**DECLARATION OF PLAINTIFF VALERIA
RAMIREZ**

Hearing

Date: March 17, 2025

Time: 8:30 a.m.

Dept.: 1

Complaint filed: November 2, 2023

I, Valeria Ramirez, state and declare:

1. I am the Plaintiff in the above captioned action and have personal knowledge of
all matters stated herein and could competently testify thereto. I make this declaration in support
of the motion for preliminary approval of the class action settlement. I believe that the settlement
is fair and reasonable and constitutes a fair resolution of the claims alleged.

2. When I first retained my attorneys (Lauby, Mankin & Lauby) and chose to pursue
this case on a class action basis, I understood that I had specific burdens as the "Class
Representative," which included: (a) representing the interests of all class members, (2)

1 considering the interests of all class members above my own personal interests, (3) participating
2 actively in the lawsuit, including potential testimony at deposition and trial, and keeping
3 generally aware of the status and progress of the lawsuit. Moreover, I understood that any
4 resolution of the lawsuit is subject to court approval and must be designed in the best interests of
5 the class as a whole.

6 3. Since first initiating this action on behalf of the proposed class, I believe that I
7 have more than adequately performed my duties as a class representative. I have been an active
8 participant in this litigation, including assisting my attorneys in various ways and making myself
9 available when needed. For example, I have assisted my attorneys by compiling and analyzing
10 substantial documentation regarding the claims in this case. I have also helped to explain and
11 discuss the company's practices and their general practices and procedures, locating and
12 analyzing company documents, among others. I have also reviewed all settlement documents and
13 believe that this settlement is fair for the class. Finally, I will continue to take all steps necessary
14 to finalize this settlement and obtain court approval.

15 4. I have no conflicts with the proposed class members and will continue to assist
16 with the litigation and prosecute the case on behalf of the other employees.

17 5. I respectfully request that the court preliminarily approve the service award. As
18 outlined above, I have performed substantial services for the Class and helped obtain a highly
19 beneficial settlement for my fellow employees. And I have also agreed to waive all of my claims
20 against the company as part of this settlement. At the final approval stage, I will submit an
21 additional declaration setting forth all the work I did for this case, including an estimated number
22 of hours spent assisting the Class and my attorneys.

23 I declare under penalty of perjury under the laws of the State of California that the
24 foregoing is true and correct. Executed on Feb 21, 2025, at Rialto, California.
