7 **ATTORNEY QUALIFICATIONS**

8 2. My qualifications are as follow: I received my J.D. from the University of Southern
9 California Gould School of Law in 2011. During law school, I served as the Senior Content Editor
10 on the Southern California Law Review where I published the article: *Taking the Fight Back to Title*

13 5. As counsel for Plaintiff and the proposed Class, I have been intimately
14 involved in this case since its inception and I believe that the proposed class settlement is an
15 excellent result for the Class. Enclosed as **Exhibit 1** is a true and correct copy of the Parties' fully
16 executed Class Action and PAGA Settlement Agreement and Class Notice (the "Settlement" or
17 "Agreement"). The proposed Class Notice is attached to the Agreement as **Exhibit A**.

18 **THE PARTIES AND BRIEF PROCEDURAL HISTORY**

19 6. Defendant owns and operates a canned foods distribution company in Norwalk,
20 California. As alleged in the Class Action Complaint filed on October 17, 2023, Former Plaintiff
21 Lainez was employed by Defendant as a non-exempt employee in the position of prep chef from
22 approximately August 14, 2023 to September 5, 2023 in Los Altos, California. Class Action
23 Complaint, ¶ 10.

24 7. On December 11, 2024, Plaintiff sent a notice letter under PAGA to the Labor and
25 Workforce Development Agency ("LWDA") and gave notice to Defendant. Enclosed as **Exhibit 2**
26 is a true and correct copy of PAGA Notice.

27 8. On October 17, 2023, Former Plaintiff Lainez filed the Class Action Complaint
28 alleged claims for (1) Minimum Wage Violations; (2) Overtime Wage Violations; (3) Meal Period

Violations; (4) Rest Period Violations; (5) Wage Statement Penalties; (6) Waiting Time Penalties; and (7) Unfair Competition. On November 15, 2023, Former Plaintiff Lainez filed the First Amended Complaint adding a cause of action for Civil Penalties Under the California Private Attorneys General Act (“PAGA”) against Defendant.

9. On June 25, 2024, Former Plaintiff Lainez propounded pre-certification written discovery and provided a draft Belaire-West notice. On July 25, 2024, former counsel for Defendant (“Former Defense Counsel”) informed Class Counsel that Defendant settled with Former Plaintiff Lainez and demanded that Class Counsel dismiss this Action. On July 29, 2024, Defendant served all objections to Former Plaintiff Lainez’s discovery responses. Thereafter, Class Counsel contacted Former Plaintiff Lainez and confirmed that Defendant settled with Former Plaintiff.

10. On August 9, 2024, Class Counsel informed Former Defense Counsel that Plaintiff is ready to substitute in and replace Former Plaintiff Lainez as the named Plaintiff and class representative and requested that Defendant stipulate to the substitution. On the same day, Plaintiff sent an amended notice letter under PAGA to the LWDA, gave notice to Defendant by certified mail, and sent a courtesy copy to Former Defense Counsel. Enclosed as **Exhibit 3** is a true and correct copy of the Amended PAGA Notice.

11. On October 9, 2024, Former Plaintiff Lainez filed a Motion for Leave to Amend Complaint to Substitute Class Representative, set for hearing for March 27, 2025. Then on October 16, 2024, current Defendant’s counsel filed a Substitution of Attorney and replaced Former Defense Counsel.

12. On December 31, 2024, the Parties filed a Stipulation for Leave to File Second Amended Complaint, which the Court granted.

13. On January 3, 2025, Plaintiff filed the operative Second Amended Complaint replacing Former Plaintiff Lainez as the proposed class representative. As discussed below, the Parties then agreed to mediate and engaged in informal discovery. Enclosed as **Exhibit 4** is a true and correct copy of the operative Second Amended Complaint.

1 **PLAINTIFF’S CLAIMS AND DEFENDANTS’ DEFENSES**

2 14. Plaintiff alleged that he regularly worked through his meal breaks off the clock
3 without pay. Defendant argued it has compliant policies that prohibit working off the clock and
4 require all employees to receive wages for all hours worked. The 20% sampling payroll data
5 evidenced that Defendant paid Class Members over \$800,000 in overtime and over \$28,000 in
6 double time wages. Defendant thus contended that Plaintiff’s off-the-clock work claim is
7 individualized and not suited for class certification since there is no evidence of a common policy or
8 practice forcing Class Members to work off the clock and numerous job site-by-job site individual
9 inquiries would be needed to assess which Class Members, if any, worked off the clock, how often,
10 the reasons why a particular Class Member worked off the clock, and whether Defendant knew or
11 should have known that Class Members worked off the clock for the imposition of classwide
12 liability.

13 15. Plaintiff claimed that Defendant failed to provide Class Members with compliant
14 meal breaks. In response, Defendant argued that it maintained compliant meal period policies and
15 practices throughout the Class Period and always provided compliant meal periods in line with
16 those policies. Defendant pointed to the fact that the sampling data show it paid nearly \$20,000 in
17 meal period premiums as evidence of its superior meal and rest period compliance practices. As
18 such, Defendant maintained that Plaintiff’s meal and rest period claims are not suited for class
19 certification since individual inquiries would be needed to assess which employees, if any, took
20 non-compliant meal or rest periods, how many meal or rest periods were non-compliant, and the
21 reasons why a particular employee did not take a meal or rest period on a particular shift and a
22 premium was not paid.

23 16. As a result of the unpaid wages and meal period premium wages described above,
24 Plaintiff contended that Defendants failed to comply with its final pay obligations set forth in Labor
25 Code §§ 201 to 203 to former employees and failed to issue accurate itemized wage statements to
26 Class Members as set forth in Labor Code § 226(a). Thus, the claims for waiting time and wage
27 statement penalties are derivative of the underlying claims. Defendants argued that it possessed
28 strong, good faith defenses to Plaintiff’s underlying claims and these claims cannot meet the

1 willfulness standard in Labor Code § 203 or the knowing and intentional standard in Labor Code §
2 226(e). Notably, Defendant relied on the California Supreme Court decision in *Naranjo v. Spectrum*
3 *Security Services, Inc.* (2024) 15 Cal.5th 1056, 1065, which held that an employer’s good-faith
4 defenses precludes a “willfulness” finding under Labor Code § 203 and a “knowing and intentional”
5 finding under Labor Code § 226(e) for the imposition of statutory penalties. Defendant further
6 asserted that Plaintiff’s waiting time and wage statement penalty exposure was inflated as not every
7 employee experienced the alleged Labor Code violations.

8 17. Plaintiff further contended that, as a result of the foregoing Labor Code violations,
9 Defendants are liable for civil penalties under the PAGA. Since Plaintiff’s PAGA claims are
10 derivative of Plaintiff’s underlying wage claims, Defendant asserted the PAGA claim would fail
11 with those claims. Defendant further maintained that, given their good faith defenses, this Court
12 would exercise its discretion to substantially reduce any PAGA penalties if it were to find
13 Defendant liable for any of Plaintiff’s claims.

14 **DISCOVERY AND MEDIATION**

15 18. Plaintiff initiated pre-certification written discovery prior to the Parties agreeing to
16 mediation. In connection with mediation, the Parties engaged in extensive informal discovery.
17 Defendant produced (1) the number of current/former employees, number of Class Workweeks and
18 PAGA Pay Periods; (2) a 20% sampling of time and payroll records; (3) Defendant’s employee
19 handbooks and standalone policy documents; and (4) Plaintiff’s personnel records and wage
20 statements.

21 19. In preparation for mediation, Class Counsel worked with an expert data scientist with
22 prior wage and hour class action litigation experience and conducted a comprehensive analysis and
23 extrapolation of the payroll and timekeeping data produced by Defendant to create a detailed
24 exposure analysis for all claims at issue. This discovery and analysis allowed the Parties to assess
25 the merits and value of Plaintiff’s claims, the chances of certification of Plaintiff’s claims, and
26 Defendants’ potential defenses.

27 20. On August 26, 2025, the Parties participated in a full-day mediation with Tagore
28 Subramaniam, Esq. a well-respected wage and hour class action mediator. During mediation, the

Parties vigorously debated their opposing legal positions, the likelihood of certification of Plaintiff's claims, and the legal basis for the claims and defenses. The Parties reached a tentative class and PAGA settlement at the mediation. The Parties finalized the terms of the Settlement and executed the Agreement now before the Court.

THE PROPOSED SETTLEMENT

21. The monetary terms of the Settlement are summarized below:

Gross Settlement Amount:	\$1,300,000.00
Minus Court-approved attorneys' fees:	\$455,000.00
Minus Court-approved verified costs (up to):	\$25,000.00
Minus Court-approved Service Payment:	\$10,000.00
Minus estimated settlement administration costs:	\$15,950.00
Minus amount set aside as PAGA Payment:	\$70,000.00
Net Settlement Amount:	\$724,050.00

22. According to Defendant, there are approximately 1,242 Class Members. Therefore, the average Individual Class Payment from the Net Settlement Amount is projected to be approximately \$582.97. There are also approximately 781 Aggrieved Employees during the PAGA Period who will each receive an average of approximately \$22.41 as Individual PAGA Payments.

23. The requested fee is fair compensation for undertaking complex, risky, expensive, and time-consuming litigation on a purely contingent fee basis. Class Counsel have incurred substantial attorneys' fees and costs conducting pre-filing investigation, analyzing Plaintiff's claims, conducting legal research, overcoming Defendant's efforts to pick off the original plaintiff and Plaintiff, conducting discovery, analyzing Class Members' time and payroll records, creating a comprehensive damages model, preparing for and attending mediation, negotiating and preparing the long-form Agreement, preparing this Motion, and otherwise litigating the case. Class Counsel expect to expend additional attorney time in attending the hearing on this Motion, overseeing the Class Notice process and fielding questions from Class Members, preparing the Final Approval papers, and attending the Final Approval hearing.

PRELIMINARY APPROVAL IS WARRANTED

24. Although Plaintiff maintains that Plaintiff's claims are meritorious, Plaintiff acknowledges that there were substantial risks and uncertainty in proceeding with litigation. As described above, Defendant presented multiple defenses to Plaintiff's claims, both on the merits and

1 with respect to class certification. Thus, while Plaintiff was prepared to litigate these claims through
2 class certification and ultimately trial, success was far from certain. Although the Parties engaged in
3 significant informal discovery prior to mediation, the Parties still had significant formal discovery
4 to complete if the Action did not resolve. This would have required the expenditure of substantial
5 time and resources by both Parties that would have very likely spanned several years. Even if
6 Plaintiff were to certify the class, the Parties would incur considerably more attorneys' fees and
7 costs through a possible decertification motion, trial, and possible appeal. This Settlement avoids
8 those risks and the accompanying expense.

9 25. Unpaid Wages. Any instance of off-the-clock work would not be reflected in the
10 time records. Estimating that Class Members worked on average 30 minutes off the clock per shift,
11 Defendant's maximum exposure for unpaid wages, including overtime, is \$2,125,468. As discussed
12 above, Defendant argued it has compliant policies that prohibit working off the clock and require all
13 employees to receive wages for all hours worked; the sampling showed Defendant paid Class
14 Members over \$800,000 in overtime wages; and that Plaintiff's off-the-clock work claim is
15 individualized and not suited for class certification. Thus, Plaintiff discounted Defendant's
16 maximum exposure by 50% to account for the risk of non-certification and an additional 50% to
17 account for Defendant's defenses on the merits or failing to recover the full amount sought to arrive
18 at an estimated realistic recovery of approximately \$531,367.

19 26. Meal Period Premiums. Any instances of meal period violations due to off-the-clock
20 work would not be reflected in the time records. Estimating a 50% violation rate (i.e., one meal
21 period violation every other shift over 5 hours), Defendant's maximum exposure for unpaid meal
22 period premiums is \$3,264,492. As discussed above, Defendant argued that it maintained compliant
23 meal period policies and practices throughout the Class Period and always provided compliant meal
24 periods in line with those policies; that it paid nearly \$20,000 meal period premiums as evidence of
25 its superior meal period compliance practices; and Plaintiff's meal period claim is not suited for
26 class certification since individual inquiries predominated. Thus, Plaintiff discounted Defendant's
27 maximum exposure by 50% to account for the risk of non-certification and an additional 50% to
28 account for Defendant's defenses on the merits or failing to recover the full amount sought to arrive

1 at an estimated realistic recovery of approximately \$816,123.

2 27. Rest Period Premiums. Any instances of rest period violations would not be reflected
3 in the time records. Estimating a 50% violation rate (i.e., one rest period violation very other shift of
4 3.5 hours or more), Defendant's maximum exposure for unpaid rest period premiums is \$3,739,100.
5 As discussed above, Defendant argued that it maintained compliant rest period policies and
6 practices throughout the Class Period and always provided compliant rest periods in line with those
7 policies; and Plaintiff's rest period claim is not suited for class certification since individual
8 inquiries predominated. Thus, Plaintiff discounted Defendant's maximum exposure by 75% to
9 account for the risk of non-certification and an additional 50% to account for Defendant's defenses
10 on the merits or failing to recover the full amount sought to arrive at an estimated realistic recovery
11 of approximately \$467,387.50.

12 28. Waiting Time Penalties: As a result of the unpaid wage and premium violations
13 described above, Plaintiff contends that Defendant failed to comply with its final pay obligations set
14 forth in Labor Code §§ 201 to 203 to former employees. At 781 former employees, Defendant's
15 maximum exposure for waiting time penalties is \$3,852,990.00. Defendant presented several
16 defenses, including that because it possessed good-faith defenses to the underlying wage claims,
17 any failure to pay wages was not "willful" as a matter of law; Plaintiff's waiting time penalty
18 exposure was grossly inflated as not every former employee experienced the alleged Labor Code
19 violations; and because the waiting time claim is derivative of Plaintiff's underlying wage claims,
20 Plaintiff would need to overcome Defendant's defenses, both as to class certification and on the
21 merits, as to the underlying claims. Thus, Plaintiff discounted Defendant's maximum exposure by
22 50% to account for the risk of non-certification and an additional 80% to account for Defendant's
23 defenses on the merits or failing to recover the full amount sought, to arrive at an estimated realistic
24 recovery of approximately \$385,299.00.

25 29. Wage Statement Penalties: Plaintiff alleged that Defendant is liable for wage
26 statement penalties as a result of unpaid wages. At 26,389 pay periods, estimating a 50% violation
27 rate, and at \$50 for the initial violation and \$100 for each subsequent violation per employee,
28 Defendant's maximum exposure for wage statement penalties is \$1,299,925.00. As discussed

1 above, Defendant presented several defenses, most notably their assertion that because they
2 possessed good-faith defenses to the underlying claims for meal period violations and any failure to
3 pay wages was not “knowing and intentional” as a matter of law and because the wage statement
4 claim is derivative of Plaintiff’s underlying wage claims, Plaintiff would need to overcome
5 Defendant’s defenses, both as to class certification and on the merits, as to his underlying claims.
6 Thus, Plaintiff discounted Defendant’s maximum exposure by 50% to account for the risk of non-
7 certification and an additional 80% to account for Defendant’s defenses on the merits or failing to
8 recover the full amount sought, to arrive at an estimated realistic recovery of approximately
9 \$129,992.50.

10 30. PAGA Penalties: Plaintiff estimated a maximum total PAGA exposure of
11 approximately \$2,638,900 (\$100 initial penalty X 26,389 pay periods). However, these penalties
12 derive from the underlying wage and hour violations discussed above, which Defendant disputes
13 vigorously. Defendant also assert that the Court would drastically reduce any award of PAGA
14 penalties as “confiscatory.” Therefore, Plaintiff discounted the maximum figure by 90% for the risk
15 of losing on the merits and/or not recovering a PAGA penalty for each and every pay period and to
16 account for the possibility of this Court reducing penalties, to arrive at an estimated exposure of
17 approximately \$263,890.

18 31. Conclusion: Using these estimated figures for each of the claims described above,
19 Plaintiff predicted that the potential realistic recovery for the Class would be approximately
20 \$2,594,059.00. The proposed Settlement of \$1,300,000.00 represents approximately 50.11% of the
21 reasonably forecasted recovery for the Class. Preliminary approval is appropriate since the
22 Settlement will provide significant monetary relief to the Class, which is consistent with what Class
23 Counsel believes could have been recovered had the case proceeded through trial.

24 32. There is no conflict between my interests and the interests of the Class that I am
25 seeking to represent. I have demonstrated my ability to advocate for the interests of the Class by
26 initiating this litigation, undertaking extensive class discovery, negotiating the proposed Settlement
27 at mediation, seeking preliminary approval, and otherwise litigating this case. I also do not have any
28 conflict of interest with the Administrator.

1 33. On June 23, 2026, I uploaded a copy of the Motion for Preliminary Approval, the
2 fully executed Agreement, supporting declarations, and Proposed Order to the LWDA's website.
3 Enclosed as **Exhibit 5** is a true and correct copy of the LWDA's filing confirmation.

4 I declare, under penalty of perjury under the laws of the State of California, that the
5 foregoing is true and correct.

6 Executed on June 1, 2026 at Los Angeles, California.

On November 15, 2023, Lainez filed a First Amended Complaint adding the following cause of action: Civil Penalties Under the California Private Attorneys General Act.
- 2.2. On January 3, 2025, Plaintiff filed a Second Amended Complaint wherein he substituted in for Lainez as the named plaintiff in this Action. The Second Amended Complaint is the operative complaint in the Action (the “Operative Complaint”). Defendant denies the allegations in the Action, denies any failure to comply with the laws identified in the Operative Complaint, and denies any and all liability for the causes of action alleged.
- 2.3. Pursuant to California Labor Code section 2699.3, subd.(a), Plaintiff gave timely written notice to Defendant and the LWDA by sending the PAGA Notice.

Cents (\$1,300,000.00) and no more as the Gross Settlement Amount and to separately pay any and all employer payroll taxes, owed on the Wage Portions of the Individual Class Payments. Defendant has no obligation to pay the Gross Settlement Amount (or any payroll taxes) prior to the deadline stated in Paragraph 4.3 of this Agreement. The Administrator will disburse the entire Gross Settlement Amount without asking or requiring Participating Class Members or Aggrieved Employees to submit any claim as a condition of payment. None of the Gross Settlement Amount will revert to Defendant. Any employer taxes, including the employer FICA, FUTA, and SDI contributions, and other payroll taxes, in connection with payment of the Individual Class Payments, shall be paid separately from the Gross Settlement Amount.

3.2. Payments from the Gross Settlement Amount. The Administrator will make and deduct the following payments from the Gross Settlement Amount, in the amounts specified by the Court in the Final Approval:

3.2.1. To Plaintiff: A Class Representative Service Payment to the Class Representative of not more than \$10,000.00. Defendant will not oppose Plaintiff's request for a Class Representative Service Payment that does not exceed this amount. As part of the motion for Class Counsel Fees Payment and Class Litigation Expenses Payment, Plaintiff will seek Court approval for any Class Representative Service Payment no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Representative Service Payment less than the amount requested, the Administrator will retain the remainder in the Net Settlement Amount. The Administrator will pay the Class Representative Service Payment using an IRS Form 1099. Plaintiff assumes full responsibility and liability for employee taxes owed on the Class Representative Service Payment.

3.2.2. To Class Counsel: Attorneys' fees of not more than 35% of the Gross Settlement Amount, which is currently estimated to be \$455,000.00, and reimbursement of litigation costs of up to \$25,000.00. Defendant will not oppose requests for these payments provided that they do not exceed these amounts. Plaintiff and/or Class Counsel will file a motion for Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the Net Settlement Amount. Released Parties shall have no liability to Class Counsel or any other Plaintiff's Counsel arising from any claim to any portion of any Class Counsel Fees Payment and/or Class Counsel Litigation Expenses Payment. The Administrator will pay the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment using one or more IRS 1099 Form(s). Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment and holds Defendant and Released Parties harmless, and indemnifies Defendant and Released Parties, from any dispute or controversy regarding any division or sharing of any of these Payments.

- 3.2.3. To the Administrator: The Administration Expenses Payment not to exceed \$15,950.00 except for a showing of good cause and as approved by the Court. Defendant will not oppose requests for these payments provided that they do not exceed this amount. To the extent the Administration Expenses Payment is less or the Court approves a payment of less than \$15,950.00, the Administrator will retain the remainder in the Net Settlement Amount.
- 3.2.4. To Each Participating Class Member: An Individual Class Payment calculated by: (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period; and (b) multiplying the result by each Participating Class Member's Workweeks.
- 3.2.4.1. Tax Allocation of Individual Class Payments. 20% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portion is subject to tax withholding and will be reported on an IRS W-2 Form. 80% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for interest and penalties (the "Non-Wage Portion"). The Non-Wage Portion is not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment.
- 3.2.4.2. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.
- 3.2.5. To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of \$70,000.00 to be paid from the Gross Settlement Amount, with 75% (\$52,500.00) allocated to the LWDA Payment and 25% (\$17,500.00) allocated to the Individual PAGA Payments.
- 3.2.5.1. The Administrator will calculate each Individual PAGA Payment by: (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$17,500.00) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period; and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.
- 3.2.5.2. If the Court approves the LWDA PAGA Payment and/or PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The

Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

4. SETTLEMENT FUNDING AND PAYMENTS.

- 4.1. Class Member Workweeks and Aggrieved Employee PAGA Pay Periods. Based on a review of its records and through the date of mediation, Defendant estimates that there are approximately 1,242 Class Members who collectively worked a total of approximately 106,631 Workweeks, and approximately 781 Aggrieved Employees who worked a total of approximately 26,389 PAGA Pay Periods.
- 4.2. Class Data. Not later than 15 days after the Court grants Preliminary Approval of the Settlement, Defendant will simultaneously deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. To protect Class Members' and Aggrieved Employees' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted Class Member and/or Aggrieved Employee identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.
- 4.3. Funding of Gross Settlement Amount. Defendant shall fully fund the Gross Settlement Amount and also fund the amounts necessary to fully pay Defendant's share of payroll taxes by transmitting the funds to the Administrator no later than 30 days after the Effective Date.
- 4.4. Payments from the Gross Settlement Amount. Within 14 days after Defendant fund the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment. Disbursement of the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment shall not precede disbursement of Individual Class Payments, Individual PAGA Payments, and the LWDA PAGA Payment.
 - 4.4.1. The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Participating Class Members and/or Aggrieved Employees via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the date (180 days after the date of mailing) when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for

Individual Class Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Administrator must update the recipients' mailing addresses using the National Change of Address Database.

- 4.4.2. The Administrator must conduct a Address Search for Participating Class Members and/or Aggrieved Employees whose checks are returned undelivered without United States Postal Service ("USPS") forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Address Search. The Administrator need not take further steps to deliver checks to Participating Class Members and/or Aggrieved Employees whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Participating Class Member and/or Aggrieved Employee whose original check was lost or misplaced, requested by the Participating Class Member and/or Aggrieved Employee prior to the void date.
- 4.4.3. For any Participating Class Member and/or Aggrieved Employee whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to the California Controller's Unclaimed Property Fund in the name of the Participating Class Member and/or Aggrieved Employee thereby leaving no "unpaid residue" subject to the requirements of California Code of Civil Procedure Section 384, subd. (b).
- 4.4.4. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendant to confer any additional benefits or make any additional payments to Participating Class Members and/or Aggrieved Employees (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

5. RELEASES OF CLAIMS. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiff, Participating Class Members, Aggrieved Employees, and Class Counsel will release claims against all Released Parties as follows:

- 5.1 Plaintiff's Release. Plaintiff and Plaintiff's respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns generally release and discharge Released Parties from all claims, transactions, or occurrences that occurred during the Class Period, including, but not limited to: (a)

all claims that were, or reasonably could have been, alleged, based on the facts contained in the Operative Complaint; and (b) all PAGA claims that were, or reasonably could have been, alleged based on facts contained in the Operative Complaint and/or Plaintiff's PAGA Notice. ("Plaintiff's Release"). Plaintiff's Release does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, workers' compensation benefits that arose at any time, or based on occurrences outside the Class Period. Plaintiff acknowledges that Plaintiff may discover facts or law different from, or in addition to, the facts or law that Plaintiff now knows or believes to be true but agrees, nonetheless, that Plaintiff's Release shall be and remain effective in all respects, notwithstanding such different or additional facts or Plaintiff's discovery of them.

5.1.1 Plaintiff's Waiver of Rights Under California Civil Code Section 1542. For purposes of Plaintiff's Release, Plaintiff expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the California Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or Released Party.

5.2 Release by Participating Class Members: All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from all claims, rights, demands, liabilities, and causes of action that were alleged in the Action or reasonably could have been alleged based on the facts and legal theories contained in the Operative Complaint, arising during the Class Period, including all of the following claims for relief: (1) Minimum Wage Violations; (2) Overtime Wage Violations; (3) Meal Period Violations; (4) Rest Period Violations; (5) Wage Statement Penalties; (6) Waiting Time Penalties; and (7) Unfair Competition ("Released Class Claims"). Except as set forth in Section 5.3 of this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

5.3 Release by Aggrieved Employees: All Aggrieved Employees and the LWDA are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all causes of action and claims for civil penalties, attorneys' fees and costs under the PAGA that were alleged or reasonably could have been alleged based on the facts and legal theories contained in the Operative Complaint and PAGA Notice, arising during the PAGA Period, including PAGA penalties for: (1) Minimum Wage Violations; (2) Overtime Wage Violations; (3) Meal Period Violations; (4) Rest Period Violations; (5) Wage Statement Penalties; (6) Waiting

Time Penalties; and (7) violations of California Labor Code sections 201, 202, 203, 204, 210, 216, 218.6, 226, 226.3, 226.7, 246, 510, 512, 516, 558, 1174, 1182.12, 1194, 1194.2, 1197, 1197.1, 1198, 1199, 2698, *et seq.*, 2699, *et seq.*, and 2802 (“Released PAGA Claims”).

6. MOTION FOR PRELIMINARY APPROVAL. The Parties agree to jointly prepare and file a motion for preliminary approval (“Motion for Preliminary Approval”) that complies with the Court’s current checklist for Preliminary Approvals.

- 6.1 Defendant’s Declaration in Support of Preliminary Approval. Within 14 days of the full execution of this Agreement, Defendant will prepare and deliver to Class Counsel a signed declaration from Defense Counsel disclosing all facts relevant to any actual or potential conflicts of interest with the Administrator. In their declaration, Defense Counsel shall aver whether they are aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.
- 6.2 Plaintiff’s Responsibilities. Plaintiff will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under California Labor Code section 2699, subd. (f)(2)); (ii) a draft proposed Order Granting Preliminary Approval; and (iii) a draft proposed Class Notice; (iv) a signed declaration from the Administrator attaching its “not to exceed” bid for administering the Settlement and attesting to its willingness to serve; competency; operative procedures for protecting the security of Class Data; amounts of insurance coverage for any data breach, defalcation of funds or other misfeasance; all facts relevant to any actual or potential conflicts of interest with Class Members and/or Aggrieved Employees; and the nature and extent of any financial relationship with Plaintiff, Class Counsel, or Defense Counsel; (v) a signed declaration from Plaintiff confirming willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members, Aggrieved Employees, and/or the Administrator; (v) a signed declaration from each Class Counsel firm attesting to its competency to represent the Class Members and Aggrieved Employees; its timely transmission to the LWDA of all necessary PAGA documents (initial notice of violations (California Labor Code section 2699.3, subd. (a)), Operative Complaint (California Labor Code section 2699, subd. (l)(1)), this Agreement (Labor Code section 2699, subd. (l)(2)); and (vi) all facts relevant to any actual or potential conflict of interest with Class Members, Aggrieved Employees, and the Administrator. In their respective Declarations, Plaintiff and Class Counsel shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.
- 6.3 Responsibilities of Counsel. Class Counsel is responsible for expeditiously finalizing and filing the Motion for Preliminary Approval no later than 30 days after the full execution of this Agreement; obtaining a prompt hearing date for the Motion for Preliminary Approval; and for appearing in Court to advocate in favor of the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court’s

Preliminary Approval to the Administrator.

- 6.4 Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in good faith to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in good faith to modify the Agreement and otherwise satisfy the Court's concerns.

7. SETTLEMENT ADMINISTRATION.

- 7.1 Selection of Administrator. The Parties have jointly selected Phoenix Settlement Administrators to serve as the Administrator and verified that, as a condition of appointment, Phoenix Settlement Administrators agree to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for Administration Expenses Payment. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.
- 7.2 Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports to state and federal tax authorities.
- 7.3 Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1 for the funding of the Gross Settlement Amount. Any interest that accrues on the Gross Settlement Amount sums paid into the QSF prior to distribution by the Administrator shall become part of the Net Settlement Amount for distribution to Participating Class Members and Aggrieved Employees.
- 7.4 Notice to Class Members and Aggrieved Employees.
- 7.4.1 No later than five (5) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, Aggrieved Employees, Workweeks, and PAGA Pay Periods in the Class Data.
- 7.4.2 Using best efforts to perform as soon as possible, and in no event later than fourteen (14) days after receiving the Class Data, the Administrator will send to all Class Members and/or Aggrieved Employees identified in the Class Data, via first-class USPS mail, the Class Notice, with Spanish translation, substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the

Class Member and/or Aggrieved Employee, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing the Class Notice, the Administrator shall update the Class Member and/or Aggrieved Employee addresses using the National Change of Address database.

- 7.4.3 Not later than 3 business days after the Administrator's receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member and/or Aggrieved Employee Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members and/or Aggrieved Employee whose Class Notice is returned by the USPS a second time.
- 7.4.4 The deadlines for Class Members' and/or Aggrieved Employees' written objections, challenges to Workweeks and/or PAGA Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the 45 days otherwise provided in the Class Notice for all Class Members and/or Aggrieved Employees whose notice is re-mailed. The Administrator will inform the Class Member and/or Aggrieved Employee of the extended deadline with the re-mailed Class Notice.
- 7.4.5 If the Administrator, Defendant or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as a Class Member and/or Aggrieved Employee. If the Parties agree, such persons will be a Class Member and/or Aggrieved Employee entitled to the same rights as other Class Members and/or Aggrieved Employees, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, whichever are later.

7.5 Requests for Exclusion (Opt-Outs).

- 7.5.1 Class Members who wish to exclude themselves from (opt-out of) the class portion of the Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the class portion of the Settlement and includes the Class Member's name, address, and email address or telephone number. To be valid, a Request for Exclusion must be timely

faxed, emailed, or postmarked by the Response Deadline.

- 7.5.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.
- 7.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Release under Paragraph 5.2 of this Agreement, regardless of whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.
- 7.5.4 Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 5.3 of this Agreement and are eligible for an Individual PAGA Payment.

7.6 Challenges to Calculation of Workweeks or PAGA Pay Periods. Each Class Member and/or Aggrieved Employee shall have 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members and/or Aggrieved Employees whose Class Notice is re-mailed) to challenge the number of Workweeks and/or PAGA Pay Periods (if any) allocated to the Class Member and/or Aggrieved Employee in the Class Notice. The Class Member and/or Aggrieved Employee may challenge the allocation by communicating with the Administrator via fax, email, or mail. The Administrator must encourage the challenging Class Member and/or Aggrieved Employee to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks and/or PAGA Pay Periods contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's and/or Aggrieved Employee's allocation of Workweeks and/or PAGA Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to the calculation of Workweeks and/or PAGA Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination of the challenges.

7.7 Objections to Settlement.

- 7.7.1 Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, and/or Class Representative Service Payment.
- 7.7.2 Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 45 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).
- 7.7.3 Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

7.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

- 7.8.1 Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members and Aggrieved Employees including the date, time and location for the Final Approval Hearing and copies of the Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval of the Settlement, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member and/or Aggrieved Employee calls, faxes and emails.
- 7.8.2 Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 5 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion ("Exclusion List"); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).
- 7.8.3 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally

the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or PAGA Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.

- 7.8.4 Workweek and/or PAGA Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member and/or Aggrieved Employee challenges over the calculation of Workweeks and/or PAGA Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- 7.8.5 Administrator’s Declaration. Not later than 14 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members and/or Aggrieved Employees, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and the full names of Class Members who opted out of the settlement, the high, low, and average Individual Class Payments, and the high, low, and average Individual PAGA Payments. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator’s declaration(s) with the Court.
- 7.8.6 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator’s declaration in Court.

- 8. **CLASS SIZE ESTIMATES and ESCALATOR CLAUSE.** Based on its records and through the date of mediation, Defendant estimates that there are approximately 1,242 Class Members who collectively worked a total of approximately 106,631 Workweeks and approximately 781 Aggrieved Employees who worked a total of approximately 26,389 PAGA Pay Periods. If the total number of Workweeks during the Class Period is 10% higher

(117,294), then Defendant shall have the option to either: (1) de-escalate the settlement so that the Class Period ends on the date that the Workweeks count totals no more than 117,294 and the PAGA Period will end on the same date as the Class Period; or (2) permit the Gross Settlement Amount to be increased proportionally by the Workweeks in excess of 117,294 (the “Escalator Clause”). For example, if the number of Workweeks is 11% higher, the Gross Settlement Amount will increase by 1%. No later than two weeks after the close of the Class Period on October 25, 2025, Defendant shall verify the total number of Workweeks during the Class Period by either submitting a declaration to Class Counsel stating the total number of Workweeks during the Class Period or providing the number of Workweeks and/or dates of employment of Class Members to the Administrator, who will calculate Workweeks. If the Escalator Clause is triggered, no later than 14 days prior to the hearing on preliminary approval, Defendant shall choose to either change the end date of the Class Period or increase the Gross Settlement Amount in accordance with the Escalator Clause such that there is a certain end date for the Class Period for preliminary approval.

9. **DEFENDANT’S RIGHT TO WITHDRAW.** If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 10% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Administration Expenses incurred to that point. Defendant must notify Class Counsel and the Court of its election to withdraw not later than 7 days within learning this information; late elections will have no effect.
10. **MOTION FOR FINAL APPROVAL.** Not later than 16 court days before the calendared Final Approval Hearing, unless otherwise scheduled by the Court, Plaintiff will file in Court, a Motion for Final Approval of the Settlement that includes a request for approval of the PAGA portion of the Settlement under Labor Code section 2699, subd. (l), a Proposed Final Approval Order and a proposed Judgment (collectively “Motion for Final Approval”). Plaintiff shall provide drafts of these documents to Defense Counsel not later than 7 days prior to filing the Motion for Final Approval of the Settlement. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval of the Settlement.
 - 10.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than 5 days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
 - 10.2 Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Participating Class Members), the Parties will expeditiously work together in good faith to address the Court’s concerns by revising the Agreement as necessary to obtain Final Approval. The Court’s decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, and/or Administration Expenses Payment shall not constitute a material modification to the

Agreement within the meaning of this paragraph.

- 10.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction, under California Code of Civil Procedure section 664.6, over the Parties, the Action, and the Settlement solely for purposes of: (i) enforcing this Agreement and/or Judgment; (ii) addressing settlement administration matters; and (iii) addressing such post-Judgment matters as are permitted by law.
- 10.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.
- 10.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses Payment reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

11. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit a proposed amended judgment.

12. ADDITIONAL PROVISIONS.

- 12.1 No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does not

grant Preliminary Approval, Final Approval or enter Judgment, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

- 12.2 Confidentiality Prior to Preliminary Approval. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree that, until the Motion for Preliminary Approval is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; (5) in response to an inquiry or subpoena issued by a state or federal government agency; or (6) to the extent necessary to prepare the Motion for Preliminary Approval to be filed. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff, Class Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, with any third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members and/or Aggrieved Employees in accordance with Class Counsel's ethical obligations owed to Class Members and/or Aggrieved Employees.
- 12.3 No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations and Class Counsel's fiduciary duties owed to Class Members.
- 12.4 Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.
- 12.5 Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this

Agreement.

- 12.6 Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution. The Parties and their counsel shall not take any action to encourage any Class Members to opt out of and/or object to the Settlement. Defendant shall not oppose Plaintiff's motions seeking Preliminary Approval and Final Approval.
- 12.7 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 12.8 No Tax Advice. Neither Plaintiff, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 12.9 Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
- 12.10 Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 12.11 Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.
- 12.12 Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 12.13 Confidentiality. To the extent permitted by law, all agreements made, and orders entered during the Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.
- 12.14 Use and Return of Class Data. Information provided to Class Counsel pursuant to California Evidence Code section 1152, and all copies and summaries of the Class

Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiff shall destroy all paper and electronic versions of Class Data received from Defendant unless, prior to the Court's discharge of the Administrator's obligation, Defendant makes a written request to Class Counsel for the return, rather than the destructions, of Class Data.

- 12.15 Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 12.16 Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.
- 12.17 Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR FINAL COURT APPROVAL

David Isaac Tobar Ortiz v. Epicurean Group, Case No. 23CV424299

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, advertisement, or solicitation by a lawyer. You are not being sued.***

You may be eligible to receive money from an employee class action lawsuit (“Action”) against Epicurean Group (“Defendant”) for alleged wage and hour violations. The Action was filed by a former employee David Isaac Tobar Ortiz (“Plaintiff”) and seeks payment of (1) back wages and other relief for a class of all current and former non-exempt employees who worked for Defendant within the State of California during the “Class Period” from October 17, 2019, through October 25, 2025 (“Class Members”); and (2) penalties under the California Private Attorney General Act (“PAGA”) for all current and former non-exempt employees who worked for Defendant within the State of California during the “PAGA Period” of September 11, 2022 through October 25, 2025 (“Aggrieved Employees”).

The proposed settlement has two main parts: (1) a “Class Settlement” requiring Defendant to fund Individual Class Payments, and (2) a “PAGA Settlement” requiring Defendant to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency (“LWDA”) (collectively, the “Settlement”).

Based on Defendant’s records and the Parties’ current assumptions, **your Individual Class Payment is estimated to be \$INSERT (less withholding) and your Individual PAGA Payment is estimated to be \$INSERT**. The actual amount you may receive may be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant’s records you are not eligible for an Individual PAGA Payment under the Settlement because you did not work during the PAGA Period.)

The above estimates are based on Defendant’s records showing that **you worked INSERT Workweeks** during the Class Period, and **you worked INSERT PAGA Pay Periods** during the PAGA Period. If you believe that you worked more workweeks during the Class Period or PAGA pay periods during the PAGA Period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Court Approved Notice of Class Action Settlement and Hearing Date for Final Court Approval (“Notice”). The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or do not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. The Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff’s attorneys (“Class Counsel”) at what is called, the “Final Approval Hearing.” The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant

should they elect to receive their Individual Class Payment and/or Individual PAGA Payment.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two options under the Settlement:

- (1) **Do Nothing.** You do not have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Class Member who does nothing, though, you will give up your right to assert Class Period wage claims and/or PAGA Period penalty claims against Defendant, and you will become a “Participating Class Member.”
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator (defined below) in writing. If you opt-out of the Class Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Defendant. If you are an Aggrieved Employee you will remain eligible for an Individual PAGA Payment even if you opt-out of the Class Settlement. You cannot opt-out of the PAGA Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don’t Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is 	If you don’t want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Defendant must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released PAGA Claims (defined below).

Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by [REDACTED]	Participating Class Members can object to any aspect of the proposed Settlement. The Court’s decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class Members. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 7 of this Notice.
You Can Participate in the [REDACTED] Final Approval Hearing	The Court’s Final Approval Hearing is scheduled to take place on [REDACTED]. You do not have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court’s virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by [REDACTED]	The amount of your Individual Class Payment and Individual PAGA Payment (if any) depend on how many Workweeks you worked at least one day during the Class Period and how many PAGA Pay Periods you worked at least one day during the PAGA Period, respectively. The number of Class Period Workweeks and number of PAGA Pay Periods you worked according to Defendant’s records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by [REDACTED]. See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former employee of Defendant Epicurean Group. The Action accuses Defendant of violating California labor laws by failing to pay minimum and overtime wages; failing to provide legally compliant meal and rest periods; failing to pay wages due upon termination; failing to provide accurate itemized wage statements; and unfair competition. Based on the same claims, Plaintiff has also asserted a claim for civil penalties under the California Private Attorneys General Act (California Labor Code §§ 2698, *et seq.*) (“PAGA”). Plaintiff is represented by attorneys in the Action: William C. Sung, Tiffany L. Luu, Joseph C. Ramli of Justice for Workers, P.C. (also “Class Counsel”).

Defendant strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Defendant or Plaintiff is correct on the merits. In the meantime, Plaintiff and Defendant hired an experienced, neutral mediator in an effort to

resolve the Action by negotiating to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement (“Agreement”) and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement. Plaintiff and Defendant have negotiated a proposed Settlement that is subject to the Court’s Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a Final Approval Hearing.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Defendant Will Pay \$1,300,000.00 as the Gross Settlement Amount. Defendant has agreed to deposit the Gross Settlement Amount into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement Amount to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel’s attorney’s fees and expenses, the Administrator’s expenses, and penalties to be paid to the LWDA. Assuming the Court grants final approval of the Settlement, Defendant will fund the Gross Settlement Amount not more than 30 days after judgment is entered by the Court and becomes final (“Judgment”). The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.
2. Court-Approved Deductions from Gross Settlement Amount. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement Amount, the amounts of which will be decided by the Court at the Final Approval Hearing:
 - A. Up to \$455,000.00 (35% of the Gross Settlement Amount) to Class Counsel for attorneys’ fees and up to \$25,000.00 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
 - B. Up to \$10,000.00 to Plaintiff as a Class Representative Service Payment for filing the Action, working with Class Counsel and representing the Class Members and Aggrieved Employees. A Class Representative Service Payment will be the only monies Plaintiff will receive other than Plaintiff’s Individual Class Payment and any Individual PAGA Payment.
 - C. Up to \$15,950.00 to the Administrator for administering the Settlement.
 - D. Up to \$70,000.00 for PAGA Penalties with 75% to be allocated towards the LWDA Payment and 25% towards the Individual PAGA Payments the Aggrieved Employees will receive based on their PAGA Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement Amount (the “Net Settlement”) by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.
4. Taxes Owed on Payments to Class Members. Plaintiff and Defendant are asking the Court to approve an allocation of 20% of each Individual Class Payment to taxable wages (“Wage Portion”) and 80% to interests and penalties (“Non-Wage Portion”). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Defendant will separately pay employer payroll taxes it owes on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiff and Defendant has agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the “void date”). If you do not cash it by the void date, your check will be automatically cancelled, and the monies will be deposited with the California Controller’s Unclaimed Property Fund in your name.

If the monies represented by your check are sent to the Controller’s Unclaimed Property, you should consult the rules of the Fund for instructions on how to retrieve your money.

6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, no later than **INSERT**, that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the **INSERT** Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her representative setting forth the Class Member’s name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments but will preserve their rights to personally pursue wage and hour claims against Defendant.

You cannot opt-out of the PAGA Class Settlement. Class Members who exclude themselves from the Class Settlement (i.e., Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims

against Defendant based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant final approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiff and Defendant agreed that, in either case, the Settlement will be void: Defendant will not pay any money and Class Members will not release any claims against Defendant.
8. Administrator. The Court has appointed a neutral company, Phoenix Settlement Administrators to send this Notice, calculate and make payments, and process Class Members' Requests for Exclusion. The Administrator will also decide Class Member challenges over Workweeks, mail and re-mail Individual Class Payments and/or Individual PAGA Payments, tax forms, and perform other tasks necessary to administer the Settlement. The Administrator's contact information is contained in Section 9 of this Notice.
9. Participating Class Members' Release. After the Judgment is final and Defendant has fully funded the Gross Settlement Amount and separately paid all employer payroll taxes, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant or related entities for wages based on the Class Period facts and PAGA Penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

The Participating Class Members will be bound by the following release:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, Administrators, successors, and assigns, release Released Parties from all claims, rights, demands, liabilities, and causes of action and claims that were alleged in the Action or reasonably could have been alleged based on the facts and legal theories contained in the Second Amended Complaint, arising during the Class Period, including all of the following claims for relief: (1) Minimum Wage Violations; (2) Overtime Wage Violations; (3) Meal Period Violations; (4) Rest Period Violations; (5) Wage Statement Penalties; (6) Waiting Time Penalties; and (7) Unfair Competition ("Released Class Claims"). Except as set forth below, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

10. Aggrieved Employees' PAGA Release. After the Court's Judgment is final, and Defendant has paid the Gross Settlement Amount and separately paid the employer-side payroll taxes, all Aggrieved Employees will be barred from asserting PAGA claims against Defendant, whether or not they exclude themselves from the Settlement. This means that all Aggrieved Employees, including those who are Participating Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue, or participate in any other PAGA claim against Defendant or its related entities based on the PAGA Period facts alleged in the

Action and resolved by this Settlement.

The Aggrieved Employees' Releases for Participating and Non-Participating Class Members are as follows:

All Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, Administrators, successors, and assigns, the Released Parties from all causes of action and claims for civil penalties, attorneys' fees and costs under the PAGA that were alleged or reasonably could have been alleged based on the facts and legal theories contained in the Second Amended Complaint and PAGA Notice, arising during the PAGA Period, including PAGA penalties for: (1) Minimum Wage Violations; (2) Overtime Wage Violations; (3) Meal Period Violations; (4) Rest Period Violations; (5) Wage Statement Penalties; (6) Waiting Time Penalties; and (7) and (7) violations of California Labor Code sections 201, 202, 203, 204, 210, 216, 218.6, 226, 226.3, 226.7, 246, 510, 512, 516, 558, 1174, 1182.12, 1194, 1194.2, 1197, 1197.1, 1198, 1199, 2698, *et seq.*, 2699, *et seq.*, and 2802 ("Released PAGA Claims").

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing **\$17,500.00** by the total number of PAGA Pay Periods worked by all Aggrieved Employees and (b) multiplying the result by the number of PAGA Pay Periods worked by each individual Aggrieved Employee.
3. Workweek/PAGA Pay Period Challenges. The number of Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Defendant's records, are stated in the first page of this Notice. You have until **INSERT** to challenge the number of Workweeks and/or PAGA Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email, or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Defendant's calculation of Workweeks and/or PAGA Pay Periods based on Defendant's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or PAGA Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Defendant's Counsel. The Administrator's decision is final. You cannot appeal or otherwise challenge its final decision.

5. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who does not opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.
2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as in this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

6. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

Submit a written and signed letter with your name, present address, telephone number, and a simple statement that you do not want to participate in the Settlement. The Administrator will exclude you based on any writing communicating your request to be excluded. Be sure to personally sign your request, identify the Action as *David Isaac Tobar Ortiz v. Epicurean Group*, Case No. 23CV424299, and include your identifying information (full name, address, telephone number, approximate dates of employment, and social security number for verification purposes). You must make the request yourself. If someone else makes the request for you, it will not be valid. **The Administrator must receive your request to be excluded by INSERT, or it will be invalid.** Section 9 of the Notice has the Administrator's contact information.

7. HOW DO I OBJECT TO THE SETTLEMENT?

Only Participating Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiff and Defendant are asking the Court to approve. At least 16 court days before the **INSERT** Final Approval Hearing, Class Counsel and/or Plaintiff will file in Court (1) a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, and (2) a Motion for Attorneys' Fees and Litigation Costs and Class Representative Service Payment stating (i) the amount Class Counsel is requesting for Attorneys' Fees and Litigation Costs; and (ii) the amount Plaintiff is requesting as Class Representative Service Payment. Upon reasonable request, Class Counsel (whose contact information is in Section 9 of this Notice) will send you copies of these documents at no cost to you. You can also view them on the Administrator's Website www.INSERT.com or the Court's website <https://portal.scscourt.org/>.

A Participating Class Member who disagrees with any aspect of the Agreement, the Motion for Final Approval and/or Motion for Attorneys' Fees and Litigation Costs, and Class Representative Service Payment may wish to object. **The deadline for sending written objections to the Administrator is INSERT.** Be sure to tell the Administrator what you object to, why you object, and any facts that support your objection. Make sure you identify the Action

David Isaac Tobar Ortiz v. Epicurean Group, Case No. 23CV424299 and include your name, current address, telephone number, and approximate dates of employment for Defendant and sign the objection. Section 9 of this Notice has the Administrator's contact information.

Alternatively, a Participating Class Member can object (or personally retain a lawyer to object at your own cost) by attending the Final Approval Hearing. You (or your attorney) should be ready to tell the Court what you object to, why you object, and any facts that support your objection. See Section 8 of this Notice (immediately below) for specifics regarding the Final Approval Hearing.

8. CAN I ATTEND THE FINAL APPROVAL HEARING?

You can, but don't have to, attend the Final Approval Hearing **INSERT** at **INSERT** a.m./p.m. in Department 22 of the Santa Clara County Superior Court, Old Courthouse, located at 161 North First Street in San Jose, CA 95113. At the Hearing, the judge will decide whether to grant Final Approval of the Settlement and how much of the Gross Settlement Amount will be paid to Class Counsel, Plaintiff, and the Administrator. The Court will invite comment from objectors, Class Counsel and Defense Counsel before making a decision. You can attend (or hire a lawyer to attend) either personally or virtually via <https://santaclara.courts.ca.gov>. Check the Court's website for the most current information.

It is possible the Court will reschedule the Final Approval Hearing. You should check the Administrator's website www.INSERT.com beforehand or contact Class Counsel to verify the date and time of the Final Approval Hearing.

9. HOW CAN I GET MORE INFORMATION?

The Agreement sets forth everything Defendant and Plaintiff have promised to do under the proposed Settlement. The easiest way to read the Agreement, the Judgment or any other Settlement documents is to go to the Administrator's website at www.INSERT.com. You can also telephone or send an email to Class Counsel or the Administrator using the contact information listed below, or consult the Superior Court website by going to (<https://portal.scscourt.org/>) and entering the Case Number for the Action, Case No. 23CV424299. You can also make an appointment to personally review court documents in the Clerk's Office at the Santa Clara County Superior Court.

DO NOT TELEPHONE THE SUPERIOR COURT TO OBTAIN INFORMATION ABOUT THE SETTLEMENT.

**Re: *Luis Orlando Lainez v. Epicurean Group*
Notice of Private Attorneys General Act Claim**

Dear PAGA Administrator:

This office has been retained by aggrieved employee Luis Orlando Lainez concerning a representative action pursuant to the Private Attorneys General Act of 2004, Labor Code sections 2698, *et seq.* ("PAGA") against Epicurean Group (including any and all affiliates, subsidiaries, parents, directors, officers, managing agents, and executive employees) (collectively referred to as "Epicurean Group") for violations of California wage and hour laws. Mr. Lainez seeks civil penalties for violations of the California Labor Code and all other remedies available under PAGA.

Mr. Lainez seeks these remedies on behalf of the State of California and "aggrieved employees," as defined herein. This letter is sent in compliance with the notice requirements of California Labor Code section 2699.3.

Epicurean Group owns, operates, or otherwise manages a contract food service management company in the State of California. Epicurean Group employed Mr. Lainez as an hourly-paid, non-exempt kitchen staff from approximately August 14, 2023 to September 5, 2023 in Los Altos, California. The "aggrieved employees" that Mr. Lainez seeks civil penalties on behalf of are all current and former hourly-paid or non-exempt employees who worked for any of the above-referenced entities within the State of California.

Based on the following facts and theories, Epicurean Group has violated and/or continues to violate, among other provisions of the California Labor Code and applicable wage law, California Labor Code sections 201, 202, 203, 204, 210, 226, 226.7, 245-248.5, 256, 510, 512,

516, 558, 1174, 1194, 1197, 1197.1, 1198, and 2802, and IWC Wage Orders including Wage Order 5-2001.

California Labor Code sections 1194, 1197, and 1197.1 provide the minimum wage to be paid to employees, and the payment of a lesser wage than the minimum so fixed is unlawful. The applicable Wage Order defines "hours worked" as "the time during which an employee is subject to the control of an Epicurean Group, and includes all the time the employee is suffered or permitted to work, whether or not required to do so." See §2 of all applicable Wage Orders. Therefore, Epicurean Groups are required to pay employees for all time spent subject to the control of the Epicurean Group and all time the employee is suffered or permitted to work. During the relevant time period, Epicurean Group required Mr. Lainez and other aggrieved employees to perform work before clocking in, after clocking out, and/or during off-the-clock meal breaks, and failed to compensate aggrieved employees for this time.

California Labor Code sections 510 and 1198 require Epicurean Groups to pay time-and-a-half or double time overtime wages, and make it unlawful to work employees for hours longer than eight hours in one day and/or over forty hours in one week without paying the premium overtime rates at one-and-one-half times or double the regular rate of pay, including additional remuneration. During the relevant time period, Mr. Lainez and other aggrieved employees worked in excess of 8 hours in a day and 40 hours in a week but were not paid for all hours worked before clocking in, after clocking out, and/or during off-the-clock meal breaks. Mr. Lainez and other aggrieved employees were not paid overtime compensation at the regular rate of pay because Epicurean Group failed to incorporate multiple rates of pay and/or all non-discretionary remuneration into the regular rate of pay.

California Labor Code sections 226.7, 512, 516, and the Wage Orders require Epicurean Groups to pay an employee one additional hour of pay at the employee's regular rate of compensation for each meal or rest period that is not provided. During the relevant time period, Epicurean Group required Mr. Lainez and other aggrieved employees to work during meal and rest periods and failed to compensate them properly and at the regular rate of compensation for non-compliant meal and rest periods including, *inter alia*, short, late, interrupted, and missed meal and rest periods, unlawful rounding of meal period punches.

California Labor Code section 246 mandates Epicurean Groups to comply with various requirements with respect to the provision of paid sick leave to employees. On information and belief, during the relevant time period, Epicurean Group either failed to provide paid sick leave at all or improperly calculated the sick leave accrual or the sick leave rate of pay owed to aggrieved employees by failing to base the accrued sick leave hours on the correct number of hours worked and by failing to incorporate multiple rates of pay and/or all non-discretionary remuneration into the sick leave pay rate calculation.

California Labor Code sections 201 and 202 provide that if an Epicurean Group discharges an employee, the wages earned and unpaid at the time of discharge are due and payable immediately, and if an employee quits his or her employment, his or her wages shall become due and payable not later than seventy-two (72) hours thereafter, unless the employee has given seventy-two (72) hours' notice of his or her intention to quit, in which case the employee is entitled to his or her wages at the time of quitting. During the relevant time period,

Epicurean Group failed to pay Mr. Lainez and other aggrieved employees all wages due to them within any time period specified by California Labor Code sections 201 and 202, including earned and unpaid minimum, overtime, and premium wages as discussed above.

California Labor Code section 204 requires that all wages earned by any person in any employment between the 1st and the 15th days, inclusive, of any calendar month, other than those wages due upon termination of an employee, are due and payable between the 16th and the 26th day of the month during which the labor was performed, and that all wages earned by any person in any employment between the 16th and the last day, inclusive, of any calendar month, other than those wages due upon termination of an employee, are due and payable between the 1st and the 10th day of the following month. California Labor Code section 204 also requires that all wages earned for labor in excess of the normal work period shall be paid no later than the payday for the next regular payroll period. During the relevant time period, Epicurean Group failed to pay Mr. Lainez and other aggrieved employees all wages due to them within any time period specified by California Labor Code section 204, including earned and unpaid minimum, overtime, and premium wages as discussed above.

California Labor Code section 226 requires Epicurean Groups to make, keep and provide complete and accurate itemized wage statements to their employees. During the relevant time period, Epicurean Group did not provide Mr. Lainez and other aggrieved employees with complete and accurate itemized wage statements. The wage statements they received from Epicurean Group were in violation of California Labor Code section 226(a). The violations include, but are not limited to, the failure to include the total hours worked, including time spent working off the clock and during meal and rest periods, failure to state the correct gross and net wages earned for all time worked, incorrectly stating the name of the legal entity that is the employer as "Epicurean Group Inc", the name of the employee and only the last four digits of his or her social security number or an employee identification number other than a social security number, and failure to state all applicable hourly rates in effect during the pay period and the corresponding number of hours worked at each hourly rate by the employee.

California Labor Code section 1174 requires an Epicurean Group to keep, at a central location in the state or at the plants or establishments at which employees are employed, payroll records showing the hours worked daily by and the wages paid to, and the number of piece-rate units earned by and any applicable piece rate paid to, employees employed at the respective plants or establishments. These records shall be kept with rules established for this purpose by the commission, but in any case shall be kept on file for not less than two years. During the relevant time period, Epicurean Group failed to keep accurate and complete payroll records showing the actual hours worked daily and the wages earned by Mr. Lainez and other aggrieved employees, including earned and unpaid minimum, overtime, and premium wages as discussed above.

California Labor Code section 1198 provides: "The employment of any employee ... under conditions of labor prohibited by the [Industrial Wage Orders] is unlawful." The applicable Industrial Wage Orders, including Wage Orders 5-2001, require that for each workday an employee is required to report for work and does report, but is not put to work or is furnished less than half said employee's usual or scheduled day's work, the employee shall be paid for half the usual or scheduled day's work, but in no event for less than two (2) hours nor more than four

(4) hours, at the employee's regular rate of pay. Further, if an employee is required to report for work a second time in any one workday and is furnished less than two (2) hours of work on the second reporting, said employee shall be paid for two (2) hours at the employee's regular rate of pay. On information and belief, during the relevant time period, Epicurean Group failed to pay aggrieved employees half the usual or scheduled day's work in an amount no less than two (2) hours nor more than four (4) hours at the employee's regular rate of pay for workdays in which aggrieved employees reported to work and were furnished less than half the usual or scheduled day's work. On information and belief, during the relevant time period, Epicurean Group failed to pay aggrieved employees for two (2) hours at the employee's regular rate of pay on days in which aggrieved employees were required to report for work a second time in one workday and were furnished less than two (2) hours of work upon the second reporting.

California Labor Code section 2802 requires an Epicurean Group to reimburse its employee for all necessary expenditures incurred by the employee in direct consequence of the discharge of his or her job duties or in direct consequence of his or her obedience to the directions of the Epicurean Group. On information and belief, during the relevant time period, aggrieved employees incurred necessary business-related expenses and costs that were not fully reimbursed by Epicurean Group.

Therefore, on behalf of all aggrieved employees, Mr. Lainez seeks all applicable penalties arising out of the above-referenced wage, hour, and payroll practices, or which could be assessed and collected by the LWDA, for violation of the California Labor Code pursuant to PAGA. Labor Code section 2699.3 requires that a claimant send a certified letter (i.e. this letter) to the Epicurean Group in question and file an online claim to the LWDA setting forth the claims and the basis for the claims, thereby giving the LWDA and Epicurean Group an opportunity to investigate the claims and/or take any action they deem appropriate. If the LWDA and Epicurean Group elect not to take any action with respect to any of the foregoing claims, Mr. Lainez will seek these penalties in a civil action on behalf of all aggrieved employees within one year of the date of this letter as allowed by law.

**Re: *Luis Orlando Lainez, et al. v. Epicurean Group*
Amended Notice of Private Attorneys General Act Claim
LWDA Case No. LWDA-CM-980801-23**

Dear PAGA Administrator:

This office has been retained by aggrieved employee David Isaac Tobar Ortiz ("Plaintiff") concerning a representative action pursuant to the Private Attorneys General Act of 2004, Labor Code sections 2698, *et seq.* ("PAGA") against Epicurean Group (including any and all affiliates, subsidiaries, parents, directors, officers, managing agents, and executive employees) (collectively referred to as "Epicurean Group") for violations of California wage and hour laws. Plaintiff seeks civil penalties for violations of the California Labor Code and all other remedies available under PAGA.

Plaintiff seeks these remedies on behalf of the State of California and "aggrieved employees," as defined herein. This amended letter is sent in compliance with the notice requirements of California Labor Code section 2699.3.

Epicurean Group owns, operates, or otherwise manages a contract food service management company in the State of California. Epicurean Group employed Plaintiff as an hourly-paid, non-exempt kitchen staffing from approximately July 2023 to May 9, 2024 in San Rafael, California. The "aggrieved employees" that Plaintiff seeks civil penalties on behalf of are all current and former hourly-paid or non-exempt employees who worked for any of the above-referenced entities within the State of California.

Based on the following facts and theories, Epicurean Group has violated and/or continues to violate, among other provisions of the California Labor Code and applicable wage law, California Labor Code sections 201, 202, 203, 204, 210, 226, 226.7, 245-248.5, 256, 510, 512, 516, 558, 1174, 1194, 1197, 1197.1, 1198, and 2802, and IWC Wage Orders including Wage Order 5-2001.

California Labor Code sections 1194, 1197, and 1197.1 provide the minimum wage to be paid to employees, and the payment of a lesser wage than the minimum so fixed is unlawful. The applicable Wage Order defines "hours worked" as "the time during which an employee is subject to the control of an Epicurean Group, and includes all the time the employee is suffered or permitted to work, whether or not required to do so." See §2 of all applicable Wage Orders. Therefore, Epicurean Groups are required to pay employees for all time spent subject to the control of the Epicurean Group and all time the employee is suffered or permitted to work. During the relevant time period, Epicurean Group required Plaintiff and other aggrieved employees to perform work before clocking in, after clocking out, and/or during off-the-clock meal breaks, and failed to compensate aggrieved employees for this time.

California Labor Code sections 510 and 1198 require Epicurean Groups to pay time-and-a-half or double time overtime wages, and make it unlawful to work employees for hours longer than eight hours in one day and/or over forty hours in one week without paying the premium overtime rates at one-and-one-half times or double the regular rate of pay, including additional remuneration. During the relevant time period, Mr. Lainez and other aggrieved employees worked in excess of 8 hours in a day and 40 hours in a week but were not paid for all hours worked before clocking in, after clocking out, and/or during off-the-clock meal breaks. Mr. Lainez and other aggrieved employees were not paid overtime compensation at the regular rate of pay because Epicurean Group failed to incorporate multiple rates of pay and/or all non-discretionary remuneration into the regular rate of pay.

California Labor Code sections 226.7, 512, 516, and the Wage Orders require Epicurean Groups to pay an employee one additional hour of pay at the employee's regular rate of compensation for each meal or rest period that is not provided. During the relevant time period, Epicurean Group required Plaintiff and other aggrieved employees to work during meal and rest periods and failed to compensate them properly and at the regular rate of compensation for non-compliant meal and rest periods including, *inter alia*, short, late, interrupted, and missed meal and rest periods, unlawful rounding of meal period punches.

California Labor Code section 246 mandates Epicurean Groups to comply with various requirements with respect to the provision of paid sick leave to employees. On information and belief, during the relevant time period, Epicurean Group either failed to provide paid sick leave at all or improperly calculated the sick leave accrual or the sick leave rate of pay owed to aggrieved employees by failing to base the accrued sick leave hours on the correct number of hours worked and by failing to incorporate multiple rates of pay and/or all non-discretionary remuneration into the sick leave pay rate calculation.

California Labor Code sections 201 and 202 provide that if an Epicurean Group discharges an employee, the wages earned and unpaid at the time of discharge are due and payable immediately, and if an employee quits his or her employment, his or her wages shall

become due and payable not later than seventy-two (72) hours thereafter, unless the employee has given seventy-two (72) hours' notice of his or her intention to quit, in which case the employee is entitled to his or her wages at the time of quitting. During the relevant time period, Epicurean Group failed to pay Plaintiff and other aggrieved employees all wages due to them within any time period specified by California Labor Code sections 201 and 202, including earned and unpaid minimum, overtime, and premium wages as discussed above.

California Labor Code section 204 requires that all wages earned by any person in any employment between the 1st and the 15th days, inclusive, of any calendar month, other than those wages due upon termination of an employee, are due and payable between the 16th and the 26th day of the month during which the labor was performed, and that all wages earned by any person in any employment between the 16th and the last day, inclusive, of any calendar month, other than those wages due upon termination of an employee, are due and payable between the 1st and the 10th day of the following month. California Labor Code section 204 also requires that all wages earned for labor in excess of the normal work period shall be paid no later than the payday for the next regular payroll period. During the relevant time period, Epicurean Group failed to pay Plaintiff and other aggrieved employees all wages due to them within any time period specified by California Labor Code section 204, including earned and unpaid minimum, overtime, and premium wages as discussed above.

California Labor Code section 226 requires Epicurean Groups to make, keep and provide complete and accurate itemized wage statements to their employees. During the relevant time period, Epicurean Group did not provide Plaintiff and other aggrieved employees with complete and accurate itemized wage statements. The wage statements they received from Epicurean Group were in violation of California Labor Code section 226(a). The violations include, but are not limited to, the failure to include the total hours worked, including time spent working off the clock and during meal and rest periods, failure to state the correct gross and net wages earned for all time worked, incorrectly stating the name of the legal entity that is the employer as "Epicurean Group Inc", the name of the employee and only the last four digits of his or her social security number or an employee identification number other than a social security number, and failure to state all applicable hourly rates in effect during the pay period and the corresponding number of hours worked at each hourly rate by the employee.

California Labor Code section 1174 requires an Epicurean Group to keep, at a central location in the state or at the plants or establishments at which employees are employed, payroll records showing the hours worked daily by and the wages paid to, and the number of piece-rate units earned by and any applicable piece rate paid to, employees employed at the respective plants or establishments. These records shall be kept with rules established for this purpose by the commission, but in any case shall be kept on file for not less than two years. During the relevant time period, Epicurean Group failed to keep accurate and complete payroll records showing the actual hours worked daily and the wages earned by Plaintiff and other aggrieved employees, including earned and unpaid minimum, overtime, and premium wages as discussed above.

California Labor Code section 1198 provides: "The employment of any employee ... under conditions of labor prohibited by the [Industrial Wage Orders] is unlawful." The applicable Industrial Wage Orders, including Wage Orders 5-2001, require that for each workday

an employee is required to report for work and does report, but is not put to work or is furnished less than half said employee's usual or scheduled day's work, the employee shall be paid for half the usual or scheduled day's work, but in no event for less than two (2) hours nor more than four (4) hours, at the employee's regular rate of pay. Further, if an employee is required to report for work a second time in any one workday and is furnished less than two (2) hours of work on the second reporting, said employee shall be paid for two (2) hours at the employee's regular rate of pay. On information and belief, during the relevant time period, Epicurean Group failed to pay aggrieved employees half the usual or scheduled day's work in an amount no less than two (2) hours nor more than four (4) hours at the employee's regular rate of pay for workdays in which aggrieved employees reported to work and were furnished less than half the usual or scheduled day's work. On information and belief, during the relevant time period, Epicurean Group failed to pay aggrieved employees for two (2) hours at the employee's regular rate of pay on days in which aggrieved employees were required to report for work a second time in one workday and were furnished less than two (2) hours of work upon the second reporting.

California Labor Code section 2802 requires an Epicurean Group to reimburse its employee for all necessary expenditures incurred by the employee in direct consequence of the discharge of his or her job duties or in direct consequence of his or her obedience to the directions of the Epicurean Group. On information and belief, during the relevant time period, aggrieved employees incurred necessary business-related expenses and costs that were not fully reimbursed by Epicurean Group.

Therefore, on behalf of all aggrieved employees, Plaintiff seeks all applicable penalties arising out of the above-referenced wage, hour, and payroll practices, or which could be assessed and collected by the LWDA, for violation of the California Labor Code pursuant to PAGA.

DEMAND FOR JURY TRIAL

1 Plaintiff DAVID ISAAC TOBAR ORTIZ (“Plaintiff”), on behalf of himself and all others
2 similarly situated, hereby brings this Second Amended Class and Representative Action Complaint
3 (“Complaint”) against Defendants EPICUREAN GROUP, a California corporation, and DOES 1 to
4 50 inclusive (collectively “Defendants”), and on information and belief alleges as follows:

5 **JURISDICTION AND VENUE**

6 1. Plaintiff, on behalf of himself and all others similarly situated, hereby brings this
7 Complaint for recovery of unpaid wages and penalties under California Business and Professions
8 Code § 17200, *et seq.*, Labor Code §§ 201-204, 226, 226.7, 246, 510, 512, 516, 558, 1182.12, 1194,
9 1194.2, 1197, 1198, 2802, 2698, *et seq.*, and Industrial Welfare Commission (“IWC”) Wage Order
10 5-2001 (“Wage Order 5”), in addition to seeking injunctive relief, declaratory relief, and restitution.
11 This Complaint is brought pursuant to California Code of Civil Procedure § 382. This Court has
12 jurisdiction over Defendants’ violations of the Labor Code because the amount in controversy
13 exceeds \$25,000.

14 2. Venue is proper in this judicial district because Defendants maintain offices, have
15 agents, and/or transact business in the State of California, including Santa Clara County, and some
16 of the acts and omissions complained of herein occurred in Santa Clara County.

17 **PARTIES**

18 3. Plaintiff is, and at all times relevant herein was, an individual over the age of
19 eighteen (18) and is a California resident. Within the statute of limitations periods applicable to
20 each cause of action pled herein, Plaintiff was employed by Defendants as a non-exempt employee.
21 Plaintiff was, and is, a victim of Defendants’ policies, practices, and/or customs complained of
22 herein and has been deprived of the rights guaranteed by Business and Professions Code § 17200, *et*
23 *seq.*, Labor Code §§ 201-204, 226, 226.7, 246, 510, 512, 516, 558, 1182.12, 1194, 1194.2, 1197,
24 1198, 2802, 2698, *et seq.*, and Wage Order 5.

25 4. Plaintiff is informed and believes, and based thereon alleges, that during the
26 applicable statute of limitations for each cause of action pled herein and continuing to the present,
27 Defendants engaged in, and continue to engage in, business, and employed other, similarly-situated
28 non-exempt employees within Santa Clara County, and the State of California and, therefore, were

1 (and are) doing business in Santa Clara County and the State of California.

2 5. Plaintiff does not know the true names or capacities, whether individual, partner, or
3 corporate, of the defendants sued herein as DOES 1 to 50, inclusive, and for that reason, said
4 defendants are sued under such fictitious names, and Plaintiff will seek leave from this Court to
5 amend this Complaint when such true names and capacities are discovered. Plaintiff is informed,
6 and believes, and based thereon alleges, that each of said fictitious defendants, whether individual,
7 partners, or corporate, was responsible in some manner for the acts and omissions alleged herein,
8 and proximately caused Plaintiff, the Classes (as defined below), and Aggrieved Employees (as
9 defined below) to be subject to the unlawful employment practices, wrongs, injuries, and damages
10 complained of herein.

11 6. At all times herein mentioned, each of said Defendants participated in the doing of
12 the acts hereinafter alleged to have been done by the named Defendant; and furthermore,
13 Defendants, and each of them, were the agents, servants, and employees of each of the other
14 defendants, as well as the agents of all Defendants, and at all times herein mentioned, were acting
15 within the course and scope of said agency and employment.

16 7. Plaintiff is informed and believes, and based thereon alleges, that at all times
17 material hereto, each of the Defendants named herein was the agent, employee, alter ego and/or
18 joint venturer of, or working in concert with each of the other co-Defendants and was acting within
19 the course and scope of such agency, employment, joint venture, or concerted activity. To the extent
20 said acts, conduct, and omissions were perpetrated by certain Defendants, each of the remaining
21 Defendants confirmed and ratified said acts, conduct, and omissions of the acting Defendants.

22 8. At all times herein mentioned, Defendants, and each of them, were members of, and
23 engaged in, a joint venture, partnership, and common enterprise, and acting within the course and
24 scope of, and in pursuance of, said joint venture, partnership, and common enterprise.

25 9. At all times herein mentioned, the acts and omissions of various Defendants, and
26 each of them, concurred and contributed to the various acts and omissions of each and all of the
27 other Defendants in proximately causing the injuries and damages as herein alleged.

28 ///

1 **FACTUAL ALLEGATIONS**

2 10. Defendants own and operate a contract food service management company in the
3 State of California. Plaintiff was employed by Defendants as a non-exempt employee in the position
4 of prep cook, barista, and cashier from approximately July 2023 to May 9, 2024 in San Rafael,
5 California.

6 11. Throughout Plaintiff's employment with Defendants, Defendants' timekeeping
7 and/or payroll policies and practices resulted in Plaintiff and other non-exempt employees not being
8 compensated for all hours actually worked. Plaintiff and other non-exempt employees regularly
9 worked more than eight hours in a workday or 40 hours in a workweek. Defendants required
10 Plaintiff and other non-exempt employees to perform work before their scheduled shifts, after their
11 scheduled shifts, and/or during off-the-clock meal breaks, and failed to compensate employees for
12 this time. For example, Plaintiff regularly worked through his meal periods off the clock because of
13 staffing shortages. As a result, Plaintiff and other non-exempt employees were not compensated for
14 all earned minimum and overtime wages.

15 12. Defendants failed to provide Plaintiff and other non-exempt employees with all
16 legally compliant meal periods due to Defendants' meal period policies/practices, which have
17 frequently resulted in late (commencing after the fifth hour of work), short (less than 30 minutes),
18 and/or missed meal periods. Plaintiff and other non-exempt employees were not able to take their
19 legally compliant meal breaks due to work demands imposed by Defendants. Defendants do not
20 keep accurate records of Plaintiff's and other non-exempt employees' hours worked, including
21 accurate time records showing when employees take their meal periods. For example, Plaintiff
22 regularly worked through his meal periods off the clock because of staffing shortages. On those
23 occasions when Plaintiff and other non-exempt employees were not provided with all legally
24 compliant meal periods to which they were entitled, Defendants failed to compensate Plaintiff and
25 other non-exempt employees with the required meal period premium(s) for each workday there was
26 a meal period violation as mandated by Labor Code § 226.7. Upon information and belief,
27 Defendants maintained no mechanism for the payment of meal period premium payments as
28 required by Labor Code § 226.7 in the event that a legally compliant meal period was not provided

1 to their non-exempt employees.

2 13. Plaintiff and other non-exempt employees were not authorized and permitted to take
3 all required rest periods due to Defendants' unlawful rest period policies/practices, which failed to
4 authorize and permit a net 10-minute rest period for every four hours worked, or major fraction
5 thereof. Plaintiff and other non-exempt employees were not able to take their legally compliant rest
6 breaks due to work demands imposed by Defendants. On those occasions when Plaintiff and other
7 non-exempt employees were not authorized and permitted to take all legally compliant rest periods
8 to which they were entitled, Defendants failed to compensate them with the required rest period
9 premium(s) for each workday there was a rest period violation as mandated by Labor Code § 226.7.
10 Upon information and belief, Defendants maintained no mechanism for the payment of rest period
11 premium payments as required by Labor Code § 226.7, in the event that a legally compliant rest
12 period was not authorized and permitted to their non-exempt employees.

13 14. As a result of Defendants' failure to pay all minimum and overtime wages, failure to
14 pay all meal and rest period premium wages, and unlawful timekeeping and payroll practices as
15 alleged above, Defendants maintained inaccurate payroll records and issued inaccurate wage
16 statements to Plaintiff and other non-exempt employees. As a further result of Defendants' failure to
17 pay all minimum and overtime wages, , and meal and rest period premium wages, Defendants failed
18 to timely pay all final wages to Plaintiff and other former non-exempt employees upon their
19 separation of employment from Defendants.

20 **CLASS ACTION ALLEGATIONS**

21 15. **Class Definitions:** Plaintiff brings this action on behalf of himself and the following
22 Classes pursuant to § 382 of the California Code of Civil Procedure:

- 23 a. Minimum Wage Class: All current and former non-exempt employees of Defendants
24 in the State of California who were subject to Defendants' timekeeping and payroll
25 policies and/or practices, during the four years immediately preceding the filing of
26 this action through the present.
- 27 b. Overtime Class: All current and former non-exempt employees of Defendants in the
28 State of California who worked more than eight hours per day and/or 40 hours per

week and were subject to Defendants' timekeeping policies and/or practices, during the four years immediately preceding the filing of this action through the present.

- c. Meal Period Class: All current and former non-exempt employees of Defendants in the State of California who: (i) worked at least one shift in excess of 5.0 hours; and/or (ii) worked at least one shift in excess of 10.0 hours, during the four years immediately preceding the filing of this action through the present.
- d. Rest Period Class: All current and former non-exempt employees of Defendants in the State of California who worked at least one shift of 3.5 or more hours, during the four years immediately preceding the filing of this action through the present.
- e. Wage Statement Class: All current and former non-exempt employees of Defendants in the State of California who received a wage statement, during the one year immediately preceding the filing of this action through the present.
- f. Waiting Time Penalty Class: All of Defendants' formerly employed members of the Minimum Wage Class, Overtime Class, Rest Period Class, and/or Meal Period Class during the three years immediately preceding the filing of this action through the present.

16. **Numerosity/Ascertainability**: The members of the Classes are so numerous that joinder of all members would be impractical, if not impossible. The membership of the Classes is unknown to Plaintiff at this time; however, it is estimated that the members of the Classes number greater than 50 individuals. The identity of such membership is readily ascertainable via inspection of Defendants' employment records, including payroll records.

17. **Common Questions of Law and Fact Predominate/Well-Defined Community of Interest**: There are predominant common questions of law and fact as to Plaintiff and members of the Classes, which predominate over questions affecting only individual members including, without limitation to:

- a. Whether Defendants properly paid all overtime wages to members of the Overtime Class;

///

- 1 b. Whether Defendants paid at least the minimum wage for all hours worked to
2 members of the Minimum Wage Class;
- 3 c. Whether Defendants provided all legally compliant meal periods or paid meal period
4 premium wages due to members of the Meal Period Class pursuant to Labor Code §§
5 226.7 and 512;
- 6 d. Whether Defendants authorized and permitted all legally compliant rest periods or
7 paid all rest period premium wages due to members of the Rest Period Class
8 pursuant to Labor Code §§ 226.7 and 516;
- 9 e. Whether Defendants furnished legally compliant wage statements to members of the
10 Wage Statement Class pursuant to Labor Code § 226; and
- 11 f. Whether Defendants timely paid all final wages to members of the Waiting Time
12 Class at the time of their separation of employment pursuant to Labor Code §§ 201
13 and 202.

14 These common questions of law and fact set forth above are numerous and substantial and
15 stem from Defendants' policies and/or practices applicable to each individual class member. As
16 such, the common questions predominate over individual questions concerning each individual
17 class member's showing as to their eligibility for recovery or as to the amount of their damages.

18 18. **Typicality:** The claims of Plaintiff are typical of the claims of the Classes because
19 Plaintiff was employed by Defendants as a non-exempt employee in California during the statute(s)
20 of limitations period applicable to each cause of action pled in the Complaint. As alleged herein,
21 Plaintiff, like the members of the Classes, was not paid all minimum and overtime wages owed due
22 to Defendants' timekeeping and payroll policies/practices, was not provided all required meal
23 periods, was not authorized and permitted all rest periods, did not receive premium pay for non-
24 compliant meal and rest periods, was not paid all final wages upon separation of employment, and
25 was not provided with accurate, compliant, itemized wage statements.

26 19. **Adequacy of Representation:** Plaintiff is fully prepared to take all necessary steps
27 to represent fairly and adequately the interests of the members of the Classes. Moreover, Plaintiff's
28 attorneys are ready, willing and able to fully and adequately represent the members of the Classes

1 and Plaintiff. Plaintiff's attorneys have litigated numerous wage-and-hour class actions in state and
2 federal courts in the past and are committed to vigorously prosecuting this action on behalf of the
3 members of the Classes.

4 20. **Superiority:** The Labor Code is broadly remedial in nature and serves an important
5 public interest in establishing minimum working conditions and standards in California. These laws
6 and labor standards protect the average working employee from exploitation by employers who
7 have the responsibility to follow the laws and who may seek to take advantage of superior economic
8 and bargaining power in setting onerous terms and conditions of employment. The nature of this
9 action and the format of laws available to Plaintiff and members of the Classes make the class
10 action format a particularly efficient and appropriate procedure to redress the violations alleged
11 herein. If each employee were required to file an individual lawsuit, Defendants would necessarily
12 gain an unconscionable advantage since they would be able to exploit and overwhelm the limited
13 resources of each individual plaintiff with their vastly superior financial and legal resources.

14 21. Moreover, requiring each member of the Class(es) to pursue an individual remedy
15 would also discourage the assertion of lawful claims by employees who would be disinclined to file
16 an action against their former and/or current employer for real and justifiable fear of retaliation and
17 permanent damages to their careers at subsequent employment. The claims of the individual
18 members of the Class are not sufficiently large to warrant vigorous individual prosecution
19 considering all of the concomitant costs and expenses attending hereto.

20 22. Furthermore, the prosecution of separate actions by the individual class members,
21 even if possible, would create a substantial risk of inconsistent or varying verdicts or adjudications
22 with respect to the individual class members against Defendants herein; and which would establish
23 potentially incompatible standards of conduct for Defendants; and/or legal determinations with
24 respect to individual class members which would, as a practical matter, be dispositive of the interest
25 of the other class members not parties to adjudications or which would substantially impair or
26 impede the ability of the class members to protect their interests. As such, the Classes identified

24. Labor Code §§ 1182.12, 1197, and Wage Order 5, § 4 establish the right of employees to be paid minimum wages for all hours worked, in amounts set by state or local law. 28. This cause of action is brought pursuant to Labor Code §§ 204, 510, 1194, 1198, and Wage Order 5, § 3, which provide that non-exempt employees are entitled to all overtime wages and compensation for all overtime hours worked and provide a private right of action for the failure to pay all overtime compensation for overtime work performed.

Defendants caused Plaintiff and members of the Overtime Class to work overtime hours but failed to compensate these employees for all overtime hours actually worked.

30. As a consequence of Defendants' non-payment of overtime wages, Plaintiff and members of the Overtime Class seek recovery of the balance of unpaid overtime wages, including interest thereon, statutory penalties, attorneys' fees, and costs of suit according to Labor Code §§ 204, 210, 216, 218.6, 510, 1194, and 1198; Code of Civil Procedure § 1021.5; and Civil Code §§ 3287 and 3289.

FIFTH CAUSE OF ACTION
WAGE STATEMENT PENALTIES
(Against All Defendants)

38. Plaintiff re-alleges and incorporates by reference all preceding paragraphs as though fully set forth herein.

39. Plaintiff is informed and believes, and based thereon alleges, that Defendants knowingly and intentionally, as a matter of uniform policy and practice, failed to furnish Plaintiff and members of the Wage Statement Class with accurate and complete, itemized wage statements that included, among other requirements, all hours worked, total gross wages earned, all rates of pay and corresponding number of hours worked, total net wages earned, the inclusive dates of the pay period, and/or the correct name and address of the legal entity that is the employer in violation of Labor Code § 226.

41. As a consequence of Defendants' unlawful wage statement practices, Plaintiff and members of the Wage Statement Class seek damages and/or statutory penalties, reasonable attorneys' fees, and costs of suit according to California Labor Code § 226.

5 to timely pay Plaintiff and members of the Waiting Time Class all final wages due to them at their
6 separation from employment, including unpaid minimum and overtime wages as well as unpaid
7 meal and rest period premium wages.

8 45. Furthermore, Plaintiff is informed and believes, and based thereon alleges, that as a
9 matter of uniform policy and practice, Defendants continue to fail to pay Plaintiff and members of
10 the Waiting Time Class all earned wages at the end of employment in a timely manner pursuant to
11 the requirements of Labor Code §§ 201-202.

12 46. Defendants' failure to pay all final wages was willful within the meaning of Labor
