2. FACTUAL AND PROCEDURAL BACKGROUND

2.1 During the Class Period, Anduril specialized in technological productions and developments of defense products in Costa Mesa, California. Class Members and represented individuals are all non-exempt employees that worked in the State of California during the Class Period. The Class Representative contends

that Class Members/represented individuals were not paid for all overtime, denied compliant meal and rest breaks, were not paid minimum wage, were not reimbursed for expenses, were not timely paid and were not provided with accurate wage statements, among other things. Defendant denies all of Plaintiff's claims.

2.2 On January 23, 2024, the *Lawsuit* was filed, alleging: (1) failure to provide meal periods; (2) failure to provide rest periods; (3) failure to timely pay wages due upon termination; (4) failure to pay all wages during employment; and (5) failure to provide accurate wage statements and maintain required records. The Lawsuit sought civil penalties under the PAGA. The Complaint in this matter will be amended in accordance with the terms of this Settlement Agreement pursuant to stipulation.

2.3 The Parties have undertaken significant investigation and informal discovery during the prosecution of this Action. Such discovery and investigation included extensively interviewing the Class Representative, review of Defendant's policies and data production, Class Counsel's review of time and payroll records, policies and other detailed information relevant to the Class Members/represented individuals' claims. Counsel for the Parties have investigated the law as applied to the facts discovered regarding the alleged claims of the Class and potential defenses thereto, and the potential damages claimed by the Class, including the review of the records produced by Defendant to Class Counsel for the purposes of mediation. Class Counsel has also analyzed this documentation to determine the scope of Class Members/represented individuals' potential damages.

2.4 On August 1, 2025, the Parties engaged in mediation of the Lawsuit with Tripper Ortman, Esq. and reached an agreement resolving the case. With the assistance of Mediator Ortman, the Class Representative and Class Counsel have concluded, after considering the sharply disputed factual and legal issues involved in this Action, the risks attending further prosecution, and the substantial benefits to be received pursuant to the compromise and settlement of the Action as set forth in this

Agreement, that this Settlement is in the best interests of the Class Representative, the PAGA Group Members, and the Class Members, and is fair and reasonable. Similarly, Defendant has concluded that there are benefits associated with settling the Action. After considering the sharply disputed factual and legal issues involved in the Action, the expense and burden of protracted litigation, and its desire to put the controversy to rest, Defendant believes that this Settlement is in its best interests and is fair and reasonable. At all times, the Parties' negotiations were adversarial, non-collusive, and at arms' length.

2.5 This Settlement contemplates: (i) Plaintiff's filing an amended complaint adding class allegations; (ii) entry of an order preliminarily approving the Settlement of the Class Action and PAGA claims and approving certification of a provisional Class of Class Members' claims for settlement purposes only, contingent upon the Court approving this settlement of the Class claims and PAGA claims pursuant to California Labor Code section 2699(1)(2) and, entry of this Court's order granting final approval and entry of judgment of Class Members claims pursuant to California Rule of Court 3.769; (iii) dissemination of a notice to the class and aggrieved employees about the settlement; (iv) entry of a Final Approval Order granting final approval of the Settlement; and (v) entry of final judgment.

3. ADDITIONAL RECITALS

3.1 The Parties are sufficiently familiar with the facts of the Lawsuit and applicable law so as to warrant settlement at this time.

3.2 The Parties are represented by competent counsel and have had the opportunity to consult with counsel prior to the submission of this Settlement to the Court. Pursuant to California Evidence Code Sections 1119 and 1152, this Settlement and any related documents filed or created in connection with it will be inadmissible in evidence in any proceeding, except as necessary to approve, interpret or enforce this Settlement.

3.3 Defendant denies any liability or wrongdoing of any kind associated with the Lawsuit or the Alleged Claims, and further denies, for purposes other than the settling of the Lawsuit, that any part of the Lawsuit is appropriate for class or representative treatment. Defendant has denied and continues to deny each and every material factual allegation and alleged claim asserted in the Lawsuit. Nothing in this Settlement will constitute an admission by Defendant of wrongdoing or liability or of the truth of any factual allegation in the Lawsuit. In addition, nothing in this Settlement will constitute an admission by Defendant that the Lawsuit is properly brought on a class or representative action basis other than for settlement purposes.

3.4 The Class Representative and Class Counsel believe that the claims asserted in the Lawsuit have merit. Class Counsel, however, recognize and acknowledge the significant expense and length of continued proceedings necessary to prosecute the litigation against Defendant through trial and potentially through appeal. Class Counsel are also mindful of the challenges of obtaining class certification, proving liability and damages, and resolving possible defenses to the Alleged Claims. Class Counsel have performed a thorough study of the law and facts relating to the Alleged Claims and have concluded, based upon their investigation and informal discovery, and taking into account the sharply contested issues, the expense and time necessary to pursue the Lawsuit through trial, the risks and costs of further prosecution of the Lawsuit, the uncertainties of complex litigation, and the substantial benefits to the Class, that a settlement with Defendant on the terms set forth in this Settlement is fair, reasonable, adequate, and in the best interests of the Class. Class Counsel and the Class Representative believe that the Settlement confers substantial benefits to the Class. Nothing in this Settlement will constitute an admission by Plaintiffs that the Alleged Claims lack merit or that any of Defendant's affirmative defenses are valid.

4. CONDITIONS PRECEDENT TO EFFECTIVENESS OF SETTLEMENT

4.1 If the Court denies entry of Preliminary Approval or Final Approval of this Settlement, or Defendant voids the Settlement pursuant to Section 8.11, or this Settlement does not become effective for any reason, the status of the Lawsuit will be deemed to return to its status at the time immediately prior to the settling at the mediation, as if the Parties had never executed this Settlement. Upon such occurrence, the period between August 1, 2025 and the Court's denial of Preliminary Approval or Final Approval of Settlement will be treated as a full stay on all proceedings for purposes of calculating all required filing and trial deadlines, and the Parties agree that the Five-Year rule is tolled during that time period.

5. CONDITIONAL CLASS CERTIFICATION

The Parties conditionally stipulate to class certification for purposes of this Settlement only. In the event that class certification for Settlement purposes is deemed null and void, then that class certification will have no precedential value and it will not be introduced into evidence or used for any other purpose.

6. SETTLEMENT CONSIDERATION

6.1 Defendant will pay each Class Member who does not Opt Out of this Settlement his or her individual share of the Net Settlement Payment as applicable. Aside from the employer's share of any applicable payroll taxes, which will be paid separately by Defendant, in no event will Defendant be obligated to pay more than the Settlement Fund - Maximum. The amounts paid under the Settlement will constitute adequate consideration for the Class Members' Released Claims and for the Class Representative's general release as detailed in Section 10.2 of this Settlement.

6.2 Each Class Member who does not Opt Out of this Settlement will receive a Settlement Payment, calculated as follows:

- a. Class Period: Each Class Member's Settlement Payment will be calculated by: (1) dividing the Net Settlement Payment by the total number of Workweeks worked by all Participating Class Members during the Class Period; and (b) multiplying the result by each Participating Class Member's Workweeks.
- b. The Settlement Payment to Class Members will be apportioned as twenty percent (20%) wages for which each Class Member will be issued an IRS Form W-2, and eighty percent (80%) penalties, interest and other non-wage payments for which each Class Member will be issued an IRS Form 1099. The Settlement Administrator will deduct applicable taxes from the wage portion of the Settlement Payment.

6.2.1 PAGA Period: Each PAGA Group Member's PAGA Payment will be a pro rata share of the PAGA Payment, calculated according to the number of Workweeks worked during the PAGA period. The PAGA Payment to PAGA Group Members will be apportioned as 100% penalties, interest and other non-wage payments for which each PAGA Member will be issued an IRS Form 1099, if required by law. PAGA Group Members may not Opt-Out of the PAGA Settlement.

6.3 Any disputes regarding the number of Workweeks a Class Member worked during the Class Period, or the calculation of an individual Class Member's Settlement Payment, will be resolved and decided by the Settlement Administrator based on Defendant's timekeeping records and any documents and information provided by the Class Member. The Settlement Administrator's decision on all such disputes will be final and non-appealable. Any disputes regarding the number of workweeks a PAGA Group Member worked during the PAGA Period, or the calculation of an individual PAGA Group Member's PAGA Payment, will be resolved and decided by the Settlement Administrator based on Defendant's timekeeping records and any documents and information provided by the Class Member. The

Settlement Administrator's decision on all such disputes will be final and non-appealable.

6.4 In exchange for the Class Representative executing a general release, and in recognition of his efforts in prosecuting the Lawsuit, Defendant agrees not to oppose any application or motion for an Enhancement Award of up to Seven Thousand Five-Hundred Dollars (\$7,500) to the Class Representative. The Class Representative's Enhancement Award, which will be paid from the Settlement Fund - Maximum, will be in addition to the Class Representative's individual share of the Settlement Payment. The Class Representative will be solely and legally responsible to pay any and all applicable taxes on the payments made pursuant to this paragraph and will indemnify and hold Defendant harmless from any claim or liability for taxes, penalties, or interest arising as a result of the payment.

6.5 Aside from the employer's share of any applicable payroll taxes, which will be paid separately by Defendant, any Class Member who receives a Settlement Payment will be solely responsible for any and all tax obligations associated with the Settlement Payment.

6.6 Class Members will not be entitled to any additional benefits including, for example (but without limitation), vacation, holiday pay, pension, or 401(k) plan contributions based on the Settlement Payment. The Settlement Payment does not represent any modification of previously credited hours of service or other eligibility criteria under any employee pension or employee welfare benefit plan sponsored by Defendant. The Settlement Payment is not "compensation" for purposes of determining eligibility for, or benefit accrual within, an employee pension benefit plan, an employee welfare benefit plan, or other plan sponsored by Defendant or its predecessors, subsidiaries, or successors.

7. ATTORNEYS' FEES AND COSTS OF CLASS COUNSEL

7.1 Defendant will pay Attorneys' Fees awarded to Class Counsel out of the Settlement Fund - Maximum. Defendant will not oppose Class Counsel's

submission of an application for an award of Attorneys' Fees not to exceed one third (33 1/3 %) of the Settlement Fund - Maximum. Class Counsel will also submit an application for an award of its actual Litigation Expenses, not to exceed Twenty-Five Thousand Dollars (\$25,000). Defendant will not oppose a motion for approval of Attorneys' Fees and Litigation Expenses consistent with this Settlement. The amounts set forth in this Section will constitute complete consideration for all work performed and expenses incurred through the completion of Settlement of the Lawsuit.

8. NOTICE AND OBJECTION/OPT OUT/DISPUTE PROCEDURES

8.1 Within fifteen (15) calendar days following receipt of notice of Preliminary Approval, Defendant will provide to the Settlement Administrator all of the following information about each Class Member: (1) Name, (2) Last Known Address (and email address, if available), (3) Social Security Number, and (4) the number of workweeks worked during the Class Period.

8.2 Not later than fifteen (15) calendar days after Defendant provides the Settlement Administrator the information detailed in Section 8.1, the Settlement Administrator will send each Class Member, via U.S. Mail, the Notice. The Settlement Administrator will mail the Notice to the Last Known Address of each Class Member and comply with the procedures specified in Section 8.3 of this Settlement. Additionally, the Notice will also be provided by email to those Class Members for whom Defendant has an email address.

8.3 Prior to mailing the Notice to each Class Member, the Settlement Administrator will undertake a Reasonable Address Verification Measure to ascertain the current accuracy of the Last Known Address for each Class Member.

8.4 Subject to Court approval, Class Members will have the Notice Period to object to or Opt Out of the Settlement. Any Class Member who wishes to object to the Settlement must do so in writing, signed, dated, and mailed to the Settlement Administrator postmarked no later than forty-five (45) calendar days after the

Settlement Administrator mails the Notice. To be valid, the objection must: (a) set forth the objecting person's full name, address, and telephone number; (b) contain the words "Notice of Objection"; (c) describe, in clear and concise terms, the legal and factual arguments supporting the objection; (d) list witness(es) the objector may call to testify at the Final Approval Hearing; and (e) provide true and correct copies of any exhibit(s) the objector intends to offer at the Final Approval Hearing. Class Members may also appear at the Final Approval Hearing, either in person or through a lawyer retained at their own expense.

8.5 Class Counsel shall file any written objections from any Class Members submitted to the Settlement Administrator and any response to any such objections at least five (5) court days prior to the Final Approval Hearing.

8.6 Class Members who wish to Opt Out of the Settlement must mail, fax, or email a written request for exclusion from the Settlement to the Settlement Administrator. To be valid, the written request for exclusion must be addressed to the Settlement Administrator and: (a) state the Class Member's name, address, telephone number, and the last four numbers of their social security number; (b) state the Class Member's intention to Opt Out of the Settlement; (c) be signed by the Class Member or their lawful representative; and (d) be postmarked, faxed, or emailed no later than forty-five (45) calendar days after the Settlement Administrator mails the Notice to the Class. Class Members who wish to Opt Out of the Settlement may do so by completing and timely returning the Request for Exclusion form to be provided with the Class Notice, in the form attached hereto as Exhibit B. If there is a question about the authenticity of a signed request for exclusion, the Settlement Administrator may request additional proof of the Class Member's identity. Any Class Member who returns a timely, valid, and signed request to Opt Out of the Settlement will not participate in or be bound by the Settlement and subsequent judgment, and will not receive a Settlement Payment. A Class Member who does not complete and mail a timely request for exclusion will

1 automatically be included in the Settlement, will be mailed his or her individual
 2 Settlement Payment under the terms of this Settlement, and be bound by all terms
 3 and conditions of the Settlement upon the Court's approval of the Settlement,
 4 regardless of whether he or she has objected to the Settlement. It shall be
 5 conclusively presumed that, if a Request for Exclusion is not timely
 6 postmarked, the Class Member did not make the request in a timely manner.

7 8.7 Class Members who wish to dispute the number of workweeks
 8 attributed to them based on Defendant's records and listed on their Notice must
 9 mail, fax, or email a written dispute to the Settlement Administrator. Class
 10 Members must clearly state their dispute in writing. If Class Members are disputing
 11 the number of workweeks attributed to them, they must timely submit information
 12 or evidence to support their claim that Defendant's records are in error and
 13 demonstrate the number of workweeks that they contend should be credited to them.
 14 The dispute must (a) state the Class Member's name, address, telephone number,
 15 and the last four numbers of their social security number; (b) clearly state the Class
 16 Member's dispute; (c) be signed by the Class Member or their lawful representative;
 17 and (d) be postmarked, faxed, or emailed no later than forty-five (45) calendar days
 18 after the Settlement Administrator mails the Notice to the Class. Class Members
 19 who wish to dispute the number of workweeks attributed to them may use the
 20 Settlement Allocation form to be provided with the Class Notice, in the form
 21 attached hereto as Exhibit C. If there is such a dispute, the Settlement
 22 Administrator will consult with Class Counsel and with counsel for Defendant to
 23 determine whether any adjustment is warranted. However, the Settlement
 24 Administrator shall retain ultimate authority to resolve any dispute, and the decision
 25 of the Settlement Administrator will be final, binding, and non-appealable.

26 8.8 The postmark date of the Notice, and any mailed objection or Opt Out,
 27 will be deemed the date that any such mailing was completed. If the last day of the
 28

1 Notice Period falls on a Sunday or legal holiday, the Notice Period will extend
2 through the next business day.

3 8.9 Not less than every seven (7) days, the Settlement Administrator will
4 notify the Parties' counsel of the number of Class Members who have objected to,
5 or requested to Opt Out of, the Settlement.

6 8.10 Unless the Settlement Administrator receives a Notice returned from
7 the United States Postal Service, or is otherwise notified by a Class Member or
8 Class Counsel, mailing of the Notice will be considered completed and it will be
9 conclusively presumed that the Class Member received the Notice. If the Notice is
10 returned by the United States Postal Service to the Settlement Administrator with a
11 forwarding address for the recipient, the Settlement Administrator will re-mail the
12 Notice to that Updated Address no later than the last day of the Notice Period. If
13 the Notice is returned by the United States Postal Service to the Settlement
14 Administrator without a forwarding address, the Settlement Administrator will
15 promptly conduct a "Skip Trace" search to locate a more current address. If a more
16 current address is found, the Settlement Administrator will promptly re-send the
17 Notice no later than the last day of the Notice Period. For those Class Members
18 who are re-sent the Notice under this Section, the Notice Period will be extended
19 another twenty (20) calendar days beyond the initial Notice Period. Within five (5)
20 business days following the end of the extended twenty (20) calendar day period,
21 the Settlement Administrator will provide a final report of the number of Class
22 Members who have objected to, or requested to Opt Out of, the Settlement.
23 Members of the PAGA group may not Opt-Out of the PAGA settlement, and will
24 receive their proportionate shares of the PAGA settlement regardless of whether
25 they Opt Out or object to the Class Settlement.

26 8.11 Before the Effective Date occurs, if five percent (5%) or more of the
27 Class Members Opt Out of this Settlement, then Defendant has the sole right to
28 withdraw from and void this Settlement and the Parties' previously-executed

memorandum of understanding, at which time the Parties would revert to their positions prior to acceptance of the Mediator's Proposal.

8.12 Defendant has represented that, during the period between January 17, 2020 and August 1, 2025, the Class consisted of approximately 556 employees who worked approximately 34,500 workweeks for Defendant. Where possible, Defendant may exclude weeks where a class member did not record any time in Defendant's timekeeping system, including vacation and leave weeks. If the number of workweeks of the Class during the period between January 17, 2020 and August 1, 2025 is ultimately determined to increase more than 5% (i.e., to greater than 36,225), then Defendant shall have the option to either (a) increase the Maximum Settlement Amount in proportion to the increase in the number of workweeks above 34,500, or (b) roll back the end of the Class Period and the PAGA Period, so that both the Class Period and the PAGA Period end on the last day of the last workweek totaling 34,500 workweeks.

9. PAYMENT OF CLAIMS, ATTORNEYS' FEES, LITIGATION EXPENSES AND SERVICE PAYMENT

9.1 Each Class Member who does not Opt Out will be entitled to a Settlement Payment pursuant Section 6.2 of this Settlement. Each PAGA Group Member will be entitled to a PAGA Payment pursuant Section 6.2.1 of this Settlement.

9.2 Not later than ten (10) calendar days following the Effective Date, Defendant will provide the Settlement Administrator with the Settlement Fund - Maximum, which the Settlement Administrator will deposit into a QSF account.

9.3 Not later than ten (10) calendar days following receipt of the Settlement Fund - Maximum, the Settlement Administrator will mail to each Class Member and PAGA Group Member a check in the amount calculated pursuant to Sections 6.2 and 6.2.1 of this Settlement, will reimburse the Settlement Administrator's approved costs and fees, will provide Class Counsel with a check

made out to Plaintiff representing the approved Service Payment pursuant to Section 6.4 of this Settlement, will provide Class Counsel with the approved Attorneys' Fees and Litigation Expenses pursuant to Section 7.1 of this Settlement, and will pay to the California Labor and Workforce Development Agency ("LWDA") the LWDA's portion of the PAGA Payment pursuant to Section 1.25 of this Settlement.

9.4 Any checks issued to PAGA Group Members and to Class Members will remain negotiable for a period of one hundred eighty (180) days from the date of mailing. If a PAGA Group Member's or a Class Member's check is not cashed within 180 days, the check will be void and a stop payment order may be placed on the check. In such event, the Settlement nevertheless will be binding upon the PAGA Group Member or Class Member. The funds represented by all uncashed settlement checks will be governed by California Code of Civil Procedure section 384, as approved by the Court. The funds represented by all uncashed checks will be disbursed to Legal Aid at Work, a non-profit organization providing legal services to workers.

9.5 The Settlement Administrator shall be responsible for ensuring that all payroll taxes owed by the Class Members for wages received pursuant to this Settlement are timely paid to the appropriate tax authorities. The Settlement Administrator's responsibilities include the following: (a) filing all Federal, state, and local employment tax returns, tax withholding returns, and any other tax returns associated with the taxes, (b) timely and proper filing of all required Federal, state, and local information returns (e.g., 1099s, W-2s, etc.) with the appropriate taxing authorities, and (c) completion of any other steps necessary for compliance with any tax obligations of the settlement fund under Federal, state and/or local law. The Settlement Administrator shall furnish Class Counsel and Defendant's counsel with a final accounting adequate to demonstrate full compliance with all tax withholding, payment and reporting obligations.

10. RELEASED CLAIMS

10.1 Class Release

As of the Effective Date, each Class Member who does not Opt Out of this Settlement, on behalf of themselves and each of their heirs, representatives, successors, assigns, and attorneys, hereby release, resolve, relinquish, discharge the Released Parties of any and all state and federal law claims, demands, rights, liabilities and causes of action of every nature and description, whether known or unknown, arising during the Class Period, including without limitation, statutory, constitutional, contractual or common law claims for wages, damages, unpaid costs, civil or statutory penalties (including without limitation, penalties under the California Labor Code’s Private Attorneys General Act of 2004, as amended, California Labor Code sections 2698, 2699.3, and 2699.5), liquidated damages, punitive damages, interest, attorneys’ fees, litigation costs, restitution, or equitable relief, based on the allegations that were asserted in the Complaint in the Action or that could have been asserted based on the factual allegations in the Complaint in the Action at any time during the Class Period, including but not limited to all of the following claims for relief: (a) unpaid overtime; (b) unpaid meal premiums; (c) unpaid rest period premiums; (d) unpaid minimum wages; (e) final wages not timely paid; (f) wages not timely paid during employment; (g) non-compliant wage statements; (h) failure to keep requisite payroll records; (i) unreimbursed expenses; (j) violations of the Unfair Competition Law; and (k) all damages, penalties, interest and other amounts recoverable under said causes of action or primary rights under the law, to the extent permissible, including but not limited to the California Labor Code, the applicable Wage Orders, and the California Unfair Competition Law as to the facts alleged in the Action(“Released Claims”).

The release shall run for the duration of the Class Period. “Released Parties” means Defendant, its past or present officers, owners, directors, shareholders, clients, joint employers, employees, agents, principals, heirs, representatives, attorneys, accountants, auditors, consultants, insurers and reinsurers, and their respective successors and predecessors in interest, subsidiaries, affiliates, parents and attorneys, but only as to the claims described in this Settlement Agreement Section 10.1.

10.2 PAGA Release

As of the Effective Date, Plaintiff, and the State of California with respect to all PAGA Settlement members, as the real party in interest, will be deemed to have released all claims for civil penalties that could be sought under PAGA based on the facts and theories alleged in any notice submitted by Plaintiff to the California Labor & Workforce Development Agency, including but not limited to, under the California Labor Code and applicable Wage Orders (collectively, the “Released PAGA Claims”).

The release shall run for the duration of the PAGA Period.

10.3 General Release by Class Representative

In addition to releasing the Released Claims against the Released Parties, the Class Representative shall release Defendant of all claims arising out of his employment with Defendant and the termination of that employment, including claims under federal or state law for employment discrimination, harassment or retaliation, for intentional or negligent infliction of emotional distress, physical injury, violation of any public policy, breach of any implied or express contract, wrongful termination, unpaid wages, fraud, intentional or negligent misrepresentation, defamation, and all other legal and equitable causes of action whatsoever and all remedies for such claims.

The claims the Class Representative is releasing include, but are not limited to claims: (a) arising out of Class Representatives’ employment with Defendant; (b)

arising under Defendant’s policies, plans, or practices, including promotion, compensation (including overtime pay, commissions, vacation pay, meal and rest breaks, bonuses, stock options, severance pay, and expense reimbursement or benefits); (c) arising under the California Labor Code; (d) for violation of California common law or statutory law, including all claims arising under the California Constitution, the California Fair Employment and Housing Act, the California Labor Code, the California Private Attorneys General Act of 2004, the California Business & Professions Code, including sections 17200 *et seq.*, the California Family Rights Act, the California Equal Pay Act and Fair Pay Act, all as may have been amended from time to time; (e) other applicable federal, state or local laws relating to employment or separation from employment or benefits or penalties associated with employment or separation from employment; (f) for fraud, breach of express or implied contract or covenant of good faith and fair dealing; (g) for harassment, discrimination or violation of public policy; (h) for constructive discharge or wrongful discharge; (i) for retaliation; (j) for negligent supervision; (k) for violation of state or federal common law or statutory law, including the Age Discrimination in Employment Act, Title VII of the Civil Rights Act of 1964, the Fair Labor Standards Act, the Employee Retirement Income Security Act, the National Labor Relations Act, the Family and Medical Leave Act, the Americans with Disabilities Act, the Genetic Information Nondiscrimination Act, and the Sarbanes-Oxley Act of 2002, all as may have been amended from time to time, or other applicable federal, state, or local laws relating to employment or separation from employment or benefits or penalties associated with employment or separation from employment; (l) for emotional distress, mental anguish, humiliation, personal injury; and (m) that may be asserted on Class Representative’s behalf by others. Excluded from the Class Representative’s release are claims which cannot be waived or released as a matter of law, claims that may arise as a result of events occurring after the date Class Representative signs this Settlement or any vested

benefits earned during Class Representative's active employment, if any, under all Defendant's qualified retirement plans, as determined under the official terms of those plans.

The Class Representative specifically acknowledges that he is aware of and familiar with the provisions of California Civil Code Section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

The Class Representative waives and releases any rights that he may have under Section 1542 to the full extent that all such rights may lawfully be waived. Class Representative understands and acknowledges that the significance of this waiver of Section 1542 is that Class Representative may later discover facts different from or in addition to those he now knows or believes to be true with respect to any claims released, and Class Representative expressly agrees to assume the risk of possible discovery of additional or different facts, and agrees that this Settlement will remain effective in all respects regardless of such additional or different discovered facts. The Parties acknowledge that without this waiver they would not have entered into this Settlement.

11. MOTION FOR COURT APPROVAL

11.1 Motion for Preliminary Approval

As soon as practicable, Class Counsel will file on behalf of the Class Representative: (i) this Settlement; (ii) a noticed motion seeking the Court's

preliminary approval of this Settlement (“Motion for Preliminary Approval”); (iii) a proposed Preliminary Approval Order including an order setting hearing for final approval; and (iv) any other documents consistent with the Settlement and reasonably necessary to obtain the Court’s approval of the Settlement.

11.2 Final Approval Hearing

On the date set by the Court, the Final Approval Hearing shall be held before the Court in order to: (1) determine whether the Court should give this Stipulation final approval; (2) determine whether Class Counsel’s application for attorneys’ fees and costs, and request for the Enhancement to the Class Representative, should be granted; and (3) consider any timely Objections to the Settlement, including Class Counsel’s and Defendant’s Counsel’s responses thereto. At the Final Approval Hearing, the Class Representative, Class Counsel, and Defendant’s Counsel shall ask the Court to give final approval to this Settlement. Upon final approval, the Court shall enter a Final Approval Order (in a form submitted by Class Counsel and approved by Defendant’s Counsel) which has the effect of adjudicating all claims set forth in the First Amended Complaint and implementing the release, as set forth in this Agreement. The Final Approval Order will be posted on the Settlement Administrator’s website, which will constitute service of the judgment upon Class Members, as required by California Rule of Court 3.771(b).

12. COOPERATION

12.1 The Parties will cooperate fully with one another in seeking Court approval of this Settlement and use their respective best efforts to obtain Final Approval. The Parties therefore will cooperate in good faith to promptly prepare, execute and finalize all Settlement-related documents, seek all necessary Court approval, and do all other things necessary to obtain Final Approval.

12.2 The Parties and their counsel consider this Settlement to be fair and reasonable. The Parties and their counsel will not solicit or otherwise encourage

Class Members to submit written objections to, or Opt Out from, the Settlement or encourage Class Members to appeal the Court's Final Approval Order.

13. MISCELLANEOUS PROVISIONS

13.1 All of the Parties have been represented by counsel throughout all negotiations that preceded the execution of this Settlement, and this Settlement is made with the consent and advice of counsel.

13.2 Class Representative and Defendant acknowledge that they are entering into this Agreement as a free and voluntary act without duress or undue pressure or influence of any kind or nature whatsoever and that neither Class Representative nor Defendant has relied on any promises, representations, or warranties regarding the subject matter hereof other than as set forth in this Stipulation.

13.3 This Settlement may not be modified or amended, except in a writing that is signed by the respective counsel of record for the Parties and approved by the Court.

13.4 This Settlement and the exhibits attached constitute the entire agreement between the Parties concerning the subject matter of the Settlement, and supersede and replace all prior negotiations, understandings, memoranda of understanding and agreement and proposed agreements, written and oral, relating to the Settlement. No extrinsic oral or written representations or terms will modify, vary or contradict the terms of the Settlement unless made in writing and signed by duly authorized representatives of all Parties and approved in writing by a final order of the Court. No waiver of any term, provision or condition of this Settlement, whether by conduct or otherwise, in any one or more instance will be deemed to be or construed as a further or continuing waiver, of any such term, provision or condition.

13.5 This Settlement will be subject to, governed by, construed, enforced, and administered in accordance with the laws of the State of California, without

giving effect to the principles of conflict of laws, both in its procedural and substantive aspects, and will be subject to the continuing jurisdiction of the Court. This Settlement will be construed as a whole according to its fair meaning and intent, and not strictly for or against any party, regardless of who drafted (or was principally responsible for drafting) this Settlement or any specific term or condition of the Settlement.

13.6 This Settlement is subject to the execution of all Parties. However, the Settlement may be executed in one or more counterparts. All executed counterparts, including facsimile and scanned copies of the signature page, will be deemed to be one document.

13.7 The Settlement will be binding upon and inure to the benefit of the Parties' respective successors, assigns, heirs, spouses, executors, administrators and legal representatives. The Settlement is not designed to and does not create any third-party beneficiaries either express or implied.

13.8 Plaintiff represents, covenants and warrants that he has not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer or encumber to any person or entity and portion of any liability, claim, demand, cause of action or rights released and discharged in this Settlement. No Class Member may assign his or her claim to any third party.

13.9 The Parties agree that upon the Settlement of this case, the Court may enter judgment pursuant to the terms of this Settlement and the Court will retain jurisdiction over the Parties to enforce the Settlement until performance in full of the terms of the Settlement.

13.10 If any party brings an action or other proceeding to enforce this agreement, the prevailing party in such action or proceeding shall be entitled to an award of reasonable attorneys' fees and costs.

13.11 Plaintiff and Defendant, and their respective counsel, recognize, accept, and agree that the Parties to this Settlement Agreement desire that the terms

of this Settlement Agreement, the fact of the Class Settlement embodied in this Settlement Agreement, the disposition of the Lawsuit, the Lawsuit, and all matters relating to the litigation of the Lawsuit, including discovery proceedings therein, and evidence obtained during the course of the Lawsuit, shall not be discussed with or presented to the media or press. Plaintiff and Class Counsel both agree not to disclose or publicize the settlement, the fact of the Settlement, its terms or contents, and the negotiations underlying the Settlement, in any manner or form, directly or indirectly, to any person or entity, except potential class members and as shall be contractually required to effectuate the terms of the Settlement as set forth herein. For the avoidance of doubt, this section means Plaintiff and Class Counsel will not issue press releases, communicate with, or respond to any media or publication entities, publish information in manner or form, whether printed or electronic, on any medium or otherwise communicate, whether by print, video, recording or any other medium, with any person or entity concerning the Settlement, including the fact of the Settlement, its terms or contents and the negotiations underlying the Settlement, except as shall be contractually required to effectuate the terms of the Settlement as set forth herein. However, for the limited purpose of allowing Class Counsel to prove adequacy as class counsel in other actions, Class Counsel may disclose the name of the Parties in this action and the venue/case number of this action (but not any other settlement details) for such purposes.

13.1 All notices, requests, demands and other communications required or permitted to be given pursuant to this Agreement shall be in writing, and shall be delivered personally or by first class mail to the undersigned persons at their respective addresses as set forth below:

NOTICE OF PROPOSED CLASS ACTION SETTLEMENT

SUPERIOR COURT OF THE STATE OF CALIFORNIA, COUNTY OF ORANGE

Adam Barrett v. Anduril Industries, Inc.
Case No. 30-2024-01374656-CU-OE-CJC

A court authorized this notice. This is not a solicitation. This is not a lawsuit against you and you are not being sued. However, your legal rights are affected by whether you act or do not act.

TO: All individuals who were employed by Anduril Industries, Inc. (“Anduril”), as non-exempt employees in California at any time during the period from January 23, 2020 to October 30, 2025.

You have received this notice because records indicate you qualify as a member of the Settlement Class. This notice is designed to advise you of how you can participate in the settlement, how you can object to the settlement, and how you can exclude yourself from the settlement.

By order of the Honorable Kimberly A. Knill in the lawsuit identified in the caption above, pending in the Orange County Superior Court, entered on [date], YOU ARE HEREBY NOTIFIED AS FOLLOWS: The Court has preliminarily approved a settlement reached between the parties, subject to final approval by the Court. The settlement covers all individuals who were employed by Anduril, as non-exempt employees in California at any time during the period from January 23, 2020, through October 3, 2025. The Court has determined that there is sufficient evidence that the settlement is fair and reasonable, and has ordered that this notice be sent Class Members.

YOU MAY BE ENTITLED TO RECEIVE MONEY UNDER THE PROPOSED CLASS ACTION SETTLEMENT. PLEASE READ THIS NOTICE CAREFULLY; IT INFORMS YOU ABOUT YOUR LEGAL RIGHTS.

I. BACKGROUND OF THE CASE

On January 23, 2020, Adam Barrett (“Plaintiff”) filed a lawsuit in Orange County Superior Court against Anduril (“Defendant”). The lawsuit was brought pursuant to the California Private Attorneys General Act of 2004 (California Labor Code Section 2698, *et seq.*), and alleged violation of California Labor Code Sections 201, 202, 203, 204, 226, 226.7, 510, 512, 558, 1174, 1174.5, 1197.1, and Wage Order 5-2001. Thereafter, Plaintiff filed a First Amended Complaint making Class Action allegations.

The parties and their attorneys believe that further proceedings in this case, including a trial and probable appeals, would be very expensive and protracted. No one can confidently predict how the various legal questions at issue, including liability, and the amount of damages or penalties, if any, would ultimately be resolved. Therefore, upon careful consideration of all of the facts and circumstances of this case, the parties believe that the proposed settlement described below is fair, reasonable and adequate.

The Court has not made any determination as to whether the claims advanced by Plaintiff have any merit. In other words, the Court has not determined whether any laws have been violated, nor has it decided in favor of Plaintiff or Defendant; instead, both sides agreed to resolve the lawsuit with no decision or admission of who is right or wrong. Defendant contends that Class Members were properly compensated and expressly denies that it did anything wrong or that it violated the law and further denies any liability whatsoever to Plaintiff or to the Class. Defendant’s agreement to enter into a settlement with Plaintiff is not an admission by Defendant of wrongdoing or liability or of the truth of any factual allegations made in the lawsuit.

II. SUMMARY OF THE PROPOSED SETTLEMENT

The settlement provides for the following:

A. Settlement Fund - Maximum: Defendant will pay the total maximum amount of Seven Hundred Seventy-Five Thousand Dollars (\$775,000.00) to resolve the lawsuit (in addition to employer's side payroll taxes), which is inclusive of Plaintiffs' Attorneys' Fees; Plaintiffs' Litigation Expenses; Class Representative's Service Payment; Settlement Administration Expenses; and PAGA Payment to the California Labor and Workforce Development Agency. Each of these components is described below.

B. Plaintiffs' Attorneys' Fees: Class Counsel anticipates requesting an attorney fee award equal to one-third of the Settlement Fund – Maximum (\$258,333.33), subject to court approval, which shall be paid from the Settlement Fund - Maximum.

C. Plaintiffs' Litigation Expenses: Class Counsel anticipates requesting an award of no more than Twenty-Five Thousand Dollars (\$25,000), subject to court approval, as reimbursement for litigation costs, which shall be paid from the Settlement Fund - Maximum.

D. Class Representative's Service Payment: The Class Representative anticipates requesting an award of no more than Seven Thousand Five Hundred Dollars (\$7,500), subject to court approval, for his role as Class Representative, which shall be paid from the Settlement Fund - Maximum.

E. Private Attorneys General Act (PAGA) Payment: The parties have designated Fifty Thousand Dollars (\$25,000) of the Settlement Fund - Maximum as representing the recovery of civil penalties pursuant to the Private Attorneys General Act of 2004. Of this amount, the law requires that 75% (\$18,750) be paid to the California Labor and Workforce Development Agency (LWDA). The remaining 25% (\$6,250) shall be distributed to the PAGA Group.

F. Settlement Administration Expenses: The parties have selected, and the court has approved, Phoenix Class Action Administration to administer the settlement. Upon final approval, Class Counsel will request that the court approve a payment to Phoenix Class Action Administration to cover its fees and costs associated with giving notice to the Class, administering and disbursing the Net Settlement Fund, and other activities required to administer the settlement. The payment to Phoenix Class

Action Administration is anticipated to be no more than Ten Thousand Dollars (\$10,000), which shall be paid from the Settlement Fund - Maximum.

G. Net Settlement Fund: The Net Settlement Fund consists of all funds remaining from the Settlement Fund - Maximum after subtraction of Plaintiffs' Attorneys' Fees, Plaintiffs' Litigation Expenses, the Class Representative's Service Payment, PAGA Payment to the LWDA, and Settlement Administration Expenses. The Net Settlement Fund will be distributed to the Settlement Class as described below.

H. Class Defined: "Class" means: all non-exempt employees of Anduril Industries, Inc. in California at any time from January 23, 2020, through October 30, 2025.

I. PAGA Group Defined: "PAGA Group" means: all non-exempt employees of Anduril Industries, Inc. in California at any time from November 17, 2022, through October 30, 2025.

J. Allocation of Net Settlement Fund Among Class Members: From the Net Settlement Amount, the Settlement Administrator will calculate each Settlement Class Member's Individual Settlement Payment based on the following formula: The Net Settlement Amount will be apportioned to each Settlement Class Member based on their proportionate number of workweeks worked, by multiplying the Net Settlement Amount by a fraction, the numerator of which is the Settlement Class Member's individual total workweeks, and the denominator of which is the total number of workweeks worked by all Settlement Class Members. Twenty percent (20%) of each Individual Settlement Payment shall be considered wages ("Wages Portion") and subject to reduction for the employee's share of applicable tax withholdings, which shall be reported by the Settlement Administrator on an IRS Form W-2. The Settlement Administrator shall be responsible for remitting said withholdings to the appropriate taxing authorities. Eighty percent (80%) of each Individual Settlement Payment shall be allocated as interest, penalties, and other non-wage damages ("Non-Wages Portion"), which shall be reported by the Settlement Administrator on an IRS Form 1099. Each Settlement Class Member shall be responsible for remitting to state and/or federal taxing authorities any applicable taxes which may be owed on the Non-Wages Portion of his or her Settlement Payment. The Settlement Administrator shall report all required information to the appropriate taxing authorities regarding all payments made pursuant to this Agreement. By way of example, if the Net Settlement Fund is \$450,000, and there are a total of 35,000 Work Weeks between all Settlement Class Members, and Class Member "A" has 100 Work Weeks, Class Member A's portion of the Net Settlement Fund would be \$1,285.00. [$\$450,000 \div 35,000 \text{ Work Weeks} \times 100 \text{ Work Weeks} = \$1,285.00$]. Because each Class Member's individual recovery will depend upon the individual's workweeks during the Class Period, the individual recovery will vary from Class Member to Class Member. The Settlement Allocation Form included with this mailing contains an estimate of the amount of your individual payment. Allocation of the PAGA Payment among PAGA Group members will use the same formula.

III. WHAT ARE YOUR RIGHTS AS A CLASS MEMBER?

Your interests as a Class Member are represented by the Class Representative and Class Counsel. Unless you exclude yourself from the Class, you will remain part of the Class. As a member of the Class, you will receive a portion of the Net Settlement Fund. Also, you will be bound by the terms of the settlement agreement and any final judgment that may be entered by the court, and you will be deemed to have released certain claims against Defendant as described below.

A. Participating in the Settlement

If you are a member of the Class and you wish to participate in the settlement, you are not required to take any action. If the court grants final approval of the settlement, you will receive a Settlement Payment based on the calculations described above. You will also be bound by the terms of the settlement and will release Defendant from any and all claims that you may have based on the allegations in the lawsuit.

B. Objecting to the Settlement

If you do not agree with the terms of the Settlement, you can submit an objection. However, if the Court rejects your objection, you will still be a Member of the Class and will receive a settlement payment. You will also be bound by the terms of the settlement. To object, you may submit an Objection to the Settlement Administrator by <<45 days after notice mailing>>, at the following address:

<<Name, Address and Telephone Number of Settlement Administrator>>

To be considered by the Court, a written objection must: (a) set forth your full name, address, and telephone number; (b) contain the words "Notice of Objection"; (c) describe, in clear and concise terms, the legal and factual arguments supporting the objection; (d) list witness(es) you may call to testify at the Final Approval Hearing; and (e) provide true and correct copies of any exhibit(s) you intend to offer at the Final Approval Hearing. You may also appear at the Final Approval Hearing, either in person or through a lawyer retained at your own expense.

C. Excluding Yourself from the Settlement

If you are a member of the Class but you do not wish to participate in the settlement, you may exclude yourself by completing and returning the enclosed Request for Exclusion Form. Your Request for Exclusion Form must be signed by you personally, must be postmarked on or before <<45 days after notice mailed>>, and mailed to:

<<Name, Address and Telephone Number of Settlement Administrator>>

To be valid, the Request for Exclusion must: (a) state your name, address, telephone number, and the last four numbers of your Social Security number; (b) state your intention to Opt Out of the Settlement; (c) be signed by you or your lawful representative; and (d) be postmarked, faxed, or emailed no later than forty-five (45) calendar days after the Settlement Administrator mails the Notice to the Class.

Any person who timely submits a completed Request for Exclusion Form following the procedures above shall, upon receipt, no longer be a member of the Settlement Class, may not object to the settlement, and shall receive no payment or benefits from the settlement. Any such person, however, will not release any claims he or she may have against Defendant. However, if you are a member of the PAGA Group, you may not exclude yourself from the PAGA Group. Therefore, if you are a member of the PAGA Group and elect to exclude yourself from the Class, you will still receive a payment as a PAGA Group member.

If you exclude yourself from the Settlement, you will NOT receive any money from the Class Settlement.

D. Challenging the Record of Your Weeks Worked

The Settlement Allocation form that accompanies this notice states Defendant's record of your weeks worked within the Class Period. Any disputes regarding the number of workweeks a Class Member worked during the Class Period, or the calculation of an individual Class Member's settlement payment, will be resolved and decided by the Settlement Administrator based on Defendant's records. If you believe the workweeks stated on the Settlement Allocation Form to be inaccurate, you may state what you believe the correct number to be and provide supporting documentation. The Settlement

Administrator will then decide whether your weeks worked should be revised. The Settlement Administrator's decision on all such disputes will be final and non-appealable.

You may also provide corrected name, address, telephone, and/or Social Security information on the Settlement Allocation Form.

IV. EFFECT OF THE SETTLEMENT

A. Released Rights and Claims

Upon the court's final approval of the class settlement and entry of final judgment, each class member shall be deemed to have released Defendant and the "Released Parties" from any and all "Released Claims." For the purposes of this Agreement, the Released Claims are defined as:

As of the Effective Date, each Class Member who does not Opt Out of this Settlement, on behalf of themselves and each of their heirs, representatives, successors, assigns, and attorneys, hereby release, resolve, relinquish, discharge the Released Parties of any and all state and federal law claims, demands, rights, liabilities and causes of action of every nature and description, whether known or unknown, arising during the Class Period, including without limitation, statutory, constitutional, contractual or common law claims for wages, damages, unpaid costs, civil or statutory penalties (including without limitation, penalties under the California Labor Code's Private Attorneys General Act of 2004, as amended, California Labor Code sections 2698, 2699.3, and 2699.5), liquidated damages, punitive damages, interest, attorneys' fees, litigation costs, restitution, or equitable relief, based on the allegations that were asserted in the Complaint in the Action or that could have been asserted based on the factual allegations in the Complaint in the Action at any time during the Class Period, i.e., that Defendants failed to pay all wages due, failed to pay overtime wages due, failed to provide accurate wage statements, failed to provide compliant meal periods, failed to provide compliant rest periods, failed to reimburse for necessary expenditures, engaged in unfair and unlawful business practices, and for violations and penalties under PAGA for any violations enumerated above, together with any other civil penalties, waiting time penalties, or other fines, penalties, interest, or charges of any kind ("Released Claims"). Released Claims include claims meeting the above definition under any and all applicable California or federal laws, statutes, regulations, and Wage Orders including any existing under the Fair Labor Standards Act of 1938, as amended, and California political subdivisions and municipalities. Notwithstanding the foregoing, nothing in this Settlement releases any claims that cannot be released as a matter of law. The release shall run for the duration of the Class Period. "Released Parties" means Defendant, its past or present officers, owners, directors, shareholders, clients, joint employers, employees, agents, principals, heirs, representatives, attorneys, accountants, auditors, consultants, insurers and reinsurers, and their respective successors and predecessors in interest, subsidiaries, affiliates, parents and attorneys, but only as to the claims described in this Settlement Agreement Section 10.1.

B. Payment to Settlement Class Members

The distribution of the Settlement Fund will be paid approximately 45 days after final court approval of this Settlement, and, if objections are submitted and not withdrawn, all appeals and rights to appeal are exhausted.

V. FINAL SETTLEMENT APPROVAL HEARING

The court will hold a hearing in Department C31 of the Orange County Superior Court, Central Justice Center, 700 Civic Center Drive West, Santa Ana, CA 92701, on [date] at [time], to determine whether the settlement should be finally approved as fair, reasonable, and adequate. The Court will also

be asked to approve Class Counsel's request for Plaintiffs' Attorneys' Fees, Plaintiffs' Litigation Expenses, the PAGA Payment, the Settlement Administration Expenses, and the Class Representative's Service Payment.

The hearing may be continued without further notice to the settlement class. It is not necessary for you to appear at this hearing.

VI. ADDITIONAL INFORMATION

The above is a summary of the basic terms of the settlement. If you wish to review the precise terms and conditions of the settlement, you are referred to the Joint Stipulation of Settlement and Release, filed on [date], at the Office of the Clerk of the Orange County Superior Court, Central Justice Center, 700 Civic Center Drive West, Santa Ana, CA 92701.
