies, practices, and procedures of Defendants.

4 5. As far as the settlement is concerned, I spent about **2 hours** reviewing the
5 settlement agreement and about **1 hour** asking questions and discussing the potential settlement
6 with my attorneys before signing the settlement agreement.

7 6. I believe that I have done everything that my attorneys have asked of me and have
8 tried, to the best of my ability, to represent the class. I think my efforts helped to get the result
9 obtained in this case, and as a class representative, I respectfully request that the Court award me
10 an enhancement payment in the amount of \$10,000.00 for my active participation in this case.
11 Taking into consideration the time that I have dedicated to this case, I believe that this amount is
12 reasonable.

13 7. I am not related to anyone associated with Lawyers *for* Justice, PC.

14 8. I have not entered into any undisclosed agreements, nor have I received any
15 undisclosed compensation in this case. The only compensation I will receive is whatever amount
16 the Court awards as an enhancement payment, as well as my share of the settlement as a class
17 member and as an aggrieved employee.

18 I declare under penalty of perjury under the laws of the State of California that the
19 foregoing is true and correct.

20 Executed on this day 09/04/2024, at San Jose, California.
