1     **I.     INTRODUCTION**

2             Plaintiffs Stephanie La Grow, Timothy Griffin and Damir Baric (“Plaintiffs”) respectfully  
3 submit this memorandum in support of the unopposed motion for preliminary approval of the proposed  
4 class action settlement with Defendant JetBlue Airways Corporation (“Defendant”) which seeks entry  
5 of an order: (1) preliminarily approving the proposed settlement of this class action with Defendant;  
6 (2) for settlement purposes only, conditionally certifying the Class, which consists of the California  
7 Class that is “all individuals who are or previously were employed by Defendant in the State of  
8 California who were classified as non-exempt at any time during the California Class Period, excluding  
9 flight attendants and pilots” and the Sick Pay and Expense Reimbursement Class that is “all individuals  
10 who are or previously were employed by Defendant in the State of California who were classified as  
11 non-exempt at any time during the Sick Pay and Expense Reimbursement Class Period, excluding flight  
12 attendants and pilots”; (3) provisionally appointing Plaintiffs as the representatives of the Class; (4)  
13 provisionally appointing Blumenthal Nordrehaug Bhowmik De Blouw LLP, Centurion Trial Attorneys,  
14 APC, and Bibiyan Law Group, P.C. as Class Counsel; (5) approving the form and method for providing  
15 class-wide notice; (6) directing that notice of the proposed settlement be given to the class; (7)  
16 appointing Apex Class Action LLC as the Administrator, and (8) scheduling a final approval hearing  
17 date that is at least 120 days from preliminary approval, to consider Plaintiffs’ motion for final approval  
18 of the settlement and for approval of attorneys’ fees, expenses and service awards. Plaintiffs and  
19 Defendant (collectively the “Parties”) have reached a full and final settlement of the above-captioned  
20 action, which is embodied in the Class Action and PAGA Settlement Agreement (“Agreement”) filed  
21 concurrently with the Court.<sup>1</sup> A copy of the fully executed Agreement is attached as Exhibit #1 to the  
22 Declaration of Kyle Nordrehaug (“Decl. Nordrehaug”), served and filed herewith. The Agreement is  
23 based on the Los Angeles model form, and a redline comparison is attached as Exhibit #2 to the Decl.  
24 Nordrehaug.

25             As consideration for this Settlement, the non-reversionary Gross Settlement Amount of One  
26 Million Seven Hundred Twenty-Five Thousand Dollars (\$1,725,000.00) (the “Gross Settlement  
27

---

28             <sup>1</sup> Capitalized terms shall have the same meaning as defined in the Agreement.

Amount”) is to be paid by Defendant, as set forth in the Agreement. The Gross Settlement Amount will settle all issues pending in the Action between the Parties and will be made in full and final settlement of the Released Class Claims in exchange for the payments to Participating Class Members from the Net Settlement Amount, and includes (a) the costs of administration of the settlement, (b) all attorneys’ fees and costs, (c) the Class Representative Service Payments, and (d) the PAGA Penalties payment allocated 75% to the LWDA and 25% to the Aggrieved Employees. (Agreement at ¶ 1.24.) Decl. Nordrehaug at ¶3. The following is a table of the key financial terms of the Settlement and the proposed deductions:

**\$1,725,000 (Gross Settlement Amount)**

- \$40,000 (Plaintiffs’ proposed service awards - not to exceed amount)
- \$67,000 (Class Counsel Litigation Expenses Payment - not to exceed amount)
- \$575,000 (Class Counsel Fees Payment - not to exceed 1/3 of settlement)
- \$45,000 (PAGA Payment - 75% to LWDA / 25% to Aggrieved Employees)
- \$16,300 (Administration Expenses Payment - not to exceed amount)

**\$981,700 (Net Settlement Amount)**

Based upon 1,015 Class Members who collectively worked 111,681 workweeks (Agreement at ¶ 4.1), the Gross Settlement Amount provides an average value of \$1,699 per Class Member and \$15 per workweek and after deductions, the Net Settlement Amount provides an average recovery of \$967.19 per Class Member and a recovery of \$8.79 per workweek.<sup>2</sup> Decl. Nordrehaug at ¶6.

On May 21, 2025, the Parties participated in an all-day mediation session presided over by Jonathan D. Andrews, Esq., a respected and experienced mediator of wage and hour class actions. Following this mediation, the Parties agreed on the basic terms of a settlement pursuant to a mediator’s proposal which was memorialized in the form of a Memorandum of Understanding. Decl. Nordrehaug at ¶5. The Settlement is fair, reasonable, and adequate, and should be preliminarily approved because there is a substantial monetary payment, and there are significant litigation and class-certification risks. Therefore, Plaintiffs respectfully request that this Court grant preliminary approval of the Agreement and enter the proposed order submitted herewith.

## **II. DESCRIPTION OF THE SETTLEMENT**

---

<sup>2</sup> There are 837 California Class Members and 579 Sick and Expense Reimbursement Class Members, which totals 1,416, many individuals are in both classes, and therefore there are approximately 1,015 unique individuals in the Class.

1 The Gross Settlement Amount is One Million Seven Hundred Twenty-Five Thousand Dollars  
2 (\$1,725,000). (Agreement at ¶ 1.24.) Under the Settlement, the Gross Settlement Amount consists of  
3 the following elements: (1) payment of the Individual Class Payments to the Participating Class  
4 Members; (2) Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment; (3)  
5 Administration Expenses Payment; (4) the Class Representative Service Payments to the Plaintiffs; and  
6 (5) the PAGA Penalties payment allocated 75% to the LWDA PAGA Payment and 25% to the  
7 Individual PAGA Payments. (Agreement at ¶ 1.24.) The Gross Settlement Amount does not include  
8 Defendant's share of payroll taxes. (Agreement at ¶ 3.1.) The Gross Settlement Amount shall be all-in  
9 with no reversion to Defendant. (Agreement at ¶ 3.1.) Decl. Nordrehaug at ¶15.

10 Defendant shall fund the Gross Settlement Amount and the amount necessary to pay payroll  
11 taxes thereon no later than 21 days after the Effective Date. (Agreement at ¶ 4.3.) The distribution of  
12 Individual Class Payments to Participating Class Members will be made within 14 days after Defendant  
13 funds the Gross Settlement Amount. (Agreement at ¶ 5.1.) Decl. Nordrehaug at ¶16.

14 The amount remaining in the Gross Settlement Amount after the deduction of Court-approved  
15 amounts for Individual PAGA Payments, the LWDA PAGA Payment, the Class Representative Service  
16 Payments, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the  
17 Administration Expenses Payment (called the "Net Settlement Amount") shall be allocated to Class  
18 Members as their Individual Class Payments. (Agreement at ¶¶ 1.30 and 3.2.) The Administrator will  
19 calculate each Individual Class Payment by (a) dividing the Net Settlement Amount by the total number  
20 of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying  
21 the result by each Participating Class Member's Workweeks. (Agreement at ¶ 3.2(e).) Workweeks will  
22 initially be based on Defendant's records, however, Class Members will have the right to challenge the  
23 number of Workweeks. Decl. Nordrehaug at ¶17.

24 Class Members may choose to opt-out of the Settlement by following the directions in the Class  
25 Notice. (Agreement at ¶ 8.5, Ex. A.) All Class Members who do not "opt out" will be deemed  
26 Participating Class Members who will be bound by the Settlement and will be entitled to receive an  
27 Individual Class Payment. (Agreement at ¶ 8.5(c).) All Aggrieved Employees, including those who  
28 submit an opt-out request, will be paid their allocation of the PAGA Penalties and will remain subject

1 to the release of the Released PAGA Claims regardless of their request for exclusion from the Class.  
2 (Agreement at ¶¶ 6.4 and 8.5(d).) Finally, the Class Notice will advise the Class Members of their right  
3 to object to the Settlement and/or dispute their Workweeks. (Agreement at ¶¶ 8.6 and 8.7, and Ex. A.)  
4 Decl. Nordrehaug at ¶18.

5 Participating Class Members must cash their Individual Class Payment check within 180 days  
6 after it is mailed. (Agreement at ¶ 5.2.) Any settlement checks not cashed within 180 days will be  
7 voided and any funds represented by such checks sent to a Court-approved nonprofit organization or  
8 foundation consistent with Code of Civil Procedure Section 384(b) (“Cy Pres Recipient”). The Parties  
9 propose Foster Love as the Cy Pres Recipient. The Parties, Class Counsel and Defense Counsel  
10 represent that they have no interest, financial or otherwise, with the intended Cy Pres Recipient.  
11 (Agreement at ¶ 5.4.) Decl. Nordrehaug at ¶19.

12 Subject to Court approval, the Parties have agreed on Apex Class Action LLC to administer the  
13 settlement in this action (“Administrator”). (Agreement at ¶ 1.2.) The Administrator will be paid for  
14 settlement administration in an amount not to exceed \$16,300. (Agreement at ¶ 3.2(c).) Apex Class  
15 Action provided an estimate of \$14,790 for administration expenses. Decl. Nordrehaug at ¶20.

16 Subject to Court approval, the Agreement provides for Class Counsel to be awarded a sum not  
17 to exceed one-third of the Gross Settlement Amount, as the Class Counsel Fees Payment. (Agreement  
18 at ¶ 3.2(b).) Class Counsel will also be allowed to apply separately for an award of Class Counsel  
19 Litigation Expenses Payment in an amount not to exceed \$67,000. (Agreement at ¶ 3.2(b).) Subject  
20 to Court approval, the Agreement provides for a payment of no than \$10,000 each to Plaintiffs Griffin  
21 and Baric, and \$20,000 to Plaintiff La Grow as their Class Representative Service Payments.  
22 (Agreement at ¶ 3.2(a).) Decl. Nordrehaug at ¶21.

23 Subject to Court approval, the PAGA Penalties will be paid from the Gross Settlement Amount  
24 for PAGA penalties under the California Private Attorneys General Act, Cal. Labor Code Section 2698,  
25 *et seq.* (“PAGA”). The PAGA Penalties are \$45,000. (Agreement at ¶¶ 1.36 and 3.2(d).) Pursuant to  
26 the express requirements of Labor Code § 2699(i), the PAGA Payment shall be allocated as follows:  
27 75% shall be allocated to the Labor Workforce Development Agency (“LWDA”) as its share of the civil  
28 penalties and 25% allocated to the Individual PAGA Payments to be distributed to the Aggrieved

1 Employees based on the number of their respective PAGA Pay Periods.<sup>3</sup> (Agreement at ¶ 3.2(d).) As  
2 set forth in the accompanying proof of service, the LWDA has been served with this motion and the  
3 Agreement. Decl. Nordrehaug at ¶22.

### 4 **III. CASE BACKGROUND**

5 The description of the case and claims, along with the procedural history is set forth in the  
6 Declaration of Kyle Nordrehaug at ¶¶ 7-14. The Parties engaged in thorough investigation and the  
7 exchange of documents and information in connection with the Action over more than one year which  
8 permitted Class Counsel to perform a thorough analysis of the claims. Decl. Nordrehaug, ¶¶ 10 and 14.  
9 The Parties participated in mediation on May 21, 2025 with Jonathan D. Andrews, Esq., which after  
10 arms' length negotiations during the mediation, resulted in this Settlement. Decl. Nordrehaug, ¶12.

### 11 **IV. THE SETTLEMENT MEETS THE CRITERIA NECESSARY FOR THIS COURT TO 12 GRANT PRELIMINARY APPROVAL**

13 California "[p]ublic policy generally favors the compromise of complex class action litigation."  
14 *Nordstrom Comm'n Cases*, 186 Cal. App. 4th 576, 581 (2010) quoting *Cellphone Termination Fee*  
15 *Cases*, 180 Cal.App.4th 1110, 1117-18 (2009). Class action settlements are approved where the  
16 proposed settlement is "fair, adequate and reasonable." *Dunk v. Ford Motor Co.*, 48 Cal.App.4th 1794,  
17 1801 (1996) (citing *Officers for Justice v. Civil Serv. Comm'n*, 688 F.2d 615, 625 (9th Cir. 1982), cert.  
18 denied, 459 U.S. 1217 (1983)).

19 Preliminary approval is the first of three steps that comprise the approval procedure for  
20 settlements of class actions. The second step is the dissemination of notice of the settlement to all class  
21 members. The third step is a final settlement approval hearing, at which evidence and argument  
22 concerning the fairness, adequacy, and reasonableness of the settlement may be presented, and class  
23 members may be heard regarding the settlement. *See Dunk v. Ford Motor Co.*, 48 Cal.App.4th 1794,  
24 1801 (1996); *Manual for Complex Litigation, Second* §30.44 (1993); Cal. Rules of Court, rule 3.769.

25 The primary question presented on an application for preliminary approval of a proposed class  
26 action settlement is whether the proposed settlement is "within the range of possible approval." *Manual*

---

27 <sup>3</sup> The PAGA claim in this Action was initiated prior to June 2024, and therefore the prior version  
28 of Labor Code ¶2699 applies to the 75/25 allocation.

1 *for Complex Litigation*, Second §30.44 at 229; *Gautreaux v. Pierce*, 690 F.2d 616, 621 n.3 (7th Cir.  
2 1982).<sup>4</sup> Preliminary approval is merely the prerequisite to giving notice so that “the proposed  
3 settlement... may be submitted to members of the prospective Class for their acceptance or rejection.”  
4 *Sayaman v. Baxter Healthcare Corp.*, 2010 U.S. Dist. LEXIS 151997, \*3 (C.D. Cal. 2010). There is  
5 “a presumption of fairness . . . where . . . [a] settlement is reached through arms-length bargaining.”  
6 *Wershba v. Apple Computer, Inc.*, 91 Cal.App.4th 224, 245 (2001) (citation omitted); see also *Cho v.*  
7 *Seagate Tech. Holdings, Inc.*, 177 Cal. App. 4th 734, 742-45 (2009) (upholding trial court’s  
8 determination that settlement was “fair, reasonable and adequate” where the settlement “provided  
9 valuable benefits to the class . . . that were ‘particularly valuable in light of the risks plaintiff would have  
10 faced if she proceeded to litigate her case.’”); *Newberg*, 3d Ed., §11.41, p.11-88. However, the ultimate  
11 question of whether the proposed settlement is fair, reasonable, and adequate is made after notice of the  
12 settlement is given to the class members and a final settlement hearing is held by the Court.

13 **A. The Role Of The Court In Preliminary Approval Of A Class Action Settlement**

14 The approval of a proposed settlement of a class action suit is a matter within the broad  
15 discretion of the trial court. *Wershba, supra*, 91 Cal.App.4th at 234-235; *Dunk*, 48 Cal.App.4th 1794.  
16 In considering a potential settlement for preliminary approval purposes, the trial court does not have  
17 to reach any ultimate conclusions on the issues of fact and law which underlie the merits of the dispute,  
18 and need not engage in a trial on the merits. *Wershba, supra*, 91 Cal.App.4th at 239-40; *Dunk, supra*,  
19 48 Cal.App. 4th at 1807. The Ninth Circuit explains, “the very essence of a settlement is compromise,  
20 ‘a yielding of absolutes and an abandoning of highest hopes.’” *Officers for Justice*, 688 F.2d at 624.  
21 Thus, when analyzing the settlement, the amount is “not to be judged against a hypothetical or  
22 speculative measure of what might have been achieved by the negotiators.” *Officers for Justice*, 688  
23 F.2d at 625, 628.

24 With regard to class action settlements, the opinions of counsel should be given considerable

---

26 <sup>4</sup> California courts look to federal authority on class actions. *Vasquez v. Superior Court*, 4 Cal.3d  
27 800, 821 (1971). “It is well established that in the absence of relevant state precedents trial courts are  
28 urged to follow the procedures prescribed in Rule 23 of the Federal Rules of Civil Procedure for  
conducting class actions.” *Frazier v. City of Richmond*, 184 Cal. App.3d 1491, 1499 (1986), citing  
*Green v. Obledo*, 29 Cal.3d 126, 145-146 (1981).

weight both because of counsel's familiarity with this litigation and previous experience with cases such as these. *Officers for Justice*, 688 F.2d at 625. As a result, courts hold that the recommendation of counsel is entitled to significant weight. *Nat'l Rural Telecomms. Coop. v. DIRECTV, Inc.*, 221 F.R.D. 523, 528 (C.D. Cal. 2004).

**B. Factors To Be Considered In Granting Preliminary Approval**

A number of factors are to be considered in evaluating a settlement for purposes of preliminary approval. In determining whether to grant preliminary approval, the court considers whether the "(1) the proposed settlement appears to be the product of serious, informed, non-collusive negotiations, (2) has no obvious deficiencies, (3) does not improperly grant preferential treatment to class representatives or segments of the class, and (4) falls within the range of possible approval." *In re Tableware Antitrust Litig.*, 484 F.Supp. 2d 1078, 1079 (N.D. Cal. 2007). Courts hold that "a presumption of fairness exists where: (1) the settlement is reached through arm's-length bargaining; (2) investigation and discovery are sufficient to allow counsel and the court to act intelligently; (3) counsel is experienced in similar litigation; and (4) the percentage of objectors is small." *Kullar v. Foot Locker Retail, Inc.*, 168 Cal. App. 4th 116, 128 (2008). Here, the Settlement meets all of these criteria for preliminary approval and therefore the presumption applies.

**1. The Settlement is the Product of Serious, Informed and Arm's Length Negotiations by Experienced Counsel**

This settlement is the result of extensive and hard-fought litigation as well as negotiations before an experienced and well-respected mediator. Defendant has expressly denied and continues to deny any wrongdoing or legal liability arising out of the conduct alleged in the Action. Plaintiffs and Class Counsel have determined that it is desirable and beneficial to the Class to resolve the Released Class Claims of the Class in accordance with this Settlement. The release applicable to the Class is appropriately tethered to allegations in the Action. (Agreement at ¶ 6.3.)

Class Counsel are experienced and qualified to evaluate the class claims, the defenses asserted, and the risks and benefits of trial and settlement, and Class Counsel are particularly experienced in wage and hour employment class actions, as Class Counsel has previously litigated and certified similar claims against other employers. Decl. Nordrehaug at ¶31; Declaration of David Bibiyan at ¶¶ 2-10.

1 The view of qualified and well-informed counsel that a class action settlement is fair, adequate, and  
2 reasonable is entitled to significant weight. *See Kullar v. Foot Locker*, 168 Cal. App. 4th 116, 133  
3 (2008) (the trial court "undoubtedly should continue to place reliance on the competence and integrity  
4 of counsel, the involvement of a qualified mediator, and the paucity of objectors to the settlement.");  
5 *Dunk*, 48 Cal. App. 4th at 1802.

6 The Parties attended an arms-length mediation session with Jonathan D. Andrews, Esq., a  
7 respected and experienced mediator of wage and hour class actions, in order to reach this Settlement.  
8 In preparation for the mediation, Defendant provided Class Counsel with timekeeping and employment  
9 data and other information regarding the Class Members, various internal documents, and other  
10 compensation and employment-related materials. Class Counsel analyzed the data with the assistance  
11 of damages expert Berger Consulting and prepared and submitted a mediation brief to the mediator. The  
12 final settlement terms were negotiated and set forth in the Agreement now presented for this Court's  
13 approval. Decl. Nordrehaug at ¶ 5. Importantly, Plaintiffs and Class Counsel believe that this  
14 Settlement is fair, reasonable, and adequate.

15 As consideration for this Settlement, the Gross Settlement Amount to be paid by Defendant is  
16 One Million Seven Hundred Twenty-Five Thousand Dollars (\$1,725,000). The Settlement is all-in with  
17 no reversion to Defendant and no need to submit a claim form. Decl. Nordrehaug at ¶ 3.

18 Class Counsel has conducted an investigation into the facts of the class action. Both formal and  
19 Informal discovery was obtained, which included the production of thousands of pages documents and  
20 data. Class Counsel engaged in a thorough review and analysis of the relevant documents and data with  
21 the assistance of an expert. Accordingly, the agreement to settle did not occur until Class Counsel  
22 possessed sufficient information to make an informed judgment regarding the likelihood of success on  
23 the merits and the results that could be obtained through further litigation. In addition, Class Counsel  
24 previously negotiated settlements with other employers in actions involving nearly identical issues and  
25 analogous defenses. Based on the foregoing data and their own independent investigation, evaluation  
26 and experience, Class Counsel believes that the settlement with Defendant on the terms set forth in the  
27 Agreement is fair, reasonable, and adequate and is in the best interest of the Class in light of all known  
28 facts and circumstances, including the risk of significant delay, defenses asserted by Defendant, and

1 potential appellate issues. Decl. Nordrehaug at ¶ 14.

2 Plaintiffs and Class Counsel recognize the expense and length of continuing to litigate and trying  
3 this Action against Defendant through possible appeals which could take several years. Class Counsel  
4 has also taken into account the uncertain outcome and risk of litigation, especially in complex class  
5 actions such as this Action. Class Counsel is also mindful of and recognize the inherent problems of  
6 proof under, and alleged defenses to, the claims asserted in the Action. Based upon their evaluation,  
7 Plaintiffs and Class Counsel have determined that the Settlement set forth in the Agreement is in the  
8 best interest of the Class Members. Decl. Nordrehaug, ¶ 23.

9 Here, there can be no dispute that the litigation has been hard-fought with aggressive and  
10 capable advocacy on both sides. The Parties were represented by experienced and capable counsel who  
11 zealously advocated their positions. Accordingly, “[t]here is likewise every reason to conclude that  
12 settlement negotiations were vigorously conducted at arms’ length and without any suggestion of undue  
13 influence.” *In re Wash. Public Power Supply System Sec. Litig.*, 720 F. Supp. at 1392.

14 **2. The Settlement Has No "Obvious Deficiencies" and Falls Well Within**  
15 **the Range for Approval**

16 The proposed Settlement herein has no "obvious deficiencies" and is well within the range of  
17 possible approval. All Class Members will receive an opportunity to participate in the Settlement and  
18 receive payment according to the same formula. (Agreement at ¶ 3.2(e).) Based upon 1,015 Class  
19 Members who collectively worked 111,681 workweeks (Agreement at ¶ 4.1), the Gross Settlement  
20 Amount provides an average value of \$1,699 per Class Member and \$15 per workweek and after  
21 deductions, the Net Settlement Amount provides an average recovery of \$967.19 per Class Member and  
22 a recovery of \$8.79 per workweek.<sup>5</sup> Decl. Nordrehaug, ¶6.

23 The calculations to compensate for the amount due for the Class at the time of the mediation  
24 were calculated by Berger Consulting, Plaintiffs’ damage expert. As to the Class whose claims are at  
25 issue in this Action, Plaintiffs used this expert to analyze the data and determine the potential unpaid

---

26  
27 <sup>5</sup> There are 837 California Class Members and 579 Sick and Expense Reimbursement Class  
28 Members, which totals 1,416, many individuals are in both classes, and therefore there are  
approximately 1,015 unique individuals in the Class.

1 wages for the employees. The maximum potential damages were calculated to be \$1,702,598 for the  
2 alleged unpaid sick pay, \$1,980,437 for the alleged unpaid wages due to off-the-clock work at 30  
3 minutes per week, \$1,061,053 for alleged meal period damages based upon a 16.9% potential violation  
4 rate for shifts observed in the time records and after deduction of meal premiums paid by Defendant,  
5 and \$1,627,133 for alleged rest period damages based upon the same 16.9% potential violation rate  
6 observed for meal breaks, \$177,592 for alleged unreimbursed business expenses for personal cell phone  
7 usage at \$5 per month. Decl. Nordrehaug, ¶6. As a result, the total damage valuation was calculated  
8 that Defendant was subject to a maximum damage claim in the amount of \$6,548,813. As to potential  
9 penalties, Plaintiffs calculated that potential waiting time penalties were a maximum of \$3,085,133, and  
10 potential maximum wage statement penalties were \$2,556,000.<sup>6</sup> Defendant vigorously disputed  
11 Plaintiffs' calculations and exposure theories. See Decl. Nordrehaug, at ¶6 for additional details as to  
12 the valuation of the claims.

13         Consequently, the Gross Settlement Amount of \$1,725,000 represents more than 26% of the  
14 maximum value of the alleged damages at issue in this case at the time this Settlement was negotiated.<sup>7</sup>  
15 As to the meal and rest break claims, Defendant contends that many missed periods were verified as  
16 voluntary due to attestation, which could significantly reduce the value of these claims. Importantly, the  
17 recent decision that good faith belief of compliance by the employer in *Naranjo v. Spectrum Sec. Servs.,*  
18 *Inc.*, 15 Cal. 5th 1056, 1065 (2024), could completely negate the claims for waiting time and wage  
19 statement penalties, even if wages were owed to the Class. The above maximum calculations should  
20 then be adjusted in consideration for both the risk of class certification and the risk of establishing class-

---

22         <sup>6</sup> While Plaintiffs alleged claims for statutory penalties pursuant to Labor Code Sections 203 and  
23 226, at mediation Plaintiffs recognized that these claims were subject to additional, separate defenses  
24 asserted by Defendant, including, a good faith dispute defense as to whether any premium wages for  
25 meal or rest periods or other wages were owed given Defendant's position that Plaintiffs and Class  
26 Members were properly compensated. See *Nordstrom Commission Cases*, 186 Cal. App. 4th 576, 584  
(2010) ("There is no willful failure to pay wages if the employer and employee have a good faith dispute  
as to whether and when the wages were due.").

27         <sup>7</sup> Because the PAGA claim is not a class claim and primarily is paid to the State of California,  
28 Plaintiffs have not included the PAGA claim in this discussion of the value of the class claims. The  
PAGA claim is addressed in the Decl. Nordrehaug at ¶33.

1 wide liability on all claims. Given the amount of the settlement as compared to the potential value of  
2 claims in this case and the defenses asserted by Defendant, this settlement is fair and reasonable.<sup>8</sup>  
3 Clearly, the goal of this litigation has been met. Decl. Nordrehaug, ¶6.

4 Where both sides face significant uncertainty, the attendant risks favor settlement. *Hanlon v.*  
5 *Chrysler Corp.*, 150 F.3d 1011, 1026 (9th Cir. 1998). Here, a number of defenses asserted by  
6 Defendant present serious threats to the claims of the Plaintiffs and the other Class Members.  
7 Defendant asserted that Defendant's practices complied with all applicable Labor laws. Defendant  
8 argued that Class Members were paid for all time worked and that all work time was properly recorded  
9 and compensated. Defendant contends that its meal and rest period policies fully complied with  
10 California law and Defendant did not fail to provide the opportunity for legally required meal and rest  
11 breaks. Defendant could argue that the payment of meal period premiums is evidence of its lawful  
12 practices. Defendant contends that there was no failure to pay for business expenses and any cell phone  
13 usage was merely convenient and voluntary such that reimbursement was not legally required. Finally,  
14 Defendant could argue that the Supreme Court decision in *Brinker v. Superior Court*, 53 Cal. 4th 1004  
15 (2012), weakened Plaintiffs' claims, on liability, value, and class certifiability as to the meal and rest  
16 period claims. Defendant also argues that based on their facially lawful practices, Defendant acted in  
17 good faith and without willfulness, which if accepted would negate the claims for waiting time penalties  
18 and/or inaccurate wage statements. See e.g. *Naranjo v. Spectrum Sec. Servs., Inc.*, 15 Cal. 5th 1056,  
19 1065 (May 6, 2024) ("if an employer reasonably and in good faith believed it was providing a complete  
20 and accurate wage statement in compliance with the requirements of section 226, then it has not  
21

---

22 <sup>8</sup> See *Glass v. UBS Fin. Servs.*, 2007 U.S. Dist. LEXIS 8476 (N.D. Cal. 2007) (approving a  
23 settlement where the settlement amount constituted approximately 25% of the estimated overtime  
24 damages for the class); *Stovall-Gusman v. W.W. Granger, Inc.*, 2015 U.S. Dist. LEXIS 78671, at \*12  
25 (N.D. Cal. 2015) (granting final approval where "the proposed Total Settlement Amount represents  
26 approximately 10% of what class might have been awarded had they succeeded at trial."); *Dunleavy v.*  
27 *Nadler (In re Mego Fin. Corp. Sec. Litig.)*, 213 F.3d 454, 459 (9th Cir. 2000) (affirming approval of  
28 a class settlement which represented "roughly one-sixth of the potential recovery".) See also *Viceral v.*  
*Mistras Grp., Inc.*, 2016 WL 5907869 (N.D. Cal. 2016) (approving wage and hour class action  
settlement amounting to 8.1% of full value); *Ma v. Covidien Holding, Inc.*, 2014 WL 2472316, (C.D.  
Cal. 2014) (approving wage and hour class action settlement worth "somewhere between 9% and 18%"  
of maximum valuation).

1 knowingly and intentionally failed to comply with the wage statement law.”) Defendant’s defenses  
2 could eliminate or substantially reduce any recovery to the Class. While Plaintiffs believe that these  
3 defenses could be overcome, Defendant maintains these defenses have merit and therefore present a  
4 serious risk to recovery by the Class. Decl. Nordrehaug, ¶ 24.

5 There was also a significant risk that, if the Action was not settled, Plaintiffs would be unable  
6 to obtain a certified class and maintain the certified class through trial, and thereby not recover on behalf  
7 of any employees other than themselves. At the time of the mediation, Defendant forcefully opposed  
8 the propriety of class certification, arguing that individual issues precluded class certification. Further,  
9 as demonstrated by the California Supreme Court decision in *Duran v. U.S. Bank National Assn.*, 59  
10 Cal. 4th 1 (2014), there are significant hurdles to overcome for a class-wide recovery even where the  
11 class has been certified. While other cases have approved class certification in wage and hour claims,  
12 class certification in this action was hotly disputed and the maintenance of a certified class through trial  
13 was by no means a foregone conclusion. Decl. Nordrehaug, ¶ 25.

14 After arm’s length negotiations between experienced and informed counsel, the Parties  
15 recognized the potential risks and agreed on the Settlement with a Gross Settlement Amount of  
16 \$1,725,000. As the Court held in *Glass*, where the parties faced uncertainties similar to those here:

17 In light of the above-referenced uncertainty in the law, the risk, expense, complexity,  
18 and likely duration of further litigation likewise favors the settlement. Regardless of how  
19 this Court might have ruled on the merits of the legal issues, the losing party likely  
20 would have appealed, and the parties would have faced the expense and uncertainty of  
21 litigating an appeal. ‘The expense and possible duration of the litigation should be  
22 considered in evaluating the reasonableness of [a] settlement.’”

23 2007 WL 221862, at \*4 (quoting *In re Mego Financial Corp. Securities Litigation*, 213 F.3d 454, 458  
24 (9th Cir. 2000)).

### 25 **3. The Settlement Does Not Improperly Grant Preferential Treatment To** 26 **Class Representatives or Segments Of The Class**

27 The relief provided in the Settlement will benefit all members of the Class. The Settlement does  
28 not grant preferential treatment to Plaintiffs or segments of the Class in any way. Payments to the Class  
Members are all determined under a neutral methodology. Each Participating Class Member will  
receive the same opportunity to participate in and receive payment through a neutral formula that is  
based upon the weeks worked by that individual. Decl. Nordrehaug, ¶4.

1 Plaintiffs will apply to the Court for Class Representative Service Payments in consideration  
2 for their service and for the risks undertaken on behalf of the Class. (Agreement at ¶ 3.2(a).) Plaintiffs  
3 performed their duties admirably by working with Class Counsel over the course of litigation. The  
4 Declarations of the Plaintiffs are submitted herewith in support. Decl. Nordrehaug at ¶27. At this stage,  
5 the not to exceed amount for the requested service award is within the accepted range of awards for  
6 purposes of preliminary approval, subject to the Court's determination at final approval. *See e.g.*  
7 *Andrews v. Plains All Am. Pipeline L.P.*, 2022 U.S. Dist. LEXIS 172183, at \*11 (C.D. Cal. 2022)  
8 (finding that the requested service awards of \$15,000 each are appropriate); *Reynolds v. Direct Flow*  
9 *Med., Inc.*, 2019 U.S. Dist. LEXIS 149865, at \*19 (N.D. Cal. 2019) (granting request for \$12,500  
10 service award); *Mathein v. Pier 1 Imps. (U.S.), Inc.*, 2018 U.S. Dist. LEXIS 71386 (E.D. Cal. 2018)  
11 (awarding \$12,500 where average class member payment was \$351); *Louie v. Kaiser Foundation*  
12 *Health Plan, Inc.*, 2008 WL 4473183, \*7 (S.D. Cal. Oct. 06, 2008) (awarding \$25,000 service award  
13 to each of six plaintiffs in overtime class action); *Glass v. UBS Fin. Servs.*, 2007 WL 221862, \*16-17  
14 (N.D. Cal. 2007) (awarding \$25,000 service award in overtime class action and a pool of \$100,000 in  
15 enhancements). As explained in *Glass*, service awards are routinely awarded to class representatives  
16 to compensate the employees for the time and effort expended on the case, for the risk of litigation, for  
17 the fear of suing an employer and retaliation there from, and to serve as an incentive to vindicate the  
18 statutory rights of all employees. 2007 WL 221862 at \*16-17.

19 **4. The Stage Of The Proceedings Are Sufficiently Advanced To Permit**  
20 **Preliminary Approval Of The Settlement**

21 The stage of the proceedings at which this Settlement was reached also militates in favor of  
22 preliminary approval and ultimately, final approval of the Settlement. Class Counsel has conducted a  
23 thorough investigation into the facts of the class action. Class Counsel began investigating the Class  
24 Members' claims before the Action was filed, and during the course of litigation, Class Counsel  
25 engaged in both formal and informal discovery to obtain necessary information. Class Counsel  
26 conducted a review and analysis of the relevant documents and data. Class Counsel was also  
27 experienced with the claims at issue here, as Class Counsel previously litigated and settled similar  
28 claims in other actions. Accordingly, the agreement to settle did not occur until Class Counsel

1 possessed sufficient information to make an informed judgment regarding the likelihood of success on  
2 the merits and the results that could be obtained through further litigation. Decl. Nordrehaug at ¶28.

3 Based on the foregoing data and their own independent investigation and evaluation, Class  
4 Counsel is of the opinion that the Settlement with Defendant for the consideration and on the terms set  
5 forth in the Agreement is fair, reasonable, and adequate and is in the best interest of the Class in light  
6 of all known facts and circumstances, including the risk of significant delay, defenses asserted by  
7 Defendant, and numerous potential appellate issues. There can be no doubt that Counsel possessed  
8 sufficient information to make an informed judgment regarding the likelihood of success on the merits  
9 and the results that could be obtained through further litigation. Decl. Nordrehaug at ¶29.

10 **V. THE CLASS IS PROPERLY CERTIFIED FOR SETTLEMENT PURPOSES ONLY**

11 Plaintiffs contend that the proposed settlement meets all of the requirements for class  
12 certification under California Code of Civil Procedure § 382 as demonstrated below, and therefore, the  
13 Court may appropriately approve the Class as defined in the Agreement. This Court should  
14 conditionally certify the Class for settlement purposes only, consisting of the California Class and the  
15 Sick Pay and Expense Reimbursement Class. (Agreement at ¶ 1.5.) The California Class is defined as:

16 All individuals who are or previously were employed by Defendant in the State of  
17 California who were classified as non-exempt at any time during the California Class  
Period, excluding flight attendants and pilots.

18 (Agreement at ¶ 1.6).

19 The California Class Period is June 18, 2021 to September 6, 2025. (Agreement at ¶ 1.7). The Sick  
20 Pay and Expense Reimbursement Class is defined as:

21 All individuals who are or previously were employed by Defendant in the State of  
22 California who were classified as non-exempt at any time during the Sick Pay and  
Expense Reimbursement Class Period, excluding flight attendants and pilots.

23 (Agreement at ¶ 1.47).

24 The Sick Pay and Expense Reimbursement Class Period is November 27, 2019 to June 17, 2021.  
25 (Agreement at ¶ 1.48).

26 **A. California Code of Civil Procedure § 382**

27 Plaintiffs seek certification of this Class for settlement purposes under California Code of Civil  
28

1 Procedure § 382. The California Supreme Court has summarized the standard for determining whether  
2 class certification is appropriate as follows:

3 Code of Civil Procedure Section 382 authorizes class actions “when the question is one  
4 of a common or general interest, of many persons, or when the parties are numerous, and  
5 it is impracticable to bring them all before the court....” The party seeking certification  
6 has the burden to establish the existence of both an ascertainable class and a well-  
7 defined community of interest among class members. (*citations omitted*). The  
8 “community of interest” requirement embodies three factors: (1) predominant common  
9 questions of law or fact; (2) class representatives with claims or defenses typical of the  
10 class; and (3) class representatives who can adequately represent the class.

11 *Sav-On Drug Stores, Inc. v. Superior Court*, 34 Cal. 4th 319, 326 (2004).

12 While Defendant reserves all rights to dispute that the Plaintiffs can satisfy these requirements,  
13 the Parties agree that Defendant will not dispute that these requirements may be satisfied in this case  
14 for purposes of settlement only and therefore, the proposed Class should be certified for purposes of  
15 settlement only. (Agreement at ¶ 2.15.)

16 **B. The Proposed Class Is Ascertainable and Numerous**

17 Plaintiffs bring this action on behalf of a Class of non-exempt employees of Defendant during  
18 the Class Period. Plaintiffs assert that all of these individuals are ascertainable because the class  
19 members can readily be determined through examination of Defendant’s files. Given that the Class  
20 consists of 1,416 Class Members, Plaintiffs maintain that numerosity is clearly satisfied. *See Bowles*  
21 *v. Superior Court*, 44 Cal.2d 574 (1955) (class with 10 members sufficiently numerous); *Rose v. City*  
22 *of Hayward*, 126 Cal.App.3d 926, 934 (1981) (class of 48 members satisfies numerosity requirement.)  
23 Here, Plaintiffs assert that the 1,416 current and former employees that comprise the Class can be  
24 identified based on Defendant’s records and are sufficiently numerous for class certification. Decl.  
25 Nordrehaug at ¶30.

26 **C. Common Issues of Law and Fact Predominate**

27 Predominance of common issues of law or fact does not require that the common issues be  
28 dispositive of the entire controversy or even that they be dispositive of all liability issues. 1 *Newberg*  
2 *on Class Actions*, Section 4.25 at 4-82, 4-83 (1992). “Predominance is a comparative concept, and ‘the  
3 necessity for class members to individually establish eligibility and damages does not mean individual  
4 fact questions predominate.’” *Sav-On*, 34 Cal. 4th at 334.

1 Commonality exists if there is a predominant common legal question regarding how an  
2 employer's policies impact its employees. *Ghazaryan v. Diva Limousine, Ltd.*, 169 Cal. App. 4th 1524,  
3 1536 (2008) (“[T]he common legal question remains the overall impact of Diva's policies on its  
4 drivers.”) Whether the plaintiff is likely to prevail on their theory of recovery is irrelevant at the  
5 certification stage since the question is “essentially a procedural one that does not ask whether an action  
6 is legally or factually meritorious.” *Linder v. Thrifty Oil Co.*, 23 Cal. 4th 429, 439-440 (2003).

7 Here, Plaintiffs contend that common questions of law and fact are present, specifically the  
8 common questions of whether Defendant's employment practices were lawful, whether Defendant  
9 failed to provide meal and rest periods to Class Members, whether Class Members were lawfully  
10 compensated for all hours worked, whether Defendant failed to provide required expense  
11 reimbursement, and whether Class Members are entitled to damages and penalties as a result of these  
12 practices. Plaintiffs contend that certification of this Class is appropriate because Defendant allegedly  
13 engaged in uniform practices with respect to the Class Members. As a result, these common questions  
14 of liability could be answered on a class wide basis. Decl. Nordrehaug, ¶30. Defendant disputes that  
15 common questions predominate but will not oppose such a finding for purposes of this Settlement only.

16 **D. The Claims of the Plaintiffs Are Typical of the Class Claims**

17 The typicality requirement requires the Plaintiffs to demonstrate that the members of the Class  
18 have the same or similar claims as the Plaintiffs. “The typicality requirement is met when the claims  
19 of the [p]laintiff arise from the same event or are based on the same legal theories.” *Tate v.*  
20 *Weyerhaeuser Co.*, 723 F.2d 598, 608 (8th Cir. 1983). In *Hanlon, supra*, 150 F.3d at 1020, the Ninth  
21 Circuit held that “[u]nder the rule's permissive standards, representative claims are ‘typical’ if they are  
22 reasonably coextensive with those of absent class members; they need not be substantially identical.”

23 In this Action, Plaintiffs contend that the typicality requirement is fully satisfied. Plaintiffs, like  
24 every other member of the Class, were employed by Defendant as non-exempt employees, and, like  
25 every other member of the Class, were subject to the same employment practices. Plaintiffs, like every  
26 other member of the Class, also claim owed compensation as a result of the Defendant's uniform  
27 company policies and practices. Thus, the claims of Plaintiffs and the members of the Class arise from  
28 the same course of conduct by Defendant, involve the same issues, and are based on the same legal

1 theories. Decl. Nordrehaug at ¶30. For purposes of settlement, Plaintiffs assert that the typicality  
2 requirement is met as to the common issues presented in this case. Defendant does not oppose a finding  
3 of typicality for purposes of this Settlement only.

4 **E. The Class Representation Fairly and Adequately Protected the Class**

5 Plaintiffs contend that the Class Members are adequately represented here because Plaintiffs and  
6 representing counsel (a) do not have any conflicts of interest with other class members, and (b) will  
7 prosecute the case vigorously on behalf of the class. *Hanlon*, 150 F.3d at 1020. This requirement is  
8 met here. First, Plaintiffs are well aware of their duties as the representatives of the Class and have  
9 actively participated in the prosecution of this case to date. Plaintiffs effectively communicated with  
10 Class Counsel, provided documents and information to Class Counsel, and participated in the  
11 investigation and resolution of the Action. The personal involvement of the Plaintiffs was essential to  
12 the prosecution of the Action and the monetary settlement reached. Second, Plaintiffs retained  
13 competent counsel who are experienced in employment class actions and who have no conflicts. Decl.  
14 Nordrehaug at ¶ 31; Declaration of David Bibiyan at ¶¶ 2-10. Third, there is no antagonism between  
15 the interests of the Plaintiffs and those of the Class. Both the Plaintiffs and the Class Members seek  
16 monetary relief under the same set of facts and legal theories. Under such circumstances, there can be  
17 no conflicts of interest, and adequacy of representation is satisfied. *Reaves v. Ketoro, Inc.*, 2020 U.S.  
18 Dist. Lexis 167926, \*23 (C.D. Cal. 2020). Defendant disputes that the adequacy requirement is satisfied  
19 but will not oppose such a finding for purposes of this Settlement only.

20 **F. The Superiority Requirement Is Met**

21 To certify a class, the Court must also determine that a class action is superior to other available  
22 methods for the fair and efficient adjudication of the controversy. “Where classwide litigation of  
23 common issues will reduce litigation costs and promote greater efficiency, a class action may be  
24 superior to other methods of litigation.” *Valentino v. Carter-Wallace, Inc.*, 97 F.3d 1227, 1234 (9th Cir.  
25 1996). As courts have previously observed:

26 Absent class treatment, each individual plaintiff would present in separate, duplicative  
27 proceedings the same or essentially the same arguments and evidence, including expert  
28 testimony. The result would be a multiplicity of trials conducted at enormous expense  
to both the judicial system and the litigants. “It would be neither efficient nor fair to

1 anyone, including defendants, to force multiple trials to hear the same evidence and  
2 decide the same issues.”

3 *Sav-On*, 34 Cal. 4th at 340, citing *Boggs v. Divested Atomic Corp.*, 141 F.R.D. 58, 67 (S.D. Ohio 1991).

4 Here, Plaintiffs contend that a class action is the superior mechanism for resolution of the claims  
5 as pled by the Plaintiffs. While Defendant disputes that class treatment is superior, Defendant does not  
6 dispute a finding of superiority in this action for purposes of this Settlement only.

## 7 **VI. THE PROPOSED METHOD OF CLASS NOTICE IS APPROPRIATE**

8 The Court has broad discretion in approving a practical notice program. The Parties have agreed  
9 upon procedures by which the Class Members will be provided with written notice of the Settlement  
10 similar to that approved and utilized in hundreds of class action settlements. In accordance with the  
11 Agreement, Defendant will provide to the Administrator a confidential electronic spreadsheet  
12 containing the Class Data not later than thirty (30) days after the Court grants Preliminary Approval of  
13 the Settlement. (Agreement at ¶ 4.2.) Within 14 days after receiving the Class Data, the Administrator  
14 will mail the Class Notice to all Class Members via first-class U.S. Mail using the most current mailing  
15 address information available. (Agreement at ¶ 8.4(b).)

16 The Class Notice, drafted jointly and agreed upon by the Parties through their respective counsel  
17 and to be approved by the Court, is based on the Los Angeles model form and includes all relevant  
18 information. (*See Exhibit “A”* to the Agreement.) The Parties agree that the Class Notice need only be  
19 in English as all Class Members were able to read and understand English as a condition of their  
20 employment. The Class Notice will include, among other information: (i) information regarding the  
21 Action; (ii) the impact on the rights of the Class Members if they do not opt out, including a description  
22 of the applicable release; (iii) information to the Class Members regarding how to opt out and how to  
23 object to the Settlement; (iv) the estimated Individual Class Payment for each of the Class Members;  
24 (iii) the amount of attorneys’ fees and expenses to be sought; (v) the amount of the Plaintiffs’ service  
25 award request; and (vi) the anticipated expenses of the Administrator. Decl. Nordrehaug at ¶32.

26 The Class Notice will state that the Class Members shall have sixty (60) days from the date that  
27 the Class Notice is mailed to them (the “Response Deadline”) to request exclusion (opt-out) or to  
28 submit a written objection. (Agreement at ¶¶ 1.45, 8.5, 8.7.) Class Members shall be given the

1 opportunity to object to the Settlement and/or requests for attorneys' fees and expenses and to appear  
2 at the Final Approval Hearing. (Agreement at ¶ 8.7.) Class Members who do not submit a timely and  
3 proper request to opt-out will automatically receive a payment of their Individual Class Payment. This  
4 notice program was designed to meaningfully reach the Class Members and it advises them of all  
5 pertinent information concerning the Settlement. Decl. Nordrehaug at ¶32. The mailing and  
6 distribution of the Class Notice satisfies the requirements of due process and is the best notice  
7 practicable under the circumstances and complies with Rules of Court 3.766 and 3.769(f).  
8

9 **VII. CONCLUSION**

10 Plaintiffs respectfully request that the Court preliminarily approve the proposed settlement, sign  
11 the proposed Preliminary Approval Order, which is submitted herewith, and schedule the final approval  
12 hearing a date that is at least one hundred twenty (120) days from the date of Preliminary Approval.

13 Dated: October 17, 2025
