*[Assigned for all purposes to the Hon. Lawrence P.
Riff, Dept. SSC-7]*

**DECLARATION OF ELIZABETH
NGUYEN IN SUPPORT OF MOTION
FOR PRELIMINARY APPROVAL OF
CLASS ACTION SETTLEMENT**

Date: January 16, 2024
Time: 11:00 a.m.
Dept.: SSC-7

1 I, ELIZABETH NGUYEN, declare as follows:

2 1. I am a shareholder of the law firm Lidman Law, APC, and counsel for the named Plaintiff
3 Fatima Flores (“Plaintiff”) and the proposed Settlement Class in the above-captioned matter. I am a
4 member in good standing of the bar of the State of California and am admitted to practice in this Court.
5 I have personal knowledge of the facts stated in this declaration and could testify competently to them
6 if called upon to do so.

7 2. I am a 2005 graduate of Loyola Law School. During law school, I worked as an extern
8 for the Honorable Erithe A. Smith, U.S. Bankruptcy Court for the Central District of California. During
9 law school, I also worked as a law clerk in the Enforcement Unit of the Office of the Chief Trial Counsel
10 for the State Bar of California.

11 3. Since graduating from law school, my practice has focused almost exclusively on
12 employment litigation. In October 2007, I began working as an associate attorney at the international
13 law firm of Littler Mendelson P.C., at its Los Angeles office, which according to its website is the
14 “largest law firm in the world exclusively devoted to representing management in employment,
15 employee benefits and labor law matters.”

16 4. In June 2012, I left Littler Mendelson to work at the Los Angeles office of Reed Smith
17 LLP. During my employment at Reed Smith, I worked exclusively in the labor and employment
18 practice group. In June 2013, I returned to Littler Mendelson as an associate attorney, was promoted to
19 Shareholder in 2015, and was elevated to participating Shareholder in 2017. Since October 2007, my
20 practice has been and continues to be exclusively labor and employment law, with a strong emphasis
21 on wage and hour class actions venued in both state and federal courts. During this time period and my
22 legal career in general, I also worked on a number of single and multi-plaintiff wage and hour matters
23 as well. During my employment at Littler Mendelson, I was a member of its Class Action Practice
24 Group.

25 5. During my employment at Littler Mendelson, I played a significant role in the class
26 actions that I was staffed on, and was primarily responsible for managing the litigation both in my role
27 as a Senior Associate and as a Shareholder. In particular, I received a wide-array of wage and hour
28

1 class action experience performing the following types of tasks: drafting demurrers, motions to strike
2 and/or dismiss; removing actions from state court to federal court; drafting and responding to written
3 discovery; drafting and opposing discovery related motions; arguing discovery related motions; drafting
4 motions to consolidate related matters; interviewing putative class members and obtaining declarations
5 in connection with class certification; drafting oppositions to motions for class certification; conducting
6 exposure analyses to assess the strengths and weaknesses of asserted claims, the likelihood of prevailing
7 at class certification and potential damages resulting from such claims; drafting mediation briefs;
8 serving as the primary contact to in-house counsel; deposing named plaintiffs and putative class
9 members; deposing retained expert witnesses; and defending the depositions of corporate witnesses. I
10 also was involved in the negotiations and settlements of many large wage and hour class actions. In
11 short, I played an integral role in all aspects of litigation from the inception of a matter through and
12 beyond class certification. I also supervised the work of several associate attorneys who were staffed
13 on the same wage and hour class actions.

14 6. Although not exhaustive, below is a list of many of the wage and hour class and PAGA
15 actions that I performed substantial work on while I was an Associate and/or Shareholder at Littler
16 Mendelson:

5 States District Court, Central District of California, Honorable Judge Dale
6 Fischer, presiding.

7 7. In January 2018, I voluntarily resigned from Littler Mendelson in order to start a law
8 firm with another former Littler Mendelson Shareholder, Scott M. Lidman, to represent employees
9 with work-related claims, including primarily wage and hour claims and almost exclusively on a class-
10 action basis. I am currently a Shareholder of Lidman Law, APC. Currently, over ninety percent (90%)
11 of my practice is dedicated exclusively to the prosecution of wage and hour class actions, and I am
12 currently responsible for prosecuting over sixty-five (65) wage and hour class actions filed in State
13 courts throughout California, with several of them having been removed to Federal courts. I believe
14 that my professional experience renders me more than qualified to serve as class counsel in this lawsuit
15 involving claims of underpaid overtime and minimum wages, meal and rest period violations, and
16 derivative penalty claims. Not only have I litigated dozens of wage and hour cases throughout my
17 career involving similar claims, including the wage and hour class actions identified above, I have
18 litigated similar claims from both plaintiff and defense perspectives. As a result, I am able to
19 realistically assess and evaluate the facts and legal arguments that can be made in pursuit and defense
20 of similar wage and hour claims, as well as those facts and arguments in support and in opposition to
21 class certification. Consequently, I am able to appreciate the significant risks, uncertainties, and delay
22 involved in wage and hour class action litigation.

23 8. I have been appointed Class Counsel in: *Guardado v. Wesley Allen, Inc.*, Case No.
24 BC683027, California Superior Court, County of Los Angeles, Honorable Judge Carolyn B. Kuhl

3 9. As co-counsel for Plaintiff and the proposed Settlement Class, I have been intimately
4 involved in every aspect of this case from its inception through the present, and I believe that the
5 proposed Settlement is a favorable result for the Settlement Class under the circumstances presented.

6 10. On August 26, 2022, Plaintiff filed the instant putative class action complaint against
7 Defendant A.I. Foods Corporation (hereinafter “A.I. Foods” or “Defendant”) is in the. On October 12,
8 2023, pursuant to the settlement, Plaintiff submitted a letter to the California Labor & Workforce
9 Development Agency (“LWDA”) and A.I. Foods of her intention of filing a PAGA claim based on the
10 labor code violations as alleged in her complaint. Attached as **Exhibit 1** is a true and correct copy of
11 the letter. The Parties intend to submit a stipulation permitting, subject to Court approval, to file a First
12 Amended Class and Representative Action Complaint Amended Complaint after PAGA exhausts
13 adding causes of action for: (i) wage statement violations; (ii) waiting time penalties; and (iii) civil
14 penalties under the PAGA. Plaintiff’s primary claims/allegations are that A.I. Foods: (1) failed to pay
15 all minimum wages owed; (2) failed to pay all overtime wages owed; (3) failed to provide all legally
16 required meal periods; (4) failed to authorize and permit all legally required rest periods; (5) failed to
17 provide accurate, itemized wage statements; (6) engaged in unlawful business practices; (7) failed to
18 pay all wages upon separation of employment; and (8) is liable for civil penalties under the Labor Code
19 Private Attorneys General Act of 2004 (“PAGA”).

20 11. In advance of mediation, A.I. Foods produced a 20% sampling timekeeping and payroll
21 data for the putative class, as well as its wage and hour policies and other relevant documents and
22 information relevant to the claims alleged.

23 Specifically, Plaintiff received a list of unique Employee ID numbers for 132 employees. The
24 Parties agreed that Plaintiff’s sample shall represent 20% of the total Employee ID numbers. *Id.* Using
25 Excel’s “RAND” function which randomly generates a value between 0 and 1, each of the 132
26 Employee ID numbers was randomly assigned such a value. After the random assignment, the list of
27 Employee ID numbers was sorted in ascending order according to the values randomly assigned. After
28 the list was sorted, Plaintiff selected the agreed upon 20% sampling.

1 Here, the statistical analysis of the time punch and payroll data was used for the limited purpose
2 of determining the predominance of rounding and meal period violations in support of Plaintiff's claims
3 that A.I. Foods maintained policies and practices during the relevant time period of not paying its non-
4 exempt employees for all time worked and not providing all legally compliant meal periods. Indeed,
5 based on the time punch data produced which included actual time punches and rounded paid hours,
6 Plaintiff was able to conduct a rounding analysis and conclude that A.I. Foods' rounding practice was
7 widespread during the entire relevant time period. Moreover, from the time and payroll data, Plaintiff
8 was able to analyze the meal records and find an approximate 68.1% potential meal period violation
9 rate in which the majority of meal period violations were for late meal periods. *Id.* The Settlement
10 Class members worked at the same facility, did similar work, and were paid under the same wage and
11 hour policies and procedures. Given these circumstances, the experiences of a subset of employees –
12 the 20% sampling- can be probative as to the experiences of all of the Settlement Class. *Lubin v. The*
13 *Wackenhut Corp.* (2016) 5 Cal.App.5th 926, 938 (As in *Tyson*, under these circumstances the percentage
14 of the subset of employees who signed meal agreements lacking the required revocation language during
15 a given time period is probative as to the percentage of the class that signed meal agreements lacking
16 the required revocation language.) Further, if all Settlement Class members brought lawsuits for unpaid
17 wages and/or meal period violations, they would rely on timekeeping records similar to the ones in this
18 sampling which also supports a finding that the sampling is statistically reliable.

19 In addition to the representative sampling, A.I. Foods produced key data points and all relevant
20 written wage and hour policies in effect during the relevant time periods. Specifically, Plaintiff was
21 provided with the following:

- 22 • Plaintiff's personnel files and timekeeping and payroll documents;
- 23 • Key data points, including total number of employees, workweeks, and pay periods
24 during the relevant time period;
- 25 • Exemplars of the wage statements provided during the relevant time period;
- 26 • A.I. Foods' Meal & Rest Period Policy;
- 27 • A.I. Foods' job descriptions;
- 28 • A.I. Foods' Employee Handbook for 2023;

This information coupled with the representative data sampling, enabled Plaintiff to extrapolate

to the entire class and aided in Plaintiff's creation of a class-wide exposure model for all the claims at issue, including unpaid wages and penalties potentially owed for alleged minimum and overtime wages, and meal and rest and unpaid wages violations. Ultimately, this discovery allowed the parties to assess the merits and value of Plaintiff's claims and A.I. Foods' defenses thereto.

12. On June 30, 2023, a mediation was held with Kelly Knight, a well-respected wage and hour class action mediator. During mediation, the parties vigorously debated their opposing legal positions, the likelihood of certification of Plaintiff's claims, and the legal basis for the claims and defenses. Ultimately, the Parties agreed on a class-wide resolution. In the weeks that followed, the parties finalized the terms of settlement and executed the class Action and PAGA Settlement Agreement and Class Notice ("Settlement"). A true and correct copy of the Settlement is attached hereto as **Exhibit 2**. The proposed Class Notice is attached as Exhibit A to the Settlement. A true and correct copy of a redlined comparison of the LASC's model agreement with the Settlement in this matter is attached hereto as **Exhibit 3**.

13. The monetary terms of the Settlement are summarized below:

Gross Settlement Amount ("GSA"):	\$395,000.00
Minus Court-approved attorneys' fees (update to 1/3 of GSA):	\$131,666.66
Minus Court-approved, verified costs (up to \$30,000.00):	\$30,000.00
Minus Court-approved Class Representative Service Award:	\$5,000.00
Minus Settlement Administration Costs:	\$8,250.00
Minus PAGA payment to the LWDA:	\$18,750.00
Net Settlement Amount ("NSA"):	\$201,333.34
Settlement Class Members	132
Average Individual Payment: NSA/Settlement Class	\$1,525.25

A.I. Foods shall fully fund the Gross Settlement Amount, including all amounts necessary to fully pay A.I. Foods's share of payroll taxes, by transmitting such funds to the Administrator within 30 days of the Effective Date. See Settlement, ¶ 4.3. "Effective Date" means the latter of the follow: (a)

1 the Court's final approval of the settlement if no objections by or on behalf of Class Members have been
2 filed; (b) the time for appeal has expired if an objection has been filed and no appeal has been filed or
3 withdrawn; (c) the final resolution of any appeal that has been filed. Settlement, ¶ 1.19.

4 After deducting amounts for the Court-approved attorneys' fees and verified costs, Service
5 Award to Plaintiff, Settlement Administrator costs, and the PAGA payment to the LWDA, the
6 Settlement results in a Net Settlement Amount ("NSA") of at least \$201,333.34 to be paid out to all
7 Settlement Class Members who do not timely opt out.

8 14. According to A.I. Foods, there were approximately 132 total Class Members as of the
9 date of mediation defined as: All current and former non-exempt, hourly employees of Defendant A.I.
10 Foods Corporation who worked at any time in California between August 26, 2018 and the date of
11 preliminary approval." The average Individual Class Payment is \$1,525.25.

12 The are also 70 Aggrieved Employees are defined as: all current and former non-exempt, hourly
13 employees of A.I. Foods Corporation who worked at any time in California between August 26, 2021
14 and the date of preliminary approval." The average Individual PAGA Payment is projected to be
15 approximately **\$89.29**.

16 15. Plaintiff alleges Class Members' claims arise from A.I. Foods' common, uniform
17 policies and practices that applied to Settlement Class Members during the class period. Specifically,
18 Plaintiff alleged that A.I. Foods's common and uniform policies and practices resulted in the following
19 violations: (1) failure to pay all minimum wages owed; (2) failure to pay all overtime wages owed; (3)
20 failure to provide all legally required meal periods; (4) failure to authorize and permit all legally
21 required rest periods; (5) failure to provide accurate, itemized wage statements; (6) engagement in
22 unlawful business practices; (7) failed to timely pay all wages upon separation of employment; and (8)
23 liability for civil penalties under the PAGA.

24 16. As described in the accompanying Motion for Preliminary Approval, Plaintiff alleges
25 the Class Members were not fully compensated for all of their time worked due to unlawful shaving of
26 time worked and/or rounding such that they would not be fully paid for all time worked. Plaintiff also
27 alleges that this practice was not-even handed over time and would almost exclusively benefit A.I.
28 Foods and the employees were routinely underpaid for their time worked. Indeed, based on Plaintiff's

1 review of the timekeeping and payroll data produced in connection with mediation, it appeared that
2 58% of the relevant pay periods had an underpayment to the employees due to rounding and that on
3 average Class Members were underpaid about 2 minutes per shift. Additionally, Plaintiff alleges that
4 A.I. Foods required her and other Class Members were subject to temperature checks in connection
5 with the COVID-19 pandemic but failed to compensate them for such time, which took approximately
6 5 minutes to complete. Plaintiff's estimates the total underpayment of wages due to unlawful rounding
7 and the COVID-19 screening is approximately \$115,960.

8 17. A.I. Foods contends that it compensated Class Members for all of their time worked.
9 A.I. Foods also contends that its rounding practices were lawful, and any unpaid time was *de minimis*
10 and therefore non-compensable. A.I. Foods also contends that the temperature checks took seconds
11 not minutes and was compensated time. A.I. Foods further asserts that Plaintiff would be unable to
12 certify a rounding class given the individualized inquiries that would be required, and also that A.I.
13 Foods' rounding policy/mechanism was, according to it, neutral on its face and in its application. In
14 light of these defenses, and A.I. Foods's contention that Class Members executed arbitration
15 agreements, Plaintiff discounted the maximum exposure by 35% for the risk of non-certification, and
16 an additional 45% to account for A.I. Foods's defenses on the merits, to arrive at an estimated exposure
17 of \$41,455.70.

18 18. Plaintiff alleges that Class Members were not provided with all legally-compliant first
19 meal periods beginning before the end of the fifth hour of work. Specifically, Plaintiff alleges that as a
20 result of the work demands imposed by A.I. Foods, the Settlement Class Members were not provided
21 a full uninterrupted 30-minute meal period before the end of the fifth hour of work. Based on a review
22 of the timekeeping data, there was an approximate 68.1% violation rate, with the majority of the
23 violations being for short meal periods. Additionally, it appeared to be a virtual 100% violation rate
24 for second meal periods. Accordingly, Plaintiff calculated A.I. Foods' maximum exposure for the
25 alleged meal period violations at approximately \$533,543, based on the following violations: (1) late
26 first lunch; (2) missed first meal period; (3) short first meal break; and (4) missed second meal break
27 on shifts over 10 hours.

1 19. A.I. Foods counters that it has always maintained a lawful meal period policy and
2 provided non-exempt employees with an opportunity to take legally compliant meal periods, and any
3 non-compliant meal periods reflected in employee timekeeping records were solely the result of
4 employee choice, rather than any policy or practice of A.I. Foods. Further, A.I. Foods points out that
5 it is only required to “provide” the opportunity to take meal periods, not “ensure” meal periods are
6 taken, and that they have always done so. Finally, A.I. Foods contends Plaintiff’s meal period claim
7 is not suited for class certification, since individual inquiries would be required to assess which
8 employees took non-compliant meal periods, how many meal periods were non-compliant or missed,
9 and the reasons why a particular employee took a non-compliant meal period or missed a meal period
10 during a particular shift. Accordingly, Plaintiff discounted the maximum exposure by 40% for the risk
11 of non-certification, and an additional 40% to account for A.I. Foods’s defenses on the merits to arrive
12 at an estimated exposure of \$280,110.08.

13 20. Plaintiff alleges that the Class Members were not authorized and permitted to take all
14 required rest periods due to A.I. Foods’ rest period policies and practices. Specifically, Plaintiff
15 contends A.I. Foods failed to authorize second and/or third rest periods on shifts worked in excess of
16 6.0 and/or 10.0 hours. Based on Plaintiff’s review of the timekeeping records, virtually all of the shifts
17 worked during the relevant time period were in excess of 6.0 hours. Therefore, Plaintiff calculated A.I.
18 Foods’s maximum exposure for the alleged rest period violations at approximately \$780,341.

19 21. A.I. Foods contends that its policies and procedures authorized and permitted
20 Settlement Class Members to take all off-duty rest periods in compliance with California law. A.I.
21 Foods also argues that Plaintiff’s rest period claim is inherently unsuited for class treatment as it
22 requires an individualized inquiry into whether each Settlement Class Member was in fact authorized
23 and permitted to take a compliant rest period, which would evolve into an unmanageable series of
24 mini-trials. Accordingly, Plaintiff discounted the maximum exposure by 45% for the risk of non-
25 certification, and an additional 50% to account for A.I. Foods’ defenses on the merits to arrive at an
26 estimated exposure of \$214,593.78.

1 22. Plaintiff further alleges that A.I. Foods issued inaccurate wage statements in violation
2 of Labor Code section 226 as a result of the alleged unpaid minimum wages and overtime wages, and
3 meal and rest period premium wages described above. Plaintiff also contends that this conduct violated
4 Labor Code section 226(a) because the wage statements issued to Settlement Class Members did not
5 include all hours worked and the rate at which they were being paid. Plaintiff's data analysis reflected
6 that there were approximately 3,886 wage statements issued during the relevant time period.
7 Therefore, applying \$50 for the first violation and \$100 for each subsequent violation, Plaintiff
8 calculated A.I. Foods's maximum exposure for wage statement violations at approximately \$280,000.

9 23. A.I. Foods argues that its alleged wage statement violations could not be shown to be
10 "knowing and intentional," and that Plaintiff cannot show that he or any other employee "suffer[ed]
11 injury" as a result of the alleged wage statement violations, as required by Lab. Code § 226(e) for
12 imposition of penalties. As such, and in light of A.I. Foods's contention of an enforceable arbitration
13 agreement, Plaintiff discounted the calculated exposure by 35% for a risk of non-certification and an
14 additional 30% for a risk of being unsuccessful on the merits, to arrive at an estimated total of
15 \$168,000.00.

16 24. Plaintiff alleges that A.I. Foods is also liable for waiting time penalties under Labor
17 Code section 203 as a result of its failure to timely pay all wages upon separation. There are
18 approximately 75 Class Members who have separated their employment during the relevant time
19 period. Therefore, Plaintiff calculated Electro Adapter's maximum exposure for waiting time penalties
20 at approximately \$305,584.

21 25. A.I. Foods asserts it has strong defenses to the waiting time claim because there exist
22 good-faith disputes as to Plaintiff's underlying claims, precluding imposition of penalties.
23 Accordingly, Plaintiff discounted the maximum exposure by 45% for the risk of non-certification, and
24 an additional 40% to account for A.I. Foods' defenses on the merits, to arrive at an estimated exposure
25 of \$100,842.72.

26 //

1 26. Plaintiff also seeks civil penalties under the PAGA as a result of the foregoing alleged
2 Labor Code violations. Plaintiff calculated A.I. Foods's maximum exposure at \$388,600 (3,886 pay
3 periods x \$100 initial violation rate).

4 27. A.I. Foods argues that Plaintiff's PAGA claim will fail for the same reasons that his
5 underlying claims will fail. A.I. Foods also maintains that, given its good faith defenses, this Court
6 would exercise its discretion to substantially reduce any PAGA penalties if it were to find A.I. Foods
7 liable for any of Plaintiff's claims. Therefore, Plaintiff discounted the maximum exposure figure by
8 35% for a risk of being unsuccessful on the merits, and an additional 35% to account for the possibility
9 of this Court reducing penalties, to arrive at an estimated exposure of \$138,924.50.

10 28. Using these estimated figures for each of the claims described above, Plaintiff predicted
11 the realistic total recovery for the Settlement Class would be approximately \$943,926.77. The proposed
12 settlement of \$395,000.00 therefore represents approximately 42% of the reasonably forecasted
13 recovery for the Settlement Class. Preliminary approval is appropriate as the settlement will provide
14 tangible monetary relief to Settlement Class Members, and will still provide an average recovery to
15 Settlement Class Members of over \$1,500.00.

16 29. Here, Class Counsel will also apply for an attorneys' fees award of one-third of the
17 GSA, which is currently estimated to be \$131,666.66, and up to \$30,000.00 in verified costs
18 reimbursement. Class Counsel has incurred substantial attorney fees conducting pre-filing
19 investigation, analyzing Plaintiff's claims, conducting legal research, analyzing timekeeping data and
20 payroll records, preparing for and attending mediation, negotiating and revising the long-form
21 Settlement, preparing this Motion, and otherwise litigating the case. Class Counsel expect to expend
22 additional attorney time in attending the hearing on this Motion, overseeing the Notice process and
23 fielding questions from Settlement Class Members, preparing the final approval papers and attending
24 the Final Approval hearing.

25 30. Plaintiff has provided written approval of the split of attorneys' fees in this action.

26 31. Plaintiff will seek a service payment of \$5,000.00 at the time of seeking final approval,
27 and I believe this is reasonable given Plaintiff's efforts in this case and the risks she undertook on
28

1 behalf of the Settlement Class members, including the risk that he could be liable for A.I. Foods' costs
2 if this case was unsuccessful. Plaintiff was integral in the prosecution of this action, by, among
3 other things, providing substantial factual information and documents to Class Counsel, attending
4 multiple meetings with Class Counsel to discuss the claims and theories at issue in the litigation, and
5 otherwise actively participating in the prosecution of their claims.

6 32. Although the parties engaged in informal discovery throughout this action, the parties
7 still had significant discovery to complete in formal litigation had the matter not settled. Moreover,
8 Plaintiff still had to file for class certification, and faced the prospect of appeals in the wake of a
9 disputed class certification ruling for Plaintiff and/or an adverse summary judgment ruling. Even if
10 the classes were certified, the parties would incur considerably more attorneys' fees and costs through
11 a possible decertification motion, trial, and possible appeal. This Settlement avoids those risks and the
12 accompanying expense. Thus, this factor supports preliminary approval.

13 34. I do not have any conflicts of interest with the class. I have also made reasonable inquiry
14 of other members of my firm and my co-counsel's firm, Haines Law Group, APC, and no one have any
15 conflicts of interest with the class.

16 35. Plaintiff will serve the Motion for Preliminary Approval and proposed Settlement
17 Agreement on the LWDA on the same date she files her Motion for Preliminary Approval.

18 36. Defendant and its counsel also confirmed that they are not aware of any other pending
19 lawsuits asserting claims against Defendant that may be adversely affected by this settlement. My firm
20 and co-counsel's firm are not aware of any pending matters either.

21 I declare under penalty of perjury under the laws of the State of California that the foregoing is
22 true and correct.

23 Executed on December 8, 2023, at El Segundo, California.

Re: *Fatima Flores v. A.I. Foods Corporation*

To Whom It May Concern:

Please be advised that this law firm represents Fatima Flores in claims arising from her employment with A.I. Foods Corporation, a California corporation (“Defendant”). Ms. Flores is an “aggrieved employee” as defined by Labor Code sections 2699, *et seq.* due to Defendant’s numerous violations of the Labor Code as set forth below. The purpose of this letter is to comply with Labor Code section 2699.3, which requires aggrieved employees to notify their employer and the Labor and Workforce Development Agency (“LWDA”) of the specific provisions of the Labor Code allegedly violated. For purposes of this letter, if the LWDA decides not to investigate, Ms. Flores intends to pursue a lawsuit on behalf of other “Aggrieved Employees”, which should be considered to include all current and former non-exempt employees in California who worked, at least in part, during the one year immediately preceding the filing of the complaint through the date of trial, the date judgment is entered, the date of settlement and/or other date approved by the Court.

Ms. Flores, a former non-exempt employee, was employed by Defendant from January 25, 2020 through approximately May 2023. Ms. Flores was on a medical leave of absence from approximately August 5, 2020 until the end of her employment with Defendant. During her employment, Ms. Flores worked in the Packaging Department at Defendant’s location in Los Angeles, California.

During her employment with Defendant, Ms. Flores was generally scheduled to work from approximately 2:30 p.m. to approximately 9:00-10:00 p.m., Monday through Friday. Moreover, Ms. Flores would often work more than eight (8) hours per day and/or forty (40) hours per week. Defendant required Ms. Flores and other hourly, non-exempt employees to clock in and out by entering their unique numerical code into a timekeeping system to keep track and record their work time.

During her employment with Defendant, Defendant would keep track of Ms. Flores’ and other hourly, non-exempt employees’ time worked and would unlawfully shave their work time and/or round their work time such that they would not be fully paid for all time worked. This time-shaving and/or

rounding practice utilized by Defendant was not even-handed over time and would almost exclusively round and shave in Defendant's favor such that Ms. Flores and other hourly, non-exempt employees were routinely underpaid for their time worked. As a result, Defendant failed to pay Ms. Flores and other hourly, non-exempt employees all required minimum and overtime wages.

Additionally, in connection with the COVID-19 pandemic, during the most recent portion of Ms. Flores' active employment with Defendant, Defendant required Ms. Flores and their other hourly, non-exempt employees to be subjected to temperature checks before they were allowed to clock in and commence work. Despite being under Defendant's direction and control and being required to undergo the temperature checks for the benefit of Defendant, Defendant would not compensate Ms. Flores or the other hourly, non-exempt employees for this time. As a result, Defendant failed to pay Ms. Flores and other hourly, non-exempt employees all required minimum and overtime wages.

Throughout Ms. Flores' employment with Defendant, Ms. Flores and other hourly, non-exempt employees were not provided all required meal periods due to Defendant's meal period policies/practices which fail to provide uninterrupted, duty-free 30-minute meal periods prior to the start of the fifth hour of work. Specifically, due to the work demands imposed by Defendant, Defendant at times provided meal periods that were either late or short or failed to provide a required meal period altogether.

Although Ms. Flores and other hourly, non-exempt employees were not provided with all legally-compliant meal periods to which they were entitled, Defendant failed to compensate Ms. Flores and other hourly, non-exempt employees with the required meal period premium for each workday in which they experienced a meal period violation as mandated by Labor Code § 226.7.

Ms. Flores and other hourly, non-exempt employees were also not authorized and permitted to take all legally required and compliant rest periods due to Defendant's rest period policies and practices. Specifically, Defendant had a policy or practice of authorizing and permitting only one ten-minute rest period each shift, irrespective of the shift lengths. Therefore, Defendant did not authorize and permit one rest period for every four hours worked, or *major fraction thereof* in violation of California law.

On those occasions when Ms. Flores and other hourly, non-exempt employees were not authorized and permitted to take all legally-compliant rest periods to which they were entitled, Defendant failed to compensate Ms. Flores and other hourly, non-exempt employees with the required rest period premium for each workday in which they experienced a rest period violation as mandated by Labor Code § 226.7.

As a result of Defendant's failure to pay all minimum wages, overtime wages, as well as meal period premium wages and rest period premium wages, Defendant maintained inaccurate payroll records and issued inaccurate wage statements to Ms. Flores and other hourly, non-exempt employees.

As a further result, Defendant failed to pay all wages owed to its former hourly, non-exempt employees.

As described above, Defendant committed the following violations of the Labor Code and Industrial Welfare Commission Wage Order No. 1 ("Wage Order 1"):

Minimum Wage Violations

Defendant was required to pay Ms. Flores and other Aggrieved Employees an hourly rate at least equal to the minimum wage for each hour actually worked. *See* Labor Code §§ 1194; 1194.2, 1197; The Wage Order 1, § 4. As described above, during Ms. Flores' employment with Defendant, Defendant would keep track of Ms. Flores and other Aggrieved Employees' time worked and would unlawfully shave their work time and/or round their work time such that they would not be fully paid for all time worked. This time-shaving and/or rounding practice utilized by Defendant was not even-handed over time and would almost exclusively round and shave in Defendant's favor such that Ms. Flores and other Aggrieved Employees were routinely unpaid for her time worked. Additionally, in connection with the COVID-19 pandemic, during the most recent portion of Plaintiff's active employment with Defendant, Defendant required Ms. Flores and their other Aggrieved Employees to be subjected to temperature checks before they were allowed to clock in and commence work. Despite being under Defendant's direction and control and being required to undergo the temperature checks for the benefit of Defendant, Defendant would not compensate Ms. Flores and other Aggrieved Employees for this time. As a result, Defendant failed to pay Ms. Flores and other Aggrieved Employees all required minimum wages.

Overtime Violations

Defendant was required to pay Ms. Flores and other Aggrieved Employees overtime wages for all hours worked in excess of eight hours per workday and/or forty hours per workweek. *See* Labor Code §§ 1194(a) and 1198; the Wage Order 1, § 3. According to Labor Code § 510(a), "Any work in excess of eight hours in one workday and any work in excess of 40 hours in any one workweek and the first eight hours worked on the seventh day of work in any one workweek shall be compensated at the rate of no less than one and one-half times the regular rate of pay for an employee." This Section further provides, "Any work in excess of 12 hours in one day shall be compensated at the rate of no less than twice the regular rate of pay for an employee." As described above, during Ms. Flores' employment with Defendant, Defendant would keep track of Ms. Flores and other Aggrieved Employees' time worked and would unlawfully shave their work time and/or round their work time such that they would not be fully paid for all time worked. This time-shaving and/or rounding practice utilized by Defendant was not even-handed over time and would almost exclusively round and shave in Defendant's favor such that Ms. Flores and other Aggrieved Employees were routinely unpaid for her time worked. Additionally, in connection with the COVID-19 pandemic, during the most recent portion of Plaintiff's active employment with Defendant, Defendant required Ms. Flores and their other Aggrieved Employees to be subjected to temperature checks before they were allowed to clock in and commence work. Despite being under Defendant's direction and control and being required to undergo the temperature checks for the benefit of Defendant, Defendant would not compensate Ms. Flores and other Aggrieved Employees for this time. As a result, Defendant failed to pay Ms. Flores and other Aggrieved Employees all required overtime wages.

Meal Period Violations

Defendant failed to provide Ms. Flores and other Aggrieved Employees with all required and compliant meal periods. *See* Labor Code §§ 226.7 and 512; Wage Order 1, § 11. Specifically, due to the work demands imposed by Defendant, Defendant at times provided meal periods that were either late or short or failed to provide a required meal period altogether. As a result, Ms. Flores and other Aggrieved Employees are owed an additional hour of wages at their regular rate of compensation for

each workday they experienced a meal period violation. *See* Labor Code § 226.7 (“If an employer fails to provide an employee a meal or rest or recovery period in accordance with ... [an] order of the Industrial Welfare Commission ... the employer shall pay the employee one additional hour of pay at the employee’s regular rate of compensation for each workday that the meal or rest or recovery period is not provided.”). Although Ms. Flores and other Aggrieved Employees were not provided with all legally-compliant meal periods to which they were entitled, Defendant failed to compensate Ms. Flores and other Aggrieved Employees with the required meal period premium for each workday in which they experienced a meal period violation as mandated by Labor Code § 226.7.

Rest Period Violations

Defendant also failed to authorize and permit Ms. Flores and other Aggrieved Employees to take all required rest periods. *See* Labor Code §§ 226.7 and 516; Wage Order 1, § 12. Specifically, Defendant had a policy or practice of authorizing and permitting only one ten-minute rest period each shift, irrespective of the shift lengths. As a result, Ms. Flores and other Aggrieved Employees are owed an additional hour of wages at their regular rate of compensation for each workday that they were not authorized and permitted to take all legally required rest periods. *See* Labor Code § 226.7 (“If an employer fails to provide an employee a meal period or rest period in accordance with an applicable order of the Industrial Welfare Commission, the employer shall pay the employee one additional hour of pay at the employee’s regular rate of compensation for each workday that the meal or rest period is not provided.”) On those occasions when Ms. Flores and other Aggrieved Employees were not authorized and permitted to take all legally-compliant rest periods to which they were entitled, Defendant failed to compensate Ms. Flores and other Aggrieved Employees with the required rest period premium for each workday in which they experienced a rest period violation as mandated by Labor Code § 226.7.

Wage Statement Violations

Defendant knowingly and intentionally, as a matter of uniform practice and policy, failed to furnish Ms. Flores and other Aggrieved Employees with accurate and complete, itemized wage statements that included, among other requirements, all minimum and overtime wages earned, total and meal and rest period premium wages, in violation of Labor Code § 226 *et seq.* Defendant’s failure to furnish Ms. Flores and other Aggrieved Employees with complete and accurate, itemized wage statements resulted in actual injury, as said failures led to, among other things, the non-payment of all minimum and overtime wages earned, meal and rest period premium wages, and deprived them of the information necessary to identify discrepancies in Defendant’s reported data.

Waiting Time Penalties

Labor Code §§ 201 and 202 require that employees receive all of their final wages at the time of their separation of employment. Defendant failed to timely pay Ms. Flores and other Aggrieved Employees all of their final wages at the time of separation, which included, among other things, underpaid minimum and overtime wages, and meal and rest period premium wages. Pursuant to Labor Code § 203, Defendant’s failure to pay all final wages due to Ms. Flores and other aggrieved employees was willful and, consequently, entitles Ms. Flores and other similarly aggrieved employees to waiting time penalties equal to one day of wages at their standard hourly rate for each day Defendant failed to pay their final wages after their separation, up to a maximum of thirty days.

As an “aggrieved employee,” Ms. Flores will initiate a civil action on behalf of herself and other Aggrieved Employees to recover damages, statutory penalties, and civil penalties resulting from the wage and hour violations alleged herein. Based on Ms. Flores’ own investigation, and on information and belief, Defendant committed the following Labor Code violations:

- a) Defendant violated Labor Code §§ 1194, 1194.2, and 1197 by failing to pay Ms. Flores and other Aggrieved Employees the statutory minimum wage for all hours worked;
- b) Defendant violated Labor Code §§ 204, 510, 558, 1194, and 1198 by failing to pay Ms. Flores and other Aggrieved Employees all overtime compensation earned;
- c) Defendant violated Labor Code §§ 226.7, 512, and 558 by failing to provide all legally required meal periods and failing to pay meal period premiums to Ms. Flores and other Aggrieved Employees;
- d) Defendant violated Labor Code §§ 226.7, 516, and 558 by failing to provide all legally required rest periods and failing to pay rest period premiums to Ms. Flores and other Aggrieved Employees;
- e) Defendant violated Labor Code § 226 by failing to furnish Ms. Flores and other Aggrieved Employees with accurate and compliant itemized wage statements;
- a) Defendant violated Labor Code §§ 201, 202 and 203 by failing to timely pay all final wages due to Ms. Flores and other Aggrieved Employees.
- b) Defendant violated Labor Code § 204 by failing to pay Ms. Flores and other Aggrieved Employees all earned wages at least twice during each calendar month; and
- c) Defendant violated Labor Code § 1174 by failing to maintain accurate records on behalf of Ms. Flores and other Aggrieved Employees.

Pursuant to Labor Code section 2699.3(a)(2)(A), please notify us and Defendant if the LWDA intends to investigate these alleged violations of the Labor Code. Please contact me should you require additional information.

Very truly yours,
LIDMAN LAW, APC

2. **RECITALS.**

- 2.1. On August 26, 2022, Plaintiff filed a putative class action against AI Foods in this Court captioned *Fatima Flores v. AI Foods Corporation* 22STCV27843 alleging the following: (1) failure to pay all minimum wages owed; (2) failure to pay all overtime wages owed; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; and (5) unfair competition under California Business & Professions Code §§ 17200 *et seq.*

AI Foods denies the allegations in the Operative Complaint, denies any failure to comply with the laws identified in in the Operative Complaint and denies any and all liability for the causes of action alleged.

- 2.2. On June 30, 2023, the Parties participated in an all-day mediation presided over by mediator Kelly Knight, Esq. which led to this Agreement to settle the Action. The Parties represent that, prior to mediation, they conducted significant investigation of the facts and law through informal discovery. AI Foods produced documents relating to its policies, practices, and procedures regarding its wage and hour practices, paying non-exempt employees for all hours worked, meal and rest period policies, and other operational policies. As part of AI Foods's production, Class Counsel represent they also reviewed time records, pay records, and information relating to the size and scope of the Class, as well as data permitting Class Counsel to understand the number of workweeks and pay periods in the Class Period and the PAGA Period. The Parties agree that the above-described investigation and evaluation, as well as the information exchanged within the course and scope of the Parties' mediation, are more than sufficient to assess the merits of the respective Parties' positions and to compromise the issues on a fair and equitable basis. Plaintiff's investigation was sufficient to satisfy the criteria for court approval set forth in *Dunk v. Foot Locker Retail, Inc.* (1996) 48 Cal.App.4th 1794, 1801 and *Kullar v. Foot Locker Retail, Inc.* (2008) 168 Cal.App.4th 116, 129-130 ("*Dunk/Kullar*").
- 2.3. The Parties, Class Counsel and Defense Counsel represent that they are not aware of any other pending matter or action asserting claims that will be extinguished or affected by the Settlement.

3. **MONETARY TERMS.**

- 3.1. Gross Settlement Amount. Except as otherwise provided by Paragraph 8 below, AI Foods agrees to pay Three Hundred Ninety-Five Thousand Dollars and Zero Cents (\$395,000.00) as the Gross Settlement Amount and to separately pay any and all employer payroll taxes owed on the Wage Portions of the Individual Class Payments. AI Foods has no obligation to pay the Gross Settlement Amount (or any payroll taxes) prior to the deadline stated in Paragraph 4.3 of this Agreement. The Administrator will disburse the entire Gross Settlement Amount without asking or requiring Participating Class Members or Aggrieved Employees to submit any claim as a condition of payment. None of the Gross Settlement Amount will revert to AI Foods.
- 3.2. Payments from the Gross Settlement Amount. The Administrator will make and deduct the following payments from the Gross Settlement Amount, in the amounts specified by the Court in the Final Approval:
- 3.2.1. To Plaintiff: Class Representative Service Payment, subject to Court approval, of no more than Five Thousand Dollars (\$5,000.00) to the Class Representative in addition to any Individual Class Payment and any Individual PAGA Payment the Class Representative is entitled to receive as a Participating Class Member and/or Aggrieved Employee. AI Foods will not oppose Plaintiff's request for Class Representative Service Payment that does

not exceed this amount. Plaintiff will seek Court approval for any Class Representative Service Payment. Plaintiff and Class Counsel shall file this motion no later than 16 court days prior to the Final Approval Hearing. If the Court approves an amount of Class Representative Service Payment that is less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will pay the Class Representative Service Payment using IRS Form 1099. Plaintiff assumes full responsibility and liability for all employee taxes owed on her Class Representative Service Payment.

- 3.2.2. To Class Counsel: The Class Counsel Fee Award, subject to Court approval, in an amount up to one-third (1/3) of the Gross Settlement Amount (including one-third of an increase pursuant to Paragraph 8, which will compensate Class Counsel for all work performed and to be performed in the Action. The Class Counsel Fee Award is currently estimated to be \$131,666.66. In addition, Class Counsel shall, subject to Court approval, request reimbursement of the Class Counsel Litigation Expenses Payment. AI Foods will not oppose requests for these payments that do not exceed these amounts. The Administrator will pay the Class Counsel Fee Award and Class Counsel Litigation Expenses Payment using IRS Forms 1099. Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fee Award and the Class Counsel Litigation Expenses Payment and holds Released Parties harmless, and indemnifies Released Parties, from any dispute or controversy regarding any division or sharing of these Payments.
- 3.2.3. To the Administrator: Settlement Administration costs shall not exceed \$8,250.00, except for a showing of good cause and as approved by the Court. To the extent the Settlement Administration costs are less, or the Court approves payment of less than \$8,250.00, the Administrator will allocate the remainder to the Net Settlement Amount.
- 3.2.4. To Each Participating Class Member: An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period, and (b) multiplying the result by the total Workweeks worked by each Participating Class Member during the Class Period.
 - 3.2.4.1. Tax Allocation of Individual Class Payments. 33% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on IRS Form W-2. The remaining 67% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for interest and penalties (the "Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS Forms 1099. Each Participating Class Member

assumes full responsibility and liability for any employee taxes owed on his or her Individual Class Payment.

3.2.4.2. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. However, Non-Participating Class Members who are Aggrieved Employees will still receive an Individual PAGA Payment regardless of whether they submit a valid and timely Request for Exclusion.

3.2.5. To the LWDA and Aggrieved Employees: PAGA Penalties in the total amount of \$25,000 to be paid from the Gross Settlement Amount. 75% of PAGA Penalties (\$18,750) shall be allocated to the LWDA PAGA Payment, and 25% of PAGA Penalties (\$6,250) shall be allocated to the Individual PAGA Payments.

3.2.5.1. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$6,250) by the total number of PAGA Pay Periods worked by all Aggrieved Employees, and (b) multiplying the result by the total PAGA Pay Periods worked by each Aggrieved Employee. Each Aggrieved Employee assumes full responsibility and liability for any taxes owed on his or her Individual PAGA Payment.

3.2.5.2. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS Forms 1099.

4. SETTLEMENT FUNDING AND PAYMENTS.

4.1. Estimated Class Workweeks and PAGA Pay Periods. Based on a review of its records to date, AI Foods estimates that the Class Members collectively worked a total of 11,250 Workweeks from August 26, 2018 through June 30, 2023.

4.2. Delivery of Class Data. Within 20 days after the Order granting Preliminary Approval is entered and served, AI Foods will deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. AI Foods has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data to the Administrator as soon as reasonably feasible. Without any extension of the deadline by which AI Foods must send the Class Data to the Administrator, the Parties and

their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

- 4.3. Funding of Gross Settlement Amount. AI Foods shall fully fund the Gross Settlement Amount, including all amounts necessary to fully pay AI Foods's share of payroll taxes, by transmitting such funds to the Administrator within 30 days of the Effective Date.
- 4.4. Payments from the Gross Settlement Amount. Within 10 business days after AI Foods funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fee Award, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment. Disbursement of the Class Counsel Fee Award, the Class Counsel Litigation Expenses Payment and the Class Representative Service Payment shall not precede disbursement of Individual Class Payments and Individual PAGA Payments.
 - 4.4.1. The Administrator will issue checks for the Individual Class Payments and Individual PAGA Payments and send them to all Participating Class Members and Aggrieved Employees via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the date (not less than 180 days after the date of mailing) when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Class Payments to all Participating Class Members, including those whose Class Notices were returned undeliverable. The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees, including Non-Participating Class Members who qualify as Aggrieved Employees, and including those Aggrieved Employees whose Class Notices were returned undeliverable. The Administrator may send Participating Class Members who are also Aggrieved Employees a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Administrator must update the recipients' mailing addresses using the National Change of Address Database.
 - 4.4.2. The Administrator must conduct a Class Member Address Search for all other Participating Class Members and Aggrieved Employees whose checks are returned undeliverable without USPS forwarding addresses. Within 3 business days of receiving a returned check, the Administrator must re-mail checks to the forwarding address provided by USPS, or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Participating Class Members and Aggrieved Employees whose re-mailed checks are returned as undeliverable. The Administrator shall promptly send a replacement check requested by any Participating Class Member or Aggrieved Employee whose original check was lost or misplaced prior to the check void date.

4.4.3. For any Participating Class Member whose Individual Class Payment check is uncashed and cancelled after the void date, and for any Aggrieved Employee whose Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to the Controller's Unclaimed Property Fund, in the name of the Participating Class Member and/or Aggrieved Employee, thereby leaving no "unpaid residue" subject to the requirements of California Code of Civil Procedure § 384(b). Participating Class Members whose Individual Class Payment checks are cancelled shall, nevertheless, be bound by the Class Settlement. Aggrieved Employees whose Individual PAGA Payment checks are cancelled shall, nevertheless, be bound by the Released PAGA Claims.

4.4.4. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate AI Foods to confer any additional benefits or make any additional payments to Class Members or Aggrieved Employees (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

5. **RELEASES OF CLAIMS.** Effective on the date when AI Foods fully funds the entire Gross Settlement Amount, which includes all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiff, Participating Class Members, Aggrieved Employees, and Class Counsel will release claims against all Released Parties as follows:

5.1. **Plaintiff's Release.** Plaintiff and her respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns generally, release and discharge Released Parties from any and all claims, transactions, or occurrences, including, but not limited to: (a) all claims that were, or reasonably could have been, alleged based on the facts alleged in the Action and facts alleged in Plaintiff's PAGA Notice; (b) all claims that were, or reasonably could have been, ascertained during the Action, and (c) all claims released pursuant to Paragraphs 5.2 and 5.3 below ("Plaintiff's Release"). Plaintiff's Release does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, workers' compensation benefits that arose at any time, or to claims or actions based on occurrences after this Agreement is executed by Plaintiff. Plaintiff acknowledges that she may discover facts or law different from, or in addition to, the facts or law that she now knows or believes to be true but agrees, nonetheless, that Plaintiff's Release shall be and remain effective in all respects, notwithstanding such different or additional facts, her discovery of those facts.

5.1.1. **Plaintiff's Waiver of Rights Under California Civil Code Section 1542.** For purposes of Plaintiff's Release only, Plaintiff expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the California Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of

executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or released party.

Notwithstanding the foregoing, the 1542 waiver and general release of Plaintiff's claims in this Agreement do not apply to: (i) those rights as a matter of law that cannot be waived, including, but not limited to, workers' compensation claims, if any; (ii) any rights or claims arising out of this Agreement after it is executed by Plaintiff; and (iii) rights or claims arising of this Agreement. The Agreement in no way affects Plaintiff's entitlement and/or benefits, if any, to be received by Plaintiff in workers' compensation pursuant to the jurisdiction of workers' compensation. Plaintiff also agrees to not request an exclusion from this Settlement.

5.2. Release by Participating Class Members: All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release and discharge Released Parties from all claims, demands, rights, liabilities and causes of action that have been and will be pled in the Complaints in the Action as well as all claims, demands, rights, liabilities and causes of action that could have been alleged based on the facts that have been and will be alleged in the Complaints in the Action, that arose during the Class Period defined above with respect to the following claims: (a) failure to pay all minimum wages owed; (b) failure to pay all overtime wages owed, (c) failure to provide meal periods, or premium pay for non-compliant meal periods; (d) failure to authorize and permit rest periods, or premium pay for non-compliant rest periods; (e) failure to issue accurate, itemized wage statements; (f) failure to timely pay all wages due upon separation of employment; and (g) all claims for unfair business practices that could have been premised on the facts, claims, causes of action or legal theories described above. Except as set forth in Paragraph 5.3 of this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

5.3. Release by Aggrieved Employees: All Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint and the PAGA Notice, including, e.g., failure to pay all minimum wages owed; (b) failure to pay all overtime wages owed, (c) failure to provide meal periods, or premium pay for non-compliant meal periods; (d) failure to authorize and permit rest periods, or premium pay for non-compliant rest periods; (e) failure to issue accurate, itemized wage statements; (f) failure to timely pay all wages due upon separation of employment ("Released PAGA Claims").

6. **MOTION FOR PRELIMINARY APPROVAL.** The Parties agree to jointly prepare and file a motion for preliminary approval ("Motion for Preliminary Approval") that complies with the

Court's current checklist for Preliminary Approvals.

- 6.1. AI Foods's Declaration in Support of Preliminary Approval. Within 10 business days of the full execution of this Agreement, AI Foods will prepare and deliver to Class Counsel a signed Declaration from AI Foods and Defense Counsel disclosing all facts relevant to any actual or potential conflicts of interest with the Administrator. In their Declarations, Defense Counsel and AI Foods shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.
- 6.2. Plaintiff's Responsibilities. Plaintiff will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code § 2699 (1)(2)); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; (iii) a draft proposed Class Notice; (iv) a signed declaration from the Administrator attaching its "not to exceed" bid for administering the Settlement and attesting to its willingness to serve; competency; operative procedures for protecting the security of Class Data; amounts of insurance coverage for any data breach, defalcation of funds or other misfeasance; all facts relevant to any actual or potential conflicts of interest with any Class Members; and the nature and extent of any financial relationship with Plaintiff, Class Counsel or Defense Counsel; (v) a signed declaration from Plaintiff confirming willingness and competency to serve as Class Representative and disclosing all facts relevant to any actual or potential conflicts of interest with any Class Members and/or the Administrator; (vi) a signed declaration from each Class Counsel firm attesting to its competency to represent the Class; its timely transmission to the LWDA of all necessary PAGA documents, including Plaintiff's PAGA Notice, the Operative Complaint, this Agreement; (vii) a redlined version of the parties' Agreement showing all modifications made to the Model Agreement ready for filing with the Court; and (viii) all facts relevant to any actual or potential conflict of interest with Class Members, the Administrator. In their respective Declarations, Plaintiff and Class Counsel shall state whether they are aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.
- 6.3. Responsibilities of Counsel. Class Counsel and Defense Counsel are jointly responsible for expeditiously finalizing and filing the Motion for Preliminary Approval, which they expect will occur no later than 30 days after the full execution of this Agreement; obtaining a prompt hearing date for the Motion for Preliminary Approval; and for appearing in Court to advocate in favor of the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court's Preliminary Approval to the Administrator.
- 6.4. Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the

disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court's concerns.

7. SETTLEMENT ADMINISTRATION.

- 7.1. Selection of Administrator. The Parties have jointly selected Phoenix Class Action Administration Solutions to serve as the Administrator and verified that, as a condition of appointment, Phoenix Class Action Administration Solutions agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified in this Agreement in exchange for payment of Administration Expenses. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.
- 7.2. Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.
- 7.3. Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1.
- 7.4. Notice to Class Members.
 - 7.4.1. No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, Aggrieved Employees, Workweeks, and PAGA Pay Periods in the Class Data.
 - 7.4.2. Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service ("USPS") mail, the Class Notice, with Spanish translation, substantially in the form attached to this Agreement as **Exhibit A**. The first page of the Class Notice shall prominently estimate (1) the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and (2) the number of Workweeks and/or PAGA Pay Periods used to calculate these amounts. Before mailing Class Notices, the Administrator shall update the Class Members' addresses using the National Change of Address database.
 - 7.4.3. No later than three (3) business days after the Administrator's receipt of any Class Notice returned by the USPS as undeliverable, the Administrator shall re-mail the Class Notice, via first-class USPS mail, using any forwarding address provided by the USPS. If the USPS does not provide a forwarding

address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notices are returned by the USPS a second time.

7.4.4. The deadlines for Class Members' written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the 60 days otherwise provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.

7.4.5. If the Administrator, AI Foods, or Class Counsel are contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement no later than 14 days after their respective receipt of the Class Notices, or the Response Deadline provided in the Class Notices, whichever is later.

7.5. Class Members' Requests for Exclusion (Opt-Outs).

7.5.1. Class Members who wish to exclude themselves from (or opt-out of) the Settlement's release of class action claims must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion no later than the Response Deadline – *i.e.*, 60 days after the Administrator mails the Class Notice (plus an additional 14 days for any Class Member whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's choice to be excluded from the Settlement and includes the Class Member's name, address, and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.

7.5.2. The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all of the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the

Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.

- 7.5.3. Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraphs 5.2 of this Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.
- 7.5.4. Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are also Aggrieved Employees are deemed to release the claims identified in Paragraph 5.3 of this Agreement and will still receive an Individual PAGA Payment based on the terms of this Agreement.
- 7.5.5. Challenges to Calculation of Workweeks. Each Class Member shall have 60 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed after having been returned undeliverable to the Administrator) to challenge the number of Workweeks allocated to the Class Member in the Class Notice. The Class Member may communicate such challenge with the Administrator via fax, email, or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. Unless otherwise determined by the Court, the Administrator's determination of each Class Member's allocation of Workweeks shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks to Defense Counsel and Class Counsel and the Administrator's determination of the challenges.

7.6. Objections to Class Action Components of the Settlement.

- 7.6.1. Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fee Award, Class Counsel Litigation Expenses Payment, and Class Representative Service Payment.
- 7.6.2. Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to

present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than the Response Deadline – *i.e.*, 60 days after the Administrator’s mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed after having been returned as undeliverable).

7.6.3. Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

7.7. Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

7.7.1. Website, Email Address, and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time, and location for the Final Approval Hearing, and copies of the Settlement Agreement, the Motion for Preliminary Approval, the Preliminary Approval Order, the Class Notice, the Motion for Final Approval of Class Action and PAGA Settlement, Class Representative Service Payment, Class Counsel Fee Award, and Class Counsel Litigation Expenses Payment, and the Final Approval and Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.

7.7.2. Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. No later than five (5) days after the expiration of the Response Deadline, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion (the “Exclusion List”); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; and (c) copies of all Requests for Exclusion submitted (whether valid or invalid).

7.7.3. Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned as undeliverable, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include the Administrator’s assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.

- 7.7.4. Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges to the calculation of Workweeks and/or all Aggrieved Employee challenges to the calculation of Pay Periods. The Administrator's decision shall be final and not appealable or otherwise susceptible to challenge.
- 7.7.5. Administrator's Declaration. No later than 14 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undeliverable, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator's declaration(s) in Court.
- 7.7.6. Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court

8. **CLASS SIZE ESTIMATES.** Based on its records, AI Foods estimates that, as of the date of this Settlement Agreement, (1) there are 132 Class Members and 11,250 Total Workweeks during the Class period and (2) there were 70 Aggrieved Employees who worked 3,886 Pay Periods during the PAGA Period.
9. **CLASS ESTIMATES AND ESCALATOR CLAUSE.** Based on a review of its records to date, AI Foods represents that there were an estimated 11,250 workweeks during the Class Period. If it is determined that the number of workweeks worked by the Class Members during the Class Period is 10% greater than this figure (*i.e.*, if there were actually more than 12,376 Workweeks worked by the Class Members during the Class Period), then Defendant, at its option agrees to either: (1) increase the Gross Settlement Amount on a proportional basis to the extent the threshold is exceeded (*e.g.*, if there was an 11% increase in the number of Workweeks worked by the Class Members during the Class Period), the Gross Settlement Amount will increase by eleven percent (11%); or (2) elect to end the Class Period, PAGA Period and release periods on the date on which the total number of actual workweeks is closest to and does not

exceed 12,375 total workweeks).

10. MOTION FOR FINAL APPROVAL. No later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code § 2699(I), a Proposed Final Approval Order, and a proposed Judgment (collectively “Motion for Final Approval”). Plaintiff shall provide drafts of these documents to Defense Counsel no later than seven days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

- 10.1. Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five (5) court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
- 10.2. Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material modification to the Settlement (including, but not limited to, the scope of release to be granted by Participating Class Members), the Parties will expeditiously work together in good faith to address the Court’s concerns by revising the Agreement as necessary to obtain Final Approval. The Court’s decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fee Award, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.
- 10.3. Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or the Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.
- 10.4. Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fee Award and Class Counsel Litigation Expenses Payment set forth in this Agreement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties’ obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.
- 10.5. Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires

a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the reviewing Court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after any such remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

11. **AMENDED JUDGMENT.** If any amended judgment is required under California Code of Civil Procedure § 384, the Parties will work together in good faith to jointly submit a proposed amended judgment.

12. **ADDITIONAL PROVISIONS.**

- 12.1. **No Admission of Liability, Class Certification or Representative Manageability for Other Purposes.** This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by AI Foods that any of the allegations in the Operative Complaint have merit or that AI Foods has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that AI Foods's defenses in the Action have merit. The Parties agree that class certification and representative treatment are for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval, or enter Judgment, AI Foods reserves the right to contest certification of any class, and the manageability of any representative claim, for any reasons, and AI Foods reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest AI Foods' defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation, except for proceedings to enforce or effectuate the Settlement and this Agreement.
- 12.2. **Confidentiality Prior to Preliminary Approval.** Plaintiff, Class Counsel, AI Foods and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; (5) in response to an inquiry or subpoena issued by a state or federal government agency; or (6) to the extent disclosure is required, as determined by a Party's counsel, by applicable law or regulation. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking

such information. Plaintiff, Class Counsel, AI Foods and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, with any third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that “the matter was resolved,” or words to that effect. This paragraph does not restrict Class Counsel’s communications with Class Members in accordance with Class Counsel’s ethical obligations owed to Class Members.

- 12.3. No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of the Settlement, to object to the Settlement, or appeal from the Judgment. Nothing in this Paragraph shall be construed to restrict Class Counsel’s ability to communicate with Class Members in accordance with Class Counsel’s ethical obligations owed to Class Members.
- 12.5. Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibit(s) shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party concerning the Settlement or the Action.
- 12.6. Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and AI Foods, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.
- 12.7. Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.
- 12.8. No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 12.9. No Tax Advice. Neither Plaintiff, Class Counsel, AI Foods, nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Agreement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 C.F.R. Part 10, as amended) or otherwise.

- 12.10. Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court. A waiver or amendment of any provisions of this Agreement will not constitute a waiver of any other provision.
- 12.11. Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 12.12. Applicable Law. All terms and conditions of this Agreement and its exhibit(s) will be governed by and interpreted according to the internal laws of the State of California, without regard to conflict of law principles.
- 12.13. Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was its drafter or participated in its drafting.
- 12.14. Confidentiality. To the extent permitted by law, all agreements made, and orders entered during the Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.
- 12.15. Use and Return of Documents and Information Provided for Mediation Purposes and in Anticipation of Litigation. Information and documents provided to Class Counsel in connection with the mediation, other settlement negotiations, or in connection with the Settlement or in anticipation of litigation, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a declaration confirming the final disbursement of the Gross Settlement Amount, Plaintiff and Class Counsel shall destroy all paper and electronic versions of the information and documents that Plaintiff and Class Counsel were provided by AI Foods in connection with the mediation, other settlement negotiations, or in connection with the Settlement, except that Class Counsel is permitted to keep one copy for their records until 5 years after the Court closes the case.
- 12.16. Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 12.17. Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.
- 12.18. Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed delivered by United States mail, by overnight mail, by email, or by messenger, to the addresses set forth below:

COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR FINAL COURT APPROVAL

Fatima Flores v. AI Foods Corporation, Case No. 22STCV27843

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

You may be eligible to receive money from an employee class action lawsuit (“Action”) against AI Foods Corporation. (“AI Foods”) for alleged wage and hour violations. The Action was filed by a former employee, Fatima Flores (“Plaintiff”), and seeks payment of unpaid wages and penalties for AI Foods’s alleged failure to: pay all minimum and/or overtime wages owed, provide meal periods or premium pay for non-complaint meal periods, authorize and permit rest periods, or premium pay for non-compliant rest periods, issue accurate, itemized wage statements, and timely pay all wages due upon separation of employment for a class of all current and former hourly-paid or non-exempt employees (“Class Members”) who worked for AI Foods during the Class Period (from August 26, 2018 to [PRELIMINARY APPROVAL]) and (2) penalties under the California Private Attorney General Act (“PAGA”) for all current and former hourly-paid or non-exempt employees who worked for AI Foods during the PAGA Period (from August 26, 2021 to [PRELIMINARY APPROVAL]) (“Aggrieved Employees”).

The proposed Settlement has two main parts: (1) a Class Settlement requiring AI Foods to fund Individual Class Payments, and (2) a PAGA Settlement requiring AI Foods to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency (“LWDA”).

Based on AI Foods’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be \$_____ (less withholding) and your Individual PAGA Payment is estimated to be \$_____**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to AI Foods’s records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work during the PAGA Period.)

The above estimates are based on AI Foods’s records showing that **you worked _____ workweeks** during the Class Period and **you worked _____ pay periods** during the PAGA Period. If you believe that you worked more workweeks during either period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff’s attorneys (“Class Counsel”). The Court will also decide whether to enter a judgment that requires AI Foods to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against AI Foods.

If you worked for AI Foods during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against AI Foods.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against AI Foods, and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

AI Foods will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against AI Foods that are covered by this Settlement (Released Class Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is _____	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. AI Foods must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released PAGA Claims (defined below).

Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by 	All Class Members who do not opt-out (“Participating Class Members”) can object to any aspect of the proposed Settlement. The Court’s decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 7 of this Notice.
You Can Participate in the Final Approval Hearing	The Court’s Final Approval Hearing is scheduled to take place on . You don’t have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court’s virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by 	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number of Class Period Workweeks and number of PAGA Period Pay Periods you worked according to AI Foods’s records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by . See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former AI Foods employee. The Action alleges AI Foods violated California labor laws by failing to: pay all minimum and/or overtime wages owed, provide meal periods or premium pay for non-complaint meal periods, authorize and permit rest periods, or premium pay for non-compliant rest periods, issue accurate, itemized wage statements, and timely pay all wages due upon separation of employment. Based on the same claims, Plaintiff has also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, et seq.) (“PAGA”). Plaintiff is represented by attorneys in the Action: Scott M. Lidman, Elizabeth Nguyen and Milan Moore of Lidman Law, APC and Paul Haines of Haines Law Group, APC (“Class Counsel.”)

AI Foods strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether AI Foods or Plaintiff is correct on the merits.

In the meantime, Plaintiff and AI Foods hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an end to the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement (“Agreement”) and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and AI Foods have negotiated a proposed Settlement that is subject to the Court’s Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, AI Foods does not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) AI Foods has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. AI Foods Will Pay \$395,000 as the Gross Settlement Amount (Gross Settlement). AI Foods has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel’s attorney’s fees and expenses, the Administrator’s expenses, and penalties to be paid to the California Labor and Workforce Development Agency (“LWDA”). Assuming the Court grants Final Approval, AI Foods will fund the Gross Settlement not more than 14 days after the Judgment entered by the Court become final. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.
2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
 - A. Up to \$131,666.66 (1/3 of the Gross Settlement] to Class Counsel for attorneys’ fees and up to \$30,000 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
 - B. Up to \$5,000 as a Class Representative Award for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiff will receive other than Plaintiff’s Individual Class Payment and any Individual PAGA Payment.
 - C. Up to \$8,250.00 to the Administrator for services administering the Settlement.
 - D. Up to \$25,000 for PAGA Penalties, allocated 75% to the LWDA PAGA

Payment and 25% in Individual PAGA Payments to the Aggrieved Employees based on their PAGA Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the “Net Settlement”) by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.
4. Taxes Owed on Payments to Class Members. Plaintiff and AI Foods are asking the Court to approve an allocation of 33% of each Individual Class Payment to taxable wages (“Wage Portion”) and 67% to the Non-Wage Portion. The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. AI Foods will separately pay employer payroll taxes it owes on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiff and AI Foods have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don’t cash it by the void date, your check will be automatically cancelled, and the monies will be deposited with the California Controller's Unclaimed Property Fund in your name.

If the monies represented by your check is sent to the Controller’s Unclaimed Property Fund, you should consult the rules of the Fund for instructions on how to retrieve your money.

6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than _____, that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the _____ Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her representative setting forth a Class Member’s name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against AI Foods.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against AI Foods based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiff and AI Foods have agreed that, in either case, the Settlement will be void: AI Foods will not pay any money and Class Members will not release any claims against AI Foods.
8. Administrator. The Court has appointed a neutral company, Phoenix Class Action Administration Solutions (the “Administrator”) to send this Notice, calculate and make payments, and process Class Members’ Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator’s contact information is contained in Section 9 of this Notice.
9. Participating Class Members’ Release. After the Judgment is final and AI Foods has fully funded the Gross Settlement and separately paid all employer payroll taxes, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against AI Foods or related entities for wages based on the Class Period facts and PAGA penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

The Participating Class Members will be bound by the following release:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release and discharge Released Parties from all claims, demands, rights, liabilities and causes of action that have been and will be pled in the Complaints in the Action as well as all claims, demands, rights, liabilities and causes of action that could have been alleged based on the facts that have been alleged in the Complaints in the Action, that arose during the Class Period defined above with respect to the following claims: (a) failure to pay all minimum wages owed; (b) failure to pay all overtime wages owed, (c) failure to provide meal periods, or premium pay for non-compliant meal periods; (d) failure to authorize and permit rest periods, or premium pay for non-compliant rest periods; (e) failure to issue accurate, itemized wage statements; (f) failure to timely pay all wages due upon separation of employment; and (g) all claims for unfair business practices that could have been premised on the facts, claims, causes of action or legal theories described above (“Released Class Claims”). Except as set forth in Paragraph 5.3 of this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance,

disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

10. Aggrieved Employees' PAGA Release. After the Court's judgment is final, and AI Foods has paid the Gross Settlement and separately paid the employer-side payroll taxes, all Aggrieved Employees will be barred from asserting PAGA claims against AI Foods, whether or not they exclude themselves from the Settlement. This means that all Aggrieved Employees, including those who are Participating Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue, or participate in any other PAGA claim against AI Foods or its related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

The Aggrieved Employees' Releases for Participating and Non-Participating Class Members are as follows:

All Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint and the letter sent to the LWDA on October 12, 2023, including, e.g., failure to pay all minimum wages owed; (b) failure to pay all overtime wages owed, (c) failure to provide meal periods, or premium pay for non-compliant meal periods; (d) failure to authorize and permit rest periods, or premium pay for non-compliant rest periods; (e) failure to issue accurate, itemized wage statements; (f) failure to timely pay all wages due upon separation of employment ("Released PAGA Claims").

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing \$6,250 by the total number of PAGA Pay Periods worked by all Aggrieved Employees and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual Aggrieved Employee.
3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in AI Foods's records, are stated in the first page of this Notice. You have until **<<Insert Deadline>>** to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept AI Foods's calculation of Workweeks and/or Pay Periods based on AI Foods's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and AI Foods's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

5. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.
2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

6. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

Submit a written and signed letter with your name, present address, telephone number, and a simple statement that you do not want to participate in the Settlement. The Administrator will exclude you based on any writing communicating your request be excluded. Be sure to personally sign your request, identify the Action as *Fatima Flores v. AI Foods Corporation* Case No. 22STCV27843 and include your identifying information (full name, address, telephone number, approximate dates of employment, and social security number for verification purposes). You must make the request yourself. If someone else makes the request for you, it will not be valid. **Any request for exclusion must be faxed, emailed, or postmarked by _____, or it will be invalid.** Section 9 of the Notice has the Administrator's contact information.

7. HOW DO I OBJECT TO THE SETTLEMENT?

Only Participating Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiff and AI Foods are asking the Court to approve. At least _____ days before the _____ Final Approval Hearing, Class Counsel and/or Plaintiff will file in Court (1) a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, and (2) a Motion for Fees, Litigation Expenses and Service Award stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiff is requesting as a Class Representative Service Award. Upon reasonable request, Class Counsel (whose contact information is in Section

9 of this Notice) will send you copies of these documents at no cost to you. You can also view them on the Administrator's Website

_____ (url) or the Court's website _____ (url).

A Participating Class Member who disagrees with any aspect of the Agreement, the Motion for Final Approval and/or Motion for Fees, Litigation Expenses and Service Award may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested by Class Counsel or Plaintiff are too high or too low. **The deadline for sending written objections to the Administrator is _____.** Be sure to tell the Administrator what you object to, why you object, and any facts that support your objection. Make sure you identify the Action –*Fatima Flores v. AI Foods Corporation*, Case No. 22STCV27843– and include your name, current address, telephone number, and approximate dates of employment for AI Foods and sign the objection. Section 9 of this Notice has the Administrator's contact information.

Alternatively, a Participating Class Member can object (or personally retain a lawyer to object at your own cost) by attending the Final Approval Hearing. You (or your attorney) should be ready to tell the Court what you object to, why you object, and any facts that support your objection. See Section 8 of this Notice (immediately below) for specifics regarding the Final Approval Hearing.

8. CAN I ATTEND THE FINAL APPROVAL HEARING?

You can, but don't have to, attend the Final Approval Hearing on _____ at (time) in Department 7 of the Los Angeles Superior Court, located at 312 North Spring Street, Los Angeles, CA 90012. At the Hearing, the judge will decide whether to grant Final Approval of the Settlement and how much of the Gross Settlement will be paid to Class Counsel, Plaintiff, and the Administrator. The Court will invite comment from objectors, Class Counsel and Defense Counsel before making a decision. You can attend (or hire a lawyer to attend) either personally or virtually via LACourtConnect (<https://www.lacourt.org/lacc/>). Check the Court's website for the most current information.

It's possible the Court will reschedule the Final Approval Hearing. You should check the Administrator's website _____ beforehand or contact Class Counsel to verify the date and time of the Final Approval Hearing.

COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR FINAL COURT APPROVAL

(case name and number)

Fatima Flores v. AI Foods Corporation, Case No. 22STCV27843

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

You may be eligible to receive money from an employee class action lawsuit (“Action”) against ~~(abbreviate name; “XYZ” is used herein as a placeholder)~~ AI Foods Corporation. (“AI Foods”) for alleged wage and hour violations. The Action was filed by a ~~[n]~~~~[former]~~ XYZ employee, Fatima Flores (“Plaintiff”), and seeks payment of ~~(1) backunpaid~~ wages ~~[and other relief]~~ penalties for AI Foods’s alleged failure to: pay all minimum and/or overtime wages owed, provide meal periods or premium pay for non-complaint meal periods, authorize and permit rest periods, or premium pay for non-compliant rest periods, issue accurate, itemized wage statements, and timely pay all wages due upon separation of employment for a class of ~~[e.g., all current and former hourly]~~ paid or non-exempt employees (“Class Members”) who worked for XYZAI Foods during the Class Period (~~_____ to _____~~); from August 26, 2018 to [PRELIMINARY APPROVAL]) and (2) penalties under the California Private Attorney General Act (“PAGA”) for all ~~[e.g., current and former hourly]~~ paid or non-exempt employees who worked for XYZAI Foods during the PAGA Period (~~_____ to _____~~) from August 26, 2021 to [PRELIMINARY APPROVAL] (“Aggrieved Employees”).

The proposed Settlement has two main parts: (1) a Class Settlement requiring XYZAI Foods to fund Individual Class Payments, and (2) a PAGA Settlement requiring XYZAI Foods to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency (“LWDA”).

Based on XYZ’sAI Foods’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be \$_____ (less withholding) and your Individual PAGA Payment is estimated to be \$_____**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to XYZ’sAI Foods’s records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work during the PAGA Period.)

The above estimates are based on XYZ’sAI Foods’s records showing that **you worked _____ workweeks** during the Class Period and **you worked _____ workweekspay periods** during the PAGA Period. If you believe that you worked more workweeks during either period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected

whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff's attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment that requires [XYZAI Foods](#) to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against [XYZAI Foods](#).

If you worked for [XYZAI Foods](#) during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

(1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against [XYZAI Foods](#).

(2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against [XYZAI Foods](#), and, if you are an Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

[XYZAI Foods](#) will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against AI Foods that are covered by this Settlement (Released Class Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is _____	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. AI Foods must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released PAGA Claims (defined below).
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by _____	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 7 of this Notice.

consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement (“Agreement”) and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and [XYZAI Foods](#) have negotiated a proposed Settlement that is subject to the Court’s Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, [XYZAI Foods](#) does not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) [XYZAI Foods](#) has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. [XYZAI Foods](#) Will Pay \$395,000 as the Gross Settlement Amount (Gross Settlement). [XYZAI Foods](#) has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel’s attorney’s fees and expenses, the Administrator’s expenses, and penalties to be paid to the California Labor and Workforce Development Agency (“LWDA”). Assuming the Court grants Final Approval, [XYZAI Foods](#) will fund the Gross Settlement not more than [14] days after the Judgment entered by the Court become final. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.
2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
 - A. Up to \$ _____ (_____ % [131,666.66](#) (1/3 of the Gross Settlement]) to Class Counsel for attorneys’ fees and up to [\\$30,000](#) for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
 - B. Up to [\\$5,000](#) as a Class Representative Award for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiff will receive other than Plaintiff’s Individual Class Payment and any Individual PAGA Payment.
 - C. Up to [\\$8,250.00](#) to the Administrator for services administering the Settlement.
 - D. Up to [\\$25,000](#) for PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the Aggrieved

Employees based on their PAGA ~~Period~~ Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the “Net Settlement”) by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.
4. Taxes Owed on Payments to Class Members. Plaintiff and XYZAI Foods are asking the Court to approve an allocation of % 33% of each Individual Class Payment to taxable wages (“Wage Portion”) and % 67% to ~~[e.g., interest, etc.] (“the Non-Wage Portion”).~~ The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. ~~[Option 1: (XYZAI Foods will separately pay employer payroll taxes it owes on the Wage Portion).]~~ The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.
~~Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.~~

Although Plaintiff and XYZAI Foods have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don’t cash it by the void date, your check will be automatically cancelled, and the monies will be deposited with the California Controller's Unclaimed Property Fund in your name.

~~☐ will be deposited with the California Controller's Unclaimed Property Fund in your name.~~

~~☐ will irrevocably lost to you because they will be paid to a non-profit organization or foundation (“Cy Pres”).~~

If the monies represented by your check is sent to the Controller’s Unclaimed Property Fund, you should consult the rules of the Fund for instructions on how to retrieve your money.

6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than _____, that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the _____ Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her representative setting forth a Class

Member's name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against [XYZAI Foods](#).

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against [XYZAI Foods](#) based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. ~~Plaintiffs~~[Plaintiff](#) and [XYZAI Foods](#) have agreed that, in either case, the Settlement will be void: [XYZAI Foods](#) will not pay any money and Class Members will not release any claims against [XYZAI Foods](#).
8. Administrator. The Court has appointed a neutral company, [Phoenix Class Action Administration Solutions](#) (the "Administrator") to send this Notice, calculate and make payments, and process Class Members' Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator's contact information is contained in Section 9 of this Notice.
9. Participating Class Members' Release. After the Judgment is final and [XYZAI Foods](#) has fully funded the Gross Settlement ~~[Option 1: (and separately paid all employer payroll taxes)]~~, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against [XYZAI Foods](#) or related entities for wages based on the Class Period facts and PAGA penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

The Participating Class Members will be bound by the following release:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release and discharge Released Parties from ~~(i)~~ all claims, demands, rights, liabilities and causes of action that ~~were alleged, or reasonably have been and will be pled in the Complaints in the Action as well as all claims, demands, rights, liabilities and causes of action that~~ could have been alleged, based on the facts that have been alleged in the Complaints in the Action, that arose during the Class Period ~~facts stated in the Operative Complaint [and ascertained in the course of the Action] [including, e.g., "(defined above with respect to the following claims: (a) any and all claims involving any alleged failure to pay all minimum wages owed; (b) failure to pay all overtime wages owed, (c) failure to provide meal periods, or premium pay for non-compliant meal periods; (d) failure to~~

authorize and permit rest periods, or premium pay for non-compliant rest periods; (e) failure to issue accurate, itemized wage; etc.]. statements; (f) failure to timely pay all wages due upon separation of employment; and (g) all claims for unfair business practices that could have been premised on the facts, claims, causes of action or legal theories described above (“Released Class Claims”). Except as set forth in ~~Section 6~~Paragraph 5.3 of ~~the Settlement~~this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers’ compensation, or claims based on facts occurring outside the Class Period.

10. Aggrieved Employees’ PAGA Release. After the Court’s judgment is final, and XYZAI Foods has paid the Gross Settlement (and separately paid the employer-side payroll taxes), all Aggrieved Employees will be barred from asserting PAGA claims against XYZAI Foods, whether or not they exclude themselves from the Settlement. This means that all Aggrieved Employees, including those who are Participating Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue, or participate in any other PAGA claim against XYZAI Foods or its related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

The Aggrieved Employees’ Releases for Participating and Non-Participating Class Members are as follows:

~~All Participating and Non-Participating Class Members who are~~All Aggrieved Employees are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties, from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Complaint [,] ~~and~~ the PAGA Notice ~~[and ascertained in letter sent to the course of the Action]~~[LWDA on October 12, 2023, including, e.g., ~~(a) any and all claims involving any alleged~~ failure to pay all minimum wages owed; (b) failure to pay all overtime wages owed, (c) failure to provide meal periods, or premium pay for non-compliant meal periods; (d) failure to authorize and permit rest periods, or premium pay for non-compliant rest periods; (e) failure to issue accurate, itemized wage; etc.]. statements; (f) failure to timely pay all wages due upon separation of employment (“Released PAGA Claims”).

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing \$6,250 by the total number of PAGA Pay Periods worked by all Aggrieved Employees and (b) multiplying the result by the number of PAGA

Period Pay Periods worked by each individual Aggrieved Employee.

3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in [XYZ's AI Foods's](#) records, are stated in the first page of this Notice. You have until **<<Insert Deadline>>** to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept [XYZ's AI Foods's](#) calculation of Workweeks and/or Pay Periods based on [XYZ's AI Foods's](#) records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and [XYZ's AI Foods's](#) Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

5. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.
2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

If someone else makes the request for you, it will not be valid. **~~The Administrator~~ Any request for exclusion must be sent your request to be excluded faxed, emailed, or postmarked by _____, or it will be invalid.** Section 9 of the Notice has the Administrator's contact information.

7. HOW DO I OBJECT TO THE SETTLEMENT?

Before deciding whether to object, you may wish to see what Plaintiff and [XYZ AI Foods](#) are asking the Court to approve. At least _____ days before the _____ Final Approval Hearing, Class Counsel and/or Plaintiff will file in Court (1) a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, and (2) a Motion for Fees, Litigation Expenses and Service Award stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiff is requesting as a Class Representative Service Award. ⁱ ~~This Model Class Action and PAGA Settlement Agreement has been approved by the Court, the Complex litigation judges, and a 2022 Ad Hoc Wage and Hour Committee co-chaired by Judge David Cunningham and Judge Amy Hogue and comprised of 16 attorneys who regularly represent plaintiffs and defendants in wage and hour case. It is written for settlements of single plaintiff wage and hour actions asserting class claims and PAGA claims against a single employer (XYZ). The parties will need to revise this form if there are multiple plaintiffs or multiple defendants. For settlements of wage and hour class actions that do not include PAGA claims, please use the Model Class Action Settlement Agreement and Class Notice. THE COURT ASKS ALL COUNSEL USING THIS MODEL AGREEMENT TO ATTACH A REDLINED VERSION TO THEIR MOTIONS FOR APPROVAL SO THAT THE COURT CAN EASILY SEE EXACTLY HOW THE PARTIES HAVE MODIFIED THIS MODEL AGREEMENT.~~

ⁱⁱ ~~Whether the “date of preliminary approval” yields a fair and adequate payment to Class Members may depend on whether the Class Members, in exchange for their releases of claims, receive consideration for time worked between the date when parties reached a settlement and the date of preliminary approval. The Parties’ *Kullar* analysis must give the Court sufficient information to allow the Court to determine whether the Gross Settlement Amount “represents a reasonable compromise, given the magnitude and apparent merit of the claims being released, discounted by the risks and expenses of attempting to establish and collect on those claims by pursuing the litigation.” (*Luckey v. Superior Court* (2014) 228 Cal.App.4th 81, 94–95, internal quotation marks omitted.)~~

ⁱⁱⁱ ~~See endnote ii above.~~

^{iv} ~~The Parties may need to tailor this language to pay periods or shifts depending on the facts of the case.~~

^v ~~The Parties are free to negotiate a payment plan structure, if appropriate, and payment deadlines may fall earlier as necessary thereto.~~

^{vi} ~~Note that this is not the only possible appropriate breakdown depending on the claims at issue in the case (e.g. a settlement that is solely a Labor Code Section 226(a) claim.)~~

^{vii} ~~Insert negotiated terms, if any, addressing the possibility that XYZ’s estimates of class size, Workweeks or Pay Periods turn out to be understated such as an ADR clause imposing a duty to engage in good faith negotiations or mediation or an “escalator” clause memorializing XYZ’s promise to increase the Gross Settlement Amount in an agreed upon proportion to the percentage by which the calculated class size, Workweeks, or Pay Periods exceeds XYZ’s estimates.~~

^{viii} ~~Releases in Notice should track the releases in the Settlement Agreement.~~
