1 I, Alan Wilcox, declare as follows:

2 1. I am admitted and in good standing to practice as an attorney in the State of
3 California. I am an Attorney at Wilshire Law Firm, PLC (“WLF”), counsel of record for plaintiffs
4 Andre Ibarra and Genevieve Anda (collectively the “Plaintiffs” or “Class Representatives”). I,
5 along with the above-captioned attorneys of WLF (inclusively “Class Counsel”), have reviewed
6 the case files for this matter as routinely kept by WLF in the course of litigation and conferred with
7 my colleagues, Benjamin H. Haber, and Chase Stern of WLF, who litigated this matter with co-
8 counsel Aaron A. Bartz of Bartz Law Group, APC and Walter L. Haines of United Employees Law
9 Group, PC (collectively and inclusively “Class Counsel”). Based upon the information available
10 to Class Counsel through WLF’s record-keeping processes, I am competent to make this
11 declaration (this “Wilcox Declaration”). This Declaration is submitted concurrently with and in
12 support of Plaintiffs’ Motion for Final Approval of Class Action Settlement (the “Motion”).

13 CASE BACKGROUND

14 2. This is a wage and hour class and Private Attorneys General Act (“PAGA”) (Cal.
15 Lab. Code §§ 2699, *et seq.*) representative action. Plaintiffs and the putative class members worked
16 in California as current and former non-exempt employees for Defendant Cash Register Services,
17 Inc. d/b/a Truno Retail Technology Solutions (“Defendant,” and together with Plaintiffs, the
18 “Parties”) during the class period. Defendant owns and operates various point of sales services
19 and retail technology solutions in California and elsewhere.

20 3. On January 22, 2024, Plaintiff Andre Ibarra filed a Class Action complaint in
21 Orange County Superior Court (Case No. 30-2024-01374769-CU-OE-CXC). On January 23, 2024,
22 Plaintiff Genevieve Anda filed a Class Action complaint in the Los Angeles County Superior Court
23 (Case No. 24STCV01721). Plaintiff Ibarra filed a First Amended Complaint on September 30,
24 2025, alleging causes of action against Defendant for California Labor Code violations and unfair
25 business practices stemming from Defendants’ failure to pay for all hours worked (minimum,
26 straight time, and overtime wages), failure to provide meal periods, failure to authorize and permit
27 rest periods, failure to timely pay final wages, failure to furnish accurate wage statements, failure
28

1 to indemnify employees for expenditures and civil penalties under PAGA. (hereinafter referred to
2 as the “Action” or “Operative Complaint”).

3 DISCOVERY, INVESTIGATION, AND SETTLEMENT

4 4. Following the filing of the Action, Plaintiffs propounded discovery, Defendant
5 responded to that discovery, and the Parties exchanged information, data, and documents before
6 going to mediation. Defendant produced a sampling of time and pay records for Class Members.
7 Defendant also provided copies of its wage and hour policies and practices in effect for the Class
8 Members during the Class Period and information regarding the total number of current and former
9 employees. The Parties have engaged in sufficient formal and informal discovery and investigation
10 to assess the relative merits of the claims and contentions of the Parties.

11 5. After reviewing Defendant’s discovery responses and documents regarding
12 Defendant’s wage and hour policies and practices and analyzing Defendant’s timekeeping and
13 payroll records, Class Counsel was able to evaluate the probability of class certification, success
14 on the merits, and Defendant’s maximum monetary exposure for all claims. Class Counsel also
15 investigated the applicable law regarding the claims and defenses asserted in the Action. Class
16 Counsel also investigated the applicable law regarding the claims and defenses asserted in the
17 Action. Class Counsel reviewed these records and utilized a third-party consultant to prepare a
18 damages analysis prior to mediation.

19 SETTLEMENT NEGOTIATIONS

20 6. On July 9, 2025, the Parties participated in private mediation with experienced class
21 action mediator Mark LeHocky, Esq. The mediation was conducted via Zoom, which led to an
22 agreement to settle this action. The settlement negotiations were at arm’s length and, although
23 conducted in a professional manner, were adversarial. The Parties went into the mediation willing
24 to explore the potential for a settlement of the dispute, but each side was also prepared to litigate
25 their position through trial and appeal if a settlement had not been reached. After extensive
26 negotiations and discussions regarding the strengths and weaknesses of the Parties’ positions
27 regarding the settlement terms, the Parties reached a settlement for \$725,000.00 (the “Gross
28 Settlement Amount”), as memorialized in the Class Action and PAGA Settlement Agreement and

Class Notice (the “Settlement”). A true and correct copy of the Settlement is attached as **Exhibit 1**.

7. Class Counsel has conducted a thorough investigation into the facts of this Action. Based on the foregoing discovery and their independent investigation, and evaluation, Class Counsel is of the opinion that the Settlement is fair, just, reasonable, and adequate and is in the best interests of the Class Members in light of all known facts and circumstances, the risk of significant delay, the defenses that could be asserted by Defendant both to certification and on the merits, trial risk, and appellate risk.

8. Following the execution of the Settlement Agreement, the Court granted Plaintiffs’ Motion for Preliminary Approval of Class Action Settlement on April 8, 2026. The deadline for Class Members to opt out or object to the Settlement was June 30, 2026. The reaction of the Class to the Settlement has been overwhelmingly positive. Indeed, as of the filing of the Motion, one Class Member has timely opted out of the Settlement, and no Class Member has objected to the Settlement.

9. The Settlement obviates the significant risk that the Court may deny certification of all or some of Plaintiffs’ claims. While Plaintiffs are confident in the merits of their claims, a legitimate controversy exists as to each cause of action. Plaintiffs also recognize that proving the amount of wages due to each Class Member would be an expensive, time-consuming, and an uncertain proposition. Furthermore, even if Plaintiffs obtained certification of all or some of the claims, continued litigation would be expensive, involving a trial and possible appeals, substantially delaying and reducing any recovery by the Class.

10. The proposed Settlement Agreement was provided to the LWDA in advance of Plaintiffs’ filing of the Motion for Preliminary Approval of Class Action Settlement. Attached as **Exhibit 2** is a true and correct copy of proof of Plaintiffs’ submission of the Settlement to the LWDA.

CLASS REPRESENTATIVE SERVICE PAYMENTS ARE REASONABLE

11. Throughout this Action, the Plaintiffs, who are former employees of Defendant, has cooperated immensely with WLF and has taken many actions to protect the interests of the Class.

1 Plaintiffs provided valuable information regarding the off-the-clock, meal period, and rest period
2 claims. Plaintiffs also informed WLF of developments and information relevant to this Action,
3 participated in decisions concerning this Action, and made themselves available to answer
4 questions during the mediation. Before we filed this Action, Plaintiffs provided Class Counsel
5 with documents regarding the claims alleged in this Action. The information and documentation
6 provided by Plaintiffs were instrumental in establishing the wage and hour violations alleged in
7 this Action, and the recovery provided for in the Settlement would have been impossible to obtain
8 without Plaintiffs' participation.

9 12. At the same time, Plaintiffs faced many risks in adding themselves as the Class
10 Representatives in this Action. Plaintiffs faced actual risks with their future employment, as
11 putting themselves on public record in an employment lawsuit could also very well affect their
12 likelihood for future employment. Furthermore, as part of this Settlement, Plaintiffs are executing
13 general releases of all claims against Defendant.

14 13. In turn, Class Members will now have the opportunity to participate in a Settlement,
15 reimbursing them for alleged wage violations they may have never known about on their own or
16 been willing to pursue on their own. If these Class Members would have each tried to pursue their
17 legal remedies on their own, that would have resulted in each having to expend a significant amount
18 of their own monetary resources and time, which were obviated by Plaintiffs putting themselves
19 on the line on behalf of these other Class Members.

20 14. In the final analysis, this Action would not have been possible without the aid of
21 Plaintiffs, who put their own time and effort into this Action, sacrificed the value of their own
22 individual claims, and placed themselves at risk for the sake of the Class Members. The requested
23 payment of up to \$10,000.00 to each (\$20,000.00 total) Plaintiff for their service as the Class
24 Representatives and in exchange for their general release of their individual claims (the "Class
25 Representative Service Payments"), is a relatively small amount of money. Considering the time
26 and effort put into the Action, and in comparison to similar service awards granted in other class
27 actions, the Class Representative Service Payments are reasonable.

28 THE REQUEST FOR ATTORNEYS' FEES AND COSTS IS REASONABLE

15. The Settlement provides for an attorneys' fee payment in an amount up to 35% of the Gross Settlement Amount for a maximum payment of \$253,750.00 (the "Class Counsel Fees Payment"), plus a payment for litigation expenses of up to \$35,000.00 (the "Class Counsel Litigation Expenses Payment").

16. The total current lodestar for WLF is not less than the following:

Person	Role	Hours	Rate	Lodestar
Benjamin H. Haber	Partner	42.4	\$950.00	\$40,280.00
Daniel J. Kramer	Senior Attorney	18.1	\$850.00	\$15,385.00
Alan Wilcox	Senior Attorney	20.1	\$950.00	\$19,095.00
Chase Stern	Associate Attorney	86.5	\$775.00	\$67,037.50
Total:		167.1		\$141,797.50

Wilshire Law Firm spent approximately 167.1 hours performing tasks relating to this Action, for a lodestar of \$141,797.50, co-counsel spent an additional 130.5 hours performing tasks relating to this Action, for a lodestar of \$102,571.00, so Class Counsel has spent a total of approximately 297.6 hours, for a total lodestar of \$244,368.50 litigating this Action to bring it to resolution, including time which will be expended monitoring the administration of the Settlement and distribution of funds to the Class Members. Here Class Counsel are seeking total fees of 35% of the GSA which currently totals \$253,750.00. Thus, the Court need only to apply a 1.04 ($\$253,750.00 \div \$244,368.50$) multiplier to reach the \$253,750.00 sought. Efforts expended by Class Counsel to achieve this result include, but are not limited to, the following:

- a. the investigation of the Action, including meeting with Plaintiffs, reviewing Defendant's policies, and requesting and reviewing Plaintiffs' time and pay records, personnel files, and exploring the corporate structure of Defendant;
- b. filing the Action;
- c. attending hearings and meeting and conferring with Defendant regarding the Action;
- d. meeting and conferring with Defendant regarding mediation, exchange of informal discovery beforehand, and negotiating with opposing counsel regarding the

- parameters thereof;
- e. selecting mediator and mediation date;
- f. working with opposing counsel and an expert consultant for the receipt of a representative sampling and analyzing the same with the aid of expert consultant and Plaintiffs to perform analyses of liability and exposure prior to attendance of each mediation in this Action;
- g. reviewing policy documents from Defendant and researching applicable defenses;
- h. preparation of a mediation brief and damages model;
- i. attendance at mediation by the Parties and Class Counsel;
- j. communicating with Plaintiffs who requested updates or other information regarding this Action;
- k. communicating and working with co counsel;
- l. engaging in settlement negotiations, followed by finalizing and fully executing the Settlement Agreement;
- m. preparing and assisting in the drafting of the Motion for Preliminary Approval of Class Action Settlement and supporting documents;
- n. communicating with Class Members who sought additional information regarding the Settlement, including answering questions regarding the Settlement;
- o. communicating with the Administrator to ensure the Class Notice was properly distributed and engaging in extensive follow-up communications with the Administrator regarding Class Members who sought additional information about the Settlement; and
- p. preparing the instant Motion and supporting documents.

17. There are additional hours devoted by Class Counsel to this Action that are not reflected in the request for the Class Counsel Fees Payment.

18. We can provide additional billing records in the event the Court requests them but would request the opportunity to redact attorney-client privileged information and any other privileged information.

1 19. I believe that the Class Counsel Fees Payment and the Class Counsel Litigation
2 Expenses Payment are reasonable. WLF invested significant time and resources into the Action,
3 with payment deferred to the end of the case, and then, of course, contingent on the outcome.

4 20. It is further estimated that WLF will need to expend at least another 10 to 15 hours
5 to monitor the process leading up to payments made to the Class. WLF also bears the risk of taking
6 the necessary actions if Defendant fails to pay.

7 21. The risk to WLF has been significant, particularly if we would not be successful in
8 pursuing this Action. In that case, we would have been left with no compensation for all the time
9 taken in litigating this Action. The contingent risk in these types of cases is very real and they do
10 occur regularly. WLF was precluded from focusing on, or taking on, other cases which could have
11 resulted in a larger, and less risky, monetary gain.

12 22. Because most individuals cannot afford to pay for representation in litigation on an
13 hourly basis, WLF represents all employment law clients on a contingency fee basis. Pursuant to
14 this arrangement, we are not compensated for our time unless we prevail at trial or successfully
15 settle our clients' cases. Because WLF is taking the risk that we will not be reimbursed for our
16 time unless our client settles or wins his or her case, we cannot afford to represent an individual
17 employee on a contingency basis if, at the end of our representation, all we are to receive is our
18 regular hourly rate for services. It is essential that we recover more than our regular hourly rate
19 when we win or settle to remain in practice and continue representing other individuals in civil
20 rights employment disputes.

21 23. As of the date of filing this Motion, Class Counsel has incurred around \$28,442.13
22 in costs, and Defendant has agreed that they will not oppose a Class Counsel Litigation Expenses
23 Payment request of up to \$35,000.00. Class Counsel respectfully requests reimbursements of
24 \$11,902.79 to Wilshire Law Firm, PLC, \$15,217.84 to Bartz Law Group, APC and \$1,321.50 to
25 United Employees Law Group, PC in expenses, which should be reimbursed in full. Attached as
26 **Exhibit 3** is a true and correct copy of our list of the costs and the categories of costs for the costs
27 incurred in this Action to date by WLF.

10 well as class actions involving consumer rights and data privacy litigation.

28. The In support of the reasonableness of WLF's hourly rates, attached as **Exhibit 4** is a true and correct excerpt from the *2025 Real Rate Report* published by Wolters Kluwer. The Real Rate Report is widely relied upon in the legal industry because it is derived from anonymized billing data taken from actual law firm invoices that were submitted to clients and approved for payment, rather than from voluntary surveys or self-reported rates. Although the report refers to "2025" rates, the data reflects rates charged by law firms during the first half of 2024 and therefore represents the most recent available objective evidence of prevailing market rates.

a. The report provides rate information filtered by geographic market, practice type, and timekeeper role. Page 26 reports third-quartile rates for attorneys handling litigation matters in San Francisco and San Jose, which are the primary Northern California legal markets and serve as the dominant rate-setting centers for complex litigation throughout the region. In San Francisco, the dataset shows third-quartile hourly rates of \$1,378 for litigation partners and \$875 for associates. In San Jose, the report shows third-quartile hourly rates of \$1,250 for litigation partners and \$1,030 for associates. The report's in-depth city analyses for San Francisco and San Jose further confirm that these markets consistently reflect some of the highest billing rates in the country for experienced litigators and serve as the benchmark markets for Northern California legal services. Courts evaluating fee requests in Sacramento routinely look to the prevailing rates in the nearest major metropolitan markets as benchmarks when assessing reasonableness. The closest and most relevant comparison markets for Sacramento litigation are San Francisco and San Jose, where experienced partners routinely bill well above \$1,200 per hour based on rates actually charged to clients.

b. The 2025 Real Rate Report's practice-area-specific data further supports this conclusion. Page 81 provides third-quartile rates for the detailed practice category "Employment and Labor: Other Litigation," which is directly analogous to the type

of work performed in this case. That dataset includes 24 partners and 14 associates and shows a third-quartile rate of \$1,252 per hour for partners and \$564 per hour for associates. These figures demonstrate that even within the specialized employment litigation market, partners regularly bill well above \$1,200 per hour based on rates actually charged to clients. When this practice-specific benchmark is considered together with the broader regional market data, it confirms that WLF's hourly rate for highly experienced counsel in a representative employment action falls within the upper range of prevailing market rates rather than outside it.

29. In an article entitled "Big Law Rates Topping \$2,000 Leave Value 'In Eye of Beholder,'" written by Roy Strom and published by Bloomberg Law on June 9, 2022, the author describes how Big Law firms have crossed the \$2,000-per hour rate. The article also notes that law firm rates have been increasing by just under 3% per year. A true and correct copy of this article is attached hereto as Exhibit 5.

The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member’s desire to be excluded. The Administrator’s determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a

Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.

- 7.5.3. Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraphs 5.3 and 5.4 of this Agreement, regardless of whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.
- 7.5.4. Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are PAGA Members are deemed to release the claims identified in Paragraph 5.4 of this Agreement and are eligible for an Individual PAGA Payment.
- 7.5.5. If more than 10% of the Class Members opt-out of the Settlement, Defendant may, in its discretion, withdraw from this Settlement, subject to paying any of the Administration Expenses incurred to date. Defendant shall meet and confer with Class Counsel before withdrawing from the Settlement pursuant to this provision.

7.6. Challenges to Calculation of Workweeks. Each Class Member shall have 60 days after the Administrator mails the Class Notice to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email, or mail. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks and PAGA Pay Periods contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or PAGA Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or PAGA Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination of the challenges. The Court will have the final authority in the event that challenges from Class Members remain unresolved.

7.7. Objections to Settlement.

- 7.7.1. Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.
- 7.7.2. Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Class

Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 60 days after the Administrator's mailing of the Class Notice. Not later than 5 days after the expiration of the deadline for submitting Objections, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Objections; and (b) copies of all Objections submitted (whether valid or invalid).

- 7.7.3. Non-Participating Class Members have no right to object to any of the class action components of the Settlement. Should a Class Member submit both a Request for Exclusion and an objection to the Settlement, that Class Member's objections shall be disregarded and they shall be deemed a Non-Participating Class Member.

- 7.8. Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

- 7.8.1. Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.

- 7.8.2. Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 5 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion ("Exclusion List"); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; and (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).

- 7.8.3. Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments ("Weekly Report"). The Weekly Reports must include the Administrator's assessment of the validity of Requests for

Exclusion and attach copies of all Requests for Exclusion and objections received.

- 7.8.4. Workweek and/or PAGA Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or PAGA Pay Periods. The Administrator's decision shall be final and not appealable or otherwise susceptible to challenge, unless the Court determines otherwise.
- 7.8.5. Administrator's Declaration. Not later than 14 days before the date by which Plaintiffs are required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator's declaration(s) in Court.
- 7.8.6. Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

8. MOTION FOR FINAL APPROVAL. Not later than 16 court days before the calendared Final Approval Hearing, Plaintiffs will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (s)(2), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiffs shall provide drafts of these documents to Defense Counsel prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person, by telephone, and/or by email, and in good faith, to resolve any disagreements concerning the Motion for Final Approval and proposed Judgment.

- 8.1. Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
- 8.2. Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work

together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

- 8.3. Continuing Jurisdiction of the Court. The Parties agree that, pursuant to Code of Civil Procedure section 664.6, after entry of Judgment, the Court will retain jurisdiction over the Parties, Actions, and the Settlement for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.
- 8.4. Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement or later revisions or amendments thereto, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment reflected set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.
- 8.5. Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

9. CLASS SIZE ESTIMATES AND ESCALATOR CLAUSE

Based on its records, Defendant estimates that, as of the date of this Settlement Agreement, (1) there are 150 Class Members and (2) there are 14,755 Workweeks during the Class Period. If the number of Workweeks worked by the Class Members during the Class Period ultimately increase by more than 10% (i.e., by more than 1,475 Workweeks) above Defendant's estimate (i.e., more than 16,230 Workweeks), Defendant shall increase the Gross Settlement Amount pro rata for every additional workweek worked by the Class Members above that 10% threshold (i.e., if the actual number of workweeks worked by the Class Members is 11% larger than this estimate, the Gross Settlement Amount shall be increased by 1%).

10. **AMENDED JUDGMENT.** If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit a proposed amended judgment.

11. **ADDITIONAL PROVISIONS.**

11.1. No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Action have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiffs that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does not grant Preliminary Approval, Final Approval or enter Judgment, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiffs reserve the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

11.2. Confidentiality Prior to Preliminary Approval. Plaintiffs, Class Counsel, Defendant and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiffs, Class Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members. Plaintiffs further agree not to, at any time or in any manner, talk about, write about, disclose, or otherwise publicize or cause to be publicized the confidential, proprietary, or trade secret information of the Released Parties.

11.3. No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment, or file any new claims against Defendant. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical

obligations owed to Class Members.

- 11.4. Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.
- 11.5. Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiffs and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.
- 11.6. Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.
- 11.7. No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity any portion of any liability, Claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 11.8. No Tax Advice. Neither Plaintiffs, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 11.9. Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
- 11.10. Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 11.11. Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the State of California, without regard to conflict of law principles.
- 11.12. Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 11.13. Confidentiality. To the extent permitted by law, all agreements made, and orders entered during the Action and in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.
- 11.14. Use and Return of Class Data. Information provided to Class Counsel pursuant to

Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Defendant in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. No later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration confirming the final pay out of all Settlement funds, Plaintiffs and Class Counsel shall destroy, all paper and electronic versions of Class Data received from Defendant, except that Plaintiffs may maintain and preserve any documents or Class Data pertaining to Plaintiffs.

- 11.15. Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 11.16. Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.
- 11.17. Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR FINAL COURT APPROVAL

Andre Ibarra; Genevieve Anda v. Cash Register Services, Inc. dba Truno

Los Angeles County Superior Court Case No. 24STCV01721

The Superior Court for the State of California authorized this Notice. Read it carefully!

It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.

You may be eligible to receive money from an employee class action lawsuit (“Action”) against Cash Register Services, Inc. dba Truno (“Defendant”) for alleged wage and hour violations. The Action was filed by former employees Andre Ibarra and Genevieve Anda (“Plaintiffs”) and seeks payment of (1) past due wages and other relief for a class of all current and former non-exempt employees of Defendant who were employed by Defendant in the state of California at any time during the Class Period (“Class Members”) who worked for Defendant during the Class Period (January 22, 2020, through September 7, 2025); and (2) penalties under the Labor Code Private Attorneys General Act of 2004 (Labor Code § 2698, *et seq.*) (“PAGA”) for all current and former non-exempt employees who have worked in California for Defendant at any time during the PAGA Period (February 15, 2023, through September 7, 2025) (“PAGA Members”).

Defendant denies these allegations and maintains that it complied with the law at all times. Defendant believes that Plaintiffs’ claims are without merit.

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendant to fund Individual Class Payments, and (2) a PAGA Settlement requiring Defendant to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency (“LWDA”).

Based on Defendant’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be \$ [REDACTED] (less withholding) and your Individual PAGA Payment is estimated to be \$ [REDACTED]**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant’s records you are not eligible for an Individual PAGA Payment under the Settlement because you are not an PAGA Members.)

The above estimates are based on Defendant’s records showing that **you worked [REDACTED] Workweeks** during the Class Period and **you worked [REDACTED] PAGA Pay Periods** during the PAGA Period. If you believe that you worked more Workweeks or PAGA Pay Periods, you can submit a challenge by the deadline date. See Section D of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or do not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiffs and

Plaintiffs’ attorneys (“Class Counsel”). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and requires Class Members and PAGA Members to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don’t have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. However, you will give up your rights as described below.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting a written request for exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Defendant, and, if you are a PAGA Member, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don’t Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is [REDACTED]	If you don’t want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section F of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Defendant must pay Individual PAGA Payments to all PAGA Members and the PAGA Members must give up their rights to pursue Released Claims (defined below).

Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement Written Objections Must be Submitted by [REDACTED]	All Class Members who do not opt-out (“Participating Class Members”) can object to any aspect of the proposed Settlement. The Court’s decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiffs who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiffs. You can object to the amounts requested by Class Counsel or Plaintiffs if you think they are unreasonable. See Section G of this Notice.
You Can Participate in the [REDACTED] Final Approval Hearing	The Court’s Final Approval Hearing is scheduled to take place on [REDACTED]. You don’t have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court’s virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section H of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by [REDACTED]	The amounts of your Individual Class Payment and PAGA Payment (if any) depend on how many Workweeks you worked at least one day during the Class Period and how many PAGA Pay Periods you worked at least one day during the PAGA Period, respectively. The number of Workweeks and number of PAGA Pay Periods you worked according to Defendant’s records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge those numbers by [REDACTED]. See Section D of this Notice.

A. WHAT IS THE ACTION ABOUT?

Plaintiffs are former employees of Defendant. The Action accuses Defendant of violating California labor laws by failing to pay overtime wages, minimum wages, wages due upon termination and failing to provide meal periods, rest breaks, expense reimbursement, and accurate itemized wage statements. Based on the same claims, Plaintiffs have also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, *et seq.*) (“PAGA”). Plaintiffs are represented by attorneys in the Action: Wilshire Law Firm, PLC, Bartz Law Group APC, and United Employees Law Group PC (“Class Counsel.”) Defendant strongly denies violating any laws or failing to pay any wages and contends that it complied with all applicable laws.

B. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Defendant or Plaintiffs are correct on the merits. In the meantime, Plaintiffs and Defendant hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an end to the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement (“Agreement”) and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiffs and Defendant have negotiated a proposed Settlement that is subject to the Court’s Final Approval. Both sides agree the proposed

Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims. Plaintiffs and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and PAGA Members. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

C. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Defendant will Pay Seven Hundred Twenty-Five Thousand Dollars (\$725,000.00) as the Gross Settlement Amount (“Gross Settlement”). Defendant has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel’s attorney’s fees and expenses, the Administrator’s expenses, and penalties to be paid to the LWDA. Assuming the Court grants Final Approval, Defendant will fund the Gross Settlement no later than 30 days after the Judgment is entered by the Court becomes final. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.
2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiffs and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
 - a. Up to thirty-five percent (35%) of the Gross Settlement Amount, currently estimated at Two Hundred Fifty-Three Thousand Seven Hundred Fifty Dollars (\$253,750.00), to Class Counsel for attorneys’ fees and up to Thirty-Five Thousand Dollars (\$35,000.00) for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
 - b. Up to Twenty Thousand Dollars (\$20,000.00) to Plaintiffs (i.e., \$10,000 to Plaintiff Andre Ibarra, and \$10,000 to Plaintiff Genevieve Anda) as a Class Representative Service Payment for filing the Action, working with Class Counsel, and representing the Class. The Class Representative Service Payment will be the only monies Plaintiffs will receive other than Plaintiffs’ Individual Class Payments and any Individual PAGA Payments.
 - c. Up to Six Thousand Eight Hundred Twenty Five Dollars (\$6,825.00) to the Administrator for services administering the Settlement.
 - d. Up to Seventy-Two Thousand Five Hundred Dollars (\$72,500.00) for PAGA Penalties, allocated by law as 75% to the LWDA PAGA Payment (\$54,375.00) and 25% in Individual PAGA Payments (\$18,125.00) to the PAGA Members based on their PAGA Pay Periods. Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the “Net Settlement”) by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.
4. Taxes Owed on Payments to Class Members. Plaintiffs and Defendant are asking the Court to approve an allocation of 20% of each Individual Class Payment to taxable wages (“Wage Portion”) and 80% of each Individual Class Payment to interest and penalties (“Non-Wage Portion”). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Defendant will separately pay employer payroll taxes owed on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiffs and Defendant have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don’t cash it by the void date, your check will be automatically cancelled, and the monies will be sent to the California Controller’s Unclaimed Property Fund in the name of the Class Member.
6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than **[DATE]**, that you wish to opt-out. In order to opt-out of the Settlement, you should set forth your name, present address, telephone number, and request exclusion from the settlement to the Administrator by the date set forth above. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Defendant.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Defendant based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiffs and Defendant have agreed that, in either case, the Settlement may be voided: Defendant will not pay any money and Class Members will not release any claims against Defendant.
8. Administrator. The Court has appointed a neutral company, **[INSERT]** (the

“Administrator”) to send this Notice, calculate and make payments, and process Class Members’ Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks and PAGA Pay Periods, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator’s contact information is contained in Section I of this Notice.

9. Released Parties. The entities subject to the below releases are Defendant and each of its former and present directors, officers, shareholders, owners, attorneys, insurers, predecessors, successors, and assigns (the “Released Parties”).
10. Participating Class Members’ Release. After the Judgment is final and Defendant has fully funded the Gross Settlement (and separately paid the employer-side payroll taxes), Participating Class Members will be legally barred from asserting against the Released Parties any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against the Released Parties for the following released claims:

All Participating Class Members will fully and finally release and discharge Released Parties from all claims, rights, demands, liabilities, and causes of action that were alleged, or reasonably could have been alleged based on the facts and claims asserted in the operative Complaints in the Actions, including the following claims: (i) failure to pay all regular wages, minimum wages, and overtime wages due; (ii) failure to provide meal periods or compensation in lieu thereof; (iii) failure to provide rest periods or compensation in lieu thereof; (iv) failure to reimburse necessary business expenses; (v) failure to provide complete, accurate wage statements; (vi) failure to pay wages timely at time of termination or resignation; (vii) failure to timely pay wages during employment; and (viii) unfair business practices that could have been premised on the claims or causes of action described above or any of the claims or causes of action pleaded in the operative Actions (collectively, the “Released Class Claims”). This release shall apply to claims arising during the Class Period. Except as set forth in this paragraph, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers’ compensation, or claims based on facts occurring outside the Class Period.

11. PAGA Members’ PAGA Release. After the Judgment is final and Defendant has fully funded the Gross Settlement (and separately paid the employer-side payroll taxes), all PAGA Members will be legally barred from asserting PAGA claims against the Released Parties as follows:

All Plaintiffs, PAGA Members, the LWDA, and the State of California will release the Released Parties from any and all PAGA claims for civil penalties that could have been asserted under PAGA based on the factual allegations and claims in the operative Complaints in the Actions or any PAGA Notices submitted by Plaintiffs to the LWDA, for the PAGA Period. The PAGA Members will be issued a check for their

share of the Individual PAGA Payment and will not have the opportunity to opt out of, or object to, the Individual PAGA Payment and release of the PAGA claims set forth herein. The PAGA Members will be bound by the release stated herein regardless of whether they cash or deposit their Individual PAGA Payment or opt out of being a Class Member.

D. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period, and (b) multiplying the result by each Participating Class Member's Workweeks.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing \$18,125 by the total number of PAGA Pay Periods worked by all PAGA Members and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual PAGA Members.
3. Workweek/PAGA Pay Period Challenges. The number of Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Defendant's records, are stated in the first page of this Notice. You have until **DATE** to challenge the number of Workweeks and/or PAGA Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email, or fax. **Section I** of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Defendant's calculation of Workweeks and/or PAGA Pay Periods based on Defendant's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or PAGA Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Defendant's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

E. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as PAGA Members. The single check will combine the Individual Class Payment and the Individual PAGA Payment.
2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every PAGA Members who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section I of this Notice has the Administrator's contact information.

F. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

Submit a written and signed letter with your name, present address, telephone number, and a simple statement that you do not want to participate in the Settlement. The Administrator will exclude you based on any writing communicating your request be excluded. Be sure to personally sign your request, and include your identifying information (full name, address, telephone number, approximate dates of employment, and social security number for verification purposes). You must make the request yourself. If someone else makes the request for you, it will not be valid. **The Administrator must be sent your request to be excluded by DATE, or it will be invalid.** Section I of the Notice has the Administrator's contact information.

G. HOW DO I OBJECT TO THE SETTLEMENT?

Only Participating Class Members have the right to object to the Settlement. If you wish to remain a Class Member, but you object to the proposed settlement (or any of its terms) and wish the Court to consider your objection at the Final Approval Hearing, you may object to the proposed settlement in writing. You may also appear at the Final Approval Hearing, either in person or through an attorney at your own expense. All written objections, supporting papers, and/or notices of intent to appear at the Final Approval Hearing must clearly identify the case name and number and be mailed to the Settlement Administrator, [REDACTED], at the address stated in Section I below. Objections must be postmarked no later than [REDACTED]. You still may appear at the Final Approval Hearing and raise an objection to the settlement even if you did not submit written objections within this deadline.

H. CAN I ATTEND THE FINAL APPROVAL HEARING?

You can, but don't have to, attend the Final Approval Hearing on [DATE] at [TIME] in Department 9, of the Los Angeles Superior Court, located at 312 N. Spring Street, Los Angeles, California 90012. At the Hearing, the judge will decide whether to grant Final Approval of the Settlement and how much of the Gross Settlement will be paid to Class Counsel, Plaintiffs, and the Administrator. At the Final Approval Hearing, the Court will hear all objections, as well as arguments for and against the proposed Settlement. You have a right to attend this hearing, but you are not required to do so. NOTE:

You may experience an issue that can sometimes occur in PDF viewer. Thin lines (like table borders) may appear to “disappear” or look broken when zoomed out in a PDF viewer. This is usually a display/rendering issue rather than a problem with the actual content of the PDF.

Solution:

- Open the PDF in Acrobat and go to Edit > Preferences > Page Display.
- Uncheck Enhance thin lines (if it’s checked).
- Restart Acrobat and reopen the PDF.

Real Rate Report Overview

The Real Rate Report is powered by LegalVIEW DynamicInsights, a web-based solution that delivers dynamic, invoice-backed insights through approved legal billing rates. It enables legal professionals to analyze rate trends by role, experience, industry, geography, practice area, and more using the world's largest repository of legal spend data.

DynamicInsights leverages the same trusted LegalVIEW database that has powered the Real Rate Report for years, now encompassing over \$200B+ in anonymized, approved legal invoice data. As with previous Real Rate Reports, our data is sourced from corporations' and law firms' e-billing and time management solutions. We have included lawyer and paralegal rate data filtered by specific practice and sub-practice areas, metropolitan areas, and types of matters. This level of granularity gives legal departments and law firms the precision they need to identify areas of opportunity.

What's different with DynamicInsights?

Same source, same methodology: DynamicInsights uses the same rigorous data validation and methodology as the Real Rate Report.

- **Enhanced flexibility:** With dynamic filters, DynamicInsights enables users to tailor benchmarks to their unique needs and on demand.
- **Full year data:** DynamicInsights now aligns to a calendar year view—January through December—replacing the previous July-to-June format used in the Real Rate Report, reducing confusion and improving consistency across reporting periods.
- **More up to date:** Unlike the annual and static Real Rate Report, DynamicInsights is refreshed quarterly, offering more timely insights.
- **Digital-first access:** Delivered via a secure online interface, users can interact with the data, bookmark views, and share insights in real time.

DynamicInsights provides the same level of credibility and analytical power long trusted in the Real Rate Report with more agility and transparency for today's legal environment.

2025 Real Rate Report use considerations

- Examines law firm rates over time
- Identifies rates by location, experience, firm size, areas of expertise, industry, and timekeeper role (i.e., partner, associate, and paralegal)
- Itemizes variables that drive rates up or down

All the analyses included in DynamicInsights and this report are derived from the actual rates charged by law firm professionals as recorded on invoices submitted and approved for payment.

Examining real, approved rate information, along with the ranges of those rates and their changes over time, highlights the role these variables play in driving aggregate legal cost and income. The analyses can energize questions for both corporate clients and law firm principals.

Legal departments might ask whether they are paying the right amount for different types of legal services, while law firm principals might ask whether they are charging the right amount for legal services and whether to modify their pricing approach.

Examples of data to consider when reviewing rates:

- **Industry** – Compare spend and rate trends across various industries
- **Practice area** – Analyze cost variations in different legal practice areas
- **Detailed practice area** – Drill down into niche legal specialties for precise benchmarking
- **Am Law** – Benchmark against top-ranked law firms for competitive rate analysis
- **City** – Understand rate trends in specific metropolitan areas
- **Country** – Gain a global perspective on legal costs and spend management
- **Role** – Assess legal spend distribution across different law firm roles

Real Rate Report Overview

Understanding key statistical terms

To help interpret the legal rate data presented in DynamicInsights and this report, it's important to understand the statistical measures used. Below are definitions of the core metrics:

- **Mean (average):** The sum of all rate values divided by the total number of values added. It provides a general sense of the central tendency of the rates but can be influenced by extreme values (outliers).
- **Median:** The middle value when all rates are arranged in ascending order. If there is an even number of rates being analyzed, the median is the average of the two middle rates. It is a robust measure of central tendency of rates that is less affected by outliers.
- **First quartile (Q1):** The value below which 25% of the rates fall. It marks the lower boundary of the middle 50% of the rates and helps identify the lower range of typical values.
- **Third quartile (Q3):** The value below which 75% of the rates fall. It marks the upper boundary of the middle 50% of the rates and helps identify the upper range of typical values.
- **n:** The number of unique timekeepers contributing to the data.

These metrics are used to provide a more nuanced view of legal rates, helping users identify trends, outliers, and benchmarks across various dimensions.

Big Law Rates Topping \$2,000 Leave Value ‘In Eye of Beholder’

By Roy Strom

Column

June 9, 2022, 2:30 AM

Welcome back to the Big Law Business column on the changing legal marketplace written by me, Roy Strom. Today, we look at a new threshold for lawyers' billing rates and why it's so difficult to put a price on high-powered attorneys. Sign up to receive this column in your inbox on Thursday mornings. Programming note: Big Law Business will be off next week.

Some of the nation's top law firms are charging more than \$2,000 an hour, setting a new pinnacle after a two-year burst in demand.

Partners at Hogan Lovells and Latham & Watkins have crossed the threshold, according to court documents in bankruptcy cases filed within the past year.

Other firms came close to the mark, billing more than \$1,900, according to the documents. They include Kirkland & Ellis, Simpson Thacher & Bartlett, Boies Schiller Flexner, and Sidley Austin.

Simpson Thacher & Bartlett litigator Bryce Friedman, who helps big-name clients out of jams, especially when they're accused of fraud, charges \$1,965 every 60 minutes, according to a court document.

In need of a former acting US Solicitor General? Hogan Lovells partner Neal Katyal bills time at \$2,465 an hour. Want to hire famous litigator David Boies? That'll cost \$1,950 an hour (at least). Reuters was first to report their fees.

Eye-watering rates are nothing new for Big Law firms, which typically ask clients to pay higher prices at least once a year, regardless of broader market conditions.

"Value is in the eye of the beholder," said John O'Connor, a San Francisco-based expert on legal fees. "The perceived value of a good lawyer can reach into the multi-billions of dollars."

Kirkland & Ellis declined to comment on its billing rates. None of the other firms responded to requests to comment.

Charge It Up

Big Law firms are crossing the \$2,000-an-hour threshold after two years of surging rates driven by an increase in demand for lawyers.

Latham & Watkins	\$2,075
Kirkland & Ellis	\$1,995
Simpson Thacher & Bartlett	\$1,965
Boies Schiller Flexner	\$1,950
Sidley Austin	\$1,900

Law firms have been more successful raising rates than most other businesses over the past 15 years.

Law firm rates rose by roughly 40 percent from 2007 to 2020, or just short of 3 percent per year, Thomson Reuters Peer Monitor data show. US inflation rose by about 28% during that time.

The 100 largest law firms in the past two years achieved their largest rate increases in more than a decade, Peer Monitor says. The rates surged more than 6% in 2020 and grew another 5.6% through November of last year. Neither level had been breached since 2008.

The price hikes occurred during a once-in-a-decade surge in demand for law services, which propelled profits at firms to new levels. Fourteen law firms reported average profits per equity partner in 2021 over \$5 million, according to data from The American Lawyer. That was up from six the previous year.

The highest-performing firms, where lawyers charge the highest prices, have outperformed their smaller peers. Firms with leading practices in markets such as mergers and acquisitions, capital markets, and real estate were forced to turn away work at some points during the pandemic-fueled surge.

Firms receive relatively tepid pushback from their giant corporate clients, especially when advising on bet-the-company litigation or billion-dollar deals.

The portion of bills law firms collected—a sign of how willingly clients pay full-freight—rose during the previous two years after drifting lower following the Great Financial Crisis. Collection rates last year breached 90% for the first time since 2009, Peer Monitor data show.

Professional rules prohibit lawyers from charging “unconscionable” or “unreasonable” rates. But that doesn’t preclude clients from paying any price they perceive as valuable, said Jacqueline Vinaccia, a San Diego-based lawyer who testifies on lawyer fee disputes.

Lawyers’ fees are usually only contested when they will be paid by a third party.

That happened recently with Hogan Lovells’ Katyal, whose nearly \$2,500 an hour fee was contested in May by a US trustee overseeing a bankruptcy case involving a Johnson & Johnson unit facing claims its talc-based powders caused cancer.

The trustee, who protects the financial interests of bankruptcy estates, argued Katyal’s fee was more than \$1,000 an hour higher than rates charged by lawyers in the same case at Jones Day and Skadden Arps Slate Meagher & Flom.

A hearing on the trustee’s objection is scheduled for next week. Hogan Lovells did not respond to a request for comment on the objection.

Vinaccia said the firm’s options will be to reduce its fee, withdraw from the case, or argue the levy is reasonable, most likely based on Katyal’s extensive experience arguing appeals.

Still, the hourly rate shows just how valuable the most prestigious lawyers’ time can be—even compared to their highly compensated competitors.

“If the argument is that Jones Day and Skadden Arps are less expensive, then you’re already talking about the cream of the crop, the top-of-the-barrel law firms,” Vinaccia said. “I can’t imagine a case in which I might argue those two firms are more reasonable than the rates I’m dealing with.”

Worth Your Time

On Cravath: Cravath Swaine & Moore is heading to Washington, opening its first new office since 1973 by hiring former heads of the U.S. Securities and Exchange Commission and Federal Deposit Insurance Corporation. Meghan Tribe reports the move comes as Big Law firms are looking to add federal government expertise as clients face more regulatory scrutiny.

On Big Law Promotions: It’s rare that associates get promotions to partner in June, but Camille Vasquez is now a Brown Rudnick partner after she shot to fame representing Johnny Depp in his defamation trial against ex-wife Amber Heard.

On Working From Home: I spoke this week with Quinn Emanuel’s John Quinn about why he thinks law firm life is never going back to the office-first culture that was upset by the pandemic. Listen to the podcast [here](#).

That's it for this week! Thanks for reading and please send me your thoughts, critiques, and tips.
