[Related Case No. 24STCV10269]

*[Assigned for All Purposes to the Hon.
William F. Highberger, Dept. 10]*

**PLAINTIFFS' NOTICE OF MOTION
AND MOTION FOR PRELIMINARY
APPROVAL OF CLASS ACTION AND
PAGA SETTLEMENT; MEMORANDUM
OF POINTS AND AUTHORITIES**

Preliminary Approval Hearing:

Date: May 11, 2026
Time: 11:30 a.m.
Dept: 10

Action Filed: September 25, 2023

1 **TO ALL PARTIES AND THEIR ATTORNEYS OF RECORD:**

2 **PLEASE TAKE NOTICE** that on May 11, 2026, at 11:30 a.m., or as soon thereafter as
3 the matter may be heard in Department 10 of the Superior Court of California, County of Los
4 Angeles, Spring Street Courthouse, located at 312 N. Spring Street, Los Angeles, California
5 90012, Plaintiffs Erika Mansilla and Guadalupe Carrillo (collectively “Plaintiffs”) will and
6 hereby do move this Court for an Order:

- 7 1. Granting preliminary approval of the proposed Class Action and PAGA Settlement
8 Agreement (“Settlement”);
- 9 2. Conditionally certifying the proposed Class for settlement purposes only;
- 10 3. Appointing Plaintiffs Erika Mansilla and Guadalupe Carrillo as the Class
11 Representatives;
- 12 4. Appointing John G. Yslas, Jeffrey C. Bils, Emily K. Borman, and Courtney M. Miller
13 of Wilshire Law Firm, PLC as Class Counsel;
- 14 5. Appointing ILYM Group Inc. as the Settlement Administrator;
- 15 6. Consolidating the Class Action and PAGA Action for settlement purposes, with the
16 Class Action being the lead case; and
- 17 7. Setting a final approval hearing date.

18 Pursuant to California Rules of Court, Rule 3.769(d) and (e), this Motion is made on the
19 grounds that the proposed Settlement satisfies all criteria for preliminary approval and falls well
20 within the range of reasonableness. The Settlement was reached through informed, arm’s length
21 bargaining between experienced attorneys with the assistance of an experienced neutral, and
22 Plaintiffs and Plaintiffs’ Counsel will fairly and adequately represent the Class.

23 ///

24 ///

1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **I. INTRODUCTION**

3 Pursuant to California Rules of Court, Rule 3.769(d) and (e), Plaintiffs Erika Mansilla and
4 Guadalupe Carrillo's (collectively "Plaintiffs") seek preliminary approval of a class action
5 settlement of wage and hour claims, including representative claims brought under the Private
6 Attorneys General Act of 2004 ("PAGA"), against Defendant Darbun Enterprises, Incorporated
7 DBA All Saints Health Care ("Defendant"). The proposed Class is defined as all persons who
8 worked for Defendant in California as an hourly-paid or non-exempt employee ("Class Members")
9 at any time during the period from March 31, 2019, through the date of Preliminary Approval of
10 the Settlement or the Alternate End Date as defined in the Settlement Agreement ("Class Period").¹

11 The main terms of the Settlement are as follows:

- 12 1. A Gross Settlement Amount of \$1,500,000.00, which will be distributed to
13 approximately 1,050 Class Members on a pro rata basis according to the total
14 Workweeks worked by each Class Member during the Class Period;
- 15 2. Attorneys' fees of up to one third (1/3) of the Gross Settlement Amount (currently
16 estimated to be \$500,000.00) and up to \$28,000.00 in reimbursement of litigation
17 costs to Plaintiffs' Counsel;
- 18 3. A Class Representative Service Payment of up to \$10,000.00 to each of the Plaintiffs
19 (\$20,000.00 total);
- 20 4. Costs of settlement administration of up to \$12,850.00; and
- 21 5. Allocation of \$75,000.00 to PAGA penalties, seventy-five percent (75%) of which
22 (\$56,250.00) will be paid to the Labor and Workforce Development Agency

23
24
25 ¹ If the total number of Workweeks is greater than 10% the estimated total Workweeks
26 stated in the Escalator Clause, then Defendant has the option to either (1) agree to an increase of
27 the Gross Settlement Amount on a proportional basis or (2) elect to change the end dates of the
28 Class Period and PAGA Period to be an earlier date in which the total Workweek count does not
exceed 10% of the estimated total Workweeks stated in the Escalator Clause. Settlement
Agreement at § 8. Defendant shall timely provide information prior to the Preliminary Approval
Hearing regarding whether the Escalator Clause is triggered and, if applicable, whether
Defendant is electing to shorten the Class Period and PAGA Period. *Id.*

1 (“LWDA”), and twenty-five percent (25%) of which (\$18,750.00) will be paid to
2 all persons who worked for Defendant in California as an hourly-paid or non-exempt
3 employee (“Aggrieved Employees”) at any time during the period from November
4 15, 2022, through May 12, 2025, or the Alternate End Date as defined in the
5 Settlement Agreement (“PAGA Period”).²

6 The Settlement meets all criteria for preliminary approval and falls within the range of
7 reasonableness given the risks and expenses of further litigation. The Settlement was reached
8 through informed, arm’s length bargaining between experienced attorneys with the assistance of
9 an experienced neutral. As such, Plaintiffs request that the Court grant preliminary approval of the
10 Settlement, conditionally certify the Class for settlement purposes only, appoint Plaintiffs as the
11 Class Representatives, appoint Plaintiffs’ Counsel as Class Counsel, appoint ILYM Group Inc. as
12 the Settlement Administrator, authorize the Settlement Administrator to administer notice of the
13 Settlement to the Class, and set a final approval hearing date.

14 **II. PROCEDURAL HISTORY**

15 On September 25, 2023, Plaintiffs filed this putative class action against Defendant
16 alleging: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages;
17 (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to
18 timely pay final wages at termination; (6) failure to provide accurate itemized wage statements;
19 (7) failure to indemnify employees for expenditures; (8) failure to produce requested employment
20 records; and (9) unfair business practices (“Class Action”). Declaration of John G. Yslas in Support
21 of Plaintiffs’ Motion for Preliminary Approval of Class Action and PAGA Settlement (“Yslas
22 Decl.”) at ¶ 3.

23 On November 15, 2023, Plaintiffs provided written notice to the LWDA and Defendant of
24 the specific provisions the Labor Code alleged to have been violated, including the facts and
25 theories in support. Yslas Decl. at ¶ 4, Exhibit 1. The LWDA did not notify Plaintiffs that it
26 intended to investigate within 65 days of this written notice. Yslas Decl. at ¶ 4. Therefore, on April
27

28 ² See Footnote 1.

24, 2024, Plaintiffs filed a representative action against Defendant for civil penalties under PAGA, in the Superior Court of California, County of Los Angeles, Case No. 24STCV10269 (“PAGA Action”). *Id.* On May 15, 2024, this Court deemed this Class Action and the PAGA Action to be related and designated this Class Action as the lead case. *Id.* at ¶ 5.

On April 22, 2025, the Parties participated in a private full-day mediation with mediator Steve Cerveris. Yslas Decl. at ¶ 6. The negotiations were adversarial, conducted at arm’s length, and tempered by the efforts of both sides to serve the interests of their clients. *Id.* The Parties accepted the mediator’s proposal and agreed on general settlement terms. *Id.* The Parties memorialized their agreement in a Memorandum of Understanding on November 11, 2025. *Id.* The Parties finalized the Settlement in December 2025. *Id.* at ¶ 7, Exhibit 2 (“Settlement Agreement”). On February 3, 2026, Plaintiffs submitted a copy of the Settlement Agreement to the LWDA. *Id.* at ¶ 8, Exhibit 3.

III. SUMMARY OF THE SETTLEMENT TERMS

A. Terms of the Proposed Settlement

The parties have agreed to settle the claims alleged in this Class Action and PAGA Action for a Gross Settlement Amount of \$1,500,000.00. Settlement Agreement at § 3.1. Subject to Court approval, the following payments will be deducted from the Gross Settlement Amount: (1) a Class Representative Service Payment of up to \$10,000.00 to each of the Plaintiffs (\$20,000.00 total); (2) attorneys’ fees of up to one third (1/3) of the Gross Settlement Amount (currently estimated to be \$500,000.00) and reimbursement of litigation costs of up to \$28,000.00 to Plaintiffs’ Counsel; (3) costs of settlement administration of up to \$12,850.00 to ILYM Group Inc.; (4) individual class payments to Class Members; and (5) PAGA penalties in the amount of \$75,000.00, which will be allocated 75% to the LWDA (\$56,250.00) and 25% to Aggrieved Employees (\$18,750.00). *Id.* at § 3.2. After all requested deductions are made, the remaining Net Settlement Amount is currently estimated to be \$864,150.00. Yslas Decl. at ¶ 21.

Individual class payments will be calculated based on the number of workweeks worked by each Class Member during the Class Period. *Id.* at § 3.2.4. For tax purposes, the individual class payments will be allocated 20% to wages and 80% to interest and penalties. *Id.* at § 3.2.4.1.

1 Defendant will separately pay any and all employer payroll taxes owed on the wage positions of
2 the individual class payments separate from the Gross Settlement Amount. *Id.* at 3.1.

3 Individual PAGA Payments to Aggrieved Employees will be calculated based on the
4 number of PAGA Pay Periods worked by each Aggrieved Employee during the PAGA Period. *Id.*
5 at § 3.2.5.1. For tax purposes, the Individual PAGA Payments will be allocated 100% to penalties.
6 *Id.* at § 3.2.5.2.

7 Any deductions not approved by the Court will be retained by the Settlement Administrator
8 in the Net Settlement Amount. *Id.* at § 3.2. Funds from any uncashed checks will be transmitted
9 by the Settlement Administrator to the California Controller's Unclaimed Property Fund in the
10 name of the Class Member thereby leaving no "unpaid residue." *Id.* at § 4.4.3. None of the Gross
11 Settlement Amount will revert to Defendant. *Id.* at § 3.1.

12 **B. Proposed Settlement Administration**

13 The parties' proposed Class Notice complies with the requirements of California Rules of
14 Court, Rule 3.766(d). *See* Exhibit A to Settlement Agreement. It provides information regarding
15 the nature of this lawsuit, a summary of the settlement terms, the formula used for calculating
16 individual class and PAGA payments and instructions to dispute the calculations, instructions on
17 how to opt-out of or object to the Settlement, the date, time, and location of the final approval
18 hearing, and the amounts sought for the class representative service payment, attorneys' fees and
19 litigation costs, and settlement administration costs. *See generally, id.* The Class Notice also
20 notifies Class Members that they do not need to submit a claim in order to participate in the
21 Settlement and receive a payment. *See id.* The Settlement Administrator will mail Class Members
22 the Class Notice by first-class mail. Settlement Agreement at § 7.4.2. The Class Notice shall be in
23 English and include a Spanish translation. *Id.* §§ 1.12, 6.1, 7.4.2.

24 If a Class Notice is returned as undeliverable, the Settlement Administrator will re-mail the
25 Class Notice within five (5) days to the forwarding address provided by the U.S. Postal Service.
26 *Id.* at § 7.4.3. If no forwarding address is provided, the Settlement Administrator will conduct a
27 Class Member Address Search and re-mail the Class Notice to the most current address obtained.

28 ///

1 *Id.* The deadline to opt-out of the Settlement or to submit an objection or dispute will be extended
2 by 14 days for all Class Members whose Class Notice was remailed. *Id.* at § 7.4.4.

3 **C. Proposed Releases**

4 Effective on the date when Defendant fully funds the Gross Settlement Amount and all
5 employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiffs,
6 Class Members, and Class Counsel will release claims against all Released Parties as follows:

7 Released Class Claims:

8 All Participating Class Members will release all claims, rights, demands, liabilities,
9 and causes of action, alleged or which could have reasonably been alleged based on
10 the facts alleged in the operative Complaint, including but not limited to: (1) failure
11 to pay minimum and straight time wages (pursuant to Cal. Labor Code §§ 204, 1194,
12 1194.2, 1197 and 1197.1); (2) failure to pay overtime wages (pursuant to Cal. Labor
13 Code §§ 510, 1194, and 1198); (3) failure to provide meal periods (pursuant to Cal.
14 Labor Code §§ 226.7 and 512); (4) failure to authorize and permit rest periods
15 (pursuant to Cal. Labor Code §§ 226.7); (5) failure to timely pay final wages at
16 termination (pursuant to Cal. Labor Code §§ 201-203); (6) failure to provide
17 accurate itemized wage statements (pursuant to Cal. Labor Code §§ 226); (7) failure
18 to indemnify employees for expenditures (pursuant to Cal. Labor Code §§ 2802);
19 (8) failure to produce requested employment records (pursuant to Cal. Labor Code
20 §§ 226, 432, and 1198.5); and (9) unfair business practices (pursuant to Cal. Bus. &
21 Prof. Code §§ 17200, et seq.) (“Released Class Claims”). Except for Plaintiff’s
22 Release by Plaintiffs and as set forth in Section 5.3 of this Agreement, Participating
23 Class Members do not release any other claims, including claims for vested benefits,
24 wrongful termination, violation of the Fair Employment and Housing Act,
25 unemployment insurance, disability, social security, workers’ compensation, or
26 claims based on facts occurring outside the Class Period. The enumeration of these
27 specific claims shall neither enlarge nor narrow the scope of res judicata based on
28 the claims that were asserted in the Action or could have been asserted in the Action
based on the facts and circumstances alleged in the Complaint. The Released Class
Claims are those that accrued during the Class Period.

20 Settlement Agreement at § 5.2.

21 Released PAGA Claims:

22 All Aggrieved Employees are deemed to release, on behalf of themselves and their
23 respective former and present representatives, agents, attorneys, heirs,
24 administrators, successors, and assigns, the Released Parties from all claims for
25 PAGA civil penalties that are alleged or reasonably could have been alleged based
26 on the facts alleged in the operative Complaint and in Plaintiffs’ November 15, 2023
27 PAGA Notice, including but not limited to: (1) failure to pay minimum and straight
28 time wages (pursuant to Cal. Labor Code §§ 204, 210, 510, 1194, 1194.2, 1197 and
1197.1); (2) failure to pay overtime wages (pursuant to Cal. Labor Code §§ 510,
1194 and 1198); (3) failure to provide meal periods (pursuant to Cal. Labor Code
§§ 210, 226.7 and 512); (4) failure to authorize and permit rest periods (pursuant to
Cal. Labor Code §§ 210 and 226.7); (5) failure to timely pay final wages at
termination (pursuant to Cal. Labor Code §§ 201 – 203 and 213(d)); (6) failure to
provide accurate itemized wage statements (pursuant to Cal. Labor Code §§ 226 and

226.3); (7) failure to indemnify employees for expenditures (pursuant to Cal. Labor Code § 2802); (8) failure to produce requested employment records (pursuant to Cal. Labor Code §§ 226, 432, and 1198.5); (9) failure to pay all earned wages twice per month and unlawfully withholding accrued wages (pursuant to Cal. Labor Code §§ 204, 210 and 216); (10) failure to maintain accurate records of hours worked and meal periods (pursuant to Cal. Labor Code §§ 1174, and 1174.5); (11) recordkeeping requirement violations (pursuant to Cal. Labor Code §§ 226.6, 558.1, 1174, 1174.5, 1198 and 1199); (12) willful misclassification (pursuant to Cal. Labor Code § 226.8); (13) retaliation (pursuant to Cal. Labor Code § 1102.5); and (14) civil penalties for wage and hour violations (pursuant to Cal. Labor Code § 558) (“Released PAGA Claims”). The foregoing release shall be binding on Plaintiffs, the Aggrieved Employees, and the State of California, and shall bar by res judicata any claim under the PAGA brought by any person, including the Aggrieved Employees, on behalf of the State of California, as to any claims predicated on the Released PAGA Claims. The Released PAGA Claims are those that accrued during the PAGA Period. Aggrieved Employees do not release claims for wages or damages unless such Aggrieved Employee is a Participating Class Member.

Settlement Agreement at § 5.3.

“Released Parties” means “Defendant and each of its former and present officers, directors, owners, attorneys, insurers, employees and agents.” Settlement Agreement at § 1.42.

Only Plaintiffs will agree to a general release and a waiver of Civil Code § 1542. *Id.* at §§ 5.1, 5.1.1.

IV. THE PROPOSED SETTLEMENT AGREEMENT MEETS ALL CRITERIA FOR PRELIMINARY APPROVAL

A. Provisional Certification of the Class is Appropriate

Class certification is appropriate when there is: (1) an ascertainable and sufficiently numerous class; (2) a well-defined community of interest among class members; and (3) substantial benefits from certification that render proceeding as a class superior to the alternatives. *Brinker Restaurant Corp. v. Superior Court*, 53 Cal.4th 1004, 1021 (2012). Although courts still need to review and consider each element for certification, a lesser standard can be used to provisionally certify a settlement class. *Global Minerals & Metals Corp. v. Superior Court*, 113 Cal.App.4th 836, 859 (2003).

1. The Proposed Class is Numerous and Ascertainable

“Ascertainability” is determined by examining the class definition and the size of the class, and may also involve examining the means available to identify class members. *Noel v. Thrifty Payless, Inc.*, 7 Cal.5th 955, 980-981, 985-986 (2019). As the settlement eliminates the need for

trial, “the case management issues inherent in the ascertainable class determination need not be confronted.” *Global Minerals*, 113 Cal.App.4th at 859. Further, under California law, there is no minimum number of class members for maintenance of a class action. *Hendershot v. Ready to Roll Transp., Inc.*, 228 Cal.App.4th 1213, 1222 (2014). Class sizes as small as 10 have been permitted. *Rose v. City of Hayward*, 126 Cal.App.3d 926, 934 (1981), disapproved on other grounds by *Noel*, 7 Cal.5th at 986.

The Class here consists of all non-exempt employees of Defendant in California during the Class Period. *See* Settlement Agreement at § 1.5. The Class is also readily ascertainable from Defendant’s business records, because all Class Members are or were employees of Defendant. *Id.* Defendant’s records show there are approximately 1,050 Class Members, making joinder of all Class Members impracticable. Yslas Decl. at ¶ 10.

2. A Well-Defined Community of Interest Exists

The community of interest requirement embodies three factors: (1) predominant common questions of law or fact; (2) class representatives with claims or defenses typical of the class; and (3) class representatives who can adequately represent the class. *Brinker*, 53 Cal.4th at 1021.

a. Common Questions Predominate

In determining whether common issues “predominate,” courts consider both plaintiff’s legal theories and defendant’s affirmative defenses. *Duran v. U.S. Bank Nat’l Ass’n*, 59 Cal.4th 1, 28-29 (2014). The “predominate common questions” factor does not require that all class members have identical claims. *Ayala v. Antelope Valley Newspapers, Inc.*, 59 Cal.4th 522, 530 (2014). Rather, the focus is on whether issues shared by the class members are sufficiently uniform to permit class-wide assessment, and whether individual variations in proof on those issues are manageable. *Id.*

Plaintiffs have alleged that Defendant maintained common employment policies and/or practices that unlawfully deprived Class Members of wages, meal periods, rest periods, reimbursements for business expenses, accurate wage statements, timely payment of wages upon separation of employment, and timely production of employment records. Yslas Decl. at ¶ 11. These allegations present common factual and legal questions of, *inter alia*, whether Defendant

1 applied the same scheduling, timekeeping, pay, meal period, rest period, reimbursement, and
2 employment record production policies to all Class Members, whether these policies and practices
3 resulted in Labor Code violations, whether Defendant's conduct was intentional, and whether Class
4 Members are entitled to damages and/or penalties. *Id.* These common questions could be resolved
5 using Class Members' time records, payroll records, testimony from Defendant's designated
6 representative(s), and Class Members' testimony. *Id.* Therefore, the Court can and should exercise
7 its discretion to grant conditional class certification for settlement purposes.

8 **b. Plaintiffs Are Typical of the Class**

9 Typicality does not require that the representative plaintiff's claims and those of the class
10 members be identical or perfectly aligned. *Wershba v. Apple Computer, Inc.*, 91 Cal.App.4th 224,
11 228 (2001), disapproved on other grounds by *Hernandez v. Restoration Hardware, Inc.*, 4 Cal.5th
12 260, 269-280 (2018). Typicality does not require that a plaintiff's claims be identical to those of
13 other class members, only that their claims and the defenses applicable to them are sufficiently
14 similar to those of other class members that a named plaintiff is able to adequately represent the
15 class and focus on common issues. *Medraza v. Honda of North Hollywood*, 166 Cal.App.4th 89,
16 99 (2008).

17 Plaintiffs have alleged that they and other Class Members were employed by the same
18 Defendant and injured by Defendant's common wage and hour policies and practices, including
19 Defendant's scheduling, timekeeping, pay, meal period, rest period, reimbursement, and
20 employment record production policies. *See* Yslas Decl. at ¶ 11. Through informal discovery,
21 Plaintiffs confirmed that these challenged policies and practices applied to Plaintiffs and other
22 Class Members alike. *See id.* at ¶ 9. Therefore, Plaintiffs' claims and other Class Members' claims
23 arise from the same challenged employment policies and practices and are based on the same legal
24 theories.

25 **c. Plaintiffs and Plaintiffs' Counsel Will Adequately Represent the**
26 **Class**

27 Certification requires adequacy of both the proposed class representative and of the
28 proposed class counsel. Cal. Code Civ. Proc. § 382. "Only a conflict that goes to the very subject

1 matter of the litigation will defeat a party’s claim of representative status.” *Richmond v. Dart*
2 *Industries*, 29 Cal.3d 462, 470 (1981). Only conflicts that are “irreconcilable” can defeat adequacy.
3 *Nat’l Solar Equip. Owners’ Ass’n v. Grumman Corp.*, 235 Cal.App.3d 1273, 1286 (1991). The
4 proposed representative Plaintiffs and proposed Class Counsel present no such conflict.

5 Plaintiffs’ interests are coextensive with Class Members’ interests. Declaration of Erika
6 Mansilla in Support of Plaintiffs’ Motion for Preliminary Approval of Class Action and PAGA
7 Settlement (“Mansilla Decl.”) at ¶ 6; Declaration of Guadalupe Carrillo in Support of Plaintiffs’
8 Motion for Preliminary Approval of Class Action and PAGA Settlement (“Carrillo Decl.”) at ¶ 6.
9 Plaintiffs have demonstrated an ability to advocate for the interests of Class Members by initiating
10 this lawsuit, providing information to his attorneys, meeting with their attorneys regarding the
11 claims, making themselves available the day of mediation to answer questions, and reviewing the
12 proposed Settlement. Mansilla Decl. at ¶ 7; Carrillo Decl. at ¶ 7.

13 Likewise, Wilshire Law Firm, PLC has expended considerable time and effort on this case
14 and will continue to do so through final approval. *See generally*, Yslas Decl. Therefore, Plaintiffs
15 should be appointed Class Representatives, and their counsel should be appointed Class Counsel.

16 **3. A Class Action is Superior to a Multitude of Individual Lawsuits**

17 Courts have held that class treatment of wage and hour claims is clearly “superior to the
18 other available methods for the fair and efficient adjudication of the controversy.” *Dean Witter*
19 *Reynolds, Inc. v. Superior Court*, 211 Cal.App.3d 758, 772-773 (1989). This is so because “[p]ublic
20 policy has long favored the ‘full and prompt payment of wages due an employee.’” *Sav-On Drug*
21 *Stores, Inc. v. Superior Court*, 34 Cal.4th 319, 340 (2004). Here, a class action is superior to a
22 multitude of individual lawsuits. Given the size and amount of each Class Members’ claim, Class
23 Members have little incentive to litigate their claims on an individual basis because the out-of-
24 pocket expenses and personal commitment necessary to litigate each claim likely outweigh any
25 potential recovery. Yslas Decl. at ¶ 10. Therefore, a class action is the superior method for seeking
26 relief.

27 ///

28 ///

1 **B. The Settlement Meets the Standards for Preliminary Approval**

2 The moving party must demonstrate that “the settlement is fair, adequate and reasonable.”
3 *Kullar v. Foot Locker Retail, Inc.*, 168 Cal.App.4th 116, 126 (2008). “In determining whether a
4 class settlement is fair, adequate, and reasonable, the trial court should consider relevant factors,
5 such as the strength of plaintiffs’ case, the risk, expense, complexity and likely duration of further
6 litigation, the risk of maintaining class action status through trial, the amount offered in settlement,
7 the extent of discovery completed and the stage of the proceedings, the experience and views of
8 counsel, the presence of a governmental participant, and the reaction of the class members to the
9 proposed settlement.” *Wershba*, 91 Cal.App.4th at 244-245 (internal quotations and citations
10 omitted).

11 **1. The Settlement is Entitled to a Presumption of Fairness**

12 A settlement is entitled to “a presumption of fairness . . . where: (1) the settlement is reached
13 through arm’s length bargaining; (2) investigation and discovery are sufficient to allow counsel
14 and the court to act intelligently; (3) counsel is experienced in similar litigation; and (4) the
15 percentage of objectors is small.” *Dunk v. Ford Motor Co.*, 48 Cal.App.4th 1794, 1801 (1996).
16 The Settlement here satisfies the first three factors. Plaintiffs will analyze the fourth factor at final
17 approval after Class Members have been notified of the Settlement and provided with an
18 opportunity to object.

19 **a. The Settlement is the Result of Arm’s Length Negotiation**

20 Courts have recognized that the involvement of a respected mediator provides a high degree
21 of assurance that the settlement is the result of arm’s length bargaining. *See Chavez v. Netflix, Inc.*,
22 162 Cal.App.4th 43, 52-53 (2008). The Settlement in this matter was the product of a full-day
23 mediation session with a respected mediator. Yslas Decl. at ¶ 6. The negotiations were adversarial,
24 conducted at arm’s length, and tempered by the efforts of both sides to serve the interests of their
25 clients. *Id.*

26 **b. Sufficient Investigation and Discovery Have Been Conducted**

27 Prior to attending mediation, Plaintiffs’ Counsel thoroughly investigated the claims,
28 applicable law, and potential defenses. *Id.* at ¶ 9. Plaintiffs’ Counsel assessed the value to the class

1 claims using the documents and data Defendant produced in informal discovery. *Id.* The data and
2 documents produced by Defendant included the number of Class Members and Aggrieved
3 Employees, the number of workweeks in the Class Period, and the number of pay periods in the
4 PAGA Period, the average rate of pay, documents concerning Plaintiffs, Defendant's written wage-
5 and-hour policies, and a random sampling of Class Members' time and payroll records. *Id.*
6 Plaintiffs' Counsel also engaged an expert to quantify the potential exposure using the time and
7 payroll records. *Id.*

8 **c. Plaintiffs' Counsel is Experienced in Similar Litigation**

9 Plaintiffs are represented by Wilshire Law Firm, PLC. *Id.* at ¶ 1. Plaintiffs' Counsel has
10 extensive experience litigating wage-and-hour class actions on behalf of employees. *See id.* at ¶¶
11 22-35. Plaintiffs' Counsel has been involved as counsel in numerous class actions that have
12 resulted in millions of dollars in recovery. *See id.*

13 **2. The Settlement is Reasonable Given the Strengths of Plaintiffs'**

14 **Claims and the Risks and Expense of Further Litigation**

15 A settlement does not have to provide 100% of the damages sought to be considered fair
16 and reasonable. *See Rebney v. Wells Fargo Bank*, 220 Cal.App.3d 1117, 1139 (1991). Although
17 the exposure Plaintiffs' Counsel calculated is substantial, the various risks at succeeding at class
18 certification and through trial affected the valuation of the claims for settlement purposes. Yslas
19 Decl. at ¶ 12. Based on an analysis of the facts and legal contentions in this case, documents and
20 information from Defendant, Plaintiffs' Counsel evaluated Defendant's maximum exposure. *Id.*
21 Plaintiffs' Counsel took into account the risk of not having the claims certified and the risk of not
22 prevailing at trial, even if the claims are certified. *Id.* After using the data Defendant provided,
23 including class member timekeeping and payroll records, as well as class member demographics,
24 with the assistance of a statistics expert, Plaintiffs' Counsel created a damages model to evaluate
25 the realistic range of potential recovery for the class. *Id.*

26 Minimum and Overtime Wages: Plaintiffs' unpaid minimum and overtime wage claims
27 were based on the allegation that Defendant required Class Members to routinely perform work
28 duties off the clock. Yslas Decl. at ¶ 13. For example, Plaintiffs allege that Defendant required

1 them and other Class Members to wait in line to clock in, receive phone calls from supervisors
2 while off the clock, and work through their recorded meal periods. *Id.* Based on these allegations,
3 Plaintiffs' Counsel conservatively estimated that Class Members worked one (1) hour off the clock
4 per week as overtime in calculating potential exposure to be approximately \$4,808,256.80 for these
5 claims (124,389 workweeks x \$25.77 hourly rate x 1.5 overtime rate of pay x 1.00 hour of unpaid
6 work per workweek). *Id.* Because this claim would have relied heavily on Class Member testimony
7 and would not be evidenced in Defendant's time and payroll records, the risk of succeeding at class
8 certification was substantial. *Id.* Accordingly, Plaintiffs' Counsel applied a risk discount based on
9 a 30% chance of succeeding at class certification and a 30% chance of succeeding at trial on the
10 merits, yielding a realistic damage estimate of approximately \$432,743.11 (\$4,808,256.80 x 30%
11 x 30%). *Id.*

12 Meal Periods: Plaintiffs' meal period claim was based on the allegation that Defendant
13 failed to provide Class Members with legally compliant meal periods or pay meal period premiums
14 in lieu thereof. Yslas Decl. at ¶ 14. For example, Plaintiffs allege that Defendant regularly required
15 them and other Class Members to work through their meal periods. *Id.* Additionally, Plaintiffs'
16 Counsel's expert found a violation rate of approximately 60.7% in Defendant's time and payroll
17 records for shifts greater than five (5) hours. *Id.* Therefore, potential liability for the meal period
18 claims is approximately \$5,917,453.57 (378,296 shifts greater than 5 hours x \$25.77 hourly rate x
19 60.7% violation rate). *Id.* However, Defendant argued that Class Members were covered by meal
20 period waivers. *Id.* Accordingly, Plaintiffs' Counsel applied a risk discount based on a 50% chance
21 of succeeding at class certification and a 40% chance of succeeding at trial on the merits, yielding
22 a realistic damage estimate of approximately \$1,183,490.72 (\$5,917,453.57 x 50% x 40%). *Id.*

23 Rest Periods: Plaintiffs' rest period claim was based on the allegation that Defendant failed
24 to provide Class Members with legally compliant rest periods or pay rest period premiums in lieu
25 thereof. Yslas Decl. at ¶ 15. For example, Plaintiffs allege that Defendant required them and other
26 Class Members to work through all the rest periods they were owed. *Id.* Based on these allegations,
27 Plaintiffs' Counsel applied a 100% violation rate to all shifts of 3.5 hours or longer. *Id.* Therefore,
28 potential liability for the rest period claims is approximately \$9,936,035.82 (385,566 shifts of 3.5

1 hours or longer x \$25.77 hourly rate x 100% violation rate). *Id.* However, Plaintiffs' Counsel
2 discounted this figure to account for the difficulty of certifying and proving rest period claims,
3 particularly because rest periods do not have to be recorded, and to account for the possibility of
4 Class Members voluntarily choosing to forego a rest period. *Id.* Because this claim would have
5 relied exclusively on Class Member testimony, Plaintiffs' Counsel discounted this claim based on
6 a 30% chance of succeeding at class certification and a 20% chance of succeeding at trial, yielding
7 a realistic damage estimate of approximately \$596,162.15 ($\$9,936,035.82 \times 30\% \times 20\%$). *Id.*

8 Reimbursements: Plaintiffs' reimbursement claim was based on the allegation that
9 Defendant failed to indemnify Class Members for expenses incurred as a direct result of performing
10 their job duties for Defendant. Yslas Decl. at ¶ 16. For example, Plaintiffs allege that Defendant
11 failed to reimburse them and other Class Members for mandatory cell phone and for work attire
12 such as medical scrubs. *Id.* For purposes of calculating Defendant's liability based on a best-case
13 scenario for Plaintiffs and the Class, Plaintiffs' Counsel estimated that Defendant was liable to
14 each class member for \$30 per pay period, or \$7.50 per workweek, in unreimbursed expenses, for
15 a total amount of approximately \$932,917.50 ($\$7.50 \times 124,389$ workweeks). *Id.* Plaintiffs' Counsel
16 discounted this figure based on an evaluation of a 30% chance of succeeding at class certification
17 and a 30% chance of succeeding at trial to account for the difficulty of certifying and proving
18 expense reimbursement claims, yielding a realistic damage estimate of approximately \$83,962.58
19 ($\$932,917.50 \times 30\% \times 30\%$). *Id.*

20 In sum, Plaintiffs' Counsel estimated that Plaintiffs' maximum recovery for the off-the-
21 clock claim, meal period violations, and rest period violations (i.e., the wage claims) is
22 approximately \$20.67 million, but after factoring in the risk and uncertainty of prevailing at
23 certification and trial, Plaintiffs' Counsel estimates that Plaintiffs' realistic estimated recovery for
24 these non-penalty wage claims is approximately \$2,212,395.98. Yslas Decl. at ¶ 17.

25 Derivative Penalties: Plaintiffs allege that as a result of Defendant's failure to pay all wages
26 owed, Defendant owed waiting time penalties and wage statement penalties. Yslas Decl. at ¶ 18.
27 With respect to Plaintiffs' derivative claims for statutory penalties, Plaintiffs' Counsel estimated
28 that Defendant's realistic potential liability is approximately \$329,937.49. *Id.* Defendant's

1 maximum potential liability for waiting time penalties is approximately \$3,392,208.18 ([426
2 employees x \$25.77 hourly rate x 8.00 hours/day x 30 days] + [426 employees x \$25.77 hourly
3 rate x 2.30 hours of overtime/day x 1.5 overtime rate x 30 days) based on approximately 426
4 formerly employed class members during the 3-year statute of limitations period. *Id.* Defendant's
5 maximum potential liability for inaccurate wage statements is approximately \$2,106,750.00 ([609
6 employees x 1 initial violation/employee x \$50 for an initial violation] + [(21,372 pay periods -
7 609 initial violations) x \$100 for each subsequent violation]) based on approximately 609 class
8 members who worked during the 1-year statute of limitations period and approximately 21,372 pay
9 periods in the statutory timeframe. *Id.* In light of the foregoing, Plaintiffs' Counsel believes that it
10 would be unrealistic to expect the Court to award the full \$5,498,958.18 in statutory penalties given
11 Defendant's defenses, the contested nature of Plaintiffs' claims, the challenges of establishing
12 willfulness as applicable, and the discretionary nature of penalties. Considering that the underlying
13 wage claims are realistically estimated to be approximately \$2,212,395.98, such a disproportionate
14 award would also raise due process concerns. *Id.* As such, Plaintiffs' Counsel discounted these
15 figures to account for the risk and uncertainty of prevailing at trial, resulting in a realistic evaluation
16 of approximately \$203,532.49 for waiting time penalty claims (\$3,392,208.18 x 30% x 20%), and
17 approximately \$126,405.00 for wage statement penalty claims (\$2,106,750.00 x 30% x 20%), or
18 approximately \$329,937.49 total for statutory penalties. *Id.*

19 PAGA: For the PAGA claim, Plaintiffs' Counsel determined that Defendant's potential
20 exposure could potentially reach \$2,021,200.00, assuming the initial \$100 penalty would apply for
21 each of the 20,212 pay periods in the PAGA Period. Yslas Decl. at ¶ 19. However, even assuming
22 success on the merits of each claim, PAGA gives the Court discretion to reduce penalties for a
23 variety of reasons, including where to do otherwise would result in an award that is unjust, arbitrary
24 and oppressive, or confiscatory. *Id.* As such, Plaintiffs' Counsel discounted this figure to account
25 for the risk and uncertainty of prevailing at trial, resulting in a realistic evaluation of approximately
26 \$202,120.00 for PAGA penalties (\$2,021,200.00 x 10%). *Id.* The settlement allocates \$75,000.00
27 of the Gross Settlement Amount to PAGA penalties, therefore the PAGA allocation amounts to
28 37% of the realistic maximum damages for PAGA penalties (\$75,000.00 / \$202,120.00). *Id.*

1 Using these estimated figures, Plaintiffs' Counsel predicted that the realistic maximum
2 recovery for all claims, including penalties, would be approximately \$2,828,416.05. Yslas Decl. at
3 ¶ 20. This means that the gross settlement figure represents approximately 53% of the realistic
4 maximum recovery (\$1,500,000.00 / \$2,828,416.05). *Id.* Considering the risk and uncertainty of
5 prevailing at class certification and at trial, this is an excellent result for the Class. *Id.* Indeed,
6 because of the proposed Settlement, Class Members will receive timely, guaranteed relief and will
7 avoid the risk of an unfavorable judgment. *Id.*

8 Based on the figures in the Settlement Agreement, the Net Settlement Amount available for
9 class settlement payments is currently estimated to be \$864,150.00 for approximately 1,050 Class
10 Members. Yslas Decl. at ¶ 21. As a result, each Settlement Class Member would be eligible to
11 receive an average net benefit of approximately \$823.00. *Id.*

12 **C. The Requested Service Payments are Reasonable**

13 Plaintiffs seek a class representative service payment of up to \$10,000.00 each (\$20,000.00
14 total) for accepting the responsibilities of representing the interests of the Class and potential costs
15 that were not borne by any other Class Members. Settlement Agreement at § 3.2.1. A named
16 plaintiff is eligible for payment that reasonably compensates him or her for undertaking and
17 fulfilling a fiduciary duty to represent absent class members. *See Cellphone Termination Fee*
18 *Cases*, 186 Cal.App.4th 1380, 1393 (2010); *Bell v. Farmers Ins. Exch.*, 115 Cal.App.4th 715, 726
19 (2004).

20 Throughout this case, Plaintiffs assisted counsel in providing information necessary to
21 prosecute the claims, meeting with counsel regarding the claims, maintaining regular contact with
22 counsel, making themselves available the day of mediation to answer questions, and reviewing the
23 Settlement to ensure it was fair to the Class. Mansilla Decl. at ¶ 7; Carillo Decl. at ¶ 7. No action
24 would likely have been taken by Class Members individually and no compensation would have
25 been recovered for them, but for Plaintiffs' services on behalf of the Class. By actively pursuing
26 this action, Plaintiffs furthered the California public policy goal of enforcing the State's wage and
27 hour laws. *See Sav-On*, 34 Cal.4th at 340. The requested class representative service payments are
28 reasonable and should be preliminarily approved. Plaintiffs have provided declarations regarding

1 their work performed to date and will provide additional information as requested or required by
2 the Court at final approval.

3 **D. The Requested Attorneys' Fees and Costs Are Reasonable**

4 The purpose of an attorneys' fee award in class action litigation is to reward counsel who
5 invested in a case despite the risk of non-payment and achieved a substantial positive result for the
6 class. California courts routinely award attorneys' fees equaling one third or more of the potential
7 value of the common fund. *See Chavez*, 162 Cal.App.4th at 66, fn. 11 ("Empirical studies show
8 that, regardless of whether the percentage method or the lodestar method is used, fee awards in
9 class actions average around one-third of the recovery.").

10 Additionally, Courts utilize "multipliers" to account for the risk of taking on cases where
11 there is no guarantee of recovery, uncertainties as to the amount that will be recovered, uncertainty
12 as to the cost of litigating the case (both in effort and expenses), and uncertainty about how much
13 time will pass before the recovery is obtained. *Ketchum v. Moses*, 24 Cal. 4th 1122, 1132-33
14 (2001); *see also Serrano v. Priest*, 20 Cal. 3d 25, 48-49 (1977) (approving the adjustment of the
15 lodestar figure based on factors specific to the case to ensure fair market value for legal services
16 provided on a contingency basis). Application of that rule is particularly appropriate where the
17 case is brought to redress important rights of vulnerable persons. *Ketchum*, 24 Cal. 4th at 1133.

18 Generally, "[m]ultipliers can range from 2 to 4 or even higher." *Wershba v. Apple*
19 *Computers, Inc.*, 91 Cal.App.4th at p. 255 (2001); *see also Sutter Health Uninsured Pricing Cases*,
20 171 Cal.App.4th 495, 512 (2009) (applying a 2.52 multiplier on a cross-check in an antitrust class
21 action); *Chavez v. Netflix, Inc.*, 162 Cal.App.4th 43, 60 (2008) (applying a 2.5 multiplier on a
22 lodestar cross-check); *Vizcaino v. Microsoft Corp.*, 290 F.3d 1043, 1051 n.6 (9th Cir. 2002)
23 ("most" common fund cases apply a multiplier of 1.0-4.0); *Laffitte v. Robert Half Int'l*, 231
24 Cal.App.4th 860, 881-82 (2004) (affirming a 2.13 multiplier after finding that "2 to 4" is a
25 reasonable range for multipliers on a cross-check). *See also Bronshteyn v. State of California –*
26 *Department of Consumer Affairs*, 114 Cal.App.5th 537 (2025) (court did not abuse its discretion
27 by awarding 1.75 multiplier for fees incurred up to and including the jury verdict and a 1.25
28 enhancement for hours worked after the verdict where hourly rates for plaintiff's five senior

attorneys were \$1,100.00 and \$1,000.00); *Tran v. Golden State FC LLC, et al.* (LASC Case No. BC699931), Fee Order filed April 8, 2022 (approving hourly rate of \$1,300.00 for plaintiff's 32-year attorney).

Plaintiffs seek appointment of Wilshire Law Firm, PLC as Class Counsel. The attorneys performed significant work and expended litigation costs in prosecuting this matter with no guarantee of payment. Yslas Decl. at ¶ 22. Plaintiffs' Counsel seeks preliminary approval of up to one third (1/3) of the Gross Settlement Amount, currently estimated to be \$500,000.00, and up to \$28,000.00 in reimbursement of litigation costs. Given the work performed in this matter, the extensive information exchange, and the substantial recovery obtained on behalf of the Class, Plaintiffs' Counsel achieved a settlement through efficient and diligent work. *See generally*, Yslas Decl. At final approval, Plaintiffs' Counsel will fully brief the merits of its request for the award of attorneys' fees and litigation costs.

E. The Administration Costs are Reasonable

The Parties have agreed upon using ILYM Group Inc. to administer this Settlement. Settlement Agreement at § 1.2. Plaintiffs seek preliminary approval of \$12,850.00 for ILYM Group Inc. to administer this Settlement pursuant to ILYM Group Inc.'s bid. *See* Yslas Decl. at ¶ 36; Declaration of Lisa Mullins of ILYM Group Inc. in Support of Plaintiffs' Motion for Preliminary Approval of Class Action and PAGA Settlement at ¶ 8, Exhibit C. The services covered by this bid are extensive and necessary to carry out the Settlement administration.

///

///

///

1 **V. CONCLUSION**

2 The Parties have negotiated a fair and reasonable settlement of the class claims in light of
3 the risks presented in this case. Plaintiffs have presented the materials and information necessary
4 to demonstrate that the requirements for preliminary approval have been met, and therefore
5 respectfully request that the Court preliminarily approve the Settlement, consolidate the Class
6 Action and PAGA Action for settlement purposes, and schedule a date for the final approval
7 hearing.

8
9 Respectfully submitted,

10 Dated: February 4, 2026
