DECLARATION OF BRUCE WILLIAM BALLINGER

I, BRUCE WILLIAM BALLINGER, state and declare as follows:

1. I am a competent adult, over the age of eighteen, and the named Plaintiff in the above-captioned matter. The following is based upon my personal knowledge, and if called as a witness, I could and would testify competently thereto.

2. I am a former employee of Defendant B & B TRANSPORT, INC. ("Defendant" or "B & B").

3. I brought this lawsuit, on behalf of myself and all other aggrieved employees, against Defendant because I believe that Defendant failed to reimburse business related expenses, issue accurate itemized wage statements, and pay all wages owed at separation from Defendant's employ to me and other employees. This lawsuit against B & B is both a class and PAGA lawsuit.

4. I have spent significant time throughout this lawsuit working with PAGA Counsel. Before filing this action initially on April 5, 2023, I researched and identified PAGA Counsel that I believed could best represent the interests of the Aggrieved Employees.

5. I understand that I am representing other employees and I believe that I am able to represent them well.

6. Throughout the litigation, I have provided my attorneys with helpful information for this lawsuit and for the settlement as needed. Additional work in connection with this matter includes providing information to my attorneys regarding my employment with Defendant, staying in regular contact with my attorneys to discuss the status of the case, responding promptly to my attorneys' various communications regarding this matter, making myself available by phone for a full-day mediation on March 8, 2024; and reviewing and analyzing the settlement agreement and settlement papers to ensure the settlement was fair and reasonable and in the best interests of the Aggrieved Employees.

7. Throughout the entirety of this litigation, I have maintained regular contact with my attorneys and assisted in any way possible by providing information and making myself available as needed.

8. I have worked to actively represent the other Aggrieved Employees and their

1 interests.

2 9. I have always kept the Aggrieved Employees' interests at heart in this litigation.

3 10. I was aware that by helping to initiate this lawsuit, my name would become known
4 and it was possible that my involvement in this matter could make it more difficult for me to obtain
5 employment in this field. Regardless, I believed it was important to proceed with this matter on
6 my behalf and on behalf of all others who were subject to the same problems during their
7 employment with Defendant.

8 11. I am prepared to continue assisting with this litigation and am committed to
9 achieving the best possible results for the Aggrieved Employees.

10 12. I believe that the representative action settlement obtained on behalf of the
11 Aggrieved Employees is fair and reasonable in light of the issues involved in this case. As
12 mentioned above, I reviewed and discussed the Agreement with my attorneys and asked them
13 questions about it to ensure that I understood its terms and what it would mean for all of the
14 Aggrieved Employees.

15 13. I believe that I have fairly represented the absent Aggrieved Employees and request
16 that the Court finally approve this settlement and confirm me as the named Plaintiff.

17 14. I am not aware of any conflicts of interest that prevent me from being confirmed as
18 the named Plaintiff in this action. I am not related in any way to my attorneys or to any other
19 member of the firm that is representing me. I have no business dealings or other involvement
20 beyond this lawsuit and this representation. I have not been promised any money or inducement to
21 serve as the named Plaintiff in this action.

22 15. It is my opinion that the settlement agreement provides for a fair and adequate
23 enhancement for me as the named Plaintiff, in the amount of \$5,000. I believe that this is fair and
24 reasonable in light of all of the work that I have performed in my role as the named Plaintiff. As
25 the named Plaintiff, I have actively participated in all stages of the litigation, as detailed above,
26 and have always maintained the best interests of the Aggrieved Employees while performing my
27 named Plaintiff duties.

28 16. It is also my opinion that the Enhancement payment is fair, reasonable, and

adequate because, in addition to the many hours spent participating in the prosecution of this case, I accepted the potential risk of being liable for Defendant's attorneys' fees and costs if we were unsuccessful in this action. Likewise, I risk the potential stigma of being a named Plaintiff in a representative action labor dispute, which may affect my future employability.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed this 30 day of July, 2024 at Victorville, California.
