Case No. 2:23-cv-01301-AB-KS

CLASS ACTION

**~~PROPOSED~~ ORDER
GRANTING FINAL
SETTLEMENT AND MOTION
FOR ATTORNEYS' FEES,
COSTS, AND SERVICE AWARD
AND JUDGMENT**

Plaintiff Milton Quinones (“Plaintiff”), on behalf of himself and the Class, and Defendants STG Logistics, Inc. and STG Cartage, LLC f/k/a/ XPO Logistics Cartage, LLC) (“STG” or “Defendants”) (collectively, the “Parties”) entered into a Class Action Settlement Agreement (the “Settlement”) in this action.

The provisions of the Court’s Order Granting Preliminary Approval of Class Action Settlement, Approving Form and Manner of Notice, and Setting Date for Fairness Hearing (“Preliminary Approval Order”) as to notice of the settlement were fully complied with, and notice to the Class was given in the manner required by the Court.

1 On May 24, 2024, Plaintiff moved for Final Approval of the Settlement, as
2 set forth in the Preliminary Approval Order. Plaintiff's Motion for Final Approval
3 of the Settlement includes a request for final approval of the settlement of claims
4 under the California Labor Code Private Attorney General Act ("PAGA"), as
5 required by California Labor Code § 2699, subdivision (l), for the civil penalties
6 sought as part of the Settlement.

7 The Court held a Final Approval Hearing on June 7, 2024, at which time all
8 interested persons were afforded the opportunity to be heard. The Court has
9 considered the Plaintiff's Motion, all papers and evidence submitted in connection
10 therewith, the Settlement, and all of the submissions and arguments presented at
11 the Final Approval Hearing with respect to the proposed Settlement.

12 **IT IS HEREBY ORDERED, ADJUDGED AND DECREED** that:

13 1. This Final Approval Order and Judgment ("Judgment") incorporates
14 by reference the definitions in the Settlement, and all capitalized terms used in this
15 Judgment that are not otherwise defined shall have the same meanings as those set
16 forth in the Settlement.

17 2. This Court has jurisdiction over the subject matter of the action, and
18 over all Parties and all those found by the Court to be members of the class (the
19 "Class Members"). The Court hereby **GRANTS** final certification of members
20 who did not submit an Opt-Out Form to the Settlement Administrator as members
21 of a certified class (the "Class") for settlement purposes only. A final list of the
22 certified Class Members is attached hereto as **Exhibit A**. Notwithstanding the
23 foregoing, the Court does retain jurisdiction over the opt-outs for the limited
24 purposes of the settlement of the PAGA claims.

25 3. The notification provided for and given to the Class: (1) was provided
26 and made in full compliance with the Court's Preliminary Approval Order; (2)
27 constituted the best notice practicable under the circumstances; (3) constituted
28 notice that was reasonably calculated to apprise the Class of the terms of the

1 Settlement, of the proposed plan of allocation, of Class Counsel's application for
2 an award of attorneys' fees and litigation expenses incurred in connection with this
3 action, of Class Counsel's application for a Service Award to Plaintiff, and of the
4 right of Class Members to appear at the Fairness Hearing; (4) constituted due,
5 adequate, and sufficient notice to all persons entitled to receive notice of the
6 proposed Settlement; and (5) fully satisfied the notice requirements of Rule 23 of
7 the Federal Rules of Civil Procedure, the United States Constitution (including the
8 Due Process Clause of the Fifth Amendment to the Constitution), and all other
9 applicable law and rules.

10 4. No objections were submitted.

11 5. In light of the substantial benefits provided to the Class by the
12 Settlement, the complexity, expense and possible duration of further litigation of
13 the action, including any possible appeals, the risks of establishing liability and
14 damages, and the costs of continued litigation, the Court hereby fully and finally
15 **approves** the settlement as set forth in the Parties' Settlement in all respects,
16 including, without limitation, the PAGA penalties sought therein, and finds that the
17 Settlement is, in all respects, fair, reasonable and adequate, and in the best interests
18 of Plaintiff, the Class, and the Class Members.

19 6. This Court further finds that the Settlement is the result of arms-
20 length negotiations conducted under the supervision of a neutral mediator by
21 highly experienced counsel representing the interests of their respective Parties.

22 7. Plaintiff and Defendants (collectively, the "Settling Parties") are
23 hereby ordered to consummate the Settlement in accordance with the terms and
24 provisions therein.

25 8. The settlement of the PAGA claims released in the Settlement is
26 approved on behalf of the "aggrieved employees," as that term is used in California
27 Labor Code § 2698, *et seq.* Settlement of the PAGA claims is binding on the
28 Parties, aggrieved employees, and the California Labor and Workforce

1 Development Agency (“LWDA”), including all members of the Class as well as
2 those that opted-out.

3 9. The operative Second Amended Complaint in this action, filed on
4 November 27, 2023, is hereby dismissed in its entirety, with prejudice, and without
5 costs to any party, except as otherwise provided in the Settlement.

6 10. The Court further finds that during the course of the action, the
7 Settling Parties and their respective counsel at all times complied with the
8 requirements of Rule 11 of the Federal Rules of Civil Procedure.

9 11. Upon the Effective Date of the Settlement, Plaintiff and all other
10 Class Members, on behalf of themselves and each of their respective heirs,
11 executors, trustees, administrators, predecessors, successors, and assigns, shall be
12 deemed to have fully, finally and forever waived, released, discharged, and
13 dismissed each and every one of the Released Claims as against each and every
14 one of the Releasees, and shall forever be barred, enjoined and restrained from
15 commencing, instituting, prosecuting or maintaining any and all of the Released
16 Claims against any and all of the Releasees.

17 12. Each Class Member is bound by this Judgment, including, without
18 limitation, the release of claims set forth above. Any persons or Related Entities
19 that validly and timely request exclusion from the Class by submitting an Opt-Out
20 Form will be excluded from the Class and are not Class Members but remain
21 bound by the Settlement with respect to the resolution of the PAGA claims. The
22 persons listed in **Exhibit B** hereto have validly and timely requested exclusion
23 from the Class by submitting an Opt-Out Form, such that those persons are
24 excluded from the Class and are not Class Members but remain bound by the
25 Settlement with respect to the resolution of the PAGA claims.

26 13. This Judgment and the Settlement, whether or not consummated, and
27 any discussions, negotiations, proceedings or agreements relating to the
28 Settlement, and any matters arising in connection with settlement discussions or

1 negotiations, proceedings, or agreements, shall not be offered or received against
2 or to the prejudice of the Settling Parties, or their respective counsel, for any
3 purpose other than in an action to enforce the terms hereof, and in particular:

4 a. do not constitute, and shall not be offered or received against or
5 to the prejudice of Defendants as evidence of, or construed as, or deemed to be
6 evidence of any presumption, concessions, or admissions by Defendants with
7 respect to the truth of any allegation by Plaintiff and the Class, or the validity of
8 any claim that has been or could have been asserted in the action or in any
9 litigation, including, but not limited to, the Released Claims, or of any liability,
10 damages, negligence, fault or wrongdoing of Defendants or any person
11 whatsoever;

12 b. do not constitute, and shall not be offered or received against or
13 to the prejudice of Defendants as evidence of a presumption, concession, or
14 admission of any fault, misrepresentation, or omission with respect to any
15 statement or written document approved or made by the Defendants, or against or
16 to the prejudice of Plaintiff or any other Class Member(s) as evidence of any
17 infirmity in the claims of Plaintiff or the other Class Members;

18 c. do not constitute, and shall not be offered or received against or
19 to the prejudice of Defendants, Plaintiff, and any other Class Member(s), or their
20 respective counsel, as evidence of a presumption, concession, or admission with
21 respect to any liability, damages, negligence, fault, infirmity or wrongdoing, or in
22 any way referred to for any other reason against or to the prejudice of any of the
23 Defendants, Plaintiff, and Class Members, or their respective counsel, in any other
24 civil, criminal or administrative action or proceeding, other than such proceedings
25 as may be necessary to effectuate the provisions of the Settlement;

26 d. do not constitute, and shall not be construed against
27 Defendants, Plaintiff, or any other Class Member(s), as an admission or concession
28 that the consideration to be given hereunder represents the amount which could be

1 or would have been recovered after trial; and

2 e. do not constitute, and shall not be construed as or received in
3 evidence as an admission, concession, or presumption against Plaintiff or any other
4 Class Member(s) that any of their claims are without merit or that damages
5 recoverable in the action would not have exceeded the Settlement Payment.

6 14. In the event that the Settlement does not become effective in
7 accordance with the terms provided therein, then this Judgment shall be rendered
8 null and void to the extent provided by and in accordance with the Settlement and
9 shall be vacated; and in such event, all orders entered and releases delivered in
10 connection herewith shall be null and void to the extent provided by and in
11 accordance with the Settlement.

12 15. Without further order of the Court, the Settling Parties may agree to
13 reasonable extensions of time to carry out any of the provisions of the Settlement.

14 16. The Court finds that the requested attorneys' fees, costs, and service
15 award are fair and reasonable. Accordingly, the Court **GRANTS** the Plaintiff's
16 Motion for Attorneys' Fees, Costs, and Service Award. Such order shall in no way
17 disturb or affect this Judgment, and shall be considered separate and apart from the
18 Settlement and this Judgment. The Court hereby **approves** Class Counsel's
19 application for attorneys' fees, costs, and a Service Award, as follows:

20 a. The Court grants Class Counsel's request for attorneys' fees in
21 the amount of \$1,050,000 (or 25% of settlement value).

22 b. The Court grants Class Counsel's request for reimbursement of
23 costs in the amount of \$18,184.13.

24 c. The Court grants Plaintiff's request for a service award of
25 \$15,000.

26 17. Without affecting the finality of this Judgment in any way, this Court
27 hereby retains continuing jurisdiction over: (1) implementation of the Settlement;
28 (2) any award or distribution of the Class Settlement Fund; (3) disposition of the

1 Class Settlement Fund; (4) hearing and determining applications for attorneys'
2 fees, costs, a Service Award, and payment of expenses in the action; (5) all Settling
3 Parties for the purpose of construing, enforcing and administering the Settlement
4 and this Judgment; and (6) all other matters related or ancillary to the foregoing.

5 **IT IS SO ORDERED.**
