Attorneys for Plaintiff, on a representative basis and on behalf of all others similarly situated

SUPERIOR COURT OF THE STATE OF CALIFORNIA
FOR THE COUNTY OF RIVERSIDE

VALERIA RAMIREZ, individually, on a
representative basis, and on behalf of all
others similarly situated; ERIKA SIGALA,
individually, on a representative basis, and
on behalf of all others similarly situated;

Plaintiffs,

vs.

INLAND SOUTHERN CALIFORNIA
211, a California Nonprofit Corporation;
and DOES 1 through 20, inclusive;

Defendants.

Case No.: CVRI2305899
*[Assigned to Hon. Harold Hopp, Dept 1, for all
purposes]*

**PLAINTIFF'S UNOPPOSED MOTION
FOR PRELIMINARY APPROVAL OF
CLASS ACTION AND PAGA
SETTLEMENT; DECLARATIONS IN
SUPPORT OF; [PROPOSED] ORDER**

Hearing

Date: March 17, 2025

Time: 8:30 a.m.

Dept.: 1

Complaint filed: November 2, 2023

TO ALL PARTIES AND THEIR ATTORNEYS OF RECORD:

PLEASE TAKE NOTICE that on March 17, 2025, 8:30 a.m., or as soon thereafter as the
matter may be heard by the Honorable Harold Hopp in Department 1 of the Riverside County
Superior Court, located at 4050 Main Street, Riverside, CA 92501, Plaintiffs Valeria Ramirez
and Erika Sigala, individually and on behalf of all others similarly situated, will and hereby do
move the Court for entry of an Order preliminarily approving the Parties' Class Action and
Private Attorneys General Act ("PAGA") settlement between Plaintiffs and Defendant Inland
Southern California 211, including:

1. Certifying the class for purposes of settlement only;
2. Preliminarily appointing Plaintiffs as class representatives for settlement purposes;
3. Appointing Plaintiffs' counsel as class counsel for purposes of settlement only;
4. Preliminarily approving the class action and PAGA settlement as fair, adequate, and reasonable, based upon the terms set forth in the Settlement Agreement;
5. Directing distribution of the Class Notice, including notice of the opportunity to exclude oneself from, or object to, the settlement;
6. Setting a date for a final fairness hearing to determine, following dissemination of the Class Notice, whether to grant final approval of the Settlement.

This motion is based upon this Memorandum of Points and Authorities in Support thereof; the Declaration of Plaintiff's counsel (Brian Mankin and Misty Lauby); the Declaration of Plaintiffs; the Declaration of Michael Moore on behalf of Phoenix Settlement Administrators; the Class Action and PAGA Settlement Agreement and Release of Claims (the "Settlement Agreement"); the proposed Order granting Preliminary Approval of the Settlement; all other records, pleadings, and papers filed in this action; and upon such other evidence or argument as may be presented to the Court at the hearing of this motion.

Dated: February 21, 2025

1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **I. INTRODUCTION**

3 Plaintiffs Valeria Ramirez and Erika Sigala seek preliminary approval of a \$217,500
4 class action settlement on behalf of approximately 350 current and former nonexempt (hourly
5 paid) employees employed by Defendant Inland Southern California 211 in California at any
6 time during the Class Period of November 2, 2019, through October 28, 2024.

7 Under the terms of the Settlement Agreement,¹ Defendant will not oppose Plaintiffs
8 Counsel's application for a reasonable award of attorneys' fees not to exceed \$72,500 (1/3 of the
9 Settlement Amount), litigation expenses not to exceed \$25,000, Settlement Administrator Costs
10 of \$7,000, PAGA penalties of \$20,000 (75% to LWDA and 25% to Aggrieved Employees), and
11 a Service Payment of \$7,500 each to Plaintiffs (aka "Class Representatives"). (S.A. ¶ 47).

12 After all Court-approved deductions from the Settlement Amount, it is estimated that
13 \$78,000.00 will be available to pay the Class Members, as follows:

14

<i>Settlement Amount</i>	\$ 217,500.00
Attorneys' Fees (1/3)	\$ 72,500.00
Litigation Costs (not to exceed)	\$ 25,000.00
Administrator Costs	\$ 7,000.00
PAGA Penalties	\$ 20,000.00
Class Representatives Service Awards	\$ 15,000.00
<i>Net Settlement Amount</i>	\$ 78,000.00

15
16
17
18

19
20 Assuming 350 total Class Members, the average payment will be approximately \$222.85
21 (\$78,000.00 / 350). However, the actual payments will be calculated on a pro-rata basis
22 according to the number of Weeks Worked by each Class Member during the Class Period. (S.A.
23 ¶ 47(c); Mankin Decl. ¶¶ 51 [based on an estimate 18,800 workweeks during this period, we can
24 assume an average per-workweek value of \$4.15 (\$78,000.00 / 18,800). Thus, on the low end, a
25 Class Member that worked only 2 weeks during the Class Period will receive \$8.30 (\$4.15 x 2).
26 And, at the high end, a Class Member that worked for the entire Class Period (260 calendar
27

28 ¹ The Class Action and PAGA Settlement Agreement and Release of Claims (the "Settlement Agreement" or "S.A.") is attached as Exhibit A to the Decl. of Brian Mankin ("Mankin Decl.").

1 weeks) will receive an estimated high payment of \$1,079.00 (\$4.15 x 260)). In addition,
2 approximately 178 Aggrieved Employees will receive a share of the \$5,000 PAGA Penalties
3 (25% of the \$20,000 allocation), calculated pro-rata based on Weeks Worked during the PAGA
4 Period. (S.A. ¶ 47(h)).

5 Because the settlement is fair, reasonable, and negotiated at arm's length by experienced
6 counsel and an experienced mediator following a sufficient exchange of information and
7 documents prior to mediation, it should be preliminarily approved. Plaintiff respectfully requests
8 that the Court enter an order preliminarily approving the settlement, conditionally certifying the
9 Class under Code of Civil Procedure § 382 for settlement purposes, approving the proposed
10 Class Notice, appointing Plaintiff's counsel as class counsel, appointing Phoenix Settlement
11 Administrators as the Administrator, and scheduling a hearing for final approval.

12 **II. BACKGROUND**

13 **A. THE CLASS**

14 The Class is defined as follows:

15 All current and former nonexempt (hourly paid) employees
16 employed by Defendant in California at any time during the Class
17 Period of November 2, 2019, through October 28, 2024. (S.A. ¶¶ 4,
18 8).

18 **B. PROCEDURAL HISTORY**

19 Plaintiff Valeria Ramirez submitted a November 2, 2023 letter to the Labor and
20 Workforce Development Agency ("LWDA") for civil penalties under the Private Attorneys
21 General Act of 2004 ("PAGA"), and simultaneously sent a letter to Defendants requesting the
22 production of her personnel and timekeeping records to further evaluate her wage and hour
23 claims. (Mankin Decl. ¶ 13).

24 Plaintiff Ramirez also filed this class action that same day, alleging that Defendant
25 violated various sections of the Labor Code. Defendant retained counsel and immediately began
26 to defend the case. Thereafter, Plaintiff Erika Sigala retained Class Counsel and a first amended
27 complaint was filed on March 27, 2024 adding Ms. Sigala to the case, as well as adding causes
28 of action under PAGA. (Mankin Decl. ¶ 14).

1 Then, after early discussions among counsel, the Parties agreed to attend private
2 mediation in an effort to avoid a contested class certification process. In preparation for
3 mediation, the Parties informally exchanged documents and information that allowed both sides
4 to calculate the potential damages and evaluate potential risk, including policies and procedures
5 pertaining to the claims, statistics relating to the number of current and former employees,
6 number of shifts, workweeks and pay periods worked and other things, and a sampling of payroll
7 and timekeeping records for Class Members. This information enabled both parties to take a
8 deep dive into the claims. Additionally, during this process, Plaintiffs and their counsel
9 analyzed, researched, and investigated the potential issues, including matters related to the
10 calculation of damages, trial, and appellate issues and risks. (Mankin Decl. ¶ 15).

11 On July 30, 2024, Plaintiffs and Defendant participated in mediation with Steve Rottman,
12 who is one of the most well-respected class action mediators in California. At the conclusion of
13 mediation, and after extensive arms-length negotiations, Mr. Rottman issued a mediator's
14 proposal which was ultimately accepted by the Parties. The Parties now seek the Court's
15 preliminary approval of the Settlement. (Mankin Decl. ¶ 16).

16 **C. BRIEF OVERVIEW OF CLAIMS AND DEFENSES**

17 Plaintiffs alleged numerous wage and hour violations on behalf of the Class Members.
18 However, Defendant vigorously contested and denied Plaintiffs' material allegations on the
19 merits and as to the propriety of a class action or PAGA representative action. (Mankin Decl. ¶
20 17).

21 Plaintiffs' primary claim was based on Defendant's failure to properly record and pay for
22 all hours worked. For instance, Plaintiffs and Class Members were required to perform start-up
23 procedures before they clocked in at the beginning of each shift resulting in unpaid time.
24 Moreover, due to strict call requirements and continuous monitoring for productivity, Class
25 Members were often forced to work-off-clock during meal periods while still clocking out as
26 though they were taking their off-duty meal periods. However, Defendant opposed each unpaid
27 wage claim on the merits and as to the propriety of class certification. (Mankin Decl. ¶18).

1 Plaintiffs also alleged that she and the Class Members were often denied compliant meal
2 and rest breaks due to the nature of the work. However, Defendant argued that it provided and
3 made all mandated meal and rest breaks available to the Class, and any employee who did not
4 take a break did so entirely of their own volition. Thus, Defendant argued that these claims were
5 without merit because, for each violation, a fact-finder would have to determine why a break was
6 noncompliant, because if it was by the employee's choice, no liability attaches to Defendant.
7 Defendant also argued that it had a practice of paying meal premiums when the timekeeping
8 records evidenced a noncompliant meal period). (Mankin Decl. ¶19).

9 Additionally, Plaintiffs claimed that Defendant failed to reimburse business expenses in
10 violation of Labor Code § 2802(a). For instance, Class Members were required to acquire home
11 internet at company mandated speeds, and a smart phone and related monthly data plans to
12 communicate with Defendant via phone and text message, yet Defendant didn't provide
13 reimbursement for these expenses. (Mankin Decl. ¶20).

14 Finally, Plaintiff alleged a variety of other claims (all of which Defendant disputed), such
15 as the failure to timely pay wages each period, failure to timely pay all wages upon separation of
16 employment, failure to provide accurate itemized wage statements. (Mankin Decl. ¶ 21).

17 Despite the disputed nature of the claims, the Parties concluded that further litigation of
18 the Action would be protracted and expensive, and that it is desirable that the Action be fully and
19 finally settled to limit further risk, expense, and protracted litigation. (Mankin Decl. ¶ 22).

20 **III. SUMMARY OF THE PROPOSED SETTLEMENT**

21 The following is a summary of the principal terms of the Settlement Agreement.

22 **A. SETTLEMENT CONSIDERATION AND ALLOCATION**

23 The Parties agreed to a settlement in the amount of \$217,500 (the "Settlement
24 Amount"), which will be paid out to Class Members without the need to submit a claim form or
25 take any affirmative action. It includes (1) Plaintiffs' attorneys' fees and costs, as approved by
26 the Court; (2) a service award of \$7,500 each to Plaintiffs, subject to approval by the Court; (3)
27 Administration Costs, not to exceed \$7,000; (4) a \$20,000 PAGA Payment, with 75% paid to the
28 LWDA and 25% to the Aggrieved Employees; and (5) the aggregate of all Individual Class

1 Payments to the Participating Class Members. (S.A. ¶ 47). Additionally, the Parties agreed to an
2 Escalator Clause² in the event that the Workweek information is more than 10% higher than
3 Defendant estimated at the time of mediation. (S.A. ¶ 15). Defendant will also separately pay its
4 share of employer payroll taxes and withholdings. (S.A. ¶ 47).

5 **B. NOTICE PROCEDURES**

6 Here, the Parties will provide notice of this settlement in strict compliance with Court's
7 Class Action Case Management Order #1, issued on January 30, 2024 (the "CMO"). Thus, as
8 required by CMO ¶ G, the Parties will send each Class Member a Class Notice, a Request for
9 Exclusion Form, an Objection Form, and a Dispute Form. (S.A. ¶ 63), which are attached to the
10 Mankin Decl. as Exhibits B, C, D, and E, respectively.

11 Notably, the proposed Notice complies with CMO ¶ G(5) because it informs each Class
12 Member of the estimated recovery, the number of Weeks Works that each Class Members is
13 credited with, and the applicable average payments, minimum, and high payments. And the
14 Notice Packet will be provided in both English and Spanish to ensure that each Class Member
15 can read and understand the contents.

16 Within 14 calendar days after entry of the Preliminary Approval Order, Defendant shall
17 provide the Settlement Administrator with the "Class Data" consisting of Class Member names,
18 addresses, Social Security Numbers, and Weeks Worked during the Class Period and PAGA
19 Period. (S.A. ¶¶ 7, 61). Within 10 calendar days of receipt of the Class Data, the Settlement
20 Administrator shall calculate the number of weeks worked for each Class Member, populate the
21 Notice, and send each Class Member the Notice Packet via first-class, United States mail. (S.A. ¶
22 63).

23
24
25
26
27 ² If the "Escalator Clause" is triggered, Defendant may elect to increase the Settlement Amount
28 or shorten the Class Period. S.A. ¶¶ 15, 47(a). If Defendant elects to increase the Settlement
Amount, other figures will also shift upward along with the Settlement Amount, such as
attorneys' fees (but this is still constrained to 1/3 of the Settlement Amount) along with increased
Administration Costs (*see* S.A. ¶ 47(g)).

1 If a Notice is returned as undelivered by the U.S. Postal Service, the Settlement
2 Administrator shall perform a skip trace and seek an address correction for the Class Member(s),
3 and a second Notice will be sent to any new or different address obtained. (S.A. ¶ 64).

4 **C. EXCLUSION AND OBJECTION PROCEDURES**

5 Class Members who do not timely Opt-Out of the Settlement will be deemed to
6 participate in the Settlement and shall become a Participating Class Member without having to
7 submit a claim form or take any other action. To Opt-Out of the Settlement, the Class Member
8 must submit a written request to the Administrator no later than 45 days after being mailed by
9 the Settlement Administrator (“Response Deadline”). (S.A. ¶ 33). Any Opt-Out request that is
10 not postmarked by the Response Deadline will be invalid, unless a Notice was remailed in which
11 case the Class Member’s exclusion or objection must be returned by the later of the original
12 Response Deadline or 15 calendar days after the remailing of the notice. (S.A. ¶¶ 64, 68).

13 The Class Notice shall inform Class Members of their right to object to the Settlement.
14 Any Participating Class Member who wishes to object to the Settlement must complete the
15 Objection Form in the Notice Packet. To be valid, any Objection Form must be mailed to the
16 Settlement Administrator and postmarked on or before the Response Deadline. (S.A. ¶ 68(c)).

17 **D. SETTLEMENT ALLOCATION FORMULA FOR SETTLEMENT SHARES**

18 The amount of each Class Member’s Individual Class Payment is tied to the number of
19 Weeks Worked by each Class Member for Defendant in California during the Class Period.
20 Therefore, Individual Class Payments will be calculated by: (a) dividing the Net Settlement
21 Amount by the total number of Weeks Worked by all Participating Class Members during the
22 Class Period, and (b) multiplying the result by each Participating Class Members’ Weeks
23 Worked. (S.A. ¶ 47(c)). Additionally, each “Aggrieved Employee” will receive an Individual
24 PAGA Payment, calculated by dividing and distributing the \$5,000 on a pro-rata Weeks Worked
25 basis. (S.A. ¶ 47(h)).

26 The Class Notice will inform Class Members of the number of Weeks Worked during the
27 Class Period and PAGA Period, and the estimated Individual Class and PAGA Payments. Class
28 Members may dispute their Weeks Worked by timely submitting evidence to the Settlement

1 Administrator. (S.A. ¶ 66).

2 **E. TIMING OF SETTLEMENT DISBURSEMENTS**

3 Pursuant to the terms of the Settlement Agreement, Defendant is required to fund the
4 Settlement Amount, plus its share of payroll taxes owed on the Individual Class Payments,
5 within 15 days of the Effective Date. (S.A. ¶ 69). Within 10 days after receiving the funds, the
6 Administrator shall issue payments to cover all court-approved payments. (S.A. ¶ 70).

7 Participating Class Members and Aggrieved Employees shall have 180 calendar days
8 after mailing by the Settlement Administrator to cash each settlement check. If a check is not
9 cashed within the 180-day period, the check will be voided, and a stop-payment will be issued.
10 When authorized, the Settlement Administrator shall issue all unclaimed funds to the California
11 State Controller's Office in the name of the Participating Class Member or Aggrieved Employee.
12 (S.A. ¶ 71).

13 As required by CMO ¶ G(3)(c)(i), Plaintiff's Counsel explains the reasoning for this
14 method of distribution at Mankin Decl. ¶¶ 56-61.

15 **F. TAX TREATMENT**

16 The Parties agree that 20% of the Individual Class Payments will be allocated as wages
17 subject to withholding of all applicable local, state and federal taxes and the remaining 80% will
18 be allocated for interest and penalties (pursuant to, *e.g.*, California Labor Code §§ 203, 210, 226,
19 2699 etc.) from which no taxes will be withheld. (S.A. ¶ 47(d)). The Individual PAGA
20 Payments will be classified entirely as civil penalties and shall be reported as required on an IRS
21 Form 1099. (S.A. ¶ 47(h)).

22 **G. PARTICIPATING CLASS MEMBERS' RELEASE OF CLAIMS**

23 In exchange for these payments, and in strict compliance with CMO ¶ G(3)(e), the
24 Settlement Agreement at ¶ 30 defines the "Released Class Claims" as follows:

25 all claims stated in the Complaint and based solely upon the facts in
26 the Complaint, including: (1) failure to pay minimum wages, (2)
27 failure to pay overtime wages, (3) failure to provide meal periods,
28 (4) failure to provide rest breaks, (5) failure to reimburse business
expenses, (6) failure to timely pay final wages, (7) failure to provide
accurate itemized wage statements, and (8) unfair and unlawful
competition. The operative release period for the Released Class

1 Claims is the Class Period. Participating Class Members, including
2 Plaintiffs, do not release any other claims, including claims for
3 vested benefits, wrongful termination, violation of the Fair
4 Employment and Housing Act, unemployment insurance, disability,
5 social security, workers' compensation, or claims based on facts
6 occurring outside the Class Period.

7 Additionally, as required by CMO ¶ G(3)(e)(iii), the "time period governing the Released
8 Class Claims shall be any time during the Class Period." (S.A. ¶ 30). And, pursuant to CMO ¶
9 G(3)(e)(i), the "Released Parties" are limited to "Defendant, together with its officers, directors,
10 employees, and agents." (S.A. ¶ 32).

11 It is understood and agreed that the Settlement Agreement will not release any person, party
12 or entity from claims, if any, by Class Members for any other claims, including claims for vested
13 benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment
14 insurance, disability, social security, workers' compensation, or claims based on facts occurring
15 outside the Class Period.

16 **H. AGGRIEVED EMPLOYEES' RELEASE OF CLAIMS**

17 The Settlement Agreement at ¶ 31 also complies with CMO ¶¶ G(3)(e)(iv) and G(9)(d) as
18 it defines the "Released PAGA Claims" as follows:

19 all PAGA claims that Plaintiffs alleged in the Complaint against the
20 Released Parties, based on the facts stated in the November 2, 2023
21 PAGA notice letter by Plaintiff Valeria Ramirez to the LWDA and
22 only to the extent that they are alleged in the Complaint, including
23 all PAGA claims seeking civil penalties premised upon: (1) failure
24 to pay minimum wages, (2) failure to pay overtime wages, (3) failure
25 to provide meal periods, (4) failure to provide rest breaks, (5) failure
26 to reimburse business expenses, (6) failure to timely pay wages each
27 period, (7) failure to timely pay wages upon separation of
28 employment, (8) failure to provide accurate itemized wage
statements, and (9) all other claims for civil penalties recoverable
under the Private Attorneys General Act, Labor Code §§ 2698 et
seq. based on the facts or claims alleged in the LWDA notice letters
and Complaint. The time period governing the Released PAGA
Claims shall be any time during the PAGA Period.

1 The CMO, at ¶¶ G(3)(e)(iv) and G(9)(d)(i), also requires that the “release of claims for
2 PAGA penalties shall bind only the named plaintiff and the State of California.” The Settlement
3 Agreement strictly complies with this requirement. (See S.A. ¶ 51 [“Plaintiffs – in their
4 individual capacity and on behalf of the State of California and LWDA – shall completely
5 release and discharge the Released Parties from the Released PAGA Claims for the PAGA
6 Period”]).

7 Moreover, even if an Aggrieved Employee requests exclusion from the Class settlement,
8 that individual will still be subject to the Released PAGA Claims and will receive a pro-rata share
9 of PAGA Penalties. (S.A. ¶ 52; CMO ¶ G(9)(c)).

10 **IV. PROVISIONAL CERTIFICATION OF THE CLASS IS APPROPRIATE FOR**
11 **PURPOSES OF SETTLEMENT**

12 California Rule of Court 3.769(d) provides that the Court may make an order approving
13 certification of a provisional settlement class at the preliminary approval stage. It is well-
14 established that trial courts should use a “lesser standard of scrutiny” for determining the
15 propriety of certifying a settlement class, as opposed to a litigation class. *Dunk v. Ford Motor*
16 *Co.* (1996) 48 Cal.App.4th 1794, 1807 at n.19; *Officers for Justice v. Civil Service Com.* (9th Cir.
17 1982) 688 F.2d 615, 633 (“[C]ertification issues raised by class action litigation that is resolved
18 short of a decision on the merits must be viewed in a different light.”); *Amchem Prods., Inc. v.*
19 *Windsor* (1997) 521 U.S. 591, 620 (“Confronted with a request for settlement-only class
20 certification, a district court need not inquire whether the case, if tried, would present intractable
21 management problems . . . for the proposal is that there be no trial.”). As discussed below, for the
22 purposes of this settlement only, Plaintiffs request that this Court provisionally certify the Class,
23 as defined above, under Code of Civil Procedure § 382.

24 **A. ASCERTAINABILITY AND NUMEROSITY**

25 In determining whether a class is ascertainable, the court considers “(1) the class
26 definition, (2) the size of the class, and (3) the means available for identifying the class
27 members.” *Reyes v. San Diego County Board of Supervisors* (1987) 196 Cal.App.3d 1263,
28 1271; *Medraza v. Honda of N. Hollywood* (2008) 166 Cal.App.4th 89, 101 (proposed settlement

1 class is ascertainable if the class members can be objectively identified and given notice of the
2 litigation without unreasonable time or expense). Here, according to Defendant's records, there
3 are approximately 350 Class Members that are easily identifiable and fall within the defined
4 Class. Thus, Plaintiffs' proposed Class meets the ascertainability and numerosity requirements.

5 **B. WELL-DEFINED COMMUNITY OF INTEREST**

6 *1. Commonality*

7 To justify certification, the class proponent must show that questions of law or fact
8 common to the class predominate over the questions affecting the individual members. *Arenas v.*
9 *El Torito Rests., Inc.* (2010) 183 Cal.App.4th 723, 732. Here, Plaintiffs contend that the Class
10 was subjected to common policies and practices relating to payment of wages, meal/rest breaks,
11 and so on. While the Parties dispute whether a class would be appropriate if the litigation were to
12 continue, they agree to class certification for the purposes of this settlement only.

13 *2. Typicality*

14 Typicality "focuses on whether there exists a relationship between the Plaintiff's claims
15 and the claims alleged on behalf of the class." See Herbert B. Newberg & Alba Conte, *Newberg*
16 *on Class Actions* ("Newberg") § 3:13 (4th ed. 2002). Again, the Parties dispute whether
17 Plaintiffs' claims are typical of the Class for the purposes of any continued litigation of the
18 Action, but agree for the purposes of this settlement only, that Plaintiffs assert claims regarding
19 Defendant's pay policies, meal and rest break practices, wage statements, and the provisions
20 governing the timely and complete payment of wages, which are at the core of the lawsuit.

21 *3. Adequacy of Representation*

22 The proposed class representative must establish that he or she will adequately represent
23 the proposed class. *Barboza v. West Coast Digital GSM, Inc.* (2009) 179 Cal.App.4th 540, 546.
24 Specifically, Plaintiffs are adequate to represent the class because they was employed by
25 Defendant during the Class Period, experienced the same wage and hour practices as the rest of
26 the Class, understood their duties as a Class Representatives, have been willing to undergo the
27 risks of litigation, and have no conflict of interest. (See Plaintiffs' Decl. ¶¶ 2-4).

1 Adequacy may be established by the fact that counsel are experienced practitioners. See
2 *Local Joint Exec. Bd. v. Las Vegas Sands, Inc.* (9th Cir. 2001) 244 F.3d 1152, 1162. Here,
3 Plaintiffs are represented by Class Counsel with extensive experience in wage and hour class
4 actions like this matter. (Mankin Decl. ¶¶ 2-6).

5 4. Superiority

6 Certification of the Class for settlement purposes is superior here because there will be a
7 global resolution of all claims at once, which fosters judicial economy. Class certification for
8 settlement purposes is also vastly superior to litigation of numerous individual claims because
9 most of the claims are too small to litigate outside of the class context.

10 **V. THE COURT SHOULD PRELIMINARILY APPROVE THE SETTLEMENT,**
11 **WHICH IS FAIR, ADEQUATE, AND REASONABLE**

12 **A. CLASS ACTION SETTLEMENTS ARE SUBJECT TO JUDICIAL REVIEW AND**
13 **APPROVAL UNDER THE CALIFORNIA RULES OF COURT**

14 The law favors settlements. *Bush v. Superior Court* (1992) 10 Cal.App.4th 1374. This is
15 particularly true in class actions where substantial resources can be conserved by avoiding the
16 time, cost, and rigors of formal litigation. However, a class action may not be dismissed,
17 compromised, or settled without the Court's approval. Cal. R. Ct. 3.769(a). The California Rules
18 of Court set forth the procedures for court approval of a class action settlement: (1) the Court
19 preliminarily approves the settlement; (2) class members receive notice as directed by the Court;
20 and (3) the Court conducts a final approval hearing to inquire into the fairness of the proposed
21 settlement. *See* Cal. R. Ct. 3.769(c), (e-g).

22 The decision to approve or reject a proposed settlement lies within the Court's sound
23 discretion. *Wershba v. Apple Computer, Inc.* (2001) 91 Cal.App.4th 224, 234-35. And the
24 Court's ultimate duty is to determine whether the settlement is fair, adequate, and reasonable.
25 *Dunk*, 48 Cal.App.4th at 1801 (setting forth the "fair, adequate, and reasonable" standard).

26 Thus, at the preliminary approval stage, the Court need only determine that the settlement
27 falls within the "range of possible judicial approval," so that notice to the class and the
28 scheduling of the fairness hearing are worthwhile. *See Newberg* § 11:25. Indeed, the Court

1 should grant preliminary approval if there are no “grounds to doubt its fairness or other obvious
2 deficiencies . . . and [the settlement] appears to fall within the range of possible approval.”
3 *Manual For Complex Litigation* (Third) § 30.41 (1995); see *Dunk*, 48 Cal.App.4th at 1802. A
4 “presumption of fairness exists where: (1) the settlement is reached through arm’s-length
5 bargaining; (2) investigation and discovery are sufficient to allow counsel and the court to act
6 intelligently; (3) counsel is experienced in similar litigation; and (4) the percentage of objectors
7 is small.” *Dunk, supra* (citing *Newberg* § 11:41). As shown below, the settlement falls well
8 within the range of approval because there are no grounds to doubt its fairness.

9 **B. THE SETTLEMENT IS THE RESULT OF SERIOUS, INFORMED, NON-COLLUSIVE**
10 **NEGOTIATIONS**

11 The settlement was the product of extensive arm’s length negotiations between counsel
12 and was facilitated by an experienced wage-and-hour class action mediator. Though cordial and
13 professional, the settlement negotiations were adversarial and non-collusive in nature. The
14 settlement reached is the product of substantial effort by the parties and their counsel. Although
15 Plaintiffs and their counsel believed that there was a possibility of certifying the claims, they
16 recognized the potential risk, expense, and complexity posed by litigation, such as unfavorable
17 decisions on class certification, summary judgment, at trial and/or on the damages awarded,
18 and/or on an appeal that can take several more years to litigate. In addition, if Defendant
19 prevailed on any of the defenses, the employees may not have received any monetary recovery.

20 **C. THE EXTENT OF THE INVESTIGATION WAS MORE THAN SUFFICIENT TO PERMIT**
21 **PRELIMINARY APPROVAL OF THE SETTLEMENT**

22 Plaintiffs thoroughly investigated and evaluated the factual and legal strengths and
23 weaknesses of this case before reaching the settlement. As described above, the settlement was
24 reached after extensive investigation and research, thorough calculations and risk evaluation, and
25 a substantial exchange of information prior to mediation. See *Munoz v. BCI Coca-Cola Bottling*
26 *Co.* (2010) 186 Cal.App.4th 399, 410 (approving settlement where “considerable information
27 [exists] from which to assess the strength of the class claims” and litigation risks).

28 ///

1 **D. THE SETTLEMENT IS A REASONABLE COMPROMISE OF CLAIMS**

2 To evaluate a settlement, the parties must provide the trial court with “basic information
3 about the nature and magnitude of the claims in question and the basis for concluding that the
4 consideration being paid for the release of those claims represents a reasonable compromise.”
5 *Kullar v. Foot Locker Retail, Inc.* (2008) 168 Cal.App.4th 116, 133.

6 However, *Kullar* does not require review of the outer reaches of possible exposure
7 without considering actual risks of certification, decertification, dispositive motions, and trial,
8 rather only a record which allows “an understanding of the amount that is in controversy and the
9 realistic range of outcomes of the litigation.” *Munoz*, 186 Cal.App.4th at 408-9. Thus, a
10 settlement is not judged against what might have been recovered had a plaintiff prevailed at trial,
11 nor does the settlement have to provide 100% of the damages sought to be fair and reasonable.
12 *Wershba*, 91 Cal.App.4th at 250 (“Compromise is inherent and necessary in [settlement] ... even
13 if the relief afforded by the proposed settlement is substantially narrower than it would be if the
14 suits were to be successfully litigated, this is no bar to a class settlement because the public
15 interest may indeed be served by a voluntary settlement in which each side gives ground in the
16 interest of avoiding litigation.”)

17 Here, Defendant raised significant legal and factual defenses that weigh in favor of the
18 reasonableness of the proposed Settlement. In addition to disputing the merits of Plaintiffs’
19 claims, Defendant strongly disputed that Plaintiffs could obtain class certification, arguing a lack
20 of commonality of the legal claims and injuries. Defendant further argued that it complied with
21 the applicable law and that any purported deviations therefrom were individualized in nature,
22 thereby limiting Plaintiffs’ ability to certify the class. Thus, while Plaintiffs assert that this is a
23 suitable case for certification, they realize that there is always a significant risk associated with
24 class certification proceedings, which could limit the claims they could pursue on a class basis.
25 Moreover, Defendant’s bankruptcy counsel appeared at mediation and explained the financial
26 hurdles Defendant is facing necessitating a steeper than usual discount on the claims.

27 Considering the uncertainties of protracted litigation, this negotiated settlement reflects
28 the best practicable recovery for the Class. While the total Settlement Amount is, of course, a

1 compromise figure, the potential risks and opportunities of both parties were effectively weighed
2 and considered by the parties, resulting in a fair and equitable settlement.

3 Based upon data obtained through formal and informal discovery, Plaintiff's counsel
4 estimated the following through mediation: (1) 350 Class Members, (2) 213 *former* Class
5 Members for Labor Code § 203, (3) 18,800 workweeks, (4) 76,958 shifts worked, and (4)
6 approximately 3,577 wage statements during the PAGA Period. (Mankin Decl. ¶ 26).

7 From these numbers, and by applying violations rates derived from analysis of extensive
8 documents and data from Defendant, Plaintiffs calculated the following maximum amounts
9 assuming all claims were entirely successful at trial: class damages and penalties of \$ 2,008,771,
10 and PAGA penalties of \$ 1,722,175. (Mankin Decl. ¶ 49). Then, by applying risks at class
11 certification and on the merits, and when considering other factors (such as evidentiary burdens
12 of proof), Plaintiffs calculated the risk-adjusted award at trial for the class claims to be \$ 509,300
13 and for PAGA as \$ 215,272. (Mankin Decl. ¶ 49). As required by CMO ¶ G(3)(a)(i and ii), the
14 full analysis of the maximum and risk-adjusted values is contained in the Mankin Decl. at ¶¶ 27-
15 49 (and, for the sake of brevity, that information is not duplicated in this Motion).

16 Thus, the reasonableness of the settlement is apparent from the fact that the proposed
17 settlement is 30 % of the risk-adjusted class damages and penalties. And, for that reason and the
18 others discussed in this Motion, the Parties submit that this settlement is fair and reasonable.

19 **E. PLAINTIFFS' COUNSEL IS EXPERIENCED IN WAGE-AND-HOUR LITIGATION**

20 The view of attorneys conducting the litigation is entitled to significant weight deciding
21 whether to approve a settlement. *Ellis v. Naval Air Rework Facility* (N.D. Cal. 1980) 87 F.R.D.
22 15, 18; *Kullar*, 168 Cal.App.4th at 128 (court must consider "the experience and view of
23 counsel"). Here, Plaintiffs' Counsel are highly experienced in Class/PAGA litigation, having
24 repeatedly been named "Super Lawyer" in employment litigation (a distinction awarded to only
25 5% of litigators), having achieved large settlements and verdicts, including one of the largest
26 PAGA awards in California's history, collecting over \$250 million for its clients, having tried
27 class and PAGA cases against Fortune 100 companies, among other things. (Mankin Decl. ¶¶ 2-
28 6). Plaintiff's counsel, operating at arm's length, weighed the strengths and risks of this case, and

1 are of the view that this is a fair and reasonable settlement considering the nature of the claims,
2 realistic risk adjusted value, the complexities of the case, state of the law, and uncertainties of
3 class certification and litigation.

4 **F. THE CLASS NOTICE CONFORMS TO ALL APPLICABLE STATUTES AND RULES**

5 The proposed Notice should be approved, as it fully informs the Class Members of the
6 nature of the lawsuit and each Class Member's rights under terms of the Settlement Agreement
7 and applicable law. The way the Class Notice shall be disseminated ensures that all or nearly all
8 of the Class Members shall be properly notified of the proposed settlement.

9 The proposed Notice and proposed plan for the Administrator to mail the Notice to the
10 last known address of all class members complies with all the requirements of Cal. Rule of Court
11 3.769(f) and 3.766(b). The proposed Notice includes: (1) the material terms of the settlement; (2)
12 the proposed attorneys' fees, litigation expenses, and the costs of administration; (3) details
13 about the final fairness hearing and how class members may elect to exclude themselves or make
14 an objection; (4) how class members can obtain additional information; and (5) each Class
15 Members' Individual Class and PAGA Payments. *See* Class Notice (Exhibit B to Mankin Decl.).

16 The Court has wide discretion in approving the means of providing notice, so long as the
17 class representative "provide(s) meaningful notice in a form that should have a reasonable
18 chance of reaching a substantial percentage of class members." *Archibald v. Cinerama Hotels*,
19 (1976) 15 Cal.3d 853, 861. Here, the Notice Packet will be disseminated directly to the Class
20 Members by first class mail by the Settlement Administrator, since Defendant has the last known
21 addresses of all class members and the Settlement Administrator will perform a skip trace and
22 update those addresses for any Notice Packets that are returned and re-send the same.

23 The Notice satisfies the requirements of Rule of Court 3.766 and affords Class Members
24 with all due process protections required by the U.S. Constitution. Moreover, the contents of the
25 Notice comply with Cal. R. Ct. 3.766(d), because the Notice includes, without limitation (1) a
26 detailed explanation of the case, including the basic contentions or denials of the parties; (2) a
27 statement that the court will exclude the member from the class if the member so requests by a
28 specified date; (3) a procedure for the member to follow in requesting exclusion from the class;

(4) a statement that the judgment, whether favorable or not, will bind all members who do not request exclusion; and (5) a statement that any member who does not request exclusion may, if the member so desires, enter an appearance through counsel. The 45-day deadline to opt-out or object is also reasonable, as it provides Class Members sufficient time to do so and, if they so choose, to seek independent legal advice in the interim. If a Class Member does not opt-out, he or she will automatically be sent a settlement check.

G. THE NON-REVERSIONARY “CHECKS CASHED” DISTRIBUTION ENSURES MAXIMAL RECOVERY FOR CLASS MEMBERS

The fact that each member who does not opt out of the Settlement shall be mailed a check ensures that every Class Member will be paid unless they affirmatively act to exclude themselves. Moreover, the Settlement Amount is non-reversionary, which means that no settlement funds will revert to Defendant; instead, if any checks are uncashed by the deadline, the funds will be transferred to the State Controller’s Office subject to approval of the Court. Such terms are favored by Courts and demonstrate that there was no collusion between counsel for the parties and that the Settlement is fair and favorable to the Class Members.

H. THE ATTORNEY’S FEES AND COSTS ALLOCATION IS FAIR

Under the terms of the Settlement Agreement, Class Counsel is seeking reimbursement of up to \$25,000 in litigation costs, along with attorneys’ fees equal to one-third of the Settlement Amount. See, e.g., *Laffitte v. Robert Half Int’l Inc.* (2016) 1 Cal.5th. 480 (approving 1/3 fee in the amount of \$6.33 million at a 2.13 lodestar multiplier, and holding that when class action litigation establishes a monetary fund for the benefit of the class members, the trial court may determine the amount of a reasonable fee by choosing an appropriate percentage of the fund created); *Stuart v. RadioShack Corp.* (N.D. Cal. Aug. 9, 2010) 2010 WL 3155645 (approving fee 1/3 from settlement amount of \$4.5 million since 1/3 was “well within the range of percentages which courts have upheld as reasonable in other class action lawsuits”).

Once the Court grants preliminary approval and Notice is disseminated, Plaintiffs’ counsel will submit a comprehensive request for attorneys’ fees and costs with final approval.

///

1 **I. THE REQUESTED SERVICE AWARD REQUEST IS FAIR AND APPROPRIATE**

2 The Settlement Agreement provides an incentive award payment of \$7,500 each to the
3 Class Representatives. This request is reasonable given the recovery Class Members will receive
4 on average, as well as the time and effort they devoted to this case. Their efforts included
5 providing factual background for the litigation; providing documents and information about
6 Defendant’s compensation plan; participating in phone calls to discuss litigation and settlement
7 strategy; making themselves available throughout the litigation to assist with analyzing the
8 claims and defenses; helping Class Counsel prepare for the mediation; and reviewing the
9 settlement documents. The Class Representatives also assumed significant risk in bringing this
10 litigation—namely, had they lost, they could have been ordered to pay Defendant’s costs.

11 The requested service award falls within the range of incentive payments typically
12 awarded to Class Representatives in similar class actions. See, e.g., *Bond v. Ferguson*
13 *Enterprises, Inc.* (E.D. Cal. 2011) 2011 WL 2648879 (approving \$11,250 service awards in class
14 action); *Ross v. US Bank National Association* (N.D. Cal. 2010) 2010 WL 3833922, at *2
15 (approving \$20,000 enhancement award in California wage-and-hour class settlement); *Vasquez*
16 *v. Coast Valley Roofing, Inc.* (E.D. Cal. 2010) 266 F.R.D. 415, 493 (approving service awards of
17 \$15,000 from a \$300,000 settlement fund in a wage/hour class action); *West v. Circle K Stores,*
18 *Inc.* (E.D. Cal. 2006) 2006 U.S. Dist. LEXIS 76558, at *28 (finding service awards “of \$ 15,000
19 each to be reasonable.”); *Glass v. UBS Fin. Servs.* (N.D. Cal. 2007) 2007 U.S. Dist. LEXIS
20 8476, at *52 (finding “requested payment of \$25,000 to each of the named Plaintiff is
21 appropriate” in wage and hour settlement).

22 **VI. THE COURT SHOULD APPOINT PHOENIX SETTLEMENT**
23 **ADMINISTRATORS AS ADMINISTRATOR**

24 Subject to the Court’s approval, the parties agreed to Phoenix Settlement Administrators
25 serving as the Settlement Administrator. Phoenix Settlement Administrators is experienced in
26 administering class action settlements and has provided a flat-fee proposal to administer this
27 settlement for \$7,000. (Mankin Decl. ¶ 62; Decl. of Michael Moore of Phoenix Settlement
28 Administrators).

VII. TIMELINE AND SCHEDULING A FINAL APPROVAL HEARING

The last step in the approval process is the formal hearing, whereby proponents of the Settlement may explain and describe its terms and conditions and offer argument in support of approval, and Class Members or their counsel may be heard in support of or in opposition to the settlement. Subject to the Court's approval, the Parties propose that the Court schedule a hearing for final approval approximately 150 days after the Preliminary Approval Date, as follows:

March 17, 2025	Preliminary Approval (PA) hearing
April 10, 2025 (24 days after PA)	Deadline for Administrator to complete first mailing of the Notice Packet to all Class Members.
May 26, 2025 (45 days after mailing)	Deadline for Class Members to submit Requests for Exclusion and Objections to the settlement.
16 court days before Final Approval hearing	Deadline for Plaintiff to file and serve Motion for Final Approval and application for award of fees, costs and service payments.
9 court days before Final Approval hearing	Deadline for filing of any written opposition to Plaintiff's Motion for Final Approval, or filing response to an objection.
5 court days before final approval hearing	Deadline for filing of any written reply to opposition Motion for Final Approval
Approx. August 14, 2025 (150 days after PA)	Final Approval Hearing

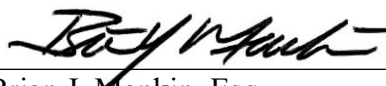

VIII. CONCLUSION

For all the foregoing reasons, Plaintiffs respectfully requests that the Court grant the motion for preliminary approval of the settlement.

Dated: February 21, 2025

LAUBY, MANKIN & LAUBY LLP

BY:

Brian J. Mankin, Esq.
Attorneys for Plaintiffs and the Class

PROOF OF SERVICE
(Pursuant to CCP §§ 1013(a)(1) and 2015.5)

STATE OF CALIFORNIA)
) ss.
COUNTY OF RIVERSIDE)

I am employed in the County of Riverside, State of California. I am over the age of 18 and not a party to the within action; my business address is 5198 Arlington Avenue, PMB 513, Riverside, CA 92504.

On February 21, 2025, I caused to be served the foregoing document(s) described as follows:

PLAINTIFF'S UNOPPOSED MOTION FOR PRELIMINARY APPROVAL OF CLASS ACTION AND PAGA SETTLEMENT; DECLARATIONS IN SUPPORT OF; [PROPOSED] ORDER

I declare that I am "readily familiar" with the firm's practice of collection and processing correspondence for mailing. It is deposited with the U.S. postal service on that same day in the ordinary course of business. I am aware that on motion of party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for mailing in affidavit.

☐ **By Mail** I deposited such envelope in the mail at Riverside, California. The envelope was mailed with postage thereon fully prepaid.

☐ **By Facsimile** I sent this document via fax to all parties as listed on attached service list, on

☐ **By Overnight Service** I deposited such envelope in a facility regularly maintained by the United Parcel Service for receipt of items for overnight delivery, with overnight delivery expenses prepaid, addressed to the person to be served.

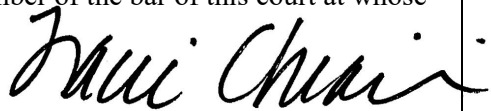

☒ **By Email or Electronic Transmission:** Pursuant to CCP § 1010.6 or an agreement of the parties to accept service by email or electronic transmission, I caused the document(s) to be sent from email address tracie@lmlfirm.com to the persons at the electronic notification address listed in the service list. I did not receive, within a reasonable time after the transmission, any electronic message or other indication that the transmission was not successful.

☐ **By Certified Mail-Return Receipt Requested** I caused such envelope with postage fully prepaid thereon, to be placed in the United States mail at Riverside, California

☐ **By Personal Service** I caused said document(s) to be personally served by hand on the parties listed on the attached service list.

☒ **State** I declare under penalty of perjury under the laws of the State of California that the above is true and correct. Executed on February 21, 2025, Riverside, California.

☐ **Federal** I declare that I am employed in the office of a member of the bar of this court at whose direction the service was made.

Tracie Chiarito, Declarant
