18 *Attorneys for Plaintiff*

19 **SUPERIOR COURT OF THE STATE OF CALIFORNIA**
20 **FOR THE COUNTY OF SACRAMENTO**

21 SANDRA YAQUINTO, an individual, on behalf
22 of herself and others similarly situated,

23 Plaintiff,

24 v.

25 UNICO ENGINEERING INC., a California
26 corporation; and DOES 1 through 10, inclusive,

27 Defendants.

28 Case No.: 23CV009174
Consolidated with Case No.: 24CV013737

Assigned for All Purposes to:
Hon. Lauri A. Damrell
Dept. 8B

**NOTICE OF MOTION AND MOTION
FOR PRELIMINARY APPROVAL OF
CLASS ACTION AND PAGA
SETTLEMENT; MEMORANDUM OF
POINTS AND AUTHORITIES**

PRELIMINARY APPROVAL HEARING:

Date: April 24, 2026
Time: 9:00 a.m.
Dept.: 8B

1 **TO ALL PARTIES AND THEIR ATTORNEYS OF RECORD:**

2 **PLEASE TAKE NOTICE** that on April 24, 2026, at 9:00 a.m., or as soon thereafter as
3 the matter may be heard in Department 8B of the above-entitled Court, located at 500 G Street,
4 Sacramento, CA 95814, plaintiff Sandra Yaquinto ("Plaintiff") will and hereby does move this
5 Court for an Order:

- 6 1. Granting preliminary approval of the proposed Class Action and PAGA Settlement
7 Agreement ("Settlement");
8 2. Conditionally certifying the proposed Class for settlement purposes only;
9 3. Appointing Plaintiff as the Class Representative;
10 4. Appointing Wilshire Law Firm, PLC as Class Counsel;
11 5. Appointing Apex Class Action Administration as the Settlement Administrator; and
12 6. Setting a final approval hearing date.

13 Pursuant to California Rules of Court, Rule 3.769(d) and (e), this Motion is made on the
14 grounds that the proposed Settlement satisfies all criteria for preliminary approval and falls well
15 within the range of reasonableness. The Settlement was reached through informed, arm's length
16 bargaining between experienced attorneys with the assistance of an experienced neutral, and
17 Plaintiff and Plaintiff's Counsel will fairly and adequately represent the Class.

18 This Motion is based on this Notice of Motion, the accompanying Memorandum of
19 Points and Authorities, the Declaration of John G. Yslas, the Declaration of Sandra Yaquinto,
20 the Declaration of Apex Class Action Administration, and on all records and documents on file,
21 together with such oral and documentary evidence that may be presented at the hearing on this
22 matter.

23 Respectfully submitted,

24 Dated: April 2, 2026

Cal. Code Civ. Proc. § 382.....	8
---------------------------------	---

1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **I. INTRODUCTION**

3 Pursuant to California Rules of Court, Rule 3.769(d) and (e), Plaintiff seeks preliminary
4 approval of a class action settlement of wage and hour claims, including representative claims
5 brought under the Private Attorneys' General Act of 2004 ("PAGA"), against defendant Unico
6 Engineering Inc. ("Defendant"). The proposed Class is defined all persons who worked for
7 Defendant in California as an hourly-paid or non-exempt employee ("Class Members") at any time
8 during the Class Period of September 27, 2019, to July 30, 2025 ("Class Period"). The main terms
9 of the Settlement are as follows:

- 10 1. A Gross Settlement Amount of \$142,500.00, which will be distributed to
11 approximately 171 Class Members on a pro rata basis according to the total
12 workweeks worked by each Class Member during the Class Period;
- 13 2. Attorneys' fees of up to one-third (1/3) of the Gross Settlement Amount (currently
14 \$47,500.00) and up to \$20,000.00 in reimbursement of litigation costs to Plaintiffs'
15 Counsel;
- 16 3. Class representative service payment of up to \$10,000.00 to Plaintiff;
- 17 4. Costs of settlement administration of up to \$5,950.00; and
- 18 5. Allocation of \$10,000.00 to PAGA penalties, seventy-five percent (75%) of which
19 (\$7,500.00) will be paid to the Labor and Workforce Development Agency
20 ("LWDA"), and twenty-five percent (25%) of which (\$2,500.00) all persons who
21 worked for Defendant in California as an hourly-paid or non-exempt employee at
22 any time during the PAGA Period of May 6, 2023, to July 30, 2025 ("Aggrieved
23 Employees").

24 The Settlement meets all criteria for preliminary approval and falls within the range of
25 reasonableness given the risks and expenses of further litigation. The Settlement was reached
26 through informed, arm's length bargaining between experienced attorneys with the assistance of
27 an experienced neutral. As such, Plaintiff requests that the Court grant preliminary approval of the
28 Settlement, conditionally certify the Class for settlement purposes only, appoint Plaintiff as the

1 Class Representative, appoint Plaintiff's Counsel as Class Counsel, appoint Apex Class Action
2 Administration ("APEX") as the Settlement Administrator, authorize the Settlement Administrator
3 to administer notice of the Settlement to the Class, and set a final approval hearing date.

4 **II. PROCEDURAL HISTORY**

5 September 27, 2023, Plaintiff filed this action as a putative class action against Defendant
6 alleging: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages;
7 (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to
8 timely pay final wages at termination; (6) failure to provide accurate itemized wage statements;
9 (7) failure to indemnify employees for expenditures; (8) failure to produce requested employment
10 records; and (9) unfair business practices. Declaration of John G. Yslas in Support of Motion for
11 Preliminary Approval of Class Action and PAGA Settlement ("Yslas Decl.") at ¶ 3.

12 On November 15, 2023, Plaintiff provided written notice to the LWDA and Defendant of
13 their intention to file a PAGA claim. Yslas Decl. at ¶ 4, Exhibit 3. The LWDA did not notify
14 Plaintiff that it intended to investigate within 65 days of this written notice. *Id.* Therefore, on July
15 10, 2024, Plaintiff filed a separate action alleging a claim under PAGA, Case No. 24CV013737
16 (the "PAGA Action"). *Id.* On October 30, 2024, Plaintiff was deposed by Defendant. Yslas Decl.
17 at ¶ 5. The Parties filed a Joint Stipulation to Consolidate Cases, and Plaintiff filed a First Amended
18 Class and Representative Action Complaint, in the Sacramento Superior Court, in the lead case,
19 Case No. 23CV009174. *Id.*

20 The Parties subsequently participated in a private all-day mediation with mediator Russ J.
21 Wunderli, Esq. on July 30, 2025. *Id.* at ¶ 5. The negotiations were adversarial, conducted at arm's
22 length, and tempered by the efforts of both sides to serve the interests of their clients. *Id.* The
23 Parties were able to reach an agreement on general settlement terms on the same date. *Id.* The
24 parties negotiated the terms of the Settlement over the next several months, which was finalized in
25 November 2025. *Id.* at ¶ 6, Exhibit 1 ("Settlement Agreement"). On April 2, 2026, Plaintiff
26 submitted a copy of the Settlement Agreement to the LWDA. *Id.* at ¶ 7, Exhibit 2.

27 ///

28 ///

III. SUMMARY OF THE SETTLEMENT TERMS

A. Terms of the Proposed Settlement

The parties have agreed to settle the claims alleged in this case and the related PAGA Action for a Gross Settlement Amount of \$142,500.00. Settlement Agreement at § 3.1. Subject to Court approval, the following payments will be deducted from the Gross Settlement Amount: (1) class representative service payment of up to \$10,000.00 to Plaintiff; (2) attorneys' fees of up to one-third (1/3) of the Gross Settlement Amount (currently \$47,500.00) and reimbursement of litigation costs of up to \$20,000.00 to Plaintiff's Counsel; (3) costs of settlement administration of up to \$5,950.00 to APEX; (4) individual class payments to Class Members; and (5) PAGA penalties in the amount of \$10,000.00, which will be allocated 75% to the LWDA (\$7,500.00) and 25% to Aggrieved Employees (\$2,500.00). *Id.* at § 3.2.1-3.2.5. After all requested deductions are made, the remaining Net Settlement Amount is currently estimated to be \$49,050.00.

Individual class payments will be calculated based on the number of workweeks worked by each Class Member during the Class Period. *Id.* at § 3.2.4. For tax purposes, the individual class payments will be allocated 25% to wages and 75% to penalties, interest, and reimbursement of expenses. *Id.* at § 3.2.4.1. Defendant will separately pay any and all employer payroll taxes owed on the wage positions of the individual class payments separate from the Gross Settlement Amount. *Id.* at 3.1.

Individual PAGA payments to Aggrieved employees will be calculated based on the number of pay periods worked by each Aggrieved Employee during the PAGA Period. *Id.* at § 3.2.5.1. For tax purposes, the individual PAGA payments will be allocated 100% to penalties. *Id.*

Any deductions not approved by the Court will be retained by the Settlement Administrator in the Net Settlement Amount. *Id.* at § 3.2. Funds from any uncashed checks will be transmitted by the Settlement Administrator to California Controller's Unclaimed Property Fund. *Id.* at § 4.4.3. None of the Gross Settlement Amount will revert to Defendant. *Id.* at § 3.1.

B. Proposed Settlement Administration

The parties' proposed Class Notice complies with the requirements of California Rules of Court, Rule 3.766(d). *See* Exhibit A to Settlement Agreement. It provides information regarding

1 the nature of this lawsuit, a summary of the settlement terms, the formula used for calculating
2 individual class and PAGA payments and instructions to dispute the calculations, instructions on
3 how to opt-out of or object to the Settlement, the date, time, and location of the final approval
4 hearing, and the amounts sought for the class representative service payment, attorneys' fees and
5 litigation costs, and settlement administration costs. *See generally, id.* The Class Notice also
6 notifies Class Members that they do not need to submit a claim in order to participate in the
7 Settlement and receive a payment. *See id.* The Settlement Administrator will mail Class Members
8 the Class Notice by first-class mail in English and in Spanish. Settlement Agreement at § 7.4.2.

9 If a Class Notice is returned as undeliverable, the Settlement Administrator will re-mail the
10 Class Notice within 5 calendar days to the forwarding address provided by the U.S. Postal Service.
11 *Id.* at § 7.4.3. If no forwarding address is provided, the Settlement Administrator will conduct a
12 Class Member Address Search and re-mail the Class Notice to the most current address obtained.
13 *Id.* The deadline to opt-out of the Settlement or to submit an objection or dispute will be extended
14 by 14 days for all Class Members whose Class Notice was remailed. *Id.* at §7.4.4.

15 **C. Proposed Release**

16 All Participating Class Members will release all claims, rights, demands, liabilities, and
17 causes of action, alleged or which could have reasonably been alleged based on the facts alleged
18 in the operative Complaint, including but not limited to: (1) failure to pay minimum and straight
19 time wages (pursuant to Cal. Labor Code §§ 204, 1194, 1194.2, 1197 and 1197.1); (2) failure to
20 pay overtime wages (pursuant to Cal. Labor Code §§ 510, 1194, and 1198); (3) failure to provide
21 meal periods (pursuant to Cal. Labor Code §§ 226.7 and 512); (4) failure to authorize and permit
22 rest periods (pursuant to Cal. Labor Code §§ 226.7); (5) failure to timely pay final wages at
23 termination (pursuant to Cal. Labor Code §§ 201-203); (6) failure to provide accurate itemized
24 wage statements (pursuant to Cal. Labor Code §§ 226); (7) failure to indemnify employees for
25 expenditures (pursuant to Cal. Labor Code §§ 2802); (8) failure to produce requested employment
26 records (pursuant to Cal. Labor Code §§ 226, 432, and 1198.5); and (9) unfair business practices
27 (pursuant to Cal. Bus. & Prof. Code §§ 17200, *et seq.*). The enumeration of these specific claims
28 shall neither enlarge nor narrow the scope of *res judicata* based on the claims that were asserted in

1 the Action or could have been asserted in the Action based on the facts and circumstances alleged
2 in the Complaint. The Released Class Claims are those that accrued during the Class Period.
3 Settlement Agreement at § 5.2.

4 All Aggrieved Employees will release all claims for PAGA civil penalties that are alleged
5 or reasonably could have been alleged based on the facts alleged in the operative Complaint and
6 in Plaintiff's November 15, 2023 PAGA Notice, including but not limited to: (1) failure to pay
7 minimum and straight time wages (pursuant to Cal. Labor Code §§ 204, 210, 510, 1194, 1194.2,
8 1197 and 1197.1); (2) failure to pay overtime wages (pursuant to Cal. Labor Code §§ 510, 1194
9 and 1198); (3) failure to provide meal periods (pursuant to Cal. Labor Code §§ 210, 226.7 and
10 512); (4) failure to authorize and permit rest periods (pursuant to Cal. Labor Code §§ 210 and
11 226.7); (5) failure to timely pay final wages at termination (pursuant to Cal. Labor Code §§ 201 –
12 203 and 213(d)); (6) failure to provide accurate itemized wage statements (pursuant to Cal. Labor
13 Code §§ 226 and 226.3); (7) failure to indemnify employees for expenditures (pursuant to Cal.
14 Labor Code § 2802); (8) failure to produce requested employment records (pursuant to Cal. Labor
15 Code §§ 226, 432, and 1198.5); (9) failure to pay all earned wages twice per month and unlawfully
16 withholding accrued wages (pursuant to Cal. Labor Code §§ 204, 210 and 216); (10) failure to
17 maintain accurate records of hours worked and meal periods (pursuant to Cal. Labor Code §§ 1174,
18 and 1174.5); (11) recordkeeping requirement violations (pursuant to Cal. Labor Code §§ 226.6,
19 558.1, 1174, 1174.5, 1198 and 1199); (12) willful misclassification (pursuant to Cal. Labor Code
20 § 226.8); (13) retaliation (pursuant to Cal. Labor Code § 1102.5); and (14) civil penalties for wage
21 and hour violations (pursuant to Cal. Labor Code § 558). The Released PAGA Claims are those
22 that accrued during the PAGA Period. *Id.* at § 5.3. Only Plaintiff will agree to a general release
23 and a waiver of Civil Code § 1542. *Id.* at § 5.1, 5.1.1.

24 ///

25 ///

26 ///

27 ///

1 **IV. THE PROPOSED SETTLEMENT AGREEMENT MEETS ALL CRITERIA FOR**
2 **PRELIMINARY APPROVAL**

3 **A. Provisional Certification of the Class is Appropriate**

4 Class certification is appropriate when there is: (1) an ascertainable and sufficiently
5 numerous class; (2) a well-defined community of interest among class members; and (3) substantial
6 benefits from certification that render proceeding as a class superior to the alternatives. *Brinker*
7 *Restaurant Corp. v. Superior Court*, 53 Cal.4th 1004, 1021 (2012). Although courts still need to
8 review and consider each element for certification, a lesser standard can be used to provisionally
9 certify a settlement class. *Global Minerals & Metals Corp. v. Superior Court*, 113 Cal.App.4th
10 836, 859 (2003).

11 **1. The Proposed Class is Numerous and Ascertainable**

12 “Ascertainability” is determined by examining the class definition and the size of the class,
13 and may also involve examining the means available to identify class members. *Noel v. Thrifty*
14 *Payless, Inc.*, 7 Cal.5th 955, 980-981, 985-986 (2019). As the settlement eliminates the need for
15 trial, “the case management issues inherent in the ascertainable class determination need not be
16 confronted.” *Global Minerals*, 113 Cal.App.4th at 859. Further, under California law, there is no
17 minimum number of class members for maintenance of a class action. *Hendershot v. Ready to Roll*
18 *Transp., Inc.*, 228 Cal.App.4th 1213, 1222 (2014). Class sizes as small as 10 have been permitted.
19 *Rose v. City of Hayward*, 126 Cal.App.3d 926, 934 (1981), disapproved on other grounds by *Noel*,
20 7 Cal.5th at 986.

21 The Class here consists of all persons who worked for Defendant in California as an hourly-
22 paid or non-exempt employee at any time during the Class Period from September 27, 2019, to
23 July 30, 2025. See Settlement Agreement at §§ 1.5, 1.13. The Class is also readily ascertainable
24 from Defendant’s business records, because all Class Members are or were employees of
25 Defendant. Defendant’s records show there are approximately 171 Class Members, making joinder
26 of all Class Members impracticable. Yslas Decl. at ¶ 9.

27 ///

28 ///

1 **2. A Well-Defined Community of Interest Exists**

2 The community of interest requirement embodies three factors: (1) predominant common
3 questions of law or fact; (2) class representatives with claims or defenses typical of the class; and
4 (3) class representatives who can adequately represent the class. *Brinker*, 53 Cal.4th at 1021.

5 **a. Common Questions Predominate**

6 In determining whether common issues “predominate,” courts consider both plaintiff’s
7 legal theories and defendant’s affirmative defenses. *Duran v. U.S. Bank Nat’l Ass’n*, 59 Cal.4th 1,
8 28-29 (2014). The “predominate common questions” factor does not require that all class members
9 have identical claims. *Ayala v. Antelope Valley Newspapers, Inc.*, 59 Cal.4th 522, 530 (2014).
10 Rather, the focus is on whether issues shared by the class members are sufficiently uniform to
11 permit class-wide assessment, and whether individual variations in proof on those issues are
12 manageable. *Id.*

13 Plaintiff has alleged that Defendant maintained common employment policies and/or
14 practices that unlawfully deprived Class Members of wages, meal period, rest periods,
15 reimbursements for business expenses, accurate wage statements, and timely payment of wages
16 upon separation of employment. Yslas Decl. at ¶ 10. These allegations present common factual
17 and legal questions of, *inter alia*, whether Defendant applied the same scheduling, timekeeping,
18 pay, meal period, rest period, and reimbursement policies to all Class Members, whether these
19 policies and practices resulted in Labor Code violations, whether Defendant’s conduct was
20 intention, and whether Class Members are entitled to damages and/or penalties. *Id.* These common
21 questions could be resolved using Class Members’ time records, payroll records, testimony from
22 Defendant’s designated representative(s), and Class Members’ testimony. *Id.* Therefore, the Court
23 can and should exercise its discretion to grant conditional class certification for settlement
24 purposes.

25 **b. Plaintiff is Typical of the Class**

26 Typicality does not require that the representative plaintiff’s claims and those of the class
27 members be identical or perfectly aligned. *Wershba v. Apple Computer, Inc.*, 91 Cal.App.4th 224,
28 228 (2001), disapproved on other grounds by *Hernandez v. Restoration Hardware, Inc.*, 4 Cal.5th

1 260, 269-280 (2018). Typicality does not require that a plaintiff's claims be identical to those of
2 other class members, only that their claims and the defenses applicable to them are sufficiently
3 similar to those of other class members that a named plaintiff is able to adequately represent the
4 class and focus on common issues. *Medrazo v. Honda of North Hollywood*, 166 Cal.App.4th 89,
5 99 (2008).

6 Plaintiff has alleged that she and Class Members were employed by the same Defendant
7 and injured by Defendant's common wage and hour policies and practices, including Defendant's
8 scheduling, timekeeping, pay, meal period, rest period, and reimbursement policies. *See* Yslas
9 Decl. at ¶ 10. Through formal and informal discovery, including the production of thousands of
10 documents by Defendant, Plaintiff confirmed that these challenged policies and practices applied
11 to Plaintiff as well as Class Members. *See id.* at ¶ 8. Therefore, Plaintiff's claims and Class
12 Members' claims arise from the same challenged employment policies and practices and are based
13 on the same legal theories.

14 *c. Plaintiff and Plaintiff's Counsel Will Adequately Represent the Class*

15 Certification requires adequacy of both the proposed class representative and of the
16 proposed class counsel. Cal. Code Civ. Proc. § 382. "Only a conflict that goes to the very subject
17 matter of the litigation will defeat a party's claim of representative status." *Richmond v. Dart*
18 *Industries*, 29 Cal.3d 462, 470 (1981). Only conflicts that are "irreconcilable" can defeat adequacy.
19 *Nat'l Solar Equip. Owners' Ass'n v. Grumman Corp.*, 235 Cal.App.3d 1273, 1286 (1991). The
20 proposed representative Plaintiff and proposed Class Counsel present no such conflict.

21 Plaintiff's interests are coextensive with Class Members' interests. *see generally*
22 Declaration of Sandra Yaquinto in Support of Motion for Preliminary Approval of Class Action
23 and PAGA Settlement ("Yaquinto Decl."). Plaintiff has demonstrated an ability to advocate for the
24 interests of Class Members by initiating this lawsuit, gathering documents and information,
25 responding to and propounding written discovery, being deposed, being available on the day of
26 mediation to answer questions, meeting with her attorneys to understand the claims and theories
27 of liability at issue, assisting her attorneys in preparation for mediation, communicating with their
28 attorneys for regular updates, and reviewing the proposed Settlement. *Id.*

1 Likewise, Wilshire Law Firm, PLC has expended considerable time and effort on this case
2 and will continue to do so through final approval. *See generally*, Yslas Decl. Therefore, Plaintiff
3 should be appointed Class Representative, and her counsel should be appointed Class Counsel.

4 ***3. A Class Action is Superior to a Multitude of Individual Lawsuits***

5 Courts have held that class treatment of wage and hour claims is clearly “superior to the
6 other available methods for the fair and efficient adjudication of the controversy.” *Dean Witter*
7 *Reynolds, Inc. v. Superior Court*, 211 Cal.App.3d 758, 772-773 (1989). This is so because “[p]ublic
8 policy has long favored the ‘full and prompt payment of wages due an employee.’” *Sav-On Drug*
9 *Stores, Inc. v. Superior Court*, 34 Cal.4th 319, 340 (2004). Here, a class action is superior to a
10 multitude of individual lawsuits. Given the size and amount of each Class Members’ claim, Class
11 Members have little incentive to litigate their claims on an individual basis because the out-of-
12 pocket expenses and personal commitment necessary to litigate each claim likely outweighs any
13 potential recovery. Yslas Decl. at ¶ 9. Therefore, a class action is the superior method for seeking
14 relief.

15 **B. The Settlement Meets the Standards for Preliminary Approval**

16 The moving party must demonstrate that “the settlement is fair, adequate and reasonable.”
17 *Kullar v. Foot Locker Retail, Inc.*, 168 Cal.App.4th 116, 126 (2008). “In determining whether a
18 class settlement is fair, adequate, and reasonable, the trial court should consider relevant factors,
19 such as the strength of plaintiffs’ case, the risk, expense, complexity and likely duration of further
20 litigation, the risk of maintaining class action status through trial, the amount offered in settlement,
21 the extent of discovery completed and the stage of the proceedings, the experience and views of
22 counsel, the presence of a governmental participant, and the reaction of the class members to the
23 proposed settlement.” *Wershba*, 91 Cal.App.4th at 244-245 (internal quotations and citations
24 omitted).

25 ***1. The Settlement is Entitled to a Presumption of Fairness***

26 A settlement is entitled to “a presumption of fairness . . . where : (1) the settlement is
27 reached through arm’s length bargaining; (2) investigation and discovery are sufficient to allow
28 counsel and the court to act intelligently; (3) counsel is experienced in similar litigation; and (4)

1 the percentage of objectors is small.” *Dunk v. Ford Motor Co.*, 48 Cal.App.4th 1794, 1801 (1996).
2 The Settlement here satisfies the first three factors. Plaintiff will analyze the fourth factor at final
3 approval after Class Members have been notified of the Settlement and provided with an
4 opportunity to object.

5 *a. The Settlement is the Result of Arm’s Length Negotiation*

6 Courts have recognized that the involvement of a respected mediator provides a high degree
7 of assurance that the settlement is the result of arm’s length bargaining. *See Chavez v. Netflix, Inc.*,
8 162 Cal.App.4th 43, 52-53 (2008). The Settlement in this matter was the product of a full-day
9 mediation session with a respected mediator. Yslas Decl. at ¶ 5. The negotiations were adversarial,
10 conducted at arm’s length, and tempered by the efforts of both sides to serve the interests of their
11 clients. *Id.*

12 *b. Sufficient Investigation and Discovery Have Been Conducted*

13 Prior to attending mediation, Plaintiff’s Counsel thoroughly investigated the claims,
14 applicable law, and potential defenses. *Id.* at ¶ 8. Plaintiff’s Counsel assessed the value to the class
15 claims using the documents and data Defendant produced in formal and informal discovery,
16 including class data providing the number of Class Members, the number of workweeks in the
17 Class Period, and the number of pay periods in the PAGA Period, the information from Plaintiff’s
18 deposition, Plaintiff’s personnel file, employment handbook and policies, job descriptions, and
19 time and payroll records. *Id.*

20 *c. Plaintiff’s Counsel is Experienced in Similar Litigation*

21 Plaintiff is represented by Wilshire Law Firm, PLC. *Id.* at ¶ 18. Plaintiff’s Counsel have
22 extensive experience litigating wage and hour class actions on behalf of employees. *See id.* at ¶¶
23 19-33. Plaintiff’s Counsel have been involved as counsel in numerous class actions that have
24 resulted in millions of dollars in recovery. *See id.*

25 ***2. The Settlement is Reasonable Given the Strengths of Plaintiff’s Claims***
26 ***and the Risks and Expense of Further Litigation***

27 A settlement does not have to provide 100% of the damages sought to be considered fair
28 and reasonable. *See Rebney v. Wells Fargo Bank*, 220 Cal.App.3d 1117, 1139 (1991). Although

1 the exposure Plaintiff's Counsel calculated is substantial, the various risks at succeeding at class
2 certification and through trial affected the valuation of the claims for settlement purposes. Yslas
3 Decl. at ¶ 11.

4 Minimum and Overtime Wages: Plaintiff's unpaid minimum and overtime wage claims
5 were based on the allegation that Defendant required Class Members to perform work duties in
6 lieu of meal periods and/or rest breaks. Yslas Decl. at ¶ 12. Based on Plaintiff's estimate that she
7 worked a total of 1 hour off-the-clock each week, Plaintiff's Counsel assumed each Class Member
8 worked 1-hour off-the-clock per week in calculating potential exposure to be approximately
9 \$938,206.80 for these claims. *Id.* However, it could be argued that any off-the-clock time was
10 undocumented and unknown to Defendant, if any, and that Plaintiff was paid all of the hours
11 reported on her timecard. *Id.* Because this claim would have relied heavily on Class Member
12 testimony and would not be evidenced in Defendant's time and payroll records, the risk of
13 succeeding at class certification was substantial. *Id.* Accordingly, Plaintiff's Counsel applied a risk
14 discount based on a 20% chance of succeeding at class certification and a 15% chance of
15 succeeding at trial on the merits, yielding a realistic estimate of approximately \$28,146.20
16 ($\$938,206.80 \times 20\% \times 15\%$), or 20% of the Gross Settlement Amount. *Id.*

17 Meal Periods: Plaintiff's meal period claims were based on the allegations that Defendant
18 failed to maintain a policy and practice of providing meal periods and/or paying meal period
19 premiums when its time records showed Class Members' meal periods were late, short, or missed.
20 Yslas Decl. at ¶ 13. Plaintiff also alleges that Defendant failed to accurately record meal periods.
21 *Id.* Plaintiff's Counsel found a violation rate of approximately 33% in Defendant's time and payroll
22 records and calculated potential exposure on this claim to be approximately \$1,032,027.48. *Id.*
23 However, it could be argued that Defendant's handbook provided a "Meal Periods" policy that
24 expressly permitted Class Members to take their meal period. *Id.* It could be further argued that
25 during her employment Plaintiff was not told that she could not take her meal period and that no
26 evidence exists that would show that any employee of the Defendant was prevented from taking
27 their meal period. *Id.* Accordingly, Plaintiff's Counsel applied a risk discount based on a 30%
28 chance of succeeding at class certification and a 20% chance of succeeding at trial on the merits,

yielding a realistic damage estimate of approximately \$61,921.65 ($\$1,032,027.48 \times 30\% \times 20\%$), or 43% of the Gross Settlement Amount. *Id.*

Rest Breaks: Plaintiff's rest break claims were based on the allegations that Defendant failed to maintain a policy and/or practice of providing rest breaks and/or paying rest break premiums when Class Members' rest breaks were late, short, or missed. Yslas Decl. at ¶ 14. Plaintiff's Counsel applied a 33% violation rate to all shifts over 3.5 hours and calculated a potential exposure of \$1,032,027.48 for this claim. *Id.* However, it could be argued that Defendant's handbook provided a code-compliant rest break policy and that no evidence exists that would show that Plaintiff or any Class Member was prevented from taking their rest break. *Id.* Because this claim would have relied exclusively on Class Member testimony, Plaintiff's Counsel applied a risk discount based on a 20% chance of succeeding at class certification and a 10% chance of succeeding at trial on the merits, yielding a realistic damage estimate of approximately \$20,640.55 ($\$1,032,027.48 \times 20\% \times 10\%$), or approximately 14% of the Gross Settlement Amount. *Id.*

Reimbursements: Plaintiff's reimbursement claim was based on the allegation that Defendant required Class Members to use their personal cell phones for work-related purposes, such as but not limited to, to communicate with supervisors. Yslas Decl. at ¶ 15. Based on Plaintiff's estimate that they incurred approximately \$40 in unreimbursed expenses per month, Plaintiff's Counsel assumed each Class Member incurred \$40 in unreimbursed expenses per month in calculating potential exposure to be approximately \$125,900.00 for this claim. *Id.* However, it could be argued that while Defendant provided a "Reimbursement" policy, Plaintiff and Class Members were not required to use their personal cell phones for work as a company phone could be used, if needed, and that it could not have known that these expenses were being incurred. *Id.* Accordingly, Plaintiff's Counsel could not attribute any value to this claim in terms of settlement value. *Id.*

Derivative Penalties: Plaintiff alleged that as a result of Defendant's alleged failure to pay all wages and meal and rest period premiums owed, Defendant owed waiting time penalties and wage statement penalties. Yslas Decl. at ¶ 16. However, it could be argued that Defendant had

1 good faith defenses that made the imposition of these penalties unwarranted. *Id.* Moreover,
2 Plaintiff could not recover these penalties if they failed to prove the underlying claims. *Id.*
3 Although Plaintiff's Counsel calculated that potential exposure for the waiting time penalty claim
4 was approximately \$1,073,088.00 and approximately \$476,000.00 for the wage statement penalty
5 claim, Plaintiff's Counsel could not attribute a high value to these claims, and so, Plaintiff's
6 Counsel applied a risk discount based on a 20% chance of succeeding at class certification and a
7 10% chance of succeeding at trial on the merits for each claim, yielding a realistic damage estimate
8 of approximately \$21,461.76 (\$1,073,088.00 x 20% x 10%) for the waiting time penalty claim and
9 \$9,520.00 (\$476,000.00 x 20% x 10%) for the wage statement penalty claim. *Id.*

10 PAGA: For the PAGA claim, Plaintiff's Counsel determined that Defendant's potential
11 exposure could potentially reach \$629,500.00, assuming the initial \$100 penalty would apply for
12 each of the 6,295 pay periods in the PAGA Period. *Id.* at ¶ 17. However, even assuming success
13 on the merits of each claim, PAGA gives the Court discretion to reduce penalties for a variety of
14 reasons, including where to do otherwise would result in an award that is unjust, arbitrary and
15 oppressive, or confiscatory. *Id.* Therefore, the settlement allocates \$10,000.00 of the Gross
16 Settlement Amount to PAGA. *Id.*

17 **C. The Requested Service Payment is Reasonable**

18 Plaintiff seeks class representative service payment of up to \$10,000.00 to Plaintiff for
19 accepting the responsibilities of representing the interests of the Class and potential costs that were
20 not borne by any other Class Member. Settlement Agreement at § 3.2.1. A named plaintiff is
21 eligible for payment that reasonably compensates her for undertaking and fulfilling a fiduciary
22 duty to represent absent class members. *See Cellphone Termination Fee Cases*, 186 Cal.App.4th
23 1380, 1393 (2010); *Bell v. Farmers Ins. Exch.*, 115 Cal.App.4th 715, 726 (2004).

24 Throughout this case, Plaintiff assisted counsel in gathering evidence necessary to
25 prosecute the claims, maintained regular contact with counsel, was deposed, propounded and
26 responded to written discovery, was available on the day of mediation to answer questions, and
27 reviewed the Settlement to ensure it was fair to the Class. *see generally* Yaquinto Decl. No action
28 would likely have been taken by Class Members individually and no compensation would have

1 been recovered for them, but for Plaintiff's services on behalf of the Class. By actively pursuing
2 this action, Plaintiff furthered the California public policy goal of enforcing the State's wage and
3 hour laws. *See Sav-On*, 34 Cal.4th at 340. The requested class representative service payment is
4 reasonable and should be preliminarily approved. Plaintiff will provide additional information as
5 requested or required by the Court at final approval.

6 **D. The Requested Attorneys' Fees and Costs Are Reasonable**

7 The purpose of an attorneys' fee award in class action litigation is to reward counsel who
8 invested in a case despite the risk of non-payment and achieved a substantial positive result for the
9 class. California courts routinely award attorneys' fees equaling one-third or more of the potential
10 value of the common fund. *See Chavez*, 162 Cal.App.4th at 66, fn. 11 ("Empirical studies show
11 that, regardless of whether the percentage method or the lodestar method is used, fee awards in
12 class actions average around one-third of the recovery.").

13 Plaintiff seeks appointment of Wilshire Law Firm, PLC as Class Counsel. The attorneys
14 performed significant work and expended litigation costs in prosecuting this matter with no
15 guarantee of payment. Yslas Decl. at ¶ 18. Plaintiff's Counsel seeks preliminary approval for
16 \$47,500.00 in attorneys' fees, which is up to one-third (1/3) of the Gross Settlement Amount, and
17 up to \$20,000.00 in reimbursement of litigation costs. Given the work performed in this matter,
18 the extensive information exchange, and the substantial recovery obtained on behalf of the Class,
19 Plaintiff's Counsel achieved a settlement through efficient and diligent work. *See generally*, Yslas
20 Decl. At final approval, Plaintiff's Counsel will fully brief the merits of its request for the award
21 of attorneys' fees and litigation costs.

28 ///

1 **V. CONCLUSION**

2 The Parties have negotiated a fair and reasonable settlement of the class claims in light of
3 the risks presented in this case. Plaintiff has presented the materials and information necessary to
4 demonstrate that the requirements for preliminary approval have been met, and therefore
5 respectfully requests that the Court preliminarily approve the Settlement and schedule a date for
6 the final approval hearing.

7 Respectfully submitted,

8 Dated: April 2, 2026
