Case No. 23CV00673

Honorable Ann C. Moorman
Department E

**DECLARATION OF GARVIN BROWN
OF ILYM GROUP, INC. REGARDING
NOTICE AND SETTLEMENT
ADMINISTRATION**

Date: November 7, 2025
Time: 9:30 a.m.
Dept.: E

Complaint Filed: July 25, 2023
FAC Filed: September 28, 2023
SAC Filed: May 29, 2025
Trial Date: Not Set

1 I, Garvin Brown, declare as follows:

2 1. I am a resident of the United States of America and am over the age of 18. I am a
3 Case Manager for ILYM Group, Inc. (herein after referred to as “ILYM Group”), the professional
4 settlement services provider who has been retained by the Parties’ Counsel and subsequently
5 appointed by the Court to serve as the Settlement Administrator for the above captioned,
6 *Lopez/Acevedo v. Advanced Manufacturing and Development, Inc.* matter. I am authorized to make
7 this declaration on behalf of ILYM Group and myself. I have personal knowledge of the facts
8 herein, and, if called upon to testify, I could and would testify competently to such facts.

9 2. ILYM Group has extensive experience in administering class action settlements,
10 including direct mail services, database management, claims processing and settlement fund
11 distribution services for class actions ranging in size from 26 to 4.5 million settlement class
12 members.

13 3. ILYM Group was engaged by the Parties’ Counsel and subsequently approved and
14 appointed by the Court to provide notification services and settlement administration, pursuant to
15 the terms of the Settlement, in the above referenced Action. Duties performed to-date and to be
16 performed after Final Approval of the Settlement is granted, include: (a) translating the mailing
17 documents into Spanish; (b) printing and mailing the *Court Approved Notice of Class Action*
18 *Settlement and Hearing Date for Final Court Approval*, in both English and Spanish (referred to as
19 “Class Notice”); (c) receiving and processing requests for exclusion and objections to the
20 Settlement, if applicable; (d) resolving Class Members’ and Aggrieved Employees’ disputes over
21 the number of Workweeks and Pay Periods Defendant has record of them working during the Class
22 Period and PAGA Period, which was pre-printed on their individualized Class Notice; (e)
23 establishing a QSF account and calculating individual settlement award amounts; (f) processing
24 and mailing settlement award checks; (g) handling tax withholdings as required by the Settlement
25 and the law; (h) preparing, issuing and filing tax returns and other applicable tax forms; (i) handling
26 the distribution of any unclaimed funds pursuant to the terms of the Settlement; and (j) performing
27 other tasks as the Parties mutually agree to and/or the Court orders ILYM Group to perform.

28

1 4. On July 11, 2025, ILYM Group received the Court approved text for the Class
2 Notice from Class Counsel. ILYM Group prepared a draft of the formatted Class Notice, which
3 was approved by the Parties' Counsel prior to mailing.

4 5. On July 30, 2025, ILYM Group received the Class Data file from Defendant's
5 Counsel, which contained each Class Member's and Aggrieved Employee's full name, Social
6 Security number, last-known mailing address, number of Workweeks, and number of Pay Periods.
7 The Class Data file was uploaded to our database and checked for duplicates and other possible
8 discrepancies. The Class Data contained 423 individuals, which included 187 Class Members and
9 252 Aggrieved Employees.

10 6. As part of the preparation for mailing, all 423 names and addresses contained in the
11 Class Data were then processed against the National Change of Address ("NCOA") database,
12 maintained by the United States Postal Service ("USPS"), for purposes of updating and confirming
13 the mailing addresses of the Class Members and Aggrieved Employees before mailing of the Class
14 Notice. The NCOA contains requested change of addresses filed with the USPS. To the extent that
15 an updated address was found in the NCOA database, the updated address was used for the mailing
16 of the Class Notice. To the extent that no updated address was found in the NCOA database, the
17 original address provided by Defendant's Counsel was used for the mailing of the Class Notice.

18 7. On August 11, 2025, the Class Notice was mailed, in both English and Spanish, via
19 U.S First Class Mail, to all 423 individuals contained in the Class Data. Attached hereto, as **Exhibit**
20 **A**, is a true and correct copy of the mailed Class Notice.

21 8. As of the date of this declaration, 45 Class Notices have been returned to our office.
22 Of the 45 returned Class Notices, none included a forwarding address. ILYM Group performed a
23 computerized skip trace on the 45 returned Class Notices that did not have a forwarding address,
24 in an effort to obtain an updated address for the purpose of re-mailing the Class Notice. As a result
25 of this skip trace, 28 updated addresses were obtained and the Class Notices were promptly re-
26 mailed to those Class Members, via U.S. First Class Mail. As of the date of this declaration, a total
27 of 17 Class Notices have been deemed undeliverable as no updated addresses were found
28 notwithstanding the skip tracing.

1 9. As of the date of this declaration, ILYM Group has not received any Requests for
2 Exclusion. The Response Deadline is September 25, 2025.

3 10. As of the date of this declaration, ILYM Group has not received any objections to
4 the Settlement. The Response Deadline is September 25, 2025.

5 11. As of the date of this declaration, ILYM Group has not received any disputes
6 regarding Workweeks or Pay Periods. The Response Deadline is September 25, 2025.

7 12. As of the date of this declaration, ILYM Group reports a total of 187 Participating
8 Class Members, representing 100.00% of the Class.

9 13. Participating Class Members will receive a proportional share of the Net Settlement
10 Amount through Individual Class Payments, based on the number of Workweeks they each worked
11 during the Class Period. The Net Settlement Amount is the amount remaining after deduction of
12 the Court-approved payments from the Gross Settlement Amount for the Class Counsel Fees
13 Payment, Class Counsel Litigation Expenses Payment, Class Representatives' Service Payments,
14 Administration Expenses Payment, and PAGA Penalties.

Gross Settlement Amount	\$600,000.00
--------------------------------	---------------------

Attorney's Fees	\$200,000.00
-----------------	--------------

Attorney's Costs/Expenses	\$30,000.00
---------------------------	-------------

Service Payments (A. Lopez, J. Acevedo)	\$20,000.00
---	-------------

ILYM Group Fees	\$6,850.00
-----------------	------------

LWDA	\$18,750.00
------	-------------

Aggrieved Employees	\$6,250.00
---------------------	------------

Net Settlement Fund	\$318,150.00
----------------------------	---------------------

23 14. The total number of Workweeks worked by the Participating Class Members during
24 the Class Period is 6,641 and the total number of Pay Periods worked by the Aggrieved Employees
25 during the PAGA Period is 8,913. Accordingly, the Escalator Clause was not triggered.

26 15. To determine a Participating Class Member's Individual Class Payment, the Net
27 Settlement Amount will be divided by the total number of Workweeks worked by all Participating
28 Class Members during the Class Period and multiplying the result by each Participating Class

1 Member's total number of Workweeks. Based on these calculations, the Participating Class
2 Members will receive an estimated average gross Individual Class Payment of \$1,701.34, with the
3 estimated highest gross Individual Class Payment being \$9,341.85, and the lowest gross Individual
4 Class Payment being \$47.91.

5 16. To determine an Aggrieved Employee's Individual PAGA Payment, 25% of the
6 PAGA Penalties will be divided by the total number of Pay Periods worked by all Aggrieved
7 Employees during the PAGA Period and multiplying the result by each Aggrieved Employee's
8 total number of Pay Periods. Based on these calculations, the Aggrieved Employees will receive an
9 estimated average Individual PAGA Payment of \$24.80, with the estimated highest Individual
10 PAGA Payment being \$41.37, and the estimated lowest Individual PAGA Payment being \$0.70.

11 17. ILYM Group's total fees and costs for services in connection with the administration
12 of the Settlement, which includes fees and costs incurred to-date, as well as anticipated fees and
13 costs for completion of the settlement administration, are \$6,850.00. ILYM Group's work in
14 connection with this matter will continue with the calculation of the settlement award payments,
15 issuance and mailing of the settlement award checks, the necessary tax filing and reporting on such
16 payments, and any other tasks that the Parties mutually agree to and/or the Court orders ILYM
17 Group to perform. Attached hereto, as **Exhibit B**, is a true and correct copy of ILYM Group's
18 quote.

19 I declare under penalty of perjury under the laws of the State of California and the United
20 States that the foregoing is true and correct to the best of my knowledge and that this Declaration
21 was executed this 5th day of September 2025, at Tustin, California.

**COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT
AND HEARING DATE FOR FINAL COURT APPROVAL**

***Alma Lopez v. Advanced Manufacturing and Development, Inc. dba METALfx,,

***Jose Refugio Lopez Acevedo v. Advanced Manufacturing and Development, Inc.
Mendocino County Superior Court, Case Number 23CV00822***

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

**YOUR LEGAL RIGHTS MAY BE AFFECTED WHETHER YOU ACT OR DO NOT ACT. PLEASE READ
THIS CLASS NOTICE CAREFULLY.**

You may be eligible to receive money from employee class action lawsuits entitled *Alma Lopez v. Advanced Manufacturing and Development, Inc. dba METALfx*, Mendocino County Superior Court Case No. 23CV00673 and *Jose Refugio Lopez Acevedo v. Advanced Manufacturing and Development, Inc.*, Mendocino County Superior Court Case No. 23CV00822 (together, “Actions”) against Defendant Advanced Manufacturing and Development, Inc. dba METALfx (“Defendant”) for alleged wage and hour violations. The Actions were filed by Plaintiffs Alma Lopez and Jose Refugio Lopez Acevedo (together, “Plaintiffs”) and seek payment of (1) wages and other relief on behalf of all current and former hourly-paid and/or non-exempt employees who worked for Defendant in the State of California at any time during the Class Period, but excluding those who signed arbitration agreements (“Class” or “Class Members”); and (2) penalties under the California Private Attorney General Act (“PAGA”) for all current and former hourly-paid and/or non-exempt employees who worked for Defendant in the State of California at any time during the PAGA Period (“Aggrieved Employees”). The “Class Period” is the period from July 25, 2019 to October 26, 2024. The “PAGA Period” is the period from July 24, 2022 to October 26, 2024.

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendant to fund Individual Class Payment payments to Class Members, and (2) a PAGA Settlement requiring Defendant to fund the PAGA Penalties to pay penalties to the California Labor and Workforce Development Agency (“LWDA”) and to Aggrieved Employees.

Based on Defendant’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be \$«Est_Individual_Class_Payment» (less withholding), and your Individual PAGA Payment is estimated to be \$«Est_Individual_PAGA_Payment»**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual Class Payment or Individual PAGA Payment, then according to Defendant’s records you are not eligible for an Individual Class Payment or Individual PAGA Payment under the Settlement because you did not work during the PAGA Period or are not a valid Class Member.)

The above estimates are based on Defendant’s records showing that **you worked «Class_Workweeks» Workweeks** during the Class Period and **you worked «PAGA_Pay_Periods_» Pay Periods** during the PAGA Period. If you believe that you worked more Workweeks and/or Pay Periods during either period, you can submit a challenge by the deadline date. See Section 5 of this Class Notice below.

The Court has already preliminarily approved the proposed Settlement and approved this Class Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or do not act. Read this Class Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiffs and Plaintiffs’ attorneys (“Class Counsel”). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and in exchange requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Released Class Claims against Defendant, and as an Aggrieved Employee, you will give up your right to assert Released PAGA Claims against Defendant, as described below in Section 4 below.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting a written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Class Settlement, you will not receive an Individual Class Payment; however, you will preserve your right to personally pursue the Released Class Claims against Defendant. If you are an Aggrieved Employee, you remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:	
You Don't Have to Do Anything to Be Issued a Payment	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Class Claims and Released PAGA claims). Additional information is set forth below.
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Response Deadline is <u>September 25, 2025</u>.	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. If you request exclusion, you will receive no money from the Class Settlement and you will not be bound by the Class Settlement. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 7 of this Class Notice. However, you cannot opt-out of the PAGA portion of the proposed Settlement. If you are an Aggrieved Employee and exclude yourself, you will still be paid your Individual PAGA Payment and will remain subject to the release of the Released PAGA Claims regardless of whether you submit a Request for Exclusion.
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by the Response Deadline (<u>September 25, 2025</u>)	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Class Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiffs who pursued the Actions on behalf of the Class. You can object to the amounts requested by Class Counsel or Plaintiffs if you think they are unreasonable. See Section 8 of this Class Notice.

You Can Participate in the Final Approval Hearing	The Court will hold a Final Approval Hearing at 9:30 a.m. on <u>November 7, 2025</u>, 2025 at the Mendocino County Superior Court, located at 100 N. State Street, Ukiah, California, in Department E before Judge Ann Moorman. The hearing may be rescheduled by the Court without further notice to you. You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Class Settlement at the Final Approval Hearing. See Section 9 of this Class Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by the Response Deadline (<u>September 25, 2025</u>)	The amount of your Individual Class Payment and Individual PAGA Payment (if any) depend on how many Workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number Workweeks and number of Pay Periods you worked according to the Defendant's records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by the Response Deadline. See Section 4 of this Notice.

1. Why did I get this Notice?

A proposed class and PAGA action settlement (the "Settlement") of the above-captioned actions pending in the Superior Court of the State of California, in and for the County of Mendocino (the "Court") has been reached between Plaintiffs and Defendant (the "Parties") and has been granted preliminary approval by the Court. You may be entitled to receive money from this Settlement.

You have received this Class Notice because you have been identified as a member of the Class and/or Aggrieved Employee.

2. What are these class action lawsuits about?

On July 25, 2023, Plaintiff Alma Lopez commenced a wage-and-hour class action by filing a complaint alleging causes of action against Defendant in the Superior Court of the State of California, County of Mendocino, Case No. 23CV00673. Plaintiff Alma Lopez's class action complaint alleges violations under the California Labor Code and Business and Professions Code for: (1) unpaid overtime; (2) unpaid minimum wages; (3) unpaid meal period premiums; (4) unpaid rest period premiums; (5) failure to provide accurate wage statements; (6) final wages not timely paid; (7) failure to reimburse necessary business expenses; and (8) violation of California's Unfair Competition Law, California Business and Professions Code §§ 17200, *et seq.* On September 28, 2023, Plaintiff Alma Lopez amended her complaint to add causes for wages not timely paid during employment and civil penalties under the PAGA.

On August 31, 2023, Plaintiff Jose Refugio Lopez Acevedo commenced a wage-and-hour class action by filing a complaint alleging causes of action against Defendant in the Superior Court of the State of California, County of Mendocino, Case No. 23CV00822. Plaintiff Jose Lopez's class action alleges violations under the California Labor Code and Business and Professions Code for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; (7) failure to indemnify employees for expenditures; and (8) violation of California's Unfair Competition Law, California Business and Professions Code §§ 17200, *et seq.*

On May 29, 2025, Plaintiffs filed an amended complaint in Case No. 23CV00673 (the “Operative Complaint”).

Defendant deny and dispute all such claims. Specifically, Defendant contends Plaintiffs and the Class Members were properly compensated for all wages under California law; Plaintiffs and the Class Members were provided with meal and rest periods in compliance with California law; Defendant did not fail to provide required reimbursement of expenses; Defendant did not fail to timely pay Plaintiffs or any Class Members any wages allegedly due at the time of their termination; Defendant complied with California wage statement requirements; Defendant did not engage in unlawful or unfair business practices; Defendant is not liable for any of the penalties claimed or that could be claimed in the Actions; and the Actions cannot be maintained as a class action nor a PAGA action.

The Court granted preliminary approval of the Settlement on July 11, 2025. At that time, the Court also preliminarily approved the Plaintiffs to serve as the Class Representatives, and the law firms Blackstone Law, APC and Wilshire Law Firm, PLC to serve as Class Counsel.

The Court has not ruled on the merits of Plaintiffs’ claims. However, to avoid additional expense, inconvenience, and interference with the business operations of Defendant, the Parties concluded that it is in their best interests and the interests of the Class to settle the Actions now on the terms summarized in this Class Notice. The Settlement was reached after mediation and arm’s-length negotiations between the Parties. The Plaintiffs and Class Counsel think the settlement is in the best interest of all Class Members.

Accordingly, the Settlement constitutes a compromise of disputed claims and should not be construed as an admission of liability on the part of Defendant, who expressly deny all liability.

3. What are the terms of the Settlement?

Gross Settlement Amount. Defendant has agreed to pay an “all in” amount of Six Hundred Thousand Dollars (\$600,000) (the “Gross Settlement Amount”) to fund the settlement of the Actions. The Gross Settlement Amount includes all payments of Individual Class Payments to Class Members, the Administration Expenses Payment, the Class Representatives’ Service Payments, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, and the PAGA Penalties for civil penalties. Any employer-side payroll taxes on the portion of the Individual Class Payments allocated to wages shall be separately paid by Defendant.

Within twenty-one (21) days of the Effective Date, Defendant will fund the Gross Settlement Amount by depositing the money with the Administrator. The “Effective Date” means the date by when both of the following have occurred (a) the Court enters a Judgment on its Final Approval Order; and (b) the Judgment is final. The Judgment is final as of the latest of the following occurrences: (a) if no Participating Class Member objects to the Settlement, the day the Court enters the Judgment; (b) if one or more Participating Class Members objects to the Settlement, the day after the deadline for filing a notice of appeal from the Judgment; or (c) if a timely appeal from the Judgment is filed, the day after the appellate court affirms the Judgment and issues a remittitur. Ten (10) days after the settlement is funded, the Administrator will mail checks for the Individual Class Payments to Participating Class Members and Individual PAGA Payments to Aggrieved Employees.

Court Approved Deductions from Gross Settlement Amount. The proposed payments, subject to Court approval, will be deducted from the Gross Settlement Amount before payments of Individual Class Payments are made to Participating Class Members and Individual PAGA Payments are made to Aggrieved Employees. At the Final Approval Hearing, Plaintiffs and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement Amount, the amounts of which will be decided by the Court at the Final Approval Hearing:

- Administration Expenses Payment. Payment to the Administrator, estimated not to exceed \$8,000, for expenses, including without limitation, expenses of notifying the Class Members and Aggrieved Employees of the Settlement, processing opt outs, distributing settlement funds and tax forms, and handling inquiries and uncashed checks.
- Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment. Payment to Class Counsel of reasonable attorneys’ fees not to exceed one-third (1/3) of the Gross Settlement Amount, which is presently \$200,000, and an additional amount to reimburse actual litigation costs incurred by Class Counsel not to exceed \$30,000. Class

Counsel has been prosecuting the Actions on behalf of Plaintiffs and the Class and Aggrieved Employees on a contingency fee basis (that is, without being paid any money) and has been paying all litigation costs and expenses.

- Class Representatives' Service Payments. Class Representatives' Service Payments in the aggregate amount not to exceed Twenty Thousand Dollars (\$20,000). \$10,000 to each Plaintiff or such lesser amount as may be approved by the Court, to compensate them for services on behalf of the Class in initiating and prosecuting the Actions, and for the risks he undertook.
- PAGA Penalties. A PAGA Penalties payment of \$25,000 to resolve the claim for civil penalties under PAGA, \$18,750 of which will be paid to the LWDA. The remaining \$6,250 will be distributed to the Aggrieved Employees based on their respective Pay Periods worked during the PAGA Period. All Aggrieved Employees will be sent their Individual PAGA Payment and be subject to the release of the Released PAGA Claims as set forth below, whether or not they opt out of the class portion of the Settlement.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

Calculation of Individual Class Payments to Participating Class Members. After all of the payments of the court-approved Class Representatives' Service Payments, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, the PAGA Penalties, and the Administration Expenses Payment are deducted from the Gross Settlement Amount, the remaining portion, called the "Net Settlement Amount", shall be distributed as Individual Class Payments to Participating Class Members (meaning those Class Members who do not opt out or exclude themselves from the Class). The Net Settlement Amount is estimated to be at least **\$317,000.00**. The Administrator will pay an Individual Class Payment from the Net Settlement Amount to each Participating Class Member. The Individual Class Payment for each Participating Class Member will be calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's total number of Workweeks. "Workweek" means any week during which a Class Member worked for Defendant for at least one day during the Class Period. The number of Workweeks will be based on Defendant's records, however, Class Members may challenge the number of Workweeks as explained below. Your estimated Individual Class Payment is set forth in Section 5 below.

Calculation of Individual PAGA Payments to Aggrieved Employees: The Individual PAGA Payment for each Aggrieved Employee will be calculated by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$6,250) by the total number of Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's total number of Pay Periods. "Pay Period" means any pay period during which an Aggrieved Employee worked for Defendant for at least one day during the PAGA Period. The number of Pay Periods will be based on Defendant's records, however, Aggrieved Employees have the right to challenge the number of Pay Periods worked as explained below. Your estimated Individual PAGA Payment is set forth in Section 5 below. You will receive your Individual PAGA Payment (if any) even if you opt out or exclude yourself from the Class.

Tax Matters. Thirty-three percent (33%) of each Individual Class Payment is in settlement of wage claims which are subject to wage withholdings and will be reported on IRS Form W-2. Sixty-seven percent (67%) of each Individual Class Payment is in settlement of claims as non-wages, expense reimbursement, interest, and penalties, which are not subject to wage withholdings and will be reported on IRS Form 1099. Your Individual PAGA Payment (if any) is also not subject to wage withholdings and will be reported on IRS Form 1099. The employee portion of all applicable income and payroll taxes will be the responsibility of the Participating Class Members and Aggrieved Employees. Neither Class Counsel nor Defendant's Counsel intend anything contained in this Notice to constitute advice regarding taxes or taxability. Your tax issues are unique to you, and you may want to consult a tax advisor concerning the tax consequences of the payments received under the Settlement.

Conditions of Settlement. This Settlement is conditioned upon the Court entering an order granting final approval of the Settlement and entering judgment.

If the Settlement is approved by the Court and you do not exclude yourself, you will automatically be mailed a check for your Individual Class Payment to the same address as this Class Notice. You do not have to do anything to receive

a payment. If your address has changed, you must contact the Administrator to inform them of your correct address to ensure you receive your payment.

4. What Do I Release Under the Settlement?

Released Class Claims. Effective on the date when Defendant fully fund the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Participating Class Members release the Released Parties from the Released Class Claims. The “Released Class Claims” are all claims that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and ascertained in the course of the Actions during the Class Period, including, but not limited to, any and all claims for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay wages during employment; (6) failure to timely pay final wages at termination; (7) failure to provide accurate itemized wage statements; (8) failure to indemnify employees for expenditures; and (9) violation of California’s Unfair Competition Law, California Business and Professions Code §§ 17200, *et seq.* Except for the Released PAGA Claims, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers’ compensation, or claims based on facts occurring outside the Class Period.

This means that, if you do not timely and formally exclude yourself from the Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant or any other Released Party about the Released Class Claims resolved by this Settlement. It also means that all of the Court’s orders in the Actions will apply to you and legally bind you.

Released PAGA Claims. Effective on the date when Defendant fully fund the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Aggrieved Employees release the Released Parties from the Released PAGA Claims. The “Released PAGA Claims” are all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and the PAGA Notices and ascertained in the course of the Actions during the PAGA Period, including, but not limited to, any and all claims for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay wages during employment; (6) failure to timely pay final wages at termination; (7) failure to provide accurate itemized wage statements; (8) failure to keep complete and accurate payroll records; and (9) failure to indemnify employees for expenditures

Released Parties. 5. How much will my payment be?

Your Individual Class Payment: Defendant’s records reflect that you have «**Class_Workweeks**» Workweeks during the Class Period (July 25, 2019 to October 26, 2024). **Based on this information, your estimated Individual Class Payment is \$«Est_Individual_Class_Payment»,** minus applicable withholdings and deductions.

Your Individual PAGA Payment: Defendant’s records reflect that you have «**PAGA_Pay_Periods_**» Pay Periods during the PAGA Period (July 24, 2022 to October 26, 2024). **Based on this information, your estimated Individual PAGA Payment is \$«Est_Individual_PAGA_Payment».**

Your Individual Class Payment and Individual PAGA Payment may be paid together in a single check, at the discretion of the Administrator.

If you wish to challenge the information set forth above, then you must submit a written, signed dispute challenging the information along with supporting documents, to the Administrator at the address and/or email address provided in this Class Notice no later than the Response Deadline, which is **September 25, 2025**. Any dispute should include credible written evidence and will be resolved by the Administrator.

6. How can I get a payment?

To get money from the settlement, you do not have to do anything. A check for your share of the Settlement will be mailed automatically to the same address as this Class Notice. If your address is incorrect or has changed, you must notify the Administrator. The Administrator is: ILYM Group, Inc. and can be reached at **claims@ilymgroup.com** or **(888)250-6810**.

The Court will hold a Final Approval Hearing on November 7, 2025, at 9:30 a.m. to decide whether to approve the Settlement. Please note the hearing could be rescheduled by the Court without further notice to you. If the Court approves the Settlement and there are no objections or appeals, the settlement payments will be mailed approximately one month after this hearing. If there are objections or appeals the payments will be delayed because resolving them can take time, usually more than a year. Please be patient.

Your settlement check must be cashed within 180 days after it is mailed. If your check is lost or misplaced, you should contact the Administrator immediately by phone to request a replacement **(888) 250-6810**. For any Participating Class Member and/or Aggrieved Employee whose Individual Class Payment check and/or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to the Legal Aid at Work. The Parties have selected Legal Aid at Work as the *cy pres* recipient.

7. What if I don't want to be a part of the Class Settlement?

If you do not wish to participate in the Class Settlement, you may exclude yourself from the Class or “opt out.” **If you opt out, you will NOT receive your Individual Class Payment and you will not be bound by the release of Released Class Claims.** However, Aggrieved Employees who opt out of the Class will still be paid their Individual PAGA Payment and will remain subject to the release of the Released PAGA Claims, regardless of their request for exclusion from the Class.

To opt out of the Class Settlement, you must mail or email to the Administrator, a written, signed Request for Exclusion postmarked or emailed no later than the Response Deadline which is **September 25, 2025**. A Request for Exclusion is a letter from a Class Member or the Class Member's representative that reasonably communicates the Class Member's election to be excluded from the Class Settlement and includes the Class Member's full name, mailing address, telephone number, and last four digits of the Class Member's Social Security number. You must make the request yourself. If someone else makes the request for you other than your representative, it will not be valid.

Absent good cause found by the Court, written Requests for Exclusion that are postmarked or emailed after **September 25, 2025**, or are incomplete or unsigned will be rejected, and those Class Members will remain bound by the Settlement and the release described above.

8. How do I tell the Court that I don't agree with the Class Settlement?

Any Class Member who has not opted out and believes that the Class Settlement should not be finally approved by the Court for any reason may object to the proposed Settlement, the attorneys' fees, the costs and/or the service awards, either in writing or in person. Objections that are in writing should include the Class Member's full name, mailing address, telephone number, last four digits of the Class Member's Social Security number, and describe why you object to the Class Settlement. All written objections or other correspondence should also state the name and number of the case, which is *Alma and Jose Lopez v. METALfx*, in the Superior Court of the State of California, County of Mendocino, Case No. 23CV0673.

All written objections must be mailed or emailed to the Administrator no later than the Response Deadline, which is **September 25, 2025**.

Alternatively, Participating Class Members may appear at the Final Approval Hearing on November 7, 2025, at 9:30 a.m. to make an oral objection without submitting a written objection. At this time, all hearings will be held remotely. The hearing may also be rescheduled by the Court without further notice to you. If you need assistance, you may contact Class Counsel.

To object to the Class Settlement, you must not opt out, and if the Court approves the Settlement despite your objection, you will be bound by the terms of the Settlement in the same way as Class Members who do not object and you will still be mailed a check for your Individual Class Payment. Absent good cause found by the Court, any Class Member who does not

object in the manner provided in this Class Notice shall have waived any objection to the Settlement, whether by appeal or otherwise.

9. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Approval Hearing at 9:30 a.m. on November 7, 2025, in Department E of the Superior Court of California, County of Mendocino, located at 100 N. State Street, Ukiah, California 95482, before Judge Ann Moorman. While the Court determined at preliminary approval that there is sufficient evidence to suggest the proposed Settlement is fair, adequate, and reasonable, the Court will make a final determination on these issues at the Final Approval Hearing. The purpose of this hearing is for the Court to determine whether to grant final approval to the Settlement and to approve the amount of attorneys' fees, costs and service awards to be awarded. If there are objections, the Court will consider them. This hearing may be rescheduled by the Court without further notice to you. **You are not required to attend** the Final Approval Hearing, although any Class Member is welcome to attend the hearing.

**AVISO APROBADO POR EL TRIBUNAL SOBRE LA CONCILIACIÓN DE LA DEMANDA COLECTIVA
Y FECHA DE LA AUDIENCIA PARA SU APROBACIÓN DEFINITIVA POR PARTE DEL TRIBUNAL**

***Alma Lopez v. Advanced Manufacturing and Development, Inc. dba METALfx,,
Tribunal Superior del Condado de Mendocino, caso número 23CV00673***

***Jose Refugio Lopez Acevedo v. Advanced Manufacturing and Development, Inc.
Tribunal Superior del Condado de Mendocino, caso número 23CV00822***

El Tribunal Superior del Estado de California autorizó este Aviso. ¡Léalo con atención!

No es correo basura, ni spam, ni un anuncio, ni una oferta de un abogado. Usted no está siendo demandado.

**SUS DERECHOS LEGALES PUEDEN VERSE AFECTADOS INDEPENDIENTEMENTE DE QUE ACTÚE
O NO. LE ROGAMOS QUE LEA ATENTAMENTE ESTE AVISO DE DEMANDA COLECTIVA.**

Usted puede ser elegible para recibir dinero de las demandas colectivas de empleados tituladas *Alma Lopez v. Advanced Manufacturing and Development, Inc. dba METALfx*, Tribunal Superior del Condado de Mendocino, Caso n.º 23CV00673 y *Jose Refugio Lopez Acevedo v. Advanced Manufacturing and Development, Inc.*, Tribunal Superior del Condado de Mendocino, Caso n.º 23CV00822 (conjuntamente, las “Demandas”) contra el Demandado Advanced Manufacturing and Development, Inc. dba METALfx (“Demandado”) por supuestas infracciones en materia de salarios y horas de trabajo. Las Demandas fueron interpuestas por los Demandantes Alma López y José Refugio López Acevedo (conjuntamente, los “Demandantes”) y en ellas se solicita el pago de (1) salarios y otras compensaciones en nombre de todos los empleados actuales y ex empleados pagados por hora y/o no exentos que trabajaron para el Demandado en el Estado de California en cualquier momento durante el Período de la Demanda Colectiva, pero excluyendo a aquellos que firmaron acuerdos de arbitraje (“Demanda Colectiva” o “Miembros de la Demanda Colectiva”); y (2) sanciones en virtud de la Ley de Abogados Generales Privados de California (“PAGA”) para todos los empleados actuales y ex empleados pagados por hora y/o no exentos que trabajaron para el Demandado en el Estado de California en cualquier momento durante el Período de PAGA (“Empleados Perjudicados”). El “Período de la Demanda Colectiva” es el comprendido entre el 25 de julio de 2019 y el 26 de octubre de 2024. El “Período de PAGA” es el período comprendido entre el 24 de julio de 2022 y el 26 de octubre de 2024.

La Conciliación propuesta consta de dos partes principales: (1) una Conciliación de la Demanda Colectiva que exija al Demandado financiar los Pagos Individuales de la Demanda Colectiva a los Miembros de la Demanda Colectiva, y (2) una Conciliación de PAGA que exija al Demandado financiar las Sanciones de PAGA para pagar sanciones a la Agencia de Trabajo y Desarrollo de la Fuerza Laboral de California (“LWDA”, por sus siglas en inglés) y a los Empleados Perjudicados.

Según los registros del Demandado y las suposiciones actuales de las Partes, **su Pago Individual de Demanda Colectiva se estima en \$«Est_Individual_Class_Payment» (menos las retenciones), y su Pago Individual de PAGA se estima en \$«Est_Individual_PAGA_Payment»**. El monto real que usted pueda recibir probablemente será diferente y dependerá de una serie de factores. (Si no se indica ningún monto para su Pago Individual de la Demanda Colectiva o Pago Individual de PAGA, entonces, según los registros del Demandado, usted no es elegible para un Pago Individual de la Demanda Colectiva o Pago Individual de PAGA en virtud de la Conciliación porque no trabajó durante el Período de PAGA o no es un Miembro de la Demanda Colectiva válido).

Las estimaciones anteriores se basan en los registros del Demandado que reflejan que **usted trabajó «Class_Workweeks» Semanas Laborales** durante el Período de la Demanda Colectiva y **usted trabajó «PAGA_Pay_Periods_» Períodos de Pago** durante el Período de PAGA. Si cree que trabajó más Semanas Laborales y/o Períodos de Pago durante cualquiera de los dos períodos, puede presentar una impugnación antes de la fecha límite. Consulte la Sección 5 de este Aviso de Demanda Colectiva a continuación.

El Tribunal ya ha aprobado preliminarmente la Conciliación propuesta y ha aprobado este Aviso de Demanda Colectiva. El Tribunal aún no ha decidido si lo aprobará definitivamente. Sus derechos legales se verán afectados independientemente de

que actúe o no. Lea atentamente este Aviso de Demanda Colectiva. Se considerará que lo ha leído con atención y que lo ha comprendido. En la Audiencia de Aprobación Definitiva, el Tribunal decidirá si aprueba definitivamente la Conciliación y qué parte de la Conciliación se pagará a los Demandantes y a los abogados de los Demandantes (“Abogados de la Demanda Colectiva”). El Tribunal también decidirá si dicta una sentencia que obligue al Demandado a realizar pagos en virtud de la Conciliación y, a cambio, exija a los Miembros de la Demanda Colectiva y a los Empleados Perjudicados a renunciar a sus derechos a formular determinadas reclamaciones contra el Demandado.

Si trabajó para el Demandado durante el Período de la Demanda Colectiva y/o el Período de PAGA, tiene dos opciones básicas en virtud de la Conciliación:

- (3) **No hacer nada.** No tiene que hacer nada para participar en la Conciliación propuesta y ser elegible para un Pago Individual de la Demanda Colectiva y/o un Pago Individual de PAGA. Sin embargo, como Miembro Participante de la Demanda Colectiva, renunciará a su derecho de presentar Reclamaciones Exoneradas de la Demanda Colectiva contra el Demandado, y como Empleado Perjudicado, renunciará a su derecho de presentar Reclamaciones Exoneradas de PAGA contra el Demandado, como se describe más adelante en la Sección 4.
- (4) **Excluirse de la Conciliación de la Demanda Colectiva.** Puede excluirse de la Demanda Colectiva presentando una Solicitud de Exclusión por escrito o notificándolo de otro modo al Administrador por escrito. Si se excluye de la Conciliación de la Demanda Colectiva, no recibirá un Pago Individual de la Demanda Colectiva; sin embargo, conservará su derecho a presentar personalmente las Reclamaciones Exoneradas de la Demanda Colectiva contra el Demandado. Si usted es un Empleados Perjudicados, sigue siendo elegible para un Pago Individual de PAGA. No puede excluirse de la parte PAGA de la Conciliación propuesta.

El Demandado no tomará represalias contra usted por ninguna acción que tome con respecto a la Conciliación propuesta.

RESUMEN DE SUS DERECHOS Y OPCIONES LEGALES EN ESTA CONCILIACIÓN:

Una vez excluido, será un Miembro No Participante de la Demanda Colectiva y ya no será elegible para un Pago Individual de la Demanda Colectiva. Los Miembros No Participantes de la Demanda Colectiva no pueden objetar ninguna parte de la Conciliación propuesta. Consulte la Sección 7 de este Aviso de Demanda Colectiva. Sin embargo, no puede excluirse de la parte PAGA de la Conciliación propuesta. Si usted es un Empleado Perjudicado y se excluye, igualmente se le pagará su Pago Individual de PAGA y seguirá sujeto a la exoneración de las Reclamaciones Exoneradas de PAGA, independientemente de si presenta o no una Solicitud de Exclusión.

Puede objetar a los montos solicitados por los Abogados de la Demanda Colectiva o los Demandantes si considera que no son razonables. Consulte la Sección 8 de este Aviso de Demanda Colectiva.
Puede participar en la Audiencia de Aprobación Definitiva	El Tribunal celebrará una Audiencia de Aprobación Definitiva a las 9:30 a.m. del <u>7 de noviembre de 2025</u> en el Tribunal Superior del Condado de Mendocino, sito en 100 N. State Street, Ukiah, California, en el Departamento E ante la Jueza Ann Moorman. Puede que el Tribunal cambie la fecha de la audiencia sin previo aviso para usted. Los Miembros Participantes de la Demanda Colectiva pueden objetar verbalmente a la Conciliación de la Demanda Colectiva en la Audiencia de Aprobación Definitiva. Consulte la Sección 9 de este Aviso de Demanda Colectiva.
Puede impugnar el cálculo de sus Semanas Laborales/Períodos de Pago Las impugnaciones por escrito deben presentarse antes de la fecha límite de respuesta (<u>25 de septiembre de 2025</u>)	El monto de su Pago Individual de la Demanda Colectiva y de su Pago Individual de PAGA (si lo hubiere) depende de cuántas Semanas Laborales trabajó al menos un día durante el Período de la Demanda Colectiva y cuántos Períodos de Pago trabajó al menos un día durante el Período de PAGA, respectivamente. El número de Semanas Laborales y el número de Períodos de Pago que usted trabajó según los registros del Demandado figuran en la primera página de este Aviso. Si no está de acuerdo con alguna de estas cifras, debe impugnarla antes de la fecha límite de respuesta. Consulte la Sección 4 de este Aviso.

1. ¿Por qué he recibido este Aviso?

Los Demandantes y el Demandado (las “Partes”) han llegado a una propuesta de Conciliación de la Demanda Colectiva y de PAGA (la “Conciliación”) de las demandas mencionadas anteriormente, que están pendientes en el Tribunal Superior del Estado de California, Condado de Mendocino (el “Tribunal”), y el Tribunal la ha aprobado preliminarmente. Usted podría tener derecho a recibir dinero de esta Conciliación.

Usted ha recibido este Aviso de Demanda Colectiva porque se le ha identificado como miembro de la Demanda Colectiva y/o Empleado Perjudicado.

2. ¿De qué tratan estas demandas colectivas?

El 25 de julio de 2023, la Demandante Alma López inició una demanda colectiva por salarios y horas presentando una querella con alegaciones de causales de demanda contra el Demandado ante el Tribunal Superior del Estado de California, Condado de Mendocino, Caso N.º 23CV00673. La querella de la demanda colectiva de la Demandante Alma López alega infracciones al Código Laboral y al Código de Negocios y Profesiones de California por: (1) horas extraordinarias no remuneradas; (2) salarios mínimos no pagados; (3) primas por períodos de comida no pagadas; (4) primas por períodos de descanso no pagadas; (5) incumplimiento en la entrega de declaraciones salariales exactas; (6) salarios finales no pagados a su debido tiempo; (7) incumplimiento en el reembolso de los gastos comerciales necesarios; y (8) infracción de la Ley de Competencia Desleal de California, secciones 17200 y siguientes del Código de Negocios y Profesiones de California. El 28 de septiembre de 2023, la Demandante Alma López modificó su querella para añadir causales por salarios no pagados oportunamente durante el empleo y sanciones civiles en virtud de la ley PAGA.

El 31 de agosto de 2023, el Demandante José Refugio López Acevedo inició una demanda colectiva por salarios y horas presentando una querella con alegaciones de causales de demanda contra el Demandado ante el Tribunal Superior del Estado de California, Condado de Mendocino, Caso N.º 23CV00822. La demanda colectiva del Demandante José López alega infracciones al Código Laboral y al Código de Negocios y Profesiones de California por: (1) incumplimiento del pago del salario mínimo y del salario por horas ordinarias; (2) incumplimiento del pago de las horas extraordinarias; (3) incumplimiento de la obligación de proporcionar períodos de comida; (4) incumplimiento de la obligación de autorizar y permitir períodos de descanso; (5) incumplimiento del pago oportuno de los salarios finales al término de la relación laboral; (6) incumplimiento de la obligación de proporcionar declaraciones salariales desglosadas exactas; (7) incumplimiento de la obligación de indemnizar a los empleados por los gastos; e (8) infracción de la Ley de Competencia Desleal de California, sección 17200 y siguientes del Código de Negocios y Profesiones de California.

El día 25 de mayo de 2025, los Demandantes interpusieron una querella modificada en el caso n.º 23CV00673 (la “Querella Operativa”).

El Demandado niega y refuta todas esas reclamaciones. En concreto, el Demandado sostiene que los Demandantes y los Miembros de la Demanda Colectiva fueron debidamente compensados por todos los salarios conforme a la ley de California; que se proporcionó a los Demandantes y a los Miembros de la Demanda Colectiva períodos de comida y descanso de conformidad con la ley de California; que el Demandado no incumplió la obligación de reembolsar los gastos requeridos; que el Demandado no incumplió la obligación de pagar oportunamente a los Demandantes o a cualquier Miembro de la Demanda Colectiva los salarios que se alegan como adeudados al término de su relación laboral; el Demandado cumplió con los requisitos sobre declaraciones salariales de California; el Demandado no incurrió en prácticas comerciales ilegales o desleales; el Demandado no es responsable de ninguna de las sanciones reclamadas o que podrían reclamarse en las Demandas; y las Demandas no pueden mantenerse como una demanda colectiva ni como una demanda de PAGA.

El Tribunal aprobó preliminarmente la Conciliación el 11 de julio de 2025. En ese momento, el Tribunal también aprobó preliminarmente a los Demandantes para actuar como Representantes de la Demanda Colectiva, y a los bufetes Blackstone Law, APC y Wilshire Law Firm, PLC para actuar como Abogados de la Demanda Colectiva.

El Tribunal no se ha pronunciado sobre el fondo de las reclamaciones de los Demandantes. Sin embargo, para evitar gastos adicionales, inconvenientes e interferencias en las operaciones comerciales del Demandado, las Partes concluyeron que lo mejor para sus intereses y los de la Demanda Colectiva es resolver las Demandas ahora, en los términos resumidos en este Aviso de Demanda Colectiva. La Conciliación se alcanzó tras una mediación y negociaciones en condiciones de igualdad entre las Partes. Los Demandantes y los Abogados de la Demanda Colectiva consideran que la conciliación es lo mejor para todos los Miembros de la Demanda Colectiva.

En consecuencia, la Conciliación constituye un compromiso sobre las reclamaciones en litigio y no debe interpretarse como una admisión de responsabilidad por parte del Demandado, quien niega expresamente toda responsabilidad.

3. ¿Cuáles son los términos de la Conciliación?

Monto Bruto de la Conciliación. El Demandado ha acordado pagar un monto global de seiscientos mil dólares (600,000 USD) (el “Monto Bruto de la Conciliación”) para financiar la conciliación de las Demandas. El Monto Bruto de la

Conciliación incluye todos los pagos de los Pagos Individuales de la Demanda Colectiva a los Miembros de la Demanda Colectiva, el Pago de los Gastos Administrativos, los Pagos por los Servicios de los Representantes de la Demanda Colectiva, el Pago de los Honorarios de los Abogados de la Demanda Colectiva, el Pago de los Gastos de Litigio de los Abogados de la Demanda Colectiva y las Sanciones de PAGA por sanciones civiles. El Demandado pagará por separado cualquier impuesto sobre la nómina del empleador sobre la parte de los Pagos Individuales de la Demanda Colectiva asignada a los salarios.

Dentro de los veintiún (21) días siguientes a la Fecha de Entrada en Vigor, el Demandado financiará el Monto Bruto de la Conciliación depositando el dinero con el Administrador. La “Fecha de Entrada en Vigor” se refiere a la fecha en la que se hayan producido las dos circunstancias siguientes (a) el Tribunal dicte sentencia sobre su Orden de Aprobación Definitiva; y (b) la sentencia sea firme. La sentencia será firme en la fecha en que se produzca la última de las siguientes circunstancias: (a) si ningún Miembro Participante de la Demanda Colectiva objeta la Conciliación, el día en que el Tribunal dicte la Sentencia; (b) si uno o más Miembros Participantes de la Demanda Colectiva objetan la Conciliación, el día siguiente a la fecha límite para presentar un aviso de apelación de la Sentencia; o (c) si se presenta una apelación oportuna de la Sentencia, el día siguiente a que el tribunal de apelación confirme la Sentencia y emita una remisión. Diez (10) días después de que se financie la conciliación, el Administrador enviará por correo los cheques para los Pagos Individuales de la Demanda Colectiva a los Miembros Participantes de la Demanda Colectiva y los Pagos Individuales de PAGA a los Empleados Perjudicados.

Deducciones aprobadas por el tribunal del Monto Bruto de la Conciliación. Los pagos propuestos, sujetos a la aprobación del Tribunal, se deducirán del Monto Bruto de la Conciliación antes de que se realicen los Pagos Individuales de la Demanda Colectiva a los Miembros Participantes de la Demanda Colectiva y los Pagos Individuales de PAGA a los Empleados Perjudicados. En la Audiencia de Aprobación Definitiva, los Demandantes y/o los Abogados de la Demanda Colectiva solicitarán al Tribunal que apruebe las siguientes deducciones del Monto Bruto de la Conciliación, los montos de las cuales serán decididos por el Tribunal en la Audiencia de Aprobación Definitiva:

- Pago de gastos administrativos. Pago al Administrador, que se estima que no será superior a 8,000 USD, por gastos, incluyendo, sin limitación, los gastos de notificar a los Miembros de la Demanda Colectiva y a los Empleados Perjudicados de la Conciliación, procesar las exclusiones, distribuir los fondos de la conciliación y los formularios de impuestos, y gestionar las consultas y los cheques no cobrados.
- Pago de los honorarios de los Abogados de la Demanda Colectiva y pago de los gastos del litigio de los Abogados de la Demanda Colectiva. Pago a los Abogados de la Demanda Colectiva de honorarios razonables que no superen un tercio (1/3) del Monto Bruto de la Conciliación, que actualmente es de 200,000 USD, y un monto adicional para reembolsar los costos reales del litigio en que hayan incurrido los Abogados de la Demanda Colectiva, que no será superior a 30,000 USD. Los Abogados de la Demanda Colectiva han estado tramitando las Demandas en nombre de los Demandantes, la Demanda Colectiva y los Empleados Perjudicados sobre la base de honorarios contingentes (es decir, sin recibir ningún pago) y han estado pagando todos los costos y gastos del litigio.
- Pagos por servicios a los representantes de la Demanda Colectiva. Pagos por servicios a los representantes de la Demanda Colectiva por un monto total que no superará los veinte mil dólares (20,000 USD). De ellos, 10,000 USD a cada Demandante o el monto menor que apruebe el Tribunal, en compensación por los servicios prestados en nombre de la Demanda Colectiva al iniciar y tramitar las Demandas, y por los riesgos que asumieron.
- Sanciones de PAGA. Un pago de las sanciones de PAGA de 25,000 USD para resolver la reclamación por sanciones civiles en virtud de la PAGA, de los cuales 18,750 USD se pagarán a la LWDA. Los 6,250 USD restantes se distribuirán a los Empleados Perjudicados en función de sus respectivos Períodos de Pago trabajados durante el Período de PAGA. Todos los Empleados Perjudicados recibirán su Pago Individual de PAGA y estarán sujetos a la exoneración de las Reclamaciones Exoneradas de PAGA según se establece a continuación, independientemente de que se excluyan o no de la parte de la Conciliación correspondiente a la demanda colectiva.

Los Miembros Participantes de la Demanda Colectiva tienen derecho a objetar cualquiera de estas deducciones. El Tribunal considerará todas las objeciones.

Cálculo de los Pagos Individuales de la Demanda Colectiva a los Miembros Participantes de la Demanda Colectiva. Una vez que todos los pagos de los Pagos por Servicios de los Representantes de la Demanda Colectiva aprobados por el tribunal, los Honorarios de los Abogados de la Demanda Colectiva, los Gastos de Litigio de los Abogados de la Demanda Colectiva, las Sanciones de PAGA y los Gastos Administrativos se deduzcan del Monto Bruto de la Conciliación, la parte restante, denominada “Monto Neto de la Conciliación”, se distribuirá como Pagos Individuales de la Demanda Colectiva a los Miembros Participantes de la Demanda Colectiva (es decir, aquellos Miembros de la Demanda Colectiva que no se excluyan de la Demanda Colectiva). Se estima que el Monto Neto de la Conciliación será de al menos **317,000.00 USD**. El Administrador pagará un Pago Individual de la Demanda Colectiva del Monto Neto de la Conciliación a cada Miembro Participante de la Demanda Colectiva. El Pago Individual de la Demanda Colectiva para cada Miembro Participante de la Demanda Colectiva se calculará de la siguiente manera (a) dividiendo el Monto Neto de la Conciliación entre el número total de Semanas Laborales trabajadas por todos los Miembros Participantes de la Demanda Colectiva durante el Período de la Demanda Colectiva y (b) multiplicando el resultado por el número total de Semanas Laborales de cada Miembro Participante de la Demanda Colectiva. “Semana Laboral” significa cualquier semana durante la cual un Miembro de la Demanda Colectiva trabajó para el Demandado durante al menos un día durante el Período de la Demanda Colectiva. El número de Semanas Laborales se basará en los registros del Demandado; sin embargo, los Miembros de la Demanda Colectiva pueden impugnar el número de Semanas Laborales como se explica a continuación. Su Pago Individual de la Demanda Colectiva estimado figura en la Sección 5 a continuación.

Cálculo de los Pagos Individuales de PAGA a los Empleados Perjudicados: El Pago Individual de PAGA para cada Empleado Perjudicado se calculará de la siguiente manera (a) dividiendo el monto del 25 % de las sanciones de PAGA que corresponde a los Empleados Perjudicados (6,250 USD) entre el número total de Períodos de Paga trabajados por todos los Empleados Perjudicados durante el Período de PAGA y (b) multiplicando el resultado por el número total de Períodos de Pago de cada Empleado Perjudicado. “Período de Pago” significa cualquier período de pago durante el cual un Empleado Perjudicado trabajó para el Demandado durante al menos un día durante el Período de PAGA. El número de Períodos de Pago se basará en los registros del Demandado; sin embargo, los Empleados Perjudicados tienen derecho a impugnar el número de Períodos de Pago trabajados, tal y como se explica a continuación. Su Pago Individual de PAGA estimado figura en la Sección 5 a continuación. Usted recibirá su Pago Individual de PAGA (si lo hubiera) incluso si se excluye de la Demanda Colectiva.

Cuestiones fiscales. El treinta y tres por ciento (33 %) de cada Pago Individual de la Demanda Colectiva es en concepto de conciliación de reclamaciones salariales que están sujetas a retenciones salariales y se declararán en el formulario W-2 del IRS. El sesenta y siete por ciento (67 %) de cada Pago Individual de la Demanda Colectiva es en concepto de conciliación de reclamaciones por conceptos no salariales, reembolso de gastos, intereses y sanciones, que no están sujetos a retenciones salariales y se declararán en el formulario 1099 del IRS. Su Pago Individual de PAGA (si lo hubiera) tampoco está sujeto a retenciones salariales y se declarará en el formulario 1099 del IRS. La parte correspondiente al empleado de todos los impuestos sobre la renta y la nómina aplicables será responsabilidad de los Miembros Participantes de la Demanda Colectiva y los Empleados Perjudicados. Ni los Abogados de la Demanda Colectiva ni los Abogados del Demandado pretenden que nada de lo contenido en este Aviso constituya ningún tipo de asesoramiento en materia de impuestos o tributación. Su situación fiscal es única, por lo que es posible que deba consultar a un asesor fiscal sobre las consecuencias fiscales de los pagos recibidos en virtud de la Conciliación.

Condiciones de la Conciliación. La Conciliación está condicionada a que el Tribunal dicte una orden que apruebe definitivamente la Conciliación y dicte sentencia.

Si el Tribunal aprueba la Conciliación y usted no se excluye, automáticamente se le enviará por correo un cheque con su Pago Individual de la Demanda Colectiva a la misma dirección que figura en este Aviso de Demanda Colectiva. No tiene que hacer nada para recibir un pago. Si ha cambiado de dirección, debe ponerse en contacto con el Administrador para informarle de su dirección correcta y así garantizar la recepción de su pago.

4. ¿Qué exoneración en virtud de la Conciliación?

Reclamaciones Exoneradas de la Demanda Colectiva. A partir de la fecha en que el Demandado financie íntegramente el Monto Bruto de la Conciliación y pague todos los impuestos sobre la nómina del empleador adeudados sobre la Parte Salarial de los Pagos Individuales de la Demanda Colectiva, todos los Miembros Participantes de la Demanda Colectiva exonerarán a las Partes Exoneradas de las Reclamaciones Exoneradas de la Demanda Colectiva. Las “Reclamaciones Exoneradas de la

Demanda Colectiva” son todas las reclamaciones que se alegaron, o que razonablemente podrían haberse alegado, basándose en los hechos expuestos en la Querella Operativa y determinados en el curso de las Demandas durante el Período de la Demanda Colectiva, incluyendo, sin limitación, todas y cada una de las reclamaciones por: (1) incumplimiento del pago del salario mínimo y del salario por horas ordinarias; (2) incumplimiento del pago de las horas extraordinarias; (3) incumplimiento de la obligación de proporcionar períodos de comida; (4) incumplimiento de la obligación de autorizar y permitir períodos de descanso; (5) incumplimiento del pago puntual de los salarios durante el empleo; (6) incumplimiento del pago puntual de los salarios finales al término del empleo; (7) incumplimiento de la obligación de proporcionar declaraciones salariales exactas y desglosadas; (8) incumplimiento de la obligación de indemnizar a los empleados por los gastos; e (9) infracción de la Ley de Competencia Desleal de California, sección 17200 y siguientes del Código de Negocios y Profesiones de California. A excepción de las Reclamaciones Exoneradas de PAGA, los Miembros Participantes de la Demanda Colectiva no exoneran ninguna otra reclamación, incluidas las reclamaciones por beneficios adquiridos, despido improcedente, infracción de la Ley de Igualdad en el Empleo y la Vivienda, seguro de desempleo, discapacidad, seguridad social, indemnización por accidentes de trabajo o reclamaciones basadas en hechos ocurridos fuera del Período de la Demanda Colectiva.

Esto significa que, si usted no se excluye de manera oportuna y formal de la Conciliación, no podrá demandar, continuar demandando ni ser parte de ninguna otra demanda contra el Demandado o cualquier otra Parte Exonerada en relación con las Reclamaciones Exoneradas de la Demanda Colectiva resueltas por esta Conciliación. También significa que todas las órdenes del Tribunal en las Demandas se aplicarán a usted y serán legalmente vinculantes para usted.

Reclamaciones Exoneradas de PAGA. A partir de la fecha en que el Demandado financie íntegramente el Monto Bruto de la Conciliación y pague todos los impuestos sobre la nómina adeudados por el empleador sobre la Parte Salarial de los Pagos Individuales de la Demanda Colectiva, todos los Empleados Perjudicados exonerarán a las Partes Exoneradas de las Reclamaciones Exoneradas de PAGA. Las “Reclamaciones Exoneradas de PAGA” son todas las reclamaciones por sanciones de PAGA que se alegaron, o que razonablemente podrían haberse alegado, basándose en los hechos expuestos en la Querella Operativa y en los Avisos de PAGA y que se determinaron en el curso de las Demandas durante el Período de PAGA, incluyendo, entre otras, todas y cada una de las reclamaciones por: (1) incumplimiento del pago del salario mínimo y del salario por horas ordinarias; (2) incumplimiento del pago de las horas extraordinarias; (3) incumplimiento de la obligación de proporcionar períodos de comida; (4) incumplimiento de la obligación de autorizar y permitir períodos de descanso; (5) incumplimiento del pago puntual de los salarios durante el empleo; (6) incumplimiento del pago puntual de los salarios finales al término del empleo; (7) incumplimiento de la obligación de proporcionar declaraciones salariales exactas y desglosadas; (8) incumplimiento de la obligación de mantener registros completos y exactos de la nómina; e (9) incumplimiento de la obligación de indemnizar a los empleados por los gastos.

Partes Exoneradas. Las “Partes Exoneradas” son el Demandado y cada una de sus aseguradoras, filiales, subsidiarias, empresas matrices, predecesoras, sucesoras, cesionarias, empleados exentos, funcionarios, directores, agentes, abogados, administradores, representantes, herederos, patrimonios, apoderados, anteriores y actuales, y cualquier persona física o jurídica que pudiera ser responsable solidariamente con el Demandado.

5. ¿A cuánto asciende mi pago?

Su Pago Individual de la Demanda Colectiva: Los registros del Demandado reflejan que usted tiene «**Class_Workweeks**» Semanas Laborales durante el Período de la Demanda Colectiva (del 25 de julio de 2019 al 26 de octubre de 2024). **Según esta información, su Pago Individual de la Demanda Colectiva estimado es de \$«Est_Individual_Class_Payment»,** menos las retenciones y deducciones aplicables.

Su Pago Individual de PAGA: Los registros del Demandado reflejan que usted tiene «**PAGA_Pay_Periods_**» Períodos de Pago durante el Período de PAGA (del 24 de julio de 2022 al 26 de octubre de 2024). **Según esta información, su Pago Individual de PAGA estimado es de \$«Est_Individual_PAGA_Payment».**

Su Pago Individual de la Demanda Colectiva y su Pago Individual de PAGA pueden pagarse juntos en un solo cheque, a discreción del Administrador.

Si desea impugnar la información indicada anteriormente, debe enviar una impugnación por escrito y firmada en la que refute la información, junto con los documentos justificativos, al Administrador a la dirección postal y/o de correo electrónico que se facilitan en este Aviso de Demanda Colectiva, a más tardar en la Fecha Límite de Respuesta, que es el **25 de septiembre de 2025**. Cualquier impugnación deberá incluir pruebas por escrito que sean creíbles, y será resuelta por el Administrador.

6. ¿Cómo puedo recibir un pago?

Para recibir dinero de la conciliación, no tiene que hacer nada. Se le enviará automáticamente por correo un cheque con su parte de la Conciliación a la misma dirección que figura en este Aviso de Demanda Colectiva. Si la dirección es incorrecta o ha cambiado, debe notificarlo al Administrador. El Administrador es: ILYM Group, Inc. y se puede contactar a través de **claims@ilymgroup.com** o **(888)250-6810**.

El Tribunal celebrará una Audiencia de Aprobación Definitiva el 7 de noviembre de 2025, at 9:30 a.m. para decidir si aprueba la Conciliación. Tenga en cuenta que el Tribunal podría reprogramar la audiencia sin previo aviso para usted. Si el Tribunal aprueba la Conciliación y no hay objeciones ni apelaciones, los pagos de la conciliación se enviarán por correo aproximadamente un mes después de esta audiencia. Si hay objeciones o apelaciones, los pagos se retrasarán porque su resolución puede tomar tiempo, por lo general más de un año. Por favor, tenga paciencia.

Su cheque de conciliación debe cobrarse dentro de los 180 días posteriores a su envío por correo. Si pierde o extravía su cheque, debe comunicarse con el Administrador de inmediato por teléfono para solicitar un reemplazo al **(888) 250-6810**. Para cualquier Miembro Participante de la Demanda Colectiva y/o Empleado Perjudicado cuyo cheque de Pago Individual de la Demanda Colectiva y/o cheque de Pago Individual de PAGA no haya sido cobrado y haya sido cancelado después de la fecha de caducidad, el Administrador remitirá los fondos correspondientes a dichos cheques a Legal Aid at Work. Las Partes han seleccionado a Legal Aid at Work como beneficiario *cy pres*.

7. ¿Qué pasa si no quiero formar parte de la Conciliación de la Demanda Colectiva?

Si no desea participar en la Conciliación de la Demanda Colectiva, puede excluirse de la Demanda Colectiva. **Si se excluye, NO recibirá su Pago Individual de la Demanda Colectiva y no estará sujeto a la exoneración de las Reclamaciones Exoneradas de la Demanda Colectiva.** Sin embargo, los Empleados Perjudicados que se excluyan de la Demanda Colectiva igualmente recibirán su Pago Individual de PAGA y seguirán sujetos a la exoneración de las Reclamaciones Exoneradas de PAGA, independientemente de que soliciten ser excluidos de la Demanda Colectiva.

Para excluirse de la Conciliación de la Demanda Colectiva, debe enviar por correo postal o correo electrónico al Administrador una Solicitud de Exclusión por escrito y firmada, con sello postal o correo electrónico a más tardar en la Fecha Límite de Respuesta, que es el **25 de septiembre de 2025**. Una Solicitud de Exclusión es una carta de un Miembro de la Demanda Colectiva o del representante del Miembro de la Demanda Colectiva que comunica de manera razonable la decisión del Miembro de la Demanda Colectiva de excluirse de la Conciliación de la Demanda Colectiva e incluye el nombre completo, la dirección postal, el número de teléfono y los últimos cuatro dígitos del número de la Seguridad Social del Miembro de la Demanda Colectiva. Usted debe presentar la solicitud personalmente. Si otra persona presenta la solicitud en su nombre, a excepción de su representante, dicha solicitud no será válida.

Salvo que el Tribunal considere que existe una causa justificada, las solicitudes de exclusión por escrito que se envíen por correo postal o electrónico después del **25 de septiembre de 2025**, o estén incompletas o sin firmarse rechazarán, y dichos Miembros de la Demanda Colectiva seguirán estando sujetos a la Conciliación y a la exoneración descritas anteriormente.

8. ¿Cómo le comunico al Tribunal que no estoy de acuerdo con la Conciliación de la Demanda Colectiva?

Cualquier Miembro de la Demanda Colectiva que no se haya excluido y considere que el Tribunal no debe aprobar definitivamente la Conciliación de la Demanda Colectiva por cualquier motivo, puede objetar la Conciliación propuesta, los honorarios de los abogados, las costas y/o los pagos por servicios prestados, ya sea por escrito o en persona. Las objeciones por escrito deben incluir el nombre completo del Miembro de la Demanda Colectiva, su dirección postal, número de teléfono, los cuatro últimos dígitos de su número de la Seguridad Social y una descripción de los motivos por los que objeta la Conciliación de la Demanda Colectiva. Todas las objeciones por escrito u otra correspondencia también deben indicar el

nombre y el número del caso, que es *Alma and Jose Lopez v. METALfx*, en el Tribunal Superior del Estado de California, Condado de Mendocino, Caso n.º 23CV0673.

Todas las objeciones por escrito deben enviarse por correo postal o electrónico al Administrador a más tardar en la fecha límite de respuesta, que es el **25 de septiembre de 2025**.

Alternativamente, los Miembros Participantes de la Demanda Colectiva pueden comparecer en la Audiencia de Aprobación Definitiva que se celebrará el 7 de noviembre de 2025, a las 9:30 a.m. para presentar una objeción oral sin presentar una objeción por escrito. En ese momento, todas las audiencias se celebrarán a distancia. También es posible que el Tribunal cambie la fecha de la audiencia sin previo aviso para usted. Si necesita ayuda, puede ponerse en contacto con los Abogados de la Demanda Colectiva.

Para objetar la Conciliación de la Demanda Colectiva, usted no debe excluirse, y si el Tribunal aprueba la Conciliación a pesar de su objeción, usted estará obligado por los términos de la Conciliación de la misma manera que los Miembros de la Demanda Colectiva que no objetan, e igualmente se le enviará por correo un cheque por su Pago Individual de la Demanda Colectiva. A menos que el Tribunal encuentre una causa justificada, todo Miembro de la Demanda Colectiva que no objete de la manera prevista en este Aviso de Demanda Colectiva habrá renunciado al derecho de objetar la Conciliación, ya sea mediante apelación o de otro modo.

9. ¿Cuándo y dónde decidirá el Tribunal si aprueba la Conciliación?

El Tribunal celebrará una Audiencia de Aprobación Definitiva a las 9:30 a.m. del día 7 de noviembre de 2025, en el Departamento E del Tribunal Superior de California, Condado de Mendocino, sito en 100 N. State Street, Ukiah, California 95482, ante la Jueza Ann Moorman. Si bien el Tribunal determinó en la aprobación preliminar que hay pruebas suficientes para sugerir que la Conciliación propuesta es justa, adecuada y razonable, el Tribunal tomará una decisión definitiva sobre estas cuestiones en la Audiencia de Aprobación Definitiva. El propósito de esta audiencia es que el Tribunal determine si aprueba definitivamente la Conciliación y que apruebe el monto de los honorarios de los abogados, las costas y el pago por servicios prestados. Si hay objeciones, el Tribunal las tomará en consideración. Es posible que el Tribunal cambie la fecha de esta audiencia sin previo aviso para usted. **Usted no está obligado a comparecer** en la Audiencia de Aprobación Definitiva, aunque cualquier Miembro de la Demanda Colectiva es bienvenido a asistir a la audiencia.

Should ILYM ever be notified of any judicial order or other proceedings in which a third party seeks to obtain access to the confidential data created by or for the Client, ILYM will promptly notify the Client, unless prohibited by applicable law. The Client shall have the option to (1) provide legal representation at the Client's expense to avoid such access or (2) promptly reimburse ILYM for any of its costs, including attorneys' fees, reasonably incurred in avoiding, attempting to avoid or providing such access and not paid by the entity seeking the data. If ILYM is required, pursuant to a court order, to produce documents, disclose data, or otherwise act in contravention of the obligations imposed by this Agreement, or otherwise, with respect to maintaining the confidentiality, proprietary nature and secrecy of the produced documents or disclosed data, ILYM will not be liable for breach of said obligation.

ILYM will maintain claim forms and other correspondence for one year after final distribution of funds or benefits, or until the date that the disposition of the case is no longer subject to appeal or review, whichever is later.

Limitation of damages: ILYM is not responsible to the Client for any special, consequential or incidental damages incurred by Client. Any liability of ILYM to the Client shall not exceed the total amount billed to the Client for the particular services that give rise to any loss.

Termination: The services to be provided under this Agreement may be terminated, at will by the Client upon at least 30 calendar days' prior written notice to ILYM. The Client's obligation to pay for services or projects in progress at the time of notice of withdrawal shall continue throughout that 30 day period. ILYM may terminate this Agreement (i) with 10 calendar days' prior written notice, if the Client is not current in payment of charges or (ii) in any event, upon at least 3 months' prior written notice to the Client.

Notice: Any notice required or permitted hereunder shall be in writing and shall be delivered personally, or sent by registered mail, postage prepaid, or overnight courier service to the responsible officer or principal of ILYM or the Client, as applicable, and shall be deemed given when so delivered personally, or, if mailed, five days after the date of deposit in United States mail, or, if sent by courier, one business day after delivery to such courier service.

No single or partial exercise of any such right will preclude any other or further exercise thereof or the exercise of any other right. No waiver of any such right will be effective unless given in a signed writing.

The parties hereto hereby waive any objection to the laying of venue of any such suit, action or proceeding in the Court.

Entire Agreement: These terms and conditions and the proposal embody the entire agreement between the parties with respect to the subject matter hereof, and cancels and supersedes all prior negotiations, representations, and agreements related thereto, either written or oral, except to the extent they are expressly incorporated herein. No changes in, additions to, or waivers of, the terms and conditions set forth herein will be binding upon any party, unless approved in writing by such party's authorized representative.

APPROVAL OF CLASS ACTION AND
PAGA SETTLEMENT**

FINAL APPROVAL HEARING

Date: November 7, 2025

Time: 9:30 a.m.

Dept: E

I, Arrash T. Fattahi, declare as follows:

2. On August 31, 2023, Plaintiff Lopez Acevedo filed a putative wage-and-hour class action complaint against Advanced Manufacturing and Development, Inc. in the Mendocino County Superior Court (Case No. 23CV00822) for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; and (7) unfair business practices (Business and Professions Code 17200, *et seq.*). Plaintiff Lopez Acevedo sent a notice to Advanced Manufacturing and Development, Inc. and the California Labor & Workforce Development Agency (“LWDA”) alleging similar wage-and-hour violations pursuant to the Private Attorneys General Act (“PAGA”) on September 27, 2023.¹ On May 29, 2025, a Second Amended Complaint to add Plaintiff Lopez Acevedo as a named plaintiff for purposes of settlement approval was filed.

4. My firm has directly participated in all of the materials aspects of this litigation. The work my firm and I performed on this matter over the two-plus years included, but was not limited to, the following: initial client intake and research of the named defendant; performing pre-

1

1 LWDA notice investigation; drafting a PAGA Notice Letter; drafting a complaint; working with
2 an expert in preparation for mediation; assisting in preparing a mediation brief for mediation;
3 participating in mediation; participating in the drafting/execution of the settlement documents;
4 numerous phone and email communications with defense counsel and co-counsel; numerous phone
5 and email communications with Plaintiff Lopez Acevedo. This does not include additional time
6 that will be devoted to this case, such as any court appearances for settlement approval.

7 5. Based on my own independent investigation and evaluation, I am of the opinion that
8 the Settlement is fair, reasonable and adequate and is in the best interest of the Plaintiffs, class
9 members, aggrieved employees, and the State of California in light of all known facts and
10 circumstances and the risks inherent in litigation. The attorneys' fees award provided for in the
11 Settlement is therefore reasonable given the result achieved.

12 6. Plaintiff Lopez Acevedo does not have any interest, financial or otherwise, in the
13 proposed third-party administrator, ILYM Group, Inc.

14 7. No one at Wilshire Law Firm (meaning the law firm itself and anyone employed at
15 the law firm) has any interest, financial or otherwise, in the proposed third-party administrator,
16 ILYM Group, Inc.

17 8. Wilshire Law Firm is not aware of any other pending matter or action asserting
18 claims that will be extinguished or affected by the Settlement.

19 9. Wilshire Law Firm represents that Plaintiff Lopez Acevedo devoted a great deal of
20 time and work assisting counsel in the case, communicated with counsel very frequently for
21 litigation and to prepare for mediation, and was frequently in contact with Wilshire Law Firm
22 during the mediation. Plaintiff Lopez Acevedo's requested enhancement award is reasonable
23 particularly in light of the substantial benefits Plaintiffs generated for all class members and
24 aggrieved employees. Throughout this litigation, Plaintiff Lopez Acevedo, who is a former
25 employee, has cooperated immensely with my office and have taken many actions to protect the
26 interests of the class members and aggrieved employees. Plaintiff Lopez Acevedo provided
27 valuable information regarding the claims. Plaintiff Lopez Acevedo also informed my office of
28 developments and information relevant to the action, participated in decisions concerning the

1 action, and made himself available to answer questions during the mediation. In the final analysis,
2 this action would not have been possible without the aid of Plaintiff Lopez Acevedo, who put his
3 own time and effort into this litigation, sacrificed the value of his own individual claims, and placed
4 himself at risk for the sake of the class members and aggrieved employees. The requested
5 enhancement award for Plaintiff Lopez Acevedo for his service as one of the class representatives
6 and for his general release of all individual claims is a relatively small amount of money when the
7 time and effort put into the litigation are considered and in comparison to enhancements granted
8 in other class and representative actions. The requested incentive award is therefore reasonable to
9 compensate Plaintiff Lopez Acevedo for his active participation in this lawsuit.

10 10. I support the analysis provided by co-counsel, Alexandra Rose, in her concurrently
11 filed declaration.

Re: **Jose Refugio Lopez Acevedo v. Advanced Manufacturing and Development, Inc.
Notice of Labor Code Violations and PAGA Penalties**

To Whom It May Concern:

Please be advised that my office has been retained by Jose Refugio Lopez Acevedo ("Plaintiff") to pursue a Labor Code Private Attorneys General Act ("PAGA") representative action (Cal. Lab. Code §§ 2699, *et seq.*) against his former employer, Advanced Manufacturing and Development, Inc. ("Defendant"). The purpose of this letter is to comply with PAGA and set forth the facts and theories of California Labor Code violations which we allege Defendant engaged in with respect to Plaintiff and all of Defendant's Aggrieved Employees.

Plaintiff wishes to pursue this action on behalf of himself as an aggrieved employee, on behalf of the State of California, as well as on behalf of all other persons who worked for Defendant in California as a non-exempt or hourly-paid employee at any time within the applicable statutory period (hereafter, the "Aggrieved Employees").

Plaintiff and the Aggrieved Employees suffered the Labor Code violations described below.

Plaintiff's Employment with Defendant

Defendant owns/owned and operates/operated an industry, business, and establishment within the State of California, including Mendocino County. As such, and based upon all the facts and circumstances incident to Defendant's business in California, Defendant is subject to the California Labor Code, Wage Orders issued by the Industrial Welfare Commission ("IWC"), and the California Business & Professions Code.

Plaintiff JOSE REFUGIO LOPEZ ACEVEDO is a resident of Mendocino County, California who worked for Defendant in Mendocino County, California as an hourly-paid, non-exempt employee from approximately April 2020 to approximately June 2023. Defendant typically scheduled Plaintiff to work at least five days in a workweek and at least eight hours per day, but Plaintiff regularly worked more than eight hours in a workday and/or more than forty (40) hours in a workweek.

Throughout Plaintiff's employment, Defendant failed to pay for all hours worked (including minimum, straight time, and overtime wages), failed to provide Plaintiff with legally compliant meal periods, failed to authorize and permit Plaintiff to take rest periods, failed to timely pay all final wages to Plaintiff when Defendant terminated his employment, failed to furnish accurate wage statements to Plaintiff, and failed to indemnify Plaintiff for expenditures. As discussed below, Plaintiff's experience working for Defendant was typical and illustrative.

Defendant Failed to Pay for All Hours Worked, Including Minimum, Straight Time, and Overtime Wages

Under California law, an employer must pay for all hours worked by an employee. "Hours worked" is the time during which an employee is subject to the control of an employer, and includes all the time the employee is suffered or permitted to work, whether or not required to do so.

In addition, Labor Code § 510 provides that employees in California shall not be employed more than eight hours in any workday or forty (40) hours in a workweek unless they receive additional compensation beyond their regular wages in amounts specified by law.

Labor Code §§ 1194 and 1198 also provide that employees in California shall not be employed more than eight hours in any workday unless they receive additional compensation beyond their regular wages in amounts specified by law. Additionally, Labor Code § 1198 states that the employment of an employee for longer hours than those fixed by the IWC is unlawful.

Throughout the statutory period, Defendant maintained a policy and practice of not paying Plaintiff and the Aggrieved Employees for all hours worked, including minimum, straight time, and overtime wages. Defendant required Plaintiff and the Aggrieved Employees to work "off-the-clock," uncompensated, by, for example, requiring Plaintiff and the Aggrieved Employees to perform work during unpaid meal periods. Some of this unpaid work should have been paid at

the overtime rate. In failing to pay for all hours worked, Defendant also failed to maintain accurate records of the hours Plaintiff and the Aggrieved Employees worked.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210, 1197.1, and 2699(f)(2) for failing to pay for all hours worked, including minimum, straight time, and overtime wages.

Failure to Provide Meal Periods

Under California law, employers have an affirmative obligation to relieve employees of all duty in order to take their first 30-minute, duty-free meal periods no later than the start of sixth hour of work in a workday, and to allow employees to take their second 30-minute, duty-free meal period no later than the start of the eleventh hour of work in the workday. Further, employees are entitled to be paid one hour of additional wages for each workday they were not provided with all required meal period(s).

Despite these legal requirements, Defendant wrongfully failed to provide Plaintiff and the Aggrieved Employees with legally compliant meal periods. Defendant regularly, but not always, required Plaintiff and the Aggrieved Employees to work in excess of five consecutive hours a day without providing a 30-minute, uninterrupted, and duty-free meal period for every five hours of work, or without compensating Plaintiff and the Aggrieved Employees for meal periods that were not provided by the end of the fifth hour of work or tenth hour of work. Instead, Defendant continued to assert control over Plaintiff and the Aggrieved Employees by requiring, pressuring, or encouraging them to perform work tasks which could not be completed without working in lieu of taking mandatory meal periods, or by denying Plaintiff and the Aggrieved Employees permission to take a meal period. Accordingly, Defendant's policy and practice was not to provide meal periods to Plaintiff and the Aggrieved Employees in compliance with California law.

Plaintiff and the Aggrieved Employees are thus entitled to be paid one hour of additional wages for each workday he or she was not provided with all required meal period(s). Defendant, however, regularly failed to pay Plaintiff and the Aggrieved Employees the additional wages to which they were entitled for meal periods and that were not provided.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210 and 2699(f)(2) for failing to provide meal periods and pay meal period premium wages.

Failure to Authorize and Permit Rest Periods

Employers are required by California law to authorize and permit breaks of ten uninterrupted minutes for each four hours of work or major fraction of four hours (i.e. more than two hours). Thus, for example, if an employee's work time is six hours and ten minutes, the employee is entitled to two rest breaks. Each failure to authorize rest breaks as so required is itself a violation

of California's rest break laws.

Throughout the statutory period, Defendant has wrongfully failed to authorize and permit Plaintiff and the Aggrieved Employees to take legally compliant rest periods. Defendant regularly required Plaintiff and the Aggrieved Employees to work in excess of four consecutive hours a day without Defendant authorizing and permitting them to take a 10-minute, uninterrupted, duty-free rest period for every four hours of work (or major fraction of four hours), or without compensating Plaintiff and the Aggrieved Employees for rest periods that were not authorized or permitted. Instead, Defendant continued to assert control over Plaintiff and the Aggrieved Employees by requiring, pressuring, or encouraging them to perform work tasks which could not be completed without working in lieu of taking mandatory rest periods, or by denying Plaintiff and the Aggrieved Employees permission to take a rest period. Accordingly, Defendant's policy and practice was to not authorize and permit Plaintiff and the Aggrieved Employees to take rest periods in compliance with California law.

Plaintiff and the Aggrieved Employees are thus entitled to be paid one hour of additional wages for each workday he or she was not authorized and permitted to take all required rest period(s). Defendant, however, regularly failed to pay Plaintiff and the Aggrieved Employees the additional wages to which they were entitled for rest periods and that they were not authorized and permitted to take.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 210 and 2699(f)(2) for failing to authorize and permit rest periods and pay rest period premium wages.

Failure to Pay All Earned Wages Twice Per Month

Based on its failure to pay Plaintiff and the Aggrieved Employees for all wages as discussed above, Defendant also violated Labor Code § 204.

Labor Code § 204 requires employers to pay employees all earned wages two times per month. Throughout the statute of limitations period applicable to this cause of action, employees were entitled to be paid twice a month at their regular rates, including all meal period premium wages owed, rest period premium wages owed, and wages owed for overtime hours worked. However, during all such times, Defendant systematically failed and refused to pay the employees all wages due, and failed to pay those wages twice a month, in that employees were not paid all wages for all meal periods not provided by Defendant, all wages for all rest periods not authorized and permitted by Defendant, and all wages for all hours worked. As a result, Defendant owes employees the legally required wages for unpaid wages, and Plaintiff and the Aggrieved Employees suffered damages in those amounts.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 210 for failing to pay all earned wages twice per month.

Failure to Maintain Accurate Records of Hours Worked and Meal Periods

Plaintiff seeks penalties under California Labor Code § 1174(d). Pursuant to California Labor Code § 1174.5, any person, including any entity, employing labor who willfully fails to maintain accurate and complete records required by California Labor Code § 1174 is subject to a penalty under § 1174.5. Pursuant to the applicable IWC Order § 7(A)(3), every employer shall keep time records showing when the employee begins and ends each work period. Meal periods and total hours worked daily shall also be recorded.

Defendant, however, failed to maintain accurate records of hours worked and all meal periods taken or missed by Plaintiff and the Aggrieved Employees.

Defendant's failure to provide and maintain records required by the California Labor Code and the applicable IWC Wage Orders deprived Plaintiff and the Aggrieved Employees the ability to know, understand and question the accuracy and frequency of meal periods, and the accuracy of their hours worked stated in Defendant's records. Therefore, Plaintiff and the Aggrieved Employees had no way to dispute the resulting failure to pay wages, all of which resulted in an unjustified economic enrichment to Defendant. As a direct result, Plaintiff and the Aggrieved Employees have suffered and continue to suffer, substantial losses related to the use and enjoyment of such wages, lost interest on such wages and expenses and attorney's fees in seeking to compel Defendant to fully perform its obligation under state law, all to their respective damage in amounts according to proof at trial. As a result of Defendant's knowing failure to comply with the California Labor Code and applicable IWC Wage Orders, Plaintiff and the Aggrieved Employees have also suffered an injury in that they were prevented from knowing, understanding, and disputing the wage payments paid to them.

Failure to Timely Pay All Wages at Termination

Labor Code §§ 201 and 202 provide that if an employer discharges an employee, the wages earned and unpaid at the time of discharge are due and payable immediately, and that if an employee voluntarily leaves his or her employment, his or her wages shall become due and payable not later than seventy-two (72) hours thereafter, unless the employee has given seventy-two (72) hours previous notice of his or her intention to quit, in which case the employee is entitled to his or her wages at the time of quitting.

Within the applicable statute of limitations, the employment of Plaintiff and many other Aggrieved Employees ended, i.e., was terminated by quitting or being discharged, and the employment of others will be terminated. However, during the relevant time period, Defendant failed, and continues to fail to pay Plaintiff and terminated Aggrieved Employees, without abatement, all wages required to be paid by Labor Code sections 201 and 202 either at the time of discharge, or within seventy-two (72) hours of their leaving Defendant's employment. These unpaid wages include wages for unpaid work time (including minimum, straight time, and

overtime wages), missed meal period premium wages, and missed rest period premium wages.

Defendant's conduct violates Labor Code §§ 201 and 202. Labor Code § 203 provides that if an employer willfully fails to pay wages owed, in accordance with sections 201 and 202, then the wages of the employee shall continue as a penalty wage from the due date, and at the same rate until paid or until an action is commenced; but the wages shall not continue for more than thirty (30) days.

Accordingly, Plaintiff and the Aggrieved Employees are entitled to recover from Defendant their additionally accruing wages for each day they were not paid, at their regular hourly rate of pay, up to thirty (30) days maximum pursuant to Labor Code § 203.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 2699(f)(2) for failing to timely pay all wages at termination.

Failure to Furnish Accurate Itemized Wage Statements

Labor Code § 226(a) provides that every employer shall furnish each of his or her employees an accurate itemized wage statement in writing showing nine pieces of information, including: (1) gross wages earned, (2) total hours worked by the employee, (3) the number of piece-rate units earned and any applicable piece rate if the employee is paid on a piece-rate basis, (4) all deductions, provided that all deductions made on written orders of the employee may be aggregated and shown as one item, (5) net wages earned, (6) the inclusive dates of the period for which the employee is paid, (7) the name of the employee and the last four digits of his or her social security number or an employee identification number other than a social security number, (8) the name and address of the legal entity that is the employer, and (9) all applicable hourly rates in effect during the pay period and the corresponding number of hours worked at each hourly rate by the employee. An employee is presumed to suffer an injury if this information is missing. (Lab. Code § 226(e)(2)(B)(iii).)

The statute further provides: "An employee suffering injury as a result of a knowing and intentional failure by an employer to comply with subdivision (a) is entitled to recover the greater of all actual damages or fifty dollars (\$50) for the initial pay period in which a violation occurs and one hundred dollars (\$100) per employee for each violation in a subsequent pay period, not to exceed an aggregate penalty of four thousand dollars (\$4,000), and is entitled to an award of costs and reasonable attorney's fees." (Lab. Code § 226(e)(1).)

Throughout the statutory period, Defendant failed to furnish Plaintiff and the Aggrieved Employees with accurate, itemized wage statements showing all applicable hourly rates, and all gross and net wages earned (including correct hours worked, correct wages for meal periods that were not provided in accordance with California law, and correct wages for rest periods that were not authorized and permitted to take in accordance with California law).

Because Defendant violated Labor Code § 226, Plaintiff and similarly Aggrieved Employees

suffered injury and damage to their statutorily protected rights. Accordingly, Plaintiff and similarly Aggrieved Employees are entitled to recover from Defendant the greater of their actual damages caused by Defendant's failure to comply with Labor Code § 226(a), or an aggregate penalty not exceeding four thousand dollars (\$4,000) per employee.

Moreover, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code § 226.3 for failing to furnish accurate itemized wage statements.

Failure to Indemnify for Necessary Expenditures

Labor Code § 2802(a) provides that employers shall indemnify his or her employees for all necessary business expenditures or losses that have been incurred by the employees in direct discharge of his or her duties. Throughout the statute of limitations period applicable to this cause of action, Defendant wrongfully required Plaintiff and the Aggrieved Employees to pay expenses that they incurred in direct discharge of their duties for Defendant. Plaintiff and the Aggrieved Employees regularly paid out-of-pocket for necessary employment-related expenses, including, without limitation, work attire. Plaintiff and the Aggrieved Employees incurred substantial expenses as a direct result of performing their job duties for Defendant, but Defendant failed to indemnify Plaintiff and the Aggrieved Employees for these employment-related expenses.

As a result, Defendant is liable to Plaintiff and the Aggrieved Employees for the civil penalties provided for in Labor Code §§ 2802 and 2699(f)(2) for failing to indemnify Plaintiff and the Aggrieved Employees for necessary business expenditures.

Action for Civil Penalties Under PAGA

In light of the above, Plaintiff alleges that Defendant violated the following provisions of the Labor Code with respect to the Aggrieved Employees:

1. Labor Code § 204, 510, 1194, 1197, and 1198 by failing to pay for all hours worked, including minimum wages, straight time wages, and overtime wages;
2. Labor Code § 226.7 and applicable Wage Orders by failing to provide meal periods;
3. Labor Code § 226.7 and applicable Wage Orders by failing to authorize and permit rest periods;
4. Labor Code § 204 by failing to pay all earned wages two times per month;
5. California Labor Code § 1174.5 and applicable Wage Orders by failing to maintain accurate records of hours worked and meal periods taken or missed;
6. Labor Code §§ 201 to 203 by willfully failing to pay all wages owed at termination;
7. Labor Code § 226 by failing to provide accurate itemized wage statements; and

8. Labor Code § 2802 by failing to indemnify for necessary expenditures.

Therefore, on behalf of all Aggrieved Employees, Plaintiff seeks applicable penalties related to the violations alleged above pursuant to the PAGA. These include, but are not limited to, penalties under Labor Code §§ 210, 226.3, 1174.5, 1197.1, and 2699(f)(2).

Plaintiff has placed Defendant on notice by mailing a certified copy of this correspondence, as indicated on the first page. Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact me.

Sincerely,

WILSHIRE LAW FIRM

Justin F. Marquez, Esq.

1 **DECLARATION OF ALMA LOPEZ**

2 I, Alma Lopez, declare and state as follows:

3 1. I am over the age of eighteen (18) and a resident of the State of California. I am one
4 of the named plaintiffs in the above-referenced case. I have personal knowledge of the facts and
5 statements set forth in this declaration, and if called upon to testify, I could and would competently
6 testify thereto.

7 2. I was employed by Defendant Advanced Manufacturing and Development, Inc.
8 (“Defendant”) as an hourly-paid, non-exempt Materials Clerk from approximately July 2019 to
9 approximately March 2023.

10 3. Because I thought the practices at Defendant may not be lawful, I decided to seek legal
11 advice about my work experiences at Defendant and about filing a lawsuit to obtain relief for my
12 grievances. I contacted Blackstone Law, APC and spoke with their attorneys. I wanted to take steps
13 to make sure Defendant was held accountable for not properly compensating its employees for all
14 hours worked and for non-compliant meal and rest breaks. After speaking with the attorneys, I also
15 investigated class and representative action lawsuits on my own. Thereafter, I further consulted with
16 the attorneys at Blackstone Law, APC about my situation, class actions, representative action lawsuits
17 under the Private Attorneys General Act (“PAGA”), and what it meant to bring a class and PAGA
18 action so that I understood what I was considering doing.

19 4. I have regularly conferred with my attorneys regarding the case as part of my
20 responsibilities as a class and PAGA representative. This process included searching for and providing
21 documents concerning my employment with Defendant, answering any questions my attorneys had
22 about the documents, providing information regarding the company’s practices and the duties of other
23 hourly-paid and/or non-exempt employees, and helping my attorneys develop a strategy as to what
24 additional documents and information they could seek to obtain from Defendant.

25 5. I routinely checked in with my attorneys and their staff to make sure that they had all
26 of my most current information and any additional information that I had obtained. I made myself
27 available to answer any questions my attorneys had about Defendant’s practices and treatment of its
28 employees whenever they needed me. I responded to them as quickly as possible and gave them as

1 much information as I could.

2 6. I understood that in the event this matter did not settle and proceeded with trial, I would
3 need to be in court to participate in the trial. I was ready to perform that role, as well as fulfill any
4 responsibilities that are necessary for this lawsuit.

5 7. I know that I took a sizeable risk by bringing and pursuing this lawsuit for several
6 reasons. First, I understood that if I lost, I would potentially have to pay the costs in the lawsuit. I
7 also understood there was a risk of losing any job and/or income due to the time that I would have to
8 spend fulfilling my responsibilities in this matter, including having to attend the trial, if needed. Most
9 importantly, I believe that by pursuing this case, I have taken a significant risk because future
10 employers can easily find out that I sued my prior employer, and that may negatively impact my ability
11 to find employment within this industry – and even outside of it – in the future. In contrast, the other
12 employees who will be receiving money from this lawsuit did not have to file a claim or take the risk
13 that I took in bringing this action.

14 8. I reviewed the settlement agreement, discussed the settlement agreement with my
15 attorneys, and asked them questions before signing it.

16 9. I believe that I have done everything that my attorneys have asked of me and tried, to
17 the best of my ability, to seek relief for the Class, the Aggrieved Employees, and the State of
18 California. I have spent approximately 37-42 hours participating in this case as described above. I
19 believe my efforts helped get the result obtained in this matter.

20 10. I understand that any resolution of this lawsuit on a class wide basis is subject to court
21 approval, and any settlement must be designed in the best interest of the Class as a whole. At all times
22 throughout the course of this litigation I have considered the interests of the Class and put them before
23 my own personal interests.

24 11. I understand that incentive or enhancement awards are discretionary and intended to
25 compensate named plaintiffs for: the quality and quantity of the work done on behalf of the class and
26 other employees, the financial and/or reputational risk undertaken in bringing the class and/or PAGA
27 action, and an acknowledgment of the benefits resulting from the representative's actions. I believe
28 my work in this matter is meritorious on these points for the reasons set forth above.

12. I respectfully request that the Court approve and award me a Class Representative Service Payment in the amount of \$10,000.00 for my efforts and active participation in the case and for the broader, general release of all claims that I have or may have against Defendant in connection with the settlement. Taking into consideration the time that I dedicated to this case, I believe that this amount is reasonable.

13. I understand that Blackstone Law, APC and Wilshire Law Firm, APC will share the attorneys' fees in this matter. I agreed to this in writing. I understand that the amount of attorneys' fees will not increase as a result of this fee sharing.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed on 05/26/2025, at Willits, California.

1 7. On August 1, 2024, Plaintiff Lopez, Plaintiff Acevedo, and Defendant (collectively,
2 the “Parties”) participated in a formal mediation conducted by Kevin Barnes, Esq. (“Mediator”), a
3 neutral and respected mediator with extensive experience in complex wage and hour matters, which
4 did not result in a settlement at that time.

5 8. On August 9, 2024, Plaintiff Lopez propounded written formal discovery onto
6 Defendant (specifically, Special Interrogatories (Set One)) and served a proposed Belaire-West notice.

7 9. On August 30, 2024, after further negotiations and with the assistance of the Mediator’s
8 evaluation, the Parties were able to reach an agreement to resolve this dispute on a class and
9 representative basis. The Parties then worked diligently to negotiate and memorialize the terms in a
10 long form settlement agreement.

11 10. On April 1, 2025, the Parties executed the Class Action and PAGA Settlement
12 Agreement (“Settlement” or “Settlement Agreement”). A true and correct copy of the Settlement
13 Agreement is attached hereto as **Exhibit 1**.

14 11. On May 29, 2025, Plaintiffs filed a Second Amended Complaint (“Operative
15 Complaint”) in the Lopez Action, which added Plaintiff Acevedo as a named plaintiff for purposes of
16 settlement approval. The Operative Complaint alleges ten (10) causes of action for violations of the
17 California Labor Code for failure to pay minimum wages, failure to pay overtime wages, failure to
18 provide compliant meal periods and premium payments in lieu thereof, failure to provide compliant
19 rest periods and premiums payments in lieu thereof, failure to timely pay wages during employment,
20 failure to provide accurate wage statements, failure to timely pay wages upon termination, and failure
21 to reimburse necessary business expenses, for violations of California Business & Professions Code
22 Section 17200, *et seq.* based on the aforementioned California Labor Code violations, and for civil
23 penalties under PAGA based on the aforementioned California Labor Code violations.

24 12. On May 28, 2025, Plaintiffs filed a Motion for Preliminary Approval of Class Action
25 and PAGA Settlement (“Motion for Preliminary Approval”) and supporting documents. On July 11,
26 2025, the Court entered the Order Granting Preliminary Approval of Class Action and PAGA
27 Settlement (“Preliminary Approval Order”), thereby preliminary approving the terms of the Settlement
28 Agreement, the Court Approved Notice of Class Action Settlement and Hearing Date for Final Court

Approval (“Class Notice”), and the proposed administration procedures and associated deadlines. A true and correct copy of the Preliminary Approval Order is attached hereto as **Exhibit 2**.

Summary of the Terms of the Settlement Agreement

13. By way of the Preliminary Approval Order, the Court certified the following Class for settlement purposes only: “All current and former hourly-paid and/or non-exempt employees who worked for Defendant in the State of California at any time during the Class Period, but excluding those who signed either of the Arbitration Agreements” (“Class” or “Class Members”). The “Class Period” is defined as the period from July 25, 2019 through October 26, 2024. The Arbitration Agreements are those attached as Exhibit A and Exhibit B to the Settlement Agreement. The “Participating Class Members” consist of all Class Members who did not submit a valid and timely Request for Exclusion. The “Aggrieved Employees” consist of “all current and former hourly-paid and/or non-exempt employees who worked for Defendant in the State of California at any time during the PAGA Period.” The “PAGA Period” is defined as the period from July 24, 2022 to October 26, 2024.

14. Based on the data provided by Defendant following preliminary approval and for purposes of administration of the Class Notice, I am informed that there are 187 Participating Class Members who worked 6,641 weeks during which each Participating Class Member worked for Defendant for at least one day during the Class Period (“Workweeks”) and 252 Aggrieved Employees who worked 8,913 pay periods during which each Aggrieved Employee worked for Defendant for at least one day during the PAGA Period (“Pay Periods”).

15. The Parties have agreed to settle the Class and PAGA claims at issue in the Operative Complaint for a non-reversionary Gross Settlement Amount of Six Hundred Thousand Dollars and Zero Cents (\$600,000.00), which is exclusive of employer-side payroll taxes. The Gross Settlement Amount includes: (1) Class Counsel’s fees in the amount of one-third (1/3) of the Gross Settlement Amount, equaling Two Hundred Thousand Dollars and Zero Cents (\$200,000.00); (2) Class Counsel’s actual litigation costs and expenses, in the amount of Fourteen Thousand Two Hundred Fourteen Dollars and Six Cents (\$14,214.06); (3) Administration Expenses Payment in the amount Six Thousand Eight Hundred Fifty Dollars and Zero Cents (\$6,850.00); (4) Class Representatives’ Service

1 Payments in the aggregate amount of Twenty Thousand Dollars and Zero Cents (\$20,000.00); and (5)
2 PAGA Penalties in the amount of Twenty-Five Thousand Dollars and Zero Cents (\$25,000.00). After
3 the above Court-approved amounts are deducted from the Gross Settlement Amount, the Participating
4 Class Members will share in a Net Settlement Amount of approximately Three Hundred Thirty-Three
5 Thousand Nine Hundred Thirty-Five Dollars and Ninety-Four Cents (\$333,935.94).

6 16. The Settlement does not require Participating Class Members to submit claims as a
7 prerequisite to receiving their *pro rata* share of the Net Settlement Amount (“Individual Class
8 Payment”) nor does it require Aggrieved Employees to submit claims as a prerequisite to receiving
9 their *pro rata* share of twenty-five percent (25%) of the PAGA Penalties (“Individual PAGA
10 Payment”). Individual Class Payments are calculated by the Settlement Administrator by dividing the
11 Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members
12 during the Class Period and multiplying the result by each Participating Class Member’s total number
13 of Workweeks. Individual PAGA Payments are calculated by the Administrator by dividing the
14 amount of the Aggrieved Employees’ 25% share of PAGA Penalties (\$6,250.00) by the total number
15 of Pay Periods worked by all Aggrieved Employees during the PAGA Period and multiplying the
16 result by each Aggrieved Employee’s total number of Pay Periods.

17 17. I am aware from my review of the information provided by the Administrator that the
18 estimated average gross Individual Class Payment is \$1,695.19, the estimated highest gross Individual
19 Class Payment is \$9,308.09, and the estimated lowest gross Individual Class Payment is \$47.73, the
20 estimated average Individual PAGA Payment is \$24.80, the estimated highest Individual PAGA
21 Payment is \$41.37, and the estimated lowest Individual PAGA Payment is \$0.70.

22 18. Thirty-three percent (33%) of each Participating Class Member’s Individual Class
23 Payment will be allocated to settlement of wage claims (the “Wage Portion”). The Wage Portions are
24 subject to tax withholding and will be reported on an IRS W-2 Form. Sixty-seven percent (67%) of
25 each Participating Class Member’s Individual Class Payment will be allocated to settlement of claims
26 for interest and penalties (the “Non-Wage Portion”). The Non-Wage Portions and the Individual
27 PAGA Payments are not subject to wage withholdings and will be reported on IRS 1099 Forms.

28 ///

19. Each Individual Class Payment and/or Individual PAGA Payment check will be valid and negotiable for one hundred and eighty (180) calendar days from the date the checks are issued, and thereafter, shall be canceled. Any funds associated with such canceled checks will be distributed by the Administrator to Legal Aid at Work, the *cy pres* recipient.

Notice to the LWDA

20. On May 12, 2025, Class Counsel submitted a copy of the Settlement Agreement to the LWDA through its online submission portal in compliance with California Labor Code § 2699(1)(2). The LWDA has not objected or otherwise responded to the submission.

The Settlement Is Fair and Reasonable

Discovery and Informed Arms-Length Negotiations

21. The Parties' settlement negotiations were at all times made at arm's-length and were adversarial. The Settlement was reached following additional negotiations after a full day of mediation with a highly respected mediator with substantial experience mediating wage and hour cases, and Plaintiffs engaged in additional negotiations in order to finalize the long-form agreement presently before the Court.

22. The Parties engaged in extensive informal discovery prior to reaching a settlement. Prior to mediation, Defendant produced a random sampling of putative class members' time and pay data as well as Defendant's relevant wage and hour policies, arbitration agreements, and information regarding the total number of putative class members, the number of current versus former employees, the total workweeks worked by the putative class members, and the average rate of pay for the putative class members. This allowed Class Counsel to conduct an informed assessment and analysis of the strengths and weaknesses of the claims and the potential class-wide damages.

23. Based on the information exchanged, the Parties extensively briefed issues regarding class certification and liability and provided their analyses to the Mediator who helped the Parties debate the strengths and weakness of their respective positions. At all times, Plaintiffs were willing and prepared to litigate this matter through class certification and trial if the Parties had been unable to reach a favorable resolution. Additionally, settlement negotiations were conducted by highly capable and experienced counsel. Class Counsel are respected members of the California State Bar

1 with strong records of vigorous and effective advocacy and are experienced in handling complex wage
2 and hour class action litigation. Accordingly, Class Counsel had sufficient information and experience
3 to act intelligently in negotiating the Settlement.

4 24. Although the investigation and information discovered supports Plaintiffs' contentions,
5 Defendant raised potential defenses and other circumstances that impacted the risk of proceeding on
6 a class-wide basis. Consideration of these risks factored into the decision to enter the Settlement.

7 25. Class Counsel are aware of Defendant's defenses and arguments and have also taken
8 into account the uncertainty and risk of the outcome of further litigation, and the difficulties and delays
9 inherent in such litigation, including those involved in class and/or representative adjudication.
10 Plaintiffs further recognize the burdens of proof necessary to establish liability for the claims asserted
11 in the Actions, Defendant's defenses, and the difficulties in establishing entitlement to monetary
12 recovery. Plaintiffs have also considered the Parties' settlement discussions, as well as the evaluations
13 of the Mediator, who is experienced and well-regarded in complex labor and employment matters.

14 26. Defendant denied and continues to deny any liability and wrongdoing of any kind
15 associated with the claims alleged in the Actions, and further denies that class certification is
16 appropriate for any purpose other than the Settlement. Defendant believes that it would ultimately
17 prevail in the Actions. Defendant proffered defenses to both certification and to the merits of
18 Plaintiffs' claims. Defendant contended that Plaintiffs' claims are not suitable for class certification
19 because individual issues would predominate should this case go to trial. As with all class actions,
20 these complex cases raise difficult management and proof issues and, accordingly, there is a significant
21 risk that the Court may deny class certification.

22 27. Class Counsel also recognized that, even if Plaintiffs prevailed at class certification,
23 proving the amount of wages due to each Class Member would be an expensive, time-consuming, and
24 extremely uncertain proposition. In order to prove liability and damages, Class Counsel would need
25 to request and analyze thousands of pages of documents, obtain the Class Members' contact
26 information, contact them, and obtain declarations at great expense. Obtaining the cooperation of
27 current employees would also be difficult, given the likely reluctance to aid prosecution of a lawsuit
28 against a current employer. On the other hand, Defendant would likely be able to obtain the

1 cooperation of its employees. Moreover, even if Plaintiffs prevailed at class certification and trial,
2 possible appeals would substantially delay any recovery by the Class.

3 28. Therefore, Class Counsel submits that the Settlement is fair, reasonable, and adequate.
4 The Settlement is in the best interest of the Class Members, the Aggrieved Employees, and the State
5 of California, and is within the accepted range of recoveries for this type of litigation given the inherent
6 risk of litigation, the risk of obtaining and maintaining class certification, and the costs of further
7 litigation.

8 *Attorneys' Fees and Costs*

9 29. Class Counsel seek one-third (1/3) of the Gross Settlement Amount (i.e., \$200,000.00)
10 for fees for the time spent litigating this matter and reimbursement of actual costs and expenses totaling
11 Fourteen Thousand Two Hundred Fourteen Dollars and Six Cents (\$14,214.06). The requested fees
12 and costs are fair compensation for undertaking complex, risky, expensive, and time-consuming
13 litigation on a contingent fee basis, especially in light of the substantial benefits achieved by Class
14 Counsel for the Class Members. Class Counsel's requested fee award is summarily addressed as
15 follows but is more fully discussed in Plaintiff's Motion for Final Approval of Class Action and PAGA
16 Settlement, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, Class
17 Representatives' Service Payments, and Administration Expenses Payment ("Motion for Final
18 Approval") filed concurrently herewith.

19 30. The effectiveness of Class Counsel's prosecution of this matter has translated into
20 tangible monetary benefits for the Participating Class Members, the State of California, and the
21 Aggrieved Employees as follows: (1) Participating Class Members, the State of California, and the
22 Aggrieved Employees will obtain monetary recovery over a relatively short period of time, as opposed
23 to waiting additional years for the same, or potentially worse, result; (2) a guaranteed result that
24 compares favorably with other similar class action settlements of this type, given the strengths and
25 weaknesses of the Actions; and (3) significant savings in Class Counsel's fees and/or costs that would
26 have only increased significantly had the Actions progressed through trial and/or appeals.

27 ///

28 ///

1 31. In the present case, Class Counsel has borne all of the risks and costs of litigation and
2 will not receive any compensation until recovery is obtained. Class Counsel had to consider its
3 workload during this litigation when considering taking on additional work that was available, and
4 which Class Counsel had to forego in order to devote the time necessary to pursue this litigation. Class
5 Counsel is experienced in complex wage-and-hour litigation and used that experience to obtain a
6 favorable result for the Class, the State of California, and the Aggrieved Employees. Considering the
7 amount of fees requested, work performed, risks incurred, and experience of Class Counsel in handling
8 similar matters, Plaintiffs maintain that the requested attorneys' fees of one-third (1/3) of the Gross
9 Settlement Amount (i.e., \$200,000.00) are reasonable and should be awarded.

10 32. Blackstone Law, APC ("Blackstone") was started in February 2018, representing
11 plaintiffs in individual and representative employment litigation. The firm has grown exponentially
12 over the past seven-plus years, now maintaining over thirty highly pedigreed attorneys working on
13 almost exclusively labor and employment class actions, PAGA cases, and individual matters, with
14 roughly 15% of the firm focused on other complex general litigation matters. Blackstone has been
15 counsel of record on several class and PAGA actions that have since been resolved, the most recent of
16 which are attached hereto as **Exhibit 3**. The attorneys who worked on this case are all experienced in
17 litigating wage and hour matters as follows:

18 a. Jonathan M. Genish is the founder of Blackstone Law, APC. He received his law
19 degree from Benjamin N. Cardozo School of Law and was admitted to the California State Bar in
20 2008. During law school, he clerked at the litigation firm Oved & Oved, LLP and was published
21 several times in various small publications. Upon graduation, he was rehired by Freedman &
22 Taitelman, LLP as an associate and remained employed there from September 2008 through August
23 2015. During his tenure, he managed hundreds (perhaps thousands) of complex litigation cases,
24 ranging from employment, corporate, entertainment, and general business litigation matters, though
25 his primary area of expertise was employment, both single plaintiff and representative actions. On the
26 vast majority of those cases, he was the only or primary attorney managing the case and thus obtained
27 extensive experience. In that capacity, he conducted wage and hour and wrongful termination labor
28 and employment intakes; was the primary contact for all clients; took and defended hundreds (if not

1 thousands) of depositions; propounded and responded to all discovery; prepared and opposed all
2 motions and pleadings, including dispositive and certification motions; strategized on all cases;
3 attended all hearings; attended all mediations; coordinated with class action administrators; prepared
4 and worked with experts; first and second chaired multiple trials and arbitrations; and engaged in all
5 other intricate facets of litigation. During that time, he represented a wide range of clients from sole
6 proprietorships to Fortune 500 companies in state, federal, complex, and appellate courts. Many of
7 the cases he managed were highly publicized, with articles written about them in the Los Angeles
8 Times, Deadline, The Hollywood Reporter, Business Insider, Law360, and others. Super Lawyers has
9 regularly honored him as a Southern California Rising Star since 2012. His billable rate is \$1,150,
10 which is well within the prevailing rate for attorneys with his experience in this area of practice in
11 Southern California.

12 b. Miriam L. Shimmel is a 28-year litigator who joined Blackstone Law, APC in June
13 2022, following ten years of working with two well-known plaintiff-side wage and hour law firms in
14 Los Angeles. She obtained her Bachelor of Arts degree in Political Science from the University of
15 California at Los Angeles in 1992. Thereafter, she received her law degree from Loyola Law School
16 in 1996 and was admitted to the California State Bar in December 1996. Since her admission to the
17 Bar, she has devoted her practice to a wide variety of litigation matters on both the plaintiff and defense
18 side, including general business, toxic tort, medical device, and pharmaceutical matters. Since 2010,
19 her practice has been devoted almost entirely to employment litigation consisting of wage and hour
20 class actions and representative actions pursuant to PAGA, as well as individual actions based on
21 violations of the Fair Employment and Housing Act ("FEHA"). Approximately 75% of her work in
22 this regard has been on behalf of employees (plaintiffs), while the remaining 25% was on behalf of
23 employers/businesses. On many of those cases, she was the senior lead attorney managing the
24 litigation and overseeing other attorneys. In that capacity, she obtained extensive experience analyzing
25 potential wage and hour and wrongful termination claims for viability; took and defended hundreds of
26 depositions; propounded and responded to discovery; prepared and opposed a wide variety of motions
27 and pleadings, including dispositive and certification motions, as well as settlement approval motions;
28 strategized on all cases; participated in and directed communication with class members; attended

1 hearings; led and participated in mediations; coordinated with class action administrators; prepared
2 and worked with experts; and engaged in all other related aspects of litigation in state, federal,
3 complex, and appellate courts. Her billable rate is \$1,050, which is well within the prevailing rate for
4 attorneys with her experience in this area of practice in Southern California.

5 c. Joana Fang is a highly skilled eight-year lawyer who is part of the team at Blackstone
6 Law, APC that litigated this matter. She is a 2015 graduate of Loyola Law School, and a 2011 graduate
7 of University of California, Berkeley where she was a double major in Legal Studies and Media
8 Studies. Since passing the Bar, Ms. Fang has exclusively represented plaintiffs in wage and hour
9 litigation, as well as catastrophic injury complex litigation. She is admitted to the State of California,
10 all federal district courts of California, and the U.S. Court of Appeals for the 9th Circuit. She was
11 most recently recognized as a 2025 Southern California Rising Star by Super Lawyers. Her hourly
12 rate of \$750 is reasonable based on her education and experience and is in line with the market rate.

13 d. I joined Blackstone Law, APC from a highly reputable employment law firm. I
14 graduated from the University of California, Los Angeles with a Bachelor of Arts degree in 2016 and
15 from New England Law | Boston with a Juris Doctor degree in 2019. I was admitted to the State Bar
16 of California in December of 2019 and the State Bars of New York and New Jersey in 2023. I am
17 additionally licensed in all federal district courts of California. I have worked on many wage and hour
18 class action and PAGA representative matters, and my work has included, *inter alia*, researching and
19 drafting pleadings, administrative notice exhaustion, drafting, negotiating, and finalizing stipulations
20 and settlement agreements, engaging in motion practice, claims evaluation and analysis, and making
21 court appearances. I manage the post-settlement department at Blackstone. In that capacity, I oversee
22 and handle over 100 wage-and-hour putative class actions and/or representative actions under PAGA
23 that are in settlement. My hourly rate of \$750 is reasonable based on my education and experience
24 and is in line with the market rate.

25 e. Jared C. Osborne joined Blackstone also from a highly reputable employment law firm.
26 He graduated from New York University with a Bachelor of Arts degree in 2009 and from University
27 of Southern California Gould School of Law (USC) with a Juris Doctor degree in 2020. While at
28 USC, he was an Executive Senior Editor on the Southern California Law Review and graduated in the

top 10% of his class. He was admitted to the State Bar of California in February 2021. Since his admittance, he has worked exclusively as a Plaintiff's side employment attorney handling both individual and class action cases. He was most recently recognized as a 2025 Southern California Rising Star by Super Lawyers. His hourly rate of \$650 is reasonable based on his education and experience and is in line with the market rate.

33. Blackstone has spent approximately 214.30 total hours litigating this matter. To date, our total fees incurred amount to \$188,215. Each attorney who worked on this matter engaged in a multitude of tasks, including communicating with the client and defense counsel; investigating the facts and researching applicable legal issues; drafting pleadings, formal discovery requests, and joint statements; reviewing documents; preparing for and attending mediation; and facilitating the settlement by negotiating the settlement documents and drafting motion papers for obtaining settlement approval. One difficulty in determining the hourly rate of attorneys of similar skill and experience in the relevant community is the scarcity of hourly fee-paying clients in class action litigation. As a practical matter, few if any employees or consumers pay attorneys' fees on an hourly basis for such extensive litigation, and thus retainer agreements in such cases are based on a stepped-up contingency fee (with the percentage increasing from one third to forty-five – and sometimes even fifty percent, which is on par with personal injury contingency fee agreements – if the case goes to trial). Therefore, there is no customary hourly billing rate for work that is routinely based on a contingent fee relationship, but the nature of class action work should be strongly considered by the Court. Wage and hour work presents a specialized and challenging area of law that is not within the knowledge of many lawyers. This kind of class action work requires specialized learning and the willingness to take large risks. A summary of Class Counsel's lodestar for each attorney who worked on this case is as follows:

<u>Attorney</u>	<u>Position</u>	<u>Hours</u>	<u>Rate</u>	<u>Total</u>
Jonathan M. Genish	Managing Partner	23.40	\$1,150	\$26,910
Miriam L. Schimmel	Senior Counsel	73.80	\$1,050	\$77,490
Joana Fang	Senior Associate	30.20	\$750	\$22,650

Alexandra Rose	Senior Associate	46.80	\$750	\$35,100
Jared C. Osborne	Senior Associate	40.10	\$650	\$26,065

34. We expect to spend an additional 10 hours (\$10,500) in connection with preparing for and attending the Final Approval Hearing and managing the Settlement through its conclusion, including anticipated communications with defense counsel, the Administrator, our client, and Class Members. Based thereon, the total amount of Blackstone's fees through closure of this case are estimated to be approximately \$198,715.

35. The Settlement Agreement provides for reimbursement of litigation costs and expenses not to exceed Thirty Thousand Dollars and Zero Cents (\$30,000.00). Blackstone seeks reimbursement of a total of Eleven Thousand Six Hundred Seventy-Three Dollars and Thirty-Two Cents (\$11,673.32) in litigation costs and expenses. A true and correct itemized list of Blackstone's litigation costs and expenses is attached hereto as **Exhibit 4**. This amount was reasonable and necessary in the prosecution of this matter.

36. The requested award of the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment was included and set forth clearly in the Class Notice provided to the Class Members.

Class Representatives' Service Payments

37. As part of the Settlement Agreement, Plaintiffs are requesting reasonable Class Representatives' Service Payments in the aggregate amount of Twenty Thousand Dollars and Zero Cents (\$20,000.00), of which Ten Thousand Dollars and Zero Cents (\$10,000.00) is requested as a reasonable Class Representative Service Payment to Plaintiff Lopez. The requested Class Representative Service Payments are eminently reasonable given the time and effort Plaintiffs spent on this matter, and the benefit to the other Class Members as a result of Plaintiffs' actions. Enhancement awards in wage and hour cases typically range from \$5,000.00 to \$20,000.00, although some awards are higher. The Declaration of Plaintiff Lopez submitted herewith details her work and efforts in bringing and litigating this matter through resolution and supports the requested Class Representative Service Payment. The requested Class Representatives' Service Payments were also disclosed in the Class Notice provided to the Class Members.

Administration Expenses Payment

38. In Plaintiffs’ Motion for Preliminary Approval, Plaintiffs requested, and the Court approved, an Administration Expenses Payment not to exceed Eight Thousand Dollars and Zero Cents (\$8,000.00). ILYM Group, Inc., the approved Administrator, provided Class Counsel with its quote stating that its cost to administer the Settlement is Six Thousand Eight Hundred Fifty Dollars and Zero Cents (\$6,850.00).

Allocation to the LWDA

39. As part of the Settlement, Defendant has agreed to pay Twenty-Five Thousand Dollars and Zero Cents (\$25,000.00) to settle the claims of the Aggrieved Employees brought pursuant to PAGA, of which the payment of Eighteen Thousand Seven Hundred Fifty Dollars and Zero Cents (\$18,750.00) (75% of the PAGA Penalties) will be paid to the LDWA for education and enforcement purposes.

40. It is extremely common in approved wage and hour class action cases that settle that only a small portion of the total settlement is paid to PAGA penalties “in order to maximize payments to class members.” (*Magadia v. Wal-Mart Assocs.* (N.D. Cal. May 31, 2019, No. 17-CV-00062-LHK) 2019 U.S. Dist. LEXIS 91732, *90-91, citing as examples *Ceja-Corona v. CVS Pharm., Inc.* (E.D. Cal. Jan. 14, 2015) 2015 U.S. Dist. LEXIS 5118, 2015 WL 222500, at *2-3 [preliminarily approving \$10,000 in PAGA penalties out of a total settlement amount of \$900,000]; *Thio v. Genji, LLC* (N.D. Cal. 2014) 14 F. Supp. 3d 1324, 1330 [preliminarily approving \$10,000 in PAGA penalties out of a total settlement amount of \$1,250,000]; *Franco v. Ruiz Food Prods.* (E.D. Cal. Nov. 27, 2012) 2012 U.S. Dist. LEXIS 169057, 2012 WL 5941801, at *14 [granting final approval of \$10,000 in PAGA penalties out of a total settlement amount of \$2,500,000]; *Garcia v. Gordon Trucking, Inc.* (E.D. Cal. Oct. 31, 2012) 2012 U.S. Dist. LEXIS 160052, 2012 WL 5364575, at *3 [granting final approval of \$10,000 in PAGA penalties out of a total settlement amount of \$3,700,000]; *Chu v. Wells Fargo Invs., LLC* (N.D. Cal. Feb. 16, 2011) 2011 U.S. Dist. LEXIS 15821, 2011 WL 672645, at *1 [granting final approval of \$10,000 in PAGA penalties out of a total settlement amount of \$6,900,000].) Like here, in these approved settlements, the parties generally maximized statutory penalties and minimized PAGA penalties to focus on claims to the class members, the persons who actually suffered the

1 California Labor Code violations.

2 *Notice to the Class*

3 41. The Class Notice approved by the Court met the requirements for proper notice of
4 settlement to a class: it identified the Parties and described the Actions, the Class, the Gross Settlement
5 Amount, the proposed method for distribution of the Gross Settlement Amount, the amounts proposed
6 to be paid as the Class Representatives' Service Payments to Plaintiffs, the Administration Expenses
7 Payment to the Administrator, and the Class Counsel Fees Payment and Class Counsel Litigation
8 Expenses Payment to Class Counsel. The Class Notice described the proposed Settlement with enough
9 specificity to allow each Class Member to make an informed choice whether to accept and participate
10 in it. It also explained how and when Class Members may object to or opt out of the Class Settlement.
11 Finally, the Class Notice provided the date and time of the hearing on final approval of the Settlement
12 and informed Class Members how to obtain additional information about the Settlement.

13 I declare under penalty of perjury under the laws of the State of California that the foregoing
14 is true and correct. Executed on September 9, 2025, at Jersey City, New Jersey.

2. RECITALS.

2.1. On July 25, 2023, Plaintiff Alma Lopez commenced a wage-and-hour class action by filing a complaint alleging causes of action against AMD for violations under the Labor Code and Business and Professions Code for: (1) unpaid overtime; (2) unpaid minimum wages; (3) unpaid meal period premiums; (4) unpaid rest period premiums; (5) failure to provide accurate wage statements; (6) final wages not timely paid; (7) failure to reimburse necessary business expenses; and (8) violation of California’s Unfair Competition Law, California Business and Professions Code §§ 17200, *et seq.* On September 28, 2023, Plaintiff Alma Lopez amended her complaint to add causes of for wages not timely paid during employment and civil penalties under the PAGA. On August 31, 2023, Plaintiff Jose Refugio Lopez Acevedo commenced a wage-and-hour class action by filing a complaint alleging causes of action against AMD for violations under the Labor Code and Business and Professions Code for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; (7) failure to indemnify employees for expenditures; and (8) violation of California’s Unfair Competition Law, California Business and Professions Code §§ 17200, *et seq.* Plaintiff Alma Lopez intends to amend her complaint further to add Plaintiff Jose Refugio Lopez Acevedo to her action for purposes of approval. 2.3. On August 1, 2024, the Parties participated in an all-day mediation presided over by mediator Kevin Barnes, Esq. which led to this Agreement to settle the Actions.

2.4. Prior to mediation, Plaintiffs obtained, through informal discovery, documents, and information pertaining to their wage-and-hour claims, including, but not limited to, wage-and-hour policy and procedure documents, employee time and payroll data, and the exchanges of relevant data points pertaining to the Class and PAGA claims. Plaintiffs’ investigation was sufficient to satisfy the criteria for court approval set forth in *Dunk v. Foot Locker Retail, Inc.* (1996) 48 Cal.App.4th 1794, 1801 and *Kullar v. Foot Locker Retail, Inc.* (2008) 168 Cal.App.4th 116, 129-130 (“*Dunk/Kullar*”).

2.5. The Court has not granted class certification.

- 2.6. The Parties, Class Counsel, and Defense Counsel represent that they are not aware of any other pending matter or action asserting claims that will be extinguished or affected by the Settlement.

3. MONETARY TERMS.

- 3.1. Gross Settlement Amount. Except as otherwise provided by Paragraph 8 below, AMD promises to pay \$600,000.00 and no more as the Gross Settlement Amount. This amount is all-inclusive of all payments contemplated in this resolution, excluding any employer-side payroll taxes on the portion of the Individual Class Payments allocated to wages which shall be separately paid by AMD to the Administrator. AMD has no obligation to pay the Gross Settlement Amount (or any payroll taxes) prior to the deadline stated in Paragraph 4.2 of this Agreement. The Administrator will disburse the entire Gross Settlement Amount without asking or requiring Participating Class Members or Aggrieved Employees to submit any claim as a condition of payment. None of the Gross Settlement Amount will revert to AMD.
- 3.2. Payments from the Gross Settlement Amount. Subject to the terms and conditions of this Agreement, the Administrator will make and deduct the following payments from the Gross Settlement Amount, in the amounts specified by the Court in the Final Approval:
- 3.2.1. To Plaintiffs: Class Representatives' Service Payments to the Class Representatives of not more than \$20,000 (\$10,000 each), which is in addition to any Individual Class Payment and any Individual PAGA Payment the Class Representatives are entitled to receive as Participating Class Members and Aggrieved Employees). AMD will not oppose Plaintiffs' request for the Class Representatives' Service Payments that do not exceed these amounts. As part of the motion for the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment, Plaintiffs will seek Court approval for the Class Representatives' Service Payments no later than 16 court days prior to the Final Approval Hearing, unless otherwise ordered by the Court. If the Court approves the Class Representatives' Service Payments less than the amounts requested, the Administrator will retain the remainder in the Net Settlement Amount. The Administrator will pay the Class Representatives' Service Payments using IRS Form 1099. Plaintiffs assume full responsibility and liability for employee taxes owed on the Class Representatives' Service Payments.
- 3.2.2. To Class Counsel: A Class Counsel Fees Payment of not more than 1/3 of the Gross Settlement Amount, which is currently estimated to be \$200,000.00 and a Class Counsel Litigation Expenses Payment of not more than \$30,000.00. AMD will not oppose requests for these payments provided that they do not exceed these amounts. Plaintiffs and/or Class Counsel will file a motion for the Class Counsel Fees Payment and Class Litigation Expenses Payment no later than 16 court days prior to the Final Approval Hearing, unless otherwise ordered by the Court. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will retain the

remainder to the Net Settlement Amount. Released Parties shall have no liability to Class Counsel or any other Plaintiffs' counsel arising from any claim to any portion of the Class Counsel Fees Payment and/or Class Counsel Litigation Expenses Payment. The Administrator will pay the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment using one or more IRS 1099 Forms. Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fees Payment and the Class Counsel Litigation Expenses Payment and holds AMD harmless, and indemnifies AMD, from any dispute or controversy regarding any division or sharing of any of these payments.

3.2.3. To the Administrator: An Administration Expenses Payment not to exceed \$8,000.00 except for a showing of good cause and as approved by the Court. To the extent the Administrator's expenses are less or the Court approves payment less than \$8,000.00, the Administrator will retain the remainder in the Net Settlement Amount for distribution to Participating Class Members.

3.2.4. To Each Participating Class Member: The balance of the Net Settlement Amount will be allocated to the Participating Class Members who will be paid based on the number of Workweeks worked during the Class Period. An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's total number of Workweeks.

3.2.4.1. Tax Allocation of Individual Class Payments. 33% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. 67% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for interest and penalties (the "Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment.

3.2.4.2. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.

3.2.5. To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of \$25,000 to be paid from the Gross Settlement Amount, with 75% (\$18,750) allocated to the LWDA PAGA Payment and 25% (\$6,250) allocated to the Individual PAGA Payments.

3.2.5.1. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$2,500) by the total number of Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's total number of Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.

3.2.5.2. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will retain the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

4. SETTLEMENT FUNDING AND PAYMENTS.

4.1. Class Data. Not later than 15 days after Preliminary Approval, AMD will simultaneously deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. The Class Data shall not be shared with either Plaintiffs or Class Counsel unless expressly approved by Defendant and Defense Counsel. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of the Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. AMD has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted Class Member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which AMD must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

4.2. Funding of Gross Settlement Amount. AMD shall fully fund the Gross Settlement Amount, and also fund the amounts necessary to fully pay AMD's share of payroll taxes by transmitting the funds to the Administrator no later than 21 days after the Effective Date.

4.3. Payments from the Gross Settlement Amount. Within 10 days after AMD funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representatives' Service Payments. Disbursement of the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representatives' Service Payments shall not precede disbursement of Individual Class Payments and Individual PAGA Payments.

4.3.1. The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members and Aggrieved Employees via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the date (not less than 180 days after the date of mailing) when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Class Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Administrator must update the recipients' mailing addresses using the National Change of Address Database.

4.3.2. The Administrator must conduct a Class Member Address Search for all other Participating Class Members and/or Aggrieved Employees whose checks are returned undelivered without USPS forwarding address. Within 7 days of receiving a returned check, the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Participating Class Members and/or Aggrieved Employees whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Participating Class Member and/or Aggrieved Employee whose original check was lost or misplaced, requested by the Participating Class Member and/or Aggrieved Employee prior to the void date.

4.3.3. For any Participating Class Member and/or Aggrieved Employee whose Individual Class Payment check and/or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds to Legal Aid at Work. The Parties have selected Legal Aid at Work as the *cy pres* recipient. If the Court does not approve the *cy pres* designee, the Parties shall select a new *cy pres* designee, with approval by the Court.

4.3.4. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate AMD to confer any additional benefits or make any additional payments to Participating Class Members and/or Aggrieved Employees (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

5. RELEASES OF CLAIMS. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiffs, Participating Class Members, Aggrieved Employees, and the LWDA will release claims against all Released Parties as follows:

5.1 Plaintiffs' Release. In addition to the claims under Sections 5.2 and 5.3 below, upon the Effective Date and full funding of the Gross Settlement Amount, Plaintiffs,

individually and on behalf of their respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns agree to a general release and discharge the Released Parties from any and all claims, transactions, or occurrences against the Released Parties—which includes without limitation to: (a) all claims that were, or reasonably could have been, alleged, based on the facts contained, in the Operative Complaint; (b) all PAGA claims that were, or reasonably could have been, alleged based on facts contained in the Operative Complaint, the PAGA Notices, or ascertained during the Actions and released under 5.2, and 5.3, below; and (c) any and all claims which in any way relate to Plaintiffs’ employment with Defendant, under State or Federal law, in tort, common law, statute, contract, or equity, whether pled in the Operative Complaint or not, including but not limited to any claims under the Fair Labor Standards Act (“FLSA”), Title VII, Americans with Disabilities Act (“ADA”), Fair Employment and Housing Act (“FEHA”), Age Discrimination in Employment Act (“ADEA”), Private Attorneys General Act (“PAGA”), California Labor Code, or any Industrial Welfare Commission Wage Order—now existing or arising in the future, based on any act, omission, event, occurrence, or nonoccurrence from the beginning of time to the date of execution hereof (“Plaintiffs’ Release”). The Plaintiffs’ Release does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, workers’ compensation benefits that arose at any time, or based on occurrences outside the Class Period. Plaintiffs acknowledge that Plaintiffs may discover facts or law different from, or in addition to, the facts or law that Plaintiffs now know or believe to be true but agree, nonetheless, that the Plaintiffs’ Release shall be and remain effective in all respects, notwithstanding such different or additional facts or Plaintiffs’ discovery of them.

- 5.1.1 Plaintiffs’ Waiver of Rights Under California Civil Code Section 1542. For purposes of the Plaintiffs’ Release, Plaintiffs expressly waive and relinquish the provisions, rights, and benefits, if any, of section 1542 of the California Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

- 5.2 Release by Participating Class Members: Upon the Effective Date and full funding of the Gross Settlement Amount, all Participating Class Members release the Released Parties from all claims that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and ascertained in the course of the Actions during the Class Period, including, but not limited to, any and all claims for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay wages during employment; (6) failure to timely pay final wages at termination; (7) failure to provide accurate itemized wage statements; (8) failure to indemnify employees for expenditures; and (9) violation of California’s Unfair Competition Law, California Business and Professions Code §§ 17200, *et seq.* Except as set forth in Section 5.3 of this

Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

- 5.3 Release by Aggrieved Employees: Upon the Effective Date and full funding of the Gross Settlement Amount, all Aggrieved Employees release the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and the PAGA Notices and ascertained in the course of the Actions during the PAGA Period, including, but not limited to, any and all claims for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay wages during employment; (6) failure to timely pay final wages at termination; (7) failure to provide accurate itemized wage statements; (8) failure to keep complete and accurate payroll records; and (7) failure to indemnify employees for expenditures.

6. MOTION FOR PRELIMINARY APPROVAL. The Parties agree to jointly prepare and file a motion for preliminary approval ("Motion for Preliminary Approval").

- 6.1 Plaintiffs' Responsibilities. Plaintiffs will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code Section 2699, subd. (f)(2); (ii) a draft of the proposed Preliminary Approval Order; (iii) a draft proposed Class Notice; (iv) a signed declaration from the Administrator attaching its "not to exceed" bid for administering the Settlement and attesting to its willingness to serve; competency; operative procedures for protecting the security of Class Data; amounts of insurance coverage for any data breach, defalcation of funds or other misfeasance; all facts relevant to any actual or potential conflicts of interest with Class Members; and the nature and extent of any financial relationship with Plaintiffs, Class Counsel, or Defense Counsel; (v) signed declarations from Plaintiffs confirming willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members and/or the Administrator; and (vi) signed declarations from Class Counsel attesting to their competency to represent the Class Members; the timely transmission to the LWDA of all necessary PAGA documents (initial notice of violations [Labor Code section 2699.3, subd. (a)], Operative Complaint [Labor Code section 2699, subd. (l)(1)], this Agreement [Labor Code section 2699, subd. (l)(2)]); and all facts relevant to any actual or potential conflict of interest with Class Members and the Administrator. In their declarations, Class Counsel shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.

- 6.2 Responsibilities of Counsel. Class Counsel and Defense Counsel are jointly responsible for expeditiously finalizing and filing the Motion for Preliminary Approval and will use their best efforts to file the motion no later than 45 days after the full execution

of this Agreement; obtaining a prompt hearing date for the Motion for Preliminary Approval; and for appearing in Court to advocate in favor of the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court's Preliminary Approval Order to the Administrator.

- 6.3 Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant preliminary approval or conditions preliminary approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

7. SETTLEMENT ADMINISTRATION.

- 7.1 Selection of Administrator. The Parties have jointly selected ILYM Group, Inc. to serve as the Administrator and verified that, as a condition of appointment, ILYM Group, Inc. agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of the Administration Expenses Payment. The Administrator's duties will include preparing, printing, and mailing the Class Notice to all Class Members; conducting a National Change of Address search to update Class Member addresses before mailing the Class Notices; re-mailing Class Notices that are returned to the Class Member's new address; setting up a toll-free telephone number and email to receive communications from Class Members; receiving and reviewing for validity completed Requests for Exclusion; providing the Parties with weekly status reports about the delivery of Class Notices and receipt of Requests for Exclusion, objections, and disputes; calculating Individual Class Payments and Individual PAGA Payments; issuing the checks to effectuate the payments due under the Settlement; issuing the tax reports required under the Settlement; and otherwise administering the Settlement pursuant to this Agreement. The Parties and their counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.
- 7.2 Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.
- 7.3 Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1.
- 7.4 Notice to Class Members.
- 7.4.1 No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state

the number of Class Members, Aggrieved Employees, Workweeks, and Pay Periods in the Class Data.

7.4.2 Using best efforts to perform as soon as possible, and in no event later than 10 days after receiving the Class Data, the Administrator will send to all Class Members and Aggrieved Employees identified in the Class Data, via first-class United States Postal Service (“USPS”) mail, the Class Notice with Spanish translation, if applicable substantially in the form attached to this Agreement as Exhibit C. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member and/or Aggrieved Employee, and the number of Workweeks and Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member and Aggrieved Employee addresses using the National Change of Address database.

7.4.3 Not later than five (5) business days after the Administrator’s receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notices to Class Members whose Class Notice is returned by the USPS a second time.

7.4.4 The deadlines for Class Members’ written objections, challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the 45 days otherwise provided in the Class Notice for all Class Members and/or Aggrieved Employees whose Class Notice is re-mailed. The Administrator will inform the Class Member and/or Aggrieved Employee of the extended deadline with the re-mailed Class Notice.

7.4.5 If the Administrator, AMD, or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received a Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith in an effort to agree on whether to include them as Class Members and/or Aggrieved Employees. If the Parties agree, such persons will be Class Members and/or Aggrieved Employees entitled to the same rights as other Class Members and/or Aggrieved Employees, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, whichever are later.

7.5 Requests for Exclusion (Opt-Outs).

- 7.5.1 Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by email or mail, a signed written Request for Exclusion, emailed or postmarked no later than the Response Deadline (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or the Class Member's representative that reasonably communicates the Class Member's election to be excluded from the Class Settlement and includes the Class Member's full name, mailing address, telephone number, and last four digits of the Class Member's Social Security number. To be valid, a Request for Exclusion must be timely emailed or postmarked by the Response Deadline.
- 7.5.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.
- 7.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Released Class Claims, regardless of whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.
- 7.5.4 Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the Released PAGA Claims and are eligible for an Individual PAGA Payment. In other words, there shall be no right for Aggrieved Employees to request exclusion from the PAGA settlement. If a Class Member submits both a Request for Exclusion and an objection, only the Request for Exclusion will be accepted, and the objection will be void.
- 7.6 Challenges to Calculation of Workweeks and/or Pay Periods. Each Class Member and/or Aggrieved Employee shall have until the Response Deadline (plus an additional 14 days for Class Members and/or Aggrieved Employees whose Class Notice is re-mailed) to challenge the number of Workweeks and/or Pay Periods (if any) allocated to the Class Member and/or Aggrieved Employee in the Class Notice. The Class Member and/or Aggrieved Employee may challenge the allocation by communicating with the Administrator via email or mail. The Administrator must encourage the challenging Class

Member and/or Aggrieved Employee to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks and/or Pay Periods contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or each Aggrieved Employee's allocation of Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination the challenges.

7.7 Objections to the Class Settlement.

7.7.1 Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, and/or the Class Representatives' Service Payments.

7.7.2 Participating Class Members may send written objections to the Administrator, by email or mail, emailed or postmarked no later than the Response Deadline (plus an additional 14 days for Class Members whose Class Notice was re-mailed). In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing.

7.7.3 Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

7.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

7.8.1 Website, Email Address and Toll-Free Number. The Administrator will establish, maintain, and use an internet website (or maintain and use a portion of its existing website) to post information of interest to Class Members and Aggrieved Employees including the date, time, and location for the Final Approval Hearing and copies of the Agreement, Motion for Preliminary Approval, the Preliminary Approval Order, the Class Notice, the Motion for Final Approval, the Motion for the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representatives' Service Payments, the Final Approval Order, and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls and emails.

7.8.2 Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their

validity. Not later than 7 days after the expiration of the Response Deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion (“Exclusion List”); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; and (c) copies of all Requests for Exclusion submitted (whether valid or invalid) with personal identifying information other than names redacted.

7.8.3 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include provide the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received, with personal identifying information other than names redacted.

7.8.4 Administrator’s Declaration. Not later than 14 days before the date by which Plaintiffs are required to file the Motion for Final Approval, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections, and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator’s declaration(s) in Court.

7.8.5 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator’s declaration in Court. If a second declaration attesting to the distribution of uncashed checks is required, the Administrator shall provide this second declaration at least 7 days before any deadline for a second declaration and Class Counsel shall be responsible for filing the second declaration with the Court.

8. **ESCALATOR CLAUSE.** This Settlement is based on 17,405 combined workweeks/pay periods (9,407 workweeks from July 25, 2019 to August 1, 2024 and 7,998 pay periods from July 24, 2022 to August 1, 2024). If the number of combined Workweeks/Pay Periods during the Class Period and PAGA Period increases by more than 10% (i.e., if the Workweeks/Pay Periods exceed 19,145), Defendant, at its option, can either choose to: (1) cut off the end dates for the Class Period and PAGA Period as of the date on which the number of combined Workweeks/Pay Periods reaches 19,145, or (2) increase the Gross Settlement Amount on a proportional basis equal to the percentage increase in number of combined Workweeks/Pay Periods above the 10% (i.e., if there was 11% increase in the number of combined Workweeks/Pay Periods, Defendant would agree to increase the Gross Settlement Amount by 1%)
9. **AMD'S RIGHT TO WITHDRAW.** If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 10% of the total of all Class Members, AMD may, but is not obligated to, elect to withdraw from the Settlement. The Parties agree that, if AMD withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, AMD will remain responsible for paying all of the Administrator's expenses incurred to that point. AMD must notify Class Counsel and the Court of its election to withdraw not later than ten days after the Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect.
10. **MOTION FOR FINAL APPROVAL.** Unless otherwise ordered by the Court, not later than 16 court days before the calendared Final Approval Hearing, Plaintiffs will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (l), a proposed Final Approval Order and a proposed Judgment (collectively, "Motion for Final Approval"). Plaintiffs shall provide drafts of these documents to Defense Counsel prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.
- 10.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
- 10.2 Duty to Cooperate. If the Court does not grant final approval or conditions final approval on any material change to the Agreement (including, but not limited to, the scope of releases to be granted by Participating Class Members and Aggrieved Employees), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain final approval. The Court's decision to award less than the amounts requested for the Class Representatives' Service Payments, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, and/or Administration Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

10.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Actions, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.

10.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment reflected set forth in this Agreement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs, or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.

10.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of releases to be granted by Participating Class Members and Aggrieved Employees), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain final approval and entry of the Judgment, sharing, on a 50-50 basis, any additional Administrator expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representatives' Service Payments or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

11. **AMENDED JUDGMENT.** If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

12. **ADDITIONAL PROVISIONS.**

12.1 No Admission of Liability, Class Certification, or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by AMD that any of the allegations in the Operative Complaint have merit or that AMD has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiffs that AMD's defenses in the Actions have merit. The Parties agree that class certification and representative treatment is for purposes of the Settlement only. If, for any reason the Court does grant preliminary approval, final approval, or enter

the Judgment, pursuant to this Agreement, the Parties will stipulate that class certification will be revoked without prejudice, AMD reserves the right to contest certification of any class for any reasons, and AMD reserves all available defenses to the claims in the Actions, and Plaintiffs reserve the right to move for class certification on any grounds available and to contest AMD's defenses. The Settlement, this Agreement, and the Parties' willingness to settle the Actions will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

12.2 Confidentiality Prior to Preliminary Approval. Plaintiffs, Class Counsel, AMD, and Defense Counsel separately agree that, until the Motion for Preliminary Approval is filed, they and each of them will not disclose, disseminate, and/or publicize, or cause or permit another person to disclose, disseminate, or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiffs, Class Counsel, AMD, and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, with any third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

12.3 No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.

12.4 No Publicity. Plaintiffs and Class Counsel will not contact the media about the Settlement or respond to any inquiries by the media regarding the Settlement, other than to state that the matter was amicably settled. Plaintiffs and their respective counsel also will not post any information about the Settlement on social media or their firms' websites. Nothing herein will restrict Class Counsel from including publicly available information regarding the Settlement in future judicial submissions regarding Class Counsel's qualifications and experience. Furthermore, Plaintiffs and Class Counsel will undertake any and all disclosures required to be made to the LWDA in conformity with PAGA.

12.5 Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement, together with its attached exhibits, shall constitute the entire agreement

between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.

- 12.6 Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiffs and AMD, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.
- 12.7 Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Agreement, submitting supplemental evidence, and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of the mediator and/or the Court for resolution. If the Court believes the amount of the Administration Expenses Payment; Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment; Class Representatives' Service Payments; or PAGA Penalties should be modified, the other terms of the Settlement will remain in effect and any such reduction will not affect the remaining terms, other than adjusting the Net Settlement Amount. A reduction to the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment; Class Representatives' Service Payments; or PAGA Penalties is not a ground for rescinding the Settlement.
- 12.8 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in the Settlement.
- 12.9 No Tax Advice. Neither Plaintiffs, Class Counsel, AMD, nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in the Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 12.10 Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
- 12.11 Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 12.12 Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the State of California, without regard to conflict of law principles.

- 12.13 Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 12.14 Confidentiality. To the extent permitted by law, all agreements made, and orders entered during Actions and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.
- 12.15 Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code § 1152, and all copies and summaries of the Class Data provided to Class Counsel by AMD in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a declaration confirming the final pay out of all Settlement funds, Plaintiffs shall destroy, all paper and electronic versions of Class Data received from AMD unless, prior to the Court's discharge of the Administrator's obligation, AMD makes a written request to Class Counsel for the return, rather than the destruction, of Class Data.
- 12.16 Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 12.17 Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.
- 12.18 Notice. All notices, demands, or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

- 12.19 Execution in Counterparts. This Agreement may be executed in one or more counterparts by facsimile, electronically (i.e. DocuSign), or email which for purposes of this Agreement shall be accepted as an original. All executed counterparts and each of them will be deemed to be one and the same instrument if counsel for the Parties will exchange between themselves signed counterparts. Any executed counterpart will be admissible in evidence to prove the existence and contents of this Agreement.
- 12.20 Stay of Litigation. The Parties agree that upon the execution of this Agreement the litigation shall be stayed (including with respect to CCP section 583.330), except to effectuate the terms of this Agreement.

EXHIBIT A

MUTUAL AGREEMENT TO ARBITRATE CLAIMS

1. This Mutual Agreement to Arbitrate Claims ("Agreement") is entered into between Advanced Manufacturing & Development, Inc. dba METALfx or one of its affiliates, successors, subsidiaries, or parent (collectively and separately, "the Company") and [REDACTED]. The Company and I (collectively, the "Parties") agree to use binding arbitration as the means to resolve all disputes that may arise out of or relate to my application for employment or employment with the Company, including termination, except as stated herein. The Company and I each waive and relinquish our respective rights to bring a claim against the other in court and this waiver will be equally binding on any person who represents or seeks to represent the Company or me in a lawsuit against the other in court. Except as stated herein, the Company and I agree to submit any claim, dispute, and/or controversy against the other to binding arbitration under the Federal Arbitration Act ("FAA"). This includes any such claims against the Company's brands, concepts, affiliates, subsidiaries, parents, related entities, owners, directors, officers, managers, employees, agents, or alleged joint employers. The binding arbitration will be determined in conformity with the procedures of the California Arbitration Act ("CAA"), Cal. Code Civ. Proc. §§ 1280 et seq., including Section 1283.05 and the CAA's other mandatory and permissive rights to discovery. However, a court may not refuse to enforce this Agreement or stay the arbitration proceeding under Cal. Code Civ. Proc. § 1281.2(c).

2. The Company and I agree the FAA applies to this Agreement. The Parties also agree the scope of this Agreement includes all disputes, whether based on tort, contract, or statute. This includes any claims of discrimination, harassment and/or retaliation, whether they be based on the California Fair Employment and Housing Act, Title VII of the Civil Rights Act of 1964, as amended, or any other state or federal law or regulation, equitable law, or otherwise. However, this Agreement does not cover claims arising under the National Labor Relations Act brought before the National Labor Relations Board, claims for medical and disability benefits under the California Workers' Compensation Act, Employment Development Department claims, or as otherwise required by state or federal law. It also does not prevent me from filing and pursuing proceedings before the California Department of Fair Employment and Housing or the United States Equal Employment Opportunity Commission. However, if I pursue a claim following the exhaustion of such administrative remedies, that claim would be subject to this Agreement. It also does not prevent me from filing and pursuing proceedings before the California Department of Industrial Relations, Labor Commissioner's Office, under Cal. Lab. Code § 98. However, if the Company or I pursue a de novo review of the Labor Commissioner's order, that claim would be subject to this Agreement. The Company and I agree to give up our respective rights to trial by jury of any claim we may have against the other that may arise out of or relate to my application for employment or employment with the Company, including termination, except as stated herein. This includes any such claims against the Company's brands, concepts, affiliates, subsidiaries, parents, related entities, owners, directors, officers, managers, employees, agents, or alleged joint employers.

3. The Company and I agree that arbitration is the exclusive remedy for all disputes, except as stated herein.

4. The Company and I will bring all claims brought under this Agreement in an individual capacity.

5. **CLASS AND COLLECTIVE ACTION WAIVER:** THE COMPANY AND I AGREE THIS AGREEMENT ELIMINATES MY ABILITY TO BRING OR PARTICIPATE IN CLASS OR COLLECTIVE ACTIONS. Except as stated herein, no one has the authority to construe this Agreement to allow or permit the consolidation or joinder of other claims or controversies involving any other employees or permit such claims or controversies to proceed as a class or collective action. By signing this Agreement, I am agreeing to waive any substantive or procedural rights I may have to sue on a class or collective basis. No court or arbitrator will have the authority under this Agreement to order a class, collective, or representative action to proceed in arbitration.

6. To the extent allowable under applicable law, this Agreement will not be construed to allow or permit claims brought on behalf of any state or government as a private attorney general, including claims under California Private Attorneys General Act of 2004 ("PAGA"). By signing this Agreement, I agree to waive any substantive or procedural rights I may have to sue on as a private attorney general. No court or arbitrator will have the authority under this Agreement to order claims brought on behalf of any state or government as a private attorney general, including claims under PAGA, to proceed in arbitration.

7. The Company and I agree that a court of competent jurisdiction will be the sole determiner of any disputes regarding whether this Agreement allows for class, collective, or representative arbitration. A court of competent jurisdiction will decide all issues about the enforceability of the class, collective, or representative waivers herein. The arbitrator has no authority or jurisdiction regarding these issues.

8. If a court determines that the prohibition on class, collective, private attorney general, or representative actions is invalid, the Company and I waive any right to arbitration of the class, collective, private attorney general, or representative actions. Instead, the Company and I agree that such claims will proceed in court and not before an arbitrator, but only after the Company and I arbitrate any claims subject to this Agreement.

9. The Company and I agree that a court of competent jurisdiction will be the sole determiner of whether the FAA applies to this Agreement.

10. I understand this Agreement does not interfere with my rights to collectively bargain, to engage in protected, concerted activity, or to exercise other rights protected under the National Labor Relations Act.

11. Besides any other requirements imposed by law, the arbitrator selected will be a retired judge or an otherwise qualified individual to whom the Parties mutually agree, and will be subject to disqualification on the same grounds as would apply to a judge of such court. All California rules of pleading (including the right of demurrer), all rules of evidence, all rights to resolution of the dispute by means of summary judgment, judgment on the pleadings, and judgment under Cal. Code Civ. Proc. § 631.8 will apply and be observed. The arbitrator will

have the immunity of a judicial officer from civil liability when acting in the capacity of an arbitrator, which immunity supplements any other existing immunity. Likewise, all communications made in good faith contemplation of, during, or for the arbitration proceedings are privileged under Cal. Code Civ. Proc. § 47(b). As reasonably required to allow full use and benefit of this Agreement's modifications to the CAA's procedures, the arbitrator will extend the times for giving notices and setting of hearings. Awards will include the arbitrator's written reasoned opinion. Resolution of all disputes shall be based solely upon the law governing the claims and defenses pleaded, and the arbitrator may not invoke any basis (including but not limited to, notions of "just cause") other than such controlling law.

12. I agree any oral representations or agreements made before or after my employment with the Company about dispute resolution procedures do not alter this Agreement.

13. If any word, term, phrase, sentence, provision, or portion of this Agreement is declared void or unenforceable, including, but not limited to, my agreement to waive any right I may have to bring a class, collective, and/or representative action, said term or provision shall be severed and the remainder of this Agreement shall be enforceable.

14. The Company and I agree to hold all claims brought under this Agreement in the county in which the claims arose or any other county where venue is otherwise appropriate under statute.

15. The Company and I agree this Agreement mutually benefits the Parties. The Company and I also agree such mutuality constitutes sufficient legal consideration to make all obligations agreed to herein enforceable under law. Additionally, for employees, sufficient consideration herein includes the acceptance of employment and/or continued employment with the Company, and/or Company's agreement to arbitrate all disputes, except as stated herein.

16. This Agreement controls any prior arbitration agreements that might exist between the Parties, to the extent such agreements conflict.

REGARDLESS OF WHETHER YOU SIGN THIS AGREEMENT, BY ACKNOWLEDGING THIS AGREEMENT, YOU HAVE AGREED AND ASSENTED TO ITS TERMS AND ACKNOWLEDGE THIS AGREEMENT IS BINDING. YOU FURTHER UNDERSTAND THAT THIS AGREEMENT REQUIRES YOU TO ARBITRATE ALL DISPUTES THAT ARISE OUT OF YOUR EMPLOYMENT. IT IS UNNECESSARY THAT YOU OR THE COMPANY SIGN THIS AGREEMENT FOR IT TO BE BINDING.

EXHIBIT B

MUTUAL AGREEMENT TO ARBITRATE CLAIMS

1. The Company¹ and its affiliates, subsidiaries, or parents (collectively and separately, Company) and I enter into this Mutual Agreement to Arbitrate Claims (Agreement). Except as stated herein, the Company and I agree to give up our respective rights to trial by jury, and agree to use binding arbitration as the means to resolve all disputes that may arise out of or relate to my application for employment or employment with the Company, including termination of employment.

2. The Company and I each waive and relinquish our respective rights to bring a claim against the other in court, and this waiver will be equally binding on any person who represents the Company or me in a lawsuit against the other in court. Except as stated herein, the Company and I agree to submit any claim, dispute, and/or controversy against the other to binding arbitration under the Federal Arbitration Act (FAA). This includes any such claims against the Company's affiliates, subsidiaries, parents, related entities, owners, directors, officers, managers, employees, agents, or alleged joint employers.

3. The Company and I agree the FAA (9 U.S.C. §§ 1-16) applies to this Agreement. The Company and I expressly incorporate the terms of the FAA into this Agreement and agree they apply, including the procedural and substantive rules of the FAA.

4. The Company and I agree the scope of this Agreement includes all disputes, whether based on tort, contract, or statute. This includes claims alleging violation of wage and hour laws, and any claims of discrimination, harassment and/or retaliation, whether they be based on the California Fair Employment and Housing Act, Title VII of the Civil Rights Act of 1964, as amended, or any other state or federal law or regulation, equitable law, or otherwise. However, this Agreement does not cover claims for sexual harassment or sexual assault arising on or after March 3, 2022; administrative claims arising under the National Labor Relations Act that must be brought before the National Labor Relations Board; administrative claims for medical and disability benefits under the California Workers' Compensation Act, administrative claims for benefits from California's Employment Development Department; or other claims that cannot be arbitrated as a matter of law, but only when the arbitrability of such claims is not preempted by the FAA. This Agreement does not prevent me from filing and pursuing administrative proceedings before the California Civil Rights Department or the United States Equal Employment Opportunity Commission. However, if I pursue a claim following the exhaustion of such administrative remedies, that claim would be subject to this Agreement. This Agreement also does not prevent me from filing and pursuing administrative proceedings before the California Department of Industrial Relations, Labor Commissioner's Office, under Labor Code Section 98. However, if the Company or I wish to seek review of the Labor Commissioner's order, that claim would be subject to this Agreement.

5. The Company and I agree that arbitration is the exclusive remedy for all disputes, except as stated herein.

6. The Company and I will arbitrate all claims subject to this Agreement in an individual capacity.

7. The Company and I agree that any non-arbitrable disputes or claims will be severed, separated, and split from arbitrable disputes or claims wherever necessary to ensure enforcement of this Agreement as to any disputes subject to arbitration. The Company and I intend for this Agreement to allow for individual arbitration of disputes and claims to the maximum extent possible.

8. If a party brings claims subject to this Agreement along with non-arbitrable claims, the Company and I agree to stay the non-arbitrable claims pending arbitration of the claims subject to this Agreement.

9. *Class and Collective Action Waiver: The Company and I agree this Agreement eliminates my ability to bring or participate in class or collective actions.* No court or arbitrator has the authority to construe this Agreement to allow or permit the consolidation or joinder of other claims or controversies involving any other employees in arbitration or permit such claims or controversies to proceed as a class or collective action. By signing this Agreement, I agree to waive any substantive or procedural rights I may have to sue on a class or collective basis.

10. *Individual Arbitration:* To the extent allowable under applicable law, I agree to arbitrate any claims, the Company's defenses to such claims, or any disputes related to California Labor Code violations I allegedly suffered, including claims, defenses, and disputes arising out of or related to California's Private Attorneys General Act of 2004 (PAGA), on an individual basis. No arbitrator will have the authority under this Agreement to arbitrate claims, defenses or disputes related to Labor Code violations allegedly suffered by non-parties to this Agreement. If a court compels arbitration of individual claims, defenses, or disputes arising out of or related to PAGA, the Company and I agree the court should dismiss any non-individual, representative claims or disputes related to Labor Code violations allegedly suffered by non-parties to this Agreement, to the extent allowable under applicable law. If dismissal of claims related to Labor Code violations allegedly suffered by non-parties to this Agreement is not allowable under applicable law, the Company and I agree to stay such claims pending any arbitration of individual claims, defenses, or disputes arising out of or related to PAGA.

11. The Company and I agree that a court of competent jurisdiction will be the sole determiner of any disputes regarding whether the FAA applies to this Agreement, whether the Agreement requires individual arbitration of all claims, and whether the Agreement allows for class or collective arbitration. A court of competent jurisdiction will decide all issues about the enforceability of the class or collective waivers herein. The

¹ Advanced Manufacturing and Development, Inc. dba METALfx is my employer and referred to herein as "the Company." Although this Agreement is between and me and the Company, I understand and agree it is for my benefit and the benefit, of the Company, its affiliates, subsidiaries or parents, and any alleged joint-employer, alter ego, or agent of my employer.

arbitrator has no authority or jurisdiction regarding these issues. If a court enforces the class and collective waiver herein, the Company and I agree the court should also dismiss any class and/or collective claims without prejudice, to the extent allowable under applicable law.

12. Except as stated in the prior paragraph, the parties agree that all other disputes between them, including without limitation, disputes concerning formation or enforceability of this Agreement, are delegated to the Arbitrator who shall have exclusive authority to resolve such disputes.

13. If a court determines the prohibition on class or collective actions, or the requirement to arbitrate PAGA claims on an individual basis as set forth above are invalid, the Company and I waive any right to arbitration of class or collective actions, or PAGA actions involving alleged Labor Code violations suffered by non-parties. Instead, the Company and I agree that such claims will proceed in court and not before an arbitrator, but only after the Company and I arbitrate any claims subject to this Agreement. Note: if a court determines the prohibition on class actions only is invalid, the prohibition on collective actions and requirement to arbitrate PAGA claims on an individual basis remain in effect. Likewise, if a court determines the prohibition on collective actions only is invalid, the prohibition on class actions and requirement to arbitrate PAGA claims on an individual basis remain in effect. Finally, if a court determines the requirement to arbitrate PAGA claims on an individual basis only is invalid, the prohibition on class and collective actions remain in effect.

14. I understand this Agreement does not interfere with the right to collectively bargain, to engage in protected, concerted activity, or to exercise other rights protected under the National Labor Relations Act.

15. Besides any other requirements imposed by law, the arbitrator selected will be a retired judge or an otherwise qualified individual to whom the Company and I agree, and will be subject to disqualification on the same grounds as would apply to a judge of such court. If the Company and I cannot agree upon an arbitrator, a court of competent jurisdiction may appoint one. The arbitrator will also have the immunity of a judicial officer from civil liability when acting in the capacity of an arbitrator, which immunity supplements any other existing immunity. The arbitrator shall have the authority to issue subpoenas to compel the production of documents, and the attendance of witnesses at deposition or the arbitration hearing. The arbitrator shall base resolution of all disputes solely upon the law governing the claims and defenses pleaded. The arbitrator may not invoke any basis (including but not limited to, notions of "just cause") other than such controlling law. Awards shall include the arbitrator's written reasoned opinion.

16. All California rules of pleading (including the right of demurrer), all rules of evidence, all rights to resolution of the dispute by means of motions for summary judgment, judgment on the pleadings, and judgment under Code of Civil Procedure Section 631.8 will apply and be observed. The Company and I also agree all rights under Code of Civil Procedure Section 998 apply.

17. The Company and I agree, time is not of the essence with respect to payment of arbitration provider invoices provided they are paid within a reasonable time. The Company and I stipulate and agree that arbitration invoices may be paid 60 days following the Company's receipt of an invoice if no due date is stated, and 60 days following the due date stated in the invoice, if a due date is stated.

18. The Company and I agree that the terms of this Agreement are the complete and final agreement. No negotiations, oral or written representations, alter this Agreement or vary its terms. The Company and I agree only a signed, written agreement can modify this Agreement.

19. If a court finds any word, term, phrase, sentence, provision, or portion of this Agreement void or unenforceable, the Company and I agree the court should sever the word, term, phrase, provision, or portion and enforce the remainder of this Agreement to the fullest extent necessary to allow for arbitration of claims, defenses, or disputes on an individual basis only.

20. If an appeal arises from a court ruling regarding motion/petition to compel individual arbitration under this Agreement, the Company and I agree to stay the underlying action pending the completion of the appeal in accordance with the FAA.

21. The Company and I agree to hold the arbitration in the county in which the claims arose, or in the county in which I primarily reside, whichever is most convenient for the Company and me. If the Company and I cannot agree on the local venue, the arbitrator can determine the local venue in accordance with applicable law or arbitration rules.

22. The Company and I agree this Agreement is mutually beneficial. The Company and I also agree such mutuality constitutes sufficient legal consideration to make all obligations agreed to herein enforceable under law.

23. If the Company and I have agreed to any prior arbitration agreement, that agreement remains in effect. The Company and I agree this Agreement does not invalidate or supersede any prior arbitration agreement. However, the terms of this Agreement control to the extent there are any conflicting terms in any prior arbitration agreement.

I AGREE AND ASSENT TO THE TERMS OF THIS AGREEMENT. I AGREE IT IS UNNECESSARY FOR THE COMPANY TO SIGN THIS AGREEMENT FOR IT TO BE BINDING.

ACUERDO MUTUO PARA ARBITRAR RECLAMACIONES

1. La Empresa¹ y sus filiales, subsidiarias o empresas matrices (colectivamente y por separado, la Empresa) y yo suscribimos el presente Acuerdo Mutuo para Arbitrar Reclamaciones (Acuerdo). A excepción de lo que aquí se establece, la Empresa y yo aceptamos renunciar a nuestros respectivos derechos a juicio por jurado, y aceptamos utilizar el arbitraje vinculante como medio para resolver todas las disputas que puedan surgir o estar relacionadas con mi solicitud de empleo o mi empleo en la Empresa, incluida la rescisión del contrato laboral.

2. La Empresa y yo desistimos y renunciamos a nuestros respectivos derechos a presentar una reclamación contra el otro ante un tribunal, y esta renuncia será igualmente vinculante para cualquier persona que represente a la Empresa o a mí en una demanda contra el otro ante un tribunal. A excepción de lo establecido en el presente documento, la Empresa y yo acordamos someter cualquier reclamación, disputa y/o controversia contra la otra parte a arbitraje vinculante en virtud de la Ley Federal de Arbitraje (FAA). Esto incluye cualquier reclamación de este tipo contra las filiales, subsidiarias, empresas matrices, entidades relacionadas, propietarios, directores, funcionarios, gerentes, empleados, agentes o presuntos co-empleadores de la empresa.

3. La Empresa y yo estamos de acuerdo en que la FAA (Artículo 1 y ss del título 9 del código de los Estados Unidos) se aplica a este Acuerdo. La Empresa y yo incorporamos expresamente los términos de la FAA a este Acuerdo y acordamos que son de aplicación, incluidas las normas sustantivas y de procedimiento de la FAA.

4. La Empresa y yo estamos de acuerdo en que el ámbito de aplicación del presente Acuerdo incluye todas las disputas, ya sean extracontractuales, contractuales o legales. Esto incluye reclamaciones por infracción de las leyes sobre salarios y horarios, y cualquier reclamación por discriminación, acoso y/o represalias, ya se basen en la Ley de Vivienda y Empleo Justo de California, en el Título VII de la Ley de Derechos Civiles de 1964, en su versión modificada, o en cualquier otra ley o reglamento estatal o federal, ley de equidad o de otro tipo. Sin embargo, este Acuerdo no cubre las reclamaciones por acoso sexual o agresión sexual que surjan a partir del 3 de marzo de 2022; las reclamaciones administrativas que surjan en virtud de la Ley Nacional de Relaciones Laborales que deban presentarse ante la Junta Nacional de Relaciones Laborales; las reclamaciones administrativas por prestaciones médicas y de incapacidad en virtud de la Ley de Indemnización por Accidentes Laborales de California, las reclamaciones administrativas por prestaciones del Departamento de Desarrollo del Empleo de California; u otras reclamaciones que no puedan someterse a arbitraje como cuestión de derecho, pero solo cuando la FAA no se oponga a la arbitrabilidad de dichas reclamaciones. El presente Acuerdo no me impide presentar y llevar a cabo procedimientos administrativos ante el Departamento de Derechos Civiles de California o la Comisión para la Igualdad de Oportunidades en el Empleo de los Estados Unidos. No obstante, si presentara una reclamación una vez agotados los recursos administrativos, dicha reclamación estaría sujeta al presente Acuerdo. Este Acuerdo tampoco me impide presentar y llevar a cabo procedimientos administrativos ante el Departamento de Relaciones Industriales de California, Oficina del Comisionado Laboral, en virtud de la Sección 98 del Código Laboral. No obstante, si la Empresa o yo deseamos solicitar la revisión de la orden del Comisionado Laboral, dicha reclamación estaría sujeta al presente Acuerdo.

5. La Empresa y yo acordamos que el arbitraje es el recurso exclusivo para todas las disputas, excepto las que se indican en el presente documento.

6. La Empresa y yo arbitraremos todas las reclamaciones sujetas a este Acuerdo a título individual.

7. La Empresa y yo acordamos que cualquier disputa o reclamación no arbitrable se segregará, separará y escindirá de las disputas o reclamaciones arbitrables siempre que sea necesario para garantizar el cumplimiento de este Acuerdo en cuanto a cualquier disputa sujeta a arbitraje. La Empresa y yo pretendemos que este Acuerdo permita el arbitraje individual de disputas y reclamaciones en la mayor medida posible.

8. Si una parte presenta reclamaciones sujetas a este Acuerdo junto con reclamaciones no arbitrables, la Empresa y yo acordamos suspender las reclamaciones no arbitrables a la espera del arbitraje de las reclamaciones sujetas a este Acuerdo.

9. *Renuncia a acciones colectivas y de clase: la Empresa y yo acordamos que este Acuerdo elimina mi capacidad de presentar o participar en acciones de clase o colectivas.* Ningún tribunal o árbitro está facultado para interpretar el presente Acuerdo en el sentido de permitir la consolidación o acumulación de otras reclamaciones o controversias que impliquen a otros empleados en el arbitraje, ni para permitir que dichas reclamaciones o controversias se tramiten como una acción colectiva o de clase. Al firmar el presente Acuerdo, acepto renunciar a cualquier derecho sustantivo o de procedimiento que pueda tener a presentar una demanda colectiva.

10. Arbitraje *individual*: en la medida en que lo permita la legislación aplicable, acepto arbitrar cualquier reclamación, las defensas de la Empresa ante dichas reclamaciones o cualquier disputa relacionada con las infracciones del Código Laboral de California que supuestamente he sufrido, incluidas las reclamaciones, defensas y disputas derivadas o relacionadas con la Ley de Abogados Generales Privados (PAGA) de California de 2004, de forma individual. Ningún árbitro tendrá autoridad, en virtud del presente Acuerdo, para arbitrar reclamaciones, defensas o disputas relacionadas con infracciones del Código Laboral supuestamente sufridas por personas que no sean parte del presente Acuerdo. Si un tribunal obliga al arbitraje de reclamaciones, defensas o disputas individuales que surjan de o estén relacionadas con PAGA, la Empresa y yo acordamos que el tribunal debe desestimar cualquier reclamación o disputa no individual y representativa relacionada con violaciones del Código Laboral supuestamente sufridas por partes que no estén incluidas en este Acuerdo, en la medida permitida por la ley aplicable. Si la desestimación de reclamaciones relacionadas con violaciones del Código Laboral supuestamente sufridas por personas que no son parte de este Acuerdo no es

¹ Advanced Manufacturing and Development, Inc. nombre comercial METALfx es mi empleador y se hace referencia a él en el presente documento como "la Empresa". Aunque el presente Acuerdo se celebra entre la Empresa y yo, entiendo y acepto que es en mi beneficio y en el de la Empresa, sus filiales, subsidiarias o empresas matrices, y cualquier presunto empleador conjunto, alter ego o agente de mi empleador.

permisible bajo la ley aplicable, la Empresa y yo acordamos suspender dichas reclamaciones pendientes de cualquier arbitraje de reclamaciones individuales, defensas o disputas que surjan de o estén relacionadas con PAGA.

11. La Empresa y yo acordamos que un tribunal de jurisdicción competente será el único que determine cualquier disputa relativa a si la FAA se aplica a este Acuerdo, si el Acuerdo requiere el arbitraje individual de todas las reclamaciones y si el Acuerdo permite el arbitraje colectivo o de clase. Un tribunal de jurisdicción competente decidirá todos los asuntos relativos a la aplicabilidad de las renunciaciones colectivas o de clase. El árbitro no tiene autoridad ni jurisdicción sobre estos asuntos. Si un tribunal hace valer la renuncia de clase y colectiva aquí contenida, la Empresa y yo aceptamos que el tribunal desestime también cualquier demanda de clase y/o colectiva sin perjuicio, en la medida en que lo permita la legislación aplicable.

12. Salvo lo dispuesto en el párrafo anterior, las partes acuerdan que todas las demás disputas entre ellas, incluidos, sin limitación, las disputas relativas a la formación o aplicabilidad del presente Acuerdo, se delegan en el Árbitro, que tendrá autoridad exclusiva para resolver dichas disputas.

13. Si un tribunal determina que la prohibición de acciones de clase o colectivas, o el requisito de arbitrar las reclamaciones PAGA de forma individual según lo establecido anteriormente no son válidos, la Empresa y yo renunciaremos a cualquier derecho de arbitraje de acciones de clase o colectivas, o acciones PAGA que impliquen supuestas infracciones del Código Laboral sufridas por personas que no conformen ninguna de las partes. En su lugar, la Empresa y yo acordamos que dichas reclamaciones procederán ante los tribunales y no ante un árbitro, pero solo después de que la Empresa y yo sometamos a arbitraje cualquier reclamación sujeta a este Acuerdo. Nota: si un tribunal determina que la prohibición de las acciones colectivas no es válida, la prohibición de las acciones colectivas y el requisito de arbitrar las reclamaciones PAGA de forma individual seguirán en vigor. Del mismo modo, si un tribunal determina que la prohibición de las acciones colectivas únicamente es inválida, la prohibición de las acciones colectivas y el requisito de arbitrar las reclamaciones PAGA de forma individual siguen en vigor. Por último, si un tribunal determina que el requisito de arbitrar las reclamaciones PAGA únicamente a título individual no es válido, la prohibición de acciones colectivas y de clase seguirá en vigor.

14. Entiendo que este Acuerdo no interfiere con el derecho a la negociación colectiva, a participar en actividades protegidas y concertadas o a ejercer otros derechos protegidos por la Ley Nacional de Relaciones Laborales.

15. Además de cualquier otro requisito impuesto por la ley, el árbitro seleccionado será un juez jubilado o una persona calificada de otro modo con la que la Empresa y yo estemos de acuerdo, y estará sujeto a inhabilitación por los mismos motivos que se aplicarían a un juez de dicho tribunal. Si la Empresa y yo no podemos ponernos de acuerdo sobre un árbitro, un tribunal de jurisdicción competente podrá designar uno. El árbitro también gozará de la inmunidad de un funcionario judicial frente a la responsabilidad civil cuando actúe en calidad de árbitro, inmunidad que complementa cualquier otra inmunidad existente. El árbitro estará facultado para emitir citaciones a fin de obligar a la presentación de documentos y a la comparecencia de testigos a la declaración o a la audiencia de arbitraje. El árbitro basará la resolución de todas las disputas únicamente en la ley que rige las reclamaciones y defensas alegadas. El árbitro no podrá invocar ningún otro fundamento (incluidos, entre otros, los conceptos de "causa justa") que no sea dicha ley de control. Los laudos incluirán el dictamen motivado por escrito del árbitro.

16. Se aplicarán y observarán todas las normas californianas sobre alegaciones (incluido el derecho de recusación), todas las normas sobre pruebas, todos los derechos a la resolución de la disputa mediante mociones de sentencia sumaria, sentencia sobre las alegaciones y sentencia en virtud del artículo 631.8 del Código de Procedimiento Civil. La Empresa y yo también estamos de acuerdo en que se apliquen todos los derechos previstos en el artículo 998 del Código de Procedimiento Civil.

17. La Empresa y yo estamos de acuerdo en que el tiempo no es esencial en lo que respecta al pago de las facturas del proveedor de arbitraje, siempre que se abonen en un plazo razonable. La Empresa y yo estipulamos y acordamos que las facturas de arbitraje podrán abonarse 60 días después de la recepción de la factura por parte de la Empresa si no se indica una fecha de vencimiento, y 60 días después de la fecha de vencimiento indicada en la factura, si se indica una fecha de vencimiento.

18. La Empresa y yo convenimos que los términos de este Acuerdo son el acuerdo completo y definitivo. Ninguna negociación, oral o escrita, modificará el presente Acuerdo ni variará sus términos. La Empresa y yo acordamos que solo un acuerdo escrito y firmado puede modificar este Acuerdo.

19. Si un tribunal considera que alguna palabra, término, frase, oración, disposición o parte de este Acuerdo es nula o inaplicable, la Empresa y yo acordamos que el tribunal debe separar la palabra, término, frase, disposición o parte y hacer cumplir el resto de este Acuerdo en la mayor medida necesaria para permitir el arbitraje de reclamaciones, defensas o disputas sobre una base individual solamente.

20. Si surge una apelación de una resolución judicial relativa a una moción o solicitud para obligar a un arbitraje individual en virtud de este Acuerdo, la Empresa y yo acordamos suspender la acción subyacente hasta que finalice la apelación de conformidad con la FAA.

21. La Empresa y yo acordamos celebrar el arbitraje en el condado en el que surgieron las reclamaciones, o en el condado en el que residio principalmente, lo que resulte más conveniente para la Empresa y para mí. Si la Empresa y yo no podemos ponernos de acuerdo sobre la sede local, el árbitro podrá determinar la sede local de acuerdo con la legislación aplicable o las normas de arbitraje.

22. La Empresa y yo coincidimos en que este Acuerdo es mutuamente beneficioso. La Empresa y yo también estamos de acuerdo en que dicha reciprocidad constituye una contraprestación legal suficiente para que todas las obligaciones acordadas en el presente documento sean exigibles conforme a la ley.

23. Si la Empresa y yo hemos acordado algún acuerdo de arbitraje previo, dicho acuerdo seguirá en vigor. La Empresa y yo convenimos que este Acuerdo no invalida ni sustituye ningún acuerdo de arbitraje anterior. Sin embargo, los términos de este Acuerdo prevalecen en la medida en que existan términos contradictorios en cualquier acuerdo de arbitraje anterior.

ACEPTO Y ESTOY DE ACUERDO CON LOS TÉRMINOS DE ESTE ACUERDO. ESTOY DE ACUERDO EN QUE NO ES NECESARIO QUE LA EMPRESA FIRME ESTE ACUERDO PARA QUE SEA VINCULANTE.

*Alma Lopez v. Advanced Manufacturing and Development, Inc. dba METALfx,,
Mendocino County Superior Court, Case Number 23CV00673*

*Jose Refugio Lopez Acevedo v. Advanced Manufacturing and Development, Inc.
Mendocino County Superior Court, Case Number 23CV00822*

*The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.*

**YOUR LEGAL RIGHTS MAY BE AFFECTED WHETHER YOU ACT OR DO NOT ACT. PLEASE
READ THIS CLASS NOTICE CAREFULLY.**

You may be eligible to receive money from employee class action lawsuits entitled *Alma Lopez v. Advanced Manufacturing and Development, Inc. dba METALfx*, Mendocino County Superior Court Case No. 23CV00673 and *Jose Refugio Lopez Acevedo v. Advanced Manufacturing and Development, Inc.*, Mendocino County Superior Court Case No. 23CV00822 (together, “Actions”) against Defendant Advanced Manufacturing and Development, Inc. dba METALfx (“Defendant”) for alleged wage and hour violations. The Actions were filed by Plaintiffs Alma Lopez and Jose Refugio Lopez Acevedo (together, “Plaintiffs”) and seek payment of (1) wages and other relief on behalf of all current and former hourly-paid and/or non-exempt employees who worked for Defendant in the State of California at any time during the Class Period, but excluding those who signed arbitration agreements (“Class” or “Class Members”); and (2) penalties under the California Private Attorney General Act (“PAGA”) for all current and former hourly-paid and/or non-exempt employees who worked for Defendant in the State of California at any time during the PAGA Period (“Aggrieved Employees”). The “Class Period” is the period from July 25, 2019 to **[October 26, 2024]**. The “PAGA Period” is the period from July 24, 2022 to **[October 26, 2024]**.

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendant to fund Individual Class Payment payments to Class Members, and (2) a PAGA Settlement requiring Defendant to fund the PAGA Penalties to pay penalties to the California Labor and Workforce Development Agency (“LWDA”) and to Aggrieved Employees.

Based on Defendant’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be <<\$ [REDACTED]>> (less withholding), and your Individual PAGA Payment is estimated to be <<\$ [REDACTED]>>.** The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual Class Payment or Individual PAGA Payment, then according to Defendant’s records you are not eligible for an Individual Class Payment or Individual PAGA Payment under the Settlement because you did not work during the PAGA Period or are not a valid Class Member.)

The above estimates are based on Defendant’s records showing that **you worked << [REDACTED]>> Workweeks** during the Class Period and **you worked << [REDACTED]>> Pay Periods** during the PAGA Period. If you believe that you worked more Workweeks and/or Pay Periods during either period, you can submit a challenge by the deadline date. See Section 5 of this Class Notice below.

The Court has already preliminarily approved the proposed Settlement and approved this Class Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or do not act. Read this Class Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiffs and Plaintiffs’ attorneys (“Class Counsel”). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and in exchange requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Released Class Claims against Defendant, and as an Aggrieved Employee, you will give up your right to assert Released PAGA Claims against Defendant, as described below in Section 4 below.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting a written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Class Settlement, you will not receive an Individual Class Payment; however, you will preserve your right to personally pursue the Released Class Claims against Defendant. If you are an Aggrieved Employee, you remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:	
You Don't Have to Do Anything to Be Issued a Payment	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Class Claims and Released PAGA claims). Additional information is set forth below.
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Response Deadline is .	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. If you request exclusion, you will receive no money from the Class Settlement and you will not be bound by the Class Settlement. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 7 of this Class Notice. However, you cannot opt-out of the PAGA portion of the proposed Settlement. If you are an Aggrieved Employee and exclude yourself, you will still be paid your Individual PAGA Payment and will remain subject to the release of the Released PAGA Claims regardless of whether you submit a Request for Exclusion.
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by the Response	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Class Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiffs who pursued the Actions on behalf of the Class. You can object to the amounts requested by Class Counsel or Plaintiffs if you think they are unreasonable. See Section 8 of this Class Notice.

Deadline ()	
You Can Participate in the Final Approval Hearing	The Court will hold a Final Approval Hearing at () on (), 2025 at the Mendocino County Superior Court, located at 100 N. State Street, Ukiah, California, in Department E before Judge Ann Moorman. The hearing may be rescheduled by the Court without further notice to you. You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Class Settlement at the Final Approval Hearing. See Section 9 of this Class Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by the Response Deadline ()	The amount of your Individual Class Payment and Individual PAGA Payment (if any) depend on how many Workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number Workweeks and number of Pay Periods you worked according to the Defendant's records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by the Response Deadline. See Section 4 of this Notice.

1. Why did I get this Notice?

A proposed class and PAGA action settlement (the "Settlement") of the above-captioned actions pending in the Superior Court of the State of California, in and for the County of Mendocino (the "Court") has been reached between Plaintiffs and Defendant (the "Parties") and has been granted preliminary approval by the Court. You may be entitled to receive money from this Settlement.

You have received this Class Notice because you have been identified as a member of the Class and/or Aggrieved Employee.

2. What are these class action lawsuits about?

On July 25, 2023, Plaintiff Alma Lopez commenced a wage-and-hour class action by filing a complaint alleging causes of action against Defendant in the Superior Court of the State of California, County of Mendocino, Case No. 23CV00673. Plaintiff Alma Lopez's class action complaint alleges violations under the California Labor Code and Business and Professions Code for: (1) unpaid overtime; (2) unpaid minimum wages; (3) unpaid meal period premiums; (4) unpaid rest period premiums; (5) failure to provide accurate wage statements; (6) final wages not timely paid; (7) failure to reimburse necessary business expenses; and (8) violation of California's Unfair Competition Law, California Business and Professions Code §§ 17200, *et seq.* On September 28, 2023, Plaintiff Alma Lopez amended her complaint to add causes for wages not timely paid during employment and civil penalties under the PAGA.

On August 31, 2023, Plaintiff Jose Refugio Lopez Acevedo commenced a wage-and-hour class action by filing a complaint alleging causes of action against Defendant in the Superior Court of the State of California, County of Mendocino, Case No. 23CV00822. Plaintiff Jose Lopez's class action alleges violations under the California Labor Code and Business and Professions Code for: (1) failure to pay minimum and straight time wages; (2) failure to pay

overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; (7) failure to indemnify employees for expenditures; and (8) violation of California's Unfair Competition Law, California Business and Professions Code §§ 17200, *et seq.*

On XXX, Plaintiffs filed an amended complaint in Case No. 23CV00673 (the "Operative Complaint").

Defendant deny and dispute all such claims. Specifically, Defendant contends Plaintiffs and the Class Members were properly compensated for all wages under California law; Plaintiffs and the Class Members were provided with meal and rest periods in compliance with California law; Defendant did not fail to provide required reimbursement of expenses; Defendant did not fail to timely pay Plaintiffs or any Class Members any wages allegedly due at the time of their termination; Defendant complied with California wage statement requirements; Defendant did not engage in unlawful or unfair business practices; Defendant is not liable for any of the penalties claimed or that could be claimed in the Actions; and the Actions cannot be maintained as a class action nor a PAGA action.

The Court granted preliminary approval of the Settlement on <<INSERT PRELIMINARY APPROVAL DATE>>. At that time, the Court also preliminarily approved the Plaintiffs to serve as the Class Representatives, and the law firms Blackstone Law, APC and Wilshire Law Firm, PLC to serve as Class Counsel.

The Court has not ruled on the merits of Plaintiffs' claims. However, to avoid additional expense, inconvenience, and interference with the business operations of Defendant, the Parties concluded that it is in their best interests and the interests of the Class to settle the Actions now on the terms summarized in this Class Notice. The Settlement was reached after mediation and arm's-length negotiations between the Parties. The Plaintiffs and Class Counsel think the settlement is in the best interest of all Class Members.

Accordingly, the Settlement constitutes a compromise of disputed claims and should not be construed as an admission of liability on the part of Defendant, who expressly deny all liability.

3. What are the terms of the Settlement?

Gross Settlement Amount. Defendant has agreed to pay an "all in" amount of Six Hundred Thousand Dollars (\$600,000) (the "Gross Settlement Amount") to fund the settlement of the Actions. The Gross Settlement Amount includes all payments of Individual Class Payments to Class Members, the Administration Expenses Payment, the Class Representatives' Service Payments, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, and the PAGA Penalties for civil penalties. Any employer-side payroll taxes on the portion of the Individual Class Payments allocated to wages shall be separately paid by Defendant.

Within twenty-one (21) days of the Effective Date, Defendant will fund the Gross Settlement Amount by depositing the money with the Administrator. The "Effective Date" means the date by when both of the following have occurred (a) the Court enters a Judgment on its Final Approval Order; and (b) the Judgment is final. The Judgment is final as of the latest of the following occurrences: (a) if no Participating Class Member objects to the Settlement, the day the Court enters the Judgment; (b) if one or more Participating Class Members objects to the Settlement, the day after the deadline for filing a notice of appeal from the Judgment; or (c) if a timely appeal from the Judgment is filed, the day after the appellate court affirms the Judgment and issues a remittitur. Ten (10) days after the settlement is funded, the Administrator will mail checks for the Individual Class Payments to Participating Class Members and Individual PAGA Payments to Aggrieved Employees.

Court Approved Deductions from Gross Settlement Amount. The proposed payments, subject to Court approval, will be deducted from the Gross Settlement Amount before payments of Individual Class Payments are made to Participating Class Members and Individual PAGA Payments are made to Aggrieved Employees. At the Final Approval Hearing, Plaintiffs and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement Amount, the amounts of which will be decided by the Court at the Final Approval Hearing:

- Administration Expenses Payment. Payment to the Administrator, estimated not to exceed \$8,000, for expenses, including without limitation, expenses of notifying the Class Members and Aggrieved Employees of the Settlement, processing opt outs, distributing settlement funds and tax forms, and handling inquiries and uncashed checks.
- Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment. Payment to Class Counsel of reasonable attorneys' fees not to exceed one-third (1/3) of the Gross Settlement Amount, which is presently \$200,000, and an additional amount to reimburse actual litigation costs incurred by Class Counsel not to exceed \$30,000. Class Counsel has been prosecuting the Actions on behalf of Plaintiffs and the Class and Aggrieved Employees on a contingency fee basis (that is, without being paid any money) and has been paying all litigation costs and expenses.
- Class Representatives' Service Payments. Class Representatives' Service Payments in the aggregate amount not to exceed Twenty Thousand Dollars (\$20,000). \$10,000 to each Plaintiff or such lesser amount as may be approved by the Court, to compensate them for services on behalf of the Class in initiating and prosecuting the Actions, and for the risks he undertook.
- PAGA Penalties. A PAGA Penalties payment of \$25,000 to resolve the claim for civil penalties under PAGA, \$18,750 of which will be paid to the LWDA. The remaining \$6,250 will be distributed to the Aggrieved Employees based on their respective Pay Periods worked during the PAGA Period. All Aggrieved Employees will be sent their Individual PAGA Payment and be subject to the release of the Released PAGA Claims as set forth below, whether or not they opt out of the class portion of the Settlement.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

Calculation of Individual Class Payments to Participating Class Members. After all of the payments of the court-approved Class Representatives' Service Payments, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, the PAGA Penalties, and the Administration Expenses Payment are deducted from the Gross Settlement Amount, the remaining portion, called the "Net Settlement Amount", shall be distributed as Individual Class Payments to Participating Class Members (meaning those Class Members who do not opt out or exclude themselves from the Class). The Net Settlement Amount is estimated to be at least \$ [REDACTED]. The Administrator will pay an Individual Class Payment from the Net Settlement Amount to each Participating Class Member. The Individual Class Payment for each Participating Class Member will be calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's total number of Workweeks. "Workweek" means any week during which a Class Member worked for Defendant for at least one day during the Class Period. The number of Workweeks will be based on Defendant's records, however, Class Members may challenge the number of Workweeks as explained below. Your estimated Individual Class Payment is set forth in Section 5 below.

Calculation of Individual PAGA Payments to Aggrieved Employees: The Individual PAGA Payment for each Aggrieved Employee will be calculated by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$6,250) by the total number of Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's total number of Pay Periods. "Pay Period" means any pay period during which an Aggrieved Employee worked for Defendant for at least one day during the PAGA Period. The number of Pay Periods will be based on Defendant's records, however, Aggrieved Employees have the right to challenge the number of Pay Periods worked as explained below. Your estimated Individual PAGA Payment is set forth in Section 5 below. You will receive your Individual PAGA Payment (if any) even if you opt out or exclude yourself from the Class.

Tax Matters. Thirty-three percent (33%) of each Individual Class Payment is in settlement of wage claims which are subject to wage withholdings and will be reported on IRS Form W-2. Sixty-seven percent (67%) of each Individual Class Payment is in settlement of claims as non-wages, expense reimbursement, interest, and penalties, which are not subject to wage withholdings and will be reported on IRS Form 1099. Your Individual PAGA Payment (if any) is also

not subject to wage withholdings and will be reported on IRS Form 1099. The employee portion of all applicable income and payroll taxes will be the responsibility of the Participating Class Members and Aggrieved Employees. Neither Class Counsel nor Defendant's Counsel intend anything contained in this Notice to constitute advice regarding taxes or taxability. Your tax issues are unique to you, and you may want to consult a tax advisor concerning the tax consequences of the payments received under the Settlement.

Conditions of Settlement. This Settlement is conditioned upon the Court entering an order granting final approval of the Settlement and entering judgment.

If the Settlement is approved by the Court and you do not exclude yourself, you will automatically be mailed a check for your Individual Class Payment to the same address as this Class Notice. You do not have to do anything to receive a payment. If your address has changed, you must contact the Administrator to inform them of your correct address to ensure you receive your payment.

4. What Do I Release Under the Settlement?

Released Class Claims. Effective on the date when Defendant fully fund the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Participating Class Members release the Released Parties from the Released Class Claims. The "Released Class Claims" are all claims that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and ascertained in the course of the Actions during the Class Period, including, but not limited to, any and all claims for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay wages during employment; (6) failure to timely pay final wages at termination; (7) failure to provide accurate itemized wage statements; (8) failure to indemnify employees for expenditures; and (9) violation of California's Unfair Competition Law, California Business and Professions Code §§ 17200, *et seq.* Except for the Released PAGA Claims, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

This means that, if you do not timely and formally exclude yourself from the Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant or any other Released Party about the Released Class Claims resolved by this Settlement. It also means that all of the Court's orders in the Actions will apply to you and legally bind you.

Released PAGA Claims. Effective on the date when Defendant fully fund the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Aggrieved Employees release the Released Parties from the Released PAGA Claims. The "Released PAGA Claims" are all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and the PAGA Notices and ascertained in the course of the Actions during the PAGA Period, including, but not limited to, any and all claims for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay wages during employment; (6) failure to timely pay final wages at termination; (7) failure to provide accurate itemized wage statements; (8) failure to keep complete and accurate payroll records; and (9) failure to indemnify employees for expenditures

Released Parties. The "Released Parties" are Defendant and each of its former and present insurers, affiliates, subsidiaries, parent companies, predecessors, successors, assigns, exempt employees, officers, directors, agents, attorneys, administrators,, representatives, heirs, estates, powers-of-attorney, and any individual or entity that could be jointly liable with Defendant.

5. How much will my payment be?

Your Individual Class Payment: Defendant's records reflect that you have << [REDACTED] >> Workweeks during the Class Period (July 25, 2019 to **October 26, 2024**). **Based on this information, your estimated Individual Class Payment is << [REDACTED] >>, minus applicable withholdings and deductions.**

Your Individual PAGA Payment: Defendant's records reflect that you have << [REDACTED] >> Pay Periods during the PAGA Period (July 24, 2022 to **October 26, 2024**). **Based on this information, your estimated Individual PAGA Payment is << [REDACTED] >>.**

Your Individual Class Payment and Individual PAGA Payment may be paid together in a single check, at the discretion of the Administrator.

If you wish to challenge the information set forth above, then you must submit a written, signed dispute challenging the information along with supporting documents, to the Administrator at the address and/or email address provided in this Class Notice no later than the Response Deadline, which is [REDACTED]. Any dispute should include credible written evidence and will be resolved by the Administrator.

6. How can I get a payment?

To get money from the settlement, you do not have to do anything. A check for your share of the Settlement will be mailed automatically to the same address as this Class Notice. If your address is incorrect or has changed, you must notify the Administrator. The Administrator is: ILYM Group, Inc. [REDACTED], (800) [REDACTED].

The Court will hold a Final Approval Hearing on [REDACTED] at [REDACTED] to decide whether to approve the Settlement. Please note the hearing could be rescheduled by the Court without further notice to you. If the Court approves the Settlement and there are no objections or appeals, the settlement payments will be mailed approximately one month after this hearing. If there are objections or appeals the payments will be delayed because resolving them can take time, usually more than a year. Please be patient.

Your settlement check must be cashed within 180 days after it is mailed. If your check is lost or misplaced, you should contact the Administrator immediately by phone to request a replacement (800) [REDACTED]. For any Participating Class Member and/or Aggrieved Employee whose Individual Class Payment check and/or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to the Legal Aid at Work. The Parties have selected Legal Aid at Work as the *cy pres* recipient.

7. What if I don't want to be a part of the Class Settlement?

If you do not wish to participate in the Class Settlement, you may exclude yourself from the Class or "opt out." **If you opt out, you will NOT receive your Individual Class Payment and you will not be bound by the release of Released Class Claims.** However, Aggrieved Employees who opt out of the Class will still be paid their Individual PAGA Payment and will remain subject to the release of the Released PAGA Claims, regardless of their request for exclusion from the Class.

To opt out of the Class Settlement, you must mail or email to the Administrator, a written, signed Request for Exclusion postmarked or emailed no later than the Response Deadline which is [REDACTED]. A Request for Exclusion is a letter from a Class Member or the Class Member's representative that reasonably communicates the Class Member's election to be excluded from the Class Settlement and includes the Class Member's full name, mailing address, telephone number, and last four digits of the Class Member's Social Security number. You must make the request yourself. If someone else makes the request for you other than your representative, it will not be valid.

Absent good cause found by the Court, written Requests for Exclusion that are postmarked or emailed after [REDACTED], or are incomplete or unsigned will be rejected, and those Class Members will remain bound by the Settlement and the release described above.

8. How do I tell the Court that I don't agree with the Class Settlement?

Any Class Member who has not opted out and believes that the Class Settlement should not be finally approved by the Court for any reason may object to the proposed Settlement, the attorneys' fees, the costs and/or the service awards, either in writing or in person. Objections that are in writing should include the Class Member's full name, mailing address, telephone number, last four digits of the Class Member's Social Security number, and describe why you object to the Class Settlement. All written objections or other correspondence should also state the name and number of the case, which is *Alma and Jose Lopez v. METALfx*, in the Superior Court of the State of California, County of Mendocino, Case No. 23CV0673.

All written objections must be mailed or emailed to the Administrator no later than the Response Deadline, which is [REDACTED].

Alternatively, Participating Class Members may appear at the Final Approval Hearing on [REDACTED] at [REDACTED] to make an oral objection without submitting a written objection. At this time, all hearings will be held remotely. The hearing may also be rescheduled by the Court without further notice to you. If you need assistance, you may contact Class Counsel.

To object to the Class Settlement, you must not opt out, and if the Court approves the Settlement despite your objection, you will be bound by the terms of the Settlement in the same way as Class Members who do not object and you will still be mailed a check for your Individual Class Payment. Absent good cause found by the Court, any Class Member who does not object in the manner provided in this Class Notice shall have waived any objection to the Settlement, whether by appeal or otherwise.

9. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Approval Hearing at [REDACTED] on [REDACTED], in Department E of the Superior Court of California, County of Mendocino, located at 100 N. State Street, Ukiah, California 95482, before Judge Ann Moorman. While the Court determined at preliminary approval that there is sufficient evidence to suggest the proposed Settlement is fair, adequate, and reasonable, the Court will make a final determination on these issues at the Final Approval Hearing. The purpose of this hearing is for the Court to determine whether to grant final approval to the Settlement and to approve the amount of attorneys' fees, costs and service awards to be awarded. If there are objections, the Court will consider them. This hearing may be rescheduled by the Court without further notice to you. **You are not required to attend** the Final Approval Hearing, although any Class Member is welcome to attend the hearing.

[PROPOSED] ORDER

On June 20, 2025 at 9:30 a.m. in Department E of the above-captioned Court located at Ukiah-Mendocino County Courthouse, 100 North State Street, Ukiah, California 95482, Plaintiffs Alma Lopez and Jose Refugio Lopez Acevedo's (together, "Plaintiffs") Motion for Preliminary Approval of Class Action and PAGA Settlement, came on for hearing before the Honorable Ann C. Moorman. Blackstone Law, APC appeared on behalf of Plaintiff Alma Lopez, Wilshire Law Firm appeared on behalf of Plaintiff Jose Refugio Lopez Acevedo, and Ogletree, Deakins, Nash, Smoak & Stewart, P.C. appeared on behalf of Defendant Advanced Manufacturing and Development, Inc. ("Defendant").

The Court, having carefully considered the papers, argument of counsel, and all matters presented to the Court, and good cause appearing, hereby **GRANTS** Plaintiffs' Motion for Preliminary Approval of Class Action and PAGA Settlement.

IT IS HEREBY ORDERED THAT:

1. The Court preliminarily approves the Class Action and PAGA Settlement Agreement ("Settlement" or "Settlement Agreement") attached as Exhibit 3 to the Declaration of Alexandra Rose in Support of Plaintiffs' Motion for Preliminary Approval of Class Action and PAGA Settlement. This is based on the Court's determination that the Settlement falls within the range of possible approval as fair, adequate, and reasonable.

2. This Order incorporates by reference the definitions in the Settlement Agreement, and all capitalized terms defined therein shall have the same meaning in this Order as set forth in the Settlement Agreement.

3. It appears to the Court on a preliminary basis that the Settlement is fair, adequate, and reasonable. It appears to the Court that extensive investigation and research have been conducted such that counsel for the parties at this time are able to reasonably evaluate their respective positions. It further appears to the Court that the Settlement, at this time, will avoid substantial additional costs by all parties, as well as avoid the delay and risks that would be presented by the further prosecution of the case. It further appears that the Settlement has been reached as the result of intensive, serious, and non-collusive, arms-length negotiations, and was entered into in good faith.

1 4. The Court preliminarily finds that the Settlement, including the allocations for the Class
2 Counsel Fees Payment, Class Counsel Litigation Expenses Payment, Class Representatives' Service
3 Payments, LWDA PAGA Payment, Administration Expenses Payment, and payments to the
4 Participating Class Members and Aggrieved Employees provided for in the Settlement Agreement,
5 appear to be within the range of reasonableness of a settlement that could ultimately be given final
6 approval by this Court. Indeed, the Court has reviewed the monetary recovery that is being granted
7 as part of the Settlement and preliminarily finds that the monetary settlement awards made available
8 to the Class Members and Aggrieved Employees are fair, adequate, and reasonable when balanced
9 against the probable outcome of further litigation relating to certification, liability, and damages issues
10 and are consistent with the requirements of California Labor Code § 2699(1).

11 5. The Court concludes that, for settlement purposes only, the proposed Class meets the
12 requirements for certification under section 382 of the California Code of Civil Procedure in that: (a)
13 the Class is ascertainable and so numerous that joinder of all members of the Class is impracticable;
14 (b) common questions of law and fact predominate, and there is a well-defined community of interest
15 amongst the members of the Class with respect to the subject matter of the litigation; (c) Plaintiffs'
16 claims are typical of the claims of the members of the Class; (d) Plaintiffs will fairly and adequately
17 protect the interests of the members of the Class; (e) a class action is superior to other available
18 methods for the efficient adjudication of the controversy; and (f) Class Counsel is qualified to act as
19 counsel for Plaintiffs in their individual capacities and as the representatives of the Class.

20 6. The Court conditionally certifies, for settlement purposes only, the Class, defined as
21 follows:

22 All current and former hourly-paid and/or non-exempt employees who worked for
23 Defendant in the State of California at any time during the Class Period, but
24 excluding those who signed either of the Arbitration Agreements.

25 7. The Court provisionally appoints Jonathan M. Genish, Miriam L. Schimmel, Joana
26 Fang, Alexandra Rose, and Jared C. Osborne of Blackstone Law, APC and Arrash T. Fattahi of
27 Wilshire Law Firm, PLC (collectively, "Class Counsel").

28 8. The Court provisionally appoints Plaintiffs Alma Lopez and Jose Refugio Lopez
Acedo as the representatives of the Class (together, "Class Representatives").

1 9. The Court provisionally appoints ILYM Group, Inc. to handle the administration of the
2 Settlement (“Administrator”).

3 10. No later than fifteen (15) calendar days after entry of this Order, Defendant will provide
4 a list in a formatted readable Microsoft Office Excel spreadsheet to the Administrator containing the
5 following information for each Class Member and Aggrieved Employee: full name, last-known
6 mailing address, Social Security number, number of Workweeks, and number of Pay Periods
7 (collectively referred to as the “Class Data”) in conformity with the Settlement Agreement.

8 11. The Court approves, both as to form and content, the Court Approved Notice of Class
9 Action Settlement and Hearing Date for Final Court Approval (“Class Notice”) attached hereto as
10 **Exhibit 1**. The Class Notice shall be provided to Class Members in the manner set forth in the
11 Settlement Agreement. The Court finds that the Class Notice appears to fully and accurately inform
12 the Class Members of all material elements of the Settlement, of Class Members’ right to be excluded
13 from the Class Settlement by submitting a Request for Exclusion, of Class Members’ right to dispute
14 the Workweeks and/or Pay Periods credited to each of them by submitting a challenge, and of each
15 Participating Class Member’s right and opportunity to object to the Class Settlement by submitting a
16 written objection to the Administrator. The Court further finds that distribution of the Class Notice
17 substantially in the manner and form set forth in the Settlement Agreement and this Order, and that all
18 other dates set forth in the Settlement Agreement and this Order, meet the requirements of due process
19 and shall constitute due and sufficient notice to all persons entitled thereto. The Court further orders
20 the Administrator to mail the Class Notice in English and Spanish by First-Class U.S. Mail to all Class
21 Members and Aggrieved Employees no later than ten (10) calendar days after receiving the Class Data,
22 pursuant to the terms set forth in the Settlement Agreement.

23 12. The Court hereby preliminarily approves the proposed procedure, set forth in the
24 Settlement Agreement, for seeking exclusion from the Class Settlement. Any Class Member may
25 choose to be excluded from the Class Settlement by submitting a Request for Exclusion in conformity
26 with the requirements set forth in the Class Notice, to the Administrator, postmarked on or before the
27 date that is forty-five (45) calendar days after the Administrator mails the Class Notice to Class
28 Members and Aggrieved Employees (“Response Deadline”), or, in the case of a re-mailed Class

1 Notice, the Response Deadline shall be extended fourteen (14) calendar days from the original
2 Response Deadline. Any such person who timely and validly chooses to opt out of, and be excluded
3 from, the Class Settlement will not be entitled to any recovery under the Class Settlement and will not
4 be bound by the Class Settlement or have any right to object, appeal, or comment thereon.
5 Nevertheless, all Aggrieved Employees will release the Released PAGA Claims and be issued their
6 Individual PAGA Payment, irrespective of whether they submit a Request for Exclusion. Class
7 Members who do not submit a valid and timely Request for Exclusion (i.e., Participating Class
8 Members) shall be bound by the Settlement Agreement and any final judgment based thereon.

9 13. A Final Approval Hearing shall be held before this Court on
10 **11/7/2025** at **9:30am** a.m./p.m. in Department E of the Mendocino
11 County Superior Court, located at Ukiah-Mendocino County Courthouse, 100 North State Street,
12 Ukiah, California 95482, to determine all necessary matters concerning the Settlement, including:
13 whether the proposed settlement of the action on the terms and conditions provided for in the
14 Settlement is fair, adequate, and reasonable and should be finally approved by the Court; whether a
15 judgment, as provided in the Settlement, should be entered herein; whether the plan of allocation
16 contained in the Settlement should be approved as fair, adequate, and reasonable to the Class Members
17 and Aggrieved Employees; and determine whether to approve the requests for the Class Counsel Fees
18 Payment, Class Counsel Litigation Expenses Payment, Class Representatives' Service Payments,
19 LWDA PAGA Payment, and allocation for the PAGA Penalties.

20 14. Class Counsel shall file a motion for final approval of the Settlement and for the Class
21 Counsel Fees Payment, Class Counsel Litigation Expenses Payment, Class Representatives' Service
22 Payments, and Administration Expenses Payment, along with the appropriate declarations and
23 supporting evidence, including the Administrator's declaration, by
24 **September 9, 2025**, to be heard at the Final Approval Hearing.

25 15. To object to the Settlement, a Participating Class Member must submit their written
26 objection to the Administrator on or before the Response Deadline. The written objection must be
27 signed and must contain the information that is required, as set forth in the Class Notice, including and
28 not limited to the grounds for the objection. Participating Class Members, individually or through

counsel, may also present their objection orally at the Final Approval Hearing, regardless of whether they have submitted a written objection.

16. Neither the Settlement nor any exhibit, document, or instrument delivered thereunder shall be construed as a concession or admission by Defendant in any way that the claims asserted have any merit or that this Action was properly brought as a class or representative action, and shall not be used as evidence of, or used against Defendant as, an admission or indication in any way, including with respect to any claim of any liability, wrongdoing, fault or omission by Defendant or with respect to the truth of any allegation asserted by any person. Whether or not the Settlement is finally approved, neither the Settlement, nor any exhibit, document, statement, proceeding or conduct related to the Settlement, nor any reports or accounts thereof, shall in any event be construed as, offered or admitted in evidence as, received as or deemed to be evidence for any purpose adverse to the Defendant, including, but not limited to, evidence of a presumption, concession, indication or admission by Defendant of any liability, fault, wrongdoing, omission, concession or damage.

17. In the event the Settlement does not become effective in accordance with the terms of the Settlement Agreement, or the Settlement is not finally approved, or is terminated, canceled, or fails to become effective for any reason, this Order shall be rendered null and void, shall be vacated, and the parties shall revert back to their respective positions as of before entering into the Settlement Agreement. The fact that the Court certified the Class for settlement purposes shall not be admissible or have any bearing on the issue of whether any class should be certified in a non-settlement context.

18. The Court reserves the right to adjourn or continue the date of the Final Approval Hearing and any dates provided for in the Settlement Agreement without further notice to the Class Members and retains jurisdiction to consider all further applications arising out of or connected with the Settlement.

19. The Action is stayed and all trial and related pre-trial dates are vacated, subject to further orders of the Court at the Final Approval Hearing.

IT IS SO ORDERED.
